Vacation Is Over For Students As Area Schools Set Openings

THURSDAY, AUGUST 21, 1969

Slaton School Board will convene at 2 p.m. Saturday for the purpose of holding a public hearing on the proposed budget for 1969-70.

58th YEAR NO. 46

\$865,000 TOTAL

School Budget

Hearing Slated

Here Saturday

The budget estimates expenditures at \$865,000 with the local share amounting to about \$326,000. Last year's budget had expenditures of \$802,000 and a local share of \$322,500. Expenditures are anticipated to be up about \$63,000 -- with practically all the increase coming on teacher salary increases.

In the trustee meeting last week, the board voted to retain the tax rate of \$1.75 per \$100 assessed valuation. The tax roll showed some \$18.7 million assessed values.

Following the budget hearing Saturday, the board will accompany Supt. J. C. McClesky on a tour of all school buildings and property. McClesky suggested the tour and the trustees readily accepted the idea.

McClesky has spent much of his time -- since taking over the post Aug. 1 -- in employing new teachers. The board approved 18 new teacher contracts last week, and Mc -Clesky filled two more vacancies since that time.

All positions have been filled with the exception of a special education teacher, a speech therapist, and a senior ROTC officer. McClesky expects to employ a senior officer soon, but the other two positions might not be filled this school term.

Meanwhile, teachers and ad-ministrators have been preparing for the new school term with workshops and other preparations. Slaton teachers will have a workshop next Wednesday, Thursday and Friday. Student registration is scheduled for Slaton Thursday morning. Cooper and Roosevelt schools

have had impressive building improvements over the summer, and a project at Wilson is scheduled to be ready in October.

Registration is scheduled for about 160 to 170 students at Southland Monday and classes will start Tuesday, according

to Supt. F. W. Callaway. Wilson schools get the earliest start as classes begin Monday, Aug. 25, Supt. Glen Mit-said teacher orientation is set today and Friday.

The remainder of the area schools start classes on Sept. 2, the day after the Labor Day holiday. Slaton opens with a new superintendent of schools for the first time in 22 years. J. C. McClesky, former Shamrock school chief, succeeds Dr. P. L. Vardy who retired this summer.

Cooper will open the doors of a new \$480,000 circular high school building on Sept. 2 as classes start for all students. Registration for junior high and high school students is Aug. 29, and teacher meetings are set Aug. 27-29.

Supt. Harold Carpenter announced that an open house will be held Friday to introduce the new school facilities to members of the community and all interested persons. It is set from 7 to 9 p.m.

first meeting of the new season Monday night with president Glen Akin naming several committee chairmen.

Club members at the initial meeting decided to try for a record membership drive this year, and Ken Henderson was named as membership com mittee chairman for the athletic booster club.

Other committee chairmen named: Pete Williams, pro gram ad sales; Bob Fondy, collection chairman; Bill Ball, game films chairman. The club has challenged the

Lions, Rotarians and Volunteer Firemen to become 100 percent members of the Tiger Club. Akin announced that fire de-

partment members will handle program sales at the games again this season, and Lions Club members will take tickets

at the gates. Coach Ernie Davis attended the session and introduced a new assistant, Jackie Stewart. Doc Mize, the other new assistant, was unable to attend the first meeting.

Slaton Group Attends Emergency Care Class

Four members of the Slaton Police Department are attending a three-day course in emergency care and transportation of the sick and injured. They are Chief Walter Head, Blackerby, Raeland Cook Gay and Martha Elder.

The course is being held in School of Nursing classrooms at Lubbock's Methodist Hos pital Tuesday through Thursday, beginning at 9 a.m. each day.

It is being sponsored by the Texas State Department of Health and Lubbock - Crosby-Garza-County Medical Society. Sponsors say it is the first of this type to be offered in the area.

percent chance of rain during the night. A few light showers dotted the western edges of the South Plains Tuesday night.

Meanwhile, Citizens State Bank of Slaton placed a "final extension" on its rain-wanted ad in The Slatonite. CSB president Tommy Wallace said he was extending the deadline on receiving the moisture to Saturday midnight, Aug. 23.

The bank had placed a full-page "wanted" ad in The Slatonite three weeks ago, asking

Lions Welcome Special Guest, Set Broom Sale

Lynn McKown, a resident of Girlstown, U.S.A., near White-face, was a special guest at the Slaton Lions Club meeting Monday at noon in the Community Clubhouse.

The local Lions recently voted to help sponsor one of the girls, and Miss McKown was selected. She was introduced by club president Glen Akin and told the Lions about Girlstown. She also answered questions by the club members.

Ted Weaver was program chairman for the day, and Lions saw a slide presentation on the "Texas Plains Trail," The slides were narrated by Dean Robertson. Weldon Self, committee

chairman, announced that the annual Lions Club Broom Sale has been scheduled for Saturday Sept. 13. Firms, or individuals, wishing to place orders in advance can call Weldon Self, Hack Lasater, Bob Mohon, Jim Newhouse or any Lions Club member.

NFO Meeting Set

Here Friday Night A meeting of the Lubbock County National Farmers Organization chapter is scheduled Friday night at 8 o'clock in

Purpose of the meeting will be to explain the NFO to local and area farmers, and the meeting is open to the general public. About 30 local farmers met with Bobby McBeth, Hale County NFO, several weeks ago here to organize a county chapter. It was reported that about 25 joined the chapter at that meeting. and about 25 more have joined since.

Staton residents sweltered through another week of 100-degree plus temperatures the Terms of the ad called for rain in 10 days or the bank did not have to pay for the ad. Wallace gave one extension last week, pushing the deadline to Aug. 18, then came with a final extension this week. He explained he'd rather have the rain and pay for the ad, but "next

week it'll be too late anyway!" Temperatures ranged from 101 (Monday) to 108 (Sunday) here the past week, while the lows were from 70 Saturday night to 76. The long, hot siege of weather has burned dryland crops and is expected to decrease anticipated yields by a good margin. The Tiger gridmaster thinks sophomores. Davis listed 12 his squad will have the physical and mental toughness, however, sophs. this week, with more sophomores expected to report and he hopes they will have the "quickness" to overcome the lack of size.

> Davis' main worry on size is his offensive line and that's where he puts the biggest question mark in pre-season drills. Moore and Farrell give the Tigers two fine veteran ball carriers, but there's no experience at the all-important quarterback post. Junior Terry Mosser, 150, moves up from a good junior varsity crew as the heir-apparent to Jimmy Will-

iams. Moore, 6-4, 200, could be one of the top backs in the district. He gained valuable experience last season and has the speed and the moves to give the Tigers explosive power at fullback. Farrell is not fleet afoot, but the tough 170-pounder uses balance and finesse to get the job done.

Rushing, a center last year, has been moved to tackle. He will probably team with end Robert Englund and guard Louis Scott or Ronnie Howard, to give the Tigers strength and experience on the right side of the offensive line, McDonald will be the only veteran on the other side.

Besides Mosser and Har-140: graves, other top prospects up

The Tigers will play Lamesa Estacado, Dunbar and Lake View but the games will be "non-district" contests. Due to the schedule change, Slaton also dropped Colorado City and picked up Kermit as the other non-district game. The date of Nov. 21 is set up for the district playoff.

The Tigers continue two-aday drills until school starts, and they have two scrimmage sessions on the schedule, Abernathy comes here on Friday. Aug. 29, and the Tigers will go to Tulia on Friday, Sept.

The Tiger roster this week included: Seniors -- Robert Englund,

The ag building will not only provide the usual courses in farming procedures, but also will house the auto mechanics course and a new course in farm power and machinery.

This special course, created in 33 high schools in the state following demands by farm machinery manufacturers, will be limited to about 15 Cooper students, readying them to take jobs following high school graduation. The jobs will offer earnings up to \$7 an hour, according to Duaine Kincade, vocational agriculture teacher.

He commented the Cooper facilities were excellent, and few other schools in the state can compare with them. Kincade is a 1969 graduate of Texas Tech from Denton. He will be joining Dan Taylor, returning agriculture teacher, to instruct the new program.

Kincade is one of 14 new teachers in the Cooper School System. Others are Barbara Kidd, math; Chris King, band; Paulett Brownfield, English; and Carol Pourmond, speech and social studies; all in the high school.

New junior high teachers are Richard Hughett, science, health and sports; Velma Bell, math; Sharon Curnett, language arts; Jane Kitten, fifth grade; Polly Coleman, sixth grade and Sue Ann Whaley, fourth grade.

Dorothy Harp is the only new teacher in elementary. She will be teaching the first grade. LaVonta Kennedy, Title I Kin-dergarten and Rachel Cody, school nurse, are also new to the system.

Returning teachers in high school are Jack Fry, science and sports; James Gordon, science and math; Dorothy Harry, typing and journalism; Wayne Havens, history and sports;

Snake Visits The Wilkes Too

Hello, out there! Another hot ing with relatives and friends, citement week has just passed and if today is any indication, we are

in for another hot week! Wish I were up in the mountains, sitting under a big pine tree, or wading in a cold stream of water catching a big speckled trout! How's that for a nice dream?

Was so sorry to hear that Mrs. Herman Havis broke her right wrist last Monday (Aug. 11) evening. I think she is getting along okay, but it has been pretty uncomfortable, and since she is right handed --well, guess Mr. Havis is having to wash all the dishes!

SYMPATHY

We extend our deepest sympathies to Mr. and Mrs. Delbert Abshire and family. Mrs. Abshire's father passed away on Tuesday, August 12, in Arkansas. May God comfort this family in their sorrow.

Mrs. J. H. Sharp returned Tuesday. to Southland on Sunday after spending about two weeks in Wyoming.

NEWLYWEDS

Congratulations to Mr. and Mrs. George Quintero who spoke their wedding vows in a double ring ceremony at Guadalupe Catholic ChurchinSlaton. Mrs. Quintero is the former Rosemary Flores, daughter of Mr. and Mrs. Manuel Flores of Southland, and George is the son of Mr. and Mrs. Ynosencio Quintero of Slaton. He is employed by Thomas Brother's Office Supply in Lubbock and she works at Mercy Hospital in Slaton, May God bless this young couple.

HOME ON LEAVE

Owners of Large trucks, Jackie Dunn, who has just finished part of his Officer's truck - tractors, or busses may be required to file a Fed-Training, is home on a two eral highway use tax return, Form 2290, this month Ellis Campbell, Jr., District Dir-ector of Internal Revenue in weeks leave before reporting to Duluth, Minn., where he will probably be for a year. Welcome home, Jackie. Northern Texas, said today.

E. L. Dunn of Dallas, spent the week-end here visiting his parents, Mr. and Mrs. H. C. Dunn.

NEW DAUGHTER

Congratulations to Mr. and Mrs. David Dabbs on birth of their daughter on August 17. May God bless this young family.

Mrs. Dee Hodge arrived in Southland by bus this morning to visit with her grandmother, Mrs. Nellie Mathis.

Mrs. Tillie Krause from Wilson visited with Mr. and Mrs. Willie Becker on Sunday. NEW TEACHER

One new teacher, Bill Mathis of Lubbock, has been hired to teach in the Southland School. As of today, a coach hasn't been hired, but there is one applicant, and the school board will be meeting tonight to discuss hiring this young man. Mrs. Francis Lightfoot from

Ft. Worth arrived in Southland by bus one day last week for a visit with Mrs. Paul Winterrowd, Breonne and Jerry, and also to attend the wedding of her niece, Miss Judy Lightfoot and Gregory Stephen Root on

Edmund and Yours Truly visited with Mr. and Mrs. D.B. Kizer in Slaton on Sunday night. Other visitors were Mr. and Mrs. Leroy Zieschang.

The seniors are washing windows at the school today. After they finish the windows, they will clean up the school buses. This is one of the ways that they make money for their senior trip each year.

Closing thought for today, "If we fill our hours with regrets over the failures of yesterday, and with worries over the problems of tomorrow, we have no today in which to be thankful."

Our little car is making a big hit. In its first 100 days Maverick has outsold every new car ever introduced. And every day more and more smart drivers are discovering the fun of owning the simple machine. Take a few minutes to find out why Maverick's so popular. Then take a test drive at your Ford Dealer's.

1. LOW PRICE. Maverick is the best seller of the '70s at 1960 prices. And you get your money's worth. A complete car all ready to drive home.

- 2. LOW FUEL BILLS. In tests by professional rivers at our tracks, where we do our best to duplicate actual driving conditions. May erick averaged 22.5 mpg. (Some Maverick owners report they get 25 mpg and better.)
- 3. 105 HORSES. Maverick's high-spirited Six gives you nearly twice as much horse-power as the leading import's engine. You get fast acceleration, easy passing.
- 4. PEOPLE-SIZED INTERIOR. Maverick pinches pennies, not people. Its front seat gives you nine inches more shoulder room than the leading import. Plus lots of leg room, hip room and head room.
- 5. EASY HANDLING. Maverick can outmauver the leading economy import. It can

Ice Cream Supper Kicks Off **Roosevelt Football Season**

An ice cream supper following Roosevelt's first scrimmage, which will be with Wilson, will begin the school year for this Class A community. All members of the community are invited and asked to bring homemade ice cream.

The supper will provide an opportunity for the public to get acquainted with Roosevelt teachers and tour the new buildings on campus. Ready when classes begin Sept. 2, seven new classrooms, a band hall and choir room and new dressing rooms have been added. The new classrooms were

built on top of eight under ground rooms constructed two years ago. They are adjacent to the high school building constructed in 1964. The new rooms are windowless and completely air conditioned. Included in the complex is a snack bar with facilities to make hamburgers, cheeseburgers, milkshakes and soft drinks.

The Eagle Band, beginning its fifth year, will move into the school's first band hall upon its completion. Previously band classes were held in the school auditorium. Director is Norman Arnett.

New dressing facilities will locker about 50 boys, Included is a new equipment room and training room, Head football coach Houston Powell stated, "We feel as if the new rooms will help us a great deal as far as giving us room to expand our program,"

The Eagles are looking for the best season yet, and were picked second in District 4-A by the coaches of Region I. The Roosevelt team should follow Petersburg and, trailing the Eagles, according to the coaches' poll, will be Ralls, Petersburg, Crosbyton, Spur and New Deal.

Sparking the Eagles this season will be senior Randall Hughes. Hughes at 5' 10" and 165 pounds has been a starter for three years. He won district honorable mention last year at linebacker and plays of fensive tailback.

Roosevelt lost 11 players last season, but Powell feels fortunate that no one has moved from the school district. He stated most have been working out on their own this summer and all have a good mental attitude about the season.

In addition to the tough group of youngsters will meet Frenship in pre-season action. Their first game is scheduledSept. 12

Assisting Powell will be coaches Don Black, John Alexander, Gene Mimms and a newcomer to the Roosevelt scene, Lane Tannehill,

Tannehill, who will also teach world history, is part of a faculty of 51 at Roosevelt and is one of 13 new teachers. Others new to the 12-year school system are Gracie Shaw, English; Mary Alice Gonzalez, Spanish and English; Charles Gibson, social studies and language arts; Patricia Goodman, reading and language arts; Jim Hindman, math; Ann Rhodes, science and reading; Kathleen Washington, reading and language arts; and Rudolph Crab-

tree Jr., special education. Those new in elementary are Mary Jane Cornwell, Mary Lou Hobgood, Patricia Sue Patillo, Diane Gardner and Mary Belich.

Returning elementary teachers are Ruth Mims, Marilyn Carlton, Grace Wooten, Ger-Cox, Gail Chapman, aldine Paula Smith, Frankie Eubanks, Judith Spalding, Grace Crumley, Patsy Guinn, Kathy Rush, C. C. Monzingo and Christine Husky.

Teaching the special education classes will be Geneva Stewart and Katherine Pierce. Remedial reading instructors are Elmerine Wilks and Mary Alexander. Mrs. Estelle Work is supervisor.

Returning high school and junior high teachers are Archie Clanton, Billy Jack Eudy, Lyn Alyn Duncan, Dail Griffin, Linda Riley, J. T. Crumley, Edith Almond, Glenda Harris, Paul Green, Norman Arnett, Susan Shaha, Sharon Reed, Lura Smith, Karen Stafford and teaching art for the first time at Roosevelt, Ann Orr.

Superintendent of schools is Marvin Williams. Assistant superintendent is Don Taylor. High school principal is A.E. Smith, junior high principal and counselor for the entire school is Robert Sandidge. Serving as elementary principal this year will be A. W. Akins.

School librarian is Evelyn Thomas. The school nurse is Juanell Johnson, Hazel Daniel is secretary and cafeteria supervisor this year will again be Bertsye Bilberry.

Those on the board of education are Earl Rowan, chairman; C. J. Woolley, vice chairman; Earl Hammett, secretary; Tommy Adams, D. D. Davis, Buddy Hettler and Wesley Campbell, members.

School holidays this year are

Christmas, Dec. 22-Jan. 2; District T.S.T.A., Mar. 6; Easter, Mar. 30-Apr. 3; and the last day of school is set for May 29.

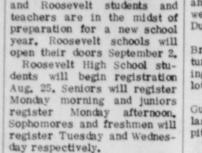

Registration is set for Aug. 25, 26 and 27. All high school and new junior high students should register then, Lunch tickets will be available at \$1.75 each at this time. Other junior high students will be asked to go directly to the high school gym upon arrival at school Sept. 2.

The 1968-69 Eagle, the school annual, will be distributed Sept.

"Whether you're on a long trip or just driving a few miles, the key word is control," Adams says. "That means control of your car, control of yourself, and control of the situation." The "control" tips are:

(1) Control your car's safe driving condition. Before your trip, get a thorough safetycheck of all "active" safety equipment, including brakes, steering, tires, lights, turn signals, and other "control" items. Have any safety defects repaired.

(2) Control your carload, Remember, heavy loads put an extra burden on tires, brakes and shocks, and make a car less maneuverable. Don't stow hard objects loose on the back shelf. Don't let luggage or passengers interfere with vision. Keep children sitting down!

(3) Control yourself and passnot only can prevent death or
