Judge Upholds Election Results, Drys Lose Again

Drys won again Tuesday in a quick victory in the election contest trial which began Monday in 137th District Court in Lubbock.

The suit failed in an attempt to have the election declared invalid because of alleged irregularities in the establishment and conduct of the absentee voting box and in the election precinct boxes on election day.

drive to secure pledges for Slaton Industrial & Development Inc. was started this week by Slaton Chamber of Commerce.

SCENE OF MISHAP — Two Slaton teenagers were injured in a car-pedestrian accident late Friday on 8th street between Lynn and Garza. Car involved in the accident can be seen in the background, with Jenada hood, and blood stains in the foreground indicate where the boy and girl-Baxter Coffee and Patsy Kroll-were lying after the accident.

Car-Pedestrian Mishap Injures Two Teenagers

Two Slaton teen agers were injured and one remained hospitalized this week after being struck by a car Friday night near Slaton Youth Center.

Patsy Kroll, daughter of Mr. and Mrs. E.W.Kroll, and Baxter Coffee, son of Mr. and Mrs. R.W. Coffee, were injured in the car-pedestrian accident late Friday on 8th street between Garza and Lynn. Both are 17 years of age.

Miss Kroll remained in Mercy Hospital Wednesday, reportedly sustaining a broken wrist, cracked hip, and lacerations and bruises. Hospital officials would say only that she was in "satisfactory" condition.

Driver of the vehicle was Wayne Saunders Smith, employed at the Slaton VFW Post. No charges were filed by the Slaton Police Department after investigating the mishap.

In other activity reported at the police department, Bruce's

Restaurant was broken into early Wednesday morning. Reported missing was \$281 in cash, along with 40 silver dollars and 82 packs of cigarettes.

A teenage girl was arrested by police last Thursday on a shoplifting charge. She was accused of taking merchandise at the TG&Y Store.

Two other accidents were recorded. Eloy Quajardo of New Deal was involved in a one-

vehicle accident at US-84 and Cemetery Road Sunday afternoon. He reportedly lost control of the pickup he was driving, resulting in an estimated \$1,000 damage to the vehicle.

Mike DeLeon of Lubbock and Anna Mae Thomas of Slaton were the drivers of cars which collided on US-84 just inside the city limits Sunday afternoon. Only minor damage was reported.

◆◆ AT WILSON, SOUTHLAND, ROOSEVELT ◆◆ School Bells Ready

The vacation is over Monday for many students in the Slaton trade area, but students in Slaton Public Schools take the traditional Labor Day breather before answering the bell.

Classes start Monday at Wilson, Southland and Roosevelt schools. Monday is also opening day for St. Joseph's Catholic of Slaton, and for St. Paul's Lutheran School at Wilson.

Cooper students will begin classes Thursday, Aug. 31, following a teacher workshop set for the first three days of the week.

With some 2,400 students starting school next week, the number swells to more than 4,500 when Slaton Public Schools resume classes for the fall term on Tuesday, Sept. 5.

Slaton High students who have not pre-registered should report Monday between 9 a.m. and 4 p.m., according to Principal M.W. Kerr. Requests for any change in schedules should also be made Monday.

Dr. P.L. Vardy, superintendent, has announced that a pre-school workshop for teachers will start Aug. 30 and continue through Sept. 1. First day of classes will be on Tuesday, Sept. 5.

Wilson will probably have an enrollment of about 400 students. A new superintendent—Glenn Mitchell—and about seven new faculty members will be in the Wilson system. High school students enroll Aug. 25. Busses will run and cafeterias will serve on the first day, Aug. 28.

Roosevelt schools expect an enrollment of about 950 this term. Registration was held this week. Supt. Marvin Williams reports 10 new teachers on the faculty. Teacher in-service training is set today and Friday.

Some 775 students are expected at Cooper when classes start Thursday, Aug. 31. The school will have a band program this year, according to Supt. Harold Carpenter. A completely new coaching staff is headed by Pete Hurst.

Football season begins Sept. 8 for all of these schools, as well as Southland. Supt. F.W. Callaway expects about 200 students and reports no change in the faculty. School starts Monday.

Registration is set Friday, Aug. 25, for students at St. Joseph's Catholic School in Slaton.

Dog Complaints Bring Reminder

With a growing number of dog complaints being recorded at the police station, Police Chief Walter Head this week urged citizens to cooperate with the laws set forth in the city "dog ordinance".

The ordinance, passed in October, 1964, provides for city dog tags, vaccination for rabies and prohibits any person from allowing a dog to run "at large" on public or private property.

Any dog owner, or person who has custody of a dog, is subject to a fine up to \$200 for violation of the ordinance. Dogs are required to be on a leash or to be in a fenced yard.

City dog tags are \$1 each and can be purchased from the tax collector at the Municipal Building. Owners must

present proof of vaccination for rabies from a licensed veterinarian. Tags expire April 1 each year.

An owner may redeem an impounded dog for \$1 and \$1 per day board, if the dog has a tag. If the dog is not tagged, the fee is \$2 plus vaccination and \$1 per day board.

If a licensed dog is not claimed in six days, he may be sold or destroyed. An unlicensed dog may be disposed of in 72 hours if not claimed.

Dogs are also covered under the public nuisance ordinance in the city of Slaton. It is unlawful to "permit a dog or dogs to bark in such a manner as to disturb the inhabitants of the community." Violators of this law are subject to a fine of up to \$200.

ryland farmers were still hoping for an inch or two of rain to put their good shape.

Tigers Set Scrimmage Session With Abernathy

Showing great enthusiasm and team spirit, the Slaton Tigers test their claws for the first time Friday afternoon in a controlled scrimmage session with the Abernathy team from District 3-AA.

Coach Ernie Davis feels his Tigers are stronger this year, but he looks down the schedule and notes that most of his opponents are boasting better teams this season, too.

A few of the question marks may be answered after Friday's test. The scrimmage is set for 5 p.m. in Tiger Stadium. Davis plans another practice session here next week against the tough Seagraves team, hoping to have the squad ready for its Sept. 8 opener against Petersburg.

Davis will rely on 10 regulars from last season as he tries to guide the Tigers to the school's first winning season in more than a decade.

The 10 include double-duty performers Jimmy Williams (165), Doyle Ethridge (165), Tom Davis (170), Bobby Ball (190), Claude Stricklin (175), guard Buddy Pettigrew (170), guard Arnold Hernandez (140), center Dennis Muerer (165), and Brice Hill (145).

Allison (170) was a starter the last part of the season after filling in for the injured Claude Stricklin at end.

The other returning lettermen are end Carlton Bradshaw (170), guard Ronnie Romines (200) and back Don Simmons (145). Reserve lettermen back are Wayne Fagin, 145-pound end, and tackle George Quintero (200).

Other prospects, mostly up from the B-team last year, are tackle Randall Choate (205), tackle Truett Johnson (190), back Paul Hall (150), back Esse Scott (140), back Glenn Montgomery (170), back Hoby Chapel (140), guard Roy King (175), guard Arnold Hernandez (140), center Dennis Muerer (165), and Brice Hill (145).

On paper, Slaton should have a good passing attack with Jim Williams returning at quarterback along with last year's top pass catcher, Ethridge. Williams will also have fine receivers in Stricklin, and Allison at ends, and Washington and Hall in the backfield.

good experience last season and could develop into a great running back.

Ethridge and Hall have also looked good in practice, and Dale Harris—a standout defensive lineman, has shown power while running from the full-back post. Harris could be one of the top linemen in the district.

One of the problems Davis is concerned about is coming up with top linebackers. He'll be looking these spots over good in the scrimmage sessions.

Lions' Broom Sale Success

Slaton Lions held their annual Broom Sale Tuesday, and project chairman Gene Moore reported a "very successful" sales day.

Moore expressed appreciation to citizens for their fine support of the annual sale. The local club netted about \$185 on the sales, and all proceeds will be used for the club's charitable work with the blind and crippled children.

Club President Speedy Nieman cited Moore and Ted Gentry, advance sales chairman, for heading up this year's successful Broom Sale project.

MRS. JERRY OATS
... Patricia Martin

Oats-Martin Vows Exchanged Saturday

An afternoon wedding united Miss Patricia Ann Martin and Jerry Lee Oats at 2 p.m. Saturday in the chapel of the Broadway Church of Christ in Lubbock with William S. Banowsky officiating the double ring ceremony.

The bride is the daughter of Mr. and Mrs. John L. Martin, 2114-71st St., Lubbock, and the groom is the son of Mr. and Mrs. Clay Oats, Rt. 1, Slaton.

The bride's altar was centered with an arrangement of white stock, butterfly roses and majestic daisies. Music was provided by the chapel chorus under the direction of Horace Coffman. Their selections included "One Hand, One Heart", "Walk in Hand With Me", "More" with Miss Pat Mills as soloist, and "The Wedding Prayer".

Given in marriage by her father, the bride wore a formal length gown of silk linen fashioned with a bateau neckline and elbow-length sleeves edged in Venice lace. The back neckline of the princess A-line sheath was squared with two small bows atop a train of three tiers cascading down the back of the dress, each edged in Venice lace. The rose caplet with pearl sprays held her shoulder tiered veil of silk illusion.

She carried a cascading bouquet of stephanotis and phalaenopsis orchids trimmed with Chantilly lace, seed pearls, lovers' knots and streamers of white satin.

In keeping with tradition, she wore a blue garter and carried in her shoe a penny minted in the year of her birth. Her gown served as something new and her pearl earrings were borrowed from her maid of honor.

Miss Susie Crutcher was maid of honor and Miss Jana Barber, cousin of the bride, served as bridesmaid. They wore floor length gown of yellow sateen designed with an A-line and an empire waist accented with appliques of white lace down the front of the skirt. Their illusion head pieces were crowned with clusters of marguerite daisies, and they carried nosegays of yellow marguerite daisies trimmed with satin.

Flower girls were Misty and Melody Oats, nieces of the groom. They wore A-line dresses of yellow sateen with lace bodices and carried baskets of marguerite daisies.

Serving as best man was Harry Littlejohn, and groom-

man was Alex Weaver. Ushers were Buzz White, Mike Martin, brother of the bride, Clay Neal Oats of Lubbock, brother of the groom, and Commie Oats of Slaton, cousin of the groom. Ringbearer was John Dee Martin, brother of the bride.

A reception was held following the ceremony in Fellowship Hall. The bride's table was covered with a floor length cloth of peau de soie with a chiffon overskirt. A silver candelabra held the centerpiece of majestic daisies, feverfew and white roses. The colonaded bride's cake was decorated with clusters of yellow roses and each tier was crowned with cherubs.

After a wedding trip to Ruidoso, N.M., the couple will be at home at 3201-35th St., Lubbock.

The bride is a 1966 graduate of Monterey High School and a sophomore Latin major at Texas Tech. She is employed by Montgomery Ward.

The bridegroom is a 1964 graduate of Cooper High School and attends Texas Tech. He is employed with Litton, Inc.

Laundry Hints For Permanent Press..

Development of Permanent Press is a miracle to the housewife. The new garments release the inevitable Monday ironers, and leave her with her family laundry activities. But, every new invention, is completely perfect. It is the responsibility of the consumer to take special precautions in the care of these items if they are to last with maximum efficiency.

September 1966 edition of the New Home Economics Press Performance Index on the consumer's responsibility in Permanent Press fabrics is in the laundry. The permanently pressed fabrics are a miracle. They are a short cut. These garments do not have the durability of lasting qualities of natural fibers, so it is the consumer to heed a few hints when caring for these treated with Permanent Press.

Through the wash cycle of an automatic washer, these garments retain their original wrinkle-free appearance. Concentrated bleach reduce the life of the Permanent Press finish; a mild detergent provides the best performance. The

Levi Strauss Company found that by using a fabric softener in the laundry rinse, puckers in seams and around pocket areas appear to be noticeably reduced. Another useful suggestion given in the "What's New in Home Economics" is that garments with Permanent Press finish should be washed inside-out, to reduce pilling and wear on the finish. Lastly, laundry manufacturers recommend that clothes be removed as soon as washing cycle is complete to prevent new wrinkles from forming and setting.

The drying of Permanent Press fabrics is just as important as the washing. Research has found that line-drying of these garments is not as effective as tumble drying. The temperature setting is particularly important to the ultimate appearance of Permanent Press fabric. Experiments have proven that one particular procedure yields the best performance. A cool-down period lasting from 10-15 minutes, gradually lowering the temperature of the garment as it tumbles, will prevent wrinkles from being set in. Without this cooling, wrinkles may develop. The last important rule is to remove the garments as soon as they are dried and should be hung immediately, otherwise, wrinkles may set, reducing the wearability of the garments.

Permanent Press is here to stay! If homemakers take the proper precautions in laundering, then the progress will continue to improve. But when laundering precautions are disobeyed, unsatisfactory results will occur; and the consumer will be disappointed. The responsibility of performance lies on the consumer as well as the chemist.

It's a woman's
WHIRL

BY LAVON NIEMAN

God bless Grandparents and in-laws! They probably feel they need a special blessing after our recent visit with them and after our sons, Steve and Craig, spent about three weeks with them.

The first night at the "Nieman Nook" at Tres Ritos, N.M., my motherly instinct told me to ask the boys if they had been brushing their teeth every day. Their grandmother said she was sure glad I asked, because she had been wanting to, but didn't want to "nag" them all the time. Instead she spent every spare minute cooking for them, cleaning up after them and entertaining them. That is, what time "Pop" wasn't I think he must sit up night's thinking up things for his grandsons to do.

Being around my mother-in-law makes me feel like a tired old commuter trying to catch up with a subway train. Here she is, 60 or so years young, dashing lither and yon, full of vim, vigor and vitality and having an absolute ball while I'm gasping at the starting gate.

All of which convinces me that this talk about middle-age fatigue is just that--middle-aged--and I can hardly wait to hit 60 so I can really start living.

The second day we were there, and thinking surely I was acclimated to the altitude by then I started out on a daily walk with my mother-in-law.

She usually walks three miles a day. As I was doing my best to keep up with her pace, she asked if I'd like to walk a little faster. Since I didn't think I could hold out for at least a mile she assured me that was all right, but said "You've gotta pick 'em up and put 'em down for the walking to do you any good".

She started this walking bit last April or May and says it has done wonders for her. Course, she has those beautiful pine and aspens to look at as she walks and the most beautiful scenery I have ever seen.

She claims with the help of God, she no longer needs medicines that doctors had prescribed for her to take and that she hasn't felt better in years.

After being there it is hard to realize how she can manage a three-mile walk every day because of all the company they have, or for the many things she is doing for her neighbors and friends.

A minister and his wife were visiting in a cabin nearby that belonged to some friends. The day of arrival, the Niemans had them a fire built, their water turned on, a meal cooked and then later that day, she took a fresh baked pie over.

The minister told her he'd never seen anything like it. Since she had just met, he couldn't understand their generosity. She told him they were trying to get in good with "his Boss."

I'm glad when this column arrives at Nieman's Nook I won't be there, cause I have an idea my mother-in-law won't like all this fallery nor my 'almost' telling her age.

If you are looking for a vacation spot to go and get some rest I would have to recommend this valley in the New Mexico mountains. It's a place where we don't need a watch, calendar, television, radio and just forget all our troubles and headaches. Although we never get to stay long enough to suit us, we come home feeling closer to God after seeing all the beautiful things He has made and having more time than usual to "talk" with Him.

REMINDER: Next Thursday, Aug. 31, the monthly Calendar of Events sponsored by Slaton Savings & Loan will be published for the month of September. Please call VA8-4201 if you know of any event you would like listed.

Owning a newspaper in a community which depends somewhat on the farmers' economy makes me a frustrated reporter. I don't know whether to hope and pray for rain for the dry land cotton or sunshine for the sudan.

Mr. and Mrs. Norbert Kitten and family left last Thursday for Dallas where they visited "Six Flags Over Texas". Before returning home Sunday, they visited Mr. Kitten's sister, Mr. and Mrs. Clark Shultz of Arlington; two of Mrs. Kitten's sisters, Mr. and Mrs. Leon U'ley and Mr. and Mrs. H.T. Cartwright and families, all of Fort Worth; and Mrs. Kitten's brother, Mr. and Mrs. Herbert Neu of Bridgeport.

The minerals that make water "hard" are mostly calcium and magnesium, which are easily removed with a household water softener.

Nuptials Read In Lubbock Friday

Miss Catherine Courtney Abington became the bride of Richard Lee Faircloth in a double ring ceremony read at 4 p.m. Friday in St. Paul's Episcopal Church of Lubbock with the Rev. J.M. Washington officiating.

Parents of the couple are Lt. Col. and Mrs. Edward Gordon Abington of Kadena AFB, Okinawa, and Mr. and Mrs. Clarence Lee Faircloth of West Bend, Wis.

The bride is also the granddaughter of Mrs. Horace G. Sanders of Slaton, and the late Mr. Sanders, pioneer residents of this area.

H. Greeley Sanders Jr. presented his niece in marriage. The bride wore a gown of ivory silk over net and taffeta, designed with a portrait neckline and yoke of scalloped Alencon lace, encrusted with seed pearls. Puffed sleeves and a long torso waistline, marked with a fitted bodice were featured, and the skirt extended into a train. Her veil of silk illusion fell from a coronet of lace, highlighted by iridescent flowers and seed pearls. She carried a prayer book decorated with a cascade of white stephanotis and satin ribbons,

accented with miniature ivy. Mrs. Edward Gordon Abington Jr. of Gainesville, Fla., was matron of honor. Edward Gordon Abington Jr. served as best man. Ushers were cousins of the bride, Jon M. Lemon of San Antonio, and George S. Lemon Jr. of Lubbock.

Organ selections were played by James T. Watt.

The matron of honor wore a formal length gown of light pink saskia fashioned with a bateau neckline and cap sleeves edged in satin. The empire waist was encircled with a band of matching satin meeting in a box in front with streamers to the hemline of the A-line skirt.

Following the ceremony, Mr. and Mrs. Faircloth greeted guests at a reception in the parish hall of the church. They travelled to New Orleans on their wedding trip and will make their home at 505 Mulberry Dr., Apt. 11, West Bend.

The bride is a graduate of Oak Ridge High School in Orlando, Fla., and received a B.S. degree in history and government from the International Division of Sophia University in Tokyo, Japan. She was employed this summer in the English Language Center of the Government of the Ryukyus this summer in Shuri, Okinawa.

A graduate of West Bend High School, Faircloth attended the University of Wisconsin in Madison and served as a first lieutenant with the U.S. Army in Vietnam.

Senior Citizens Hear Rev. Hall

Thirty-three members of the Senior Citizen Club met Friday in the clubhouse for their regular weekly meeting.

Rev. Edwin Hall, pastor of the Presbyterian Church gave a devotional on "Sacrificial Love". A prayer was given by B.A. Hanna and Mrs. Lillie White led the singing.

The group had lunch.

Party Honors Vickie Hill

Miss Vickie Hill was honored on her 13th birthday with a surprise "1:15 a.m." party Tuesday in the home of Elena Paschall. Instead of the usual birthday cake, a plate of fudge was served.

Guests were Jane Tucker, Cynthia Hendrix, Elena Paschall, the honoree, and the hostess, Mrs. A.L. Paschall who reported that everyone had "a good time, but no sleep."

Mrs. E. R. Burns returned home Thursday after attending the Burns family reunion at Camp Copas near Denton. She visited her daughter, the Cass-Tevens in Fort Worth; her son, Jerome and family in Mesquite, and the James Bartons. Mr. Barton had hip surgery but is reported doing fine now.

Mrs. Fisher Home From California Hospital

Mrs. Savannah Fisher, mother of Eddie Fisher of Slaton, has returned here from Olive View, Calif., where she was hospitalized since June, 1966. Mrs. Fisher went to California to visit another son, Mr. and Mrs. L.C. Fisher.

However, she became ill while there, and was in Olive View Hospital until her release this month. Her son, Eddie, went to California to accompany her home.

Mrs. Fisher said that she appreciated all the nurses in Ward 122 of the hospital; the Social Chain Club of Slaton; and all who wrote her during her illness.

CHILDREN SLOW

BE CAREFULLY--Glen Miller, son of Mr. and Mrs. Ray Miller, and Rodney Kuss, of Mr. and Mrs. Albert Kuss, take another good look at a "Drive Carefully" sign, posted at strategic points near all the schools. The boys are both seventh grade students at St. Joseph's School where classes begin Monday morning.

The "back-to-school" signs are up again, and we at Citizens State Bank join the community's mothers and fathers in urging motorists to be alert for school children.

Some schools start classes again Monday, and Slaton Public Schools resume on Sept. 5. When you see a "Drive Carefully" sign around our school grounds, let it remind you that the lives of some children could be endangered by your driving.

Remember, to that small children sometimes forget to stop and look. The burden is on the person behind the wheel... let's all drive carefully on city streets around our schools!

Tiger Club Makes Plans for Season

The Tiger Club held a regular weekly meeting Tuesday night in the Reddy Room, setting dates for special projects and hearing reports from committee chairmen.

The club will sponsor a Pancake Supper prior to the first home game, and tickets will go on sale soon. President Pete Williams announced the event will be held in West Ward Cafeteria from 5 to 7 p.m. on Sept. 8.

Plans are also being made for the club's second annual Light Bulb Sale on Sept. 18.

Williams reported that more than 60 members have purchased membership cards at \$5 each. The club had 52 members last year and is shooting for a goal of 100 this season.

The club has purchased a "zoom" lens for a camera that is used to film Tiger games. Williams reported the special lens cost \$465.

Williams said preparation of football programs was near completion. Firemen will have charge of program sales at football games.

The club meets again Tuesday at 9 p.m. in the Reddy Room.

Meeting Held On Deer Area

Representatives of the Texas Parks & Wildlife Commission conducted a meeting Wednesday evening at the C Bar Ranch, east of Slaton, to explain the procedure of setting up a deer restoration area.

Proposed site of the restoration area near Slaton is in the north fork of the Double Mountain Fork of the Brazos River Canyon.

All interested persons were invited to the Wednesday night meeting. Clark Woodis, owner of the C Bar Ranch,

Mrs. W. G. Townsend had as her guests last Thursday, her sister, Mrs. J. J. Albright and her daughter, Helen Workman and granddaughter, Judy, from Edmondson. They went to Lubbock to see the style show and have dinner in the Gold Room at Hemphill Wells, Saturday they visited another granddaughter, Mrs. Fred Kessie at Plainview, and on Sunday they went to Clovis to visit Mrs. Townsend's brother-in-law, C. G. Townsend.

NEWCOMERS TO SLATON--Mr. and Mrs. A. H. Renne and children, Susan, 11, Sandra, 7, Bobby, 12, Nancy, 4, and Bruce, 14, are shown in their home at 810 S. 22nd St. which they moved into the end of last month. The family moved here from Amarillo when Renne was named division engineer here with Santa Fe Railway. He has been employed by Santa Fe for the past eight years. The family attends church at Grace Lutheran Church. (SLATONITE PHOTO)

NEWCOMERS ARE WELCOME TO SLATON

According to a report furnished by the Slaton Chamber of Commerce, 26 new families moved to Slaton in July. Most of the newcomers moved from other towns in Texas but some came from New Mexico, California and Illinois.

Following is a list, indicating head of household, previous address, new address and employment if reported by chamber: Isabel Cisneros, from Lubbock to 1210 S. 7th St., R. P. Beard, from Midland, to 1020 W. Lynn, employed as teachers in Slaton Schools; Conrad McCain, from Lubbock to 805 S. 15th, employed

by; and Leroy Bailey, 325 W. Division.

Joe Langebenning, from Lamesa to 1015 S. 19th, employed by Don Crow Chevrolet; William T. Scott, 120 S. 6th, retired, James Mangum, from Wichita Falls to 512 Plaza Drive; Robert Nelson, from Brownwood to 520 Geneva St., employed by Ayers Feed Mill; and Robert Shipley, from Lubbock to 555 W. Lynn St., employed as teachers in Slaton Schools.

Conrad McCain, from Lubbock to 805 S. 15th, employed

by Southwestern Bell Telephone; Kyle Simonton, Jr., from Long Beach, Calif. to 430 S. 7th after being discharged from the Navy; Lillie B. Smith, from Merkel to 956 S. 6th; Ronald Lindsey, 900 S. 9th, Lindsey Trading Post; Charles Enloe, 140 S. 7th St.; Melvin Patrick, from Western Springs, Ill. to 605 S. 10th S., employed by Santa Fe.

A BEAUTY SPOT--If you haven't noticed the Triangle Garden Park on Division Street lately, you should drive by. The flowers are in bloom and the park is lovely. Thanks to the Slaton Garden Club for taking on such a project. (SLATONITE PHOTO)

Parade of Bands To Launch Fair

LUBBOCK -- The WAC Battery Drill Team, Fort Sill, Okla., will participate in the parade of bands which officially launches the 50th annual Panhandle South Plains Fair here Sept. 25.

The unit, made up of members from the only WAC battery in the U. S. Army, is one of the most popular groups at Fort Sill. They have performed at many functions across the nation.

More than six dozen area bands will be invited to take part in the musical lid-lifter, which will be judged this year by Dr. Milburn E. Carey, Oklahoma A&M University.

The parade is a feature of area school day, one of several "special" days sponsored each year by the fair. Other special days include Lubbock school days, Reese AFB and college days.

Cash awards of \$100, \$75 and \$50 will be presented to the top three bands in University Interscholastic League Classes B, A, AA, AAA and AAAA. For the second year in a row, all participating bands will receive engraved trophies.

The Fort Sill drill team was formed in 1964 under the direction of First Sergeant Marion Crawford. It started with 18 members and has grown to 24 over the years. The women are hand-picked members.

The golden anniversary edition of the fair, scheduled to run Sept. 25-30, will salute longtime general manager A. B. Davis.

Eddy Arnold and his all-star show--The Kids Next Door and ventriloquist Jimmy Nelson--will be appearing in Fair Park Coliseum at 3 and 7:30 p.m. daily.

Matinee tickets are priced at \$1.50, \$2, \$2.50 and \$3, and children 12 years and under will be admitted for one-half price. Tickets for evening per-

formances are \$2, \$2.50 and \$3.50 and all tickets chased prior to the opening will be accompanied by gate admission passes.

Mail order requests for reservations are now being accepted by the Panhandle Plains Fair, PO Box 208, Lubbock.

More than a quarter of a million persons are expected to pass through the turnstiles each year.

Other features include 14th annual West Texas Fair Festival, Our Little Fair contest, the popular men's barnyard and junior chute jump, an automobile village, square dance the first annual quarter show and State Milk and Horn Breeders Show, plus other interesting and educational displays and exhibits.

POLAR HOMECOMING

The 4th annual Polar coming is set for Saturday in Kent County. Area residents are invited to attend and bring a basket.

Prior to the homecoming activities, singing is scheduled for Saturday afternoon. Singing will be provided for who wish to spend the

Driver's License Laws Change In Texas Soon

AUSTIN -- The Department of Public Safety reminded Texans today that August 28 marks the effective date of several amendments to the driver's license law which are designed to benefit Texas motorists from the standpoint of providing added protection.

The law sets new minimum age limits for acquiring a license, provides for issuing a provisional license to any person under the age of 21, and increases the penalties for driving without a license and violations calling for automatic suspension.

It also sets penalties for counterfeiting or forging a license, or for possessing such a license.

The age limits were raised to a minimum of 16 years for obtaining a license when a person has satisfactorily completed an approved driver education course, and to 18 years for persons who have not had such a course.

The minimum age for operating a five-brake horsepower motor scooter was raised to 15 years. A special examination will be required after January 1 for applicants desiring a license to operate a motorcycle which includes an "off-street phase" and an "on-street phase." The applicant must provide the motorcycle and a passenger vehicle and licensed driver to convey the License Examiner during the road test.

Licenses issued to persons under 21 years of age will be stamped "Provisional" and may be suspended if the operator is convicted of two traffic law violations in a twelve month period. This becomes effective January 1.

Upon conviction of driving without a license, a motorist is subject to a fine of up to

\$200 for the first offense and increasingly stiffer penalties for each successive conviction.

Persons convicted of driving while intoxicated (or a similar offense) are subject to a first suspension of twelve months. Any subsequent suspension on the basis of this type of conviction will be for a period of 18 months. In addition, any driver whose license has been suspended or revoked may be required to attend a program of rehabilitation for problem drivers.

Any person applying for an original license must furnish the Department with certified copy of the applicant's birth certificate or other documentary evidence deemed satisfactory by the Department for proof

of age. The Department is also authorized to require any other information necessary to determine the applicant's identity, competency and eligibility for licensing. Thumb prints will be required on all original applications after August 28.

Among other provisions designed to ban unsafe drivers from the highways is the requirement that the Department of Public Safety furnish the DPS with a list of the persons who apply for or receive assistance to the needy blind. The license of such persons must be revoked to comply with the law.

Also, any person who is convicted of driving while his license is suspended or revoked shall be punished by a fine of not less than \$25 nor more than \$500, and shall be imprisoned not less than 72 hours nor more than six months.

LETTERS TO THE EDITOR

Dear Speedy and Staff:

Congratulations to you and all your co-workers. I noticed that the Slatonite snagged an award at the Press convention, Wayne and I are very proud for and of you. Someone has to put Slaton in the map and a newspaper is the best way I know of.

We are still here in Las Cruces--2 years in October--and probably will be here another 100 years. We really do like the people, climate and just about everything else.

Las Cruces is presently digging itself from under mud and silt. We had 12 minutes of rain last night and the night before when rain is running off mountains, and your City is at the bottom of the mountain, you can imagine what problems it causes.

If ever you are in this area, be sure to call us, better yet visit with us.

Congratulations again - and keep going.

Warmest regards,

FARMING MECHANIZATION--The farming industry becomes more progressive and mechanized each year. A new twist on chemical spraying of crops was seen around Slaton the past week when a helicopter was used by Red Barn Chemical to spray for midge infestation in grain sorghum. (SLATONITE PHOTO)

ELECTION---
(Continued From Page 1)

found on the list of voters whose ballots were being contested, but Judge Ellis gave attorneys for the dry group permission to make a trial amendment of the list to add the name.

Other witnesses Monday were Beverly Kercheval of Slaton, who conducted the special absentee voting box in Slaton; Benjamin (Bo) Becker Jr., Slaton pump dealer; and Mrs. Mary H. Yeagy, a deputy in the county clerk's office.

Miss Kercheval testified as to the method of operating the absentee box at Kertan Studio. She said that she asked for the voter's poll tax receipt or exemption certificate and had the voter fill out the required application and affidavits before issuing a ballot.

If a voter did not have a receipt or certificate, the poll list was checked before the affidavits were signed and a ballot issued. She said that in some cases persons over 65 did not have certificates and were not on the poll lists. (According to law, persons over 65 who lived in localities of less than 10,000 population were not required to register to vote.)

Miss Kercheval testified that she had been designated by Mrs. Emma Vaughn, a deputy in the county clerk's office, to conduct the special absentee box.

Becker's testimony was interrupted after he was questioned about his activities in aiding persons in making application for absentee ballots and signing affidavits with such applications.

Becker testified he had notarized such applications, principally for persons who were confined in bed, and who, consequently, could not go to the polls to vote.

He also testified that he had voted in the election by absentee ballot although he was not out of the county election day. Becker explained his business covers eight towns and, because of the chance of an emergency call taking him to one of these towns, he had voted by absentee ballot to keep from losing his vote because of an unexpected business trip.

Attorneys for the county officials protested this questioning of Becker on the grounds that questioning whether he actually was out of the county after signing an affidavit that he expected to be out of the county was immaterial and improper. Judge Ellis upheld the protest.

test, but ruled that the line of questioning could be continued for the sake of perfecting the dry's bill of exceptions (a list of objections to rulings by the court to be used in event of an appeal from the court's final ruling in the case.)

Becker's testimony was interrupted to play back a portion of the court stenographic reporter's recording of the closing moments of the June 5 pretrial hearing. At that time, the recording showed Judge Ellis had upheld an exception that pleadings of irregularities in conducting the election were not set out in the dry's petition with sufficient particularity to satisfy requirement of the election code covering pleadings in election contest cases.

He ruled that any irregularities had to be set forth in detail. Also, Judge Ellis ruled that the testimony for the purposes of the trial now underway should be confined to the questions of the length of residence of those voters who were alleged not to have been residents of the justice precinct at that time.

Only one witness was heard Monday morning. Mrs. Yeagy testified as to the manner in which the absentee voting was conducted at the county clerk's office and on the canvass by the Commissioners Court of election returns.

Capt. and Mrs. B.L. Speed from San Francisco, Calif., visited here Sunday with his grandmother, Mrs. M.D. Gamble. Capt. Speed spent the past 14 months overseas in Vietnam, and was enroute to the Marine Corps Base at Camp Lejeune, N.C. They also visited his parents, Mr. and Mrs. D.J. Speed in Tucuman, N.M.

Sorghum Midge On Increase

LUBBOCK...Sorghum midge activity is on the increase in many High Plains counties, reports Don R. Rummel, Extension area entomologist at the South Plains Research and Extension Center.

All grain sorghum which blooms from now on will likely suffer some degree of midge damage, says Rummel.

In areas where midge are active, the entomologist recommends an automatic spray program starting when approximately 70 percent of the sorghum heads have emerged from the boot stage. A second application should be made three to four days after the first application. Continued midge activity may call for a third application.

Where midge activity is light or where potential yield does not justify an automatic spray program, Rummel suggests checking the field carefully every day for about 10 days after heads begin to emerge. Treatments should be applied if midge are found among the newly emerged heads. An average of one midge per head probably result in an average loss of 10 percent.

Since midge can migrate in 24 hours, Rummel recommends the spray program as the most effective method if expected to justify the cost.

The entomologist that proper timing and two spray applications are essential for good control. Since midge populations between different sections will have to be depending upon the location, he adds.

For recommendations concerning the specific spray material to use, suggests contacting county Extension office.

Fishermen in California, with \$40 in gross receipts, had in receipts from the fishing in 1963, according to a report from the Census Bureau based on the 1963 commercial fisheries survey.

Former Pastor Dies In Wreck

School Days -- School Days, Dear old golden rule days! Yes, one week from today the doors of our "little red schoolhouse" will be opening for another 9 months of school. When will have the summer gone? I guess all the kids, and mama and papa too, are ready, but seems like vacation time was awfully short!

Mrs. J. E. Day, mother of Mrs. Herbert Dunn, fell recently and broke her collar bone. She stayed in the hospital for a short time, and at present she is here in Southland staying with the Duns. Mrs. Day, we hope everything goes well from now on!

Mrs. Selma Klesel, Mr. and Mrs. Glenn Klesel, Judy Klesel, Mrs. Marie Klesel and Mrs. Beatrice McInturff recently attended a family reunion in Schulenburg.

AT PALO DURO

Patsy and Jean Ginford, Dayneen Dunn, Sherri and Darrell Wilke spent Saturday and Sunday camping out in Palo Duro Park with the Grace Lutheran Leaguers. On Saturday night they attended the musical "Texas."

Others attending were Kris Richardson, Belva Becker, Laurie Green, Johnny Foerster, Kathy and Duane Walter, Larry Becker, Gary Dillard, Joyce Schroeder and Mr. and Mrs. Chris Gindorf.

Mr. and Mrs. Billy Roy Winterrowd and family from Alliquippa, Pa. and Mr. and Mrs. Bobby Halliburton and children from Farmington, N.M. have been visiting friends and relatives here and in Slaton.

Mr. and Mrs. E. L. Belk, Jerry and Davy from Levelland and Mrs. L. A. Pysatt, Andrea and Larry from Midland visited with Mr. and Mrs. Elmer Belk, Brenda, Roy and Janet on Sunday.

Brother and Mrs. Fred Sain and two daughters, Cindy and Ginger, from Waco visited with Rev. and Mrs. W. Hill and Darrell Friday night. Brother Sain had conducted the Southland Baptist Revival recently and his mother, Mrs. Sain from Slaton, had returned to Waco with them, and they had brought her home.

Harold Wayne Donahoo flew into Lubbock Saturday to visit with relatives. He was on a business trip for the company that he works for and made this side trip to Lubbock. He left Lubbock Sunday afternoon for Houston where he will be for a week before flying back to his home in Poway, Calif. He is the head of the CPA department for a big chain store in California. He said to tell all his friends and relatives "hello" for him.

NEWLY WEDS

Congratulations to Miss Jo Beth Dillard and Sammy Wartes who were united in marriage on Saturday, August 19. They are living in Post at the present but plan on moving to Southland next week. Sammy will continue his schooling here and Jo Beth will work at the Postex Mills in Post. May God bless this young couple.

Mr. and Mrs. Delmar Wilke spent the week-end in Hobbs, N.M. visiting with Mr. and Mrs. Howard Limmer. While they were gone, their youngest little daughter, Sheryl Annette, stayed with her grandparents, Mr. and Mrs. Marcus Wilke.

Edmund and I visited with Mr. and Mrs. Leroy Zieschang Saturday night and Mr. and Mrs. James Riney and Cathy Sunday night.

I probably won't have a column next week, so until week after next, bye bye.

It has been said, "Examples would indeed be excellent things were not people so modest that none will set them, and so vain that none will follow them."

TAX MAN SAM SEZ:

The Texas Community Property Laws can make a big difference in the amount of tax that you owe the Federal government. In Texas the husband and wife must split the income if they file separate returns.

However, the extra dividend exclusion, the extra retirement income credit and the casualty loss deduction allowed under community property law can be even more important.

Document 5192 describing the community property benefits, is available at all Internal Revenue Service offices, or you can write to Internal Revenue Service, P. O. Box 1738, Dallas, Texas 75221.

McQueen Speaks At Lions Club

Horace McQueen, farm and ranch editor for KLBK-TV in Lubbock, was guest speaker at the Slaton Lions Club regular weekly luncheon meeting Tuesday at Bruce's.

McQueen showed film of a recent trip to Australia and New Zealand, where he studied agricultural and ranching practices. He said many American farmers had indicated interest in the farming and ranching potential in Australia.

The speaker is planning another tour in February, and said it is open, at present, to other interested persons.

Kenneth Henderson had charge of the program and introduced McQueen. Gene Moore, project chairman, announced final plans for the club's Broom Sale which was conducted Tuesday.

FORMER PASTOR DIES

This community was greatly saddened by the death of Rev. J. E. Peters who was killed in an automobile wreck shortly after 2 p.m. on Saturday. Rev. Peters was the pastor of the Southland Methodist church in 1954 and 1955 and retired from the ministry when he left this church. Rev. Peters was 74 years old and is survived by his wife, two daughters and one son. Our deepest sympathies go out to his family.

New Items Added To Car Inspection

AUSTIN--Inspection of seat belt accessories, steering mechanisms and wheels and rims are added to the items to be inspected on all Texas vehicles beginning Aug. 28, along with an increased minimum fee of \$1.75 for inspections.

The new items were added to the inspection law by the last legislature and the Department of Public Safety has instructed all vehicle inspection stations in regard to the type of inspection to be made on each item.

The amendment becomes effective Aug. 28, thus accounting for the early inspection date. Inspections for the 1968 sticker will continue until April 15, the usual deadline.

Under the new law front seat belts are required on every motor vehicle in which seat belt anchorages are a part of the manufacturer's original equipment. For most American-made vehicles, the anchorages are standard beginning with 1962 models. The vehicles may be rejected during the inspection if: (1) the seat belts are not installed, (2) the belts are unsafe or unserviceable from wear or damage, (3) the attachment fittings are damaged or loose, or (4) the buckles are loose or inoperative.

Steering will be checked on all vehicles, including those with power steering. Vehicles are to be rejected if: (1) the steering wheel has more than two inches of lash measured on the outside periphery of the rim (lash is defined as the condition in which the steering control can be turned through some part of a revolution without front wheel motion), (2) if

it is impossible to turn the wheel from full right to full left without jamming, or (3) if the fluid in the power steering is below the recommended level. Vehicles with power steering are to be checked with the power on.

Wheels and rims are to be inspected without being removed from the vehicle. The vehicle will be rejected if: (1) the wheel has defective or bent rim flanges, or loose or missing bolts, nuts or lugs, or (2) rims have defects and cracks to the extent that they might impair the safe mounting and proper retention of tires.

There are approximately 5500 vehicle inspection stations in Texas, and each displays the official vehicle inspection station sign. Motorists are urged to have their vehicles inspected during the routine visits to garages and stations for ordinary maintenance, thus insuring that their vehicle is mechanically safe to operate over the streets and highways.

Slaton 4-H's Are Winners

Six Slaton 4-H members were listed among the winners in the judging of 4-H Club records in District 2 Saturday in Lubbock. Winners were announced by Texas Agricultural Extension Service officials.

Winners from the 20-county area were selected from 141 senior records. Also judged were 152 junior records.

First place winners in 29 categories in the senior division will be entered in state competition. Statewide winners will be announced beginning early in October.

Judging of the district contests was performed by county extension agents from throughout the area and by junior 4-H leaders from Bailey, Cochran, Lamb and Hockley Counties.

First place winners from Slaton were Linda Kahlick in community beautification; Kathy Walter in home improvement; and Ronnie Schaffner for the Santa Fe award.

Other winners were Clifford Kitten, third in agriculture; Joyce Thomas, third in beef; and Deborah Griffin, second in entomology.

LETTERS TO THE EDITOR

Editor Slaton Slatonite
Dear Sir:
A BOUQUET FOR SLATON
In April, 1942, I was assigned to the "twin engine" school at the air base at Lubbock which is now Reese Air Base.

During the time I was there, I became acquainted with the good people of Slaton, I could mention names here, but I think it would be too great for space here.

On the 16th of August, 1942, I married a local girl here in Slaton, Lucy Woodlee. We were here last week to celebrate our 25th anniversary.

Again, may I say, my stay in Slaton was most enjoyable. A better "breed" of people I've never met.

Masonic Lodges To Get Awards

Three Masonic Lodges in this area will be honored during a workshop which will be held at 7:45 p.m. next Tuesday in the Masonic Lodge at Idalou. Lorenzo Lodge 1144 and two Lubbock Lodges, Yellowhouse Lodge 841 and Mackenzie Lodge 1327, will receive honor roll awards, which are given by the Grand Lodge of Texas in recognition of outstanding attendance during the Spring series of Masonic Workshop programs. Ralls, Idalou, and Shallowater Lodges and Lubbock Lodge 1392 are also invited to attend.

Tullus V. Walker of Lubbock, chairman of the eight-county Masonic Workshop Area E-4, will present the awards and conduct the workshop.

He said the workshop is part of a semi-annual program held for the quarter - million members of nearly 1,000 Texas Masonic Lodges. The Masonic Fraternity is noted for its activities in the field of charity and in the self-improvement of its members.

CONSTITUTIONAL AMENDMENT
NUMBER TWO ON THE BALLOT

RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

That Article IX of the Constitution of the State be amended by adding Section 13 thereto to read as follows:

13. Notwithstanding any provision of this article, the Legislature in the creation, establishment, and operation of a hospital district, shall be required to provide for the establishment, maintenance, and support of mental health services, public health units or clinics or related public health activities within or partly within the boundaries of any hospital district, any municipality or any other political subdivision or state-supported entity within the hospital district may participate in the establishment, maintenance, and support of mental health services, mental retardation services, public health units and clinics and related public health activities and may levy taxes, issue bonds or other obligations, and expend public moneys for such purposes as provided by law.

Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on November 11, 1967, at which election all ballots shall have printed thereon the following:

"FOR the constitutional amendment to permit municipalities, other political subdivisions, and state-supported entities located within hospital districts to participate in the establishment, maintenance, support, or operation of mental health services, mental retardation services, or public health services."

"AGAINST the constitutional amendment to permit municipalities, other political subdivisions, and state-supported entities located within hospital districts to participate in the establishment, maintenance, support, or operation of mental health services, mental retardation services, or public health services."

Anxiety

"Have no anxiety about anything, but in everything by prayer and supplication with thanksgiving let your request be made known to God."
— Philippians 4:6

In any given situation, prayer is better than lamentations.

We cannot help but be concerned when things are not going our way. Yet, nothing is accomplished if we cry out that life is being unfair to us.

It is better to stop, to consider the situation that we face, to reason out a proper approach to doing something about it — and to pray for the guidance we need, and for the strength we need to do whatever needs to be done.

THE FAMILY LAWYER

Parking Lot Law

If you drive a car, you probably have frequent occasion to use a parking lot. But what may be a handy convenience for you may also be a happy hunting ground for the car thief. Do you know your rights in case your car is stolen? By and large, the law divides parking lots into two basic types. Let's consider them separately.

TYPE "A" LOT

At this lot you pay your fee and park the car yourself, keeping the keys. You have a right (exercise it) to lock the car, and you may drive out without handing in any ticket.

Legally, this is a kind of quick lease. You are paying for the temporary use of a parking space, but

not much more. Thus, a man whose car was stolen from a Type "A" lot (at a ball park) failed to collect damages for his loss. Under such a parking arrangement, said the court, a car owner could hardly expect the management to keep a keen lookout for thieves.

In short, the primary responsibility for the car continues to be yours.

TYPE "B" LOT

At this lot you leave your keys in the car, so the attendant can park it for you—and move it around in your absence. Furthermore, you get a ticket which you are supposed to turn in when you leave.

This arrangement is called a bailment, and its vital element is the transfer of possession to the management. With possession goes responsibility. Now you are paying not only for the use of a parking space but also for a reasonable amount of supervision and safe-keeping.

Thus, a man whose car was stolen from a Type "B" lot (at a busy intersection) won full compensation from the management. The court found that the lot had too little fencing and too few attendants for safety.

What about all the small print—or large print, for that matter—on the ticket you get? If the ticket says "Not Responsible For Theft," does that automatically block your claim?

As a rule, the law frowns on efforts by parking lot proprietors to dodge responsibility for their own negligence. Proprietors have had a measure of success, in some states, in putting a dollars-and-cents limit on their liability. But generally they do not get off scot-free, no matter how plainly the ticket might say so. Courts feel that such tough terms, imposed on the relatively helpless motorist, are just too unfair to be enforced.
