THAT WE MIGHT LIVE

EASTER 1968

Easter is a joyful occasion throughout the civilized world. All over America, the churches enjoy record attendances.

While we join in the outward observance of Easter—the egg hunts, the new finery, it is well to pause and think about the spiritual reason for the celebration.

Here is how it was described in the gospel of St. Matthew:

“And the angel answered and said to the women, ‘Fear not ye; for I know that ye seek Jesus, which was crucified. He is not here, for he is risen, as he said. Come see the place where the Lord lay. And go quickly and tell his disciples that he is risen from the dead; and behold, he goeth before you into Galilee; there ye shall see him. Lo, I have told you.’”

Civilization has come a long way. It's a good time to count our blessings and let good deeds speak for us.

City Discusses Police Policy

With Mayor Jonas Cain out of town on an emergency trip, Slaton City Commission held an abbreviated regular session Monday night, approving bills and discussing several matters.

Mayor pro-tem Rudy Dominguez presided at the meeting, which saw Dr. David Hughes, newly-elected commissioner of Ward 2, initiated to the governing body. Hughes was sworn into office last Friday.

A Lubbock attorney, Minor Pounds, appeared at the meeting to discuss interpretation of a law enforcement issue. He represented Gene Carpenter, and the question concerned a new state law requiring thumbprints on conviction of driving without a license.

Retail Meet Called Here

A general meeting of retail businessmen has been called for tonight (Thursday) at 8 o'clock in the Reddy Room, it was announced by Dick Hartman, chairman of the Slaton Chamber of Commerce retail trade committee.

Purpose of the meeting will be to discuss a proposed television advertising program, sponsored by city merchants, to promote shopping in Slaton. Promotion would be directed at the “no city sales tax” factor. All Slaton businessmen are invited to attend the meeting.

The re-election of trustees Don Kendrick and Tommy Davis was certified, and a re-organization of Slaton School Board was held Tuesday night with all officers being re-elected.

Joe Miles is the president; Willie Heinrich is vice president, and Kendrick is secretary-treasurer.

A canvass of the ballots in Saturday's school election showed Kendrick with 154 votes and Davis with 133 to win re-election to second terms. Challengers Steve Ruiz and Guy Gentry polled 80 and 73 votes, respectively.

Election officials reported that a total of 256 were cast in Saturday's school district election. The re-elected trustees signed their oaths of office at the meeting Tuesday night.

In other action at the monthly session, the board went into a further study on election of teachers for next term, continued a study of proposed policies and procedures, and approved bills.

A complete list of teachers elected for next school term has not been released by the board as yet.

Supt. Lee Vardy reported that the president of the Slaton Classroom Teachers Association desired to meet with the board to discuss several policies. The board invited him to appear at the May meeting.

All members of the board were present for the session. They include: Miles, Heinrich, Kendrick, Davis, M.J. McSweeney, Ted Swanner and Jack Clark.

Area Election Results Listed

Close decisions at the polls were reflected in Slaton area city and school elections Saturday.

Only two votes separated the top candidates in Wilson's municipal election, with Carl Gryder and J.W. Morton being named to the city council with 41 votes each. Jerry Don Ross was runner up with 39, and Jackie Bishop had 33.

Six candidates were in the race for three spots on the Wilson School Board. One incumbent, Reuben Sander, was re-elected while another missed by four votes. James Savell and Sander led the ballot with 115 votes each, and Curtis Wilke won the third seat with 95 votes.

The other three Wilson candidates were Roy L. Kahlich with 91 votes, Alfred Clary 45, and Loyd Anders 42.

There were also six candidates for two berths at Roosevelt. Incumbent Buddy Hettler was re-elected with 46 votes, and Tommy Adams won the other trustee post with 34 votes.

Incumbent Bob Park had 27, James Daniel 12, Delmar Hightower 17 and Wesley Davis 9. Three trustees were elected at Cooper from a field of five candidates. Incumbent Malcolm Pate led the ballot with 56 votes. Also elected were Clifford Robertson with 47 and James Smith with 36. Dick Cade polled 25 votes and Edgar Ehler 22.

Billy Lester was re-elected to the Southland School Board, and Robert Mock won the other seat, which was vacated by H.R. Dabs. Arlie Nelson was a third candidate in the race.

TIGER CLUB SETS LIGHT BULB SALE

Slaton Tiger Club, an adult booster organization, will sponsor a “light bulb sale” Monday evening, it was announced this week by president Bob Kern.

Tiger Club members and high school athletes will conduct a door-to-door sales campaign on the light bulbs. The sale will get underway between 5:30 and 6 p.m. Monday. The club uses proceeds to aid the school's athletic program.

MYF CAR WASH

The junior high students of Methodist Youth Fellowship will sponsor a “Car Wash” Saturday at the First Methodist Church, beginning at 10 a.m. and continuing to 4 p.m.

MYF youths are working to raise funds for a summer trip. Cost for a wash job will be \$1.

AT RAILROAD HEARING MONDAY

Six Slatonites Testify

Six of the 15 witnesses who testified at the one-day Lubbock hearing conducted by the Texas Railroad Commission Monday were from Slaton. The hearing was prompted by application of the Santa Fe Railroad for discontinuance of Santa

Fe trains No. 75 and 76 between Houston and Farwell, Texas. James H. Cowden, Railroad Commission examiner, Austin, who presided at the sessions in the Pioneer Hotel, recessed the hearing at 5 p.m. for resumption yesterday in Brownwood. Third and fourth sections of the hearings will be in Temple on April 15 and at Houston April 17.

Police Seek Station Burglar

Slaton police were investigating a burglary of a service station this week, and reported six jail arrests. A total of 15 traffic tickets were issued.

The burglary occurred at Becker Bros. Mobil station, where about \$150 in cash was reported missing when the break-in was discovered early Saturday morning. Entry was gained to the station office by breaking a window.

Police arrested a teenage suspect in the theft of stereo tapes from an auto last week. Joe Fondy reported the tapes were stolen from his vehicle while it was parked in front of the high school. The tapes were recovered and the suspect released in the custody of his mother until further investigation has been made.

Eldon Allison reported the theft of a battery from the bed of his pickup at 215 So. 16th St. Monday night. He gave police a partial description of the thief and the vehicle he was driving. Investigation is continuing.

One case of vandalism was reported at Don Crow Chevrolet, where the vinyl top of a car apparently had been cut with a knife. Damage was estimated at \$100.

Police arrested three for vagrancy the past week, and listed one minor for consumption of alcoholic beverage.

Easter Egg Hunt Set Saturday

The sixth annual KCAS Easter Egg Hunt will be held this year in the City-County Park, beginning at 10 a.m. Saturday. All children of the area are invited to come and hunt the 4,000 eggs that will be hidden. A 12 foot Easter bunny will be there to make the morning more fun for the children.

Griffin Heads New Officers Of Lions Club

Cecil Griffin, Forrest Lumber Co. manager, was elected as Slaton Lions Club president for 1968-69 during the regular weekly club meeting Tuesday at Bruce's Restaurant.

Griffin and the other new officers will be installed and assume duties in June. Griffin has served as a vice president and Lion tamer. Speedy Nieman is outgoing president.

Other officers elected Tuesday: Glen Akin, 1st vice president; Gerald Kendrick, 2nd VP; Clarence Vaughn, 3rd VP; Arvin Stafford, secretary-treasurer; Bud England, tall twister; Jim Newhouse, Lion tamer.

New directors named for two-year terms are J.W. Holt, Truett Bownds and Kenneth Henderson. Holdover directors are Joe Miles, Dick Hartman and Steve Smith.

Sgt. Glenn Farmer was guest speaker for the club's luncheon meeting. He outlined duties of a police sergeant and told of the in-service training being provided for new officers in Slaton. Gerald Kendrick introduced the speaker.

Ansil O'Neal, new Pioneer Natural Gas Co. manager, was a special guest. Two Brownfield Lions also visited the club. They were David Nicholson, candidate for district governor, and Fred Harwell. Joe Miles was named chairman of the club's Spring Festival project.

ection daily will be maintained for at least two months, he indicated.

Slaton witnesses included Councilman Henry Bollinger, Mrs. Fannie Patterson, Mrs. W.O. Townsend, Mrs. Jim Elliott, Ralph Hayes and Mrs. J.A. Barnes.

“Slaton would not be Slaton without John Santa Fe”, Mrs. Elliott testified.

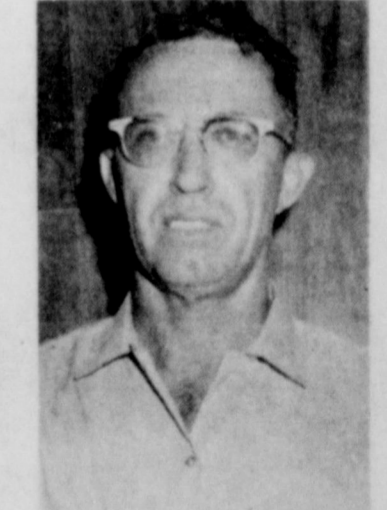

A witness from Lubbock said there was a special need for the train for transportation of county medical cases to Houston and Galveston hospitals.

The Monday hearing, with reams of prepared testimony offered, and with protests from rail passengers and “would-be passengers”, is expected to set the pattern of the other hearings.

Area rail employees were much in evidence at the Lubbock meeting, and representatives made themselves known from groups and Brotherhoods including operating engineers, railroad trainmen, conductors and brakemen, clerks, locomotive firemen, and engineers.

Floyd Cross, commissioner of the State Corporation Commission of New Mexico, Santa Fe, took the stand at the meeting and in referring to mail contract losses cited by the railroad, said, “the Post Office Department did not order the Santa Fe or any other railroad to cease carrying storage mail; that is, second, third and fourth class mail on passenger trains, but rather agreed to give the carrier the option of carry-

Convention Here May 18-19

Plans were made for the Seven Convention of the Foreign Wars of America when 12 members of the local auxiliary met at the VFW Hall on Monday night. The convention will be held in Dallas on May 18th and 19th. Plans for the convention are being made by the officers of the local auxiliary. Mrs. Bo Becker is outgoing district president and Mrs. Bo Becker is outgoing district president.

Dewey Nelson, Keith Price, Joe Nelson, and Roberta Reed, Alternates are Mmes. Cecil Scott, E.L. Phillips, Faye Harris, Leona Lamb and Rotha Johnson. At Monday's meeting, the group voted to donate to the Texas Youth Conference Program. It is a program that was newly adopted by the Council of Administration last June and "helps to make youth a part of the solution--not part of the problem". It is sponsored by the privately financed Texas Law Enforcement and Youth Development Foundation. A Talent Festival will take place in July in Austin.

Mrs. Lois Polk and Miss Kathy Mann were elected to membership and will receive the Obligation of the Order at the next regular meeting.

Plans for the Cake Walk to be held at the Spring Festival were completed. Members wishing to know information about the project should call VAS-3961.

A salad supper planned for the next regular meeting was postponed and reset for installation night on May 13. Mrs. Bo Becker was recipient of the door prize.

It's a woman's WHIRL

BY LAVON NIEMAN

Like it or not, that time of year is nearly here. Some curse it and some praise it but either way you look at it, it's daylight saving time.

For me, it just means for six months I'll most likely be putting in one more hour of work at the office than usual. This so-called time-saving feature goes into effect at 2 a.m. April 28 and will continue six months ending at 2 a.m. Oct. 27. In April clocks will be advanced one hour and in October set back an hour. It just all seems like it's something to make us more confused than we normally are confused.

I am told that Texas could vote itself off DST at any time prior to April 28 BUT Texas Legislators will not have a chance to review the law or the public's opinion of DST this year until after DST goes into effect. For those fortunate people who punch a clock and go to work at eight and leave at five in the afternoon, it probably is ideal because it gives them more time in the afternoons for golf, working in the yard and such things that require daylight. But if it's like last year, I'll just stay at the office an hour longer every afternoon.

I welcome your comments on Daylight Savings Time. If we had a vote, how would you vote?

WW

Humorist Bill Adler collected the following bouquet of unbelievable letters directly from the files of the Internal Revenue Service in Washington, D.C., every one of them absolutely authentic:

"DEAR SIR: I received the notice from your 'idiot box, commonly called computer' indicating that I owe you \$5 plus 11 cents interest on my 1963 tax return. I know it is common practice for your service to charge taxpayers for information rendered to them about their returns. I am enclosing herewith a bill for my services, and telling you that the computer forgot to apply the \$5 filed with my estimated tax return. Please refer to line 19-b. Inasmuch as my time is extremely valuable, it seems to me that the charge I have made for my services in straightening out your computer is most reasonable. Your prompt remittance is appreciated so that I will not have to start charging interest on the amount you owe me. Sincerely yours."

"TO WHOM IT MAY CONCERN: This is to certify that my sister has contributed more than \$600 to my support for my past year. This includes: groceries, medicine, clothes, doctor bills, hospital and funeral expense. Yours truly."

"GENTLEMEN: We would like to obtain a copy of your study 'Where Millionaires--and others--get their money--referred to in the July issue of U.S. News and World Report, Page 8. If this material is available without cost, we should like very much to have it for addition of our permanent reference library. Please use this address in replying: Librarian, State Prison. Sincerely yours."

"COLLECTOR OF U.S. INTERNAL REVENUE: I am not in this country long, and does not have Forma 1040A or Forma 1040. I make interest 1959 for \$1.23. Enclosed by last page check. Please take what you want and send me the monee back what is left."

"DEAR INTERNAL REVENUE: I've always paid my income tax in the past because I was afraid of going to jail if I didn't. Now, I read in the papers and hear on the TV and radio that this is a matter of voluntary self-assessment. If it's voluntary, I don't want any part of it, so you can have your forms back."

"DEAR SIR: My wife went to pay my income tax last Friday and I haven't seen her since, so will you please let me know if it has been apid. It not, will you please send me another form for me to fill out. Respectfully."

"SIRS: Borrowed cow, cow fell in ditch and broke her leg. No cow, no milk, no money. Is there a deduction there?"

Engagement Announced

Leisa Rea Wins In Durant Meet

Leisa Rea, 7, daughter of Mrs. Nan Rea, participated in the Lake Texoma Open Twirling Contest at Durant, Okla., last weekend, bringing home a first place trophy in military strut in the 0-10 division.

In the 7-8 age group, Leisa won second in fancy T strut and solo; fourth in basic strut; and fifth in Miss Texoma Sweetheart. In the 0-10 group, she also won third in dance twirl solo and flag; and fifth in two-ton.

FAMILY POT LUCK

A Norwegian homemaker suggests broiled sardines with cream sauce as a quick luncheon treat. To regular cream sauce, add quarter cup of bread crumbs and two chopped eggs. Broil contents of can of Norway sardines and arrange on buttered whole wheat toast. Cover with sauce and sprinkle with paprika. Serve piping hot. Macaroni products, a low fat form of wheat, are available in over 170 different and interesting shapes. They offer endless opportunities for variety and stretchability in menu planning. Many meats will be lower in calories as well as more palatable if you heed the recipe instruction of pouring off drippings after browning.

Stansells Attend Meet In Austin

Mr. and Mrs. R.F. Stansell, representing the Slaton Lodges of the Brotherhood of Railroad Trainmen and the Ladies Auxiliary, attended a legislative meeting in Austin April 1-3.

All Texas lodges were represented at the meeting which was called to elect new officers and handle legislative matters. Mrs. Stansell was elected chairman of State Board of the Ladies Auxiliary at a meeting which was held at the Commodore Perry Hotel.

One hundred trainmen, wives and guests attended the banquet on Tuesday night. Al Chesser of Washington, D.C., National Legislative Representative for the Brotherhood of Railroad Trainmen, was the principle speaker.

Mr. and Mrs. Bill Baker of San Angelo are planning to visit in the home of Mr. and Mrs. M.H. Ardrey this weekend. The Bakers are former residents of Slaton.

SCIENCE FAIR--Gordon Becker, right, first place winner in the junior division of the Science Fair held recently at St. Joseph's School, shows his "vivarium" to Martha Pivonka, left, third place winner in the junior division, and Dwayne Mosser, first place winner in the intermediate division. Miss Joyce Clark, Tech student, left Monday for a week's visit in Galveston with her sister, Norma Ann, who teaches school there. They plan to leave Friday for Corpus Christi to visit Lt. and Mrs. Robert Stable and baby. Mrs. Stable is the former Betty Jean Clark. Joyce will return home Monday.

Mrs. G.E. White of Lubbock spent a few days last week with her sister, Mrs. M.E. Morris. On Wednesday the two women visited another sister, Mrs. J.F. Manly in Post. Mrs. Manly was a patient in the hospital because of a heart attack she had suffered recently. She was much improved.

Science Fair Winners At St. Joseph's

Winners were named last Wednesday afternoon in a Science Fair which continued through Friday at St. Joseph's School. Judging the exhibits was W.A. Carnes, Slaton High School science teacher.

First place winner in the junior division, which includes grades 7-8, was Gordon Becker who built a "vivarium" showing different species of earthworms. Second place winner was Walter Denzer with his simulated telegraph; and third place went to Martha Pivonka who exhibited molecules of hydrocarbons.

Honorable mention ribbons went to Greg Wendel for a weather station; Mary Dworaczek for an illustrated map of Texas crude oil production; and Gilbert Escobar for a projector.

Dwayne Mosser won first place in the grade 6 intermediate division with his exhibit of a reflecting telescope. Honorable mention winners in that division were Johnny Denzer with a suspension bridge and Judy Pivonka with a geological diorama.

The three junior division winners will enter the Regional Science Fair Apr. 20 at Lubbock Christian College.

Oildrivers
World War II submarines were really, in effect, surface ships capable of intermittent submersion. They could attain nine knots while submerged and go about 20 miles at this speed -- no faster, no further, because they were driven by storage batteries that had to be recharged on the surface.

Girls Will Wear Curls This Summer

Curls and girls have always gone well together. This Summer, though, the combination will be particularly popular and effective. No less an authority than the Official Hair Fashion Committee of the National Hairdressers and Cosmetologists Association has announced that the curly look will dominate the Summer hair fashion picture.

To emphasize its point, this hair fashion authority has named the new styles for Summer, the Tender Curl Hair Fashions. This strong trend to curls was anticipated last Spring when curly coiffures were given a big play at practically every important fashion showing in the United States and abroad. As the summer season unfolds, the curly styles will continue to pull the various clothing looks in the fashion world together.

However, cautions the Official Hair Fashion Committee of NHCA, your curly look for Summer will have to have a decidedly soft touch to harmonize with the feeling of romance and femininity that is such a vital part of the fashion season.

While curls had an admittedly contrived look last Spring, Summer curls must be softer, more airy and more natural in appearance. Also, the curls must be more playful and carefree, literally tumbling and fluttering around in all of the casual play of Summer.

Important note, too, the hair must have a touchable look. It must be soft and pretty. This calls for constant care and hair conditioning to guard against any harm from sun, wind or water.

Though the placement of the curls in each Summer style depends upon the needs of the individual for whom the style is designed, generally, the curls embellish the sides, forming a horizontal oval to the silhouette of the head when it is viewed from the front.

However, where facial requirements call for additional height, curls at the sides are dressed more closely to the head and additional curls are added to the top to form a vertical oval.

The soft curls can be your own, but a great play will be given to convenient pin curls and curled hair pieces, because of the ease with which they can give you that important soft and pretty look after sports and pool activities.

The open forehead and side parts are strong features of the new Summer hair fashions. Nevertheless, bangs of soft curls, or sweeping waves of shiny hair are used whenever required for brow or hairline correction.

Essentially, the Tender Curl Hair Fashions continue the trend of small and dainty heads. This calls for comparatively short hair. Hair at the crown has but a slight and natural lift, which continues through the back crown area. From the crown and to a closely fitted nape, the hair follows the natural contour of the head. This gives the coiffure great ease of care during Summer, as well as a highly graceful and feminine balance.

The length of the hair will vary according to the needs of each individual. However, the greatest lengths are usually in the upper crown and top areas. The shortest hair is in the nape for a close look in the finished style. Definitely out are any severe geometric outlines, since the finished haircut must reflect a romantic and feminine feeling.

For hair coloring, multi colors will be used for soft shadings among the blonde and beige tones. Redheads and brunettes will be lit with flecks of bright copper and gold tones, but so discreetly that they will give every appearance of nature.

Make-up reflects the soft touch that is the keynote of the hair fashion picture. Skin tones range from a creamy-dreamy look to a golden touch of the sun, but all must be soft and natural in appearance, including softly shaded eyes and naturally dewy lips of true but soft hue.

Sales Course Set in Slaton

Human motivations and sales techniques involved in successful selling will be discussed in a four-day course on "Motivational Selling," to be conducted in Slaton April 22-25.

The course, sponsored by Slaton Chamber of Commerce, is brought to Slaton businessmen by the Distributive Education Department of the University of Texas and the Texas Education Agency.

The 10-hour course will start Monday, April 22, at 7:30 p.m. in the Reddy Room of Southwestern Public Service Co. The schedule calls for 2 1/2-hour classes for four nights. A fee of \$4 per person will be charged.

Pat Batis, merchandising, advertising, and sales specialist for the University's division of extension, will conduct the 10-hour course. He has had wide experience in the field and had written a sales training manual for specialty stores. He conducts the sales courses throughout Texas.

Motivational selling is designed for employees and employers in retail or wholesale selling. The course will cover discovery and use of motivations, as well as how to apply successful selling methods to these motivations.

Reservations for the course may be made and additional information obtained by calling the Chamber office, 828-4238.

PRACTICING FOR CONTEST--Three Slaton students who are entrants in the Talent Show held April 20 at the Junior High Cafeteria are shown practicing. Paul Green, organist for Slaton Schools, is accompanying them on the piano. Entrants are Toni Louisa, who will play the violin; and Johnny Ray Harris, who will play the organ. Others are invited to enter the contest. (SLATONITE PHOTO)

Talent Show Entries Still Being Accepted

With 11 booths already on the list for the annual Spring Festival, Mrs. Ed Moseley, chairman, reported that the Mercy Hospital Auxiliary will also have a booth. It's booth will cater to children.

The festival will be held Saturday, April 20, beginning at 4 p.m. in the Slaton Junior High Cafeteria. Admission is 25 cents.

A talent show has been set for 8 p.m. with prizes of \$7.50, \$5, and \$2.50 to be awarded to the winners. Mrs. Harley Martin, chairman for the talent show committee, said there have already been several entries from Slaton and area towns. It is still not too late to register as an entrant in the talent show, but you should get in contact with Mrs. Martin, phone 996-2218 or Mrs. Dee Bowman, phone VA8-3825 as soon as possible.

Cross concluded: "We in New Mexico strongly urge this Commission to consider these trains in light of their true interest nature and their past, present and future value as a feeder service between Houston and the West Coast, not merely as a set of trains between Houston and Farwell."

R.D. Shelton, vice-president-operations for Santa Fe testified that "out-of-pocket deficit (on the passenger trains through Slaton) for 1967 amounted to almost \$900,000."

Others from Slaton attending the meeting were Mr. and Mrs. Barney Wilson, Mr. and Mrs. R.F. Stansell, Mrs. Ed Lot, Mrs. Alvin White, Mrs. Walter Smith, A.L. Paschall, B.C. Martin, Sam Phillips, Howard Hord, Charley Dickson, Clarence Heaton, Herschel Glasscock, George and Tony Privett and D.W. Thompson.

Outbreak Of Distemper Noted

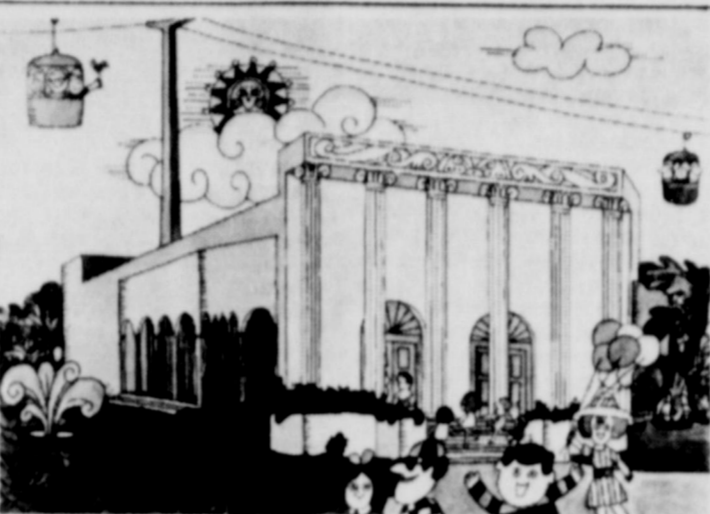

Although not yet termed an "epidemic," there has been an outbreak of distemper among dogs in Slaton.

A check with Slaton Veterinary Clinic Wednesday revealed the staff had treated 10 severe cases of distemper in the past 10 days. A spokesman estimated there have been twice that number not taken to the clinic. He said several cases had been treated from Post.

Distemper is a common contagious disease of young dogs. It can be contracted from the air they breathe. According to the World Book Encyclopedia, it usually begins with loss of appetite, chill, fever, reddened eyes, and dry muzzle. Later there may be infections in the lungs, intestines, or nervous system. If the infection is in the nervous system, the dog may suffer from convulsions and may die, or it may suffer from a muscular twitching called chorea.

Distemper can be prevented by vaccination with specially prepared vaccines. A permanent vaccination can be given to older dogs from eight weeks up and a temporary vaccination to puppies. If a dog which has had a permanent vaccination has been badly exposed, a booster shot is recommended.

It is unlikely for cats to contract distemper from dogs. And for those mothers who have been calling the clinic for information about their children contracting the disease, they need not worry. As for their dogs, a vaccination for distemper is highly recommended.

An exciting new addition for 1968 at SIX FLAGS Over Texas is a \$180,000 air conditioned Music Hall seating 1,200 guests. Regularly scheduled shows starring collegiate talent will be presented throughout the day, beginning April 13 when the giant 140-acre family entertainment center opens for the season.

SIX FLAGS OVER TEXAS SETS APRIL 13 OPENING

Arlington, Texas—SIX FLAGS Over Texas, the 140-acre, multi-million-dollar historical-theme park located midway between Dallas and Fort Worth, has set April 13 as its opening date for the 1968 season. Lavish changes, new attractions and rides, and other projects stemming from a \$2,000,000 expansion program are in store for SIX FLAGS visitors during 1968.

SIX FLAGS will operate in the Spring on Fridays from 5-11 p.m. and on Saturdays and Sundays from 10 a.m. to 10 p.m. Starting May 25 and throughout the Summer, SIX FLAGS is open seven days a week from 10 a.m. to 10 p.m. After September 2, until closing December 1, operations will be on weekends only from 10 a.m. to 8 p.m.

The Amphitheatre in the Confederate section, where talented collegians present bright and original musical variety shows, has been torn down to be replaced with a new and beautiful \$200,000 white-columned, enclosed, air-conditioned theatre which will be known as the "Music Hall." Talent scouts from SIX FLAGS are nearly completed with an extensive audition tour covering about 250 colleges in the South, Southeast and Midwest, picking outstanding performers for this year's shows. The Mexican section of the Park, with its Fiesta Train Ride, has been completely redone to the tune of \$400,000 to make it even more colorful and exciting. Imagine passengers' reactions when the sombrero-topped trains run through an erupting volcano,

just to name one innovation. Sid and Marty Krofft, world-famous puppeteers, will present at SIX FLAGS this year The Krofft Bros. Puppet Circus. The spectacular \$350,000 production, which includes a new 1,200-seat theatre costing \$200,000, will stage shows 10 times each day. SIX FLAGS, which introduced the first Log Flame ride in the country in 1963, has added another \$350,000 model for 1968 because of its popularity and appeal.

Angus G. Wynne, Jr., creator/developer of SIX FLAGS Over Texas and president of the parent company, Great Southwest Corporation, said, "We are anticipating an even larger attendance in 1968 than last year's record of 2,036,000 visitors. And this year our guests and their families will be able to enjoy and participate in SIX FLAGS' activities in even greater comfort, because we have increased our capacity to handle 29,000 visitors per hour on the rides, attractions, and shows, as compared to 22,000 per hour in 1967."

Tickets are \$4.50 for adults and \$3.50 for children under 12 years of age. As in prior years, the one ticket purchased at the main gate enables visitors to ride all the rides and see all the attractions and shows as often as they wish during the day. SIX FLAGS, with nearly 11,000,000 visitors since opening in 1961, is the most popular single tourist attraction in the State of Texas, according to the Texas Tourist Development Agency.

Peak Tornado Season Near

AUSTIN, Texas...C.O. Layne, State Coordinator of Defense and Disaster Relief for the Texas Department of Public Safety, today reminded Texans that the peak tornado season is approaching.

"Statistics from the United States Weather Bureau's State Climatologist indicate that Texas again led the nation in total tornadoes last year, with an all time record of 232," Layne said. The 1967 figure compares with the 77 twisters confirmed in the State during 1966. Only two months in 1967, January and November, were free from tornadoes. September accounted for more than half with a total of 124. Of the September tornadoes, 115 occurred in connection with Hurricane Beulah.

There were two twisters in February, 11 in March, 17 in April, 34 in May, and 22 in June. Other totals included July with 10; August, five; October, two; and December, five.

A circular of tornado safety rules has been prepared by the Department of Public Safety, and will be available Monday at the Slaton Post Office, City Hall, or Fire department.

Transition Help
Under the Defense Department's "Project Transition" program, up to 500,000 disadvantaged servicemen will receive special education and instruction to make them employable when they return to private life. The concentrated course in labor skills is conducted during the last months of military service.

FIVE EARN TRIP TO REGION

Tigers 2nd in 4-AA Meet

The Slaton Tiger track team finished a strong second to Denver City in the 4-AA meet at Frenship Friday, but SHS qualified only one relay team and four individual entries for the Regional meet at Texas Tech April 19-20.

The Tigers chalked up only one first-place in the meet, and that came on Richard Wash-

ton's winning sprint in the 440-yard dash.

Denver City was meet champion with 161 points, followed by Slaton with 113, Midland Carver 65, Stanton 64, Post 39, Frenship 37, Morton 11. The Mustangs landed 11 individual places and both relay teams for the region meet.

Although the Mustangs still

grabbed a major share of the regional qualifiers, the team victory was by the lowest margin ever in 4-AA league competition. Last year, D.C. had 214 points to 104 for Slaton.

Of the four individual places landed by Slaton, sophomore Jimmy Rogers claimed two by placing second in both the pole vault and high jump. Larry Allison was second in the 120-yard high hurdles, and Washington won the open quarter to account for the other spots.

Rogers' surprise performance as a soph earned him a tie for high-point honors among the Tigers. He and Allison accounted for 18 points each, followed by Washington with 17 and Jimmy Williams with 11.

The Tiger sprint relay team took a second-place finish to earn a trip to region. It was composed of Allison, Carlton Bradshaw, Williams and Washington. Only first and second-place winners go to regional.

The Slaton mile relay team just missed a second-place ribbon when Washington made a

desperate bid to overtake the leaders on the final lap. Denver City and Carver were about 30 and 20 yards out front when Washington got the baton, and he finished about five yards back of Carver.

Allison just missed qualifying in the intermediate hurdles, too. He was headed for a second-place finish but hit the final hurdle, lost his stride and wound up in third place.

Slaton had two other third places. Andrew Jones was third in the broad jump, and Larry Moore took third in the high jump.

Fourth places included: Bradshaw in the 100-yard dash; Roy King in both hurdle events; Williams in the 440; Louie Scott in the 880; Edward Cristan in the mile run; and Truett Johnson in the discus.

Besides taking the two second-place ribbons, Jimmy Rogers also placed fifth in the broad jump. Ronnie Rogers was fifth in the pole vault, and Paul Hall was sixth in the 100,

CENTURY CLIMAX--The finish of the 100-yard dash at the 4-AA meet in Frenship Friday was a little crowded with eight speedsters. Gary Hatfield and Hernandez of Denver City finished 1-2 at the tape. Carlton Bradshaw of Slaton,

second from left, and Paul Hall were caught at the Slaton coaches Ernie Davis and R.G. Copeland (left photo) eye the the finish.

Tigerettes Second At Track Meet

The Slaton Tigerette track team held second place in the uncomplete Division 29-A meet this week, after Littlefield took the lead in running events at Lubbock Christian field house Tuesday.

Marilyn Davis won a blue ribbon in the 440-yard dash and a second in the high jump; Linda Johnson was second in the 220-yard dash, and the mile relay team finished second to account for a major share of Slaton's 83 1/2 points. Littlefield leads with 132.

Field events are to be held Monday, beginning at 5 p.m., at Idalou. The meet was originally scheduled on the Frenship track Tuesday, but was moved to the LCC field house because of rain.

The first two qualifiers in each event will run in the regional meet scheduled April 23 at Kress.

Idalou led the small-school meet in Division 29-B with 148 points, followed by Roosevelt

with 117. Slaton's junior high team, composed mostly of 8th graders, was in third place with the field events still to come. Roosevelt is first with 76 points, followed by Shallowater with 64 points and Slaton with 62.

Freshman Track Team Third In District Meet

The Slaton freshmen rallied for a second-place ribbon in the final event--the 1320 relay--to tie for third place in the district freshman track meet at Frenship Friday.

Frenship was frosh champion with 140 points, followed by Denver City with 109, Slaton and Stanton with 69 each, Morton 47, Carver 26 and Post 24.

In the junior high meet Saturday, Slaton didn't fare as well in the 7th and 8th grade divisions. Both teams escaped the last-place standings, however. Joe Johnson and Roby Hartman sparked the freshman team in its quest for points. Johnson was third in the discus, third in the 330-yard dash and ran on both relay teams.

Hartman was on both relay teams and placed fourth in the discus. The sprint relay team finished third, with Alan Fondy and Terry Woolver joining Hartman and Johnson.

The 1320 relay was composed of Glen Akin, Fondy, Hartman and Johnson. Mario Avila placed fourth in the 1320 run, while Larry Becker scored a third-place finish in the 660.

On Saturday, the 8th graders were 5th in the 880-yard relay and sixth in the 440 relay. Randy Davis tied for 3rd in the high jump. Preacher Jones was 5th in the 100, and Bobby Dillen was 6th in the 660.

Steve Ethridge was second in the discus and third in the 120-yard low hurdles to account for the 7th grade points.

PVT. RUDY NAVA

Rudy Nava Finishes Course

March 27--Marine Private Rudy Nava, son of Mr. and Mrs. Pete Nava of Wilson, Tex., was graduated from eight weeks of recruit training at the Marine Corps Recruit Depot here.

He will now undergo from two to four weeks of individual combat training and then, after leave at home, will report to his first Marine Corps assignment.

The intensified Marine recruit training emphasizes rigid physical conditioning and survival techniques, both at sea and ashore, to develop self-confidence and endurance. Marksmanship with the M-14 rifle and .45-caliber pistol are equally stressed, and close order drill instills the traditions of Marine Corps teamwork.

A thorough study of basic military subjects, hygiene, first aid and sanitation, and the customs, courtesies, history and mission of the Marine Corps serve to polish the new Marine's recruit education and prepare him to join the Marine combat forces.

Little League Tryouts Slaton

More than 180 boys in the 8-12 age group signed up last week to participate in Slaton's Little League Baseball program this summer, it was announced Wednesday by player agent Johnnie Moore.

Registration was held Friday night in the junior high cafeteria. Boys who were unable to register at that time should register by Friday afternoon if they desire to play this summer. Rev. Johnnie Moore, First Christian Church, is conducting registrations.

Tryouts for the team will start Monday at 5 p.m. in Little League Park. Boys ages 11 and 12 who were not on a major league team last season will go to tryouts on Monday and Tuesday, beginning at 5 p.m.

Wednesday and Thursday afternoons of next week will be set aside for tryouts of 10 and 9 year olds, and the 8-year-olds will tryout on Friday after-

noon. Final numbers in the program is expected to be over 200.

Managers will hold league auction on Saturday, April 21, at the Fellowship Hall at First Christian Church. Selection and pee wee teams will be at 3:30 p.m.

All boys who register report to Little League on Monday, April 22, 5 p.m. for assignments. Managers will instruct that time as to practice fields and information.

First Little League set May 6 in the major Minor and pee wee play a week later on May 13.

Removing paint splatters from brick often leaves unsightly stains. A good procedure is to cover with a flat, brick-colored paint. Once the touched-up areas have weathered, the look of natural brick is regained.

Facts About Social Security

The 1967 Amendments have reduced the number of quarters required for those under age 31 who are disabled. Now, if you became disabled between

age 24 and 31, you will need credits (quarters) for only half the time between age 21 and the time you became unable to work. If you filed before Jan. 19 and were disallowed due to lack of quarters, check with your Social Security Representative, at 3428 Ave. H, Lubbock.

Medicare benefits have been significantly improved with the 1967 Amendments. For those who have failed to enroll at their first opportunity, a general enrollment period is provided each year during the first 3 months. However, you must enroll within 3 years of your first opportunity. The next period will be January, February, and March of 1969.

Before the 1967 Amendments, many children were disallowed social security benefits because their deceased mother did not have enough recent work to her credit. The old law required that she had worked at least 1 1/2 years out of the 3 years preceding her death. This requirement has been removed. Those who think they may qualify now should check with their Social Security Representative, at 3428 Ave. H, Lubbock.

MRS. P.C. KITCHENS

Greetings! This week is the most meaningful week of the year as we commemorate the crucifixion and resurrection of our Lord. It thrills us to think of the resurrection as our great hope lieth within this great event.

TWINS BIRTHDAY

The Alvis Joe Lokes twin daughters celebrated their first birthday Friday. Their parents gave them a birthday party Friday evening. Present were Mr. and Mrs. Robert Carter and children, Mr. and Mrs. Joe Loke and children, Sandy Brush and Brad Doherty.

The Alvis Joe Lokes also had a cook-out Saturday evening with Mr. and Mrs. Carter, Brad Doherty and Mr. and Mrs. Rudy Dominguez.

Mrs. Heddie Kelly has returned from a lovely trip attending the Cherry Festival in Washington, D.C. She also visited her son-in-law, Dick Scanlan Jr. She spent eight days there, then went on the Norfolk, Va., by jet to visit her niece and family, Dr. and Mrs. Roy German.

Lorri and Cherril Menzel spent Sunday afternoon with the Joe Lokes. Sandy Brush spent Friday night with Carlene Loke.

The Norman Gentry family had dinner Friday evening with the Benny Rudd family. Mrs. Rudd's brother and family, the Gary Williams from Glen Rose,

had Sunday dinner with Mr. and Mrs. Benny Rudd.

Mr. and Mrs. J.P. Oats from Cooper in East Texas is visiting with the Clay Oats family and her other children in this area through the Easter holidays.

CONFIRMATION

The Lutheran Church here at Posey had a pot-luck supper last Sunday evening. The supper consisted of a demonstration of the Passover meal as it was in the days of Jesus. The supper was given in honor of the Confirmation class.

Those to be confirmed in the coming Sunday service include Deborah Ehlo, James Ahrens and Monte Smitherman. Pastor Jimmy Leuders will be leaving next week for a District Convention in New Orleans.

Guests of Mr. and Mrs. P.C. Kitchens Sunday afternoon were Mr. and Mrs. J.W. Cartwright of Lubbock.

Jimmy Martin has been recovering from surgery he underwent in Methodist Hospital in Lubbock.

Mrs. Nettie Hyatt has returned home after spending a week in Levelland with her daughter-in-law who was ill but is much improved at this time.

"When you pray, pray simply and directly. Sincerity, and not multiplicity of words, brings joy to the heart of God."

New Salesman For Bland's

Jim Newhouse, former advertising salesman for The Slatonite, is now associated with Bland's Furniture, it was announced this week by Bland Tomlinson.

Newhouse's employment with Bland's was effective April 1. He had been with The Slatonite for about 1 1/2 years.

A native of San Antonio, Newhouse has resided in Slaton almost three years. He was formerly employed as a salesman for Delta Chemical Corp. He graduated from Harlandale High School and is a veteran of the U.S. Army.

Mrs. Newhouse is now serving as hostess for Welcome Wagon of Slaton. They have three children--Christy 5, Tracie 4, and Kenny 2. Mr. and Mrs. Newhouse are members of the First Christian Church, where he is Sunday School superintendent, CYF sponsor and a member of the choir.

Newhouse is also a member of the Lions Club and has been active in the Tiger Club.

HEADED FOR SLATON--Colonel Edward G. Abington gets 313th Air Division plaque for "meritorious" service in the 400th Munitions Maintenance Squadron command post from Maj. Gen. Jerry D. Page, 313th command post commander. He is planning to return to Slaton. (USAF PHOTO)

Colonel To Join Family Here After Retirement This

KADENA AB, Okinawa, April 1--Air Force Lieutenant Colonel Edward J. G. ("AT") Abington, commander of 313th Air Division's 400th Munitions Maintenance Squadron for nearly four years, retired today after 28 years in uniform.

He headed a 4,000-acre complex of buildings, 100 trucks, tractors, cranes, other vehicles and more than 300 highly skilled men handling vital Southeast Asia munitions supply and maintenance missions as Pacific Air Forces' lone theater facility.

The 52-year-old Texan, who "has been in the munitions business most of my military career," assumed leadership of the squadron June 24, 1964.

Colonel Abington came to Kadena after nearly six years (1958-64) with Strategic Air Command as munitions maintenance squadron commander for what now is the 306th Bomb Wing at McCoy AFB, Orlando, Fla.

This was interrupted in 1962 by 10 months on Christmas and Johnson Islands as operations officer in nuclear tests then conducted by Joint Task Force 8.

His selection for that special assignment apparently was promoted by having put in four years (1961-65) as test operations chief at the Air Force Special Weapons Center, Kirtland AFB, Albuquerque, N.M.

An old Pacific hand, he was chief of the Southern Pacific Air Materiel Area's special weapons branch at Clark AB, the Philippines and at Andrews AFB, Md.

WANNELL NEWTON

"Roosevelt is GREAT. . . if you're a senior" is the typical senior comment of Wannell Newton. She was born Oct. 7, 1950 in Ashdown, Ark. She has attended Roosevelt for the past three years.

During her spare time, Wannell enjoys playing basketball, eating steak, and ignoring stuck-up people. Mr. Sandidge is her favorite teacher and she deems psychology as her favorite subject.

While in high school, she has participated actively in basketball, 2-4; pep squad, 2-4; volleyball, 2-3; track, 2. Her advice to all underclassmen is "work hard and stay with it."

After graduation, Wannell plans to attend a beauty college and become a beautician.

NEW! For clean Sorghum... spray weeds when you see them!

with **BANVEL** HERBICIDE

Velsicol announces Banvel herbicide for control of all hard-to-kill weeds of major importance in grain sorghum. This includes carelessweed (pigweed), sunflower, lambs-quarter, purslane, morning glory and other annual broadleaf weeds. Banvel herbicide is applied post-emergence, so there are no wasted sprays in years when rain is scarce and weeds are not a problem. With Banvel you see your weed problem and then spray—all in plenty of time to give young sorghum plants plenty of opportunity to grow.

Banvel is sprayed onto weed leaves and translocates to the roots... for new, total control of weeds. Just apply Banvel between the 10th and 25th day after emergence of grain sorghum (approximately 4 to 12 inches tall).

Banvel is not dependent on soil moisture for its effectiveness, so its results are dependable. And it's a liquid that won't clog your sprayers; nor does Banvel need constant agitation.

Banvel increases yields. It's excellent for use on grain sorghum, wheat, barley, oats and field corn. Order Banvel herbicide to get full potential from your valuable, high-yielding sorghum seed.

See your dealer today. You'll be glad you did!

John Ehler's Rites Read Here Saturday

A longtime Slaton resident, John Ehler, 85, died at 5:45 p.m. last Thursday at the Colonial Nursing Home in Lubbock following a lengthy illness.

Services were held at 10 a.m. Saturday in St. Joseph's Catholic Church with the Rt. Rev. Msgr. Peter Morsch officiating. Rosary was read at 7 p.m. Friday. Burial was in the Englewood Cemetery under direction of Enslunds.

A retired farmer, Ehler was a native of Germany. He came to this country when he was one year old. He was a naturalized citizen and moved to Slaton from LaVaca County in 1916.

Survivors include his wife, Mary; three sons, Ervin and Edgar, of Lubbock, and Herbert of Slaton; four daughters, Mrs. Lillie Raschke of Colorado City, Mrs. Annie Schuette and Mrs. Stephanie Bedmar, both of Slaton, and Mrs. Adele Schmalz of San Jose, Calif.; a brother, Henry of Hallettsville; four sisters, Mrs. Julia Hoelscher of Yoakum and Mrs. Emilie Laake, Mrs. Mollie Burger and Mrs. Rose Hobensee, all of Hallettsville; 30 grandchildren; and 43 great-grandchildren.

200 MORE BOOKS--Lela Lester and Floy Miller, who are bookmobile librarians from Lubbock, brought 200 children's books to the Slaton Library last week. The books have been loaned to our library for six months from the Texas State Library. They are pictured with the books before placing them on the shelves for children to check out. Over 300 more books are on order for the Slaton Library. (SLATONITE PHOTO)

Minister Guest At Rotary Club

The Rev. W.D. McReynolds, guest minister for the First Methodist Church revival, was speaker for the Slaton Rotary

Club last Thursday in the Community Clubhouse.

Rev. McReynolds, Lockney, spoke on the free enterprise system in the United States and the personal satisfaction in being a businessman. He pointed out that a man deserves a fair profit for his work, and all businessmen know that a profit must be earned to stay in business.

The minister listed three important factors in earning a profit: advertising, rendering a service, personal satisfaction. J.S. Edwards was program chairman for the week, while the Rev. Bruce Parks, another Rotarian, introduced the guest speaker. Several Lubbock Rotarians visited the meeting.

David Hughes presided at the club's regular weekly luncheon meeting.

Posey Lutheran Church Women Met Thursday

At the regular monthly meeting last Thursday of the Posey Lutheran Church Women, Mrs. Walter Schroeder led the Bible study, "God Speaks To Me In The Psalms About Forgiveness".

The meeting was opened with the hymn, "Lay My Sins On Jesus". The ladies studied the 32nd Psalm. The offering meditation was given by Mrs. Edwin Meyer. Mrs. Edwin Meyer and Mrs. Fred Meyer served refreshments during the social hour.

Time To Pray
The first alarm clocks were supposedly invented in the Middle Ages for use in monasteries. Priests used them to wake themselves up for nightly prayers.

S. A. Robertson Son Of Slaton Pioneer Dies In Lubbock

S.A. (Sug) Robertson, 62, a former Slaton resident, who had lived in Lubbock the past 14 years died last Thursday in Methodist Hospital, Lubbock, following a short illness.

Services for Robertson were held at 3 p.m. Saturday in the W.W. Rix Chapel, Lubbock. Dr. Lloyd Hamilton, pastor of St. Luke's Methodist Church and the Rev. Luther Kirk of Pampa officiated. Burial was in the Englewood Cemetery here conducted by Rix Funeral Directors.

A farmer and rancher in the Lubbock area, he resided at 3501 44th St., Lubbock. He was the son of the late A.L. Robertson, a pioneer West Texas rancher.

Robertson attended public school in Slaton and Terrell Prep School, Dallas, and was a graduate of Rice University. He attended the Harvard University graduate school.

Surviving are his wife, Martha; two daughters, Miss Ruth Robertson, Dallas, and Mrs. Jim Clary, Ozark, Ala.; his mother, Mrs. A.L. Robertson, Slaton; a brother Wade Robertson, Lubbock; a sister, Mrs. K.L. Kimbro, Austin; and a grandchild.

Pallbearers were Kenneth Davies, J.S. Edwards, Howard Hoffman, T.A. Worley, Jack Markham and Troy Pickins.

Carnes Named To TCTA State Advisory Board

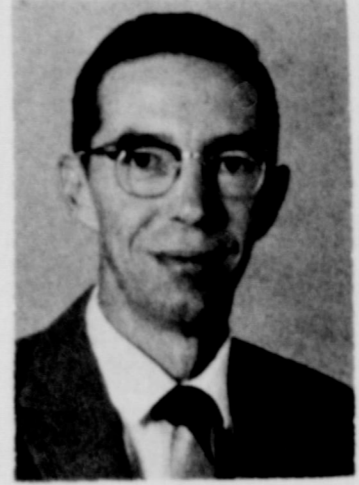

Mr. and Mrs. W.A. Carnes were the Slaton Classroom Teachers Association (SCTA) delegates to the 12th annual Texas Classroom Teachers Association (TCTA) state convention last weekend in San Angelo. Business meetings were conducted in the San Angelo Coliseum.

Election of new officers named Mrs. Kathryn Townsend of Victoria as president and Miss LaVerne Wong of Waco as president-elect.

Mr. Carnes was nominated by a 13-member state nominating committee and was elected at the convention by district vote to serve as one of two District 13 representatives on the TCTA State Advisory Board.

Delegates at the convention learned that during the current year, TCTA has added 14 new affiliates and has had an overall increase of 4,321. As of Mar. 1, TCTA membership reached 47,238.

The group passed a series of resolutions, adopted a new constitution and by-laws and awarded a TCTA scholarship. Special speakers were Miss Dorothy V. Meyer of Massachusetts; Dr. Donald C. Roush, New Mexico State University; and Judge Jack Pope, associate justice of the Texas Supreme Court.

PAUL HALL QUALIFIES FOR STATE CONTEST

Six high school students and one junior high student received a first division rating in the Interscholastic League vocal solo and ensemble competition Saturday at Monterey High School in Lubbock.

Paul Hall was entered in the Class One solo division and by receiving a first division rating, he qualified to compete in the state contest with other Class One Tenors at Texas University this summer.

Other winners were entered in the Class Two division. Placing with a first division rating were Jo Pratt and Stanley Sumrall, both high school students who entered in the solo division. Toni Longtin, an eighth grade student, also received a first division rating in solo competition.

A girl's ensemble composed of Laura Childers, Karlene Eastman and Jo Ann Roberts also received a first division rating.

Receiving second division certificates were Laura Childers, Linette Davis, Jo Ann Roberts, Kathy Tumlinson, Nita Latham and Linda Shafer who

He Is Risen

"... Ye seek Jesus of Nazareth ... He is risen. He is not here." - St. Mark 16:6

Mary Magdalene and Mary, the mother of James, and Salome, approached the rock-hewn sepulchre where they expected to find the body of Jesus. They found only a young man, clothed in white garments, who told them that Jesus had risen and they should go forth and tell his disciples and Peter that Jesus "goeth before you into Galilee; there shall you see Him."

Frightened, the women fled and said nothing to no one. Later, after Jesus had appeared to Mary Magdalene, she returned to tell the others, yet they refused to believe her.

The miracle of the resurrection is not easy for some humans to comprehend. Yet Christians realize that in this great truth lies the fulfillment of the purpose of the life of Jesus upon earth.
