CLEAN SWEEP!—Ronney Jones, chairman of the Slaton Club Broom Sale, reminds citizens to throw away old brooms like this one, because the Lions are coming with new brooms. The annual broom sale starts at 10 a.m. when the Caravan Truck arrives on the north side of the square. Brooms will also sell from door to door between 5 and 8 p.m. (SLATONITE PHOTO)

### Lions Sponsor Broom Sale

The Slaton Lions Club hopes to give community residents a "clean sweep" today when members stage their annual Broom Sale.

The Caravan for the Blind sales truck will be located on the north side of the City Hall today for persons who wish to make purchases of top quality brooms, mops and other household items.

Lions will also be selling items from door-to-door about 5 to 8 p.m., according to project chairman Ronney Jones.

Persons who wish to place orders during the day can call 828-6201, and the items will be delivered.

The products in the broom sale are manufactured by Texas blind workmen in non-profit "Blind Shops" or "Light-houses."

## Airport Plans Birthday Show

One of the nation's outstanding aerobatic pilots will perform in the second annual Slaton airshow Sunday at Slaton Municipal Airport.

Jimmy Franklin of Lovington, N.M., will be featured in the big show starting at 2 p.m. Only 21, young Franklin's age makes his feats in the demanding art of precision demonstration flying all the more remarkable.

He performs in a Waco aerobatic special, a thundering biplane that first flew about 20 years before Franklin was born.

The daylong event, celebrating the airport's first anniversary, gets underway with a hangar breakfast, with flap-jacks and sausage served at 8 a.m. in the airport's main hangar.

Next on the schedule is a cross country trophy dash at 10 a.m. in which pilots will fly a triangular course in a test of speed and navigational skill.

A precision landing contest gets underway at 11 a.m., with pilots demonstrating their ability in landing their planes nearest a mark on the runway.

Lunch will be served at noon in the hangar as a convenience for spectators who wish to come straight to the airport from morning church services in order to see additional events in the schedule.

At 1 p.m. a banana race is on tap, as pilots participate in a contest that will provide much mirth as well as exciting flying.

Airmen from the Slaton area and many miles around are welcome to enter the contests. There will be no restrictions on types of airplanes in the events.

Aerial demonstration flights start promptly at 2 p.m. when the field will be closed to air-

A deluge of rain that left about 2 inches of moisture in less than an hour swept across Slaton Friday, postponing the high school's first home football game and drenching area farm-land where farmers were already hoping for dry weather "until Christmas."

No violent weather was reported with the thunderstorms which moved across the South Plains Friday night, but the lazy storm moved slowly in some areas and resulted in heavy downpours.

On the heels of that downpour, light showers fell in and around Slaton Tuesday night when a cold front moved in with gusty winds and dropped the temperature from 86 degrees at 1 p.m. to 60 degrees at 5 p.m.

A record low was later recorded early Wednesday morning when the thermometer hit 42 degrees. The cold front coincided with the first day of autumn almost to the day. The calendar called for autumn to arrive at 5:59 a.m. Wednesday morning.

The Friday-night deluge flooded the field at Tiger Stadium, leaving almost a third of the gridiron under water, and causing the Slaton-Kermit football game to be re-scheduled Saturday night in Kermit.

Water was standing in both end zones and extending on out to the 20 or 30-yard lines. It also was ankle deep along the sidelines and under the players' benches.

Officials suggested the game be moved to Lubbock Friday night, but Kermit administrators decided the shifting would keep their students up too late. The visitors were apparently not too keen on coming to Slaton again Saturday, so Slaton agreed to go to Kermit.

The cold front, which triggered thundershowers in the South Plains Tuesday, also brought a light snowfall at Dumas in the Panhandle. High temperatures in Slaton were 92 degrees on Sunday and Monday, and the mercury was up to 86 Tuesday before the cold front started penetrating the area.

A crash on a rain-slick highway at Lubbock Friday night resulted in the death of a Slaton woman, Mrs. Bernice H. Trout, 62. She was a nurse at Mercy Hospital. (See story on Page 10).

### McClesky Will Head MD Drive Here Oct. 1

The annual door-to-door fund drive for Muscular Dystrophy is scheduled in Slaton Thursday, Oct. 1, it was announced this week by Howard Wright, field representative for MD.

J. C. McClesky has been named general campaign chairman for the local drive. Don Kendrick is the business and canvass chairman, assisted by volunteer firemen; and Col. Clifford Bowen is canvass chairman, assisted by the Junior ROTC unit.

The Slaton High School Future Homemakers will handle solicitations for clubs and organizations, and the ROTC will have charge of school solicitations.

The house-to-house canvass is scheduled from 5 to 6 p.m. on Oct. 1.

Wright reminded residents that the recent national telethon is staged each year as an additional campaign for MD research. "We still must have the regular campaign to secure funds for the necessary programs in aiding the dystrophic persons and working to eliminate the disease."

### SCHOOL OUT EARLY

Slaton Public Schools will begin at 8 a.m. and dismiss at 1 p.m. Monday to give the school students an opportunity to attend the South Plains Fair in Lubbock. Lunches will not be served in the cafeterias.

### ON VETERANS' DAY

## Adjutant General Will Appear Here

Major Gen. Ross Ayers, Adjutant General of Texas, has accepted an invitation to be principal speaker for the annual Veterans' Day observance in Slaton on Nov. 11, it was announced this week.

GEN. ROSS AYERS

The Veteran's Day parade and observance is co-sponsored by Slaton Chamber of Commerce, American Legion Post 438, and VFW Post 6721 of Slaton.

Chairman of this year's observance will be Coy Evans, manager of Southwestern Public Service Co.

A graduate of Texas Tech and former Red Raider football star, Gen. Ayers has a distinguished military career that began in 1931.

Included among his decorations are the Silver Star, Bronze Star, Legion of Merit, and the French Croix de Guerre. Gen. Ayers served as Commander of the 36th Infantry Brigade prior to being named Adjutant General of Texas in March, 1969.

Speakers for the past two observances were Dan Thornton, former governor of Colorado, and Waggoner Carr, former attorney general of Texas.

## Tigers Seek First Win At Littlefield Friday

Still looking for their first victory of the season, Slaton's Tigers travel to Littlefield Friday night for their last non-conference game before launching 4-A action.

The charges of Coach Ernie Davis will be trying to "put it all together" against the Wildcats Friday night—hoping to get the offensive and defensive balance that will prepare them for their district battles.

Kickoff time at Wildcat Stadium is 7:30 p.m. Slaton carries a tie and a loss into the

contest, while Littlefield is also looking for its first win after two defeats.

Slaton led most of the way against a big Kermit team last week but had to settle for an 18-18 tie. Coach Davis reported Wednesday that the Tigers came out of the game "with plenty of bruises" but no bad injuries.

After the scheduled game was rained out here Friday night, Slaton had to make the long trip to Kermit Saturday in order to get the game in the books. Now the Tigers' first home game will be the 4-AA opener with Denver City.

Davis reported that senior quarterback Terry Mosser missed Tuesday's workouts with a "touch of virus", but he expects him to be ready Friday night. Several players were a little "sickly" this week and others were nursing bad bruises.

Davis said fullback Alan Fondy was running well again Tuesday after a bruised leg slowed him down Monday. The starting lineups are expected to be about the same for the

Littlefield encounter. Davis said tackle Bobby Hopper and end Gary Dillard were looking sharp this week on offense. They had a chance of breaking into the starting lineups, or seeing lots of action.

The Tiger coach was not pleased with the Kermit tie, thinking the Tigers could have won the game except for a few errors. He was pleased, however, with the overall team effort and hopes some more mistakes will be eliminated in the next game.

Scouting reports indicate Littlefield has a big, strong team but perhaps not as strong or fast as Kermit. The Wildcats of Coach Deverle Lewis use a straight T and tandem T offensive formations, relying on power plays and a pair of big backs.

Fullback Danny Estrada (220) and halfback Ralph Funk (190) provide the power running for the Wildcats. These two were standouts last season when Slaton won a high-scoring 32-20 decision over Littlefield.

Lewis, the wildcat coach, was sidelined by a heart attack last week, but is reported "resting comfortably and progressing well".

Littlefield, like Slaton, was moved back to AA this fall. The Wildcats will be competing in 3-AA and will open loop action against Lockney next week. The Wildcats have lost to Crosbyton (18-14) and Levelland this season.

### PTA Plans Supper Oct. 2

West Ward Parent Teachers Association will sponsor a spaghetti supper to be held preceding the Slaton-Denver City football game here on October 2. The public is invited to attend.

The supper will be served in the West Ward Cafeteria from 5 to 7:30 p.m.

The PTA is raising money to purchase needed air conditioners for the 18 class-rooms at West Ward Elementary. The air conditioners will cost approximately \$140 per unit. Donations to this fund will be accepted at the door.

A bicycle will be given away as a door prize.

## Mrs. Meeks Attends Texas HD Convention

Mrs. Alton Meeks returned Friday from attending the Texas Home Demonstration Association 44th Annual Convention held at the Moody Center in Galveston. The convention began on Monday.

A city commissioner welcomed them to Galveston and told them they were brave women to come in spite of "Felic", a hurricane which hit about 30 miles up the coast.

One of the principal speakers at the convention was Robert T. Davis. He told the group that "we have the finest, best educated youth ever in history -- 95% are tired of the 5% disrupting their education".

"It is not our system that is wrong, but the people in it. Help the youth to move in and make the corrections needed. Remove the absurd educational system. Facts show that 80% never get a college education proving the point that vocational education is badly needed. We need to restore the dignity of working with your hands. Our schools are geared for the 20% -- there are not enough Shakespearean jobs to go around."

He encouraged the women to learn to build a solid home. He reported the following divorce rate: 1 out of 12 in nation; out of 20 with college degrees; and 1 out of 179 with home economics training.

Mrs. Meeks is the Texas Home Demonstration Association chairman of Lubbock County.

## Supper Is Held For Homemakers

## Slaton Nursing Home 'Employee of the Month'

TRINA DIAZ

Selected as our "Employee of the Month" is Trina Diaz, who is a very happy and energetic person. She is always laughing and the type person who can make you feel good. She does her work well and it is hard to be sad around Trina.

We feel we are very lucky to have her working here. She loves to sew and keep house. She and her husband, Moses, have a daughter, Monique. She is a first grader.

Trina says with her housework and job at the Slaton Nursing Home, she doesn't have time for any hobbies except sewing. She has resided in Slaton 10 years and worked at the home for two years.

We need some good craft ideas for Halloween and Thanksgiving to put more interest back in our craft program. If you have any interesting centerpiece ideas or plate favors we could make, we would appreciate your suggestions.

Rev. Vernon Hagar brought our devotional Monday and Tuesday, Kenneth Burnett came Thursday and Rev. Vernon Baggerly came Friday. Burnett plans to give a devotional at the home the first Thursday of each month and Baggerly will be here every Friday. Anyone who would like to attend these devotional periods are always

Mrs. Dolly Brown was a guest.

ITEM: Get the most from your electric knife. Don't save it just for carving turkeys and roasts. The electric knife slices cleanly through sandwich loaves, brick ice cream, frosted cakes. You can use it to slice tomatoes, green peppers and cucumbers. You can make croissants by stacking bread and slicing it into cubes.

ITEM: Remind dad and the young folks that breakfast should include some protein food. Even when eaten on the run, this helps to eliminate that craving for high calorie mid-morning snacks.

MRS. JEFF CREAGER ... Karen Melcher

### Creager-Melcher Vows Exchanged

Miss Karen Kay Melcher became the bride of Jeffrey L. Creager Monday in a double ring ceremony at 7:30 p.m. in St. Joseph's Catholic Church. The Rev. Brendan McCormick, assistant pastor of Christ the King in Lubbock, officiated. Parents of the couple are Mr. and Mrs. Jerry Melcher, Rt. 1, Post, and Mr. and Mrs. Walter Lyon, Rt. 1, New Philadelphia, Ohio. Given in marriage by her father, the bride wore a Victorian gown of white Bridal satin accented in Venice lace flowerlets. The fitted bodice featured a high wedding band neckline rimmed in the Venice lace. Appliques of lace formed a yoke effect. Full bishop sleeves were gathered to wide cuffs with button and loop closure and applied in demen-

Guests in the home of the Speedy Niemanns last week were his parents, Mr. and Mrs. A. D. Nieman who are now in Tres Ritos, N.M.

### Senior Citizens Club Meets

The Rev. Johnnie Moore, pastor of the First Christian Church, brought a message to the Senior Citizens when they met last Friday in the Slaton Club House. He took his text from John 3:16 and spoke on "God's Love for the World". Mrs. Fannie Patterson, president, conducted the meeting and called on Chaplain F. R. Sexton to give the opening prayer. The group joined him in closing the meeting with The Lord's Prayer.

Mrs. Patterson read a card of thanks from relatives of a beloved member, Mrs. Dora Scudder, who died recently.

Mrs. Anna Bell Tucker played the piano while Mrs. Alvin White led the group in singing. Rev. Moore gave thanks for the meal and joined the 30 members for lunch. Six members stayed to play "88" during the afternoon.

### Best Weekly Food Buys

Best weekly food buys include potatoes, blackeye and purple hull peas, cooking greens, corn, tomatoes, carrots, cabbage and cucumbers, reports Gwendolyn Clyatt, Extension specialist in consumer marketing. New crop sweet potatoes are also appearing on produce counters at attractive prices.

Jonathan, Red Delicious and Golden Delicious apples are here in good supply. Bananas are reasonably priced, as well as cantaloupes, watermelons, prunes and grapes.

In the meat market beef roasts may be a bit cheaper, but there is little overall change in meat prices. Pork shoulders, pork chops and some brands of bacon are somewhat more reasonable. September, "Better Breakfast Month", reminds homemakers of good selections for meat to start the day. Corned beef hash, dried beef, cubed steaks, ham slices, picnic slices and ground beef patties are hearty breakfast suggestions.

MISS TEXAS TO APPEAR

Demos Plan Pre-Game Barbecue Saturday

Bellinda Myrick of Odessa, newly-crowned Miss Texas, will highlight the entertainment program for a pre-game barbecue honoring state Democratic officials Saturday in Municipal Coliseum, Lubbock.

Also planned is a reception from 4:30 to 6 p.m. in honor of U.S. Rep. George Mahon and Gov. Preston Smith. The sponsoring Business and Professional Democrats of Lubbock County said Gov. Preston Smith, Lt. Gov. Ben Barnes, land commissioner candidate Bob Armstrong and U.S. Senate candidate Lloyd Bentsen are expected to attend.

The barbecue will begin at 4:30 p.m. in the coliseum. Parking spaces will be reserved on the coliseum parking lot for those attending the barbecue. Tickets may be obtained from Beverly Kercheval, Slaton, or at the door for \$5 each.

The Texas Tech-University of Texas football game is slated in Jones Stadium at 7:30 p.m. The Chuck Wagon Gang of Odessa will cater the barbecue. Special entertainment will be provided by the Blue Ridge Special of Lubbock and Miss Myrick, who will present a medley of patriotic and country and western songs.

The Odessa beauty was first

runnerup in the Miss Texas Pageant and was elevated to Miss Texas when Phyllis George, the pageant winner of Denton, was crowned Miss America.

FAMILY POT LUCK

Broiled burgers are in season. For a bubbly blue topping, combine 1/2 cup dairy sour cream and 1/4 cup crumbled blue cheese. Sufficient for topping 8 beefburgers. The refrigerator is not a good place to store liquid honey. The cold temperature hastens crystallization of some of the sugar.

Always cook eggs at low to moderate temperatures. High temperatures and over-cooking toughen eggs.

A Lazy Susan laden with cocktail appetizers adds color and interest to a party buffet. Cover the trays with a bed of fresh parsley, two tins of Norway sardines, wedges of cheddar cheese, ripe olives, salami, and baby gherkins. Lemon sections for flavoring the Norway sardines and crisp crackers dominate the center of the eye-catching arrangement.

Cotton Exports

The USDA reports exports of 269,000 bales during June. This brings the U.S. total to 2,582,000 bales exports for the first 11 months of the 1969-70 marketing year.

United States Department of Agriculture now says to expect this year's exports to match last year's 2.7 million bales.

In addition, a number of pilots who fly unusual experimental and antique airplanes have been invited to appear in the show.

A mass skydiving demonstration by members of the Confederate Skydivers of Lubbock will climax the show, expected to end about 5 p.m.

Spectators will park their automobiles beside FM-400 and along the paved county road north of the airport as no space is available for automobiles on the airport itself.

Those who remain in their parked cars during the show will miss most of the action, since the flight demonstrations and other activities will be concentrated along the runway at very low altitudes.

Free taxi rides will carry spectators from their parked cars to the airport's main entrance. Admission will be \$1 per person with children under 12 free.

The show is being produced by the Lubbock Squadron, Civil Air Patrol, with all funds from admission, food and concession stands going to aid Civil Air Patrol projects.

Sponsor of the show and host for the event is Roger Evans and Slaton Flying Service.

The daylong event starts with a hangar breakfast at 8 a.m., followed by other contests and the airshow at 2 p.m. Admission will be \$1 for the airshow, with free taxi rides from parked cars to the entrance. Children under 12 will be admitted free.

Grain To Become Major Food

Food and nutrition researchers at Texas Tech predict that grain sorghum during the 70's will assume a major role in the diet of humans.

There are a good many reasons, said Dr. Mina Lamb, professor of food and nutrition. "Not the least of which is it tastes good."

"Many foods made from grain sorghum flour, including pancakes, muffins, breads, wafers, ginger bread, and cookies are delicious, with a distinctively pleasant flavor," she added. "Grain sorghum is an excellent source of carbohydrates and supporting substance for many processed foods and would be competitive with corn and wheat."

"Already researchers and the milling companies have done a great job in eliminating the objectionable tastes and odors from grain sorghum flour and products made from it."

Dr. Lamb said she sees strong trends toward the use of grain sorghum during this decade "most noticeably at first in processed food mixtures, such as snack foods, cereals, crackers, bread bits and even candy."

By processed food mixtures, she referred to mixes for pancakes, muffins and breads.

The big problem today, she said, is that producers are still more interested in yield than selectivity in breeds which are most palatable to people. Most of today's crops go into feeding of cattle and other meat-producing animals.

Driving Without a License

When Jeff's car knocked down a pedestrian he felt no great sense of guilt. After all, he had been driving properly, well within the speed limit. Clearly it was not his fault that the man had stepped out suddenly from behind a parked car.

Then Jeff remembered, with a sinking feeling, that his driver's license had expired. Sure enough, the pedestrian seized upon this point in suing for damages.

"Anyone without a driver's license," he argued at a court hearing, "has no business driving a car in the first place."

Nevertheless, the court decided Jeff could not be held legally liable. The judge said his lack of a license, even though wrongful, had no connection at all with the accident.

Generally speaking, the mere fact that a motorist has no license does not make him automatically responsible for accidents. For this would be imposing an extra penalty upon him, in addition to the regular penalty the law already imposes for driving without a license.

Furthermore, an unlicensed driver is himself entitled to collect damages, if someone else negligently injures him. Otherwise, noted one court, he would become a helpless target for any other driver on the road.

On the other hand, there is no doubt that the state does have a right not only to require a license but also to enforce that requirement rigorously.

In one case a citizen became incensed at the idea of police roadblocks, which were used from time to time to check up on the licenses of passing motorists. Finally he went to court for an injunction demanding an end to this practice.

"Until a motorist has done something wrong," he said, "the police have no authority to stop him. He has a right to use the public streets without any interference."

But the court rejected his demand, saying that the right to use the public streets is subject to restrictions necessary for the public safety. A roadblock, said the court, is a logical and practical method for weeding out drivers not fit to drive.

B.R. Tucker Moves To Slaton

Two changes have been announced in the Santa Fe Railway's mechanical department personnel: G. T. Johnson, road foreman of engines at Slaton, Tex., has been transferred in the same capacity to Belen, N. M., and B. R. Tucker, engineer at Amarillo, has been promoted to road foreman of engines at Slaton, succeeding Johnson. Both appointments were effective Sept. 1.

Johnson, after service as a fireman and engineer, was promoted to road foreman at Albuquerque in 1963, and later was moved to Slaton in that capacity.

Tucker entered Santa Fe service in 1948 as a caller, soon transferred to a fireman's position and was promoted to engineer in 1960. All of his service has been at Amarillo.

bundle up for winter

CONVERT YOUR HOME TO COMFORT ELECTRIC HEATING NOW... AND WE'LL INSTALL STORM WINDOWS... **Free!**

Now is the time to bundle up your home for winter. Now is the time to install whole-house, comfort electric heating because, right now, with every qualifying electric home heating installation, we'll install free a complete set of storm windows for the heated portion of your home.

Modern electric comfort heating is already being enjoyed by over 4 million American families... almost 5,000 in our area alone. The reasons are many, but what most people like about clean electric heating is the comfort it gives. An even warmth from floor to ceiling creates a comfort unlike any other heating method. You owe it to yourself and your family to get the facts about electric heating... and now is the time to do it.

Storm windows have proven their value in keeping out cold, wintry winds, holding down inner heat loss and contributing to lower heating costs. The storm windows now offered free with qualifying home electric heating installations, are 2-track, aluminum windows with screen, and custom made to fit your own windows. Storm windows do an excellent job of combating dust storms, too.

IS YOUR HOME ELIGIBLE?

This offer is available to residential customers of Southwestern Public Service Company, living in existing single family homes and qualifying for the special residential electric heating rate. Should you already have storm windows or windows of such design or shape that they do not lend themselves to normal installation, do not despair -- we have a special, most attractive plan for you, too.

Up in the Air

By ROGER EVANS

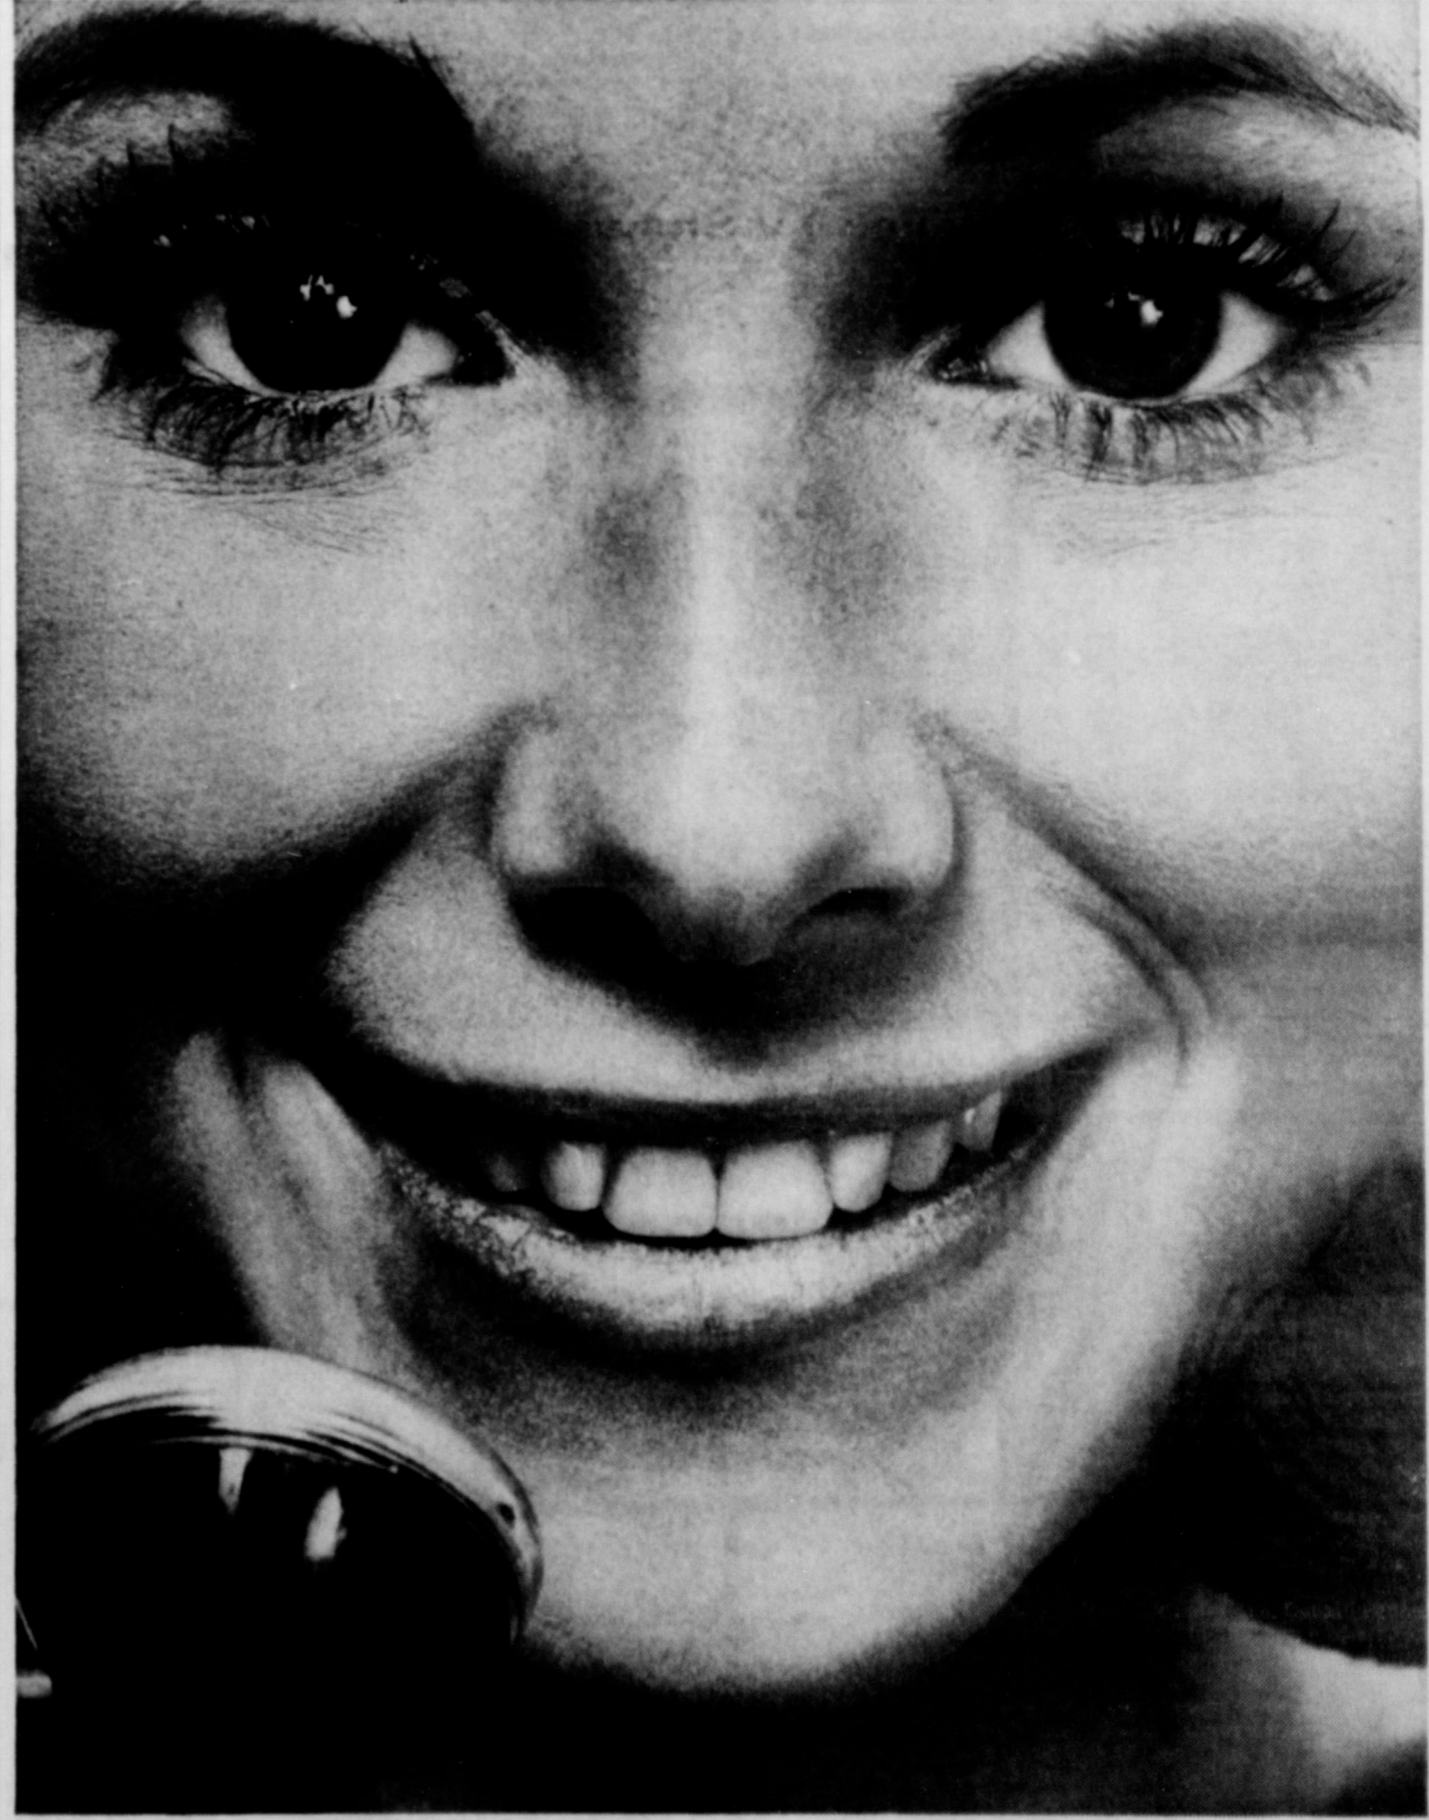

Mr. and Mrs. Earl Chapman, Mr. and Mrs. Bob Macy from Post, and Shirley and I flew up to the National Air Races last Thursday held in Reno, Nev.

The best flyers in the world participated and its like no other show I've ever seen, its quite an experience to see P51s, F39's, Bear Cats, and other airplanes sail around a course at 400 mph, 50 feet above the ground, and then small planes built for nothing but these pylon races.

The Navy's Blue Angels put on quite a show of precision formation acrobatics as did Joyce Case and Don Pitman, tops in their field as acrobatic flyers. You would have to see Bob Hoover fly to believe it. I knew him back in the early 50's when he showed us how to fly a Sabre Jet with precision.

He does rolls on take-off and loops from the deck. He flew a Shrike (twin engine Airplane made by the Rockwell Co.), Hoover put the airplane through all the ropes and ended up flying over the runway cutting off both engines, doing a loop, then a slow roll at which time he lowered his landing gear. Ther he landed down wind on one wheel; all this time with both engines still off.

We had beautiful weather while Slaton was getting all the rain, however the temperature descended to 34 degrees the morning we left, and we had to scrape frost off of the wings

A.B. Watkins Guest Speaker At Rotary Club

A. B. Watkins, office manager for Hemphill - Wells of Lubbock, gave Slaton Rotarians a "historical flashback" of the troubled times of the world when he appeared as guest speaker last Thursday at the Community Clubhouse.

Pointing to the "frightening" times in which we live, Watkins said he believes history records that "all generations have expected the world to come apart at the seams."

While not offering any answers, Watkins said maybe the facts would "help put things in their proper perspective." He added that man today is probably "as well qualified and able" to handle the world's

problem as ever before. Reeling off headlines from a daily newspaper, Watkins pointed out that "we are faced with problems from all angles." He added, however, that headlines don't tell all the story.

"Unusual" news is what makes the headlines, and that is why we see so much bad news, said Watkins. The speaker, a past vice - president of the Lubbock club, was introduced by Rush Wheeler, program chairman for the week.

Dee Bowman presided at the meeting. Several guests and visiting Rotarians were introduced at the club's regular weekly luncheon meeting.

Faculty Guests At Dinner

The Student Body Government sponsored an assembly Sept. 8 to introduce the 30 new high - school students to the "old" RHS students.

The new teachers were introduced at this time as well as the teachers who taught here last year. Athletic, scholastic, and band award winners were also recognized.

Those in charge of the assembly were Danny Boone, Kenny Malmes, Steve Malmes, Jerry Maloney, and De Lane Davis.

Each class has boy - girl

representatives this year on SBG, and Principal A. E. Smith is sponsor.

STUDENTS OF THE MONTH Boy and girl of the month, sponsored by Honor Society, are Steve Malmes and Judy Maloney. They were nominated by the NHS and then elected by the faculty.

Nominees are selected on good citizenship, school spirit, loyalty, participation, dependability and contribution to the school.

Others nominated were Steve Viney, Kenny Malmes, Kay Jones, and Debbie Williams.

SCHOOL IMPROVEMENTS Twenty - two air conditioners were installed in the elementary school this summer. They cost \$2,348 plus installation. The cost was paid by local funds.

TEACHER OF MONTH FTA selected Coach Chuck Loftin as Teacher of the Month for the month of August.

FTA nominate and elect a teacher for each month on what they think an ideal teacher would be.

FACULTY DINNER A Spanish dinner was served to faculty and their husbands and/or wives by the Lubbock Christian Home last Thursday evening.

The open house is an annual event so that the faculty may get acquainted with home parents and see the children in their cottages.

DERBY WINNER Howie Bentley, a seventh grader from the Lubbock Child-

rens Home, won a \$500 savings bond and trophy for the championships of the Lubbock Soapbox Derby this summer.

After winning the Lubbock meet, Howie advanced to the National Soapbox Derby in Akron, Ohio.

Prizes he received at Akron were a watch, certificate, white Levies, two windbreakers and about 10 Soapbox Derby shirts.

The Roosevelt Eagles defeated the Cooper Pirates with the final score 7-6. The Eagles TD came first, and Cooper almost evened the score, but the Eagles blocked the tying point.

The coming ballgame is with Spur on their field, and the Eagle fans are anticipating it eagerly.

The B-team game with New Home was an Eagle victory with the final score, 50-0.

Mask Awarded ROTC Scholarship

LUBBOCK -- Donald B. Mask, son of Mr. and Mrs. William B. Mask (Route 2, Lake Ransom) Slaton, has been awarded an Air Force ROTC college scholarship. Mask is a junior at Texas Tech University, in Lubbock.

The two-year scholarship became effective at the beginning of the fall semester.

The scholarship provides for full payment of tuition, laboratory and associated fees, a textbook allowance and a tax free subsistence allowance of \$50 monthly during the period the student is in the university and on a scholarship status.

Authorized by the ROTC Revitalization Act of 1964, the Air Force Scholarship is designed to offer assistance to outstanding young men and women who enroll in the four-year ROTC program.

The Air Force expanded to 5500 scholarships during the academic year 1970-71 in the 144 colleges and universities hosting the four-year program.

JUNIOR SHOW CHAMP--Marty Mimms, right, won the grand champion junior title at the West Texas Fair held in Abilene last week. He was presented a trophy and rosettes by his sister, Pam Mimms, who is Texas Hereford queen. Also pictured is Pamela Willis, Odessa breeder.

# FOOTBALL CONTEST

It's so easy. You don't have to be a football expert in order to win. Just select the winners on the handy official blank printed below. No scores. Just check the teams you think will win.

**\$10** 1st PRIZE    **\$5** 2nd PRIZE    **\$2** 3rd PRIZE  
**\$25** JACKPOT FOR PERFECT ENTRY

### RULES OF THE GAME:

- ★ Teams playing in this week's contest games are listed in ads and numbered 1 through 48. Use the entry form at the bottom of the page and circle the numbers of the teams you think will win. To pick a tie, circle both numbers of the teams playing.
- ★ Be sure to guess total score on the "tie-breaker" game. In case of ties, the entrant nearer to that total score will be the winner. If tie also occurs on total score, prize money will be split between place winners. This also applies to "jackpot" winner.
- ★ Have your entry blank signed or stamped by a participating merchant, and get it to The Slatonite office by 5 p.m. Friday before the games are played. Only two entries for each person; all persons 12 or older eligible except Slatonite employees and their families.

# Tigers Tie Kermit, 18-18, In Rain Delayed Contest

TIGERS(left) IN OFFENSIVE FORMATION AGAINST KERMIT. (Slatonite Photo)

"It's like kissing your sister," Tiger Coach Ernie Davis said of the 18-18 tie with Kermit Saturday night, but many Slaton fans who witnessed the rain-delayed contest may have thought it was better than no kiss at all.

The Tigers led most of the way in the non-district fray, but the Yellowjackets rallied with two touchdowns in the final quarter to salvage the tie.

The Tigers took an 8-0 lead into the dressing room at halftime, thanks to a pass interception by Bruce Schuette that was turned into a touchdown. Schuette also took a pass from Alan Fondy for the two-point conversion.

Kermit cut the margin to 8-6 on a long touchdown play in the second period, then Allen Sanders booted a 30-yard field goal to put the Tigers up by 11-6.

The Jackets finally grabbed the lead early in the fourth quarter by 12-11, after missing the extra points. Quarterback Terry Mosser teamed up with halfback Donnie Rogers on a spectacular 79-yard pass and run play to put the Tigers ahead again. Sanders' kick made it 18-12 with 5 minutes left in the contest.

Kermit bounced back to score again, however, and the snap was high on the extra-point attempt to leave the score knotted at 18 each.

Despite the scoring, it was primarily a defensive battle. The big, strong Kermit team had a big edge in rushing, gaining a net 245 yards while Slaton wound up with just 88. The Tigers notched 131 in the airways, however, to a minus 2 for Kermit. Slaton had only 8 first downs, compared to 14 for the Jackets.

Paul Payne and Charles Thomas led the Tiger defensive crew, with Brad Winchester, Dick Davis and Allen Walters also turning in good performances.

The Tigers couldn't move the ball consistently against the big Jacket line, with Rogers leading the way on just 49 yards. Mosser hit Rogers for

three passes, however, that gained 123 yards and a touchdown.

The game, originally set in Slaton Friday night, was moved to Kermit after a flash down-pour inundated the Tiger Stadium gridiron. About two inches of rain fell in less than an hour, leaving both ends of the field under water, and it was ankle deep at both benches.

For a few moments Friday night, it appeared the game might be played at Chapman Field in Lubbock. Coach Davis made a quick phone call to set up this possibility, but the Kermit superintendent vetoed that idea. The decision finally came down to a Saturday game at Kermit.

The Tigers took the opening kickoff at Kermit, and two attempts at end runs lost 11 yards as the Jackets cut off the outside plays. A punt re-

turn by Kermit put the ball on the Tiger 37. Three plays netted only three yards against the Tigers, however, and a Kermit field goal attempt was way short.

Fondy then registered the game's first first down with two carries for 11 yards. Mosser hit Rogers on a pass in the right flat, and the speedy halfback almost broke all the way. He moved 37 yards to the Kermit 31 before being pulled down.

On a third-down play, pass interference was called against Kermit to give the Tigers a first on the 21. The Tigers then lost five yards in three plays, and a fourth-down pass to Rogers was behind him and he couldn't hang on.

Kermit moved for a couple of first downs, then fumbled and Thomas recovered on the Tiger 49. Slaton got one first down, then had to punt. Fondy aimed for coffin corner, but the ball sliced off his foot and traveled only 11 yards as the first period ended.

Kermit chalked up one first down, then had to punt to the Slaton 40. The Tigers tried three passes, with one being dropped and two missing the mark, then Fondy boomed a 62-yard punt to the Kermit 6.

On a third-and-9 play, Kermit tried a pass to get out of the hole, but Schuette picked off the

ball and dashed 18 yards for the game's first score. Fondy passed to Schuette for two points and the Tigers led by 8-0 with 7:35 left in the first half. Neither team threatened again in the first half.

The Jackets changed the tone of the game quickly in the third period. After returning the kickoff only to the 23, Kermit's big tailback -- John Bounds, broke off right tackle and zoomed 77 yards for a score. His running attempt for two points failed, and Slaton still led by 8-6.

The teams exchanged punts before Slaton threatened again. The Tigers moved from the Jacket 47 to the 10 before a fumble killed the drive. A 20-yard run by Rogers was the big spark in the drive.

Only two plays later, Slaton got another chance when Winchester pounced on a Kermit fumble at the Jacket 17. A motion penalty moved it back to the 22, and the Tigers got 9 yards in three tries. Facing 4th and 6, Slaton elected to go for the field goal, and Sanders made the choice look good as he kicked high and through the posts for three points. The ball was placed down on the 20, making it a 30-yard effort.

Kermit then took the kickoff and put together the longest sustained possession of the night. With the aid of a 15-yard penalty, Kermit moved to a first down on the Tiger 26. On a 4th and 1 situation at the 17, Bounds barely got the first when the chain was stretched for the measurement.

After 17 plays, Bounds went over tackle from a yard out, but a pass for two points was incomplete. Kermit led by 12-11, with 8:30 left in the game.

After an exchange of punts, Slaton started from its own 20. Fondy got a yard off tackle, then Mosser faded back and hit Rogers with a strike going down the middle. Rogers cut to the left side of the field and outran two Kermit defenders enroute to a 79-yard scoring play. Sanders kicked the point as Slaton moved back to an 18-12 lead with 5 minutes left.

Slaton was assessed a 15-yard penalty on the kickoff, putting Kermit on the 50. Three plays got a first down to the Tiger 38, then quarterback Joe Dunlop faked to his tailback and rolled out around left end for a big 31-yard gain. Frank Self saved a score by knocking him out of bounds at the Tiger 7.

Kermit drew a motion penalty back to the 12, but Bounds hit twice for 10 yards and Dunlop lunged into the end zone. The snap for the kick was high and fumbled, and the game remained tied at 18-18 with 1:51 left.

The teams still exchanged punts before the game ended.

## Mustangs Roll By LCHS, 40-0

The Wilson Mustangs won their second straight triumph of the 1970 football season Friday night by pulverizing the Lubbock Christian High School Eagles, 40-0.

Seven Mustangs took part in the scoring, and Wayland Peterson sparked the Wilson defense by making 17 tackles, blocking a punt and recovering two fumbles.

Wilson tallied 20 points in each half. The Mustangs host Foran Friday night in another non-district contest.

Wilson kicked off last Friday, but soon got the ball back on a LCHS fumble on the 43. Eight plays later, Stephen Bednarz scored from the 5. David Wied passed to Bednarz for two points.

The Mustangs held the Eagles on the next series of plays, then drove for the second score in 11 plays. Woody Follis got the touchdown on a 1-yard plunge. Follis scored again in the second period on a 7-yard run. Bednarz, Talkmitt and Greg Wied led the rushing attack along with Follis.

Wilson scored twice in the third period. The first one came on a 13-yard pass from John Fields to Mike Koslan, and the next one on a 2-yard plunge by Arturo Vegara. The latter score was set up when Koslan caused a fumble and Peterson recovered on the Eagles' 2-yard line.

Stan Meador flew around end for 10 yards to wind up the scoring in the final quarter. Greg Wied ran for two points.

Follis, Danny Crowson and Richard Savell joined Peterson in the defensive show for Wilson. The offensive blocking was led by Trotter, Peterson, Bishop, Brieger, Koslan, Crowson and Savell.

Cooper's touchdown -- and the game's only other score -- came a short time later when Jay Wimmer picked off a Jackson pass and returned it about 30 yards for a touchdown.

Fletcher pulled off the big play for Roosevelt when he tackled Pirate Dennis Smith as he attempted to run for the two-point conversion. Neither team threatened to score again in the first half.

The Pirates came roaring back in the third period, taking the ball on their 37 and driving goalward. Quarterback Jack White moved the Cooper team to the Roosevelt 5-yard line, then a fumble in the backfield

wound up in the hands of Roosevelt's David Hammett.

Cooper got to the Roosevelt 25 on another occasion, but defense was the name of the game in the second half of action.

Lightning knocked out the Roosevelt scoreboard and clock just before the game got underway, but the field was in good condition after a pre-game shower.

Roosevelt, now 2-0, travels to Spur for a non-district game Friday night. Cooper, now even at 1-1, will host the New Deal Lions Friday night.

Both of Slaton's junior high football teams racked up their second straight wins of the season Tuesday evening at Tiger Stadium, defeating Plainview Estacado teams.

The 8th graders scored a 30-8 win, and the 7th graders won a 16-6 contest. The two teams travel to Abernathy Tuesday with games set for 5 and 7 p.m.

Swift Ronnie Smith scored three times for the 8th grade Tigers, the longest from 20 yards out. Bobby Hightower got the other touchdown on a 6-yard run and also scored a two-point conversion. J. D. Moore kicked for two of the points, and the defense got a safety for two more points.

The visitors scored on a 65-yard run in the second half. Slaton led by 20-0 at halftime. Sparking the Slaton defense were Moore, Chris Williams, Tony Leake and Cornell Drones.

The 7th graders jumped to an 8-0 lead against Plainview when Ricky Lopez intercepted a pass and ran about 70 yards for a touchdown. Breck Hudson ran for two points. Tom Mosser got the other score on a 20-yard run.

Ernest Gipson, Bill McClesky and Lopez were defensive standouts in the game for Slaton.

Double Feature  
If you have a window box overhanging a walk or patio, you can easily achieve a "double feature" plant display by grouping clay-potted flowering plants on the ground, or on a bench below the window box.

### Junior Varsity Plays Estacado

Slaton's junior varsity and freshmen Tigers tied a game and lost one at Frenship last Thursday.

The Tiger JV battled to a scoreless tie with the Frenship "B" team, while the freshmen lost a 28-0 decision.

The junior varsity will host the Estacado "B" team at 7 p.m. today, while the freshmen travel to Plainview for a 6 p.m. contest.

The junior varsity had two or three penetrations inside the Frenship 20 last week, while the home team got to the Slaton 19 on one occasion. Tackle Curt Woolever and linebacker Ron Bartley led a tough Tiger defense.

Bartley was also an offensive standout, reeling off a 47-yard run that almost went for a touchdown. Fullback Tommy Walters also had some good gains for Slaton.

Fullback Kenny Schuette, who played only one down, had his arm in a cast this week after it was discovered he had a cracked elbow. He may be out of action the rest of the season. He is one of the top sophomores prospects.

Starters included ends Leslie Melcher and Brad Lamb, tackles Woolever and Dwayne Buxkemper, guards Stan Jaynes and Jerry Hopper, center Dan Butler, quarterback Steve Nieman, halfbacks Bartley and Jackie Edwards, fullback Walters.

The freshman team, out-weighted and outmanned, trailed by 12-0 at halftime and gave up two more touchdowns in the second half. Steve Bourn, fullback, provided most of Slaton's offensive threat.

# City Woman Dies In Lubbock Crash

A crash on a rain-slick highway about 8:25 p.m. Friday night claimed the life of Mrs. Bernice Harland Trout, 62. Services were held at 11 a.m. Monday at First Baptist Church with the Rev. J. L. Cartrite, pastor, officiating. Burial was at 3 p.m. in Trinity Memorial Park in Big Spring under direction of Englands.

Mrs. Trout's son, Gomer Harold Trout, 32, of Lubbock and his wife, Darla, were also injured in the accident. He was released from the hospital and it was reported that she is still a patient at Highland Hospital.

Trout's car collided with another automobile at U.S. 84 and Loop 289, investigators said. Mrs. Trout was pronounced dead on arrival at Highland Hospital in Lubbock.

## Fish Fry Set For Saturday

The Semi-Annual Fish Fry hosted twice each year by the Christian Men's Fellowship of First Christian Church, Slaton, was postponed from last Saturday because of the large amount of rain and the changing of the day on which the Tiger football game was to be played.

It is to take place this Saturday, Sept. 26th, at Fellowship Hall of the Church and is set to begin at 4:30 instead of the previously advertised 5 p.m. This is in order that those who already have bought tickets and will be going to the Tech-Texas game in Lubbock, will have time to come by and have a good fish supper before going. Serving will still last until 8 p.m.

If you already have not bought a ticket, you may do so at the door. Proceeds from the fish-fry go for a number of things, including the group's sponsorship of Boy Scout Troop No. 123 of Slaton.

Survivors include three sons, Bob of Amarillo, Harold of Lubbock, and Paul of San Antonio; a daughter, Mrs. H. E. Bade, Jr. of Sealey; five sisters, Mrs. Imogene Fryar and Mrs. Claudia Fryar, both of Big Spring, Mrs. Hazel Alfred of Ackerly, Mrs. Cleo

Trout's son, Gomer Harold Trout, 32, of Lubbock and his wife, Darla, were also injured in the accident. He was released from the hospital and it was reported that she is still a patient at Highland Hospital.

## Services Held For Mrs. Carnes

Rites were held for Mrs. B. L. Carnes, 84, at 2 p.m. last Thursday in Lubbock's Church of Jesus Christ of Latter Day Saints. She died Sept. 15 in Mercy Hospital.

Bishop Robert Larson and Bishop John Swanson officiated and burial was in Taboka Cemetery under the direction of Englands of Slaton.

Mrs. Carnes, a Slaton resident 10 years, was a native of Missouri.

Survivors include six children, Lee and A. F. Carnes, both of Washington, Geneva Ledbetter and Obbie Carnes, both of California, Fern McCullough of Slaton and Billie Henn of Pecos; a stepdaughter, Mrs. Jewell Cornwall of Dallas; two sisters, Mrs. Ivy Witherspoon of California and Mrs. Dick Harston of Lockney; a brother, Elbert Terry of Texas; 25 grandchildren; 35 great-grandchildren and two great-great-grandchildren.

Services were held Sunday at 3 p.m. in Crescent Hill Church of Christ at Brownfield with Bob Hoover of Lubbock and Bill Roach of El Paso officiating. Burial was in Terry County Memorial Cemetery directed by Brownfield Funeral Home.

He and his twin brother, Larry, were in a car-truck accident on Sept. 12 when the car driven by Larry crashed into the side of a large truck on U.S. 62 in Brownfield, Larry was dismissed Sept. 14 from the hospital.

Barry was a resident of the Wellman community and graduated from high school there in May. He was attending South Plains College in Levelland.

Survivors other than the grandparents are his parents, Mr. and Mrs. Homer Jones; three brothers, Homer Jr. of Floydada, Ricky and Larry, both of the home; and a sister, Dorinda of the home.

## First Christian Church Has Salad Supper

A Salad Supper was held at First Christian Church Wednesday, Sept. 16 at 7:30 to celebrate the 15th World Wide Birthday Party for CWF.

Twenty-two were present for the supper, including three guests.

Rev. Johnny Moore gave the invocation, and Mrs. Sharon Newhouse, president, gave the welcome. Amarina Moore presented the worship service, and Carolyn Davis was in charge of games.

Refreshments of cake and coffee were served following the program.

## Health Clinic Open First and Third Thursdays

The local immunization clinic, conducted by the Lubbock County Health Department, will be held next Thursday at the community center building located at 4th and 5th Streets on Powers.

Immunizations available include small pox, diphtheria, whooping cough, polio, tetanus and typhoid.

The clinic, which is held the first and third Thursday of every month, is administered by Mrs. Jeannie Johns, county health nurse.

Other services available through the center include general health services, a family planning clinic, maternity clinic and dental clinic. Some of these will be on referral basis with the larger facilities in Lubbock. Transportation will be provided when needed.

Time Capsule  
When Japan's Expo 70 closed September 13, a time capsule of stainless steel, 39 inches in diameter, was buried in the Senti Hills near Osaka. It contains specimens of refined metals, alloys and ceramics, tapes, and micro books on tiny silicon wafers, as well as that symbol of the age, a credit card.

## Forums For Senior Citizens Planned

Texas Senior citizens, during the week of Sept. 20-26, will participate in more than 600 Community Forums speaking out on their needs. The forums, being held nationwide, are the first step—a prelude—to the White House Conference on Aging called by President Nixon for November 1971, reports Minnie Bell, Extension specialist in family life education-aging.

Four meetings were scheduled in Lubbock County with one scheduled in the Slaton Community Clubhouse Wednesday afternoon at 2:30. The first was held at Idalou at 10 a.m. Wednesday. Another is scheduled today in the Shallowater Clubhouse at 2:30, and the last one Friday at 10 a.m. in the Precinct 1 Clubhouse in Lubbock.

John R. Martin, Commissioner on Aging, by President Nixon, the Forums, remain they are vital to the of the 1971 Conference only are older Americans expected to talk of. It is an opportunity to participate in a general fair for their benefit.

Their views will be part of the program of the Conference and help determine the ward older Americans said, the 70's.

Senior Citizens she adds, will be complete a national survey. This affords further to "speak-out" the easy-to-answer questions require only a mark or no answer. No is to be signed, the Miss Bell expects a be published next year forums and the answers are compiled. Commissioners say that all Americans know the needs and concerning older Americans White House Conference is to be successful.

## Little Children

"Ye are of God, little children" -- 1 John 4:4

Often, in his first epistle, John addressed himself directly to the little children. During a busy life upon earth, Jesus always had time for the little ones and a quick admonition for disciples who would send them away -- "For such is the kingdom of God."

Many parents and adults are always "too busy" to recognize the innocence of youth; too preoccupied to accept the responsibilities and of leadership and direction. When this happens, everyone loses.

The children of today are the hope of tomorrow. They look to their elders. If they are not told and shown, the difference between right and wrong, they come to look upon all adult behavior as acceptable and will emulate much that is wrong, rather than right.

### Jay Baker Suffers Dog Bite, Must Receive Rabies Shots

Jay Baker, eight year old son of Mr. and Mrs. Joe Baker of Harlingen, Tex. was bitten on the ear by a stray dog last week.

Since the bite was on the head, and so close to the brain, doctors began immediately giving Jay the series of ten Rabies shots.

The dog was caught and confined, and after the ten days, if it does show signs of Rabies,

Jay will have to take 11 more of the shots.  
He is the grandson of Mrs. Frances Baker of Slaton.

SUNDAY'S  
HAPPINESS  
Many of us go through a somewhat miserable cause we are never satisfied with the things that come our way. We look around us and we who has a better job than we are looking for. We are envious and we are envious.

When someone is in trouble, we give the most a momentary commotion. Our personal problems are always greater than the problems of others. What we fail to realize is that we are not the only persons who believe in a "better life" also have problems. To these problems may be far beyond that we have only the short, we see only the end in greater across the street and we do not consider could be so because of water bill.

The key to success does not lie in being with what we have. Making the most of what we have, working toward goals. Happiness is a concern for our neighbor. He is and not for what.

## LETTERS to EDITOR

Dear Sir:

I read with interest the two letters to the Editor appearing in the September 9 edition of the Slatonite. The reason I found them interesting is because I can somewhat understand the thinking on both sides.

Slaton wants to be proud of what it can offer its present and prospective residents. But, on the other hand, it should also be a town where people can afford to live. These two objectives will often come into conflict. Unfortunately, civic improvements are expensive and that usually means higher taxes, higher water and sewer rates, bond issues, etc.

It would seem, then, that the advantages of such improvements should be weighed against the disadvantages of more financial burdens on the general population. In other words, will the improvements draw more people to Slaton than the increased costs will drive away? This is a question which can be answered only as each increase or improvement is brought to the attention of the people.

And it is on the shoulders of the citizens of Slaton that the final decisions will rest. You cannot afford (and I mean that financially) to sit back and not be heard on these matters. It is your opinion which influences the decisions of your city government. Any bad decisions made by city administrators cannot be totally blamed on them. A complacent citizenry must also share the blame.

City officials are elected, hopefully, for their good judgment. But judgment must be based on facts presented to the ones making the judgment. If facts are not pointed out to your officials, then you cannot expect their judgment to reflect the feelings of the community.

For what it is worth, then, I would only suggest that City officials keep the public informed, that the public keep itself informed, that all voices be heard, and that much thought be given to what you want the future of Slaton to become. Judging from the problems

"I REMEMBER"  
BY THE OLD TIMER

When I was a child, about fifty years ago, the main money of account was the quarter. I remember my mother sending me to the grocery for a quarter's worth of pork chops or round steak or potatoes. One tipped a quarter for most any service. We travelled by train at that time. The sound of the wheels on the tracks and the whistle OOOOOO-EEEEK and the smells. Oh the smells. The stale soap but not unpleasant in an "upper". The discomfort of the mohair upholstery on a little girl's bare legs.

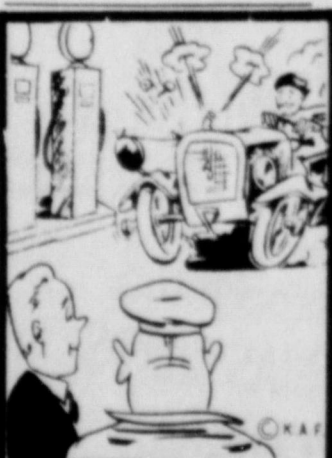

The smell of the Dining car before you reached it, and THEN the white tablecloths and the silver and the grace and agility of the waiters. Always a pleasant greeting, a big smile and real service.

The Candy Butchers and their baskets of such good things. People standing on the platforms at the stations waved to everyone, not just the ones they knew. Remember the gas meter that you had to put a quarter in? Sure was a shock when someone FORGOT.

What we all miss most in our childhood is our youth.

THE LARGEST SINGLE CELL IN THE WORLD IS AN OSTRICH EGG!

"He's coming in on a fender and a penny."

## Hog Marketing Book Available

A new booklet, "The Feasibility of Commercial Hog Marketing in Texas", is available to producers and investors considering expanding or entering a feeder-pig and finished-hog marketing program on a commercial scale.

John C. White, commissioner of the Texas Department of Agriculture, said that the information was developed to assist in an orderly expansion of

the state's swine industry which pumps about \$50 million annually into the Texas economy.

White indicated that strong hog prices the past two years, the fact that Texas is a "hog-deficit" state, and increased interest in agribusiness investment are prime factors in current demand for swine marketing feasibility information. The study was completed for

the Texas Department of Agriculture by Bill Nelson, consulting agricultural economist of Amarillo, and Dr. Charles M. Smallwood, dean of the School of Agriculture at West Texas State University, Canyon.

The study points out that opportunity exists for hog marketing operations to be established (1) on a part-time basis by individuals in farming, business or industry with year-round spare time, (2) one-man operator basis on farms with year-round excess labor, or (3) as

a commercial enterprise organized for profit to specific inputs of capital, labor and professional management.

It is this last category toward which this booklet is directed.

Ben Baisdon, director of Marketing for the Texas Department of Agriculture, said that copies of the multi-colored, 12-page booklet are available free on request to the department in Austin.
