

IN IMPORTANT DISTRICT OPENER FRIDAY

Tigers Tackle Denver City

remains to be proven, but many football fans think they will be seeing the District championship game at Tiger Field Friday night.

The stage is set for a "big game", never before for their first victory over the champions of Denver City. Kickoff is 8 p.m. in the vital district contest, and a capacity crowd is expected.

Denver City, the perennial grid champ, was led off its perch by Post last season, Coach Ernie Davis' fighting Tigers have a record of turning the trick this season.

Coach Don Orr's Mustangs had to battle a 14-13 win last season to post the school's eighth triumph over Slaton. It was the "closest" game in the series, but Davis' Tiger crew intend to remedy that this season.

Tiger starting lineup is expected to be the same as the past two weeks, and Coach Davis said the Tigers were in good physical shape. Center Tom Davis sustained a

painful bruise in practice this week, but is expected to be ready Friday night.

Both teams have 2-1 records, with Slaton stringing from a 21-20 upset at the hands of Crosbyton last week. Coach Davis, speaking to Lions Club members Tuesday, blamed the loss on "overcoaching" the defensive unit.

"We are going back to our basic defensive alignments against Denver City, and we think we can give them a real battle," Davis said. "Breaks could decide the game, and we're going to be ready," he added.

The Mustangs will be favored in area grid circles -- mainly because their 2-1 record is against Class AAA teams and because of past performances. The Ponies beat Brownfield (13-6) and Levelland (13-8) and lost to a strong Seminole team, 25-6.

D. City has 9 offensive starters from last season, including all-district back Gary Hatfield, Guard Dwayne Young and end Marshall Dooloff are other standout veterans. Lloyd Bingham, big 215-pound tackle who missed

last season, is another Mustang leader.

Slaton will rely on the running of Richard Washington and the passing of Jimmy Williams to spark their offensive attack. Guard Dale Harris heads up a tough defensive crew with top outside work provided by ends Doyle Ethridge and Claude Stricklin.

The Mustangs have stuck to the ground in their first three games, while the Tigers have mixed their attack--using the pass more than the Ponies. What the coaches' strategy for Friday night will be, however, remains to be seen.

Slaton's offensive starters will probably include Williams, Washington, Ethridge and Paul Hall in the backfield; Stricklin and Larry Allison at ends, Bobby Ball and Johnny Lakey at tackles, Buddy Pettigrew and Randall Choate at guards, and Tom Davis at center.

On defense, it'll be Stricklin and Ethridge at ends, Davis and Truett Johnson at Tackles, Harris and Ball at guards, Pettigrew and Allison as linebackers, Williams, Don Simmons and Washington in the secondary.

Pep Rally Set Friday

High students will hold pep rally for "The Tiger" Friday night at 8 p.m. in the high school auditorium, and interested adult fans are invited to attend.

The Williams, Tiger Club president, urged fans to join in the pep rally prior to the big Friday night game. He also in-

vised fans to help support the athletic program by joining the Tiger Club.

The club is also planning its annual "Lightbulb Sale" next Monday night, with proceeds being used for the organization's booster activities. A door-to-door type sale is planned.

Coach Gets Car From Tiger Club

Coach Ernie Davis, Slaton athletic director and head football coach, was driving a new car for the first time in his life last week -- thanks to the Tiger Club, booster organization for school athletic program.

The club last week presented Coach Davis with a new car, leased for one year. President Pete Williams said the lease ar-

angement was made through Slaton High School, and the car will be exclusively for the use of Davis and his staff.

Williams presented Davis with the keys to a new 1967 Ford last week. The present car is a white one, but a new 1968 red Ford is on order. The club took bids from all local auto dealers and accepted the low bid from Smith Ford, Inc.

PREMIUM BALES — Howell Sammons and Glen Akin produced the second and third bales of cotton of the season last Thursday and Friday, earning Slaton Chamber of Commerce cash awards for early bales. Left to right are Sammons, Akin and Jay Gray. Slaton Co-op Gin manager. Both bales were ginned at the Co-op Gin. (Slatonite Photo)

Quality Is Keynote For Area's 2nd, 3rd Bales

Slaton's second and third bales of cotton arrived Thursday and Friday at Slaton Co-op Gin, completing the Chamber of Commerce's premium awards and heralding the approach of the big cotton harvest in the area.

Perhaps the biggest news on the premium bales, however, was the quality and staple length on the Acala cotton brought

in by Howell Sammons and Glen Akin.

Both bales graded out as Middling 1 1/8 inch cotton with micronaire readings of 4-plus. Many area farmers went to long staple cotton this season in an attempt to produce quality cotton demanded by the mills.

By comparison, Slaton's first bale -- which was a shorter staple variety -- graded out Strict Low Middling, light spot, with a 31/32 inch staple length. Difference in the support price shows about 9 cents a pound more for the long staple cotton.

In more vivid terms, the bales of Acala should bring about 35 cents a pound compared to 17 cents or less the same farmers got for cotton last year.

Farm officials anticipate that a large percentage of the long staple cotton harvested by brush strippers will have a market value of about 30 cents a pound.

The outlook for short staple cotton is brighter this year, too. According to Plains Cotton Growers, production of the shorter staples is again ex-

pected to fall far below the market demand. With Commodity Credit Corporation cotton priced above loan values, farmers can expect all or virtually all of the 1967 production

Awards Presented

Academic sweaters were presented to those senior students who made the highest grades on achievement tests given last spring in chemistry, algebra, American History and English III.

This is the fifth year the Daughters of the Pioneer Study Club have had this as a project. Mrs. J. S. Edwards made the presentations for the club.

The sweaters were awarded after the student body pledged allegiance to the US flag and a prayer was given. After the presentations, Rev. Bruce Parks, pastor of the Methodist Church, spoke to the students.

For students to qualify to take the achievement tests they must have an overall average of 90 in all subjects their junior year and must be taking a full load of five credit courses.

Students receiving sweaters yesterday were Bobby Ball, son of Mr. and Mrs. Bill Ball, chemistry; Kenna Wicker, daughter of Joe Wicker, algebra II; Allen Underwood, son of Mr. and Mrs. J. S. Underwood, American History, and Diane Jaynes, daughter of Dr. and Mrs. S. H. Jaynes, English III.

Winners of sweaters were also Terry Mathis, son of Mr. and Mrs. Bill Mathis, in Algebra; and Candy Brown, granddaughter of Mrs. Avis Woods of Slaton, American History. Terry has moved to Lubbock and Candy now lives in Louisiana.

An increase in electric power rates was approved by the City of Slaton Monday night during a regular city commission meeting, which also saw lengthy discussion on city library facilities, resignation of a city patrolman, and passage of several ordinances.

Carroll McDonald, local manager for Southwestern Public Service Co., appeared before the commission to present the rate increase request. The company is seeking the new rates throughout the area served.

The rate increase amounts to a 7.62 percent average for residential and commercial customers. McDonald pointed out it is the first general increase in electric rates in 16 years. The proposed rates would raise the company's rate of return on investment from 5.65 percent to 5.98 percent.

For the average residential user, the proposed rate would mean an increase in the monthly bill of from 77 to \$1.16. The new rates are scheduled to go into effect Nov. 1.

A group from the Lubbock City - County Library Board, headed by chairman Mrs. John McClarty, appeared before the commission to ask the question: "What kind of library does Slaton want?"

The library group emphasized that it didn't want to "tell Slaton what to do, rather we want to help you develop the facilities which you determine that you need."

Mayor Jonas Cain said he would appoint a citizen's library committee to study the matter and to make recommendations to the commission.

Police Chief Walter Head reported the resignation of Patrolman J. D. McLaughlin for "personal reasons." He explained that McLaughlin felt that he was

Farm for Lease

Applications for leasing a city farm will be considered at the next regular City Commission meeting Oct. 9, it was announced this week by Mayor Jonas Cain.

The commission will consider applications for the "airport" farm, located north of town on FM-400. Interested persons should submit applications to Slaton Municipal Building to City Sec. Gerald Kendrick.

Library Study Group Named

What kind of library facilities do Slaton citizens want? This was the question posed by members of the Lubbock City - County Library Board when they appeared at the City Commission meeting Monday night.

Board members expressed a desire to see Slaton have a "model branch library", if citizens want it that way.

Mrs. John McClarty, chairman of the city-county board, indicated that Slaton, in any event, is going to have improved service. It is the board's feeling, however, that much more improvement can be made if more adequate quarters are available for the local branch.

(See LIBRARY, Page 6)

Improved P.O. Facilities Due

Hopes for improved and expanded post office facilities in Slaton finally materialized this week when Postmaster Rush Wheeler received notification that plans had been approved.

Wheeler said completed plans and specifications were due in about six weeks, and it is anticipated work will get underway in about two months.

An engineer was in town Monday to notify Wheeler of the project approval. Plans for remodeling and expansion have been "on the drawing board" for more than a year.

Hospital Vote Coming Soon

Only two absentee ballots had been cast here Wednesday for the Oct. 7 Hospital District election in Lubbock County.

Absentee voting at Kertan Studio continues through Oct. 3.

Voters will decide "for" or "against" three proposals on the ballot: Creation of the hospital district; setting a tax levy at a maximum of 75 cents per \$100 of evaluation; issuance of \$4 million in bonds to pay for hospital construction.

Creation of the district would serve as a preliminary move to boost Texas Tech's chances of securing a medical school. The district would also provide complete and adequate care for the medically indigent in the county.

Rain, Hail Hit With Cold Front

Rain and hail accompanied the season's first cold front in the Slaton area Tuesday evening, with the temperature dropping 20 degrees as the front swept over the South Plains.

Rain reports ranged from .40 to .60 of an inch in the immediate Slaton vicinity, but heavier amounts of moisture and some hail were recorded northeast of Slaton in the Midway community.

Damaging hail was reported in the same general area around Midway that felt the brunt of a hailstorm about two months ago. The hail was termed bad enough to damage boils and probably hurt the quality of cotton in that area.

Just before 6 p.m., the front knifed into Slaton, dropping the temperature reading from 82 to 62 degrees in a period of about five minutes, according to gauges at Pioneer Natural Gas Co.

A low of 48 degrees was recorded Wednesday morning, and a high of only 68 was predicted Wednesday. The sun broke through an overcast sky, however, amid forecasts for the possibility of more rain.

Hardest hit on the Plains was Denver City, where up to 3 inches of rain and heavy amounts of hail were recorded Tuesday evening.

SWEATERS PRESENTED — For the fifth year in a row, Daughters of the Pioneer Study Club presented academic sweaters during an assembly Wednesday morning at Slaton High. Pictured is Mrs. J. S. Edwards presenting a sweater in Chemistry to Bobby Ball while other winners look on. HD Club Elects New Officers; Sets Bazaar

New officers were elected when members of the Slaton Home Demonstration Club met at 1:30 p.m. last Wednesday at the Slaton club house.

They include Mrs. A. W. Latham, president; Mrs. Alton Meeks, vice-president; Mrs. B. B. Green, secretary-treasurer; Mrs. Blanche Griffith, council delegate; and Mrs. George Johnson, reporter.

Mrs. Mildred Patterson, county home demonstration agent, gave a program on "Housekeeping Made Easier." The ABC's of good housekeeping were brought out during the discussion.

The group made further plans for their fall bazaar. The event is set for 9 a.m. to 6 p.m. Oct. 7 in the old SWPS building on the south side of the square. A hanging resin lamp, an 11 X 14 picture frame and two fringe pillows have been made by members to be given away. Tickets may be obtained from any local club member.

Two new members, Mrs. Dudley Berry and Mrs. Linda Bednarz, were present for the meeting.

Refreshments of pound cake and punch were served by Mrs. Alton Meeks and Mrs. George Johnson to Misses J. M. Breland, Earl Stahl, Wilfred Kitten, Billy Moore, Elford Stricklin, Joe Baker, Don Wendel, E. E. Bishop, Milt Ardrey, Patterson, Bednarz, Berry and Green.

The next meeting is scheduled at 1:30 p.m. Oct. 4 at the club house at which time Mrs. Baker will present a program on "Etiquette."

Mrs. Merle King and daughter, Debbie, spent the weekend in Big Spring visiting the Jack Watkins family.

Athenians Meet, See MH Film

Mrs. Don Mitchell was hostess when members of the Athenian Study Club met last Tuesday evening in her home.

The program was a film, entitled "How Are You", presented by Miss Dolores Knott, executive director of the South Plains Guidance Center on Mental Health.

A question and answer period followed with a discussion on the center in Lubbock. Refreshments were served to Misses, Dee Bowman, Joe Miles, Ed Moseley, Harley Martin, Clark Self Jr., Bob Kern, Carroll McDonald, Coy Biggs, Truett Bownds, S. H. Jaynes, R. C. Hall Jr., and three guests, Mrs. J. Martin Basinger, Mrs. Darrell Echols and Miss Knott.

Garden Club Has Coffee In Harral Home

Members of the Slaton Garden Club were entertained with a 10 a.m. coffee on Sept. 13 to start their new club year.

The coffee was given in the home of Mrs. L. A. Harral, club president. Assisting with hostess duties were the two vice-presidents, Mrs. Kenneth Davies and Mrs. Max Arrants.

The serving table was laid with a white linen cloth of Mexican drawn work. A centerpiece of garden roses grown by members of the club was used on the table. Different colors of Tropicana, Mr. Lincoln and France roses were used in the arrangement.

During the business meeting Mrs. Davies distributed the new yearbooks and Mrs. B.H. Crandall gave a talk on "Parliamentary Procedure".

VFW Auxiliary Has Full Slate Of Business

The Slaton VFW Auxiliary Post 6721 met Monday night for its regular meeting. Mrs. R. E. Woods presided over the meeting.

During the business meeting, Mrs. Travis Mann reported that the rummage sale held by the auxiliary was a success and a remaining five cartons of clothing was donated to be sent to the South Texas flood victims. The auxiliary also sent a donation by request of the department president, to the Alaskan Disaster Fund, also a result of floods.

Mrs. Roberta Mae Reed was accepted into the auxiliary for membership. The vacated office of chaplain was filled by the election of Mrs. Cecil Scott and the one-year trustee office was filled by the election of Mrs. Dorothy Faye Harris.

The date of installation for the offices of chaplain, trustee, musician and historian was set for Oct. 23.

It was reported that many greeting and sympathy cards had been sent with the residents at Slaton Rest Home especially being remembered.

Mrs. Bo Becker, "Voice of Democracy" chairman, announced that leaflets would be placed in the schools of this vicinity this week. She said \$1,000 had been added to the scholarships to be won for the Texas winner along with the \$5,000 offered in scholarships by the National VFW.

The group decided to have a salad supper and white elephant bingo party in celebration of the Eighth Auxiliary Birthday on Saturday, Oct. 21 at 7 p.m.

The VA Hospital visit to Big Springs on Oct. 26 was announced and the auxiliary asks that anyone who has pocket-size books and old history to donate may call VA8-3951 for pick up.

Patriotic instructor, Mrs. Frances Sargent, remained the group to fly their flags on Columbus Day, Oct. 12. She also announced a flag presentation by the auxiliary to Cub Scout Pack 128 tonight.

Refreshments were served by the Post following the meetings.

A.L. Auxiliary Makes Plans For Trade Mart

Plans were discussed at the regular meeting of the American Legion Auxiliary Unit 438 for the annual Trade Mart which will be held Oct. 6 and 7. The mart will be held at the Legion Hall with a sub-station at the old Southwestern Public Service building which will be operated by the Junior Auxiliary. Mrs. Ellis Schmidt will be chairman of the Junior Trade Mart and Mrs. Earl F. Wilson is chairman of the Trade Mart at the Legion Hall.

With Mrs. T. A. Johnson, president, conducting the business meeting, the group agreed to order poppies for the November Poppy Sale and set the date for the sale for Nov. 8. Mrs. H. E. Woods was appointed Poppy chairman. Headquarters for the sale will be the Red Arrow Cafe.

Delegates elected to attend the 19th District Convention in Lubbock on Oct. 28 and 29th are Mmes. T. A. Johnson, Ray W. Dickie, Loyd Anders, Ellis P. Schmidt, Charles A. Gruder and George R. Brake.

Alternates elected were Mmes. Claude Cravens, Earl F. Wilson, Earl P. Stahl, W. G. Elkins, Joe Neilon and Miss Theresa Lane.

The president urged members to pay their 1968 dues by Oct. 1, the department president's birthday. Those wishing to mail their dues may mail them to Unit Membership Chairman, Mrs. Ray Dickie, Box 223, Slaton. She stressed that any mother, wife, daughter or sister of an American Legion member is eligible to join.

 Three years ago, last month, I coasted into Martindale's Phillips 66 Station when I came to Slaton to hunt us a house to move our belongings into.

I told Curly I saw his ad in The Slatonite that he had "Free Air" and I'd take some of that along with a tank full of gasoline. I could see a "wondering" look in his eye.

I don't know how long his advertisement has been headed "Free Air" because it was that way when we came here, but the change of times may call for a change in the heading. It may read, "Lowest Priced Air In Town" in the near future.

WW
 An article I read recently said that Gulf Oil Corp. has come out with a new product. Houston-area Gulf stations will begin offering nitrogen refills for your tires. The charge is \$1 per tire.

The firm says nitrogen prolongs tire life perhaps by 25% for a car and 50% for a truck by preventing oxidation. Ordinary air, which is FREE, is about 20% oxygen and 80% nitrogen.

 Whether it be Phillips, Gulf, Texaco, Mobil, Enco or what-have-you, service station attendants are likely to give us drivers another decision to make when we drive into a station. I don't know what to tell them now when they ask me how much weight I carry in my tires. When they start asking what kind of air I want...another decision will have to be made. DECISIONS, DECISIONS.

At a time when juveniles are criticized for many of the things they do, I think the Daughters of the Pioneer Study Club should certainly be commended for this fine annual project of presenting these scholastic awards.

LL Cmdr. and Mrs. Delmer Trimble, who have been stationed at Hawaii, spent last week visiting his mother, Mrs. Eva Trimble. They were en route to Florida on leave, following which Cmdr. Trimble will be stationed in California near Monterey.

CFW Sets Date For Bazaar

The monthly general meeting of the Christian Women's Fellowship of the First Christian Church was held Tuesday morning in Fellowship Hall with Mrs. T. A. Davis presiding over the business meeting.

Nov. 15 was announced as the date set for the fall bazaar.

Mrs. Johnnie Moore was leader of the study on "Science Finds No God Out There". A film was shown with Rev. and Mrs. Moore as narrators. A question and answer period followed. Mrs. Carl Lewis led the worship service.

Group I served coffee and cookies to 10 members with one new member, Mrs. Wayne Sartor, present.

Mrs. Reed Has 88th Birthday

Mrs. T. J. Reed celebrated her 88th birthday last Friday at the Slaton Rest Home, and joining in the party were several members of Slaton's Home Demonstration Club who brought two cakes, a number of cards and a gift.

The cakes were baked by Mrs. Don Wendel, and others in attendance were Mmes. George Johnson, A. W. Latham, Paul Comocovich and Joe H. Baker.

Mrs. Reed has been a resident of the rest home since June 29, 1965. She was born in Jasper County, Mo. in 1879 and came to Texas in 1883. She was married in 1897 to T. J. Reed who passed away July 14, 1955.

The couple spent 43 years farming in Garza County near Justiceburg until Mr. Reed retired in 1953 when they moved to Slaton. They had nine children, all still living.

They are Virgil Reed, Littlefield; Clint Reed, Alpine; J. O. Reed, Orange, Calif.; Edwin Reed, Lubbock; Mrs. Dorothy Hill and Mrs. Gladys Gayden, both of Lubbock; J. L. Reed of Slaton; Lloyd Reed of Clairmont; and Mrs. Blanche Petty of Riverside, Calif.

The honoree also has 19 grandchildren and 36 great-grandchildren.

DOYLE ETHRIDGE
 ...back of the week

BOBBY BALL
 ...lineman of the week

State Bank salutes Doyle Ethridge and Bobby Ball for being named as "back of the week" by the coaching staff the past week.

Ethridge, 170-pound senior halfback, caught three passes in the Crosbyton game, one touchdown, and was second in rushing yardage for the Tigers. He also was a standout offensive end.

Ball, 190-pound senior, is a two-way performer. He was outstanding as an offensive guard in the Crosbyton game, and is a key player in the defensive line as a guard.

National 4-H Club Week To Be Observed

A four-leaf clover is the symbol of good luck to many people, but to some 76,000 Texas 4-H Club members it is part of the emblem of their organization and a lot more. The roots of 4-H go deep in Texas. Boys and girls for more than 60 years have been proud members of the organization. As has been the case for many years, they will join with some two and a quarter million members and 23 million former members in the nation in the observance of National 4-H Club Week, September 30 - October 7.

Cooper 4-H To Attend Slide Baptist

The Cooper Community 4-H Club met Monday, Sept. 18 for its regular monthly meeting with Andy Watkins, presiding at the meeting. Motto and pledge were led by Les Miller. The group voted to attend the Slide Baptist Church on Sunday, Oct. 1 in observance of National 4-H Club Week. Members were urged to enter items in the fair. The program, "Project Planning" was presented by Doyle Warren, assistant county agent. Refreshments were served.

the year ahead. For boys and girls between the ages of 9 and 19, 4-H offers opportunities to develop good character and leadership. Learning to work together and accept responsibility along with exploring career opportunities and learning skills are all a part of the Texas 4-H Club program, the 4-H specialists said. In Texas and across the nation, 4-H Club work is directed in the counties by the county Extension agents with assistance from both adult and junior 4-H leaders. In Texas, more than 13,000 volunteer adult leaders work with the members of more than 2,500 local 4-H Clubs. "To Make the Best Better." Statewide the 4-H program is guided by Texas A&M University, the state's land-grant university. Nationally, the U.S. Department of Agriculture administers the program as the youth phase of the Cooperative Extension Service.

Local county Extension agents invite youths and their parents who are interested in knowing more about 4-H projects and activities to visit their office for detailed information. M. M. Shelton, formerly a Southland area farmer for many years, now a resident of Ruidoso, N.M., had major surgery at Lubbock's Methodist Hospital Monday morning. Reports indicate he is doing satisfactorily. He is an uncle of Mrs. Charles Rudd and Mrs. Gene Moore of Slaton.

Junior Gridders Over Tahoka

Slaton's junior high football teams scored victories over Tahoka here Tuesday afternoon -- the 7th graders opening with a 14-0 decision and the 8th graders rallying for a 20-12 triumph. It was the second win and one tie for the 8th graders. Tahoka scored first and held a 12-6 lead at halftime before the local roared back for the victory. Randy Davis went 28 yards on an end-around play in the second quarter to give Slaton a 6-6 tie. Tahoka tallied with 19 seconds left in the half to take a 12-6 advantage. Freddie Maldonado plunged 2 yards in the third period, and Freddie Valadez ran for 2 points to give Slaton a 14-12 lead. Early in the fourth period, Dana Findley ran 15 yards for the clincher. Randy Davis was outstanding on defense. The 7th graders ran their record to 2-1 with the 14-0 win over Tahoka. Steve Ethridge broke for a 33-yard touchdown run in the first period and Martin Davila ran for 2 extra points. Davila tallied from the 7 yard line late in the game for an insurance score. Steve Nieman, Curtis Woolver, Ronnie Swint and Davila were defensive standouts. The teams host Post Junior High next Tuesday with the first game starting at 5:30 p.m.

Voight Leads Grid Winners

Clarence Voigt missed only four games, including a tie, to claim first prize of \$10 in last week's Slatonite football contest. Joe Sparkman picked up second - place money of \$5 with 5 misses, and Johnny Hennington Jr. got the \$2 prize--also with 5 misses. Sparkman was closer on the tie-breaker total, guessing 42 points for the Tech-Iowa State game. Others who came close to the prize money, missing 5 of the 24 games, were Iris Melcher, Mill Ardrey, Gary Glasscock, and Larry Crabtree. Voigt, the top picker, missed only the Arkansas - Okla. State, Slaton - Crosbyton and Wagon - Sundown games, along with the Roosevelt tie with Masonic Home. Join the fun this week...turn to the contest page, follow the easy rules and enter the weekly game. You could be a cash winner!

CITY---

needed to manage his mother's farm. The commission accepted the resignation "with regret." The commission passed an annual ordinance concerning levying of taxes, three ordinances concerning the Pioneer Natural Gas rate increase and the company's operation in the city, and one ordinance concerning speed limits within the city limits. On the latter ordinance, the city also passed a resolution accepting recommendations of the State Highway Department on changes in speed limits involving approaches into the city limits which have been annexed. Discussion of installing a central heating system in the upstairs portion of the Fire Station was tabled until all available local bids could be obtained. In the individual commissioner reports, Henry Bollinger said he received a complaint about a mudhole at 3rd and Garza. It was explained that the most feasible solution was to cut a ditch on one side of the road, and the property owner involved didn't want a ditch by his property. Hugo Mosser said he'd heard numerous complaints about weeds, both on vacant lots and in yards where people resided. While McDonald was present at the commission meet, he was asked to outline the company's position on service to the annexed airport site. The city secretary also read a letter from South Plains Electric Cooperative which indicated its desire to serve the area. McDonald said his company "had no quarrel" with the rural electric co-op and had no intentions of taking any of its customers. "Our franchise with the city obligates us to serve annexed areas, and this we will do," he stated. He pointed out that REA customers in areas annexed last year were not solicited by SWPS Co. Earl Reasoner said he felt the commission should study the matter further and have the city attorney advise them on the legal aspects, and other commissioners agreed. The new SWPS rates have already been approved by towns the company serves in New Mexico, and by several Texas towns. The 1961 rate increase, which added 10% across the board to electric rates, is the only general rate increase the company has ever requested. There have been some 25 reductions in rates by Southwestern Public Service Company, or predecessor electric companies in the area. The company proposes, under the rate simplification phase of the program, to reduce the number of rates applicable to residential service from 4 to 2. At the same time it will switch to single meter billing for all residential customers.

For residential service in homes which are not electrically heated or do not heat water electrically, the new rate schedule is as follows: 6.50¢ per kWh for the first 50 kWh used each month, 4.30¢ per kWh for the next 50 kWh used each month, 2.15¢ per kWh for the next 900 kWh used each month, 1.70¢ per kWh for all additional kWh used each month. The 1.70¢ bottom step on the rate schedule for regular residential service is the lowest rate for this type of service the company has ever offered. In homes where all of the heating is done electrically, with the space heating having an aggregate rated capacity of 3 kilowatts (300 watts) or more, excluding bathroom heaters, billing during the winter months (November through May, inclusive) will be at the regular rates for the first 500 kWh with all the rest of 0.97¢ (97/100ths of a cent) per kWh. In homes which have supplemental electric heating and the aggregate rated capacity is 3 kilowatts or more, again excluding bathroom heaters, the winter rate will be the first 200 kWh at the regular rate, 100 kilowatt-hours per each kilowatt of rated capacity of heating equipment at 0.97¢ (97/100ths of a cent) per kWh and all additional kilowatt-hours at the regular rate. Under this rate, if the supplemental heating met the minimum requirement of 3 kilowatts capacity, 300 kilowatt-hours would be the number billed at the 97/100ths of a cent rate. When a customer heats water electrically, after 200-kilowatt hours have been used for regular service, a 500 kilowatt-hour block at the 0.97¢ (97/100ths of a cent) rate will be offered. The average residential consumption is 350 kilowatt-hours a month. For a customer using this number of kilowatt-hours, the increase in his monthly bill will range from 77¢ to \$1.16, depending on which rate of the four residential rates now in effect he is being billed. All residential customers whose monthly bill is \$15 or more will be offered the level payment program without the obligation of signing a contract. Under this procedure, the customer's annual bill is estimated and he is billed 1/12th of that amount each month, with any adjustments, if necessary, being made the last month of the year. Total electric homes will automatically be billed on the level payment plan unless the customer requests a regular

monthly billing. The new commission call for the following: 6.50¢ per kWh, 100 kWh used each month, 4.20¢ per kWh, 900 kWh used per month, 2.15¢ per kWh, 6000 kWh used each month, 1.30¢ per kWh, 6000 kWh used each month, .80¢ (eight-tenths) per kWh for all kWh used each month. When the consumer's demand (in kilowatts) does not have available load, 4.28¢ block of extended demand demand features will be a part of the contract. The company's rate increase additional annual Texas, where the majority of its \$1,874,000, with wide increase to \$2,400,000. The new rate into account as a general Income Tax now being considered by Congress. Should tax increases be passed, the company's rate would be affected by the revenues the new investment provided. The new rate investment from 6.5 to 7% is proposed as a fair rate of Texas law allows. Through the year, the company has introduced a sensible economy program. The most of equipment has been installed and load dispatching utilizes the most equipment under conditions has been ration. An annual pay more than 10% resulted from not employees who had and through existing employees. While these effects on continuing price materials and made some rate necessary. Gas for making for example, has price from 7.25¢ to 19.2¢ in the 16 last general rate for substations today, compared to Copper wire has a pound to 97¢ scales have less than 90%, meter and taxes have almost 200%.

Drive Started To Aid Victims

A city-wide drive, initiated by women from St. Joseph's Church, to secure food, clothing and other assistance for the hurricane victims, began yesterday with most church and civic organizations participating.

A spokesman for the group said that all items used in a home are needed and may be taken to the old SWPS building on the south side of the square any afternoon during the 10-day drive.

Mrs. Vera P. Drewry, chairman of the local RedCross, announced that anyone wishing to donate assistance for the victims through the RedCross may leave their donations at Drewry Insurance on the east side of the square.

She stated that the items will be transferred to Lubbock to the proper authorities for distribution where needed.

Three Accidents Reported Here

Three minor auto accidents and a house break-in were the major items of interest on the Slaton Police docket the past week.

Mrs. Tony Reyes reported that someone broke into her home early Monday morning while she was asleep. Police are still investigating.

An accident Tuesday evening involved vehicles driven by James H. George and Jesse DeLeon Paez. It occurred at the intersection of 8th and Lynn streets.

Two accidents were recorded Monday. One at the intersection of N. 5th and Crosby involved vehicles driven by Milford Wood and Bobby J. Ferguson. The other mishap Monday afternoon at S. 8th and Powers involved autos driven by Donald F. Stokes and Modesto V. Vasquez. Minor damage was reported for all three accidents.

Former Slaton Man Honored

Grady Elder Jr., formerly of Slaton, now manager of Mineral Wells Chamber of Commerce, was recently elected president of the C of C Executives Association of West Texas in an annual meeting at Odessa.

Elder, son of Mr. and Mrs. Grady Elder Sr. of Slaton, is

a graduate of Slaton High and a 1950 graduate of Texas Tech. Before going to Mineral Wells, Elder was employed in a public relations capacity in Lubbock. Elder is also former C of C manager at Spur, Brownfield and Snyder. His work with the executives' association will be in addition to his duties as manager at Mineral Wells.

He is married to the former Nadine Hart of Slaton. They have two sons--Grady III and John.

Cub Scouts Meet Tonight

Cub Scout Pack 128 will hold its first pack meeting of the season tonight, according to R. M. McMinn, Cub Scout master. The meeting will be held at 7:30 p.m. in the Junior High Cafeteria.

McMinn said any boy from age eight to 10 or who will be eight before next year is eligible to join. A parent with his (or her) son may register him tonight.

There will be 15 million vehicles registered in Texas by 1985, estimates the Texas Highway Department, now in its 50th year.

Neill Carter's Berkshires Win Honors At Fair

In hog judging at the Panhandle South Plains Fair in Lubbock Monday, Neill Carter of Slaton had the reserve grand champion boar. Neill is the son of Mr. and Mrs. Robert Carter.

Neill also won other honors with his Berkshires. His Berkshires were judged Champion Jr. Spring boar, champion gilt in junior show, reserve champion gilt in junior show, first place in Get of Sire, Produce of Dam and Young Herd, and fourth place in gilt and boar.

Dale Kitchens, son of Mr. and Mrs. P. C. Kitchens placed seventh with his duroc boar.

Both are members of the Slaton Chapter of Future Farmers of America and their instructor is Don Mitchell.

More than 1,000 miles of new highway are under construction in Texas at all times, reports the Texas Highway Department in its 50th Anniversary year.

Texas Highway Department reports 6.5 million vehicles were registered in the State last year, compared to less than 200 thousand 50 years ago in the Department's first year.

Voter Registration Begins October 1

The period to register for voting in 1968 elections will be October 1, 1967 through January 31, 1968. Registration will be through the County Tax Assessor & Collector's office of the persons residence.

The new voter registration laws require all persons to register regardless of their age. Before those persons becoming 60 years of age were not required to register in cities of 10,000 or less. Any person 60 years old or over MUST register to qualify to vote in any election held after February 1, 1968.

Any person becoming 21 years of age anytime during the voting year, may register during the regular period of registration, or may register anytime during the year; but must do so at least 30 days prior to any election at which they wish to vote. (Under the 1966 law, the regular registration period was the only time available to them for registration.)

Persons in Military Service and Related Services who are serving outside Texas may vote without having registered through the regular registration procedures administered by the tax assessor-collector.

The official Federal Post Card Application for absentee ballot for each election is treated as an application for registration for that election, and the County Clerk attends to the details of the registration which is effective for that election only. The tax assessor & collector do not have any responsibility in connection with this type of registration by military personnel. However persons within this category may still register by ordinary procedures through the assessor and collector if they wish to do so.

Registration may be made in person or by mail to the County tax assessor and collector. If application is by mail, the prescribed form for registration must be used and filled out in its entirety.

The only person qualified to act as agent for another is the husband - wife - father - mother - son - or daughter and must be a qualified elector of the County of the applicant.

Special 4-H Plans Made

National 4-H Club Week will be observed by some 500 club members in Lubbock County, Sept. 30 to Oct. 7, with Slaton 4-Her's making some special plans.

Local 4-Her's will attend church in a group at St. Joseph's Oct. 1; several members will make a radio appearance Oct. 2, and a banner will be stretched across a main street in Slaton.

During the week, members will also be encouraging new members to join the Slaton club. The local head-heart-hands health group is among 94,800 clubs throughout 50 states and Puerto Rico.

TAX MAN SAM SEZ:

Millions of young Americans are beginning another year of education. About 4 1/2 million, including more than 200,000 young Texans, will get a short but highly profitable course in how to prepare their income tax returns.

The Internal Revenue Service furnishes the schools with free material for the Teaching Taxes course. The students learn how to read the instructions, pay the tax they owe, and take advantage of the deductions available to the taxpayer.

These students will prepare tax returns next income tax filing period with only 1/4 of the errors contained in their parents' returns.

ITEM: For a hearty, robust cheese, you'll find cheddar, blue, Roquefort, parmesan, and provolone to your liking.

Mrs. Locke On State Board

Mrs. John Locke of Slaton was elected Sunday in Dallas to serve as a delegate on the Texas Heart Association board of directors.

Mrs. Locke has served the statewide organization for the past several years in a variety of positions. The election came during the 32nd annual meeting where more than 1,500 physicians, medical scientists, nurses and laymen registered for the conclave.

Dr. Joe O. Arrington of Lubbock was named as one of four vice presidents elected. Dr. Julian Acker of Wichita Falls is president, and Dr. Hugh Hanson of Houston is president-elect.

SCOTT APPOINTED

Cecil H. Scott of Slaton has been appointed by President Johnson as a member of local draft board No. 88 at Lubbock to represent Lubbock County. Word of the appointment was announced this week by Col. Morris S. Schwartz, state director of Selective Service.

Local Board No. 88 has jurisdiction over Crosby, Garza, Lynn and Lubbock counties.

LIBRARY---

(Continued From Page 1)

city provide "space and maintenance" for the library--with the recommendation that a downtown location be leased to determine usage before seeking permanent quarters.

It was pointed out that there is not adequate space in the county Clubhouse building, and repairs or remodeling is needed. More kitchen space is also listed as a need for the Clubhouse facilities. Expansion of the building does not seem feasible.

The City Commission indicated an interest in having adequate library facilities and decided to have a citizens' group make recommendations. Mayor Cain announced Wednesday the appointment of Bob Kern, Mrs. O. G. Nieman and Mrs. Bud Englund to the advisory committee.

Several library board members accompanied Mrs. McClarty, including Slaton's representative, Mrs. Bob Kern, Mrs. Jo Amandes and Mrs. Floye Miller, professional librarians from Lubbock, also attended. They have been reworking the local branch, removing worn and outdated books to make room for some 330 new books ordered for the library.

Mrs. Amandes pointed out that the January merger of the Lubbock County and City of Lubbock library facilities helps to supply branch libraries with any books needed, since they are available on loan.

She also mentioned that Monday was a "historic day" for the Slaton library--it marked the first delivery of two requested books from the Lubbock library, bringing titles which were not available here. Several interested Slaton women were also present at the commission meeting to hear the presentation.

Under the merger of the libraries, the City of Lubbock pays 60 percent and the county 40 percent of library costs. Thus Slaton, at present, is paying toward the expense of the local branch only through a portion of county taxes.

COTTON---

(Continued From Page 1)

to sell somewhere above the loan.

Gin manager Jay Gray said the cotton represented the "best first bales since 1956" and the "best staple length ever" on early bales.

Stonewall Jefferson earned the Chamber's first bale award of \$150 by bringing in the first bale on Aug. 29. Sammons brought in the second bale

last Thursday afternoon to earn the \$100 award, and Akin brought in the third bale Friday morning to get the \$50 cash award from the C of C. In addition, Slaton Co-Op Ginner gave the bales free and paid a premium price for the seed. Sammons also got a \$50 bonus from the gin for the first bale to be ginned there.

Sammons, who farms north of town on Roma Road, said heads went over about 2 1/4 acres to get his 530-pound bale. It was irrigated cotton, planted on

April 27, and was a Seed cotton weighing 17 1/2 pounds. It's the first bale for Sammons. Akin, who farms north of town, planted his irrigated cotton on April 13 and harvested the cotton, which came from Williams farm land. Akin estimated over about 1 1/2 his 520-pound bale ton weighed 2,500

FREE AIR At Martindale's

Some families can trace their ancestry back 800 years but can't tell where their children were last night.

Hubby was tired of drying the dishes every night after dinner, but how was he going to get out of it? He spent several days thinking of artful dodges. And then the big idea struck home.

On his wife's birthday, he surprised her with a complete set of fine bone china.

Why do some people know all the answers when you try to tell them something, and then keep silent when you ask them something?

Gypsy: I tell your fortune, Mister? Mister: How much? Gypsy: Fifty cents. Mister: Right! How'd'ya guess?

Tigers Lose Thriller As Chiefs Puncture Defense

BY SPEEDY NIEMAN

TIGER TRAP---Three Slaton Tigers close in on Crosbyton fullback Robert Barrett in this action photo from Friday night's game. Claude Stricklin (81), Larry Allison (80) and Don Simmons (40) prepare to put the stop on the fullback, who led the Chiefs to a 21-20 victory. (SLATONITE PHOTOS)

Slaton's vaunted defense crumbled before the running of Crosbyton fullback Robert Barrett, and the Chiefs went on to hand Slaton its first loss of the season in a 21-20 thriller at Crosbyton Friday night.

For the record, tackle Joe Freeman's extra-point kick was the margin of victory, but the leaky Tiger defense--unscored on in two games--was the big difference.

Slaton grabbed a 20-14 lead with a little more than a quarter to go, but they couldn't contain the big Chief fullback, who smashed for 156 yards on 27 trips with the ball. Things looked rosy for the Tigers when they held a six-point lead and had Crosbyton facing a 3rd and 25 situation with about three minutes left in the game.

However, a screen pass to Barrett ate up 17 yards, then a fake pass and handoff to Barrett netted 12 more yards and gave the Chiefs new life on the Tiger 7. Barrett rammed for a couple, then Lance Morris faked the run to Barrett and dashed around right end for the tying points.

The Tigers had one more shot at pulling it out, but a pass interception ended that with 1:30 left.

Slaton's scores came on a 22-yard pass from Jimmy Williams to Larry Allison, a 13-yard pass from Williams to Doyle Ethridge, and a 6-yard burst by Richard Washington. Guard Buddy Pettigrew kicked two extra points, but the other attempt sliced off to the right.

Slaton fans gave their team plenty of moral support, packing the west side stands and lining up and down the fence. The loss to the Class A team was the first of the season after shutouts over Petersburg and Idalou.

Crosbyton had used the pass as a major weapon in two previous games, and Slaton's defense was apparently geared to that attack. Barrett, an outstanding power runner who was reported at full strength the first time this season, was the main weapon Friday night.

The clinch was the only hindrance to both teams in the first half, each team scoring on sustained drives when they got the ball. It was all even, 14-14, at halftime.

The Chiefs had a big advantage in the rushing department, but Slaton won the air battle. Williams hit 5 of 8 passes for 90 yards and two touchdowns. One pass -- to Paul Hall -- was ticketed for a big gain but the halfback dropped the ball. Washington led Tiger rushers with 68 yards in 15 trips, while Ethridge had 48 in 8 carries. Another Williams' aerial wound up in the penalty column when pass interference was called against Crosbyton.

The Chiefs drove 96 yards for the first score, after starting from their own 4 when Leon McDonald fumbled the long kickoff, picked it up and then slipped to the turf. Barrett got the Chiefs started, however, as rammed the Tiger line three straight times for a first down on the 18.

With Barrett slashing the line for good gains and Morris connecting on 3 of 3 passes, the Chiefs used 15 plays and half of the first period in moving

for the initial tally. Morris hit Joe Buck, Randy Holman and Jessie Guzman on passes of 13, 6 and 10 yards in the drive. Moving to the Tiger 4, Morris faked a handoff to Barrett and pitched to Buck on an end sweep for the touchdown. Freeman couldn't get off the PAT kick after a bad snap, but Crosbyton led by 6-0 with 5:07 left in the period.

The Tigers roared right back, using 11 plays to drive 62 yards for the go-ahead points. Washington sparked the drive with good gains, then Williams rolled to his right and fired a touchdown strike to end Larry Allison from the 22. Pettigrew's kick put Slaton in front, 7-6, on the first play of the second quarter.

The Chiefs started from the 40 following the kickoff, and this time they used 11 plays to take the lead. Barrett was the big gun again, with a timely 14-yard run by Buck aiding the drive. Barrett plunged over from the 1 on a fourth-down play, then crashed over for two points as the Chiefs forged out front, 14-7, with 6:33 left in the half.

Slaton then put together an 80-yard drive, barely reaching paydirt before halftime. Crucial play for the Tigers was a 4th and 2 situation on the Chief 31, and Washington picked it up, Williams found halfback Doyle Ethridge wide open in the end zone on a 13-yard pass with 15 seconds left. Pettigrew added the point and it was 14-14 at halftime.

Washington put a scare on the hometown crowd when he returned the second-half kickoff 86 yards, but officials ruled his knee touched down when he felled the kick at the 14. Slaton drove to the Chief 12, but a handoff was fumbled on 4th and 1, and Crosbyton took over on its own 15.

The Chiefs netted just 4 yards in three plays and were forced into the first punt of the game. Holman's 31-yard punt was returned to the Chief 45, and the Tigers quickly hit for the go-ahead touchdown.

Ethridge broke on a 24-yard run before Holman caught him from behind, and three plays later Washington banged over from the 6. Pettigrew's kick was up but sailed to the right, and it was 20-14 for Slaton with 2:03 left in the third period.

On the first play following the kickoff, Barrett broke up the middle on a 37-yard gallop before being dragged down. Barrett and Buck moved the ball to the Tiger 7 before Barrett took a hard jolt from Williams and fumbled, with Slaton's Pettigrew recovering on the 9.

The Chiefs held and forced the first Slaton punt, with the ball rolling dead on the Tiger 46. Runs by Barrett and a flat pass to Buck for 11 yards moved the ball to the Tiger

WILLIAMS STOPS CHIEF---Slaton's Jimmy Williams (10) evades a blocker as he stops Crosbyton's Joe Buck in this action photo from Friday night's game. The Chiefs scored a thrilling 21-20 victory over the Tigers, handing them their first loss of the season. (SLATONITE PHOTOS)

Amherst Rally Stops Cooper In 26-18 Tilt

WOODROW -- Amherst rallied for two 4th-quarter touchdowns to down the battling Cooper Pirates, 26-18, in a District 2-B opener here Friday night.

Pirate quarterback Keith Burkett tossed for all three Cooper scores. Cooper trailed by 12-6 at halftime, then roared back to take an 18-12 lead in the third period.

Royce McAdams, 165-pound junior, ran for 20 yards and 8 yards in the final period to pull it out for Amherst. McAdams passed for a first-period score and ran 15 yards in the second period to give the Bulldogs the 12-6 lead.

Burkett hit Emmett Cardenas on a 26-yard pass in the second period. The Pirate signal caller found the range again in the third stanza, hitting Ronnie Schaffer for 24 and 26-yard touchdowns.

It was an interesting sport-ator game with Amherst rolling up 340 yards on offense and 17 first downs, compared to 287 yards for Cooper and 16 first downs.

The Pirates travel to Whiteface Friday for a 7:30 p.m. district game.

A clipping penalty moved the Chiefs back to the 34, however. Morris hit Barrett with a screen pass for 17 yards, then facing 4th and 8, handed to Barrett on a draw play. The big fullback rammed for 12 yards and gave the Chiefs new life on Slaton's 7 yard line. Barrett was stopped for a yard gain, then Morris faked a handoff and dashed around right end for the tying points. Freeman's kick was true, and the Chiefs took the lead by 21-20 with only 2 minutes left. Slaton managed one first down before Tommy O'Brien ended Slaton hopes by intercepting a long Williams' pass at the Chief 44. The Chiefs chalked up two more first downs to kill the clock.

TAX MAN SAM SEZ:

Last year thousands of young wives filed a joint return with their husband for the first time and eagerly looked forward to getting their first joint tax refund check.

Roosevelt In 12-12 Tie Game

Roosevelt quarterback Tommy Martin and end Steve Jackson teamed on a 56-yard pass play with just 34 seconds left in the game as the Eagles pulled out a 12-12 tie at Fort Worth Friday night against Masonic Home.

The Masonic Home team appeared on the way to a 12-6 triumph before Martin fired the touchdown pass to Jackson. Earlier in the game, Eagle fullback Jerome Clancy broke loose on a 66-yard touchdown run.

The Eagles open district play Friday night, going to Petersburg to contest the tough Buffaloes. Roosevelt now has a 1-1 record.

WGA Sets City Tournament

The Slaton Women's Golf Association will sponsor a City Women's Golf Tournament Oct. 2-3, according to an official of the organization.

All entries must be registered at the pro shop by Sept. 29 and may be mailed or brought in person. Entry fee is \$3. All women golfers in the area are urged to participate.

4-AA CHART

Team	W	L	T	Pts	Op.

Last week's results - Denver City 13, Levelland 8; Midland Carver 14, Terrell Burnett 14; New Deal 27, Frenship 0; Abernathy 36, Morton 6; Crosbyton 21, Slaton 20; Seagraves 42, Stanton 14; Floydada 22, Post 7.

Friday's schedule - Denver City at Slaton (dist.); Carver at Morton (dist.); Frenship at Post (dist.); McCamey at Stanton.

ATTEND CISCO

Oren L. Smith and Charles E. Fisher have enrolled for the fall semester at Cisco Junior College, the college news service reported this week.

Smith is the son of Mr. and Mrs. George Smith of Slaton, and Fisher is the son of Mrs. Lizzie W. Johnson of Slaton. Both participated in athletics at Slaton High.

The third period, scoring on a short plunge on fourth down, Extra - point try failed and Slaton still held an 8-6 advantage.

With 6:30 left in the game, Hartman blocked another punt and Slaton started goalward on the drive with a 6-yard touchdown run. The ball was fumbled on the try for points, but Hartman covered the ball in the end zone for the two extras.

Post returned the ensuing kickoff 75 yards for a score to cut the margin to 16-12.

Linebacker Ted Dixon was a defensive standout for Slaton along with Allen Sanders, Dick Davis, Marvin Cooper, Frank Self and Billy Bob Conners.

Frosh Score 16-12 Victory Over Post

Slaton's freshman Tigers chalked up their second straight victory with a 16-12 decision over Post here last Thursday night.

The freshmen travel to Abernathy this evening for a 5:30 p.m. game.

In last week's game, Charles Thomas and Glen Akin scored for Slaton. Both touchdowns drives started on blocked punts by end Roby Hartman.

With 3:20 left in the second quarter, Hartman blocked a punt on the Post 28. Thomas scored from 10 yards out several plays later, then ran for 2 points and an 8-0 lead.

Post narrowed the gap in

4 AA ROUNDUP

Title May Be Decided at Tiger Field

BY ROY McQUEEN
Area Sports Reporter

What well could be the most important grid skirmish in Slaton High School history reels off Friday night when always-powerful Denver City invades Tiger Stadium.

For the first time in nine years, the tilt between the 4-AA rivals is rated a tossup. Denver City, the perennial league champion, has never been defeated by Slaton.

The two teams go into the tilt with identical 2-1, winless ledgers and the tussle is considered one of the top games on Friday's South Plains grid menu. In fact, general consensus has it that the 4-AA championship will be decided Friday night.

League competition gets underway for all teams except Stanton who tries non-conference foe, McCamey. District teams made another poor showing last week, 1-5-1, with Denver City taking the only victory.

Coach Ernie Davis' Tigers lost their first game of the season, a 21-20 squeaker to the Crosbyton Chiefs. Crosbyton scored with two minutes remaining to hand Slaton the defeat.

"We weren't ready to play," Davis said. "I guess we were thinking ahead. We were flat

and they were high. We should have beat them, even as badly as we played."

The 21 points by the Chiefs represented the first time in three games that the Tigers have been scored upon.

Davis said scouting reports showed the Mustangs to be tough. "However, they can be taken," Davis said.

Post, the defending 4-AA king, lost its game by one point the week before district play started last year. "Maybe a one-point loss is a good omen," Davis added.

THE MUSTANGS' victory came over the Levelland Lobos who have yet to win a game this season. The Ponies did have trouble, however, in taking a 13-8 win.

The Lobos played their best game of the season and Denver City scored the winning TD on a goal line play that brought loud protests from the Levelland bench.

League newcomer Midland Carver battled to a 14-14 tie with Terrell Burnett. The Hornets are now 2-1 for the season. Midland takes on winless Morton Friday night in another 4-AA encounter. Morton, who has been hit by injuries all season, bowed to Abernathy, 36-6, last week.

Two other winless ball clubs clash when hapless Frenship travels to Post. Last week, Frenship was whitewashed by New Deal, 27-0. The Post Antelopes lost to Floydada, 22-7. It was the first win of the year for the whirlwinds.

The Stanton Buffaloes, 1-2 for the year, play host to McCamey who dumped Iraan 27-14. Stanton was felled by Iraan two weeks ago, 27-8.

WITH THE HELP of a tie last week, predictions improved by one game and our batting percentage is now .797 for the year. Prospects for a better showing this week is far from insured but...

SLATON 14, Denver City 8 -- This is the big one and the Tigers may be slightly more hungry than the Mustangs. The tide could turn any way, probably depending on which team makes the fewer mistakes. Tiger Stadium should rock.

MIDLAND CARVER 19, Morton 8 -- The Hornet have benefit of a win and a tie while the Indians have been able to score only one touchdown this year. Morton is due, so who knows for sure. Coach Fred Weaver's crew can't be counted out and they do have the home field advantage.

POST 22, Frenship 6 -- The Antelopes will walk away with the long-awaited victory. Post has little material but the Frenship Tigers have even less. McCamey 28, Stanton 12 -- Judging from past performances, McCamey has too much offensive strength for the Buffs to contain.

SOUTHLAND NEWS

New Methodist Pastor Here

Today is Southland Day at the Panhandle - South Plains Fair and the school turned out at 2:00 P.M., all except the football boys. They had to stay and practice until 4:00.

THE FAIR --- brings back good memories to all us, I am sure. Cotton candy, peanuts, caramel apples, taffy, hamburgers (half done), ferris-wheels, merry-go-rounds, big fat cattle, a mother sow with 10 little pigs, more food (or junk) to eat, tired kids, and tired aching feet! All this and much more go into a successful day at the FAIR!

Mrs. Clara Jefferson and Faye Gregg have just returned from El Campo, where they visited with Mrs. Jefferson's mother, Mrs. Maggie Swain, who is very ill and in the Nightingale Hospital. They were gone for one week and while they were in El Campo, they stayed with a sister, Mrs. Essie Lee Thornton, who is a nurse at the hospital. We hope that Mrs. Swain is much better by now.

Edmund and I went to Haskell Sunday to visit with my dad, A. B. Dozier, who underwent surgery on Wednesday. He is doing very well.

BIRTHDAY PARTY Sunday, September 17, Mrs. J. F. Rackler's children met in her home to help her celebrate her birthday. They brought a beautifully decorated birthday cake and punch, along with gifts for the honoree. Those attending were Mr. and Mrs. J. B. Rackler and Beverly, Mr. and Mrs. Claude Roper and Nelda and Mr. and Mrs. Tommy Stell and Mike from Lubbock. Friends who helped celebrate this grand occasion were Mrs. Mattie Morris, Miss Ora Mining and Mrs. Susie Bradshaw and Mrs. George Roper and son, Orville. Pictures were made and refreshments were served and everyone had a wonderful time. Here's a belated HAPPY BIRTHDAY, Mrs. Rackler.

BRIDAL SHOWER Mrs. Marian Eckert Riney was honored Tuesday with a bridal shower in the Fellowship Hall at the Southland Methodist Church.

NEW PASTOR The Southland Methodist Church now has a new pastor, Rev. Charles Hastings, who will be living in Lubbock. The services will stay the same: Sunday School at 10 a.m. and church at 11 a.m. Mickey Mason will be going to Texas Tech instead of Lubbock Christian College.

FOOTBALL Southland football boys played a most exciting game over at Cotton Center last Friday night and came out the winners with a score of 44 to 12. They will be traveling to Three-way this coming Friday night. Keep up the good work, boys.

Mr. and Mrs. Billy Lester and boys spent the week-end in Hartley visiting with Rev. and Mrs. Tommy Wilson and Tommie Jean. They went up there Friday night after the ballgame and returned home Sunday night. On Sunday they attended church services which were held in Cimmaron Canyon. Every year, the Hartley Methodist Church has a church service in the canyon and this year, Rev. Wilson was in charge of it. I bet it is most impressive out there surrounded

by nature.

SYMPATHY We would like to extend our deepest sympathies to Mrs. Ed Mosley and Mrs. Hershel Bevers, whose father, Mr. Hagood of Post, passed away Saturday at Mercy Hospital in Slaton. The Bevers and Mosleys are former residents of this community. Mr. Hagood was also the grandfather of Mrs. Johnny Haire who lives down near Hackberry. May God comfort all these families in their sorrow.

E. C. Smallwood spent several days in the hospital last week but is home now. Hope all goes well with you. E.C. If you have news, please call me at 2651 or 2423. Thanks!

Boys Register Now For PP&K

ITEM: The greatest single source of injury to both boys and girls is due to motor accidents. A considerable proportion of the young victims are fatally injured while playing in streets and highways or while crossing them.

Boys age 8 through 13 in the Slaton area are now registering for the seventh annual Punt, Pass & Kick Competition, with trophies and trips awarded football-minded youths for skills in punting, passing and place-kicking.

Headquarters for registration in Slaton is Smith-Ford, Inc. where entries will be accepted through October 6th. Entrants must be accompanied by a parent or guardian. There is no charge as the entire competition is absolutely free to all entrants and all equipment such as footballs and kicking shoes are provided. No body contact is involved in PP&K competitions.

When they register, boys receive a free booklet of competition tips written by Green Bay's star passer, Bart Starr, the Baltimore Colts' punting specialist, Dave Lee, and Los Angeles Rams' place-kicking leader for 1966 Bruce Gossett. The booklet includes exercises for better physical fitness oriented to boys of PP&K's competition ages.

In addition to the booklet each registrant receives an attractive PP&K lapel pin. The basic principle of PP&K underlines fairness in competition to give every boy an equal chance to win, pitting contestants only against those their own age. Points are awarded for each foot of distance the ball travels on the fly, with points subtracted for each foot

ball lands to right or left of a center line.

Eighteen handsome trophies will be awarded locally by Smith-Ford, Inc. to the top competitors. Gold trophies go to first place finishers, silver to second and bronze to third, with the first place winners going on for further competition in Zone contests.

Winners of Zone competitions will receive trophies and runners up are awarded certificates. Zone winners move to District competitions where 228 District champions will be awarded trophies and go on to compete for Area championships. Area champs travel to division events in NFL stadiums in San Francisco or Philadelphia where twelve finalists are chosen -- six from the NFL Eastern division and six from the NFL Western division.

The twelve division winners go, with both parents, on a "Tour of Champions" to Washington, D. C., and then to the Orange Bowl in Miami, Florida, for the National Finals during the annual NFL Play-Off Game.

The Punt, Pass and Kick competition is sponsored nationally by Ford Dealers and the National Football League. The Slaton sponsor is Smith-Ford, Inc.

All 51 Towns Okay Pioneer Rate Increase

With Tulsa, Friona and Muleshoe voicing approval Tuesday, all 51 towns in Pioneer Natural Gas Company's West Texas distribution division have now completed favorable action on the Company's request for a gas rate increase. Earlier in the week Canyon, Hereford, Dimmitt and Ralls adopted the new rate structure.

The new rate will be placed in effect in all 51 towns about the middle of November. Following the June 23 - 24 filing date, Pioneer officials appeared before the commissioners of the various towns to explain the company's position in detail. These meetings resulted in a better understanding of the necessity for a rate increase. Even with the increase, rates will still be among the lowest in the State.

Wilson Whacks Sundown, 28-0

Wilson's "horse" rating 1-B football team upped last Sunday's Mustangs at Sundown 28-0 victory.

The Mustangs lit up the scoreboard with an 18-yard pass play from Scott to Gary Moore. Extra point attempt failed.

Scott tallied next on a 23-yard run in the third stanza and then passed to Moore for 2 points and a 14-0 advantage. Scott pushed the total up with a 23-yard touchdown run, and Keith Weid kicked the point for a 21-0 lead.

Crews then wound up the scoring by plunging a yard, followed by another Weid PAT.

The Wilson defense was tough, led by Crews and Lenro Brieger, allowing Sundown only 162 yards. The Mustangs rolled up 338 yards in the opening 2-B contest.

The Mustangs enjoy an open date this week, then travel to Cooper next week for another district engagement.

Wilson has won 2 and lost 1. The defeat came at the hands of Class A Ralls in the opener.

SOUTHLAND SCORES THIRD STRAIGHT GRID TRIUMPH

Cotton Center scored first and last, but in between it was all Southland as the Eagles rolled to their third straight victory with a 44-12 decision over the Elks at Cotton Center Friday night.

Bill Bevers scored three times in the first half to give Southland a 22-6 advantage, and the same totals were registered in the second half of the 8-man game.

After Cotton Center tallied on a 10-yard pass play, Bevers went to work, hitting pay-dirt first on a 40-yard gallop, Darrell Wilke ran for 2 points, and Southland was out front, 8-6.

Bevers tacked on two more scoring plays in the second period, dashing 10 yards each time. Wilke passed to Joe Basinger following the last tally

for two, and it was 22-6 at intermission.

Joe Basinger hauled in a 25-yard scoring pass from Bevers in the third period, and Stanley Abshire ran for two bonus points to up the score to 30-6. Wilke also added a TD in the period on a 1-yard leap.

Larry Bevers got in the scoring column in the fourth period, traveling 35 yards for a touchdown. Bill Bevers passed to Basinger for the final two points and a 44-6 lead.

The Elks tallied late in the game on another 10-yard pass play.

Darrell Wilke, Bill Bevers and Louis Flores were stand-outs on defense of the victorious Eagles. Southland goes to Three-way for their final non-district game this week.

Special Kindergarten School Set by Church

Arrangements were made to have Johnnie Moore, of Slaton's First Baptist Church, conduct a special kindergarten school for children who are unable to attend the regular school because of physical handicaps.

The school will be held on Wednesday, Oct. 3, at 10:30 a.m. in the Fellowship Hall of the First Baptist Church. The school will be for children who are unable to attend the regular school because of physical handicaps.

to May 3, "explained Rev. Moore, "to enable our teacher to do some in-depth work with the children in the four basic areas planned, which are, spoken English, beginning English penmanship, music, and creative play."

Any parents, especially of Mexican descent, who are interested in enrolling their child in this school are urged to contact, as soon as possible, Mrs. Virgie Hunter at Stephen F. Austin School, Rev. Johnnie Moore at First Christian Church, or Mrs. W. T. Davis, Jr. at VA8-3787.

the materials and approach used will bear a marked similarity to that which is used in the public schools' "Operation Headstart."

Rev. Moore said he wishes to make it crystal clear that even though this is being held in a "church building", actually the Fellowship Hall of First Christian Church, there is nothing in the program of a "religious nature."

Information as to the cost of the program and exact schedule can be obtained from any of the three persons mentioned above. If you are interested it was explained, you should act at once, as only 16 children will be enrolled this year.

Old Age Grants Raised in State

State Sen. H. J. (Doc) Blanchard announced Wednesday that, effective with the October payment, all Old Age Assistance grants will be raised \$4 above the amount currently recommended by the local workers of the Texas Department of Public Welfare.

The maximum Old Age Assistance grant will be raised to \$104 per month. Effective on the same date, all Aid to Permanently and Totally Disabled Assistance grants will be raised \$5 above the amount currently recommended by local workers.

The maximum Aid to Permanently and Totally Disabled Assistance grants will now be \$79 per month. The raises and assistance were made possible by changes in the law and additional appropriations of the 60th Legislature.

Privett left New York for Nigeria where she is working as a music teacher in the Niger Baptist Church. She arrived in Paris in 1967 where she had to tour the city and then to the school.

Privett is the daughter of Mrs. George W. and Mrs. George W. She has been in Nigeria for two years, and she would like to see her father and mother.

Privett may do so by following address: Niger Baptist College, Nigeria W. Africa.

Program On Social Security Set Tomorrow

Thirty-six Senior Citizens were present for the club's meeting last Friday and heard a message brought by Rev. Johnnie Moore, pastor of the First Christian Church. His message was taken from Acts 26:12 in the Bible. With his closing prayer he gave thanks for the meal.

Before the message, a short business meeting was conducted by Mrs. Fannie Patterson, president. The club's chaplain, F. B. Sexton, gave a prayer. Mrs. Alvin White led the group in singing.

The members signed a greeting card to be sent to former member, Mrs. Bertha Stokes who is in a rest home at Plainview.

It was announced that Gerald L. Schantz, field representative for Social Security, will address the club at tomorrow's meeting and answer questions about social security.

Judge Speaker For Rotarians

Judge Frank R. Murray, U.S. Commissioner and Referee in Bankruptcy, was guest speaker for the regular weekly luncheon meeting of Slaton Rotary Club last Thursday.

Judge Murray discussed bankruptcy law and procedures. He was introduced by Howard Hoffman.

Rotarian Rush Wheeler had the program the previous week, discussing Slaton Rest Home and the care of senior citizens.

STEPHEN D. GANUS

Ganus Enters Signal School

FORT MONMOUTH, N.J.—Private Stephen D. Ganus, 18 year-old son of Mr. and Mrs. William B. Ganus of 320 S. 4th St., Slaton, was enrolled in the U. S. Army Signal School, Fort Monmouth, N. J. recently for intensive training in one of the 50 specialist courses taught here.

He is a 1967 graduate of Slaton High School.

Admission to the Signal School is limited to men of outstanding promise. Classed as a technical institute, the School gives major training in the technologies of electronic equipment, ranging from radio to "electronic brains." Meteorology, computers, television and both motion-picture and still photography are also taught.

During this fiscal year, approximately 18,000 enlisted men will be admitted to the School. All are among the Army's best in point of aptitude, educational attainments and practical ability. More than 90 percent are high school graduates and over 20 percent have attended college or engineering school.

Classes in many phases of training are conducted around-the-clock, with instructors and students divided into three daily shifts.

The Signal School courses are of varied length, but they are all aimed at qualifying the enlisted student for greater responsibilities and advancement in the Army.

Marie Quintero Enters College

Miss Marie L. Quintero, daughter of Mrs. Maxine Quintero, 945 South Fifth, has enrolled at Draughon's Business College in Lubbock for the fall semester. She is majoring in Secretarial work.

Marie is a 1967 graduate of Slaton High School where she was on the yearbook staff and in the school choir. She was also a member of FHA and the Pep Squad.

New Officers Appointed

Cuba Circle of Women's Society of Christian Service had a reorganizational meeting Tuesday, Sept. 19 at 4 p.m. in the home of Mrs. R. C. Hall, Jr. with five members present. Mrs. Ronnie Dunn, chairman, appointed the following officers: Co-chairman, Mrs. Bill Baker; Secretary-Reporter, Mrs. R. C. Hall, Jr.; Treasurer, Mrs. Valton Wheeler; Spiritual Life, Mrs. Bruce Parks; and Local Church Activities, Mrs. Truman Ford.

Yearbooks were distributed and program and hostess duties for the year were assigned.

Mrs. Bruce Parks was welcomed as new member. Meeting time was changed to third Wednesdays. The program, "Let's Listen and Learn" (on youth) was presented by Mrs. Dunn.

Services Held In Post For G.N. Hagood

G. N. Hagood, 61, father of a Slaton woman, Mrs. Ed Moseley, died Saturday in Mercy Hospital. He had been a patient in the hospital since Wednesday after suffering an apparent heart attack.

Services for Hagood were held Sunday at 2 p.m. in the First Baptist Church at Post. The Rev. Dal Dozier, pastor of Calvary Baptist Church, officiated. Burial was in Terrace Cemetery under direction of Hudman Funeral Home.

Hagood had been a farmer and lived in the Post vicinity since 1927.

Survivors include his wife, Mattie; two daughters, Mrs. Moseley and Imogene Bevers, Post; a brother, S. B., Fort Worth; and four sisters, Mrs. J. R. Atkinson, Mrs. John Putman and Mrs. Grace Odum, all of Post and Mrs. D. L. Holt, Odessa.

David Garner of Midland spent Wednesday evening visiting in the home of his grandparents, Mr. and Mrs. Carter Shaw. He was enroute to Lubbock to enroll at Texas Tech for the fall semester. His mother is the former Elizabeth Shaw.

Mrs. Stokes Gives Program

Mrs. Harry Stokes brought a devotional on the 23rd Psalm in the modern day living when members of the Homemakers Class of the First Baptist Church met Sept. 19 in Fellowship Hall of the church for a salad supper.

Sixteen attended the meeting including four guests. Guests were Roy Parks, Roy Collins, and Mr. and Mrs. Bill Alspaugh. Mrs. R. C. Hall Sr. is president of the class.

Weekend visitors in the home of Mrs. M. E. Morris were two daughters and their families. They were Rev. and Mrs. J. L. Gary of Lamesa; Mr. and Mrs. C. A. Maeker and Pam of Richardson; and a grand-daughter and family, Mr. and Mrs. Mike Deaton and Michelle of Lubbock.

Porter L. Witt Rites Held At San Benito

Services were conducted for Porter L. Witt, 49, at 2 p.m. Saturday in Thomae Chapel in San Benito. Burial was in Mont. Meta Cemetery with Thomae Funeral Home in charge of arrangements.

Witt, a Slaton resident since 1961, died at his residence here at 11:31 Tuesday, Sept. 19. Englund's Funeral Home was in charge of local arrangements.

Witt was a navy veteran and a member of the VFW. He moved to Slaton from Raymondville.

Survivors include his wife, three sons, five daughters, a brother and a sister.

County Records 39 Accidents, Four Killed

The Texas Highway Patrol investigated 39 accidents on rural highways in Lubbock County during the month of August, according to the highway patrol supervisor of this area.

These crashes resulted in 4 persons killed, 29 persons injured, and an estimated property damage of \$33,375.

The rural accident summary for this county during the first eight months of 1967 shows a total of 272 accidents resulting in 13 persons killed, 221 persons injured, and an estimated property damage of \$250,334.

"School days" are here again. The familiar yellow school buses are back on the highways. The sergeant reminds all motorists of the State Law regulating traffic in regard to school buses.

"The driver of a vehicle up on a highway outside of the limits of any incorporated city or town upon meeting or overtaking from either direction any school bus which has stopped on the highway for the purpose of receiving or discharging any school children shall stop the vehicle immediately before passing the school bus, but may then proceed past such school bus at a speed which is prudent, not exceeding ten (10) miles per hour, and with due caution for the safety of such children."

Auto Dealers Workshop Set

An Area Workshop, sponsored by the Texas Automobile Dealers Association, will be held at The Johnson House in Lubbock on Oct. 4, and is expected to attract franchised new car dealers, finance company officials, bankers and their key personnel from throughout the Plains Area. It was announced this week by H. C. Pittman, executive vice president of TADA.

Frank Miskell, commissioner of Texas Consumer Credit Code, Austin, will be one of the featured speakers. The

Consumer Credit Code passed by the 60th Texas Legislature affects automobile installment sales beginning Jan. 1, 1968. Commissioner Miskell and members of his staff will brief the automobile dealers on the procedures and requirements of the new Consumer Credit Code.

Also to be discussed will be the latest information on Wage and Hour regulations. Automobile dealers were brought under the Wage and Hour Law on Feb. 1, 1967, and will be required to make an additional change on February 1, 1968, by decreasing the hours worked and increasing the minimum wage.

Bill H. Smith, Slaton, is an area TADA director.

Man Freed In Shooting Charge

A jury in 140th District Court last week acquitted Miri Jackson, 53, of Lorenzo on a charge of assault with intent to murder in the shooting of a Slaton man.

The jury returned the "not guilty" verdict after about 1 1/2 hours of deliberation. Jackson was charged with the shooting of C. V. Cox, 38, at a Slaton cafe Nov. 20, 1966. He was hit in the arm and side by slugs from a .45 caliber pistol.
