

# CR Water Due Here April 2

A historic moment will occur in Slaton Tuesday, April 2, at 9 a.m. when a valve will be turned and Canadian River water will flow into the city's water system.

Mayor Jonas Cain announced Wednesday that Canadian River Municipal Water Authority officials reported the water would arrive in Slaton Tuesday morning. A number of officials are expected to be on hand for the event.

The unofficial ceremony will take place at the new pump station at the end of N. 22nd

Street on the US-84 bypass.

Slaton has been allotted 154 million gallons of the CRMWA water for the rest of the year, the mayor reported. The city will use the Canadian River water as a primary source, keeping the municipal wells for "back-up" purposes. The city must pay for the allotted amount of water from CRMWA.

The flow of the CRMWA water into the city system will climax a huge project--including the Sanford Dam at Lake Meredith

and a 322-mile aqueduct system to deliver water to the 11 member cities.

The cities include Amarillo, Borger, Brownfield, Lamesa, Levelland, Lubbock, O'Donnell, Pampa, Plainview, Slaton and Tahoka. The Bureau of Reclamation project was the result of a contract executed with the CRMWA on Nov. 28, 1960.

Slaton joined Lubbock in the building of a treatment plant for the water which is delivered here.

57TH YEAR, ISSUE NO. 25 LUBBOCK COUNTY SLATON, TEXAS THURSDAY, MARCH 28, 1968

## Tag Deadline Comes April 1

Deadline for vehicle registration is just around the corner for motorists who haven't "got around to it yet."

The April 1 state deadline comes Monday and, as usual, the time will come with many motorists standing in line to get their car tags.

Vehicles can be registered in Slaton at the Brewery Insurance office on the east side of the square, or in Lubbock at the county courthouse. Car tags in Slaton this year start with the letters CFH, CFJ and CFY.

Another deadline for motorists falls on April 15 when the new inspection stickers are due on cars and trucks.

## City Vote Set April 2

### School Election Due April 6

Absentee voting in the Slaton School District election continues to April 3 in the school business office, 300 S. 9th, with election day set Saturday, April 6.

Four candidates will be on the and the two polling the most votes will win the school board seats.

Incumbents Don Kendrick and Tommy Davis are seeking reelection, while Guy N. Gentry and Steve Ruiz are asking for first terms on the board. Terms are for three years.

Kendrick and Davis are finishing their first terms as trustees. Kendrick is an insurance agent and serve as fire chief and civil defense director of the city. Davis is associated with Slaton Lumber Co.

Gentry is a farmer, residing northwest of Slaton, and is also a rural mail carrier out of the Lubbock post office. Ruiz is employed at Farmers Co-Op Compress in Lubbock.

ANSIL O'NEAL  
**Pioneer Manager Here April 1**

Ansil O'Neal, a veteran of 29 years service with Pioneer Natural Gas Co., will assume the duties of manager of the company's Slaton office effective Monday, April 1.

According to the announcement made by C. H. Rainwater of Lubbock, vice president, O'Neal will succeed Dick Evans, who is taking early retirement. Gene Moore, senior plant operator in Slaton, has been promoted to succeed O'Neal at Post.

O'Neal was recently named president of Post Chamber of Commerce, and was finishing a term as president of Post Rotary Club.

Evans had 40 years service with the company. He came to Slaton as manager of the office in March, 1957. Evans fell and broke his hip while visiting a daughter in San Antonio several months ago, a factor leading to his early retirement.

Mr. and Mrs. Evans have three children -- Mrs. Clarence Caywood and Mrs. Betty Robertson of Slaton, and Mrs. Leonard Marranto of San Antonio.

Ward 2 voters will pick a new city commissioner in Slaton Tuesday, while Ward 4 voters will have a choice between an incumbent or a newcomer.

Dr. David Hughes and Emmett Waldrop are the candidates in Ward 2--the area of Slaton north of Division street and west of 9th. Voting will be in the Community Clubhouse from 7 a.m. to 7 p.m.

Rudy Dominguez seeks reelection in the Ward 4 race against challenger Arthur Cornelius. Polling place is the Stephen F. Austin school, and Ward 4 includes the area east of 9th and south of Division street. The poll will be open 7 to 7.

Absentee voting for the April 2 city election ends on Friday, April 29 in the city secretary's office.

In Ward 2, incumbent Earl Reasoner did not seek reelection. Dr. Hughes is owner and operator of Slaton Veterinary Clinic. He is active in civic affairs and is retiring president of Slaton Rotary Club. He is also a director on the Chamber of Commerce board.

Waldrop, a longtime resident of the city, is employed at Slaton Lumber Co. He is active in the American Legion Post here.

In Ward 4, Dominguez, 30, seeks reelection after serving one term. He was born in El Paso but has resided in Slaton most of his life, graduating from high school here. He is a Mason.

Cornelius, 34, has lived in Slaton since 1956 and is presently employed at Sears-Roebuck in Lubbock. He and his wife have four children and reside at 970 S. New Mexico. This is his first time to seek office.

## Police Radio Is Approved

Slaton City Commission held its second regular meeting of the month Monday night at the Municipal Building, and approved purchase of a new base radio unit at the police station in the only vote decision of the night.

The relatively short session also included discussion of school speed zones on Division street, the traffic hazards of the five-point intersection on the northwest corner of the square, and complaints about mud holes on city streets.

The commission had started study of the radio proposal at the last meeting. Police Chief Walter Head pointed out that the Slaton station was outmoded and transmission power was inadequate.

After studying bids taken from two companies, the commission approved low bid of about \$2,800. The radio equipment, including a car unit for the new police vehicle, will be put on next year's budget. A lease plan will be used, with all payments going toward the purchase price.

The new station will be 100 watt power, compared to 50 watts for the present base station. Slaton is used a relay station for many messages going to and from Lubbock. Head reported that many stations have increased their power to 100 watts in recent years.

Mayor Jonas Cain introduced a discussion of the traffic intersection problem at 9th, Panhandle and Garza. He suggested a "yield" sign be placed on Panhandle, but it was pointed out this would be confusing with the signal light.

Commissioners seemed to think the real solution was in a five-way traffic light, but a cost estimate of \$2,200 was the hurdle to that solution. One commissioner said he didn't think the intersection was "any worse than some others" in town. Cain suggested the commission study the situation further.

Chief Head said a number of motorists who have been ticketed for speeding on Division had suggested that more "school zone" signs be put on the street to keep motorists reminded of the zone. The commission agreed that more signs might be used.

## Cheerleaders Elected

Cheerleaders for the next school year have been elected by the Slaton High School student body.

Senior cheerleaders are Debbie Donaldson and Johnnie Sue Mosser; juniors are Dee Dee Carter and Judy Eblen; sophomore cheerleader is Cindy McWilliams; and freshman cheerleader is Cynthia Akin.

## CSB Names Two New Officials

Clark Self Jr. and J. W. Holt were elected as advisory directors when the Citizens State Bank board of directors met Monday evening.

T. J. Wallace, president, announced Tuesday that the two men had been named to the advisory positions. Holt recently joined the bank staff as a vice president, replacing Self who resigned to enter private business.

## Gloria Foster Named Wilson Lions' Queen

Petite, brown-eyed Gloria Foster was crowned as Wilson Lions Club Queen Saturday night after judges selected her from a field of 16 candidates in the contest held in the Wilson High School Auditorium.

Carolyn Schneider, the past year's queen, crowned Miss Foster and presented her a bouquet of red roses.

Five finalists were chosen and announced by emcee, Dee Bowman. First runner-up was Wendy Leach. Others were Nan Steen, second runner-up; Patricia Rinne, third; and Vicki Lane, fourth.

Miss Foster, 17, is the daughter of Mr. and Mrs. Ray Foster of Rt. 2, Wilson. She will represent the Wilson club in the District Queen contest in Littlefield next month.

Parents of the other four finalists are Rev. and Mrs. Wendel Leach, Mr. and Mrs. Walter Ray Steen, Mr. and Mrs. A. A. Rinne, and Mr. and Mrs. Jim Lane.

**EASTER ACCESSORIES** — Michele Harlan, 3, tries on some new clothes for the coming Easter parade, but she hopes the two black eyes won't be part of the accessories by that time. The

yellow dress is very pretty, even with the "shiners" which showed up after a hard bump. Michele is the daughter of Mr. and Mrs. Jerry Harlan, Rt. 2, Slaton. (Slatonite Photo)

## STORY TIME SATURDAY

# Library Holds Open House Here Sunday

Saturday and Sunday will be big days at Slaton's new downtown library. An open house is scheduled for Sunday from 2 to 5 p.m. when all area residents are invited to come and view the new facilities.

Most of the shelving and furniture has a new coat of paint, there are new drapes, new carpet in the children's corner, a new book deposit slot built

## DE Banquet Slated Friday

Distributive Education students of Slaton High will honor their employers at a banquet Friday night in the junior high cafeteria.

Ron Bramble, San Antonio educator and business consultant, will be special guest speaker for the event, which gets underway at 7:30 p.m. Student Jackie Horton will serve as master of ceremonies.

Bramble is head of the Mid-Management Program at San Antonio College and is an author and lecturer on business, education and church groups. He is a member of the American Association of University Professors and holds many professional and civic affiliations.

Special entertainment will be provided by a folk-singing group from the First Christian Church.

## Five Qualify For Regional Contests

Five Slaton High School students qualified for regional when District 4 Interscholastic League contests were held in Morton last week.

Winning first in shorthand was Cheryl Keese with Diane McMeekan placing second. Tony Privett placed second in typing. Other students entered in

typing but not qualifying for regional were Clifford Kitten, fifth; Olivia Reyes, sixth; and Barbara Bingham, seventh. The shorthand students were coached by Mrs. M. W. Kerr. Typing students were coached by Mrs. Kerr and Mrs. Buford Duff.

Also winning first and second place were Slaton's entries in the slide rule contest. Pat Edwards placed first and Lonnie Kuss placed second. They will be competing April 20 at Texas Tech in the regional contest. Clifford Kitten placed fifth in slide rule. William A. Carnes is coach for the slide rule contestants.

**SLATON WINNERS** — These five Slaton High students qualified for regional when they won first or second place in the District 4 Interscholastic League contests held last week. Seated is Tony Privett, who will compete in typing; left to right are, Diane McMeekan and Cheryl Keese, shorthand; and Pat Edwards and Lonnie Kuss, slide rule. (Slatonite Photo)

**C of C Week**  
Something to Think About

By Speedy Nieman

Division Street says there is a time in our modern history confused so many.

Slaton Industrial and Development is expecting a Small Business Administration official to be here this week for tentative approval on the foundation to help develop Modern Castings.

The new industry has started operation on a limited basis, and a new plant is planned in the near future.

Wright family of Slaton lost most of their personal belongings in a house fire last night. The family has not sought insurance but they would appreciate gifts of clothing, or other essentials in the meantime.

From the Slatonite to the Future of America in Slaton and the National FHA Week, March 31st time to recognize the contributions by these young people to their communities.

Observance is scheduled here, a series of sorts could be re-organized around the nation, and April 1st the 39th year of Slaton Chamber of Commerce and Board of City Development.

Some real good reasons why we should boost our own Chamber. Most of us live in Slaton a better life and work. Someone put the Chamber a few years ago in the following

Realize that every man owes a debt to the community that cannot be paid in terms of personal service.

The chamber of commerce unifies the spirit of any city and directs it into constructive channels.

It links the people of the entire community together in a common enterprise, possible forward movements.

My business judgment tells me that the best for this city and my neighbors is to have an asset for me to pass up.

As a member of the chamber of commerce I am afforded an opportunity to act for conditions I have long hoped for.

Membership in the chamber shows a man with an organized effort to better the conditions of life.

It is unfair and unjust for me to sit back and not give it any active support. The chamber of commerce is business--an institution that is accomplished for my city at a time when competition means more than ever before. I realize that attention to my own affairs is not enough. No individual business prosper greatly unless general conditions are improved.

This is the proper time for business men to unite front. I have never been in my own affairs, and I am not going to let others carry the community

NEWCOMERS HONORED--This group of newcomers who moved to Slaton during the past year and others were honored with a Newcomers Coffee last Friday morning. Serving them are two of the hostesses, Mrs. E. E. Bishop and Mrs. Howard Hoffman, on the left.

### Newcomers Honored Friday

Newcomers to Slaton were honored last Friday morning with a coffee in the Reddy Room at Southwestern Public Service. Fifteen newcomers, many of the ministers wives or representatives from churches, and women representing several organizations with open memberships visited over a cup of coffee and homemade cookies.

Also at the coffee was the Newcomer Committee of the Slaton Chamber of Commerce which includes, Mrs. Bill Smith, chairman, and Mmes. Carroll McDonald, B. H. Crandall, Milt Ardrey, Speedy Nieman, E. E. Bishop, Howard Hoffman and Wayne Cooper.

Utility bulbs were given to each newcomer, compliments of Southwestern Public Service. A brochure about Slaton was also presented to each lady attending.

It was announced at the coffee

that a bus tour is being planned by the Chamber of Commerce and 15 ladies attending indicated they would like to make the trip. An announcement is forthcoming as to when the tour will be.

During the coffee, each newcomer introduced herself and told something about her family. Others also introduced themselves and told about their church or organization.

Newcomers attending included Mmes. Jerry Melton, Bill Franklin, John K. Pratt, Janie DeBusk, Herman Green, Robert Richardson, R. A. Hardesty, Kenneth Henderson, Walter Head, L. B. Moore, Pat Green, Wayne Yearout, A. H. Renne, R. E. Switzer, and Paul Buchanan.

### Gloria Denzer Elected Officer

Gloria Denzer, daughter of Mr. and Mrs. A. A. Denzer of Rt. 1, Slaton, was elected extension officer of Beta Sigma Phi in Lubbock. The ritual meeting the installation of newly elected officers will be held April 15.

Gloria's chapter, Phi Zeta Nu, met March 19, held election of officers and every member took the ritual of jewels test.

Phi Zeta Nu helped with the model show given in Lubbock March 16 when all the chapters joined together to raise money for Girls Town in Whiteface. The project raised \$450.

### Program On 'Charm' Given

A program on "Charm" was given for members of Junior Civic and Culture Club Tuesday evening by Mrs. Mildred Patterson, a Lubbock county home demonstration agent. The speaker defined charm as the art of making other people comfortable. Using fashions as a part of charm, she discussed the now popular trend in the "total look" and told how each person should take current fashions and adapt those parts of it which look better on her. Mrs. Patterson used newspaper clippings to illustrate her talk. She summed up her program by relating the legend of the "Silver Spoon".

Those present for the meeting in the home of Mrs. M. H. Lasater included Mmes. M. J. Etter, Joe Belote, Ed McCoy, C. E. Hogue, Yates Key, Jack Shepard, W. J. Thomas, Mary Gilmore, Jo Delaney, Oma Faye Brown, Ahlene Bivens, Merle King, and Miss Gertrude King. In addition to the speaker Mrs. L. G. Kincer and Mrs. Ed Caldwell were guests.

### Reception Held By Catholic Daughters

The Catholic Daughters of America held a reception for new members Sunday at St. Joseph Hall.

The members attended mass after which the following new members were received: Frances Kubacak, Betty Kubacak, Rosemary Kubacak, Vivian Angerer, Nora Romero, Dee Walton, Cecelia Steffens, and Susan Wilson of Lubbock.

Being reinstated into the court were Cornelia Schneider, Rose Grabber, Ida Wendel, Ester Strube, Hildegard Kitten and Lidwina Wolf.

The exemplification took place under the direction of the district deputy, Mrs. Lynn Ely of Nazareth. Representing the state officers was Mrs. Helen Kitten, the state monitor.

Receiving awards for getting the most new members were Mrs. Jim Kubacak and Mrs. Robert Bednarz.

Norma Jean Kitten won the door prize.

The meeting adjourned after a covered dish luncheon.

### Easter Campaign Nets \$178.52

Members of the Slaton Chapter of Young Homemakers participated in the Crippled Children's Easter Campaign last Sunday afternoon, and with the assistance of the local FHA girls, collected a total of \$178.52.

Funds from this campaign will be used at the Lubbock Cerebral Palsy Treatment Center to provide braces, crutches, wheel chairs, transportation to medical centers and care of crippled children.

The Lubbock County Society

for Crippled Children has no paid personnel and none of the money is used to provide office space. All services at the center are donated.

Young Homemakers aiding in the campaign were Mmes. Johnny Smalley, Jim Parker, Earl Schwenke, John Grantham, James Downey, Jim Sadler, Bob Martin, Harley Castleberry, James Stubblefield and William Becker Jr., campaign chairman.

FHA girls assisting were Vicki Tumlinson, Kale Roche and Diane McMeekam. Mrs. Peggy Raub and Miss Garene Harris, advisors, also participated.

Mr. and Mrs. W. L. Housour returned Friday from a 10-day fishing trip to Port Aransas.

### Support Research By Donating To Cancer Drive

While the chances of any child being stricken by cancer are remote -- only one youngster in 7,000 develops the disease -- the figure can also be misleading. Restated another way, it means that there are some 4,500 children under the age of 15 who will succumb to cancer this year.

The figure becomes even more serious when it is realized that almost half of these will die of leukemia. And that more children of school age will die of cancer than of any other disease. Thus cancer among children is an important health problem.

Cancer of the blood - forming tissues, leukemia, Dr. Cadman Chaffin explained, is characterized by the abnormal production of white blood cells. Acute leukemia strikes children mainly and is treated today by drugs.

Drugs, or a combination of drugs, have proved capable of extending life for a few months to as long as five years -- hopeful signs that medical science is on the right track.

Children's cancers are often hard to recognize, since they may masquerade as trivial disorders. A knowledge of cancer's warning signs and symptoms, if acted upon promptly, may serve to save a child's life, Dr. Chaffin emphasized.

While leukemia accounts for half of the incidence of cancer among children, and is still incurable, in many other types of cancer a stricken youngster stands an excellent chance of recovery, Dr. Chaffin stated.

Among these other types of cancer found in children is neuroblastoma, or cancer of the nervous system. Surgery and drug combinations work well here. Even some brain tumors among children are quite curable, if treatment is begun in time.

Surgery or radiation, or both, supplemented by a drug, in some instances, completely arrests cancer of the lymph nodes, technically known as lymphosarcoma. Eye tumors in similar fashion, if detected early in a child are curable.

Another form of children's cancer that is gradually being brought under full control is Wilms' Tumor, or cancer of the kidney. Success in treating this condition via surgery, radio - therapy and a drug called Actinomycin D has been responsible for saving the lives of many youngsters. Bone cancer, another form of the disease found in childhood, is being successfully treated today by surgery and radiation.

The American Cancer Society, Dr. Chaffin emphasized, has always been in the forefront of the fight against leukemia. Last year some 70 grants totaling more than \$2 million were made by the Society directly or indirectly to aid the struggle against leukemia.

"This intensive research must be continued and expanded," Dr. Chaffin continued. "And of the utmost urgency today is the need for a simple test to diagnose leukemia before it develops in the blood stream," he pointed out. "The more support we give these research specialists the quicker we will solve this pressing problem."

### Mrs. Anderson Entertains Past Matrons Club

Mrs. Claude Anderson was hostess to the Past Matrons Club when they met in her home March 18. Mrs. F. A. Drewry, president, conducted the business meeting.

Roll call was answered with a favorite chapter from the Bible.

Mrs. Drewry read a poem, "Gift of Friendship" by Helen Steiner. Mrs. Fannie Patterson gave a program entitled "A Better World Begins with Me."

Mrs. Anderson at the organ and Claudia Anderson at the piano played several selections and the group engaged in singing.

Mrs. Anderson assisted by Claudia served refreshments to Mmes. J. D. Barry, H. E. Woods, J. S. Vaughn, Eva Smith, R. L. Smith, Roy Collins, Virgie Hunter, Douglas Wilson, C. E. Smith, Drewry and Patterson and guests, Mmes. Wade Thompson, Ray Ricker, Sr. and Mable Crews from Greenville, Tex.

### 12th Birthday Celebrated

Kathy Milliken, daughter of Mr. and Mrs. Bob Milliken, celebrated her 12th birthday with a belated birthday party Saturday. Her birthday was March 15.

The party was from 2 to 4 p.m. at her home. Cake and punch were served to Sheree Perdue, Patty Melton, Becky Culver, Lu Ann Fondy, Susan Hopper, Jan Davis, Susan Renne, Kay Stephens and Kayleen Carnes.

Her uncle, Troy Milliken from Jayton, also visited Kathy on her birthday.

### PTA Conference In Littlefield

Seven members of the West Ward Parent - Teachers Association plan to attend the 40th annual conference of the 14th District Texas Congress of Parents and Teachers which will be held in Littlefield Friday.

Theme of this year's conference is "Our Families - Living, Learning, Understanding".

Planning to attend are superintendent P. L. Vardy, T. C. Martin, principal at West Ward; Mmes. Ruth Longtin and Opal Townsend, teachers; and Mmes. Tim Bourm, treasurer; Harley Castleberry, vice-president; and James R. Jensen, secretary of the West Ward PTA.

### Luncheon Held For WSCS

The Woman's Society of Christian Service of the First Methodist Church met Monday at noon in Fellowship Hall for a covered dish luncheon. The The India Circle was hostess.

Mrs. Bruce Pember opened the meeting with prayer. Mrs. Carroll McDonald continued the study, "Encounters of Faith" and showed a filmstrip, "Foundation of Dialogue".

The meeting was dismissed with prayer by Mrs. McDonald. The next regular meeting will be April 1.

## State Candidates Chosen

for Girls State and at a special American Legion 4 p.m. in the Hall. Each candidate has written a profile about herself and copies of these will be given auxiliary members. All members of the auxiliary are eligible to vote for the candidate of her choice and for those members who work until after 5 p.m., the ballot will remain open until after five to give them an opportunity to vote. Members are urged to attend if at all possible. Speaker at the meeting will be Penny Havens who represented Slaton at Girls State last summer. She will explain the happenings and citizenship knowledge gained by the scholarship. Miss Havens has been chosen by the 19th District President to be an aide at a school which will be held in June at Saint Edwards Academy in Austin. The fee for sending a girl to Girls State is \$65. The Centurette Study Club and Slaton Home Demonstration Club have already indicated they would like to send or help send a girl. If there are other organizations or individuals here or in Wilson who would like to contribute to sending a Slaton or Wilson girl should contact one of the members of this committee as soon as possible.

## Art Club Meets In Burks Home

Members of the Slaton Art Club met in regular session Tuesday evening in the home of Mrs. Bettye Burks. As members arrived, each was asked to "add a dash" to a spring bouquet of flowers on canvas until it was completed. Mrs. O. F. Kitten presented a program on "Art in Publications." During the business session, final plans were made for the club's participation in the Spring Festival. Mrs. Jess Tims, former president of the club who now resides in Abilene, was a special guest. She was presented with a silver locket, as well as the "add a dash" picture of spring flowers. Attending were Mmes. Tommy Wallace, G. A. Jaynes, Yates Key, Truett Fulcher, Betsy Bryant, Kitten, Tims and the hostess.

## It's a woman's WHIRL

BY LAVON NIEMAN

As I sit here drinking my hot spiced tea, I keep thinking about my column last week. He sent word to me that when we came to Slaton almost four years ago he had been getting his Slatonite free for quite sometime and now we not only started charging him but went up 50 cents on a year's subscription. There seemed to be quite a few "subscribers" who hadn't paid for their Slatonite in many months, but strange as it may seem we were not trying to operate as a "non-profit organization". Guess that's the way with coffee shops.

WW We hope the Newcomers Committee of the Chamber of Commerce is correct in terming the coffee held Friday for lady newcomers as a success. It was certainly OUR pleasure to meet these ladies and some asked if we couldn't have the get-together more often.

There was a lot of "talk" going on, I even had the pleasure of meeting the mother of the girl my youngest son "claims". WW We stopped by Self Furniture to visit Clark and Gene during their open house and the redecorating they've done sure looks good. They took their four children to the store one evening to show them all the beautiful floral arrangements sent them by friends during the open house and guess what they found them doing -- registering for the free Admiral television set to be given away. Sorry kids, I plan to win this one!

WW Women developed intuition because they couldn't get the truth out of men by questioning them.

WW I hope many Slaton mothers of pre-school children through the second or third grade are planning to take their children to "Story Time" at the Slaton Library Saturday morning. When our younger son was five years old, we were living in Brownfield and a Story Time was held a morning each week. At first he didn't want to go, but right away he was asking if he couldn't go back the next week.

That is when his love for books really began and it has stayed with him. How do you know your children won't enjoy it and the thrill of selecting his or her own books to read if you don't give them the opportunity?

Besides, this Saturday they can meet a "real" author.

WW And let's not forget open house at the library for everyone Sunday afternoon. After all, it's OUR library. If you haven't taken the time to go to the library since it moved downtown, you might be surprised to see how much the facilities have improved since moving to larger quarters.

WW It has been our pleasure to run a series of "Community Club Close-Up" features on various clubs in Slaton. One or two more clubs have indicated to me that they are gathering the needed information for such a column.

I just want to make it clear that we WANT to run this feature on YOUR club and THIS is an invitation to turn in the needed information at The Slatonite office. We have not and do not intend to call any club asking for this information. It is entirely up to the club to supply the information.

Billy D. Martin, son of Mr. and Mrs. C. J. Martin, has received the good conduct award in the Army ROTC Corps at Texas Tech. He was valedictorian from Slaton High School and is majoring in electrical engineering at Tech.

## Rites Read For Ben Altman

Services for Ben Altman, 87, who died Saturday in a Lubbock hospital, were held Monday at 3:30 p.m. in the First Baptist Church at Post.

The Rev. Jimmy McGuire of Lubbock and the Rev. Sherman Ervin of Pleasant Valley community officiated. Burial was in Terrace Cemetery under direction of Hudman Funeral Home at Post.

Altman was a retired farmer who lived near Post for 50 years and resided in the Pleasant Valley community northwest of Post.

He had been a patient in Mercy Hospital for three weeks before being transferred to a Lubbock hospital.

Survivors include five sons, Ed of Littlefield, Dan of Tulla, Woodrow of Smyer, Deamos of Post and formerly of Pleasant Valley, and Elmer of Dallas; five daughters, Mrs. Carrie Guess and Mrs. Artie Baxter, both of Pleasant Valley, Mrs. Lloyd Crosby and Mrs. Luter Harold, both of Littlefield, and Mrs. Vancil Bowen of Detroit, Tex.; two sisters, a brother, 39 grandchildren, 48 great-grandchildren, and two great-great-grandchildren.

ITEM: Discard electric bulbs when they have darkened. Although they may still burn, they have lost their efficiency.

## Local Auxiliary Holds Best Birthday Party

Mrs. Ellis Schmid, 19th district president of the American Legion Auxiliary, announced this week that she will present at the district convention which will be held April 20-21 in Lubbock a special award to Slaton Post 438.

The Slaton post will receive a "Happy 49th Anniversary Cooperative Spirit" award for honoring veterans at its annual birthday party.

Auxiliary chairman for the party was Mrs. Bert Polk. Assisting her were Mmes. Jim Elliott, E. C. Davidson, Clarence Holt, Ray Dickie and Ellis Schmid.

Gold star members Mmes. John Carter, T. G. Snider, E. M. Lott and George Green were seated as mothers at a special table centered in gold.

Past presidents recognized at the party were Mmes. Joe Nelson, Duane Shearer, John Carter, George Green, Allie Grace Bentley, E. C. Davidson, Raymond Standefer, and Ellis Schmid. Mrs. Earl Stahl (past president in California) had the most years of service and is still active. She holds 32 years of service.

Recognized as charter members were Mmes. Jim (Beedie) Elliott and Mrs. Alvin White.

A huge cake decorated with 49 candles and sectionized for the branches of service was cut by Harvey Griffith, post commander; and J. E. Robertson, World War I veteran.

Harvey Griffith, Ellis Schmid and Elmer Hendrix were recognized for outstanding aid to the auxiliary in district affairs and a plaque was presented to the post in this recognition.

The three had aided their local district president in workshops, conventions, leadership school and courtesies.

## Mrs. Smith Is Hostess For Cuba Circle

A new member, Mrs. J. D. Evans, was welcomed into the Cuba Circle of WSCS at the Methodist Church when it met last Thursday.

A program "Major World Religions" was introduced by Mrs. R. C. Hall Jr. and she gave an explanation of Judaism and Islam. Assisting her on the program were Mrs. Steve Smith who gave an explanation of Hinduism and Mrs. Truman Ford who told about Buddhism.

The circle met in the home of Mrs. Smith and refreshments were served to five members.

## Engagement Announced

Mr. and Mrs. Leo Stolle of Rt. 1, Shallowater, have announced the engagement and approaching marriage of their daughter, Beverly, to Rodney Callaway, son of Mr. and Mrs. F. W. Callaway of Southland.

Miss Stolle is a 1965 graduate of Southland High School, graduated from Jessie Lee's Hair Design Institute and is attending Commercial College of Lubbock.

Callaway is also a 1965 graduate of Cisco Junior College and is a junior student at Texas Tech.

The couple plans a May wedding.

Mr. and Mrs. Arden Maeker and their daughter, Pam, of Richardson spent the weekend in Slaton. They and Mrs. Maeker's mother, Mrs. M. E. Morris, went to Lubbock Saturday to visit the Maeker's daughter and family, Mr. and Mrs. Mike Deaton and Michelle. Saturday night they visited Maeker's parents, Mr. and Mrs. Hugo Maeker and other relatives at Wilson. They also visited his grandmother, Mrs. Katie Nieman at Slaton Rest Home.

## Visit the LIBRARY

Library open 3 to 6 p.m. Monday through Friday. Open 1 to 5 p.m. Saturdays. Story Time - 10 a.m. and 11 a.m. Saturday, March 30. Open House - 2 to 5 p.m. Sunday, March 31. The Slaton Library is for YOU to visit and use!

## Mobile Showroom At West Ward

Next Thursday from 2 to 4 p.m. a Mobile Showroom will be at the West Ward Elementary School building on public display.

This display is made by a combination of A. J. Nystrom & Co., Cambosco, Kodak and Ampex.

It is reported that Brenda Kitten, 2-year-old daughter of Mr. and Mrs. Roger Kitten, is improving more and more every day at M. D. Anderson Hospital in Houston. She recently underwent surgery.

**CSB Spotlights A Community 'Salesman'**

Citizens State Bank this week salutes Slaton Patrolman Ray Bagby, who is not only a law enforcement officer in the community, but a citizen who takes time to "sell" his community to visitors.

CSB learned that Bagby recently served as a "goodwill ambassador" for his community by escorting two visitors around Slaton on a Sunday afternoon and extolling the virtues of living in the city. The couple visiting in the city were considering Slaton as a place to move their business, and they reported to Chamber of Commerce officials that Patrolman Bagby did an excellent job in showing and telling them about Slaton.

CSB is proud of Slaton and citizens like Ray Bagby. How about you?

### Boys State Discussed

When the American Legion Luther Powers Post 438 met last Thursday, the main topic of business was the discussion of the American Legion Boys State to be held in Austin June 8-15.

The local post always sends as many boys as it possibly can and is endeavoring to send a good representation again this year.

A drawing for a door prize is held at each meeting. Hugo Mosser's name was drawn for the \$30 door prize, but since he was not present a door prize of \$40 may be given away at the next meeting.

Our deepest thanks to Dr. Payne, the nurses and personnel of the Mercy Hospital during the illness and loss of our dear father. A special thanks to those who furnished food and served, sat at the hospital, sent cards and flowers and for other thoughtful expressions. May God bless each of you.  
THE BEN ALTMAN FAMILY

### Purdom Speaks At Rotary Club

"Law Day" was the topic for discussion when Tom Purdom, assistant district attorney, appeared as guest speaker for the Slaton Rotary Club last Thursday in the Community Clubhouse.

Purdom pointed out that "Law Day", May 1, is observed each year to stress the "liberty under law" freedom in the United States, and to remind citizens of the need for respect and support of law officials.

"It's not enough to be disgusted with lawlessness. . . we must develop and promote respect for the law," Purdom stated. Many people don't want to get involved in law cases, remarked the lawyer, "but they are involved. . . all citizens are hurt if we don't exercise our responsibilities in prosecuting violators."

Purdom was introduced by Rotarian Claude Cravens.

### 'Eagles Spread Wings'

(from Roosevelt High School)

GAIL VINEY

Most people tend to think that red and green clash when put together. Not so in the case of red-haired, green-eyed Gail Viney. She has attended Roosevelt for the past six years. For the past two years she has been elected to lead cheers at all athletic games. Also, during her four years in high school, she has been an active member of FHA, 1-4; F.T.A., 1-4; Pep Squad, 1-4; and class officer, 1-2. This year she was chosen Senior Class favorite. When time allows, Gail en-

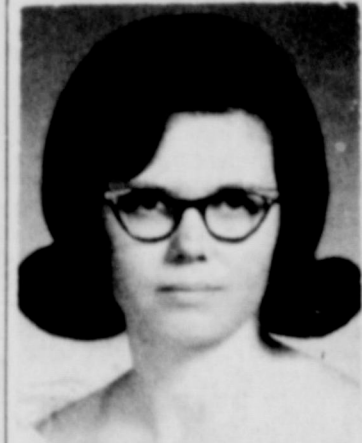

joys Mexican food, football and watching TV, especially "The Road Runner Show." The only things that ever "rile" her are "hypocrites and fake people".

When asked to comment on RHS, Gail answered, "It's a great school. I only hope that the upcoming students strive to make Roosevelt as great as I know it can be." After graduation she plans to attend Abilene Christian College.

One of the most active seniors around RHS this year is Carolyn Goode. She has attended Roosevelt for the past two years, moving here from Springlake.

Her slate of activities these past two years has included pep squad, 2-4; reporter, 2-4; National Honor Society, 2-4; NHS secretary, 4; FTA historian, 4; student council secretary, 4; "Powder Puff" football team, 3-4; junior class favorite, and this year she is editor of the Eagle annual.

In her few spare moments she enjoys watching football, "Star Trek" on TV and reading. Other favorites include food, cheeseburgers; car, '56 Ford; song, "Love Is Blue"; actor, Tony Curtis; actress, Jean Simmons; teacher, Mr. Messinger; and subject, lib-

CAROLYN GOODE

rary. Carolyn's only pet peeve is hypocritical people.

Carolyn's sound advice to freshmen is "think ahead, start now and you'll never regret it." Asked to comment on RHS she said, "This school has been good to me so I can't say too many bad things about it. Just remember... THINK UNITY."

After graduation, Carolyn plans to attend the University of Texas in El Paso and become President of the United States. (Bet you think she's kidding, don't you?)

BLOCK CO. Largest Tax Service with Over 2000 Offices 131 SO. 9th STREET 9AM - 6PM VAB-3757 SAT. 9AM-5PM No Appointment Necessary

There's buried treasure at HemisFair--500 silver dollars worth. Fred Achtezehn of San Antonio reports that he buried \$500 in two sacks in the basement of his business in World War One, and forgot about it until demolition started for the World's Fair.

Achtezehn said he returned to the site of the original Green Tree Restaurant but couldn't remember exactly where he buried it. His efforts to recover it were to no avail, and workmen demolished the building, pushing the ruins into what was the basement.

There is a happy ending to the story, Achtezehn said he received about 10 times more for the property than the original \$7,000 family investment in 1906, and is not too worried about the loss.

The San Antonio International Airport is preparing for the onrush of HemisFair visitors with a \$1.4 million addition to facilities.

All trunk carriers into San Antonio have reported plans to boost service to accommodate

the millions expected for HemisFair, and a new airline, Air Southwest, is seeking permission to establish 90-passenger Electra turbo-prop service between San Antonio, Dallas-Fort Worth and Houston.

A new terminal wing of the airport is expected to be completed in late February. It will accommodate all international flights presently serviced by Braniff International, American Airlines and CMA Mexicana Airlines plus the domestic flights of American and Braniff.

HemisFair visitors from May 29-June 2 will get an extra treat from Belgium. Belgium's top folklore groups will appear at the World's Fair as part of the celebration of the Belgian national day celebrations. The Gilles de La Louviere, a small Belgian town, will perform dances and marching formations traditional in the village since the 16th century.

Emile Toebosch, deputy commissioner of the Belgian pavilion, also announced the Belgian pavilion will have on loan from the Arms Museum in Liege, a display of old and new pistols and shotguns.

Lights highlighting the first mechanical heart machine and other modern medical technical equipment will be featured in the General Motors pavilion at HemisFair '68.

The wide-ranging exhibit will also show city and highway panoramas of the future, an experimental vehicle less than one yard wide, new auto safety devices, and an industrial air and water purification display animated to show the inner workings of industrial structures.

The 8,600 square foot exhibit will also have an operating scale model of an impact sled simulating actual conditions during an auto accident.

Each minute, hour and day left before HemisFair '68 is marked at the San Antonio International Airport. The reminder comes from the "countdown clock" installed by HemisFair at the airport. President Lyndon Johnson set the clock in motion recently by activating an electronic signal at the White House and the time began to tick away before the April 6 curtain call.

The clock is the same device used to count down for the World's Fairs at Seattle, New York and Montreal.

Quite a number of outstanding attractions have been booked for the new convention center

FHA OFFICERS---Pictured above are some of the officers of the Future Homemakers of America Chapters at Slaton High. Seated, left to right, are Debbie Busby, Diane McMeehan and Kale Roach. Standing are Vicky Tumlison, Toni Melcher, Sandy Brush and Lisa Baugh.

complex built by San Antonio on the fairgrounds. They range from the fabulous Salt Lake Tabernacle Choir to motion picture and television star Bob Hope.

Appearing for limited engagements in the 10,000-seat arena at the new complex will be Hope, Bob Newhart, Roy Rogers and Dale Evans, Barnum & Bailey Circus, Grand Ole Opry, Ice Capades, the Lutheran Hour and the Mormon Choir.

In the 2,800-seat theatre will be symphonies, opera, John Garry, the famous Ballet Folklórico de Mexico and the Isaac Stern Trio.

Of course, there will also be the mariachis, strolling players, bands, Punch & Judy show and the like along the walkways and plazas of the 92.6 acre fairgrounds.

Visitors to the fair will be treated to a wide variety of entertainment, as the above sampling of talent announced thus far shows.

It has generally been announced that there will be plenty of food at HemisFair, including exotic delights from all over the world.

But, Jim Gaines, chief executive officer of HemisFair, was pretty definite when he told tourist officials recently about "the largest variety and greatest diversity of food ever offered anywhere."

What caught their attention was his announcement that the "variety and diversity" included 20 different kinds of chili alone.

The economy of Texas will get a multi-million dollar boost this year through direct spend-

## Briscoe Has Simple Formula

UVALDE -- Hard work and Dolph Briscoe go hand-in-hand.

Briscoe, of Uvalde, who is a candidate for the Texas governorship, is known in the Lone Star state's farming and ranching circles for taking on tough jobs for no pay and coming up with the tough jobs well done. His formula is simple -- progress in his mind is the keynote and action is his byword.

The gubernatorial candidate's qualifications are many. He is a banker, businessman, civic leader and a former state legislator. He looks upon his campaign to eradicate the screwworm in Texas as one of the landmarks of his career.

Briscoe is completing his fourth term as president of the Southwest Animal Health Research Foundation and has served as president of Mohair Council of America. He has been a ranchman virtually since the day he was born in Uvalde in 1923.

He is a graduate of the University of Texas and was first elected to the Texas House of Representatives in 1948 where he served eight years. He was never opposed for re-election.

The brilliant autumn leaves of North America are unmatched anywhere else in the world.

Library - (Continued from Page 1) really in for a treat. Mrs. Barbara Walker, author of children's books of Turkish folk tales and teacher of children's literature will be here assisting with the Story Time.

Some of Mrs. Walker's books are "Hillbill", "Dillbill", "Just Say Hic", and "Walnuts and Wisdom of Allah". Her latest book is "Once There Was and Twice There Wasn't".

Saturday Mrs. Walker will tell "The Travels of a Fox" and "Angie Worms on Toast" for Story Time. Other story tellers who will also be here are Mrs. Helen Jarman, assistant in the children's department at the Lubbock City-County Library; Mrs. Judy Taylor, veteran story teller of preschool story time in Lubbock; and Mrs. Ella Mae Platz, director of the children's service at Lubbock.

An autograph party will be held following Story Time by Mrs. Walker giving any one desiring them an opportunity to purchase a copy of any of her five children's books.

Pre-school, first and second grade children are urged to attend the 10 a.m. Story Time and third grade and older children are asked to attend the 11 a.m. Story Time.

ing of visitors to Hemis Fair '68. More than 600 Texas tourist development leaders were told at the Governor's annual Tourist Conference in Austin that \$205 million will be spent outside of HemisFair by fair visitors during the six-month run.

## FHA Week To Be Observed Here

In observance of National Future Homemakers of America week, the Slaton High School chapters will attend St. Joseph's Catholic Church at the 8 a.m. service in a group Sunday morning.

Other activities for the week include a Senior Girls Tea Tuesday, a tea for eighth grade girls Wednesday and afternoon homemaking classes will have special demonstrations on skin care presented by an out of town speaker. A teacher appreciation day will also be recognized.

Officers of the Big Sister Chapter are Diane McMeehan, president; Linda Johnson, Mollie Mitchell, Vicky Tumlison and Judy Eblen, vice - presidents; Debbie Busby, treasurer; Toni Melcher, secretary; and Arlene Barron, parliamentarian. Miss Garrene Harris is sponsor for the chapter.

Officers of the Little Sister chapter are Melody Cooper, Glenna Smith, Melaine Parks, Carol Mosser and Debra Greenfield, vice - presidents; Jeri Mason, secretary; Melissa Holloman, treasurer; Sandy Brush, historian; and Lisa Baugh, parliamentarian. Mrs. Peggy Raub is the sponsor.

Jimmy Harden, Cooper FFA member, won first in the lightweight Duroc class and first in the crossbred heavyweight class in the swine division.

Also placing in the steer division from Roosevelt were Brady Mimms, second; Pam Mimms, third; and Marty Mimms, 12th. They are children of Mr. and Mrs. Jere Mimms of Rt. 1, Lorenzo, Pam Mimms also won an award for being second in showmanship.

Other Cooper FFA members who placed with their entries were Woody Kay, ninth in the crossbred lightweight class; Steve Louder, seventh in the heavyweight spotted Poland China class; Jimmy Dunn, fifth in the lightweight Chester White class and fifth in the lightweight Poland China class; Gary Schaffner, second in the Berkshire heavyweight class.

Gary also placed 23rd in the lightweight fine wool class in the sheep division. Some Cooper 4-H members

placed at the stock show with their lambs. Placing in the light weight fine wool division were Susie Lemon, 11th and Scot Pate 25th. Heavyweight fine wool winners were Linda Alexander, 2nd; Steve Cade 4th and 16th; and Pam Griffin, 17th.

MRS. TOMMIE WILKE

Luther League To El Paso

Greetings from Southland, We have dug out from under another snowstorm and the sun is shining today, so maybe we are going to have a pretty week. This moisture has been wonderful and unbelievable and we will welcome more if it comes our way.

SYMPATHY We would like to extend our deepest sympathies to Mr. and Mrs. Donald Pennell, Victor Fredrickson, 30 - year old nephew of Donald's and son of the late Mrs. Lee Fredrickson, died suddenly March 20 from a heart attack. His home was in Houston where he was buried last Friday. Mrs. Lee Fredrickson lived here at Southland with the Pennells for quite some time. May God comfort this family in their sorrow. Mr. and Mrs. Pennell attended

the funeral and returned to Southland Sunday evening. Mrs. Lena Lieske fell at her home here in Southland Tuesday of last week and broke her right arm. She is at home recuperating and doing pretty good. It will take at least three weeks for her arm to mend. We hope all goes well with you, Mrs. Lieske.

CONGRATULATIONS Congratulations to Mrs. Stanley Wheeler who became Lubbock's "Woman of the Year" last week at a banquet sponsored by the Altrusa Club of Lubbock. Stanley is the son of Mr. and Mrs. H. V. Wheeler, long - time residents of this community. Stanley does extensive farming in the community. School was out two days last week due to the weather.

Blane Dyess, son of Coach and Mrs. Bob Dyess, caught a 5-pound carp at Oak Creek Lake Sunday afternoon. I bet he was one excited little boy! 5 pounds! My goodness, I have never caught a fish that big and I have been fishing for several years! Guess I will have to get him to teach me how. His sister, Monica, caught a little 3 inch crappie and I don't think she appreciated it when Blane made fun of it. She pointed out to him that you can eat crappies and you can't eat carpi! Edmund, Sherri, Darrell and Yours Truly went to House, N.M. Sunday where we visited with my parents, Mr. and Mrs. A. B. Dozier.

Mrs. Jay Oats is a patient at Mercy Hospital in Slaton where she underwent surgery. The Oats are former residents

of this community and now they live in Slaton. We hope that all goes well with you, Mrs. Oats.

The Southland Methodist Church congregation went to the Baptist Church Sunday to help them welcome their new pastor. TO EL PASO

Darrell and Sherri Wilke, Patsy and Jean Gindorf will go to El Paso this coming weekend where they will attend the Spring Luther League Confab. Darrell is running for president of the Northwest Conference Luther League. He has been serving as vice - president this past year.

AT TRACK MEET The Southland Junior High and High School boys entered the Sundown Track meet this past Saturday, with the following results: High Jump, Joe E. Basinger 5-11 3/4 -- 1st. place; pole vault, Bill Bevers, 11-6, first place; 220 Yd. Dash-- Dan Eckert, 24.4 -- 1st. place. Congratulations, boys.

The Southland Junior High and High School girls will enter the District Volleyball tournament scheduled at Cooper Thursday. Good luck, girls. ALTMAN DIES

We would like to extend our deepest sympathies to the family of Mr. Ben Altman who passed away last Saturday, and who was buried Monday in Terrace Cemetery at Post. The Altmans have lived in and around this community for 50 years. May God comfort this family in their sorrow. Mr. Altman was 87 years old.

Mrs. Jack Myers spent several days in El Paso recently. Mr. and Mrs. Donald Pennell went to Post Tuesday night, Mar. 19 where they attended an Eastern Star Meeting.

Mr. and Mrs. Jerry Pennell and Kim from Lubbock visited with Mr. and Mrs. Donald Pennell Sunday night.

Mr. and Mrs. Harvey L. Pennell and baby from Plainview spent Saturday night with Mr. and Mrs. Kenneth Callaway in Post.

Billy Lester entered Mercy Hospital in Slaton last week where he is having some tests made.

ANNOUNCEMENT Congratulations to Miss Beverly Kay Stolle and Rodney Callaway who have announced their engagement and approaching marriage. Beverly is the daughter of Mr. and Mrs. Leo Stolle, long - time residents of this community and now of Shallowater. Rodney is the son of Mr. and Mrs. F. W. Callaway. Beverly graduated from Southland High in 1965, attended and graduated from Jessie Lee's Hair Design Institute and is now attending Commercial College in Lubbock. Rodney also graduated from Southland High

Eagles on the Wing

By Mrs. Edmund Wilke

BILL BEVERS

Our series of "Eagles on the Wing" draws to a close this week with none other than Bill Bevers. He is the son of Mr. and Mrs. Spence Bevers of the Pleasant Valley community and was born in Victoria.

Bill spent his first two years of school in Victoria and came to Southland when he was a third grader. He excels in sports, having participated in football, basketball and track for four years.

He was selected as all-district halfback and defensive line-backer this past football season and was chosen to play on the All-Star football team in a game scheduled this summer.

I think Bill must like sports better than he likes to study because he listed his favorite subjects in school as study hall, lunch and Spanish. After graduation, Bill plans to attend West Texas State University.

In 1965, is a graduate from Cisco Junior College and is now a junior at Texas Tech. This young couple is planning a May 10th wedding.

Dan Bryson of Littlefield spent the week - end with David Dabbs.

Mrs. G. D. Ellis has been on the sick list this past week but is feeling much better now.

Guests in the home of Mr. and Mrs. Cecil Stolle and Beth Sunday were Mr. and Mrs. James Wuenche and children from Wilson, Rev. and Mrs. Robert Richardson from Slaton, Mr. and Mrs. Lawrence Bredemeyer and family from Sweet-

POSEY NEWS

MRS. P. C. KITCHENS

Paul Boyles Honored

Hi, there! With over an inch of rain and the largest amount of snow for the year after the rain, we at Posey have watched cars, pick-ups and other vehicles stuck out on the farms here from the deep moisture we've received. Something unusual for this time of year in West Texas.

We received a letter from Kansas from Barbara Kurtz, an old - timer of this community, who loves to read the Posey news. It's natural for folks who once lived here to be interested in the activities of their friends.

Visitors in the Earl Foerster home Sunday were Mr. and Mrs. B. A. Harris of Elida, N.M. Mr. and Mrs. Herman Schilling were guests Sunday afternoon of the L. B. Kittens.

Guests of the Joe Loke family Saturday night were Mr. and Mrs. C. V. Schneider of Cooper and Mr. and Mrs. Jones of Lubbock.

Mrs. Lillie Harper spent Thursday night with Areta Harris of Lubbock. Guests of Mrs. Harper this week were Mr. and Mrs. Duane Tefertiller of Lubbock.

Mr. and Mrs. Sammy Gentry and daughter had supper with the Bobby Townsends Saturday evening.

Mr. and Mrs. Mert Gentry visited Sunday with Mrs. Eunice Gentry. The Gentrys visited the Joe Moellers in Slaton Friday.

Mr. and Mrs. W. A. Wilke have just returned home from a trip to the Valley. While there they visited Mr. Wilke's brother at McAllen, the R. H. Wilkes.

The B. A. Hyatt family of Levelland had supper Friday evening with Mrs. Nettie Hyatt.

Mr. Murchison has returned

water, and Mr. and Mrs. Walter Stolle.

Edmund, Sherri and Yours Truly visited in Slaton with Mrs. A. Wilke Friday night.

"The footpath to peace is to be glad of life because it gives you the chance to love and work and play and look up at the stars and to despise nothing in the world except falsehood and meanness, and to fear nothing except cowardice."

The gear train that is the basic mechanism in practically all clocks is thought to have been invented in the 3rd century B.C. by Archimedes.

home after spending a week with his brother at Dickens. Mr. and Mrs. P. C. Kitchens spent Friday night and Saturday with Mrs. Nellie Kitchens of Dimmitt.

Joe Moller was hospitalized Monday in Lubbock to have the pin removed from his arm. Mr. and Mrs. Paul Boyle were honored with a coffee on their 25 th Wedding Anniversary Saturday night in Fellowship Hall of the Lutheran Church here at Posey.

Those present were Elaine and Wayne, children of the Boyles; Mrs. Birdie Meyer, Mrs. Ahrens, Mr. and Mrs. Edwin Meyer, Mr. and Mrs. Frank Lester and children, Mr. and Mrs. Clarence Lobstein, Mr. and Mrs. William Who, Mr. and Mrs. W. J. Johnson and family, Mr. and Mrs. Alvin Neugebauer and family;

Also, Mrs. Melvin Walter and Kevin, Mr. and Mrs. A. C. Walter, Mr. and Mrs. J. R. Smalley and family, Mr. and Mrs. Fred Meyer, Rev. Jimmy Lueders, Mr. and Mrs. Robert Stolle, Mr. and Mrs. Walter

Schroeder, Bill and Mrs. Barron and Mrs. Travis Dally.

Gifts were sent of others.

The A. F. Wilson, Mike, a Texan for his basic training in the Army. Those present were Mr. and Mrs. Wischkaemper and daughter, Jay Wischkaemper, student at LCC, Paul graduate student at Australia, and M. Ligan of Pasadena, student.

Dale Kitchens of his hogs at a show last week. Co-op Gin bought This is commercial business to show youth of this area. "A statesman to say. A politician say something." Thanks for your attention this week. you next week.

High Yield Sorghum Special!

An introduction to sorghum quality

You'll save money this spring, and make money this fall! Take advantage of this special introductory offer - one bag free with every three. Plant your entire sorghum acreage with uniform, high-yielding Lindsey/Funk's-G sorghum. This is 10,000-pound-an-acre sorghum. The hybrid: 788A. The location: West Texas. This is the yield power you must have to realize your highest possible profit per

1 free with every 3

acre. Choose from the highest-yielding grain hybrids 788A and 755. Or top-tonnage silage hybrids 92F and 115F. Funk's-G means quality all over the world. For top quality year after year, plant 100-percent Funk's-G-Hybrid. See your Funk's-G dealer for these money-saving, money-making sorghums. And take advantage of this introductory offer of quality: get one bag free with every three!

**Science Courses Vital in SHS**

Has anyone noticed smoke looming in the halls of SHS lately? If so, it is highly possible you witnessed evidence of an experiment being conducted in the laboratory!  
... Slaton High's science department not only has competent teachers to its credit, but also a well-equipped laboratory. Because of this, the students are able to obtain a better knowledge and understanding of the sciences.  
... Our school offers courses in physical science, biology, chemistry, and physics. These courses serve as a background for college courses and can also be useful as a general knowledge course.

**Veterans Many**  
Vietnam era veterans are now completing military service and returning home at the rate of 70,000 a month, the Veterans Administration says.  
... Sphairistike  
Tennis was introduced into the United States from Bermuda in the spring of 1874. The game was then known as sphairistike.

**ITEM:** The number of servings per pound is a fair evaluation of a meat buy because it is based on the proportion of meat to bone and fat. Ground beef, flank steak, rolled roasts, and other boneless meats yield four average servings per pound. Bony meat, including most steaks, shoulder cuts and short ribs, may yield one or two servings per pound.

**LETTERS to EDITOR**

**TAX MAN SAM SEZ:**  
According to some folks, it ought to be worth something to live in Texas. Well, it is. The Texas community property law gives taxpayers three extra income tax benefits.  
... First, you may qualify for an additional \$100 dividend exclusion. Second, you can claim an additional \$1,000 capital loss by filing separate returns, and third, you can qualify for an additional \$228 in retirement income credit.  
... There is also a new benefit available this year in a few rare cases -- if you file separate returns you can claim an extra \$150 medical insurance deduction.

**Salt & Salary**  
The word "salary" is an outgrowth of the fact that ancient man placed great value on salt. The word "salary" is derived from salt, and in its original sense it indicated that money was given to buy salt.

## Water District Completes Maps For Depletion Tax Allowances

Contour grid maps showing water table decline levels in the underlying Ogallala formation of the 14-county High Plains Underground Water Conservation District No. 1 have been completed.

The maps, approved by the Internal Revenue Service as guidelines for computing 1967 cost-in-water depletion income tax allowances, are available at a cost of 50 cents each (handling costs) at the Water District offices, or by mail, at 1628 15th Street, Lubbock.

Millions of dollars are being made available to area farmers through income tax allowances and refunds, due to the pioneering work of the Water Conservation District which sponsored a test case in U. S. courts (the Shurbet case) and has followed through with annual aids.

The mechanics of claiming the income tax allowances were developed by the Water District in cooperation with the Internal Revenue Service after the favorable court opinion handed down in June 1964 by the 5th Circuit Court of Appeals, with the Treasury Department agreeing to acquiesce in the decision in December 1965.

The Water District supplies materials, necessary to calculate water depletion allowances, including (1) decline of saturated thickness in the taxable year, (2) saturated thickness at date of land purchase or acquisition, and (3) cost basis in

the water (capital investment breakdown for the land and water underneath).

Refunding of about \$1.4 million to taxpayers in the District resulted from amended tax returns filed for the years 1962, 1963 and 1964 in which depletion deductions were claimed.

This represented average of about \$226 per claim.

Refunds for the years 1965 and 1966 were estimated to be \$1 million and \$1.2 million respectively; or about \$400 and \$480 per claim.

The number of claims filed each year has continued to grow until about 2,500 were filed for the 1966 tax year.

It has been conservatively estimated by Water District officials that this represents less than 50 per cent of the taxpayers presently eligible to claim the depletion tax allowance.

At the 1966 level of tax allowance per claim, nearly \$2.5 million would be returned annually to taxpayers in the District if all eligible taxpayers claimed this allowance.

Taxpayers who wish to claim each year's depletion allowance should file an estimate of tax in order to delay the filing of their final return until after the decline maps are completed each February, Water District representatives suggest.

However, persons who derive income from farming operations can, as can all other taxpayers, file an amended return for each of the previous three tax years.

That is to say: Eligible taxpayers can by April 15 of this year file an amended return claiming the depletion allowance for 1964,

## Cotton Club Members Hear Alex Webb

A program on "Cotton versus Synthetics" was presented by Alex Webb to members of the Slaton Cotton Promotion Club when they met Monday at the Clubhouse.

He displayed fabrics and discussed various uses and finishes. He also brought out the views and problems of merchants in obtaining 100 percent cotton merchandise.

Mrs. G.F. Kitten, president, explained rules for the "Miss Cotton of Lubbock County" contest scheduled at 7:30 p.m. April 25 at the Slide Road Party House. She stated that juniors and seniors in high school are eligible to participate and entry deadline is April 5. County winners will receive \$100 and will compete for the title of "Miss Cotton of Texas" scheduled later this year in Dallas. Entry blanks may be obtained from Mrs. Kitten.

Mrs. J.H. Lambright and Mrs. Robt. Alexander discussed rules for the "Sew it with Cotton" contest set Sept. 16. This event will consist of six categories, including seamstresses from age 12 to adults. The contest is NOT limited to cotton club members or cotton promotion association members. Winners will compete in a district contest in October. Anyone desiring further information is asked to contact Mrs. Lambright at 996-2866.

Winner of the door prize, a pot plant constructed from cotton fabrics, was won by Mrs. Lanny Swanner. Twenty-three members were present.

1965, 1966 and 1967. Taxpayers who do not claim the 1964 depletion allowance by April 15 will also lose any applicable allowance for the 1964 tax year.

The materials pertinent to filing for depletion allowances are available as just one of the many services of the Water Conservation District in a comprehensive program that has continuously grown since 1951. The tax-supported agency is taking the lead in many instances, and is cooperating with numerous other organizations and agencies in research and planning for future water needs, stressing conservation while at the same time probing for added water sources, transportation routes and means, storage and financing.

### TAX MAN SAM SEZ:

Even though April 15 is almost at hand, as taxpayers we have only reached the halfway point.

About half of us have filed our income tax returns—a few of us have spent our refund checks, but at least half of us are still looking for those records that we did or did not keep during 1967. There is no better time than right now -- get out those records and get that tax return ready.

(P. S. If you can't find the records, don't forget to keep them for 1968.)

COTTON CLUB MEETS--Mrs. A.A. Kahlich, treasurer of the Slaton Cotton Promotion Club, and Mrs. J.H. Lambright, co-chairman of the "Sew it with Cotton" contest set for Sept. 16, are shown by a display when the club met Monday at the Clubhouse. (SLATONITE PHOTO)

## 4-H Girls May Try For Awards

SPECIAL - Not for a good many years have clothes been so exciting for the Junior Miss. Color, imagination, comfort and durability have been built into designs and fabrics. And such wonderful accessories! Buttons, beads, boots, belts, bostery and bags give no end of ways to enhance the costume. That is why planning an outfit is such fun for girls enrolled in the national 4-H Dress Revue program. They not only make and accessorize their clothes, but learn how to wear them becomingly.

This year about 335,000 girls from coast to coast are learning tips on sewing and modeling from professionals. Their teachers are local 4-H leaders, extension specialists in clothing and representatives from the educational department of Simplicity Pattern Co. Inc., the program sponsor for 22 years.

Any girl between 9 and 19 years of age can join 4-H, says the Cooperative Extension Service which supervises 4-H programs and activities throughout the state.

Numerous activities are connected with the dress revue project. One of the most constructive from the standpoint of learning how to be well dressed is the 4-H fashion clinic.

The clinic serves as a "proving ground" for inspecting accessories, fashion trends and grooming. The clinic covers hairstyle, makeup, posture, care of hands and feet, foundation garments and modeling.

Some clubs arrange visits to local department stores to confer with buyers of fabrics and findings. The young dress-makers compare fabrics for wear and cleaning qualities, and get pointers on trimmings and fastenings. Most important, they learn why it is necessary to buy fabrics that suit the pattern.

In addition to gaining the confidence and poise that comes with being smartly attired, 4-H girls win merit awards provided by Simplicity.

This year, six national scholarships of \$600 each will be presented to the top dress revue members selected from among all the 1968 state award winners. The state award is an

## National FHA Week Scheduled For March 31-April 6

More than 600,000 high school youth across the nation, members of the Future Homemakers of America, will observe National FHA Week, March 31-April 6, 1968.

In Texas, 72,905 Future Homemakers will participate in special activities and projects designed to share their FHA experiences and achievements with families, friends, and neighbors.

The theme chosen for this year's observance is "FOCUS ON CITIZENSHIP." Objective is to encourage worthwhile involvement of youth as citizens in the home, school, and community. The local, state and national FHA associations, through projects, meetings, and workshop help develop individual and group initiative in improving personal, family, and community living.

The FHA carries out its goals with programs based on local

expense - paid trip to Chicago and the National 4-H Club Congress, December 1 through 5. Dress revue medals are presented to the county blue award group.

All award recipients are selected by the Cooperative Extension Service.

needs and interests. Members tackle such problems as how to get along with parents and start family councils to discuss family problems and plans. They survey the job and career opportunities for home economics students and volunteer as aides, assistants, and helpers in order to gain practical experience. They assist and befriend the elderly, conduct anti-school dropout campaigns, run clean-up and beauti-

## 40,000 Acres To Be Diverted

There will be approximately 40,000 acres of diverted acres in the Lubbock County Soil and Water Conservation District this year, said Bobby Hanna, soil conservationist with the Soil Conservation Service in Lubbock.

Many farmers will soon be making the decision of what to plant on these acres.

One of the most common practices is to plant Red Top Cane or a similar sorghum. A crop of this type will serve several purposes. It will help restore valuable organic matter to the soil that has been depleted through many years of growing low residue crops such

as cotton. Organic matter is key to maintaining good soil condition. As the organic matter is burned out, the soil fits closer together, causing a decrease in porosity. When the air spaces in soils, it becomes difficult for water to absorb water, and the crop production is reduced. Sorghums will help prevent wind erosion. The same time catch crop limited amount of falls during the winter.

Many farmers will use the acre as pasture for livestock which will increase income by leasing the land. Close spaced crops such as wheat or a good practice is to plant wheat or rye after sorghum, although the fall and winter crops are not as profitable as the fall and winter crops.

The decision to make a fall crop should be made in time before the farmer's crop is harvested.

Cost - share is available through the County ASCS office to cover crops such as above.

## THIS IS THE MAN

Everyone who knows Dolph Briscoe will vote for him for Governor of Texas - Everyone!

HERE'S WHAT DOLPH BRISCOE HAS DONE FOR FARMERS, RANCHERS, SCHOOL TEACHERS

- Sponsored Teachers' Pay Raise Measures.
- Supported constructive Educational Legislation.
- Co-sponsored Colson-Briscoe Farm-to-Market Road Act which pulled rural Texas out of the mud.
- Dolph Briscoe was the Prime Mover in eradication of screwworm from Texas livestock... and in soil and water conservation.
- Dolph Briscoe will continue to work for ALL Texans when he is Governor... just as he has in the past.

VOTE SATURDAY, MAY 4TH

Dolph BRISCOE for GOVERNOR

Paid for by Briscoe for Governor Committee—Judge Ross E. Daughy, Chairman.

## hybrid SORGHUM

DR. RED BARN PROFITS  
To - Mr. Sorghum Grower  
Re - Hybrid sorghum seed for your exact growing conditions  
Signed R. B. Profits

### Write your "PRESCRIPTION" to high sorghum crop yields and profits

Now, you don't have to be content with growing a "standard" sorghum seed under your "unique" growing conditions. Red Barn offers you eleven different hybrid sorghums — there's one to match your exact growing conditions. Follow the prescription and the result will be the highest yields you've ever had!

Your Red Barn man can help you with a production plan aimed at higher net profits for you. He'll help you select the right sorghum hybrid to fit your growing conditions, water availability, method of irrigation, soil fertility, land slope, herbicide program, insect and disease control needs.

Red Barn sorghum hybrids are clean growing, winter tested and high germinating. They are bred for outstanding yields, consistent performance, early vigor, good standability, and easy threshing.

Red Barn also offers three varieties of hybrid sorghum-sudangrass to meet different growing conditions.

Your Red Barn dealer is a good man to know. Give him a call or drop in to see him today. You'll be on your way to extra profits this season!

## NOTICE

CITATION BY PUBLICATION

The State of Texas

To: William Oscar Pringle

You are commanded to appear by filing a written answer to the plaintiff's petition at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 29 day of April, A. D., 1968, at or before 10 o'clock A. M., before the Honorable 140th District Court of Lubbock County, at the Court House in Lubbock, Texas.

Said plaintiff's petition was filed on the 9 day of January, 1968.

The file number of said suit being No. 56128.

The names of the parties in said suit are: Dorothy Pringle as Plaintiff, and William Oscar Pringle as Defendant.

The nature of said suit being substantially as follows, to wit: This is a suit for divorce and for restoration of Plaintiff's maiden name.

If this Citation is not served within 90 days after the date of its issuance, it shall be returned unserved.

Issued this 15th day of March A. D., 1968.

Given under my hand and seal of said Court, at office in Lubbock Texas, this 15th day of March A. D., 1968.

J. R. Dever, District Clerk 140th District Court Lubbock County, Texas

Growers bought every pound of Planavin® Herbicide they could get their hands on last season. Read why.

## Planavin® is the cotton-soybean herbicide that gives you more than your money's worth.

## State Highway Is Enlarged

The year 1968 one for Texas, reflected in the of the 1968 Highway Map published by the Texas Highway Department.

The inset map of the Houston area has been extended to include Galveston and Baytown, and the Beaumont area map extends to Port Arthur.

Other features designed to make travel easier for tourist and Texan alike include the listing of two new Tourist Information Bureaus, in Laredo and Amarillo, and a relocated bureau on IH 30 in Texarkana, bringing to 10 the total number of bureaus at major gateways to the State, including the Tourist Center in the Capitol at Austin.

Small green squares make their debut on the 1968 map, indicating newly completed comfort stations on Interstate highways. These stations include restroom facilities, picnic arbors, drinking fountains, fireplaces, and display cases with travel literature and map dispensers. Travelers will find eight pairs of these stations, each with complete facilities on both sides of the Interstate highways, for their comfort and convenience. By the end of 1968, five more pairs of the comfort stations will be completed.

On the new map there are 976 of the familiar green dots that mark the locations of safety rest areas and roadside parks, all with complete picnic facilities. Twenty-four of these dots are new ones, indicating that the facilities were completed during the past year. The Highway Department has

## Baseball Signup Around Corner

Summer baseball is just around the corner for Slaton youngsters.

Signup for Little League, for boys 8 through 12, comes April 5 in the junior high school cafeteria. Registration for Babe Ruth is set April 15 at the same place.

Dave Sanders, Babe Ruth president, reminded boys this week that they must turn in uniforms which were not brought in at the close of the season last year. Boys who hold uniforms cannot register until the suits are turned in at Texas Grocery or Quality Cleaners.

L.L. chief Buford Duff reminded boys in that league to turn in pants and stockings which were not turned in at the close of last season. They will be used in minor league.

PVT. DANNY BAILEY

PVT. RODNEY BANKS

Danny Bailey and Rodney Banks, pictured above, have completed eight weeks of basic training at Fort Polk, La. They are now stationed at Fort Sill, Okla. for eight weeks training in heavy artillery and will then be on a 30 day leave.

Their wives who are now living in Slaton plan to leave Saturday to join them at Fort Sill. Mrs. Bailey has been living with her husband's parents, Mr. and Mrs. D. J. Bailey. Mrs. Banks has been living with her parents, Mr. and Mrs. C. E. Barnes. His parents are Mr. and Mrs. H. B. Banks of Slaton.

## Trophies Given To Winning V-Ball Teams

Four Slaton volleyball teams were winners of trophies in the Slaton Classroom Teachers' Association annual Outsiders Volleyball Tournament held in the high school gym last week. Twenty-five teams were entered in the tourney.

Trophies were presented Saturday night to the following teams: Women's division -- The Comets of Lubbock (which Gay Ivey of Slaton is a member of), first place; Farmers Gin of Slaton, second; C & H's (Carnation House) of Slaton; third; and Swain Doe-Doe's of Post, consolation.

Men's division -- New Lynn Gin of Wilson, first; Idalou Exes, second; Study Club of Slaton (coach's team), third; and The Fractions of Tahoka, consolation.

First place winners also received sponsor trophies.

A spokesman for the Classroom Teachers expressed appreciation to everyone who attended and participated in the tournament. Proceeds will be used for a scholarship fund to help deserving students who are seeking college degrees for the teaching profession.

## Tigerettes Placed In District 1-AAA

Slaton's Tigerettes will be a member of District 1-AAA in girls' basketball competition next season, it was announced Tuesday by Supt. Lee Vardy.

Slaton will be in a district with Perryton, Muleshoe, Tulia and Canyon. Dr. Vardy said he received confirmation Tuesday of Slaton's assignment to the district.

Coach Gay Ivey anticipates a district meeting in the near future to set up a schedule for the girls' teams next season. The Tigerettes were champions of District 4-AA last season.

With Slaton High being raised to AAA classification next school year, it was necessary for the girls' basketball team also to move into a new district. The Tigers will be in District 3-AAA, but only one other school in that loop had girls' basketball.

Lake View San Angelo fields a girls' team and is in a district with Mineral Wells and Gatesville. Slaton preferred the 1-AAA district to which it was assigned.

The Tigerettes were beaten in the first round of regional play this season, but finished with a 31-3 record and lose only three girls off the team.

also provided, in locations of especial natural beauty, scenic overlooks where the motorist may park his automobile, stretch his legs, and admire the view in safety. Altogether, the Highway Department has provided approximately 1100 facilities -- comfort stations, safety rest areas, and scenic overlooks -- where the motorist can stop, for a few moments or a few hours, and then drive on refreshed.

More than 110 miles of new Interstate highways are shown on the 1968 map, including the completion of Interstate 20 from Dallas to the Louisiana State line. As of February 1, there were 1,680 miles of these controlled access superhighways complete to Interstate standards in Texas, and another 300 miles on the Interstate system were designated as adequate for present traffic.

Other helpful information shown on the face of the 1968 map includes a listing of Highway Department Tourist Bureaus and District Offices, Department of Public Safety Offices and State Parks. A mileage chart and a conversion table for kilometers and miles and gallons and liters are other aids for the motorist traveling to or from Mexico.

The 1968 Official State Highway Map is but one of a variety of services provided for the convenience of the traveler by the Texas Highway Department.

Through its Travel and Information Division, the Texas Highway Department each year has assisted nearly three-quarters of a million visitors in its tourist bureaus. With the addition of two new bureaus, the Department anticipates hosting many more visitors in 1968.

Since 1939, the Highway De-

## Tiger Track Team Sets Two Records

Slaton's track team took another third-place finish Saturday, winding up just two points behind Ralls in the Rolling Plains Relays at Jayton.

The Tiger trackers set two records in the process -- the

department has been responsible for maintenance of the Judge Roy Bean Museum in Langtry thousand visitors a year. Later in 1968, a modern information center will open at the museum and the grounds will be enhanced by a cactus garden featuring a wide variety of plants native to the Southwest.

The Department answers more than 300 thousand mail and telephone inquiries annually, furnishing information and descriptive literature about Texas. In performing these services the Department distributes more than four million pieces of travel-oriented literature about Texas annually. Of this volume, more than two million pieces are produced as a part of the Highway Department's travel promotion program.

Texas motorists may order the 1968 map when registering motor vehicles. County tax officers have been provided with supplies of special order cards. The map will also be available at Highway Department District Offices and Tourist Information Bureaus.

mile relay team clocking a 3:35.8 for their best of the season, and Richard Washington turning in a 51.8 time in the 440-yard dash.

Spur's Bulldogs took the team trophy with 120 points, followed by Ralls with 87, Slaton 85, Munday 68, Post 32, Aspermont 36, and Anson, Throckmorton, Crosbyton, Throckburg, Stamford, and Hamlin on down the line.

Coach Gene Franklin's Tigerettes travel to Kress Saturday for their final competition before the District 4-AA meet. The district meet is scheduled at Frenship April 5.

Slaton's other top placings included a second by Larry Allison in the high hurdles, a second by Ed Cristan in the mile run, a second by Ronnie Rogers in the pole vault, a second in the 440-yard relay,

## Cooper Captures Sundown Title

The Cooper Pirates took the championship team trophy at the Roughneck Relays in Sundown Saturday, scoring 70 points to 60 for the host Sundown team. Roosevelt was fifth in the meet.

Cooper was first in the sprint relay and second in the mile relay, and had individual firsts by Rackley in the 100-yard dash and Cardenas in the 880 run.

Southland's Joe Basinger and Bill Bevers won first place in their specialties again. Basinger took the high jump with

a 5-11 3/4 leap, and Bevers vaulted 11-6 for a first. Hughes and Brown led the Roosevelt point makers.

F/A Gene Lewis is spending a 20-day leave here visiting his parents, Mr. and Mrs. L. W. Lewis. Following his leave he will report to Vallejo, Calif., where he will attend a nuclear power school for the next six months.

ACCEPTS AWARD--Don Kendrick, Slaton Fire Chief, is shown receiving a certificate of recognition for contributions to the South Plains Muscular Dystrophy association by Slaton Volunteer Firemen. The local firemen conducted the drive in Slaton. The certificate was presented by Joe Figueroa, South Plains muscular dystrophy child, and Sam Bowen, president.

RECEIVES CITATION--Janie Thomas, president of the Roosevelt FHA, accepts a certificate of merit in behalf of her organization for their assistance in the recent drive for the Muscular Dystrophy Association of America, Inc. Also pictured are Joe Figueroa, local poster child, and Sam Bowen, South Plains Chapter president of MDA. The ceremony was held Monday night in El Sombrero Restaurant of Lubbock.

## Methodist Revival Starts Here Sunday

A revival with the theme, "God Is Real", begins Sunday at First Methodist Church of Slaton and continues through April 7.

Guest minister for the revival is the Rev. W. D. McReynolds, pastor, First Methodist Church of Lockney. He is a graduate of McMurry College and also attended SMU. Rev. McReynolds has held pastorates at Methodist churches in Wilson, Pleasant Valley, Amarillo, Idalou and Spur.

Services will be held at 7 a.m. and 7:30 p.m. daily. Evening service on Sunday begins at 6:30 p.m. Breakfast will be served prior to the morning services during the week, and

the nursery will be open for all services.

Guest song leader for the revival is Fred Boyd, choir director for First Methodist Church of Lorenzo, Boyd, formerly of Pennsylvania, studied voice for two years. He is also a pilot for a pump company in Lorenzo.

The Rev. Bruce Parks, pastor, issued an invitation this week to the general public to attend any or all of the revival services.

### Senior Citizens Hear Prentice

The Rev. Linam Prentice, pastor of the Evangelical Methodist Church, brought a message for the Senior Citizens last Friday. His text was taken from the sixth chapter of Ephesians, entitled "What It Takes To Walk With the Lord". He also led the singing accompanied by Mrs. Anna Bell Tucker at the piano.

During the meeting it was announced that Dane Shearer was in the hospital after suffering a stroke.

Rev. Prentice gave thanks for the meal and he and Mrs. Prentice joined the 33 members present for lunch.

### Pippins in Brownfield

Johnny Pippin, husband of the former Sandra Gilliland of Slaton, returned home recently after receiving a discharge from the Navy.

Pippin, son of Mr. and Mrs. O. A. Pippin of Brownfield, served aboard the USS Coral Sea on his third tour of duty with the US Navy and was a petty officer before his discharge. Mr. and Mrs. Pippin and their new daughter, Shanna, who he saw for the first time on his return home, are residing in Brownfield.

## Cubs To Hold Rocket Race

The first annual rocket race for Cub Scout Pack 128 will be held tonight (Thursday) at 7:30 p.m. in the old gym in the basement at Slaton Junior High School.

R. M. McMinn, Cub Scout master, said that the den which wins and the Webelos den will be awarded trophies. The trophies and winning rockets will be placed in the Cub Scout Hut in the park and remain on display until the next annual race. All Cub Scouts, Webelos and their families are urged to attend.

### Local Optometrist Elected to Office

Dr. John Bealmear, associated with Dr. J. Davis Armistead in Slaton Optometric, was named as secretary of the South Plains Optometric Society at the annual installation banquet recently.

Dr. William R. Grubbs of Denver City was elected president of the group.

## Daily Bible Readings

March 28 -- Malachi -- 3:16-18  
March 29 -- John -- 4:19-24  
March 30 -- Isaiah -- 6:1-8  
March 31 -- Isaiah -- 6:9-13  
April 1 -- John -- 18:1-11  
April 2 -- John -- 18:12-23  
April 3 -- John -- 18:24-32

Weekend visitors in the home of Mrs. Eva Trimble were Mr. and Mrs. Joe Lester and family of Amarillo, Mr. and Mrs. Melvin Basinger and family of Post, Mr. and Mrs. Bill Trimble of Midland, Mrs. Elmer Trimble and daughters of Lubbock, and Mr. and Mrs. Cecil Bartlett of Lubbock.

The old Patent Office Building in Washington was used as a hospital during the Civil War.

READY FOR SUPPER--These four Slaton High seniors were among the guests at the annual Chuck Wagon Supper held at the First Methodist Church last Thursday night. Left to right are Rebecca Holt, Jill Scott, Beverly Arrants and Donna Langston. (SLATONITE PHOTO)

### Posey Pastor To Assist With Easter Service

The Rev. Jimmy Lueders, campus minister at Texas Tech and pastor of Immanuel Lutheran Church of Posey will be the liturgist at the annual Easter sunrise worship service at the Golden Horseshoe Drive-in Theatre in Lubbock.

The service is for the public and arrangements are being made by Lutheran Churches of Lubbock. The Rev. Andrew E. Mild, pastor of Shepherd King Lutheran Church, Lubbock, will speak.

Free doughnuts and coffee will be served prior to the service, through courtesy of John Carr, owner of the theater.

### Seniors Honored By Methodist

Members of the First Methodist Church honored all graduating seniors and their sponsors with their annual "chuck wagon" supper Thursday night in Fellowship Hall.

Bill Ball served as master of ceremonies. Mrs. L. A. Haral played piano selections as the crowd gathered.

Invocation was given by Bruce Parks.

Following the meal, the group presented a medley of songs.

Living on a shoestring isn't too difficult, but it does spend too much to be secret.

**Rev. W. D. McReynolds**

Revival minister Rev. W. D. McReynolds presently serves as pastor of the First Methodist Church of Lockney. He received a BA degree from McMurry College and attended SMU. He has held pastorates at Methodist churches in Wilson, Pleasant Valley, Amarillo, Idalou and Spur.

**Fred Boyd**

Fred Boyd, guest music leader, is choir director of First Methodist Church of Lorenzo. He made the all-state band and chorus in Oxford, Pennsylvania and studied voice two years.

**God Is Real**

## Attend The Church of Your Choice Sunday

*God's Will*

"I delight to do thy will, O my God; thy law is within my heart."  
— Psalms 40:8

The true Christian recognizes the will of God in all things. But, recognition is one thing, obedience is another, isn't it? Temptation is often difficult to resist. Personal gains and ambitions are difficult to put aside.

We should remember that Christ, approaching the last few days of life upon earth, knew full well the events that were to come — and found the strength and faith to accept God's will.

# SHS Student Reports On Viet-Nam Talk at School

By KERRY ABINGTON

Slaton High School students heard an "inside" story on the Viet Nam situation when Bill McAllister, Radio Station KSEL, Lubbock, appeared for an assembly program March 7. McAllister recently made a tour of the U. S. installations in Korea, Taiwan, and South Viet Nam. While in Viet Nam, McAllister and other newsmen were briefed by Gen. William C. Westmoreland, commander of Allied Forces.

The crux of General Westmoreland's briefing was this: (1) We will definitely need a large increase in troops, possibly 206,000, to secure the infiltration routes through Cambodia, Laos, and the Demilitarized Zone. These troops will free the forces already there for seeking out and destroying the enemy. (2) We have a major problem in finding the enemy to fight. The VC wear no uniforms, they are our friends by day, our enemies by night. (3) According to several senators in the Foreign Affairs Committee, South Vietnamese government has corruption on every level. This corruption will have to be wiped out and the government must gain the respect of the people. Remember, a basic concept in guerrilla warfare: The guerrilla fighter must depend upon the people to support and feed him.

All of this adds up to one thing. There is no easy solution to the war in Viet-Nam. We will probably be there for several more years, possibly 20 years. Once we get more men, we can defeat the enemy in the field, but the most important thing we have to do is to insure that once a victory is won, the South Vietnamese people accept their responsibility and elect a constitutional government free of corruption. The people must be educated to democratic ideals.

All our efforts will be in vain if, as soon as we win and withdraw, the communists within the population of South Viet Nam come right back and seize control of the government as a result of the ignorance of the people.

Some people wonder just why we are in Viet-NAM. To answer this we must go back to the Yalta Conference between Churchill, Roosevelt, and Stalin near the end of World War II.

President Roosevelt submitted to the Russian demand that should they go to war with Japan and open a second front, Russia would be granted the land they lost in the Sino-Soviet War and a say in the post-war development of Japan. With only about a week before the surrender of Japan, Russia attacked Japanese installations in Manchuria. The war had already been won by the U. S., but a few small skirmishes had gained the Russians the vast plains of Manchuria.

This was just what the Communist Chinese needed to seize the government in Peking. From Russian Manchuria they were supplied with all the necessary supplies of war.

In 1948, General of the Army George C. Marshall, then special ambassador, was sent to China to settle the dispute between the Nationalists and the Communists. He made the tragic mistake of suspending all arms supplies to the Nationalists Chinese.

Again, this is what the Communists wanted. Communists Chinese forces under Mao Tse-Tung received supplies from Russia while the Nationalists under Generalissimo Chiang Kai-shek found their arms and supplies completely cut off. As a result, the Nationalists lost the war and, with it, the free world lost over 350 million people in China. Approximately one-fourth of the world's population is under Communist China.

One million soldiers under Chiang Kai-shek managed to hold control of Formosa. It should have been apparent to the State Department, War De-

partment, and the Administration that the United States drastically needed a definite foreign policy in the Far East. Asia contains over half the world's population, yet Washington was completely neglecting it.

On June 25, 1950, Communists forces in North Korea attacked over the 38th parallel. In a few short weeks they had

captured all of South Korea but the Pusan perimeter. Here in Korea and Asia, not in Europe, the Communists had made their play for world domination.

Under the brilliant generalship of Douglas MacArthur, we were able to gain the initiative at Inchon and drive the North Koreans over the Yalu River, which separates China and North Korea. The war was all

but won when Chinese Communists invaded from their sanctuary across the Yalu. The results were disastrous, but this time the allies were able to stop the attack near the 38th parallel and negotiate for peace, although the Communists did not get their rule over South Korea, they did win the war.

They demonstrated to the people of the world and especially Asia, that the United States administration was not prepared to fight for victory. Never in the history of warfare has a nation gone to war for anything else but the purpose of winning.

All of this history is directly tied in with our present struggle in South Viet-Nam. The

Pacific is the focal point of world politics and our own defense posture. If we did not possess our vital bases spreading from Korea to Japan, Okinawa, Taiwan, The Philippines and Viet-Nam, our outer defense perimeter would be the coast of California. The Pacific Ocean is actually a vast buffer zone for the United States.

Should the United States pull out of Viet-Nam, we can safely say that Communism will spread to Thailand, Laos, Cambodia, Burma, and possibly Australia. A victory in Viet-Nam for the enemy will give the North Koreans heart and resume the conflict in Korea. An American defeat will demonstrate to the Communists

the inability of the U. S. to fulfill its promises in Asia and the weakness of the American spirit. It is imperative that we hold Communism at bay in South Viet-Nam. We made tragic mistakes in China and Korea. We cannot afford another.
