Light Showers Recorded Here

An afternoon shower moved across Slaton Tuesday between 12:30 and 1 p.m., with spotted measurements ranging from a trace up to almost 1 inch. Most reports were around .25 of an inch in the city.

Slaton apparently got more moisture than any place in the area from the afternoon thundershower. Temperatures had climbed to 92 before the showers came, and the mercury was tabbed for about 93 Wednesday.

The Weather Bureau had called for a 20 percent chance of showers Wednesday afternoon. Farmers welcomed the light showers, especially for feed crops which had begun to feel the effects of hot, dry weather.

High temperatures ranged from 84 to 98 the past week, and lows were from 60 to 72 according to the local Pioneer Natural Gas Co. office.

TAX BOARDS MEET

Equalization board hearings have been scheduled by Slaton Independent School District and the City of Slaton.

The school district Equalization Board is in session today at the school business office, 300 S. 9th St. The city board will be in session Tuesday, July 7. The boards hold the open meetings to determine tax valuations and hear any protests or opinions from tax-

Vise Presents Rotary Program

Murry Vise, minister of music and education at First Baptist Church, presented piano and vocal selections when Slaton Rotary Club held its regular weekly luncheon meeting last Thursday in the Clubhouse.

Vise recently became associated with the Baptist Church here, moving to Slaton from Seminole. He was introduced by Earl Bartley, program

chairman for the week, J. S. Edwards presided at the meeting. He announced that installation of officers will be conducted this week, Dee Bowman is the incoming president,

Mize Promoted To Colonel

While teaching for the Army at Camp McCoy, Wisconsin in the command and general staff school, Doc Mize received word that he had received word that the selection board had promoted him to the rank of colonel March 31.

After leaving Camp McCoy, Mize flew to Sandia Base, N.M. near Albuquerque, to teach at the 4159 Fort Worth USAR School. He teaches a class there for the command general staff school. He also teaches in that capacity for the 4166th USAR School in Lubbock during the nine school months.

Mize plans to return to Slaton July 4 for two weeks and then will go to Levingsworth, Kan. to teach there.

He is a math teacher and coach at Slaton High School,

year. "The city is in the black for the first time in about 15 years, but we're not there to stay," Hughes told the Lions, "We've just been coasting along and paying our bills so as to stay

Some of the city needs, which the City Commission has discussed recently, include an overhead water storage tank in northwest Slaton (estimated at about \$125,000); a ground storage reservoir at the Canadian River pump station; new water lines on Industrial Drive. and an annual budgeted amount to take care of maintenance of paved streets.

out of the red," he added.

The ground storage tank is estimated at \$30,000; the lines on Industrial Drive at about \$7,000, and the maintenance of streets at about \$20,000 per year. The mayor pointed out that the City has about 400 blocks of paved streets, and "very little maintenance and repairs have been provided for in recent years."

Hughes also pointed out that the City has a \$44,000 payment on the Canadian River project this year. This includes water, treatment, and payment on transmission lines. The payment jumps to \$79,000 next

Mayor Discusses City's

The mayor proposes, and the commission is considering, an increase in water, sewer and sanitation rates. The proposal

is to increase the minimum water rate from \$3.50 to \$4.75, and raise the sewer and sanitation rates from \$1.50 to \$1.75 each.

Hughes said this could result in a revenue increase of some \$83,000 to the city--"almost enough to keep us out of the red." He said the city sales tax had been a big help, but was not as much as anticipated.

Asked about the garbage pickup in Slaton, the mayor said he realized many residents were unhappy with the service, "but this is another case where it will take more money to improve the service." He said the city's three garbage trucks are almost worn out.

Hughes said jail facilities here were "very poor" and he had approached the county about helping improve this situation.

Arvin Stafford presided at the club meeting and introduced Melvin Kennison as a new member. Several guests were also introduced at the meeting.

Slaton's preliminary census total for 1970 has been tabbed at 6,151, it was learned this week from an unofficial but reliable source.

The preliminary count is a decrease in population of 417 persons from the 1960 census of The total falls short of anti-

cipated population growth estimated by city officials and leaders. Slaton Chamber of Commerce and some city officials had predicted the total to top

Teachers Get Pay Hike, More School Days

Texas public school teachers -- those on the state minimum salary schedule -- will receive pay raises averaging about \$1,050 per year in 1970-71, according to a release from Texas State Teachers As-

Many Texas school systems pay their teachers more than the state - required minimum salaries. In Slaton, for example, teachers are paid \$300 above scheduled the first three years and \$200 above thereafter.

Students will go to school -and teachers will teach -- an extra five days (180 days instead of 175), In addition, teachers will be on duty for 10 more days of non - teaching work during the year, and will be paid on a 10-months basis, instead of nine.

These changes in the school year and the basis for figuring teacher pay result from amendments to the minimum found-

ration of people per utility connections from the 1960 censu -- had projected a total of 7,235 based on water, gas and electric meters at the first of the year.

This would appear to indicate that there are fewer persons per household than 10 years ago, or that some people were missed in the census count.

From the 1960 census figure the ration in Slaton was 3.5 persons per water and gas meter, and 2.9 per electric meter. All utility connections have increased but the average per meter has decreased about .40 of a person, based on the new census total.

The regional office of the Bureau of the Census reports that tabulation of the official population count is now underway. In order for the work to proceed on schedule, filled-in "Were You Counted?" forms must be received as soon as

Copies of the census form are available at City Hall for individuals or families who think they were missed in the census. Only about one week remains to get these forms into the census office. If you think you were missed, or know of persons who may have been missed in the count, get the census form and fill out the necessary information.

The Bureau of Census reports a final step -- a check by the mailman--is now under way in rural and small cities. This is the procedure: When census district offices completed their preliminary counts, they turned over to the post office a set of white cards listing every address canvassed. The mailmen, in turn, check these add-resses to determine if there is a "missed" address. He turns in a blue card to the census office if he discovers a bureau checks them against census records.

Head Start Draws 99 Students Here

\$18,500, 99 Slaton children are attending the summer Head Start program at West Ward Elementary. According to Mrs. Virgie Hunter, director, the program is not a kindergarten as some people believe.

The program teaches the children how to live in our society. It teaches them an awareness of vocabulary, awareness of number system, awareness of what goes on around them - such as safety, cleanliness and manners.

The school began June 8 and will continue through July 31. For five days a week, four and one-half hours a day, the five and six-year-old children attend the school. There are five classes with approximately 20 children in each class.

During this program, child-

ren are given complete medical physicals. The federal money provides dental care, surgery, medical, surgical and immunizations for the children, Mrs. Grace Dodson, school nurse, is on duty at the school each day. She reports that shoes have been furnished for some of the children through the local "Save Our Shoes" program.

Mrs. Hunter said they are fortunate to have nine volunteers who help with the program, with four to six helping each day. There are eight aids, one social worker, one nurse, a cook, five teachers and the director. Children who live in the rural

areas are picked up by bus. A snack and lunch are served to the children.

Attending the school are six Whites, 35 Negroes and 58 Mexican -Americans.

LUBBOCK STREET RIVER --- A thundershower in Slaton Tuesday afternoon left from .25 of an inch to almost an inch of rain in about 20 minutes. Art Club Slates Howard-McClesky Vows Exchanged

SHAMROCK (Special) -- The wedding of Miss Phyllis Diane McClesky of Slaton, and A 1/C Larry Patrick Howard of Goodfellow Air Force Base, San Angelo, was solemnized in an impressive ceremony Saturday evening, June 13, in the san-ctuary of the First Baptist Church of Shamrock.

Parents of the couple are Mr. and Mrs. J. C. McClesky of Slaton, former Shamrock residents, and Mr. and Mrs. George Howard, Shamrock.

Vows were exchanged in a double ring service with the Rev. Robert B. Mathis of Kileen, retired chaplain of the United States Army, cousin of the bridegroom, officiating. The altar was centered with

tall basket of yellow mums and pompons with emerald fern, Flanking the central arrangement were tall candleabra entwined with smilax, holding lighted tapers. The priedieu completed the setting. Pews were marked with yellow satin bows.

Mrs. Cabot Brannon, organist, played a prelude of nuptial music, including, "But the Lord Is Mindful of His Own" by Mendelssohn; "Prayer" by Schubert; "Jesu, Joy of Man's Desiring' by Bach; "I Love Thee" by Greig and "Traumerei" by Schumann.

She accompanied Miss Ellen Howard, sister of the bridegroom, who sang "One Hand, One Heart," by Bernstein, "If With All Your Heart You Truly Seek Me," by Mendelssohn, and

I enjoyed my trip very much. Of course, what I enjoyed most was the visit with my daughter and her husband. They live in Nashville, Tenn. They are Mr. and Mrs. Hugh Forehand. We were in several states. It was all real nice but it's always nice to get home. I was glad to know that

everyone in the home was doing o.k. No one had gone to the hospital while I was gone so was truly thankful for that. It was so good to see everyone here at the home. It seemed I had been away much longer than I was.

I feel I would be very un-grateful if I didn't thank Uvaughn Davis and Helen Dunn for carrying on the craft work while I was gone. These ladies are just wonderful. We are selling our crafts about as fast as we are making them. This is good because we can use the money to buy more crafts.

Rev. Vernon Hagar did a very good job with the write up last week.

Rev. Johnny Moore had Sunday worship service. We appreciate this service. Our residents look forward to the Sunday worship service.

We would like to thank Cinderelle Beauty Shop for the dressing table for our shampoo room, It's nice and we appreciate it very much.

I still believe that we have the best town there is anywhere. Of course it's the people that makes the town.

Dora Scudder and Lydia Butler are still in the hospital. I believe Nora Carnes has gone to the home of her daughter.

Parents of the bride are Mr. and Mrs. Billy L. Reed of Slaton, and Cunningham is the son of Mr. and Mrs. L. D. Cunningham Sr., 5545 - 17th Place, Lubbock.

Given in marriage by her father, the bride wore a formal length gown of white lace and crepe designed with a scalloped neckline and empire silhouette. The fitted bodice and long petal point sleeves were of French re-embroidered lace and the column skirt of white crepe was edged in matching lace. The removable mantle train of lace edged in lace was secured at the shoulders with flat bows. Her crepe cabbage rose headpiece held an elbow length veil of imported silk illusion and she carried a cascade of traditional white mums and white roses with streamers of white satin tied in love knots atop a white Bible. A white lace handkerchief tucked inside flowed underneath the bouquet.

Miss Vicki Jo Wilkins of Slaton was maid of honor, and bridesmaids were Misses Teresa June Cunningham and Deborah Ann Cunningham, both of

Boy, what a difference it makes to get away from the same old grind for a few days!

On a fast four day trip, the Niemans enjoyed a trip to Houston to the Texas Press Convention last weekend. In order to attend all the meetings and fun events, it seemed the intelligent thing to fly instead of fight the wheel on the highway -- and that's what we did.

The convention was held at the Astro Hotel (across the street from the world-famous Astrodome and Astro World) and it took as long to get from the airport in a "so-called" limousine to the hotel as it did to fly from Lubbock to Houston. We wised up on our return and took a taxi to the airport which is 28 miles from the hotel.

We were bused to NASA one day for a tour. As a tourist, I felt things are pretty slow at NASA. It's a tremendous project, but it appears we're paying a lot of people to twiddle their thumbs in between space shots. Approximately 11,000 people are employed at NASA, from cafeteria workers on up. It was unfortunate that our sons had a Babe Ruth game here

Monday night. This game being much more important, we didn't get to stay to see the Astros play Monday night at the Astrodome. We did tour the Astrodome though and that was really a sight to my eyes.

Then we, along with other TPA'ers, we were guests at the Astro Wolrd. It happened to be a cloudy day, which made us enjoy it even more. Similar to Six Flags Over Texas, this is a paradise for youngsters.

Now that we're back home, our thoughts turn to the big July Fourth celebration coming up. I tell you what, I didn't mind one bit buying a shaving permit for Speedy and if you haven't done so for your husband, you should Jim Newhouse, chairman of the affair, says those dollars are really coming in for permits.

C. H. Whalen, 130 So. 7th St., came in The Slatonite this week to renew his subscription. He said he'd been subscribing to this publication since 1911. Thanks for sticking with us, Mr. Whalen!

From what I hear and read, jobs are getting harder and harder to find for teenagers. Two determined young lasses didn't give up though and if they don't watch out, a painter's union may be after them.

Patty Neill and Marilyn Davis made application to chop cotton for Dr. Glen Payne. He said he just didn't need any choppers yet but needed some painters.

The girls can be seen painting the Slaton Clinic this week!

FAMILY POT LUCK

Soup is a luncheon favorite You can add taste and eye appeal to steaming potato soup by stirring in finely diced cheese, allowing 1/2 cup cheese for each bowl of soup. You can brown day-old bread cubes in butter seasoned with garlic salt; toss cubes in grated Parmesan cheese float on soup. You can blend softened cream cheese into hot tomato soup. Cream soup is improved with bits of sharp cheese

and minced parsley. If you fix lunches each day for the children or the working husband, achieve variety by using different kinds of bread for sandwich making.

They are Jane Webb, Melanie Deniece Robertson of the Cooper Community.

Retired Associate Justice Meade Griffin of the Texas Supreme Court administered the oath of office to various elected state officials of Girls State. The ceremony was held Monday in the Rotunda of the State Capitol.

Elected to office was Jane who was elected city treasurer of City Yabba. She served as a member of the Girls State House and the Federal Party. Melanie was elected councilman, Place 4 of "That" City. She was a member of the Girls State Senate and the Federalists Party. Janice was elected city councilman, Place 1, of "What" City. She was a member of the Girls State House and the National Party. Glenna was elected party nominee commissioner, Place 1, of "Off" County. She was a member of the Girls State House and the Nationalist Party.

Pam was elected state commissioner of agriculture. She was a member of the Girls State Senate. Deniece was elected city councilman, Place 4 of City "THF".

The girls are daughters of Mr. and Mrs. A. A. Webb, Rev. and Mrs. Bruce Parks, Mr. and Mrs. Leroy Buxkemper, and Mr. and Mrs. Elza Smith, all of Slaton; Mr. and Mrs. J. E. Mims, Rt.1, Lorenzo; and Mr. and Mrs. J. C. Robertson, Rt. 4, Lubbock.

Some of the speakers' during Girls State were George Bush, member of Congress and Republican nominee for the U.S. Senate, Barbara Jordan, state senator from Harris County, Lloyd Bentsen, Democratic nominee for the U.S. Senate, Miss Anne Hodges, assistant co ordinator of Research, Library of Congress, and Governor Preston Smith.

Girls State was organized as a national Americanism activity in 1937 by the Legion Auxiliary. Non - partisan and non-political, the purpose of the program is to provide citizenship training for girls of high school age, to afford them

sibilities which they assume as adults.

The 1970 Session of Bluebonnet Girls State has grown from an experiemental conference of 94 girls held at Baylor University in 1941, to become the largest single extracurricular educational program for high school girls in Texas. This year, 456 girls are in attendance including two from Mexico, making a total of more than 8,800 girls in Texas who have participated in this top-level program. Former Citizens of Girls State and members of the Auxiliary comprise the 65 members of the staff and counselors who volunteer their services to direct the program.

The Director is Miss Frances Goff of Houston who is Director of Special Projects for the University of Texas M. D. Anderson Hospital and Tumor Institute. The Associate Director is Mrs. T. J. Manning of Houston, Math Teacher at Clear Creek High School. The Associate Director for Education is Miss Virginia Kennedy of Houston who is associated with the Texas School of Public Health.

Climaxing the session will be the election of nine outstanding Citizens and the selection of two girls who will be sent to Girls Nation in Washington, D. C. by the American Legion Auxiliary, where the two young re-presentatives will continue their study in responsibilities of the Republic.

TEACHERS - - -(Continued from Page 1)

ation program law passed in 1969 by the Legislature.

Under the minimum program, a beginning bachelor's degree teacher in 1969-70 was paid \$593 per month for nine mon ths, or \$5,337 for the year. In 1970-71, a beginning bachelor's degree teacher will re-

ceive \$600 per month for 10 months, or \$6,000 for the year. Texas was ranked 38th among states in average teacher pay in 1969-70. The 1970 raises and a long-range improvement plan are expected to move Texas up to a more favorable position among states in the years ahead.

The new law puts into effect in 1971-72 a continuing compensation plan which will give Texas teachers an additional five percent raise each year and cost-of-living raises in 1974 and 1978. It will allowall Texas teachers to reach the top of the pay schedule -- \$11,040 for bachelor's degree, and \$12,040 for master's degree teachers -- within 10 years of service.

The new law has left many people -- teachers as well as school patrons -- with questions about its work and pay aspects.

The State Board of Education has attempted to answer such questions by drafting an official definition of the 180-day school term and service requirements for teachers in 1970-71 and future years. Basically, the state board

says that beginning on September 1, 1970;

-- Texas public schools will have 180 days of actual classroom instruction, (where teachers and students are together in learning situations) instead of the 175 days previously re quired under foundation program law. (Some schools had already been operating programs longer than the minimum.)

-- Most Texas teachers will be paid on a 10-month basis. (Vocational and special education teachers may be paid for 10, 11, or 12 months.) -In addition to the 180 days

instruction, classroom teachers and other personnel previously authorized for less than 10 months under the foundation program shall be re quired to be on duty for an additional 10 days, making a total of 190 days, exclusive of holidays approved by the local board of trustees.

-- School districts may employ teachers for more than the specified 190 days, but if they do their salaries for work beyond the 190 days must be paid wholly from local funds rather than foundation program funds.

the Ginners. Highlights of the action last

week included a grand-slam homer by Isaih Whaley that turned out to be a triple, and a homer by Steve Nieman that helped CSB beat Henzler, 2-1.

The Ginners, who were win-less since early in the season, led all the way before losing, 11-10, to the Cubs in the last inning Tuesday night. The Ginners built up an 8-4 lead when Whaley hit an apparent basesloaded homer in the sixth. He failed to touch home plate in the excitement, however, and was called out at the plate to reduce the blow to a three-run

The Gin then moved to a 10-7 lead in the top of the seventh, only to have the Cubs rally for four runs and the victory in the bottom of the inning. The tying run came home on a walk with the bases loaded, and the winning run scored on an error.

The Cubs had only five hits off Ray Pequeno, but used 10 walks and 10 errors to help tally the runs. The Ginners had nine hits off two Cub hurlers. Whaley's triple was the big blow for the Cubs, while Ron Bartley and Oscar Martinez had two hits each for the Gin-

CSB struck for three runs in the sixth to score a 6-3 win over Montgomery Monday night, Gilbert Escobar yielded eight hits and walked only one in gaining the win. Steve Bourn gave up seven hits in the loss. David Magallanes led CSB with two hits, while Steve Bourn had three and Mike Lewis and Keith Bumpass two each for the losers.

Henzler rolled to a 16-1 triumph over the Ginners Friday as errors cost the losers dearly, again. Clyde Kitten hurled a four - hitter for the

Minor League

Only one round of games remains in Minor League action of Slaton Little League with the Twins and Angels in close battle for the championship.

The two front - runners were scheduled Tuesday, but rain postponed that showdown, and the two had a game postponed earlier in the season.

The Mets won a game and lost another the past week, while the Colts lost two. The Mets face the Angels this evening, while the Colts go against the Twins Friday. The regular season ends next Tuesday.

The Mets rolled to a 16-6 win over the Colts Monday evening as Rackler and Ramirez limited the losers to only two hits. Rackler had two of the five hits posted by the Mets. Tamez and McCormick had the two hits for the Colts. The Twins downed the Mets

by 10-4 last Friday. The Twins had only four hits with Holland and Angel cracking doubles, and Maxwell and Haire adding singles. Rackler had two of the three hits for the Mets.

The Angels rapped the Colts, 18-6, last week as Escobar gave up only three hits. Ramirez, Torres and Smith had two hits each for the winners. Calvin Roberts had two hits and Taylor one for the Colts.

The league standings through Wednesday: Twins 8-3, Angels 7-4, Mets 7-6, Colts 2-11.

But without a paper like yours our fine 4-H clubs would go almost unrecognized. It is amazing how few people are aware that Lubbock County has a 4-H Horse club. Yet we find it is to be a very outstanding part of most every other county in Texas. This has been proven by the turnout, publicity and support of the 4-H Horse clubs everywhere we have been, and it is surely something to take pride in being a part of.

These youngsters do not just go to an arena and ride a horse, He has to abide by very specific and very rigid rules, and he must be qualified in all phazes of horse care, horsemanship, and above all in citizenship. This is a true American team effort sort of organization. And it is as a team that we again offer our gratitude again and

Progress will never come to C Community unless someone takes the first step to start the wheels in motion. With this in mind the Directors of the Chamber of Commerce, BCD voted to pledge a minimum of \$6,000 toward the development of the Slaton Civic Center. The old saying is that in America everyone is entitled to his, or her, own opinion. Sohere goes.

Too many times we (meaning you and I) sit around in the coffee shops, or visiting with our neighbors, talking about the things we would like to have for ourselves and for our community. Our personal desires are our own responsibility, but the community desires and needs are the responsibility of the community as a whole.

Sure, we could do without a Civic Center just like many citizens before us did without paved streets, swimming pools, parks, air-conditioning and many other pleasure and convenient things, that you and I now enjoy and take for granted. These same citizens

had enough concern and desire to go ahead and do these things in the face of their opposition.

The availability of a Civic Center and Show Barn type building in Slaton would definitely be an asset to the community. The prospects of attracting small Conventions, Seminars, Banquets, Stock Shows and many other things could make a difference in Slaton's

economy. The money that would be spent by people attending these functions would be the same as any tourist dollar spent. National statistics show that every dollar spent turns over 7 times before it leaves a community.

Such a Center could increase the need for more Motels, Service Stations, Restaurants and other related businesses which would employ people who will need Housing, Groceries, Gas, Furniture, Clothes and various other items. This is what economy and progress is all

Sol!! What is my opinion? A Civic Center for Slaton shows that Slaton is for progress.

B.H. Bollinger Honored On Father's Day, 80th Birthday

By BERNARDINE GRABBER

Father's Day and an 80th birthday are two good reasons for any man to celebrate, and Henry Bollinger did just that when he was honored with a surprise party and family reunion Sunday at the VFW Hall, All arrangements had been secretly made by Mrs. Bollinger, and Henry was pleasantly surprised when four of his five living daughters, a stepson, their families and a hoard of grandchildren arrived at his ome Sunday morning.

His daughters present were Mrs. Kathleen Carrell of Tatum, N.M.; Mrs. O. E. (Mary Elizabeth) Patterson of Plainview; Mrs. L. P. (Billie Frances) Ulshafer of Culver City Calif.; and Mrs. Bill (Barty Jo) Kennedy of Tatum, N.M. A daughter, Mrs. Sam (Viola Mae Davis of San Antonio was un-able to attend, and another daughter, Pauline, was killed in an automobile accident in Lubbock last February.

His step-son, George Dubose of Lubbock, was present ac-companied by his wife and three children, and also in attendance were Messers. Patterson, Ulshafer and Kennedy.

In addition to the children, 13 grandchildren and six greatgrandchildren attended the af-

Included among those present were Mrs. Dolores Brown and family of Roswell, N.M.; Mr. and Mrs. Bill Bollinger and family of Clovis, N.M.; Mr. and Mrs. Jack Bollinger and family of Tucumcari, N. M.; Mr. and Mrs. David Elder, Doug Dubose, and Mrs. Nancy Richardson and family, all of Lub-bock; Otis Neil Patterson of Plainview; Miss Leslie Holladay of Canyon; Mrs. Hazel Berry of Oklahoma City; Mrs. Louise Steffens and Mr. and Mrs. Sylvester Steffens of Slaton; and numerous friends and neighbors.

Mr. Bollinger was born June 22, 1890 in Paton, Mo., and moved to Anson in 1900. From there, his family moved to

and to Portales, N.M. in 1905 where he started working for the Santa Fe Railroad Aug. 20, 1906, as a section laborer. He transfered to Amarillo in 1907 as a locomotive fireman, and was promoted to engineer in 1913. He then moved to Slaton in March 1915, where he has since lived, retiring in 1959 after 52 years service with the railroad.

Bollinger is a former City Commissioner, holding that office several times; a 32nd degree Mason of a Dallas lodge; a member of the Khiva Temple in Amarillo and the Commodry of Lubbock; and is connected with the Blue Lodge Chapter and Council in Slaton.

Since retiring, Mr. Bollinger spends a lot of his time with his garden, and also raises tame rabbits and earthworms. He and Mrs. Bollinger have resided in their present home at 125 So. 4th St. since 1950.

Rites Scheduled Today For John Childress

Services will be held today at 2 p.m. for John R. Childress, 80, in the Church of Christ with C. L. Newcomb, minister, officiating. Burial will be in Englewood Cemetery under the direction of Englunds.

Childress died about 10:25 a.m. Tuesday in Mercy Hospital where he had been a patient for eight days.

A longtime area resident, he was a native of Pikeville, Tenn. He moved to the Slaton area 50 years ago from Grayson County.

Survivors include his wife, Florence; two sons, Ray of Abernathy and Joe of Tyler; four daughters, Mrs. Irene Gentry and Mrs. Betty Burks, both of Slaton, Mrs. Nadine McNeece of Spur and Mrs. Bonnie Strand of Ogden, Utah; a brother, Ed of Slaton; 22 grandchildren and Mountain View, Okla. in 1904 | 17 great-grandchildren.

SOUTHLAND NEWS

MRS. TOMMY WILKE

M.A. Dunn Dies Unexpectedly

things are buzzing along pretty well in most of this fair community. The crops are beginning to come up again in some places, and in other places they look real good and have really grown this past week with the hot weather that we have had, Hope all is well with you, whoever and wherever you are.

Here's a thought for this day: "Silence is a talent as greatly to be cherished as that other asset, the gift of speech,"

Recent guests in the E. L. Anderson home were Mr. and Mrs. James Anderson and boys from Amarillo, Mr. and Mrs. Mike Riney and children from Slaton, Mr. and Mrs. Victor Eckert from Lubbock and Mrs. Norma Eckert and family from Southland,

NEWLY WEDS

Congratulations to Mr. and Mrs. Dan Bryson on their recent marriage. Mrs. Bryson is the former Kathy Hill of Littlefield and Dan is the son of Mr. and Mrs. T. W. Bryson, who now live in Littlefield, but are former residents of the Hackberry community. T. W. was the manager at the Hackberry gin for several years. May God bless this young married

Last week's guests in the home of Mr. and Mrs. G. D. Ellis were H. H. Vernon and daughter, Sue, from Albuquer-que, N.M., Mr. and Mrs. B.B. Vernon from Lubbock, Mr. and Mrs. Jerry Mudgett from. Slaton, Mr. and Mrs. Virgil Young from Bonham and Mr. and Mrs. Howard Monk and children from Beatty, Nev. Both of the Mr. Vernons are brothers of Mrs. Ellis.

AUNT DIES

Our sincere sympathies to the H.C., Dillard, and M. A. Dunn families on the loss of their aunt, Mrs. Emma Davis, last Sunday, June 21. Mrs. Davis had been in the Gray's Rest Home in Odessa for quite some time and had been in ill health, She was almost 90 years old May God comfort these families in their time of need,

Edmund and Yours Truly spent Father's Day visiting my parents, Mr. and Mrs. A. B. Dozier, at Lake Stamford. Mrs. Emma Becker from

Santa Ana, Calif., is here visiting with relatives and friends. She arrived in Slaton on Thursday afternoon, June 18.

DIES UNEXPECTEDLY I was just notified (Monday)

What's right about America?

hook becoming a best seller is for the author to highlight and denounce hitterly the faults of this country. The same can be said of television and the mov-

said of television and the mov-ies, which prefer in these mod-ern days to depict the seamier side of life in America.

But there's hope. As I have moved across this state, I have sensed that our people are growing weary of gloom. It's becoming easier to strike up a conversation on what's right conversation on what's right

I always suggest that there are a lot more level heads in this country than we are some-times led to believe. There are a lot more decent, law-abiding citizens than there are criminals and cheats and sharks. There are a lot more young people in the "now" generation who want to improve America than the handful of radicals who want to burn it to ashes and start all over.

and start all over.

I can understand why the "majority" has broken its "silence." There's a growing impatience with agitation and controversy. But I feel we hould continue to approach our nation's problems with a cool head and an open mind. I've listened to the voices of dissent. I think I know what they're asking of their govern-

One thing they want is con-fidence. They want the assur-ance that their public officials have the courage to meet the issues of the 1970s with imagination and integrity, and not with some form of "old poli-tics" that thrashes around with problems but never quite lo-cates the workable solutions.

It was my desire to answer this urgent need that prompted me in January to seek the office of United States Senator.

Paid for by Bentsen for Senator Com, John Mobley, Chrm.

Another week has gone by and that M. A. Dunn has passed aings are buzzing along pretty away at West Texas Hospital in Lubbock, He was just admitted to the hospital this morning and wasn't doing too well, but his death was very un expected! Our deepest sym pathles to his wife, Alene, and daughter, Patsy, and to his brothers and their families in

this community, H. C. and Dillard, to his brother and family in Slaton, and to his sister and family in Houston, May God be with and comfort this family in their sorrow.

HAS 50th ANNIVERSARY The Rev. Jim H. Sharp, who served the Southland Methodist

Church as pastor for a year | Perryton, First Methodist and has now moved to New Deal, was honored after church recently on his 50th anniversary as a pastor - member of the Mississippi and Northwest Texas Conferences. Rev. Sharp was presented a Bible-shaped cake inscribed with a verse from Romans I and was presented him by his New Deal congregation. He began his preaching career in the Mississippi Conference in 1920 and in 1925 he transferred to the Northwest Texas Conference, Since then he has been pastor of King Memorial Methodist Church in Childress, San Jac-

illo, First Methodist Church in

Church in Dumas, Fairmont Methodist Church in Abilene, Wesley Methodist Church in Big Spring, Southland and now, New Deal. Congratulations to Rev. Sharp on this wonderful occasion.

Visitors in the Jim Mason home Thursday evening were Mr. and Mrs. Charles Austin and son of Orange. The Austins are visiting his father, Charley Austin, in Slaton and her parents, Mr. and Mrs. Pat Patterson of Ralls. Sunday evening, the Masons and Austins went to White River and attended church services at the Church of Christ, which was

established at the recently

Mr. and Mrs. Allen Miles are planning to arrive here on Thursday from San Juan, Puerto Rico, where Mrs. Miles has spent the last few weeks. Allen will have a 30-day leave before reporting for duty in Alabama. BIRTHDAY PARTY

Edmund and Yours Truly entertained a group of friends in our home on Saturday night with a chicken bar-b-q. The occasion was Edmund's birthday. Those attending were Mr. and Mrs. James Riney, Wallace Becker, Alvin Becker, Leroy Zieschang and Glen Brosh, Sherri and Darrell Wilke.
