stem. Contract was awarded will be of wood and will be mounted on steel structures. Dressing rooms and restrooms will be located under the stadium. Two concession stands will be located at each end and will be enclosed.

The stadium will be divided into four sections, with entrances on each end and at three places through the stands. The new project will replace the old wooden bleachers on the wide side, the old ones scheduled to be removed this week. The new west - side seats, of course, will become the "home" side. The stands will be 11 rows high and about 170 feet in length.

NEW SUBSCRIBERS

monthly records was 678,000 The Slatonite welcomes gallons pumped on June 22. the following new subscribers The mercury reached 104 this week: C. L. Newcomb, on Thursday and Friday, Two Box 296, Slaton; A 2/c J. D. century days were also suf-Howell in Germany; Ruth fered during this week. Wa-Ussery, Fresno, Calif., and ter figures continued along the Leon Moore, Plaza Apts., Sla-

Contract calls for 110 working days, but the contractor hopes to have the stadium ready for the first Slaton home game on Sept. 23.

Trustees also met last Thursday to open bids on a new cafetorium at West Ward, but no action was taken. The school board rejected all bids as being too high and will make further study on this project.

The contract for the stadium was the second awarded under the \$500,000 school improvements issue approved by voters earlier this year.

Construction is presently underway on a new high school gym, Contract for the gym, awarded in early June, was

Other projects proposed in the bond issue were the cafetorium -- which is now being given additional study, and a new elementary school building which is not planned for construction in the near future.

Junior Auxiliary Wins Awards

The Junior American Legion Auxiliary of Unit 438 is only eight months old but according to Unit President, Mrs. Ells Schmid, everyone will be recognizing the group from now on. Numerous awards and citations were won by the 13 members of the junior auxiliary at the Department Convention in Corpus Christi July 21-24.

A plaque for Miss Poppy from Fourth Division, Miss Robin Kerr, will be presented with Unit and District Awards. An enlarged picture, presented to Robin by Department President Mrs. Joe Ferguson stood in the

Poppy Room.
A set of desk flags were awarded by the Department Junior Membership Chairman for an all time high in membership.

A trophy to the Juniors was won by Miss Rita McCann in the Doll Making Contest for her theme, Story of the Phillipines. The trophy was awarded by Mrs. Lee Stoerner, activities chair-

Citations, "Notes In Harmony," and a Memory Charter were awarded to the Junior Auxiliary.

A participation award in Music and Americanism was won. A Harmony Jeweled Pin, formerly won, and citations from the District Junior Act-Chairman will be presented along with Department Awards.

The awards will be made at special meeting conducted by Mrs. Schmid, Mrs. Roy McCann, chairman, and other district officials. Details of the special meeting and the date are not yet available.

Mr. and Mrs. H. L. Moore Mr. and Mrs. Gene Moore and Jacquelyn, Mr. and Mrs. Harold Moore, Mr. and Mrs. William Becker Jr., and granddaughters Deborah Moore of Slaton and Angela Moore of Dallas, and Mr. and Mrs. Sam Moore and Jearld of Slide spent the weekend at Buchannon Dam. The group attended Mrs. H. L. Moore's family reunion.

Mr. and Mrs. Bob Ussery and Debbie, and Mr. and Mrs. R. L. Ussery, Todd and Lori, all of Fresno, Calif., visited in Mrs. Ussery's parents home, the W. L. Housours, last week. They also visited a sister, Mrs. Virgle Smith, and a brother, W. L. How our of Lubbock. They left for their home in Fresno last Thursday.

Sunday at the Lamesa VFW Post Six of the seven towns comprising the district were represented including Slaton, Spur, Levelland, Lubbock, Lamesa and Post. The Slaton post and the Post (Texas) auxiliary were presented travelling plaques for

attendance at the meeting. Members from Slaton were Pete Willhoit, commander; Lupe Arrelanos, Nino Sanchez, and Messers and Mmes, Travis Mann, Billie Clements, Bill Underwood and Bo Becker.

District Commander Leroy Connell and District President Sue Crowder, both of Lubbock, presided over the meetings. Department officers and chairmen present were Roy L. Milam, chief of staff; Mrs. Fred Williams, guard; Mrs. Bob Bevers, bearer, all of Lubbock; Mrs. Ann Blumberg of Spur,

musician; Billie Clements of Slaton, National Home area chairman; and Bo Becker of Slaton, West Texas caucus chairman, Reports of the department convention were given and awards won by District 7 were viewed.

Bill McClung and Janie Williams, both of Lubbock, accepted appointments as district hospital chairmen. The groups reviewed plans for the future district program and visits to the VA hospital. It was an-nounced that the department president, Gertrude Surratt of Bowie, will visit in Lubbock on Friendship Night Sept. 1. All posts and auxiliaries are invited to attend and welcome

The Slaton post and auxiliary won a bid for the fall convention, and the date has been set for Oct. 8-9. This convention will consist of registration, dance, Sunday memorial services and lunch, followed with a

Auxiliary Wins Convention Awards

Ovations from the 767 delegates over the state were given when Unit #438, the American Legion Auxiliary, walked off with the Sweepstake Award in Poppy Arrangements at the Department Convention in Corpus Christi July 21-24.

Mrs. Ells (Gerry) Schmid, Unit Prsident served as one of the ten pages for Department due to the high record of membership gain; chairman of judges for the prayer books and chairman of delegates of the unit, Mrs. Luther (Ruth) Gregory was alternate page and represented Slaton at the Past President's Parley, Mrs. Ray (Bernice) Dickie represented Mrs. Schmid, also District Vice-President, in district membership reports and was secretary for the Unit in

Convention Hall. All three campaigned for their division candidate. Mrs. Jack Flynt won over well known

Personal

of Gallup, N. M., spent the weekend here visiting her sister, Mrs. Ira McCarver and Mr. McCarver. The group then sister, Mrs. Irel Brown.

Mrs. Roy Parks, accompanied by her mother, Mrs. Kate Fancher, and her daughter, Mrs. Tom Moorhead of Lubbock, spent last week visitng a cousin, Mrs. H. F. Hodge and family in Gravette, Ark. They also visited in Hot Springs before returning home and reported that it was really hot!

Division. All were representatives of the various meetings held by their division, and in the house party for Mrs. Flynt.

MEMBERSHIP RECORD Citations and Awards were: National Citation, Division Citation, District Citation for outstanding work in membership this year. The Unit reached its all time high record through its thirty-six years of history and received a special award for this and an all time high honor certificate.

Slaton was honored at the half century membership table in seating and in the quarter century section. A citation was received for whole note in the theme, "Harmony in Music" for the year's membership re-

Mrs. Vera Johnson, local Chaplain, through an endorsement of the Unit president, received a personal citation from the Department Chaplain, Mrs. Elsie King, for outstanding cooperation in the Unit president's requested additional prayer program. The Unit received an award for Memorial Services and recognition for the Four Chaplain's Program as went to Sherman to visit Mrs. well as cooperation with all McCarver's twin brother, churches and publicity to the three observed National Holidays for the Veterans.

Among the decorations furnished was a sketch of the South Plains, with Slaton as the only large city of the district. Lubbock and other cities larger in population were printed in small scale. Slaton won over these cities in its activities to be judged.

are you Sleeping More-but Enjoying it less?

Your over-all health and well-being depend so heavily on adequate rest that there's just no substitute for a good bed. In fact, a recent survey of physicians and surgeons across the nation revealed that 98.6 per cent of their replies rated the correct bed for the user as more important than any other household article.

Adequate rest, of course, begins with relaxation. Thus the first requirement of bedding is comfort to help you relax easily and fall asleep. After sleep comes, comfort is even more important, During an average night you may change position as many as 45 times, giving various muscles a chance to relax. With the right bedding, you'll make these changes easily and get the most out of your night's sleep. But if you're "fighting your mattress" with every turn, you may wake up feeling just as weary as when you went to bed.

HOW DOES YOUR PRESENT BEDDING MEASURE UP

Assuming that you're neither a two-year-old nor a newlywed, how are you supposed to know whether or not you're ready for new bedding? If you're suffering from serious backaches, that's an obvious clue. If your mattress is "busting out" somewhere or beginning to resemble a hammock through the mid-section, you should be considering

The indications aren't always so easy to recognize, however. Even age isn't a fast rule, since bedding of good quality may last 15 years or more. But if you're not certain how old it is, or if you suspect you're being short - changed on restful sleep, use the following checklist to see how your mattress measures up in support and comfort: (1) Check the tag for age. Federal law requires that all bedding be labeled to indicate contents and date of manufacture. Though the "Do Not Remove" warning applies only to the seller, chances are you left the tag where it was. If the date on the tag is more than 10 years old, your mattress may be a has-been. (2) Look for missing stitching, loose or missing button tufts, and any rips or tears in the ticking. These signs of wear can quickly worsen, (3) The mattress surface should be even, not low or lumpy in spots. Borders should be straight, not sagging at corners or along the edges where you sit down, (4) Stretch out on the mattress and roll over. If you feel a side-to-side rocking sensation or bounce, you're losing out on comfort. Listen for noise, too; a chorus of squeaks and rattles is a sure sign of aging.

BUYING A NEW MATTRESS?

Though an open mind is an admirable trait, you should take along a few preconceived notions when you go shopping for a new mattress. Consider, for example, whether you like latex foam rubber or innerspring construction. The choice is largely personal. If you're uncertain of which you prefer, say so and insist on trying a variety of mattresses before you decide. And if you're buying for two, both of you should try out bedding for comfort - at the store.

DO YOU SLEEP SITTING UP?

That, unfortunately, is exactly how far too many women shoppers judge the mattress they are going to sleep on for the next 15 years. Men are generally less inhibited about stretching out full length and even rolling over to find out whether a bed is truly comfortable before they tell the salesman, "I'll take it." Please, good lady, kick off your shoes and lie down on any mattress you consider buying. There's no other reliable

and four children returned to their home in New York after several days visit with her sister, Mrs. Alton Sumrall and family. The Sumralls took them over to see the Carlsbad Cav- | bie and Laurie Gentry. erns while they were here.

ATTENDS CONVENTION Mrs. James Kitten returned from Boston Friday of last week where she had attended the 31st biennial convention of the DCCW. She reports a very nice trip, but glad to be home with her family again. She went by plane with another group of Catholic women who were also delegates to the convention.

Mrs. Earl Forrester has as guests this week her parents, Mr. and Mrs. B. A. Harris of Elida, N. M. Mrs. Forrester says they are busy right now putting up vegetables.

Mr. and Mrs. Mert Gentry, Mrs. Lillie Harper from Posey, together with Mr. and Mrs. Jay Carroll of Elida, N. M., and Mr. and Mrs. Bert Darland of Morton, met at the H, D, Carrolls in Lubbock to see the Jack Halls from California. They had been to Eustace, Tex., near Ellis County, to attend the funeral of Mr. Hall's father and were on their way home when they stopped at her brother's, H. D. Carrolls.

AT SINGING Saturday night the Mert Gentrys attended a singing at the Evangelical Methodist Church in Slaton to hear the Gospel Gloryland Singers from Roswell, N. M. The Gentrys were disappointed that there wasn't a larger crowd there, for they said it was a wonderful singing. HAS PARTY

Teresa Gentry gave a "Tacky Party" for her friends Saturday, July 3. Those present were Susan Hopper, Kathy and Jeanie Milliken, Rose Mary and Sharon Maeker, Robbie and Eva Jean Johnson, Three girls were dressed like older ladies; Robbie dressed as an old man like the hillbillys; Teresa had her face covered with freckles; Susan blacked her face, and they all wore grown-up clothes. They

Mrs. Joe Moeller has been quite ill the past few days but we are glad to report she is improving at present, She is at

Mrs. Mattie Joplin visited her sister, Mrs. Mizzie Shelton, and a brother, Roosevelt Gentry and wife of Slaton, over the weekend.

All of my six children are Slatonite subscribers now, They enjoy the paper so much, especially those who live in Lubbock as they all graduated at Slaton High, They can keep up with some of their school friends.

My daughter, Mrs. Bill Karon and family have just returned from a three - week's vacation in Florida, New Jersey and Atlantic City. His mother and brother live in New Jersey. They said Florida was the most beautiful place they ever

Miss Barbara Henderson and Miss Sharron Walters came over for a little visit with me Sunday. Also my daughter, Ruth Johnson and little daughter, Brenda, were here most of the evening. And I always have a host of grandchildren which I enjoy very much, Mr, and Mrs, Bobby Swann, Pam and Gary were down from Lubbock Thursday evening.

Buddy Barrientos took his wife to Seguin last week and left her to visit with her mother for a week. She has since returned home.

Rose Mary and Sharon Maeker spent several days and a couple of nights with their grandparents, the Ed Maekers, the past week. They are from Lubbock.

Mrs. Beulah Kitchens entertained relatives in her home at Lubbock the past Sunday with a dinner lunch, Thirtysix relatives called, but some came in the afternoon.

Mr. and Mrs. P. C. Kitchens brought his mother out Friday night and all day Saturday from the Slaton Rest Home. She really enjoyed the visit.

Mrs. Maude Gentry is in the Methodist Hospital and will undergo surgery Wednesday of this week.

Mr. and Mrs. Ed Cox of Amarillo were visiting his daughter and family, the Guy Gentrys, Monday of this week; another daughter, Mrs. Earl Johnson of this community; another daughter, Mrs. Ray Pinkert and children of Lubbock, and a son, Buddy Cox and family Idalou, returning home Monday. Mr. Cox was a resident of this community several years ago.

Mr. and Mrs. Frank Winier of San Antonio are visiting with her sister, Mrs. Olga Gebert. They will return home Thurs-

CANDY

DISEASE FREE -- Dick Cade switched to Specifically Pathogenic Free hogs ago. His operation nets him higher prices with better production, Notice black skins of the disease free porkers. Cade is watching the pigs eat their market time, (SLATONITE PHOTO)

DICK CADE OUTLINES NEW METHOD

Disease-Free Hog Operation Explain Operation Exp

Dick Cade would rather -- without mud. switch than fight! He would rather switch to a disease free hog producing operation than fight diseases that often plague normal hogs.

Cade entered the Specifically Pathogenic Free hog - raising operation with 17 sows about to farrow and an initial investment of \$50 for each pig farrowed,

The Slaton farmer and hog raiser said the switch was very expensive but now values his two year old operation at \$60,000. Technicians in a laboratory

at Cameron scientifically removed the pigs before normal farrowing. The operation broke the disease cycle between parent and offspring, the key to the SPF program.

Cade explained that contact diseases such as mange are stopped when the disease cycle is broken. Small pigs, not yet weaned, gilts, barrows and even the pure - bred boars used for breeding purposes all have shiney black skins free of any sign of disease.

The Cameron laboratory kept Cade's pigs in incubators for have dirt and mud to roll in 30 days with a rigidly controled and plenty of romping room. turned them to his rebuilt pens and buildings west of Slaton

thods "just ain't the same" as the old methods. His sows has a slanting cement floor that and two breeding boars are is washed daily.

the SPF operation is in the price in the marks farrowing barn. Here the sows are given a warm bath, soaked in disinfectants and then kept in air conditioned comfort for five weeks until weaning time. Each sow has a private water

and feed supply, plus her own air conditioning vent. The 22 farrowing stalls are on oak platforms over cement flooring and are completely private from the next stall. Cade said this isolated any disease that might occur.

The barn is fully enclosed; flies are almost non - existant, and visitors, human ones, must wear rubber boots dipped in disinfectant.

After weaning, the pigs are moved to an open pen with sheds for shade. Here the pigs almost return to normalcy. They ing floor where a high concentrate diet prepares them for

Shaw Named To FHA Post

Shaw as a member of the Farmers Home Administration County Committee was announced this week by Ralph Griffitts, the agency's County Supervisor serving Lubbock and Crosby Counties.

Shaw resides in the Wolfforth Community. He was raised in this community and has been engaged in farming all of his adult life. He is recognized as an outstanding farmer and community leader. His practical farming experience and knowledge of problems affecting agriculture will enable him to make a real contribution to the County Committee's action when reviewing loan applica-

Two other members make up the three member committee which works with the County Supervisor to see that the best possible use is made of the agency's farm credit service program consistant with local farmers' needs. The two members are Neff Preston of Shallowater and Paul Rogers of the Acuff Community.

Each member is appointed for a three year term. Shaw succeeds Jim Womack whose three year term expired June 30, 1966.

TAX MAN SAM SEZ:

Each year thousands of students work in summer jobs. Their employers, in accordance with the law, withhold taxes from their wages. A lot of students do not earn enough during the summer to require them to file an income tax return.

However, it is very important that they file a tax return shortly after January 1 next year, so they can get their refund. If a student does not file a tax return and claim his refund, the Government doesn't know he has a refund coming. In the case of many students, filing a tax return can be a profitable task.

New Facilities Announced At Lake Meredith

The opening of visitor - use facilities at Fritch Fortress was announced today by Superintendent M. J. Becker, Sanford Recreation Area. The available facilities will include access roads, parking areas, boat launching ramps, courtesy dock and chemical toilets.

Construction of picnic units, by the High Plains Construction Company of Amarillo, is well underway. These should be ready for public use in August, stated Becker.

Concession services are not available at Fritch Fortress at the present time. Visitors will have to rely on the mobile canteen and gasoline services provided on weekends at Blue West and Sanford - Yake, or else bring sufficient supplies with them from town.

Present average yield of

Cheerleaders "Guarantee" Car Wash

A "satisfaction guaranteed" car wash is planned for Saturday by Slaton High School cheerleaders. For one dollar the car will be picked up, washed, and returned to the owner's home.

Cheerleader Vicki Nowlin urged everyone to have a dirty car for the weekend wash-up. Money earned at the car wash, held at the high school circle, will be used to furnish new

cheerleading uniforms. Car washers for Saturday will be Vicki Nowlin, Cheryl Clark, Ava Harrell, Donna Carpenter, and DeeDee Carter.

Anyone wanting their car picked up Saturday can call VA8-3481.

TRIP TO HAWAII

Miles Beard, 15, son of Mr. and Mrs. Lindol Beard, plans fly from San Francisco,

Calif. Aug. 1 for a three weeks stay in Honolulu, Hawaii, visiting Mr. and Mrs. Vesta Townley and a cousin, Bob. Mrs. Beard and children will take him as far as California where they will visit a niece

of Mrs. Beard's, Mr. and Mrs. Tom McLeod of San Jose before returning home.

Be Safe

To help keep poison out of the reach of children, several manufacturers of medicine cabinets are offering a new type of protection that consists of a small chest or compartment with in the top of the cabinet which can be securely closed. This presents a "locked door" to small prying hands, but it is easily opened by an adult by means of an out-of-the-way button on top of the chest.

GO TO CHURCH

SUNDAY

In this marvelous age we live in, machines do many things for us. Tasks once accomplished only by hours of strenuous toil and sweat on the part of many hands can now be done by a single machine in a matter of minutes.

A machine can perform only a limited number of functions. In proper parlance, it must be "programmed" for each individual function it performs. If it is an "answer" machine, it cannot answer a particular question unless the answer has been "programmed" into the machine. In simple words, a machine cannot think.

Man is different. Man has the powers of reason. As a consequence, he is forever in the role of a decision-maker. He has a built-in "mechanism" - his conscience - which concerns him with "right" and

"wrong."
The wise man learns through experience that making the "right" decision, though perhaps painful and unpopular, is always the proper thing to do.

Class of '41 Plans Reunion

Have you been to the mountains this summer? Just about every other person that I have talked to lately has either been to the mountains or planning to go in the very near future. Wouldn't it be nice to be there right now? If you have been, call and tell me all about it so I can share it with your friends and neighbors.

Mr. and Mrs. Eddie Gravell from Slaton and Mr. and Mrs. Ben Vernon from Lubbock were Sunday dinner guests of Mr. and Mrs. G. D. Ellis.

Mr. and Mrs. Armstrong, Peggy and Virginia and little granddaughter from Brownfield visited with Mr. and Mrs. Willie Becker on Sunday, Mr. and Mrs. Armstrong are the parents of Mrs. Gilbert Becker.

Mr. and Mrs. Albert Lee Lange and four children from Austin visited with Edmund and Yours Truly on Friday. They were on their way to the mount-

There's no problem when you come to TEAGUE DRUG, VA8-4535, for hygienic, correct pharmaceutical products.

Mr. and Mrs. Herman Havis have just returned from a visit through parts of Colorado and New Mexico, Two places that they visited in particular were Meeker, Colo., and Ruidoso, N.M. Mrs. Havis reported that in places in Colorado they need rain very bad and that it is

REVIVAL BEGINS

The Southland Methodist Revival will begin the coming Sunday, July 31st, at 8:00 P.M. Brother Hugh Daniels from Tahoka will be the guest preacher. This revival will last one week and everyone is invited to come. There will be two revivals going on the same week at different times. The Baptist Church will also be having their revival. They will be held at different times, so that you can attend both if you would like,

The Methodist revival is being held at the Graham Chapel Church this week, having started Sunday night and will end this coming Sunday, July 31. Brother Max Browning from Wilson is the guest preacher. Everyone is invited.

Mr. and Mrs. Clay Oats and Mr. and Mrs. Ben Bloxom from Slaton visited with Mr. and Mrs. Jack Hargrove on Sunday. OHIO VISITORS

Mrs. John Gaskalla and daughter, Mary Jo, from Colombus, Ohio, were luncheon guests on Sunday with Mr. and Mrs. James Mason, Mrs. Gaskalla and daughter were on their way to Abilene, This is the first time that these two families had seen each other in eight years.

Mr. and Mrs. James Mason went to Brownfield on Wednesday to pick up their daughter, Mickey, who had been visiting her aunt and uncle, Mr. and Mrs. Monroe Rowden, for several days. Pam and Jan Rowden returned home with the Masons and spent several days visiting with different relatives here in

their home in Brownfield on Saturday. AT CHEERING SCHOOL

The cheerleaders of Southland School are at Texas Tech this week attending the Cheerleading School. They are staying on the campus and the school lasts from Sunday afternoon until this coming Friday. The three girls who are attending from here are Libby Sales, head cheerleader, Karen Melcher and Dayneen Dunn, Guess these girls will come back home with a lot of new ideas, and a bunch of new "yells".

Mr. and Mrs. Herbert Dunn visited on Sunday with Mr. and Mrs. Lonnie Collingsworth and Mr. and Mrs. R. B. Lovelace at Cooper.

CLASS HAS REUNION Southland graduating class of 1931 held their class reunion on Sunday in the school cafeteria. This class has been having these reunions every 5 years for quite some time, There were 38 guests there for the "Pot - Luck" dinner and around 50 people in all called during the day. In 1931 there were 12 graduating seniors and yesterday (Sunday) there were seven of them at the reunion. They were Winifred Booher. Ruth (Fields) and Pete Crawford, Dale Spence, Hazel Gregory Craft, Alene Gray Onstott and Ruby Ellis. I think that this is a wonderful tradition, having these reunions every 5 years. More classes should have them!

1941 CLASS MEET Speaking of class reunions -the 1941 class will be having theirs on August 7th. Don't forget this important date. It will be held at the Slaton American Legion building, beginning in the morning with lunch at 1:00 P.M. and during the afternoon until everyone leaves. See you there!

ORDINANCE ENFORCED -- The junked car ordinance was firmly enforced Wednesday morning when this car was towed from Collins St. The owner had been served a 10 day removal notice and a final notice Tuesday morning. The car was dumped in the canyon. Enforcement of the junked car ordinance is part of Slaton's new clean-up campaign.

Cities Tell How Vital Airport Is to Progress

Just how important do you consider an airport to be in your community? Have you ever wondered what other communities think about the subject of airports? Does an airport really attract new business and

These are some of the questions asked in a survey concusted by the Texas Aeronautics Commission in 1965. A large majority of the cities were most

and Ft. Worth. At Lake Whitney, they visited with Mr. and Mrs. J. B. Gresham and in Ft. Worth they visited with Mrs. Winterrowd's mother, Mrs. rancis Lightfoot, and with a brother and his family, Mr. and Mrs. D. D. Lightfoot. On the way back they stopped at Possum Kingdom Lake for a short time. While at Lake Whitney they enjoyed a nice fish-

Sunday guests in our home were Mr. and Mrs. Wallace Becker, Mr. and Mrs. R. M. McMinn, Mr. and Mrs. James Riney and Cathy, and Mr. and Mrs. Leroy Zieschang, Also visiting for a short time was Miss Martha Blodgett.

Mrs. Nellie Mathis was on the sick list last week. Hope she is feeling much better this an airport is an essential factor in the economy of their communities. . . that without an airport, their ability to compete with other for major in-

dustry would be jeopardized. The answers sent in by some of these cities might be of interest to Slaton citizens, since a bond election is coming Aug. 9 for the purpose of building an industrial airpark.

Of interest to Slaton residents would be the survey conducted among 73 cities in the 5,000 to 9,999 population range. Only five of these were without airports: Slaton, Donna, Port Lavaca Raymondville and Silsbee. Port Lavaca was in the process of putting in an airport at the time of the survey. A comparatively high 66.7

percent of those reporting had paved airports and 19,1 percent had unpaved strips. Here are what some of the cities had to say about the

importance of an airport: Breckenridge -- One of the greatest assets we have for future industrial development is our airport. We are planning

an extensive industrial park at

the ariport, and are going to

attempt to sell the outstanding

facilities we now have. An

essential in a full program of industrial development. Colorado City--Just as im-

portant as paved highways were and are to terrestrial travel, which has come a long way since the horse and buggy days. Many larger companies send representatives via air for better results regarding sales, inspections, etc.

Hillsboro--Vital to the extent of passing a \$60,000 bond election by a 4 to 1 margin. Our leaders felt it is somethong we must have to compete with new industry.

-An adequate airpo Littlefield able here in West

Texas where we have to cover great distances in a hurry. Even with a good highway system and superior rail connections, in many instances, we would be almost isolated without our airport.

Monahans -- It is second to good highways. We have some 15 private and company planes based here. We know that air transportation is becoming more and more essential in the operation of a business.

Seminole -- Our aiport is used extensively by businessmen and farmers. Several of these men would have home offices elsewhere if we did not have ac quate airport facilities. airport will be an important part of our future growth.

C-C Leaders Slate Progress **Revue Session**

Abilene--O, G, Nieman, president of the Slaton Chamber of Commerce is one of a select group of West Texas leaders who will meet Aug. 4 at Lytle Shores Lake near Abilene to explore West Texas' Growth Potentials.

Sponsored by the West Texas Chamber of Commerce the meeting, dubbed the President's Potentials of Progress Revue, will feature brief presentations by experts in the fields of Water Resources, Industrial and Tourist Development, Agriculture and Ranching, State and National Affairs, Petroleum and Chemicals, Education and Public Affairs.

The presidents will receive a report gleaned from 20 idea and planning sessions held throughout West Texas since June 15. They will participate in a program to determine how each West Texas Community's potentials can be transformed into tangible results and how goals can be reached.

"West Texas must have leaders with broad vision and paint to cover to courage," said West Texas Chamber of Commerce President, John Ben Shepperd of Odessa, adding, "to think big is to be big."

About Slaton, the article

states: "Slaton, lacking depth and experience, hopes to rebuild with the talents offered by interior veterans Joe Olague, Tommy Donaldson and Roy Green and running backs Doyle Ethridge, Larry Pickens and Charles Fisher.'

Selected as standouts in the district were grard Lloyd Bingham of Denver City, back Buddy Shanks of Stanton, and center Jackie Huff of Post.

Denver City won't be as overpowering this year, as in former seasons. according to Texas Football.

" Although 11 lettermen return at Denver City, there are only two holdover regulars on offense and only four on defense, which means this could be a rebuilding year," Texas Football reports.

Since the magazine went to press, the outlook for Denver City dimmed even more with the death of one of those two offensive regualrs, 185-pound Jummy Comer, in a traffic accident. Comer was rated as the best back of the Mustang

"There is a residue of quality from last year's 11-1 team," Texas Football says, "starting with guard Loyd Bingham. 6-0, pounds, a real standout. Ends Dwayne Young and Mike Mead are both strong rangy types, and in the backfield halfback Gary Hatfieldstirs; Mustang hopes."

"POST IS the team with the best chance of making the most of Denver City's problems." according to Texas Football. "Six offensive and five defense regualrs return from a 5-5 team. Center Jackie Huff (6-0, 200 and tough) anchors what could be a stout line.

"Also capable up front are ends Don Windham and Davis Heaton, tackle Felemen Vargas, and guard Joe Hudman, Quarterback Dick Kennedy and fullback Paul Walker, 178, stoke the hottest fires in the backfield.

But Texas Football didn't have all the information on Post. Vargas tripped in the spring over scholastic hurdles and will be ineligible to play both ways again this fall on affense and

Stanton, according to Texas Football, will have " the area's finest passer firing for them."

Area 1 Little League Tourney championship here Saturday night, rolling over a game but outmanned Slaton All - Star team by a lopsided 32-6 score.

Led by a pair of major league size players, Eastern team completely dominated tourney play, and advanced to the district meet at Lubbock this week. Crosbyton won the consola-

tion title in the early game Saturday, scoring a 12-2 triumph over Ralls.

The most thrilling contest of the tourney was seen Friday night when Slaton edged a good Lubbock Northeast team by a 5-4 score. Slaton drew a bye in the first round and downed Northeast to gain the tourney finals. Northeast had scored a 13-1 win over Crosbyton Thursday, while Northwest downed Ralls by a 9-3 count. Eastern eliminated Northwest by 10-2

Large crowds were in attendance each night, and it was strictly standing - room - only for the finals Saturday. Spectators ringed the outfield fences with interested fans coming from Lubbock, Crosbyton, Ralls and Slaton.

Perhaps some were attracted by huge Henry Easter, East-ern's 6-2, 205 - pound pitcher. He and catcher Lemuel Levels -- another big, almost unbelievable 12 - year - old -- made the sharp - fielding and hot hitting Lubbock team even more unbeatable.

The pitching of Randy Davis and Don Jackson and the fielding of Bradley Kitten highlighted Slaton's victory over Northeast Friday, Jackson held the strong Lubbock team to two hits and one run over the first four frames, but two errors and the third hit chased in two more runs in the fifth.

Davis came on in relief to retire the side, then did some masterful hurling in the final frame to pitch himself out of a real jam. Three Slaton errors on the first two batters sliced Slaton's lead to 5-4 with the tying run on third base and nobody out. Davis came through in the clutch, striking out the next three batters to protect the lead and chalk up the tourney victory for Slaton.

It was the two hurlers -Jackson and Davis - who delivered what proved to be the winning run in the top of the sixth. Jackson singled with one away and later scored on a

Lubbock Eastern captured the | two-out double by Davis.

SLATON SLATONITE, JULY 28, 1966, PAGE 9

Slaton had taken a 4-0 lead in the first two frames. Steve Ethridge singled in a run in the first inning. In the second frame, Jim Melton singled with one away to start a rally. Another single by Davis, two walks, two errors and two passed balls led to three runs for the host team.

Northeast got one run in the second on a walk and double, then added two runs in the fifth to cut the edge to 4-3. Kitten turned in some fielding gems at shotstop and contri-

buted one hit to the attack. In the Saturday night finale, the Eastern team battered five Slaton hurlers for 23 hits. Darrell Eastman started for Slaton and was relieved by Jackie Ford in the first frame, David Martinez came on in the second inning, Kitten in the third, and Jim Melton in the fifth.

The winners socked five homers and three doubles in the

Aircraft Mechanics Needed At Reese

skilled aircraft maintenance mechanics at Reese Air Force Base was announced by Col. Ernest T. Cragg, wing commander. The shortage in mechanics is due to Vietnam assignments for military mech-

The 39 civilian mechanics "will replace military technicians who have been called to support operations in the war,' said Cragg. The civilian workers will help maintain T-38 and T-37 aircraft used in the Reese pilot training program.

Eighteen of the 39 employees will be jet engine mechanics and the other 21 are to assist maintenance of aircraft radio, instruments, electrical systems, sheet metal, hydraulic systems, and turbine - powered systems.

A minimum of four years experience is required of the mechanic specialists said Cragg. The four years experience must be on the particular craft on which the mechanic will work. General aircraft maintenance will not be suitable unless a minimum of four years time has been spent on the particular craft, he said,

A starting wage of \$2,80 an hour, with periodic increases, was announced for the civilian
