57TH YEAR, ISSUE NO. 28 LUBBOCK COUNTY SLATON, TEXAS THURSDAY, APRIL 18, 1968 10 CENTS

Primary Vote Interest Climbing

With primary elections in Lubbock County just a little more than two weeks away -- on May 4 -- political interest is becoming a little more apparent on the local level.

Although there are a number of races on the county level, little interest had been shown until the day of decision actually "came into view." Taking the spotlight in Slaton has been the county commissioner race for Precinct 2.

The Democratic primary has incumbent Max Arrants of Slaton, seeking his first elective term, facing Marvin McLarty Jr. of Lubbock for the precinct post. Over in the Republican primary, another Slaton man -- Bo Becker -- is running against Philip O'Jibway of Lubbock for the GOP nomination.

Also on the local level, each party has a Slaton candidate for the 31-a-year constable's job, Precinct 2. Allen Meurer is the Demo candidate, and C. C. (Cliff) Weaver is the GOP nominee. Neither has a foe in the primary elections.

The county sheriff's post and the office of county attorney are two other county -- level races which appear to be stirring up some interest. Longtime sheriff Grady Harist is being challenged by C. H. (Choc) Blanchard and Melvin Ward in the Demo primary, and the Republicans have George Forston on the ballot for a race against the Demo nominee in the general election.

Tom Purdon and Jack Layne have been campaigning actively for the county attorney's office. There is no GOP candidate. A three -- man race for the Demo nomination of State Representative, Dist. 76, Place 3, also draws some interest. John J. Kendrick of Brownfield, R. H. (Mac) McAllister and Robert T. Mansker of Lubbock are in that race. On the GOP ballot is Eddie Paxton.

The much publicized governor's race lists 10 candidates on the Demo ballot and three on the Republican ballot. "Straw votes" on liquor -- by -- the drink, pari -- mutuel betting on horse racing, and proposed creation of a Texas Dairy Commission should draw much interest, since the results will indicate to the Texas Legislature the feelings of the voters on these controversial issues.

Not frequently mentioned are the precinct chairman on the local level. Demo nominees are Judge C. Smith Jr. in Precinct 36, Wayne Liles in 37, and Charlie Whalen in 38. On the Republican ballot, nominees are W. J. Klattenhoff and Johnny Snider in Precinct 36, Ted Swanner in 37, and Mrs. Bo Becker in 38.

Precinct conventions are scheduled Saturday, May 4. Watch the newspaper for time and place of your precinct convention. Only party members, those who have voted in the primary, may participate in the precinct, county and state conventions. The county conventions are set for Saturday, May 11.

makers -- Kitchen Korner; American Legion and Auxiliary -- Bingo; Lions Club -- concessions; Catholic Daughters and Ladies Altar Society -- Country Store; Slaton High School Band and majorettes -- Candy Corner; Mercy Hospital Auxiliary -- Children's booth; and Athenian Study Club -- Hobby Shop, Fishing Pond and Talent Show.

Prizes of \$7.50, \$5 and \$2.50 will be awarded winners of the talent show. The show will begin at 8 p.m. An added attraction during intermission will be a group of singers called "The Wayfarers." Dee Bowman, manager of Radio Station KCAS, will serve as master of ceremonies. Out of town judges will select the top winners.

Talent will range from violin to bongo drums; singing to clown act; and dancing to twirling. Entries in the show, as reported by committee chairman Mrs. Harley Martin, are as follows: Solo entries will be Paul Martin, Holly Meeks, Carter Langford, John David Moore, Jana Lee Green, Ronnie Clemons, Robin Kerr, Johnny Petty, Cindy Green, Deborah Ricker, Vicki Little, Paul Hall, Rhonda Moseley, Janet Belk, Paul Sumrall, Sherill Wilson, Trevor Jones, Mary Ybarra, Dana Fenley, Michael Thomas, Tom Longtin, Johnny Ray Harris, Jr., and Evonne Marie Harris.

Other entries are Patti Jo and Felicia Kay Little; Carla and Brent Wilkins; Cherry Menzel and Cathy Townsend; Elvora Moore and Cynara Gibson; Clay Mitchell and Doyce Field; Cathy, Debbie and Bobby Townsend; Angela and Vicki Wilkins; Kris Richardson and Laurie Green; Buddy Pettigrew and Billy Fenley.

Spring Festival Time Arrives Here Saturday

From all indications the annual Spring Festival, sponsored by the Athenian Study Club, will be big and better this year. The festival will be held Saturday beginning at 4 p.m. in the Junior High Cafeteria. Admission is 25 cents.

Local organizations and clubs will join together in sponsorship of 12 booths. Some will appeal to children, others to adults.

Something new for this year's festival is a talent contest. Last

year a talent show was held but no prizes were awarded nor was the talent judged. A list of 33 entries was turned into The Slatonite this week.

Following is a list of the organizations and booths: Slaton Art Club -- art display with art items for sale; VFW Auxiliary -- Cake Walk; Ladies Auxiliary to the Brotherhood of Railroad Trainmen -- Goodie Corner; Slaton 4-H Club -- sewing, baked goods and wood work; Slaton Young Home --

Absentee Voting Underway Here

Absentee voting in the May 4 primary elections opened Monday, with Slaton voters having a convenient ballot box at Kertan Studio on the west side of the square.

Deadline for absentee voting falls on April 31, four days prior to the election date. Voters who will be out of the county May 4 may cast the absentee ballots at the studio office here, or at the county clerk's office.

A report from Beverly Kercheval Wednesday revealed five people had voted absentee here so far.

May primary voters who have moved into Lubbock County on or after Nov. 4, 1967 must vote between April 15 and 30 in the county clerk's office.

Under a new law no one who has resided in the county less than six months may vote at a regular polling place and all voting by such persons must be done through the county clerk's office.

The office is open from 8:30 a.m. to 5 p.m. Monday through Friday.

Both the Democratic and Republican party ballots are available at the absentee box. A voting procedure change will be noticed on both ballots, too.

Voters long have been accustomed to voting for candidates by voting "against" opponents -- that is, scratching out the names of unwanted candidates and leaving unmarked the names of wanted ones.

Now, voters will vote for their candidates by marking an X in a square beside the names of the desired nomination seekers. The official ballot bears the instructions: Vote for the candidate of your choice in each race by placing an "X" in the square opposite that name.

Primary ballots for both parties also have three "straw vote" propositions to find out Texas voter feelings on liquor-by-the-drink, pari-mutuel race betting, and for a milk pricing commission.

BEAUTIFICATION DRIVE

Pansy Project Launched Here

Slaton's annual clean-up campaign continued this week with a new beautification project added to the overall project.

A drive to place potted pansies in front of stores and business firms was launched last week. Bud England, chairman of the beautification committee of Slaton Chamber of Commerce, announced Wednesday that 31 merchants had already signed up for 62 of the flower displays.

England said the committee chose the pansy because it "is a hardy flower and is also known as the friendly flower." He said the committee hopes to contact all firms who might be interested in participating in the program.

The potted pansies will be sold for \$5 for two pots, with the idea of placing one on each side of the front door. The pots will be small enough so that they can be placed inside at night. The pansies will be delivered to each participating firm, and the bill sent by the Chamber office.

England invited interested persons to call the Chamber office if they are not contacted soon.

The committee launched a clean -- up, fix -- up, paint-up drive last week in cooperation with the City of Slaton, urging all citizens to participate in helping make the com-

munity more attractive.

Mayor Jonas Cain proclaimed the period of April 15-May 1 as "Beautification Time" in the city. Citizens are being urged to clean up yards and vacant lots, and to put large trash items in the alley for city crews to pick up.

Burglars Loot Fertilizer Firm

A thief, or thieves, made off with some \$2,494 worth of tires, tools and chemical weed killer after breaking into the Kitten-Moseley Fertilizer building on US-84 bypass early Saturday morning.

Police were still seeking clues to the burglary this week, after manager Jerry Kitten reported the break-in last Saturday morning. Entry was gained by breaking a window. The loot includes about 100 tires. A Coke box was also broken into and money taken, and a 20-gauge shotgun with a cracked barrel was stolen.

In other police activity, one juvenile was arrested for forgery and one for burglary, and four adults were arrested on misdemeanor charges. A total of 20 traffic tickets were issued the past week.

Police were also investigating a break -- in at Supreme Feed Co., where money was taken from two vending machines. The theft occurred Friday night or early Saturday morning. Several cases of vandalism were reported to police the past week.

DST Only Nine Days Away

Brace yourself, it's on the way! The so-called time saving feature known as Daylight Saving Time will go into effect at 2 a.m. April 28 and will continue for six months ending Oct. 27.

During the six -- months period of DST in 1967, many complaints hit the Texas Legislature about the bill, but as the summer wore on, the dislike apparently wore off.

Yardmen and golfers appear to like it best of all.

Making your ear attentive to wisdom and inclining your heart to understanding.

--- (Prov. 2:2).

Before trying to get along with others we must try to understand ourselves. Then we can improve the things that need it, so that the more understanding we have of ourselves, the better we will understand others. Prayer is the way to understanding for it gives us patience and enables us to be tolerant.

Planting Time Here For Some

Although the 10-day average soil temperature was recorded at just 54 Wednesday, a number of farmers started planting cotton this past week.

Soil temperature at an 8-inch depth was reported at a maximum of 73 Wednesday and a minimum of 63. The 10-day average soil temperature at this date last year was 66.

The mercury climbed to 90 degrees Tuesday and was expected to be in the high 80's Wednesday. A low of 46 degrees was recorded on Monday of the past week.

A possibility of scattered thundershowers was forecast Wednesday night.

Liquor-by-Drink, Race Betting, Milk Pricing on May 4 Ballot

Slaton voters will make a choice on whether they favor the sale of liquor by the drink in "wet" areas along with two other propositions, in a "straw vote" on their primary election ballots May 4.

Three referendum propositions are on both the Texas primary elections Democratic and Republican party ballots, to get an expression of public opinion.

The results of the referendum will have no force or effect as law, but may serve as a guide to Texas legislators in drafting new laws.

The other two propositions ask for a voter expression on permitting horse racing with pari-mutuel betting, and on the establishment of a Texas Dairy Commission with the power to regulate and fix the wholesale and retail price of milk.

All three propositions ask for a FOR or AGAINST vote. They were put on the primary ballots at the request of Gov. John Connally, who has been an outspoken advocate of liquor by the drink.

The wording of this proposition is for or against "enactment

by the Texas Legislature of a law permitting the legal sale of liquor by the drink in wet areas only after approval by local option elections, and which sale would be subject to strict regulations, effective controls and taxation thereof.

Gov. Connally has argued in favor of liquor by the drink, on a local option basis, to replace present private club laws which he contends permit somewhat unregulated serving of liquor by the drink.

The milk regulation proposition is relatively new to Texas and calls for a vote on "enactment by the Texas Legislature of a law creating the Texas Dairy Commission with the power to regulate and fix the retail and wholesale price of milk."

The horse racing and betting proposition is similar to one that Texas voters have turned down before in referendum. It would permit horse racing and pari-mutuel betting on a local option basis by counties. Counties with licensed race tracks would get a two per cent tax on the daily pari-mutuel pool and other Texas counties would share in state revenue from betting.

Sales Course Begins Monday

Monday will be the opening night for the "Motivational Selling" course to be held in Slaton. Human motivations and sales techniques involved in successful selling will be discussed in the four -- day course. The course is set for April 22-25.

The course, sponsored by the Slaton Chamber of Commerce, is brought to Slaton businessmen by the Distributive Education Department of the University of Texas and the Texas Education Agency.

The 10 -- hour course will be held each night at 7:30 p.m. in the Reddy Room of Southwestern Public Service Co. The schedule calls for 2 1/2 -- hour classes for the four nights. A fee of \$4 per person will be charged.

Pat Batis, merchandising, advertising, and sales specialist for the University's division of extension, will conduct the 10-hour course. He has had wide experience in the field and had written a sales training manual for specialty stores. He conducts the sales courses throughout Texas.

Motivational selling is designed for employees and employers in retail or wholesale selling. The course will cover discovery and use of motivations, as well as how to apply successful selling methods to these motivations.

Reservations for the course may be made and additional information obtained by calling the Chamber office, 828-4238.

Co-Op Gin Sets Stockholder Meet

The regular stockholders meeting of Slaton Cooperative Gin Co. will be held in the Community Clubhouse in Slaton at 2 p.m. Tuesday, April 23.

Ray Kitten, secretary, announced that the election of directors will be conducted and dividend checks will be distributed at the annual meeting.

DRIVING is involved in half the automobile accidents on American roads. That means that drunks were responsible for the deaths of 26,500 people last year.

Have to take this? Is there nothing else I can do?

They did something about it. The heavy drinkers, always have been, has no drunk driving problem. They can stop any car at any time. A driver can look and act stone still. The test is simple. If a driver is asked to go to a police station for a blood or urine test. An alcohol test can be made. A blood test of strong British beer may mean four months in jail and one year driving license. The 1967 Christ-ianity, first under the new law, showed a reduction in fatalities. How do we do as much?

New officers for the two ensuing years were installed at the monthly meeting of the West Ward Parent Teachers Association Monday night in the school's cafeteria.

Mrs. Charlie Walton was introduced by Dr. P. L. Vardy, superintendent, as the installing officer.

Athenians Make Final Plans For Spring Festival

Members of the Athenian Study Club met in the Reddy Room Tuesday night with Mrs. Clark Self Jr. presiding.

A film on "The Breath of Life" was shown by Carroll McDonald, who also demonstrated how to save a life using the Resuscit-Ann.

During the business meeting, final plans were made for the club's Spring Festival, scheduled from 4-9 p.m. Saturday in the cafeteria. A spokesman for the group announced that the cafeteria will be open Friday afternoon at 4 p.m. and again Saturday morning at 9 a.m. so that other participating organizations may set up their booths.

Sixteen members were in attendance.

ing officer, Dr. Vardy said Mrs. Walton probably knows more about PTA than anyone else in Slaton, having served as its president and been active many years in the organization. Officers installed include Mrs. Milt Ardrey, president; Mrs. Harley Castleberry, first vice-president; Mrs. Joe Langenhenning, second vice-president; Mrs. J. R. Jensen, secretary; and Mrs. Tim Bourn, treasurer. Mrs. Don Sikes is outgoing president. She was commended by Dr. Vardy and T. C. Martin, principal, for a job very well done during her two years in office. Mrs. Castleberry presented her with a gift from the organization.

Preceding the business meeting a musical program was presented by first grade students under direction of Mrs. James Perkins, music instructor. Also, Vicki Little, 6-year-old daughter of Mr. and Mrs. Joe Little, did the twirling routine that won her the title of Miss Majorette of Texas last weekend in El Paso.

The meeting was opened with the pledge to the US flag, led by Teri Holand. Minutes of the previous meeting and executive meeting were read by Mrs. Castleberry. During the room count, Mrs. Opal Townsend's room was designated winner of the \$2.50 which is given to the room with the most parents

present. A financial statement during Mrs. Sikes' tenure of office from Sept. 1, 1967 to April 15, 1968 was distributed. The statement showed the following expenditures: state and national PTA dues, \$97.60; supplies, \$15.71; babysitting, \$12.50; roomcount gifts, \$17.50; refreshments, \$20.84; film rental, \$3.50; tri - county dues, \$10; Halloween Carnival expenses, \$253.41; optometrist fees and medicine for needy children, \$186.50; \$20 given each room from carnival proceeds, \$400; Texas cards, \$14.40; PTA membership prizes, \$15; "Friends of the Library" membership; \$25; music program supplies, \$23.85; spring conference registration, \$19.25; transportation to spring convention, \$6; and library books, \$100. Expenditures total \$1,221.06.

Receipts during the period were \$178.25 from membership dues; \$23.50 from sale of Texas Cards; \$95.11 from Halloween Carnivals; and \$38.00 from music program sales. Receipts totaled \$1,176.86, leaving a balance of \$652.45 with \$400 due on the curtains in the cafeteria.

After the meeting, everyone was invited to have refreshments and meet each other. Refreshments were served by Mrs. Bourn.

When members of the Roosevelt Young Homemakers met Tuesday, April 9th, in the Roosevelt Home Economics Department, it was reported that eye glasses had been purchased by the school nurse for needy children with funds from the chapter.

Mrs. Melvin Walter gave a devotional entitled "Man of Mercy". The young homemakers set out flowers by the home economics building.

Announcement was made about a Special Activity Day to be held at South Plains Electric on Friday, April 26. All Young Homemakers are invited.

The chapters next meeting is Tuesday, April 23rd in the Roosevelt Club House at 9 a.m.

C. L. Newcomb Speaks To Senior Citizens

C. L. Newcomb, pastor of the Church of Christ, was speaker for the Senior Citizens at the clubhouse last Friday.

Mrs. Larkin Taylor played the piano while Mrs. Vera Johnson led the singing. The opening prayer was given by B. A. Hanna.

Newcomb brought a message on the resurrection taken from 1st Corinthians 15:50-58, and gave thanks for the meal with his closing prayer. He joined the 27 members for lunch.

Mrs. Fannie Patterson, president, thanked the group for the \$52 donation to the cancer fund which was given in the memory of Mrs. Patterson's daughter.

J. D. Martins Move To Florida

After living in Slaton for 17 years, Mr. and Mrs. J. D. Martin moved to a suburb of Tampa, Florida April 6. Mr. Martin retired after working for Tucker Butane for the past several years. His sister and brother-in-law live in Tampa.

The night before moving, the Martins were surprised by 25 friends and relatives with a party in their home. The group presented them with an electric toaster oven as a going away gift.

The Martins have four children. They are Mrs. R. A. Wilkins and Junior Olive of Slaton; Mrs. Joy Mackey of Lubbock, and Billy Olive of Post.

Mrs. Schmid Will Preside At Meet

Mrs. Ellis Schmid will preside over the American Legion Auxiliary session when the auxiliary joins the American Legion in its annual Spring 19th District Convention in Lubbock this weekend.

Registration for junior members will begin at 10 a.m. and Girl State delegates meet from 12 noon to 2 p.m. The convention is being held at the Pioneer Hotel.

Penny Havens, a member of the junior auxiliary and Girl State selection from here last year, will aid in instruction with the district chairman, Rita Payne, this year's selection and Mollie Mitchell, alternate, will attend the Girl State Training session. Teri Holland will represent Slaton as Miss Poppy.

Mrs. T. A. Johnson, local president and Mrs. Ray Dickie, vice - president will serve as delegates from Slaton with several other members planning to attend.

Mrs. Schmid will be recognized for being the only district president in Texas to reach her membership goal by deadline. She challenged other districts and by winning is receiving 21 hats made of Poppies -- all of which will be on display at the convention. Had she lost, she would have sent each district president a hat. Her project for the year was education and scholarship.

A rehabilitation program will be given by Mrs. Zella Rea, hospital representative from Big Spring VA Hospital, Slaton will take first place in a special

citation for this. Mrs. E. C. Davidson was unit chairman.

Panama Student At Rotary Club

Leonard Hall, 23, a foreign exchange student from Panama, was guest speaker last Thursday at the regular weekly luncheon meeting of Slaton Rotary Club at the Community Clubhouse.

Hall is a student at Lubbock Christian College, majoring in psychology and Bible. He hopes to continue his studies at Abilene Christian College, then return to his native land.

The visiting student gave a brief description of the economic, social and governmental structures in Panama. Hall also described his impressions of Texas, including the "crazy weather" on the South Plains. He was introduced by Tommy Wallace.

Program this week is scheduled to be Tanner Laine, feature writer for the Avalanche Journal, Howard Hoffman is program chairman this week.

Plains Area Among Ten Travel Trails in Texas

AUSTIN -- When the Spanish explorer Coronado led his expedition across the high plains of West Texas in 1540, legend says, the soldiers were forced to drive stakes as they went to mark their progress through the waist-high grasslands.

Some believe, however, the

"Staked Plains," or Llano Escabeado, got its name from the fact that the land seems to be perched on stakes or giant palisades when viewed from a distance. Regardless of which is fact and which is fiction the Texas Panhandle is rich in both scenery and wealth.

With this in mind, Gov. John Connally included the Texas Plains Trail as one of 10 Travel Trails announced here Jan. 17 at the third annual Governor's Tourist Development Conference.

The estimated 584-mile trip travels through the counties of Armstrong, Bailey, Borden, Briscoe, Carson, Castro, Cochran, Crosby, Floyd, Deaf Smith, Garza, Hartley, Hockley, Hutchinson, Lamb, Lubbock, Lynn, Moore, Motley, Potter, Oldham, and Randall.

Amarillo and Lubbock are the largest cities on the high plains, so-called because of the sharp Cap Rock Escarpment which divides it from the remainder of the state. Northern-most towns on the trail are Dumas and Stinnett, north of Lake Meredith -- a national recreation area. Dumas is in the center of one of the nation's largest grain sorghum producing areas, center of one of the world's great natural gas fields and producer of two-thirds of the nation's helium.

Farm Road 687 guides travelers along Lake Meredith, with State Route 15 and U. S. 60 bringing them to Amarillo, Palo Duro Canyon State Park, 120 miles long and covering 15,000 acres, is southeast of Amarillo near the town of Canyon. A paved road follows the canyon rim and winds down 1,200 feet to the canyon floor, site of Pioneer Amphitheatre. The outdoor drama "Texas" is performed here during summer months.

The Plains Trail follows Farm Road 1151 to Claude and turns south using canyon - bisecting Highway 284 to Silverton, State Highway 256 to Turkey and State Highway 70 to Matador, a true western town named for a ranch, Farm Roads 684, 28 and U. S. 82 continue southward past White River Reservoir through Kalgary and on to Post, a community founded by C. W. Post, the cereal king. Post grew quickly although all supplies in the beginning had to be brought in by mule train from Big Spring, approximately 70 miles away. A cotton mill started by the community's founder was among Texas' earlier mills and remains in operation.

Next stop, via Farm Road 669, is Gali, noted for its Borden County jail on the courthouse square. The trail turns down U. S. 180 for only a short

distance before reverting northward via Farm Road 1054 to Wilson and Farm Road 400 on into Lubbock.

Texas Tech is located in Lubbock. And Mackenzie State Park with its prairie dog town is a tourist favorite. Lubbock, founded in 1891, is center for a vast region of oil, agriculture, warehousing and education. Buffalo Springs Lake, nine miles southeast of Lubbock via Farm Roads 40 and 400, offers fishing, boating and picnicking.

The Plains Trail departs Lubbock westward on Farm Road 2255 and State Route 116 as far as Whiteface, then north on State Highway 214 through Morton to Muleshoe. A life-size statue of a mule stands at the intersection of U. S. Highways 70 and 84 in Muleshoe. The creation, made of fiber glass, was unveiled in 1965. The Muleshoe National Wildlife Refuge, established in 1935, is the oldest national wildlife sanctuary in Texas, primarily a home for waterfowl. U. S. 70 and Farm Road 1055 through Earth lead to Hereford in Deaf Smith county, referred to as "the town without a toothache."

Boot Hill Cemetery just off the highway is the final resting place for many cowboys who died in 1880 gunbattles. In June, 1939, the late Cal Farley established Boy's Ranch for homeless boys on the old townsite. The Plains Trail returns to Dumas via State Highway 354 and U. S. 287.

COTTON TALK

FROM PLAINS COTTON ASSOCIATION

Texas cotton farmers testifying April 9 before the Committee on Agriculture for the first time in history, led a united front on major provisions of a new cotton law.

The current program, a part of the Agricultural Stabilization and Conservation Act, expires with the 1969 crop year.

Unity was reached through meetings of the Texas Cotton Producers Organizations, the last of which was held in Lubbock on April 1.

Member-organizations are Plains Cotton Growers, Texas Cotton Growers, Inc., Blacklands Cotton Association, South Texas Cotton and Grain Association, Pecos Cotton Association and the El Paso Valley Cotton Producers.

Joe B. Pate, Jr., TACPO chairman who presented testimony, said "It's good to have a vehicle through which Texas cotton farmers can work together, and we speak for producers responsible for about 70 percent of the nation's cotton production we will carry a lot more weight than any one organization or individual could carry."

Donald Johnson, PCG executive vice president, said cotton law provisions sought by TACPO do not conflict with the legislative guidelines adopted by the House of Representatives at its meeting April 3 and in fact include principles they set forth.

Pate pointed out to the Senate Committee that producing about a third of U.S. cotton, TACPO included from the smallest to the largest of cotton producers of all cotton qualities.

"Furthermore," he said, "the wide variety of cotton types found in the Rio Grande Valley, the El Paso area, Central Texas and on the High Plains duplicate the full range of growing conditions from cotton belt from North Carolina to California."

Proceeding recommendations on program provided for passage of new farm legislation during the Congress, stating that if farmers were able to plan "The Department of Agriculture should be authorized to announce provisions of the commodity program by July 1, 1969."

Generally TACPO favors an extension of the current cotton program with modifications, as does the American Cotton Producers Association. Pate said "Our experience under the current program has proven it can provide flexible production and can stabilize supply and income."

Some of the major specific recommendations of the committee appear in the testimony excerpts below.

"Most important, any extension of the present program be designed to maintain the current level of price support. We certainly wish to commend you, Mr. Chairman, for your report in 1965 when you gave us the 'Ellender Act' which guaranteed us 65 percent of parity."

"This should be an absolute minimum income for producers, and while we agree that provisions of the program be flexible, we believe it is essential that this main intact in new legislation."

"A program must be designed for domestic consumption that will lead to a return to production from the legal minimum 16 million acre national acreage. In this regard, we believe that the American farmer's price protection on the entire needs of the market."

"Texas cotton farmers export approximately 40 percent of their cotton crop each year. On the farm, we can produce domestic bales from export bales. We cannot export from domestic acres. The cost of producing domestic market is no different from the cost of producing export market."

"Therefore we recommend that the price support provisions be modified to include the total needs of both export and domestic. Price support payments available on the total production necessary to meet market demands."

"Please understand we are not seeking greater spreading of support payments over total production. Producers the necessary incentive to produce for export markets."

"Authority to transfer cotton allotments between sale or lease should not only be extended, but should be expanded. This provision of the act has been very successful in moving cotton in the hands of cotton producers with the economic desire to produce cotton."

"It can be made more popular with farmers by effective in moving acres to areas of efficient production removing the 100-acre limitation and (2) extending the period during which such transfers can be made."

\$1,178 Donated To Cancer Drive

It was reported this week by Mrs. Hern Pettegrew, chairman of the local American Cancer Crusade, that a total of \$1,178.00 was donated by Slatonites. Last year's drive here only brought in \$250.00 for the Crusade.

Mrs. Pettegrew said one reason for the success of the crusade was because of the number of volunteers who helped conduct the drive. Thirty women assisted with the door-to-door campaign on April 22 when they distributed educational leaflets and accepted donations.

Mrs. Johnnie Moore is Slaton's memorial chairman for the American Cancer Society and anyone wishing to donate in memory to someone any time during the year should get in contact with her.

POLICE BEAT

BY WALTER HEAD
Slaton Police Chief

Your Slaton Police Department does not live in a world of its own, out of touch with reality and our society.

By the very nature of its responsibilities, it is in much closer contact with the public than are most other professions.

The patrolman you see on routine patrol, the sergeant in the cruiser making periodic checks in all areas of town, and the detective doing follow-up investigations on all offenses reported, all of these know far more about people than the theorists who make appraisals of criminal activities from a statement heard on the street.

Some imply that law enforcement is largely responsible for the nation's crime problems. It is an erroneous conclusion, and it reflects the shallow reasoning of some who have little, if any, practical experience on the knowledge of enforcing the law.

Only recently has the voice of law enforcement received any appreciable recognition, and this has come about because crime has reached such proportions that it can no longer be ignored if our nation is to survive.

travel literature, the handbook is free. Since its initial publication last year, the guide has become a major item among more than four million pieces of travel material distributed annually by the Texas Highway Department.

The guide is available to three - quarters of a million visitors who stop at Highway Department Tourist Bureaus each year, and by individual request from the Texas Highway Department, Travel and Information Division, P. O. Box 5064, Austin, Texas 78703.

Travel Handbook Released

AUSTIN --- An expanded edition of the popular Texas Travel Handbook has been released by the Texas Highway Department.

First issued last year as an aid to pleasure travel in Texas, the enlarged second edition now lists nearly 400 cities and towns, and includes more than 2,500 individual items of interest. The 208-page handbook also contains 112 photographs which provide travelers with previews of such attractions as the aerial tramway in El Paso, and Presidio La Bahia near Goliad.

Handbook subjects are as varied as the state itself, ranging from the melancholy Empty Saddle Monument in Dalhart to the humorous Popeye statue in Crystal City.

With the Texas Travel Handbook as a guide, travelers may discover dinosaur tracks, Indian pictographs and buried cities. They will learn the locations of little - known ghost towns, and follow specific directions to the most popular attractions of modern Texas cities.

Special sections are devoted to recreational facilities in Texas national and state forests, and in more than 55 state parks. Summaries of Texas hunting and fishing regulations are provided, as well as information on visiting Mexico.

Weather Doctors Offer Service Here

The Weather Doctors, with offices in Wilson and Post, are expanding into Slaton.

Who are The Weather Doctors? They're not rainmakers, or anything like that. They only "doctor" the weather inside homes and business buildings, not outside.

Starting this week, The Weather Doctors have a phone listing in Slaton -- dial 828-4279. David Peterson and Bill Fellers are operators of the company -- specializing in heating, air conditioning and plumbing.

Peterson announced the local phone listing with the thought that The Weather Doctors could provide a service not available here. He said an office and showroom is presently being removed. It will feature displays of Day & Night equipment, and the office will stock all sizes of filters for air and heating units.

Both men have impressive credentials in their business field, Peterson, a resident of

Wilson, formerly operated the Peterson Plumbing and Appliance business there for 11 years and has been a resident of this area for more than 25 years. He has held a master plumber license for 17 years and has attended service and installation schools on refrigeration and heating.

Fellers, a native of the Abilene area, joined Peterson in the Weather Doctors business in Lynn County last year. He was formerly associated with Morrison Supply in Lubbock, doing designing, sales and layouts of heating and cooling systems. He has seven years experience as a technician, and holds certificates of proficiency in refrigeration and electrical work, application and engineering, installation and service.

You'll find the announcement of their new service to Slaton in today's issue of the newspaper.

Bookmobile Is Coming To Town

Slaton residents can observe Library Week in Texas not only by visiting our local branch library but by visiting the bookmobile Monday anytime from 11 a.m. to 5 p.m.

The \$11,985 bookmobile is the first in the history of Lubbock and Lubbock County. It will be located on the south side of the City Hall lawn every other Monday. It will also stop in five Lubbock shopping centers and four other towns in the county where branch libraries are located.

An electrical box has been installed in order for the bookmobile to have power for its lighting, heating and air conditioning system.

Mrs. Floye Miller is librarian for the bookmobile. It has been stocked primarily with books from the old county library in the courthouse at Lubbock. It houses more than 4,500 volumes of books in built-in birch shelves with two desks at either end of the trailer, which has two doors and a vinyl floor.

The bookmobile consists of a truck cab, which pulls a trailer that is 8 feet wide and 52 feet, 9 inches long. Mrs. Miller informed The Slatonite that anyone who doesn't already have a card from the City - County Lubbock Library located on 19th Street in Lubbock may make application Monday. Children in the eighth grade and under must have one

of their parents signature on the application. The application may be brought back in two weeks when the bookmobile returns here if it is not signed Monday. Anyone older may sign for themselves. She stressed that there certainly is "no charge".

Theme for Library Week, April 21-27, this year is "Be All You Can Be--Read".

The specific goal of the Texas Library Week committee has been to reach as many people as possible and make them aware of the statewide plan for library development. The program has been designed to continue the work begun by the 1966 Governor's Conference on Libraries.

Three points have been stressed by the Library Week in Texas committee in making Texans aware of their libraries and library services:

*Availability to each Texan

Proclamation:

"Be All You Can Be--Read" is the theme for the 1968 National Library Week Program, the year-round reading and library development campaign scheduled to hold its eleventh annual observance April 21-27.

The library is one of the foundation stones of human freedom and human dignity. The library offers the place for the opportunity to learn and to know, the opportunity without which the citizen cannot be free. Public, special, school and academic libraries serve as pools of information from which we can draw to grow in knowledge and understanding.

The library stands like an open door to all citizens. The more information the library contains, the wider the door is opened, and the greater opportunity it offers for widened horizons and heightened skills and abilities. The library offers these opportunities to fulfill the potential that exists in every man, to "Be All You Can Be--Read."

National Library Week highlights the importance of all types of libraries and their services. The development and continuance of good reading habits through greater use of libraries is encouraged. Stimulation of better library support and recruitment to the library profession are other aims of this special week.

THEREFORE, I, as Governor of Texas, do hereby designate the week of April 21-27, 1968, as LIBRARY WEEK in Texas.

In official recognition whereof, I hereby affix my signature this 13th day of Dec., 1967

TEACHER PAY RAISE PLANNED -- Governor's Committee on Public School Education will recommend "large and substantial" teacher pay raises with built-in cost - of - living escalation plans, Chairman Leon Jaworski says.

Jaworski indicated the Committee also will recommend (by August 31 deadline) free public kindergartens, summer schooling, expanded vocational training, new course programming, tax equalization among districts and school district reorganization.

Committee will hold a public hearing here April 26 to preview some of its findings in areas of enrollment projections for the next decade, school dropout study, analysis of school courses and service offerings, evaluation of Texas Test for Educational Development and results of an adult and teacher opinion poll.

Jaworski also announced that

VETS LAND POLICY CHANGED -- New veterans land policies have been ordered to limit veterans' purchases to no more than 10 per cent of any one sub-division.

Land Commissioner Jerry Sadler said interest in the revived program -- through which qualified veterans can buy land on long - term, low - interest rate arrangement -- has been "overwhelming" but too many applications have been coming in on sub-divisions.

"We cannot spend all our money in a few isolated areas," said Sadler in announcing new restrictions. "We have large subdivisions that have put prices on their land far above market value in the area . . . All veterans (should have) a chance to buy throughout the state and not spend our money in a few large subdivisions."

Homestead, Taxation Filing Deadline Nears

Property owners have until April 30 to render their property for taxation at the county tax office in Lubbock or the Drewry Insurance office here and apply for a residence homestead exemption for 1968. When filing it is necessary for you to report your lot and block number.

Under provisions of the Texas Constitution, a property owner may claim up to \$3,000 of the valuation for tax purposes of a residence homestead as an exemption from state property taxes. The exemption does not apply to county or special district taxes, Russell S. Hardin, county tax assessor-collector, said.

The rendition for taxation and the application for the homestead exemption must be made each year by the property owner himself. This applies to persons who pay their taxes as part of their monthly payments to a loan agency as well as to persons whose homes are free of debt.

"Banks or loan agencies can pay the taxes on a piece of property on which they hold a mortgage and add the taxes to the monthly payments, but they cannot render the property for taxation or make an application for a homestead exemption. Only the owner can do that," Hardin said.

He also pointed out that a property owner, by applying for the homestead exemption, can save up to \$14.10 on the maximum \$3,000 exemption at the present state property tax rate of 47 cents of each \$100 of valuation.

ITEM: When choosing the color to use on your library or study, avoid bright, distracting colors which are more appropriate in a recreation room. Instead, pick a subdued, quiet color such as pale green or beige. Although dramatic dark shades may be used to create striking effects in other rooms, stick to tones which will reflect the greatest degree of light in any room frequently used for reading.

Dickens, employed by Modern Castings; and Darrel McAbee, from Blackwell Okla. to 155 So. 2nd St., employed by Modern Castings.

Mrs. Jim Newhouse, merchants' hostess for the Welcome Wagon, visits all the newcomers moving to Slaton. Gift certificates from participating merchants are given each newcomer along with information about Slaton.

Mrs. C. D. Willis spent several days last week visiting her daughter, Mr. and Mrs. Ray Roberts in Andrews. She also accompanied her son, Ed, to visit the Calvin Willis family at Clen Oaks near Burnet. She returned home last Thursday.

Need Servicemen's Names

Back at the "old desk" after a week's vacation, Yess! we went fishing for a week and I enjoyed every minute of it. We went to Buchanan Lake and stayed with George and Margaret at Circle S Camp at Tow. We stay with these two fine people nearly every Easter and so do a lot of West Texas people.

Nearly all the people who were there during the week were from Lubbock and surrounding towns. In fact, it was just about like "old home week!" Happy Smith from Tahoka stayed right next door to us. We caught more than our share of fish. After keeping all we wanted we started giving them away, how's that for good luck? Now, I'm looking forward to our next fishing trip! It is good to be home, though!

TO CALIFORNIA Mr. and Mrs. W. J. Kellum have just returned from a trip to California where they visited with Mr. and Mrs. Pete Kellum in Banning. They also visited in Palm Springs and saw how the "hippies" live. They were out in California when the earthquake came and I don't think they enjoyed it very much. Mrs. Kellum said it was quite an experience!

Mr. and Mrs. D. L. Jones from Ft. Worth were weekend guests of Mr. and Mrs. Aubrey McNeely. Mr. Jones teaches photography in a high school in Ft. Worth. Mr. and Mrs. Larry McNeely from Ft. Worth will be visiting his parents, Mr. and Mrs. Aubrey McNeely this coming weekend.

Jackie Dunn, who lives in Austin, spent the Easter holidays with his parents, Mr. and Mrs. H. C. Dunn.

AT TRACK MEET Some of the Southland Track Team entered a track meet at Andrews Apr. 12 with the following results: Joe Basinger won 1st place in High Jump, with Dan Eckert winning 3rd place. Congratulations, boys.

Miss Sharla Taylor from El Paso spent the Easter holidays with her parents, Mr. and Mrs. H. D. Taylor.

Rev. and Mrs. Wilson Hill and Darrell from Anton were in

Southland two different days last week. I sure hate that I missed them!

Jackie Abshire, who is a freshman at West Texas State College at Canyon, spent the Easter holidays with his parents, Mr. and Mrs. Delbert Abshire.

Mr. and Mrs. F. W. Callaway and Mr. and Mrs. Bob Dyess, Monica and Blane, spent Sunday afternoon down at White River Lake.

Mr. and Mrs. D. J. Dyess from Spur visited with Mr. and Mrs. Bob Dyess and children Sunday. They are the parents of Coach Dyess.

Mr. and Mrs. Sam Ellis had all their children and grandchildren with them for the Easter holidays. They are Mr. and Mrs. George Ellis and family, Mr. and Mrs. Sammy Ellis and family, Mr. and Mrs. Larry Alford and family and Mr. and Mrs. Eddie Gravel and family.

SERVICE CLUB Received a nice letter from Mrs. A. D. Riddle of Tahoka telling me about the newly formed club that will be supporting the servicemen from Lynn County who are serving our country in one branch of the service or another or in the reserves. She asked me to help by sending the names, addresses, birthdays, etc. of the boys from our community who are in the armed services. Any of you that live in Lynn County and have someone or know of someone who is in service, please send me the information or call me at home (996-2423) and give me this information. I would greatly appreciate it and you would be helping our servicemen a great deal.

Edmund's nephew, Lonnie Stabeno, son of Mr. and Mrs. E. C. Stabeno, underwent eye surgery at Presbyterian Hospital in Dallas Saturday. He will have surgery on the other eye in about 5 days. This was an emergency operation and as yet we do not know the outcome of it. If you would like to send Lonnie a card, call either his mother or me for his address.

I received a card from Mrs. Nellie Mathis who has been vacationing in Oregon for the past month and she said she would see me soon, so I guess she will be coming home in a few days. She has been visiting her son, Dick Mathis and family, and a grandson, Ronnie Mathis and family. She says that everything is so pretty up there.

Patsy Dunn from Texas Tech

spent the Easter holidays with her parents, Mr. and Mrs. M. A. Dunn. She returned to Tech Monday.

Alejo Cisneros fell off a roof last Monday and broke his leg. He was in Mercy Hospital until Thursday. Hope all goes well with you.

Mrs. Howard Monk and children went to California during the Easter holidays to visit with Mr. Monk, who is living and working out there. Mrs. Monk and the children will move out there when school is out. They were in California when the earthquake came and Mrs. Monk said it was quite an experience!

Abraham Lincoln once said: "I am not bound to win, but I am bound to be true. I am not bound to succeed, but I am bound to live up to the light I have---I must stand with anybody who stands right, stand with him while he is right, and part with him when he goes wrong."

CHRISTENED Little Beth Cecilia Stolle, daughter of Mr. and Mrs. Cecil Stolle was christened on Easter Sunday at Grace Lutheran Church in Slaton. Her sponsors are Miss Carol Stolle and Mr. and Mrs. Dennis McClellan. Guests in the Stolle home Sunday were Mr. and Mrs. Henry Coldevey, Great Aunt Martha, Mrs. Irmgard Bredemeyer, and Mr. and Mrs. Wayne Hagood and three boys, all from Sweetwater; Lawrence Bredemeyer from Rotan, Mrs. C. W. Gindorf and Mr. and Mrs. Walter Stolle from Southland, Miss Carol Stolle from Lubbock, Miss Pearl Stolle and Mrs. Hilda Nesmith and two boys from Lubbock.

Mr. and Mrs. Edmund Stolle have returned from Houston where they went to be with their daughter-in-law Mrs. Carlton Stolle, who underwent surgery this past week.

Guests in the home of Mr. and Mrs. D. D. Pennell Easter Sunday were Mr. and Mrs. Jerry Pennell and Kim from Lubbock. Mr. and Mrs. Harvey Pennell and Heath from Plainview, Mr. and Mrs. Don H. Pennell from Southland, Mr. and Mrs. Kenneth Callaway, Jay and Stacy from Post, and Mr. and Mrs. Carl Cederholm from Post.

Rev. and Mrs. Ike Harris' daughter and three children from Euliss spent last week visiting with them.

See you next week.

Drive Underway For Girls Program

The board of directors and officers for the Slaton Girls Summer Program met Tuesday night at the Carnation House with M. W. Kerr, program director. The group made plans for a fund raising drive in Slaton. It was decided to canvass the town during the next two weeks to secure funds necessary to operate the program. The four-week program held in June each year is one that is envied by several of the neighboring towns. It is open to all girls between the ages of eight and 15, and it offers a wide range of activities and sports. These include darts, ping-pong, bowling, baseball, basketball, ring toss, bongo board and swimming. Every summer since 1957, approximately 75-80 girls have participated in the program. Mrs. Joe Holland, president, said "we hope that each person or firm will want to help provide the opportunity for these girls to participate in organized sports and to experience the merits of good sportsmanship." "What we do now will reflect in our young women of tomorrow".

Officers attending the meeting were Mrs. Holland and Mrs. R. A. Wilkins, secretary-treasurer. Board members present were Carroll McDonald, Coy Biggs, Ray Wilkins, Donald

Sikes, Don Kendrick and Mrs. Wilfred Kitten. Board members unable to attend but who will be helping in the drive are Bob Kern, Clarence Kitten, Tommy Wallace, Tommy Davis, Jake Wendell and Clark Self Jr.

Little League Prospects In Tryouts Here

Baseball season is just around the corner for Slaton youngsters, and it was very apparent this week as tryouts started for Little Leaguers.

The tryout sessions continue today for 9 and 10-year-olds and wind up Friday at 5 p.m. with a session for 8-year-olds in Pee Wee Park.

Managers will meet Sunday afternoon to select players for the various teams. Major league auction is set for 1:30 p.m. in Fellowship Hall at the First Christian Church. Selection of minor and pee wee players will start at 3:30.

All boys who registered are requested to report Monday at 5:30 p.m. in Little League Park for assignment to teams and to receive practice instructions from their managers.

First game is set for May 6 in the major league, with minor league and pee wee games starting a week later.

The Little League program is scheduled to have six teams in the majors, four in the minor league, and four in the pee wee league.

DRIVE STARTS FOR GIRLS PROGRAM---Pictured are some members of the Slaton Girls Summer Program board of directors. Standing are Donald Sikes, M. W. Kerr and Mrs. Joe Holland.

BABE RUTH IN TRYOUTS

The Babe Ruth League baseball program gets underway in Slaton today with tryouts scheduled for 14 and 15-year-old boys.

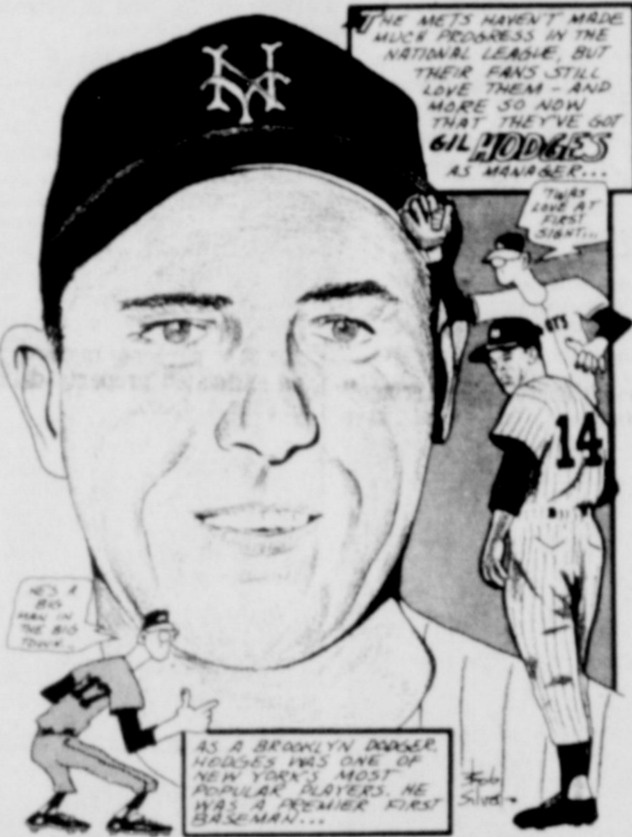

Tryouts will be held at Babe Ruth League Park starting at 5 p.m. Tryouts for 13 year olds will be held Friday starting at 5 p.m.

Player auction is scheduled for managers and coaches Friday night at 8 p.m. in the Reddy Room of Southwestern Public Service Co.

Dave Sanders, league president, announced the program would have five teams this season. Teams will be known by sponsors this year, rather than mascot names. The teams (with last year's name) and managers

are: Slaton Co-Op Gin (Ginners), Curtis Dixon; Citizens State Bank (Chiefs), J. W. Holt; Texas Grocery (Comets), Kenny Kitten; 8 Til Late Grocery (Cubs), Ronald Woolever; Hen-

zler Grocery (Flyers), C. E. McCoy. Managers will notify boys of their team assignments, according to player agent Robert H. Davis.

Tiger Sprinters In Regional Run

Slaton's hopes for regional track honors ride with the fleet feet of five Tigers at Texas Tech Friday and Saturday.

Coach Gene Franklin's regional qualifiers include the 440-yard relay foursome of Larry Allison, Carlton Bradshaw, Jimmy Williams and Richard Washington; vaulter and high jumper Jimmy Rogers; and Allison in the high hurdles and Washington in the 440-yard dash.

The Tigers warmed up for the regional meet by winning a relay trophy in the Olton Invitational last Thursday, and the team finished fifth in the meet, Washington was third in the quarter despite turning in a 49.9 clocking -- his best time of the season.

The sprint relay team was first with a 44.2 - second time, turning the tables on Denver City after the Mustangs won first in the district meet. Benny Akin of Olton won the open quarter with a 49.5 time, followed by Darrell Davis of Haskell at 49.8 -- just a whisker ahead of Washington.

Rogers was fifth in both the pole vault and high jump at Olton, while Allison was sixth in the 120-yard high hurdles. Rogers vaulted an even 11 feet, and jumped 5-6.

Olton won its own regional qualifiers meet with 72 points, followed by Denver City with

GOLF TEAMS AT REGIONAL MEET

Slaton High School district champions will tee off in the tournament today at the state meet.

Members of the team include Randy Johnson, Steve Wilson, William Privett, Jack Williams, and the alternate, Jack Williams. The second year is Slaton to win the title.

Carl Lewis is coach for the team. The Regionals will be held at the Golf Course.

Tigerettes 3rd In Track Meet

The Slaton High School girls' track team finished third in the district 29-A track and field meet which was concluded with field events Monday at Idalou. The junior high team also finished third.

The meet started a week prior at the Lubbock Christian College field house, after rain moved the meet from the Friendship track. Littlefield took three of the four remaining events Monday to win the 29-A title with 182 points. Hale Center had 119 1/2, Slaton 92 1/2 and Post 76.

Idalou won the Division B title, finishing far ahead of runner-up Roosevelt.

Slaton High qualified two individuals and a relay team for the regional meet in Kress April 23. Marilyn Davis will compete in the 440-yard dash and high jump, and Linda Johnson in the 220. The Tigerette mile relay team also qualified.

The junior high team finished behind Roosevelt and Shallowater. Anita Scott was first in the 100, and Judy Allison placed second and third in the shot put and hurdles. Relay teams were third in the 440 and 880 relay runs. Team members for the relays included Scott, Allison, Goria Gass, Sobeda DeLeon, Joan Jones, Terri Sikes, and Betty Westbrook.

Pioneer Names
New Director

AMARILLO--The stockholders of Pioneer Natural Gas Company, at the annual meeting held today at the general offices in Amarillo, reelected the eight present directors and added an additional director to the Board. An amendment to the articles of incorporation of Pioneer providing for authorized but unissued preferred stock was also approved by the stockholders.

The eight directors returned to the board were A. F. Cox, George W. Dupree, J. Harvey Herd, M. E. Purnell, B. P. Smith, W. E. Walker, C. L. Wall and K. B. Watson. The new director elected was Laurence R. Jones, Jr. of Kansas City, Missouri. Jones is engaged in real estate development and in the oil business as an independent operator. He is a co-trustee and beneficiary of trusts which own stock in Pioneer.

The amendment to the articles of incorporation of Pioneer authorized the issuance of 200,000 shares of Class A Preferred Stock with a par value of \$100, and 500,000 shares of Class B Preferred Stock without par value. The company has no immediate plans for the issuance of any preferred stock.

LETTERS to EDITOR

To the Editor:

As a candidate for State Representative from Lubbock, Hockley, and Terry Counties, I am interested in talking to any groups in Lubbock County, especially in the Slaton area, concerning any matter that might interest them.

The Democratic Primary will be held on May 4th, leaving precious little time to arrange any get - togethers. I do sincerely want to learn of the interests of the voters of Slaton and let the folks of Slaton know something about me. I will meet any time and any place with them.

I urge everyone, regardless of who they vote for, to be sure and vote on May 4th.

Sincerely yours,
ROBERT T. MANSKER

ITEM: Durable-press linens promise economy, not because of price, but because of durability. Durable-press sheets and pillowcases may be a better buy for some families than traditional bed linens, for they are more economical in the long run, easier to care for, and better looking, if laundered without ironing.

Enclosed is a news release concerning the Activity Day. Mrs. Louise Becker, president of the Chapter, has indicated the girls will be attending. We would again appreciate your assistance in behalf of any further news coverage for this event.

Thank you for your support and help in our recent quest.

Local Farmer
Wins Plaque

Harold Voigt of Slaton was recently awarded a plaque in recognition of his participation in the 1967 DeKalb Sorghum "masters club".

His yield of 6,870 pounds per acre with DeKalb F-61 earned him the honor. He was among 238 sorghum growers from throughout the belt who were involved in the masters program.

Clarence Kitten of Slaton, another participant, had a yield of 5,508 pounds per acre with his F-61.

Thirteen entries in the program went over the 10,000 - pound mark and three climbed into the 11,000 range. All of these were on irrigated land.

Top individual producer was Hal Keeler of Deming, N.M., who harvested 11,489 pounds from a measured acreage. Charles Rickard of Hereford was a close second with 11,114 pounds per acre. Keeler had a 60-acre average of 10,414 pounds.

County Records 27 Accidents

The Texas Highway Patrol investigated 27 accidents on rural highways in Lubbock County during the month of March, according to Sgt. O. C. Guthrie, Highway Patrol Supervisor of this area.

These crashes resulted in six persons injured and an estimated property damage of \$16,980.

The rural traffic accident summary for this county during the first three months of 1968 shows a total of 112 accidents resulting in two persons killed, 48 persons injured, and an estimated property damage of \$76,436.

The final entry in the 1967 Texas traffic records has been entered and closed. There were 3,367 persons killed, 205,308 persons injured and an estimated property loss of \$793,094,000. This compares to the 1966 record of 3,406 persons killed, 208,310 persons injured, and an estimated property damage of \$557,414,000.

1967 marks the first decline in traffic deaths and injuries since 1960. The Sergeant stated, "With new traffic laws and the willingness of the public to drive defensively, traffic deaths and injuries can be further reduced in 1968."

More Facts On
Social Security

The "length of marriage" requirement in social security's definition of "widower", and "stepchild" has been changed, reports John G. Hutton, social security District Manager for this area. A widow, widower or stepchild may now qualify for social security benefits based on a marriage that has been in existence for only 9 months just before the death of the worker.

Hutton added that in some cases a marriage that has lasted for as little as 3 months may qualify the survivor. These are cases involving accidental death or death in the line of duty in the uniformed services. Benefits under this change in the law are first payable for this month. Any person who has been previously disqualified because a marriage had not been in effect long enough should contact the Lubbock office.

NEW! For clean Sorghum...
spray weeds when you see them!
with BANVEL

Velsicol announces Banvel herbicide for control of all hard-to-kill weeds of major importance in grain sorghum. This includes carelessweed (pigweed), sunflower, lambsquarter, purslane, morning glory and other annual broadleaf weeds. Banvel herbicide is applied post-emergence, so there are no wasted sprays in years when rain is scarce and weeds are not a problem. With Banvel you see your weed problem and then spray - all in plenty of time to give young sorghum plants plenty of opportunity to grow.

Banvel is sprayed on weed leaves and translocates to the roots... for new, total control of weeds. Just apply Banvel between the 10th and 25th day after emergence of grain sorghum (approximately 4 to 12 inches tall).

Banvel is not dependent on soil moisture for its effectiveness, so its results are dependable. And it's a liquid that won't clog your sprayers; nor does Banvel need constant agitation.

Banvel increases yields. It's excellent for use on grain sorghum, wheat, barley, oats and field corn. Order Banvel herbicide to get full potential from your valuable, high-yielding sorghum seed.

See your dealer today. You'll be glad you did!

Choir To Perform In Slaton Tuesday

The Jarvis Christian College A Cappella Choir will be presented at the First Christian Church next Tuesday night, April 23 at 7:30 p.m. The choir has 26 Negro members and two chaperons who will spend the night in Slaton while on a tour of Texas.

The college they attend is located in Dallas and is affiliated with Texas Christian University. Rev. Johnnie Moore, pastor of the local

church, said he feels Slaton is most fortunate in being included on the choir's agenda. He extends an invitation to the public to hear this outstanding choir.

The choir's repertoire includes such works as excerpts from Missa Choralis by Franz Liszt along with spirituals and folk songs. The choir has made a name for itself throughout such states as Texas, Oklahoma, Illinois, Michigan, Missouri, Ohio, Indiana and Arkansas. The choir has also appeared at numerous National and State Conventions of the Disciples of Christ.

Funeral Held For Mrs. Boyle

Services for Mrs. Susie M. Boyle, 73, were held at the First Baptist Church at 10 a.m. Saturday with the Rev. Jimmie Hefner of Columbus, Ohio, the Rev. Jimmy Lueders, pastor of the Immanuel Lutheran Church at Posey and the Rev. J. L. Cartrite, pastor, officiating.

Burial was in Englewood Cemetery under the direction of Englund.

Mrs. Boyle, a native of Bridgeport and a resident here since 1941, died at 5:30 p.m. Wednesday at West Texas Hospital in Lubbock after an extended illness.

Survivors include two sons, Paul and Hugh, both of Slaton; four daughters, Mrs. Bessie Pope of Abilene, Mrs. Alma Giles of Bridgeport, Mrs. Fred Baxley of Lubbock and Mrs. Helen Glenn of Dallas; four brothers, Henry and Frank Newton, both of Bridgeport, Burnie Newton of Plainview and Ernie Newton of Floydada; three sisters, Mrs. Gene Thomas of Irving, Mrs. G. A. Dickerson of Chico and Mrs. Ina Dickson of Amarillo; 15 grandchildren and 13 great-grandchildren.

Solist for the choir is Winifred Perperer, a possessor of a rich, mellow voice who has had numerous experiences in television and radio. She has studied voice under Sydney Dalton and F. B. Briess at Fisk University, Norman Farrow at S.M.U. and Dorothy V. Botkin at North Texas State.

Bertram Ward, director of the A Cappella Choir, is a brilliant artist who has studied piano with Aron Copland and Robert Goldstand, and has studied choral work under Robert Shaw and Fred Waring. Ward, who holds the Bachelor of Music and Master of Music degrees from Ohio's Miami University, has concertized extensively in the Eastern U. S. as a piano soloist and with orchestra. He has done extensive work on opera, having recently performed and worked with "The Three Penny Opera" at the Oxford Playouse in Ohio.

ITEM: Onion varieties differ in shape, size and flavor, but the guidelines for selecting good, fresh onions is always the same. Look for hard or firm onions that are dry, have relatively small dry necks and are covered with papery outer scales. Avoid onions with thick, hollow centers or with fresh sprouts.

LEGAL NOTICES

THE STATE OF TEXAS
COUNTY OF LUBBOCK
SHERIFF'S SALE

WHEREAS, on the 26th day of January, 1968, in Cause No. 8782, in the 72nd District Court of Lubbock County, Texas, wherein The Slaton Consolidated Independent School District No. 1 and Lubbock County Water Improvement District No. 1 were Plaintiff, Impleaded Party Defendants, and Intervenor recovered judgment against Joe Wicker, one and the same person as J. J. Wicker, the Citizens State Bank at Slaton, Texas, Municipal Investment Corporation and Citizens National Bank, Lubbock, Texas, Defendants, for taxes, penalty, interest and cost against the hereinafter described property;

WHEREAS, on the 27th day of March, 1968, by virtue of said judgment and the mandates thereof the Clerk of the above mentioned District Court of said county did cause to be issued an Order of Sale commanding me as Sheriff of said county to seize, levy upon, and sell in the manner and form as required by law the hereinafter described property;

WHEREAS, by virtue of said judgment and said Order of Sale and the mandates thereof I did on the 2nd day of April, 1968, seize and levy upon as the property of the above defendants the following described property, situated in Lubbock County, Texas, to-wit:

FIRST TRACT: West 90 feet (W90') by 100 feet (100') of Lots Four (4) and Five (5) in Block One Hundred Ten (110) of the West Park Addition to the Town of Slaton, Lubbock County, Texas, and being the same land that is more particularly described in the deed from the City of Slaton, Texas, to J. J. Wicker dated July 31, 1947, and of record in Volume 349 at Page 454 of the Lubbock County, Texas Deed Records, reference to the record of such deed being here-

by made for all legal purposes.

SECOND TRACT: Lots One (1) and Two (2) of Block Forty (40) of the Original Town of Slaton, Lubbock County, Texas.

THIRD TRACT: Lots Ten (10) and Eleven (11) in Block Forty (40) of the Original Town of Slaton, Lubbock County, Texas.

FOURTH TRACT: South Half (S/2) of Lots Eight (8) and Nine (9) in Block Forty (40) of the Original Town of Slaton, Lubbock County, Texas, and being more particularly described in the deed from James Douglas Keese to J. J. Wicker dated September 20, 1960, and of record in Volume 813 at Page 454 of the Lubbock County, Texas Deed Records.

And I will on the first Tuesday in the month of May, 1968, the same being the 7th day of said month, proceed to sell all the right, title, and interest of the Defendants in and to said property at the Court House door of said county in the city of town of Lubbock between the hours of 10:00 a.m. and 4:00 p.m. to the highest bidder for cash, provided, however, that one of said property shall be sold to the owner of said property directly or indirectly or to anyone having an interest therein or to any party other than a taxing unit which is a party to this suit for less than the amount of the adjudged value of said property or the aggregate amount of judgments against said property in said suit, which ever is lower, subject also to the right of the Defendants to redeem same in the time and manner provided by law and subject also to the right of the Defendants to have said property divided and sold in less divisions than the whole.

DATED at Lubbock, Texas, this 2nd day of April, 1968.

'Whatsoever Things'

By Donald E. Wildmon
Strange, sometimes, is the way history turns. And it turns like we humans make it turn most of the time. Too many times we learn bitter lessons from history. There is one on record that it might do well for us to recall.

In 1952 a probation officer in the Bronx of New York tried to find an adoption agency for a 12-year old boy. The man who was hunting the home for the youngster was named John Carro. He searched for an agency to take the boy. But he faced a problem. The boy was Lutheran.

New York law said that Catholic, Protestant, and Jewish agencies could not take the boy. Mr. Carro faced a losing fight in trying to find a place for the young lad. He told the story later.

"When I was a probation officer in the Bronx in 1952, I tried unsuccessfully for a year to find an adoption agency for a 12-year-old Lutheran boy whose mother was ineffectual and whose father was dead," Carro said. "His case was reported to me because he had been truant," he continued. "All he wanted to do was to stay home and watch television instead of going to school. Because of the religious matching problem, I couldn't get him into a Jewish institution, I couldn't get him into a Catholic institution, and I couldn't get him into a Protestant institution.

Before I could do anything for him, the mother had taken him out of the state."

You know, we humans have a way of making some pretty silly laws when you boil it all down. And most of the laws like this one can be pinned down to someone's narrow prejudice. Our hatred often goes far beyond ourselves in affecting the lives of others around us. Sometimes our hatred drastically affects people we never see or never know.

Our world would be a much better place to live if we could rid it of our prejudice and hatred. Wars would cease, riots would end, and peace could abound. We would like to have all those things happen but we sometimes want to hold our narrow little hatred also. We want to have our cake and eat it too and any first grader knows this can never be.

There was a Man once who live in an obscure little village that we know as Nazareth who tried to get us to rid ourselves of prejudice and hatred. He tried hard to get us to do that. It has been about 2000 years since He ended up on a cross in His efforts to end hate and prejudice and replace them with love and brotherhood.

If we had put His way into practice we could have found a home for that 12-year-old. And finding that boy a home might have changed history. You see, that boy's name was Lee Harvey Oswald.

SUNDAY'S SERMON

TOMORROW

Tomorrow is the day that everything will be perfect. We'll see a ready solution to all our problems. The little things which annoy us today will disappear from the scene. We like to believe this, don't we? But we know that it is not so.

Tomorrow is a never-never land. It is always on the horizon, never really with us; always a promise, never a fulfillment. It could hardly be otherwise so long as we consider tomorrow the perfect time, in a perfect world.

So, let's talk about today. Today is the really important thing. What can we do about today?

Let's try to make today a little more perfect. Let's improve our relations with everyone with whom we come in contact. Let us recognize that it is not a perfect world, that we cannot expect people to be perfect, that we shall never have things "our own way."

Let's make today a day of give-and-take. Give a smile to the world, a helping hand where such is needed; practice tolerance and brotherhood.

Today will then become a most wonderful day.

Museum Week Is Scheduled

WEST TEXAS MUSEUM TO OBSERVE INTERNATIONAL MUSEUM WEEK APRIL 23-30. In Lubbock, Mayor W. D. "Dab" Rogers has proclaimed April 23-30 as International Museum Week, urging all local citizens to visit West Texas Museum during the special world-wide observance.

Purposes of the week, sponsored by the International Council of Museums (ICOM), are to present the museum in each country, in each town and community as one of the principal centers of education and culture; to bring about a better understanding among the general public and the museum authorities to the major function of museums, to make the museum a familiar institution easily accessible and part of daily life, and finally, to bring about an understanding between museums, the persons who manage and operate them, and the owners of museums.

The Museum will be open free to the public during International Museum Week from 9-5 Monday through Saturday, and 2-5 on Sunday. Parking is available in the Museum parking area through the 9th St. entrance to the Texas Tech campus.

Besides the permanent exhibit galleries in the Museum, a traveling graphic arts show is on exhibition in the art gallery, and a creative stillery display is exhibited in the rotunda gallery.

The One Flock

"For God resisteth the proud, and giveth grace to the humble."
— Proverbs 3:34

The first epistle of Peter reminds us that we are all children of God. It also suggests that we have responsibilities to one another.

Peter used the above quotation from Proverbs to prove a point. He reminded the elders they should "feed the flock" and do what is right, in a willing manner. He suggested to the younger generation they should heed the elders, and concluded, "Ye, all of you be subject to one another..."

Each Christian has a responsibility — an obligation to God, to Christianity and to fellow Christians.

FAMILY POT LUCK
BY HELEN MALE

Instant-blending flour pours right out of the package. In the processing, the product ends up in compressed granular or flake form that won't pack together like regular flour. Extra processing makes it cost more, so most cooks save it for special purposes, such as making gravy. Best results are obtained using recipes that have been adapted to instant-blending flour. Lamb steaks are novel and tasty when seasoned with pineapple juice, ginger and curry powder along with seeds from one cardamon pod.

Dates can be chopped and combined with miniature marshmallows to use as a stuffing for a slit in an unpeeled banana. Place bananas on melt marshmallows for a quickie dessert.

Chopped dates will also add a touch of extra flavor when added to your next batch of blueberry muffins. Packaged mix is excellent for the muffins.

A smoked pork shoulder sometimes called a "cottage roll," is always a good buy. This compact, boneless, rolled pork is economical, easy to prepare and similar to smoked ham in flavor and appearance. A boneless pork butt usually weighs 2 to 3 pounds.

Helen's Favorite Olive-Bacon Muffins (makes 12)
8 slices bacon
1 cup ripe olives
2 cups biscuit mix
1/4 teaspoon dried dill
2 eggs, beaten
3/4 cup milk
2 tablespoons bacon fat
Fry bacon crisp; drain well, reserving fat and crumble. Chop ripe olives. Combine biscuit mix and dill. Stir in eggs, milk and bacon fat. Add crumbled bacon and olives and mix lightly. Turn into greased muffin pans. Bake in a hot (400 F.) oven 18-20 minutes. Serve hot.

ITEM: Garments made of permanent press are limited in the ways in which they can be altered.

ITEM: First rule for shears and scissors is to use these cutting tools for their intended use — that is, to cut fabrics.
