## Water District Voting Slated

Voting on two water district elections will be conducted in Slaton next Tuesday at the Community Clubhouse.

It will be another important voting year for Slaton residents in 1970, and the voting right is free but you do have to register.

Beside the city and school elections in April, Slaton voters will choose who will represent them in the state legislature, select a governor and elect a U.S. Senator.

County Commissioner Alton Brazell, precinct 4, has already filed for re-election and has two announced opponents -- H. D. White, a drilling contractor, and Robert Porter, an attorney.

County Judge Rod Shaw has said he will seek re-election, and County Clerk Frank Guess --recently appointed to fill an unexpired term--said he will "definitely" be a candidate.

Incumbents in these posts include State Sen. H. J. (Doc) Blanchard, Rep. Delwin Jones, Place 1; Elmer Tarbox, Place 2; and McAllister.

dry up, lady!

Think about it. Your biggest complaint about washday is probably the clothesline routine. With a family, it gets to be a hang up. You can spend a big part of your life hanging out T-shirts, mini-skirts and Hubby's socks. And sheets, and jackets, sweaters, bedspreads... even curtains. Not to mention the unmentionables.

You don't like lifting, lugging and wrestling loads of heavy, wet wash to the backyard. Then there's always the weather. Now's the time to do something about this bundle of problems with a GAS clothes dryer. A gas dryer does five loads of clothes for the price of one load in an electric dryer. So, dry up with gas.

## Neagle-Ricker Vows Exchanged Jan. 2

Miss Deborah Ann Ricker and Larry Edwin Neagle exchanged double ring nuptial vows at 7 p.m. last Friday in Monterey Baptist Church of Lubbock with the Rev. Bill Hindman, minister, officiating.

The bride is the daughter of Mr. and Mrs. Ray Ricker Jr. of Slaton, Mr. and Mrs. Roy Neagle of 4019 39th St., Lubbock, are parents of the bridegroom.

Given in marriage by her father, the bride wore a formal-length gown of peau-de-seo and Chantilly lace featuring a gebo type lace ruffled front with a stand-up ruffled neckline and long lace sleeves edged with ruffles. An A-line skirt extended from a lace empire bodice. Her headpiece was a lace mantilla, and she carried a nosegay of glad bubbles and baby's breath encrusted with a mint green orchid atop a Bible entwined with streamers and seed pearls.

Mrs. Billy Wilcox served her sister as matron of honor and Miss Nancy Neagle was bridesmaid. They wore dresses of mint green satin, designed in princess style and accented with

darker green bows and streamers in the back. Their headpieces and dress sleeves were fashioned of matching lace, and each carried a nosegay of white pom-poms with mint green throats and baby's breath.

Bill Purcell was best man and Don Dykes served as groomsmen. Guests were seated by Charles Neagle and Mark Neagle.

Miss Karlene Eastman of Abilene and Slaton presented wedding selections at the organ.

Following a reception in Fellowship Hall of the church, the couple traveled to points of interest in New Mexico. They will reside at 2402 29th St., Lubbock.

The bride is a 1969 graduate of Slaton High School. Neagle is a student at Texas Tech and is employed by Horn-Crossland-Gladden, a lint repair service.

The author is unknown to the following New Year's meditation, but as I read it, I thought of my own life and wanted to share it with you.

"Slow Me Down, Lord!"  
Slow me down, Lord, I'm going too fast,  
I can't see my brother as he goes past;  
I miss a lot of good things day by day;  
I don't know blessings when they come my way.  
Slow me down, Lord, so that I can see  
More of the things that are good for me;  
A little less of me, and a little more of You;  
Let the heavenly atmosphere trickle through.  
Let me help a brother when the going gets rough;  
When folks work together, things aren't so tough;  
Slow me down, Lord, so that I can talk  
With more of your angels  
Slow me down to a walk.

May 1970 bring you blessings and my peace abide with you.

## Procedure At Library Issued

Some 13 children enjoyed the Storytime Hour from 10-11 Saturday in the Slaton Branch Library. Mrs. R. C. Hall Jr., chairman of Storytime, showed two slides entitled, "How the Whale Got His Throat", and "The Fox Went Out on a Chilly Night". The pictures were accompanied by recorded stories and were shown from a projector purchased recently by the local Friends of the Library.

A number of stories were then read to the children by Mrs. Tim Bourn, Mrs. Paul Buchanan, Mrs. Ted Melugin and Mrs. Hall. The group also enjoyed singing and "acting-out" exercise songs.

Children attending were Jaime Foerster, Teri Choate, Christine Castleberry, Lisa and Julie Hall, Missy Dillon, Stephen Adams, Christi Johnston, Shelly Parker, Lisa Bumpass, Roxanne Buchanan, Douglas and Sandra Stevens.

The following circulation information concerning library procedure has been released: No library card is required to check out books if patron is past

the seventh grade; patrons may check out books by signing their name and address; most books and children's records circulate for three weeks; new books and best sellers circulate for a period of seven days; fines for overdue adult books are 5¢ per day excluding days the library is closed; and children's fines remain at 2¢ per day.

Also, children may check out as many as six books at one time, while adults are not limited; students may use young adult and adult books, (with parent's consent) after the seventh grade; library cards are free, but should they be lost, a fee of 25¢ is charged for a new card; magazines may be checked out at any time; and Storytime hour is held once each month.

The local librarian will gladly order any book the reader desires from the Inter-library loan service in Lubbock which avails its facilities to all libraries in the state. The book-drop is still conveniently located on the west wall of the library, and books may be deposited therein during hours when the library proper is closed.

Library hours are 11:30 a.m.-6 p.m. weekdays, and 9 a.m.-4:30 p.m. on Saturdays. The library is for YOU to enjoy and use.

## TOMLINSONS HAVE NEW GRANDSON

Mr. and Mrs. Gregory Tomlinson are the parents of their first baby, a boy, Gregory Bland, Jr. He was born Tuesday, Jan. 6, in Presbyterian Hospital in Dallas and weighed 8 pounds.

Tomlinson is a graduate of Slaton High School and Texas Tech and is now a supervisor at Peat, Marwick, Mitchell & Co., an accounting firm.

Paternal grandparents are Mr. and Mrs. Bland Tomlinson of Slaton and maternal grandparents are Mr. and Mrs. A. A. Lassley of Oklahoma.

Veterans have proved to be good credit risks with only 3.3 per cent of the home loans guaranteed by VA resulting in foreclosure. Their direct loan record is even better.

The VA says the current 335,351 enrollment in institutions of higher learning is a 28 per cent increase over the 261,347 in training in college at the end of October 1966.

From Allen Fretz, Salford, Pa.: How many remember those little 4-wheel trolley cars: One ran between Center Valley and Bethlehem, Pa. When that thing went barreling down the uneven track at 30 m.p.h., it bobbed up and down, front and back, like a rowboat on the high seas. It was all one could do to hold on. The young folks would laugh and scream. This was in operation until about 1920.

There was also one that ran between Quakertown and Richlandtown. This one had to go over a steep hump on the railroad. When the car was full, it barely made the top, with everybody holding their breath. When it went downhill, everyone screamed, and hoped the brakes would hold.

A narrow-gauge railroad ran between Quakertown and Doylestown. The "Dinky" was powered with a gasoline engine, which had a habit of going out of order midway. You could be stranded for hours in a cornfield, wheat field, or out in the woods, until they got it rolling again.

There was also a cable car in Reading that hauled sightseers up the steep mountain-side, from the city park to the Pagoda. It was still in operation in 1918.

MRS. P. C. KITCHENS

## R. Stolle Condition Critical

Hi, there! Well, winter has officially arrived in our thinking when snow remains for days on the ground and the temperature gets as low as 10 degrees! And with more snow on the way, to us in West Texas, it's really winter!

The Arvel Kitten family of San Antonio spent last week with his parents, Mr. and Mrs. L. B. Kitten. On their way home, Mr. and Mrs. L. B. Kitten went as far as Arlington with them, and the group visited the Clark Schultz family. The L. B. Kittens then returned home from Arlington by plane.

Mr. and Mrs. R. L. Boyce of Lubbock and their granddaughter, Rhoda Wiley of Hurst, visited the Mert Gentrys

on the last day of '69. Their guests Sunday were Mr. and Mrs. Bert Darland of Morton and Ruby Carroll of Lubbock.

Mr. and Mrs. Cecil Menzel and family spent New Year's Day visiting Mr. and Mrs. Vernon Nolte and Mr. and Mrs. Monroe Koslan, all of Wilson. John Foerster, Neill Carter and Dale Kitchens left Monday for Ruidoso, N.M. on a snow ski outing before entering college next week.

Mrs. P. C. Kitchens and Paul Dwayne attended the wedding of Judy Merrell and Daryl Sartwell at the First Methodist Church chapel in Lubbock Sunday afternoon.

Mr. and Mrs. Benny Rudd and children spent last week at

Glen Rose visiting Mr. relatives. While there, attended the 50th wedding anniversary of Mr. and Mrs. Williams who are Mr. grandparents.

Clay Oats' mother, P. Oats, is here at with her children, St. Cooper in East Texas here to attend the services Monday for Kellin of Lubbock.

Robert Stolle still in the intensive care Methodist Hospital in Mr. and Mrs. L. and children of Gree visited recently with Mrs. George Hayes. is employed with the Manufacturing Co., Penka is an overseer Industries of Greeley.

We trust the best you this New Year. "The Fear of Manward; the Fear of a hero." Trust to see you.

## Slow Vehicle Emblems Gleam

Bright orange and red triangles visible more than a fifth of a mile away will tell drivers they are approaching the rear of a slow-moving vehicle beginning the first day of 1970.

The Texas Safety Association advises mobile machine owners and operators that the new law states all vehicles designed to travel at speeds of 25 miles an hour or less must have approved emblems affixed on the back three to five feet above the road when on public streets and highways.

If the emblem on a towing vehicle is visible at all times, the law exempts the machine being towed.

Farm and Ranch Vice President Joe L. Smetana of TSA wants Texans to know the new law is attacking rear-end collisions by specifying a standard emblem easy to see at a safe distance both day and night on slow vehicles, which include farm machinery as well as construction equipment and all other mobile objects.

Machinery being pulled by animals must also display the slow-moving vehicle emblem.

The standard size for emblems is 16 inches wide by 14 inches high. In daylight, approaching drivers will see a solid bright-orange luminous triangle.

At night, only the shiny red border will glow brilliantly around the invisible sunlight

reflector. The emblems are weather-proof and very effective wet or dry when kept clean.

"These signs are required in addition to any other lighting or reflective devices specified in traffic regulations," Smetana said.

"Two out of three crashes involving slow-moving vehicles are rear-end collisions, which account for two-thirds of fatalities and injuries and 70 percent of property damage value. Nine out of 10 smashups occurred during daylight hours on dry highways.

"We are sure that use of SMV emblems will reduce the number of this kind of crash and have significant benefits for highway safety," said the TSA vice president.

Vehicles and mobile machines being used on the job and within the limits of a marked construction or maintenance area may operate minus emblems, but once on the public road they must display the SMV emblem.

Twenty other states have laws providing for the use of the SMV emblem.

# Slaton Cage Teams Win Pair, Tigers Open Loop Play Friday

The Slaton Tigers and Tigerettes warmed up for district basketball action this past week by scoring victories in two non-conference contests.

The Tigers scored a 64-54 win over Tahoka here Tuesday night, after posting a 65-50 triumph at Floydada Saturday night.

The Tigerettes downed Tahoka by 45-27 here Tuesday night, and scored a close 45-42 win over the Floydada girls Saturday.

The Tigers start north zone action in 3-AAA here Friday night by taking on the Brownfield Cubs. Varsity and B games are scheduled beginning at 6:15 p.m. The Tigers had a 10-7 won-lost record in non-district play. The Tigers travel to Escobedo next Tuesday.

The Slaton girls, with a 17-4 record, open district play Jan. 13 when Muleshoe comes

here for A and B games. The games start at 6:30 p.m.

The Tigers got double-digit scoring from four starters in the 64-54 win over Tahoka Tuesday. Larry Moore hit 19 points; Clifford Summar and Lloyd Kitten added 13 each, and Louis Scott tallied 12.

Slaton led by only one, 14-13, after the first period but rested at halftime with a 35-21 bulge. The Tigers hit 10 of 17 at the charity line. T. Walker led Tahoka with 18 points.

Tahoka won the boys' junior varsity contest by a 43-33 score. Tahoka led by only 11-10 after one quarter, but the

junior varsity Tigers were as cold as the weather in the second period -- scoring only one point. Slaton rallied to a 28-24 score after three quarters, then the visitors pulled away again. Clyde Kitten led Slaton with 10.

The Tigerettes had an easy time with the Tahoka girls, jumping to an 11-4 lead in the opening period. Sue Brake led the way with 15 points, followed by Marilyn Davis with 14 and Marilyn Meeks with 13. The Slaton girls connected on 11 of 18 at the free-throw line. Tommie Hale scored 20 for Tahoka.

Slaton won all three games at Floydada Saturday night. The Tigers took a 65-50 win as Summar led the way with 23

points. Alan Fondy added 13 points and Larry Moore had 11. The Tigers hit only 17 of 31 at the charity line, but racked it up in the final period after leading by only 40-38 at the end of three quarters.

The Tigerettes trailed by 9-8 to Floydada's girls after one quarter, then took a 27-21 lead at halftime. The lead was only three points, 38-35, going into the last period as Slaton held on to win by 45-42.

Davis tallied 29 points to pace the Tigerettes. Meeks added 9 and Brake had 7. Cindy Ward hit 29 for the losers.

The Tigerette junior varsity also had a close call, winning a 22-20 decision over the Floydada team. Gorla Gass accounted for 19 points and Dru Ann Beard had the other 3 for Slaton.

## Jr. High Teams Win Four Games

The Slaton Junior High basketball teams captured four wins over Cooper teams when they played Monday night.

The girls' games were played in Slaton. The 7th grade girls team, which now has a 5-4 record, defeated Cooper 23-15. Darla Shackelford and Rosemary Scott both scored 8 points and Brenda McDonald scored 7.

Slaton's 8th grade girls' team defeated Cooper 33-7 with Luellen Cheney scoring 10 points and Key Stephens, 8. The 8th grade girls have a 3-2 record.

Now with a 7-3 record, the 7th grade boys team defeated Cooper 45-12. Kelly Copeland was high point scorer with 16 and John David Moore scored 7.

Jay Ray Basinger led the 8th grade boys team with a win of 16-15. Basinger scored 10 points. This team now has a 2-3 record.

Four 8th grade teams will begin tournament play in the Post Tournament today. It continues through Saturday. The 8th grade girls A team will play Roosevelt at 1:30 today with the A boys team playing at 2:40 p.m. The "B" team girls will play Crosbyton at 5 p.m. today and the "B" boys will play at 6:10 p.m.

The next regular play will be Monday night when the four teams play Tahoka. The 7th and 8th grade play here, beginning at 6 p.m. and the boys play at Tahoka, beginning at 6 p.m.

## Freshmen Split With Frenship

Slaton High freshmen basketball teams hosted Frenship here Monday evening, winning the girls' game and losing the boys' contest.

The girls remained undefeated for the season, chalking up their sixth victory with an easy 44-19 decision. Slaton jumped to a 21-1 lead in the first quarter and reserves saw plenty of action.

Gretta Stricklin was high scorer for the Slaton fems with 14 points, followed by Karla Kitten with 12, Cindy Kenney and Debbie Milliken added 8 and 7 points.

The Tiger freshmen lost a 40-34 decision to the visitors to put their record at 4-3 for the year. Slaton trailed much of the way but grabbed an 18-17 lead at halftime.

T. W. Whitfield led Slaton with 19 points, followed by George Whaley with 7 and Steve Nieman with 6.

The freshmen teams are scheduled to play at Roosevelt today, with the first game to start at 5:30 p.m.

## Conference In Austin

Superintendent of Schools J. C. McClesky and Buford Duff, business manager, are among school administrators from Texas' 1200-plus school districts who will be in Austin Jan. 7-9 to discuss experiences and ideas they need to solve a broad range of problems.

The Annual School Administrators Advisory Conference on Education is sponsored by the Texas Education Agency, which will also seek to find how the Agency can best serve the schools of the state.

The general session today which begins at 9:30 at the Terrace Motor Hotel in Austin, will focus on vocational-technical education with a symposium on that subject.

Sixteen work groups are scheduled for a series of three sessions each on Thursday and Friday. Leadership for the meetings is drawn from throughout Texas, and Agency personnel will work with each group as consultants.

**THE NEW YEAR**

We come to the New Year, a turning point in the recording of man's time on earth. It is a time of gaiety, optimism and, rightfully, reflection.

If we are to achieve much in the year 1970, we must profit from the lessons and the experiences of the year that is ending. We look to the future, but we must build on the past. Things left undone in 1969 do not disappear when a new date appears on the calendar.

The wise man will begin the New Year with a fair appraisal of himself and the world in which he lives. A New Year is born January 1; yet we as individuals enter this new era essentially the same -- with the same strength, with the same weaknesses.

The best beginning for a New Year is the simple resolution that one shall make a better effort to be a better person, to live a better life. If such a resolution is fulfilled, 1970 will be a year of success and achievement.

Bermuda has a Coney Island which features no amusement rides. It was named after the Coney fish, sometimes known as the butterfish.

BIRTHDAY GREETINGS--A. D. Ridley of Slaton observed his 100th birthday and was presented a personal birthday greeting from the Commissioner of Security in Washington, D. C., by Gerald L. Schantz, field representative from the office. Ridley has been a Slaton resident for more than 28 years. (SLATONITE FILE)

## City Man Marks 100th Birthday

A. D. Ridley celebrated his 100th birthday on Tuesday, Jan. 6 at the home of his daughter, Mrs. Pearlie Franklin, with whom he makes his home at 155 N. 2nd Street in Slaton. He has been a Slaton resident more than 28 years.

Ridley was born in Red River County, Texas, on Jan. 6, 1870. He remembers many buffaloes in the area where he lived as a child. He remembers hiding in old "cat chimneys" when the buffaloes came around. He often had to stay there for hours before the buffaloes went away so he could go home. He lived in a log cabin with windows board-

## Tax Pointer Now Available To Farmers

The 1970 edition of "Farmer's Tax Guide," No. 225, is now available county agricultural agents, the Internal Revenue Service, and the Texas Department of Agriculture. The booklet shows farmers should fill out the tax return and which should be attached. Important Federal tax forms can also be published.

The tax guide is a non-technical language. It contains many examples of farm transactions and Federal income taxes.

It also explains the enacted last year. It is primarily written to help prepare their 1969 return. The "Guide" is useful reference throughout the year.

# Mahon To Discuss Farm Problems

Farmers and leaders of farm organizations are invited to meet with Congressman George Mahon in Lubbock tomorrow at 10 a.m. at the Koko Palace for a general talk session concerning farm problems.

The present farm program expires at the end of this year and Mahon wishes to get the views of the people and report to them in regard to the prospects for farm legislation at the forthcoming session of Congress.

Mahon said that farm legislation which is expected to be enacted this year will have a vital impact on the economy of the area, affecting both farmers and non-farmers.

Mahon expressed deep concern over the difficulties involved in securing the passage of suitable farm legislation, pointing out that most Members of Congress represent urban areas and are becoming increasingly unsympathetic toward the problems of agriculture.

## 126 Fire Calls Listed for Year

According to a report by Slaton Volunteer Fire Chief, Don Kendrick, the fire department received 126 calls during 1969, ninety-nine of the calls were within the city limits. This compares to 120 calls during the year 1968 when 92 were within the city limits.

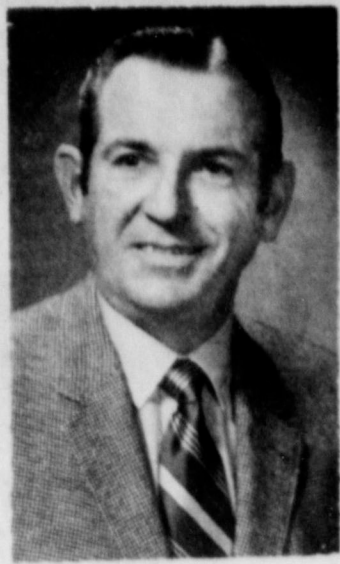

A breakdown of the fire calls are as follows: houses, 49; grass fires, 46; cars, 23; miscellaneous, 3; and false alarms, 5.

With 24 Slaton volunteer firemen and Clyde Doherty, who stays at the station, Kendrick reported an average 72.4 attendance at fires and 88.2 attendance at meetings and practices. The firemen meet the first four Monday nights of each month.

Wayne West, who made 116 of the 126 calls, holds the highest attendance record for fire calls for the year.

## New District Manager Named

A. G. (Sam) Allen, 46, has been named Lubbock Piggy Wiggly District Manager by C. L. (Mac) Godwin, Western Region Manager for Shop Rite Foods, Inc. Allen will replace William (Bill) D. Ingram who has been transferred to Houston as Gulf Coast Division Manager. Allen comes from the Grand Prairie office, where he was serving as assistant to the North Texas Division Manager. He started his career in the grocery business with Worth Food Mart in 1942, and has served in the capacities of Produce Clerk, Store Supervisor, Sales Manager and as assistant to the North Texas Division Manager. In the Lubbock District he will be responsible for the retail operations of 20 Piggy Wiggly stores.

During World War II he served with the 14th Air Force in China, Burma and India. He and his wife, Betty, have a son, Sid, 17, and a daughter Cindy, 15. They plan to move to Lubbock in January.

## Pair To Show Hereford Steers

FORT WORTH (SpI) -- Max and Joyce Thomas of Slaton will have one Hereford steer each competing in the 1970 Southwestern Exposition and Fat Stock Show, Jan. 30 through Feb. 6.

Poultry, rabbit and pigeon exhibitors have until Jan. 15 to submit entries, but the entry deadline for cattle, horses, sheep and swine already has passed. Stock Show President-Manager W. R. Watt and the other officials now are busily tabulating the large number of entries.

"Early indications are that a fine, competitive show is shaping up, with high-caliber entries in every category," Watt said.

Watt said another great show is in store in the Stock Show Rodeo Arena. "We're delighted to have David Canary, 'Candy' on the 'Bonanza' TV series, as our special guest star," Watt said. "He has an engaging personality and he's a fine singer, too, with experience in Broadway musicals."

Canary, accompanied by the popular young musical group the New Establishment, will appear at all 20 performances of the Fort Worth Rodeo.

Other rodeo features include trick roping and riding, and Arthur Allen's Border Collies, performing shepherd dogs that have starred in Walt Disney films.

Over 500 top pro cowboys will compete in the Stock Show Rodeo's action events, where more than \$80,000 in prize money and entry fees will be divided.

Mail order tickets for the 1970 rodeo are available from the Southwestern Exposition and Fat Stock Show, P. O. Box 150, Fort Worth, Texas 76101.

## FARM NEWS

FROM PLAIN'S COTTON GROWERS, INC.

A revised procedure for appealing projected cotton yields announced last week by USDA's Agricultural Stabilization and Conservation Service, has drawn mixed reactions from cotton producers and others in the High Plains cotton industry.

Price supports payments under the current cotton program are based on projected yields determined for individual farms by County ASCS Committees. Producers who feel their assigned projected yield is too low may appeal the Committee's action by proving actual yields over a three year period. For 1970 if a producer can prove an average actual yield for 1966, 1967 and 1968 that is higher than the assigned projected yield, ASCS is legally obligated to raise the projected yield.

Last week's announcement made two changes, one good and one bad, in the procedure for proving yields.

On the bright side, producers who for one reason or another had a total crop failure in one or more of the three years now have a way to compensate for such a loss in proving a three year actual yield average. Previously the actual yield average under these conditions was figured by dividing three years' acreage into two or less years' production.

The new method of calculating the three year average provides that "if no acreage was harvested in one or two years of the three year base period, the proven yield will be determined by multiplying the allotment or base for the applicable year times the current year (1970) projected yield. The product will then be weighted with the actual production data for base years in which acres were harvested."

With this new provision many producers who did not appeal their projected yield during the initial 14-day period following their yield notice from the County Committee may now be in a position to do so. And County ASCS Offices have been instructed to allow a "reasonable" time for the filing of late appeals after publication of the new procedure in newsletters.

Producers generally feel this Growers, Inc., says requiring producers to supply individual bale numbers and weights will place a heavy load of extra work and expense on gin offices. A quick check with a few ginners over the area reveals this observation to be correct.

And a look at the records of the Lubbock County ASCS Office for the past three years indicates that, at least for Lubbock County, no useful purpose would be served by the new requirement.

For each of the three years 1966, 1967, and 1968, aggregate proven yields for Lubbock Co-

unity come to less than the county's production as reported by the U.S. Bureau of Census, even after taking into consideration the small number of farms now reporting yields.

In answer to a question as to the administrative expense that the change might entail, Lubbock County Office Manager, Walter Wells said "All I can do at this point is guess, but we are talking about numbers and weights on almost 500,000 bales, and I wouldn't be surprised if this would necessitate the work of about 10 people over a period of two months." change will make the proven yield system more equitable. However the rules still make inadequate provision for adjusting proven yields when crops are severely damaged but not totally destroyed by hail or other weather conditions.

According to the announcement "All production for each of the base years were harvesting occurred must be included and weighted to obtain the proven yield." In other words, if a low-yielding crop was harvested in one of the base years, the production evidence for such a year cannot be omitted. This part of the procedure was not changed.

The other procedural change relates to the evidence acceptable to ASCS in proving actual yields. And it is here that many are saying ASCS has "plowed up a snake."

Producers in the past have been required to furnish ASCS with a production "summary" showing total bales ginned and total weight. A percentage of these summaries were then spot checked and if now irregularities were found they were accepted as evidence of each producer's actual yield.

Thousands of producers on the Plains already have followed that procedure and had assumed the production evidence was accepted as presented.

But the new regulations appear to have made that assumption false. The latest ASCS announcement states "For cotton, only sales receipts, price support loan records or copies of warehouse receipts are acceptable."

This is further amended by saying "If voluminous, a summary of these or a certification and summary from the ginner may be accepted but such a summary must show the bale number, gross weight of each bale and total weight of each year's production."

# Cotton Harvest Halted by Snow

The South Plains cotton harvest halted because of a general snow this week, according to W. K. Palmer, in charge of the Lubbock Cotton Classing Office of the USDA.

Samples from 1,250,000 bales of cotton had been received by the Lubbock, Brownfield, Lamesa and Levelland offices through Friday, January 2nd.

Cotton sample receipts had begun to decline at the four area classing offices as the harvest neared completion. Estimates indicate more than 90 per cent of this season's crop is now out of the fields.

Strict Low Middling Light Spotted was the predominant grade at Lubbock last week with 21 per cent of all cotton classed. Strict Low Middling made up 12 per cent, Low Middling Light Spotted 16 per cent and all Spots and Tinges 25 per cent. Twenty-eight per cent was reduced in grade because of bark and 11 per cent was below grade.

Staple length averaged between 31/32 and 1-inch. Three-fourths of the cotton classed at Lubbock had staple lengths of 31/32 and longer.

Forty-three per cent of the cotton classed at Lubbock last week was in the desirable micronaire category of 3.5 to 4.9. This compares to 40 per cent

the previous week. Fifty-four per cent cotton classed at Lubbock week had Pressley 70 of 80,000 pounds and compared to 56 per cent previous week. Pressley indication of fiber strength the most desirable reading is 80,000 pounds above.

Trading was slower Lubbock market but was steady. Average ranged from \$10.00 over the loan for White up to \$30.00 per bale loan for Spots and Tinges lower grade, lower micronaire cotton continued to be most over the loan. Prices paid for the most dominant qualities in the 4.9 micronaire range Strict Low Middling Light Spotted 29/32 - 18.00, Strict Middling Light Spotted 18.55, Low Middling Spotted 16.55, Low Middling Spotted 15/16 - 16.95, Low Middling Tinged 29/32 - 15.75. Below Grade cotton bringing 11-1/2 to 14 cents.

Prices paid farmers tonsed were steady and from \$40.00 to \$53.00. Average price last week was \$46.80 per ton.

# SOAP and ELECTRICITY Blackouts and Outages

There's a difference between soap and electricity. There's a difference between blackouts and outages. The famous soap prides itself on being 99 and 44/100% pure. That's pretty close to perfect, isn't it. But does it surprise you when we tell you that electricity—the electricity we provide for you—that you use here has a reliability record of 99.997%... which is almost 100% pure. That's the difference between soap and the electricity you use. But, you say, what about blackouts? Well, it's this way. We define a blackout as a shortage of power. A situation when you, as a group of people, are using more electricity than the equipment that generates, transmits and distributes it can provide.

We don't have that here. We will not have that in 1970 here. Sure, there might be some isolated service interruptions which we call outages. Despite our 99.997% reliability record, there still may be some lightning strikes on a transformer, or a squirrel getting confused in a substation, or a careless driver knocking down some of our equipment, and, yes... we may have an equipment failure or a human failure... we're still not perfect... even though we try to be. In most cases we'll have your power back within the hour.

We're concerned with reliability and with the cost of our service. That's why we've averaged spending \$20 million a year on new, modern and more efficient equipment. This year we'll invest another \$25 million. We expect to give you all the electric power you need with more purity than the famous soap and at the lowest possible cost. That's our pledge for 1970.

## Keith Franklin, Son of Slaton Woman, Dies

Services for Keith Franklin, 54, were held at 2 p.m. Monday in Asbury Methodist Church in Lubbock with the Rev. Ray Neill Johnson, pastor, officiating. Burial was in City of Lubbock Cemetery directed by Franklin-Bartley Funeral Home.

Franklin was the son of Mrs. Essie Franklin of Slaton. He died Saturday in Methodist Hospital following an apparent heart attack.

A native of Mississippi, Franklin graduated from Landig College of Embalming in Houston in 1939. He moved to Lubbock and was associated with Rix Funeral Home until entering the U.S. Army in 1941.

Franklin returned to Lubbock and established the Lubbock Monument works in 1947. In 1956 he and Clayton Mallett established the Franklin-Mallett Funeral Home and Insurance Co. At the time of his death he was funeral director at Franklin-Bartley Funeral Home and owner of Lubbock Monument Works.

He was a member of the Yellowhouse Masonic Lodge, the Elks Lodge, Knights of Pythias and the Freedom Chapter of the Order of Eastern Star. Other survivors include his wife, a brother, and two sisters.

## Mother of Southland Man Dies in Lubbock

Services for Mrs. Loucell Irene Purdy, 73, of Lubbock were held Tuesday at 10:30 a.m. in Colegate Church of Christ in Lubbock with burial in the Silverton Cemetery.

Mrs. Purdy died Saturday in a Lubbock hospital. She was the mother of Norman Purdy of Southland.

before he married his wife, Matilda, in January 1913 in Tennessee. A native of Tennessee, he was a member of the Slaton First Baptist Church. Services were held yesterday in the First Baptist Church with the Rev. J. L. Cartrite, pastor, officiating, assisted by the Rev. W. F. Ferguson, a retired minister of Lubbock.

Burial was in Englewood Cemetery under direction of Englands.

Survivors include his wife; two daughters, Mrs. Billy R. Mason of Tuscon, Ariz., and Mrs. Durice Frohlich of Slaton; three sisters, Mrs. C.E. Stewart and Mrs. Mel Thurman, both of Abilene, and Mrs. Clara Brown of Riverside, Calif.; four grandchildren and seven great-grandchildren.

## Mrs. Lamb Gives Program

Mrs. Bruce Parks opened the Monday meeting of Women's Society of Christian Service, United Methodist Church, with prayer. The meeting began at 9:30 a.m. in the church's chapel. Tentative plans were made for a revival scheduled Feb. 15-22. Members discussed supporting A.M.E. Negro Choir for Sunday evening service on Feb. 8, which is Race Relations Day. The group decided on gifts to give to seniors this year and plans were begun for a Chuck Wagon Dinner for seniors.

Before the program, "The Individual, The Prisoner, The Community," given by Mrs. Calvin Lamb, members sang the hymn, "Rescue the Perishing". The program was concluded with a poem and prayer given by Mrs. Carroll McDonald. Scripture for the program was taken from Matthew 25.

## Dorcas Class Meets Monday

The Dorcas Class of the First Baptist Church met in the home of Mrs. T. E. McClanahan Monday at 7 p.m. with Mrs. C. R. Bain serving as co-hostess.

A devotional was given by Mrs. Clifford Young and the class voted to contribute \$20.00 to the Lottie Moon offering. Mrs. Wade Thompson presided over the meeting and Mrs. Fred Stephens opened the meeting with prayer.

Refreshments of cake, coffee, punch and candy were served to 12 members.

## Westview News

On Jan. 19, Westview Baptist Church will be host to the Lubbock Baptist Association's Worker's Conference. An executive board meeting will be held at 5:30 followed by a meal in fellowship at 6:30 p.m. for the board. The program that begins at 7:30 p.m. will feature the theme of "Church Development and Expansion". Laymen will be in charge of Westview's services Sunday, Jan. 18. There will be an early morning breakfast, then the men will fill the choir and speak at both worship services.

Rev. Clinton Eastman, pastor, attended the Royal Ambassador training program which was held Tuesday through today at Mont Lebanon Baptist Encampment in Dallas.

Young adults of the church will hold a retreat Feb. 6, 7 and 8th at Ruidoso, N.M.

## SUNDAY'S SERMON

### COUNT YOUR BLESSINGS

If you must count your troubles, count your blessings as well. Then consider this: troubles are usually temporary; most of the good things with which we are blessed remain with us through a lifetime.

Count your friends, the members of your family. Count back upon the moments of joy and happiness that have become treasured memories.

Look back upon some of the bad times. Were they really as terrible as they seemed at the time? Be fair when you sum it all up, and you will probably discover that you have probably received innumerable more happy hours than kicks in the teeth.

Count your blessings. Believe that you have faith in God and you will have strength to face up to trying times. You will set despair aside and look to the brighter side of life. It is always there when one refuses to sit idly in the shadows of life.

First activity at Slaton Nursing Home for the new year was held Tuesday when a program on crafts was held for residents. The craft program will be held each Tuesday and Thursday and anyone interested in learning craft work is invited to join the group at the home.

Everyone at the nursing home says "Happy New Year".

## CALLING ALL DRIVERS

Tires—Check them carefully for depth. It's time for new tires if less than 1/16" remains on the tread. Examine sidewalls for cuts, breaks and bruises.

Brakes—A low or spongy pedal, or a pulling movement to one side when the brakes are used, are just two signs of potential brake trouble. If you even remotely suspect weak brakes in your car, have them checked immediately.

A safe car helps avoid accidents. A safe car permits you to see, stop, steer and communicate properly with other drivers. Check your car soon—for a safer winter.

## Social Security News

Social security beneficiaries need not apply for the 15 percent benefit increase just signed into law by President Nixon. "Every one of the 25 million men, women and children now on the benefit rolls will receive the increase automatically," Robert M. Ball, Commissioner of Social Security, said this week.

"The first regular check in the new amount," Commissioner Ball said, "will arrive April 3, the usual day for delivery of benefit checks covering payments for the month of March." A separate check in the amount of the benefit increase for the months of January and February will reach beneficiaries later in April, probably during the week of April 20.

Refiguring the benefit amounts of the 25 million men, women and children now on the benefit rolls is a tremendous task, Commissioner Ball pointed

ed out, and it must be done without disrupting the regular benefit payment cycle.

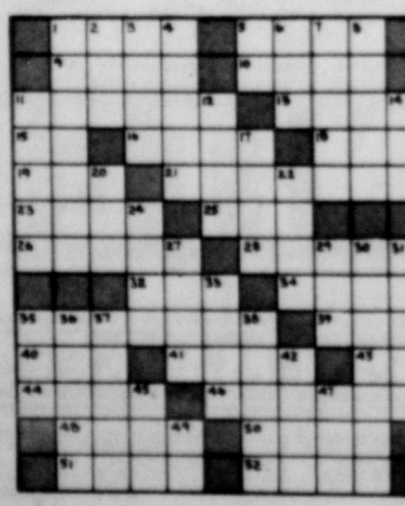

About one out of every eight Americans is now receiving a social security check each month, Commissioner Ball said. As of the end of December, these monthly payments totaled \$2.2 billion and the monthly total will go up by \$345 million to more than \$2.5 billion as the 15 percent benefit increase becomes effective.

The average retirement benefit of \$100 a month will rise to \$116 per month; a couple 65 or older receiving the average couple's benefit of \$170, will have their benefit increased to \$196; the average benefit for a family made up of a disabled worker, wife and one or more children will go up from \$237 to \$273; and average payments for a widow and two or more children will rise from \$254 to \$292."

The law professor was lecturing on courtroom procedure. "When you are fighting a case and you have the facts on your side, hammer on the facts. If you have the law on your side, hammer on the law." "But what happens if you don't have facts or the law on your side?" asked a curious student. "Then what do you do?" "In a case like that," said the professor, "hammer on the table."
