# Dimmitt (Whoops!) Dimmitt Tops Tigerettes, 58-50

A disastrous second-quarter led to the downfall of the Slaton Tigerettes in Levelland Tuesday night as the Dimmitt Bobbies scored a 58-50 victory and eliminated the SHS team from the championship playoffs.

Dimmitt outscored Slaton by 21-6 in the second period, and the Tigerettes were never able to overcome the deficit in the first-round regional contest.

An estimated 500 to 600 crowd of Slaton fans followed the Tigerettes to the game, playing in South Plains College Coliseum, Sundown romped past Ropesville, 78-55, in a Class B contest to open the doubleheader.

Dimmitt earned a ticket to the regional finals in Lubbock Saturday by scoring the triumph. Marilyn Davis led the Tigerettes in the losing cause with 19 points, while Jackie Clark hit 14, Linda Johnson 9 and Barbara Bingham 8, Debra Summers hit 27 for Dimmitt. Webb had 19 and Ruth Dyer 12. Slaton jumped out front to start the game and held a 19-18 lead after one quarter. Dimmitt roared back to tally 10 points in the second period before Slaton hit up the scoreboard again. At one time, the Bobbies got 8 points before the Tigerettes could get the ball

to their forwards. Davis hit two jumpers in succession to cut the gap to 23-28 midway of the second quarter, but Dimmitt pulled away to a 14-point advantage, 39-25, at halftime. Dimmitt built up a 16-point lead midway of the third stanza, but Slaton rallied with a 10-point spurt while holding the Bobbies scoreless to cut the margin to 42-48 at the end of three quarters. Davis hit a jumper to start the rally, then Johnson hit on three straight jump shots inside the free-throw circle. Clark got off a long shot just before the buzzer to cut the gap to 6 points.

The Bobbies went into a stalling game with a 54-46 lead and 4:25 left on the clock. Clark and Davis hit for Slaton and the scoreboard showed a 50-54 score with 1:50 left. The Bobbie stall was effective, and Dimmitt got two free shots and a last-second basket for the final 58-50 decision. Dimmitt won the game at the free-throw line, hitting on 16 of 23 charity shots. Slaton had one more field goal than the Bobbies, 22-21, but the Tigerettes had only 6 of 18 at the free-throw line. The Tigerettes' only two seniors -- Bingham and Donna Hattchett were co-captains for the contest. Bingham was outstanding on both ends of the court, switching to a guard position in the second quarter. Rita Payne also turned in a good job as a guard. Slaton's two soph forwards -- Davis and Johnson -- along with junior Jackie Clark give Coach Gay Ivey and Tigerette fans hopes for another successful season next year as Slaton moves into Class AAA circles.

The Tigerettes wound up with a great 30-3 won-lost record for the season. Dimmitt moves into the regional finals with a 29-8 record.

### New Addition For Rest Home Started Here

Plans for an estimated \$50,000 addition to Slaton Rest Home were announced this week by owners Mrs. Rush Wheeler and her mother, Estelle Evans.

Mrs. Wheeler reported that construction started Monday on a nine-bedroom addition to the nursing home. The new structure will accommodate 18 more people and will also provide for another nurse's station.

The addition will join the north wing of the rest home, and the contractor is John Mosser Construction Co. It is scheduled for completion about May 1.

Slaton Rest Home is listed among the top-rated nursing homes in the state with a staff which includes a registered nurse as supervisor, and licensed vocational nurses around the clock. It will employ about 30 people with the expansion of the building.

Mrs. Wheeler estimates the rest home adds some \$75,000 a year to the economy of the community. The annual payroll is about \$50,000.

"Americanism" was the theme of the program when the Lubbock Christian High School Band and Choral Group appeared at the regular weekly luncheon meeting of Slaton Rotary Club last Thursday in the Community Clubhouse.

The patriotic program drew a standing ovation from the Rotarians. Some 105 members of the Lubbock school's band and choral group came to Slaton for the special program. Don Crow introduced the weekly program.

The annual election of officers and directors is scheduled this week. Past presidents nominated two slates of officers with vice president Claude Cravens named for the president's post on both tickets. Don Crow and J. S. Edwards Jr. are the vice presidential candidates.

### Library Week, April 21-27

"Be All You Can Be -- Read!" is the theme for the 1968 Library Week in Texas, scheduled to observe its 11th anniversary "week" from April 21-27.

The Library Week in Texas program is a part of the annual program observed in all 50 states. It is traditionally held in April, culminating a year's activity planned and carried out by local and state leaders drawn from the community and library profession.

The statewide organization for Library Week in Texas includes a professional librarian, Miss Lucy Stiefel, director of the Gates Memorial Library of Port Arthur, as executive director and a layman, John Gray, president of the First Security National Bank of Beaumont, as state chairman.

The specific goal of the Texas Library Week is to:

A 1968 edition of World Book Encyclopedia is now on the shelves at the Slaton Library.

Others are "Gulliver's Travels" by Swift; "All of a Kind Family" by Taylor; "The Sound of the Fury" by Faulkner; "Pippi in the South Seas" by Lindgren; "Island of the Blue Dolphins" by O'Dell; and "Ginnie Joins In" by Wooley.

as Library Week committee has been to reach as many people as possible and make them aware of the statewide plan for library development. The program has been designed to continue the work begun by the 1966 Governor's Conference on Libraries.

Three points have been stressed by the Library Week in Texas committee in making Texans aware of their libraries and library services:

- (1) Availability to each Texan of interlibrary loan service through his own local library;
- (2) State standards for library service and how his local library compares with them; and
- (3) Future plans for library cooperation, including the linking of libraries by telephone and Telex.

The state committee concentrated on the theme: "Yours for the asking: Your library card makes possible the riches of libraries of Texas through interlibrary cooperation under the State Library Development Plan. See your library about interlibrary loan."

### Cancer Crusade Needs Volunteer Help For Drive

A special appeal for additional volunteers to assist in the American Cancer Society's 1968 Crusade was made yesterday by Mrs. Horn Pettigrew, Crusade Chairman of the Slaton Unit of the ACS.

The Society's educational and fund-raising Crusade begins April 2.

Thanking those who have already signed up to fight cancer this year, Mrs. Pettigrew stated that additional volunteers were still urgently needed.

This year, for the first time, local Unit Cancer Crusade volunteers will have the opportunity to enjoy a new and highly original training kit, Mrs. Pettigrew said. It has been designed to permit all volunteers to learn the basic facts about cancer. This educational kit is similar to a "monopoly" game. Any number of volunteers can participate, permitting an easy exchange of ideas pertaining to cancer with a view to imparting invaluable information for house-to-house calls. It is aptly titled Lawrence Welk's All Star Crusade Kit, since the noted TV handleading entertainer is the 1968 National Crusade Chairman.

Volunteers are asked to call Mrs. Johnnie Moore at VA8-3329.

### Recipe Of The Week

Mrs. Coy Higgs agreed to share two of her favorite recipes with us this week. She says they are both easily made and recommends preparing the "Sloppy Joe" recipe ahead of time for overnight camping trips.

Mrs. Higgs was born in Slaton and has lived here all her life. She is the daughter of Mrs. Daphne Berkley.

A little six-year-old dog named "Skeeter" seems to get most of the attention in the family. She goes with Mrs. Higgs in the car and is by her side most of the time around the house.

With two lively daughters, Skeeter sometimes does have to take a back seat. The daughters, Rhonda, 10, and Tyra, 13, keep their mother pretty busy. She says she guesses they are her hobby since she spends most of her time doing what they want to do.

She does teach a Sunday School class at the Church of Christ where they attend regularly though. She teaches third grade students.

Mrs. Higgs most especially enjoys playing bridge and is a member of a ladies' daytime club and she and her husband are members of a couples' club.

Her husband is part owner of Higgs & Son Machine Shop and is an auctioneer.

Following are the recipes she is sharing:

**SLOPPY JOE**  
2 pounds hamburger meat  
Cook until brown  
Drain grease if too much.  
Add:  
1 c. chopped onion  
1 c. celery  
1/2 c. Bell pepper  
To each pound hamburger, add one can tomato soup and about 1/2 can water. Cook 30 min.

utes. Salt and pepper. This is delicious when spread on a warm hamburger bun.

**REFRIGERATOR CAKE**  
2 c. sugar  
3 T. Flour  
1 c. melted butter  
1 small can pinesapple  
4 eggs, beaten  
1 c. nuts  
whole vanilla wafers  
Combine sugar, flour, butter, pinesapple and eggs. Cook until the mixture coats the spoon (pretty thick). Add nuts and pour into vanilla wafer lined pan.

**HOMEMADE ICE CREAM**  
3 cans Eagle Brand milk  
1 T. Vanilla  
Fill freezer can to top with milk. Add any kind of fruit you like. Makes one gallon ice cream.

### Local Members Attend Jehovah Witness Session

Meetings for the Lubbock-Central congregation of Jehovah's Witnesses were resumed this week with the regular schedule of Bible study activity being conducted at the Kingdom Hall, 129 Temple Ave.

Local members returned home after attending a 3-day convention at Vernon over the weekend where 538 persons heard the principal speaker answer the question "WHY DOES GOD PERMIT WICKEDNESS?"

"The history of the human family is not a particularly pleasant one," said A. A. Catanzaro, traveling representative from New York who addressed the hundreds of delegates as they assembled in Wilbarger Memorial Auditorium.

A local representative, Mrs. Guy Gentry, in commenting about the convention, said that traveling ministers such as Catanzaro are giving similar Bible discourses all over the world in 197 lands where Jehovah's Witnesses are active.

"All who attended the assembly in Vernon have returned home convinced that they are going to learn more about God and his requirements by stepping up the tempo of their Bible study activity both in the home and in the local congregation," Mrs. Gentry said.

### Athenians Make Plans For Spring Festival

Mrs. Coy Higgs was hostess to the Athenian Study Club Tuesday night.

During the business meeting plans were discussed for the second annual Spring Festival which many civic organizations will participate in. The date for the festival has been set for Saturday, April 29 in the Junior High cafeteria.

A program on the designing of hats was brought to the club by Mrs. Billy Chasteberry, home economics teacher at Monterey High School in Lubbock.

Refreshments were served to 12 members and one guest.

### Mrs. Reynolds Gives Program To Roosevelt YH

The Roosevelt Young Homemakers met last Tuesday in the Roosevelt Club House with 25 members and guests present.

Mrs. Tom Ed Reynolds presented a program on "Jewels of Paper." Mrs. Dan Parker, Roosevelt home economics teacher, gave demonstrations on making paper mache.

Refreshments were served by Mrs. Steve Collaps and Mrs. C. T. Bessent.

An assembly program is planned at 1 p.m. next Wednesday at the school. At that time, a program on "A Visit to Poland" will be presented by Janey Kinney, the Roosevelt community ambassador. This presentation will be of interest to the school as well as to the community.

## We Salute Our City Police Force

This is a first for us. We have never spent our advertising money to salute any group before even though we felt they were doing an especially good job.

We think we have the best City Police Force Slaton has had within our time in Slaton and we base our praise on the fact that these fine men are moving about town and are very evident at peak periods of traffic.

We never see three or four policemen at a coffee bar all at one time or, two or three police cars standing idle while the men gossip. They do not seem to pick out any segment of our people for special favors or persecution.

We think they are doing a good job and our hats off to these men.

## Students Study 'American Heritage'

Many of the classrooms in the Slaton Public Schools have special displays this week for parents to view during Public School Week. Among these rooms are those of Mrs. Willard Childers and Mrs. William A. Carnes at Slaton Junior High School.

An annual assignment for eighth grade English students is to prepare a project on "American Heritage". The projects not only are interesting for parents to see, but these two teachers have an ulterior motive behind it all. Some of the students prepared hand made projects on different subjects while others wrote themes and made attractive notebooks. For background material, they found themselves reading for specific information, finding items, taking notes, writing paragraphs, preparing a table of contents and at the same time learning about our American heritage.

Some of the handwork included a miniature of the White House and its grounds made of sugar cubes which Vicki Hill designed; a flag on a wooden pole that would raise and lower made by Rodney Simmons; a Lincoln memorial statue made of corn starch, salt and water prepared by Terri Sikes and Cindy Hendrix; two liberty bells; pillows decorated with American themes; cup towels embroidered following the theme; and many other good hand-made projects.

If you haven't visited the schools your children attend, you are probably missing a real treat. The doors are open to you --- why not take advantage of the opportunity? After all, it's one of our American freedoms.

Growers bought every pound of Planavin\* Herbicide they could get their hands on last season. Read why.

# Planavin is the cotton-soybean herbicide that gives you more than your money's worth.

Shell's Planavin\* Herbicide gives you more than just excellent preemergence control. Nothing on the market does a better job.

It had to be more than just another good weed killer in order to break in against established competition. Growers found out how good last season. Planavin proved itself under the worst weather conditions in years. It held the fort against most annual grasses and many broadleaf weeds - right through the early period when control really counts. Growers got what they paid for - freedom from weed problems during the time when weeds can strangle young cotton and soybeans. Plus a sound control base that makes season-long control programs simpler and more economical.

Planavin also gives you a bonus. It frees you from immediate incorporation. Takes the pressure off. And it can save you hours of application time.

With Planavin you can spray by ground or air. You can use large rigs, wide booms. Covering large acreage fast saves you hours. There's no waiting for incorporation equipment to catch up. No downtime for custom applicators. The reason? Planavin doesn't require immediate incorporation. You can take your time. Even a few hours of exposure to air and sun won't wipe out your weed control when you use Planavin. Note: When you do incorporate, keep it shallow - no deeper than 1 to 1 1/2 inches. Don't bury your Planavin below the sprouting weeds.

Get Shell's Planavin\* Herbicide early - to keep the pressure on weeds and off you. Shell Chemical Company, Agricultural Chemicals Division: Suite 500, First Bank and Trust Bldg., Richardson, Texas 75080

Planavin is the cotton-soybean herbicide that gives you more than your money's worth.

Shell's Planavin® Herbicide gives you more than just excellent preemergence control. Nothing on the market does a better job.

It had to be more than just another good weed killer in order to break in against established competition. Growers found out how good last season. Planavin proved itself under the worst weather conditions in years. It held the fort against most annual grasses and many broadleaf weeds—right through the early period when control really counts. Growers got what they paid for—freedom from weed problems during the time when weeds can strangle young cotton and soybeans. Plus a sound control base that makes season-long control programs simpler and more economical.

Planavin also gives you a bonus. It frees you from immediate incorporation. Takes the pressure off. And it can save you hours of application time.

With Planavin you can spray by ground or air. You can use large rigs, wide booms. Covering large acreage fast saves you hours. There's no waiting for incorporation equipment to catch up. No downtime for custom applicators. The reason? Planavin doesn't require immediate incorporation. You can take your time. Even a few hours of exposure to air and sun won't wipe out your weed control when you use Planavin. Note: When you do incorporate, keep it shallow—no deeper than 1 to 1 1/2 inches. Don't bury your Planavin below the sprouting weeds.

Get Shell's Planavin® Herbicide early—to keep the pressure on weeds and off you. Shell Chemical Company, Agricultural Chemicals Division: Suite 500, First Bank and Trust Bldg., Richardson, Texas 75080

## POLICE BEAT

BY WALTER HEAD Slaton Police Chief

The most common complaint against our policemen is for issuing some good citizen a traffic ticket.

Some feel that traffic laws and regulations are made for the careless, reckless or indifferent operators who cannot keep out of trouble. Others feel that traffic tickets are issued just for income or revenue, while others think the officer just wants to show his authority.

We don't think of the traffic law violators as criminals, but rather motorists who become a little careless. The purpose of traffic regulations is to "insure that traffic shall move smoothly, expeditiously and safely so legitimate citizens shall not be killed or injured because of improper behavior of others."

Our most common traffic violation -- but one that has improved considerably -- is the failure to stop at stop signs. Also, this violation is the most frequent cause of accidents.

The Slaton Police Department has a traffic regulation enforcement policy that is firm but fair. We feel that a firm and fair policy educates violators to feel that they receive what they deserve, and the same thing will happen to anyone who violates the law.

## Place 3rd Relays

Denver City will be a strong favorite in the lower division. At Idalou Saturday, the Tigers had to score high in the final event, the mile relay, to beat Abernathy for third place. The quartet of Brice Hill, Jimmy Williams, Roy King and Richard Washington brought the baton in second behind Memphis to get the necessary points. Slaton's time was a respectable 3:43.3 in a brisk, cool wind.

Memphis and Olton finished far out front, scoring 129 and 109 points -- compared to Slaton's 54 3/4 and Abernathy's 45 in the next two spots.

Spur ran away with the Division 2 title, scoring 91 points to 41 for Booker and 38 for Idalou.

The Tigers might have scored a few more points if sprinter Carlton Bradshaw hadn't pulled a leg muscle Saturday. Bradshaw qualified in the 100-yard dash and was scheduled on the sprint relay team, but had to be "scratched" after hurting the leg.

Larry Allison, who placed in the two hurdle events, came to the rescue in the 440 relay. He filled in for Bradshaw although he had never practiced a handoff with the baton. The Tigers took second with a 45.4 second time in the relay.

Washington, with a slow start off the blocks, finished third in a fast 220-yard dash field. Winning time was a sizzling 22 flat by Welch of Memphis, and Washington was timed in 22.8 seconds.

Allison placed fourth in both hurdle events, clocking a 16.6 in the 110 highs and a 43.4 in the 330 intermediate hurdles. Jimmy Rogers took a third place in the high jump with a 5-4 leap, and he tied for sixth in the broad jump. Larry Moore tied for sixth in the high jump. Little Ed Cristian took fifth in the mile run. Ronnie Rogers just missed placing in the pole vault.

Others participating for Slaton included Nicky Farrell, Morris Dixon, Louie Scott, Truett Johnson, Wayne Fagin, Tracy Buxkemper, and Johnny Petty.

## Merlin Mystery Show Coming

Awe, skepticism, and bewilderment are just some of the thrills in store for those who attend the performance of "Merlin, the Man of 1,000 Mysteries." This fascinating figure is being brought to Slaton by the Lions Club.

The one-night only show is scheduled Wednesday, March 13, in the Slaton High School Auditorium beginning at 8:30 p.m.

The Merlin Show is a colorful, fast-paced performance, using more than a ton of special equipment and presented by a top-notch entertainer who has amused and befuddled audiences for years by, among other things, reading the minds of people right in their own seats in the audience. If you can concentrate, Merlin claims to be able to read your mind and hypnotize you. It is said that he has often hypnotized individuals with a single glance.

Merlin has made a special study of Oriental Mysteries. The Orient has always been considered the home of the mysterious, the unknown and the uncanny. What is the secret of the fabled Hindu Rope Trick? What is the strange secret of this and other mysteries of the Orient? How is it possible for one solid object to pass through another solid object? What is the secret of levitation? Of hypnotism and mind-reading? Many of these secrets have been carefully guarded for hundreds of years. All these and many more are mysteries at which Merlin is a past-master.

# Forgiveness

"And their sins and inequities will I remember no more."  
—Jeremiah 31:33

There is forgiveness. Without it there would be no promise of salvation. In the agony of death, Christ was forgiving.

It is often difficult to be forgiving. It is the nature of mankind to react when offended, to strike back, to return hurt for hurt.

And, for some of us, forgiving is a public gesture, something for show. As they say, "we forgive, but we do not forget."

Many of us would be lost forever if one false step completely ruled out the promise of eternal salvation. We are human beings and, therefore, we are far from perfect.

We need to be as quick to forgive others as we are to excuse our own transgressions. This is the Christian way. This is according to the examples set down for us in the life of Christ upon earth.

Girls Choir soloists will be Martha Elder, Debbie McWilliams, Jo Ann Roberts, Jo Pratt, Josephine Eckert, Laura Childers, Connie Bailey, Kathie Mann, Rena Briseno, and Marie Scott. Soloists for the Mixed Choir will be Kathy Tumlinson, Resa Martindale, Lynette Davis, Betsy Bryant, Paul Hall, and Stanley Sumnerall. Some 132 students in Mixed Choir and Girls Choir will be participating in South Zone Choral Contest at Monterey March 16. Both choirs are practicing three songs and will have a clinic at school in the next two weeks.

## Annual FHA Banquet Held

"Morals and Manners Count" was the topic chosen by Dr. William S. Banowsky, speaker of the evening at the annual FHA banquet. Following his talk, Diane McMeekan crowned Jimmy Williams Big Sister Beau and Melody Cooper crowned Leland Kuykendall Little Sister Beau. The theme, Stardust, was carried out in blue and silver. Silver stars were suspended from the ceiling with blue crepe paper strung from the lights. The stage was set with a park scene and a small fountain in the background. Debra Greenfield gave the devotion. JaNette Gass sang "Moon River" accompanied by Karlene Eastman.

## DE Banquet Set March 29

The first Distributive Education banquet will be held Friday, March 29, in the Slaton Junior High Cafeteria. The banquet honors all D. E. students, their employers, and other guests. The program will be presented by the students, except for the main speaker, Mr. Bramble. Jackie Horton will be master of ceremonies. The display case at Slaton High School was also a project of D. E. classes. The display case shows advertisements made by the students during a recent unit on advertising.

Allison also placed fourth with a time of 43.4 in the intermediate jump. Richard Washington placed third in the 220 yard dash with a time of 22.8. Edward Cristan placed fifth in the mile run with a time of 5:05. Jimmy Rogers placed third in the high jump with a total of 5 feet 4 inches. Rogers also tied for sixth place in the broad jump with a total of 18 feet 3 inches. Larry Moore cleared 5-2 in the high jump to tie for sixth place. ## Archery Expert Gives Program

Duke Gordon, international archery expert, appeared in the Slaton High School Gymnasium Feb. 26, to give an archery demonstration. After being introduced by Student Council President Bobby Ball, Mr. Gordon explained to the student body the various interesting facts of archery. He discussed the two major techniques employed. These are the "instinct" method, which Mr. Gordon uses, and the "aiming" method. After his preliminary instruction, he proceeded to demonstrate his skill with a 36-lb test bow against a target at distances from 30 to 60 feet. He did this by shooting arrows into the bullseye and then by shooting the bow with his feet to pop balloons on the target. Mr. Gordon also shot balloons from between the arm and head of a dummy and off the top of the dummy's head. To the surprise of several members of the audience, Mr. Gordon called upon Larry Allison to exhibit his skill with the crossbow pistol, Beverly Arants using a blowgun, and Leslie Bukemper using a crossbow. Toward the end of the exhibition, Mr. Gordon exhibited his skill in performing difficult tricks with a moving balloon target.

## SURPRISE RALLY

A surprise pep rally was held Thursday, February 22, in honor of the Slaton - Springlake basketball game. A short talk by Carroll McDonald was focused on "jamming the gym" for the Springlake game. Dee Bowman then took over for a little competition between the classes for "Mr. Jam the Gym." Skipper Woods was selected by applause from the audience and crowned by Rita Payne. Other contestants were Terry Mosser, Monte Polk, and Dennis Brooks.
