Alert Police **Action Nets Burglar Suspect**

A charge of burglary was lodged against Leandro Martinez Jr., 19, Monday in con-nection with Sunday night's break-in of the Becker Mobil Service Station.

The cash register, its contents and a credit card were taken from the station. The register was later found in a ditch one mile southwest of Wilson. The suspect was arrested

Monday night in connection with theft from a parked car. Twenty - three pairs of new shoes were taken. Five pair were tossed from the suspect's car and the remaining 18 pair were discovered in the trunk of the car.

Martinez was released from Lubbock County Jail Monday after posting a \$2,000 bond set by Justice of the Peace F. R. Land,

A husband and wife were arrested Wednesday in connection with two separate check forgery cases. Jacinto Rios is being held for passing a \$25 check at Piggly - Wiggly May

Storms Rap Area, Twisters Seen

Awesome thunderstorms unleashed heavy rains, hail and twisters around the Slaton area Saturday and Sunday, inflicting heavy crop damage in an area southeast of town.

A tornado was sighted and confirmed Saturday evening between Tahoka and Post in the Grassland community vicinity, but it lifted back into the clouds with no property damage or injuries reported.

A subsequent report, which placed the twister six miles east of Slaton, had Civil Defense officials in action here and the warning siren sent Slaton residents running for cover.

The reports followed a tornado warning from the Weather Bureau in Lubbock at 7:41 p.m. for eastern Lynn, southeastern Lubbock, Garza and Crosby counties.

Warning sirens sounded in Slaton following the twister report to the south, and again when one was reported east of Slaton. City residents had some uneasy moments between 7:45 and 9 p.m. The warning was in effect until 10 p.m.

Apparently hardest hit was an area from the Gordon road southeast of Slaton, stretching south and east through South-

Lions' Banquet Slated Tonight

Cecil Griffin will be installed as new president when the Slaton Lions Club holds its annual installation and awards banquet tonight (Thursday) at Bruce's Restaurant.

Roy L. Kahlich, deputy district governor from Wilson, will serve as installing officer. The banquet is scheduled for 7:30 p.m. and Lions' wives are invited to the event. Lion of the ected in a secret ballot of club members, is to be revealed at the banquet, Outgoing president O. G. (Speedy) Nieman will also make several other award presentations. Other new officers to be installed include Glen Akin, 1st vice president; Gerald Kendrick, 2nd VP; Clarence Voigt, 3rd VP; Arvin Stafford, secretary treasurer; Bud Englund, tail twister; Jim Newhouse, Lion tamer; and new directors J. W. Holt, Truett Bownds and Ken Henderson. Holdover directors are Joe Miles, Dick Hartman and Steve Smith,

land, Hackberry, Close City and Post. Up to six inches of rain was reported around Southland, and hail was recorded in a wide area with some of it termed "golf-ball" size.

Southland reported 4.2 inches of rain in the town Sunday morning. Closed roads and flooded fields stretched from Southland to Post at the base of the Caprock. A bridge and water pipe was washed away by flash flood waters on the Salt Fork of the Brazos 11 miles northeast of Post.

The break in the water line, which is owned by White River Municipal Water District, cut off the supply of water in Post. The city was trucking in water from Ralls Sunday, waiting for the pipeline to be repaired. High waters closed U. S. 84 between Post and Southland for a time. Slaton, however, recorded only 1.5 to 2 inches of rain Saturday and Sunday, and pea - sized hail did little, if any, damage in town.

Some farms around Slaton reported slight to heavy damage from the violent thunderstorms. Several reported heavy damage northeast of town.

One farm observer estimated 50 to 60 farmers to the southeast -- in Lynn and Garza counties -- either lost their crops or recorded heavy damage. Many reported their land was washed out so bad by the wind, rain and hail that it would be too late to do anything about it this season,

The first twister was re ported on the ground about 8 to 10 miles north of Tahoka and moving toward Slaton, Apparently the same twister touched down again in the Grassland area, and a funnel was sighted about seven miles east and one mile south of Wilson by Mr. and Mrs. Coy Rinne.

BEATING THE HEAT --- With the temperature climbing past the 100-degree mark three times the past week, Slaton youngsters found relief splashing, swimming and playing in the city pool. The pool is open 2 to 7 p.m. each day except Sunday. (SLATONITE PHOTO)

Commission To Erect Yield Sign On Panhandle

The Slaton City Commission voted Monday night to erect a yield right - of - way sign on Panhandle, and a fire whistle near the bowling alley.

The yield right - of - way sign will be at the intersection of Panhandle, Garza, and 9th Streets, Motorists on Panhandle can only cross the intersection when the traffic light is green for Garza and only after the right-of-way has been yielded to cars on Garza. An additional fire whistle will be installed in an area near the bowling alley. Don Kendrick told the commission that there were two areas of Slaton that are not covered most of the time under the present alarm system, the Northwest and West area and the extreme Southeast area of town. By placing the whistle near the bowling alley, this will in-form the citizens in that area, including the Shelby and Russel editions. At present four firemen live in the western part

Chamber Board Meets, Talks **To Applicant**

Directors of Slaton Chamber of Commerce held a regular monthly meeting Tuesday night, interviewing an applicant for the manager's job and hearing several committee reports.

C of C President Carroll McDonald reported that the board was presently giving strong consideration to two applicants for the manager's position.

Directors approved a proposal to secure Dr. Charles Jarvis as speaker for the annual banquet in January. Negotiations are underway for a date to sign up the speaker, who was a popular selection here several years ago.

Earl Eblen, airport committee chairman, reported con tacts were still being persued to secure a manager for Slaton's new municipal air strip.

Directors also discussed the possibility of the Chamber's beautification committee working with city officials in preparing flower beds around the municipal building.

McDonald reported that the committee had given litter bags to the City Hall, Citizens State Bank and Southwestern Public Service Co. to hand out at their drive-in windows.

Directors approved bills and the monthly financial report. Directors attending were Mc-Donald, Eblen, Jake Wendel, Clark Self Jr., T. J. Wallace, David Hughes, Dee Bowman, Don Kendrick, Robert H. Davis, and O. G. Nieman.

Mahon Cites Need **Of Law Enforcement**

Congressman George Mahon of Lubbock, after supporting the anti - crime bill in Congress last week, said the action "should help some, but what this country more urgently needs is not more laws but more enforcement of the laws which we already have."

In a special report to The Slatonite, Rep. Mahon issued the following remarks on the law and order situation:

"A general trend toward appeasing law violators, tolerating looting and violence in the streets, and denying law abiding citizens the protection of the law has brought this country to the brink of chaos, especially in the big cities. "With some exceptions, big city mayors have demanded more and more handouts from Washington and have failed to lower the boom on law violators, "The Supreme Court by hand-

ing down decisions which over protect the criminal and under protect the public has vastly complicated the problems of law enforcement officers. Law enforcement officers are not receiving adequate support.

"This all adds up to an intolerable situation and the patience of the American people

Cheerleaders Set

Car Wash Today

Slaton Cheerleaders are sponsoring a car wash today to earn money to attend cheerleading school. The car wash is being held at the Koin Kar Wash located on South 9th Street.

The girls said they would do a good job inside and out for \$2.00 and will be open for business from 9 a.m. to 5 p.m. For pick-up and delivery, call VA8-3269.

Cheerleaders are Debbie Donaldson, Johnnie Sue Mos-ser, Dee Dee Carter, Cindy McWilliams and Cynthia Akin.

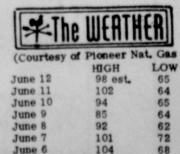

"I am encouraged over the rising tide of concern and resentment which the people are displaying. They are rightly demanding an end to the appeasement of the lawless. This is the first step toward effective action.

"Well in excess of 90% of the crimes which are committed are against state and local laws and the principal task of law enforcement is a local problem but there must be firm support for law enforcement from all levels, federal, state and local. The homes and churches have a major responsibility.

Without the preservation of law and order there is no long range hope for this country. We have the tools at hand. We must provide the leadership and the will to do the job."

"What this country needs is a power mower that can be tioned room."

What are we baseball parents going to do when baseball season is over? With a boy in Little League and one in Babe Ruth, that means we have four games scheduled almost every week and I'm sure there are other parents with the same situation.

We didn't have a boy playing last Friday so Speedy took on the job of umpiring a Pee Wee game since for one evening

he wasn't coaching, scoring and announcing a ball game. His worst heckler just happened to be one of those Nieman boys sitting in the stands. And believe me, as long as Speedy is, he worked some muscles getting down low enough to call balls and strikes.

A new coach, Butch Gerber, moved to town this week. I remember some advice he gave me the first year our older son started playing Little League ball in Littlefield.

He said, "If you can't yell FOR the boys and FOR the coach and FOR the umpire, etc. keep your mouth shut, and your boys will go a lot further in sports". In other words, parents are usually the biggest problem in any game of sports.

That's my sports column for this week.

Mayor Cain expressed his desire this week for someone or some organization would take an interest in the curbed beds fixed down each sidewalk on the City Hall lawn. The city has spent over \$200 preparing the beds. He and others would like to see rose bushes and a variety of flowers planted in them. He also assured us that if someone would supply the plants and help plant them, that city employees would tend to the flower beds.

This would certainly be a good project for some organization. We notice the Slaton 4-H Club has been working on the bed on the northwest corner of the lawn, Now who will be next??

Who would believe ARTIFICIAL pansies in the green plastic containers and pansies planted in the beds with rose bushes in the City Hall flower beds? WW

Every door in Slaton and every rural box should have a Fabulous Friday circular by this afternoon. We hope you'll look at this circular and shop the Sidewalk Sales that Slaton merchants are offering.

New York, June 10 -- With Queen Pageant is planned to orientation, sightseeing and one competitive forum out of the way, the 50 finalists in the 14th Annual National College Queen Pageant get set for the Best Foods Cook-In, one of the major events of the 14th Annual National College Queen Pageant, being held June 7 through June 17, beginning in New York City and culminating in West Palm Beach, Florida.

Texas is being represented by Miss Ruth Ann Rucker, a student at Texas Technological College and the daughter of Rev. and Mrs. W. O. Rucker, Jr., Route 1, Box 50, Lubbock. She is a graduate of Roosevelt High School and was a feature writer for The Slatonite last year.

For the Best Foods Cook-In, each of the college queens will prepare a main dish from a recipe supplied to them and decorate a cake using their own imaginative crativity in the cake design and decorations. They will be judged on neatness, skills and originality by a panel of men distinguished in diversified food fields. They include a cook book author, restaurateur, broadcaster and news-

most outstanding college girl. It is neither a beauty pageant nor a genius contest. The finalists, one from each of the 50 states, are selected for their scholastic achievement, campus leadership and community service. During the Pageant the girls participate in a series of competitive events and are judged on many aspects of campus, career and home life. They discuss such subjects as education, current events, art, literature, fashion and careers. Their intelligence plus their poise, personality and good grooming all are considered. The highest accumulative score achieved in the events will determine the 1968 National College Queen. The new queen, to be crowned

Highlight Of Boys State Set For Friday

Highlight of Boys State will be a trip to the Capitol tomorrow morning where each elected Boys State Official will be given an opportunity to serve in his respective office for a day, followed by the Governor's Ball Friday evening. Those sponsored by the Slaton

American Legion Post who are attending are Mike Bingham, Neill Carter, Thomas Allan Hoffman, Randal Partain, all of Slaton; Charles Daniel Savell and Alan Mac Young of Wilson; and Darrell Wilke of Southland. The 28th annual American Legion Boys State is being held on the campus of the University of Texas in Austin, with 750 high school boys from all parts of the state registering. Enrollment this year brings a total to 13,406 junior high school boys who have attended since 1940, when Boys State was first inaugurated in Texas.

Your Slaton police officers -along with other law enforcement officers -- carry an awesome power and, with it, an awesome responsibility.

On our hips ride the authority of all law. In a split second, we may have to decide what judge, jury and governor would not decide in months. It is necessary that this is Someone must carry the ultimate power of the state, and it is to the credit of the lawenforcement profession that most of us who carry this burden do so with restraint and respon-

sibility. However, we never forget that the power is given to us by the law, and it is the law which controls this same power. It is now ours, but the state's. When the law imposes conditions upon our use of force, these conditions are not limitations upon some inherent right belonging to us. We have no such right. Rather, these con-ditions are the outlines of the authority given by the law, to the state, and through the state to police officers.

True, applying the law to emergency situations -- where there is little opportunity for calm deliberation -- isn't alSLATON SLATONITE, JUNE 13, 1968, PAGE 5

Mrs. Lavender's Services Set Today

Services for Mrs. Myrtle Lavender, 59, will be held today (Thursday) at 2 p.m. in the First Methodist Church with the Rev. Bruce Parks, pastor, officiating. Burial will be in Englewood

Cemetery under direction of Englunds. Mrs. Lavender, a resident of Slaton since November, 1967, died Tuesday afternoon at her home following an illness. She moved to Slaton from

Meadow, where she had been a longtime resident. Survivors include her husband, Elmer D.; one son, Alton of Slaton; one daughter, Mrs. Margie Wood of Slaton; one brother, Carl Miller of Lubbock; two sisters, Mrs. Cordie Walters of White Rock and Mrs. Mabel Lavender of Woodland, Calif.; and five grandchildren.

Wreaths Of Poppies On Graves

Mrs. John M. Carter, 225 | crew chief at the time the plane So. 18th St., whose son, John R. was killed in an airplane crash with two other airmen in October of 1942, received the following letter this week from Quebec City, Quebec Province, Canada.

"Dear Mrs. Carter: The roses and poppies have been placed on the graves according to your instructions.

The color guard, eight cadets, marched to the graves and sounded taps at the conclusion of the ceremony. A prayer was said by Rev. Salt, this was followed by the reading of the President's Proclamation and finally "Flanders Field" was recited.

I am sure you would be pleased by the ceremony. I personally conducted the affair. Sincerely, John Locatelle

President of the American Colony" Mrs. Carter has sentflowers every year to be placed on her

son's grave. This year she also included enough flowers to be placed on the graves of his two buddles. The Slaton American Legion Auxiliary supplied wreaths made of Poppies this year for Mrs. Carter to

send.

Pfc. Michael Francis Dalton, 18, of Kansas City was killed last month while on marine patrol near Quang Nam, South Vietnam.

He was the nephew of Mrs. John G. Griffith of Slaton. Mrs. Griffith was sent a copy of a poem that Dalton wrote before he was killed. Following is a copy of the poem:

Take a man, put him alone Put him 12,000 miles from home. Empty his heart of all but blood, Make him live in sweat and mud, This is my life I have to live, Than why my soul to the devil I give. You peace boys are not in your easy chair, Because you don't know what it's like over here.

You have a ball without even trying, While over here boys are dying, Plant your signs on the White House lawn All you want is to ban the bomb You burn your draft cards and march at dawn Tell us all, get out of Vietnam There is nothing else for you to do, And I'm suppose to die for you.

They will hate you till the day they die. You make them hear their buddles cry, I saw his arm a bloody shred, Then I heard them say this one's dead, Isn't it a large price to pay, so that you will live another day. He had the guts to fight and die, He paid the price but what did he buy? Not a thing except to die. His wife, his parents and his sons.

But who do you think cares about a Marine?

But they're about the only ones.

Giants Lose First Game, **Dodgers Win**

Two "firsts" made the big news in Little League play the past week in Slaton.

The Giants lost their first game of the season, and the Dodgers won their first game. The Indians turned the trick on the league - leading Giants, scoring a 6-1 victory. The Dod-

gers won a close 4-3 game over the Indians Tuesday night. DODGERS 4, INDIANS 3 Each team had four hits, but the Dodgers pushed across two

runs in the last frame to rack up their first win of the season. Whaley and Kitten pitched for the winners, and Paul Freeman had two hits. Bobby Hightower had a single and double for the

Indians. GIANTS 8, CARDS 3 Rodney Kuss socked a home run on the fourth pitch of the

game, starting the Giants to an 8-3 win over the Cardinals Monday. Mike Lewis had two singles and a triple for the winners and Jerry Winterrowd had two hits. Lupe Valdez had two of the four hits given up by Al and Mike Lewis.

DODGERS 3 TIGERS 16, Keith Bumpass and Lopez had two hits each in leading the Tigers to a 16-3 win over

the Dodgers. Trotty went five frames and Davila one in holding the Dodgers to three hits. YANKEES 8, CARDS 7 The Yanks tallied two runs

in the last frame and held off the Cards for a close 8-7 win last week. Jim Alba won on a six-hitter, while Steve Bourn and Craig Nieman had three hits each for the winners. Bourn socked a homer and double. Lupe Valdez had two hits for the Cards, including a home

-1. Greg Lester held the Giants

to three hits with relief from

ahead of runners-up Housty Brewer and Steve LaCrone of Lubbock. Posting the best score for a Slaton team was Carroll McDonald and Dean Hatchett, placing fifth with a 213 total. More than 60 golfers entered

the tourney with Lubbock players dominating the field. First flight honors went to a Plain-view pair -- Mike Wells and Dick Weston with a 212 total. Mike Green and Vance Liston were second at 217. Jim Burtner and Steve Schmildy took champion honors in the second flight, with Ken

Barnett and Jerry Creager in second place. Consolation honors went to Mattox and Brand. Wayne Waters and Wade Holland of Tahoka won the third flight, with a Slaton team of C. C. Hunter and Pip Dawson

coming in second. Consolation honors went to Jerry Shipp and Mack Shaw. Marvin Grey and Don Grey

were fourth - flight winners, followed by Guy and Waddell Owens of Slaton. A Slaton schoolboy team -- Tony Privett and Steve Wilson -- took consolation honors. The father - son Smith team wore big smiles after record-

par 99 to put them four strokes ing their first tourney championship. Jim, a drug salesman, has played in championship flights around the area but had yet to make the winner's circle. It was the first partnership

tourney for the duo, also, since Kirk is only 17. Some tourneys have an 18 age limit. Kirk will be a senior in Monterey High School next fall, and has plans of being on the varsity golf team.

Smith, obviously proud of his son, said the pair put together the rounds "just right" Sunday when they came in at six under par. "You can quote me that this is one of the finest nine - hole courses around," Smith remarked, adding that it was also "very challenging."

Smith and his son had only two bogies in the 54-hole tourney. They put together rounds of 34-32-33 for the great 99 total Sunday. Larry Simmons and L. D. Clopton of Lubbock were first - round leaders Saturday with a 101 total.

Saturday's hard rain and strong, gusty winds Sunday made the 6,000 - yard layout play tougher than usual. Only four of the 11 championship teams managed to better par on 54 holes.

Legion Scores 8-6 Triumph

Slaton's American Legion baseball team chalked up its first district victory of the campaign here Tuesday afternoon with an 8-6 triumph over Brownfield. Claude Stricklin notched the

mound victory, with relief from Donnie Hetnrich in the last frame. Str. klin and shortstop Bill Kitten drove in three runs in the 'ottom of the sixth for Slaton's margin of victory. Kitten and Johnny Petty led Slaton at the plate with a pair

of hits each. Slaton had nine hits off two Brownfield hurlers, with starter Richard Lepard taking the loss. The locals left 13 runners stranded, while Brownfield had seven left on the base

Angels Score

Brownfield had five errors afield, and Slaton committed six. It was Slaton's first district win after two defeats.

Slaton goes to Levelland Saturday for a doubleheader beginning at 6:30 p.m.

The Slaton team lost a 4-0 decision to Plainview's Falcons last Thursday in the first road game. The locals were outhit by only 6-5, but couldn't push across the runs. Larry Heinrich was the loser with Donnie Heinrich relieving in the ninth.

Bill Kitten led Slaton at the plate with a pair of singles in four at-bats. Rich Washington, Jerry Burrell and Tom Davis had the other singles for Slaton. Slaton had seven runners left on base.

Plainview scored one run in the third on catcher interference and two singles. They added three in the final frame on three walks, three hits and

Water District Proposes New Collection Plan

County tax assessors and collectors in a 14-county South Plains area stand to benefit appreciably if a realistic proposal by the High Plains Underground Water Conservation District No. 1 Board of Directors is successful.

The district's board passed a resolution doubling the amount the water district is willing to pay the affected counties for assessing and collecting the district's maintenance taxes. Legislative action, likely in

form of a local bill, will be required for implementation of the proposal.

Since 1952, the district has paid one per cent compensation for assessing, one per cent for collecting, and in case of delinquent taxes - five per cent for collection.

Under the new proposal, two per cent would be paid for assessing and two per cent for collecting to compensate for rising costs being experienced by the county agencies. Delinquent collections still would be compensated at the five per cent rate.

A proposed amendment to the existing related legislative acts has been forwarded by the High Plains District to Rep. Bill Clayton, Springlake, chairman of the Interim Water Committee of the legislature.

Mark this date on your calendar!

ALL NUMBER Calling comes to Slaton on July 10, when this city joins many others in Southwestern Bell in conforming with the new nationwide numbering plan.

On that date, all Slaton telephone numbers will be changed from two letters and five numerals to seven numerals.

"VA 8" To Become "828"

The prefix, "VA 8," will be changed to "828"-actually the same in dialing. In most cases, the last four digits of each telephone number will remain the same.

For example, VA 8-3601 will become 828-3601.

However, numbers between VA 8-4000 and VA 8-4999 will be changed to the corresponding number in the 828-6000 series.

For example, VA 8-4591 will become 828-6591.

This change of numbers in the VA 8-4000 series is necessary, for technical reasons, to pave the way for future telephone improvements for Slaton.

Southwestern Bell

A new telephone directory containing the new seven-numeral numbers will be mailed to customers before the change.

Easy to Use, Fewer Errors

You'll want to remember to give your new seven-numeral number to persons who may be calling you Long Distance. Customers who use printed material bearing their telephone numbers will want to be sure to use their new numbers in ordering material to be used after the change.

Seven-numeral numbering is common in many other parts of the nation. Experience in other cities where All Numeral Calling has been introduced has indicated that such numbers are easy to use, and that fewer mistakes are made in dialing them.

WE believe that you will find this new up-to-date numbering system simple and more troublefree to use. It will pave the way for future improvements. And Slaton, as in the past, will continue to be in the forefront of telephone progress.

Texas 1967 Traffic Cost

In certain categories Texas 1967 traffic cost soars to an all-time high. There were 885,-262 traffic accidents, an increase of 360,290 over 1966. There were 3,367 human lives lost in traffic accidents, a decrease of 39 from 1966. Another 205,308 were sent to doc-tors and hospitals, a decrease of 2,880 from 1980 some of these injured being maimed for life. Some 1,700,000 automobiles were damaged or demolished, an increase of 810,-000 over 1966. The economic loss came to an astounding figure of \$793,094,000, an increase of \$235,680,000 over 1966. Lub-bock County's contribution to the 1967 Texas traffic cost was 52 killed, 346 injured, and an estimated property damage of \$365, .49.00.

If the 3,367 dead traffic victims were stacked in a pile, the dimensions would be about 3.7 miles in length, or 1.1 miles in width, or .5 of a mile in height. The dimensions for the 205,308 injured would be about 223 miles in length, or 65 miles in width, or 32 miles in height. The dimensions of some 1,700,000 damaged or demolished vehicles would be about 5,667 miles in length, " 2,125 miles in width, or 1 miles in height.

Now for a descriptive look at the \$793,094,000 estimated economic cost of the traffic accidents. The playing area of a football field measures 300 feet by 160 feet, or 48,000 square feet, United States currency measures about 2 5/8 inches by 6 1/8 inches. If a football field were completely covered with one dollar bills, then a layer of two dollar bills, then a layer of five dollar bills, then a layer of ten dollar bills, then a layer of twenty dollar bills, then a layer of fifty dollar bills, then layer of one hundred dollar bills, then a layer of five hundred dollar bills, then a layer of one thousand dollar bills, and on top of these nine layers of paper money, dump 1,961 tons of silver dollars, this would represent the economic loss in Texas for the year of 1967.

The \$793,094,000 estimated loss would have bought 10,000 homes at \$20,000 each; 10,000 refrigerators at \$400 each; 10,000 cooking ranges at \$350 each; 10,000 TV sets at \$350 10,000 dishwashers at each; \$300 each; 10,000 automobiles at \$3,000 each; 10,000 central air conditioning units at \$1,400 each and furnished the head of each of the 10,000 households with a bank account of \$53,509.
