

WEEK'S CAMPAIGN BRINGS IN 117 MEMBERS C of C Drive Is Big Success

With its one-week membership drive a whopping success, Slaton Chamber of Commerce directors this week started making plans to seek out a full-time, professional manager.

With a minimum goal of \$4,045 in membership revenue and at least 75 members in mind, Chamber directors were jubilant when 117 members signed up at an estimated revenue of slightly more than \$6,000.

Jim Hughes, C of C president, said the campaign "surpassed all expectations" and he thought the response indicated a new

"togetherness" by Slaton firms and businessmen.

Hughes announced that a Chamber "screening committee" would be appointed soon to begin the search for a manager. Primary purpose of the campaign was to include more members in the organization and, at the same time, secure enough revenue to employ a full-time manager.

Three teams of directors competed for honors in the membership drive with a team headed by Clark Self Jr. claiming first place. The winning

team signed up 41 members, while teams headed by Don Kendrick and Tommy Wallace tied with 38 members each.

The membership committee for the C of C drive had Hughes as chairman with Self, Kendrick, Wallace, Bob Kern and Jake Wendel as members. On the winning team were Directors Self, Jay Gray, Speedy Nieman, Willie Heinrich and Wayne Banks.

Three classifications, based generally on the size of the business and its participation in community life. Five mem-

bers signed at \$150 annually: Citizens State Bank, Slaton Savings & Loan, Pioneer Natural Gas, Southwestern Public Service, and Southwestern Bell Telephone.

About 37 members were assessed \$72 a year dues, while the remainder signed at \$36 annually.

A list of the members signed:

9 JUVENILE THIEVES ON PROBATION

Nine Slaton juveniles received terms of probation and curfew by action of the Slaton Youth Council in sessions held Thursday and Tuesday.

The council recommended the probation sentences and the curfews following the arrests of the youths. The youths admitted some 32 burglaries during the past four months.

Three youths appeared before the advisory board Tuesday and the remaining six had hearings on Thursday. One youth was referred to authorities in Lubbock.

The youth council heard each case and made recommendations for each juvenile in cooperation with the youth's parents.

The youths were arrested last Monday and Tuesday after one had admitted the high school burglary. The nine youths admitted being involved in shop lifting, theft of gas and tires, break-ins at ball parks, auto thefts and other similar incidents.

Officers spent most of Tuesday recovering the loot which was hidden at various spots throughout the city. The loot is valued at more than \$500.

In other police activity, Mr. and Mrs. G. R. Evans of 145 S. 4th sustained minor injuries in a two-car collision at 8th and Garza Sunday morning.

The pair has been released from Mercy Hospital. Driver of the other auto, Francisco Gallardo, was not injured.

Five cases of soft drink bottles were reported missing from Haddock Food. Carroll's Service Station reported a soft drink machine had been broken into and damaged.

Troy Bruster of 1505 S. 2nd said gas was siphoned from his pickup while it was parked at home.

Robert Limmer said a spare tire and wheel and a chrome gas cap and five gallons of gas was taken Monday.

J. F. Telfer of 255 S. 5th reported a total of \$51 taken.

School Trustees Pave Way For Federal Money

The trustees of Slaton Independent School District paved the way for more federal money Tuesday night in a split vote of the board.

In a 4-1 decision, the board approved the school to make application with three area systems for federal funds from the Office of Economic Opportunities.

The school district will make application for the money to finance a Neighborhood Youth Corp -- a organization which coordinates the employment of

underprivileged children.

The youth corp is for persons 16-21 years of age. Should Slaton gain approval from Washington, all students participating in the program must be enrolled in school.

Dr. P. L. Vardy, superintendent, said it would be one way of combating the problem of school dropouts. Also to qualify for the program, the student must come from a family whose income is \$3,200 or below. Students would work a maximum of 10 hours per week and would be employed by public organizations such as the school, city and county.

Students would receive \$125 per hour and would be required three hours of counseling and guidance each week. Other school systems to make application along with Slaton, Doctor Vardy said, are Wilson, Southland and Cooper.

Doctor Vardy said he projected approximately 30 local students would take part in the program. They would do jobs ranging from office work to plant maintenance.

The motion to make application was made by J. W. (Curly) Martindale and was seconded by Joe Miles. Also voting in favor of the proposition was Don Kendrick and Willie Heinrich.

Board member Tommy Davis opposed the plan while Max Arrants abstained.

In other business, the board approved the construction of a sidewalk on the south side of West Ward Elementary School. The walk would extend from the building to Scurry street.

The board gave Doctor Vardy and Bill Townsend, band director, the authority to negotiate the sale of some 70 used band uniforms.

Also in routine action, the board passed a resolution approving a \$40,000 bond for the school district's tax assessor-collector. The bond is required by law for twice the amount of money on hand at any one time during the fiscal year.

AT US-84 AND FM-400

Work Underway On Overpass

Preliminary work on the interchange at US-84 and FM-400 south of town started this week and should be in full swing by Monday, according to a report from Julian Smith, resident highway engineer from Post.

Smith urged motorists to use extreme caution when driving around the construction area. A speed limit of 35 will be in effect on US-84 all through the project, since much heavy equipment will be used in a small area.

The \$270,000 project will include grading, structure base and two separate pre-stressed concrete structures. The overpass bridges will be on US-84, going over the FM-400 crossing.

The new construction is tabbed to start just west of the Santa Fe tracks and extend about to 16th street. The two new highway lanes will rise across FM - 400 on separate concrete structures, leaving the present highway in that section to serve as access roads.

J. Q. Boswell and Boswell & Crafton of Lubbock are general contractors for the construction. Smith emphasized that stop signs on FM-400 will remain in effect. He said flagmen would be used when necessary, and urged motorists to be alert for movement of heavy equipment.

"No permanent detour is visualized," added Smith, pointing out that traffic will be detoured only on necessary occasions. The project is expected to take about eight months for completion, depending on weather conditions.

EDGAR C. HUNT
Retired Army Officer Named As City Judge

Edgar C. Hunt, 49-year-old retired army officer, assumed duties Oct. 1 as corporation court judge.

His appointment, according to Mayor Jonas Cain, is subject to the approval of the city commission at its regular meeting Monday night.

The appointment of Hunt filled a vacancy which was created by resignation almost four months ago. The judge's starting salary will be \$75 per month.

The last judge, W. H. (Doc) Legate quit his post after a dispute with the commission over the judge's salary. Legate had asked for a raise to \$125 per month.

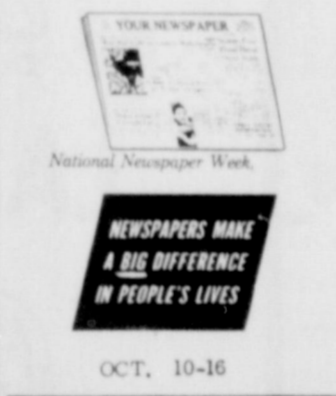

Hunt has been a resident of Slaton for approximately three months after his retirement from the army. He lives at 600 W. Crosby.

Serving overseas both during World War II and the Korean conflict, Hunt was last assigned to the Judge Advocate General's office for six years. He also presided over Army court martial boards for a period of four years.

While in the Army, Hunt also had duty as a military policeman in the intelligence department and was an assistant provost marshal for 10 years.

Mayor Cain has been acting as city judge since Legate's resignation. Quick approval of Hunt's employment is expected to be given by the council, Mayor Cain said.

Another new city employee will begin Oct. 16, Charles Norwood, a Slaton native, was employed last week as city administrator to fill the post vacated by the resignation of Wayne Baker.

Women Win In Grid Contest

The women continued to hold the edge in the football expert field as Mrs. Kathy Jones of 305 S. 7th won the Slatonite's fifth weekly grid guessing contest.

Mrs. Jones missed only two games while 12 persons missed three games. However, R. J. (Bob) Fondy of 250 W. Panhandle and Mike Melcher of Rt. 2 tied for second place with a guess of 36 points in the tie-breaker.

The Slaton-O'Donnell contest served as the tie-breaker and the total score was 52. For her first place finish, Mrs. Jones receives \$5. The second and third prizes, totaling \$5, will be divided between Fondy and Melcher.

Mrs. Jones missed the Post-Plans and the Lamesa-Monahans games. Plains' upset over Post was missed by the most entrants. Other games frequently missed were Andrews-Hobbs, Monterey-Amarillo, and Crosbyton-Ralls.

Fifty-nine persons entered the contest this week. Previous winners are Dolly Brown, Mrs. Leonard Foster, Barbara Bingham and Earl Eben Jr.

Neill Services Held Wednesday

Funeral services for Mrs. S. M. Neill, 32, were held at 2 p.m. yesterday in the Westview Baptist Church with Rev. Clinton Eastman officiating, assisted by the Rev. Byran Ross of San Angelo.

Mrs. Neill died in West Texas Hospital in Lubbock Monday afternoon following a long illness.

She was born at Edgewood in Van Zandt County on Feb. 8, 1933.

Burial was in Englewood Cemetery under direction of Williams Funeral Home.

Survivors include: the husband; three daughters, Patty, Vicky Jo and Terry; a son, Mark, all of the home; her parents, Mr. and Mrs. William Beck, Edgewood; two sisters, Mrs. J. T. Standfield, Turkey, and Mrs. Jack Simmons Jr., Salt Flat, Tex.; and two brothers, Theron Beck, Escondido, Calif., and James Beck, Camden, N. Y.

BENEFIT MOVIE NEXT TUESDAY

A benefit movie, with proceeds going to the Don Townsend Hospital Fund, will be held Oct. 12 under sponsorship of Slaton American Legion Post 438 and the Slaton Theaters.

The movie for the night will be a Walt Disney production, "So Dear to My Heart", in color and starring Burl Ives and Bobby Driscoll.

Tickets for the benefit movie, priced at \$1 per carload, are on sale by members of the Legion post, according to Commander Ray Dickie. The show will be at the Caprock Drive-In-Theater.

NaDean Gindorf, theater manager, announced that employees were also donating their time to the proceeds of the movie. The money will be added to the Don Townsend Hospital Fund at Citizens State Bank.

Slaton Man Cut In Fight Here

Charges are expected to be filed today following a knifing incident in Southeast Slaton Tuesday night.

In fair condition at Lubbock's Methodist Hospital is Jessie Ybarra, 21, of 400 W. Division. No arrests had been made late Wednesday but local police officers said charges of aggravated assault would likely be filed against a suspect today.

The incident occurred about 8:43 p.m. at a grocery store at 4th and Gene owned by Tony Perales.

Officers said an argument erupted after a drinking spree. Ybarra was cut on the right side of the chest.

Vardy, McDonald Head Campaign

One of a series of area steering committee meetings for the annual Boy Scout fund campaign was held here Tuesday morning at Bruce's Restaurant with Doug Galassini of Lubbock, council chairman, and Dr. Leo Vardy of Slaton, community chairman, presiding.

The group made plans for the annual fund drive in Slaton, setting Nov. 1 as the kick-off date for special gifts and Nov. 9 as the start of the general campaign.

Dr. Vardy announced the appointment of Carroll McDonald as general solicitations chairman. Other steering committee members here will be Alex Webb, rating chairman; Luther Gregory, special gifts; Ellis Schmid, arrangements; Tommy Wallace, auditing, and Speedy Nieman, publicity.

Majors and captains for the drive are to be named later this month. Scout executives and steering committee members from Lubbock and Crosbyton attended the meeting.

And, according to scouting reports, the Tigers need to be ready, Chastain termed the AA Longhorns as "probably the toughest club we've faced this season." They have size, speed and a good passing game, and the potential has shown in the last two Lockney games.

The Longhorns lost to Hale Center (18-23) and Kress (12-35) before coming through with impressive victories over Petersburg (14-0) and a tough Ralls team (24-13). The team is led offensively by quarterback Dale Galloway and two fast halfbacks--Neil Mitchell, 190, and Melvin Sisney, 150.

Slaton At Lockney For Annual Non-District Tilt

The Tigers put their revengeful attack to rest Friday night, tracking Lockney for a non-district battle with the AA Longhorns.

Time at Lockney is Slaton winds up its pre-district engagements.

Tigers will be seeking together two triumphs, and are fresh from a 22-0 win over Slaton 3-2 on Oct. 5, while Lockney is taking a rest last week.

Coach Neal Chastain

hopes he came up with the right backfield ingredients in last week's one-sided romp. Larry Pickens started at quarterback for the first time; Billy Gass moved to halfback, and Danny Scott switched from

guard to halfback.

These three, teamed with top ground-gainer Henry Johnson, apparently give the Tigers a more potent offense--both on the ground and in the air. Elaine Eddings Worthy Advisor Of Rainbows

Installation of officers of Slaton Rainbow Assembly 164 was held Saturday evening in Masonic Hall, with Elaine Eddings taking office as worthy advisor. Her mother, Mrs. Eugene Eddings, served as her installing officer.

A welcome to parents and visitors was given by Mrs. D. J. Bailey, mother advisor. Installing officers were past worthy advisors.

Participating were Jerry Eddings, installing officer; Barbara Henderson, installing chaplain; Linda Longtin, installing marshal; Kathy Simon-ton, installing recorder; and Mrs. Wade Thompson, past worthy matron, installing mus-

ician. Others taking office were Patsy Bryant, worthy associate advisor; Anna Pettigrew, char-ity; Betsy Bryant, hope; Donna Lankford, faith; Wanda Bailey, chaplain; Lynn Bryant, drill leader; Lisa Baugh, love; Lynn McCook, religion; Connie Ball-ey, nature; Vicki Tumlinson, immortality; Kathy Tumlinson, fidelity; Matilda Davidson, patri-otism; Melba Ayers, service; Ann Mathis, outer observer; Rita McCann, confidential ob-server; Linda Longtin, choir director; and Mary Helen Cham-pion, musician.

The worthy advisor's theme was "Keys of the Kingdom through Service". Her symbol was golden keys; her scrip-ture, Matt. 16:19 "And I will give unto thee the Keys of the Kingdom of heaven"; her flower, the purple iris-the rain-bow flower; and her colors, purple, gold and white.

Guest speaker was Rev. Dwight Lusk, pastor of Imma-nuel Baptist Church, Lubbock. The worthy advisor's song "I'll Never Walk Alone", was sung by Sharon Lusk, a member of Mackenzie Rainbow as-sembly of Lubbock.

Following the program, a gavel belonging to Mrs. Eddings was presented to the worthy advisor. Merit awards were presented to seven members.

The assembly room was decorated with golden keys and purple iris. The centerpiece on the serving table also carried out the worthy advisor's theme. Guests were registered by Bioba Eddings.

Honored guests were F. C. Odorizzi, past master of Lubbock 1392, and Barbara Henderson, junior member of Grand Credentials committee of the Grand Assembly of Texas. Ot-hers given recognition were past matrons and patrons, members of the advisory board and out-of-town guests.

A special drill was present-ed by the new worthy advisor and her officers as a closing benediction.

HONORED ON 50th YEAR — Mrs. Eva Smith, center, was honored Thursday night when the Slaton Chapter 585 Order of Eastern Star met at the clubhouse for dinner. She is the only charter member living and has been a

member of the Eastern Star for 50 years. Mrs. Smith is shown receiving a 50 year certificate from Mrs. Virgie Hunter, associate matron, and R. M. McMinn, worthy patron, is shown looking on. (SLATONITE PHOTO)

Slaton Chapter Hosts 50th Anniversary Of Eastern Star

The Slaton Chapter 585 Order of Eastern Star was host on their 50th Anniversary for Fri-endship Night Thursday at 7 p.m. in the Slaton clubhouse. Attending were 106 guests re-presenting chapters in Dist-riect 4, Section 2.

Highlight of the evening was the presentation of a 50-year certificate and gold pin to Mrs. Eva Smith, the only charter member living in Slaton. The award was made by Virgie Hun-ter, acting worthy matron.

Guests were greeted by R. M. McMinn, worthy patron. As they were registered by Mmes. H. E. Woods, R. L. Smith, Dudley Berry and Hunter, each received a pin symbolizing the anniversary with the OES em-blem.

The tables were arranged in the form of an "H" with the head table centered with a ma-ron and white old-fashioned lamp flanked on either side with the numbers "50" moun-ted on gold bases.

Side tables were decorated with old-fashioned lamps filled

with arrangements of leaves, flowers, fruits and vegetables sprayed with gold. Intersper-sed with these arrangements were old-fashioned lighted ker-oseene lamps and bronze hurri-cane lamps. In charge of decorations were Mr. and Mrs. O. B. Landmon and Mrs. B. A. Hanna.

Refreshments were served from a table centered with an antique glass bowl filled with golden vegetables. A cafeteria style salad supper was served

with Mrs. Wade Thompson and her committee in charge of arrangements. Invocation was given by Mrs. Hunter.

During the supper, back-ground music was furnished by Slaton High School's Majestic Combo composed of Doug Will-iams, Larry Marcy and Randy Johnson.

Mrs. Berry, program chair-man, introduced Mrs. Willard V. Childers who reviewed "Guide Lights on Texas Hist-ory" by Ananias Twist.

PROUD OF RIBBONS WON — Mrs. Milt Ardrey, who served as chairman of the exhibit committee for the Slaton Home Demonstration Club, is shown admiring ribbons won by the club at the Panhandle South Plains Fair last week. (SLATONITE PHOTO)

Recipe Of The Week

Members of the Slaton Home Demonstration Club were pleased last week when they found out they had won first place ribbons -- winning in the shirt and cookie division. Mrs. Alton Meeks won a fourth place for her grape jam entry and a second place for chocolate fudge.

South Plains Fair. Mrs. Joe Baker took two first place ribbons -- winning in the shirt and cookie division. Mrs. Alton Meeks won a fourth place for her grape jam entry and a second place for chocolate fudge.

Mrs. Earl Stahl won second for her entry of peach butter. Mrs. Wilfred Kitten's entry for peanut brittle took a second place ribbon while her entries of plum jam and pillow cases

both won third place ribbons. Mrs. Milt Ardrey came home with six ribbons. She won a first place for her entry of water-melon rind pickles, second for plum jelly, third for divinity, fourth for apple butter and a picture made from beans of a hen and rooster, and fifth for a suit she had made.

Mrs. Ardrey, who served as chairman of the exhibit com-mittee, agreed to let the Sla-tonite print her winning recipe for divinity. She said to "make sure" it spins a brittle thread in cold water. When asked if the old saying of not making divinity on a cloudy day meant anything to her, she said she made the divinity she entered at the fair while it was rain-ing.

Following is Mrs. Ardrey's recipe:

DIVINITY

- 3 cups sugar
- 1 cup white Karo
- 1 cup water

Cook above until it spins a brittle thread in cold water. Add slowly to three stiffly beaten egg whites with dash of salt added (Never beat egg whites until syrup is cooked) Beat with mixer as long as possible, pouring syrup into egg whites while beating. Add pecans and 1 tea-spoon vanilla and mix by hand until holds shape. Drop by tea-spoon on waxed paper.

Seven Slaton Twirlers Dominate South Plains Fair Competition

Seven Slaton twirlers brought home 10 of the 138 trophies and 20 of the 316 medals awarded in the 12th annual NFTA West Texas Twirling Festival at the Panhandle-South Plains Fair in Lubbock. More than 300 contestants from three states participated.

Robin Kerr, six-year-old daughter of Mr. and Mrs. M. W. Kerr, and Terri Ann Holland, seven, daughter of Mr. and Mrs. Joe Holland, won Lubbock County championship trophies.

Angela Wilkins, eight-year-old daughter of Mr. and Mrs. Ray Wilkins, won first on her intermediate solo and second in flag in national competition. In the county contest, she placed third with her solo. Her sister, Carla, three years old, was entered in two strutting events.

from last year's squad, Slaton won a thrilling 12-7 contest over Lockney here last season. The Horns have good size in the middle of the line, led by Pete Gipson, Mark Merrill and Bill Hays--all around the 200 - pound mark. Other veterans include end Dale Brown, 175, center Tim Hartman, 155, and guard Jack Mickey, 175.

Johnson had been the "workhorse" of the Slaton attack up until last week's game. He has rushed for 581 yards in 83 carries, averaging 8.8 yards a trip through five games.

On the basis of his fine performance against O'Donnell, Gass moved into second place with 168 yards in 38 trips, or a 4.4 average. Pickens has netted 70 yards in just 8 attempts for an 8.7 average. Gary Brush, out last week, has totalled 162 yards in 45 carries for a 3.6 average.

Pickens took over the passing leadership in just one game, hitting 5 of 18 for 117 yards.

Bobby Magallanes is the top pass receiver with 6 catches for 95 yards and one touchdown. Byron Johnson and Henry Johnson have caught 3 each--Byron for 62 yards and Henry for 35.

Slaton's defense was impressive in the O'Donnell game last week, limiting the Eagles to a total 59 yards--60 by passing and minus 1 on the ground. The Eagles had only four first downs, one by penalty.

'Children' Topic For Athenians

"Rearing Children" was the topic for the program at Athenian Study Club Tuesday night when it met in the home of Mrs. Harley Martin.

Mrs. Ed Moseley was in charge of the program and she introduced two guest speakers from Lubbock, Mrs. R. R. Karr and Mrs. Lois Harbison who are representatives of the Children's Evangelistic Fellowship Organization in Lubbock.

Roll call was answered by telling what the member's children did at an early age. Refreshments of cake and spiced tea were served to Mmes. Tommy Davis, R. C. Hall, Jr., Bob Kern, Don Mitchell, Ed Privett, Clark Self Jr., George Harlan, Jim Hughes, Moseley and the guests, Mrs. Karr and Mrs. Harbison.

Police Handle 39 Offenses

A total of 39 offenses were reported and investigated by the Slaton Police department during September, according to the monthly report released by Chief Robert Breedlove.

Of the 39 reported, 22 have been cleared and 17 are pending. Theft over \$5 led the list of complaints while 10 burglary cases were investigated during the month.

Three cases each were reported for theft over \$50, aggravated assault and vandalism. Theft under \$5 and destruction of private property were reported two times during the period. One missing person and an auto theft was reported.

A total of 44 persons were placed in jail during the month. Drunks headed the list at 21 while nine were drunk in a car. There were four cases of disturbances. Three persons were placed in jail for offenses of possession by minor and traffic violations. Two were arrested for vagrancy.

Fines collected for the jail arrests totaled \$888. One juvenile was arrested for burglary and theft. The youth council board heard six cases of burglary and theft and three for vandalism.

A total of 10 warrants were issued last month. Sixty-seven persons were arrested for traffic violations and \$444 was collected in traffic fines.

Thirteen traffic mishaps were investigated during September and property damage in the accidents totaled \$5,515. City patrol units traveled 4,946 miles on duty and used a total of 521 gallons of gas.

Centurettes In Wig Party

Mrs. Jack Halre was hostess for the Centurette Study Club's monthly meeting Monday night. The group held a business meeting, and were served refreshments of brownies and cold drinks before going to a "wig party" at Sears Roebuck Co. in Lubbock.

After answering roll call naming a favorite flower, the club voted to donate \$25 to the Don Townsend Hospital Fund. Seven members attended the "wig party" presented by wig consultants of Lubbock. Those making the trip were Mmes. Melvin Basinger, Donald Basinger, Jack Haliburton, Bob Hopper, Holly Sims, Pat Taylor, and Halre, Mrs. Taylor was the winner of a door prize.

The next scheduled meeting is for Nov. 1 in the home of Mrs. Donald Basinger.

Fire Facts

Every day in the United States, according to National Fire Protection Association estimates, fire levies this tragic toll of death and destruction: 32 lives... 1,520 homes... 14 schools... 8 churches... 5 hospitals and nursing homes... 120 stores... 135 industrial plants.

Only you can improve the record. Prevent fires... it's your job, too!

WITH ATTENTIVE ENCOURAGEMENT

NATIONAL NEWSPAPER WEEK

Newspapers are the schoolmasters of the people. That endless book, the newspaper is our national glory. —Henry Ward Beecher

Long before the spark for freedom was ignited at Concord and Lexington, the unique role of the press in maintaining and protecting the freedoms Americans now enjoy, was effectively demonstrated.

The first licensed newspaper appeared in 1704, but was heavily censored. A turning point in the fight for a free press in America came thirty years later with the famous trial of John Peter Zenger, publisher of the New York Weekly Journal, who was jailed for calling the colonial governor dishonest and oppressive. He was freed by a jury when he proved his accusations to be true, therefore not libelous.

Bit by bit, the right of the press to report and comment on public affairs was established and this principle was embodied in the First Amendment of the new Federal Constitution.

Today newspapers remain constantly on the alert to protect the public's right to know—in police stations, in court rooms, legislative bodies, city halls and executive mansions.

Newspapers inform the community on the local civic, social, fraternal, spiritual activities and strive for community betterment.

During National Newspaper Week, celebrated October 10-16, we re-dedicate our efforts toward greater community progress and understanding through sound reporting and objective editorial interpretation.

finements in the Corvair and Corvette, and the regular Chevrolet has an even "bigger car" look.
Safety Features -- Numerous safe features are made standard on all models ranging from a padded instrument panel and padded sun visors to rear seat belts and backup lamps.
Mechanical Features -- New engines include a 250-cubic inch I-6 and two 427-cubic inch V-8's. A new three-speed fully synchronized transmission is standard on all Chevrolet models.
Options -- Offered for the first time, in addition to the more than 400 options and accessories already available to Chevrolet buyers, are a single-dial automatic heating and air conditioning system, a bench front seat with center armrest, adjustable front seat headrests and tilt-telescoping steering.
Interiors -- Restyled, high fashion interiors are featured

in all models. Bucket seats in Chevrolet, Chevelle and Chevy II models are a new slim "Strato" design. Each of the 14 station wagons has an all-vinyl interior.
 Here are details on the six Chevrolet lines for 1966:
Regular Chevrolet -- Headed by the luxury Caprice series, there are 19 models in five series. A color-keyed paint stripe distinguishes the Caprice Custom coupe -- which has a special roofline unique among all Chevrolet models -- and the Caprice Custom sedan. The two Caprice Custom station wagons have walnut grained exterior trim. All Caprice models have high prestige interiors.
 The regular Chevrolets have a more powerful appearance, with a forward-thrust to front fenders and bold horizontal bars in the grille. Individual moldings and ornamentation designate each series. All have taillamps integrated into the

rear quarters and deck giving a wider look.
Structural improvements have been made in both chassis and body. New springs, shock absorbers and softer bushings and body mounts increase smoothness and quietness of ride. The 110-inch wheelbase is retained.
Performance of the base six cylinder engine is improved by increasing displacement from 230 to 250 inches. Six V-8's are available, including the two new 427-cubic inch engines. Horsepower range is from 155 to 425. Five basic transmissions are offered, including Turbo Hydra-Matic.
Chevelle -- The popular 4-door hardtop body style joins Chevelle models for the first time. A total of 12 models in four series are offered.
 Distinctive will be two Super Sport 396 models. Simulated scoops on the hood emphasize that a new 396-cubic inch engine is standard on the "SS 396" convertible and a companion "SS 396" sport coupe.
 The hardtop also has a new roof line employing wide, flowing rear quarters and a recessed rear window.
Seven engines -- two sixes and five V-8's -- give the Chevelle buyer a wide range of

power choices. Horsepower ranges from 120 to the two 396-cubic inch V-8's rated at 325 and 360 horsepower. Four transmissions are offered.
Chevy II -- The most complete change in exterior and interior appearance since its introduction in 1962 models gives new beauty to the seven models in three series of Chevy II.
 Retaining its 110-inch wheelbase, the 1966 Chevy II is slightly lower and longer and more than 1.5 inches wider than previous models. There are new rooflines on all sedans and coupes.
Seven engines -- a four cylinder, two sixes and four V-8's -- allow a broad power choice. The horsepower ranges from 90 to 350. There are three transmissions.
Corvair -- The smooth continental styling of Corvair is continued for 1966. Styling refinements include new rocker sill and wheel opening moldings, new front panel emblem, plus fresh design of the rear grille and taillights.
 There are seven models in three series -- all either convertibles or 2 and 4-door hardtops. Wheelbase continues to be a highly maneuverable 108 inches.
Four rear-mounted, air cool-

1966 CHEVROLET Caprice Custom Coupe and 1966 CHEVELLE Super Sport 396 Coupe

NEW CHEVROLETS FOR 1966 -- Two of Chevrolet's newest additions for 1966 are the luxurious Caprice Custom Coupe (below) and the stylish Chevelle Super Sport 396 Coupe. The Caprice Coupe is destined to be the style leader among regular size cars and the Chevelle Super Sport is distinguished by a new roof line with recessed rear window and a '396 SS' identification in grille and rear cove area. Along with these two models, Chevrolet will offer 48 other models for 1966. Dealers throughout the country will show the new cars on October 7.

Now! '66 CHEVROLETS

Caprice Custom Coupe

NEW CAPRICE BY CHEVROLET
 Custom Coupe, Sedan and two luxurious new Custom Wagons now. Liquid smooth ride. Power you can order just as

smooth and pin-drop quiet. Turbo-Jet V-8 engines that go all the way up to 425 hp. Shimmering new interiors. The look of hand-rubbed walnut trim. Elegance everywhere. Made by Chevrolet, so you know what a beautiful value it must be.

IMPALA

NEW CHEVROLET JET-SMOOTHER

We've again specially tailored those coil springs at every wheel to each body style. We've put in new softer shock absorbers. No Chevrolet has ever had a ride like this. Power begins with a thrifty Six at 155 hp, and goes on from there. Turbo-Jet V-8's available at 325 hp, 390 hp and 425 hp in all the new Impalas, Bel Airs and Biscaynes. Model shown: Impala Super Sport Coupe.

NEW CHEVELLE SUPER SPORT 396

...New 300 Deluxe models. New Malibus. And two Super Sport 396's -- coupe and convertible -- with engine tell you exactly what kind of Chevilles they are. Available with 396-cu.-in. Turbo-Jet V-8's, either for 360 hp. And both come with special hood, suspension, emblems, red stripe tires, floor-mounted... eleven beautiful new Chevilles in all -- and all as... as they are outside, headlamps to taillights.

Chevelle Super Sport 396 Coupe

Nova Super Sport Coupe

Corvair Sport Coupe

NEW CHEVY II
 Different, we should really call it the Chevy III. Roofs are swept back on coupes. Fenders, grille, hood, taillights and bumpers are all new models. Interiors are richer. Power available up to a Turbo-Fire V-8. You can even order headrests for the front seats... wheel covers. What's the economical, dependable Chevy...? A lot of smart '66 car buyers, we figure.

'66 CORVAIR UNIQUE

Still America's only rear-engine car. And with the special steering and suspension you can add, there's no better way to rid yourself of prematurely gray driving. Lots new. Corvair, like all the '66 Chevrolets, has a padded dash, seat belts front and back, new fully synchronized 3-speed. Corsas, Monzas, 500's. Get one. Stay young.

Hairdressers Attend Meeting

ed, six-cylinder engines are offered with horsepower ranging from 95 to 180, and choice of 3-speed, 4-speedor Powerglide transmissions.
Corvette -- America's only sports car continues its program of annual styling refinement with a new nameplate on the hood, body side trim, grille and wheel covers. There is a special high-domed hood on models with a 427-cubic inch engine.
 There are two Sting Ray models -- a convertible and a sport coupe -- on a 98-inch wheelbase.
Four V-8 engines are available. Horsepower begins at 300. Inclusion of the new 427 V-8's increase maximum horsepower to 425. Three transmissions are offered.
Sportvan -- Combining passenger car luxury with durable commercial chassis components, this vehicle rounds out Chevrolet's product versatility.
 Three models are offered on a 90-inch wheelbase. Two six-cylinder engines of 120 and 140 horsepower are available with 3-speed and Powerglide transmissions.
 For 1966, Chevrolet offers 15 colors -- 6 of them new -- with up-to 8 two-tone combinations. Vinyl roof covers in black and beige are available for certain hardtop models.

Cinderella Beauty Salon was represented at a meeting of the Texas Association of Beauty Hairdressers, Unit No. 26 Monday night in Littlefield. Making the trip were Mmes. Winnie Vaughn, Charlotte Sartor and Nancy Culver.
 The unit usually meets in Lubbock, but met at the Littlefield Security Bank in Littlefield on invitation of the Littlefield Chamber of Commerce. Mayor J. E. Chisolm made the welcoming address to the group. A style show was presented, courtesy of businesses in Littlefield and Lubbock.
 Coffee and cheesecake were served to those attending.

50 New Water Wells Drilled

A total of 50 new water wells were drilled in Lubbock County during July and August, according to the report released by the High Plains Underground Water Conservation District.
 There were 59 permits issued by the county committee and seven replacement wells were drilled. Five dry holes were reported.
 In the entire area, 315 new wells were drilled and 32 replacement wells were finished. Fourteen wells were dry or non-productive for other reasons. A total of 261 drilling permits were issued.

Appearance Has Grades Effect

It's a smart mother who knows that a girl's appearance has an effect on the grades she brings home from high school, says Mrs. Lynn Parks Stiles, Texas A & M University Extension Service consumer education specialist.

These are the years, of course, when daughters are likely to have complexion troubles, known as adolescent skin. Anxieties about facial blemishes can actually destroy self-confidence. This, in turn, can affect ability to concentrate on studies.

The best thing a mother can do is to add another subject, beauty care, to her daughter's schedule. It should not be a sophisticated routine, but a simple soap and water program that medical authorities recommend for difficult skin.

Mothers can teach daughters to apply dense, warm suders to the face like a mask. Let this

mask dry, then rinse it off and apply a second coating of suders. Next, rinse the skin thoroughly.

Such a simple treatment helps draw out dirt from the skin and flush out dirt that otherwise would cause blemishes. The treatment is better, some beauty experts say, than hard scrubbing which can injure youthful skin, adds Mrs. Stiles.

Mrs. F. H. Lowry and her mother, Mrs. Della Hodges who has been visiting here for the past several weeks, will leave Friday for Mrs. Hodges' home in Brea, Calif.

Mr. and Mrs. J. H. Trussell left Friday for Shreveport and Ruston, La., where they will visit relatives. They will also travel to New Smyrna Beach, Fla., to visit friends. They will be gone about two weeks.

Pontiacs On Sale Today

Motor Division's new Tempest and Le Mans series offer extensive styling, engineering, and availability. The 1966 go on sale today.

The Tempest line has been expanded by the new five-door hardtop and the new GTO series for the first time in the history of the six-cylinder hardtop. The Tempest models are a true Pontiac's policy of evolutionary design and engineering break through.

The GTO, a completely new 1966 series, has its own front end including grille, parking lamps, hood and ornamentation. The side view shows a full length rocker panel molding plus rocker extensions on the front and rear fenders.

The GTO rear end has its own tail lamp design consisting of horizontal painted louvers on each side of the rear end panel. Each louver has a fine bright chrome edge and the red tail lamp lens is recessed in the slits between the louvers. Individual block letters are mounted on the central painted panel and a GTO initial ornament graces the deck lid.

PONTIAC -- The 1966 Pontiacs have been restyled for a lower silhouette and wider appearance while maintaining the look of power and prestige identified with Pontiac.

The split grille and long lean directional nose theme continues to dominate the Pontiac front end look. The twin horizontal air intake openings on either side of the central nose are finished with bright bezels. New distinctive nameplates blend with the new long, low side appearance.

From the back, long horizontal twin tail lamps are double chrome framed and ported into the rear sheet metal. Bright faceted letters spell Pontiac in the wide central panel.

The 2 Plus 2, now a separate Pontiac series, takes on more individual identity in 1966. The front and rear will be easily identified with the bright red

wagon.

The new 2 Plus 2 series offers a hardtop coupe and a convertible.

A four-door sedan, four-door hardtop and a new model, a two-door hardtop coupe, are available in the Star Chief Executive series.

A Bonneville hardtop coupe, four-door hardtop, convertible and station wagon are offered in that series and the Grand Prix hardtop coupe tops Pontiac's new car list.

TEMPEST -- New roof lines give the 1966 Tempest a completely new styling theme and big car appearance. Body side sculpturing is noted by its clean simplicity with a suggestion of sports car flair. Both coupes and convertibles are noticeably faster in profile with dropping belt lines and on the coupe a complete break away from conventional upper design prevails.

The Le Mans back end treatment has an additional bright ribbed full width molding between the tail lamps.

The GTO, a completely new 1966 series, has its own front end including grille, parking lamps, hood and ornamentation. The side view shows a full length rocker panel molding plus rocker extensions on the front and rear fenders.

The GTO rear end has its own tail lamp design consisting of horizontal painted louvers on each side of the rear end panel. Each louver has a fine bright chrome edge and the red tail lamp lens is recessed in the slits between the louvers. Individual block letters are mounted on the central painted panel and a GTO initial ornament graces the deck lid.

2 Plus 2 emblem on hood and deck while the side will carry a very narrow stainless molding just below the lower body line.

To go with its new name there is Executive block lettering on the front fender side replacing the Star Chief script and a cluster of three horizontal star ornaments on the rear quarter fender.

The styling treatment of the Bonneville thins and lengthens the side appearance and a new Bonneville crest appears on the long rear fender. The rear end is completely new with the emphasis on body sculpturing. Three bulb tail lamps are on either side with the winged Bonneville crest in the center.

The distinction of the new Grand Prix begins with the front end where the dual air intakes are neatly outlined with a narrow chrome leading edge. Larger and more sharply defined rectangular parking lamps are suspended at the grille ends and Grand Prix initials are on the left side.

The rear end is a combination of three horizontal elements; painted louvers, fine chrome louver edges and red tail lamp and reflex material.

IMPRESSIVE DESIGN -- This 1966 Bonneville hardtop coupe again represents the styling and engineering leadership offered by Pontiac. Other Bonneville models available are the convertible, four-door hardtop and station wagon. Bonneville styling thins and lengthens the entire side appearance. The elegant Brougham is also available as a Bonneville option. All models offer the famous Pontiac V-8 engine as standard equipment.

Columbus Day Broadcast Set By KCAS Radio

Paul Mosser, Grand Knight of Slaton Council No. 2571, Knights of Columbus, has announced that a Columbus Day Address by Supreme Knight John W. McDevitt, head of the million-member fraternal benefit society of Catholic men, will be broadcast at 12:45 p.m. Oct. 12, over Station KCAS. Dr. McDevitt, a member of

the order's board of directors of the Knights of Columbus since August, 1955, was appointed to the office of Deputy Supreme Knight by the board of directors in 1960 and to the office of Supreme Knight on Feb. 22, 1964, an appointment which was repeated on Oct. 2, 1964. Dr. McDevitt was appointed a Knight Commander of the

Order of St. Gregory the Great by Pope Paul VI in January 1965. He is well known for his many years as a teacher, professional administrator, and chairman and member of several boards of commissions in the public schools of Massachusetts prior to his appointment as Deputy Supreme Knight. National School Lunch Week Set

What kind of lunch does your child have at school?

Around 30 percent -- 31.1 percent -- of all students enrolled in Texas public schools eat in lunchrooms operating under the national school lunch program of the U. S. Department of Agriculture.

This means your child has a wholesome and nutritious meal of meat, poultry or fish or other high protein food, fruits or vegetables, enriched bread, usually baked in the lunchroom; butter or margarine and a half-pint of whole milk.

To call attention to the value and achievements of this program, the President of the United States has proclaimed Oct. 10-16 as National School Lunch Week.

The President cited the national school lunch program as "an outstanding example of a local-state-federal partnership to protect the health and well-being of the nation's children."

About 3,415 Texas public and private schools are operating under the national school lunch program, which provides federal funds.

eral funds, foods and technical assistance to help keep the price of meals low to students.

Texas students pay an average of 31¢ per lunch, according to Charles Hicks, chief consultant, school lunch program, Texas Education Agency.

USDA - donated foods are distributed to schools by the Texas Department of Public Welfare.

The school lunch program is handled at the federal level by USDA's Consumer and Marketing Service.

Last year, Texas schools received about \$6,660,000 in federal funds and 50,796,583 pounds of USDA - donated foods, according to John J. Slaughter, southwest area director, food distribution programs, C&MS, Dallas.

Each of the eight tentacles of the octopus is lined with suction cups that enable it to hold the shellfish on which it feeds.

Day Jones is the popular name of sailors for an evil sea spirit or the devil generally.

The word "democracy" is Greek in origin, means literally "rule of the people."

The tiger scores again!

It's dramatically fresh and new, but still very, very Pontiac. That's written all over it, from the no-doubt-about-it new front end to the trimly tailored rear. (Did you think for one minute that we'd leave out the unique Pontiac styling character you like so well? Never!)

Another nice thing about the '66 Pontiacs is that there are more of them--3 new super-sumptuous Broughams and 4 Venturas. And, of course, for you other Pontiac lovers we've got a bright new Grand Prix, new Catalinas, new Star Chief Executives--all with new Wide-Track ride and improved cat-quick handling. But you'll discover those things when you slip behind the wheel and turn a new '66 tiger loose. **Wide-Track Pontiac/'66**

and again!

You're looking at the newest thing in tigers. Sleek, lean-muscled new style. New power that starts with a revolutionary new kind of six and ranges through four V-8's. Crisp curves shape the new silhouette, and the sports coupe sports a smartly recessed rear window.

Pontiac's revolutionary overhead cam six acts more like a V-8, looks like no six you ever saw, and still remembers that saving is what six buyers buy sixes for. Delivers 165 hp (or you can specify the sports package which includes the 207-hp version). And it's standard on all Tempests, Tempest Customs and Le Mans. V-8's? Up to 360 hp in the GTO. Southland Outscores Loop, 28-24

BY ROY MCQUEEN
Slatonite Staff

Southland crowned its homecoming queen during intermission, then came back to overcome a six-point deficit and to capture a 28-24, conference victory over the Loop Longhorns.

It was the loop opener for both 8-man squads and the Eagles' season record is now 3-1 while Loop is 0-4 for the campaign. Coach Bobby Dyess' squad takes on Wellman tomorrow night.

Southland came out on top despite three pass interceptions and two fumbles lost. Loop was never able to capitalize

PASS COMPLETION -- The Loop Longhorns complete a short pass in the fourth quarter against Southland Friday night. Southland won the game in the loop opener of the Class B 8-man football tilt. The Eagle defender is freshman Darrell Wilke.

on the Eagle mistakes. The Eagles, led by workhorse freshman Habler Salinas, rushed for 235 yards on the ground. Southland attempted four passes and three were intercepted. The hosts managed 13 first downs and received nine yards in penalties.

Loop managed seven first downs and ground out 70 yards rushing. The Longhorns added 96 more yards in the air with seven pass completions out of 17 attempts.

Loop fumbled three times and were set back five yards for backfield in motion. Southland scored first, late in the opening quarter, when Bill Beavers crashed over from the two-yard line. Salinas tried for the extra point and was stopped cold.

The tally climaxed a 66-yard drive by Salinas on rushes of 10, 14, 4 and 20 yards.

Loop took the kick off and Southland ran three plays before Loop was forced to punt. Southland fumbled on fielding the ball and it was recovered by Loop defenders. Loop pushed to the 29-yard line but the drive was stopped by a tough defensive front.

Southland attempted to move downfield again and a pass by Sammy Wartes was picked off by Billy Shipley and returned to the 20. Garian Yocom passed to Joe Walters for six yards and the quarterback added four more on a delay.

Southland was offside and the ball was moved half the distance to the goal line to the three. Yocom faded back and hit Wal-

ters in the endzone for six points. The PAT failed on a pass play and the score stood 6-6.

Southland took the kickoff and was unable to move the ball. Dennis McGehee dropped back to punt. He was rushed hard and it appeared that he would be dropped for a loss.

However, the fleet-footed junior twisted, faked, jumped and sprinted for 71 yards to put Southland out front. Beavers' try for the extra point fell short.

Yocom took the kickoff on the 17-yard line. He fell in the wedge set up by Loop and raced up the middle of the field for 63 yards and a Loop touchdown. William Gamberlla was stopped at the line on the try for extra points.

Loop went out front late in the second stanza when Yocom took a Southland punt on the 38 and returned it to the 20. Five plays later, Yocom sneaked

over from the three and Loop led at the half, 12-18.

In the third quarter, Loop received the kick and Southland recovered Shipley's fumble on the 34-yard line.

Southland moved the ball to the 14 before Dennis McGehee scampered on a cross for the score. Beavers added the extra points and the Eagles led, 20-18.

Late in the third period, the Eagles held Loop on downs. Jackie Abshier took the punt and raced 62 yards for a Southland TD. McGehee rounded end for the two extra points and Southland remained out front 28-18.

On the first play from scrimmage after the kick, Yocom faded back and hit Gamberlla alone down field for a 44-yard pass completion and the final score of the game.

The final quarter went scoreless as Southland dominated the pigskin. The Eagles ran 17 plays while Loop managed to get off nine.

FOOTBALL SWEETHEART -- Marion Eckert was crowned grid queen of the South Friday night during the intermission of their victory over Loop. Escorting the 23 Dennis McGehee and No. 49, Roal Salinas.

Wilson Mustangs Host Whiteface

The Wilson Mustangs, fresh from a weeks' open date, play host to the Whiteface Antelopes Friday night in a Class B non-conference tilt.

The showing the Mustangs make against Whiteface may be indicative of how well the Mustangs fare in district competition. Cooper, a district foe of the Mustangs, ran over Whiteface last week, 36-0.

However, Wilson will be playing without the services of 200-pound junior tackle Mike Ward. Ward was admitted to the hospital for knee surgery after

being injured in practice Tuesday.

Wilson goes into the contest with a 1-2, won-loss record. Wilson will be trying to get back on the winning trail after winning only the first game of the season over Lazbuddie.

Wilson has been paced by lettermen center Gary Williamson, guard David Tucker, end Jimmy Koening and halfback Dennis Verkamp.

Whiteface has had trouble from the beginning of the season in an attempt to find a suitable field general. The Antelopes have three offensive regulars and four defensive starters from last year's squad which finished third in league standings.

Cooper Romps Past Whiteface

The Cooper Pirates handed the Whiteface Antelopes their fourth straight loss of the season, 36-0, Friday night in a class B non-conference tilt.

Cooper started with a bang with 22 points in the first period. Halfback David Kahlich, a top ground gainer in the South Plains, added two touchdowns and two extra points. He has scored a total of 50 points during four tilts.

Kahlich scored first with a 30-yard scamper. Fullback Roy Peterson added the extra points. Kahlich went over on a 20-yard plunge later in the period.

Cooper moved the ball to the one for the third touchdown in the initial period. The score was 28-0 at the half as Peterson again scored with a 15-yard scamper.

The avalanche of scoring ended in the third period when Jonny Gomez dived over from the one. Kahlich ran the extra points.

Whiteface threatened in the finale when the Antelopes moved to the two yard line. The offensive surge bogged down as Cooper tightened its front wall. Cooper continues on the road next Friday night in a non-

conference tilt. Cooper will have as the Lions are 21 lettermen. Two of the starters, Quarterback Winningham was last year and guard Mitchell was an all selection as a junior. New Deal has played with five boys at 10.5 century.

A fire drill was held in the gymnasium. Tenthom.

Roosevelt Bows To Petersburg

The Roosevelt Eagles bowed to the Petersburg Buffaloes, 51-0, Friday night in the opener of District 4-A action.

The two teams have a 1-4, record for the year. The Eagles play host to Ralls tomorrow night in another district encounter.

The Buffaloes opened the scoring attack early in the first period when all-state fullback Bud Robertson scampered over from 19 yards out. The point after touchdown was added on a kick by Jim Weathers.

In the same period, Kerry Groce passed to Jones for the touchdown and again Weathers added the extra points.

In the second stanza, Sammy Canales went over from the eight-yard line for the third Petersburg score. Weathers added the PAT.

In the third period, Groce passed to Jim Parks for another tally. The extra try point failed but Weathers added a field goal with 17 second left in the quarter.

In the finale, Weathers passed 11 yards to Jim Looney for

another Petersburg score. The try for extra point was wide. The final drive for paydirt came when Mike Richardson crashed over from the 13. He added two points on the conversion.

Petersburg gained 408 yards on the ground and 145 in the air. Roosevelt faces an inexperienced backfield Friday against Ralls although seven return in the line. Ralls finished third in the loop race last season after narrow losses to Petersburg and Idalou.

Veterans Data Not Being Kept Up To Date

Thousands of veterans are neglecting to keep up to date their listing of a beneficiary for their GI insurance policy proceeds, Jack Coker, manager of the veterans administration regional office in Waco, warned today.

Because of this the insurance proceeds may not be paid to the individual nor in the manner the veteran would wish, he pointed out.

A divorced wife or wealthy parent may take precedence over a present wife or children since the VA must pay the proceeds of the insurance policy to the beneficiary designated by the veteran himself, Coker said.

A recent sampling indicated that six out of ten veterans had failed to change beneficiaries or payment options to meet changing family conditions, the VA manager said.

Necessary forms for these changes may be obtained from any VA office or by writing directly to the VA insurance office where the veteran pays his premium.

Tigers Trounce O'Donnell By 52-0

BY SPEEDY NIEMAN
Editor

Offensive changes put the "tank" of Slaton High School football team right as Coach Neal's crew erupted with a half scoring show against the O'Donnell Eagles in a 52-0 score.

Switch in the offensive with the appearance of back Billy Gass at a halfback post, and the installation of Larry Pickens as a fullback slot, responded from the run-

ning-back assignment with 131 yards rushing in 16 trips with the ball, while Pickens hit 5 of 18 passes for 117 yards and broke loose for a 58-yard touch-down scamper.

Slaton notched only two touchdowns and a 14-0 lead in the first half of play at O'Donnell, but the Tigers chalked up 14 points in the third period and 24 in the final stanza to pile up the highest point total for an SHS team since 1953. The Tigers rolled over O'Donnell that year by a 53-8 count.

Gass, Pickens and Henry Johnson each tallied twice following a wave of crisp blocking into the end zone from nine yards out. Pickens passed to Byron Johnson for two points and it was 8-0 with 6:44 left in the first period.

of the season against two defeats, the Tigers rolled up a net 316 yards rushing and another 162 passing--by far their top offensive showing in some time.

Not to be outdone, the Slaton defense shutout the Eagles so completely that the home team wound up with a minus 1 yard rushing. The Eagles had only four first downs and crossed the midstripe just one time.

O'Donnell hit a couple of passes in the fourth period and moved to the Tiger 33 before Doyle Ethridge intercepted a pass to halt the drive.

Slaton took the opening kickoff and was stopped on its first thrust but, after an exchange of punts, Johnson started the Tigers goalward with a 57-yard run before being caught from behind at the O'Donnell 15.

down at the Eagle 46. A long pass by Pickens was intercepted as time ran out.

Shortly after the second half started, Byron Johnson recovered an Eagle fumble at the O'Donnell 42, and the Tigers had another tally in just five plays. A pass to Henry Johnson covered 33 yards in the drive, and Johnson banged over from the one to climax the march. Gass' running attempt failed and it was 20-0 with 8:02 left in the third stanza.

O'Donnell was stopped cold after the ensuing kickoff and punted to Slaton's 28. Ten plays later the Tigers tacked on another six points with Pickens carrying over from four yards away. Pickens hit B. Johnson and Bobby Magallanes with passes of 24 and 28 yards to spark the drive. Gass carried for two points and it was 28-0 with 2:01 left in the third quarter.

The Eagles stopped Slaton once on downs, then the teams exchanged punts before the Tigers started rolling again. With the ball on their own 17 following a punt, the Eagles fumbled a pitchout, and Slaton recovered on the 10. On the first play, Gass dashed around left end for the tally and it was

34-0 with 6:36 left in the game. On the second play after the kickoff, Ethridge intercepted his first of two Eagle aerials, returning it 30 yards to the O'Donnell 25. Scott was trapped on the first play and lost 11 yards, then Gass got 12 on a reverse. On the next play, Gass sliced off right tackle on a quick opener and dash 24 yards for the score. Scott's run for bonus points fell short and it was 40-0 with 4:28 left.

O'Donnell lost two yards after four tries with the ball, and a 25-yard punt carried only to the Eagle 43. Chastain sent in his second team and David Turner was stopped for no gain on the first play. Harlan lost two on an end sweep, then little Allen Miles dropped back and lofted a pass to Oran Smith at the Eagle 20. Smith took the pass on the run and sailed on across for another tally. Miles' pass try for two was no good, but it was 46-0 with 2:03 left in the game.

The Eagles made one first down on a pass following the kickoff, then Ethridge intercepted another pass and returned it 23 yards to the Tiger 38. Facing third and six, Pickens faded back to pass, was rushed hard, and ran up the

Local PP&K Competition Scheduled Here Saturday

More than 100 future Tigers will give hometown grid fans a look into the future Saturday morning when the youngsters try their skill at passing, punting and kicking the pigskin.

The fifth annual Punt, Pass and Kick competition -- sponsored by Smith Ford of Slaton -- begins at 9 a.m. at Tiger Stadium. The play will be directed by Steve Smith.

Deadline for entering the event is Friday. No late entries will be accepted, Smith pointed out. The competition is open to all youths, aged 8-13.

The top six scorers in each Ford sales zone will be invited to represent their zones in a Ford district competition.

After competition in the 37 Ford districts, the top six youths in each age group will qualify for the area competition in each NFL-area city.

The six National champions will be determined between champions of the Eastern and Western Divisions at half-time of the Playoff Bowl game in the Orange Bowl in Miami Jan. 9.

POSEY ITEMS

Farmers Busy As Harvest Approaches

Farmers around here are busy repairing cotton trailers, getting ready for the harvest. For awhile in July it looked pretty gloomy it was so hot and dry, but now the cotton has turned out good. Even the dry land is pretty well loaded.

I don't believe there will be too much cotton hand pulled as most everyone says they intend to machine their cotton. However, there are a few hands pulling now, but the gin hasn't been too busy yet. Soon, the rush will be on. Some will defoliate and get their cotton out earlier than those who wait for the freeze.

MAEKER REUNION
Mrs. Heddie was a dinner guest at the home of Mr. and Mrs. Boyd Bryant Sunday. The occasion was the Maeker Reunion. Among others attending were Mrs. Leon Maeker of Shiner, Mrs. Bryant's son, Bobby Vivial and family, of Lubbock, Mrs. Annis Schnell of Slaton, and Mrs. Meurer and two sisters, Pauline and Margaret. Most all the Maekers were there but I failed to get all the names.

Mother Stahl had a few days of illness last week, but has been feeling much better. Also Mr. and Mrs. Mert Gentry have been making trips to the doctor.

Foland Schuette is gradually improving in the home of his son, Daniel, in Slaton. He is bedfast after suffering a broken hip and leg in a wreck. We hope all these folks are better soon.

BIRTHDAY PARTY
Miss Rhonda Willis was entertained with a birthday party in her home with about 10 little friends. Cake and ice cream were served after they played games. Her brother, Alton, entertained them with his "Johnny McCarty". Rhonda is six and very anxious to enter school.

PHONE LINES DOWN
Thursday night most all the phone lines were broken on Gentry Lane. Someone came through with some sort of vehicle too tall, and the repairman really had a time restringing line across the road.

Most of the houses are on

the north side of the road and the line runs on the south. I think every line except the Mert Gentrys was broken. I couldn't have slept if I had known my phone was out that night.

LETTER FROM FORMER POSEY PASTOR
I received a nice letter from the Rev. and Mrs. Joe Goodin who are in Japan. They are missionaries and have been doing this wonderful work for 25 years. They plan to return to the states next summer, and said they would love to hold a revival in or near Posey. He was a pastor here before he married and left for missionary work in Japan.

LOCALS
Mr. and Mrs. T. A. Johnson visited the Raymond Johnsons Thursday night for a 42 party at Lubbock. The Johnsons are on their way this week to Exeter, Calif. to visit his brother and wife, Mr. and Mrs. Jack Johnson.

Mr. and Mrs. Bert Darland visited with the Mert Gentrys over the weekend. They are from Morton. They report good crops. Their son-in-law is improving nicely from an extended case of encephalitis.

Mr. and Mrs. J. D. Kitchens of Lubbock were visiting in the home of Mr. and Mrs. P. C. Kitchens Sunday.

Bill Joplin of Meadow and a former resident of Posey is suffering from a fractured hip he sustained from a fall in his home last week. Bill farmed here for several years. He is in a hospital at Brownfield. His doctor says it isn't a bad break, so we hope he gets along fine.

My visitors last week were Mrs. LaVerne Karon and son, Mrs. Bobby Swann and family of Lubbock, Mr. and Mrs. Tom Johnson, and Mrs. Rose Maeker.

Again I am asking the Posey readers to please call in your news to me. It is difficult to call so many and then find the lines busy. Come on folks, lets make the Posey News as good as possible. My number is VA8-3041.

Catholic Daughters Plan Annual Bazaar

In a meeting of the Catholic Daughters Monday in St. Joseph's Hall, the group decided to have the annual turkey dinner and bazaar Nov. 7.

The bazaar will begin at 2 p.m. in St. Joseph's school. The organization plan to have baked and canned goods, fancy

work, games and prizes for all ages.

Donations toward the scholarship fund, operation understanding, and the Don Townsend fund were made. Each member was asked to donate any pencils, paper, crayons, toys, messengers, or other articles they might have toward 'the missions. For further information, members can contact Mrs. E. J. Wimmer, chairman of missions.

The committee to visit the ill for the month of October is Mmes. Victor Bukemper, chairman, Raymond Bukemper, co-chairman, Curtis Brue-digam, Eugene Brue-digam, and Miss Kathy Bukemper.

Chairmen for the refreshment committee for October were appointed and are Mrs. Francis Grabber and Landis Franke.

Spiced tea and doughnuts were served to the 33 members present. Mrs. Wilfred Kitten was winner of the door prize.

Gunshot Kills Lasater's Brother

Funeral services were held at 2 p.m. Sunday in Andrews for Virgil Bell Lasater, 54-year-old brother of M. H. Lasater of Slaton.

Services were held in the First Baptist Church of Andrews and interment followed in Andrews Cemetery. Officiating was Dr. John R. Rasco, pastor of the Odessa First Baptist Church. He was assisted by the Rev. Carl Grissom, minister of the Andrews church.

Lasater was found fatally shot in an apparent dove hunting accident 15 miles southwest of Andrews Friday afternoon. Lasater was field man for an Andrews pipe-line contracting firm.

Lasater, an ex-county judge, was found by an oil company employee on one side of a barbed wire fence and a hammerless .410 shotgun was found on the opposite side of the fence.

Lasater evidently caught the full charge of one barrel of the shotgun in the left chest. Lasater was appointed county judge in Andrews in 1955 to fill out the unexpired term of the late Milton Ramsey. He was elected in 1958 and served until 1962.

Earlier in Andrews, Lasater had operated a grocery and furniture store. M. H. Lasater is owner of Lasater-Hoffman Hardware in Slaton.

Presbyterian Women To Host District Meeting
The Women's Association of the First Presbyterian Church here will be hostesses to an all day meeting of the Southern District of the Plains Presby-teria Tuesday. Mrs. Virgie Hunter is president of the local association.

The meeting will include officers and representatives from 14 churches throughout the area. The all day affair is to be held at the church.

Area Physicians Meet In Lubbock
Physicians from throughout the Texas Panhandle, Western Oklahoma and Eastern New Mexico will attend the annual meeting of the Panhandle District Medical Society to be held Oct. 9 at the KoKo Palace in Lubbock.

The meeting will feature a distinguished panel of speakers in the medical and surgical fields as well as cover medical - economics and medical - legal problems. It will be held in conjunction with the sixth annual Methodist Hospital Lectureship and the annual meeting of the Lubbock Surgical Society.

Speakers will be Lloyd H. Smith, M. D., chairman of the department of Medicine, University of California School of Medicine; Peter H. Forsham, M. D., professor of medicine at the University of California School of Medicine; Richard C. Lillehei, M. D., associate professor of surgery, University of Minnesota School of Medicine and James D. Hardy, chairman of the department of surgery at the University of Mississippi Medical Center.

Mrs. Ford Stansell and Mrs. Harvey Tunnell spent last weekend in San Angelo where Mrs. Stansell visited her mother, Mrs. L. H. McBee. Mrs. Tunnell was teaching and demonstrating for the Porcelain Art Club of San Angelo and surrounding territory.

Pastors, Layman Convention Held

The Northwest Conference Pastors and Laymen's convention was held Oct. 1-2 at the Grace Lutheran Church of Slaton, with 78 persons registering for the two day affair.

Theme of the convention was "My Brother's Keeper". The Rev. Dr. Vernon Mohr of Austin preached the sermon Friday night, followed by Holy Communion.

A film, entitled "The Sponders" was shown. This film was from the stewardship office of the American Lutheran Church.

On Saturday, the Rev. Ed Long of Austin gave an address, "My Brother's Keeper-Through the ALC". Reverend Long represented the Southern District Stewardship committee. In the afternoon, he gave another talk on "My Brother's Keeper - Through the Congregation".

The convention adjourned Saturday afternoon at 4:30. A turkey dinner was served by women of the host church.

Altar Society Plans Meeting

Ladies Altar Society met Monday in St. Joseph Cafeteria to make final plans for the Diocesan Council of Catholic Women convention to be held in Slaton Oct. 19 and 20th.

Mrs. W. A. Heinrich and Mrs. Leroy Bukemper were selected as delegates to the convention. Alternates will be Mrs. Joe Kitten and Mrs. Nestor Kitten. Approximately 200 ladies are expected to register.

The society began plans for its annual turkey dinner which will be served Nov. 7 in St. Joseph Hall.

Houston Hodges Is Speaker Here Sunday

Houston Hodges of Lubbock will be guest speaker at the First Presbyterian Church here Sunday morning.

Hodges will speak for the 11 a.m. worship service. An open invitation is extended for the church service.

Trinity Revival In Progress

A revival is in progress today at the Trinity Evangelical Methodist Church of Slaton.

Services continue through Sunday. Prayer service begins at 6:30 p.m. while the worship service is at 7 p.m. Morning services are at 10.

The Rev. Robert Parks of Waller, Tex. is evangelist for the revival. He is pastor of the Evangelical Church of Waller.

Directing the singing is Robert Mauldin while Mrs. O. D. Kenney is the pianist. The Rev. Linham Prentice, pastor, invites the public to attend.

SUNDAY'S SERMON

ALWAYS RIGHT

Most are familiar with the saying, "I may not always be right, but I'm never wrong." Many of us, while we are not so bash as to make this comment, often conduct ourselves as if we held this opinion.

When things go wrong, we can always find someone to blame. If the mistake was our own, we manage to find some unusual reason for it, usually action or inaction on the part of someone else.

We cannot be always right. We're human. If we make no mistakes, it is because we are doing nothing. If we make mistakes in day-to-day living, the thing to do is to admit them, to profit by them, try to correct them, and then turn to new things.

When we recognize our errors and our follies, we are doing right, we are "right" with ourselves, and with the world about us. We are, too, more ready to understand and to make allowances for the mistakes of others.

the Word
"Thy word is a lamp unto my feet; and a light unto my path."
— Psalm 119:105

If you are a Christian, are blessed with a great gift. It is a heritage of truth that remains unchangeable no matter how many someone attempts a revision offers a "studied" translation.

This truth is the word of God. It is found in the Bible. It is found in Ten Commandments, which form a guidepost for Christian living.

Accept this truth; it is less to argue against it. Science and common sense do not permit you to be unaware. You fool no one, not even yourself, if you pretend to know or disbelieve.

IN NATIONAL MERIT PROGRAM

Slaton Student Is Commended

Doug Williams, Slaton High School senior, has been honored with a letter of commendation for high performance on the National Merit Scholarship Qualifying Test given last spring. He is among 38,000 students across the nation recognized for scoring in the top two percent of students who will complete high school in 1966. These students rank just below the 14,000 semifinalists announced last month. David E. Powley, school counselor, said the commendation is a "notable academic achievement for Doug." John M. Stalaker, president of the NMS corporation, in announcing the commendation, said: "In a rigorous competition like the Merit Program, it is unavoidable that many fine students will miss being named semifinalists by a narrow margin. Nevertheless, the student in this situation is very capable and deserves generous recognition for his distinguished effort."

Pioneer Gas Announces New Officers

The election of a number of officers to new positions was announced today by C. I. Wall, President of Pioneer Natural Gas Company. Elected Senior Vice Presidents were H. R. Budke, B. P. Smith and T. S. Whittis. K. B. Watson was elected Administrative Vice President and General Counsel and was also elected a Director of the Company. J. J. Wiley was elected Treasurer and Harold G. Gray was elected Secretary. C. J. Gholson was elected Assistant Treasurer. H. R. Budke will serve in an advisory capacity to the President concerning the operations of the Company. He has been with Pioneer and its predecessor companies since 1930, and prior to his appointment as a Senior Vice President, was a Vice President in charge of the distribution operations of the Company. M. B. Edquist, who has been with the Company since 1935 and since 1961 has served as Vice President of the Company in charge of the Amarillo Distribution Division, will assume the position formerly held by Budke as Vice President in charge of all distribution operations. B. P. Smith has been with the Company since 1955 and has served as Vice President and Treasurer. Your feet must last a lifetime, and if you've been sightseeing, hiking or just walking a lot lately, you're probably quite conscious of this fact. Just because your feet are the lowest extremity of your body, doesn't mean that they deserve to be mistreated. Far from it. If your feet are to last a lifetime and serve you well, they require good care. If you can heed the findings and suggestions by researchers and physicians before you have difficulty with your feet, you'll be way ahead.

According to a recent study, three times as many boys as girls have mild to severe skin problems with their feet. The researchers related that fact to the girl's students' tendency to take off their shoes or slip their heels out of their shoes when sitting in classes or elsewhere. The girls also wore lighter and lower shoes than the boys. Both of these habits tend to minimize excessive perspiration of the feet.

Prespiring feet are moist feet, and moist feet provide an excellent environment for the growth and multiplication of the organisms which contribute to diseases of the feet. Although the locker room has long been considered the culprit of foot infections, research shows that fungous disease of the feet is probably not spread by such exposure.

Instead, there are several points you can note and include in your foot-care program.

Keep your feet clean by washing them frequently, always drying them thoroughly. If needed, use an antiseptic foot powder after drying.

As for footwear, use lightweight, light colored socks to minimize excessive perspiration. And change socks whenever they become damp.

The shoes, researchers found, normally contributing the most to good foot hygiene are those that cause the least perspiration. And as for youngsters, the researchers found that oxfords are preferable to boots, sneakers or tennis shoes for all-day wear.

Remember, your feet must last a lifetime, so give them the best of care.

A set of important amendments to the Railroad Retirement Act and Railroad Retirement Tax Act was signed into law by President Johnson on September 29, 1965. These amendments are designed mainly to strengthen the financial condition of the railroad retirement system. In addition, they liberalize the payment of benefits to certain wives of retired railroad employees.

The amendments make the following specific changes:

1. Taxable and creditable earnings. -- The maximum amount of earnings taxable and creditable towards benefits is increased to \$550 monthly, effective January 1, 1966. Employees earning more than \$450 a month will pay somewhat higher retirement taxes, but their benefits will also be larger. The average employee will receive more in additional benefits in his lifetime than he will pay in additional taxes.

2. New tax rate schedule. -- The tax rate on railroad employers and employees alike has been cut by 1 percent for the remainder of 1965 and by smaller amounts for the years 1966 through 1968. Under the new tax schedule, the rate will drop from 8-1/8 percent to 7-1/8 percent for the remainder of 1965 and then will rise in stages to 9.35 percent beginning in 1973. These rates are exclusive of the hospital insurance tax rates established by the recently enacted "medicare" legislation.

3. Wives' annuities. -- Reductions will no longer be made in the monthly benefits payable to wives of retired railroad employees because of concurrent entitlement to social security or railroad retirement benefits. This change will benefit about 40,000 women whose husbands are now receiving annuities from the Railroad Retirement Board. Some wives who never filed applications for benefits because of the reduction provision may now begin to draw benefits if they file for them. Otherwise, the Board will make the adjustments in the wives' benefits automatically. The beneficiaries are therefore asked not to write to the Board about them.

4. Tips. -- Cash tips received by employees in work covered by the Railroad Retirement Act are now generally taxable and creditable as compensation when reported by employees to their employers. September 17, 1965.

ITEM: If houselights seem dim, it may be that dust, grime and dead insects are beclouding chandeliers and light fixtures. Use a sturdy stepladder to remove fixtures, soak them in a bathtub using warm water and a pine oil cleaner. Sponge off stubborn dirt, rinse and dry with a soft cloth.

ITEM: Spare the calories when you cook. Avoid fried foods. Use skim milk in place of whole milk or cream. Serve simple fruit and gelatin desserts made with plain gelatin and a non-caloric sweetener.

Homecoming Big Success

Everyone would agree when I say that homecoming was a success. A lot of people, I think that I myself a lot. Several former teachers and students were here and recognized, "Spec" and the teachers were the guest from what I understood a lot of re-

Mrs. J.L. Swindle for a couple of days last week. The Swindles live at Paris, Tex. They both taught here until a few years ago. Mrs. Swindle was the first grade teacher and very dear to all our hearts. She really was a second mother to the children. Mr. Swindle taught in High School, I sure would like to see them, and I bet you would too. Visiting with Mr. & Mrs. Ed Denton this past week were their daughter, Mrs. Louise Corson, Mason Hampton from Marioloma, Calif., Mr. & Mrs. Dale Haragan and five children from Portales, N.M., and Mr. & Mrs. Jerry Shelton from Lubbock. Mrs. Denton and Louise visited both the Methodist and Baptist churches at Southland on Sunday night. Louise will be leaving for her home in Anchorage on Thursday of this week. Mrs. Dub Pierce (Betsy Lou Basinger) from Kingsland was visiting here over the weekend. She came for Southland's Homecoming. She says the fish have been biting real good! Wish I could go home with her!

ATTEND REUNION

Mr. & Mrs. Spencer Bevers and children attended the Bevers reunion that was held in Snyder on Sunday. It was held at the Toll Memorial Park and about 50 people attended from San Angelo, Sundown, Odessa, Denver City, Post, Justiceburg and Brownfield. Mrs. Bevers said that next Sunday her side of the family will have a family reunion at Post, and it will be the "Granny" Hodges reunion. It will probably be held in the 4H building and relatives and friends will come from Houston, Arkansas, San Angelo and Post. I think that family reunions are just wonderful and every family should have one every year or so!

AT FRIENDSHIP NIGHT

Some of our Southland O.E.S. ladies attended Friendship night at Slaton last Thursday night. Those attending were Mrs. Lucille Myers, Mrs. Opal Pennell, Mrs. Maxine Louis, Mr. Alice Martin, Mrs. G.N. Smallwood, Mrs. Thelma Burkett and Mrs. Ed Denton. It was held at the clubhouse. Kenneth and Karen Gail Callaway invited some of their friends over to their house last Friday night after the home coming. They were Mr. & Mrs. Dee Hodge (Carolyn Sue Kasinger); Mr. & Mrs. Chris Gindorf; Cecil Stolle; Bunny

Smith; Mr. & Mrs. Harold Wayne Donahoo; Mr. & Mrs. Don Harlan Pennell; Mrs. Libby Stahl; Mrs. Elsie Pierson and Mr. & Mrs. Delmar Wilke, HAVIS' ATTEND FUNERAL. I would like to extend our sincerest sympathy to Mr. & Mrs. Herman Havis who received the word yesterday (Sunday) that a nephew of Mr. Havis had been burned to death in a house fire at Jonesboro. This was another one of those terrible tragedies and we were so sorry to hear about it. Mr. Havis is our Southland Gln Manager. Mr. & Mrs. Havis have gone to Jonesboro for the funeral. Mr. & Mrs. Alvie Allbright have moved into their new home. Mr. & Mrs. Hub Taylor went to Canyon on Saturday to attend Dad's Day at West Texas State Teacher's College. Their daughter is a student there. Kenneth Davies has gone to Colorado to visit an aunt. Mr. & Mrs. Kenneth Davies' two granddaughters from Alpine spent last week with them. These girls are the daughters of Linda Stewart who teaches school at Alpine. Mr. & Mrs. Robert Becker and children from Brownfield visited Mr. & Mrs. Willie Becker on Sunday. Edmund and Yours Truly visited Lonnie Stabenot at the Methodist Hospital on Sunday. Lonnie underwent surgery last Friday afternoon.

Vegetable Ways. Have you cooked carrots with golden raisins, then seasoned them with a bit of butter, brown sugar and lemon juice? Delightful!

Tomato slices topped with bread crumbs mixed with crumbled blue cheese and sliced stuffed olives are tasty and appealing.

Saute zucchini with onion, then add some soy sauce and toasted, sliced almonds as seasoning. A real taste treat!

Green beans, celery and chives; it's a good combination to cook. For seasoning add crumbled bacon, sugar, vinegar, salt and pepper.

Green or red tomatoes can be sauteed after dipping in seasoned flour. Just before serving, stir in some sour cream.

Yellow squash can be sliced and cooked in a skillet with onion, water and salt. Just before serving toss with bread cubes, butter and grated Cheddar cheese.

Students Prepare For State Fair

Another week has gone by and I still haven't received too much news, I am very proud to say that I have several more new readers.

If any of you know of a little tad of news, please get it to me by way of pony express, carrier pigeon, bicycle, PHONE (Well you never know, you might get the line.), drop it off at the Slatonite or put it in your mail box, addressed to the Slatonite and head it Roosevelt News.

You may think the news you have would be an everyday thing but to others it would be real news. We have readers all over the United States and foreign

countries who wait each week for this paper, just as if it were a letter from home. Let's don't disappoint them.

If there is anyone who would like to send the Slatonite to a student, away in college, please call me. The rate is \$2.50 for nine months in Texas and \$4 out of the state.

I think that everyone from out this way was at the fair last week and I hope that your kids enjoyed it as much as mine did.

The State Fair is coming up this month in Dallas and I know six Roosevelt students that are really working hard to get their calves ready for the

show. Here is hoping they all come back with a ribbon. The six are Brady and Pam Mims, Joyce, Max, Phyllis and Randy Thomas.

Leslie (Collops) Guy is doing fine after her accident last week in Lubbock and knowing Leslie, it won't be long until she is going strong again.

Another of Roosevelt's ex-students, James Alspaugh, is taking an electronics course at L. C. C. this year. I understand he is having a pretty hard time getting back into the groove of studying and the algebra is just not as easy as it was 30 years ago.

HOMEMAKERS VISIT MILL
The Roosevelt Young Homemakers visited the Ralls Tex Mill last week for a very interesting tour of the mill. The group was shown the step by step process of the cotton in its raw waste stage to the finished woven fabric. Fifteen members and six guests went to Ralls on the field trip. The second year homemaking class of Roosevelt went along with the club.

The club's next meeting will be Oct. 12 in the club house at 9 p.m. The program will be "An Informative Demonstration On Wigs", to be given by Marjorie Hopkins and Rita Dunagan of The Acuff Beauty Salon. This will also be visitors day and everyone is cordially invited.

REVIVAL BEGINS
Roosevelt Baptist Church will begin its revival Oct. 11 at 7:30 p.m. Morning services will begin Tuesday the 12th, at 10 a.m. Dr. W. A. Creswell, pastor of the First Baptist in Dallas, will be preaching. Everyone is welcomed to attend all services.

Roosevelt's football boys didn't do so well last Friday night at Petersburg but we are sure hoping they really get up and go tomorrow night with Ralls here at Eagle Stadium. The Junior High teams will play Spur here this evening starting at 5 p.m. Good Luck to all the football teams this week end.

See you next week I hope???

NEVER BE AFRAID TO GO TO A DENTIST.
Such fears are old fashioned. They date back to the long past time when people so neglected their teeth that they waited till they were hopelessly decayed and had to be extracted.

NOW WISE PEOPLE PROTECT THEIR TEETH.
From childhood on, children are taken to a dentist regularly. New "miracle" drugs prevent infection. Modern dental techniques have as their ultimate purpose to save teeth, not extract them.

DENTISTS CAN WRITE PRESCRIPTIONS.
They often prescribe medicines to soothe the anxiety of a nervous patient, prevent pain to be used for the treatment of dental ailments.

REGULAR DENTAL CHECK-UPS ARE NEEDED.
Otherwise cavities become more troublesome and increase in size. As one gets older, receding gums can create problems. Follow your Dentist's advice about how often your teeth should be cleaned and checked.

WE STOCK ALL DENTAL AIDS.
Whether your Dentist specifies a particular medicine, a dental preparation, or a special type of tooth brush, depend on us to have it waiting for your regular or emergency need.

Immunization Against Flu Is Recommended For Certain People

There may be an increase in influenza in the United States this winter.

Many of us can avoid a bout with the flu by proper immunization.

The forecast for the coming season is based on the two to three-year periodicity of the disease, says the Journal of the American Medical Association. The last major outbreaks were in 1926-63, and, on the West Coast, in 1963-64.

Immunization is particularly recommended for certain high risk groups. These groups include:

- * Persons at all ages suffering from chronic disease, as rheumatic heart disease, other heart and circulatory problems, respiratory ailments such as asthma and emphysema, and diabetes.
 - * Persons in older age groups. Influenza deaths are higher in those past 45, and much higher in those beyond 65 years.
 - * Pregnant women.
 - * Patients in nursing homes and chronic disease hospitals.
- Vaccination should begin in September and ideally should be

completed by mid-December. There should be two doses, about two months apart, to provide full protection. However, the interval can be reduced if an epidemic threatens. Maximum immunity comes about two weeks after the second dose. Those vaccinated within the past two years will need only one booster dose this fall.

The vaccine in common use this season offers protection against five different types of virus, all capable of causing influenza.

The vaccine will not insure complete protection against influenza, but it has shown for some years a marked degree of protection for a large majority of those who receive it.

Ask your doctor about influenza protection for you and your family.

Tax Report

State and local governments collected \$125 billion in taxes during the first quarter of calendar year 1965 — an increase of \$523 million or 4.4 per cent over the first quarter of 1964, according to a recent Census Bureau report.

IN LUBBOCK COUNTY

Oil, Gas Producers A Marketing \$1 Million

Lubbock County's producers and royalty owners are marketing some \$1 million in crude oil and natural gas, a year, according to statistics released by Texas Mid-Continent Oil & Gas Association this week.

Ranking 163rd among Texas oil and gas producing counties, Lubbock County in 1963 received some \$1 million from wellhead sales of oil and an estimated \$3,000 from natural gas. County production of oil was approximately 348,000 barrels; natural gas, 27 million cubic feet.

Farmers, ranchers, and other mineral owners share in a \$130,000 distribution of oil and gas royalty payments annually.

The association based its annual study of this county's oil and gas output on statistics compiled by the U.S. Bureau of Mines for 1963. Production data for 1964 would be approxi-

mately the same. Statewide, Texas oil and gas wells produced an estimated \$3.6 billion in income — \$2.9 billion from oil, \$730 million from gas.

Data from the Texas Employment Commission indicate direct employment in oil and gas industry jobs for more than 1,075 Lubbock County citizens with a payroll of approximately \$6 million a year. Because oil operations require such a large number of service contractors and supply firms which are not included in this figure, direct employment figures are only part of the story of local economic impact.

An important indicator of activity is the amount expended on drilling of wildcat wells seeking new fields and those wells drilled to develop field already located. The associa-

tion estimates approximately \$750 million in expenditures by Texas operators on wildcat operations in Lubbock County.

A tabulation of expenditures in 1964, one oil hole was drilled, development well for wildcats. In addition to county property and gas operations production to County flowed \$48,000 a year.

Beethoven's first was as an asset at \$63 a year.
