City Budget Total Tabbed at \$474,979

A preliminary budget review by Slaton City Commission was held Monday night, but commissioners failed to give tentative approval to the \$484,979 expenditure total project by City Sec. Gerald Kendrick.

Commissioner Hugo Mosser opposed a rate increase for garbage and sewer service which was proposed in the budget. Other commissioners present also withheld tentative approval.

The annual budget is officially approved following a public hearing, which had been tentatively set for Sept. 11. Since the budget review did not win approval, it is not known if the public hearing will be moved to a later date.

In other business Monday night, South Plains Electric Cooperative requested consideration in provided service to the municipal airport site which was recently annexed, a rate increase for Pioneer Natural Gas Co. was approved on second reading, and appointment of Albert Kuss to the city Elec-

trical Board was approved.

The commission also approved appointment of two new police officers—Walter Pursley and J.D. McGaugh, bringing the force back to its normal strength.

It was reported that the Cemetery Board had set a fee of \$1 per linear foot for permits to install curbing in the cemetery, with permits being issued only for lots bought previous to October, 1963. A board ruling in 1963 prohibited installation of curbing, primarily in order to provide more economical maintenance.

Several citizens had protested the rule in recent months. Two commissioners reported complaints. One was for a trailer house being moved on to a residential lot in violation of a city ordinance, and the other for a burro being kept in the city limits in violation of the nuisance ordinance. The city secretary was instructed to notify the alleged violators of city laws concerning the issues.

The proposed budget of \$484,979 was \$10,258 higher than the budget approved for last year. Under this year's proposal, the tax rate would re-

main at \$2 per \$100 assessed valuation. The tax roll was tabbed at \$8.5 million—up half a million from a year ago.

The increase in revenue to offset the budget increase would come primarily from sewer and garbage rate hikes.

It was proposed to raise gar-

Three Police Officers Named

Three new policemen have been added to Slaton Police Department to bring the force back to its normal six-man complement.

Appointments of Walter Pursley, formerly of Tatum, N.M., and J.D. McGaugh, Plainview, were approved by Slaton City Commission Monday night. Previously appointed was David Woody, former resident who moved back from Colorado.

Pursley, 36, has 15 years of military service, including experience as a military policeman and guard. He was operating a service station before coming to Slaton. Pursley graduated from Littlefield High School.

McGaugh, 29, attended Plainview and Kress schools and had been farming near Plainview recently. He was a Plainview patrolman for almost two years and is a veteran of the U.S. Army. McGaugh is not married.

Woody, 24, formerly with Slaton Police Department as a dispatcher for two years. He has been serving as a ranch foreman in Colorado for more than a year. He and his wife, the former Linda Isbell, have an 8-month-old son. Woody is a U.S. Navy veteran.

Finance Drive For Industrial Bank Begins

A drive to secure public financing for Slaton Industrial & Development Foundation got off to a "highly successful" beginning the past week, it was reported by directors of the Chamber of Commerce.

Carroll McDonald, chairman of the C of C industrial committee, and Tommy Wallace, Chamber president, said local business leaders "are being very receptive" to the campaign.

The foundation is being formed as a non-profit organization to help secure industrial development for the Slaton business community.

Shares are being sold in minimum \$100 denominations with 10 percent cash required down, and the remainder payable over an eight-month period—but to be called only if directors decide it will result in the location of a new industry or industrial expansion.

Shareholders will elect a board of directors to govern the organization. The foundation will be owned and operated by citizens and businessmen who invest their money in the corporation. A state charter has been approved.

Activation of the foundation comes after more than a year of study and planning by C of C directors, who decided the method was the best route in actively working for a more diversified economy in the community.

BUSINESS AS USUAL FOR MANY MONDAY

Labor Day, Monday, Sept. 4, will apparently be just that for many Slaton residents.

An informal check of retail establishments around town indicated that most firms will be open for business Monday.

City offices, utility companies and financial institutions will be closed, as will some other offices.

City Girl Hit, Killed In Yard

A 4-year-old Slaton girl was apparently killed instantly in her front yard Tuesday when a car skidded out of control, jumped the curb and pinned the victim between the vehicle and a tree.

Killed in the mishap at Geneva and New Mexico streets was Debra Lucille Lacy, daughter of Mr. and Mrs. Roy Lacy of 1155 E. Geneva. She was pronounced dead at the scene of the accident by Justice of Peace Mrs. Frank Lawrence.

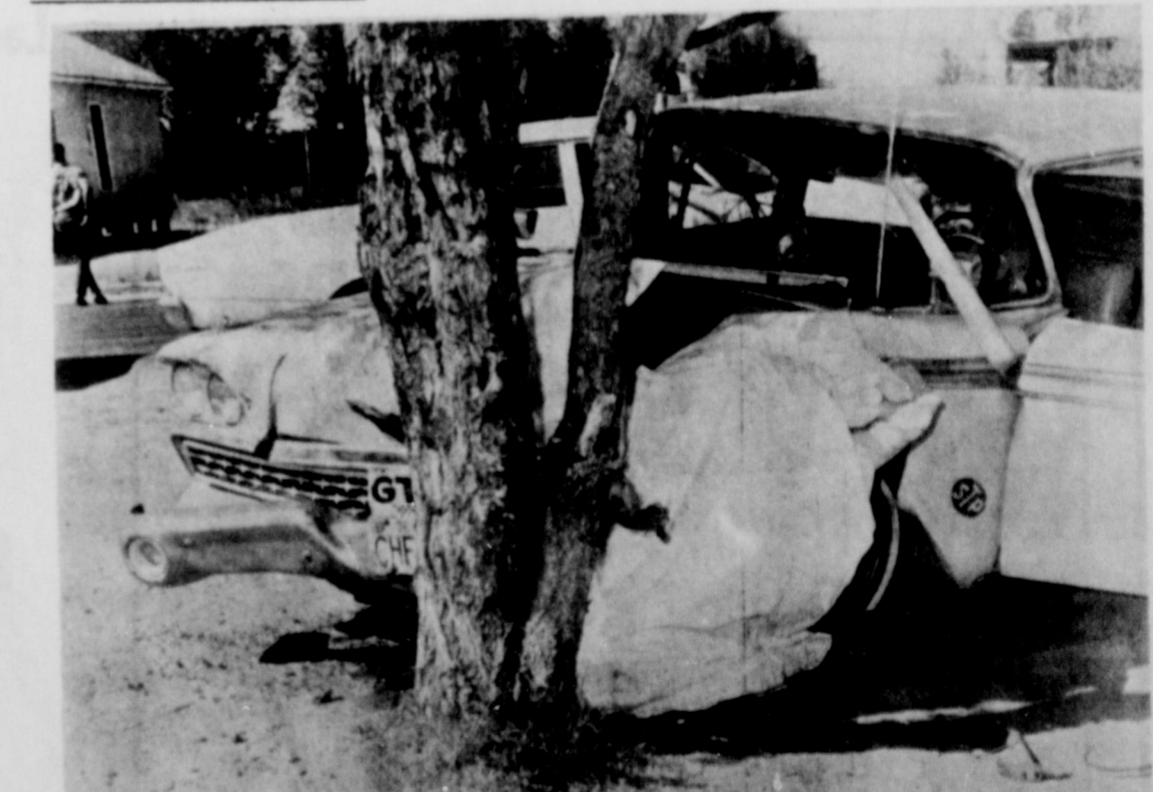

Driver of the vehicle was identified by police as David Lee Whaley, 24, Rt. 1, Slaton. Both he and a passenger,

Pearlie May Whaley, were taken to the hospital for treatment of injuries.

The accident was still under investigation and no charges had been filed early Wednesday.

Police said witnesses reported that the victim and her 10-year-old brother, Clifford, were playing in the front yard when the mishap occurred, about 4:20 p.m. The car was headed south on New Mexico, and the driver reportedly was attempting to make a right turn on Geneva.

Funeral services were pending at Jamison Funeral Home in Lubbock.

FOR MORE THAN 2,000 SLATON STUDENTS School Resumes Tuesday

With Slaton Public Schools opening Tuesday, the faculty started a pre-school workshop yesterday in preparation for the new term.

The teacher workshop continues through Friday with more than 2,000 students scheduled to report to classrooms Tuesday at 9 a.m.

Capital improvements at high school and West Ward Elementary will be in use for the first time.

A new high school gym is now completed and will be ready for basketball season. A new cafeteria will open at West Ward.

The school system also has a new football stadium on the west side of Tiger Field, and fans will put it into use for the first time this season. First home game is Sept. 8 against the Petersburg Buffaloes.

Students will attend the school in the zone in which they reside. School assignments were given to all students at the close of the 1966-67 term.

All students entering the Slaton Schools in the first grade for the first time need to have a birth certificate, and a statement from the family doctor showing a vaccination for small pox. It is recommended that vaccination also be obtained for diphtheria, tetanus, whooping cough, measles and polio.

Lunches will be served on Tuesday in the various cafeterias. Buses will operate on the same routes as last school term, with any needed changes to be made the second week of school.

First-grade students will attend school for only half a day during the first two weeks of school. The first-grade teachers will visit in the homes of these children in the afternoons. The purpose of the visit is to enable the teacher to become as well acquainted with the child as possible.

Dr. P.L. Vardy, school superintendent, expected to have the faculty roster complete this week. A list of teachers was recently published.

Administrators include M.W. Kerr, high school principal; Mrs. Charlene Davis, counselor; Mrs. Maybelle Kern, supervisor; Mrs. Grace Dodson, school nurse; James D. Perkins, junior high principal; G.B. Allen, Evans principal; T.C. Martin, West Ward principal; Mrs. Virgie Hunter, Stephen F. Austin principal.

During the pre-school workshop this week, the staff will become acquainted with policies and procedures of the school system. Dr. Vardy said emphasis will be placed upon the learning process as related to motor activities of the child.

Other emphasis will be stressed on the reading ability of children and how the ability can be improved. A portion of the time will be made available for individual building meetings. New teachers will receive special information to assist them in readily becoming a part of the staff.

F-M Barbecue Tickets Going To Area Farmers

The 10th annual Slaton Farmer-Merchant Barbecue is scheduled in Little League Park Monday, Sept. 11, with some 800 to 900 persons expected to attend the popular event.

The F-M Barbecue, sponsored by Slaton Chamber of Commerce, features presentation of "first-bale" awards along with distribution of gift certificates, and the announcement of the "Farmer of the Year" award—a new feature started last year.

Headliners for the entertainment will be the famed "Slumtown Symphony" of Lamesa. The band has appeared at two functions here and proved to be a big hit.

Cash awards of \$150, \$100 and \$50 are presented by the Chamber of Commerce to the first three bales of cotton ginned in the trade territory.

Walter Heinrich was named recipient of the first "Farmer of the Year" award last year. A secret committee has been at work to secure nominations for this year's honoree.

Tickets are now being distributed to farmers at 16 Slaton and area gins. The tickets are provided to farmers by Slaton and area merchants.

Wille Heinrich is the Chamber's committee chairman for the barbecue. He is being assisted by Clarence Kitten and Coy Biggs.

Tiger Town Has New Hours

New membership cards are now on sale to Slaton's youth center, Tiger Town. The cards are available to all youth who have graduated from junior high school or older. The charge is \$2.50 per school semester.

A band called the "Chevelle 5" will play for a dance at the youth center tomorrow (Friday) night from 8:30 to 12 p.m. Membership cards may be purchased at that time. Admission to the dance is \$1 for members and \$1.25 for non-members.

New hours set by the adult and student Tiger Town boards are as follows: Tuesdays and Thursdays—3:45 to 6 p.m.; Saturdays—3 to 6 p.m.; Sundays—3 to 5 p.m.; Friday (when no dance is scheduled), Saturday and Sunday nights—7:30 to 9:30 p.m.

Adults willing to volunteer time to help at the center should call Mrs. Joe Fondy, VA8-4266.

Gunshot Wound Fatal to Youth

Ricky Duane Gilliland, 15, was found about 7 a.m. Monday in his room by his mother, Mrs. Duane B. Gilliland, after he suffered a gunshot wound in his head. The Gillilands live between Slaton and Southland.

Lynn County Deputy Sheriff Doyle Woody said the youth died about 10 a.m. of the single gunshot wound, Justice of the Peace E.A. Hargroves, Tahoka, postponed a verdict in the death until after the youth's funeral which was held yesterday afternoon.

Woody said the mother heard what sounded like a "tin pan hitting the floor," went to the room and found the youth. Woody said there was a .38 caliber gun nearby.

The youth was a student at Southland High School. He had attended Slaton schools and graduated from junior high here. He was born at Reese Air Force Base, Lubbock.

C.L. Newcomb, pastor, conducted services at 2 p.m. Wednesday in the Slaton Church of Christ. Burial was in Englewood Cemetery under direction of Englands Funeral Home.

Survivors include his parents; two sisters, Pattie and Becki; of the home; and grandmothers, Mrs. and Mrs. W. J. Leota Martin of Morton.

GRID TICKETS NOW ON SALE

Reserved seat season tickets for Slaton Tiger football games are now on sale to the general public, according to Supt. P.L. Vardy.

Option holders had until Tuesday to claim seats they had held in the past. Seats for season ticket holders can now be selected by fans in the new west side stadium at Tiger Field.

Season tickets for five home games are on sale at the school office.

IN 'DREAM' TRIP TO OKLAHOMA Rainbow Girls Present Initiation

A dream came true for Slaton Rainbow Girls Assembly No. 164 when a large group traveled to McAlester, Okla., and presented an initiation in the International Supreme Rainbow Temple.

The girls met at the home of Mr. and Mrs. Leon C. Vaughn at 4 a.m., Aug. 23, and journeyed to McAlester in a caravan.

A tour of the Supreme Temple was made by the group at 4 p.m. that day and the initiation was at 7:30 p.m.

With Kathy Tumlinson, worthy advisor, presiding, other

officers were: Anna Pettigrew, worthy associate advisor; Wanda Bailey, charity; Lynn Bryant, hope; Elaine Eddings, faith; Charlotte Sammons, recorder; Connie Bailey, treasurer; Betsy Bryant, chaplain; and Vicky Tumlinson, drill leader.

Other officers taking part were: Pebble Corbin, love; Toni Longtin, religion; Vicki Hill, nature; Cynthia Hendrix, immortality; Elena Raschall, fidelity; Lisa Baugh, patriotism; Mary Helen Champion, service; D'Ann Carnes, confidential observer; Sandy Brush, outer observer; Donna Lankford, musician; Jane Tucker, choir director; Mrs. Juanita Bailey, mother advisor; and Cheryl Moore and Mary Jordan, choir.

Tumlinson and Jim Tumlinson, Mr. and Mrs. R.M. McMinn, Mmes. Winnie Vaughn, A.L. Paschall, and H.A. Bryant.

Returning home, the group had a picnic outing at Sulphur Spring, Okla., at Platt National Park.

VFW Members, Auxiliary At VA Hospital

District 7 Veterans of Foreign Wars and its Auxiliaries were represented at the VA Hospital in Big Spring last Thursday evening with 17 members participating.

Of the 208 patients, 52 were able to attend the bingo games, and were served refreshments of cake, punch and coffee.

The Spar VFW Post and Auxiliary were host and hostess for the monthly district visit. Many pocket-sized books and pairs of hostery were donated by the group for patient therapy.

Billie Clements of Slaton is hospital chairman for District 7 VFW, and Mrs. Genevieve Williams of Lubbock is District 7 Auxiliary chairman.

Others attending from Slaton were Mrs. Billie Clements, district auxiliary treasurer; and Mr. and Mrs. Bo Becker, district commander and president.

MISS DIANE LUKER

Wedding Set Sept. 16th

Announcement has been made of the engagement and approaching marriage of Miss Diane Susan Luker of Dallas, to Coy Eugene Talbert Clark, former Slaton resident, now of Kansas City, Mo.

Parents of the prospective bride are Mr. and Mrs. John Railford Luker Jr. of Tulsa, Okla. Clark is the son of Mrs. Jackie McCright of Big Spring, formerly of Slaton, and the late Dr. T.L. Talbert, also of Slaton.

The couple plans to marry Sept. 16 in Sharp Memorial Chapel of Tulsa, Okla.

Miss Luker is a graduate of Edison High School in Tulsa; attended Oklahoma State University in Stillwater and Tulsa University in Tulsa. She is now employed with Blue Cross-Blue Shield in Dallas.

Clark is a graduate of Slaton High School, attended Texas Tech in Lubbock, and Arlington State College in Arlington. He is now employed as a manufacturer's representative of Eval-Picone Sportswear Company of New York City.

Mr. and Mrs. Max Jackson and Don Wayne spent several days last week visiting her parents, Mr. and Mrs. J.S. Hampton at Brownwood; Mr. and Mrs. Burl Jackson in Hamilton; and Mrs. H.S. Crews and Mrs. J.C. Bryan in Greenville. According to Mary Jane, highlight of their trip was Don's getting to see the Dallas Cowboys, as well as getting autographs and pictures of most of them.

Mr. and Mrs. Joe Warnecke and Joe visited in the home of Mr. and Mrs. George Johnson over the weekend.

ALA HOLDS SEMINAR IN SLATON

The 19th District American Legion Auxiliary Seminar was held in Slaton last weekend at the Legion Hall with Mrs. Ellis P. Schmid, of Slaton and 19th District president in charge. She was assisted by vice-president, Mrs. W.M. Schroeder of Allen Brothers Unit 148 in Lubbock.

Registration began Saturday with Mrs. Lloyd Anders, unit vice-president and project chairman in charge and Miss Loretta Dillon acting for the local junior auxiliary.

With the 1968 membership drive underway, reports were given from area units on their membership status. Slaton, who rose in 1966, to head the largest group in active meetings of the juniors, membership, and Poppy awards of the four units in Lubbock County, still holds the highest goal toward membership.

Unit 575 of the George S. Berry Post of Lubbock and the Plainview Post reported they have already reached their membership goal for 1968.

Mrs. Zaida Ray, ALA hospital representative from Big Spring, gave instruction Saturday concerning the Big Spring hospital, and instruction on Poppy campaigns was given.

Taking part on the program Sunday was Mrs. Earl Reasoner, district and state worker in church counseling, who stressed the effect of God, service and self, pertaining to parents and youth of the junior ALA. She was voted by the workshop members to speak at the district convention in October on "God and Country".

A review on leadership school was given; ideas already in operation to aid war torn Viet Nam orphans was given by Mrs. Schroeder and Mrs. J.W. Pettigrew accepted the information to present to her church and organizations in Slaton; a pledge to the aims and purposes of the American Legion Auxiliary was given.

Guests of honor were Mrs. Johnny Flanagan, a number of coequal members.

Mrs. Reed's children presented her decorated birthday cake and gift. She also had many other gifts.

Bigger Bedding Is Best!

Today's young people are so tall their feet hang over the end of an ordinary mattress, and older people are so restless they disturb the other person so almost everyone needs a bigger bed.

Queen size is wider and longer than regular bedding, but will fit on a regular bed by using converter rails.

King Size, of course, is the epitome of sleeping comfort. Tossing and turning does not disturb your bed partner. King Size is 80" long so there is no hang over. Let us tell you why bigger bedding is best.

VFW Auxiliary Sets Rummage Sale Sept. 15

The Veterans of Foreign Wars Auxiliary #6721 met at 8 p.m. Monday with 13 members present. During committee reports, it was voted that the auxiliary sponsored rummage sale, scheduled for Sept. 16 at the old Southwestern Public Service building, will begin instead on Friday afternoon, from 12 noon until 8 p.m., and continue through Saturday. A spokesman for the group asked that anyone having rummage to donate may call VA8-3961 or VA8-4898.

Mrs. Bill Underwood, chairman for transportation to the monthly Well Child clinic, announced that the next clinic is set Sept. 7.

In compliance with the August honor roll requirements, a school of instruction was held by Mrs. Frances Sargent and Mrs. Bo Becker.

Mrs. Sargent reviewed the auxiliary's 10-point program on Americanism, Cancer Aid and Research, Civil Defense, Hospital-VAVS, Junior Girls units, Legislative, Membership, National Home Fund, Rehabilitation and Youth Activities.

Mrs. Becker gave a detailed report on the Hospital VAVS program and the District #7 plan of hospital work for 67-68. The group voted to present a U.S. flag to Cub Scout Pack 128 at the September pack meeting. Patriotic instructor Frances Sargent will make the flag presentation assisted by Mrs. H.E. Senior Citizens Hear Richardson Slaton Gains Three More Newcomers

Twenty-nine Senior Citizens met at the clubhouse last Friday morning for a day of visiting, playing dominoes and "42".

The Rev. Robert Richardson, pastor of Grace Lutheran Church, gave a message on "Reformation". His scripture reading was Romans 12:16. He later joined the group for lunch. In the absence of the president, Mrs. Fannie Patterson, Mrs. George Evans conducted the business meeting. Opening prayer was led by F.B. Sexton. Mrs. Lillie White led the singing with Mrs. Anna Bell Tucker at the piano.

Breakfast Is Important Meal

Breakfast is important. The word breakfast probably was coined because breakfast is the first meal of the day. After a night of "fasting", it's time to break the fast.

D'Lynn McGinty, assistant county home demonstration agent, recommends an adequate breakfast for all ages. The body needs refueling regularly, and breakfast is the meal that follows the longest stretch of non-eating.

Research has shown that without an adequate breakfast, fatigue sets in earlier, irritability is increased, work output is reduced and all reaction time slows down.

"So provide an attractive, tasty and adequate first meal of the day," the ass't. home demonstration agent suggests.

"The first meal of the day doesn't have to fit standard breakfast patterns," Miss McGinty explains. "Try something new."

How about an egg salad sandwich, lean meat or a cheese or peanut butter sandwich? A bowl of hot soup may even tempt you on cool mornings. The breakfast doesn't have to be conventional to be nutritious. Particularly, when it's the difference between eating or skipping this important meal.

Cereal and milk furnish protein and a variety of vitamins and minerals, but they don't need to become monotonous. Try waffles, pancakes, French, cinnamon or plain toast, rye or whole wheat bread, toasted cornbread or sweet rolls. Or how about ice cream on cereal to please the youngsters!

If you know your children aren't interested in breakfast, plan a menu to appeal to them. Maybe they'd like their favorite fresh fruit on cereal--or maybe a hotdog suits their fancy. Just try to see that fruit, cereal and/or bread and milk--with hearty food like meat, eggs, fish or cheese--are included in some form.

ITEM: Short-cut the choosing of your color scheme by "borrowing" it from a favorite painting or piece of furniture scheduled to play a major role in your total decor. Another good idea is to use only three or four basic colors, and be sure you like them all.

Mr. and Mrs. Darrell Eckols and daughter, Phyllis, 12, left their home town of Post and moved to Slaton this month. Eckols came here as furniture salesman for Bland's. He had been in the furniture business in Post for the past 11 years.

The Eckols are Methodists and sponsored the senior Methodist Youth Fellowship at the First Methodist Church at Post. They enjoy playing bridge and she enjoys sewing. Mrs. Eckols is employed as a dental assistant for Dr. Don Hatchett.

Phyllis is a seventh grader and says she is looking forward to meeting some of her classmates. She plans to play saxophone in the junior high band and also plays the piano. When asked what their impression of Slaton is, they said they like it "real find". He also said Slaton impresses him as being a progressive town. And a town ready for football season to start. He has been impressed with the enthusiasm shown in the football program here.

Brent Wilkins Wins Trophies

Brent Wilkins, 9, son of Mr. and Mrs. Ray Wilkins, 230 So. 16th St., returned Sunday from Amarillo with two trophies he won in the Amarillo Plainsman Model Airplane contest.

Brent placed third in the junior-senior combat, and also won the distinction of being presented the Sportsmanship trophy.

To qualify for this special award, each entrant is voted on by his fellow contestants. This particular division includes boys from 9-21 years of age. The trophy is awarded on the basis of friendliness, cooperation and willingness to help others while flying in the contest.

Brent has been flying since he was three and one-half years old, and started flying in the contest when he was four. He has won more than 30 trophies.

Team Balance Good In First Practice

Overall balance appeared to be the strong point when the Slaton Tigers got their first test in a controlled scrimmage with Abernathy here last Friday.

Coach Ernie Davis was pleased with the scrimmage session, pointing out that there were "plenty of mistakes but that's what we had the practice for--to find out where we needed improvement the most."

No score is kept in scrimmage sessions, but naturally the fans chalked up the touchdowns. For the unofficial record, Slaton tallied five times and Abernathy twice in the series of plays between first and second units.

Slaton was impressive on offense, with the exception of two long pass completions by the visitors. One went about 60 yards for a score, and the other set up a score from about five yards out.

Coach Davis concentrated on his passing attack the first time Slaton had the ball for 20 plays. Jim Williams hit only 3 of 10 for 55 yards, and had two intercepted. Williams hit Paul Hall for 27 and 23 yard gains, and connected with Richard Washington for 5.

The second time around, Slaton put on two sustained drives to cross the goal both times. Washington sailed around end for a 9-yard TD run to climax one drive, and Doyle Ethridge hit Washington on a short pass

for the other tally. The Tigers hit 2 of 3 passes on the second series of 20 plays.

Sparked by the bull-like rushes of fullback Dale Harris, the Tiger second unit scored twice while holding the visitors without a tally. Harris broke about 65 yards for one score.

Quarterback Don Simmons was a bright spot in the Tiger second unit, as was tackle Ronnie Romines.

The Tigers came out of the scrimmage with no major injuries.

Varsity roster announced by Coach Davis last week included 25 players--10 seniors and 15 juniors.

ENDS: Claude Stricklin, 175 Sr.; Larry Allison, 170, Jr.; Brent Lamb, 160 Jr.; Wayne Fagin, 150 Jr.

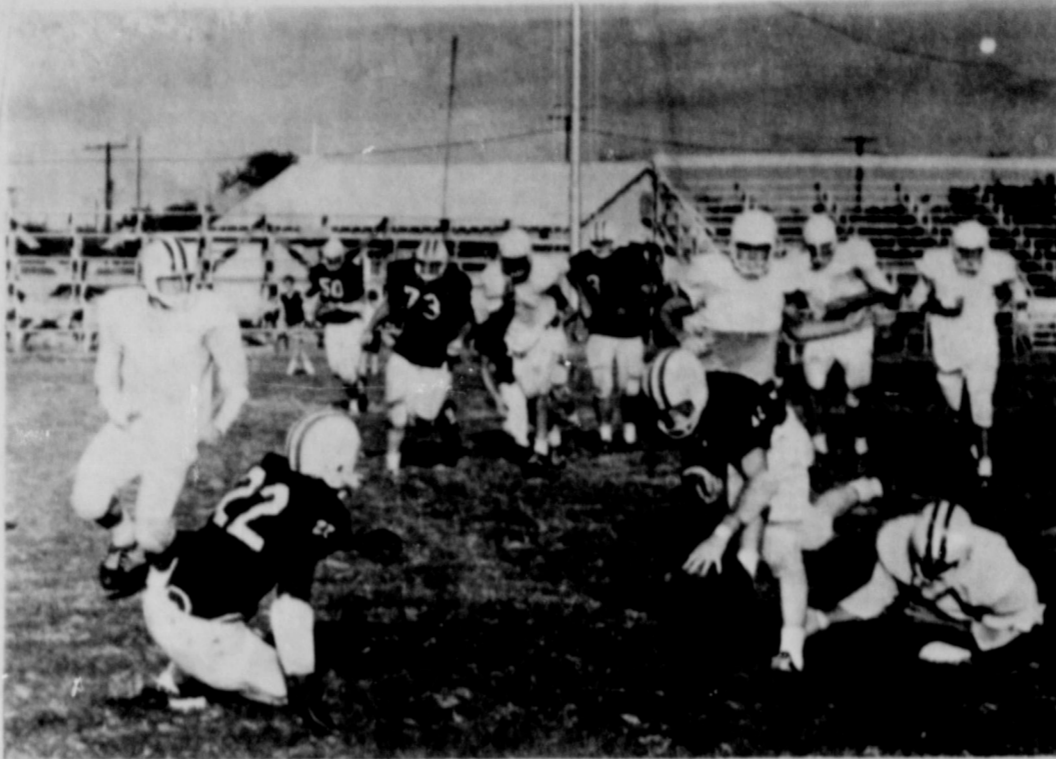

TACKLES: Bobby Ball, 190 Sr.; Johnny Lakey, 205 Sr.; Truett Johnson, 190 Sr.; George Quintero, 209 Sr.

GUARDS: Buddy Pettigrew, 170 Jr.; Randall Choate, 206 Jr.; Ronnie Romines, 206 Jr.; Brice Hill, 145 Jr.; Roy King, 180 Jr.; Tony Maldonado, 145 Jr.

CENTERS: Tom Davis, 170 Sr.; Dennis Muerer, 160 Jr.

QUARTERBACKS: Jim Williams, 165 Jr.; Don Simmons, 150 Sr.; Hobby Chapple, 135 Jr.

MUSTANGS SMALL, QUICK

Wilson Prepares For Grid Opener

"Small but quick" could be the capsule outlook for the Wilson Mustangs this season, but the description is nothing new for WHS squads.

The Mustangs have a reputation over the years of fielding small but scrappy teams. Wilson opens the season Sept. 8 at home against the Ralls Jackrabbits.

Coach Bobby Davis welcomes nine lettermen from a fine 8-2 team last season. Four were offensive starters and five were defensive regulars. Missing will be standouts such as halfback Dennis Verkamp and end-linebacker Jimmy Koenig.

Other probable starters: ends Gary Moore (140 Sr.) and Keith Weid (155 Sr.), tackles Lenro Brieger (170 Sr.) and either Mac Young (160 Jr.) or Leland Zant (160 Sr.), guards Curtis Bishop (155 Jr.) and either Don Savell (140 Jr.) or Stephen Brieger (145 soph.) and center Clinton Martin (160 Jr.).

Davis, who has compiled a 14-6 mark in two years at Wilson, feels 2-B will be a well-balanced district this season. The Mustangs' hopes might hinge on how the young gridgers on the squad develop, according to Davis.

Wilson's only defeats last season were at the hands of defending champion Sundown, 8-0, and a 14-9 loss at Meadow where a 103-yard run with an interception turned the tide.

Leading the returning veterans are two all-district performers of last season--quarterback Johnny Scott (160 Sr.) and halfback Gary Crews (185 Sr.). Tackle Lenro Brieger (170 Sr.) and Crews will be co-captains.

Davis reports that the likely starters for 22 offensive and defensive positions average only 157 per man. A trio of 140-pounders are vying for the other backfield spots. Delton Moore, Junior fullback, and halfbacks Dennis Moore, senior, and David Lopez, junior are tabbed for plenty of work.

Other probable starters: ends Gary Moore (140 Sr.) and Keith Weid (155 Sr.), tackles Lenro Brieger (170 Sr.) and either Mac Young (160 Jr.) or Leland Zant (160 Sr.), guards Curtis Bishop (155 Jr.) and either Don Savell (140 Jr.) or Stephen Brieger (145 soph.) and center Clinton Martin (160 Jr.).

EAGLES YOUNG, INEXPERIENCED

New Coach at Roosevelt

With only four years football history, playing a tough District 4-A schedule, and only four seniors on the varsity squad, Roosevelt High School appears in for a "long" season.

Roosevelt won its first game against a Texas Intercollegiate League foe last year, downing Cooper by a 16-0 count. The Eagles won four other games the past four years, beating Christ the King three times and

Slaton "B" once. However, new Coach Houston Powell faces the challenge with enthusiasm, hoping to start the Eagles upward this year. With four seniors, 11 juniors and 9 sophomores on the varsity, Roosevelt is looking to the future.

Powell was assistant at Midland Lee for six seasons and at Midland High one year before coming to Roosevelt. He greeted 39 prospects the first day here, but had only seven returning lettermen. Just two are seniors.

Junior Brown, 165 junior back, was the leading scorer last year and is one of the bright spots. Quarterback Tommy Martin, a 6-4, 165-pound soph, could develop into a standout.

Powell (Texas Tech) plans to use an "I" formation along with variations of the Wing T. Assistant coaches are John Alexander (Wayland), Les McDowell (Wayland), and Gene Mimms (Hardin-Simmons).

The team roster: ENDS--Tysun Lusk, 145 Jr. letterman; Marty Barnett, 135 soph; Joe Washington, 130 soph;

Steve Jackson, 150 Jr. TACKLES--Dale Wayne Turman, 200 man; George Hester GUARDS--Keith sr. letterman; Bobby Pack, 140 Jr. Paxton, 140 soph. CENTERS--Lloyd 150 Jr. letterman; tel, 150 Jr. Q-BACKS--Tommy 150 soph; Roger Q. junior.

Homemakers Install Officers

Hello again -- and wasn't the summer short? Roosevelt is back in full swing of things with so many students thronging the halls between bells giving a big "Hi" to everyone they haven't seen since last May. There are 10 new teachers at Roosevelt and we want to wish them the very best and welcome them with open arms to our wonderful school and community.

CONGRATULATIONS Our congratulations go to Mr. and Mrs. Carl Crossland on the birth of a new son.

Congratulations to four of the Roosevelt's 4-H'ers on placing with their record books at district. They were Joyce Thomas, third in beef; Roy Jim Davis, second in field crops; Elaine Reynolds, first in forestry; and Kathy Walter, first in home improvement.

OFFICERS INSTALLED The Roosevelt Young Homemakers installed new officers Tuesday morning, followed by a recipe exchange luncheon. Mrs. R.B. Stanton of Idalou, candidate for Area I YH president for '67-68, held the emblem ceremony installation.

New officers are Mrs. Marilyn Walter, president; Mrs. Sue Sides, first vice-president; Mrs. Sylvia Bessent, second vice-president; Mrs. Lahonda McCallister, third vice-president; Mrs. Mary Sides, secretary; Mrs. Peggy Walter, treasurer; Mrs. Linda Barton, reporter; and Mrs. Charolette Reynolds, parliamentarian-historian. Mrs. Lahonda McCallister, Area I president, was installing officer at the meeting of the Slaton YH-ers on Tuesday Aug. 22.

Mr. and Mrs. Guy Sasser have had three of their grandchildren from Arona, Calif. visiting with them this past two weeks and they will be here until Sept. 15. They are Donald Wayne, Danny and Becky, the children of Mr. and Mrs. Marlin Sasser.

Visitors in the home of Mr. and Mrs. G.A. Oats this past week were Mr. and Mrs. Byron Hollowell and grandson, Russell Jones of Lubbock; Mr. and Mrs. M.L. Hines, Iowa Park; Mr. and Mrs. J.P. Oats; and Mrs. Jay Oats of Slaton.

If you are taking a fast, last short weekend vacation over the labor day holiday, please be courteous and take real good care of the people in the others cars, because I know you want them to get back home safely, too.

Frank Massey Is Injured In Vietnam

Sp/5 Frank B. Massey, a grandson of Mrs. W.L. Housour, who has been in service in Vietnam, was seriously burned in a gas explosion while under attack recently.

Massey serves as a door gunner aboard a helicopter and received burns over 60 per cent of his body. He was flown to Ft. Sam Houston Army Hospital at San Antonio where he is receiving treatment. Frank was born at Slaton and has visited his grandmother often. He is the son of Mr. and Mrs. Ted Massey of Tuscon, Ariz.

Moore Receives Promotion

Kenneth W. Moore was recently promoted from private first class to Specialist 4 in the U.S. Army.

He is stationed in Nurnberg, Germany. Moore is the son of Mr. and Mrs. R.L. Moore of Slaton. His wife and two children also reside here.

Fondy Attends Scout Conference

Joe Wayne Fondy, son of Mr. and Mrs. Joe B. Fondy, is in Lincoln, Neb. attending the 52nd annual conference for Order of the Arrow this week.

He and four Boy Scouts from Lubbock were selected by the Nocomo Lodge, Order of the Arrow, in Lubbock to make the trip. They left Sunday morning at 4:30 a.m. with Ollie E. O'Neal, adult advisor.

The group is staying in a dormitory on the Nebraska University campus. All the boys are from Mackenzie Trail district. Fondy's scout master is Alex Webb.

Cooper Presents Rotary Program

Wayne Cooper, Rotarian and Slaton's Chamber of Commerce manager, presented a program on "communicating with others" at the regular weekly luncheon meeting of Slaton Rotary Club last Thursday.

Cooper had the club participate in a demonstration to emphasize the confusion that can result from lack of communication. At the previous week's meeting, Coach Ernie Davis and his staff were guests. Davis introduced the coaching staff and discussed football prospects for the 1967 season.

Big Monument The Italian government preserves the entire town of Portofino as a national monument. Strict controls are imposed to retain the charm of the former fishing village on the Italian Riviera. Except for a three-hour period in the morning, cars are barred from its winding streets. "Cotton producer income must be increased, not decreased, in whatever cotton program is finally decided on for 1968, because any other course would strike down the very foundation of the industry -- the man who plants the seed."

This is a quote from a statement made at a USDA called "shirtsleeve" cotton meeting in Lubbock August 28 by Donald A. Johnson, Executive Vice President of Plains Cotton Growers, Inc.

An increase in the income of cotton growers was one of four major objectives listed by Johnson as musts for next year. He said that unless producer income is protected, any discussion of cotton programs after 1968 might be purely academic for many farmers.

The other three objectives were set forth as (1) a carry-over of cotton on August 1, 1969 no larger than seven million bales, (2) an adequate supply of cotton to meet both domestic and export requirements and (3) cotton exports above 5 million bales.

USDA officials attending the meeting were Joe Moss, Director, Cotton Policy Staff, Agricultural Stabilization and Conservation Service; Charles Bragg, Cotton Program Specialist, Farmer Program Division, and F.W. Blease, Director of the ASCS South-Central Division.

Referring to his four objectives, Johnson told USDA he hoped they would come to realize "that for many producers, ginners, and many, many others whose livelihood stems from cotton, there will be no tomorrow so far as cotton is concerned unless these goals are reached in 1968."

He went on to say "Many of producers for the past few years have found themselves dangerously close to a break-even situation, and breaking even for three years in a row is equal to going broke."

On the subject of cotton supplies, Johnson commented "An adequate supply of cotton to meet our domestic and export

demands is necessary to protect the U.S. producer's markets against synthetic fibers and foreign production. We do not, however, hold with the theory that these supplies must be in the hands of Commodity Credit Corporation where they can be used to depress the prices paid to our farmers. Nor do we believe that a shortage of some staple lengths in the hands of the Government constitutes a severe shortage as some would have us believe."

Pointing out that the U.S. cotton industry is going to handling 15 million bales of cotton annually, he stated "...for the next several years the only reasonable hope for justifying 15 million bale crops lies in exports, and unless we have higher exports we cannot reach maximum prosperity in the cotton industry."

"Our industry has the investment in facilities, and it has the people to handle 15 million bales of cotton. And if cotton production is going to consistently fall below that level -- whether it be 10 percent or 35 percent -- a like percentage of the facilities that were built to handle 15 million bales is going to be liquidated."

He stressed, however, that such a level of production could not be justified until the cotton carryover is down to a reasonable size and until cotton consumption could reach the same level.

He said he didn't believe the industry could afford to have warehouses bulging with surplus cotton on August 1, 1969.

"The size of the cotton carryover at the beginning of the 1969 marketing year will be used by Congressmen and Senators from every state in the Union to gauge the success or failure of the current cotton program. And it is these Congressmen and these Senators that we will have to call on for passage of a cotton program to succeed the one we have now."

Moyers Serving Aboard Destroyer

(MO598) USS CHARLES R. WARE (DD-865) (FHTNC)--- Sonar Technician Second Class Jackie D. Moyers, USN, son of Mrs. Geraldine Moyers, 705-35th St., Lubbock, and husband of the former Mary L. Browning of Slaton, is in the Western Pacific aboard the destroyer, USS Charles R. Ware, a unit of the U.S. Seventh Fleet.

His ship recently participated in operation "Sea Dragon", the U.S. effort to stop the infiltration of arms and munitions by sea from North to South Vietnam.

On the ship's first day as a unit in the operation it fired at enemy coastal gun batteries located on an island near the mainland.

During the operation, the destroyer received shore fire on five different occasions, with 100 rounds falling within 1,000 yards of the ship. However, no enemy shells hit the ship and there were no casualties.

On all occasions the ship returned the hostile fire, causing several secondary explosions and fires at the enemy positions.

Department that all acreage diversion and diversion payments, both mandatory and voluntary, be discontinued.

Johnson said "Frankly, I don't know what the advocates of such a cotton program can possibly be thinking about."

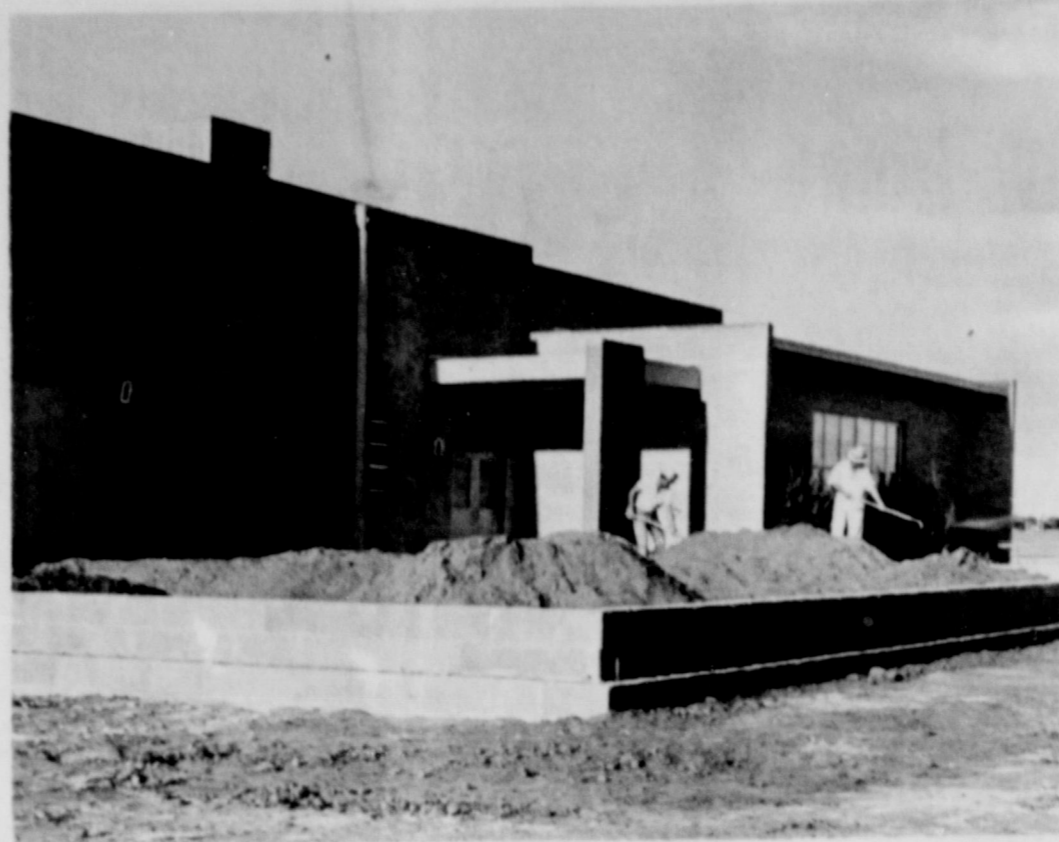

"It was just such a wide open, 16 million acre program that got us into the serious surplus situation from which we are so painfully trying to recover, and no such program can be justified in our eyes until we can see clearly that domestic and export consumption will equal the large production it would bring about."

In his concluding remarks, Johnson said he thought it would be unwise to decide on changes in the 1968 cotton program until final figures are available on the makeup of this year's carryover and until a better estimate can be made of production from the 1967 crop.

"But, if an increase in production is needed, we would like to see the penalties removed from skip-row planting. We have farmers who were using this legitimate production tool before there was a government cotton program, and we do not feel they should be penalized for using it now."

"This move," he continued "would increase cotton production, it would improve the quality of the cotton produced, and it would do both with only a small additional cost to the government."

A total of 14 such meetings were scheduled across the cotton belt by USDA, the last one to be on August 30, and the Department is expected to make at least some of the decisions regarding the 1968 cotton program in late September or early October.

Holiday Traffic Toll Estimated At 45 in State

AUSTIN--The Texas Department of Public Safety announced this week that its Statistical Services has estimated that 45 persons will lose their lives in traffic mishaps during the Labor Day holiday weekend.

Col. Homer Garrison, Jr., DPS Director, pointed out that this is the last holiday of the summer and thousands of motorists will be crisscrossing the state in their travels.

"This increased travel increases the chances of an individual being involved in an accident," Garrison said. "We urge every motorist to exercise caution and to stay alert."

"There is always the possibility that the estimate of 45 deaths for this period can be proved to be too high, but only if all drivers put forth every effort toward avoiding traffic accidents."

"The Department of Public Safety will continue in its all-out effort to curb traffic accidents and to stop reckless and illegal driving on the highways," Garrison said. "Approximately 150 uniformed officers from other DPS services will be on the road to supplement the highway patrol enforcement action."

During the holiday period, from 6 p.m. Friday, Sept. 1 through 11:59 p.m. Monday, Sept. 4, the DPS will tabulate each traffic death and the totals will be announced three times daily from DPS headquarters in Austin in order to call public attention to highway dangers.

Raiders Start Drills Friday

LUBBOCK---J. T. King's Texas Tech Red Raiders hit the practice field Friday morning to begin two-a-day workouts for the 1967 football campaign.

King, beginning his seventh season at the Red Raider helm, will greet 31 lettermen among the 80-85 candidates.

Offensively, there's plenty of experience, since only one starter, guard Ronnie Pack, was lost by graduation. Statistical leaders return in abundance, headed by quarterback John Scovell, Dallas, who led the Southwest Conference in total offense last year, and Larry Gilbert, Kilgore, AP All-America second team and All-Southwest Conference at split end last fall.

Among the rushers, led by halfback Mike Leitner, Houston, there are six of last year's top seven, including the first four.

On defense the Red Raiders return four starters including left end George Cox, Houston; left tackle Gene Darr, Cisco; right end Pat Knight, Vernon; and safety Gary Golden, Steph-

enville. Top veterans returning include offensive guard-tackle Phil Tucker, Tulsa; Gilbert; Scovell; center Jerry Turner, Garland; Leitner; Darr; Cox; halfback Kenny Baker, Houston; and tackle Leon Lovelace, Farwell.

Texas Tech opens against the Iowa State Cyclones in Lubbock on Sept. 23.

Parking Lot Accidents No To Be Reported

AUSTIN--Col. Homer Garrison, Jr., director of the Texas Department of Public Safety, reminded Texas today that laws which make it mandatory to report motor vehicle accidents occurring on highways are not applicable to parking lots. Under the new section of laws, which became effective Aug. 28, any accident involving a motor vehicle should be reported to the local police and a written report filed with the DPS within 10 days if the police are not available for reporting or if the accident has occurred on a residential street or driveway where a fee is charged for parking.

Pesticides
Insecticides are essential, but they can be hazardous if used or stored carelessly. Pesticides should be stored in a safe place, preferably in a locked cupboard. The chemical should never be transferred to unlabeled containers, especially those which once held food or drink. Used pesticide containers should be disposed of in such a way that the package or bottle of left-over contents will not be a hazard to people, particularly children.

BRYANT FARM SUPPLY

Dove Opening Looks Good

AUSTIN—Dove hunters who plan to open the season in the north zone can look forward to a good supply of birds but may have to look a little harder to find concentrations, according to the Texas Parks and Wildlife Department.

Dove call or coo counts, released in early July, indicated virtually no change in the breeding populations from the previous year, according to Ted Clark, statewide dove project leader for the Department.

Shooting hours for mourning doves in the north zone begin at 1 p.m. Daylight Saving Time or 12 noon Central Standard Time on Sept. 1. Officially, the state will be on Daylight Saving Time until 2 p.m., Oct. 29.

The fully-feathered wing provision on mourning doves has been relaxed for this season. Hunters no longer have to retain one fully-feathered wing on doves except during the concurrent white-winged and mourning dove season in 21 counties along the Rio Grande. All migratory birds imported from Mexico must have one fully-feathered wing attached.

Recent general rains over much of the state could have changed the complexion of this year's hunt according to the amount of rain and whether or not it filled stock tanks and other dove watering sites.

Drought conditions which existed over most of the state until after the middle of August

Re-Glamorize
 Does that little straw handbag you bought last summer look a little forlorn? You can re-glamorize it with a little paint. caused many hunters to look forward to a fine season for tank shooting. A plentiful water supply scatters birds and makes hunting a little slower but at the same time can hold a greater number of birds in the area, wildlife biologists say.

FAMILY POT LUCK

BY HELEN HALE
 A scoop of dairy sour cream makes a delightful topping for fresh fruit desserts. Try it on fresh strawberries, blueberries, or peaches.

Basic cream sauces made with milk may be seasoned with dill, curry powder, dry mustard or pimento to add zest and color to vegetables, meat or fish.

Some shrinkage is normal in baked piecrust. However, excessive shrinkage may be the result of overhanding or using too much water.

Equal parts of softened butter and blue cheese mixed together is a good topping for hamburgers, steak, or baked potatoes.

For a perky salad, try canned pineapple slices and apricot halves, topped with orange and grapefruit sections and finished off with a cream-cheese-stuffed pitted prune on top.

PUBLIC NOTICE
 Proposed CONSTITUTIONAL AMENDMENT NUMBER TWO ON THE BALLOT

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS: Section 1. That Article IX of the Constitution of the State of Texas be amended by adding a new Section 13 thereto to read as follows:

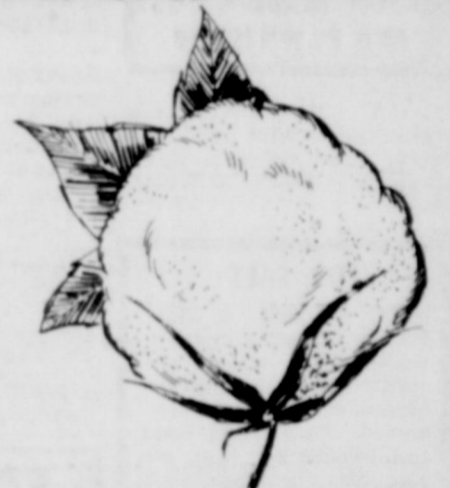

"Section 13. Notwithstanding any other section of this article, the Legislature in providing for the creation, establishment, maintenance, and operation of a hospital district, shall not be required to provide that such district shall assume full responsibility for the establishment, maintenance, support, or operation of mental health services or mental retardation services including the operation of any community mental health centers, community mental retardation centers or community mental health and mental retardation centers which may exist or be thereafter established within the boundaries of such district, nor shall the Legislature be required to provide that such district shall assume full responsibility of public health department units and clinics and related public health activities or services, and the Legislature shall not be required to restrict the power of any municipality or political subdivision to levy taxes or issue bonds or other obligations or to expend public moneys for the establishment, maintenance, support, or operation of mental health services, mental retardation services, public health units or clinics or related public health activities or services or the operation of such community mental health or mental retardation centers within the boundaries of the hospital districts; and unless a statute creating a hospital district shall expressly prohibit participation by any entity other than the hospital district in the establishment, maintenance, or support of mental health services, mental retardation services, public health units or clinics or related public health activities within or partly within the boundaries of any hospital district, any municipality or any other political subdivision or state-supported entity within the hospital district may participate in the establishment, maintenance, and support of mental health services, mental retardation services, public health units and clinics and related public health activities and may levy taxes, issue bonds or other obligations, and expend public moneys for such purposes as provided by law."

Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on November 11, 1967, at which election all ballots shall have printed thereon the following:

"FOR the constitutional amendment to permit municipalities, other political subdivisions, and state-supported entities located within hospital districts to participate in the establishment, maintenance, support, or operation of mental health services, mental retardation services, or public health services."

"AGAINST the constitutional amendment to permit municipalities, other political subdivisions, and state-supported entities located within hospital districts to participate in the establishment, maintenance, support, or operation of mental health services, mental retardation services, or public health services."

Members of Grace Lutheran Church will host a Parish Education Institute for the Northwest Conference of the Southern District of American Lutheran Churches in the parish hall from 12-5 p.m. Saturday, Sept. 9.

Lutherans To Host Institute

All Sunday School teachers, substitutes and Bible class study leaders are urged to attend, according to Rev. Robert C. Richardson, pastor.

Wayland Baptist Sets Fall Term

Registration for the fall term at Wayland Baptist College in Plainview will begin Sept. 4, and the term starts Sept. 7, it was announced this week by Dr. Roy C. McClung, president.

McClung pointed out three vital factors which make Wayland Baptist College appealing to students: The private nature of the college emphasizes the free enterprise segment of higher education; Wayland is small enough to provide education tailored to each individual's needs through personal counseling and individual attention; and the college provides church related educational development.

Wayland will be operating this fall in recently improved facilities with the classrooms modernized and each dormitory remodeled. Thirty percent of the faculty this academic year hold doctor's degrees.

NEW PASTOR AND FAMILY--Slaton's newest pastor, Rev. C.A. Starks, and family are pictured above in their home at 209 N. 6th St. Rev. Starks is the pastor of the Church of God. Women To Have Meeting, Tea

The Grace Lutheran Church Women will have a general meeting and a tea at 8 p.m. next Wednesday evening in parish hall.

The theme of the session will be "Jesus, Who is He to the Un-saved Millions." Devotions will be led by Elsie Camden, and the worship offering will be given by Rudy Walter.

Sandra Schwenke will give "Mission Poetry", and special music will be presented by the ladies choral group.

A film, featuring the work of Lutheran missionaries in India, entitled "Launch Out Into the Deep", will be shown, followed by a group song. Silent prayer for missionaries will be observed, and closing devotions will be led by Martha Wilke.

A brief business session will follow. Mrs. Robert C. Richardson announced that the event is open to the public.

BOARD MEETING SET

The semi-monthly meeting of the Official Board of the First Christian Church is scheduled at 7:30 p.m., Sept. 6. All officers, elders, deacons, deaconesses, trustees and general officers of the church are urged to be in attendance.

Plywood Tip
Plywood cracks when it is exposed to moisture. To fill the cracks, use plastic wood or a good grade of filler colored to match. After cracks have been filled, they should be sanded smooth and at least two coats of varnish applied. Be sure the top of the doors are well sealed, too.

A roll of hard-boiled egg has been developed by Clemson University. Although not yet on the market, the product should prove to be a convenient food to have on hand, ideal for garnishing salads and casseroles.

Back-To-School Parties Set At Baptist Church

The First Baptist Church will sponsor three "Back-To-School" parties. The Senior High party will be tonight (Thursday) at 7:30 p.m., and the Junior High party will be Saturday at 7:30 p.m. Both parties will be held in Fellowship Hall.

An "Off-To-College" party will be given for college students and for high school graduates on Sept. 7 in the home of Mr. and Mrs. Ed Moseley.

A melodrama featuring some adults of the church will be presented at each party.

Shady Greenery
For foliage plant greenery in the shaded portions of your patio or terrace, group Philodendron panduriforme and Philodendron cordatum plants in large clay pots. These varieties require a minimum of light and can return indoors in the fall.

Pastors Leave Gentry Rites First Assembly Of God Church Read Wednesday

After five years of ministry at the First Assembly of God Church, pastors Nola Stout and Norma Elliott have tendered their resignation, effective Sept. 10. They will assume new duties in the State of Arizona. To show appreciation to Miss Stout and Miss Elliott, the church members have received and given them an offering of \$300. The offering is expected to reach \$500 before Sept. 10. A new pastor will assume responsibilities of the church sometime after Sept. 10, the church secretary announced.

Mrs. Jim Gentry, 49, a resident of Slaton since 1920, died Monday afternoon in Mercy Hospital following an illness of several months.

Survivors include her husband, Jim; a son, Paul of the home; her parents, Mr. and Mrs. John Childress of Slaton; two brothers, Joe Childress of Tyler and Ray Childress of Safford, Okla.; four sisters, Mrs. J.C. Gentry and Mrs. Betty Burks of Slaton, Mrs. Carl McNewee of Spar, and Mrs. Leonard Strand of Ogden, Utah. Services were held at 4 p.m. Wednesday in the Church of Christ with C.L. Newcomb, minister, officiating. Burial was in Englewood Cemetery under direction of England's Funeral Home.

Wash First
Waxing furniture before cleaning it is like putting the cart before the horse. Dusting and waxing will keep surfaces bright and attractive only if the wood itself is really clean. In order to achieve the highest luster and the truest color possible, wood should be washed before it is waxed.

God's Light

"I have come as light into the world, that whoever believes in me may not remain in darkness." -- John 12:46

We cannot expect to see God in this world. We cannot take an empty bag to church and return with a supply of faith to carry us through the following week. Yet happiness and strength for living begin with the simple belief in God and are nourished in the practice of Christianity. It is not necessary to walk always in darkness. But we must open our eyes to see; and, we must open our hearts to believe.

STATE CAPITAL Highlights AND Sidelights

by Wern Sanford

AUSTIN, Tex., Major changes in state drivers' license law go into effect on Aug. 28.

At the same time, inspection of additional auto equipment will be required, and minimum fee for vehicle inspections will be raised to \$1.75. Inspections for the 1968 sticker will continue until April 15, the usual deadline.

Under the new law, front seat belts will be required on all cars which have belt anchorages as part of original equipment. Steering mechanism, wheels and rims also will be added to inspection items.

Other changes effective next week include:

Licensing law raises minimum age to 16 for those who have completed a driver's education course and to 18 for those who have not had approved training.

Minimum age for operating a motor scooter has been raised to 15, and a special examination will be required after Jan. 1 to operate a motorcycle.

All licenses issued to persons under 21 will be stamped "provisional" and may be suspended if the operator is convicted of two traffic law violations in a 12 month period. (This provision effective Jan. 1.)

Motorists convicted of driving without a license will be subject to a fine of up to \$200 for first offense and stiffer penalties thereafter.

Those convicted of driving while intoxicated (or similar offense) are subject to first suspension of 12 months (18 months for later offenses) and may be required to attend a program of rehabilitation for problem drivers.

Thumb prints will be required on all original applications.

Driving while license is suspended or revoked is punishable by fine of \$25 to \$500 or a jail sentence of three days to six months.

Stiff penalties are provided for counterfeiting or forging a license.

Department of Public Safety will in the future receive from Department of Public Welfare a list of all Texans receiving aid due to visual defects.

POLITICAL SIGNS EMERGING

First major political indicators of what is expected to be a stormy year ahead began to come into focus here last week. House Speaker Ben Barnes and Lt. Gov. Preston Smith acknowledged that they sat down together to talk over their plans at length.

Barnes said Smith told him he plans to run for governor and encouraged him to seek the lieutenant governor's office.

Both declined to make any formal announcement of their plans until after Gov. John Connally's return from Africa about Sept. 4.

"I am hoping things work out so there will be no big political turmoil, but I have stated repeatedly my plans are not dependent on what anyone else does," commented the lieutenant governor.

"I may announce in the next few weeks, but I have to think about all this," said Barnes. "This is a political decision I am not ready to make yet."

Most observers rate Governor Connally as almost certain to seek a fourth term.

HOSPITAL BUILDING SIGNALLED

Texas Mental Health and Mental Retardation Board has approved \$3,200,000 in construction priorities and set aside \$3,000,000 for the Dallas Neuropsychiatric Institute.

Major items include \$500,000 for an institute for human growth and development at Austin State School; \$397,828 for a rehabilitation building at Kerrville; \$388,859 for air conditioning at a Terrell unit; and \$290,459 for a recreation building at Abilene.

Grants in aid were approved for these community health centers:

Austin-Travis County, \$392,815; Edinburg, \$102,024; Beaumont-Port Arthur, \$305,000. Contracts also were made to assist in developing community centers in Abilene, Amarillo, Brownwood, Harlingen, Texarkana, Dallas and San Antonio. Contract services were continued with individual physicians or hospitals in Amarillo, Corpus Christi, El Paso, Houston, Lufkin and San Antonio.

ATTORNEY GENERAL SPEAKS

Atty. Gen. Crawford Martin said it is up to each individual school district to decide if it wants to adopt the new "tenure" or "continuing contract" law for its teachers. However, once adopted, the tenure plan (protecting teachers against firing without cause) becomes mandatory.

In other recent opinions, Mar-

not become incontestable under the insurance code until two years from the date the person becomes insured under a mas-

ter policy. District judges and district attorneys can claim reimbursement for official travels out of county of their residence, effective Sept. 1.

Railroad Commission employees assigned to a transportation conference are entitled to travel expenses, as are state employees representing their agencies at a Texas Historical Survey Committee-sponsored dedication ceremony.

A public weigher may not conduct weighing operations outside the area in which he was elected or appointed; deputy weighers need not be actual residents of the area they serve.

Cities under 185,000 population cannot pay any portion of firemen's personal obligation as contribution to relief and retirement fund.

Texas Employment Commission may contribute state funds to the premiums of its employees' group insurance coverage; but under these conditions, Commission must secure

the contract of insurance, be the policy-holder and pay the contributions to the company. Writ of possession on property sold at a tax sale may be issued to the purchaser after expiration of 20 days from end of redemption period.
