AFTER REAPPRAISAL TO EQUALIZE VALUES

City Lowers Rate, Hikes Valuation

Paving Program Still in Doubt

In a special meeting last Friday, the Slaton City Commission passed a city ordinance for a paving project near the low-income housing program in southeast Slaton.

The action, however, does not mean that all of the streets will be paved. The ordinance officially closed the public hearing, held May 20, and allows the contractor to contact homeowners to see how many will sign up for the program.

After the contractor reports back, the commission will decide how many units, if any, are to be paved.

About 35 people attended the public hearing on the paving program, with only two favoring the project. Total program is estimated at a cost of \$114,769.

Many Close For Memorial Day

With Memorial Day observance set Thursday, many Slaton firms and offices will be closed all day and open again Friday.

Memorial Day is one of the five major holidays which members of the Retail Merchants Association voted some years ago as a closing date.

The others are Thanksgiving, Christmas, New Year's Day, and July 4th. A complete list of stores who had made a definite decision was not available Tuesday before press time.

City offices and utility firms will be closed Thursday. Citizens State Bank and Slaton Savings & Loan will be open, however. Rotary Club has cancelled its regular luncheon meeting Thursday.

Slaton Public Schools will not turn out for the holiday.

MRS. T. C. MARTIN

WITH 30 YEARS OF MEMORIES

City Teacher Bows Out

BY LAVON NIEMAN

As each class of senior English students leaves the classroom for the last time each year, it is a most difficult time for Mrs. T. C. Martin, teacher of senior English at Slaton High for the past 15 years. But this year it was harder than ever to fight away the tears. . . after 30 years in the teaching pro-

fession, Mrs. Martin is retiring.

Mrs. Martin says it is sad to her each year because she knows the group of senior students will never be together again, but she always has had another group of seniors coming. This year it is different.

Mr. and Mrs. Martin are the parents of three fine sons. These sons are probably the prime reason Mrs. Martin chose to teach for 30 years, but during this time, she not only helped educate her own sons, but helped many other students. She said she felt the best heritage she could give her children and others was education and love and that was what she tried to do for 30 years. We think she succeeded.

Two of the Martin's sons also went into the teaching profession after graduation from college, although the older one, Tom, is now auditor in Robert Calvert's office in Austin, Robert L. (Better known as Bob) taught Civics and Texas History along with his coaching duties at Slaton High School for the past two years and next year will teach Freshman English, speech and of course, coach.

With graduation only a short time away, the Martin's youngest son, Dick, will receive a

degree in business administration from Sul Ross College at Alpine in August.

Mrs. Martin said, "I haven't decided what I will do but I know I am going to relax a little bit. I plan to be free to travel and go whenever Mr. Martin can go". Mr. Martin is principal at West Ward Elementary. She most likely plans to spend more time with their three grandchildren, too.

A quiet spoken, sentimental, religious woman, Mrs. Martin

Opening Set On Pump Station

A formal opening of Slaton's new Canadian River pump station on US-84 bypass is scheduled Wednesday at 10 a.m.

Mayor Jonas Cain received notification Monday that the formal opening had been scheduled by CRMWA and the U. S. Department of Reclamation officials. City engineer Bennett Reeves will also be here for the opening.

The pump station has been in actual operation since Canadian River water was turned into city lines April 2.

Equalization hearing should the taxpayer desire to discuss the valuation placed on his property.

An example of the difference in the taxing formula can be seen by applying the new and old schedules. A \$10,000 home, the last taxing season, would draw an \$80 bill under a \$2 rate and 40 percent assessment. The bill would figure \$87.50 under the \$1.75 rate and 50 percent assessed value formula.

The commission studied three formulas before approving the \$1.75 rate. Total revenue would have been greater under a \$1.50 rate at 60 percent assessment, while a \$1.25 rate at 70 percent would have drawn about the same total revenue but less in the general fund.

If the new schedule brings in the anticipated \$188,143, the general fund would realize an increase of about \$13,000; the interest and sinking fund about \$7,200; the Board of City Development about \$5,000; and the Cemetery fund about \$1,000.

The commission had been considering a vote on a 1% city sales tax, but may hold off discussion on that matter until the Legislature holds its special session. There has been discussion of a possible increase in the state sales tax from 2 to 3 percent.

In other business Monday night, the commission deferred action on possible purchase of a posting machine and a new fire siren. More study is to be given the machine for bookkeeping and tax work, along with an estimate on repairs of the old machine. The commission asked for Fire Chief Don Kendrick to meet with them concerning need of another siren.

Two street light requests were approved -- one at Collins and Jean Streets, and the other at S. 6th and Scurry. Both had been under consideration.

Police Chief Walter Head announced that patrolman Billy Junell had resigned from the force. The commission accepted the resignation. No replacement had been found this week.

Present for the regular meeting were Mayor Jonas Cain and commissioners Hugo Mosser, David Hughes and Henry Bollinger. Absent was Rudy Dominguez. Others attending were City Sec. Gerald Kendrick, City Atty. Carroll Smith, Chief Head, Water Supt. Joe Cardenas, and Slatonite Editor O. G. Nieman.

ROTARY CANCELS
Slaton Rotary Club will not meet this Thursday due to the observance of Memorial Day, it was announced Tuesday by club president David Hughes.

The club normally meets each Thursday at noon in the Community Clubhouse. Rotarians will meet as usual next Thursday, July 6.

Slaton Man Drowns, Rites Held Monday

After spending four years in the United States Navy, with 25 months of the time in Vietnam, Larry Bill Moeller, 20, drowned Saturday afternoon in an apparent attempt to swim across the upper lake at Buffalo Springs Lake. He was discharged from the Navy two months ago.

Moeller disappeared midway across the lake about 7:20 p.m. and the body was recovered at 8:40 p.m. by Bobby Newell, a member of the Buffalo Lakes rescue squad.

Moeller was the son of Mr. and Mrs. Bennie Moeller, 930 S. 20th St. Justice of the Peace Wayne LeCroy ruled death by accidental drowning.

Services were held Monday at 2 p.m. in the First Baptist Church. The Rev. J. L. Cartwright, pastor, officiated. Burial was in Englewood Cemetery under direction of Englands.

Moeller was accompanied to the lake by Tommy Donaldson, 19, and his brother Steve, 20. Steve dove into the lake when Moeller began to struggle, but could not reach him before he went down, according to witnesses.

Swimming is prohibited at the lake by ordinance.

Born July 15, 1947, Moeller attended Slaton High School before enlisting in the Navy. He had been employed by Santa Fe Railroad since April 15th and was living with his parents.

Other survivors include a sister, Jill, also of the home; the paternal grandparents, Mr. and Mrs. Joe Moeller of Slaton; and the maternal grandparents, Mr. and Mrs. Bill Sledge of Slaton.

Pallbearers were Steve and Tommy Donaldson, Ronnie Perdue, Bennie Bloom, Phil Swift and Don Settles.

Seven Receive Honors At Commencement

Another milestone has been passed by 92 Slaton youths as they graduated from high school Monday night.

The school gym was filled as parents and friends watched the seniors receive diplomas and awards.

Claude Stricklin, the salutatorian, gave the welcome address and the mixed choir provided musical interludes with the school songs.

Bobby Ball, the valedictorian, delivered the main address of the evening. He stressed the importance of education and said that students were grateful for free public education.

Awards were presented to several seniors. Bobby Ball, the son of Mr. and Mrs. Bill Ball, received the valedictorian award and one of the American Legion Awards. The other legion award went to Cheryl Keese, daughter of Mr. and Mrs. T. L. Keese.

George Quintero, the son of Mr. and Mrs. Y. A. Quintero, received a \$100 scholarship

from the G. L. Forum.

First Methodist Church awarded a \$50 scholarship each to Donna Lankford, the daughter of Mr. and Mrs. O. E. Lankford, and Diane Jaynes, the daughter of Dr. and Mrs. S. H. Jaynes.

Claude Stricklin, son of Mr. and Mrs. Elsford Stricklin, received an award for ranking second in his class. The highest ranking for a girl went to Donna Hatchett, daughter of Dr. and Mrs. Don Hatchett.

Magallanes-Vaca Vows Exchanged

Miss Noemi Vaca became the bride of Raymon Magallanes Jr. at 7:30 p.m. Saturday in the Spanish Baptist Mission of Slaton with Rev. Samuel Valdez performing the double ring ceremony.

The bride is the daughter of Mr. and Mrs. Domingo Chapa of Rt. 3, Seminole, Magallanes is the son of Mr. and Mrs. Raymon Magallanes Sr. of Slaton.

Given in marriage by her father, the bride wore a gown fashioned with an empire waist line of peau de soie with detachable train at the bodice, and a shoulder-length illusion veil held with double tiered leaf pearls. The Chantilly lace bodice featured a scalloped neckline and bell sleeves, and a train covered with Chantilly lace. She carried an orchid surrounded with white feathered carnations. For something old, she wore a pearl necklace; something new was her wedding gown; something borrowed, a bible; and something blue, a garter.

Miss Juanita Magallanes of Slaton, cousin of the groom, was maid of honor and Vicki Vaca of Tuleta, niece of the bride, was matron of honor. Bridesmaids were Susie Ozuna of Amarillo and Alicia Torres of Lubbock. Kay Chapa of Seminole, niece of the bride, was flower girl, and candles were lighted by Jesse Velasquez of Wilson, nephew of the bride, and Jesse Magallanes of Slaton, brother of the groom.

The maid and matron of honor wore lavender dresses with small circular lavender veils as headpieces. They carried a

single long-stemmed mum. The bridesmaids wore satin dresses patterned after that of the bride with matching shoes and white gloves.

Ascension Perez of Slaton served as best man, and groomsmen were Carlos Vaca of Tuleta, Joe Riojas of Seminole, Bobby Magallanes of Wichita Falls, and Rudy Magallanes of Slaton.

Wedding music was presented by Mrs. Samuel Valdez, soloist, and Rosa Emiliano of Andrews, pianist.

Following the ceremony, a reception was held in Fellowship Hall of the First Baptist Church. The bride's table was covered with lace over lavender satin. A three-tiered wedding cake topped with a miniature bride and groom was flanked with a floral centerpiece.

After a wedding trip to the HemisFair in San Antonio, the couple will make their home at 1106-A Quincy in Plainview. For traveling, the bride wore a pink A-line dress with white accessories and the orchid from her bridal bouquet.

The bride is a 1966 graduate of Seminole High School and has attended Wayland Baptist College for the past two years. Magallanes is a 1964 graduate of Slaton High School and a 1968 graduate of Wayland with a bachelor of arts degree in history and political science. He was an active member of Chi Omicron, president of the Statesmen Club, and a member of the S.G.A. Senate. At a recent recognition assembly, he was recognized as the most outstanding Wayland College senior in political science.

Following a reception at the church, the couple travelled to Colorado. For her wedding trip, Mrs. Estes wore an aqua linen suit with white accessories and the orchid from her bridal bouquet. The couple will reside at Apt. 192, Varsity Village.

Mrs. Estes is a graduate of Slaton High School, attended Hardin - Simmons University, and is a graduate of Texas Tech with a B.B.A. in personnel management. Estes was graduated from Memorial High School in Houston, attended the University of Houston and Sam Houston State College. He is presently attending Texas Tech majoring in English and Philosophy.

33 Senior Citizens Hear Rev. Prentice

Thirty-three Senior Citizens, including three members past 90 years old, met last Friday at the Slaton Clubhouse for the regular weekly meeting. Mrs. Iva Bays was welcomed as a new member to the club.

The group enjoyed visiting and playing dominoes and then the president, Mrs. Fannie Patterson conducted the business meeting. F. B. Sexton led the opening prayer.

Rev. Linam Prentice, pastor of the Evangelical Methodist Church, led the group in singing with Mrs. Anna Bell Tucker accompanying them on the piano.

Rev. Prentice brought a message for the day using the scripture Luke 11:1. His text was "Teach Us To Pray". He gave thanks with his closing prayer and he and Mrs. Prentice had lunch with the group.

Miss Muse Is Shower Honoree

Miss Marilyn Muse, bride-elect of Billy Roy Hodges, was honoree at a bridal shower Thursday from 7:30 to 9 p.m. in the clubhouse.

Guests were greeted at the door by Mrs. Don Britt and Mrs. Dan Siewert and introduced to the honoree, Mrs. Wayne Muse, the bride's mother; and Mrs. Roy Hodges, the bridegroom's mother.

The bride's chosen colors of lime green and yellow were used in the table decorations. A permanent centerpiece was used on the lace covered table. Punch, cookies and nuts were served.

Registering guests was Miss Carol Fletcher of Lubbock.

Hostess gift was a white bedspread. Hostesses included Mmes. F. C. Boyd, C. F. Bradford, Don Britt, O. B. Chambers, M. J. Etter, W. G. Gass, R. L. Montgomery, Lynn Perdue, Ray Ricker, Jr.

It's a woman's WHIRL

BY LAVON NIEMAN

I'm a believer in shedding a few tears at times--sometimes because of sadness and sometimes for joy.

As I interviewed Mrs. T. C. Martin who has given 30 years of her life teaching school, I thought it only natural that she would shed a few tears as she recalled some of her past students and experiences.

Like most working mothers, we don't work for the fun of it. In most cases, it is done for our children, out of necessity or for the rewards we receive by helping someone else through our employment.

What bigger reward could someone receive than having the opportunity to teach children?

Many mothers who work can probably recall an incident that made them want to give up their employment. Mrs. Martin shared one with me this week. When one of her sons was in the first grade, he left her a note one day when he had gone home for lunch thinking she would be there. It said, "Mother, I looked for you and you were not here".

Many of the yards in Slaton look so pretty. Mrs. Harry Stokes and Mrs. E. R. Legg must really have a knack for raising peonies. At the recent Garden Club Tea, all the home grown flowers were just beautiful but the peonies especially caught my eye.

Mrs. Stokes said as her peonies bloomed she would cut them and place them in the refrigerator in order to save them for the tea. It was reported that Harry was glad when the day came for the tea so all those peonies could be replaced with food.

Slaton's Triangle Park will be another place, of beauty this year with all the mums Garden Club members recently planted.

I also noticed someone working in the flower beds on the City Hall property. It's good to know that there are many residents interested in beautifying Slaton.

Slaton Girl Leaves For Vacation

CINDY HERMAN

Cindy Herman, daughter of Mr. and Mrs. Bill R. Herman, 235 So. 15th St., will leave this weekend by jet for a summer vacation at Curacao, an island in the Caribbean Sea off the coast of Venezuela.

Cindy is sophomore student at Slaton High. She will visit her aunt and uncle, Mr. and Mrs. Max L. Herman and family. He is an engineer there for Chicago Bridge and Iron Co.

Miss Altman Is Honored With Bridal Shower

Miss Cindy Altman, bride-elect of Jerry Taylor, was honored with a miscellaneous bridal shower Saturday afternoon in the home of Mrs. Alva Allbright at Southland.

The table was covered with a white lace cloth over blue and centered with an arrangement of blue and white flowers.

Miss Dorothy Jones presided at the punch bowl and guests were registered by Mrs. Larry Gamble.

Assisting Mrs. Allbright as hostesses were Mmes. P. W. Crawford, R. L. Camden, Bo Becker, Billie Clements, Oma Faye Brown, Juanita Irons, H. D. Taylor, H. J. Edwards, Paul Melton, M. H. Lasater, Sam Ellis, Calvin Klaus, W.M. Stephens and Gamble and Miss Jones.

Hostess gift was an electric skillet and a canister set.

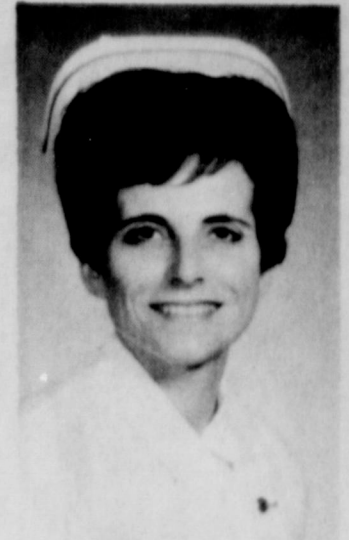

Mrs. Wilson Installed As Guild President

The Wesleyan Service Guild of the First Methodist Church met last Thursday at 7:30 p.m. in the home of Mrs. Dick Taylor. Mrs. Leon Vaughn was co-hostess.

After a salad plate was served to the 10 members present, Mrs. W. P. Layne installed officers for the incoming year. They were Mrs. Douglas Wilson, president; Mrs. Mary Gilmore, vice-president; Mrs. R. J. Clark, treasurer; Miss Gertrude King, secretary; and Mrs. Bruce Pember, coordinator.

The business session was conducted by Mrs. Wilson and Mrs. Layne gave the opening prayer.

Mrs. Clark was in charge of the program and showed three film strips on the Methodist Mission Field and their work there. The meeting was closed with a pledge service.

MRS. HUGO MOSSER

Mrs. Mosser Is Honor Graduate

In exercises last Friday night, Mrs. Hugo (Alice) Mosser, graduated with the highest average in a class of 33 Licensed Vocational Nurses from Lubbock. She will go to Austin July 27 to take her State Board examination.

The one-year course, begun last June, included schooling and floor work. Mrs. Mosser is the mother of seven children, Carol, Steve, Mary, Annette, David, John and Marjorie. Her husband is owner of Mosser Radio and TV.

Be sure to get the correct size in socks for children. It's just as important as the right size in shoes. For healthy, growing feet, foot specialists recommend absorbent all-cotton socks in a size at least one-half inch longer than the child's longest toe.

ABOUT THAT!--Phyllis, 7, and Rob Martin, 2, are quite impressed with Mom Linda and Bob Martin of Slaton. Both will receive degrees Saturday night at Tech--Mrs. Martin earning her bachelor of arts in education, and Bob earning master's in education. Martin, a teacher and coach at Slaton High, worked toward master's about four years. Mrs. Martin plans to teach next year, and she worked her degree "a long, long time." (SLATONITE PHOTO)

THEY'RE MOVING MEN, NOT MIRACLE MEN

Expert care and handling of your household possessions is everything you can reasonably expect from the moving man. He can't put that old, familiar neighborhood in a crate... move the corner drug store to your new home town... bring along Johnny's old school or Mary's favorite hairdresser. Neither can your Welcome Wagon Hostess work miracles. But she can and will provide directions to the community facilities you need, and bring with her a galaxy of gifts from its leading merchants. Column 1 --- (Continued from Page 1)

From the very beginning this citizen of our Republic if circumscribed and directed by various levels of his government. He must conform to government - imposed ordinances about fire hazards and sanitation.

He, himself, can work as long and hard as his physical stamina will allow. But if his business gets large enough to employ a helper he must pay that helper no less than the government dictates, and the hours must be no longer than the government dictates.

He must not defraud his customers. He must not falsely advertise his products. He must not discriminate in his hiring practices, or in selling his wares. He must, in short, operate the way government tells him to operate or he must not operate at all.

The citizen of whom we speak accepts all these rules and regulations. Perhaps not happily, perhaps grudgingly, but nevertheless legally. In return he is allowed to pay a heavy tax burden to practically all levels of government.

He pays a tax for schools even though he may not have children in school. He pays taxes for parks and recreational areas even though his own business may demand so much of his time that he seldom uses a public park. He pays taxes that sometimes go to subsidize his competitors.

All this he does because it is required of him by the laws, and he is a law abiding citizen.

And, he also pays taxes for the financial upkeep of a system of law and order that is an absolute necessity if freedom is to prevail over anarchy, if the individual is to have any rights as opposed to the whims of the temporary mob.

Then, our citizen finds out too late that the policeman who walks his beat has been ordered not to be too harsh on those who would rob him, or burn his store and thereby endanger his life as well as destroy his property. He finds the Attorney General of the United States taking issue with, and undermining the authority of, local officials who have voiced their determination to see that law and order is upheld.

It has been said time and time again in the field of foreign affairs it does this nation little good to possess massive military power if we lack the will to use that power in the defense of the Republic and for the security

of our citizens. By the same token it does us little good to have the means to protect the lives and property of our citizens if we lack the will to use those means. We might as well, under those circumstances, disarm and abandon our police and turn our streets over to the tender mercy of arsonists and looters.

Much has been said about some kind of sickness abroad in our land that causes this unbelievable rioting and looting. And, the villain somehow turns out to be the decent, hardworking, law-abiding American citizen.

Despite the fact that he gives up more than 30-Billion-dollars annually in programs to aid the poor and underprivileged, the decent citizen is castigated as the creator of the ghettos, the cause of riots, the oppressor of the poor. The law-abiding citizen is expected, because of his manifold sins, and because of his "sickness," to suffer in silence and to pay still more, as ransom for his home, his business, his system of law and order.

Otherwise, he is told, he must expect the torch; he can expect everything, in fact, except protection by his government in his hour of need.

I will accept the fact that there is a sickness in our land. But the patient should not be identified as the law-abiding citizen.

The patient should properly be identified as the fuzzy-brained, foggy-thinking, opinion maker who blame everyone but the arsonist for burned buildings; who attempt to blame every citizen of our Republic, except the murderer, of course, for murders.

Yes, there are sicknesses in our land. There is that sickness of heart that is present in all law-abiding citizens when they see their cities, their homes, their businesses go up in smoke while looters and arsonists cavort for the benefit of television.

There is a sickness of dismay among us all when we see smoke obscure our nation's capitol.

And there is, of course, that terrible sickness which comes when we see our chief federal law enforcement officer vacillate in the face of mobs in our streets.

Yes, there is a sickness abroad in the land--it is an illness of the lawless. And the best medicine to cure that illness is a good, stiff dose of law and order.

FINISHING TOUCH--Mrs. Ellis P. Schmid is putting the finishing touch on an oil painting which will be on display Sunday afternoon at Citizens State Bank. The Slaton Art Club is sponsoring the art exhibit. The public is welcome. (SLATONITE PHOTO)

Mrs. Martin---

(Continued from Page 1) is teacher of an Adult Class in Department III, the Althean Sunday School class, at the First Baptist Church. She has taught many different Sunday School classes whenever and wherever she is needed in the church.

When Mrs. Martin was asked about her own education, she said moved around a lot when in public schools living with uncles and aunts. She graduated from Hermeleigh High School.

She is a graduate of East Texas State University with a bachelor of arts degree and did her graduate work at Texas Tech. "My master's degree is incomplete", she said, "but if I go back to school I plan to major in library science".

The Martin's middle son, Bob, will receive his masters degree from Texas Tech Saturday and his wife will receive a bachelor of education degree.

Mrs. Martin started teaching in Richardson, now a part of the Union School in Dawson County. In 1953 the Martins moved to Slaton to be near Texas Tech for their sons' schooling. Mr. Martin taught at Slaton High School for two years and then was elevated to elementary principal. The first seven years Mrs. Martin taught, she taught junior high English, and the other 23 years she has taught in high school - teaching English, journalism and Spanish. For the past several years she has worked with the annual staff.

Mrs. Joe Walker will be teaching senior English and working with the annual staff here next school term. Mrs. Martin says she hopes Mrs. Walker will enjoy it, as much as she has.

Mrs. Martin's request to this writer was "just make the story short". "After all", she said, "I've done what I wanted to for 30 years."

Seven Area Boys To Boy State

A delegation of seven area high school boys will represent their schools at the 1968 session of Texas Boys State, sponsored by the American Legion.

Wilson School Board Meets

The Wilson School Board met in regular session on Tuesday, May 21, in the Homemaking Cottage.

Items of business included accepting the resignations from two teachers and one teacher's aide, inspection of the buildings in preparation for summer maintenance, election of the cafeteria workers for another year, and the election of two teacher's aides.

The resignations of Mrs. Pearl Davidson and Jack Jones were accepted. Mrs. Davidson plans to retire after teaching math in Wilson for 17 years.

Maintenance work approved by the board included doing repair work and painting in several of the buildings in preparation for school next fall.

Members present for the meeting were Jiggs Swann, A. N. Crowson, Reuben Sander, Dale Zant, Loyd R. McCormick, Jr., James Savell, and Curtis Wilke.

Awards Program Held For 4-H

The awards program for the 1967 Lubbock County Cotton Contest was held at South Plains Electric Coop Saturday at 10 a.m.

The Lubbock Chamber of Commerce presented cash awards to all winners. Winners from Slaton 4-H Club include Clyde Kitten, first in dryland competition; Walter Denzer, fourth; Clifford Kitten, fifth; Ricky Denzer, seventh; and Jimmy Kahlich, 12th, all in irrigation.

Other winners from this area include Roy Jim Davis, Ronnie Shaffner, Gary Shaffner and Dale Shaffner.

The same cotton cloth can be finished to appear as chintz, denim, chambray, gingham, moire, matelasse, or pique.

Staple refers to the length of the cotton fiber.

Vanadalism Tops Police Report

Two cases of vandalism topped the list of offences reported at the Slaton Police Department the past week.

Smith Ford reported a broken windshield on a used car Friday morning. A rock had been thrown through the windshield the night before. The value of the windshield was placed at \$90.

Minor vandalism was reported Saturday morning at Ely's 8 Tll Late grocery store. Two watermelons were burst and four packages of chicken pot pie were torn open. The total value was set at just over four dollars.

In other action, Paul Rumpy was arrested Thursday night following an accident. Rumpy was being pursued by police going west on Division at a high rate of speed. The left rear tire blew out causing the vehicle in which he was driving to veer to the right, strike a water meter and overturn. The vehicle came to rest in the front yard of 1140 W. Division. The driver received some injury and was taken to Mercy Hospital, where he was kept overnight for observation and X-rays.

Sunday, Mrs. Waugh of El Lora Motel reported that a tenant had left without paying a bill of \$16.54. Bownds' Taxi reported that they took the subject to the Holiday Inn South in Lubbock where he took a room.

Tuesday, Is T. Phillips reported that a window had been broken on the house belonging

Police Report

to Sammie Harlan of Houston. In the jail arrests, two were arrested for drunkenness, four for vagrancy, one for trespassing, three for possession and consumption of alcoholic beverages by minors. Two were arrested for being drunk while in control of a motor vehicle, two for abusive language, one for simple assault, three for runaway and there were 36 traffic citations.

Fire Monday Damages Home

A house fire in Southeast Slaton Monday burned the bedroom of the Lewis Dixon, Jr. home. The Slaton Fire Department answered the call shortly after 11 a.m. and the fire was out about 11:20. The fire was believed to have started in the closet of the bedroom of the house located at 965 South Johnson.

Officials at the scene estimated the fire damage to the bedroom and the water and smoke damage to be about \$800. Dixon was out-of-town at the time of the fire.

Dixon is employed by the Slaton Police Department.

Fish Abundant in Texas

Texas has something like 100 species of fresh water fish. However, only a dozen are of interest to fishermen. Mainly they are bass, with catfish, crappie and bream in about that order.

VFW Sponsors Breakfast Today

A free breakfast for the public will be served this morning (Thursday) at the VFW Hall beginning at 7 a.m. Bacon, eggs, hot biscuits and coffee will be served by VFW members to all who care to attend.

Other activities scheduled will be a flag-raising ceremony at sunrise at the Legion Hall by the Legionaires. Following the breakfast, all will meet at the East and West Cemeteries, where VFW Post 6721 will raise the flags there to half-mast.

The Legion, assisted by the VFW, will staff each veteran's grave in Slaton, Wilson and Southland with a flag. They will be removed at sunset.

At mid-morning the VFW Auxiliary will hold memorial services and mark their deceased sister's graves. Around noon, the VFW Post and Auxiliary will present a Memorial Service at the grave of Freddie Miller, Slaton's first Vietnam casualty. The Slaton High School Band will also be present to participate and then render our National Anthem when all flags will be raised to the peak.

The VFW Auxiliary is offering all-weather wreathboards, decorated with poppies for the public at a minimal price of \$1.50 and the boards will be placed by the auxiliary at mid-morning and throughout the day.

Stewart To Conduct Golf Clinic, Exhibition Here

Earl Stewart Jr., nationally-known professional golfer, will conduct a clinic at Slaton Golf Course June 6, it was announced this week by Slaton golf pro Bill Wilson.

Following the free clinic, open to the public, Stewart will play an exhibition golf match with Lubbock pro Gene (Butch) Mitchell Jr.

The clinic and exhibition will serve as a curtain raiser for the second annual Slaton Partnership Golf Tournament on June 8-9. The clinic will start at 1 p.m. on June 6, and the exhibition match is scheduled about an hour later.

Stewart has been at Oak Cliff Country Club as golf pro for about 14 years, playing occasional matches on the PGA tour. He has won three PGA tour tournaments, and was the only host pro to win a tourney when he captured the Dallas Open in 1962. He tied for fifth in the Colonial National at Fort Worth two weeks ago.

Stewart won numerous other tournaments before signing on as pro at Dallas Oak Cliff. He is presently serving as president of the North Texas Association of PGA.

Mitchell, assistant pro at Lubbock Country Club, won the Texas PGA year before last. The pair should give golf fans a treat in their exhibition match. There is no charge to the public.

The partnership tourney is expected to draw a good field of golfers on Saturday and Sunday, June 8-9. Qualifying day will be Friday for those who wish to qualify on the course. Otherwise, handicap cards will be necessary for entrants.

Entry fee will be \$25 per team. Gift certificates will go to flight winners, with the values

depending on the number of entrants. Championship flight will play 27 holes each day; all other flights will go 18 each day. Play will be low - ball medal scores.

Doug Ehle and Randall Reiger of Lubbock won the first partnership tourney on the Slaton course last year. The pair combined for a 13-under total of 197 on 54 holes.

The undefeated Giants picked up three more victories the past week in Slaton Little League Baseball, extending their record to 6-0 for the season.

The Yankees gave the Giants a scare in a makeup game Saturday, but an unearned run in the bottom of the sixth brought the Giants a 4-3 triumph. The Indians stayed close behind the league leaders by winning one over the Cardinals.

The Yanks and Indians were scheduled Tuesday night, the Cards and Dodgers Wednesday, and the Giants and Yanks again Thursday.

Highlights the past week: GIANTS 6, TIGERS 1. After a scoreless game for four frames, the Giants erupted for six runs in the fifth inning and wrapped up a 6-1 victory Monday night. Mike and Al Lewis pitched for the winners--giving up just four hits. Al also had two of the Giants' eight hits. Davila and Escobar worked for the Tigers.

GIANTS 4, YANKEES 3. Al Lewis led off the last frame with a single, and scored later after a walk and two errors to give the Giants a close 4-3 win Saturday. Lewis shut

the Yanks out with no hits over the last three innings to earn the win. Each team had five hits -- Lewis getting two for the winners and Craig Nieman a pair for the Yanks. Steve Bourn and Frank Love pitched for the Yankees.

INDIANS 6, CARDINALS 3. Greg Lester went five innings and Glenn Heinrichone in limiting the Cards to only two hits Friday. Lester and J. Ray Basinger had two hits each to pace the Indian batattack. Richard Harwell and David Luna had the only hits for the losers. Doyce Fields gave up six hits to the winners.

GIANTS 15, DODGERS 2. The Giants rapped out 11 hits in rolling to a 15-2 win over the Dodgers last Thursday. Jerry Winterrowd and Mike Lewis had four and three hits, respectively. Three Giant hurlers gave up only three hits to the Dodgers -- two of them to Paul Freeman and one to Dwayne Mosser.

YANKEES-TIGERS. The Tigers edged by the Yankees, 8-7, last week but a league decision called for a replay of the final three innings with the Yanks leading by 4-2. It was discovered the Tigers had four outs one inning.

Angels, Twins Vie for Minor League Lead

The Angels remained unbeaten in minor league action of Little League baseball the past week, but a tie game with the Mets is still on the books.

The Angels scored a 22-13 win over the Colts, while the Twins stayed close behind in the race with a 12-4 victory over the Mets. The Colts got their first triumph by edging the Mets, 7-6.

Wilkins won in relief for the Colts Monday night. Loran Roberts almost won it for the Mets when he socked his third homer of the season in the last frame. That narrowed the score to 7-6, but Wilkins got the side out to protect the margin.

The Twins had only two hits Friday night, but used 16 walks to good advantage for a 12-4 win over the Mets. Greg Ba-

Mike Lewis Is Top LL Hitter

Mike Lewis, catcher - pitcher for the league - leading Giants, took a big lead in individual batting honors for the first third of the season.

A look at the averages at the start of the week showed Lewis swatting the ball at a .625 clip -- far out front of anyone else. He had 10 hits in 16 trips, including one home run, and was the leader in runs scored with 11.

Five players made the .400 plateau in the early - season averages: Paul Freeman (Dodgers) .467, J. Ray Basinger (Indians) .416, Craig Nieman (Yankees) .416, Rudy Escobar (Tigers) .400, David Luna (Cardinals) .400.

Rounding out the top dozen were Glenn Heinrich (Indians) .389, Dwayne Mosser (Dodgers) .384, Frank Love (Yankees) .384, Kelly Copeland (Giants) .368, Manuel Hernandez (Tigers) .364, Steve Bourn (Yankees) .333, Greg Lester (Indians) .333.

While Mike was the top batter, brother Al Lewis was pacing the Little League hurlers with a 3-0 record. Pitchers with 1-0 marks included Jim Alba of the Yanks, J. Ray Basinger of the Indians, Kelly Copeland of the Giants, Bobby Hightower of the Indians, and Mike Lewis and Bobby King of the Giants.

singer and Billy Phillips pitched for the Twins. Martin Ramirez had two hits for the Mets.

The Angels rapped out 14 hits in the 22-13 win over the Colts.

Standings show the Angels with a 3-0 record, Twins 3-1, Mets 1-3, Colts 1-4.

Coach Ivey Is Presented Gift

Gay Ivey, girls basketball coach, and the district champion varsity girls' basketball team of Slaton High School were honored by the Tiger Club last Wednesday night in the home of Mr. and Mrs. Tommy Davis.

Barbecued steaks, baked potatoes, salad, garlic bread and cake were served to those attending.

Coach Ivey was presented 250 one - dollar bills in a tote sack tied with a red ribbon. Pete Williams, who served as the club's president last year, made the presentation in behalf of the club and fans who made the gift possible.

Donna Hatchett, senior guard, was presented the Tigerette Sportsman Award. Coach Ivey made the presentation.

Snider Clinic Moves To Lynn

After 21 years of going to work at a clinic on Ninth Street in Slaton, Dr. J. D. Snider, moved this week and his new clinic is now located at 125 W. Lynn.

Dr. and Mrs. Snider came here in April, 1947. Dr. Snider had graduated from Texas Chiropractor College in San Antonio and returned under his sister, who practiced in Amarillo.

His first clinic was located at 400 So. 9th St., then in 1952 he moved to 805 So. 9th. This building burned in 1965 and he moved his clinic to 725 So. 9th and later to 620 So. 9th St.

Snider is a member of the Masonic Lodge, American Legion and Westview Baptist Church.

His wife is receptionist at the clinic and Susis Jameson is technician.

The Sniders have two sons, Bill who is employed at Security National Bank in Lubbock and lives at home, and James of San Angelo. They have three grandchildren.

Tight Race Look In Babe Ruth P

The league - leading Citizens State Bank team and second-place Slaton Co-Op Gin were scheduled in a vital game Tuesday night in Babe Ruth Baseball. CSB scored an 8-6 win over Henzler Grocery the past week, while the Ginners split in two games -- taking a forfeit from Henzler and losing a 11-9 decision to Texas Grocery.

Henzler is scheduled against 8 Till Late Wednesday, Texas Grocery vs. CSB Thursday, and the Ginners vs. 8 Till Late Friday.

Texas Grocery eked out a 9-8 win over Henzler Monday night as Jackie Ford pitched a two - hitter for the winners. Tommy Taylor and Randy Davis had three and two hits, respectively, to spark the Texas Grocery team. Dub Simmons and Domingo Rubio had the two hits for the losers.

Henzler scored a 10-6 win over the Ginners Saturday in a makeup game, but had to forfeit when it was discovered an ineligible pitcher was used. Henzler is winless after forfeiting two games this season. Clyde Kitten and Raul Sanchez led Henzler's, while Bruce Schuette sparked the Ginners.

Texas Grocery scored a 11-9 win over the Ginners last Friday with Don Jackson and Jackie Ford leading the winners with two hits each. Mike Speer relieved in the first inning and got the mound victory. Gatica and Schuette had two hits each for the Ginners.

CSB scored two runs in the top of the seventh to take an 8-6 win over Henzler last Thursday. Gibson - better to umpire, while Ford up nine hits in three and two for CSB. Fred hits for Henzler out 15 batters loss.

In a high last Wednesday won a 17-10 Till Late. Tapped out 15 hits ridge and Basinger three hits each who got credit Till Late had committed 12 STANLEY

IMPRESSIONS OF A TIGERETTE

A Dull, Pink Ribbon

(EDITOR'S NOTE: How does it feel to run in a state track meet? The following article gives the impressions of such an experience as expressed by Marilyn Davis in a talk to her Tigerette teammates after returning from the meet. Marilyn is a sophomore in Slaton High. Coach Gay Ivey secured the notes on the talk and offered them to The Slatonite for publication.)

BY MARILYN DAVIS

Getting to go to the state track meet in Abilene was something that I never dreamed of and was an experience I'll never forget.

Just being there with all those great high school athletes gave me a feeling of smallness. Competing with them gave me a personal satisfaction that I can't explain to anyone. You'll just have to experience it yourself to know what I mean and how I felt.

Now, I'll tell you all about the trip. We started out Friday morning and got to Abilene around lunch time. We got checked into the motel and rested until it was time to go. By this time, I was so scared that I was about ready to back out.

In our division, there were two heats with six in each heat. The eight with the best times would be taken to the finals. I'd have to run faster than I ever had before because I was ranked ninth. Too, I was placed in the faster heat with the girls who had posted better times than I ever had. My best time was 64.5 seconds, and I knew my work was cut out for me.

I walked down to the warmup area and I have never been as scared in my whole life. I was by myself in the middle of a big, lonely field trying to talk myself out of being scared. Finally, the girl from Roosevelt, who I had been working out with, came down. I was really relieved to see someone I knew. When I was almost calmed down, she started talking about how scared she was, and it started all over again.

A sprinkle started falling as the Division B quarter - mileers ran their heats. Priscilla (from Roosevelt) came in fourth in her heat. Now the time had come for me to go out there and run like I'd never run before.

Miss Ivey came down and showed me my lane, which was lane 7 on the outside. I was

so nervous and tense by the ready to croak.

Finally, the big moment arrived of a deep voice yelling, "Go get set..." and then the crash of the gun!

I was off too slow; the rain was passing me one at a time, and I thought of all that I was losing. My legs couldn't seem to go any thing inside me kept pushing, and I was across the finish line.

I came in fourth in my heat, but I was in the finals with time from the two heats. My seconds, while the winner was for a new state record.

I had accomplished my first to get into the finals, and I was by now, it rained during the track was too wet for the scheduled time of 2 p.m. We started at 3 p.m., and as we left I promised myself that I was getting scared like I had the same tense feeling of the day before with me again, then she second in the small-school division.

We were off again, just like except this time we were yards when I could see people at the corner of my eyes. My legs ached, every muscle in my throat was dry, then, there thought, I was losing again.

I pushed until the finish line five finished ahead of me. I was disappointed. I felt I had let my school, my parents, and my coach.

But, in all of this, I found attitude. Miss Ivey made me feel first place. She made me feel place I won, and the dull, pink ribbon was awarded.

And then I thought, I really won because I had gained that satisfaction that I still can't explain in satisfaction just from being there all I had.

Then, another thought -- the next year to try again!

MRS. P. C. KITCHENS

Wischkaemper Honor Student

Greetings from Posey! The farmers certainly welcomed the warm weather lately and the cotton has begun to come up. Some have their maize up and others who prefer late maize are waiting.

Mrs. Lillie Harper visited Mrs. Eugene Eddings of Slaton this week. Mert Gentry had an accident recently when a sand fighter fell on his foot crushing the bone of his toe. But he's doing good now and able to walk about.

Those who visited he and Mrs. Gentry recently were Ruby and Shorty Boyce of Lubbock, Warner Boyce, Mr. and Mrs. R. R. Gentry and others.

Mr. and Mrs. Alton Sumrall spent last weekend at Midland visiting friends.

Mike Hilbers and Mrs. Heddie Kelly visited the George Hilbers Wednesday. George Hilbers is improving and was able to play dominoes with the group.

Sandy Brush spent Friday night with Carlene Loke. Mr. and Mrs. Menzel and

children visited the August Patschke family Saturday evening.

Alvin J. Wischkaemper, son of Mr. and Mrs. A. F. Wischkaemper, received an achievement award from Lubbock Christian College for having earned the highest grade average among the men in the freshman class of 1968.

This award is given annually by the associates of the college. Alvin's grade point average is 3.968. The A. F. Wischkaempers visited Mrs. Mack Shields, who has just returned from Hawaii where her husband is stationed.

Lee Murchison has just returned from visiting the Coes Memorial Children's Home of Dallas. He also visited friends in Lubbock before returning home.

Mr. and Mrs. Eddie Morton and son, Eddie Lynn of Plainview, spent Sunday with the P. C. Kitchens. "Beware of honeyed words. Sincerity is sweet but not sticky."

Come on, Posey folks, let's get more news going. Trust to see you next week.

County Records 33 Accidents During April

The Texas Highway Patrol investigated 33 accidents on rural highways in Lubbock County during the month of April, according to Sergeant O. C. Guthrie, highway patrol supervisor of this area.

These crashes resulted in one person killed, 17 persons injured and an estimated property damage of \$23,880. The rural traffic accident summary for this county during the first four months of 1968 shows a total of 145 accidents resulting in three persons killed, 65 persons injured, and an estimated property damage of \$100,316.

The final bell closing the present school year will soon ring. This will be the signal for the beginning of summer vacations. Residential neighborhoods which were quiet between 9 a.m. to 3 p.m. will be alive with children popping out in all directions. This means that motorists must be constantly alert at all times during the summer months for children darting out from unexpected places.

The Sergeant added, "During 1967 of the pedestrians killed in rural traffic accidents one of four were school age children."

Tech Coed Wins Trip To NY

RUTH RUCKER

Miss Ruth Rucker, a Sophomore at Texas Technological College has been selected as one of the most outstanding college students in the State of Texas. She has earned a trip to New York City and to West Palm Beach, Florida, where she will compete for the title of "National College Queen".

Based on her scholastic accomplishments and her leadership in campus activities, Miss Rucker was chosen by the National Judges as the new "Texas College Queen". She is the daughter of Rev. and Mrs. W.O. Rucker, Jr., Rt. 1, Lubbock, Texas.

Miss Rucker will leave on Friday, June 7, and she will be flown to New York City, to Washington, D. C., and to Palm Beach County, Florida. She will represent Texas during the 14th Annual National College Queen Pageant -- the event which honors collegiate women from across America. There will be 50 candidates, one from every State, including Alaska and Hawaii.

As a National Finalist, Miss Rucker will participate in a series of forums and seminars. More than 40 national judges -- educators, journalists, celebrities -- will score each candidate on her knowledge, academic achievements, poise and personality.

The entire Pageant will be televised, in color. The final hour of the competition will originate, "live", from the Civic Auditorium in West Palm Beach, Florida. This coast-to-coast TV Special will be seen on the NBC network from 9 p.m. to 10 p.m. on Monday evening, June 17th.

For the past several months hundreds of college newspapers across the nation have encouraged students to enter the National College Queen competition. Candidates were also nominated by sororities, by campus club groups and by their classmates and friends.

The selection of the new National College Queen will be determined during twelve competitive events and forums. Each of the National Finalists will be asked to voice her opinions on a wide range of subjects.

On Tuesday morning, June 11th, all 50 college students will board a chartered American Airlines Astrojet and will be flown to Washington, D.C. They will be honored at several receptions, will meet Congressmen and government officials, and will attend a luncheon on Capitol Hill. Every where they travel, NBC film crews will be covering their activities -- and these scenes will be included in the network television program.

The final phase of the 1968 Pageant will begin on Tuesday evening, June 11th, when the special plane lands at West Palm Beach airport. For the next six days, the college girls will remain in Florida to take part in competitive events. They will live at the fashionable Colonnades Beach Hotel in Palm Beach Shores. Distinguished judges will conduct forums, and Governor Claude Kirk has proclaimed June 11th to June 17th as "National College Queen Pageant Week" in the State of Florida.

Thousands of spectators will attend the network telecast in the West Palm Beach Civic Auditorium. This Pageant has now become the largest collegiate competition in the nation -- with the emphasis being placed on scholarship and academic achievements.

While in New York City, between competitive events, the candidates will attend Broadway shows and go backstage to meet the stars.

Economic Food Items Available

Want to save money on your grocery bill? Perhaps these suggestions on food marketing by Mildred Patterson, County Home Demonstration Agent, will help.

Values on the meat department include pork shoulder roasts and steaks, picnics, hams and bacon; beef chuck roasts and steak, T-Bone, sirloin and round steaks, ground beef and liver. Fryers, eggs, turkey and turkey products all have attractive price tags.

According to Mrs. Patterson, adverse weather conditions in some growing areas have resulted in decreased supply of some fresh vegetables. Carrots, cabbage, radishes, green onions, yellow onions, potatoes, celery, mustard, turnip and greens are among the economic choices.

Asparagus, broccoli, squash, eggplant and cauliflower are moderate to relatively high priced items, but are certainly worth considering for meal variety.

Because of heavy supplies, canned green beans, whole kernel corn and peas are featured in some stores at lower than usual prices.

At fruit counters the imports, bananas, and pineapples, remain heavy and prices are reasonable. Lemons from California are reaching their harvesting peak and retail may be found much lower. Oranges, including the Navels and Valencias, vary considerably in price from market to market.

Watermelon from Florida is gradually improving both in quality and in price and a sharp increase in volume is expected with the next three weeks. Avocado and grapefruit supplies are declining as their season moved to a close.

Mrs. Davidson Class Doors Close For Wilson Teacher

PEARL DAVIDSON

One of Wilson's most avid sports fans and faithful teachers has recorded the last grades in her grade book and has retired after dedicating 30 years of her life to the teaching profession. This teacher is Mrs. Pearl Davidson, high school math teacher. Seventeen of the 30 years has been spent in the Wilson School. Prior to this, Mrs. Davidson taught at the Lynn County School of New Lynn and at the Close City School in Garza County. Mrs. Davidson has received many honors during her career. In 1963, she was the first woman at Wilson to be made an honorary member of the FFA. The Wilson School Annual was dedicated in her honor in 1966. A plaque for devoted service was awarded to her by the Lynn County Unit of the Teachers' Association this year, having served as president of the group during the past school year. Her first term as president was in 1954 and Mrs. Davidson has served in almost every office of the unit. Although Mrs. Davidson won't be in the class room the next school term, it is likely that she will still be in attendance at the football games. She missed only two games in her 17 years at Wilson. She served as pep squad sponsor for a number of years. Activities outside the school have been many, having served on the board of directors of the Lynn County Federal Credit Union and at present is a member of the Lynn County Program Building Committee and the City County Library Board. Sundry School and church work has also been a part of her life, serving as teacher for the T.E.L. Sunday School Class of the Wilson Baptist Church. Mrs. Davidson is the mother of three children and has four granddaughters. Last week, she was honored by the school faculty, with a back-yard supper in the Dick Green home. They presented her with a gift.

Summer Youth Classes Slated At WT Museum

Registration has begun for the 1968 Summer Youth Classes at West Texas Museum on the Texas Tech campus. The classes, which begin June 17, are offered for all age levels, from the first grade through the twelfth. Enrollment is on a first-come, first-served basis, and tuition is \$5 for each class, except art classes, which are \$10, to cover cost of supplies. Mrs. Peggy Howard, Assistant Professor of Applied Arts at Texas Tech, is the director of the art curriculum. Professor Ray W. Hellberg, Associate Professor of Art, will teach creative art for grades 1-3 and grades 4-6. Donna Read, Assistant Professor of Art, will instruct a class in enameling on metal for those in grades 7-12. For boys and girls in grades 4-7 V. L. Yeats, Assistant Professor of Geosciences, will conduct a class for Junior Rockhounds. Astronomy, Birds of the Southwest, and Trailing Texas Wildlife are all designed for grades 5-12. Older boys and girls (grades 7-12) can learn about primitive man, or study archaeology. Mrs. Barbara Cranford is slated to teach the course on primitive man, and W. C. Watts will conduct the archaeology classes. A special class for Boy Scouts who wish to earn a merit badge in Astronomy will be conducted in two sessions. First session opens June 17 and June 28. Description of the course is from the rollment closed. Information can be obtained by writing West Texas Museum, Box 4210, Lubbock, Texas 79402.

Education Level To Rise By 1985

By 1985, about one-sixth of the men and one-eighth of the women 25 or more years old in the United States will have completed 4 years or more of college if trends continue. Extension home management specialists at Texas A & M University also cited a U. S. Department of Commerce report saying in 1965, about one-eighth of the men and one-fourteenth of the women were college graduates. Rising enrollment rates in the past have been accompanied by lengthening of the number of years spent in school. Increased schooling in turn to a rising educational attainment. American people are registering ones with the specialists. One measure of the attainment is the of the population high school. It is expected 65 percent of the 25 years old and completed high school in 1965. They report.

Slaton Has 101 Students At Tech

With thousands of Texas Tech students streaming onto West Texas campus at the beginning of every semester, this question is asked countless times. This fall, more than 19,000 are expected to enter Tech--another record enrollment. Evelyn Clewell, director of institutional studies and space utilization at Tech, recently released a detailed study which shows the origin of students by hometowns over the past ten year (1957-1967). Lubbock leads the statistics in the number of students at Tech. In 1967, 4,952 listed the city as their home. "This figure is not reflective of the actual number of Lubbock students at Tech," Miss Clewell said. "If a student is married or for some other reason receives his grades at a Lubbock address, he is usually carried as being from the city." Although a record 15,646 students registered in the Fall of 1967, the number from Lubbock dipped more than 100 below the 1966 total of 5,063. Dallas was runnerup as top contributor to the student body with 1,293. Rounding out the big three is the state's largest city, Houston, with 854 students. Two South Texas cities, Corpus Christi and San Antonio, showed the largest percentage gain over the ten year span. Corpus Christi residents at Tech increased 750 per cent (from 14 to 119) and San Antonio, 670 per cent (from 54 to 416). The three West Texas cities sending the most students with exception of Lubbock, were Fort Worth with 605, Amarillo with 490 and Midland with 458. Abilene sent 329 students to Tech in 1967. Tech student enrollment from there has increased more than 180 per cent in ten years. Cities surrounding Lubbock on the High Plains were comparatively heavy contributors to the Tech makeup. Slaton sent 101 students. Levelland 144, Littlefield 106, Brownfield 118, Lamesa 112, Big Spring 139 and Plainview 223. Rounding out the 24 cities which had over 100 students at Tech in 1967 were El Paso with 208, Austin 126, Pampa 140, Richardson 110, San Angelo, 146, Snyder 109 and Wichita Falls 121 and Odessa 336. Forty-eight states besides Texas were represented at Tech, as well as two territories, and Canal Zone and Puerto Rico. Three students list their home as Washington D.C. In 1967, 877 out-of-state residents came to Tech. This was an increase of more than 220 per cent in a decade. Internationally, Tech attracted 88 students, more than doubling the 1957 figure. Canada sent the most students in 1967, followed closely by Mexico. In all, 30 foreign countries had citizens attending classes at the university.

Summer Schedule Set By Museum

The legend of "Hercules, the Summer Giant" will be re-toiled to visitors in the Planetarium's "Theatre of the Stars", and they may view the constellations and their wonders, at the weekly Planetarium show each Sunday at 3 p.m. The Spring season begins the parade across the sky of constellations, which lasts all year. A large constellation, Hercules, a kneeling giant, is high in the sky soon after sunset in late spring. As summer comes, the night seems more crowded with stars. Perhaps the easiest summer constellation to find is Cygnus, the Swan. Many people call it the Northern Cross. Deneb, its brightest star, is 465 light years away. It is one of the most distant stars that can be seen without a telescope. Just east of the Cross is Lyra, the Lyre. This is a small group, of which one of its stars, Vega, is the brightest of summer stars. Vega is 26 light years away. South of the Lyre is Aquila, the Eagle, its brightest star, Altair, is 16 light years away. Sagittarius, the Archer, looks like an upside-down dipper and is often called the Milk Dipper. All these constellations will be discussed during the June lecture - demonstrations at West Texas Museum's Planetarium on the Texas Tech campus. The public is invited to explore the summer skies in the Planetarium each Sunday at 3 p.m. Admission is 50¢ for adults and 25 ¢ for students. (Pre-school children are not admitted to the lectures.) Parking is available in the Museum parking area.

Scouts Receive Awards At Meet

Mike Burks was inducted from Webelos into Boy Scout Troop 125 last Thursday night when Cub Scout Pack 125 met in the Scout House. Max Poer was inducted into Den 8 of the pack and Lanny Lavender was awarded the Webelos award. Receiving Wolf badges were Guy Allen, Arlie Limmer and Paul Gentry. John Van Meter and Michael Taylor were presented Bear badges. Rodger Robison received a silver arrow under Wolf and Paul Gentry received a gold arrow under Wolf. The Webelos Craftsman award went to Terry Bradford and Kevin Meeks received the recruiter badge. AUTO INS. KENDRICK INS. B.N. 800. 448. 0998

Loans For Vets Still Available

Some World War II veterans still have more than two years to obtain GI guaranteed or insured loans, Jack Coker, Manager of the Veterans Administration Regional Office in Waco said today.

Final deadline for World War II eligibility is July 25, 1970, he said.

Those eligible may obtain a guaranteed loan to purchase a home, a farm, or to buy or start a business.

Eligibility has been expiring for World War II veterans according to a formula that adds 10 years to the date of their discharge from active wartime service, plus one year for each 90 days of that service plus four days for each additional day of active duty. The date reached by this formula is the individual deadline date for each veteran.

Thus eligibility has already expired for most World War II veterans, but the program will end for all on July 25, 1970. World War II veterans who were discharged for a service-connected disability will be eligible until the final termination date of July 25, 1970; this also applies to widows of veterans who died of service-connected disabilities.

Coker invited World War II veterans to visit or call the Waco VA Regional Office for answers to any questions they may have concerning the GI loan entitlement.

Loan applications are ordinarily sent to the VA by lenders. The veteran, therefore, should see that his loan application reached the VA before his entitlement expires, Coker said.

Summer H.E. Begins June 3

The first session of summer homemaking begins June 3 with a fieldtrip to Herb Owens Fabric Center in Lubbock to study the latest in textiles and fabrics. The other fieldtrip will be June 7, to the Concord House for the study of furniture selection, care, and co-ordination; a field trip for the study and observation of electronic equipment to Southwestern Public Service will be June 5. A field day to South Plains Electric Co-op will be conducted by Mrs. Mary Call June 11. The remaining days between June 3 and June 14 will consist of crafts in relation to accessories and the conducting

of a nursery school for the ages of three through five. An FHA workshop for all FHA officers and incoming freshmen will be June 17-19. The FHA Degree Workshop will begin June 20. The second session of summer homemaking will be July 15-26. An itinerary will be published at a later date. Homemaking I summer projects are due June 27. Homemaking II and III summer projects are due Aug. 7. All FHA Degrees are due Aug. 5. All FHA officers must have their degrees submitted at that time.

Pioneer Natural Gas Man Cited For Heroism

LEVELLAND -- Mayor Robert Vaughn last week presented Danny Tyler, a Pioneer Natural Gas Company employee, the National Safety Council's "President's Medal," one of the nation's top awards in the field of safety and heroism. The award, one of several that Tyler has received as the result of his heroic actions resulting in the saving of a life during the October 6, 1967, sewer tragedy in Levelland, was presented at a luncheon of Levelland community leaders and Pioneer officials.

In making the presentation, Mayor Vaughn again commended Tyler for his quick reactions and determination in connection with the incident. Tyler insisted on continuing his mouth-to-mouth resuscitation, despite the efforts of several people to make him stop. This persistence by Tyler has been credited with saving the life of David Langford. Tyler has been with Pioneer Natural Gas Company since August of 1962, and is presently a distribution service man for the Levelland Office.

PENTECOST SUNDAY WILL BE OBSERVED JUNE 2

Churches in Slaton will join with other churches around the world in observing June 2 as Pentecost or Whitsunday.

The Pentecost message issued by the presidents of the World Council of Churches will be read in many languages in the Council's 232 Protestant, Anglican, Eastern Orthodox and Old Catholic member churches in 90 countries and territories.

Pentecost Sunday comes fifty days after Easter, in the Eastern Orthodox churches, which use a different calendar for figuring their church year, Pentecost like Easter is usually celebrated a week or more later than in western churches, though they sometimes coincide. In 1968, the Eastern Orthodox Pentecost falls on June 9.

"A New Heart and a New Spirit" is the theme of the message issued by the president of the World Council of Churches on this occasion in the Christian calendar, when the descent of the Holy Spirit is commemorated.

Renewal and unity are at the heart of the presidents' statement -- renewal and unity of the Church and of the world through the Holy Spirit.

The Spirit of God is active in the Church and at work in

the world, "renewing society from within and transforming the relationships of men and nations", the World Council presidents affirm.

"The Spirit who makes all things new in active today in the common effort of men for justice and peace, for education and development. He is active as well in all scientific and technological advance so far as it enables us to begin to supply the material needs of men and thus prepare the ground for a world community."

Calling on the people of God to pray for renewal and unity, the World Council presidents also call for action.

"If God has given us a new heart and a new spirit, he expects of us prayers in our churches and deeds in the world. Let this day of Pentecost be a day of renewal of our personal life; but let it also be a day of commitment for each congregation of God's people to loving and practical action for the renewal of society," they conclude.

The day of Pentecost marks the event described in the second chapter of the Book of Acts when the Holy Spirit Jesus had promised His followers descended on the small Christian community of Jerusalem that was gathered together 50 days after the resurrection to celebrate an age-old religious festival. Some 3,000 converts came to the faith that day.

Many historians date the beginning of the Christian Church from that event, Pentecost is now observed by many churches as a day to stress the unity and mission of the Church.

The Sick List
One out of every 7 Americans was hospitalized in 1964, compared to one out of 9 persons 10 years earlier, says the Health Insurance Institute.

Small Bridge
Somerset Bridge, located in the Western end of Bermuda, is reputed to be the smallest drawbridge in the world. It has a draw of about eight inches -- just large enough for a sailboat's mast to pass through.

VBS Schedules Set

Plans for vacation bible schools in Slaton, have been made by most churches. During the summer vacation, the churches hold these schools mornings, teaching bible stories instead of regular subjects.

The Church of Christ, First Methodist, and Westview Baptist will hold their schools June 3 through June 7. First Christian will have their school June 10-14, while First Baptist will have their school June 10-21.

Pre-school and school students are urged to attend. Westview Baptist reported that their school will be held from 8:30 a.m. to 11 a.m., with commencement exercises on Sunday, June 9th at 7 p.m.

Baptists Feed Seniors And Baylor Choir

Slaton seniors were special guests at morning services Sunday at the First Baptist Church. They, along with the Baylor University Freshman A Cappella Choir, were served dinner in Fellowship Hall following the services.

The choir, which included 66 members selected from the 130 voice choir, presented a concert at the church Sunday morning. It is on its annual spring tour.

Members of the choir spent Saturday night here in various Slaton homes.

Eastmans Have Visitor

Mrs. Clinton Eastman's back home after being in San Angelo for several days. While there she attended funeral services for her mother one day and an uncle the next day.

Her nephew, Allen Eisenbach, 6, came home with her. He is the son of Mrs. Eastman's sister and brother-in-law, Mr. and Mrs. Oscar Eisenbach. Her sister is a patient in a San Angelo hospital.

LETTERS TO THE EDITOR

Dear Editor
Thank you for putting the little article in the paper about me being in the hospital. I received lots of cards from the folks in Slaton and it really made me feel good to know they care.

The doctor decided to not operate on my knee, all he did was put it in a cast for two weeks. I have had it out of the cast for about a week now and it is just as good as new.

I am going to be returned to duty in Da Nang this week. As you probably know I work at Camp Tien Sha in the east part of Da Nang and I also travel around all over the I corps are working on electronic gear. When I hurt my knee I was within 3 miles of the DMZ.

While I am writing, I had a nice reunion with a Slaton boy in Yokosuka last week. I ran into Calvin Klaus at the Enlisted Mens Club and we had a nice little chat about old times.

My mother sends me the paper each week and I sure look forward to hearing about things from home.

Keep up the good work.
Sincerely,
A Slatonite

Lubbock Highway Project

The Texas Highway Commission approved this week the financing for a special maintenance project in Lubbock County. The total project will cover a combined 2.6 miles for a cost of \$23.5 thousand.

The work will include a seal coat on US 84, Clovis Road, from the turnoff from Ave. Q 0.7 of a mile to Ave. U for \$6.3 thousand. There will also be a seal coat on US 82, 4th Street, from University Ave. to Ave. A. This distance of 1.9 miles will cost \$17.2 thousand.

PAUL HALL

Slaton Boy Will Compete In State Contest

Paul Hall, 1968 Slaton High School graduate who qualified for state vocal solo competition when he competed in the regional contest held in Lubbock in April, will be leaving for Austin June 3.

Paul Green, music director for high school, will accompany Hall on the trip.

In Austin he will compete in the state vocal solo competition at the University of Texas. Green said if Hall receives a Division I rating, they will make a recording of his solo to be used in music education classes throughout Texas. He would also receive a gold medallion.

Former Railroader Here Dies In Amarillo

Leo David Splawn, 74, died in an Amarillo hospital May 10 following an illness of one week. He was buried in Englewood Cemetery here.

Splawn lived in Amarillo for 11 years and had lived in Slaton for several years. He was employed by the railroad here. Survivors include his widow, Katy; two sons, L. D. Jr. and Billie, both of Amarillo; three daughters, Mrs. W. C. Splawn and Mrs. Pat McCarthy, both of Amarillo, and Mrs. E. S. Tomlin of St. Louis, Mo.; 12 grandchildren and two great-grandchildren.

Slaton K of C Members Attend State Meeting

Grand Knight William T. Cirone, District Deputy Andrew Kitten, delegate Frank Kitten, and state membership committeeman Wilfred Kitten attended a three-day state convention of the Knights of Columbus in Dallas last week.

The convention started Monday and concluded Wednesday. Among the purposes of the convention were the nomination of state officers and voting on 14 resolutions. Next year's convention was set for San Antonio.

Keith Sander Will Receive BA In Music

Keith Sander, son of Mr. and Mrs. Erwin Sander of Wilson, will graduate Saturday from Texas Technological College with a B. A. degree in music education.

While attending Tech, Keith has participated in the Tech marching band, concert band and Varsity stage band. He is a member of Kappa Kappa Psi, honorary band fraternity, and Phi Mu Alpha Sinfonia, professional music fraternity.

The prayer of faith will save the sick. —(James 5:15)

When we know of someone or hear of someone with a healing need, there is a way in which we can be of real and definite help. This is through our prayers. It is an act of caring to pray for another. We do so because we are interested in him, because we want to see him well again, because we want to see him free from bodily distress of any kind.

BOOKMOBILE COMES TO SLATON---While the Lubbock County Bookmobile here John Van Meter and his grandmother, Mrs. Lillian Russell, left, look over of looking through the large assortment of books. Safety Tips On Using Power Mower Offered

The roar of power lawnmowers, and it's pretty constant now, may be broken by a scream of pain if the operator becomes careless. Accidents involving this necessary piece of lawn care equipment most often result from carelessness, says Associate County Agent Doyle G. Warren.

He suggests directing the first "ounce of prevention" at the machine. Be sure, he adds, that the machine is in good mechanical condition and ready for heavy work. Proper maintenance is the key.

Safety suggestions by the county agent include checking the lawn, especially those areas where children and pets play, for rocks, toys and other debris which can become deadly missiles if thrown by a rotary mower. Short pieces of wire or knives, forks, or spoons

dropped during a backyard picnic have been known to cause fatalities when discharged by a power mower.

Keep children and pets away from the area being mowed. Push and don't pull the mower over uncut areas. Mow across slopes rather than up and down because a slip could mean the loss of a foot, advises the county agent.

Never fill the gas tank while the engine is hot or running. Disconnect the spark plug wire when working on the underside of a closed garage or other building.

Gasoline is also dangerous and should be stored only in approved containers and these never include glass, reminds the county agent. The storage container should be kept out

of reach of children. Finally, be always using and balancing blade at the out-of-balance blade wear that increases bills.

Mrs. J. M. Miller is visiting in Slaton with her daughter, the Bill Green, to see one of her Mike, graduate of School and a Susan, graduate of high.

Gasoline is also dangerous and should be stored only in approved containers and these never include glass, reminds the county agent. The storage container should be kept out

of reach of children. Finally, be always using and balancing blade at the out-of-balance blade wear that increases bills.

CAPITAL BRIEFS

AUSTIN, Tex. -- State legislators will return to Austin on June 4. This time to complete the budget - writing chore they put off last year, and to pass a new \$125,000,000 tax bill. Indications are strong that the bulk of the funds will come through the sales tax route.

Gov. John Connally told reporters he is "fairly certain" he will suggest raising the two per cent sales tax rate to three per cent, then refund the increase to the cities on the basis of their 1960 populations. This would replace the present local option city sales levies adopted by 267 cities since last September.

Proposal would provide incorporated cities with \$125,000,000 a year overall in state aid. State would gain \$35,000,000 to \$40,000,000 from the increased rate due to sales in unincorporated areas.

Other recommendations expected in Connally's sales tax package include: removing of some sales tax exemptions; taxing of services like laundry and haircuts; and increasing the auto sales tax rate to three per cent.

Governor also stated he might suggest a liquor - by - the - drink bill as part of his tax program. Legislative sources say he will suggest local option authority to sell liquor in small, one - drink - size bottles under stiff state tax and strict regulation.

Connally told reporters that overall revision of the liquor laws also may be proposed. He intends to submit no other business until financial necessities are handled.

He expressed confidence that the budget and tax bill can be passed within the 30-day limit.

If lawmakers vote the same way their constituents did on the liquor - by - the - drink referendum (May 4) the governor may have a chance with the small bottles bill. At least 82 of the 150 state representatives and 17 of the 31 senators live in districts which voted for mixed drinks, with varying enthusiasm.

COURTS SPEAK -- Texas' law banning mass picketing in labor disputes withstood another State Supreme Court test when lower court rulings in favor of the statute were affirmed. High court agreed with intermediate Fourth Court of Civil Appeals, however, that the display of Mexican strike banners in a Laredo dispute should not be enjoined.

Question of whether voter registration applications must be submitted individually has been taken to the Texas Supreme Court.

High court said Texas statute which allows unlimited damages to survivors cannot be applied to fatal accidents involving Texans in other states.

An Abilene man should get a full trial on his \$185,000 malpractice suit against two doctors, Supreme Court held.

Court of Criminal Appeals ordered a new trial for wealthy Houston tobacco wholesaler Mair J. Schepps, who received a seven - year prison sentence on a charge of counterfeiting tax stamps.

Third Court of Civil Appeals affirmed a district court decision denying a \$98,626 sales tax refund to a New York firm which claimed it received notice of deficiency more than three years after the date taxes were due.

DRAFT QUOTA CUT -- Texas draft quota for June has been reduced by nearly a third, says Selective Service Director Col. Morris S. Schwartz.

State quota of 1,416 men has been trimmed to 961 on the basis of a new order by Lt. Gen. Lewis B. Hershey, national draft director. National quota, all for the Army, was reduced from 29,500 to 20,000 at the direction of the Department of Defense.

Call for July is expected to be only 15,000, meaning a Texas share of 700 to 750. May call was increased 4.3 per cent late last month (to 2,233) in order to provide some manpower for the Marine Corps, as well as the Army.

Draft boards will forward 8,500 men to examining and entrance stations next month for pre - induction physical and mental examinations. May total is 9,000.

SPEIR HEADS DPS -- Texas Public Safety Commission officially designated one time high school principal Wilson E. (Pat) Speir as acting director of the Texas Department of Public Safety.

Speir succeeds the late Col. Homer Garrison Jr. who headed the DPS for nearly 30 years. He had been Garrison's top assistant for six years.

Speir is a veteran of more than a quarter century of service with the state police. He was born and attended schools at Gilmer, graduated at East Texas State College in Commerce and was principal of Harmony High School for a

PARK SITES ADDED -- Parks and Wildlife Commission has accepted 85 acres of land containing four early military posts which played important roles in the development of Texas.

Sites include Fort Leaton near Presidio, Fort McKavett near Menard, Ford Lancaster near Ozona and Fort Richardson near Jacksboro.

FWC Chairman Will Odom says the sites will be added to the state park system and facilities will be restored and preserved as an historical heritage for future Texans.

Odom also announced that a \$14,275 federal grant has been approved for development of recreational facilities at Fort Griffin State Park 15 miles

north of Albany. PWC will match the federal grant for a 503-acre park.

POLICE TRAINING SCHOOL -- House Speaker Ben Barnes says he will ask Governor Connally to include in the special legislative session agenda a bill to create a statewide police training school to be called the "Homer Garrison Jr. Law Enforcement Academy."

Barnes believes the school is needed and "would be a fitting memorial to the late Homer Garrison who did so much to build a fine state police system."

ATTORNEY GENERAL RULES -- School boards can order a trustee election recount if the candidate was defeated by less than five per cent of the votes

cast even though a district court will order a recount under a different law (as in Starr County case), says Atty. Gen. Crawford Martin.

In another recent opinion, Martin said that Bee County commissioners must provide for competitive bids on the purchase of a new electronic voting system that costs more than \$2,000.

ALLOWABLE REDUCED AGAIN -- Texas Railroad Commission slashed the statewide oil allowable for the third month in a row.

June factor was set at 45.2 per cent of potential, permitting top production of 3,485,366 barrels a day. This compares with 3,512,874 barrels during May when 45.7 per cent

market demand factor applied. Major crude oil buyers submitted written nominations to purchase 3,025,126 barrels a day during June, a decrease of 46,143 from May. This was slightly more than forecast for June demand as submitted by the Bureau of Mines.

CANDIDATE TALK -- Runoff campaign between Lt. Gov. Preston Smith and Don Yarborough is warming: Smith boasts of his long service and slams at Yarborough's liberal record. Yarborough counters he offers new leadership and specific, progressive programs. Voters still show little interest.

SHORT SNORTS -- Railroad Commission placed

a production limit in the East Texas field on an old order permitting transfer of oil allowable from one well to another. Some 3,866 Texas anglers were cited last year for failure to have a \$2.15 fishing license, reports the Parks & Wildlife Department, and were subject to fines ranging from \$10 to \$100.

State Securities Board issued permits to 74 corporations to sell \$105,800,000 worth of securities last month -- a gain of \$61,000,000 over April, 1967.

Texas steamflow varied from deficient in West Texas to excessive in East Texas during April, according to the Water Control Board.
