# Voters Okay School Bond Issue

## Trustees Tab \$325,000 For First Improvements

Voters of the Slaton Independent School District Monday approved, by a 2-1 vote, a \$500,000 plant improvement bond issue.

A total of 334 persons voted in favor of the issue while 162 residents cast negative ballots. The light turnout of 496 represents an increase over the 302 persons who voted during the last bond election held in 1959.

Contacted Monday night following closing of the polls, Dr. P. L. Vardy, superintendent, told the Slatonite, "I feel that the people of Slaton should be congratulated for a forward outlook on the schools. Every effort will be made to spend the money in a manner that a dollar value will be received for a dollar spent."

"Every effort will be made to start some of this construction in the near future. Of course, plans and specifications must be made before any construction can be started."

The school board of trustees were scheduled to meet Tuesday night to canvass election returns. Dr. Vardy said the board might possibly choose an architect for the project at the meeting.

The issue provides for the construction of a new school cafeteria at West Ward Elementary; a gym and band hall at the high school, and a football stadium at a site to be selected.

For construction in the future is a new elementary school in the southwest section of the city.

The new school would be constructed on a site previously purchased for a building when growth is sufficient, the superintendent had announced.

The cafeteria, band hall, gym and football stadium are scheduled to be built this year, Vardy pointed out. Rough estimates on the costs of the projects are \$175,000 for the (See VOTERS, Page 7)

Slaton school trustees approved the canvass of the \$500,000 bond election, discussed preliminary building plans, discussed teacher contracts, and approved purchase of a used bus during a regular meeting Tuesday night.

After a discussion on what

portion of the bonds to offer for sale in the first stage of the improvements program, trustees agreed on a total of \$325,000. The board set March 22 for a special meeting to open bids and consider the sale of these bonds.

As pointed out in public re-

leases prior to the bond election, the school district cannot sell the entire amount at this time. Elmer East, fiscal agent for the school, said the maximum would be about \$340,000 at present.

The board authorized Supt. Lee Vardy to obtain an estimate on construction costs of concrete stadium seats as compared to steel and board seats. Board president Don Hatchett appointed Max Arrants, Joe Miles and Willie Heinrich to work with the superintendent in recommending an architect for the proposed new gymnasium.

In discussing the time element, it was brought out that it would probably be June before a contract could be let on any portion of the improvements program. The necessary legal processes in selling the bonds and the time needed for preparing plans and specifications were primary factors involved.

In discussing plans for the new high school gym, it was pointed out that the board would first need to decide whether the football stadium will remain at its present location or be moved to the west side of the high school tract.

If the stadium is moved, trustees felt the gym dressing rooms should be larger to accommodate grid teams. The board also wanted to study costs on concrete seats versus steel and board, regardless of location.

Two trustees reported a number of people who contacted them were in favor of putting (See TRUSTEES, Page 7)

**PROPOSED YOUTH CENTER** — Mrs. Ayers holds the architectural drawing of the proposed youth center in Slaton. A drive is underway to raise the necessary funds to construct the building. Estimated cost of the project is \$30,000.

## Commissioners Plod Through Packed Agenda Monday

City commission members present, heard a request from a citizen's committee concerning the construction of a youth center here, outlined the chain of command in the city government, revised the electrical

code, and appointed a new city attorney. Mrs. Bob Ayers, Mrs. Jack Nowlin and Miss Caron Caldwell appeared before the commission to explain proposed construction of a youth center. The trio represented Tigers Town, a youth organization here.

The committee asked the commission for support "now and in the future." Specifically requested was maintenance on the building once it is completed. Although the commission did not take action on the proposal, the council orally endorsed the project. The commission commended the organization for taking the initiative to start the project.

Mrs. Ayers explained that the facility would cost approximately \$30,000. Proposed site is the city park, west of the Little League Park. The steel building would include a recreation area, reading room and ball room.

The commission showed the commission an architectural drawing of the proposed structure. A floor plan of the building was also presented. The building would be approximately 50 by 96 feet.

Mrs. Ayers said the \$30,000 figure is the "bare minimum" to erect and furnish the building. "We hope we can have it (See CITY, Page 7)

## Youth Center Plans Launched

drive to provide a youth center for Slaton was launched Monday with a volunteer group headed by Bob Ayers presenting preliminary plans in the city commission meeting Monday night.

Mayor Jonas Cain this week proclaimed March as "Support Slaton Youth Center Month", and urged citizens to consider taking an active interest in the worthwhile project.

At the commission and Lions' meetings, Mrs. Ayers showed preliminary floor plans for the youth center building along with an architect's drawing of the exterior. Estimated costs is about \$30,000 for the building and equipment. Plans call for it to be located on the west side of the city park.

Mrs. Ayres said the group hopes to draw community-wide support in the proposal. More than 200 high school students attended a Monday afternoon meeting. Mrs. Ayres said the students were "very enthusiastic" and many pledged to help work on benefit projects to raise money for the center.

At the commission meeting, Mrs. Ayres asked the city to give its support and to consider taking care of maintenance and utilities once the center is completed. The commission indicated favorable interest but no action was taken.

Plans for the building include a large recreation and dance area, a game room, snack bar, reading room and two restrooms. Mrs. Ayres said donations to the project will be tax exempt.

## Three File For City Commission

A contested race for city commissioner developed this week with the incumbent and a political newcomer filing for Ward 2 position.

Earl Reasoner, Slaton farmer, filed last Wednesday for his second term on the council. Opposing Reasoner is Walter C. Mosser, timekeeper for Santa Fe Railway.

Rudy R. Dominguez, car inspector for Santa Fe, announced late Tuesday afternoon for election to commissioner of Ward 3. Before going to work for the railroad, he was city animal warden.

Ward 4 commissioner Robert Banks has not announced his political intentions. Deadline for filing is 5 p.m. Friday in the city secretary's office.

The municipal election is slated April 5. Absentee balloting ends April 1. Remaining on the council are Commissioners Curly Martindale and Jack Smith and Mayor Jonas Cain.

## Special Events Set For School Week Observance

The Slaton schools will observe the 18th Annual Texas Public Schools Week March 7-11, it was announced this week by Supt. Lee Vardy.

The observation of this special week in Texas will consist of visitation by parents into a classroom to observe the regular classroom work of the teacher and pupil. Special programs will be presented for the benefit of the communities of Texas.

Slaton schools will follow this pattern very closely, and it is hoped that most people can confine their visitation to Tuesday, Wednesday, and Thursday, March 8, 9, and 10.

On Tuesday evening, March 8, West Ward School will present a musical program in the high school auditorium. The

program will be under the direction of Mrs. Anita Perkins, music director of this school. The program will be co-sponsored by the West Ward Parent - Teacher Association and the school itself.

The regular meeting of this Parent - Teacher Association for the month of March will be prior to this program in the library of the high school building. "This P-TA has dedicated itself to the betterment of the public schools of Slaton and is due the thanks of the people of Slaton for its many successful endeavors," Dr. Vardy commented.

The high school choir will participate in an area contest to be held at Texas Technological College in Lubbock, March 12. This fine group of

students has participated in this type of contest in the past years. They have received some very fine ratings, as well as other groups from Slaton schools, such as the band, FFA teams, FHA groups, Interscholastic League competitors, and distributive education students.

The FFA Chapter will attend a stock show at the Fair Grounds in Lubbock, March 11-12. These boys will show animals in this show such as beef cattle, swine, sheep, and chickens.

"All parents and their friends are cordially invited to visit at least one public school in Slaton this particular week," said Dr. Vardy. "It is hoped that visits to our schools will also be continued throughout (See SPECIAL, Page 7)

COOKIE SALE PLANNED — Slaton door bells will be ringing this afternoon as Girl Scouts and Brownies start their annual cookie sale drive. Proceeds go for a vehicle to transport

## Sikes To Seek Trustee Post

A contest was assured in the Slaton School Board election this week when Don Sikes, 31, filed as a candidate and made it at least a three-man race for the two positions to be filled.

Incumbents Joe Miles and Willie Heinrich had previously announced as candidates for re-election. Miles, an employee with Santa Fe Railway, will be seeking his third term as a trustee. Heinrich is completing his first three-year term.

Sikes, associated with Deal's Machine Shop, is a life-long resident of Slaton. He and his wife, Eva, have three children and two are in school. This is his first time to seek office.

Deadline for filing was Wednesday. The trustee election is scheduled for April 2.

## SWPS Reveals Building Plans

A new district office for the Southwestern Public Service Company will be built approximately one-half block southeast of the square, it has been announced by Howard Hoffman, who will be the owner of the building and Carroll McDonald, district manager for the electric company.

Veron E. Day Construction Co., Lubbock, has been awarded the building contract for the new office, which is scheduled to be ready for occupancy by mid-summer. The architects for the new building are Whitaker and Hall of Lubbock, while Jim Williamson, chief draftsman for the Southern Division of Southwestern Public Service Company, will serve as liaison between the contractor, architect and the company.

The new office will have approximately 2,000 square feet of floor space, or about one-third more than the present office. In addition, it will offer customers a drive-up window

and a Reddy Room which local organizations will be able to use for meetings.

The new building will front on Panhandle Avenue, with large off-street parking areas which can be entered from either Panhandle Avenue or Eighth Street. Entrance to the drive-up window will be from Panhandle Avenue only, with exit on either street, but entrance to the office can be made from both streets for (See SWPS, Page 7)

### FOR THE FAMILY MANAGER

**ITEM:** If you don't have snow on your roof when your neighbor does, you're not necessarily lucky. This usually means that heat is escaping from your home and melting the snow.

**ITEM:** It's best to clean and mend vinyl wall surfaces prior to painting them the colors of your liking. Common detergent is a good cleaner and an odorless paint thinner should remove stubborn stains. Animal glue or new resin adhesives are excellent repair materials, but avoid cement or mending tapes. Their adhesive qualities may be dissolved by the paint.

**ITEM:** The most logical protein foods to serve as a casserole base include meat, poultry, eggs, cheese, fish, dry beans, and dry peas. Because the dry beans and peas don't give a complete protein, use other protein foods such as milk, eggs, or cheese, with them.

**ITEM:** You cannot depend on cold-water detergents to kill the bacteria in your laundry. You have to use a disinfectant as well—either chlorine in the wash cycle or a quaternary compound in the rinse. Use a disinfectant when you do the family laundry especially if there's sickness in the family or neighborhood, or if you use a public washing machine.

## Bridal Luncheon Mrs. Barron Held Saturday Is Club Hostess

Mrs. Nicky Patterson, the former Miss Judy West, was honored with a bridal luncheon Saturday in the Hemphill-Wells Monterey Center dining room.

Pink gladioli were used for table decorations. Hostess gift was silver in the honoree's chosen pattern.

Hostesses for the occasion were Mmes. Harmon Thompson, J. S. Edwards, R. H. Davis, all of Slaton, and Mrs. Leo Baggett of Lubbock.

Guests attending were Mrs. Wayne T. West, mother of the honoree, Mrs. E. D. Patterson, mother of the bridegroom; Mrs. Tommy Todd, and Misses Deborah Scott, Donna Stricklin, Peggy Kirksey, Pam Davis, and the honoree.

The Texas Easter Seal Society reports that an estimated 2 million handicapped men and women in the United States need vocational rehabilitation in order to engage in suitable employment. The biggest prerequisite to meeting this need: trained personnel in medicine, counseling, psychology, physical and occupational therapies, social work, selected placement and related services.

Mrs. Joe Gamble and children spent Sunday visiting in Sudan.

Mrs. Charles B. Barron was hostess to members of the Civic and Culture Club when they met in her home last Wednesday. Mrs. Fred Schmidt was co-hostess.

Mrs. R. H. Todd presided during a business session. The group voted to make a contribution to the March of Dimes.

A patriotic program, "Calendar of American Freedoms", was presented by Mrs. Bruce Pember. She was assisted by Mrs. A. L. Saage and Mrs. H. E. Anderson. They discussed special events held each month based on freedom, and pointed out that freedom is based on religion, and that liberty is given to man by God.

## Sgt. Byrd Is Visitor Here

Sgt. Marion Byrd, who has been stationed in Germany the last two years, spent the weekend in the home of his sister and family, the Bob Dillons.

On Monday Mrs. Dillon went with him to visit their parents, Mr. and Mrs. L. E. Byrd and other relatives in Dumas. They also visited with another brother and family, the Don R. Byrds in Fort Worth.

In Dallas they visited other relatives, and then visited in Durant, Okla. with their grandmother, Mrs. E. L. Ward. Mrs. Dillon returned home Friday, and then the Dillon family went to Dumas last weekend for a visit with the Byrd family.

While Mrs. Dillon was out of town, two of the Dillon children, Bobby and Loretta, stayed with the Earl Morrises.

### Cooper Junior Leaders Meet

The Cooper Junior Leaders Club met at 7:30 p.m. Monday at the school to discuss ideas for inspirations to be given at the regular meetings. Suggestions were made and decisive actions were planned. The local Favorite Foods Show was held Saturday at the school cafeteria. Winners included Jerry Knox and Carolyn Madding, bread and cereal group; Pam Griffin and Tim Miller, milk group; Brenda Cooper and Richard Pooley, meat group; Lisa Louder and Don Dorsett, vegetable and fruit group. These students will represent the Cooper Club at the county show.

Others who participated were Danny Knox, Susie Madding, Lorraine Holland, Dee Ann Smith, Joe Ray Brown and Ann McWhirter.

Judges were Mrs. Butler and Theresa Butler from Idalou, and Mrs. Joy Parnell from Southwestern Public Service company.

The County Favorite Foods Show will be held at 1:30 p.m. March 26 at the Southwestern Public Service building in Lubbock.

### Recipe Of The Week

Mrs. Joe E. Hall is sharing her recipe for Cheese-Pineapple Salad with Slatonite readers this week. Mrs. Hall is a member of Roosevelt's Young Homemakers and served as program chairman for 1964-65. She is now serving as third vice-president of the Roosevelt PTA.

The Halls are parents of two daughters, Lynda, 7, and Jan, who is three. She says the entire family enjoys boating and swimming and she and her husband are ski enthusiasts, belonging to "the world's largest dryland boat club", the Lubbock Boat Club.

Mrs. Hall also enjoys bowling and is a member of the Ladybug bowling league. Mr. Hall farms 1/2 mile north of Buffalo Lake. But according to Mrs. Hall, he finds time for some hunting and fishing.

**CHEESE-PINEAPPLE SALAD**  
1 pkg. favorite gelatin  
1 c hot water  
1 c crushed pineapple  
1 sm. pkg. cream cheese  
1/2 c chopped nuts

Dissolve gelatin in hot water. Chill until slightly thickened. Whip (For quick thickening add 6 to 8 ice cubes and stir until thick enough to whip) Soften cream cheese and mix together with pineapple and nuts. Add to whipped gelatin. Chill until firm. Yield: 6 to 8 servings.

For a delightful different taste use 1 cup hot coke or 7 up instead of water or use cottage cheese instead of cream cheese.

### Attends Floral Industry Meet

Mrs. L. A. Reasoner of City Floral attended a convention and design school at Altus, Okla. on Feb. 20. The convention was held in conjunction with the Oklahoma State Florists Assn.

Mrs. Reasoner's mother and owner of City Floral, Mrs. Nora Kirk, accompanied her to Reydon, Okla., where she visited with another daughter and family, Mr. and Mrs. G. F. McGuire and sons.

At the convention, wholesale florists and growers and others in the allied or associated business made talks and observations of the changing business world today and the many changes which are foreseen in the floral industry.

### VFW Auxiliary Hears Hospital Report

Mrs. Travis Mann, senior vice-president, conducted the business meeting when the VFW Ladies Auxiliary #6721 met Monday night.

Secretary J. C. Moyers read a letter regarding the formation of a local hospital auxiliary. It was reported that president, Mrs. Billie Clements, and historian, Mrs. Bo Becker, were representing the auxiliary at the meeting and a report would be given at the next meeting.

Various committee reports were heard by the 13 members present. Patriotic instructor, Mrs. Frances Sargent, gave a report on the Auxiliary Flag Presentation to the 80 Cub Scouts of Slaton at their annual Blue and Gold Banquet held last Thursday.

Chaplain Mrs. R. O. Moore reported a busy month on memorials, cards and flowers. She also reported that the auxiliary had supported the recent Heart Fund Sunday drive by calling at

### Athenians Meet In Davis Home

Mrs. Keith Price volunteered her services for the transportation of the families to the March 3 Well-Baby Clinic.

It was reported the auxiliary is continuing the sale of vanilla and black pepper and members are asked to support the sales.

After reading a letter from the department Senior Vice-president the auxiliary voted to donate a cash love gift to the outgoing department president, Priscilla Webb of Monahans.

After the meeting, coffee was served. Mrs. Frances Sargent was winner of the door prize. The next regular meeting will be March 14.

Mrs. M. G. Davis was hostess when members of the Athenian Study Club met Tuesday night in her home. Mrs. Davis also served as program chairman, discussing "Family - Adolescent Relationship".

Members attending were Mmes. Truett Bownds, L. A. Reasoner, Harley Martin, Don Mitchell, S. H. Jaynes, Coy Biggs, Tommy Wallace, R. C. Hall Jr., Ed Moseley, Joe Miles, G. W. Privett, Clark Self Jr. and Davis. Mrs. Weldon Meador was a guest.

The next meeting is scheduled for Mar. 15 in the home of Mrs. Moseley.

### Wilson Girls At State Meet

Members of the Wilson Future Teachers of America Chapter were among 4000 delegates to attend the 1965-66 State Convention in Austin Feb. 25-26.

Sessions were held Friday and Saturday in the Municipal Auditorium. Sessions included guest speakers, workshops, and election of officers for 1966-67.

Highlight of the event was Awards Night with the presentation of state Mr. and Miss FFA awards. Delegates also enjoyed visiting the Capitol, the museum and the University of Texas campus.

Going from Wilson were Linda Mueller, Linda Wilson, Ann Underwood and Miss Gloria Price, chapter sponsor.

Accompanied by other area chapters, the group left Thursday and returned Sunday by chartered bus from Lubbock.

### Series Of Parties Honor Bride-Elect

Miss Deborah Scott, bride-elect of Don Webb, was honored with a miscellaneous shower Monday in the Slaton Club House.

Greeting guests at the door were Mmes. Don Hatchett, Truett Bownds, and Harry Brown. They in turn introduced Mrs. Leland Scott, mother of the bride-elect, the honoree; Mrs. B. E. Webb, mother of the bridegroom; and Mrs. Jim Rucker.

Connie Robertson registered 120 guests, and Peggy Kirksey played piano selections throughout the shower.

The serving table was covered with a blue cloth, centered with an arrangement of blue and white daisies. Crystal appointments were used.

Hostess gift was an electric mixer and steam iron.

Serving as hostesses were Mmes. Jack Dickson, Charles Felty, Barry Ford, C. E. Dickson, Charlie Walton, S. L. Alderson, Don Hatchett, Floyd Boyd, and Hern Pettigrew.

Others were Mmes. C. B. Tefertiller, F. E. Chapple, Curtis Dowell, Chris Kirksey, Bob Fondy, R. H. Todd Jr., Dan Wright, Truett Bownds, Mary Gilmore, and Audean Nowell.

**Take Your Medicine**

BY JOE TEAGUE

Our advice to the boy who seeks success: sell your wrist watch, and buy an alarm clock ...

Make a little money first. Then -- make it last!

If you think of yourself as a leader ... are you being followed, or chased?

Do you like those little foreign cars? Buy two -- one for each foot.

The reason it's harder to be a good winner than a good loser is because we have so much less practice!

You can be a "winner" every time you re-stock your medicine chest. Just contact TEAGUE DRUG, VAB-4535 for courteous attention!

## Cubs Feted At Banquet

Hello, again this week. Sorry to have missed out on the news last week, but I have a little bit for this week. Tony was very sick last Monday, but is doing just fine now. Just some kind of virus, but it sure had me scared before his fever broke. There are so many different kinds of diseases going around now you never know when one has something or not.

**FAMILY MOVES**  
Mr. and Mrs. Tom Collins and family are moving to Vicksburg, Miss. this week. This family will be missed by all their friends and neighbors. I hope they will be very happy in their new home and that they will come back to see us again sometime.

J. T. Crumley and Mr. and Mrs. Bill Sides were in Paris, Tex. over last weekend to visit J. T.'s parents. They were doing just fine.

Mrs. Billy Cooper entertained in her home with a Stanley Party last week. Alice and Billy have just moved into their new home, which is just lovely.

Mr. and Mrs. Adrian Weir of Muleshoe, and Mr. and Mrs. Clem Darter, David, Denise and Donna of Wichita Falls, were Sunday guests in the home of Mr. and Mrs. Paul Rogers. The Weirs also visited with the Wyatt Weirs in Slaton.

**YOUNG HOMEMAKERS MEET**  
The Roosevelt Young Homemakers met last Tuesday in the club house with Marylan Walter giving the devotional "Greatness of Little Things". Mrs. Jackie Miller presided over the business meeting with 13 members present. The next meeting will be Mar. 8 at 9 a.m. in the club house. The program at that time will be a talk by Dr. Murr Kovar, a psychiatrist from Lubbock. Seven other homemaking groups in this area have been invited to attend.

The Roosevelt YH will sponsor a style show Mar. 25 in the school auditorium at 7:30 p.m. Admission will be 25¢ and 50¢.

**ATTEND FTA MEETING**  
Kathy Walter, Elaine Reynolds, Robert Partington and Mr. Kerman Bond went to Austin last weekend to attend the Future Teachers of America Convention. The trip was sponsored by the Lubbock County Teachers Association and the Roosevelt PTA.

They attended FTA sessions on scrapbooks, new projects and other items such as plans for attending college and advisor's meetings.

Roosevelt is in District XIII, which placed third in the Miss FTA contest and second in the Mr. FTA contest. This was in public speaking.

Kathy, Elaine and Robert were chosen to attend the convention for having the most points. Points were gained by helping or assisting a teacher...one point for each hour of assistance.

Roosevelt FTA advisors are Mr. Bond and Archie Clanton. BLUE AND GOLD BANQUET  
Pack 166 Cub Scouts held their Blue and Gold Banquet Monday night in the Roosevelt club house. One hundred-thirty cub scouts and their families

attended the banquet and awards ceremony.

Wolf Cat badges were given to Howell McCowan, Earl Randall, Jess Matsler and Wallace Reynolds.

Wolf badges went to Mike Ragland, Bobby Cate, Jace Parchman, Stanley Morgan, Steve Thornton, John Thornton, Daymond Fikes, Raymond Fikes, Dennis Westbrock, Gary Dempsey, Michael Tennison and David Meador.

Awarded Bear badges were Jerry Maynard, Chris Marshall, Larry Griffin, Gary Dempsey, Wesley Killion and Lee Anderson.

Receiving Lion badges were John Troy Callaway, Victor Trevion, Gilbert Trevion and J. L. Anderson.

Arrow points, both gold and silver, went to Raymond Fikes, Daymond Fikes, Richard Crossland, John Troy Callaway, Bobby Cate, Jerry Maynard, Stanley Morgan, Larry Griffin and J. L. Anderson.

Plaques were also given to Arlin Stennett and W. D. Killion Jr. for their work with this pack in 1965... for helping it get started in its first year, and its continued growth in 1966.

LINDA MARTIN

Linda is the daughter of Mr. and Mrs. E. G. Martin. She was born Dec. 2, 1947 at Abilene, and has attended Roosevelt School for eight years. Her activities include FHA; pep squad; FNA; FTA; Student Council; FHA parliamentarian; student council representative;

DON HARBIN

Don was born Sept. 10, 1944 at Abilene, Texas. He is the son of Mr. and Mrs. E. E. Harbin, Ft. J. Lubbock, Eight years spent at Roosevelt. His activities include choir; SPEBSQSA; first in South Plains Science Congress, 1965. After graduation Don plans to attend college to work for Colony, Inc.

### ITEM: Most house plants will do well in daytime temperatures between 65 and 75 degrees, but like it cooler at night — between 50 and 55 degrees. Porous clay pots, whose walls absorb less heat, will help keep plant roots cooler. In overheated houses, it's a good idea to keep plant collections on tables with wheels, which can easily be moved to cool locations at night.

The boll weevil entered U.S. from Mexico in 1892.

### ITEM: Children may get protein from an unexpected source. Research workers at U.S. Department of Agriculture announce they can use cottage cheese whey in fruit lollypops without changing flavor. The whey is substituted for about one-sixth of the sugar.

Public Schools are our investment in Democracy. Support them.

## Annual Cookie Sale Slated

Girl Scouts of the Caprock Council will begin their annual cookie sale, Thursday, March 3, announced Mrs. J. B. Maxwell, of Lubbock, Council cookie chairman.

Girl Scouts in the 18 county council will be selling the cookies through March 17. The price will be 50 cents per box. The more than 5,000 girls will be selling four kinds of cookies: chocolate and vanilla cream; chocolate mint; butter cookies; and peanut butter sandwiches.

Profits for the sale are divided between the troops and Council. Council profits will be used for building and improving Camp Rio Blanco. This year part of the funds will be used to purchase an all purpose Carry-All truck for Camp.

Camp Rio Blanco is the camp for the entire Council. It is located northeast of Crosbyton. Summer sessions will begin June 13. Each session will be based on the Girl Scout Program in the out-of-doors. Camp activities include crafts, hikes, swimming, songs, campfires, cook-outs, nature study and star gazing. Six sessions are scheduled for girls of various age groups.

White girls are selling cookies. They will wear their Girl Scout uniforms or pins. They will give each customer a window sticker indicating purchase and the scout's name and address.

An investment in the public school is an investment in Democracy.

Our public schools train the youth of today for citizenship tomorrow. Support your public schools. It's a fine investment in Democracy.

It is more blessed to give than to receive—(Acts 20:35)

We have been delegated by God to make a unique contribution to life. It may seem insignificant to us but from His point of view we are irreplaceable. Be willing, like the Lord Himself, to give to others more than you receive, especially to those who do not share your advantages.

Seek good and not evil, that you may live—(Amos 5:14)

More than twenty centuries ago, the men of Athens took an oath to never bring disgrace to the city by an act of dishonesty or cowardice; fight for ideals and sacred things of the city; reverse and obey the city's laws; strive unceasingly to quicken the public's sense of civic duty; and transmit this city to others not less but greater, better and more beautiful than it was transmitted to us. These same objectives should be applied today.

## TSTA MEETING FRIDAY

# Slaton Pupils Get Holiday

Slaton school pupils get a welcomed one-day vacation Friday while the faculty and staff attend the seventh annual convention of District 13 of the Texas State Teachers Association in Lubbock.

More than 4,000 South Plains teachers will gather for the event which carries the theme, "Education for Peace and World Understanding." Dr. P. L. Vardy, superintendent of the local school system, is president of the district unit and will preside over the meeting.

Classes will resume in Slaton Monday morning, the school official said. The meeting will be held in Lubbock's Municipal Coliseum, Texas annual Public School will be observed the following week, Marcy 7-11.

Main speaker for the convention's morning session will be Dr. Charles L. Allen, pastor of the First Methodist Church of Houston. During the afternoon, elementary and secondary meetings will be held at the four Lubbock public schools.

Delegates will convene Thursday night preceding the convention for a dinner at the Holiday Inn. Friday luncheon meetings for various sections will be held.

The featured speaker Friday morning has been pastor of the 7,800-member Methodist church since 1960. He was pastor of the Grace Methodist Church in Atlanta, Ga. for 12 years.

He is author of 16 religious books, all of which have been best sellers. "Time Magazine" recently said of him, "The story of Charles L. Allen is not the result of rafter-raising oratory. He speaks simply, seldom raises his voice and uses few gestures. He emphasizes Christian living and daily prayer. He is inclined to say simply, 'You'll be happier if you live this way.'"

ITEM: Allow 2 inches of space on a closet rod for each dress, jacket, shirt, raincoat, or pair of trousers. Suits take 3 inches. Skirts and blouses need 1 1/2 inches each, according to home economics specialists in the U.S. Department of Agriculture.

ITEM: Are you about to paint with lacquer? Remember that this type of coating acts as a paint remover on an oil base surface and use it only over another lacquer base. When in doubt about the type of surface, consult your paint dealer or stick to an oil base paint.

ITEM: An electric frypan or a deep-fat fryer frees one space on the range and gives controlled heat. Skillet, frypan and buffet pan are names for similar appliances. All the appliances are used to fry, stew, bake, or pan-broil foods. In frypans, there's a choice of aluminum, stainless steel, metal alloys, and ceramic.

Funeral services will be held at 2 p.m. today in the First Baptist Church of Slaton for Mrs. Jimmie Opal Caldwell, 70, of 805 S. 16th.

Mrs. Caldwell died at 11:30 p.m. Tuesday in Slaton's Mercy Hospital. She had been a resident of the area since 1928. Officiating at the service will be the Rev. C. M. Fields of Ralls. He will be assisted by the Rev. John Cartrite, pastor of the First Baptist Church here; and the Rev. Clinton Eastman, pastor of the Westview Baptist Church.

Interment will be in Englewood Cemetery under the direction of Williams Funeral Home. She was born Sept. 29, 1895 and is a native Texan. After moving to the area, she worked at the South Plains Army Air Base.

Survivors include her husband, E. T. Caldwell of Slaton; two sons, Bruce of Lubbock and Earl of Slaton; two daughters, Mrs. Frankie Perdue of Slaton and Mrs. Betty Perkins of Slaton; two sisters, Mrs. W. A. Turner of Hawkins and Mrs. David Johnson of Alva; two brothers, Luther P. Davis and B. B. Whitworth, both of Dallas; 11 grandchildren and five great-grandchildren.

STEEPLE GOES UP--Progress on Slaton's new First Christian Church on West Division reached a climatic point this week when the attractive fiberglass steeple was lifted into place. Pastor Johnnie Moore reports construction on the new church is moving along on schedule. (SLATONITE PHOTO)

### Teacher Group Pictures Ideal Board Candidates

Voters in school districts across Texas will soon be voting in school board elections and school boards, as always, need the best qualified citizens.

The ideal school board member should be an open-minded, fair and intelligent citizen with a deep understanding of education's importance, the Texas State Teachers Association says.

TSTA has compiled a list of qualifications for the ideal school board member.

The qualifications would rule out extremists on both the left and the right.

In publishing the qualification list TSTA urged voters in Texas's 1,350 school districts, to avoid those candidates who seek places on school boards for political gain or personal prestige.

Unselfish  
Here is TSTA's summary of an

- He has an unselfish interest in the welfare of the child, the schools and the community.
  - He possesses the will to represent the school district as a whole rather than a political clique, a geographical section or a political cause or party.
  - He has courage to explain and backup rulings which are proper but perhaps unpopular.
  - He can think independently and objectively.
  - He understands the need and has the desire to work with other board members—even when he is on the minority side of a question.
  - He can carry on cheerfully when his sincere efforts do not stimulate public affection.

## Land Leased To Oil Company

Hello, Slatonite readers! No, I haven't forsaken you. As you have heard I spent about a week in Methodist Hospital, a good place to be when ill, but I don't like to have to spend my time in bed. I am fine now and will try to stay well.

At the same time I was in the hospital, my daughter-in-law was too, then just after I returned home our niece, Mrs. Carolyn Tetterill had major surgery in the same hospital. I'm glad to report she is doing fine and my daughter-in-law, Wanda Gentry, has been released from the hospital.

**LAND LEASED**  
The oil leases finally came through and a number of us have already signed up for it and have been paid. They agreed to put down two or three deep test wells, so all of you wish us luck. If they should find oil, others that haven't had a chance to lease their land would probably get a good price for the next leasing that comes this way. I don't think I'll lose any sleep over the prospects.

and several others left for Falcon Lake this weekend to try their luck fishing. We are so glad Mr. Schuette is able to be up and about, since the awful car wreck he was in last fall.

Mr. and Mrs. Mert Gentry spent Sunday visiting her brother Mr. and Mrs. Jay Carroll at Pep, N. M. Mr. Carroll is an old cowboy who still has his ranch and although he has had a leg broken and a knee crushed, he mounts his horse and rounds those "doggies" up. The Gentrys also visited Mr. and Mrs. Bert Darland near Morton on their way home.

Fabian Stahl and Mrs. Lillie Gerron attended a birthday

celebration the past week for Arthur Saage. Also, Fabian attended a meeting of the Knights of Columbia Sunday night at Lubbock.

Several have been victims of the flu lately. From what they say it is really hard to get rid of. Those about recovered are Mr. and Mrs. T. A. Johnson, Heddie Stahl and the Joe Moeller family.

Mr. and Mrs. Joe Moeller visited Mr. and Mrs. Clifford Hilbers of Idalou Sunday and played "42".

Mrs. Virgie Shafer called Sunday saying her brother, Rev. Lewis Stonecipher and wife, were both ill and that she was leaving for Roaring Springs

where they live to be a few days.

Velma Willis visited cousin, Opal Willis, at weekend, Miss Willis played with Bell M. Lubbock.

My visitors the past week were Mrs. T. A. Johnson, little Eve Johnson, Mrs. Joplin of Meadow, R. E. Eunice Gentry, and Mrs. Shelton; Charles Gentry and son Michael, all of Lubbock.

Visitors in the home of Mrs. Calvin Williams were their son Lydel and Carolyn, from Lubbock.

Mr. and Mrs. Joe were visitors at a party in the home of Mr. Robert Stolle. After coffee and cake were served, Mrs. Fala Moeller, sister, Mrs. Heddie Stahl present at the rosary, Adelheid Bednarz.

Mrs. James Kitter, ill with the virus is covering.

Jesse Barrieno purchased a new Pontiac.

I sold my car to Mr. C. R. Johnson, of Farmers around here. It is almost too dry in their land and we need inches of good rain.

## South Plains Ag Economy Due Study

The economy of the South Plains will be under careful scrutiny this spring as a major economic study, concerned primarily with agriculture and related industries, gets underway in the area.

According to an announcement by Dr. R. E. Patterson of Texas A&M University, the study will result in an analysis of agricultural situation of the South Plains and is expected to present guidelines for continued expansion of the area's economy.

Dr. Patterson is the Dean of Texas A&M University's College of Agriculture and director of the Texas Agricultural Experiment Station.

He said that Texas A&M, as the state's land grant university, was requested to give leadership to the project, but a number of other agencies and institutions are being asked to contribute their support to the effort.

Extension farm management specialist John Seibert, of Lubbock, has been named coordinator of the study and has already begun preliminary work on it.

In an effort to get a wide

range of views on the problems and opportunities facing the South Plains, he has started interviewing area economic and agricultural leaders. He expects to interview more than 150 people in this phase of the study.

Seibert is also contacting researchers, educators and others and asking them to contribute written reports on their special fields of work.

Their analysis of various agricultural enterprises will be an important part of the study, Seibert said.

The project was first proposed in November when a group of about 60 area leaders met in Lubbock with extension district agent, Billy C. Gunter, to discuss the need for such an area-wide study.

At the meeting, the group noted that South Plains counties have many problems in common. They felt a study of the South Plains as a unit could greatly benefit the area and suggested that Texas A&M administrators be asked to back the project and lend full resources of the institution to carry it out.

A study similar to the South Plains project is currently underway in the North Plains. It is known as the Panhandle economic study and is being coordinated by extension farm management specialist Jim Murphrey of Amarillo.

### Santa Fe News

The largest order ever placed for covered hopper freight cars was announced today by Ernest S. Marsh, president of The Santa Fe Railway. The Santa Fe has ordered 2,500 jumbo covered hopper cars at a cost of over \$38 million from Pullman-Standard, Division of Pullman, Inc.

Marsh said this in addition to the announced capital expenditure program of \$145 million for 1966 which included another 5,000 new freight cars of various types.

"Despite our fleet of 10,200 covered hopper cars which include 5,000 of the large jumbo cars delivered within the last three years, we have been experiencing an increasing demand for these cars since last August, with shortages most of the time," Marsh said.

"It can be emphatically stated," the rail president continued, "that the covered hopper car is the bulk commodity car of today and the foreseeable future. Being basically a granger railroad, we have been blessed with a large volume of grain movement and there is every indication that it will continue and in all probability increase. announced program to provide food for countries that are suffering from these food shortages, have increased exports and no doubt, will increase them further," Marsh said.

Scheduled for delivery beginning in September at the rate of 42 cars per day, the jumbo trough-hatch covered hoppers are 100-ton type, capable of carrying 4,427 cubic feet of lading, and are ideal for handling grain, potash and other bulk commodities.

"Expenditures of this magnitude are essential to Santa Fe's long-range ability to take care of its customers and keep abreast of industrial and agricultural growth in the territory we serve," Marsh said.

# Woman Injured In Mishap

Mrs. Daurice Frohlich, 505 E. Crosby, was injured Tuesday afternoon in a two-car collision at the intersection of 5th and Crosby.

Mrs. Frohlich was taken by Williams ambulance to Mercy Hospital where she was admitted for observation. Hospital attendants said her condition was good.

Driver of the other auto was Beatrice H. Trevino, 20, of the Woodrow area. She was treated at a local clinic and released. The autos each sustained about \$500 damage.

Slaton police were kept busy last week with a surge of auto thefts and break-ins.

Charges of auto theft were filed against Yseldo Maldonado, 17, in county court. The car in the theft belonged to Tiburcio Aguilar of 1320 S. 7th.

Charges were also filed in county court against Jesse Steel of Post for attempting to pass a forged check at Q. Z. Ball and Co.

Salmo Garcia Jr., 18, was the Reddy Room.

The business office will include an appliance display area for use by local Reddy Kilowatt dealers and the cashiers will have desks rather than the counter arrangement which prevails in the present office. The arrangement of the cashier area will be such that customers using the drive-up facility and those transacting their business inside will each be served in the most efficient manner.

The Reddy Room will feature an all-electric kitchen and laundry. There will also be a separate entrance to this facility at the southwest corner of the building, which will make it possible to use the Reddy Room for evening meetings without entering the business office area.

"This new location, with the added convenience of the drive-up window and the Reddy Room should add new conveniences for our customers and will provide us with new office facilities designed to help us grow with Slaton," McDonald said.

"We are very happy that we will continue to have Mr. Hoffman as our landlord and pleased with his cooperation and effort in providing new offices for us," he added.

passage of the bond election would increase the school taxes some 8.1 percent. The present tax rate is \$1.85 per \$100 of assessed valuation. The projected maximum would be \$2 per \$100 valuation.

## Health Clinic Slated Here

Public Health Nurse, Mrs. Hester W. Moore, announced that the Well Child Conference and Immunization Clinic will be held today in Slaton, and on the First Thursday in each month hereafter.

The conference will be in Triumph Baptist Church at E. Geneva and S. Johnson St. at 10 a.m. and is by invitation only.

The immunization will be this afternoon from 1:30 - 3 and is for those not under the care of a physician. There is no charge.

Tommy Davis Jr. and Willie Heinrich were appointed to canvass the votes of the bond election. They reported the count as 334 for and 162 against. The board approved the canvass.

Trustees discussed teacher contracts and set May 15 as the deadline for teachers to return signed contracts. Names of teachers who are to return will be released after the May 15 deadline, reported the board.

Trustees also approved bills and the reading of previous minutes. The meeting started at 7:30 p.m. and adjourned at 10:45 p.m.

Attending were Dr. Don Hatcher, Max Arrants, Joe Miles, Curly Martindale, Willie Heinrich, Tommy Davis Jr. and Don Keultrick; also Supt. Vardy, tax assessor-collector Chester Williams, Elmer East, and G. C. Nieman.

She said a group of some 200 high school students met Monday afternoon and endorsed the project. The students plan to help in the fund raising campaign to finance the project.

At the first council meeting in February, the commission asked the department heads to present Monday night. The commission outlined in detail the administrative organization of the city government.

The council stressed that it is a policy making body and the city administrator is responsible to it. Department heads are directly responsible to the administration, and the department heads are the direct supervisor of the employees in the respective departments.

The city electrical code was amended to read that all future installations shall be in accordance with the present edition of the National Electrical Code. Electric dryers now must be wired with copper conductor, according to the action Monday night.

Carroll Smith, assistant city attorney for the past three months, was named city attorney, effective immediately. Smith replaces George Lemon who has been unable to serve.

The commission authorized City Administrator Buford Duff to map out several alternative plans concerning the annexation of property west of the new cemetery and along U. S. 84 bypass. It was estimated that some 260 acres may be annexed.

Approved on the second reading was a franchise for Slaton TV Cable Co. Jim Hughes, co-owner of the TV Cable firm, was present for the reading.

Street department superintendent Grady Elder told the commission of a need for a dirt loader. Estimated cost of the machine, which was estimated to last eight years, is \$13,000. The administrator was

The administrator was also authorized to investigate a complaint against the Slaton police department. Mr. and Mrs. Nick Gonzales appeared before the commission concerning the arrest of their son last weekend. The administrator is expected to report back to the council at its next meeting.

A stop sign was approved for the intersection of 4th and Floyd on Floyd. Also approved was the changing of a yield sign from 10th to Dayton.

Mrs. Webber Williams, owner of Williams Funeral Home, is not in favor of the commission prohibiting Sunday funerals. Mrs. Williams had asked that her position on the matter be announced to the council.

Duff asked for a stronger policy on water cutoffs and on bill collections, both in the water and tax departments. The council endorsed the action. The administrator reported that the estimated cost of the escavation of the Division street lake is \$1,000--lower than was first anticipated.

City Secretary Gerald Kendrick and office clerk Oma Faye Brown were authorized to attend the Tax Institute in Wichita Falls Monday through Wednesday.

LET'S LOOK AT THE  
**RECORDS**  
BY LINDA NORRIS

A new, hilarious album already knocking down doors is Welcome to the LBJ Ranch done by various artists. From the pen of the creator (Earle Doud) of the First Family comes this new comedy effort, written and created by Doud and Allen Robin and featuring the actual voices of Dwight Eisenhower, Robert Kennedy, Nelson Rockefeller, Richard Nixon, Everett Dirksen, Barry Goldwater, Lady Bird Johnson and, of course, the star of the LP, Lyndon Baines Johnson. Throughout the album, five interviewers ask the well-known political figures a variety of questions. The answers are all taken from actual press conferences, only they're out of context, providing a good many chuckles, something the country needs these days.

the school year. The past records have shown that a large number of people have visited Slaton schools within Public Schools Week. It is hoped that this interest will continue this year as it has in the past."

The Honorable John Connally, governor of the State of Texas; J. W. Edgar, commissioner of education; the Honorable Preston Smith, lieutenant governor of the State of Texas; and the Honorable Ben Barnes, speaker of the House of Representatives of the State of Texas; have signed resolutions supporting this program within the boundaries of our state. The past interest manifested by these people has made it possible for the schools of Texas to make advancements that otherwise would not have been possible.

The success of any educational program, regardless of whether it is a kindergarten, elementary or secondary school, or college, depends upon the teacher within the classroom more than any other factor. Throughout the years the State of Texas has raised the qualifications of teachers in such a way as to insure that all teachers are given an opportunity to receive the training essential to successful teaching.

Standards for teacher education and certification were improved in 1955. Further improvements were brought about in 1959 in order that each classroom in Texas could have a certified teacher. In 1961 the State Board of Education adopted revised standards for teacher certification to strengthen further the subject matter preparation of teachers for the subject that they were to teach.

Further improvements will become effective in 1966 when the latest revised standards of the State Board of Education will become effective. The adoption of higher standards for classroom instruction in Texas will require each teacher to keep informed in regard to current developments in both content and methods of teaching.

Most schools conduct in-service programs to help teachers improve their proficiency and keep up with new developments. The Slaton schools provide this service to teachers at the beginning

from a car dealer in Wichita Falls.

James W. Wright of 635 S. Scott reported a record player and records valued at \$105.55 taken from his home Saturday night. James Lee Hodges of 1405 S. 13th reported that the rear window of his car had been broken while it was parked at Henzler's Grocery.

Mrs. Iona Short, 320 S. 12th, reported that her car had been stolen Friday night. The auto was found wrecked and abandoned in Clovis, E. Cruz of 930 S. 4th reported that his house had been entered and \$112.25 in items were missing.

More than \$1,000 in jewelry was taken in a weekend burglary at Findley's Jewelry. Entry was gained through Lemon Barbershop. A gum machine was also taken from the barbershop.

of school as well as throughout the school year. The adoption of the above changes by the Slaton schools has brought about some changes in methods and procedures of the school system.

"Improvement in Slaton Public Schools should be the goal of every person concerned," Dr. Vardy concluded.

### FEDERAL HOUSING--

Commenting on Administration plans to cut back on housing for the American servicemen while planning to subsidize rents, Rep. John Anderson (R-Ill.) said, "It is completely inexplicable to me why housing for military families should be singled out as an item that we can do without, particularly when we are engaged in a growing conflict and the morale of our servicemen is so important," he said. He quoted Secretary of Health, Education and Welfare John W. Gardner as saying that domestic welfare spending will go up and in some cases increase "quite strikingly."

TRACK HOPEFULS--Slaton thinly-clads enter the Idalou Track and Field meet Saturday. The hopes of the 1966 track edition are anchored with these seven who placed in district last year. Back row from left are Orin Smith, Larry Edwards, Gary Brush and Coach Doug Duncan. Front row from left are Charles Fisher, Jack Mason, J. W. White and Larry Pickens. (SLATONITE PHOTO)

# Tracksters Open At Idalou Meet

Coach Doug Duncan's Flying Tigers get their first taste of competition Saturday when the thinly-clads enter the two-division Idalou Invitational Track and Field meet.

A total of 21 tracksters will carry the colors for Slaton in the first of eight track meets scheduled this year. Duncan sports a young team with only three seniors on the squad.

Duncan, in his first year as coach at Slaton, said the local squad was hit hard by graduation. Only five boys return who placed in the district meet last spring.

However, the team's chances are enhanced by the addition of boys from the Evans High track squad, and two of those sprinters placed in their district track meet.

At Idalou, Slaton will compete in the AA division. Class A will include schools of A and B standing. Duncan said about 40 teams are expected to participate although he did not know the teams entered.

Tentative entries in the Idalou meet include the sprint relay team of Larry Pickens, Charles Fisher, Orin Smith and Tommy Donaldson. The mile relay crew is likely to be composed of Victor Cristan, Pickens, Smith and Donaldson.

for 2 p.m.

Of the 21 tracksters working out, three are seniors, seven are sophomores and 10 are juniors. Richard Washington is the only freshman on the squad.

Washington, Donaldson, Green and Lakey have been slowed with hurt legs. It had not been determined early this week if the boys on the injured list would be ready Saturday.

Duncan listed Washington, Thomas, Smith and Fisher as the fastest boys on the squad. The team has been slowed in their work by cold weather and Duncan explained that they have not been timed in any specific events.

"We make the boys either run short or long in workouts in relation to the event they are running in the track meet," Duncan pointed out.

In district last spring, Smith placed second in the 220 dash while Edwards was third in the mile. Mason was fourth in the high hurdles while Pickens finished fourth in the 880 run. Brush tied for second in the pole vault. Also the mile relay team last year broke the tape four. Returning members of that team are Pickens and Smith.

At Evans School last year, J. B. White placed first in district in the 880 run, and he finished third at the state meet. Charles Fisher took a third place medal in the 220 dash at district.

At the Idalou track meet, Brush holds the AA record in the pole vault with a leap of 11 feet.

## Adult Volleyball Tournament Set

Slaton Classroom Teachers Association is making plans for a four-day volleyball tournament which gets underway March 14 and continues through March 18.

Two divisions are scheduled for men and women, and trophies will be awarded in both divisions. Tournament play will be held in the Slaton Junior High School gym.

March 9 is deadline for entering the tournament, and entry fee is \$5. The entry fee will be returned to each team when it plays its final game of the tournament.

Entries may be mailed to Mrs. Pat Wright at 1380 W. Lynn or Mrs. W. V. Childers at 140 N. 5th.

**JOHN RUSKIN WAS BORN IN 1819**

This famous British critic died in 1900 at the ripe old age of 81. Most of his writings are often read, but this particular one quoted below is still true today.

**"PRICE vs. QUALITY"**

"It is unwise to pay too much. But it is worse to pay too little. When you pay too much, you lose a little money, that's all.

When you pay too little, you sometimes lose everything, because the thing you bought was incapable of doing the thing it was bought to do.

The common law of business balance prohibits paying a little and getting a lot. It can't be done.

If you deal with the lowest bidder, it is well to add something for the risk you run. And if you do that, you will have enough to pay for something better.

There is hardly anything in the world that someone can't make a little worse and sell a little cheaper -- and people who consider price alone are this man's lawful prey." (End of quote.)

**CAN YOU OUTSMART A PRICE CUTTER?**

If you buy something for less, are you getting a doubtful product or are essential services being omitted worth more than any saving? If you buy something else, how much may you be overcharged to make up the difference? Why gamble? Our prices are fair. We will never cut our dependable service.

The Company shall, within thirty days from the final passage of this Ordinance, file with the City Secretary of the City of Slaton, Texas, its written acceptance of this Ordinance and upon the filing of such acceptance, this Ordinance shall constitute all of the terms of the franchise herein granted by the City of Slaton to the Company.

The full text of this Ordinance shall, after final passage by the City Commission of the City of Slaton, be published once each week for three (3) consecutive weeks in a newspaper of general circulation, published in the City of Slaton, and the expense of such publication shall be borne by the Company. Upon said publication being completed and the acceptance of this Ordinance by the Company as herein provided, this Ordinance shall take effect thirty (30) days after its last publication.

AND IT IS SO ORDERED.

Passed by the Commission on first reading this 14th day of February, 1966.

Passed by the Commission on second reading this 28th day of February, 1966.

City of Slaton  
Jonas Cain, Mayor  
ATTEST:  
Gerald Kendrick  
City Secretary

**SECTION 10. FORFEITURE PROVISION.**

The Company shall have thirty-six (36) months after the final publication of this Ordinance within which to have its system of distributing television signals in operation in the City of Slaton, Texas. If it is apparent that the Company is serving as many as twenty patrons, it shall be considered as having its system in operation. If said system is not in operation as defined herein within thirty-six (36) months from the date of the final publication of this Ordinance this franchise may be cancelled, terminated, by the City Commission after due notice and hearing as provided as follows hereafter:

## Bowling

Slaton Co-op Gimmers moved within one point of the league leading Eblen Pharmacy Monday night in the Slaton City Bowling League.

Pharmacy remained on top of the pace with 65 wins and 39 losses while the Gimmers have 64 wins and 40 losses. Three weeks remain in loop competition.

J. S. Edwards had the high individual game for the week with a 223. Ed Moseley was second with a 212. W. J. Schilling captured the individual series honors with a 593 while Bobby Jones was next with a 578.

In team play, Citizens' State Bank had high game with a 958 and Brewer Insurance had second high game of 929. The two teams also had the high series with a 2801 and 2672, respectively.

**"I REMEMBER"**

BY THE OLD TIMER

From Eulalia S. Hecox, Paradise, California: Out in the country in the early 1900's a ball without further ado, make you "Queen for the Day." You either played as the Queen said or you quit.

You dug in Mama's rag bag, hoping to find the largest, coarsest sock your Papa ever wore, usually gray with white ribbed tops. There was an exciting hunt for the bounciest ball center. A big cork had bounce, and would do, but the perfect treasure would be a long-haired small rubber ball.

To unravel the sock you pried until you had a string at the top started. You wound the unraveling yarn tightly and smoothly around your center. Some eager helper held the sock so the yarn sang through your fingers at just the right tension.

For the last step you got a large needle and threaded it with a long piece of flossack twine, carefully sewing through and through the string on the ball. The more stitches, the longer the ball would last.

**SECTION 9. COMMENCED, AND SHALL MAINTAIN SUCH RESTORATION IN SUCH CONDITIONS, REASONABLE WEAR AND TEAR AND ACT OF GOD ONLY EXCEPTED, FOR A PERIOD OF ONE YEAR.**

**NUMBER 3: Relocation.**

In the event that at anytime during the period of this franchise the City shall elect to alter or change the grade of any street, alley, or public way, or change the method or manner of use of any property or property right owned or contracted by the City, then the Company, upon reasonable notice by the City Commission, shall remove, relay and re-locate its poles, wires, cables, and underground conduits, manholes, and other appurtenant fixtures at its own expense.

**NUMBER 4: Placement of fixtures.**

The Company shall not place poles or other fixtures where the same will interfere with any gas, electric or telephone fixture, water hydrant, or main drainage facilities or sanitary sewer, and all such poles or such fixtures shall be placed in such a manner so as not to interfere with the usual travel or use of streets, alleys, public ways or other properties.

**NUMBER 5: Temporary removal of wire for building moving.**

Company, or written reasonable request of any responsible person, firm, corporation or governmental authority, shall relocate, raise or lower its wires where located on, in, or over streets, alleys, or other public ways of the City temporarily to permit construction work in the vicinity thereof, or to permit the moving of houses or other bulky structures. The reasonable and actual expense of such temporary location, raising or lowering of such wires shall be paid by the benefited party or parties and the Company may require the payment in advance being without obligation to remove, raise or lower its wires unless such payment shall be made provided, however, that no such payment shall be required of the City. The Company shall be given not less than seventy-two hours prior notice to arrange for such temporary wire changes.

**NUMBER 6: Tree trimming.**

The Company shall have the authority to trim trees upon and overhanging streets, alleys, sidewalks and public places of the City so as to prevent the branches of such trees from coming in contact with the wire and cable of the Company, all such trimmings to be done under the supervision and direction of the City and at the expense of the Company.

**SECTION 6. PREFERENTIAL OR DISCRIMINATORY PRACTICES PROHIBITED.**

The Company shall not, as to rates, charges, service facilities, rules, regulations or in any other respect, make or grant any preference or advantage to any person or subject any person to any prejudice or disadvantage, provide nothing in this franchise shall be deemed to prohibit the establishment of a graduated scale of charges and classified rate schedules to which any customer coming within such classification would be entitled. The Company shall have the right to determine and fix charges for its service.

**SECTION 7. TYPE OF SERVICE.**

The Company agrees to furnish reasonable service to any person, firm, corporations in any area within the City and shall extend its cables and facilities without additional charge not to exceed a distance of 100 feet per customer where necessary to supply such customer upon written order therefore provided that such written notice shall be accompanied by the usual installation fee and three months' service charges in advance. The Company shall maintain all of its equipment in a good state of repair at all time, except and unless its operations be disturbed by fire, strike, riot or other occurrences beyond its control or by an act of God in which case the Company shall restore normal service within a reasonable time thereafter. The Company shall permit the City, its agents or employees to make an inspection of its facilities at any reasonable time and on any occasions as the City may deem necessary for its supervision.

**SECTION 8. COMPENSATION TO CITY.**

That in order to compensate the City for its superintendence of this franchise and as the cash consideration for the use of city streets, alleys and other public ways, the Company agrees to pay to the City annually, during the continuance of this franchise a sum equal to two per cent (2%) of the Company's annual gross receipts derived from charges received from its customers on operations within the City. This first payment shall be made 12 months from date and succeeding payments shall be made annually thereafter during the term of this franchise. The books of the Company shall at all times be open to the City for inspection.

**SECTION 5. CONDITIONS ON STREET OCCUPANCY**

**NUMBER 1:**

Use of transmission and distribution structures, lines and equipment erected by the Company within the City shall be so located as to cause minimum interference with proper use of streets, alleys and other public ways and places, and to cause minimum interference with the rights or reasonable convenience of property owners who adjoin any of said streets, alleys and public ways and places.

**NUMBER 2: Restoration.**

In case of any disturbance of pavement, sidewalk, driveway or other surfacing, the Company shall, at its own cost and expense and in the manner approved by the City Commission, replace and restore all paving, sidewalk, driveway or surface of any street or alley disturbed or cause same to be restored in as good condition as before said work was

granted under this Ordinance for the sole purpose of receiving, originating, relaying, and distributing audio and video signals and audio and television energy to its subscribers in and about the City of Slaton, Texas.

**NUMBER 2: Equipment and Operations.**

In order to provide adequate civil defense and disaster information, Company hereby agrees to install a system with the capability, equipment, facilities and personnel necessary to immediately interrupt signals being distributed on any one channel or on all channels at once, and to transmit such civil defense and disaster service information in the place of the signal or program interrupted. Company shall at all times maintain a sufficiently competent staff to adequately service all of its equipment in use during all hours of telecast distribution.

**SECTION 3. TERMS OF FRANCHISE.**

Franchise rights, privileges and powers herein granted shall be in force and effect thirty days from the last publication of this Ordinance and continue in effect for terms of twenty years from such date.

This franchise shall not be deemed exclusive. However, in the event the City should grant a franchise or franchises to any other person firm or organization, such franchise or franchises to any other person, firm or organization shall be upon the same terms and conditions as herein stated to the end that the Company shall have the rights, privileges, duties and obligations granted or imposed upon any other person, firm or organization operating under a like franchise, or other contract with the City in connection therewith.

**SECTION 4. CONSTRUCTION AND LOCATION OF EQUIPMENT.**

The Company shall have the right and privilege to lay lines, wires, cables, conduits, and other necessary electronic devices, for the purpose of receiving, originating, relaying and distributing audio and video signals and audio and television energy of any nature whatsoever in, over, under and across present and future streets, highways, alleys, and public ways of the City provided, however, the Company shall utilize to the extent practical and existing utility pole installations of Southwestern Public Service Company and Southwestern Bell Telephone Company, provided such an agreement can be reached. The City hereby retains all of its powers and controls for regulation of its streets, highways, alleys, bridges, public ways and other places granted or which may hereafter be granted to it under the constitution of the State of Texas, the Home Rule Statutes, and its Charter.

City assumes no responsibility for securing any franchise, rights-of-way, permits or easements which the City does not already own, making and maintaining of such attachments, or permission to make such attachments to the poles of others, but the Company assumes the duties and responsibility of securing the same. The permission granted herein is likewise subject to the laws, ordinances and regulations now in force, or that may be hereafter enacted or promulgated by any governmental body or agency having jurisdiction. The City shall in no way be responsible for construction, operation, maintenance, performance, or any other activity of Company or its system or any part thereof. Company agrees to take any necessary precautions, by the installation of protective equipment, or otherwise, to protect all persons and property against injury or damage that may result from Company's installations or operations. If, in the City's opinion, Company has not taken such necessary precautions, within a reasonable time after City has so notified Company, City shall have the right by written notice to the Company to terminate this franchise as hereinafter provided in Section 10.

**SECTION 5. CONDITIONS ON STREET OCCUPANCY**

**NUMBER 1:**

Use of transmission and distribution structures, lines and equipment erected by the Company within the City shall be so located as to cause minimum interference with proper use of streets, alleys and other public ways and places, and to cause minimum interference with the rights or reasonable convenience of property owners who adjoin any of said streets, alleys and public ways and places.

**NUMBER 2: Restoration.**

In case of any disturbance of pavement, sidewalk, driveway or other surfacing, the Company shall, at its own cost and expense and in the manner approved by the City Commission, replace and restore all paving, sidewalk, driveway or surface of any street or alley disturbed or cause same to be restored in as good condition as before said work was

**OUTHLAND NEWS** — MRS. EDMUND WILKE

**"Eagles On The Wing"**  
by Mrs. Edmund Wilke

GRANT OUTLAW, JR.

This week we are featuring the last of our Southland seniors and the young man happens to be Grant Outlaw Jr. Grant was born in Lubbock on July 8, 1948 and came to Southland when he was a freshman.

Grant attended SHS the rest of his Freshman year, sophomore year and junior year. In July of 1965 he moved to Lubbock and attended Coronado High School until his family moved back to Southland in January of this year. His favorite sports are volleyball and track. Grant was manager of the football team in his sophomore year and manager of the basketball team in his junior year.

In his junior year he went out for track and pole-vauling and he is also going out for track this year. Grant was chosen class favorite of the junior class and had a part in the junior play. His favorite subject in school is Business

Law. His main hobby is working on cars and motorcycles. He plans to work as an apprentice electrician when he graduates from high school.

and when the boxes were all auctioned off, there was enough money to buy the scales, and everyone was very happy. Music for the evening was furnished by two bands, one from Post (I have forgotten their name) and Southland's own "Distortions." A group consisting of Joe Basinger, Mike Mason, Johnny Outlaw, Curtis Lancaster, and Darrell Wilke. A special thanks goes out to everyone who helped make this supper a success.

The G. D. Ellis home was the scene on Sunday of a big family dinner. First this large group attended the Southland Baptist Church together and then they all had dinner together. Those attending were Mr. and Mrs. Dip Fox from Lorenzo; Leonard Fox from Idalou; Mr. and Mrs. Richard Fox, Becky and Nat from Albany; Mr. and Mrs. Sam E. Fox from Muleshoe, and Doc and Betty Fox from 3810 38th St. in Lubbock. These are all nephews of Mr. Ellis. Also attending was Mrs. Robert Bouron from 2110 66th St. in Lubbock who is a niece of Mr. Ellis; Mr. and Mrs. S. H. Clark, Sharon and Bobby from Odessa, Mr. and Mrs. Doss McClellan, Mike and Todd from Amarillo, who are great nieces of Mr. Ellis; Mrs. F. W. Merchant from Amarillo, Mrs. Janice Gravel from Slaton and Mr. and Mrs. Sam Ellis from Southland. Also attending was another nephew, Mr. and Mrs. Clarence Fox from Albany. This must have been a big day for everyone. Family get-togethers are such great fun and there are so many families that never get together except when there is a death or some other tragedy in the family.

The Pleasant Valley Home Demonstration Club women made a trip to Lamesa on Wednesday and went through the Dotty Dan Clothes factory. They reported that this was a most interesting trip and urge any of you that might be interested, to go through this factory sometime in the near future. Those attending were Mrs. Wanette Gentry, the County Home Demonstration Agent, Mmes. Travis Lancaster, B. L. Thomas, Edwin Lewis and Carl Payton.

On Friday night the Pleasant Valley 4H Club sponsored a box supper for all the 4H clubs in the county. It was held at the 4H Club building at Post. This was the first 4H affair that I have ever attended and I was quite impressed. A lot of work goes into the planning and getting ready for something like this. The goal for the 4H Club was to raise enough money to buy scales to be placed permanently in the 4H building at Post. There were many beautiful and artistic boxes and the bidding was very lively and the auctioneer was Max Chaffin and his helper was James Overman.

The Easter Seal Society nationwide is the largest employer of physical, occupational, and speech therapists of any health agency in the United States with the exception of the federal government. Easter Seal services are available to crippled children and adults in every state - according to needs.

**Mrs. Bednarz' Services Held**

Final rites for Mrs. Adelheid M. Bednarz, 81, were conducted at 10 a.m. Monday in St. Joseph's Catholic Church with the Rev. Peter Morsch, officiating.

Burial was in Englewood Cemetery under the direction of Williams Funeral Home. Public rosary was said at 8 p.m. Sunday in the funeral home chapel. Private rosary was held at 7:30 p.m. Saturday.

Mrs. Bednarz lived at 645 S. 18th here. She died Friday afternoon in Mercy Hospital following a lengthy illness.

Mrs. Bednarz' husband, the late R. J. Bednarz, predeceased her in death in 1956.

Survivors include two daughters, Mrs. Art Wolfe and Mrs. C. O. Heinrich, both of Slaton; six sons, Edwin, Alfons, Robert, W. L. and Walter, all of Slaton, and Alvin of Lorenzo; 31 grandchildren, 39 great-grandchildren, four sisters and four brothers.

**Lighting Is Program Topic At Rotary Club**

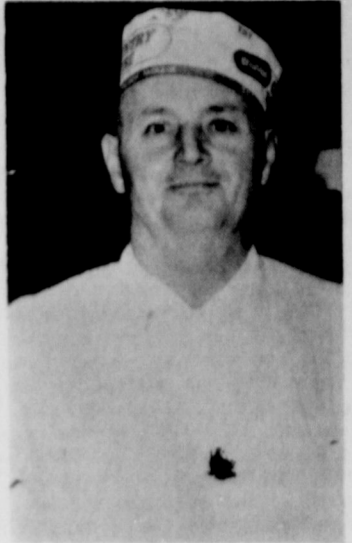

A discussion and demonstration on "Modern Lighting" was presented to Slaton Rotarians last Thursday by Lloyd Thompson, lighting specialist for Southwestern Public Service Co.

Thompson, introduced by local SWPS manager Carroll McDonald, showed how different lights can be used to best advantage in businesses.

Another highlight of the noon luncheon was the presentation of two plaques to Dr. Lee Vardy and Carroll McDonald. The plaques, presented by Charlie Alexander of the South Plains Council, Boy Scouts of America, were in appreciation for the work done by the two men on the local Boy Scout campaign drive.

Club president Ellis Schmid announced the appointment of two committees to recommend names for the election of new officers.

Mrs. Alice Stephenson has returned home after a six weeks visit with her daughter, Mrs. D. D. Stacy in Crystal City.

BARNEY WILSON

Our apologies to Mr. Wilson, whose picture was misplaced last week. However, even without the picture, Mr. Wilson celebrated his birthday as usual Mar. 1. He was born Feb. 29, 1908.

(SLATONITE PHOTO)

The Texas Easter Seal Society was founded in 1934 to meet the needs of crippled children in Texas. Today it serves both children and adults through 81 affiliates in Texas.

**Grape Meeting Set Saturday**

Interested in raising grapes? Apparently a number of people in Lubbock County are. County Agent Lee McElroy reported this week that more than 100 persons had contacted his office the past two weeks about producing grapes.

Due to the interest shown, McElroy has set a discussion meeting on the production of grapes. It will be held Saturday, March 5, at 2 p.m. in the South Plains Electric Co-op building, 110 N. Amarillo Road.

Uriel A. Randolph, associate horticulturist of the Texas Experiment Station, Montague, will discuss the production of grapes.

**Hamilton Rites Held At Tahoka**

Funeral services for J. R. Hamilton, Wilson area resident, were held at 2 p.m. Saturday in the Wilson Methodist Church.

The 74-year-old man died Friday in Slaton's Mercy Hospital, officiating at the service was the Rev. Max Browning, pastor. Interment was in Resthaven Memorial Park under the direction of White Funeral Home of Tahoka.

Hamilton was a resident of the area since 1923. He was a native of Missouri and married the former Florence Huckabee in 1909 at Comanche. He was a member of the Methodist Church.

Survivors include the widow; two daughters, Mrs. Maurine Galloway of Andrews and Mrs. Nina Copeland of Meadow; two sons, the Rev. Lloyd Hamilton of Lubbock and Clifton Hamilton of Tahoka, two sisters, three brothers, eight grandchildren and one great-grandchild.

### County's Ag Report Ready

The Lubbock County Agricultural Demonstration report for the 1965 season is now available at the county agents' office, according to assistant agent Jerry DeBord.

This report shows results of fertilizer, herbicide, nematocidal and systemic insecticide demonstrations carried on by county farmers. Also included are soil and water conservation practices, results of Verticillium wilt nursery, and suggestions for the use of herbicides, fertilizers, irrigations and wilt

**Helen's Favorite:**  
Spinach Salad (6-8 Servings)  
4 cups washed, torn in shreds fresh spinach, sliced  
1 small Bermuda onion, sliced  
1/4 cup diced celery  
4 hard-cooked eggs, sliced  
Salt and pepper  
Lemon juice-oil dressing  
Toss all ingredients together lightly. Serve well chilled.

This report may help farmers in making decisions regarding farming practices for the coming year. Anyone interested in receiving a copy of this report may contact the county agent's office in the old courthouse.

### Livestock Show Set At Cooper

The Cooper Junior Livestock Show will be held March 4 and 5 at Aupil's Sports Arena on the Tahoka Highway.

This year's show will include about 110 entries which includes barrows, gilts, lambs, and steers. Judging will begin at 12:30 p.m. on March 5.

Jerry Stockard, vocational agriculture teacher at Frenship High School will judge all three divisions.

The show is sponsored by the Cooper Young Farmer Chapter.

### Row-watering Pattern Tried

TAHOKA -- The new cotton program has brought about some unusual combinations of row spacing and watering methods here in Lynn County, according to County Agent W. B. Griffin.

One system several local farmers will be trying is one in which they will plant four-in-four-out with waterings that take maximum advantage of light irrigation wells.

Preplant irrigation will be made down just two of the three furrows inside the area where cotton will be planted; then summer irrigation will be applied only down the previously unwatered middle-furrow.

Griffin said the farmers figure that the outside rows will draw enough water from the unplanted areas to make fairly good yields. Little is known about this system of planting and watering, Griffin said it is not necessarily a recommended practice, but he is looking forward to observing how it works.

The United States had 21 million horses in 1915, but the number dwindled as automobiles became popular. Horses numbered 12 million in 1935 and two million in 1960.

### FAMILY POT LUCK

Someone in the family prefer pie to cake? Serve it for the birthday or special dinner, placing candles in holders on top of the pie just as with cake. Use a dipper for placing small scoops of sherbet to float on top of punch to make it especially festive. For instance, a combination of cranberry punch and gingerale takes nicely to lemon or pineapple sherbet. For that sweet tidbit, melt in top of double boiler 2 packages (6 ounces each) semi-sweet chocolate pieces, then stir in 4 cups wheat flakes. Drop by spoonfuls onto waxed paper; let dry in refrigerator. This makes about 36 tidbits or "cookies."

Letters To The Editor

you for your help in Mothers March of

on the weekends except to Lubbock. Why should the youth of Slaton spend their money in some other town when they could well be spending it in their own community? The answer is that there are no facilities for entertaining Slaton's youth so they must go elsewhere.

The teenagers of Slaton are willing to do all that is possible to raise the required \$30,000 for their Recreation Center. This was proven when 250 students met after school Tuesday with Mrs. Ray C. Ayers and Mrs. Jack Nowlin to discuss the plans for the Center. The

youth of Slaton is willing to do everything within our power to see that this project is accomplished, but we cannot possibly succeed without the support of every adult citizen in Slaton!

Let's go Slaton! Adults as well as teenagers, YOUR whole-hearted support is needed. Let's get our Recreational Center built by this Summer!

Sincerely,  
Gay Bowman

Dear Sir:

Medicare Cards May Be Mailed

Everyone 65 or older who gets social security or railroad retirement benefits has received an enrollment card for the medical insurance part of health insurance, popularly known as Medicare, according to John G. Hutton, social security district manager in Lubbock.

Many people have marked the card, signed their names and returned it. Others may have put the card aside, intending to make their decision

later. Hutton suggested that these people get in touch with their social security offices if they would like more information about health insurance. If the enrollment card has been misplaced or lost, the social security office at Lubbock can provide another. It is very important that you make a decision, Hutton added, if you were 65 or over Jan. 1, you will have medical insurance when the program starts only if you sign up by March 31.

Use the choice parts of greens, discarding stems and cores. Greens should be torn rather than cut. They should also be dry and cold to give the best eating quality.

Cooked or canned baby lima beans are excellent with thinly sliced, canned mushrooms, water chestnuts, onion and a seasoning of oregano.

Grated raw carrots are a seasonal favorite — try them with pineapple, orange or grapefruit. Raisins, dates or peanuts go well with these fruits.

Mint pineapple chunks and add halved Tokay grapes, chopped celery and toasted, slivered almonds.

Green grapes, cherries or cranberry relish go with peach or pear halves. Top with grated Cheddar cheese for a surprise.

# Proposed Auxiliary Has Pre-organizational Meet

A pre-organizational meeting for the proposed Mercy Hospital Auxiliary was held in St. Joseph's School cafeteria Monday at 7:30 p.m.

Mrs. Nick Williams, president of the auxiliary of St. Mary of the Plains Hospital in Lubbock, introduced two special guests to a group of approximately 45 Slaton women.

The guests, Mrs. Harold K. Rice, special services chairman of Methodist Hospital Auxiliary, and Mrs. L. H. Kirby, treasurer of Methodist Auxiliary, spoke on organizational procedures and "Do's and Don'ts" of auxiliaries. A ques-

tion and answer period followed.

The steering committee, consisting of Mmes. Stan Jaynes, O. F. Kitten, Jay McSween, Walter Bednarz, Glen Payne and C. O. Buxkemper, have attempted to reach all facets of our community by extending invitations to all club and church groups to join in this effort to establish an auxiliary in our hospital. A number of groups have responded and have shown interest in this project for Slaton.

Sister Mary Madaleva, RSM, administrator of Mercy Hospital, extended her gratitude to those present. Father Ladislav Wolko, chaplain of Mercy

Hospital, pointed out the ways an auxiliary can be of service to our community and urged the cooperation of all in this project to benefit the life of our community.

Two committees were appointed. Serving on the nominating committee are Mmes. Harley Martin, Alton Meeker, Jim Vickers, Earl Reesor and Bo Becker.

On the constitution and by-laws committee are Mmes. Ophie Norris, Jerry Melcher, and Billie Clements.

All interested women are invited to attend the next meeting. Time and place will be announced at a later date.

## Reception Honors Presbyterian Pastor

Members of the First Presbyterian Church honored their new pastor, the Rev. Joe Swafford, and Mrs. Swafford with a reception at Slaton Club House Sunday afternoon.

Guests were greeted by Mrs. J. C. Champion Jr., and introduced to the minister and his wife by Mrs. Virgie Hunter.

Mrs. Merle King registered 106 guests between the hours of 3 and 4 p.m. A white linen cloth with organy insets covered the register table which held a handpainted bud vase containing a single pink carnation.

An ivory linen cutwork cloth covered the serving table which featured a pyramid arrangement of shell pink carnation and tiny white mums in a silver footed

bowl. Silver and crystal appointments were used in serving coffee, punch, cookies and nuts.

Alternating at the serving table were Mmes. M. G. Mitchell, Cade Davidson, Jack Dickson and J. W. Richardson.

Houseparty members included Mmes. Fred H. Schmidt, J. B. Young, Byron Johnson, R. D. Hickman and Misses Vickie and Kathy Tumlinson, Kathie and Mollie Mitchell and Debbie King.

Piano music was provided by Mrs. Raymond Johnson and Miss Patsy Dunn of Southland.

Special guests include Mrs. Les Swafford, Mr. and Mrs. E. L. McClendon, Virgil and Bruce, all of Odessa; Nancy Garmes of Brownfield, and the Rev. Grantland Groves, associate pastor of Lubbock's Westminster Presbyterian Church.

VFW AUXILIARY HONORS SCOUTS--Mrs. Frances Sargent, patriotic chairman, and Mrs. Billie Clements, president of the VFW Auxiliary #6721, presented Slaton's Cub Scout pack with a U. S. flag Thursday night at the scout's Blue and Gold Banquet. Receiving the flag for the pack was Jim Tumlinson. (SLATONITE PHOTO)

## Cub Blue-Gold Banquet Held

The annual Blue and Gold banquet was well attended Thursday night by Cub Scouts, their parents, and honored guests. The banquet was held in the Junior High Cafeteria, with parents taking covered dishes.

Highlight of the banquet was when the pack was presented a United States flag from Slaton's VFW Auxiliary #6721. Making the presentation was Mrs. Frances Sargent, patriotic chairman. Assisting her was the auxiliary's president, Mrs. Billie Clements. Accepting the flag for the pack was cub scout Jim Tumlinson.

Honored at the banquet were the den mothers, Mmes. E. Q. Lankford, Charles Smith, Everett Hodge, G. L. Hartley, Lillian Russell, Wilson Ayers, R. G. Copeland, and W. L. Roche. Also honored was Mrs. R. C. Hall Jr., who had been serving as a den mother.

Also honored with certificates were den chiefs of the various dens. Honored were Jim Carnes, Clay Nesbitt, J. E. Eckert III, Tate Fondy, and Dale Pierce.

Mrs. Hartley's den 4 gave the opening ceremony and a skit was presented by Mrs. Copeland's den 7. The handicraft award was presented to

Mrs. Smith's den 2, and the den having the most present was Mrs. Hodge's den 3. The closing ceremony was given by den 2.

R. M. McMinn, pack master, was in charge of the program. He was assisted by former pack master, Ben Davis, who presented cub scouts with their earned honors.

Receiving wolf badges were Frank Love, Larry Lavender, Alan Hodge, Richard Harwell, and Richard Baugh. David Hartley, Frank Love, Brad Robinson, Gary West, and Tony Leak were presented their first arrow point under the Wolf badge.

Russell Craig Nieman and Henry Rogers were presented silver arrow points. Receiving Bobcat pins were Clay Casey and Island Wood.

One year pins were given to Mark Berkley and Jerry Montgomery and two year pins were given to Steve Ward, Chuck Smith, Randy Green, and Bruce Jones. Chuck Smith and Randy Green received certificates of graduation from cub scouting.

Mrs. Roche presented a member of her den, Ronnie Valadez, with a denmer's badge. Mr. McMinn announced that a Webelos den was being started and interested qualified boys should meet at his house at 5 p.m. each Monday.

*Worship*

"O come, let us worship and bow down, let us kneel before the Lord, our Maker!"  
— Psalms 95:6

The longer we live, the more we come to the belief that to stay upon earth is all too short. It is usually that our stay upon earth is all too short. It is usually in the Golden Years, when time has for the most part been turned our footsteps to the place of worship.

There is time, in the days of youth, to give more to God. A moment or two, here or there . . . a prayerful pause in the midst of a working day.

Try it, now and then. You may be sure that God will be there.
