PRIZE WINNERS NAMED

Holiday Event Popular Here

Slaton's July 4th Celebration was termed a "big success" by general chairman Jim Newhouse Saturday, with an estimated 2,000 residents turning out for the citywide holiday observance.

The celebration featured games, a ping-pong tournament, entertainment, and a big fireworks display. Newhouse said the concessions and games grossed about \$1,200. The event is a non-profit project with proceeds going toward payment of fireworks, prizes and trophies.

The celebration committee was composed of members of various civic and service organizations in Slaton.

New Building Permits Slow

New construction in Slaton is off to a slow start for 1970, with only \$28,500 in building permits issued for the first half of the year.

The low building total, however, is not surprising in view of the trend across the country. High interest rates and rising costs of labor and materials have been factors in the slow-down.

Last year's total of \$252,840 was the fourth lowest total on building permits here in the past 20 years. Lowest total in that period was the \$143,042 posted in 1956. The city's construction was up in 1968 to \$442,310 after a somewhat low total of \$216,236 in 1967.

Unless some major building projects develop in the last half of the year, the city could be headed toward its slowest activity in the past 20 years.

According to records at the city secretary's office, no permits were issued in January, May or June. Accounting for most of the \$28,500 reported this year was a permit for \$22,000 which was listed in February for an addition at Grace Lutheran Church.

Winners in the kids' games were Keith Bumpass, Margie Gonzales and Raymond Smith. Each of the winners in the three age divisions received \$25 Savings Bonds.

Winners in the beard-growing contest were Sammy Parks, best overall beard; Corky Tumlinson, most unique; and Buford McCain, "bushiest." These winners received prizes of \$25, \$15 and \$10.

July 4th "marshals" apprehended several men who did not grow beards, or had no shaving permit, and put them on the dunking board at the celebration site in the park. Popular "targets" on the dunking board included Police Chief Walter Head, Coy Biggs, Don Mitchell, City Judge Arvin Stafford, and Father Emilio Abeyta.

Winners in the ping-pong tourney included Paul Sumrall, junior singles; Kenneth Housden, senior singles; Clifford Summar and Rhonda Biggs, couples; and Summar and Housden, doubles. Trophies were presented to the winners by tourney chairman Johnnie Moore.

Wilson Board Hires Coach, Science Teacher

The Wilson School Board met in regular session last Tuesday and items of business included employing a new coach, a science teacher, and accepting the resignation of a high school English teacher. In other action the board approved the installation of an air conditioner in the Homemaking Department and the purchase of a new bus.

Ben Blair who coached at San Hon, New Mexico last year was approved as boys' basketball coach and Jr. High football coach.

FARM PROGRAM PAYMENTS MADE EARLIER IN COUNTY

Farmers who have contributed to stabilizing markets for food and fiber and to the conservation of soil and water resources by taking part in the 1970 wheat, feed grain, and cotton programs are receiving their program payments earlier this year than ever before, according to Gale Ballard, Chairman of the Lubbock County Agricultural Stabilization and Conservation (ASC) Committee.

Managers, Dads To Play Benefit Game Saturday

Baseball stars of yesterday will have a chance to shine again when managers and dads of Little League go against their counterparts in Babe Ruth League here Saturday night.

The benefit game is scheduled at Babe Ruth Park, starting at 8 p.m. Admission will be \$1 for adults, 50 cents for students and 25 cents for preschoolers. Proceeds go to the two youth baseball programs.

Managers, coaches, dads, umpires and league officials will be invited, and demanded, to participate in the big contest. Babe Ruth will feature such stars as Kenny Kitten, Larry Smith, Ronney Jones, Dubbin England, Chuck Underwood, J. W. Holt, Pat Green, Earl Bartley, Ron Woolver, Curly Lewis, Don Mitchell, Don Kendrick and Speedy Nieman.

Little League will have "old pro" Milt Ardrey, Coach M. W. Kerr, Coach R. G. Copeland, Skip Tumlinson, Jay Gray, Frank Love, Jim Sadler, Bob Kern, Leroy Poer, J. Martin Basinger, Don Basinger, Clark Self Jr., Paul Melton, and others.

WATER USAGE CLIMBS, TOO

106 Recorded Here

Four straight days of 100-degree-plus temperatures kept Slaton residents plenty warm the past week, with the mercury reported peaking at 106 degrees on Monday and Tuesday.

The record-high temperatures may continue at least until Friday, according to the weather forecasters. The hot, dry weather was helping make crop prospects in the area look good after a general rain a week ago.

Minimum temperatures were in the low 70's this week, with a high minimum of 76 degrees Wednesday morning. Low minimums were 68 degrees recorded last Thursday and Friday, according to records at the Pioneer Natural Gas Co. office here.

The hot weather was reflected in the water usage by Slaton residents. A check with Slaton Water Department showed 72.5 million gallons of water pumped through city taps for April, May and June--compared to 66.6 million gallons for the same period last year. The big increase this year was for the month of May.

The June water usage totalled 27.4 million gallons, with a single-day high of 1.4 million on June 26 and a low of 537,000 gallons on June 2. The city recorded 25.6 million gallons used during the month of May, with a high of 1.2 million on May 20.

Dog Bounty Fee Brings Results

If the first two day's response is any indication, the "bounty fee" adopted by the City of Slaton may help solve the stray-dog problem.

Slaton Police Department reported 12 stray dogs were brought to the station Monday and Tuesday afternoons.

The action came after Slaton City Commission last week authorized the payment of a \$2 bounty fee to any resident who delivers a stray dog to the police station between 5 and 7 p.m. Monday through Saturday.

Dogs must be caught within the city limits of Slaton and must be alive and unharmed. All dogs running at large and not in possession of 1970 city dog tags are considered as "strays."

Dogs are impounded for a period of three days. These dogs can be claimed by the owner upon proof of ownership and payment of \$1 pound fee and \$1 per day expenses.

In other activity at the Police department, reports showed a relatively "quiet" week for patrolmen. One minor accident Tuesday resulted in only \$35 damage. An accident last Thursday resulted in injury to E. L. Anderson of Southland. The collision occurred at US-84 and FM-400 south. The cars were driven by Mrs. Ibra Anderson and Freddie Pivonka.

WHEN YOU SEE A STRANGER, REMEMBER THE KEY TO THIS CITY IS YOU.

New Telephone Books Feature Cotton Scene

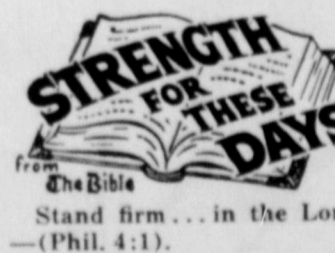

A localized artwork cover showing a cotton field scene will feature the new Slaton-Southland telephone directory to be delivered next week.

The cotton field art was done by a telephone company artist. "Southwestern Bell is pleased to emphasize this important aspect of the Slaton area's economy," said Jerry Sachse, manager for the telephone company.

Sachse said that about 3080 copies of the directory will be mailed to customers starting July 9.

The new directory includes 14 pages of alphabetical listings for Slaton and two pages for Southland.

The number of Slaton pages increased one over the current directory.

Deposits Near \$15 Million Mark

Deposits at Slaton two financial institutions at the close of business June 30, 1970 totalled almost \$15 million, it was reported this week.

Citizens State Bank reported deposits of \$8,005,687, compared to \$7,681,933 on June 30, 1969. This represented an increase of some \$323,753 over last year. Current loans totalled \$6,147,765 compared to \$6,043,917 in 1969, an increase of some \$103,847.

Savings deposits at Slaton Savings & Loan totalled \$6,482,266 at the close of business on June 30. The total was about the same on June 30 last year--\$6,511,000. Loans were reported at \$6,344,352--an increase of some \$217,806 over the same time last year.

Deposits for the two amounted to \$14,487,955 at the close of June.

Plenty Religious, Not Committed, Says Robb

"God, give us men!" was the title of a talk by youth evangelist Eddie Robb when he spoke at the Slaton Lions Club during a regular luncheon meeting Sunday at the Community Club.

Why is it, asked Robb, "when America is more wealthy, more powerful, more educated and more religious than every other nation that she can be in more trouble than ever before?"

Although records show we are more religious, the question Robb asked is "are we a committed people?" he emphasized Robb. "Religion does not mean a guarantee faith. It is especially relevant faith," added the young evangelist.

He pointed out that church membership is three times greater per capita than it was at the time of the Civil War; vast numbers attend church each week; church budgets have grown tremendously, and great ecclesiastical buildings have been constructed.

"We are plenty religious enough, but are we committed enough?" said Robb. Pointing out that "the test of the vitality of a religion is to be seen in its effect upon culture," Robb listed many problems that seem to show our religion has very little effect.

Robb closed by saying that "God is looking for men today... men who are too weak to be committed."

Glen Akin was program chairman for the club's weekly meeting. He introduced the Rev. Bruce Parks, who introduced those on the program. Accompanying Robb were several youth who are participating in the "Youth Encounter with Christ" being held this week on the lot across from First United Methodist Church. Two groups presented special music.

Robb, 20, is a sophomore at Asbury College in Kentucky. He is the son of evangelist Ed Robb, who led a citywide crusade in Slaton last February. He expects to participate in at least 10 youth crusades this summer.

Managers, coaches, dads, umpires and league officials will be invited, and demanded, to participate in the big contest. Babe Ruth will feature such stars as Kenny Kitten, Larry Smith, Ronney Jones, Dubbin England, Chuck Underwood, J. W. Holt, Pat Green, Earl Bartley, Ron Woolver, Curly Lewis, Don Mitchell, Don Kendrick and Speedy Nieman.

Little League will have "old pro" Milt Ardrey, Coach M. W. Kerr, Coach R. G. Copeland, Skip Tumlinson, Jay Gray, Frank Love, Jim Sadler, Bob Kern, Leroy Poer, J. Martin Basinger, Don Basinger, Clark Self Jr., Paul Melton, and others.

Nursing Home News

BY BOBBIE GREER

Helen Dunn came to help with our crafts Monday. We are really enjoying our crafts. Last week we bought a lamp for the piano with some of the money from the crafts we had sold. We also got a book of poems called "Heart Gifts" by Helen Steiner Rice. We bought this at Pauline's Flowers and she gave us a book called "Flowers for You" by Leroy Brownlow. Our residents, as well as myself, loved poems and good thought ideas to meditate upon. We would like to thank Pauline for all she does for us.

We played dominoes Tuesday, Wednesday and Thursday. Friday, Uvaughn Davis came out to help us with crafts. We are still making pillows and waste-baskets. We have four painted and antiqued ready to put flowers on today. We would like to thank Leroy Holt for the ice-cream baskets we use for the waste-paper cans.

Sunday we had a very nice afternoon service with Rev. J. L. Cartrite bringing the wonderful lesson, Murry Vise played the piano and Tony Privett led the singing. There were 8 guests. I guess of all the different things we have at our home, the Sunday afternoon service is the most appreciated by the residents. Each and everyone that has a part in this is doing a very good deed.

Nora Carnes had surgery at Mercy Hospital and is doing alright. Nora is a lovely person and we at the Home hope she will soon be well again.

Virgil Jones was expected to return home this week from Methodist Hospital where he underwent surgery last Friday. He is reportedly improving satisfactorily.

Patricia Rowan Goes To New York Meet

Patricia Rowan, a junior student in Roosevelt High School will be among the 1500 delegates attending the 1970 national meeting of Future Homemakers of America, July 13-16 in New York City.

Patricia is the daughter of Mr. and Mrs. Earl Rowan of Rt. 2, Slaton. She will join the Texas Association at the meeting.

Kick-off for the observance of FHA's 25th anniversary year, the meeting will focus on the objective To Promote Communication for the Enrichment of Human Relationships which FHA members have chosen as A Dare of the Decade.

Delegates will hear from outstanding speakers, hold "delegate retreats", and participate in workshops on careers in home economics conducted by professional home economists from the various types of home economics career fields. There'll be time for sight-seeing, visits to some of the "wonders" of New York City, and an evening of entertainment at New York's famous Radio City Music Hall.

Patricia is the fifth vice-president of Area 1. She is the secretary of the Roosevelt Katabeth Chapter of FHA, historian of Future Teachers of America, and a member of the National Honor Society. She will serve as an usher at the New York General Session, Tuesday morning.

Brownings Find Three-Week European Tour 'Fascinating'

Mrs. Vasker Browning and daughter, Mary Frances, returned home Sunday from a three-week tour of Europe which covered seven countries and two municipalities.

Their tour took them to Holland, Germany, Switzerland, Austria, Italy, France and England; and the municipalities of Monaco and Liechtenstein.

In Holland, two of the various places of interest which they visited were Royal Palace and Rembrandt's home. The next night of the tour was spent in Cologne, across the German border, which has been noted for more than 200 years for a toilet water called "Eau de Cologne". Mary Frances also enjoyed visiting the birthplace and museum of Beethoven at Bonn.

Historical places take on new meaning when one is actually in the Black Forest or Rhine Castle as the Brownings will readily testify. Castles and more castles seem the order of the day in Germany as one can see some 40 castles in a 35-mile stretch, although some are in ruins.

The group spent several days in Italy following the German tour, beginning in Florence which is truly "a living city of the Renaissance". They visited St. Peter's Basilica, the Fountain of Bernini; the famous "La Pietà" admitted by many to be Michelangelo's most beautiful work, and the statue that Mrs. Kennedy brought to the U.S. in 1962.

Also visited were the Vatican Library and the Sistine Chapel which features Michelangelo's famous painting on the ceiling, the Colosseum, Roman Forum, monument to Victor Emmanuel II, the Capitol and Piazza Novona. Then they went through the Catacombs and after a night's rest returned to St. Peters and saw Pope Paul VI. They (the Brownings) reported he was carried into the Basilica by six of his personal guards and "it was most electrifying to be in the presence of His Eminence".

"We were very close", Mrs. Browning stated, "and had a most excellent view of the complete ceremony."

Before returning home via "fast jet" (some 6 1/2 hours), the group spent some time in Paris where they saw the Eiffel Tower; the Arc de Triomphe De Le' Etolie; Champs Elysees; Notre Dame Cathedral; and Napoleon's tomb. From Paris they went to Calais and then on to Dover and finally London from where they embarked for home. While in London, they visited the historical Trafalgar Square, British Museum; Tower of London, St. Paul's Cathedral, Big Ben, and many other places such as Hyde Park, Westminster Abbey, Piccadilly Circus, Downing Street and Regent Street to name a few.

Commenting on the tour, Mrs. Browning said it was a "fascinating three weeks that will long be remembered."

CD Of A Hear Program On Vatican II

Mrs. A. A. Wimmer, Grand Regent, presided at the regular session last Monday of the Catholic Daughters when they met at 8 p.m. in St. Joseph's Hall.

A program was presented by the Rev. Brendan McCormick of Christ the King Catholic Church, Lubbock, on "Vatican II Dogma".

Refreshments of punch and cookies were served to 36 members. The door prize was won by Mrs. J. L. Piwonka.

Riding Club Meets for Picnic, Ride

Members of the Saddle Pals Riding Club met Sunday afternoon for a picnic at the C. E. Basinger Ranch, southeast of Southland.

All members arrived at the selected location pulling horses in trailers and trucks. After a lunch near Indian Falls, a trail ride on the ranch was enjoyed. This was the first trail ride of the season for the newly organized club.

NOTICE

Parents of all children enrolled in the Head Start program are requested to attend a meeting at West Ward School this morning (Thursday) from 9-9 a.m. It was announced this week. Several issues which concern the parents and children will be discussed.

Baptist Pastor Guest at Rotary

The Rev. J. L. Cartrite, pastor of First Baptist Church of Slaton, was guest speaker for the regular weekly luncheon meeting of Slaton Rotary Club last Thursday in the Clubhouse. "Freedoms of America" was the title of Rev. Cartrite's talk.

Using the words faith, religion, equality, education, democracy, opportunity and morality, he "spelled" out the word "freedom."

The minister made brief remarks about the meanings of each word, using a scripture from the Bible with each one. Cartrite was introduced by O. G. Nieman, program chairman for the week. Several guests and visiting Rotarians were introduced at the meeting. Nieman presided in the absence of president Dee Bowman.

ITEM: The correct way to hold a paint brush is to grasp the brush comfortably, near the base of the handle. Hold it rather loosely. Do not bear down hard on a brush, but exert only enough pressure to make the bristles flex slightly toward the tip.

ITEM: The three-speed blender will do the same jobs that the deluxe multi-speed blender will do. The secret to the blender's effectiveness is the skill in using it rather than its multiplicity of speeds.

Slaton Fence Co. Opens In Slaton

Slaton's newest business, Slaton Fence Co., is now in operation. Owner and operator of the business is Jack Ham who moved here from Eagle Pass.

Slaton Fence Co. is located at 130 W. Lynn (just east of Bill Adams Olds-Pontiac) and

manufactures chain link fence. Ham says some of the wire he is using is salvaged telephone line and it makes a hard and strong fence that stretches tight. A company in Graham builds the machine that makes the fence and Ham operates the machine.

Coming to Slaton with Ham is his family. He and his wife, Zoe, have three children. They are Brenda, 16, Joel, 15, and Clay, 6. Mrs. Ham is a sister to Mrs. J. Martin Basinger of Slaton.

Bake Sale Set For July 15

Mrs. Ann Moyers, 19th District President, will install officers for the American Legion Auxiliary Thursday at 7:30 p.m. in Slaton's Club House.

Next Wednesday, July 15, the auxiliary will sponsor a bake sale to raise funds to send delegates to department convention.

ITEM: Salt accumulation inside the root balls of African violets can be fatal. Best way to avoid such salt buildup is to keep African violets in porous red clay pots, which leach out excess salts through pot walls with each watering.

SOUTHLAND NEWS

Dayneen Says 'Hello'

What say we start out with a bit of wisdom today? "Life is easier than you think. All you have to do is accept the impossible, do without the indispensable, and bear the intolerable."

SYMPATHY
We extend our deepest sympathies to Mr. and Mrs. Jack Pearson whose father, J. P. Pearson of Albuquerque, N.M., died on Monday, June 29. Services were held on Wednesday in Fitzgerald Chapel in Albuquerque and graveside services were held at Slaton on Thursday with burial in Englewood Cemetery. Mrs. Jack Pearson is the former Elsie Albright, daughter of Mr. and Mrs. Alva Albright of Southland. May God comfort this family in their sorrow.

Mrs. H. C. Dunn spent a few days here and in Muleshoe last week. Her mother, Mrs. J. E. Day who suffered a stroke recently is getting along fairly good, so she has now returned to Houston and says to tell everyone hello again. Her address is: 1953 1/2 Dryden St., Houston 77025, Jackie Dunn has reported to a base in Florida.

Mrs. Emma Becker of Santa Ana, Calif., was a Sunday dinner guest in our home.

Mr. and Mrs. Willie Becker was a Sunday supper guest in the W. A. Basinger home.

Mrs. Wallace Becker, Rev. and Mrs. Ardene Wuetrich and children, Belva Becker, Mrs. Tillie Krause, Mr. and Mrs. Ben Wilke and Mrs. Emma Becker were supper guests in the home of Mr. and Mrs. Willie Becker on Wednesday night, July 2.

4TH CASUALTY
David Becker, son of Mr. and Mrs. Junior Becker, got his eye burned by a sparkler on the night of July 4th. The doctor doesn't think that it will affect his eyesight, but it will be sore for awhile.

Mr. and Mrs. T. J. Elam spent several days here last week with her mother, Mrs. Mary McKee. They had planned to stay longer, but their son-in-law suffered a heart attack, so they returned to their home in California to be with him and their daughter.

BIRTHDAY CELEBRATED
Cynthia Wheeler, daughter of Mr. and Mrs. Valton Wheeler, was honored on Monday, June 29th with a birthday party on her 7th birthday. Those helping her celebrate were: Camille Wheeler, Debra Crawford, Jill Basinger, Julie Smallwood, Kristi Albright, Tory Taylor, Lance Dunn, Andy Wheeler, and her grandmother, Mrs. H. V. Wheeler. Games were played and the traditional birthday cake and ice cream was served.

Billy Gregg and Darrell Hill from Corpus Christi were weekend guests in the home of

Mr. and Mrs. Stonewall Jefferson.

SHOWER SET
Miss Patsy Dunn, bride-elect of Gary Lyles, will be the honoree at a bridal shower in the home of Mrs. Valton Wheeler on Saturday afternoon, July 11.

Coach and Mrs. Harvey Pennell and son, Heath, of Plainview, spent the 4th here with his parents, Mr. and Mrs. D.D. Pennell. On Sunday, Coach and Mrs. Smith of Plainview and the Harvey Pennells went to Lake Buchanan for a few days and Heath remained here with his grandparents.

Edmund, Sherril and I were 4th of July guests in the home of Mr. and Mrs. Leroy Zieschang in Slaton.

Mrs. Nellie Mathis from Salem, Ore., came into the Post Office one day last week and I was so glad to see her. She and Mr. and Mrs. Dee Hodge were visiting with the Delroy Odum family in Post. She will be here, Post and Levelland until sometime in August. She says that she just loves it up in Oregon and has felt much better since she moved up there.

CALLAWAYS MOVE
Mr. and Mrs. F. W. Callaway have moved into the Methodist Parsonage -- and if you haven't moved in a lot of years, then you will probably know what the Callaways have been going through with "stuff" they accumulate day after day, until they get ready to move it, and then WOW! I am not looking forward to the day that I have to move! Think when that time comes, I will go away -- to a fishing lake, and let Edmund do the packing and moving! Reckon I would get away with that??

Mrs. G. D. Ellis's daughter-in-law in Ft. Worth will have surgery this week. We certainly hope and that God grant recovery.

Future Farmers Go To San Antonio

During the week of July 15-17, six boys from the Cooper Future Farmers of America Chapter will be in San Antonio attending the annual convention of the Texas Association of the FFA.

The Cooper boys will receive the degree of Lone Star Farmer, the highest award given by a state association to young men who have shown outstanding performance in vocational agriculture in high school. The award, given to only two percent of the total enrollment in vocational agriculture in Texas, is based on scholastic achievement, supervised farm programs, and leadership within

their chapter, school and community.

Cooper boys to receive these degrees are Doug Hlavaty, son of Mr. and Mrs. D. J. Hlavaty; Anthony Joplin, son of Mr. and Mrs. Bobby Joplin; Carl Kahlich, son of Mr. and Mrs. F.S. Kahlich; Claude Kitten, son of Mr. and Mrs. Wilfred Kitten; Larry Thompson, son of Mr. and Mrs. Melba Thompson; and Gary Schaffner, son of Mr. and Mrs. Carlton Schaffner.

Wayne Kahlich, son of Mr. and Mrs. L. J. Kahlich, who received his Lone Star Farmer degree last year at Fort Worth, will receive his American Farmer Degree in October at the National FFA convention to be held in Kansas City. This degree, one step higher than the Lone Star Farmer degree, is the highest degree awarded to any young man who has been in vocational agriculture and FFA.

CLAUDE KITTEN

Approximately 5,000 Texas Future Farmers of America are expected to attend the 42nd Annual State FFA Convention in San Antonio, Texas, July 15-17.

Attending from the Slaton Chapter will be Mark Schwertner and Bradley Kitten, who will receive their Lone Star Farmer Degrees. They are sons of Mr. and Mrs. Clarence Kitten and Mr. and Mrs. Hubert Schwertner.

The group will be accompanied by Paul Johnson and Don Mitchell, Vocational Agriculture instructor and FFA advisor.

Murry Edwards, State FFA President from Clyde, will preside over the three-day convention. The convention program will start with a vesper service at 7:00 P.M. on Tuesday, July 14 at Travis Park Methodist Church.

Harry Birdwell, National FFA President, Fletcher, Oklahoma, will address the convention on Wednesday. Bill McRenolds, San Antonio, will be in charge of the "Fun Night" activities on Wednesday. Dennis Pharris, National FFA Student Secretary, Hillsboro, will be the speaker for the third general session on Thursday. Nine hundred and thirty-one Texas Future Farmers will be awarded the State Farmer Degree on Thursday, July 16, 7:00 P.M. The State Farmer Degree is the highest degree the Texas Association may award its members.

Numerous scholarships and awards will also be presented to outstanding Future Farmers. The Convention will adjourn on Friday following the election of the new State FFA president and the crowning of the new State FFA sweetheart.

Jobs For Farm Arc Equipment

The farm arc welder can be a very useful piece of equipment on the farm. Many emergency repairs can be done as well as items such as gates, cattle guards, trailers, etc., can be constructed, according to Don Mitchell, Vocational Agriculture teacher at Slaton High School.

Cutting metals such as cast, malleable, and stainless steel, can be done with the farm arc welder. In most cases it is more practical than using oxy-acetylene.

A special electrode for gouging, cutting, and piercing metal is available from some dealers.

When using the E6011 electrode for cutting, dipping it in water will give it longer life. The higher amperage machines (225 Amps or higher) give better results when cutting.

The carbon arc torch is often referred to as cutting equipment, but it is not practical. It is very useful for light brazing, soldering, welding of aluminum irrigation pipe, heating metal for bending, and heating of large nuts for ease of removal from 1/2" to 1" bolts.

So there's still a long way to go after the July 4 recess before the House Ag Committee can report a bill, and it would be a foolhardy prophet that now attempted to set a timetable for the process.

All parties interested in the development and passage of workable farm legislation during the current session of Congress can write off the month of June as a total loss. And the gravity of the loss becomes more and more apparent as the time approaches, probably in September or early October, when Congress will adjourn to begin political campaigns.

Only unofficial action, and most of that without consequence, has been taken since the legislative process fell apart in the House Agriculture Committee on June 2. On that date the Committee voted 17 to 14 for a feed grains program which tied grower income to parity and to which the Administration is "unalterably" opposed.

Chairman Poage and others, including Administration spokesmen, now think they have the votes to report out the "compromise" wheat, feed grains and cotton programs developed prior to June 1. But their thinking is predicated on the assumption that the payment limitation will be satisfactorily resolved, and that appears not to be the case.

The latest reports are that Mr. Poage has discussed the matter with Administration officials and offered to come from committee with an amendment setting the maximum at a flat \$55,000 if he could be assured the Administration would stand behind the Committee. There is no official indication as to the Secretary's reaction to the Chairman's offer, but some Committee members have indicated they would not vote for the compromise bill in Committee until and unless the Secretary of Agriculture agrees to stick with his original graduated scale of payments that runs from \$20,000 to a maximum of \$110,000.

So there's still a long way to go after the July 4 recess before the House Ag Committee can report a bill, and it would be a foolhardy prophet that now attempted to set a timetable for the process.

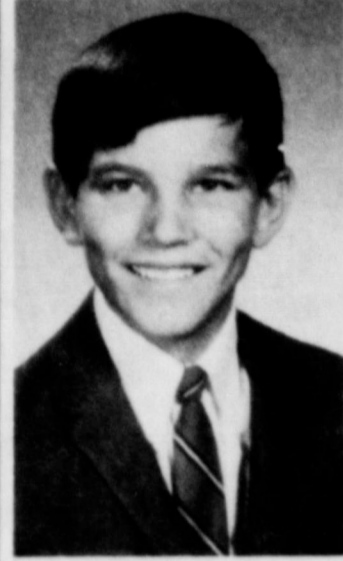

According to Donald Plains Cotton Growers, Lubbock, California's fomented labor strike years may well be binger of things to all U.S. agriculture. Johnson points to Chavez' California United Farm Workers Executive Committee as the force behind increasing agriculture labor and are any number of indications that UFWOC may be just a corner.

He mentions the developments which be turning the tide in UFWOC:

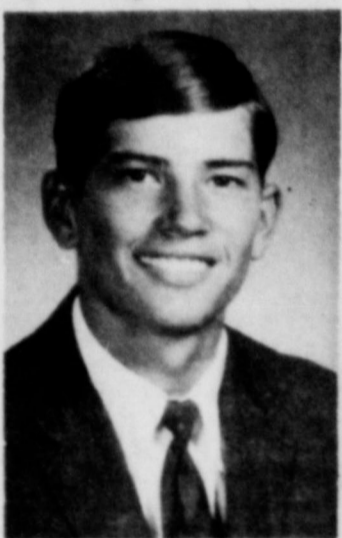

- (1) While only about 10 percent of California's labor force is under increasing union farm workers going to cross a UFWOC line.
- (2) As a result of publicized "grape" UFWOC has signed with some 19 grape negotiations are in progress with several other firms.
- (3) UFWOC recently announced a worldwide strike against Tenneco, a major dollar conditioner, chemicals, natural gas, and other manufacturing and other industries, with a land of farms around 125,000 diversified crops.
- (4) Picket lines were last month around fields in the Imperial Valley of California and the Abatti, has agreed to get enough non-union to harvest his crop.
- (5) The UFWOC has gained its first victory but within the past few months a total of 22 growers recognized the union and one have signed contracts. "UFWOC's success goes on and on," Johnson said, "and the organizational structure is getting stronger every day. The threat of union farm workers cannot be lightly."

An extra ton of pork

from every 50 litters—with OM-5?

That's how the OM-5 program performed against non-medicated controls in 12 experiments with 785 hogs.

Grab a pencil and double-check our figuring. Look at the chart. OM-5 pigs finished out an average 4.7 lbs. heavier over non-medicated controls.	
No. of Experiments with OM-5 at 5 gm. ton	12
Total No. of Pigs (including controls)	785
Average Initial Weight (lbs.)	57.2
Average Final Weight (lbs.)	
Non-Medicated Controls	199.4
Oleandomycin	204.1
AVERAGE DAILY GAINS (lbs.)	
Non-Medicated Controls	1.54
Oleandomycin	1.60
Growth Index	103.9
AVERAGE FEED EFFICIENCY (lbs. Feed to Gain)	
Non-Medicated Controls	3.65
Oleandomycin	3.52
Feed Efficiency Index	103.6

For the average 9-pig litter, this figures out to 42.3 extra lbs. Now, multiply 50 times 42.3 and you come up with 2,115 lbs.—a projection of more than an extra ton of pork from the equivalent of 50 litters! And don't overlook the fact that OM-5 also improved feed conversions by 3.6% in the tests. Think of what all this could mean in terms of increased profits in your operation.

How does OM-5 work, compared to other additives?

You're probably using some kind of growth promoter in your grower-finisher ration now. So the big question you face is: "Will I get better gains and feed efficiency by switching to the OM-5 Program... or should I stick with what I'm using?"

Well, universities, commercial feed companies, and field operators have made a number of studies comparing OM-5 with other growth-promoting additives.

Summary data from these studies show that OM-5 hogs gained 2.7% faster than hogs receiving some other commonly used additives. Feed efficiency was 2.8% better. (Improvement over non-medicated controls was 6.9% on

gains, 7.9% on feed efficiency.)

These trials involved seven different and widely used additives. . . it could be you're using one of them now.

So the answer to whether to switch to the OM-5 program shouldn't be difficult. After all, you're raising hogs for all the profit you can get from them - not just for the fun of it!

OM-5 proved on today's kind of hogs

Oleandomycin, or OM-5 for short, is the only additive cleared for growth promotion in the last six years.

And the trials covered above were made with the lean-and-meaty hogs you raise today. Wouldn't it be a good idea to see you feed supplier for a grower - finisher ration made with Oleandomycin?

Top Flite Feeds for the new generation of hogs

Top Flite Pig Pre-Starter and Top Flite Pig Starter contain Neo-Terramycin to give you today's best chance to avoid costly pig scours and unsatisfactory performance in your swine. Recent tests proved Neo-Terramycin reduced scours by 83% over non-medicated controls. At the same time, average daily gain was improved 15.9% and feed efficiency was 5.58% better.

Neo-Terramycin is superior because it is triple-acting. It is uniquely effective against

the three major causes of scours. It is effective against pathogenic strains of E. coli-salmonella and vibrio.

Start your next bunch of pigs right. Give them pre-starter and starter rations with new triple-action Neo-Terramycin.

Follow Top Flite's pig feeding program with OM-5 in Top Flite Pork Grower and Top Flite Pork 40—the ideal growth promoter for the new generation of hogs.

the sixth. The winners had five hits. Slaton managed only three hits. A single by rightfielder Robert Englund was the only other base hit for the Slaton team. Roberson was the winning pitcher, giving up one walk and striking out nine. Speer walked five and whiffed eight. Slaton jumped to a 2-0 lead against Plainview in the first frame Friday, but the visitors tallied five times in the second inning and went on to win by 9-5. Plainview had 12 hits off Heinrich and Speer.

Slaton had seven hits off winner David McAlister, with Englund collecting two singles and Alan Fondy rapping a two-bagger. Other hits were registered by Schuette, Terry Mosser, Doug Smallwood and Allen Sanders. Fondy's double drove in two runs in the first inning.

four and walked only three. Bewley struck out nine Slaton batters, but walked 13 to stay in trouble most of the way. A double by Angelo Gonzales scored Slaton's first run, and Gary West singled across another run. Gonzales tallied on a passed ball for the third run. David Hodges and Tony Leake had the only other hits for Slaton. Bewley had three hits for Lubbock. Slaton manager Dubbin Englund and coach Chuck Underwood used all of the 18 players on the tourney team in the game. Slaton had six errors, but three of them came in the first inning when Lubbock failed to score after catcher Lupe Valderaz nailed a runner at second.

Scott, Bingham Win Tournament

Mike and Bing Bingham won the partnership title, and Leland Scott took individual honors in the Bill Ball Wardrobe Club Golf Tourney Saturday, July 4. The tourney was conducted for club members and guests with gift certificates going to the winners. The Bingham father-son team took partnership honors with a low net of 59. Leland Scott and Lloyd Henry were second with a 61. Scott won individual honors with a low net of 63, while Curly Lewis and Carroll McDonald tied with 68's.

Marilyn Davis Set For State All-Star Game

The 14th annual All-Star game of the Texas High School Girls Basketball Coaches Association will be held July 18 in the air-conditioned Brownwood Coliseum, and Slaton's Marilyn Davis will be a member of the North All-Star squad. Miss Davis, all-time Tigertette scoring champion, will report to Brownwood next Thursday for pre-game workouts. Coaches will participate in a three-day school, climaxed by the all-star contest at 8 p.m. on Saturday, July 18. Coaching the North team will be Stanley Whisenand of the Class A champion Wylie team, and Charles Skeen of the Class B Follett team. Members of the North team include forwards Marilyn Davis, Judy Mathews of Petrolia, Vicki Gregory of Springlake, Jackie Cheatham of Quitaque, Sandra Shufeldt of Spearman, Cindy Ward of Floydada, Marilyn Glover of Deport, and Karen Pruitt of Roby. Guards include Carol Brown of Brownsboro, Joyce Brown of Bogota, Roxanne Minter of Klondike, Cheryl Davis of Canyon, Pam Tackel of Bridgeport, Brenda Brazowski of Wylie, Marsha Mahaffey of Bowie, and Rhonda Garth of Friona.

...teams with 7-5 records. The Ginners were 1-11. The final game last week didn't change the leaders in batting and pitching. Seve Nieman of CSB led the league with a .470 batting average, followed by Clyde Kitten of Henzler at .465, Kenny Schuette of the Cubs at .457, Mike Busby of Montgomery at .421 and Hector Alvarado, Ginners, .413. Gilbert Escobar (.386) of CSB had the most hits (17) and also led in runs-batted-in (14). Nieman led in runs scored (22) and home runs (2). Steve Bourn (.384) led in doubles with 8, and Jackie Edwards (.323) of the Cubs led in bases on balls (17) and stolen bases (12).

Slaton's Babe Ruth League All-Stars have started workouts in preparation for their district tournament action in Levelland, starting Saturday, July 18. The Slaton team will catch the winner of the Post-Lynn County game in its first tourney tilt. The tourney starts July 17 and winds up July 24 with nine teams vying for the title of the double elimination meet. A team is eliminated after two defeats. Ronney Jones is manager of the Slaton stars with Larry Smith and Kenny Kitten serving as coaches. The season ended last week with Montgomery irrigation downing Slaton Co-Op Gin in a makeup contest. Montgomery won by 8-6 and collected a share of second place along with the Henzler Grocery and Citizens State Bank teams. The Cubs, sponsored by Triangle Manufacturing, won the league title for the second year in a row. They were managed by Ron Woolever, assisted by coach Jack Schuette. The champs posted an 8-4 win-loss record, followed by the three

He hurled the most innings, had the most strikeouts, had the most complete games, and pitched a one-hitter and a two-hitter. He had the only shutout for the season with his one-hitter. He had 65 strikeouts in 46 innings -- averaging almost 1.5 per inning. Clyde Kitten had a 3-1 record and walked only 9 batters in four games. Nieman (2-3) had the high single-game strikeout mark with 17 in one seven-inning tilt. Other records: Escobar 3-2, Mike Lewis 4-2, Raymon Gonzales 2-0, Isalah Whaley 2-0, Schuette 1-0, Jim Alba 3-3, Eddie Jones 1-1, Steve Bourn 3-3, Clarence Trotty 1-2.

nie Laakey, Steve Leake and Jessie Smith, Dodgers; and Rudy Guerra and Kelly Copeland, Giants. Copeland announced Wednesday that four practice games have been scheduled for the team. Slaton goes to Post for an 8 p.m. game Thursday (tonight), and travels to Tahoka for an 8 p.m. game Monday. Post will come here for a return match July 16, and Tahoka will be here July 17 for a practice game at 8 p.m.

Cristan of the Indians claimed the league batting championship with a fine .454 average. He also hit six homers to tie with Don Robison and Tom Mosser. There were 60 home runs smacked out of the park this season, which is believed to be an all-time high. Phil Bruedigam (.347) of the Yankees and Ardrey of the Dodgers -- a pair of 10-year-olds -- led in runs scored with 19 and 18, respectively. Three players led in doubles with four each -- Roger Robison of the Cardinals, Laakey of the Dodgers and Sadler of the Indians. Hernandez of the Tigers hit five homers, while Paul Carmona of the Indians, and Kelly Copeland of the Giants had four each. Bruedigam and Guerra each had three. Twenty-four players hit one or more homers this season. The Slaton team drew a bye in the first round of the area tourney, which starts July 20 at Crosbyton. Slaton plays at 7:30 p.m. on July 21.

Dodgers, Giants Tie For LL Crown

Slaton Little League wound up with co-champions as the Dodgers and Giants each won a game last week to finish with identical 11-4 win-loss records. The Dodgers are sponsored by Slaton Pharmacy - Tucker Oil, and the Giants are sponsored by Teague Drug. The Indians (Brotherhood of Railway Trainmen) were in third place with a 9-6 record, followed by the Tigers (Slaton Co-Op Gin) with a 6-7 mark. The Cardinals (Slaton Lions Club) were 6-9, while the Yankees (Hackberry Gin) were 0-15. The Indians clinched third place with a 9-7 win over the Tigers Monday night. Alex Cristan had three hits to lead the Indians, hitting a homer and joining Richard Sadler to pitch the game. Paul Carmona and Scott Beard each had two hits. Breck Hudson socked a homer for the Tigers. The Tigers had scored a close 15-12 win over the Cardinals Friday with Mike Tumlinson and Clarence Hammons collecting three hits each, and Breck Hudson hitting a home run. Loran Roberts had four hits, including a homer, for the Cards and Brent Wilkins added three hits. Tom Mosser and Leo Tutson hit homers for the losers. The Giants clinched a title tie last week by downing the Yankees, 12-2. Rudy Guerra gave up only two hits -- a homer to Don Robison and a single to Geron Stricklin. Phil Bruedigam and Kelly Copeland hit homers for the winners, and Guerra had two hits. The Dodgers clinched a tie for the championship with a 7-5 win over the Indians. Ronnie Laakey and Danny Kenney each had two hits, and Kenney socked a home run. Alex Cristan hit a homer for the Indians and Sadler and Beard had two hits.

Your house should be as good -

- ADEQUATE WIRING**
Somebody once figured out that the average automobile has more wiring than the average house, for its size. Your car is adequately wired to serve the many purposes needed. And, so should your house.
- LIGHTING**
The same person figured out, too, that the average car has more special purpose lights for convenience, safety, and beauty than a house. But, for the same reasons, shouldn't your house have the right kind of lighting, too?
- COMFORTS**
And, how about comforts... heaters, radios, air conditioners, convenience switches, power steering, power brakes, tape recorders, electric windows, and lots more. Does your home measure up to your automobile? It should, because you probably spend more time there.

When you're building a house... make it a home... make it as good as your automobile... make it a total electric, gold medallion!

Total ELECTRIC Living

PS. Lots of electric power in our area. No worry about shortages. Use it... enjoy it!

Youth Revival Continues

Slaton's youth-led "Encounter With Christ" has been such a success that it is being extended through Saturday night, according to Pat Wheeler, publicity chairman for the encounter.

Eddie Robb, a sophomore at Ashbury College in Kentucky, was the speaker through Wednesday night. The Rev. Max Browning of shallowater will speak tonight, Rev. Rex Mauldin of Morton will speak Friday night and Rev. Hugh Daniel of Tahoka will speak Saturday night.

Services begin each night at 8 p.m. with prayer followed by worship at 8:30 p.m. Services are being held on the 300 block of West Lubbock St., Slaton, Tony Privett, son of Mr. and Mrs. George Privett, is leading the music for the encounter. Various music groups are furnishing musical specials and youth are giving personal testimonies each night.

Attendance has been good for the services with 380 at the Monday night service. Many youth from other towns have joined in the worship service with Slaton youth.

crime, riots, demonstrations, drugs and sex are publicized. Well they say its not big news, but we, the silent majority of youth, are spreading the best news in the world, the word of Jesus Christ.

The public is reminded that this revival is just "youth-led" and the support of the adults is also welcome. From the way the crowds have been, you may want to take a folding chair.

Brother Of Slatonite Dies

Joseph A. (Pat) Harris, 64, the brother of Mrs. Lillian Pricer of Slaton, died about 8:20 a.m. Monday in Lubbock's West Texas Hospital after an extended illness.

Services were conducted Wednesday at 3 p.m. in Franklin-Bartley Chapel with Doug Allison, minister of Smithtown Church of Christ, officiating. Burial will be in City of Lubbock Cemetery.

An employee of the Lubbock Independent School District, Harris had been a Lubbock resident 45 years.

He is also survived by his wife, a stepdaughter, three brothers and four grandchildren.

Ethiopia has never had a national census. The population is estimated at about 22 million.

YOUTH VISIT SLATON---Seventeen youth from the Methodist Home in Waco and a counselor, Joan Crowell, arrived in Slaton this week by bus to attend the Youth-led 'Encounter With Christ' being held across from the First United Methodist Church. They range in age from 13-17. Their trip here was financed by the United Methodist Youth Fellowship and they stayed in various homes. (SLATONITE PHOTO)

Dorcas Class Meets Monday

The Dorcas Class of the First Baptist Church met in the church parlor for a salad supper Monday at 7 p.m. Hostesses for the meeting were Mmes. R. S. Smith and Wade Thompson.

Mrs. Thompson conducted the meeting and Mrs. Smith gave the opening prayer. Mrs. Sam Wilson read the minutes and gave the treasurer's report.

The meeting was closed with prayer by Mrs. Harvey Tunnell. Eight members and two visitors, Mrs. George Marriott and T. A. Johnson, attended.

Farrell Makes Dean's List For Six Semesters

Rodney Farrell, a senior accounting major at Texas Tech, has maintained a 2.89 average for the past six semesters, and was again named to the Dean's honor list both semesters of last year with a 2.9 average.

The son of Mr. and Mrs. Willis Farrell, Rodney is a member of Beta Alpha Phi, honorary accounting fraternity.

Post Scout Camp Draws 528 Boys

The final week of the summer camp season at Boy Scout Camp Post is now in session and, according to Camp Director Warren Green, 528 Scouts have attended the camp this year.

A total of 34 Scout troops from throughout the South Plains Council have been at Camp Post this summer. In addition, specialty camps for aquatics and junior leader training have also been conducted, Green said.

By the end of this week the Summer Camp season will have produced more than 200 rank advancements and more than 600 merit badges for the Scouts who participated in the pro-

A Good Life

"To lead a life worthy of the Lord, fully pleasing to him, bearing fruit in every good work and increasing in the knowledge of God."
—Colossians 1:10

Many of us consider "the good life" to be the attainment of luxuries, modern conveniences, and personal well-being. It is much more.

The value of the life you live should be measured by a different yardstick. What you have is not so important as what you are. Your monthly bank balance may be a source of comfort and pride. But, how do you rate debts and credits in the matter of meeting your responsibilities and obligations?

A "good life" is a life pleasing to God. You should have little difficulty, in any situation, deciding the course of action most pleasing to God.

behind the Badge

(From Slaton Police Department)

WALTER HEAD
Slaton Police Chief

(This week's column is a reprint of an article by Paul Harvey which carries the title of "Handcuffs on the Wrong Hands".)

I am your policeman. I feel compelled to warn you that there is a man lurking across the street from your home. Part the curtains, look. Over there by the curbside tree. In a car or afoot he has been passing your house at least twice a day recently.

I know who he is; I do not know what he's up to. Perhaps he is determining what hours the house is empty or what time your daughter is there alone.

The man observing you from the shadows is well known to us policemen. His name is Sam. Let me tell you about Sam. He did time in Angola for rape, in Joliet for armed robbery, he's been arrested for breaking-and-entering, mugging, pandering - twenty-four times in thirteen years - convicted six times. The one time he went up for ten he was back in two.

Judging from his M.O., Sam is casing your place for burglary. Or, as I say, he could be more interested in your daughter. Crimes of passion are more prevalent in summertime.

You can go to the telephone and call us but there is nothing we can do.

We had Sam in last week when the Williams' house was burglarized and the week before when that schoolgirl was waylaid under this viaduct; he laughed at us.

Years ago we'd have taken Sam to the police station, told him we had evidence, demanded an alibi for the time of the crime and booked him. Not any more.

Now the Supreme Court says if we arrest Sam on "suspicion", we must immediately and in front of witnesses advise him:

1. You don't have to say anything.

2. You do say anything, it can and will be used as evidence against you in a court of law.

3. If you do not have a lawyer, the state will provide one.

4. You do not have to talk until your lawyer gets here.

We policemen carry a little card with all this rigamarole written out to be sure we say it right. Sam has it memorized.

So he sits there and smirks until we let him go.

Or, if we do call a lawyer for him, the lawyer smirks: "You mean no witnesses?"

So we have to let him go anyway.

That, dear citizen, is why there is a dangerous man watching your house from across the street.

If it is any comfort to you, Sam has not murdered any -

Around the Fire House

By Bob Kern

Attendance reports for the first half of 1970 reveal a 72.4% attendance at fires reported in the City of Slaton by the Slaton Volunteer Fire Department. Attendance at practices is reported at 89.9% while the meetings percentage dropped to 85.9%. Some sixty-seven fires were reported and answered by the department during the first six months of 1970.

Of this number, 18 were house fires; 30 grass fires; 13 cars; three miscellaneous; one oil tank battery; and two false alarms.

Election of officers for the coming year was conducted at Monday night's meeting and the present slate was retained for another term. Those officers re-elected were Fire Chief Don Kendrick, Assistant Fire Chief Pete Williams, Captain Leroy Poor, Lieutenant Coy Biggs, Secretary John Richey and Max Poor replaced Kevin Kern as the Mascoot, Fire trustees are O. D. Kenney, H. M. "Bud" Englund and Charlie Walton.

A new fireman was elected to fill the roster of 25 men. Melvin Kinnison, an employee of Southwestern Public Service Co., was elected to fill the vacancy left by Kenneth Henderson. Kinnison and his wife, Jessie, reside at 820 S. 20th St. after having moved to Slaton from Seagraves where Kinnison served for some 5 years with the Seagraves Fire Department.

Three firemen will leave Slaton on July 19 for College Station where they will attend the Firemen's Training School conducted annually for Texas Firemen. Those planning to attend are Coy Biggs, Joe Crabtree and Wayne Moses.
