

MRS. JAMES RICHEY
...Barbra Sehon

Vows Exchanged In Lubbock Saturday

Double ring wedding vows were exchanged by Barbra Jean Sehon and James Stephen Richey Saturday at 2 p.m. in Christ the King Catholic Church in Lubbock. Father Brendan McCormick, assistant pastor of St. Joseph's Church in Slaton, officiate.

Parents of the bride are Mr. and Mrs. Frank J. Sehon, former residents of Slaton and Cooper, and now of Wolforth. The bridegroom is the son of Mrs. George Richey and the late George Richey of Wolforth.

The bride was given in marriage by her parents. She wore an ante-bellum gown of white Chantilace designed with basque bodice featuring a scalloped Sabrina neckline highlighted with iridescent sequins and seed pearls, and long petal point sleeves. A cascade of scalloped lace flounces formed her bouffant skirt which was complimented by a shoulder train outlined in the scalloped.

She carried a bouquet of white

gladiolas and a glabella centered as a going away corsage. The bouquet was accented by a crystal rosary borrowed from her parents.

Mrs. Mary F. McCormick of San Angelo served her sister as matron of honor. Mrs. Lee Kimbrough, of Muleshoe, sister of the groom, and Miss Cynthia McCormick of San Angelo were bridesmaids. They wore floor-length gowns of ice blue lace and satin. The dresses were styled with an empire waistline and the lace separated the center front to give the dresses a satin effect. They carried a white gladiola stem with white ribbon accents.

Lee Kimbrough of Muleshoe, served as best man. Groomsmen were Bobby Richey of Lubbock, brother of the groom, and Roy Lee Sehon of Wolforth, brother of the bride.

Ushers were Harvey Pinkert of Levelland and David Cook of Wolforth.

Candlelighters were Ruth Ann Sehon, sister of the bride, and Sherry Denise McCormick of San Angelo.

Larry Schroeder of Lubbock played traditional wedding music on the organ. After a wedding trip to New Mexico the couple resides in Wolforth. They are both graduates of Wolforth High School and the bridegroom is employed by Johnson Mfg. Co., Lubbock.

Betty Burks Candidate For 1st Vice-Prexy

Mrs. Betty Burks will be one of three women to represent the Lubbock Chapter of the National Association of Women in Construction at the National Convention in Honolulu, Hawaii, Sept. 19-21.

Mrs. Burks is currently serving as third vice president of the National Association and is a candidate for first vice president. She is employed by Fields and Co., Lubbock and is a member of the Slaton school board.

The organization comprised of women actively employed in the various fields of construction industry has 5,000 members throughout the states. The Honolulu chapter will host the convention on Waikiki Beach. Gov. John A. Burns of Hawaii will give the welcoming speech.

RESIDENTS ENTERTAINED

The Slaton Nursing Home Auxiliary held its monthly bingo party last Wednesday with 11 residents playing.

Winners were Mrs. W. L. Scudder, Bertha Watson, W.A. Baxley, J. S. Echols and Noby Cummings who was also the blackout winner. The next party will be held Oct. 8 at the home.

Cakes baked by auxiliary members were presented to several residents at the home last week, along with birthday gifts.

Mr. and Mrs. Walter Schroeder spent Labor Day weekend in San Francisco visiting with their daughter and son-in-law, Mr. and Mrs. John Hodges. While there they saw many points of interest in the Bay Area.

Mr. and Mrs. Emil Presler, Mrs. August Presler and Otto Bierman of Comfort, Tex. spent several days visiting in the homes of Mr. and Mrs. F. W. Lueck and Mr. and Mrs. Walter Schroeder.

Coffee In Arrants Home Opens Garden Club Year

Mrs. Max Arrants, incoming president, served as hostess when members of the Slaton Garden Club met in her home at 10 a.m. last Wednesday for a coffee which was also the first session of the new club year. Co-hostesses were Mrs. J. S. Edwards and Mrs. B. H. Crandall.

Refreshments of coffee, rolls and frosted grapes were served to 18 members and one guest, Mrs. Esther Orton of Austin.

The new president opened the meeting with the reading of a poem and commenting on the aims of the club for the year. Mrs. J. S. Edwards presented members with year books and a leaflet, "Flowers of Texas."

Each member answered roll

call with "What Have I Been Doing?" A report of the projects accomplished last year when Mrs. Kenneth Davies served as president was given by Mrs. Fred England.

This year's projects were discussed by Mrs. Crandall. They include the Triangle Garden Park, Club house grounds, an Arbor Day observance, and the group's annual Guest Day.

The next meeting is scheduled October 8 in the home of Mrs. Clifford Young. Subject of the program at that time will be "Bountiful Beauty In our Home", discussed by Mrs. C.E. McCoy.

Course Given For Homemakers

The Roosevelt Young Homemakers hosted a meeting Tuesday with the Falls and Idalou chapters as their guests. They met at the Roosevelt Club House.

A refresher course on pre-school vision screening of the Texas Society for Prevention of Blindness was given by Miss Joanne Allen, program consultant.

Dates will be set for clinics to screen children.

Mrs. Alene Browning of Kingsland and Mrs. Duke Basinger and Susan of Virginia, visited relatives in Slaton recently.

District Prexy To Visit Local VFW Auxiliary

The Ladies Auxiliary to the VFW, Department of Texas President Thelma Pugh, will be in Lubbock today and tomorrow (Thursday and Friday) at VFW Post #2466 for her official visit to District 7.

Accompanying her will be Department Treasurer Adele Binford; Assistant Treasurer Betty Goebel; Department Junior Vice Yvleia Williams; and Immediate Past President Betty Cravens.

Also in attendance will be the Department of Texas VFW Commander Elmer Chappell. The VFW Auxiliary of Lubbock will present a program honoring the guests, followed with a meal and dance sponsored by the Post and Auxiliary #2466. A spokesman said all District 7 members and their families are urged to attend.

At the next regular meeting of the local Auxiliary #6721 scheduled at 8 p.m. next Monday, District 7 President Blanche Horn will make her official visit to this group. Again, all members are urged to attend and bring a covered dish.

Sewing Contest Winners Named

Several area girls were among the winners in the "Lubbock County Sew It with Cotton Contest" held Tuesday night in the Garden and Arts Center, Lubbock.

Contestants modeled 100% domestic cotton fashions. They were judged on the fit, eye appeal, suitability of style, fabric and color to model and suitability of fabric to style. Winners in the Sugar Plum division (6-12 years old, better dresses) were (1) Amy Davis of Lubbock, (2) Karnella Alexander of Cooper, and (3) Julie Holland of Lubbock.

Linda Louder of Cooper won first place in the sports division and Denise Robertson of Cooper placed first in the "At Home Wear" division.

In the "School Time" division, Tammy Walters of Lubbock placed first; Julie Robertson of Cooper was second; and Terry Robertson of Cooper placed third.

Mrs. J. C. Robertson of Cooper won the "Make and Model" division and was also cited for having the outstanding garment modeled.

In the "Junior Miss" division, Karnella Alexander won first and Susie Madding placed second. Both are from Cooper.

Another Cooper girl, Janet Thompson, placed first in the "Teen Time" division and Vicki Davis of Roosevelt placed second.

Thursday, Sept. 25, has been designated as Women's Cotton Promotion Day at the South Plains Fair. All members of the organization are encouraged to wear some type of identification identifying yourself with the organization. The group will have a display in the Texas Agriculture Produce book, Mike Fields, state official, will be in charge of the booth.

Miss Terry McKinley, "Miss Cotton", will attend the fair.

MRS. JAMES SCHNEIDER
...Patricia Ellis

Couple Exchanges Vows In Colorado

Mother of God Catholic Church of Denver, Colo. was the setting for the marriage of Miss Patricia Ellis and James Schneider recently. The Rev. John Cotter officiated the double ring rites.

The bride is the daughter of Mr. and Mrs. Kenneth Ellis of Arkansas City, Kan. and the bridegroom is the son of Mr. and Mrs. Herman Schneider of Slaton.

Given in marriage by her father, the bride wore a chapel-length gown of bridal crepe featuring an empire waistline with the bodice of crepe and chantilly lace. Iridescent sequins and seed pearls edged the Sabrina neckline and flared sleeves. The dress had a wateau chapel-length train and she wore a bouffant veil of silk illusion. She carried a cascade of stephanotis and English Toy centered with a pink Zaphete orchid.

Miss Doris Farni of Denver was maid of honor and Mrs. Dennis Gibson was bridesmaid. The attendants wore identical floor-length gowns of hot pink chiffon fashioned with empire waists and flowing backs. They carried white spider mums with

ribbon streamers. Angela Gibson girl and Brian Brien groomer of the groom.

Serving as best man was Leroy Schneider, brother of the groomsmen, groomed by Javan Schneider and Iland Ellis.

A pool side reception held at the home of Farni immediately followed the ceremony.

Following a honeymoon to Canada, the couple will reside in Tustin, Calif.

Mrs. Joe Tappan, H. C. Sanders and daughter, were weekend by Mr. and Mrs. Sanders of Mornington, Mo.

French-Meurer Vows Read Here Saturday

Miss Dee Etta Marie Meurer and Theron Zane French were married in a double ring ceremony at 6 p.m. Saturday in St. Joseph's Catholic Church, Msgr. Peter F. Morsch, pastor, officiated.

Parents of the couple are Mr. and Mrs. Allen Meurer of Slaton, Reba French of New Deal and Olen French of Bay City.

Presented in marriage by her father, the bride wore a formal length gown of white organza over bridal taffeta featuring a rounded neckline, elbow length sleeves and a band of Bordeaux lace adorned with tiny embroidered flowers marking the Empire waistline of the gown. A floating back panel flowed from the lowered back neckline and was adorned with embroidered flowers. Her shoulder length tiered veil of imported illusion was attached to an organza Victorian fabric velvet rose with petals forming the bridal headdress.

She carried a cascade of white gladioli with a large removable corsage. Streamers of love knots accented the bouquet.

Miss Darlene Hlavaty, cousin of the bride, was maid of honor. Bridesmaids were Miss Lynette Kuss, Mrs. Joe Messengale of Lubbock, sister of the groom, and Miss Shirley Dworaczek of Wilson.

They wore floor length cerise satin A-line gowns featuring an Empire waistline and accented with a bow in back. Their headpieces were bows made of cerise satin. Each carried a single long-stemmed white carnation with streamers tied with love knots.

Billy Meurer of Lubbock, brother of the bride, served as

best man. Groomsmen were Don Settles, Dennis Meurer, brother of the bride, and Mike Buxkemper, cousin of the bride. Guests were seated by Bobby Meurer, brother of the bride, and Dan Parker of Lubbock.

Acolytes were Dwayne Mosser and Gaylon Buxkemper. Sandra Stevens, cousin of the bride, was flower girl, and ring bearer was Toby Messengale, nephew of the groom. Wedding music was presented by Mrs. Steve Ball, organist, and St. Joseph's Choir.

A reception was held following the ceremony in St. Joseph's Hall. Miss Janice Buxkemper, cousin of the bride, registered guests. The refreshment table featured two arrangements of cerise roses.

Assisting with the reception were Mmes. Leroy Buxkemper, Paul Meurer, C. B. Schneirs, Clarence Buxkemper, Albert Kuss, Billy Meurer, Bobby Meurer and Betty Hlavaty; and Misses Donna Workman and Nadine Meurer.

Following a wedding trip, the couple will be at home in Lubbock. The bride is a graduate of Slaton High School and was formerly employed at White's Auto Store. French, recently discharged from the U. S. Navy, is employed with Clark Equipment in Lubbock.

Out-of-town guests attended from Abilene, Bridgeport, Irving, Chico, Midland and Lubbock.

ITEM: Soil on stored clothing supplies the nutrients for molds, so always wash or dry-clean garments before storing. Next to cleanliness, good ventilation and dry atmosphere are most effective weapons against closet mildew.

It's a woman's WHIRL

BY LAVON NIEMAN

Do you care? There's all sorts of people that make up the world and aren't we thankful for all those who do "care"? I don't mean for their own children, their husband, or their own small circle of friends. This isn't the kind of "care" I'm speaking of.

Do you care for those who are less fortunate than you? Do you care for retarded children, most of whom are underprivileged also? If so, you can do something about it by calling Mrs. Jim Newhouse at 3713 who is chairman of getting volunteers to work at the Slaton Opportunity School.

The transportation problem that I spoke of last week in the column has been solved and you will hear more about that later. This week there were nine students attending the school almost every day and Mrs. J. C. McDougal needs some help. This isn't hard work but she does need two volunteers each day from 9 to 11 a.m. If you are willing to work, even just one morning a week, please call Mrs. Newhouse.

One woman was heard to say she thought the school was just a baby sitting school. Well, according to reports from the state school where these 12 children were tested, they are all retarded but can learn if they have the opportunity. In all but one case both parents work, it was reported to me, and the other mother has no transportation to take her child because her husband takes the car to Lubbock to work each day.

Mrs. Pat Green, who is a twirling instructor with several years experience, has volunteered to teach twirling at the school one day a week. She says she needs at least three batons, about 20 or 22" ones for beginners. Used ones would be just fine. If you'd like to donate one your daughter is no longer using, please take it by the school located across from the First Baptist Church at 230 Scurry.

Four Slaton Girls Honored Tuesday

The American Legion Auxiliary will honor the four Slaton girls who attended Girls State last summer. A reception will be held Tuesday evening at 7:30 p.m. in the Slaton Club House.

A special guest will be Mrs. W. E. Kline, Girls State representative from Lubbock. Honorees will be Dianne Kenney, Patty Neill, Mary Frances

Browning and Georgia Geer. Each will give a brief resume of their trip and experiences at Girls State.

Hostess for the occasion will be Mmes. Glen Payne, chairman, Robert L. Jones, Pearl Pinkert and O. G. Nieman, all who served on the Girls State committee for the auxiliary.

Mrs. C.E. Smith Hostess To Past Matrons

Mrs. C. E. Smith was hostess when members of the Past Matrons Club met in her home Tuesday.

Opening prayer was offered by Mrs. E. R. Burns, and roll call was answered with Scripture.

Guest night has been scheduled October 20. Mrs. R. L. Smith and Mrs. Roy Collins were appointed to serve on a decoration committee.

A memorial to the late Mrs. Lela Anderson was read by Mrs. Eugene Eddings. A story, entitled "Tomorrow Will Be Better", was then read by Mrs. Burns.

Mrs. Smith served refreshments to Mmes. Vertner Merrill, R. J. Clark, Virgie Hunter, Douglas Wilson, Fannie Patterson, R. L. Smith, Collins, Eddings and Burns.

Birthday Party Given In Vernon Home

Several area residents attended the birthday celebration for Ed Schoppa in Vernon Sept. 9. He celebrated his 80th birthday.

Seven of his children attended including Sylvan Schoppa, Henry Schoppa, Mrs. Paul Gruzetner, and Mrs. Walter Nierlich and their families. Seventeen of his 22 grandchildren attended and his three great-grandchildren.

Grandchildren from this area attending were Mr. and Mrs. Clayton Parks; Mr. and Mrs. Leonard Kunkel; Cynthia and Clifford Gruzetner; and Rodney, Kenneth and Roxie Schoppa.

DIANE McMEEKAN

Betrothal Plans Told

Mr. and Mrs. J. E. McMeekan announce the engagement of their daughter, Diane, to Jerry Stewart, son of Mrs. Weldon Gebert, Slaton, and Bill Stewart, Lubbock.

Miss McMeekan is a 1968 graduate of Slaton High School, attended Lubbock Christian College, and is presently employed by Discount Merchandisers, Inc. of Lubbock.

Stewart is a 1968 graduate of Slaton High School, and is currently serving with the 25th Infantry Division of the U. S. Army in Viet Nam.

The couple plan to marry in November in the Slaton Church of Christ.

TO VIETNAM

Spec. 4 Eddie Dean Ethridge, son of Mr. and Mrs. Gene Ethridge, leaves today for Vietnam after being in Slaton on a 30-day leave.

Widdel Speaks To Sr. Citizens

Citizens Club met at Club House last night for regular weekly meeting.

Widdel, pastor of Lutheran Church at Slaton, spoke on the devotional.

Patterson, president of the club, presented a letter to Canada, the son of a patient in Mercy Hospital.

Mrs. W. L. Scud-

der in the Slaton Nursing Home. The opening prayer was given by Chaplain F. B. Sexton.

Mrs. Alvin White led the group in singing while Mrs. Anna Bell Tucker played the piano. The closing prayer was given by Mrs. Patterson and gave thanks for the meal. Rev. Widdel led the group in praying the Lord's Prayer.

Visitors were Mmes. Walter Maeker, Elmer Gindorf, Ben Wilke and Curtis Brieger, all of Wilson.

Has Weekend Visitors

Weekend visitors in the home of Mrs. W. O. Townsend were her daughter, Mrs. Helen Workman of Edmondson, and her son, Mr. and Mrs. Carl Townsend of Odessa. The Carl Townsends had been here the previous weekend when they were enroute to Eureka Springs, Ark., and were returning home this weekend.

Mrs. Townsend reported to the Slatonite that one of her grandsons, David Townsend, son of Mr. and Mrs. Billy Townsend of Lubbock, is stationed at Willington, Tenn, with the U. S. Navy. Another grandson, Dale Townsend, son of Mr. and Mrs. Wayne Townsend, also of Lubbock, is stationed at Seattle, Wash. with the U. S. Army.

OF YEAR--Wesley Hancock, right, is congratulated by Slaton Chamber of Commerce vice-president Robert Davis after the Slaton area farmer was named "Farmer of the Year" at the annual Farmer-Merchant Barbecue Tuesday night. Davis was one of the ceremonies for the event. Hancock was selected by a secret committee.

Citizens State Bank proudly salutes Wesley Hancock on being named the recipient of the "Farmer of the Year" award.

With the many outstanding farmers and ranchers of this area, it is a real honor to be selected for this award. CSB salutes Mr. Hancock for the work and accomplishments which qualified him for this honor.

We at CSB also commend Slaton Chamber of Commerce and Slaton merchants and firms for the annual sponsorship of the F-M Barbecue. The event is the only planned activity to publicly recognize the role our farmers play in the area economy, and the only event to draw our urban and rural people together for fellowship.

SOUTHLAND NEWS

—MRS. TOMMY WILKE

Thieves Busy In S'thland Area

Thought for the day, "Life is too short to be little."

GOLDEN WEDDING
 Congratulations to Mr. and Mrs. Jesse Ward who celebrated their Golden Anniversary on Sunday. They are long time residents of this community and only recently moved to Slaton. They have two daughters and five grandchildren. May God bless this couple with many more years together.

ENDS BASIC
 Bernie (Dan) Eckert has recently finished his basic training at Lackland AFB in San Antonio and has been assigned to Sheppard AFB in Wichita Falls for training as a medical services specialist. He graduated from Southland High in 1968 and is the son of Mrs. R. D. Eckert and grandson of Mr. and Mrs. E. L. Anderson, all of Southland.

VISITS MOTHER
 Mrs. Stonewall Jefferson and grand daughter, Doreen, recently went to El Campo where they visited with Mrs. Jefferson's mother, Mrs. Maggie Swain, who is in the Nightingale Hospital. Mrs. Jefferson's grand daughter, Faye Gregg, came up here and get her grandmother and then brought her

back home and remained here for a short visit.

FOOTBALL
 The Southland Eagles went against the Sterling City Eagles last Friday night in a tough non-conference game, with the Southland Eagles coming out the losers, but they played a good game and showed a lot of good spirit. They will travel to Garden City this Friday night where they will meet the Garden City Bear Cats in another non-conference game. Good luck Eagles!

Edmund, Sherri and Yours Truly went to Dimmitt on Sunday afternoon where we visited with Mr. and Mrs. Walter Wilke. Later on, we went to Hereford and visited with Mr. and Mrs. George Tiefert and Ted Louis. Saw a lot of beautiful crops up that way!

SHOWER
 Mrs. David McInturff (former Beatrice Klees) was honored with a "Pink and Blue" shower in the Grace Lutheran Parish Hall in Slaton on Tuesday night. Dayneen Dunn of Texas Tech spent the week-end here with her parents, Mr. and Mrs. R.C. Dunn.

Mr. and Mrs. Bobby Albright and daughter have bought and

moved into the house recently vacated by Mrs. Nellie Mathis. Congratulations to Virgil Smith and Jack Burkett who picked the first and second bales of cotton respectively. We are all hoping that the sun will stay out and start drying things up a bit, so all of the cotton can start opening. Sure would be nice to have a little money jingling in our pockets once again.

THIEVES BUSY
 Well, it is fall and once again, as in every year, the "sneak thieves" are hard at work. Several places in this community have been ransacked and a lot of things have been taken. Better be on guard against this, keeping your doors and windows locked and giving your dog explicit orders what to do in case a stranger comes up while you are away. It is indeed a sad thing that there are "these kind of people" that go out and steal rather than put in an hour of honest labor for an honest dollar.

SYMPATHY
 Our sympathies to Mr. and Mrs. Edmund Stolle, whose aunt passed away and was buried this past week. May God comfort this family in their sorrow.

We extend our deepest sympathies to Mr. and Mrs. Ed Cummings, whose brother, Cecil Cummings, died on Saturday in a Llano hospital after a long illness. Cecil was a retired barber and had lived in Post many years. Services were held at 2:30 p.m. on Monday in the Post Church of Christ, with the minister, Don Davenport, officiating, and burial was in the Terrace Cemetery. Survivors include his wife, one daughter, and two brothers, Ed of this community and Sarge of Kerrville, and two grandchildren. May God comfort this family in their sorrow.

Rev. J. H. Sharp pastor of the Southland Methodist Church, reported on Monday morning that he had better attendance last Sunday than any other Sunday since he has been at Southland. That is wonderful news!

SNS OFFICERS
 Class officers at Southland H.S. were elected last week with the following results: Seniors -- president, David Mock; secretary -- treasurer, Dessa Dodd; Juniors -- president,

SURPRISE PRESENTATION--Bill Ball, left, made a surprise presentation to KCAS Radio manager Dee Bowman at the Tuesday night Farmer-Merchant Barbecue. Ball said a number of friends chipped in to buy Bowman a drum "so that he might further his attempt to get back into show business." (SLATONITE PHOTO)

Douglas Smallwood; vice - president, Margie Perez; secretary - treasurer, Joan Gindorf; Sophomores -- president, Ray Valdez; vice - president, Tommy Garza; secretary - treasurer, Johnny Medrano; Freshmen -- president, Connie Abshire; vice - president, Kyle Shankles; secretary - treasurer, Sue Bevers. Congratulations, everyone. There is an enrollment of 167 in the Southland schools.

The Southland H.S. Eagle football team consists of the following players: Stanley Abshire, back -- senior; Larry Bevers, back -- senior; Gary Lester, guard -- senior; Larry Lockridge, senior -- guard; Douglas Smallwood, center -- junior; Tommy Garza, guard -- sophomore; Johnny Medrano, guard -- sophomore; Ray Valdez, back -- sophomore; Joe Bevers, end -- freshman; Joe Eckert, back -- freshman; and Andrew Mendez, back -- freshman; Coach -- Rod Callaway and assistant-coach, Bill Mathis. Allen Lester is the manager. GO TEAM, GO!

HONOR STUDENTS
 Academic honor pins for 1968 and 1969 were handed out last Friday before the weekly pep rally to the following students: Breonne Winterrowd, Joan Gindorf, Douglas Smallwood, David Mock, Sherri and Darrell Wilke and Cathy Long. These students made at least an A average in all subjects during the school terms, and they are to be commended. Congratulations to each of you!

Well, this is just about all for today so I will close with this little jewel, "If you have a weakness, make it work for you as a strength--and if you have a strength, don't abuse it into a weakness."

Slaton Woman Cited By AL Auxiliary

Mrs. Alton Meeks, council treasurer of Home Demonstration and scrapbook chairman, has been named winner of the American Legion Auxiliary contest of "Americanism Begins with God and Country Training in the Home".

The winner, cited by Mrs. Ellis P. Schmid, outgoing 19th District American Legion Auxiliary president, is one of the three delegates from Lubbock County elected to attend the state convention of home demonstration clubs at the Baker Hotel in Dallas Sept. 17-18.

Mrs. Herman Bond, chairman of the Texas Home Demonstration Association, will present a report on the citations. Mrs. Meeks, an active H.D. member for 20 years, is a past president serving in 1964, 1965 and 1968 of the local chapter. She has served on all committees and presently serves as educational committee chairman for the local president, Mrs. Wilfred Kitten.

Mrs. Schmid said, in making

MRS. MEEKS CITED--Mrs. Alton Meeks with two citations naming her the contest "Americanism Begins with God Training in the Home".

the presentation, "in my four years as a district officer in the American Legion Auxiliary, the Home Demonstration Club has cooperated greatly in respect to our aims and purposes". She has contributed toward City, and is worthy of the honor. The council has been a great help in her service to the community and the Home Demonstration Club.

LETTER TO THE EDITOR:

Dear Lavon:

Have you tried sitting out in your yard lately, or eating out-of doors? Flies, flies, and more flies! Where did so many come from? Everyone tells me it's the wet weather. We've had wet weather for the past years, and it never produced flies! Could it be the open garbage cans and the un-burned trash piled in alleys? Flies breed filth and germs. They seem to be immune to fly sprays. Will we try and do something about them, or will we just sit idle...let them go...and call them a "little thing" from outer space! If so, Slaton has had one big invasion!!!

(S) Mrs. H. Hogue

P.S. Flies are so popular in our neighborhood - I thought I'd design my stationery after them!

ROOSEVELT NEWS

PAM MIMMS & DIANE MILLER

Officers Elected At RHS

at RHS met last week to elect officers for the coming year. Party heads up the list are seniors. Others on the list are: Williams, vice-president; Ehler, secretary; Jim Davis, treasurer; Henderson, reporter; and Mrs. Lynn Adams, sponsor.

of the Month." Results will be given later.

SCIENCE CLUB
The RHS Science Club met to elect officers last week. Heading the club this year is Marvin Williams, Jr., president, vice-president is Vicki Davis; Randall Hughes is secretary - reporter; and Tina Latham is treasurer.

FTA HONOR TEACHERS
The Future Teachers of America also met last week. Heading that organization is James Dickey. The FTA served cookies and punch to new teachers in the workroom Monday. Spanish Club met last week to see a film about Mexico, shown by Mrs. Mary Alice Gonzales, RHS Spanish teacher.

VICKI DAVIS WINS
Congratulations to Vicki Jo Davis, RHS senior, who was named Area I Little Sister at the Area I meeting of the Young Homemakers. Vicki represented the Roosevelt Young Homemakers at the meeting.

RHS NEWSPAPER
The first edition of the ROOSEVELT REVELLE went on sale last Friday to RHS students. The newspaper is written by members of the Typing II class and will be sold every other Friday. The paper costs 10 cents an issue and a yearly subscription is \$1.50.

PEP RALLY
The first pep rally of the year was held Friday to kick off the 1969 football season. The coaches, players and pep leaders were introduced.

EAGLES WIN
The Eagle football team made its debut last Friday in Eagle Stadium, and soundly defeated the Whiteface Antelopes with a score of 52-12.

The Eagles received the kickoff, and two plays later Tommy Martin threw a 57-yard pass to Steve Viney and the first touchdown was scored. The try for extra point failed. Later in the first quarter, Johnny Brown went six yards for the second TD. David Hammett kicked the extra point.

In the second quarter, Don Jackson passed to David Hammett for the third TD of the game. David Hammett kicked the extra point. Randall Hughes then ran the middle for six yards and the fourth Eagle TD. The kick failed.

Whiteface's L. C. Clewis ran 80 yards for a TD, besides the 1-yard drive earlier.

In the third quarter the Eagles made three more TDs. Artemus Tension ran 71 yards for a TD. The kick failed. Steve Maines charged 6 yards for another and Steve Viney kicked the extra point. Again, Maines ran 10 yards for the last score of the third quarter. Hammett kicked the extra point.

In the fourth quarter, Tension ran 45 yards for the final TD. The PAT failed.

The Eagles will meet the Cooper Pirates Friday at 8:00 p.m. at Cooper.

MORE FOOTBALL
The seventh and eighth grade football teams met Slaton Tuesday, and the Roosevelt freshmen met Ropesville Thursday. Results later.

TO FAIR
Roosevelt Schools will dismiss for the annual South Plains Fair at 2:30 p.m. next Monday. Tickets will be distributed to all students Monday.

Don Taylor, assistant superintendent of schools at Roosevelt, has been hospitalized recently following an ap-

pendectomy. He is presently at home and doing well.

PTA NEWS
The Roosevelt PTA's first general meeting will be in the form of an "open house" Sept. 29 at 8:00 p.m. Officers of the PTA are Myra Collops, president; Helen Sisson, first vice-president; Velda Kelham, second vice-president; Judy Hamm, third vice-president; Gail Adams, secretary; and Melba Wright, treasurer.

SYMPATHY
Our sympathy goes to the Jack Rhea family on the death of his mother, Mrs. Rhea of Cleburne.

We also extend our sympathy to the family of Mr. M. Lackey who passed away Monday.

Cotton soaks up moisture.

LIONS GOVERNOR VISITS---Lions District 272 Governor Clyde Schneider of Lubbock right, made his official visit to the Slaton Lions Club Monday. He is pictured with club president Glen Akin and secretary Joe Miles. Schneider outlined district goals for the year. Other district officials attended the meeting and held a zone session.

(SLATONITE PHOTO)

Special Program Held For Rotary Ladies Night

"America, of Thee I Sing" was the title of a special program presented at the Slaton Rotary Club's "Ladies Night" last Thursday evening in the Community Clubhouse.

Three Lubbock women were featured on the patriotic program--Mrs. O. L. Byrd was narrator, Mrs. T. J. Lovett, soloist, and Mrs. Nell Oldham,

pianist. The program reviewed America's history in music and songs. Dee Bewman served as program chairman and master of ceremonies for the ladies night event.

The regular weekly luncheon meeting of the club this week will feature a program on Girls-town, USA.

Cooper 4-H Club Meets

The Cooper 4-H Club met Monday at 7:30 p.m. in the Cooper Elementary cafeteria. The meeting was called to order by the president, Mark Dorsett.

The program was presented by Pam Trimble. Recreation was provided and refreshments were served. New members are always welcome.

SPEC Elects Three Directors

Three board members were re-elected when the South Plains Electrical Cooperative, Inc. met last week in Lubbock. They are O. F. Kitten of Slaton, M. D. Cherry of Lorenzo and R. D. McCallister of Acuff.

The election was held following the annual membership meeting. W. G. Newton, general manager, presented a financial report.

- FRIDAY
Cheese and macaroni
Sliced Bologna
Green beans
Carrot and raisin salad
Hot Rolls
Peach Cobbler
1/2 pint milk

Mize Taught In Kansas

FT. LEAVENWORTH, KAN. (Sept. 5, 1969) -- Army Reserve Lieutenant Colonel Weldon B. Mize, coach and teacher at Slaton High School, was a member of the staff and faculty for Phase 10 of the command and general staff officer course at the U. S. Army Command and General Staff College, Ft. Leavenworth, Kan., Aug. 2.

The course, which was attended by 396 selected officers from the active Army, Army National Guard and Army Reserve, is organized into 10 phases and given over a five-year period with the final two-week phase conducted at Ft. Leavenworth.

The training is designed to prepare students for responsible positions at the division level and up.

LT. Col. Mize is assigned to the 4159th-7 Fort Worth U. S. Army Reserve School in Lubbock.

Drinkers

Pigeons and their relatives in the Old World sandgrouse family share the unique ability to drink water like a horse, with head down and bill immersed. Other birds must raise their heads to swallow.

Thursday: Salmon Patty, Blackeyed Peas, Juice, Tomato Catsup, Milk, Plum Cobbler.
Friday: Hamburger w/cheese, Lettuce Tomato Salad, Onions, Pickles, Pork and Beans, Buns, Butter, Orange Juice, Milk, Chips, Peanut Butter Cookies.

WILSON MENUS

- Sept. 22-26
Monday: Franks, Baked w/cheese, Lima Beans, Tomato Relish, Hot Rolls, Butter, Milk, Raisin Cobbler.
Tuesday: Chili Beans, Potato Salad, Cole Slaw, Corn Bread, Butter, Milk, Fruit Jello.
Wednesday: Roast w/gravy, Cream Potato, Collard Greens, Lettuce Tomato Salad, Hot Rolls, Butter, Milk, Story Book Cake.

VICKI JO DAVIS

RHS STUDENT RECEIVES \$100 SCHOLARSHIP

Vicki Jo Davis, a senior at Roosevelt High School, was given the award of Little Sister during the Young Homemakers Area I convention in Plainview Saturday. She competed against eight other candidates.

The daughter of Mr. and Mrs. Wesley Davis of Rt. 1, Lubbock, Vicki Jo is 18 years old and has attended Roosevelt Schools all of her school years.

To qualify for the Little Sister honor, a homemaking student, must be a member of the Future Homemakers of America and must either have her state degree or be working toward it. Vicki Jo received her state degree last year.

She is also first vice-president of the FHA and first vice-president of the Roosevelt chapter. Her home economics teacher is Mrs. Bill Harris.

As District Little Sister, Vicki Jo will compete for state in Galveston January 13-15. The district award was a \$100 scholarship and should she win state, she will be awarded a \$500 scholarship.

Not only active in FHA work, Vicki Jo is also involved in many other things around Roosevelt High School. She is serving as head cheerleader this year and is on the basketball team.

IN NEW JERSEY Bill Cirone's Father Dies

William T. (Bill) Cirone, manager of White's Auto Store, received word Tuesday that his father, James Cirone, 81, of Jersey City, N.J., passed away early Tuesday in his home. Death was attributed to natural causes.

Mr. Cirone left Tuesday night to attend funeral services which were still pending at press time. The elder Cirone is survived by two other sons.

India Circle Views Film

The India Circle of the WSCS of United Methodist Church met in the home of Mrs. H. V. Wheeler Monday at 2 p.m.

A filmstrip on China entitled "The Great Wall" was shown by Mrs. S. H. Jaynes and Mrs. J. S. Edwards completed the program with an article, "Red Guards and China Cultural Revolution". Members also discussed today's anti-establishment movement in America.

Refreshments of pie and coffee were served.

Class Meets In Haliburton Home

Sixteen members of the Mary Martha Sunday School Class of the First Baptist Church met last Thursday evening in the home of the class teacher, Mrs. J. P. Haliburton.

A devotional was given by Mrs. Bob Norris and refreshments were served.

Study The Stars
Even Western-trained Vietnamese seldom make important decisions without consulting a medium, an astrologer, or a geomancer who predicts fortunes from geometric figures.

Working Women
More than half of American women in the 45-54 age brackets have entered paid employment.

Congratulations to Chairman Jake Wendel and the hard working committee, including Glen Akin, Milt Ardrey and Clarence Kitten, on the Farmer-Merchant Barbecue, The Blue Blaser Brigade, Jay Gray and the work crews from Slaton Co-Op Gin, Milt Ardrey and his staff from Union Compress and many others worked long and hard to make this event a success.

Congratulations to Robert Hall Davis on the fine job he did as master of ceremonies. Also Congratulations to Chamber President Clark Self, Jr. and Slaton farmer Leroy Zieschang on their parts in the program. Thank you to Johnny Flanagan and the Road Runners for the fine entertainment.

This is another example of what can be accomplished by a "total community effort". Congratulations Slaton on a job well done.

---0---
Congratulations to Mrs. Jim Newhouse and Mrs. Johnny Moore on their efforts in arranging transportation for Slaton's Opportunity Class for the mentally retarded. Several of the eligible students were not attending because of a transportation problem. Mrs. Newhouse now heads the committee to handle this problem and has organized a number of concerned Slatonites. The result is that the students are now able to attend this special school. Congratulations to the many volunteers that make this possible. Also congratulations and thank you to the volunteers that assist with the class each day.

---0---
And now... Committee activities and planning for the annual November 11th activities.

Youth Groups Elect Officers

The Christian Youth Fellowship and the Chi Rho groups of the First Christian Church have elected new officers for the coming year. Mr. and Mrs. James Newhouse are adult sponsors for the groups.

Dick Davis was elected president of the CYF and other officers are Jim Carnes, vice-president and Dee Dee Carter, secretary - treasurer.

Officers of the Chi Rho are J. D. Moore, president; Melissa Locke, vice-president; Jan Davis, secretary; and Robin Sammons, treasurer.

Smiths Elected UMYF Counselors

Rev. Bruce Parks announced this week that the United Methodist Youth Fellowship elected Mr. and Mrs. Steve Smith as their adult counselors for this year.

The youth are planning a trip to the mountains in Ruidoso, N.M. during the Christmas holidays, Dec. 26-29. This will be the pastor's annual retreat with the youth.

Americans eat more than a hundred million sandwiches every day throughout the year. One reason for this popularity is that the sandwich is one of the most convenient and easiest foods to prepare. The growing trend to casual living also contributes to the popularity of the sandwich.

SAME NUMBER, DIFFERENT YEAR---The styles of the cars have changed considerably since 1922 but to Ernest Carroll's surprise this week, his car license number has changed very little. While looking through some old pictures, he discovered that his license number was the same as his license number today. Carroll has lived in Slaton since 1919.

Caron Hunter Begins Physical Therapy Training

Mrs. Caron Hunter, daughter of Mr. and Mrs. Carter Caldwell, has entered the School of Physical Therapy at Baylor University Medical Center in Dallas, for 15 months of special education.

Students entering this school must have a B.S. degree or be a senior in the baccalaureate program of Baylor University. A certificate from the Grady Vaughn School of Physical Therapy will be awarded upon the satisfactory completion of their training. Upon graduation, they will be eligible for membership in the American Physical Therapy Association.

Mrs. Hunter is a graduate of the Baylor University of Waco. She was salutatorian when she graduated from Slaton High School.

SUNDAY'S SERMON

DO SOMETHING
You can't change the world by sitting on the side of the road with a sign in your hand. You can't change the world if you aren't interested in knowing your neighbor. You can't change the world if you live in a cave, or retire, hermit-like to the depths of the forest. But you can change the world, at least, a small part of it, by doing something. You change the world if you build something worthwhile; if you do well whatever task you have to do; if you give something of value to your friend and neighbor -- only a smile if you have nothing more to give. Do something. Look about you and you will see the need -- within your family circle, within your community, within your church. Aim wherever you choose. If you select a monumental task, one beyond your reach, something good will come from the fact that you tried. If you do something worthwhile, however small the task or the effort, you will be encouraged to take on something bigger and, chances are, you will win again.

ITEM: Warmed maple syrup makes a good sauce for vanilla ice cream. For extra flavor, sprinkle butter-salted almonds on top.

The Quality of Mercy
"I will give you the sure mercies of David."
-- Isaiah 55:3

If we are promised "sure mercy", does this mean that anything we do shall be forgiven? Or, is "sure mercy" instead mercy that is tempered with justice?

Many of us are inclined to anticipate forgiveness. This is wrong. We belittle the consequences of a wrong deed when we assume that we need only ask to be forgiven.

In the courts of law, we find mercy. If circumstances warrant, charges are sometimes filed away; leniency is evident in the sentence passed upon a first offender. And yet, the courts insist that justice be done, that justice will be served.

We should not attempt to determine the real meaning of "sure mercy." What we should remember always is that God is merciful; that God is just; and that a sure judgment awaits every man.

Luxurious Personalized Heads Oldsmobile Line

A new and luxurious line of cars heads the Oldsmobile line of 1970 models, all carrying history - meaning advanced engineering and added durability - reduction in the price, it was announced by John B. Beltz, general manager and president of General Motors Corp. Oldsmobile is the only division of GM to have a new model year, Oldsmobile's long-held reputation for engineering leadership will be re-emphasized with the introduction of several major and far-reaching engine advancements designed to curtail the need for service.

"Particularly important, and exclusive to Oldsmobile in 1970, is the incorporation of a positive valve rotating system on all Oldsmobile V-8 engines, which extends valve life beyond anything available on today's passenger car engines," Beltz said.

"Another important engineering achievement being introduced by Oldsmobile on its 1970 cars is a new concept in connecting rod bearing design that greatly enhances engine durability," Beltz continued. "The new rod bearing increases oil system pressure and substantially improves engine lubrication."

Oldsmobile has also eliminated the exhaust manifold heat valve on all 1970 V-8 engines for further improvement in engine reliability. The engine's heated air intake system, combined with a newly designed choke mechanism, provides more rapid engine warmup.

In a major revision of engine availabilities for 1970, Oldsmobile has introduced the 455-cu.-in. V-8 as the 4-4-2's standard power plant. It replaces the 400-cu.-in. engine which is no longer required. The 455 will also be used as part of the performance option for the new Cutlass Supreme coupe and convertible. With the

engine, the Cutlass SX package will include a 2.56 axle, wide-rim wheels, and dual exhausts.

"The Cutlass SX," said Beltz, "is only one of several options developed by Oldsmobile engineers for the buyer who wants the ultimate in performance. They particularly include Oldsmobile's now famous 'W' machines, headed by the all-new W-30, 455 cubic inch force-air package, optional on the 4-4-2 coupes. Available again on the Cutlass 'S' and F-85 coupes will be the highly successful W-31 option with the 350 cubic inch force-air engine.

The automatic transmissions available on 1970 Oldsmobiles are 3-speed. The TurboHydra-Matic 350 replaces the 2-speed Jetway as the automatic transmission option on F-85 models equipped with the 350 cubic inch V-8 engine.

The Turbo Hydra-Matic 400 continues for use with Oldsmobile's 455 cubic inch engine. A unique convenience feature offered exclusively on Oldsmobile's full-size cars, is a fingertip windshield washer-wiper control located in the shift lever handle. It offers greater safety by permitting the driver to operate the wiper without taking his eyes from the road.

As a further theft deterrent, Oldsmobile has developed a hood catch lock that prevents opening of the hood except through the use of an "inside-the-car" release control.

All 1970 Oldsmobile coupes and convertibles equipped with the power door lock option will feature a mechanism that automatically unlocks the front seat back when a door is opened. Power door locks and deck lid releases are electrically operated for 1970, allowing unlimited use of these features.

The electric rear window defogger, introduced recently on the Toronado, becomes a new option on the 1970 '88's and '98's.

All air conditioning systems are powered by larger blower motors, reducing cool-down time. Two additional air outlets in the F-85, Cutlass, Cutlass Supreme, 4-4-2 and Vista Cruiser further improve air conditioning performance in those models.

Fiberglass-belted tires, for improved traction, reduced tire wear, better handling characteristics and greater resistance to road hazards, are standard on all cars.

Oldsmobile's variable ratio power steering is now available in 1970 across-the-line, including all F-85's.

The division's 1970 product lineup consists of 10 series and 29 models.

Offered exclusively in a Holiday Coupe body style, the 1970 Delta 88 Royale represents the top of Oldsmobile's '88' line of cars. A vinyl-covered top, distinctive grille, front fender louvers and specific exterior ornamentation easily identify the Delta 88 Royale. Standard engine on this 1970 Oldsmobile is a 455-cu.-in. V-8. A high output engine option, designated W-33, is available on the Delta 88 Royale and on all other Oldsmobile '88' models for 1970.

Mrs. M.L. German Returns From 10 Weeks On Other Side Of World

Mrs. M. L. German returned recently from a two and one-half month trip to Japan which included sampling sukiyaki in Hakone (dressed in a Kimono), and viewing a replica of our Liberty Bell adorned with a million dollars worth of pearls, diamonds and silver in the Pearl Island Museum!

Mrs. Curtis Wilke took her mother, Mrs. German, and Mrs. Aubrey McNeely to Clovis, N. M., where the two boarded a train for San Francisco, Calif. Upon arrival, they were part of a guided tour which included Dolores Mission, Golden Gate Bridge, Oakland Bay Bridge, Treasure Island and other points of interest, ending with a ride on a cable car.

The two women sailed from San Francisco on the S.S. President Wilson which first docked in Honolulu, Hawaii, and then in Yokohama. Mrs. McNeely was met there by her daughter and proceeded to Yokota Air Force Station near Tokyo where her son-in-law is stationed.

Mrs. German's son, Cdr. Roy E. German and wife, Betty, met her, and this group went in to Tokyo where they went to the Tower, the world's tallest steel structure; Ginza shopping area; Imperial Palace grounds; zoo and Kokusai theatre. On a guided bus tour they saw the Buddha at Kamakura, went along the ocean up into the mountains, rode a cable car and ferry.

At Hakone, they spent the night in a Japanese style hotel, leaving the next day on the Bullet, Japan's fastest train, to Toyohashi. They toured the Toyota automobile factory at Toyota; then went by bus to Nagoya, Taba, and on to Pearl Island which is a memorial to Mikiyoto.

The next stop, Kyoto, was the capital of Japan for more than a thousand years; however, in 1868, Tokyo became the capital. There they visited the Golden Pavilion where they saw silk screen painting, pottery painting, fingernail weaving, and workers doing cloisonne, Damascene and block printing. In Nara they visited the temple with the figure of Buddha and many Shinto shrines.

From Kyoto, they went to Iwakura, a town of some 100,000, located 25 miles south of Hiroshima where Dr. German is senior medical officer in the hospital at the Marine Corps Air Station.

The group visited Hiroshima; Memorial Peace Park; Miyajima, a small island off the mainland; and went cormorant fishing at Kintai Bridge.

Mrs. German stated that most of Japan is mountainous, but every bit of land that can be cultivated is terraced. The country is green this time of year and most everyone has flowers.

"The people are very friendly, absolutely honest and will go to great length to give directions", Mrs. German said. Nearly all shop owners live in back of their shops, she said, and one day, while shopping, she and her daughter were invited into a house to see the garden in slides, and were provided with slides when they took off their shoes. In turn Betty German invited two Japanese women and their daughters for tea. (Husbands of the women are commanders in Japan's Civil Defense which has an area on the base.) It was the first time for the Japanese to visit in a Western home and they chose coffee instead of tea.

Mrs. German attended a series of flower arranging classes during August. After spending eight weeks in Japan, she flew from Hiroshima to Tokyo, then to Honolulu and on to San Francisco. Upon arriving home, she reported a "wonderful time and I enjoyed it all!"

What Do They Like?

What do newspaper readers like to read? The following, entitled "What Does a Reader Want Most to See in a Newspaper?" came from the Worcester Massachusetts Telegram and Gazette.

1. My name.
2. A front page article showing how crooked the city government is most of the time.
3. My wife's name.
4. A feature article showing 25 ways on how to cheat on income tax forms.
5. My kid's names.
6. A local news item about the affair my neighbor is having.
7. A classified offering a new home for sale for \$4,000.
8. Less news about lawbreakers.
9. I was picked up last night and I should not have to pay a fine.
10. An editorial condemning high school teachers for being too liberal with "F's".
11. A wedding picture of the groom instead of the bride when he is more handsome than she is pretty.
12. A sports picture of me when I bowled 183.
13. More advertisements in items that the merchants are giving away.
14. A front page picture of my neighbor being hauled out of the bar by his wife.
15. A front page spread about the deadbeat who live across the street from me who just had his car repossessed.
16. Forget the last one. I just got word from the finance company that they're coming after my car.
17. More letters to the editor naming the crooks we have in town.
18. A full page of local news, a page of national news, several pages of sports and comics, one page of divorces, and three pages on all the domestic troubles we are having in town.
19. Less stuff about how cute everybody else's kids are. My kids are better looking than those you rave about.
20. A complete biographical sketch about the "most important citizen in town," and be sure you spell my name right.

Ford Highlights All-New Torino, T-Bird Lines

TECH TICKET WINNER--Seth Neill, right, received two season tickets to Texas Tech's home football games this week as a bonus for participation in O. S. Ball's "Wardrobe Club." Bill Ball made the presentation to Neill, who is employed with Santa Fe Railways. (SLATONITE PHOTO)

Local Farm Named To Assn.

Kansas City, Mo., Sept. 15-- (Special) -- Walter Hereford Farms, Slaton, has been named to junior membership in the American Hereford Association, the world's largest purebred registry organization, with headquarters in Kansas City, Mo.

Fifty-five junior Hereford breeders were placed on the Association's official roster in August. The AHA maintains records for breeders of registered Herefords over the nation. The AHA's herd books contain more than 15,000,000 purebred Hereford records.

Ford Division passenger cars for 1970 are highlighted by all-new Torino and Thunderbird lines, a new ultra-luxurious LTD Brougham series, a new mid-range engine, premium quality tires standard on most cars and more comfort, convenience, safety and security features.

"The 1970 model year may become the first year in which the sales of intermediate-size cars catch, or surpass, sales in the standard-size market," said John Naughton, Ford Motor Company vice president and Ford Division general manager.

"This may be the 'year of the intermediates,' and Torino is our most dramatically redesigned car. Torino is longer, lower and wider with aerodynamic styling, hot performance engines and options, and our first intermediate-size four-door hardtop models," he said.

"Thunderbird also has an all-new look with a bold front-end design with longer, lower hood, a forward-thrusting grille and exposed headlamps.

"More quiet-car luxury is offered in the standard-size Ford. The entire Ford line presents a more formal appearance with new grilles, ornamentation and rear-end design.

"Mustang comes on stronger and sportier than ever with design changes, hotter engines, bright 'Grabber' colors, and interiors with upbeat stripes and houndstooth checks.

"Maverick, introduced in April as the first car of the Seventies, will remain our 'simple machine' with very few changes. Mavericks produced after September 30 will have side marker lights which flash with the turn signals, and a

three-way locking steering column.

"Falcon moves into the 1970 market with the proven features of fuel economy, roomy interior and durable performance," Mr. Naughton said.

NEW FEATURES
Several new security, comfort, convenience and performance features are included in Ford Division's 51 models for 1970.

Standard tires on Fords, Torinos, Mustangs and Thunderbirds will last longer, have greater resistance to puncture and provide better traction. Radial-ply tires will be installed on all 1970 Thunderbirds, and fiberglass belted bias-ply tires will be standard on all Fords, Torinos and Mustangs.

An all-new 351-cubic-inch-displacement V-8 engine, developed with the latest computerized technology and assembled on the auto industry's most advanced production line, will be offered on 1970 Mustangs and Torinos. The engine is compact, relatively lightweight and delivers excellent performance and economy.

All bucket seats offered on Ford Division cars are of high-back design. The higher seat backs incorporate integral head restraints and provide added comfort.

For the performance buffs, all optional four-speed manual transmissions feature the competition Hurst Shifter, known for fast, smooth shifting.

An automatic release for the two-door safety latch is available on Ford, Torino, Mustang and Thunderbird models. Both front seat - back latches are automatically released when either door is opened, thereby making it easier to get into and out of the back seat.

New steering wheels on Ford, Torino, Mustang and Thunderbird models are semi-oval in design for easier driver entry and exit and better visibility of the instrument cluster.

On all models except Falcon, odometers are tamper-resistant and non-reversing.

A three-way locking steering column on all models except Falcon is designed to deter car thefts by locking the ignition, the transmission linkage and the steering wheel with the ignition switch.

A new three-point Uni-Lock Safety Harness lap and shoulder belt system - available on all models except Mavericks, Falcons and convertibles - permits outboard front seat occupants to "buckle-up" faster. The separate buckle for the shoulder belt has been eliminated and the three remaining front seat buckles are only half the previous size. The result - a neater, more convenient, more comfortable system that is as safe as ever.

Externally adjustable headlamps on Ford, Torino, Mustang, Maverick and Thunderbird make it unnecessary to remove the headlamp trims to adjust the beams.

On the same models, standard front and rear side marker lamps - amber in front and red in the rear - flash with the turn signals to provide side visibility of the driver's intention to turn.

All cars manufactured for delivery in the state of California will be equipped with an evaporative emission control system.

Torino is completely new for 1970 with 13 models offering from hot performance to utility. For the first time, a four-door hardtop is offered in the Ford Division intermediate four-door hardtop is available in the Torino and Torino Brougham (top) series. The SportsRoof (bottom) is available with seven engines from the standard 302 V-8 to the Cobra Jet V-8.

Freshman Play Tahoka Today

Slaton's freshman Tigers are scheduled to start the season here at 5:30 p.m. today in a game with Tahoka.

The junior varsity Tigers were previously scheduled with Tahoka in a second game, but the Bulldogs cancelled out their B-team games.

The Slaton freshmen play here again next Thursday, hosting a Plainview team in a 5 p.m. game. Eight games are slated for the freshman team, coached by Jackie Stewart and Kenneth Housden.

Cheerleaders Elected At SJHS

Slaton Junior High cheerleaders were elected this week and will be leading yells at the seventh and eighth grade football games.

Eighth graders elected were Frana Gass and Kathy Price; seventh graders are Brenda McDonald and Ann Webb; and sixth grade cheerleader is D'Ann Green.

The cheerleaders are elected by the girls in junior high. They led yells at the Slaton-Roosevelt game Tuesday.

Welcome Subscribers

The Slatonite welcomes the following new subscribers: Danny Castleberry, City; Kathy Edwards, Canyon; Karlene Eastman, HSU, Abilene; J. C. Morgan, Groves; Sanders Pant & Top Shop, City; Nancy McSweeney, Austin; Jack Griffith, Clovis, N.M.; Holly McSween, Nacogdoches; Also, Jimmy Lee Jones, Dallas; J. J. Warlick, City; Randal Partain, ACC, Abilene; Donna Hatchett, Houston; Caron Hunter, Irving; D. F. Duncan, City; and Earl McCulston, Tahoka.

Slaton 4-H Club Holds Meeting

Slaton Community 4-H Club met Tuesday night at the Slaton Club House with president Corlis Wimmer conducting the business meeting. The inspiration was given by Jimmy Kahlich.

Leaders for the cooking classes were announced. They will be Marsha Bednarz, Corlis Wimmer and Juanita Schwertner.

Discussion was held on activities for National 4-H which will be Oct. 11-18. Members were told that anyone who entered 4-H record books were invited to attend the achieve-

FOOTBALL CONTEST

It's so easy. You don't have to be a football expert in order to win. Just select the winners on the handy official blank printed below. No scores. Just check the teams you think will win.

1st PRIZE 2nd PRIZE 3rd PRIZE
\$10 \$5 \$2

RULES OF THE GAME:

- ★ Teams playing in this week's contest games are listed in ads and numbered 1 through 48. Use the entry form at the bottom of the page and circle the numbers of the teams you think will win. To pick a tie, circle both numbers of the teams playing.
- ★ Be sure to guess total score on the "tie-breaker" game. In case of ties, the entrant nearer to that total score will be the winner. If tie also occurs on total score, prize money will be split between place winners. This also applies to "jackpot" winner.
- ★ Have your entry blank signed or stamped by a participating merchant, and get it to The Slatonite office by 5 p.m. Friday before the games are played. Only two entries for each person; all persons 12 or older eligible except Slatonite employees and their families.

LAST WEEKS WINNERS :

1st: Bobby Meeks \$10

2nd: Kelly Sparkman \$5 3rd: Joe Sparkman \$2

COOPER NEWS

By BRENDA, CINDA & LINDA

Pirate Booster Club Formed

Monday, Sept. 8, marked the first meeting for the Pirate Booster Club, with an estimated attendance of thirty persons. Sutter Thomason donated a panel wagon for the group's use in supporting the Pirates. It was decided that a caravan of decorated cars would go to each of the games away from Cooper. The caravan will be led by the booster wagon. This vehicle is red and black, and has various decorations including a schedule of the games on the side. This display of spirit and support is appreciated by the Pirate team, and the people in the Cooper community are behind their team all the way.

SCHOOL BOARD
Members of the Cooper School Board include John Key, president; Bobby Jones, vice-president; Malcolm Pate, secretary; James Smith, J. C. Robertson, Carlton Schaffner and Melba Thompson, Jr.

STUDENT COUNCIL
Members of the Student Council at Cooper High School made several suggestions on various activities for the new school year. These include a "Mr. America" contest in which each class elects two boy representatives to model some kind of swim wear and new dress fashions; "Hippie Day" to be scheduled in the fall to "liven up" the first semester, tentatively set for the last week in October; and assembly programs planned for the activity period. A committee to begin work on these consists of Roxann McCuiston, Margaret Luker and Jimmy Burkett.

Dances were also discussed and a committee appointed to "get the facts" about school policies and student-parent opinions. This group includes Ron Kitten, Brenda Jones and Steve Louder. This is a main project of the Student Council this year, and plans are made to present this topic in an orderly fashion to the School Board for discussion. A spokesman for the group said "if we keep our fingers crossed, maybe we can get this passed."

If any student has a complaint, they are asked to inform a Student Council officer and the subject will be discussed at a meeting. As for lunch tickets, students are asked to be tolerant as this is for the benefit of the lunchroom and cannot be changed. A menu will be placed on the bulletin board as soon as possible. The council meets the second Monday of each month. Members expressed their appreciation to the community and hard-working school board for the beautiful, modern school.

Roxann McCuiston serves as student council reporter.

BAND NEWS
The Cooper High School Band marched for the first time this year at the game Friday night at Lorenzo. The band is directed by Scot King and Pam Griffin was elected as drum major. Cooper is proud of its band, and all are looking forward to a great year in football.

The Mercury Montego has been completely redesigned inside and out for 1970. It is lower, wider, nearly four inches longer overall, and the wheelbase has been increased one inch to 117 inches for true family size proportions. A four-door hardtop is offered in the Montego line for the first time. Concealed headlights are standard equipment on the Montego MX Brougham (above). Concealed windshield wipers, bias-belted tires, and oval steering wheel have been added to the list of standard equipment on all models. Two completely new 351-cubic-inch engines and a 429 power plant have been added to the list of available engines.

Continued Showers May Necessitate Change In Preharvest Cotton Chemicals

Recent rains may alter planned use of cotton defoliant or desiccants. Dry weather stunted cotton will likely take on new life, says Fred C. Elliott, Texas A&M University Extension cotton specialist, and if the showers continue, a change in preharvest chemical use may be necessary.

Elliott outlines what he calls a "two-shot" treatment for stripper harvesting when conditions are not favorable at harvest time. A defoliant, either a chlorate or phosphate material, is applied when 60 percent of the bolls are open. This should cause about 80 percent of the leaves to drop and green bolls to mature and open more rapidly.

If defoliation is not complete in 7 to 10 days, he suggests the use of arsenic acid to get the remaining leaves. He says the practice can speed up harvest and also improve the grade of the cotton.

If a desiccant, arsenic acid, is used for the initial application and unfavorable weather follows, a second application of arsenic acid is not recommended. Could get into residue trouble.

optional on all other two-door models is an automatic seat back release. With this new feature, front seat backs are automatically released when either door is opened, making rear seat entrance or exit much easier.

While the Mark III will be equipped with Michelin steel-belted radial tires, all other Lincoln-Mercury Division cars will have as standard equipment new fiberglass belted tires which offer increased mileage, better puncture resistance and improved handling.

A convenience feature standard for all car lines is a modified oval steering wheel. It offers increased wheel-to-seat room, while affording an unobstructed view of the instrument panel.

All models, except convertibles, will have as standard equipment a unique three-point lap and shoulder belt restraint system featuring a "mini buckle." The buckle is nearly half its former size. The new restraint system eliminates the need for inboard shoulder buckles while providing the same degree of protection as the former method.

New safety and security features on all car lines, in addition to the three-point seat belt, include side marker lights that flash with the turn signals, a tamper-resistant odometer and a three-way locking steering column. The three-way locking column is designed to deter car thefts by locking the steering wheel, transmission linkage and ignition switch when the key is removed.

Meat Substitutes

It may look like ham, it may taste like ham, but it may be soybeans.

Food technologists recently introduced the erstaz ham along with chicken and corn beef made of protein derived primarily from soy beans. Pork and bacon substitutes are now made of soy beans and lamb is being developed.

The meat substitutes are tailor made, so they excel nutritionally over the meats they simulate.

barkly cotton. Stripping too soon after applying a desiccant, on the other hand, may also cause barkly cotton, he says.

For further information on the use of defoliants and desiccants, he suggests that growers visit or call the local county agent for a copy of the 1969 "Cotton Defoliation Guide."

For 1970, your Mercury dealer has the passwords for action and elegance.

1970 Mercury Cyclone GT. The action intermediate.

Even standing still it looks like action. Comes with a sporty hood scoop and a unique Cyclone grille flanked by amber Cyclone running lights. A 351 cu. in. V-8 is standard; options to a Super CJ 429-4V Ram Air V-8 with 375 hp. Inside: Hi-back buckets in cool "breathable" Comfort-weave vinyl. Cyclone GT, Mercury's sporty new street machine that looks like a racing car.

1970 Mercury Cougar XR-7.

Where wild meets elegant. Cougar XR-7 has more standard equipment than any of the competition. Hi-back vinyl buckets accented with leather. Built-in map pockets. Tachometer. Elapsed-time clock. Concealed headlights, sequential rear turn signals. 351 cubic inch V-8, and much more. Catch a Cougar XR-7, the wildly elegant one for 1970.

1970 Marquis Brougham.

The medium-priced car with the most dramatic styling since the Continental Mark III. Comes with concealed headlights. Emerald-cut taillights. A big 429 cubic inch V-8 powerplant. Select Shift automatic transmission. 1970 Marquis. The most beautiful thing that's ever happened to a medium-priced car.

Mercury Offering All-New Models

completely re-appearance. The Cyclones have a racy look with a forward-thrusting grille and unique European-type running lights. Montegos share the same contemporary profile, with the addition of a luxurious, full width grille.

Wheelbase on all models has been increased one inch to 117 inches (114 inches on wagons) and overall length has been increased nearly four inches on sedans and hardtops and eight inches on station wagons.

The most completely equipped personal sports car in its class, Cougar for 1970 features an entirely new front end appearance with a vertical textured grille. Overall length has been increased to 196.1 inches—nearly three inches longer than last year. All of the extra length is at the front, increasing the sports flair appearance of the long hood/short deck proportions of the car.

The division's medium price lines - Marquis, Monterey and Marauder - boast engineering and design refinements and a broad range of new options. The 1970 Marquis maintains its Continental look and, like the Monterey, has newly designed grilles and taillights. The sporty Marauder and Marauder X-100 retain their performance-oriented rear appearance with recessed rear window, swept back rear roof pillars and unique quad taillamps.

The Continental Mark III, America's finest personal luxury car continues its classic elegance for 1970 with modest design modifications. Changes include new concealed windshield wipers, new wheel covers, and redesigned tail and parking lamps. There are extensive interior changes, including genuine walnut trim on the instrument panel, steering wheel and door panels. All Mark IIIs will have as standard equipment Michelin steel-belted radial tires with a warranty of 40,000 miles.

Among the new features standard on the Mark III and

Wilson Stops Anton, 14-0

The Mustangs of Wilson opened the football season with a convincing 14-0 triumph over the Bulldogs at Anton Friday night.

Wilson got both touchdowns in the first half on short runs by Woody Follis and Steve Brieger, then played tough defense to record the victory. The Mustangs lost the ball on fumbles four times on the wet field.

The Mustangs drove 63 yards in the first period of play, with Follis climaxing the drive by going over from nine yards out. The conversion attempt failed, and Wilson led by 6-0 after one quarter.

Late in the second period, Wilson started another goal-ward drive that carried 66 yards. Brieger got the touchdown on a three-yard run, and quarterback John Fields ran for two points. There were only 36 seconds left in the first half.

The tough Mustang defense held the Bulldogs to only 4 first downs and a net 29 yards rushing. Anton netted only 12 yards rushing and passing in the final half.

Brieger sparked the Mustang offensive attack by gaining 145 yards on 23 carries. Follis also hit the 100 mark with 104 yards on 23 carries. Steve Meador scampered 19 yards on a reverse for the longest single

STEVE BRIEGER
... runs for 145 yards

gain of the night. Dan Lee Stone led the defense from his linebacker post, getting in on 17 tackles. Meador, Steve Bednarz, Wayland Peterson, Mike Koslan, Frank Lopez and Follis were also defensive standouts.

The Mustangs travel to Ropesville Friday for another non-district contest.

STATISTICS

Southland Is Blanked, 32-0

The Southland Eagles, dealt a 32-0 defeat by Sterling City last week, travel to Garden City for a non-district contest Friday night.

Southland's eight-man team put up a spirited battle in the first home game last week, but couldn't match the strength and depth of the visitors. Garden City opened with a 22-16 win over Union last week.

Roosevelt Rolls To 52-12 Victory

The Roosevelt Eagles opened the 1969 grid season with a big scoring parade for the home folks, blasting out a 52-12 win over Whiteface Friday night. The high-flying Eagles lit up the scoreboard in every quarter, and six players took

part in the scoring. The Eagles face a tougher test this week, however, as they travel to Cooper for a non-district battle with the strong Pirates. It could be one of the top Class A games in the area.

But back to the victorious opener. Tommy Martin passed to Steve Viney on a 57-yard play to start the scoring for Roosevelt. Johnny Brown ran six yards for another score in the first period, and David Hammett kicked the point as the Eagles took a 13-0 lead.

The Eagles added two more touchdowns in the second period. Sophomore quarterback Don Jackson passed to Hammett for a 26-yard scoring play, then Randall Hughes dashed off the middle on a 6-yard touchdown run. Hammett converted after one score.

L. C. Clewis got the Antelopes on the scoreboard with a thrilling 80-yard kickoff return, and he also plunged a yard for the other Whiteface touchdown.

Roosevelt tallied three times in the third, after the Antelopes narrowed the margin to 26-12. Artemus Tension broke on a 71-yard run for the first, then Steve Mains dashed 6 and 10 yards for scores.

Tension completed the scoring with another long-distance gallop of 45 yards in the final quarter. Viney and Hammett added two extra points in the second half.

Pirates Win, Host Roosevelt Friday

The Cooper Pirates got off to a slow start but never trailed in rolling to a 32-6 victory at Lorenzo Friday night in the grid opener for both teams. One of the top Class A games on the South Plains may be staged at Cooper Stadium this Friday, when the Pirates host the Roosevelt Eagles. Kickoff time is 7:30 p.m. for this non-district battle between two Slaton area squads.

At Lorenzo last Friday night, fullback Rick Smith scored three times to spark the Pirates past the Hornets. Smith tallied from 10 yards out in the first quarter, and the kick by Emmet Cardenas made it 7-0. Lorenzo retaliated when Daniel Puente returned the ensuing kickoff for 80 yards and a touchdown. The point-after-touch-

down failed and the score stayed at 7-6 until halftime.

The Pirates cranked up in the second half to take control. Smith scored again from three yards out, and Gary Schaffner banged over from a yard in the third period.

Cooper added two more in the final period with Dale Wimmer plunging a yard for the first one, then Smith collecting his third touchdown on a three-yard play.

Parasol Museum
One of the most remarkable museums in Italy displays only umbrellas. The Umbrella Museum in the village of Gignese recalls the days when virtually the entire town made and repaired umbrellas and parasols.

MONTE CARLO ---

(Continued from Page 1)

the big Chevrolet, as does the new shape of rear quarter windows on the coupe which are enlarged for greater visibility than in 1969. The coupe and convertible have full door-glass styling.

Simplicity keynotes the rear with rectangular taillights recessed in a larger bumper. On the SS Chevelles, a special dent-resisting resilient black insert is part of the rear bumper.

Included in the SS 396 Chevelle is a black-accented grille, special performance front and rear suspension for improved handling, special sport wheels with 7-inch rims, wide oval white lettered tires and SS 396 identification.

There are a total of five Chevelle engines with a horsepower range from 155 to 350. The base six is the bigger displacement 250 cubic inch engine. The four V-8's begin with the 307 cubic inch base V-8. Four transmissions are available.

Chevelle coupe and convertible models are on a 112-inch wheelbase and the two sedans are on a 116-inch wheelbase. On a 119-inch wheelbase and incorporating the styling of the big Chevrolet are the Kingswood Estate, Kingswood, Townsman and Brookwood.

small domestic family car. For 1970, Nova continues its blend of clean styling and economy. It features a new finer mesh grille and larger front, side and rear lamps.

Chassis refinements give an even smoother ride. Variable-ratio power steering is a new addition to the wide range of Nova options.

The sporty Nova SS coupe includes a 300 horsepower 350 cubic inch V-8 engine with special SS identification, black-accented grille and rear panel, 7-inch wide wheels with white stripe wide oval tires and special suspension.

A four-cylinder, two sizes and three V-8 engines give a horsepower range from 90 to 300. Among the five transmissions is Chevrolet's low cost "clutchless" Torque-Drive for four- and six-cylinder engine Novas.

There is a 2-door coupe and 4-door sedan on 111-inch wheelbase.

Station Wagons -- To again give the station wagon buyer opportunity to select exactly the size and features he wants, Chevrolet's eight station wagon models are grouped in a single line with two sizes in 1970. All have dual action taillights.

On a 119-inch wheelbase and incorporating the styling of the big Chevrolet are the Kingswood Estate, Kingswood, Townsman and Brookwood.

On a 116-inch wheelbase with Chevelle styling are the Concours Estate, Concours, Greenbrier and Nomad.

The Kingswood Estate and Concours Estate wagons have woodgrained panels on body sides and tailgate. All but the Brookwood and Nomad are available in 3-seat as well as 2-seat versions.

Chevrolet wagons again offer the comfortable "walk-in" rear design. Using the Chevrolet dual-action tailgate that includes a step built into the rear bumper, a passenger can step upright into the wagon and sit down easily in the rear-facing third seat.

The 119-inch wagons all have V-8 engines with a horsepower range from 250 to 390. Fifteen-inch wheels are standard on all 119-inch wheelbase models.

The 116-inch wagons have one six and four V-8 engines with a horsepower range from 155 to 330. Side-guard door beams are introduced in this size wagon and continued on bigger wagons.

All wagons have improved ride and handling. They include the engineering, styling and safety advances of Chevrolet cars of comparable wheelbases and offer a wide variety of options and accessories.

Corvette and Camaro -- Current models of these companion excitement cars will be continued to the end of 1969 with new models to be introduced later in the model year.

The prestige Corvette sports car is offered in two Stingray

A new concept of elegance is the distinctive Monte Carlo Sport Coupe. This new Chevrolet line is characterized by smooth flowing lines and sculptured surfaces emphasized by the longest hood ever produced by Chevrolet. The plush interior includes wood burl accent on the instrument panel and extra-thick foam cushioned front and rear seats. The Monte Carlo will be at dealerships on September 18.

Chevrolet's top-of-the-line, the Caprice Coupe for 1970, is dressed up with a new grille, hood and fenders. Recessed vertical taillights and color-accented wheel covers are the many refinements found in the Caprice this year. The new Chevrolet line of passenger cars will be at dealerships on September 18.

models -- a convertible and the unique "semi-convertible" Aero coupe with removable roof panel sections and rear window. There is a wide choice of performance -- five V-8 engines ranging from 300 to 435 horsepower. Chevrolet's Camaro con-

tinues to build its enthusiastic following in the sporty car market. It, too, is offered in a convertible and a sport coupe. The Z-28 Camaro continues to be a sales standout. It has a 302 cubic inch engine and special handling equipment.

Camaro offers two wheel covers and four tie-downs. A wide choice of appearance and mechanical options allow the buyer to customize Camaro to suit his own taste.

Stricklin Named On Honor Roll

Claude Stricklin, salutatorian of the 1968 Slaton High graduating class, has been named to the Dean's Honor Roll for the summer semester at the University of Alabama.

Stricklin was home for a few days recently and has returned to school in Alabama. A sophomore, Claude is majoring in aerospace engineering. Stricklin was a standout football player for the Tigers.

ITEM: The most annoying thing about using a ball of string is the way it rolls all over the place when you pull out several feet at a time. To keep the twine in place when you're tying up plants in the garden, pop it into a clay saucer and invert a clay pot over it, threading the end of the string through the drainage hole. You can pull out as much as you like, as far as you like, and the ball will stay put under its restrainer.
