

City Dads Adopt Cemetery Rules, Purchase Radio System

Slaton's city fathers disbursed several items of vital importance to the residents of Slaton in their regular Monday night that lasted 3 hours and 20 minutes adjourning into a closed session with the City of Slaton's Department heads.

Among the items on the agenda that were approved were regulations affecting Englewood Cemetery, a two way radio equipment purchased for the water department, an engineering study of the water needs as the town grows, and the letting of a construction contract.

Hall. Cost of the citizens band type radios will be \$600.00 not installed. City personnel will install the communications system.

Water superintendent Wayne Baker recommended to the council that the radio system be purchased. In his presentation to the commission Baker said, "The radio system will pay for itself and make the city money in the amount of manhours saved, and it will also help us to give better service to the residents of the city." Commissioner Bollinger moved to purchase the radio equipment with the second coming from Commissioner Davis. Motion carried unanimously.

Sewer Construction
Panhandle Construction Company was awarded contract to lay sewer line and connections in the alleys between Arizona and First and between Third and Fourth Streets south of Geneva; also between Ivory and Flint south of Geneva to the center of the street. The amount of this construction was bid at \$1,704.15. Plains Utility Company also entered a bid for the project for the amount of \$2,394.61.

A separate item was included in the bid which is the laying of an 8 inch V. C. sewer line with a 10' to 12' cut in the Wilson addition.

ed 5 items with Panhandle Construction Company entering the low bid at a total of \$2,550.15.

Commissioner Davis moved to award the contract to Panhandle Construction Co. which includes items 1 through 4 dealing with the eastern part of Slaton and also accept item number 5 contingent to reaching agreement of reimbursement with Harold Wilson's escrow in the amount of \$973.09. Bollinger seconded the motion which carried unanimously.

Eighteenth Street
W. C. Williams has requested that the City of Slaton consider selling to him a portion of 18th street. After considerable discussion, Davis moved to table action for further study and that other property owners adjacent to portion of the street be contacted. Bollinger seconded the motion that carried unanimously.

Offer Declined
Mrs. Nadine Arnold, operator of the Caprock Drive in theatre, had expressed a desire to purchase the city owned property where the drive in theatre is located. Commissioner Truett Bownds moved not to sell the property. Davis seconded the motion that carried.

Employee Insurance
The commission, on recommendation by department heads,

lected to extend the present employee participating hospitalization insurance coverage to help meet the rising costs in medical treatment. Truett Bownds made the motion with the second coming from Davis.

Water Department
Wayne Baker, water superintendent, reported to the commission that 1,848 feet of water line had been installed to serve 10 customers on U. S. 84. The total cost was \$966.45.

He further stated that one of the city's water tanks will need to be sand blasted and repainted in the very near future.

Cemetery Rules Adopted
The City of Slaton Cemetery Board members (Bud England, Ray Kitten and Don Kendrick) presented recommendations of rules and regulations to the city commission in connection with Englewood Cemetery.

Davis made the following motion: The commission accept rules and regulations, 1 through 12, presented by the Cemetery Board pertaining to setting up a cemetery department and that item 13 be added to include employment of a competent employee to carry out regulations as set forth, and that the city adopt the rules that shall apply only to East Englewood Cemetery, rules 1 thru 11. Bownds

seconded the motion that carried unanimously.

The rules and regulations that were adopted are as follows.

1. That portion of the Cemetery east of Highway 400 shall be named East Englewood Cemetery. That portion of the Cemetery west of Highway 400 shall be named West Englewood Cemetery, in preference to calling each section "old and new."

2. That the Cemetery Department be set up as soon as practical as a self supporting department, keeping all money above expenses in the Cemetery Fund to be used by the Cemetery only.

3. That individual grave spaces be sold for mths date forward in East Englewood Cemetery for: Adult per space \$25.00; Infant per space \$15.00; Babyland space \$20.00.

4. That the Cemetery Park Department take advantage of Williams Funeral Home offer to use their cemetery equipment for a period of 4 years with Williams Funeral Home paying reasonable maintenance expense on the equipment.

5. That Williams Funeral Home be granted priority of use of such equipment if multiple interments occur or Williams Funeral Home requests equipment for out of city limits use.

partment shall furnish all grave services for a fee Funeral Homes or Mortuaries as individuals shall not furnish such grave services in total or in part as a service of the Funeral Home or Mortuary or individual. The exception to this action is that in the event the Cemetery Park Department cannot furnish the equipment necessary for multiple interments at the same period of time.

Grave Service Fees shall be:
Adult - Weekdays
Opening and closing
grave \$30.00
Grave Services 30.00
Total \$60.00

Infant - Weekdays
Opening and closing
grave \$20.00
Grave Services 20.00
Total \$40.00

Holiday and weekend (Sunday) charges shall be increased \$20.00.

8. The above grave services charges are in addition to the cost of individual grave space purchased.

9. All contracts of the sale of property shall be in writing and deeds issued for such sale of property upon full payment.

10. All Authorization of Grave Service shall be in writing and paid in full before such services

will be provided.

11. Interment space and grave services charges for immediate use shall be cash, addition grave spaces made be placed on contract of no more than 90 days after which time the addition money on contract and the property reverts back to the Cemetery Department for resale at deposit to Cemetery Fund if failure to fulfill contract obligation, after notification of purchase.

Funeral Homes or Mortuaries may be extended 30 days credit by guaranteeing in written contract the charges of 1 grave space and the grave service charge. If such Funeral Home or Mortuary fails to make payment within 30 days such extension credit will not be given such Funeral Home or Mortuary for 4 years. This extension of credit shall apply to the issuance of bad checks by the Funeral Home or Mortuary for a period of years.

The following rules shall apply only to East Englewood Cemetery:

1. There shall be one central monument to each lot, and shall not be a duplicate of another monument in the same block or adjoining block.

2. The front area of all part of the monument area added together shall be no less than 45 square feet, which ever is smaller. No die to be less than 4 inches thick. Military marker are an exception.

3. All parts of the monument shall be of good quality natural granite marble or bronze. Natural stone shall be allowed.

4. If the lot owner selects monument of outstanding design that would be an improvement and an asset to the Cemetery but if it should fail to meet minimum size requirements set out above it may be allowed with the Cemetery Board approval.

5. Attempt to limit height of monuments to 5 feet.

6. All monuments, individual or family, shall meet the following minimum installation specifications:

Cement shall be poured to depth of 6" with the top flat surface flush with the surrounding terrain; A flange of not less than 5" shall extend in all directions from the base of the monument.

7. No monuments, individual or family, shall be placed upon the property until such cemetery property is paid for in full.

8. The Cemetery Park Department shall provide for monument installation for a fee when practical. At this time the minimum fee for such monument base installation shall be:

\$10.00 for a 12"x24" stone or plaque.

\$5.00 per running foot on large stones or plaques.

9. The base installation fees for monuments or plaques shall be collected from the seller of such monument before installation by the Cemetery Park Superintendent.

10. This board recommend that after all efforts have been made to contact lot owners or heirs that unsightly trees, shrub or flowers be removed. Also curbs, cement and shell sidewalks that are dangerous shall be removed enabling the Cemetery Park Department to perform its duties of maintenance more efficiently.

(a) If lot owner or heirs cannot be contacted the removal of such nuisances shall be at the expense of the lot owner.

(See No. 1 Back Page)

-WEATHER-
Although the low and high temperatures in Slaton this week varied little from those of last week, the weather appeared to be cooler because of the low morning readings.

Nevertheless, Slaton merchant reported a sharp increase in the sale of heaters, radiants and furnace parts. Anti-freeze sales a saw a boom as the night temperatures dipped into the high forties.

The day by day temperature as recorded by Pioneer Gas Co. were:
Thursday 83-48
Friday 81-48
Saturday 83-49
Sunday 85-49
Monday 85-49
Tuesday 82-49
Wednesday 77-55

Slaton Couple Return From Mexico Trip

Rev. and Mrs. Rollo Davidson from the First Methodist Church in Slaton and Rev. and Mrs. Johnny Williams of the Cooper Methodist Church returned Friday from twelve days tour of Mexico.

In addition to the usual sight-seeing of tourists in Monterey, Mexico City and Acapulco, the couples were privileged to visit the Methodist work in two of the cities.

They were guests of Miss Naomi Hare of Hereford, Texas, who is in her seventh year as a missionary from the Woman's Division of Christian Service.

For six years, Miss Hare taught English in Laurens Institute and did extra work in the Social Center in Monterey.

A present she is housemother in the Student Hostel in Mexico City, they attended the Trinity Methodist Church on Sunday and were impressed by the work and influence of the church there.

Also, a tour was made of the Holding Institute in Larado, another project of the Woman's Division of the Methodist Church.

Brother Of Area Man Dies Sunday

Services for V. O. Dunn, 63, of Abilene, brother of 4 area men, were held Tuesday at 2 p. m. in Williams Funeral Home Chapel here.

Officiating was the Rev. F. R. Cole, Baptist minister from Abilene, assisted by the Rev. Fred Thomas of the First Baptist Church, Morton.

Burial was in Englewood Cemetery under direction of Williams Funeral Home.

Donations to the cancer fund will be accepted, the family announced.

Dunn died Sunday at the Veterans' Hospital in Big Spring. Survivors include his wife; two daughters, Mrs. O. B. Huckabee, Morton, and Mrs. George Powers, Barstow, Calif.; four brothers, M. A., H. C. and Dillard, all of Southland and J. W. of Slaton; two sisters, Mrs. B. C. Robinson of Houston and Mrs. C. C. Brazzil of Mineral Wells.

Slaton Tigers Romp Over Spur; 38 to 0

Head Coach Bing Bingham and Assistant Coach Fred Weaver were carried off the field on the shoulders of their jubilant squad Friday night after downing the Spur Bulldogs 38 to 0 which spoiled Spur's Homecoming spirit.

Versatile back Bruce Pember scored the first TD early in the first quarter and again in the final period of play.

End Leslie Brown snagged a pass from Larry Gamble in the 2nd quarter to push the Tigers ahead 12 to 0, and he held onto a Pember pass in the third stanza to make the tally 18 to 0.

Larry Gamble spotted his teammates 8 more points in the 4th quarter by keeping the ball for 6 points and running his right side for 2 extra points after Pember made the final touchdown for the evening late in the 4th quarter.

There was little doubt that the Tigers were out to win the second game of conference play from the very start when Johnny

Hennington rambled 55 yards down to Spur's 4 yard line. Pember, on a handoff from quarterback Larry Gamble, pushed over the right side for the touchdown. The try for extra points failed.

Spur's George Neaves passed to Jim Thomas good for 60 yards and carried the Bulldogs down to Slaton's 15 yard line, but Bobby Magallenous punched the wind out of their sails when he intercepted a Neaves pass on the 15 yard line.

Brown also intercepted a Spur aerial in the 2nd period.

Larry Gamble connected with Leslie Brown in the 2nd quarter that netted 70 yards and the second touchdown. The kick for the extra point was blocked.

In the third quarter Spur decided to gamble and took to the air, but Billy Gass turned the tables when he intercepted Neaves' pass intended for Rickey Ball on Spur's 42 yard line.

A series of plays by Gamble Hennington and Pember put Slaton down to Spur's 15 yard

line. Needing 15 yards for the touchdown Bruce Pember found Leslie Brown's waiting hands for his pass and Brown pushed over for the 6 points. Again the try for points failed.

A pass interception by Brown late in the 3rd quarter set up the first score for the Tigers in the 4th period. Brown caught the Bulldog pass on Spur's 43 yard line.

Pember took a handoff from Gamble for 11 yards and the first down; Gamble kept for 10 yards and a first down; Pember, in the quarterback slot, kept for 10 yards and another for 1st down; Gamble kept for 5 yards that ended the third quarter.

In the opening seconds of the 4th quarter Gamble kept and went over the left side for the touchdown. Gamble passed to Brown for the extra two points, but a 15 yard penalty rubbed out the two points. The second attempt was no good.

Another Brown interception set the stage for Slaton's 5th TD and

the second one in the 4th quarter. Pember kept the ball for 15 yards, but a personal foul rubbed out the gain. Pember attempted a pass to Brown but was incomplete. Pember faded back on the next play to hurl a pass but couldn't find an open receiver, so he elected to run, and run he did, for 65 yards and a touchdown. Gamble made the only conversion for the evening when he ran around left end for the two points.

Outstanding on defense were Leslie Brown, Bobby Magallenous, Leonard Hurst, Travis McCormick, Mike Hunter, Randy Martin, Hector Lucero, Victor Christian, Jim Adamson and Jim Bob Chriesman.

Slaton now has a 1-1 won and loss record in conference play and 2-6 season record.

Spur hasn't won an outing this season.

Slaton's roster includes: Randy Martin, B; Leslie Brown, E; Mike Ball, T; Mike Dubbs, G; Jim Chriesman, C;

Danny Scott, G; Mike Hunter, T; Larry Smith, E; Larry Gamble, QB; Bruce Pember, FB; Jim Adamson, FB; Ascension Perez, HB; Billy Gass, QB; Victor Christian, HB; Randy Martin, HB; Johnny Hennington, HB; Roger Buskemper, FB; Bobby Magallenous, C; Doug Williams, C; Gay Hoover, T; Leonard Hurst, T; Joe Williamson, T; Travis McCormick, E; Dowe Winchester, G; Larry Luman, E; Hector Lucero, B.

Spur Bulldogs Roster: Jesse Powell, E; Jim Thomas, T; Leslie Hurst, G; Ronald Day, C; Gary Harvey, G; Jack Alexander, T; Joe Bob Blacklock, E; George Neaves, QB, Tim Karr, HB; Mike Thomas, FB; Doyle Hairgrove, HB; Mac Williams, QB; Danis Whitmire, HB; Terry Suit, HB; Rickey Ball, HB; Rickey Ball, HB; Clifford Hightower, Jr., FB; Joe Stanley, HB; Kenneth Lee, C; Jerry Randall, C; Fred C. Haile, G; Ronnie Day, C; Mike Winkler, T; Donald Day, G; Jackie Loe, E.

City Election Is Tuesday

Jack Cooper, Former Resident Buried Saturday

Jack Cooper, 68, of Kingsland, died at his home here Wednesday evening. Mr. Cooper was resident fireman at Slaton for many years prior to his retirement and move to Kingsland three years ago.

Funeral at 2:30 p. m. Saturday in Kingsland Community Church with burial in Kingsland Cemetery, directed by Buttery-Waldrop Funeral Home of Llano.

Born April 30, 1895, at Orangeville, he married to Imogene Wallace, December 23, 1919, in Sherman. He was a member of the Kingsland Community Church and the American Legion.

Survivors include his wife; a son, Wallace Cooper of Midland; a daughter, Mrs. Maxine Basinger of San Antonio; three sisters; and five grandchildren.

Among those from Slaton attending the funeral were Mr. and Mrs. L. M. Conner, Mrs. Jess Burton, Mike Boyd, Hailey Richardson, and Sherrill Boyd.

Services Held For Mrs. Davis, Car Crash Victim At Weatherford

Services were Tuesday in Lubbock for a former Slaton resident, Mrs. Tommy C. Davis, who with her husband was killed in an auto accident last Friday night near Fort Worth.

She was the former Mrs. Mary Ann Manley Walker. The couple had been married only a few months.

Mrs. Davis was pronounced dead at the scene and her husband, 44, was dead on arrival at a Weatherford hospital following the mishap about 9 p. m. He was shop foreman for a manufacturing firm in Lubbock.

Burial for Mrs. Davis was in Englewood Cemetery here and Davis was buried in City of Lubbock Cemetery.

Mrs. Davis is survived by a son, David E. Walker, stationed with the U. S. Navy, Bainbridge, Md.; a daughter, Mrs. Fern Wolter, New Orleans, La.; her father, H. G. Manley, Anton; two sisters, Mrs. W. C. Smith, Fort Worth; and Mrs. Frances

Services Held For J. W. Ecker

Services for John W. Ecker, 65, who died in Mercy Hospital Monday, were held at 3:30 p. m. Wednesday in the First Baptist Church here.

Dr. Charles Wood, pastor, officiated, assisted by Rev. Fred Ryle, pastor of the Presbyterian Church. Burial was in Englewood Cemetery under direction of the Williams Funeral Home.

An engineer for the Santa Fe Railroad, Ecker had lived here 38 years.

He is survived by his wife Eva; a daughter, Mrs. E. C. Davidson, Slaton; three sisters, Mrs. W. E. Elkins, Slaton, Mrs. Blanche Baker, Lubbock and Mrs. Harold Schulte, El Kader Iowa; and two grandchildren.

Qualified Slaton voters will cast their vote at the polls Tuesday, November 5, for the adoption or rejection of an amendment to section 23 of the City of Slaton Charter.

If the amendment is approved by the majority of the votes cast, it will abolish the 12,500 population requirement for the city commission to have the authority to employ a person as city manager.

The city manager, if the position is created, would be employed by the city commission and would have the responsibility of running an efficient administration for the City of Slaton.

Deadline for absentee voting will be Friday November 1.

The city election will be held in the corporation courtroom of the city hall of the City of Slaton. C. H. Whalen is appointed as presiding officer of the election with Phil Brewer as alternate.

If the proposed amendment gains favor from the qualified voters of Slaton, it will provide the city's governing body with the authority to employ a person as city manager.

Qualifications for the city manager would include: (1) He would be responsible for efficient administration for all Slaton municipal departments. (2) He will hold a bachelors degree or some higher degree from a secondary school, college or university with the level (or above) of Texas Technological College, Lubbock, Texas. (3) The city manager, in addition to the education requirements, will have at least 4 years of experience in public administrative work or the equivalent of such experience.

Voters who wish to adopt the amendment to grant the city commission the power to create a city manager's position and to secure the person for the position, should vote "yes" on the ballot, those opposing such action should vote "no".

Four interested property owners attended the annexation hearing Wednesday night at the City Hall.

The city manager's duties, if the citizens decide to provide one for the city by majority vote,

would be to supervise all departments and phases of the city's fiscal administration under the guidance and direction of the city council.

Qualified voters for the city manager would include: (1) He would be responsible for efficient administration for all Slaton municipal departments. (2) He will hold a bachelors degree or some higher degree from a secondary school, college or university with the level (or above) of Texas Technological College, Lubbock, Texas. (3) The city manager, in addition to the education requirements, will have at least 4 years of experience in public administrative work or the equivalent of such experience.

Voters who wish to adopt the amendment to grant the city commission the power to create a city manager's position and to secure the person for the position, should vote "yes" on the ballot, those opposing such action should vote "no".

Survivors include the widow: Mrs. Grady, Jr., Roy Lee, Slaton; all of Slaton and Melvin of Slaton; and Raymond of Slaton, Ohio. Three daughters, Mrs. Patsy Baxley, Slaton; Mrs. Orens, Post; and Mrs. Wilson of Farmersville. He had been engaged in farming nearly all his life. Mr. Montgomery had lived in Slaton several years ago.

EDITORIALLY SPEAKING

Observations and Potpourri

Majority Of Minority Can Rule

At the time of this writing only 8 persons had cast an absentee ballot with the city secretary office in the city election that will be held Tuesday, November 5. The deadline for absentee voting is Friday November 1.

We are told there are approximately 2,500 qualified voters in the City of Slaton. There are many voters in our city who do not know when they will be called away, and its highly probable that many of these responsible citizens do wish to vote in this important election. We urge all who have the most remote possibility of not being able to cast a vote in the election next Tuesday to be sure to vote absentee on or before Friday.

Voters will have the opportunity of rejecting or adopting a change in the city charter. If the amendment to the city charter is adopted by the voters of Slaton, it will provide the city commission with the authority to employ a qualified person to manage the administration duties of all departments of the city.

When the majority of residents do not take action to express their opinion, it is very possible for a majority of a few people to mold the action and policies for all of us whether we agree or not. If we all cast a ballot, then it is truly a majority that rule; therefore expressing the desires of the largest percentage of persons affected by the action.

Much criticism, idle talk and malicious gossip has been widespread in recent months about actions taken by our city governing body.

We are not being fair to ourselves, children, neighbors, future residents or our elected and appointed officials if we all do not cast a vote in this very important election expressing our opinion of how we want our city affairs managed.

Please vote at the polls Tuesday or absentee by Friday. JHK II

STRICTLY BUSINESS by McFeathers

"One thing about the boss — he never takes his troubles home!"

What Position Are You Taking?

LONNIE POLLARD brings us this letter from Governor John Connally, written in reply to an inquiry by Mrs. Lonnie Marion Pollard of Dallas regarding a proposed San Saba Valley State Park:

Dear Mrs. Pollard:
I know absolutely nothing about any plan or legislation which result in making any part of Menard County a State Park. If there is such a plan or proposed legislation, I join you in not being in favor of it because we have many State Parks in Texas that are in bad need of development, and all our resources should be turned toward upgrading the parks we have within the framework of the appropriations available.

Sincerely,
John Connally

The governor may have a point about the need to improve existing state parks, but he can hardly be ignorant of the \$70,000 Texas Tech Parks Survey and its recommendations from which talk of San Saba Valley park development originated.

Just a few weeks ago the Associated Press reported the governor received the report with enthusiasm and this comment: "This is the finest thing along this line I have ever seen done." It seems the governor needs to clarify his position.

Wasting School Time Costly

"What chance do we have! What do they have to offer?" These two questions were asked by President Kennedy in a speech made last weekend at Las Vegas. The president was talking about boys and girls who drop out of school.

He said this country must do everything it can to give a good education to its children. He touched on the problem of drop-outs and said that eight or nine million would drop out before they graduate from high school. This is what prompted his questions about what chance these boys and girls had.

He remarked upon the changing times — times which see machines taking more and more jobs of men, and concluded that now as never before it is absolutely essential that youngsters have an education.

Just a few days ago, an Associated Press survey revealed the number of students enrolled in the various state colleges and for the most part, these figures now stand at an all-time high. Many schools had to turn away would-be students. This is a situation that continues to worsen. Most schools have been stiffening their entrance requirements to keep enrollment in line with their capacities.

Both of these problems have educators greatly concerned. Not only must some program of education be designed that will keep youngsters in high school and will qualify them for jobs if they do not attend college. Something also must be done to make those who are college-bound realize that high school is not just a breeze, a four-year fun spree.

Any youngster who plans to go to college must keep in mind at all times that he will face a tough situation when he seeks to enroll. He can waste his time in high school but he may not find a school that will accept him as a college student. —Stamford American.

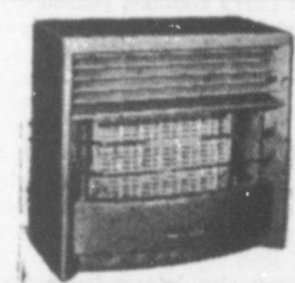

Two Kinds of Diplomas Needed . . . Post Schoolman Asserts

At a public meeting, sponsored by the Post Chamber of Commerce Industrial Committee, last Thursday night in the community room it has decided to investigate further the possibilities of:

- (1) A permanent, professionally-trained manager for the Chamber of Commerce.
- (2) The advisability of seeking a urban renewal plan for Post in cooperation with the federal government.

The group, numbering about 35, also decided to call an information meeting for interested farmers on the proposition to plant blackeye peas in this area next year.

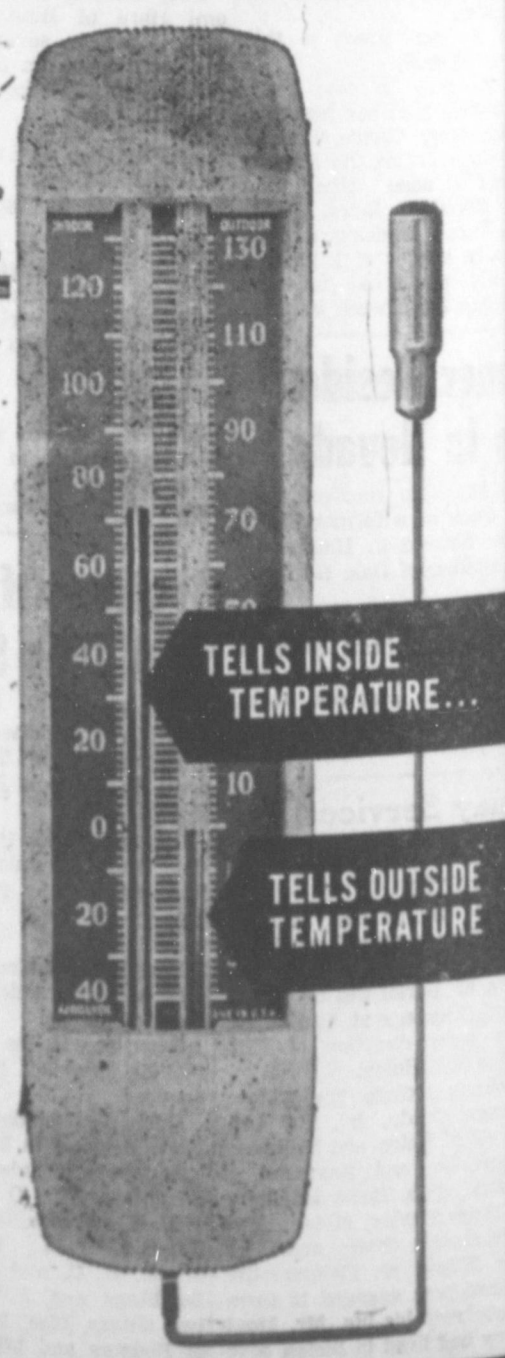

If you want to live to see 70, quit looking for it on the speedometer.

Controlled In Texas 65 Plan

One of the over 13,000 senior citizens enrolled in the Texas 65 health insurance plan is 102 year old Mrs. Eunice Oliver, of the Three Forks Community, near Belton. The Texas 65 plan is explained to Mrs. Oliver by her 73 year old daughter, Miss Mary Oliver, by using a "spelling board" on which large plastic letters are placed for Mrs. Oliver to touch her fingers. She has been deaf for 50 years and is almost totally blind. Texas 65 is the first health insurance she has ever owned.

On her 102 year old mother. The policy was promptly issued and Mrs. Eunice Oliver, who lives with her daughter, Sadie, and son Amos Oliver, 70, on their farm four miles south-east of Belton, joined the over 13,000 other senior citizens of the state now enrolled in Texas 65.

Mrs. Oliver came to Texas with her eight children in 1901 following the death of her husband in farm in the Three Forks Community, near Belton, where she still lives. The farm house she shares with her son and daughter was built in 1870.

Five of her children are still living and are all now past 65 years of age themselves. She has 10 grandchildren and 29 great grandchildren.

Mrs. Oliver lost her hearing nearly 50 years ago and is almost totally blind. Her family and friends communicate with her by using large plastic letters and numerals which are placed on a board in front of her.

Miss Oliver explained the Texas 65 plan to her mother by using the "spelling board". The 102 year old lady agreed that "it might be good to take out the insurance because I just may get sick one of these days." Texas 65 is the only health insurance she has ever owned.

Except for typhoid fever, severe burns caused by a wood stove fire and a broken arm at 90, Mrs. Oliver has had very few ails during her lifetime according to her daughter.

In spite of her years, she still helps with some of the housework, such as shelling peas and beans and cutting okra.

Mrs. Oliver is one of 98 Texans over the age of 90 who have been enrolled in Texas 65 since it became available on October 1.

Her Texas 65 plan was purchased from Belton insurance agent, Robert H. Womble.

The initial enrollment period for the plan ends next Thursday, October 31. It is available from any insurance agent licensed to sell health insurance in the state.

H. Lewis Rietz, president of the Texas 65 Health Insurance Association, reports that applications for the over-65 health insurance are now arriving in the Association's Dallas office at the rapid clip of nearly 550 per day.

"The first two weeks of our initial enrollment period have been most encouraging. We have processed almost 6,000 applications," Rietz stated.

Rietz reminded Texas senior citizens however, that they have only two weeks in which to make applications for Texas 65 during the first enrollment

period. The initial enrollment ends October 31 and he does not expect an additional enrollment period to be scheduled for several months.

During October any resident of Texas who is 65 years of age and over may purchase basic health and major medical insurance under Texas 65 regardless of past or present health status. It is available from any insurance agent licensed to sell health insurance in the state.

Fifty-five insurance companies doing business in Texas have agreed to underwrite the benefits of Texas 65 in accordance with special legislation passed by the 58th Texas Legislature and signed by Governor John Connally.

"Texas is the fourth state to offer a '65' plan. New York, Connecticut and Massachusetts have had similar plans in operation for a year or longer and now providing protection for over 180,000 senior citizens.

The best indication that these plans are meeting the needs of our over-65 citizens is the fact that New York 65 paid over \$6,850,000 in claims during its first year of operation, and Connecticut and Massachusetts have paid claims to beneficiaries in excess of \$6,340,000 under their '65' program," Rietz stated.

Slaton Students Enrolled At LCC

Two students from Slaton are among the 468 students enrolled for the fall semester at Lubbock Christian College, Lubbock, Tex.

Slaton students are Zana House Cox, a sophomore elementary education major, and Sylvester Robinson, a freshman physical education major. Zana is the daughter of Mr. and Mrs. J. L. House, 735 South 12th, and Robinson is the son of Mr. and Mrs. Zenobia Robinson, 425 South 2nd.

This semester's enrollment at Lubbock Christian College has broken all previous enrollment records. Last year at this time 391 were enrolled at the junior college, which is a Christian liberal arts school in its seventh year of operation.

The 468 students enrolled represent 205 towns in 17 states and two foreign countries.

The Far View

by Fred A. Ryle
"We Are What We Are"

Recently I saw a show on television in which the climactic line was "We are what we are." It is recognition of this fact which is the beginning of a healthy attitude toward ourselves. Good mental health involves accepting ourselves just as we are.

But too often we end with what should be the beginning. The acceptance of ourselves, with all of our talents and limitations and sins and achievements, only sets the stage upon which we will live our lives. This acceptance is only the foundation upon which we will build our lives.

One of the hardest things that people find to do is to believe that God could love us as we are—not as we might be. Yet this is just the point of the Gospel story—that Jesus came to redeem us while we were yet sinners. To know that God accepts us gives us a reason to accept ourselves.

Such acceptance involves being honest with ourselves. This is the

basis for any honesty with others. Once we have begun, with the acceptance of ourselves as we are—we can begin to dream and to work to mould ourselves in new ways. God loves us while we are yet sinners, but God does not love us because we are sinners. God accepts us as we are that he might give to us new lives.

It is easy to give up and be defeated. It is harder to realize what failure we might be and begin there to live a new life.

To accept yourself as you are is not to be contented with that reality. It is to recognize the reality of the present that it might be changed into the reality of tomorrow. Truly we are what we are, but we can become many other things. The choice still lies with us.

SPACE CAPSULES

University of Texas law students and teachers moved into a new addition to Townes Hall, the law building, by Oct. 15. The added space will double present classroom facilities in the building. It will also provide additional offices for faculty and staff members and will make possible an enlargement of the

law library. The new addition houses equipment for closed-circuit television teaching, a project which will bring Travis

County court proceedings in law classrooms. The television teaching is not scheduled to begin until the Spring Semester.

Walk in—life looks better when you walk out

Follow the leader... In the ever-mounting bustle and turmoil of modern living it is increasingly difficult for many families to set aside even a few minutes each day when they can all be together—conscious of each other as individuals and as a family. We're living in the "pressure decade."

In fact, some growing families facing both busy, diverging schedules and the first stir-

rings of teen-age independence, have discovered unity is almost a forgotten word.

Who sets the pattern in your family? Won't you show the members of your family how to find new time to be with each other? Help them discover the powerful experience of Faith... and the strength and unity that Faith brings. Help them discover the rewards of worship at your Church or Synagogue.

Bridal Shower Honors Miss Judith Carol Davis

A bridal shower complimented Miss Judith Carol Davis on Tuesday morning, October 22, in the home of Mrs. Max Arrants, 750 West Lubbock.

Miss Davis, the daughter of Mr. and Mrs. William T. Davis, is the bride-elect of Charles Conrad McCain. The wedding will be an event of November 10th.

Assisting Mrs. Arrants with the hospitality were Meses. V. J. Browning, George Harlan, H. J. Stokes, Dean Gilliland, Elton Smith, Monroe Buskemper, David Stell, H. E. Anderson and M. Jay McSween.

Other hostesses included Meses. E. Ayers, Don Crow, James Brooks, L. R. Gregory, Willis Farrell, Ella Schmid, L. B. Vooton, Bruce Pember and Curtis Dowell.

A silver bowl of cherry red rosebuds and pink carnations entered the table, covered with white linen. Appointments were in silver.

Floral arrangements were used at vantage points throughout the party rooms.

An electric mixer was presented the honoree by the hostesses.

From Where I Stand...

BY MERLE KING

MR. and MRS. W. B. WEBB were guests last week in the home of her son and daughter-in-law, REV. and MRS. FRED A. RYLE, JR., 435 West Lubbock. They were enroute to their home in Hacienda Heights, California, after a trip to Dallas, where they entered a three year old Arabian stallion, "Mystir-Fix", in the State Fair. The stallion was the Pacific Coast champion last year at the California State Fair, San Francisco.

The Webbs also visited in Whitesboro, Texas, with her father, JOHN CAVINESS.

MRS. GERTRUDE PRICE left Saturday for her home in Houston after visiting with her sister, MRS. L. JOHNSON, for the past three weeks. The two drove to Eastland recently for a visit with MR. and MRS. B. M. ATWOOD.

New Slaton residents are MR. and MRS. LACIE KIRK and three children, LARRY, LACIE and KEVIN, moving from Amarillo. He is the son of MRS. NORA KIRK of Slaton.

Guests of MRS. L. G. BAIN have been her son-in-law and daughter, MR. and MRS. M. R. JONES and RANDY, who make their home in Lovington, New Mexico.

MR. and MRS. BARNIE GREENFIELD were called Monday night to the bedside of his

mother, MRS. H. O. GREENFIELD, in Snyder. Mrs. Greenfield became ill Monday morning after having been in Slaton Sunday with her husband for a visit in the home of their son and family.

Returned travelers are MR. and MRS. BILL FARSCHE, having been away ten days on a trip to points in South Texas, Padre Island and Old Mexico.

Representing Slaton at a meeting of the Lubbock County Federation of Women's Clubs Tuesday were MRS. JOE TEAGUE, JR. and MRS. FORD STANSELL. They attended a covered dish luncheon at the VFW Hall, with the VFW Auxiliary and the American Association of University Women acting as hostesses.

Guests from Muleshoe, Texas, were enjoyed by the C. R. BAINS Sunday when MR. and MRS. BILL HENEXSON arrived for a visit. Mrs. Henexson told of having met MRS. CLODFELTER, a former resident of Slaton. The Clodfelters moved to Muleshoe several months ago.

MR. and MRS. TRAVIS TRUSSELL and KELLY were here from their home in Plainview Sunday for a visit with his parents, MR. and MRS. J. H. TRUSSELL, 245 North 18th St.

B. E. TOMLINSON of San Angelo has been a guest in the home of his son and daughter-in-law, MR. and MRS. EARL B. TOMLINSON, 815 South 18th.

MR. and MRS. TROY PICKENS, enjoying the role of grandparents, were delighted with a visit from their daughter, MRS. MICHAEL HERMAN, and the three-month old granddaughter, DORIS YVETTE, last week. Mr. Pickens and LARRY accompanied the visitors to their home in Houston and attended a professional ball game between the Oilers and the Chiefs, before returning to Slaton. Weekend guests of the Pickenses were MR. and MRS. DON BERKEY of Topeka, Kansas. Mrs. Berkey will be remembered as MARY JANE NICHOLSON, a former resident of Slaton.

MRS. H. E. WOODS left by

Bluebonnet Club Entertained In Teague Home

Mrs. Joe Teague, Jr. entertained members and guests of the Bluebonnet Club in her home, 555 West Garza, on the afternoon of Wednesday, October 23.

The president, Mrs. Ford Stansell, presided for the business session.

Games were diversion for the afternoon.

Refreshments were served to members: Meses. Stansell, Raymond Standifer, Henry Jarman, C. C. Wicker, Joe Neilon, Roy Parks, Floyd Boyd, C. E. Upham, Raymond Sanner, Travis Taylor, J. E. Rucker, T. E. McClanahan, H. H. Edmondson, and the hostess. Guests were Meses. O. Z. Ball, Mrs. Joe Teague, III, and Mrs. John H. King, II.

Mrs. Fannie Patterson will hostess the next meeting, slated for November 13th, at 2:30 p. m.

Jaycee-Ettes Served During Mock Disaster

The Slaton Jaycee-Ettes served refreshments to volunteer workers from Slaton and Lubbock during the mock disaster alert on October 14th. There were approximately fifty people served, with twenty being from Lubbock.

Another public service being rendered by the members of the Jaycee-Ettes is the "Gray Lady" service of providing books and magazines for patients in the local hospital.

From Whitewright, Texas, is MRS. J. E. VONNOY, who is a guest of her son and daughter-in-law, MR. and MRS. JAMES VANNYOY.

Mr. and Mrs. Garth Hunt and Beverly and Sheryl, were guests of honor when members of the Dorcas Sunday School class of the First Baptist Church met recently in the home of Mrs. Dudley Berry. Sixty were in attendance, including husbands of class members.

Gifts were presented to the Hunts by the class president, Mrs. H. E. Woods.

Refreshments were served and real fun and fellowship enjoyed by all.

COLLEGE HONOR SOCIETY—Officer of Phi Theta Kappa at South Plains College are from left to right, Terry Quiroga, San Antonio, president; Reta Tudor, Seagraves, secretary-treasurer; and Vondal Rinne, Wilson, vice-president. A student must have a grade average of 3.25 in order to obtain membership to PTK. Quiroga is planning to attend the national convention in Seattle, Wash., this year.

Methodist Women's Society Meet Nov. 4

A program, entitled "A Call to Prayer and Self-Denial" was given Monday Morning, October 28, at a meeting of the Woman's Society of Christian Service in the Chapel of the First Methodist Church.

Mrs. Nan Tudor, Secretary of spiritual life, was in charge of the program. The first hour of the program was music, scripture, and meditation, followed by talks on the uses of Call to Prayer gifts in the United States projects. Those participating were H. V. Wheeler, and Calvin Lamb.

The second hour of the program was music and prayer followed by talks on the uses of Call to Prayer and Self-Denial gifts in India projects. Those helping were Mmes. Tudor, R. H. Todd, H. T. Scurlock, E. R. Legg, and A. R. Pierce.

Mrs. Rollo Davidson, who recently returned from a trip to Mexico, gave a report on Missions and Schools they visited. The program was concluded with a sack lunch in Fellowship Hall.

No Deer For Slaton Men

Ed Williams and Jim Benton definitely did not have "beginners" luck in their six-day hunting trip last week near Cortez, Colo.

Lamented Ed on their return: "It rained the first day, snowed the second day and our Jeep broke down the third day."

The pair didn't fire a shot and the only deer they say was "above the timberline, too high to climb in a jeep."

It was their first Colorado deer-hunting trip.

Mrs. Guelker Is Athenian Hostess

Members to the Athenian Club gathered at the home of Mrs. Floyd Guelker for a regular meeting on October 15th.

A program, "The Art of Other Cultures", was presented by Mrs. Kenneth Jones. She introduced Mrs. Virgie Hunter who showed slides of her recent tour of Europe.

Refreshments were served to Mmes. Bob Kerns, Surman Clark, Harley Martin, R. C. Hall, Jones, Tommie Davis, George Harlan, Joe Miles, James Perkins, Stan Jaynes, M. G. Davis, Doc Reasoner, the hostess, and one new member, Mrs. Ed. Moseley.

November 5 is the date for the next meeting, to be held in the home of Mrs. Harley Martin.

Former Slaton Girl Wins Lead In Movie

Vivian Morriel, 17, of Winslow, Arizona, great niece of Mrs. J. L. Smith, great granddaughter of Mr. and Mrs. C. M. Biggs of Slaton and granddaughter of W. S. Hodge formerly of Slaton, has signed a contract with Warner Brothers to appear in "Then Eden Cried," a teen-age play.

Miss Morriel was awarded the leading female part. Dark-eyed, red haired Vivian is the daughter of Mr. and Mrs. Robert Morriel who moved to Whittier, California 14 years ago. Vivian is at present dancing at Disneyland, and has taken part in high school and other theatricals. She is a natural dancer, never having taken a lesson. Miss Morriel is the daughter of the former Miss Bonnie Hodge.

Southland Wins

By Beverly Stolle
 The Southland Eagles took an early lead, then went on to defeat the Loop Longhorns 18-8 at Southland Friday night. Southland now has a 2-1 record.

In the first period of the game Don Altman scored on a 3-yard run. The extra points failed for the Eagles.

Loop came back in the second quarter by scoring a 7-yard touchdown by Donnie Williams. The extra points were made by the Longhorns.

David Dabbs, quarterback for the Eagles, put Southland ahead to stay with a run of eight yards. The half-time score was 12-8 in favor of the Eagles.

Neither team scored in the third quarter. Duke Altman of the Eagle team put the game on ice with a 10-yard touchdown in the fourth quarter.

Outstanding on defense for the Eagles was Ronald Saunders and Duke Altman.

Southland plays Wellman Wildcats this coming Friday night, November 1 at Wellman.

STATE CAPITAL Highlights AND Sidelights by Vern Sanford

TEXAS PRESS ASSOCIATION

Austin, Tex.—A Houston federal court's order wiping out present State congressional district lines and directing all Texas congressmen to run at-large until the legislature redistricts on the basis of population alone is on appeal to the U. S. Supreme Court.

Atty. Gen. Waggoner Carr's request for a stay of the Houston judges' decision pending final disposition of the appeal was granted by Supreme Court Justice Hugo Black.

Gov. John Connally conceded that the present line-up is unfair, with districts ranging from 213,000 to 960,000 population. But he argued that it's the responsibility of the legislature, not the federal courts. He felt that the action by the Republican majority on the court was politically planned.

GOP members filed the lawsuit attacking the population imbalance among districts.

The Governor pledged to fight the order to the last legal ditch. He termed it "ridiculous" and unprecedented. Connally stated he would call no special session on redistricting "until all other avenues of action are closed." He felt it would be a waste of their time and \$400,000 in tax money.

His belief was that such a complicated measure could not be worked out in 30 days, especially since there have been on redistricting "until all other Court to show what, if any, rules will be placed on Congressional redistricting.

A Georgia case be argued in November. This may provide

guidelines.

Connally believes that once the filing deadline has passed in February the Supreme Court will not interfere with the 1964 elections.

Top ranking Republicans found the Governor's tough words "socking."

State AFL-CIO President Hank Brown said "complete and total anarchy" is going to be the result of failure to redistrict before the February 3 filing deadline.

The Governor drew blasts of criticism from major cities, which are under-represented in Congress when the districts are re-adjusted to be more equal in size, population-wise.

THE COURT SPEAK — Aside from congressional redistricting, the courts had plenty to say last week. State Supreme Court held that City of Haskell can spend municipal tax money to fight building of a dam by the North Central Texas Municipal Water Authority. Its decision upheld a Court of Civil Appeals finding but overruled the trial court verdict for the Authority.

The city considered the proposed dam on Miller Creek would be detrimental to its water supply. Cities in the Authority's territory are Seymour, Knox City, Munday, Goree, Haskell, Rule and Rochester.

Third Court of Civil Appeals agreed with Travis County District Court that the State's 1961 dedicated reserve natural gas tax is unconstitutional and prohibited by the U. S. Constitution's "commerce clause." Tennessee Gas Transmission Company and Panhandle Eastern Pipe Line Company contested the tax.

WILDLIFE COMPROMISE - Park and Wildlife Commission compromised on applications for free shell-dredging access to oyster reefs in Trinity and Galveston bays. It permitted dredging within 300 feet of live oyster reefs, as opposed to the usual 1,500-foot distance. But it denied dredging near five major reefs and one bird island.

Commission said in a statement, "It is reliably estimated that these revisions in regulations will make available up to two years' supply of shell to relieve current emergency needs."

Then it ordered a widespread study of shell and aggregate resources which contribute \$1,500,000 a year of 25 per cent of the department's income. It concluded that without this important revenue the Commission, in all probability, would be forced to substantially increase fishing and hunting license fees.

FEEL RICHER? — Texans' incomes were at an all-time high in 1962 at 20,360,000,000, reports the U. S. Department of Commerce. This was 4.4 per cent above 1961. It means that 4.6 per cent of the dollars earned by all Americans belonged to Texans.

But when the massive figures are put into averages, Texans fall back. Texas ranks third in population, but sixth in total personal income. New York's \$56,900,000,000 and California's \$49,180,000,000 means that people in those states have higher average income than Texans.

However back in 1929 the total personal income of Texans was \$2,700,000,000. Now it's nearly 10 times as much.

HOSPITAL FUND APPROVED — State Board of Health has approved \$11,200,000 in applications for federal Hill-Burton hospital aid funds on 21 projects. Grants usually finance half the construction cost.

Allocations include: Leon County Hospital, Buffalo, \$160,000; Lee Memorial Hospital, Giddings, \$100,000; Community Hospital, Luling, \$295,000; Huth Memorial Hospital, Yoakum, \$250,000 Sabine Area Home for Older Adults, Carthage, \$225,000. Grants totaling \$1,900,000 or

Peace Corps Member To Speak At Plainview

Focus on the Far East will bring a deputy Peace Corps representative in Malaya, Lewis H. Butler, and a representative from Thailand and Korea to Wayland Baptist College for the fourth annual International Relations Conference, Nov. 7-9.

Other dignitaries from foreign nations and the United States are expected to be present for the conference which will include addresses by guests, seminars, a press conference and informal discussion, according to Adolphus Cleveland, Plainview, president of the Wayland International Relations Club which sponsors the annual event.

Dr. Van Mitchell, professor of history at Texas Technological College, Lubbock, will again preside at the press conference.

The question and answer session with the press was one of the best attended phases of the conference last year when special dignitaries were Ambassadors from Nigeria and Sierra Leone.

A graduate of Princeton University and Stanford Law School Lewis H. Butler, is taking leave from private law practice in California to serve in Malaya. The April 1963 issue of "Peace Corps Volunteer," published in Washington, D. C., carries his article giving observations on the political and economic scene in that country which is now part of the highly controversial federation of Malaysia.

more were awarded hospitals in Houston, Corpus Christi, Fort Worth and El Paso.

The Water Pollution Control division of the Health Department found that the U. S. Congress had voted \$340,000 more than earlier announced for community sewage treatment plant projects. It is finding funds for several projects in addition to the 38 originally requested.

Personnel Needed For State Penal Positions

Due to the critical shortage of custodial officers (Guards) throughout the Texas Department of Corrections, Dr. George J. Beto, director, has issued an appeal for the employment of at least 156 workers in the category.

Dr. Beto stated that guards are needed at all 13 units of the state's penal system in order to maintain the department's security strength.

Applications are being accepted from men ages 18-55, in good health, who have a high school education or better, and who can stand rigid investigation.

Base pay for custodial officers range from \$305 to \$372 a month. While on duty, officers are furnished uniforms, meals and housing, Dr. Beto explained.

In addition to the base pay, all prison employees come under federal social security and the state's retirement pension plan. The prison system maintains also an employee-operated Credit Union.

Dr. Beto pointed out that personnel is needed at units in Walker, Madison, Houston, Brazoria, and Fort Bend Counties. "The men who are employed as custodial officers," Dr. Beto commented, "can look forward

to a rewarding career in prison correctional work."

Applicants are asked to write or contact L. W. Dishongh, Training Officer, Texas Department of Corrections, Box 32, Huntsville, Texas, for additional information.

Mrs. Davis Buys Palace Beauty Shop Recently

The Palace Beauty Shop, 205 West Garza, has been purchased by Dorothy Davis, it has been announced.

Mrs. Davis, who has managed the shop the past two months, is a native of Slaton. She has been a beauty operator since 1933, having managed shops in Corpus Christi, San Antonio, Rockport and Aransas Pass.

Mrs. Davis has one son, Gayle, who is a freshman in high school.

The family attends the Baptist church.

One or two more beauty operators will be added to the shop in the near future, Mrs. Davis announced. The shop also is now equipped to give manicures.

You don't have to marry a millionaire to own the most luxurious carpet in the world!

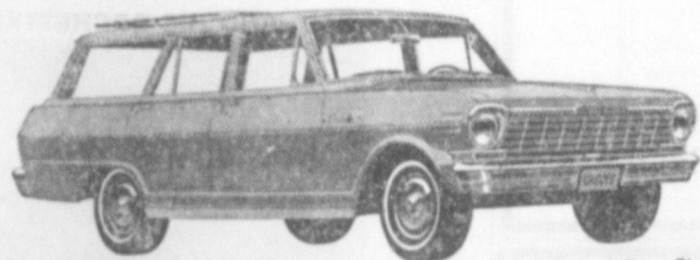

Barwick's new 100% nylon carpet keeps wives wonderfully happy and satisfies tight-minded husbands, too! Outwears comparably priced wool carpets three to five times. Guaranteed normal home wear for ten years. Spots and spills vanish with synthetic detergent. Textures are heat-set, cannot wear or wash out. Luxurious that needs no pampering — nylon by Barwick — come see for yourself!

Bland's Furniture

Use Our Revolving Credit Plan

we took this big V8 and put it in the '64 Chevy II...

Chevy II Nova 4-Door Station Wagon. Luggage carrier rack shown, optional at extra cost.

WOW!

A pretty potent mixture.

The car's the same size. As trim and easy to handle as ever.

But now you can have a full-grown V8 in it. A Turbo-Fire 283* that turns out 195 hp.

It's the kind of machine that doesn't take much coaxing to get in motion. (Especially when you consider it has over 60% more power than the Chevy II that won North America's toughest rally last spring — the Shell "4,000.")

And for '64 we've also added a choice of a 4-speed Synchro-Mesh transmission* with a floor-mounted shift.

But in case your tastes run somewhat milder, we should

point out you have a pick of three other engines as well. The standard 4 (on 100 Series sedans), the standard 6 and a new 155-hp 6*.

And, whatever one you decide on, it's reassuring to know you're getting a car built with the pure and simple integrity of a Chevy II. (Upkeep has been even further reduced this year by such refinements as larger self-adjusting brakes.)

It's a simple matter to spot one of these '64's by styling touches like the new grille design and trim accents. But we'd like to suggest a more memorable way. Drop down to your dealer's and drive one.

*Optional at extra cost.

Around The FIRE HOUSE
By BOB KERN

Monday night's practice session was used to concentrate on various items. Members of the Rescue Team used the time to refresh memories on the various

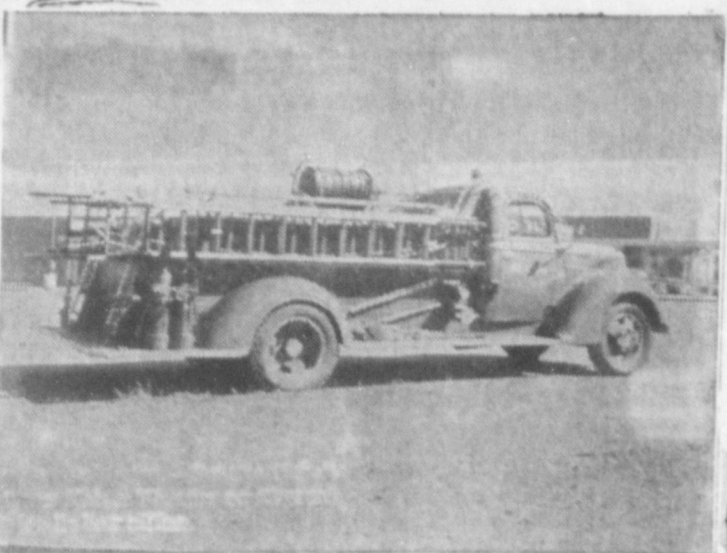

items in the Rescue Unit while other members of the fire department practiced knot tying.

Three fires were reported this past week.

Oct. 22, 9:30 p. m. Burr pile North of Dutchman Liquor Store.

Oct. 27, 5:20 p. m. Fence and trash at rear of 945 W. Crosby St., Some damage was done to wooden fence.

Oct. 28, 10:15 a. m. South Arizona St., Extensive smoke and water damage was done as result of fire apparently started by faulty wiring.

Shown above is the Slaton Volunteer Fire Department's 1940 model Ford Booster truck. This truck, used the majority of the time on fires small in nature, is capable of pumping some 5000 gallons of water per minute. (Or it was capable 23 years ago.) The truck is equipped with two 1 1/2" rubber hoses. One of these hoses is mounted on a reel for easy loading where the other is a basket load. This may be of little interest but 2 of the original tires on the truck are still in use. Evidently they are good tires for the load they are carrying.

Fire Prevention Tips—
Watch dead leaves and grass clippings around trash barrel. Fire can escape the barrel and set fence and property on fire.

Unless qualified, don't try to repair your T. V. Set. It's much too complex for tinkering. Fire or severe shock could result. If your set need fixing, call a TV repairman.

Letter To the Editor

John H. King
Editor-Publisher of Slaton Slatonite.
Dear Editor:

I am very much opposed to the change in the City Charter and the hiring of a City Manager, because the men who drew the original Charter were very intelligent, and they agreed that the City should reach the popula-

Slaton Tigers Are Gearing To Upset Denver City Friday Night

Coach Bing Bingham's young Tigers are getting their steam up with the express purpose of upsetting favored Denver City here Friday night at 7:30.

Slaton will miss the services of big Jim Bob Chriesman at center Friday night due to a pulled ligament in the right leg that he received in the game against Spur last week.

Probable starters for Slaton will be backs: Bruce PEMBER, Larry Gamble, Johnny Hennington and Randy Martin. Probable linemen will be Larry Smith, Leslie Brown, Leonard Hurst, Bobby Magalleno, Mike Ball, Danny Scott and Mike Dubbs.

Denver City's squad is well stocked with experienced junior and senior players. The visiting team has a 5 and 2 won lost record. Sweetwater and Levelland have beat Denver City this season.

Probable backfield starters for Denver City will be: Mike Martin,

Roy Henson, Pat Hubbard and Dennis Morgan; Linemen will be: Jerry Martin, Justin Dewbre, John Garvey, Joe Deaton, Mike Noble, Floyd Taylor, and Jimmy Young.

SPACE CAPSULES

About 520 University of Texas students are learning to operate electronic computers this Fall in a non-credit course offered by the College of Engineering. The three-week course is required study for all engineering freshmen and transfer students. Students who have completed the course in previous years have frequently returned to the engineering computer laboratory to make use of the new skills for homework and independent research problems. When first offered in the Fall of 1961, the course was believed to be the first of its kind conducted by a university or corporation.

tion of twelve thousand, five hundred before hiring a City Manager.

It is the responsibility of the Mayor and the Commissioners to run the City as economically as possible, and if we change now, we will have to raise the money from somewhere and all we have is the taxpayers to foot the bill.

I urge everyone to vote as he or she likes but lets everyone vote, and make this a representative election.

As ever,
Bob Brasfield

WAKE UP YOUNGER!

with Helen Alpert

BEST NURSING HOMES... In the Burlington, Wisc. paper you mentioned a list of homes where they care for the elderly. How can I get this list?

Necessary
Write to Wisconsin State Board of Health, Division of Hospital and Related Services, State Office Building, Madison. Why not write also to the Wisconsin Council of Homes and Hospitals for the Aged, 3625 A West North Ave., Milwaukee. This is a first-class way to get first-class information! They list approved and properly licensed homes! I've seen nursing homes so sloppy I almost tottered into the nearest bed — but NOT in those homes! Avoid them! In every state go first to your State Board of Health!

MAKE SOME MONEY
My problem is nothing new to you or anybody. It's just that I must have a little more money to live and eat decently. I'm up in years and can't work full-time. Please — any advice?

Tight Pinch, Rocky Mount, N. C.
Lately a reader wrote to tell me about a nationwide sales company offering needed household products. He has done very well since 1959. Each person or man-and-wife team becomes an independent sales personality on his own time and efforts. I became intrigued because people like you, for instance, can exert themselves as much or as little as necessary. If you wish, I will send you his name and address. I have his permission. Write to me at National Senior Center, Lehigh Acres, Fla. And if you "join" — stay in touch with me and let me hear how it works out! Maybe we've got a part-time goldmine for everybody?

SENIOR-SIZE GRIPES
I'm writing in the hope that every darn soda-jerk and sales-lady in the country will understand that when they're waiting on us older guys and gals, we deserve politeness. I go shopping with a girl-friend who's 72 like me. She has arthritis. When they throw coins on the counter in making change, why should she fumble and scratch around like a fool hen trying to pick up the nickels and dimes? Furthermore, when we ask questions about medicines, cosmetics, why can't people be patient? When we point to something on the shelf, why can't they reach for it? We can't read print so far away.

Also I resent these whippersnappers calling us "Mom" and "Pop." We have a name and come in often enough for them to know it. My husband, my girl-friend and I are 3 out of 17 million people over 65 who are worth billions of dollars every year to this country's business life. Young housewives go to the store a couple of times a week, but we go a couple of times a day. Sometimes we forget something, or we just meander over to see friends. Even then, we end up buying something, spending money. We're a bigger market than the teenagers, but they make the most noise. We should shout to demand attention and politeness, at least! Well, thanks for letting me get this off my mind. I sure hope you print it.

Furious, New Carlisle, Ohio
LET'S SWING
We have an active Senior group. Could you give us pointers on program, by-laws? We've had movies, slides, skits, musical programs.

Mrs. H. Franklinville, N. Y.
For your lively bunch: book reviews, dramatic lectures, covered dish parties, contest dances, speakers on health, nutrition, medicare, politics; door prizes, costume parties. Forget by-laws. Keep rules simple, human. I'm mailing you-for-ideas! — our free "20 Money-Making Hobbies." Have your pals try on a few, Hazel! Send the money to needy KIDS

OUCH INVESTMENT SWINDLES
My wife and I wanted to buy land for investment. But the stories of swindlers and land frauds across the country scare us, selling swamps and dry desert as "retirement paradises" at \$10 down and \$10 a month. We always craved to own land for investment or retirement, later for a nice legacy for our children. Can you recommend, instead, absolutely guaranteed investments?
Doubting Thomas, Springwater, N.Y.

If I could slide you this guarantee I'd be 1,000 percent elected president of the N. Y. Stock Exchange! Two big states getting a black eye for "land swindles" were Arizona and Florida. But this doesn't mean all Arizona is arid desert a million miles from the nearest water-hole. Neither is all Florida deep in swamp up to the chin. Those stories did good: they showed you how to guard against frauds! Best of all, Florida — the nation's second biggest retirement state — took instant steps to crack down on land fakes. To protect the public, Florida's reputable landsales companies immediately created a healthy "police" organization of members. Next, the Florida Legislature passed an Act to create the Florida Installment Land Sales Board. The Board went into action September 1 as a state agency requiring registration with them by all persons engaged in the land development business. This means that an eagle eye is kept on all land advertising, too! Deal only with reputable land companies. I have a recommended list of 55 Do you want it?

Old Friends

By Connie Locke

By CONNIE LOCKE'S FRIEND
It was our pleasure to mention in last week's column Billy Gentry, Class of '45, and his fine Highland High, Albuquerque, football team. They chalked up another win last Friday night against what Billy had predicted as his toughest opponent—Farmington, N. M. Billy and his team have a good chance to do big things in our neighboring state this season.

Lena Glasscock Nelson, class of 1961, visited in Slaton recently. Lena's husband is in the army, stationed at Fort Benning, Ga. It will be about ten months before they return to civilian life.

Denny Kincer, class of '55, has recently been sent to the Panama Canal Zone-Albrook AFB. Prior to this transfer Denny who is a Staff Sergeant in the US Air Force was stationed at Carswell AFB, Ft. Worth. His wife, the former Barbara Wilke, class of '57, and their three children are at Posey with her parents waiting to join him. Denny has been in the Air Force since October 1955.

Kenneth Melcher, class of '59 is presently serving a 6 months enlistment reserve program, stationed at Ft. Polk, La. His wife the former Sharon Boyd, class of 1960, is in Slaton with her parents.

David Collins, class of '55, has been associated with Hendrix Memorial Hospital for the past seven years. He and his wife live at 2600 Ivanhoe Apt 401, Abilene, Texas.

We found an address, Billy Joe Lucado, class of 1941, he lives at Senior Center, Lehigh Acres, Florida, or in care of this newspaper. Write today for the free list of the many booklets and services available to you, compliments of this column.

14202 Cloverside St., Baldwin Park, Calif.

Joy Holloman, class of 1947, is Mrs. Ralph Donelson and gets her mail at 2603 Captain Cook Blvd. Anchorage, Alaska. Joy and her family, three young daughters, have been in Alaska since last February. Mr. Donelson is in the Dept. of Interior with the U. S. Government.

Texas Tech's Red Raider Band is really something special, and here are some reasons why. 1963 SHS grads now in the Tech band, Arcta Privett, Don Caldwell, Randy Cullar, and Jerry Clark. Upperclassmen, Joe Melcher, class of '61, Billy Snider, Class of '60, Tommy McCall, Class of '60, and Jim Hallie, '62, all products of Bill Townsends excellent guidance. All the above except Randy made the trip to Dallas last weekend for the Tech-S. M. U. game. It seems a Chemistry class needed Randy's attention.

1959 graduate, Kathran Ann Smith, is teaching in Neill Wright

SHYTLES Implement Co.
Phone 53 Post, Texas

Elementary school in Lubbock. She received her BA in Education last June from Wayland. Connie Locke usually writes the column, however, it was impossible for her to do so this week. She is very busy working on her Don Edwards scrap book.

teaching school in Shallowater. He attended John Tarleton and received his degree from West Texas and served Uncle Sam two years in the Army. Buddy and his wife have 3 children. Write to us. Slaton Ex-students Ass'n., P. O. Box 782, Slaton, Texas.

IS SLATON TOO SMALL FOR A CITY MANAGER?

- WOULD A CITY MANAGER RUN THE TOWN?
- IS THE COST OF A CITY MANAGER PROHIBITIVE?
- WHY A CITY MANAGER WHEN WE HAVE A COMMISSION?

These are questions that need answers in view of the City Charter Amendment Election on Tuesday, November 5, 1963. The City of Slaton is an above average business operation employing between 35 and 40 employees and operating on an annual budget of nearly a quarter of a million dollars. A business of this size can not progress without proper management. The Slaton City Commission is elected to MAKE policy in accordance with the wishes for the majority of the people. A city manager would be hired to CARRY OUT policy set forth by the Commission. The city manager would act only after receiving council and direction from the Commission. A good manager, WILL cost from the standpoint of salary. However, his ability to study the needs of the city, the income of the city, the ability of each department of the city to function economically and his ability to bring these factors into better balance can EASILY offset the salary a city manager would be paid. A city manager should and will, if properly guided, give the taxpayer more return for his tax dollar.

Tiger "Bees" Lose Close One To Roosevelt

BY BILL BALL

Travis Rector's Roosevelt Eagles scored in the second quarter and then held off two serious Tiger threats to down the Slaton "B" squad, 8 to 0, Saturday afternoon in Tiger Stadium.

The game's lone tally came when Right Halfback Nicky Hopkins skirted 13 yards around left end after a double reverse. The Eagles had entered Tiger territory on a 30-yard pass from quarterback Bobby Burns to End James Murphy.

Burns passed to Murphy again for the extra two points and Roosevelt was out front to stay. It was the second win of the season for Roosevelt, who initiated a football program at the school only last summer.

Roosevelt threatened early in the game, driving to the 10 before losing possession on a fumble. The Tigers capitalized on a 38-yard run by Fullback Joe Hargrove and short gains by Ronnie Finley and David Edwards to march to the 15. A fumble lost the ball there but Slaton was quick to regain possession when Roosevelt let the ball squirt out of control on an attempted pass play.

The Tigers marched back up field to the Roosevelt 39 before losing the ball on downs. It was from this point that the Eagles started their touchdown march.

Fred Weaver's Tiger "Bees" made their first serious threat in the waning seconds of the first half. The Eagles, with the backs to the wall, tried to punt out of the situation. The ball lacked distance and then took a backward bounce with Slaton taking possession on the Roosevelt 5-yard stripe.

Three plays later saw the ball on the five and then Allen Miles passed to Wade Carter to the one-foot line before the Tigers ran...

The second Tiger threat was early in the fourth quarter when Carter returned a Roosevelt punt to the midfield stripe. A Roosevelt penalty put the ball on the 35 and Ronnie Finley carried it to the 27 on a handoff from Miles.

Another Eagle penalty put the ball on the 30. Finley then drove to the 12 and Hargrove to the

Slaton Youth Will Trick Or Treat For CROP

This evening, between the hours of 6:00 and 7:30 the young people of several of the churches in Slaton will be visiting you. They will not be asking for anything for themselves. They will be collecting money which will be used by American churches to send surplus food to hungry and needy people around the world.

The churches distribute this food through their missionaries. The churches collect the money in freiteer... through their young people, who "Trick or Treat for CROP." Every penny that you give helps send food and agricultural supplies abroad.

Since 1948 American church youth have been using their Halloween evenings in this church sponsored activity. Slaton has taken part in this campaign for several years.

When a young person comes to your door tonight, give so that four before another fumble put out the fire.

Tiger Roster
David Edwards, Billy Martin, Ronnie Finley, Joe Hargrove, Raymond Mazallares, Carlton Jones, Wade Carter, Gary Brush, Terry Hendrix, Mike Williams, Byron Johnson, Allen Miles, Dublin Englund, Roy Green, Dewayne Patterson, Ray Hampton, Benny Ball, Junior Martinez, Gary Cox, Danny Baily, Larry Edwards, Pat Addemson, Gary Brush and Joe Ollaque.

Eagle Roster
Charles Mitchell, Joe Brown, Bobby Jones, J. L. Talley, Mike Thornton, Nicky Hopkins, Bobby Burns, Don Boyd, Jerry Poe, Tommy Roberds, Gary Alsip, Royce Ekdhall, Ruben Walt, Dennis Burkett, Pete Gomez, Dewayne Jennings, David Denham, James Murphy, David Lunsford, Sonny Paxton and Norman Crow.

a hungry person may eat. Every worker will have a badge and will be carrying a milk carton.

If you are not contacted at home, you may contribute at a special table at the West Ward PTA Carnival or give it to your minister next Sunday. He will see that it goes to the right place.

Julius Caesar, Napoleon Bonapart, and violinist Paganini were all victims of epilepsy.

Mrs. O. L. Taylor and guest are invited to be guests of The Slatonite to see "20,000 Leagues Under the Sea" and "The Hangman" showing Thursday, Friday and Saturday at the Slaton and Caprock Theatres. Present this coupon—plus tax—for two tickets at the Slaton Theatre or Caprock Drive-In box office.
