

C.M. BARTON HAS FIRST COUNTY COTTON BALE

First Bale Is Ginned

C.M. Barton, local farmer and Santa Fe employee, produced the first 1965 bale of cotton in Lubbock County Aug. 25, signaling the harvest of the king of crops.

The 505-pound bale was delivered and ginned at Campbell Gin of Slaton at 6:38 p.m. Wednesday afternoon. The dryland crop was produced from 11 acres on the Santa Fe farm a mile and half northwest of

here.

It was Barton's third first bale in 35 years of farming in Lubbock County. He brought in two first bales in the 1940's. He has lived in Slaton since 1924.

It required approximately seven hours and eight local pickers to harvest the cotton, Barton said. He planted the Lankart cotton seed April 26. The crop was not fertilized

and it required 1860 pounds of lint to compose the first bale.

The bale is on display in front of Citizens State Bank of Slaton. K.W. Campbell is owner and manager of the gin which processed the first bale.

By producing the bale, Barton will receive \$150 cash prize to be awarded at the 8th annual Farmer-Merchant Barbecue Tuesday night.

The following day, Thursday, Robert Melcher who farms eight and a half miles northwest of here, produced the second bale of cotton in Lubbock County.

The second bale came in at 12:35 p.m. and was ginned at Posey Gin which is operated by Fred Tudor. The bale weighed 548 pounds. It required 2280 pounds of lint to compose the bale. The crop was planted with graded strict mid-

land 1516 staple seed.

Melcher, as producer of the second bale, will receive a prize of \$100 at the barbecue.

A.B. Meador produced the third bale of cotton. The load was delivered to Acuff Gin at 7 p.m. Tuesday. The lint weighed 2200 pounds.

Meador will receive \$50 for producing the third bale.

BALE — C. M. Barton, 41-year-old of Slaton, produced the first cotton in Lubbock County. The bale was delivered at 6:38 p.m. Aug. 25 and was ginned at Campbell Gin. At left is Barton with the ginner, K. W. Campbell.

state candidate returns with three letters under his belt. Robertson is expected to be the cog of the offensive unit since Petersburg has only four other regulars returning. Should the Tigers be able to control Robertson and com-

pany, things may go well for the locals this season.

Chastain said probable starting quarterback Bill Gass is still a questionmark for action Friday. He suffered a foot injury in a scrimmage last week against Abernathy.

Factors on the side of the Tigers are attitude and a desire to improve last year's record of five wins and five losses. Slaton fell to the Buffaloes, 0-18, last fall.

Slaton is improved over last year and it does have experience. At least one letterman is listed in every position. Quickness has improved and size is better than last year.

SLATON TIGERS — The Tigers play Petersburg Friday night in the first game of the season. Back row, left to right, Tommy Donaldson, Billy Martin, Bobby Magallanes, Doyle Ethridge, Byron Johnson, Mark Curtis, Doug Williams, Henry Johnson and Danny Scott. Middle row, left to right are, Charles Fisher, Oscar Henderson, Gaylon Davis, Tyree Clemons, Billy Gass, Larry Bownds, Steve Harlan, Larry Pickens and Roy Green. Front row, left to right, Mike Williams, David Turner, Allen Miles, Carlton Jones, Gary Brush, Victor Cristan and Oren Smith.

Special Vote Slated Tuesday

A light turnout is expected at the polls Tuesday when Texas voters decide on a constitutional amendment to enlarge the state senate.

The special election has the single amendment on the ballot. Ten proposals face Texas voters in a special election Nov. 2.

The single issue Tuesday is a yes or no proposition on whether to increase the membership in the state senate from

31 to 39 members. A passage of the question would ease the pains of re-districting according to population as has been ordered by the U.S. Supreme Court.

If the amendment is approved, the legislature is expected to meet in a called session to redraw the state senatorial districts.

In Slaton, three polling places have been established to take care of local voting. Generally voters in northwest Slaton will vote at the Slaton Clubhouse, box 36 with Phil Brewer as election judge.

Many Firms To Stay Open On Labor Day Here

Many firms and offices will remain open Monday, Labor Day, according to the Chamber of Commerce.

Observing the holiday is left up to the individual merchant since it is not one of the official chamber holidays. However, offices at city hall and the local bank will be closed.

The post office will operate on a regular holiday schedule Monday. There will be no home delivery and windows at the post office will be closed. Postal box patrons may still obtain their mail.

2,001 IN SCHOOL

Enrollment in the Slaton public schools the first day reflected an increase over the first day last year, according to Dr. P.L. Vardy, superintendent.

A total of 2001 pupils reported for classes on the opening day compared to 1969 last fall. An increase in students was noted in all schools except Evans and West Ward.

The drop at Evans was attributed to integration of the high school.

High school had a first-day enrollment of 475 compared to 452 last year. Junior high reported a total of 464 pupils, contrasted to 429 in 1964. Evans had 233 students and this is compared to 261 last term. Austin Elementary School enrolled 234 students in relation to last year's first-day enrollment of 228. West Ward had 595 pupils to report. The total in 1964 was 599.

More Moisture, Cool Weather

Signs of autumn and football began to show this week, as cooler temperatures and gusty winds characterized the weather picture in Slaton.

Cool and unseasonable nighttime temperatures were experienced, giving warning to football fans Friday night.

Slaton was drenched with a spotty rainfall late Monday afternoon. Light showers continued most of the night. From .4 of an inch to 1.2 inches were received in the area.

BIG TURNOUT SEEN FOR ANNUAL EVENT

Farmer-Merchant Barbecue Set

City Okays Speed Limit Plan

More than 850 area residents are expected to attend the 8th annual Farmer-Merchant barbecue scheduled Tuesday night at the Slaton Little League Park.

Activities get underway at 7 p.m., sponsored by the Slaton Chamber of Commerce. At the yearly event, farmers are guests of merchants and area ginners.

The public is also invited to attend the appreciation fete and tickets to the feed are on sale at the Chamber of Commerce for \$6.12. Farmers may obtain tickets from ginners.

Highlight of the program will be the presentation of cash prizes for the production of the first three bales of cotton in the Slaton trade area.

C.M. Barton will receive \$150 for production of Lubbock County's first bale and Robert Melcher will be given \$100 for production of the second bale.

A \$50 prize will go to A.B. Meador of Acuff for production of the third bale of cotton Tuesday night at the barbecue.

The Slaton city commission ended almost a month of debate on speed limits inside the city limits by unanimously adopting the state's recommendation in a called meeting Friday morning.

The harmonious meeting contrasted sharply to the regular one held Monday night where heated opposition was offered to the speed changes.

Passing of the limits, recommended by the state highway department, marked the fourth time that commissioners had been asked to take action. The street in question was W. Division.

Originally, the state had requested that the street's limit be increased to 40 mph. The commission quickly opposed the high limits because of the numerous public facilities located on the main thoroughfare.

The state then made a compromise offer at Monday's meeting, moving the start of the 35 mph speed zone west one block to 23rd street.

District Highway Engineer Paul Mills appeared at the Monday meeting, explaining reasons for the changes. He pointed out

that the changes are based on what motorists are actually driving in that area.

A move to pass the speed zones failed in the Monday meeting after a motion by J.W. (Curly) Martindale failed to receive a second.

Friday morning, Commissioner Jack Smith seconded Martindale's motion which ended in an unanimous vote.

The full agreement came

after Martindale agreed to provide for flashing lights at the Catholic school in the motion.

The flashing lights make speed zones 20 mph during school hours. Signal lights are currently installed on the street at one school crossing.

Commissioner Earl Reasoner, who had thrown up strong opposition at the Monday meeting, reluctantly okayed the proposal. "I would still like to see them cut down all the way," Commissioner Robert Banks pointed out that he still disagreed with the method used in arriving at speed limits. Mayor Jonas Cain concluded, "If it doesn't work, we still have the power to lower it."

Before the speed limit discussion, a delegation of Slaton citizens appeared before the commission to ask relief from flooding conditions during rainfall. The intersection in question was Dayton and 17th.

CASH PRIZES IN CONTEST

The Slatonite's annual football contest starts today with cash prizes going to the fan who picks the most games correctly.

First place winner will be awarded \$5 and \$3 goes to the second best entry. Third place winner will receive \$2. A \$25 jackpot is offered each week for a perfect entry which includes the correct total score in the tie-breaker.

Hunting Mishap Near Slaton

A Lubbock man, Martin Flores, was accidentally struck by a bullet late Thursday afternoon when he and a companion were hunting on the Forest Ranch south of Slaton.

Flores was treated and released at Mercy Hospital. He later saw a private physician in Lubbock. The mishap occurred about 7 p.m.

Flores was shot in the leg when a .22 caliber rifle accidentally fired. The rifle was carried by Rogelio Valdez, also of Lubbock. Investigating officers said Flores was shot when Valdez stumbled while carrying the gun.

Valdez summoned William Walker, a ranch employee, who took the injured man to the hospital.

Former Slaton Pastor Dies

The Rev. Jimmie Herklotz, former pastor of the Grace Lutheran Church of Slaton, died in Giddings last week after a lengthy bout with cancer.

Herklotz died Thursday night in his hometown and services were held Saturday. The 28-year-old minister resigned his position here in July because of ill health.

He had been minister of the Slaton congregation for 23 months. He moved to Giddings where his parents are residents.

He moved to Slaton after graduating from Wartburg Theological Seminary at Dubuque, Iowa. He served a year of internship at Westby-Coon Prairie Lutheran Church in Westby, Wis. He also attended Texas Lutheran College.

Herklotz is survived by his widow and two sons, Timothy, 3, and David, 11 months.

Carolyn Bradshaw-Coy Rinne Exchange Wedding Vows Friday

MRS. COY RINNE
...nee Carolyn Bradshaw

Miss Carolyn Jean Bradshaw became the bride of Coy Douglas Rinne in a double-ring ceremony read Friday afternoon, Aug. 27 at 4 p.m. in the home of the bride's parents, Cline Drake, minister of the Gordon Church of Christ, officiated as the couple exchanged vows.

Parents of the bride are Mr. and Mrs. Juel Bradshaw, Rt. 1 Slaton. The groom's parents are Mr. and Mrs. A.A. Rinne, Rt. 2, Wilson.

The couple stood before an altar draped with a blue background, banked with a floral arrangement of blue flowers tied with white hearts, and accented with blue candles in crystal candle-holders.

The bride, given in marriage by her father, wore a white linen street-length dress with a lace-trimmed bodice and an empire waistline. Attached to her white hat was a veil of eyelet net. She carried white pompons atop a white Bible, a gift from her parents.

Fam Davis of Slaton, cousin of the bride, was maid of honor. She wore a blue A-line shift with a jeweled neckline, and carried a single-long stemmed white rose.

Albert Rinne of Slaton, served his brother as best man.

A reception was held immediately following the ceremony. The table was laid with a white linen cloth and was centered with an arrangement of blue and white roses in a milk glass vase. Appointments were of silver and crystal.

The couple left after the reception for a wedding trip to Carlsbad, N.M., where they went through the Caverns, and then to Bottomless Lake State Park at Roswell, N.M. For traveling, Mrs. Rinne wore her wedding dress. The couple is at home on Rt. 2, Wilson.

The bride is a 1965 graduate of Slaton High School and is employed at the Slatonite, Rinne is a 1964 graduate of Wilson High School, attended South Plains College at Levelland, and presently is employed with Triangle Manufacturing Co. of Slaton.

Recent Bride Honored Guest

Mrs. Jimmy Lowrie, the form or Miss Kay Baker, was honored with a miscellaneous bridal shower Aug. 17 at the Slaton clubhouse.

The honoree's chosen colors of pink and white were carried out in the table arrangements. Guests were greeted by Mrs. Carvin Norris, and Mrs. R.J. Moore, sister of Mrs. Lowrie, presided at the guest register.

A special guest was the honoree's grandmother.

The thirteen hostesses presented Mrs. Lowrie with a bed-spread and towels.

Mr. and Mrs. Roy Brown of Pasadena, Tex. returned home from visiting Mrs. Brown's mother and sister, Mrs. J.E. Cherry and Mrs. Mary Watson.

Mrs. Watson Home From 2-Week Trip

Mrs. Mary Watson returned last week from a two week trip to Llano and other points where she visited relatives and friends.

While gone she attended the Quahab Parker reunion held at the Indian Reservation near Mexia. Other towns she visited were Marble Falls, Georgetown, Rockdale, Malano and Buchanan Dam.

Going-Away Party Held

A "going-away" party, honoring John Holt, assistant county 4-H leader, was held Aug. 23 at the city park.

Members of the Slaton 4-H club and their parents attended. Refreshments of ice cream, cake and punch were served.

FACTS YOU SHOULD KNOW ABOUT VITAMINS
They are not a food and have no calory values. But, they are absolutely essential to healthy living. The are the "spark", which causes the body to properly perform some of its functions.

CAN YOU GET ENOUGH IN YOUR FOOD?
Yes, you can -- IF -- and it's a big if, because you must eat an ample variety of different foods, which include sufficient fruits and vegetables. This is not easy, for cooking destroys some of the vitamins and the older fruits and vegetables become, more of their vitamin content is lost.

MODERN LIVING LOWERS VITAMIN INTAKE
A recent medical survey disclosed that large numbers of teenagers had poor health because of vitamin loss from eating improper food. Too many were getting hurried snacks instead of complete meals. Many adults do the same.

A MULTIVITAMIN PREVENTS A DEFICIENCY
You can insure against a lack of any of the necessary vitamins by taking a reliable, high quality vitamin capsule or preparation daily.

CAN VITAMINS CURE DISEASE?
Physicians frequently prescribe large doses of a particular vitamin to help certain ailments. But no one should take such treatments without a physician's advice. For example, large amounts of Vitamin D can cause harm.

WE CAN ANSWER VITAMIN QUESTIONS
Pharmacists are taught their uses, proper dosage and how to protect their potency. We have dependable vitamins which can prevent any harmful vitamin deficiency. Now is a good time to start taking them before winter weather lowers your resistance to sickness.

Foundation's Annual Field Day Scheduled

Plans for the 9th annual field day of the High Plains Research Foundation at Halfway are under full steam.

The activities are set Sept. 9, and field tours are scheduled to start at 1 p.m. and will continue throughout the afternoon.

The day's program will be

concluded after the free barbecue and the major address by Dr. Oliver S. Williams, president of Oklahoma State University.

Tours of the research plots will include stop 1, Barry Love, agronomist, showing the results of the soybean development program carried out by the foundation; Stop 2, Loyd Langford, associate agronomist, showing research on the skip-row interplanted system pioneered by the Foundation; Stop 3, Jim Valiant, water engineer, and the research done on water conservation; Stop 4 will be a double stop with Jack Parks and Dr. Arthur Gohke showing the weed control methods at the research farm at Halfway.

The 1964 field day drew an outstanding total attendance of more than 6,000. Expectation for this year are for an even greater attendance.

Cut down on cleaning and polishing chores by storing accessories and bric-a-brac that need special attention. A few decorative nevertarnish and rust-resistant stainless steel serving dishes are multi-purpose and can serve indoors and out with no fear of breakage.

Recipe Of The Week Mrs. Brown Gives Favorite Recipe

A gracious lady who does so much for others gives us her favorite recipe this week, and after a little persuasion, allowed us to take her picture. She is Mrs. J.L. Brown of 615 S. 5th, who has operated the bus station here for the past five years.

Mr. and Mrs. Brown moved

here from Bovina in 1955, and operated a laundry for several years. Mr. Brown at present operates the Santa Fe Club in Slaton.

In addition to her job as ticket agent, Mrs. Brown sews for the public. She also enjoys knitting "when I have time", and says, "I'm a real magazine fan." She likes to work in her garden and yard when time permits.

The Browns, members of the Westview Baptist Church, have four sons, all of whom live in Lubbock, and 11 grandchildren.

When asked about a favorite recipe, Mrs. Brown said, "I don't do too much cooking and haven't used to do a lot" This, however, is one of her favorites:

CARROT CAKE

Sift together
2 c. sugar
2 t. cinnamon
1/2 t. salt
3 c. flour
1 t. soda

Mix well and add 1/2 cup Wesson oil. Beat in 3 eggs... one at a time.

Add
1 1/2 t. vanilla
1 c. crushed pineapple
1 c. nuts
2 c. grated carrots

Police Activity Increases Here

Police activity in Slaton increased this week with 19 persons being jailed on seven separate charges.

Drunks, totaling nine, headed the list while three persons, including one minor, were arrested for gambling. Two were placed in the city jail for being drunk in a car.

Two persons, Shirlene Bowen and Louis Vernon Wilson, were charged with car theft in Lubbock after being arrested by local officers Sunday night. One person each was arrested for vagrancy and for disturbance.

Seven complaints were received and investigated by the department. Thursday about 4:42 a.m., George Jones at 330 W. Lubbock reported that someone was attempting to enter his house.

Two purses, belonging to Connie Dodson and Connie Ratliff, were reported taken from their car while parked at 1055 S. 18th. A total of \$34 was in the purses.

Clenda Dirickson at 1020 S. 14th reported that her car had been taken Saturday night between 6:30 and 8:15 p.m. About

9:09 p.m., Patrolman Ted Jones found the auto parked about 100 yards behind her house.

Earl Tumlinson of 815 S. 16th reported to the department that his daughter's billfold was taken from her purse at the park. Sam Jordan said his car was burglarized while parked in the garage at his residence at 305 S. 3rd.

Unknown persons attempted a robbery of a pay telephone station on S. 9th. Damage was slight and no money was taken.

patient. At the same time, rules will take into consideration the visitor and his protection.

Reasoning behind the rule prohibiting visitors under 14 was made at the meeting. It was pointed out that younger children are more susceptible to infectious diseases than adults.

On Nov. 4, there will be ten proposals. They are as follows:

Extend to four years the terms of governor and other statewide elected officials now limited to two-year terms.

Increase from two to four years the terms of state representatives.

Permit full state participation in federal medicare programs.

Authorize the legislature to set salaries of the lieutenant governor and speaker.

Set up an \$85 million student loan fund.

Require district and appellate court judges to retire at 75, and set up a system for removal for misconduct.

Expand the investment authority of the public school retirement system.

Increase the state property tax from 42 to 47 cents and allocate the extra five cents to college buildings.

Authorize \$200 million in veterans land loan bonds.

Hospital Adopts Uniform Rules

Slaton's Mercy Hospital is participating in a campaign with other Lubbock County hospitals to establish a set of uniform visitation standards.

Initial plans for the policies were made at a meeting last week attended by hospital administrators, doctors, public health officials, nurses, ministers and representatives of area news media.

Oct. 1 was set as the target date for the adoption of the regulations.

Two major portions of the regulations include definite times for visitation. The time has been set from 2 p.m. until 8:30 p.m. The group also agreed to restrict children under 14 years of age from patient floors at all times.

At the meeting, representatives discussed the large number of persons who visit, the time of day visited and the types of patients in hospitals.

Exception to visitation rules were also considered as in the cases of husband or wife or close relatives. A time limit on visits of 15-20 minutes was recommended.

Also discussed was the protection of the patient and visitor and the responsibility of the hospital to each. Enforcement of the standards were also brought up.

Two visitors in a room at one time was recommended and control would be through the issuance of passes. The cooperation needed from visitors and visiting ministers was also taken up.

The need for the rules came after hospital officials pointed out the growing problem of visitation of the metropolitan area.

Rules have been designed for the maximum respect of the

Patschke Is Final 'Weekend' Winner

August Patschke, Route 2, Slaton, was the 10th and final winner of the "Weekend in the Rockies" contest sponsored by The Slatonite and nine other city firms this summer.

Patschke, a farmer, lives

about seven miles north and one west of Slaton. He was uncertain this week when his family would take the trip to what area they would choose.

Mr. and Mrs. Patschke have three children--sons Michael 9, and Dwayne 3, and daughter Sandra, 7. The contest provides meals and lodging for a family of five.

Patschke was a preliminary winner at Bryant Farm Supply. The other nine winners of "week ends" were Mrs. Nestor Kitten, Mrs. John Morris, Mrs. Ann Baker, A.A. Rinne, Mrs. Jay Oats, Mrs. Walter L. Bednarz, Mrs. S. W. Clark and Mrs. George Privett.

Participating merchants in providing the weekend expenses were Anthony's, Bryant Farm Supply, Higginbotham-Bartlett, Montgomery-Schnell Implement, Slaton Implement, Smith Ford, Inc., Slatonite, Teague Drug, Webb's, and White's Auto.

ITEM: One-fourth pound of cheese will yield one cup shredded cheese to sprinkle on soups, salads, casserole dishes, and sauces.

Annual Punt, Pass, Kick Competition Announced

The National Football League and the Ford dealers of America today announced the fifth annual Punt, Pass and Kick competition for the nation's 8-through-13-year-old football fans.

"PP&K" pits the youths' punting, passing and place-kicking skills against those of other participants of the same age. Since its inception in 1961, the program has attracted more than 1,700,000 entries, including a record 601,000 last year.

Registration for this year's competition will be held at Ford

dealerships, or at locations designated by them, Sept. 1 - Oct. 8.

Competition in the Dallas area will be prefaced, in late September, by a football clinic conducted for PP&K entrants by members of the Dallas Cowboys football team. Actual PP&K local and district competition in Dallas County will take place at city parks. Elsewhere in the Southwestern region, competition will be held at school athletic fields, parks or other areas designated by Ford dealers.

Winners of these preliminary PP&K contests will advance to area competition to occur during half-time ceremonies at NFL games. Winners from the Dallas, Houston, New Orleans and Oklahoma City districts will compete during half-time at Dallas Cowboys games and Memphis-district winners will perform at St. Louis Cardinals football games.

Area winners will vie for Eastern Division honors Dec. 11 at Dallas Cotton Bowl during half-time of the Dallas Cowboys - St. Louis Cardinals game. Similarly, Western NFL-area champions will compete in Los Angeles December 18 to decide the six Western Division NFL champions.

VISIT WASHINGTON AND MIAMI
The 12 finalists -- one each in the 8-13 age groups from both the Eastern and Western Division team areas -- will go to Miami for the final PP&K competition at half-time of the NFL Playoff Bowl Game in the Orange Bowl Jan. 9, 1966. The all-expense "Tour of Champions" for the youths and their parents will begin with a visit to Washington, D.C., on January 7. The Washington visit will be highlighted by a special tour of the White House. Following the half-time show-

down in Miami, the age-group winners crowned by NFL Commissioner Pete Rozelle. One of the winners was 9-year-old Woodward of Houston. LEVELS OF COMPETITION
The five levels of competition begin with local during the Oct. 1-8 period. Local winners will be scored in local, regional and national divisions. Winners in each level will be invited to their zones in a final competition. After competitions Ford districts, the youths in each age group will be invited to a total of 222 boys for the area competition. Each NFL-area divisional and national championships. The six National will be determined in competition between Eastern and Western at half-time of the Orange Bowl Game in the Orange Bowl Jan. 9, 1966.

Scouts Roundup Boys To Join

Bill Pitstick, organization and extension chairman, and Dr. Davis Armistead, council commissioner, announces the kickoff of the 1965 Fall Roundup program.

The theme for this year is "Follow the Rugged Road to Adventure." Cub Packs, Boy Scout Troops and Explorer Posts in every neighborhood and community will be making an all out effort to recruit boys into their units.

Any boy 8-10 years old is invited to join the Cub Scouts. Boys 11-17 are asked to join the Boy Scouts. A select group of boys may join the Explorers. They include all boys 15-18 and 14-year-old boys who are in the 9th grade in school. A boy doesn't have to be asked to "join the Scouts." He may visit his nearest unit or contact a local Scouter who will help him find a place to join.

The months and the seasons roll by fast. Labor Day will be here again Monday, bringing with it a holiday week end for many people. As with many holidays, the purpose of this relatively new national holiday is often overlooked. The day was established to celebrate and commemorate the tremendous contributions the working people have made to the progress, strength and development of this nation. American labor has made big advances in wages, working conditions, job security and all other labor benefits.

This is as it should be. At the same time, the nation is entitled to demand a high sense of responsibility on labor's part. The goals of labor, organized or unorganized, are the same as those of all other groups in the country--a better life, under a system which guarantees the maximum freedom to the individual.

ooo

Speaking of the months and seasons going by, it reminds us that the Nieman family recently observed the start

1964 Cotton Crop Better Than 1963

The 1,913,100 bale cotton crop on the High Plains in 1964, while smaller than 1963 registered slight quality gains over 1963 in virtually all categories.

In Grade, the crop was 57.3 per cent white as compared to 37.5 per cent in 1963 with a corresponding drop in the percentage of Light Spotted and Spotted cotton.

Staple average for the season came out 30.1 thirty-seconds of an inch, three-tenths of a thirty-second over last year's average of 29.8 thirty-seconds. While this may not seem like much of an improvement, it is at least a step in a direction the area badly needs to go in order to broaden the range of markets for which its crop is suitable.

Also, there was more cotton grown in the 23 counties with staple length of one inch or more. Only 2.7 per cent of the 1963 crop fell in this category, while in 1964, 5.8 per cent of total production measured one inch or longer, perhaps indicating that more of our farmers tried producing longer stapled cotton in 1964 through changing varieties or cultural practices.

Micronaire average (fineness) for the season just past came to 3.7, with 65.4 per cent above the tenderable limit of 3.5. The 1963 crop average was 3.5 with only 46.7 per cent above the tenderable limit. Micronaire, beginning with the 1966 crop, will be put on the "green-card" with premiums and discounts incorporated into the government loan schedule, and this factor will therefore assume even greater importance to area farmers in the future.

Pressley, or fiber strength average of the 1964 crop was up from 78,300 pounds per square inch to 78,800 pounds, with 73.4 per cent above 75,000 pounds. Elongation was the

only quality measurement in which High Plains cotton showed a decline this season, and that drop was only from 8.14 per cent to 8.02 per cent.

Elongation -- the percentage of stretch a given cotton sample will experience before breaking -- is invariably in inverse ratio to fiber strength, or Pressley.

The Eagles are anchored by seven lettermen. One of the largest of the regulars is 170-pound sophomore guard George Crow. Top aid is expected from Royce Burns, a transfer from Lovington. The 188-pounder adds needed experience to the squad.

Helping Rector with coaching duties are Don Taylor, Gene Mims and Kenneth Housden. Tentative starters for the eagles are John Parchman and Domingo Zungia at ends, Royce

Ekdahl and Paul Dickey at tackles, George Brow and Royce Burns at guards and David Denham at center.

Burleson will go at quarterback while Hopkins and Brown will seeaction at halfback. Fullback is expected to be Powe.

OPEN WITH LAZBUDDIE Wilson Inexperienced

If experience is the key to success, the 10-game schedule for the Wilson Mustangs may seem like 10 years for Coach Bobby Davis and his hosses.

However, the team hopes to make up with desire and enthusiasm. Should the Mustangs get a good start in the opener Sept. 10 with Lazbuddie, the Mustangs could post a respectable season mark.

Wilson goes on the road Friday night. The Mustangs defeated Lazbuddie, 26-18, last season. It was one of seven wins against two losses and a tie.

Only four lettermen return from last year's squad which finished in a tie for second place in District 3-B. Coach Davis is also new, taking over after being an assistant at Lockney.

Returning from the 1965 campaign are center Gary Williams, guard David Tucker, end Jimmy Koenig and halfback Dennis Verkamp.

Williamson and Tucker are both seniors and have earned two letters each while Koenig and Verkamp are juniors with one letter.

Wilson was hit hard by graduation. The entire right side of the line received diplomas and the top five runners graduated. Big shoes to fill are those of top South Plains scorer Sammy Crowson. He was a starter for the Mustangs for four years. Another four-year starter that

will be missed in the Wilson camp is Royce Baker.

Other backs missing from this year's roster are quarterback Joe Mason and fullback Gilbert Guerra.

Departed linemen are tackle Mike Holder, guard Delbert McCleskey and end John Nava.

Probable starting quarterback John Scott is expected to miss the first couple of outings after suffering a broken foot in workouts.

Koenig and sophomore Mike Coleman appear likely choices for starting positions at ends. A battle between three players-- Mike Ward, Davis Kosland and Leland Zant--is shaping up for the tackle slots.

Tentatively scheduled to go at guards will be Tucker and Lenro Brieger. Williamson is expected to go at center.

Other backfield hopefuls are Gary Moore, Verkamp and Kenneth Corley. Assistant coach is John Alexander.

Texas Dove Season Opens

Dove season in Lubbock County and other parts of Texas officially gets underway Saturday and continues through Oct. 30. The season on mourning doves in the south zone continues until Nov. 23.

Shooting hours on mourning and white-winged doves are from 12 noon until sunset. It is unlawful to hunt white-winged doves and chachalacas south of a line extending along US 83

from the Starr-Zepata county line to Mission--from Mission to US 281 via FM 1016 and FM 1926 and along US 281 to the west city limits of Brownsville.

No hunting is permitted in game refuges, state and federal parks or in game reserves. The retention on one fully feathered-wing on dressed migratory game birds as a ready means of field identification is required.

Shotguns must be plugged permanently to three-shell capacity. Guns must not be larger than 10 gauges. Hunting doves with rifles is prohibited.

Slaton area land owners urged hunters to gain permission before hunting on property. All land in Texas is posted by law regardless of whether a sign is erected.

The land owners are asking hunters for cooperation after several area farmers and ranchers sustained crop and other property damage during the season.

Big Circus Slated In Lubbock

Only the most expert bareback riders would attempt the amazing acrobatic feats which the Hanneford family performs in the 1965 edition of Ringling Bros. and Barnum & Bailey Circus which comes to Lubbock

Sept. 10, 11, 12.

In classic circus tradition, the Hannefords are third generation bareback riders and masters of grace, acrobatic agility and comedy. As their beautiful white horses gallop around the ring, the Hannefords perform seemingly impossible somersaults and build spectacular human pyramids on their "resin-back" steeds.

George Hanneford, Jr. stops the show at every performance with his fast and funny bareback antics. With split-second timing and a hilarious sense of nonsense, George Hanneford's performance makes his family's act one of the most popular features of The Greatest Show On Earth.

The Hannefords are not the only outstanding equestrian experts with the circus. Charles

and Gana Moroski delight audiences with their famous troupe of perfectly matched liberty horses from the famous King Ranch in Texas.

Animal performers are well-represented in this year's edition of The Big Show. Hugo Schmitt's three performing herds of mammoth elephants, Stephenson family's famous dogs, Charly Baumann's Royal Bengal tigers and Kubler's chimps make up an all-star cast.

SOUTHLAND NEWS

Sshhhhhhh. Listen do you hear that? What you hear is quietness! School started today and since our children are all in school, the house is nice and quiet and until I get used to it, I may have to talk to myself. Any of you that have children will know what I mean when I say that there is never a quiet moment around the house when they are home. The radio is usually on full blast, the TV is going strong, the kids are fussing over one thing or another, the telephone is ringing off the hook, someone wheels into the driveway and blows their horn, etc! Does this sound familiar? Thought so... but I love it all and wouldn't have it any other way. I just dread the day when the children are all gone from home and all we have is the "quietness"!!

I want to make a Great Big Apology. Last week I put in this column that Mr. and Mrs. Ronnie Dunn had a brand new daughter!! Well, it seems that it was a different Ronnie Dunn and wife that had a baby, and not QUE Ronnie and Delores Dunn. I am sorry that I gave out this wrong information and hope that you will accept my apology. Mrs. Dillard Dunn called and said that she didn't have a new granddaughter, but that she would like to have one. They were all very nice about the whole thing. Yes, my face is RED!!!

Mr. and Mrs. Edmund Stolle from Corpus Christi have been visiting relatives in this community for several days. Their son and daughter-in-law, Mr. and Mrs. Carlton Stolle from Bryan, have also been visiting here. Carlton will be teaching at A&M College this fall.

Mrs. J. F. Rackler, Mrs. J. B. Rackler and Beverly visited in Lubbock on Sunday at the Colonial Home with Elder and Mrs. James Vickery. They had gone to the Home to visit with Mrs. Ross, Mother of Elder and Mrs. Vickery, and were surprised to see the Vickerys, Elder and Mrs. Vickery had been on a World Tour and had just returned to Lubbock. Reunion Slated

The annual reunion of Hill County residents is set for Sunday, Sept. 5 at Mackenzie Terrace Party House, Mackenzie State Park, Lubbock. The location will be marked with a large banner. All former residents are invited to attend and bring a basket lunch. C. G. Grizzle, Lubbock, is president of the group.

FORMER PASTOR DIES

Edmund and I went to Giddings, Tex., on Saturday to attend the funeral of Rev. Jimmie Herklotz who passed away early Friday morning. As a lot of you know, Rev. Herklotz was the pastor of Grace Lutheran Church of Slaton and preached his last sermon on the 25th of July.

Mr. and Mrs. Marcus Wilke have returned to LBJ Lake. They had been here for over a week. Mrs. Wilke broke her wrist five weeks ago and the doctor will take it out of the cast this week, so they had to return to the lake. I know she will be glad to get that cast off!

I am happy to report that Winston Lester is at last on the road to recovery. He has been in West Texas Hospital for a couple of weeks now and has had a pretty rough time of it, but is better. We sincerely hope that he will be up and around before too much longer. Mr. and Mrs. Billy Lester and boys visited with Mr. and Mrs. John Kelly of Jayton on Saturday and Saturday night. On Sunday they went to Lake Stamford where they stayed until Tuesday.

MINISTER MOVES

Brother Ralph Cooper, our energetic Methodist preacher, is moving with his family to Aspermont. This community is surely going to miss him, because he was always doing some thing for somebody. He was very active with the young people, and they all loved and admired him. He and his wife have two girls and one son. On Thursday Mrs. Ray McClellan and Kim and Mrs. Robert Mason and Brenda from Post, and Mrs. John Kelly and children from Jayton ate dinner with Mr. and Mrs. Billy Lester. Sunday Mr. and Mrs. G. T. Mason from Post visited with Mr. and Mrs. Billy Lester. The Masons are an aunt and uncle of Mrs. Lesters'.

IN HOSPITAL

I was sorry to hear that Ed Denton spent several days of last week in Mercy Hospital at Slaton. He hasn't been feeling up to snuff, so the doctor put him in the hospital and ran some tests. Mrs. Denton says that he feels some better now, and we certainly hope so.

Mrs. T. L. Barnes and Mrs. Delores Dunn visited with Mr. and Mrs. Ed Denton recently. Also visiting the Dentons were Mr. and Mrs. Bob Russell from Post. The Russells are former residents of this community.

I have been so very busy for the past few weeks that I haven't had time to do much calling, so that is why the news is short. I would appreciate it if you would call me at 996-2423 and give me your news. Maybe you don't think what you do is news, but the rest of us do! So give me a ring.

operation and gave an open invitation to meet with him about anything of interest during the school year. The sixth grade will have classes in the elementary building this year.

M.L. Green gave a talk to the high school students about rules and principles to be carried out during the school year.

The Mustang Club, which consists of all mothers who have students who participate in any sports in high school and junior high, met directly after the assembly program Monday morning.

Concession stand mothers nominated were: Mrs. Leroy Scott, high school football; Mrs. Weldon Meador, basketball; Mrs. George Williamson, junior high football; and Mrs. Walter Ray Stoen, junior high basketball.

The Band Boosters met in the High School auditorium following the adjournment of the Mustang Club. Mrs. David Pet-

erson called the meeting to order and the secretary of the band, Mrs. Ted Melugin read the minutes of the last meeting. Resignations of president and secretary were declared and nominees for new officers were announced. New officers voted in unanimously were: band president, Mrs. Weldon Meador; and secretary-treasurer, Mrs. Sam Gatzki. Mrs. Rueban Sander was elected as vice-president.

A uniform committee was chosen with Mrs. H.H. Hewlett and Mrs. Frank Schneider as leaders with workers named to help. Tuesday morning at 9:00 a.m. the band mothers met to mend uniforms and fit them to the band students. A record of 44 band students have enrolled for the new year with the Wilson Mustang band.

NEWLY-WEDS

Congratulations to Mr. and Mrs. Coy Rinne, upon their marriage August 27, at 4:00 p.m. in the home of the bride's parents. The bride is the former Carolyn Jean Bradshaw, daughter of Mr. and Mrs. Juel Bradshaw, Rt. 1, Slaton. The bridegroom is the son of Mr. and Mrs. A.A. Rinne, Rt. 2, Wilson.

Mrs. Rinne is the granddaughter of Mrs. A.C. Melugin of Slaton. The couple plan to make their home at Rt. 2, Wilson. Mrs. Rinne is employed by the Slatonite. Mr. Rinne is employed by Triangle Manufacturing Co. in Slaton.

Visitors in the home of Mr. and Mrs. Hugo Maeker Sunday were Mr. and Mrs. Larry Maeker and baby Jeff, of Lubbock; Mr. and Mrs. Wilburn Maeker and children; Henry Nieman, an uncle and Ervin Nieman, nephew from Muleshoe.

Mrs. Maeker reports that her brother, Willie Nieman of Lakeview is now home, from the hospital recovering nicely.

Mrs. E. P. Holder enjoyed her niece in Snyder this past weekend. Dan Cook, president of Wilson State Bank, was named as a board member recently in Tahoka to serve on the Lynn County Library Board. Ten directors were proposed with four former members to the Library Board of Tahoka.

News was received that Mrs. Clarence Church's mother, Mrs. Childers passed away Sunday night. She lived in Merkel.

Mr. and Mrs. Herman Brown

YOUNG AIRMAN — Brent Wilkins, 7-year-old Slaton youngster, has started picking up airplane trophies at an early age. He holds awards earned at a model airplane contest in Odessa recently.

of Wilson received a letter last week from their son, PFC Harlan Brown, who visited here recently with them. He returned to Fort Jay, N.Y., and from there was transferred to Fort Benning, Ga.

He is now serving with the Military Intelligence Detachment Corps, a unit of 72 men mostly officers. Although he could not tell his parents where he was going, he did state that part of the trip would be made by plane and part by ship. His mail will be forwarded to him from Fort Benning. He had previously served for a year at Fort Jay with the Intelligence Corps.

A.J. Hoover, 850 S. 12th, received his doctor of philosophy degree. Another Lubbock County man, Robert W. Mitchell, Rt. 4, Lubbock, also received the doctoral degree.

ROOSEVELT NEWS

MRS. DORIS THOMAS

The school bells have rung again for the new year of school. The doors at Roosevelt were open wide Monday morning for all those eager young people who were there to get back into the routine of studies and ball games, and I am sure that the latter come first with more than it really should.

It has for more years than I can remember, so why should this year be an exception. We know, also, that it is not only the student but the parents as well; after all, we were students once, and went through the same wonderful time of feeling young and full of energy ourselves.

Those were the good old days, as it is known to those who are older than they care to remember.

The Roosevelt Young Homemakers met in the clubhouse Tuesday morning for a program on cake decorating, presented by Xie Collins of Southwestern Public Service Company.

Two films, "Fun With Frosting," and "Beautiful Cakes" were shown.

Visitors were Mrs. Billy Cooper, Mrs. Sam Morgan, Miss Dian Stoner and Mrs. Johnny Gulton.

Mrs. S.N. Jones Jr. presided for business. Plans were made for the next meeting at 11 a.m. Sept. 14 at the clubhouse. At that time new officers will be installed and a favorite recipe luncheon will be served by club members. Each member will bring her recipe to exchange.

Any one interested in joining the club may attend the meetings. There is no age limit for members.

Area awards will be presented during an area meeting in Hereford, Sept. 11, beginning at 10 a.m. Theme of the meeting will be "Today's World—Our Challenge!"

FIRST FOOTBALL GAME

The high school football team will go up against Christ the King team of Lubbock tomorrow night at Roosevelt stadium at 8:00 p.m. See You There!!! Full game report will be carried in the Slatonite next week.

Mr. and Mrs. Earl Hammett, David and Rhonda, Mr. and Mrs. Earl Rowan, Patricia, Brenda and Roy, Mr. and Mrs. J.N. Montgomery and Curtis, Mr. and Mrs. Vance Lipps and Charles, Mr. and Mrs. W.O. Donley, DeAnn, Cindy and Kyna all enjoyed visiting in Cloud-

croft, N.M. and going to Carlsbad Caverns this past week.

Mr. and Mrs. Bill Walter and Kathy have returned from Corpus Christi, where they took their daughter, Willie Mae, who has assumed a teaching position in the Cunningham Jr. Hl. as a P.E. instructor.

Delane Davis, the daughter of the D.D. Davis, is in West Texas Hospital after having undergone surgery. Here is hoping she will be home and back in school very soon.

COUSINS COME CALLIN'

The Johnny Hammetts had Mr. Hammett's cousins for a wonderful weekend visit that they all enjoyed thoroughly. The cousins were Ben, Lois and Donald Tate, Maudie Crenshaw, Stephensville; John and Loreta Hill, Tahoka; Eta O'Rear and Lovetta, George and Grady O'Rear, S.E. O'Rear and family, Lorenzo; and their son, Earl, Christine, David and Rhonda Hammett.

Our sympathy goes to the family of John B. Miller who passed away last Sunday morning in Methodist hospital.

FLOAT WINNER

A miniature surrey without fringe drawn by a shetland pony was the parade float winner at the Motley-Dickens Counties Old Settlers Reunion last Thursday in Roaring Springs. Driver was Gib Ragland of the Acuff-Midway community.

The total enrollment in high school for Monday was 166 and the grade school enrollment was incomplete at the time this news was taken at the office.

First year medical students are expected to learn 13,000 new terms, more than half of them anatomical.

Domestic Employees Must Be Reported

Many home makers in the Lubbock area fail to report their domestic employees for social security credits, according to John G. Hutton, social security district manager in Lubbock.

Hutton says the majority of those who do not report are the people who hire babysitters to work in their homes on a regular basis. "Babysitters, who work in private homes regularly and are paid at least \$4 per week, are often forgotten when social security wage reports are due," Hutton said today.

"The law is very specific. Anyone who pays \$50 or more in cash wages to a domestic employee, in a calendar quarter, is legally obligated to report these wages to the Internal Revenue Service.

Reports, together with social security taxes payable, are due within 30 days after the end of the quarter in which the wages were paid."

Hutton emphasized that only cash wages paid domestic employees are to be reported. Wages in the form of room and board, etc., are not subject to social security tax. No report is required if the employee was no paid cash wages of at least \$50 in the quarter.

"Failure to make accurate and timely reports of wages paid to domestic employees can result in penalties and interest to the employer--and loss of social security credit for the employee," Hutton added.

The Lubbock social security office has a free booklet available to employers of domestic help, containing information on proper methods of reporting wages.

Church Women Meet Monday

The Federated Church Women of Slaton met Monday with the First Christian Church women as hosts. The group met in the sanctuary of the church.

Mrs. Bill Smith, vice president, introduced the new pastor and his wife of the First Christian Church, Rev. and Mrs. Johnnie Moore. Rev. Moore gave the invocation.

A duet was presented by Mrs. Tommy Davis and Mrs. Johnnie Moore, accompanied on the organ by Mrs. Ray Ricker.

Mrs. John Locke presented the program on "Here After". She reviewed the book, "A Man Called Peter", by Mrs. Peter Marshall.

During the business meeting, presided over by the president, Mrs. Luther Gregory, the group discussed their project of taking care of indigents and helping with welfare work.

The benediction was given by Mrs. Nan Tudor.

After the meeting, refreshments were served in the parsonage.

Doing Right

"For it is better to suffer for doing right, if that should be God's will, than for doing wrong." — Peter 3:17

We live in an age of the "easy way". We are constantly scrambling about, looking for an easier way to wash clothes, dry dishes, paint houses, grow crops, keep books, or make a better mousetrap.

Yet, rest easy, the machine will never do our thinking for us. Unless we feed specific data into a computer, rest assured that it will not be able to evaluate a problem and indicate right from wrong.

We have a built-in evaluator—our conscience. We cannot disregard it. It pains us, or it nags us, when we willingly take the easy way rather than the right way.

We may suffer sometimes; we may lose money or friendships because we chose to be right; but it is suffering short-lived and with absolute rewards.

Observing how the Agriculture Department handled the farm surplus problem, city folks can be grateful that at least the Government hasn't launched a similar program to control the production of crabgrass.

The computer-minded who think that logic is always superior to common sense may be interested to hear of the man who had two wrist-watches. One gained two seconds a day and the other had no works-just a dial. After programming the latest computer to decide which he should discard, he got the answer that he should keep the empty watch since it would tell him the correct time twice each day, whereas the one that gained two seconds would give him the exact time only once every 120 years!

PCG OUTLINES 'OMINOUS' BILLS

Pending Labor Bills Alarm Farm Leaders

LUBBOCK—An ominous, almost frightening group of labor bills with overlapping provisions gravely affecting cotton farmers and all agriculture are now pending in Congress.

This statement is from Donald A. Johnson, executive vice president of Plains Cotton Growers, Inc., who adds that farm leaders across the nation agree that passage of the bills would severely cut net farm income and reduce the number of available farm jobs.

Primarily, Johnson was discussing H.R. 10518 by Rep. James Roosevelt (D-Cal.) which has been cleared by the House Labor Committee and is due consideration on the floor of the House in September. This bill, along with H.R. 77 to repeal the "right-to-work" section of the Taft-Hartley Law, which has already passed the House are most critical to agriculture at the moment, Johnson feels. However, in addition to these, he referred to H.R. 8109 and 8259 in the House and to Senate Bills S-1864 through S-1869, bills on the Senate side are sired by Sen. Harrison Williams, (D-N.J.).

Collectively, here is Johnson's analysis of what they would mean to the farmer if

passed into law.

1. They would bring farm workers for the first time under minimum wage regulation. All temporary and seasonal workers (those working 12 consecutive weeks or less for an employer) and all regular hired hands on farms where four or more workers were used. The minimum would initially be set for farm workers at \$1.15 and would work up to \$1.25 per hour within two years.

2. They would raise the industrial minimum wage from \$1.25 to \$1.75. The cost of production in puts in agriculture would rise immediately, and the minimum for farm labor could not be expected to remain below the industrial minimum for long.

3. They would extend collective bargaining coverage to farm workers by amending the Labor-Management Relations Act.

4. They would give the Secretary of Labor authority to set up a massive recruiting system for U.S. farm workers. The Secretary would be empowered to furnish recruits -- at farmer expense -- with physical examinations, medical care, transportation, food and housing.

5. They would eliminate all

minimum wage exemptions and narrow the maximum hour exemptions for compresses, warehouses and cottonseed crushing mills, and in four years would increase the overtime rate for all non-exempt workers over 45 hours per week from time-and-a-half to double-time. This would substantially increase labor costs in these service and processing industries, and the farmer would get the bill.

6. They would deprive all men and women of the right to work without joining a union, regardless of any laws passed by states guaranteeing that right and regardless of how corrupt the union in question might be, by repealing Section 14-B of the Taft-Hartley Law. Farmer would be subjected to the pressures of organized labor, either in his own operation or indirectly through related industries.

"The increased costs to the farmer inherent in these bills, Johnson said, "would add materially to the already critical cost-price squeeze on the farmer, and in the case of the cotton grower could go far toward nullifying research efforts to make cotton more competitive with man-made fibers and foreign production."

Johnson emphasized that these bills are only pending and have not yet been passed. "However," he continued, "their chances in Congress look good unless sufficient opposition to them is expressed to Representatives, Senators, and to the President of the United States."

Family Returns From Ozark Trip

Mr. and Mrs. Guy Gentry and girls have just returned from a vacation in the Ozarks, Coffeeville, and Arkansas. They report an enjoyable trip.

Mrs. Lillie Harper received word from her cousin, Mrs. J.C. Pfaff of Berger, that she has had major surgery and is recovering nicely.

Edward Hastings and wife came by and spent the weekend with the M.P. Gentrys and myself. They had been to the Ozarks. He is a nephew of Mr.

Gentry. Rev. and Mrs. L. Stonecipher from Roaring Springs are visiting his sister, Mrs. Virgie Shafer.

Mrs. Effie Gentry received word from her niece, Mrs. Lawrence Nesbit of Minot, N.D., that her husband is critically ill with encephalitis and is being flown to Lubbock to Methodist Hospital. Mr. Nesbit has been in a coma for several days.

Mr. and Mrs. Joe Moeller visited with their son, Benny Moeller, and family Sunday. Over the weekend they had as their guest, George Hilbers, and her sister, Mrs. Heddie Kelley, for a 42 game. Then they visited Mrs. Moeller's mother Mrs. Moeller's sister of San Angelo is to undergo major surgery this week and is very ill.

Mr. and Mrs. Calvin Willis spent several days last week at Buchanan Dam fishing.

Mrs. Bobby Gass was out to see us last week. I always look forward to her visits.

My company the last few days were Mrs. Bertha Rabb and her cousin, Bettie, from Amherst, Mrs. Bill Karon and son, Michael, Mrs. Ray Johnson and Brenda, Mr. and Mrs. G.R. Johnson, all of Lubbock. My daughter, Mrs. Johnson and family had just returned from a vacation in California. Little Brenda had to tell me all about Disneyland.

Another daughter, Mrs. Bobby Swann and children, and some friends, Keeny and Gary Rackler of Lubbock, were also

here. Mr. and Mrs. Roy Poage and little daughter, Polly visited his mother, Mrs. Herbert Shafer at Tulsa Monday, Mr. Poage also was at Tulsa on business.

WATERMELONS BEING DESTROYED

Someone has been going in the truck patches around here helping themselves to what they want and slashing the watermelons before they are ripe. It is very discouraging to the farmers who work so hard on these patches, to find such a thing has happened. I don't consider this a joke, it is a very unkind deed.

These mornings are so nice and cool that they make one hate to get up, but it is time for me to get what news I can. School is just started, vacation time is over, and we will soon be harvesting our crops. Doesn't everything look pretty since the rains?

PRODUCERS WINNING

Battle of the Boll Weevil!

BOLL WEEVIL CAN BE BEAT

The efficiency and effectiveness of the 1964 weevil control program, together with the continued support of producers, strongly points toward a complete High Plains victory over this most dreaded and costly of all cotton insects.

20% LESS REQUESTED FOR WAR CHEST

Economies effected in the first year's spraying, plus the fact that over 97% of producers helped finance it, made possible a substantial carryover of funds from 1964 to be used in 1965. This in turn has made it possible to reduce the requested producer contribution in 1965 from 50 cents to 40 cents a bale. And there is hope this can be further reduced in 1966.

The following is a financial report from the Boll Weevil Steering Committee of Plains Cotton Growers, Inc. to those who are so wisely investing in this vital program:

BOLL WEEVIL STEERING COMMITTEE FINANCIAL STATEMENT

Statement of Revenue and Expense		July 1, 1964 to June 30, 1965	
REVENUE FROM PRODUCERS			
Boll Weevil Eradication		\$919,655.00	(1)
EXPENSES PAID BY PRODUCERS			
Boll Weevil Control — U.S. Department of Agriculture	\$500,000.00	(2)	
Boll Weevil Control — Plains Cotton Growers, Inc.	39,454.46	(3)	
Refunds	27,191.23	(4)	
Interest	6,124.90	(5)

NET INCREASE IN FUNDS		\$346,878.39	
REQUIRED ESCROW FUND		\$100,000.00	(7)
AVAILABLE FOR 1965 OPERATIONS		\$246,878.39	

- (1) Producer investments at 50 cents per bale
- (2) Paid to USDA in October and November, 1964, pending final audit
- (3) Reimbursed expenditures from PCG general fund
- (4) Less than 3% of total contributions
- (5) Interest on money borrowed to begin spraying before contributions started
- (6) Total cost of program in 1964 was \$1,188,435.20, with the difference paid from Federal and State funds
- (7) Required escrow fund to remain 2 years beyond termination of the program

Area Prepares For Attack On Weevils

LUBBOCK -- Officials with the High Plains Boll Weevil Control Program are busy checking last minute details as they prepare to launch the second year's campaign against boll weevils.

This year's attack on the insect will start September 7 and officials say surveys show they should be able to eliminate about 40,000 acres from last year's spray area.

Current plans call for spraying 250,000 acres this year, compared to the 294,000 acre-area sprayed last year.

The boll weevil control program is an all-out effort to prevent the dread insect from Plains cotton. It is financed by cotton producers and State funds matched by money from the federal government.

The program takes in parts of eight counties bounded by Briscoe and Hall counties on the north and Garza and Kent counties on the south.

High Plains producers contributed 50 cents per bale to the effort in 1964, but Plains Cotton Growers arewide boll weevil committee has reduced this figure to 40 cents per bale for 1965.

The program has gained nationwide attention because of the magnitude of the operation and the method used for weevil control. The idea behind it is to attack weevils in the fall to prevent them from entering diapause, the physiological condition in which they overwinter.

Undiluted technical malathion is used in the spray program

Lasting

An easy and sure way of preserving quality of bread, sponge and angel food cakes is to store them in plastic bags. When well packaged, bread will keep in the freezer for 9-12 months, cake for about 4 months.
