More Snow Falls, Easter Cold Snap Looms Rock Festival Finds Site Near Slaton

JOIN THE EASTER PARADE---Sunday sees the traditional observance of Easter, and Melanie Parks joins others in inviting citizens to "make an Easter parade to the church of your choice." Melanie, a 17-year-old junior at Slaton High School, posed for this Easter portrait in the First United Methodist Church, where her father is the pastor. (SLATONITE PHOTO)

After weeks of public and private skirmishes, the "Southwest Rock Festival" found a home Tuesday between the Union and Woodrow communities, and a vanguard of early arrivals started moving in amid alarmed and apprehensive residents of the area.

The site is 10 miles south of Lubbock and just off U.S. 87, or about 8 miles west of Slaton on FM-41. According to news sources, the landowner was Floyd L. Reynolds, who signed a contract that gave rights for the show to be staged on 160 acres of his 32-acre tract near Woodrow.

Festival promoters had difficulty in finding a site. It had first been scheduled in Yellowhouse Canyon north of Slaton, then rumored to be headed for the nearby Caprock foothills near Southland, then settled under a cloud of protests in Dickens County.

A court injunction banned the show from the Dickens County location Monday, however, and promoters started a new search for the land.

Then Tuesday, it was announced that Bill Casey, pre-

sident of sponsoring Southwest Festivals, Inc., and Lubbock attorney Minor Pounds had landed the contract with Reynolds. Work began on the site Tuesday evening and early arrivals were out to look over the site of the musical happening.

The pop music event, peace festival -- or whatever, is scheduled for a three-day run, Thursday noon through Sunday morning.

Slaton Police Chief Walter Head, after hearing rumors and alarmed citizen complaints Tuesday, appealed to all citizens to "remain calm and keep a cool head." He said he had been assured of additional police assistance if it was needed in the community.

"As far as our town is concerned, we will demand any visitors to obey our laws, and we will show them the respect provided by our laws," he added that he hopes no local residents would "agitate" the situation, which could lead to major problems.

The festival promoter said plans in the early stages were for an estimated crowd of 17,000 to 20,000 college and high school students each day. With cancellations of such festivals at Phoenix, Ariz., and Miami, Fla., however, observers said the total could go much higher.

Local and state law enforcement agencies were making plans, with the Department of Public Safety moving in 235 officers from across the state.

Maj. C. W. Bell of Lubbock, regional DPS commander, said 160 will be stationed on the festival site.

Bell said he didn't expect trouble but "we will be prepared if there are any problems." He said the main difficulty will be traffic.

According to an Avalanche-Journal report, landowner Reynolds said he did not anticipate any troubles arising from the festival. He said there might be a few trouble-makers, but he thinks the majority of the spectators will be the music lovers and the curious.

The traffic problem was already made apparent after the announcement of the site Tuesday. Heavy traffic was seen on the farm-to-market road with early arrivals coming in and with curious area residents driving out to the scene.

Reynolds' neighbors weren't as confident about the lack of trouble as was the landowner of the site. Farmers in the area were reported to have held a meeting Tuesday night to discuss the situation. They apparently found no legal means to stop the event in that area, however.

Scout Drive Totals \$1,591

The annual Boy Scout fund campaign netted \$1,591.30 in Slaton, it was reported this week by drive chairman Bill Adams.

Adams expressed appreciation to the voluntary workers who solicited sustaining memberships and donations and helped make the campaign one of the best in several years.

The honor roll of donors follows:

- Anthony's, Bill Aispaugh, Bill Adams, Glen Akin, Ray C. Ayers, O. Z. Ball & Co., Biggs Machine Shop, Bland Furniture, Bo Kay Flowers, Butler Monument, Bowman Phillips 66, Browning & Marriott Insurance, Bryant Farm Supply, Alex Bednarz, Truman Bishop, Brannon Busby, Bownds Body Shop, Becker Mobil;
- Citizens State Bank, Carroll Service Station, Campbell Gin, Jones Cain, City Floral, Custer Gulf, Chapparral Restaurant, Robert Carter, Willard Childress;
- Ernie Davis, Buford Duff,

(See SCOUT, Page 6)

\$170 Collected In Drive Here

The Slaton Young Home-makers met Tuesday in the homemaking department at Slaton High School. Members conducted a door-to-door drive collecting donations for the Lubbock County Crippled Children. \$170 was collected.

Mrs. Joe Crabtree opened the meeting and Mrs. Dick Hardesty gave the invocation. Mrs. Jim Thompson was elected social chairman.

Refreshments were served to Mrs. Arvin Stafford, David McDuff, Dean Robertson, Kenneth Henderson and Hardesty.

The chapter's next meeting will be April 28 at 7:30 p.m. and the program will be "Consumer Buying". Anyone interested is invited to attend the meeting to be held in the homemaking department.

Wilson Lions Plan Contest

Plans for the annual Wilson Lions Queens' Contest were announced the past week by chairman Coy Cook, with 22 candidates to vie for pageant honors.

The contest is scheduled April 9 at 8 p.m. in the Wilson High School Auditorium. The queen candidates will be sponsored by Wilson firms and individuals.

Dee Bowman of Slaton will serve as master of ceremonies, and the Wilson High stage band will provide music. Mary Mason, reigning queen, will crown the winner.

Refreshments were served to Mrs. Arvin Stafford, David McDuff, Dean Robertson, Kenneth Henderson and Hardesty.

The chapter's next meeting will be April 28 at 7:30 p.m. and the program will be "Consumer Buying". Anyone interested is invited to attend the meeting to be held in the homemaking department.

ALL-AMERICA GRID TICKET ORDERS END HERE FRIDAY

The Slaton Lions Club has extended the deadline for placing ticket orders for the 10th annual Coaches All-America Football Game to be held in Lubbock June 27.

Deadline for placing the orders, cash in advance, is 12 noon Friday. Tickets are priced at \$6 each.

The Slaton Lions are purchasing a block of seats for local fans, and word this week was that the tickets would be close to the 40-yard line on the east side of Jones Stadium. About 65 reservations had been made this week, and Lions are expecting 100 or more.

Lions of District 2T2 are sponsoring the game along with Lubbock Chamber of Commerce. Proceeds will go to charitable causes supported by the two organizations.

The game in Lubbock will have a number of "firsts" -- including the first Coaches All-America game played west of the Mississippi, and the first game to be played on the new AstroTurf in Jones Stadium.

Slaton Lions' president Glen Akin said the Friday deadline is definite, as the ticket order will be placed Friday afternoon in order to assure a selection of choice seats for local fans.

Students' Fund Drive at \$1,547

Slaton High Students working on the "Dan Davis Fund" had good news this week -- their fund-raising projects had netted more than \$1,500 and the object of their affections returned home Tuesday night.

Dan, a sophomore at Slaton High and the son of Mr. and Mrs. Tommy Davis, has been a patient at the Texas Rehabilitation and Research Center in Houston. He was reported improved and will go back for a checkup in about two weeks.

Patti Nell, a senior co-chairman of the drive, announced that the benefit barbecue Sunday afternoon netted some \$630. The barbecue was sponsored by the Tigrettes with mothers donating pies and cakes. A total of 475 persons were served, with cafeteria women Mrs. Custer and Mrs.

Taylor assisting the girls. The benefit basketball game last Thursday night netted \$475, including proceeds from concessions and a cake sale. The "senior Dads" won a close game over the senior boys, while the senior girls edged by the "senior Moms".

"I think we've really surprised a lot of adults," said Miss Nell. "Our goal was at least \$1,000 and some said we'd never make it."

The fund total was reported at \$1,547.61 this week. A Powder Puff football game is still being planned, as well as a "Crazy Style Show" after the Easter holidays.

Junior ROTC Earns Citation

The Slaton Junior ROTC received a special citation and a Texas flag in two presentations Tuesday at the high school.

State Rep. Elmer Tarbox was on hand to present the unit with a Texas flag which flew over the capitol March 10. The ROTC had requested one of the flags.

Howard Wright, executive for the Muscular Dystrophy Association, presented the unit with a special citation from the MD Association. The ROTC crew participated in a "Shamrock" drive for MD here.

Receiving the citation on behalf of the ROTC were the unit commander, Nick Farrell, and assistant Dennis Rushing.

Miller on Division Street says most of the world are blamed on unrest, but the blame should be placed on work leads to rest, not unrest.

Something for nothing is the life of some individuals.

The topic of conversation around our city this week was the "rock festival." Many found a sanctuary west of Slaton. Opinions expressed ranged from remarks to vehement objections. Many from other rock festivals give concern, and there is no doubt members who live near the festival site are alarmed. Local law enforcement and city officials are pleading for "heads" and good judgment to prevail. The trouble-makers such an event will probably be in the minority, the cause of the traffic problem, alone, calls for hundreds of officers. An event that the festival will be held in left many residents stunned, unable to comprehend how 20,000 to 100,000 people gather on 160 acres of land. Many only hope that festival-goers abide by laws, that local residents restrain from any unnecessary confrontations and that no tragic incidents arise from

Friday comes next week, so see Slatonite next Thursday for dollar-day offered by city merchants. Final plans being worked out on the "Blue Ribbon" plan, which will start in May. Plans in merchandise will be given free on Friday starting in May. Watch Slatonite!

It will be observed Sunday, and what a meaning of this day holds for us! I say to you, today you will be with paradise." -- Luke 23-43

He was crucified between two thieves. The one who was promised that he would be with Jesus in paradise that day. Death for the forgiven man companionship in the world they would both have.

At the Last Supper, Jesus tried to prepare His disciples for the coming of the Holy Spirit. He assured them of the many things in His Father's house. He said He was going to prepare a place for them, that He would return and take them to Himself so they would be with Him eternally. He knows what life after death will be like and we know that for the Christian it is good, for God is good.

MEN ONLY: Have you ever thought of the value of "old" wives? There seems to be a trend of elderly men--particularly those of wealth and of the entertainment industry--to dump their "old" wives and marry a young chick.

Some of the older men who are stuck with their "old" wife might envy those who can pull out and marry another side to the coin. I know who wrote the following article about the value of "old" wives, but it has merit. It would cause older men to realize they've had a good deal!

Go on your wife because she will grow with age. Some things don't improve with age, but wives are exceptions. When they are married, the better they become. Of course this is not true in every case, but it is in most.

A 16-year-old car is about ready for the scrap. Its class is gone, it creaks and rattles, its performance is faulty and it costs too much to have it overhauled. Some men's wives are like that and they want a new model. But they are wrong. Every year she gets better and better. She is useful to her husband. After 15 years, she may need an occasional oil change, but she is certainly well worth the investment. After 25 years a wife becomes an invaluable woman. A wise husband then treats her as a member of the family. He even gets insisting that she salute whenever he comes into the room.

A mature wife has a lot of advantages. The young flighty bride, she may not look so good, as soon as yours does, but she doesn't demand to be taken out every other day. The buttons she sews on stay on longer, she occasionally has to carry out garbage, she doesn't make a federal case out of anything, she no longer yells about going home to

(See COLUMN 1, Page 6)

Old Man Winter refused to give up the limelight in the Slaton area this week with an Easter cold snap predicted by the weathermen, after another snowfall was recorded here Friday.

Spring tried to make its appearance during the week, too. The temperature soared to 84 degrees here Tuesday to top a warming trend following the snowfall. A Canadian cold front moved into the area Tuesday night, however, and the mercury dipped to 42 early Wednesday morning.

The high for Wednesday was predicted to be about 65 with high, gusty winds accompanying the new cold front. A 20 percent chance of rain had also been forecast for Wednesday afternoon or night.

The possibility of freezing temperatures by daybreak Thursday was in the forecast, if the massive cold system moves on down from the Rockies.

Snow fell throughout the day last Friday in Slaton and the area, adding to the ample amount of underground moisture already recorded. Observers estimated the snowfall left almost half an inch of moisture.

Rain and snow in recent weeks have added a bright prospect to the agricultural scene. The ample underground moisture should save considerably on pre-irrigation coming cotton planting time.

Absentee Voting Continued Here

Absentee voting for city and school elections, to be held in April, continued this week in Slaton at a slow pace.

Voters who will be out of the city on election day can cast absentee ballots in the school district election through Tuesday. The school election is Saturday, April 4.

Absentee voting in the city election will continue through April 3. City election is scheduled Tuesday, April 7.

Elections are set in Wards 2 and 4 in the city, with only one contested race, in Ward 2 (northwest), incumbent city commissioner Otho Neill is matched against Rev. Johnnie Moore. The Rev. F. D. Conright is unopposed in Ward 4.

Three new trustees will be elected for the school district since none of the incumbents is seeking re-election. There are seven candidates for the three posts. They are: Sharon Head, Rev. Emilio Aboya, Clark Self Jr., P. C. Kitchens, Joe Gamble, J. F. (Jake) Wendel, and Alex Bednarz.

Rotary Elects New Officers

Dee Bowman, KCAS Radio manager, was named last week as the new president of Slaton Rotary Club.

Bowman will succeed J. S. Edwards as president when new officers and directors are installed in July.

Other officers elected at the club's regular weekly meeting last Thursday included O. G. Nieman, vice president; M. G. Davis, secretary-treasurer; and directors Clark Self Jr. and Jake Wendel. Davis was elected to his post, while Self and Wendel will succeed J. P. Spears and Ansil O'Neal on the board.

Other posts went to Bruce Parks, song leader; Clinton Eastman, sergeant-at-arms; Bud Englund, bulletin editor; and Flora Mae Williams, pianist. Holdover directors will be Rush Wheeler and Wayne Year-out.

DEE BOWMAN

Choose this day whom you will serve. (Josh 24:15)

God has given us all the power and privilege of choice. We select the thoughts we entertain, and we choose the feelings we wish to have about the varied experiences in our life. The most important choice of all is to make God a vital part of our everyday life. God can help us make the right choices concerning ourselves, our loved ones, and our affairs.

MARSHA CADE

Cooper Miss Elected Prexy

Marsha Cade was elected president of the Area I Future Homemakers of America at the annual Area I FHA Convention in Amarillo Mar. 13-14. Theme of the meeting was "To Dare is to Care", and included a talent program, House of Delegates meeting, and fun night. Highlights of the Saturday sessions included the area choirs, State degree ceremony and the installation of officers.

Cooper FHA's attending the area meeting were Teresa Pringle, Janet Thompson, Penny Brazier, Marsha Cade, Cindy Payton, Candy Hendrix, and Mary Jane Aguilar.

Mothers attending were Mmes. Eugene Pringle, Dick Cade, Ed Samply, and Checo Aguilar. Also attending were Mrs. Velma McWhirter, advisor, and Glenda Gillespie, student teacher from Tech.

Corleys Announce

Arrival of Son

Mr. and Mrs. Doug Corley of Wellington, Kan., are parents of a son, Braxton Charles, born March 15. Corley is a farmer Slatonite and is the son of Mr. and Mrs. C. E. Corley and the brother of Mrs. Ernie Davis of Slaton.

The Corleys have a daughter Mandy, 3, who spent the week visiting her grandparents here in Slaton. Doug is employed with Santa Fe in Wellington.

ITEM: By the time young people reach college age, about 40 per cent of them do not have normal vision.

ITEM: For each cleanup, pare foods on paper or directly into a sink that includes a garbage disposal.

Slaton Tops Crown Queen

Helen Meeks was crowned the 1969 Slaton Tops Queen at the meeting of the Slaton Tops Club held last Thursday at Mercy Hospital. To win the contest she lost 47 1/2 pounds during 1969. She was showered with gifts from members and will receive an expense paid trip to Houston to the International meeting.

Lola Montgomery won eight books of stamps for winning a weight contest and Lucille McMeeken won a door prize. New officers for 1970 were elected.

A come-as-you-are breakfast was planned for this summer and reports were given from committee chairman.

The group of 14 members, one visitor, Betty Oliver and one new member, Judy Tefertiller, played Bingo and Lucille McMeeken gave a devotional. Anyone interested in joining the club should call 6826.

Earlier this month a salad supper was given for the club in the home of Francis Keane. Two charter members, Francis Keane and Lola Montgomery, were among those present. Others were Corkie Carpenter, Thelma Johnson, Joann Howell, Lucille McMeeken, Micky Jones, Margie Green, Leona Taylor and Thelma Smith.

Roosevelt YH Tour Home

The Roosevelt Young Homemakers met Tuesday morning at the Roosevelt club house with 12 members in attendance.

Mrs. Rusty Burns conducted a tour of the Lubbock Children's Home.

The group is next scheduled to meet at 9 a.m. April 14 in the Roosevelt club house.

Mr. and Mrs. Charles Marriott spent Tuesday to Sunday with their son, Jimmy, and his wife and daughter, Kim, who reside in Austin. Jimmy was in the hospital after suffering a broken ankle. He broke his ankle playing baseball.

ITEM: This spring, many growers, florists and garden centers will be featuring marigolds in six-inch clay pots. These vivid yellow early bloomers can be sunk in garden soil, in sunny spots, to flower all summer outdoors after they have furnished early spring color indoors.

Miss Clark Elected To State Committee

Elizabeth Clark was one of five delegates from Texas Tech who attended the Texas Student Education Association annual state convention held in Corpus Christi Mar. 12-14.

For outstanding projects and programs, Tech won a Certificate of Merit for Emphasis '70. Also, the Tech chapter was recognized as one of five runners-up in the senior college and university division for the Outstanding Chapter Award in Texas.

Miss Clark, a junior at Tech, is the daughter of Mr. and Mrs. W. W. Clark of Slaton. She was elected to the Organizational Affairs State Committee while there.

TEL Class Meets With President

The TEL Class of the First Baptist Church met last Thursday at 3 p.m. in the home of Mrs. Fred Skottmire, president, who had charge of the business session. Mrs. George Payne was co-hostess.

The meeting opened with prayer offered by Mrs. E.M. Lott, and Mrs. H. E. Atmipread two poems. Mrs. R. L. Smith brought a reading from a book by Dr. Allen based on the 23rd Psalm.

In attendance were 16 members and two visitors, Mrs. W. M. Turner of Lubbock and Mrs. R. L. Smith. The next meeting is scheduled at 3 p.m. April 16 in the home of Mrs. Lott.

Group Attends Area Meeting

Several members of the Slaton Tops Club attended the TOPS A.R.D. meeting held in Plainview Saturday. There were 400 TOPS, KWS, KOPS, kings and queens who attended. The Sir Plop TOPS men's club of Plainview was host for the event.

Those attending from Slaton were Helen Meeks, Slaton queen, Margie Green, Thelma Johnson, Micky Jones, Lola Montgomery, and Corkie Carpenter.

A general meeting was held in the morning, lunch was served, and special awards were presented.

Orange Rice Pudding

(6 servings)
4 EGGS, slightly beaten
3 cups hot, cooked rice
1 1/2 cup orange juice
1/2 cup raisins
1/4 cup orange marmalade
1/4 cup melted butter
Mix all ingredients together. Pour into 2-quart casserole. Bake in a moderate (350° F.) oven for 45 minutes or until a knife inserted comes out clean.

Corned Beef Mediterranean

3 to 4-pound corned beef brisket
Water to cover
1/2 cup chili sauce
2 tablespoons lemon juice
1 teaspoon capers, drained
Cover corned beef brisket with water. Cover tightly and simmer slowly 3 to 4 hours or until meat is tender. Remove meat from cooking liquid. Place meat, fat side up, on a rack in an open roasting pan. Combine chile sauce, lemon juice and capers. Spread on meat. Bake in a moderate oven (350° F.) 30 minutes or until glaze is set. 6 to 8 servings.

Slaton Nursing Home Personalities

One of four girls and five boys in a family, Mrs. Lutie Geer was born in Hopkin County in 1892 to Mr. and Mrs. Bill Morgan. She was raised on a farm and says she was quite a tom boy. She said she had a happy childhood and liked to climb trees and play.

As she grew older though, her thoughts became more serious and she fell in love with a neighbor boy, Frank James Baxley. They married Nov. 21, 1910. The couple had two sons, L. J. and Oliver. She said they were married on the front porch of her father's home with about 75 friends standing in the yard for the wedding ceremony.

After having lost Frank in

featuring.....
MRS. LUTIE GEER

death, Mrs. Geer again married. She married Charley Ester Geer on Sept. 13, 1919. They had been friends for many years. They married in the parsonage in Sulphur Springs. They had three children, Odell, M.D. and Delbert.

About eight years ago, Mrs. Geer realized she couldn't take care of herself without help because of poor health and decided to move to the Slaton Nursing Home. She says she really enjoys living there. She takes part in all the entertainment that is held there and has many friends in the home and in Slaton.

ITEM: Next time you serve leftover roast beef in sandwiches on Sunday night, heat up some apple juice or tomato cocktail for a welcome hot accompaniment.

ITEM: Teenagers are important — but the over-45 age group is where the purchasing power really is. These persons spend some 50 per cent of all U.S. dollars.

School MENU

Harrals Host Choir Party

Members of the Chancel Choir of First United Methodist Church were entertained in the home of Mr. and Mrs. L. A. Harral Sunday evening following the choir's presentation of its annual Easter Cantata. "Worthy is the Lamb", by J. T. Adams, was the title of the cantata presented at the 5 p.m. worship service.

Thirty three persons, including choir members, accompanists, and instrumentalists were entertained with an hour of fellowship and buffet supper.

Mrs. Helen Workman of Plainview visited her mother, Mrs. W. O. Townsend the first part of last week, and returned Thursday for another two-day visit. Other guests of Mrs. Townsend were her son, Wayne of Lubbock, and her granddaughter and family, Mr. and Mrs. Philip McKinney of Ruidoso, N.M.

RECEIVES FRANCHISE--Jake Wendel, right, owner of Wendel TV and Appliance, accepts his Certificate of Franchise from Augie Meyer, left, district coordinator for the Whirlpool Corporation, Benton Harbor, Mich. This award entitles Wendel's TV to offer authorized Tech-Care Home Products service for Whirlpool appliances. Looking on is Bob Mohon, manager of Wendel's.

Wendel's TV Now Authorized Whirlpool Service Center

Jake Wendel, owner of Wendel TV and Appliance, this week received a Certificate of Franchise from the Whirlpool Corporation headquarters in Benton Harbor, Mich., qualifying him to render authorized Tech-Care Home Products service for Whirlpool appliances. Augie Meyer of Lubbock, a Whirlpool district service coordinator, made the presentation.

This firm now serves Lubbock, Lynn and Garza counties, and is the only three-county service center in this area. There are only four other factory-trained authorized franchisees in these three counties. . . all four are headquartered in Lubbock.

To qualify for the Tech-Care franchise, a dealer must have 12 years experience in refrigeration service; 12 years in laundry appliance service; four years in air conditioning; eight years in cooking equipment service; and four years in kitchen equipment service, an aggregate total of 40 years experience (which of course may run concurrently).

In order to retain this certificate, the franchised dealer must undergo factory training each year, and his service headquarters are checked periodically to assure that adequate facilities are maintained to render this service. If a dealer fails to participate in the fac-

'Friends' Elect New Officers

New officers were elected for The Friends of the Library when a group of members met Monday at the library. Mrs. Vasker Browning was elected president. She succeeds Greeley Sanders who served faithfully for the past two terms. Other officers elected are Bill Sewell, vice-president; Mrs. E. R. Legg, secretary; Mrs. B. H. Crandall, treasurer; and directors are Jonas Cain, Greeley Sanders and Mrs. Glenn Payne.

The Friends are beginning a membership drive in April. Those wishing to help promote the organization and its work may purchase membership cards from any member of the local library.

Membership money is used to better the facilities at the local library. The friends have recently purchased a film strip projector, record player, addi-

tional bookcases and storage cabinet.

A new service, ordering of film strips, is now available at the Slaton Branch Library. A printed list of available visual aids is at the library. This service will greatly enhance the use of the Slaton Library for patrons and for storytime use in visual aids.

Students from Stephen F. Austin completed their tours of the library Wednesday. This made 11 classes that visited with their principal, Mrs. Virgie Hunter. Students from St. Joseph's School visited Wednesday. The program consists of a colored movie film, discussion of library procedures and explanation of the use of the card catalog. Books are checked out to the students at the close of the program.

Regina and Lee Tomlinson spent the weekend with relatives in Sabastian. Leo Enlo and his family went to Ft. Worth and visited the zoo where they saw many interesting animals.

Pam Ford's father is opening a welding shop in Slaton. Eddie Eakin's mother's guppy had 30 babies over the weekend.

Darell Bunch went to Amarillo Friday to visit his grandmother.

Mrs. Mary Helen Solis, our Aide, had a surprise birthday party for her father-in-law Sunday. Several friends and relatives visited with Mr. Solis during the day.

Sylvia Estrada went to Lubbock Sunday to see the horse races.

Phil Tomlinson, Kevin Meeks, Scott Beard, his little brother and his father went to the ABC Rodeo in Lubbock Saturday.

FIRST-DOLLAR PRESENTATIONS--Slaton Chamber of Commerce presented "first dollar of profit" frames to two new city businesses the past week. At left, blue-coater J. C. McClesky presented a dollar memento to Buddy Castle,

Buddy's Automotive Center. And, at right, J. W. Holt presented a welcome to Doc Hale, manager of the Handy Hut.

'THE AUSTINITES'

Regina and Lee Tomlinson spent the weekend with relatives in Sabastian.

Leo Enlo and his family went to Ft. Worth and visited the zoo where they saw many interesting animals.

Pam Ford's father is opening a welding shop in Slaton. Eddie Eakin's mother's guppy had 30 babies over the weekend.

Darell Bunch went to Amarillo Friday to visit his grandmother.

Mrs. Mary Helen Solis, our Aide, had a surprise birthday party for her father-in-law Sunday. Several friends and relatives visited with Mr. Solis during the day.

Sylvia Estrada went to Lubbock Sunday to see the horse races.

Phil Tomlinson, Kevin Meeks, Scott Beard, his little brother and his father went to the ABC Rodeo in Lubbock Saturday.

Rita Travis spent Sunday in Littlefield.

Becky Taylor went to the Rattlesnake Roundup in Big Spring Sunday. She saw the men killing the snakes, milking them and cooking the meat.

Carolyn Boatman and her father spent the weekend in Texico, N.M.

Robin Kerr met her mother at the airport in Lubbock Friday. She was returning from Ohio, where she had visited a sick brother.

Mrs. Parks' room got their first compliment for good behavior this year and this was from the repairman working on the heating unit.

Craig Belt and Scott Beard enjoyed dog fights with their kites Saturday.

Sandra Haynes visited relatives in Odessa over the weekend.

Joe Marez and his family were in Lovington, N.M. Saturday and Sunday.

Debra Castle's brother has been in the hospital due to burns.

Bobby Felty's family flew to Nevada for the weekend. Leo Enlo made a fast trip to Fort Worth and Wichita Falls. Cindy Lacy visited friends in Post.

Zoe Preston went to see her grandmother Preston who is in the hospital in Lubbock.

Sidney Maberry went to the Dan Davis basketball game, and Kathy Thornberry, Sherri Bradford and Tim Bourn went to the Dan Davis barbecue dinner Sunday.

Valencia Sadler visited her grandmother Sunday. She is in the hospital in Hobbs, N.M. When Regina Tomlinson returned from the Rio Grande valley this last weekend she brought large oranges and grapefruit to show her class. The grapefruit she brought to Mrs. Morgan was so large the children thought it was a cantaloupe.

In art this week the children in Miss Sprawls room are making flowers from colored egg cartons and the children in Mrs. Morgan's room are making Easter decorations from egg shells.

Lynn Webb's report on "How Tobacco and Alcohol Hurt The Body" when you are growing up you should know about keeping good health. If someone asks you to smoke a cigarette for fun, should you do it? No, you should refuse him. Here are some reasons why you should not smoke: Smoking causes the heart to over work, it makes one short of breath, people who smoke are likely to have cancer and lung diseases. Children should avoid drinking wine, beer, whiskey and gin because they affect the brain. The results can involve you in accidents and cause one to act funny and have no control over one's actions.

Joint Birthday Party Held

The Luther Powers Legion and Auxiliary held a joint birthday party Sunday evening honoring the anniversary of the Legion and the 50th birthday of the auxiliary.

Eighty attended the party including the 19th District commander, C. G. McKenna, the 19th District Auxiliary president, Ann Moyer.

Superintendent of Schools C. McClesky, gave a talk about the influence of American Legion in his life. McKenna and Moyer gave a short address of the Legion and its goals.

One Gold Star Medal, Alma Lott, a Gold Star Mrs. Pearl Pinkney, World War I veteran, along with several other guests.

The children wanted "The Friends of the Library" for their help in their project.

This week the children had the opportunity of how to use the telephone etiquette of telephone calls.

Little League Signup Tuesday

Summer baseball programs in Slaton are just around the corner, with the registration for Little League kicking off the activity next Tuesday.

Paul Melton, new Little League president here, urged all boys interested in participating to be present for the sign-up Tuesday beginning at 7 p.m. in the junior high cafeteria.

Clark Self Jr., reminds that at least one parent must accompany their son to registration Tuesday night, and a birth certificate must be presented if it is not already on file with the Little League office.

The Little League program is for boys in the 8-12 age bracket. To be eligible to play, a boy must have attained the age of 8 before Aug. 1 and cannot be 13 before Aug. 1.

Melton announced that managerial positions for Major League teams have been filled, but there will be openings in the Minor and Pee Wee leagues. Any men interested in managing a team are invited to attend the registration session, or contact Melton.

League tryouts for players are scheduled April 13-16. The season starts for major league teams on May 4.

Babe Ruth Sets Registration For April 7

Babe Ruth League officers and managers held a planning session Tuesday night in the CSB hospitality room and announced registration will be held Tuesday, April 7, at the junior high cafeteria.

J. W. Holt, league president, announced that league play would start a week later than usual. Directors decided the five teams would play three rounds instead of four. The season is scheduled to begin May 11.

The league also set May 15-17 as tryout dates, and will hold the player auction on April 21. Team assignments will be announced April 23 at Babe Ruth Park.

Three new managers will make their debut in the league this season. Dubbin England will be pilot of the CSB Chiefs; Pat Green is the Slaton Co-Op Ginners manager with Earl Bartley as coach, and Larry Smith will take charge of the Henzler Flyers with Ronney Jones as coach.

Holdover managers are Ron Woolever of the defending champion Cubs, and Kenny Kitten of the Montgomery Irrigation Comets.

Holt also announced that Carolyn Green has accepted the post as secretary - treasurer of the league, completing the league board.

Babe Ruth baseball in Slaton is for players in the 13-15 age group. Any boy born prior to Aug. 1, 1957 and on or after Aug. 1, 1954 will be eligible for the program.

FRESHMAN TRACK TEAM---The track program at Slaton High has drawn more freshmen than usual this year, and the team has scored well in two meets. Members of the team, left to right, standing--Richard Zapata, T. W. Whitfield, George Whaley, Ron Bartley, Steve Nieman, front--Charles Martinez, Ricky Rappy, James Conright, Kenny Schuette, Johnny Hernandez. (SLATONITE PHOTO)

Track Teams Run At Idalou, Andrews

Slaton's track activities were "snowed out" last week, but the high school and junior high teams are all scheduled to run this week.

The Tiger varsity will travel to the Andrews Relays Friday with a limited squad. The meet was originally scheduled Saturday, but was moved back a day because of the Easter holidays. Coach Gene Franklin will

probably take a relay team and hurdler - vaulter Jimmy Rogers to the big Andrews meet. Other team members will be off for the holidays. The sprint relay team making the trip will be composed of Dub Simmons, Donnie Rogers, Andrew Jones and Louis Scott.

The freshman track team will enter the Idalou Junior High meet today (Thursday), as will the 7th and 8th grade Slaton

Wild Country
Alligator Alley, a 78-mile stretch of road that runs from the east coast of Florida to Naples on the west coast, traverses some of the state's most primitive wilderness.

teams. The meet will start at noon. The Idalou meet was set last Friday and was cancelled due to the snowfall.

The varsity team was scheduled to enter the Hale Center Relays last Saturday, but cancelled out due to the weather. The meet was held, however, after officials there debated the question.

The Tigers have only one more meet scheduled -- at Seminole April 4-- before the District 3-AAA track meet is staged at the Lubbock Estacado track on April 11.

Little League Keeps Growing

Plans for a Texas State operational and training center, increased league enrollment to accommodate upward of 100,000 youngsters and an attractive new tournament

program spanning the Lone Star State are now taking shape, according to P. J. McGovern, president and chairman of the Board of Directors of Little League Baseball.

In noting the growth of the Little League movement in Texas to almost 500 chartered leagues, McGovern said the Board envisioned the establishment of a centrally located Training Center and Headquarters to provide facilities and services for an expanding corps of adult volunteers who operate Little League in hundreds of Texas communities. He declared the tremendous potential for increased enrollment of leagues and additional thousands of youngsters now coming of Little League age, has underscored the necessity to create a central facility in the State. A series of important meetings across the State will be kicked off with a major meeting in El Paso March 3, 1970.

"I am greatly pleased at the prospect and the challenge of expanding the Little League program in the great Lone Star State that has produced so many of the finest young athletes in our nation's his-

"YES, I THINK JOHNNIE MIGHT DO US A GOOD JOB AS CITY COMMISSIONER, BUT . . ."

Does he have enough time?

This is a persistent question that I feel needs to be answered by anyone busy with a full-time job, who is seeking to serve in a public office. Let me answer it in the following ways:

- No, I don't have enough time for the job, but who really does? In carrying out my professional responsibilities, I have found the old adage to be a true fact: "If you want something important done, ask a busy man to do it."
- I am of the opinion that if a man is not busy, there is probably a reason for it.
- In any area of life I can think of, I would want a person to serve me or represent me who is actually involved in what is going on. I wouldn't want to go to a doctor who only practices on week-ends, or two or three days a month. In the same way, the persons serving on our City Commission that are looking and working toward a future for our town, need to be busy persons involved in the life of our town.
- A very important consideration here is the role of a Commissioner in our city. I see his role as one who makes decisions and plans, following which the persons, capable persons, we have hired are given the benefit of those plans and decisions and are asked and then given the freedom to carry out and implement those plans and decisions. The role of City Commissioner is that of administrator, not foreman. You have persons hired on a full-time basis to do the actual carrying out of what needs to be done. In my opinion the role of all our commissioners and mayor is to plan the work, and then let the persons hired to do so, work the plan.
- Again, no I don't have the time to do the job, but I pledge to you, the citizens of Slaton, to try to the best of my ability to find the time to do the job I think needs to be done here.

I will appreciate any consideration you can make on behalf of my candidacy for this office.

RESERVE GRAND CHAMPION--Gary Schaffner of Cooper FFA is shown with his Duroc which was judged reserve grand champion at the South Plains Junior Livestock Show in Lubbock last week. The barrow sold for \$365 including a \$300 premium on a joint bid by Lubbock Swine Breeders, Inc. and Lubbock National Bank. (Lubbock Avalanche Photo).

Livestock Champs Chosen In Lubbock

Although competition was keen and entries were many, several Slaton, Cooper, Roosevelt and Wilson 4-H and FFA boys placed their animals in the 37th annual South Plains Junior Livestock Show held in Lubbock last week.

A new feature of the 29-county show was 41 Future Farmers of America and 4-H Club teams competing in a livestock judging contest. Max Thomas, a Lubbock County 4-Her from Roosevelt, led all individuals in the contest. The Anton FFA chapter won the team championship.

Gary Schaffner, 17, Cooper FFA member, showed the reserve grand champion pig, a Duroc. Gary, who has 12 brood sows in a joint enterprise with his father, obtained his reserve grand champion from the Registered herd of H. G. Lorenz of New Deal. Gary is the son of Mr. and Mrs. Carlton Schaffner. He gave the Duroc breed a championship sweep with the 250-pound heavyweight.

Slaton youth who placed pigs in the show included Dick Davis, Bruce Jones, Clay Mitchell, Paula Johnson, Larry Becker, Bobby Hopper, Terry Woolver and Bobby Dillon.

Their pigs were sold on auction with the following Slaton firms paying a premium price: Slaton Co-Op Gin, United Supermarket, Tom Sims Chevrolet,

A/1c GARY L. DAVIS

Airman Davis Assigned To Base In Greece

A/1c Gary L. Davis, son of Mrs. Leon Davis, who has been spending a 30-day leave here visiting relatives and friends, is scheduled to leave April 2 for New York from where he will fly to Greece for his new assignment. Davis is a management inventory specialist and will serve in munitions as a supply clerk.

Airman Davis entered service July 7, 1966 following graduation from Slaton High School, and completed his basic training at Lackland AFB at San Antonio. He was then assigned to Homestead AFB, Fla. where he spent 17 months participating in various phases of the OJT (On Job Training) program. He initially trained as a fuel specialist, then cross-trained as a management inventory specialist.

Davis was named airman of the month for March 1969 with his certificate of merit reading in part, "Airman Davis has demonstrated tremendous accomplishments in an accurate and timely manner with a minimum of supervision, and has established himself as a fully qualified Fuel Monitor without the required Tech School". His work in the laboratory required a knowledge of the methods of running tests, and involved the handling of very

mother if you overdo anything. "Her biggest threat is, "I'll tell your doctor on you."

"The meals she fixes don't taste like a misprint in an Armenia cookbook. The old girl knows which dishes make you happy,

and which give you heartburn. You whine, 'You never listen to me now and then, she'll even listen.' "Yes, it takes a lot of time to understand for a husband into man's greatest masterpiece, wife nobly planned. But in what more rewarding a fellow spend his years?"

Hog Cholera Eradication Program Set

Questions are still being asked, reports Dr. W. B. Thomas, Texas A&M University Extension swine specialist, regarding the status of the hog cholera eradication program in Texas.

Texas entered Phase 3 of the program on August 1, 1969, he noted. This is the active phase of the program and brought into play the cooperative State-Federal indemnities which are used to pay for hogs depopulated because of cholera outbreaks.

Since last August, Thomas said approximately 200 herds have been depopulated in Texas. The state's share of indemnities has amounted to over \$80,000.

The interstate shipment of hogs vaccinated with modified live virus vaccines has been prohibited since January 1, 1970, he noted. Also, Phase 3 prohibits the interstate shipment of modified live virus vaccine after the supply within the state is exhausted, he said.

Indemnities, Thomas explained, are based on the market value of the hogs and will be paid to producers with confirmed cases of cholera. Payments will be made for the number of live hogs on the premises when the State or Federal veterinarian arrives, he added. No payment will be made on hogs which have died prior to the arrival of an authorized veterinarian.

compliance when "100% compliance must be adhered to at all times."

The commendation letter, signed by his commanding officer, concluded, "He has been very instrumental in OJT program of all sections of POL (Petroleum, Oils and Lubrication). The caliber and attitude of Airman Davis beyond a doubt would be an invaluable asset to any fuels section."

Gary received a certificate last December following completion of a UNIVAC Course; earned another certificate in February following a DIFM Asset Control Course; and also in February received a citation upon completion of Remote Operators training. The DIFM course involved repair of some of the most expensive types of machinery which were labeled too valuable to discard and were thus repaired. Literal translation of DIFM is "due in for maintenance."

Davis is awaiting notification of a promotion to sergeant which he expects to receive by May 1 and, hopefully, before he leaves for duty in Greece.

Soil Survey Being Made In Lubbock County

SOIL EXAMINED--Earl Blakley, soil scientist in Conservation Service, examines soil from fieldwork in Lubbock County soil survey. Soil is examined to depths of several feet to determine meableness, color, texture and other properties.

Soil Survey Being Made In Lubbock County

Progressive residents of Lubbock County will soon have a useful tool for land development, thanks to the cooperative efforts of the Soil Conservation Service and the Texas Agricultural Experiment Station.

A farm-by-farm Standard Soil Survey has been underway since February of 1968.

The survey area consists of Lubbock County including the city of Lubbock and surrounding towns. The ultimate goal is a publication entitled "Soil Survey of Lubbock County, Texas".

The basic information in the report is to be a detailed soil map and interpretations of research data from each type of soil that occurs in the county. With this information a farmer could, for example, decide which irrigation system would best fit his soil and what he could expect from his farm if various cultural practices were omitted or introduced.

Individual urban residents will benefit from the report by knowing the best locations for building homes, for installing underground pipes to minimize corrosion and grasses best suited for their situations. Urban groups will benefit by know-

ing the areas best for playgrounds, camps and other recreational areas. The estimated date of completion of the survey is 1972. Anyone who has information now regarding Soil Conservation Service is the headquarters for survey activities.

First-Class Service?

First-class mail rates are likely to go up soon. Besides death and taxes, higher postage costs are also inevitable, it seems.

The President has asked for an increase from six to seven cents per ounce. Congress seems likely to follow through to make it official. It's part of the Administration's attack on inflation, needed to balance the budget.

True, the stamp increase itself is inflation of almost 17 per cent. It goes to show how complicated inflation-fighting can be. Like fighting fire with fire.

An extra penny for every letter will add up to about \$650 million a year. Many people wouldn't mind so much, if first-class mail service lived up to the name. It was quite good, you may remember, when a letter needed only a three- or four-cent stamp. And mail was delivered twice a day.

The Post Office has more than its share of problems. It delivers more than 80 billion pieces of mail each year, to and from every nook and cranny of the nation. But Post Office employment has risen faster than mail volume, so the

work-load is no excuse for bad service. ***

Three postmasters in a row have recognized that the Post Office needs a complete overhaul. "The Post Office is in a race with catastrophe," said one who described the postal service as "ponderous, creaking, erratic, costly and increasingly ineffective." ***

The present postmaster acknowledges problems are so severe that mail service could break down in any of a dozen major cities. He said conditions of political influence and operational ineffectiveness are "unbelievable." ***

The nation's independent businessmen believe it; they've complained that service has deteriorated as fast as rates have gone up. And business often depends upon prompt delivery. ***

Not only is Special Delivery not very special any more, but the stamps don't stick as well as they used to.

Mixed Choir Sings for Lions

The Slaton High School Mixed Choir presented a special musical program for the Slaton Lions Club Monday at the Community Clubhouse.

The choir was under the direction of Mrs. Jo Ann Joiner. The group presented a variety of musical numbers. Bud Englund was program chairman for the week.

Glen Akin presided at the

club's regular weekly luncheon meeting. He announced that ticket sales for the All-American Football Game had been extended several days.

Akin also announced the appointment of a nominating committee to present a slate of officers for 1970-71. On the committee will be past presidents C. G. Nieman, Carroll McDonald, and Cecil Griffin.

A big thanks from Slaton FFA Chapter'

The challenge of being the only

As any wise husband knows, no woman likes to be taken for granted. It's the little things that count, like remembering anniversaries, or bringing home flowers for no particular reason. Like the wise husband we try not to take you, our customer, for granted. Being the only phone company in town make a special effort to be courteous, kind, considerate, and understanding. The fact that we are the only phone company in town is a challenge. Our challenge is "not to act like it." Southwestern Bell

Sunrise Service Planned At First Christian

Sunrise Easter services will be held at 6:39 a.m., at First Christian Church. The Rev. Johnnie Moore, pastor, said "a significant part of the service will be a Baptismal service which is the most symbolic thing that could possibly take place on Easter Sunday morning".

Following the sunrise service, the pastor and his family will serve breakfast at 7:30 a.m. Church school classes will begin at 9:30 a.m. and the worship hour at 11 a.m. The church will not hold evening services.

A candlelight communion service is to be held tonight at 7:30 p.m. at the church. On Friday, a prayer period is to begin at 7:30 p.m. and a devotional meditation is to be at 8 p.m.

EVANGELIST CHRIS TEAGUE

Crusade Revival Continues At 1st Assembly of God

A crusade, labeled "Early Church On Wheels", continues at First Assembly of God Church, 14th and Jean Sts. with nightly services at 7:30 p.m. and daily door-to-door witnessing. The pastor, Raymond C. Harris, said that attendance has been most gratifying and members of all faiths have been present.

As a result of the door-to-door witnessing, he said many decisions have been made for Christ, and members of the group have great expectations for many more such decisions throughout the remainder of the crusade.

Chris Teague, nationally known evangelist, has the message for "this hour." Personal testimony is also heard from Rex Payne whom "God has delivered from main-line dope addiction."

Another spokesman from the group stated that during this crusade many have been "delivered from their afflictions", as prayer for the sick is held each night.

SUNDAY'S SERMON

ABOUT WINNING

To some individuals, winning is one of the most important things in life. The desire to be "first" may bring a man to misrepresent his golf score in a friendly game. He seldom fools anyone. The same is true when one "cheats" at a game of cards. Fellow players may observe what is going on and, because they do not want unpleasantness, choose to say nothing. What usually happens is that the cheating individual becomes an uninvited and unwelcome partner in any activity. Cheaters may finish first, but they never really "win."

So, therefore, play the game of life to win — but play it fairly. Work diligently in everything that you do. You will be content with your finish if you know that you have made the proper effort. If you win a race or a game, then victory is doubly-sweet, for it was fairly earned. This, too, is important. A victory that is achieved by trickery or deceit is sometimes made hollow by the light of truth.

Whatever you seek in life — success in business, riches, fame — is worth good, hard, honest effort.

Slaton Man's Mother Dies

Services for Mrs. Margie Benton, 89, of Lubbock, who was held at 2 p.m. Monday in W. W. Rix Chapel in Lubbock with the Rev. H. Phil Widner, associate pastor of the First United Methodist Church in Lubbock, officiating.

She was the mother of J.L. Benton of Slaton.

Burial was in City of Lubbock Cemetery under direction of Rix Funeral Directors.

Mrs. Benton was a member of the Order of the Eastern Star.

She moved to Crosby County by covered wagon in 1906. She moved to Lubbock County in 1909 and into the city of Lubbock in 1951.

Other survivors include a son, M. B. Benton of Lubbock, six grandchildren, and 14 great-grandchildren.

Palbearers were Edgar R. Chance, L. W. Chance, David Benton, Joe Rankin, Russell Benton and Tom Ed Benton.

Pritchett Rites Read Monday

Howard Pritchett, 80, of 1904 - 42nd St., Lubbock, who was a resident of Slaton from 1924 until 1937, died last Friday in a Lubbock rest home. He was a retired employee of the Santa Fe Railroad.

Funeral services were read at 2 p.m. Monday in Sanders Memorial Chapel with Dr. Dudley Strain, pastor of the First Christian Church, officiating. Burial was in City of Lubbock Cemetery.

Survivors include his wife, Clyde; a son, Bland; a daughter, Mrs. Earlene Davidson, both of Lubbock, a sister and a grandson.

Robert Stolle's Services Held

Services for Robert G. Stolle, 67, were held at 10:30 a.m. Saturday in the Immanuel Lutheran Church in Posey with the Rev. Leland Dieckhoff of Lubbock officiating.

Interment was in Englewood Cemetery under the direction of Englund.

Stolle died last Wednesday in Lubbock's Methodist Hospital of injuries suffered on Dec. 23, 1969, in a tractor accident on his farm near the Posey community.

A native of Williamson County, he came to the Posey area in 1917.

Survivors include his wife; six brothers, Fred of Slaton, A. W. of Portales, E. W. of Waco, Rudolph of Austin, Otto of Coupland and Otto Bachman of Vernon; and four sisters, Mrs. Frida Fluchman, Mrs. Hulda Stolle and Mrs. Maude Kublitz, all of Vernon, and Mrs. Amelia Schook of Gracemount, Okla.

Federated Church Women Meet Monday

The Federated Church Women of Slaton will meet Monday, Mar. 30, at 9:30 a.m. at the First United Methodist Church.

Mrs. Leslie Guy of Lubbock will present a book review entitled, "The First Easter", by Catherine Marshall. A baby-sitter will be available for those with small children.

Largest Cigar Ever Made was 5 ft. 7 in. long, and 26 3/4 inches in circumference.

Milk Trucks

Today about 125,000 motor vehicles transport approximately 55 1/2 billion quarts of fluid milk from farm to processing plant. Stainless steel, for reason of easy cleanability and sanitation, is the only metal sanctioned by a national sanitary code for surface contact with milk.

BINGHAM'S BUNNIES---Two third grade students are shown decorating the halls of Ward Elementary with bunnies they and other students in Mrs. Bing Bingham's class made from different colors of material. The students are Esther Rodriguez and Leland, some of the other classes also decorated the halls for Easter. (SLATONITE PHOTO)

Slaton Mission Sets New Goals

Baptist Mission the 1970 Texas Church Development according to an annual report by its pastor, Eugene Zuzela.

The church will adopt goals for advancement in the areas of a better church, a better community, and a better world. Specific projects will be completed in each of these areas.

A "Record of Progress" book is to be made under the direction of a special committee.

The books are the basis for judging.

Clinton Watson, Director of the Rural-Urban Missions Program within the Direct Missions Department of the Baptist General Convention of Texas, is responsible for this ministry in Texas. He stated, "... total enlistment of a church's membership in Christian service is the primary aim and value of this ministry."

SLATON BAPTIST MISSION

Can Measles Destined Obscurity In U.S.?

Measles, a "three-day" or "four-day" disease now joins the almost forgotten list of such illnesses as diphtheria and polio. It is now available to protect your child from this dangerous disease.

Too long rubella, usually a mild childhood disease, has attacked, crippled and killed babies born of mothers infected with the disease in the first few months of pregnancy.

The last major epidemic occurred in the United States in 1964. Birth defects occurred among 20,000 infants and death was the result for 30,000 more. The nation is still faced with the estimated cost of three billion dollars for the care and education of age 18- of the 20,000 defective children.

So where do we stand in Texas? On July 1, 1969 the State of Texas was awarded a two-year federal grant to carry on an intensified state-

wide rubella immunization program. This program is administered by the Texas State Department of Health in Austin with regional representatives in seven areas of the State. Each is responsible for coordinating public health rubella immunization activities in a given number of counties.

When considering the real victim of rubella, that being the unborn baby, it becomes readily apparent that expectant mothers who have never had the disease need to be protected. To date, there is no conclusive evidence as to whether the vaccine will have the same injurious effect on an unborn baby as the natural disease.

The task, then, is to protect women in the childbearing age without actually giving them the vaccine.

To do this, it is presently recommended that both boys and girls be given the vaccine before puberty, thus preventing them from contracting the disease and exposing an expectant mother.

Your own doctor or your local health officials are well aware of the rubella situation in your town. The Texas State Department of Health urges you to contact them soon.

The State Health Department urges you to keep your family's immunizations up to date. Your doctor can tell you how. Why not see him today?

DARWIN BELT

The student whose improvement in the school would be to move to Bolivia is Darwin Belt. Darwin was born in Lubbock, Jan. 3, 1952. He has now grown to the height of 6 feet and has brown hair and eyes. Darwin has attended many schools, but it is still a mystery why. The schools are: Snyder High one year, Monterey High one-half year, Cooper High one-half year, and Slaton one year.

Despite the trouble Darwin causes, he has a long list of achievements which read: All-District Band one year, All-Regional Band one year, Stage Band one year, State Stage Band contest winner his sophomore year, Texas Tech Summer Band Scholarship winner his junior year, second in District Science Contest, basketball one year, and honor roll one year.

Darwin's advice to the freshmen is to stop acting like freshmen. His pet peeve is teachers who don't say a thing when you cause trouble but raise the roof when you don't.

Darwin's favorites are as follows: teacher, Coach Jackie Stewart; subject, physics; and food, barbecued anything.

After graduation Darwin plans to attend Texas Tech and get out as soon as possible.

Of all the teachers around, Phil Corona said his favorite teacher is Mrs. Maxine Walker. When asked why, he replied, "Well, you've heard of getting in good with the teacher."

Phil stands 5 feet 6 inches tall, weighs 140 pounds, is 17 years old with dark hair and brown eyes.

Phil has participated in FFA three years, band three years, DE one year, and ROTC one year.

His favorite food is steak; song, "Sitting on the Dock of the Bay"; and favorite group, "Steppenwolf." Phil derives great joy from riding around and just having fun. As for cars, he says that "SS 396 Chevelle" is best for him. His pet peeve is people who don't act themselves. When asked about his most embarrassing moment, he replied, "Only Joe Arthur and I know about it."

He plans to attend college and then work.

His philosophy is "Whatever you do in life, do your best; make the most of what you've got, and accomplish all you can."

PHILLIP JESS CORONA

An avid fan of football and basketball games is Georgia Kay Smith.

Born Aug. 29, 1951, in Lubbock, Georgia's favorites are: colors - pink and blue, food - chicken, teacher - Jackie Stewart, and class - civics.

Georgia's achievements are basketball two years, Pep Squad two years, and choir four years. Her plans after graduating are to find a job or go to college.

KAY SMITH

TIGER'S CAGE

Spotlight on SHS Seniors

GEORGIA GEER

To move to Dallas and get rich is the ambition of Georgia Geer.

Georgia was born Jan. 27, 1952, in Slaton. She is 5 feet 7 inches tall and has brown eyes and black hair.

She lists some of her favorites as: food, tacos; color, yellow; movie star, Omar Sharif; and pastime, watching TV.

Georgia's list of achievements includes Football Sweetheart, Student Council one year, Pep Squad two years, vice-president of the Junior Class, National Honor Society two years, FHA Girl of the Year her freshman year, FTA two years, Western Day queen candidate her junior year, Girls' State representative, and basketball four years.

After graduation, Georgia plans to attend Lubbock Commercial College.

If one sees a girl walking down the hall with her head about the same level as the door knobs, it's probably Lana Head.

Lana was born in Colorado Springs, Col. April 14, 1952. She attended most of her high school days at Caprock High School in Amarillo where her principal achievements were Spanish Club secretary, FTA secretary, All-Region Band, and member of the Amarillo Honor Orchestra.

Some of Lana's favorites are: color, dark blue; car, Corvette Sting Ray; food, steaks; singer, Glen Campbell; song, "Tail Dark Stranger"; subject, civics; and teacher, Mrs. Maxine Walker.

When asked if she minds people who kid her about her height, she replied, "Definitely not, it gets to be a lot of fun sometimes; and you meet a lot more people." A flat "yes" was answered when asked if she minds when people call her "peanut."

Her pet peeve is two-faced hypocrites. Her advice to freshmen is "to hang in there. You'll be a great senior some day."

LANA HEAD

Bob Luman, 17, advises freshmen to "Beware of English III!" Bob is a four-year student in agriculture and played football his freshman and sophomore years.

Bob's favorites are: car, 1970 Judge; teacher, Coach Jackie Stewart; color, Rangoon Red; subject, Ag co-op; song, "Turn out the Lights the Party's Over"; and favorite singer is Charlie Pride. Bobby's favorite pastime is BULL RIDING.

When asked what he planned on doing after high school, he answered, "Rodeo."

BOB LUMAN

Raymond Ariaz is most familiar to all SHS students as "easy going man about campus."

Raymond, 18 years old, stands 5 feet 6 1/2 inches tall, has black hair and brown eyes, and weighs 127 pounds.

Raymond has participated in Mixed Choir one year and one year of ROTC as an assistant squad leader.

His favorite food is any Mexican food; song, "Yesterday, Yesterday, Yesterday, Yesterday," and favorite group is the "Temptations." His favorite teachers are Weldon Mize and Mrs. Velma Figley; and subjects, English II, III.

In Raymond's spare time, he likes to make himself busy but not necessarily accomplish anything. He especially enjoys riding around with a certain Lubbock westerner girl. His choice of cars are the "1957 Chevy" and "SS 396 Chevelle"; and hobby, fixing his car to the best of his ability.

His pet peeve is people who annoy him when he is doing something that he would rather do in peace and quiet.

He looks forward to entering college or doing something worthwhile. He believes in selecting one's ambitions and trying hard to achieve them.

RAYMOND ARIAZ

A 5-foot 8-inch, black-haired, brown-eyed boy who was born May 21, 1952, in Slaton is Jessie Diaz.

Jessie lists his favorites as: band - The Bluenotes, color - blue, car - 55 Chevrolet, subject - ROTC, teacher - Sgt. L.B. Winters, and food - Mexican.

His hobby is playing football and basketball. Jessie has been in ROTC one year, choir one year, and participated in track.

Jessie's plans for the future include finding a good job.

JESSIE DIAZ

JUAN AVILA

Juan Avila, a stern SHS senior, has a comment on girls, "Watch out or they will catch you."

Juan, 19 years old, stands 5 feet 11 inches tall, has black hair and brown eyes, and weighs 175 pounds.

Juan has participated in D.E. two years. His favorite food is any Mexican food; song, "Folsom Prison Blues"; singer, Johnny Cash; favorite teacher, Weldon Mize; and subject, algebra.

In his spare time, he likes to work on cars. He chooses the "Oldsmobile 98" as his kind of car.

His advice to underclassmen is to stay away from the seniors.

REYNA BRISENO

Reyna Brisenno, a petite girl of 4 feet 9 inches, is almost never seen by the taller students at school. She has brown eyes and black hair.

She has many favorite things such as: color - Yellow, oops! Yellow, teacher - Miss Garne Harris, food - roast beef, and favorite movie star - Sadia Khan.

Her future hope is to attend college and major in elementary education. Her wish, if she could be anyone, would be Father Abeyta because he sets his mind to something; and he does it. Her advice to juniors is don't be someone you aren't, just be yourself.

A 5-foot 6-inch senior girl is Glenda Smith. This bright bundle of joy was born March 10, 1952.

If a person were looking for Glenda on Sunday night, she would most likely be found listening to the "Virgil Johnson Soul Hours" because that's her favorite pastime. If someone stayed around long enough, Glenda just might offer them some "Soul" food since it's her favorite food. The Originals and "Baby I'm For Real" are her favorite song and group.

Glenda states that Typing I is her favorite subject, and Mrs. Saleta Duff rates as her favorite teacher. Her favorite car is the Judge GTO.

Johnny Wilson and Phil Corona were stated as Glenda's pet peeve. She advises the "fish" to "Get ready for civics because it's coming your way!" Just ask Carroll about Glenda's most embarrassing moment.

Glenda's achievements in SHS include basketball three years, choir three years, and Choir president one year.

ONE LIFE

Questioners gambled for a piece of property He earth while He was and that was His coat. He was dead. He was and laid in a barge through the pity of

Solitary Life The author is unknown, but the words are powerful, recounting how a man born in an obscure village, the child of a peasant woman, became "the centerpiece of the human race and the leader of progress."
Jesus left no worldly wealth for his followers to share. He left His mark upon the minds of men and through the chosen

Apostles the teaching and principles of Christianity have been carried forth to all mankind. The message of Easter is a message of hope, and joy.
Jesus lived among men and His life was that of dedication, service and sacrifice. But a most important message, that of eternal hope and salvation, was written in the truth of the empty tomb.

LETTERS to EDITOR

Gentlemen:
Since Christmas we have been receiving the Slatonite and and have thoroughly enjoyed the news it contains. We do not know who made this subscription possible but wish you would please convey our thanks to whomever it is. I wish we had thought of subscribing nine years ago when we moved from Slaton.

Sincerely,
Mrs. Ted Gaze
Houston, Tex.
Note from editor: It's letters like yours that keeps us chugging along. Thanks for those kind words. Your subscription was sent to you by your friends, Mr. and Mrs. J. B. Butler.

Dear Mr. Nieman,
My name is Leslie Blakely and I am writing to report the Wiesbaden, Germany news to you. I am two years old.

My mama, Mrs. La Wanda Blakely, was going to take a picture of me and JaDonn Shawver reading The Slatonite. . . and send it to you, but JaDonn got the mumps and then she got a little brother. I thought she was pretty lucky so she gave me the mumps. (When I see her again I will tell her that wasn't what I meant).

JaDonn's little brother is named Jason Mathew and he and JaDonn are the children of Captain and Mrs. Joe M. Shawver. Mrs. Shawver is the former Miss Fonda Patterson of Slaton. We hear that Ricky Summar and his wife and daughter are over here. We haven't seen them yet.

By the way, my mom and dad are EACH getting a Slatonite. They are enjoying having their very own copy so much that they just may fail to report this mailing room error to you. My grandmother, Bertie Brown, subscribes to the paper for them and I just know she meant them to share a copy.

I must get on with my mischief. You know how busy that keeps us two year olds!

Leslie Jean Blakely

Meet Your Neighbor

(Interviews of citizens by SHS Journalism students)
BY DEBBIE KING

Ansil O'Neal

Ansil O'Neal, manager of Pioneer Natural Gas Company of Slaton, was born in New Mexico near Portales. His family moved to Oklahoma when Mr. O'Neal was 3.

He started to school in Oklahoma but went to high school in Morton, Texas, where he played on the basketball team that won the county championship and went to district two years in a row. Mr. O'Neal was a member of the first class to graduate from Morton High School in 1929.

He attended Draughtons Business College for nearly two years. He met his wife while she was attending Texas Tech, and they were married in 1932.

Mr. O'Neal started to work for Pioneer in the general service department in the Brownfield office on Oct. 1, 1939. From Brownfield, he went to Seminole where he was appointed manager after five months. Mr. O'Neal has been manager of various offices since that time and has more than 30 years with the company.

Census Questionnaires Being Mailed in Area

Questionnaires for the 1970 Census of Population and Housing will be distributed by the Post Office beginning March 28 to all households in this area, District Manager B. L. McCasland announced today.

Distribution of this form before the start of the household-to-house canvass gives the family a chance to assemble information about each member and about the house in advance of the census taker's visit. The district manager urges all residents to fill out the forms and have them ready for the census takers when they start their rounds on April 1.

The form contains 7 questions

about every person in the household and 13 questions about the dwelling. The personal information asked for is: name, address, sex, color or race, month and year of birth, whether married or single, and relationship to head of the household. The information required about the dwelling is: number of rooms, cooking facilities, plumbing, if rented or owned.

Most of the questions are answered by filling in the proper tiny circle with a common lead pencil, making a tiny black dot which can be "read" by Census Bureau machines. Residents should read the instruction sheet which will come with the questionnaire before filling it out.

The census taker will check the questionnaire to see that all questions have been answered and will give any assistance needed in filling out a questionnaire that is incomplete. At every fifth household, the cen-

sus taker will seek answers to additional questions covering population and housing characteristics that are being asked of a 20 percent sample of the Nation's population.

The sample questions include inquiries on country of birth, schooling, employment, income, and related items. The additional housing questions relate to rent or value of dwelling, heating equipment, water supply, and other facilities and equipment.

The district manager pointed out that information about individuals and their homes furnished to the Census Bureau is kept confidential under Federal law. Only statistical totals and averages are published. No individual person can be identified in published reports and census information cannot be given to any other Government agency, local officials, tax collectors, police, health, welfare, or school officers, nor to anyone else.

Tax Man Sez:

The good tax folks pretty well know in December the kind of errors that will be in the tax returns filed before April 15.

They also know that the errors trickle in starting Jan. 1 and finally come flooding in when the 11:59 p.m. April 15 club members have to file. They know that a lot of taxpayers will make social security number errors, forget to sign, leave off their W-2 forms, forget to attach a statement or a schedule, make math errors, and use the wrong tax table, line or column.

The tax folks have even put the red and the red, white and blue tax form to help us catch the errors. However, the errors still rise rapidly in the last-minute returns.

You can be reasonably sure that membership costs in the 11:59 p.m. April 15 club are higher than you want to pay, due to your making errors that cost you money. There are still a few days left for you to do the job right and to avoid membership in this expensive club. Try filing now and checking it carefully.

Refund checks are less likely to be delayed when tax returns are filed early. Ellis Campbell, Jr., District Director of Internal Revenue for North Texas, said today.

He urged taxpayers to send their returns in now if they have not already done so. It will help taxpayers get their refunds sooner and reduce Government processing costs by enabling IRS to spread workloads more evenly.

The IRS refunded \$179,496,975.36 to 1,046,659 North Texas taxpayers last year, and has already refunded \$38,556,840.05 to 191,999 North Texas taxpayers this year.

Campbell advised taxpayers to use the pre-addressed name label that come with their Form 1040 to expedite processing. Returns should be sent direct to the Service Center in the envelope provided.

behind the Badge
(From Slaton Police Department)

WALTER HEAD
Slaton Police Chief

No man can help feeling a certain sense of pride when he arrives at the point where he is on the top rung of his professional ladder. There is something unusual about the top rung of the police ladder. IT IS THE TOUGHEST JOB IN THE DEPARTMENT!

The role of chief looks exciting and glamorous, but in actual practice the chief finds this position tense, turbulent, and sometimes traumatic. I know that being chief is an assignment of trust, rather than glory. A chief is respected more than loved, tolerated more than honored, and often hindered more than helped.

Instead of running a popularity contest, I am running a semimilitary operation where life is often at stake and where human rights and human welfare ARE ALWAYS AT STAKE. It is a cold, solemn and deadly serious business.

A chief of police is under the continuing necessity of urging people to do what they know they ought to do but resent having to do. This resentment reflects itself in criticism, re-norming and sometimes outright character assassination. The chief is automatically the main target.

A police chief sticks out his

professional neck by gambling on his ability to work with the political leaders currently in power, and those who will someday replace them. The people's representatives are political pressure gauges and much of their pressure is passed on to the Chief.

For example, one criticism which has been repeated by a commissioner is that "Slaton has more than enough policemen." The facts simply do not back up such a conclusion.

We have six patrolmen on the force—less than one per 1,000 population. The national average is 1.8 field officers per 1,000 population. State law requires that a patrolman work only 40 hours a week. Try working out a schedule with six men to give adequate protection 24 hours a day for seven days.

This sometimes leaves just one man in the field. The chief and the inspector are on call all hours, and their supervisory duties are more numerous than many citizens realize.

As chief I am proud of the record the department has posted in clearing offenses. The national average on offenses "cleared" is about 20 percent, while ours the past year was 49 percent.

editorially speaking

YOUNGSTERS SHOW SPIRIT

It happened to the younger generation? The most part, they are smarter, more up to the world around them, looking for a meaning to life, and less prejudiced than predecessors.
They don't have to look any farther than to prove the point. Sure, you read about age drop-outs who don't have what it takes to compete in life, but the majority--to believe--are more like ours in spirit and togetherness at Slaton High this year sticks out like a sore thumb, "Dan Davis Campaign" now underway makes the fact very well.

The drive to raise funds for a school mate was the brain child of the students, and it has been spearheaded and manned by these young leaders of the community. When the youth find a goal they believe in and want to achieve, move over for some hard workers!

If you happen to be one of those readers who think a newspaper just "prints the bad things about teenagers," then you should review the pages of The Slatonite the past year. Hardly a week goes by without pictures or articles, or both, proclaiming the accomplishments of our youth.

We're proud of Slaton's teenagers; we think you should be. . . and let 'em know about it!

FESTIVAL RECORDS BAD

It appears okay for some of these rebels and misfits to break these laws as long as they do it within the confines of the "festival grounds." Thus, they shy away from auditoriums or stadiums and seek open fields on private property.

Perhaps you have read an account of the Lewisville festival, as witnessed by a Baptist missionary's wife. She asks a question we all should concern ourselves with: "Will we go down in history as the permissive generation, presenting to our children the unforgivable and final gift--freedom to destroy themselves?"

There are those who see nothing wrong with music festival. After all, it's just an entertainment special for youth where they can jam rock-and-roll bands. This sounds like the pattern of activities at other such events make it perfectly clear that music festival for many of the festival goers, festivals have openly encouraged drug invasion of privacy, nudity, and filth.

THE SILENT MILLIONS

THE WORLD AROUND US is not falling apart even though our newspapers, radio and TV are constantly telling us about crime, riots, corruption, aggression and underground operations.
These things always have made the news and will continue to do so.

EACH DAY there are millions who resist the temptation to cheat, lie, and steal for personal gain.
They are the people who place honesty as a way of life. They are living in respect of the rules of decent conduct. As a result, the world is a better place for all of us.

THE WORLD STILL operates on something more constructive and less spectacular than sensational news.
It revolves around the everyday lives of most of the people you know who never make the headlines or are the subject of a best seller.

EACH DAY there are millions of people who freely speak a good word for someone else. They gratefully tell of the kindness of a neighbor.

EACH DAY there are millions of people who go about their day's work without fanfare or show.
They may be building a home or factory, they may be fabricating useful tools, equipment or machinery, they may be planting or harvesting a crop needed so badly by so many, they may be saving a life on the highway or in the hospital, they may be efficiently working in an office. . . all with the thought of performing their tasks to the best of their ability.

THESE MILLIONS of people are those who keep this world on an even keel.

Their way will continue to prevail, for the disturbance made by those who live otherwise is all out of proportion to their number and importance.

Today's Answer

Kindergarten Survey

For school year--1970-71--a limited number of children are eligible to attend kindergarten in Slaton Public Schools. Plans are not made as to the qualifications.

In order to plan for this program, it is very important to know how many children in the district might be eligible.

old on or before Sept. 1, 1970, please fill out the accompanying blank and return it to any school, or the school business office at 300 S. 9th St. by April 6, 1970.

This survey is very important to the school's planning program, and officials would appreciate your assistance.

Name of child _____ Sex _____
 Birth date _____
 Parents' name _____
 Address _____

SOUTHLAND NEWS

— MRS. TOMMY WILKE

'Festival' Lease Turned Down

Hello out there in newspaper land, Think about this little gem, "the only way on earth to multiply happiness is to divide it!" Visitors in the home of Mr. and Mrs. D. D. Pennell last Saturday were Mr. and Mrs.

Jerry Pennell and Kim of Lubbock and Mrs. Kenneth Callaway, Jay and Stacy of Post. Kim had a tonsillectomy recently. Mrs. Calvin Klaus of San Angelo spent a few days recently visiting relatives and

friends in Southland, Slaton and Lubbock. Visiting in the P. W. Crawford home on Sunday were Mr. and Mrs. Donald Wayne Crawford and Mr. and Mrs. Clinton Maner, Wade and Mark, all of Lubbock. Wade and Mark spent

Saturday night here with their grandparents while their parents went out to celebrate their anniversary. J. H. Poindexter, father of Mrs. Bob Long, has been on the "puny" list for the past couple of weeks. He is scheduled to have surgery today, Mar. 26, at Mercy Hospital in Slaton. May God grant him a safe and speedy recovery. Mr. and Mrs. Pat Adamek have bought the house and some acreage on the Marcus Wilke farm and moved into it this past weekend. Mr. and Mrs. Marcus Wilke

have returned to their home on LBJ Lake. **BB STANDOUTS** Congratulations to Sherri Wilke who made "All District" in basketball. Also to Larry Lockridge and Douglas Smallwood who received "honorable mention". Sherri and Larry are both seniors and Douglas is a junior. **SCHOOL OUT** The Southland School will dismiss classes on Friday, Mar. 27 for the Easter Holidays and will resume classes on Monday, April 6th. Mr. and Mrs. Genaro Rivera

and family moved Monday to Raymondville, Texas. **OFFER TURNED DOWN** C. E. Basinger and Leroy Voigt were both approached recently by the "Rock Festival" officials, but neither one would lease their land for this affair. I think these two men are to be commended for their decision, because there was quite a bit of money involved, and who doesn't need money these days? **CELEBRITY** Say, does the name "Mac Davis" mean anything to you, especially you Southland folks?

Mac has hit it big in show-business and even had a couple of solo spots on the RedSkelton show last week. He is the nephew of Mr. and Mrs. Tom Sims and spent a lot of time with them down on their ranch when he was a young boy. He writes songs and other materials, and some of the songs that he has written are: "In The Ghetto", "Memories", "Don't Cry Daddy", "Daddy's Little Man", "Goodtime Girl", "Home", "Something's Burning", and "In The Eyes Of My People", a song about the people in Lubbock, where he was born and

raised! Elvis Presley recorded 10 of Mac's songs. Nancy Sinatra has some of them. He has comedy material. He and Pearl and wrote the new Glen Campbell "Norwood" which was leased in May. The song, and I think it's fantastic. His sister, Donahoo, told me that he had written a song for Mr. and Mrs. Sims, but he has never met Mac, but he

my nephew, so I am arrested in him, and to say "Congratulations" was a long write in this week's T.V. writes underwent surgery at West Texas Lubbock, May God a speedy recovery, visit here last his mother and other relatives.

Puff-Up Furniture
Inflatable furniture — chairs, tables, sofas, even lamps. Shaped from see-through and fake leather vinyls, this puff-up furniture is inexpensive and ideal for dormitory furnishings and furnishings for the temporary home.

the grand opening! Several of us gals are wondering if the owners might be in the market for some good antique "husbands"? halhal!
"Any housewife, no matter how large her family, can always get some time to be alone by doing the dishes!"

Greetings from Posey! After a good snow last Friday, we have a beautiful spring day today (Monday).

SYMPATHY
Two deaths affected our community last week. Our deepest sympathy goes to the relatives of Robert Stolle, especially his wife Linda. Mr. Stolle passed away last Wednesday in Methodist Hospital at Lubbock. He had been in critical condition since last December when he

was injured in a tractor accident.

Our heartfelt sympathy also goes to the Margie Benton family. Mrs. Benton, an old-timer of the Posey community, passed away at her home in Lubbock last Friday.

Guests of Mr. and Mrs. Ed Maeker Sunday were Rose Mary and Sharon Maeker of Dallas, and R. J. Maeker of Wilton. Mr. and Mrs. Jackie Loggins and children of Lubbock were

dinner guests of Mr. and Mrs. Meridith Harper Sunday.

Recent visitors in the Mert Gentry home were Bill Bailey of San Angelo, Leon Bailey of Sterling City, Mr. and Mrs. N. R. Boyce of Lubbock, and Carolyn and Yvonne Tefer - tiller of Lubbock.

Mr. and Mrs. Joe Loke and Jan visited Grandmother Loke in Lubbock Saturday night. Mrs. Teresa Hendrix visited Mr. and Mrs. Ben Strawn and Mrs. Dee

Hendrix of Lubbock Sunday afternoon.

Irene Petty of Odessa is spending the week with Carlene Loke.

BARBECUE
Mr. and Mrs. Bobby Townsend gave a barbecue Saturday evening for Mr. and Mrs. Marion Townsend and Mr. and Mrs. Sammie Gentry and daughter.

Guests in the P. C. Kitchens home at this time are Mike Seeley of Ajo, Ariz., and Rex Payne of Douglas, Ariz. Rex and Mike are with the group, "The Early Church on Wheels", which is conducting a crusade

Glen Harper in Maryland

EDGEWOOD ARSENAL, MD. --Specialist Four Glen R. Harper has arrived at Edgewood at the First Assembly of God Church in Slaton. We're proud of this youth group and what they are doing for Slaton.

Mr. and Mrs. P. C. Kitchens visited in the Johnny Cartwright home Sunday afternoon. Johnny has been ill but is improved at this time.

"If a care is too small to be turned into a prayer, it is too small to be made into a burden," Trust to see you.

He arrived at this Army chemical research center from Dugway Proving Ground, Utah.

Specialist Harper is a 1966 graduate of Slaton High School, Slaton, Texas.

Entering the Army in January 1969, he is the son of Mrs. Lillie E. Harper who resides at Rt. 1, Slaton.

WILSON NEWS

BY MARGRET BARTLEY

Queen Contest Set For April 9

The Wilson Lions Club will have a queen contest in Wilson High School auditorium April 9 at 8 p.m. Mary Mason is reigning queen and will crown the new queen. There are 22 contestants. Each girl is sponsored by a local firm or individual. The Wilson Stage Band will entertain.

she will come home soon. VISITING Mr. and Mrs. Ollie Riddle attended the University Recitation Service at Tech. Taking part was their grand-daughter, Kathy Christopher, daughter of R. L. Christopher.

their grandson, Bruce Schuette, son of Mr. and Mrs. R. J. Schuette, installed into the National Honor Society. Also Bruce and two other boys soloed on their trumpets at an Easter Cantata at the First United Methodist Church in Slaton.

Wilson Student Wins Lynn Co. Spelling Bee

Winner of the Lynn County Spelling Bee, held at 9 a.m. last Friday in the Taboka School Library, was Jan Wilke, sixth grade student at Wilson and daughter of Mr. and Mrs. Carlton Wilke. Runner-up was Kelly Crews, a fifth grade student also from Wilson, and daughter of Mr. and Mrs. Olen Crews.

Weekend guests in the home of Mr. and Mrs. L. A. Coleman were Mr. and Mrs. Dewey Winstead of Lubbock, Allen Nelson and Kim of Lubbock, Greg Young of Muleshoe and Jerry Adams of Lubbock. Grand-daughter, Sandra Adams, is spending the week.

SCHOOL NEWS St. Paul Lutheran School will dismiss classes at 2:30 today (Thursday) for Easter and classes will resume April 6. Wilson schools will dismiss Friday at 2:30 p.m. for Easter holidays and resume April 6. Wilson school is very proud of its winners in the Lynn County Spelling Bee. They are Jan Wilke winning first and Kelly Crews who placed second.

Corraling the Mustangs

(From Wilson High School)

LA VERN MAEKER La Vern Maeker is the daughter of Mr. and Mrs. Orville Maeker. She has light brown hair, blue eyes, and stands 5' 4" tall. She has attended Wilson Schools all during her school years, and plans to attend Texas Tech after graduation.

BETTY SHAW Betty Shaw, 1969-70 WIS Football Queen, is the petite 5'3", brown-eyed, blonde daughter of Mr. and Mrs. Charles Shaw Jr. She has attended Wilson Schools for 10 1/2 years, and has participated in all athletic activities, including basketball, 1-4, track, 3-4, and band, 1-4. Honors she has received include basketball captain, 4, majorette, 2-3-4, head majorette, 4, FFA Sweetheart, 4, and FHA 1-4.

COTTON TALKS

FROM PLAINS COTTON GROWERS, INC.

The drafting of a new government farm program in Washington is moving forward with all the alacrity of a crippled snail. Activity is great. Hundreds of farm representatives, congressional leaders and USDA officials are literally working day and night. But progress is small.

rations has had little if any luck in selling the set-aside approach to either producers or to the House Agriculture Committee.

To get enacted into law a new farm program must (1) have producer support broad enough that producer-oriented leaders of the House and Senate Agriculture Committees will give their endorsement, (2) show enough promise of accomplishing Administration goals for agriculture that the Administration will give solid support and (3) be acceptable to an urban, economy minded Congress.

Cotton producers also fear that the Secretary's program for cotton, offering no incentive to produce cotton for export, would not provide adequate production to meet market demands. And there are other phases of the Secretary's proposal about which producers are less than enthusiastic.

Slaton Men Attend Scout Leaders Meet

Three Slaton men were among 80 adult Boy Scout leaders from six South Plains cities to meet Monday night in Lubbock to discuss organization of new scouting units.

Educators Attend Meeting

Slaton educators Ernees Brownfield and Vickie Hart attended a meeting of speech therapists March 18, sponsored by the Region XVII Education Service Center in Lubbock.

Teacher Contracts Renewed at Wilson

The Wilson School Board met in regular session on Tuesday, March 17. Items of business included renewing contracts of Elementary, Junior, and Senior High teachers, appointing a Board of Equalization, and setting the date of June 4, 1970 as the date the Board of Equalization will meet.

during the meeting included Kenneth Baker and Dale Sides, high school and elementary principals, and Mrs. Wanda Stegemoeller, tax assessor-collector. The Board set the date of April 7 for a special meeting to reorganize the board after the April 4th election.

Johnnie Moore, Raudin McCormick and Jim Newhouse attended the meeting from Slaton. Leaders at the meeting pledged to organize 16 new units in the South Plains Council during the next 10 weeks.

The meeting investigated articulation problems and test that are given to orally handicapped children to measure the degree of their handicap.

Emergency Medical Consent

Mother and father leave the house comfortable, knowing the children are left in the care of competent sitter who has feeding instructions, bed times and a list of telephone numbers to call in case of emergency.

But that's not enough. Precious time may be lost because they did not leave authorization for the doctor to do whatever he thinks necessary.

Laws prohibit the use of certain medications and surgical procedures on minors with the consent of parents or legal guardians.

Here is a suggested form to leave with the baby sitter from Jane Fleischer, Extension specialist in family life education.

"This will authorize whatever treatment (medical or surgical) is necessary in the event of (my) child(ren) whenever neither parent can be located. Such treatments are to be performed by (blank) M.D., address or-and phone number...or by a physician of his choice or by any licensed Doctor of Medicine."

Enclose the date and signature of the parents, adds the Texas A&M University specialist.

This form can also be left at school, or where the child works if he is a minor. A copy should be also with the family doctor to be sure there will be no frantic delays in case of an emergency.
