Western Day Parade Set Friday

High Winds, Dust Recorded

High winds and dust highlighted the weather scene around the Slaton area Tuesday, with several reports of damage to barns and outbuildings being reported.

Weather officials attributed the wind and dust to a weak Pacific front. The wind gusted up to 62 mph at the National Weather Service in Lubbock, it was reported. The temperature climbed to 98 degrees in Slaton Tuesday, according to a report from Pioneer Natural Gas Co.

Some twisters were reported across the state--none of which did any damage. It was reported that the wind blew the roof off a hanger building on the R. C. Hall farm southwest of Slaton. A barn was reported to have collapsed east of Acuff, and another north of Lubbock, according to a weather service spokesman.

ADMIRE PAINTING--Mrs. Ed Moseley, left, and Mrs. Harley Martin admire a painting by Ada May Kitten, well-known Slaton artist. The painting was on display at the Slaton Art Club exhibit held at the Club House Sunday afternoon. Mrs. Kitten plans to have paintings entered in the Art Exhibit to be held in the SHS gym Saturday. Mrs. Moseley and Mrs. Martin will be co-chairmen for the event. The public is welcome to attend. (SLATONITE PHOTO)

Open House Held At C of C Office

Approximately 130 persons visited the new Slaton Chamber of Commerce offices during an "open house" observance from 2 to 4 p.m. Sunday.

The new C of C headquarters is located in the old Whitehead building -- the triangle-shaped building at Garza and Panhandle on the northwest side of the city square.

The new facilities include a reception area, manager's office, workroom, board room, coffee bar, and rest rooms. The building was donated to the Chamber by the Whitehead estate, and the lower floor was remodeled by the C of C at a cost of about \$18,000.

The new offices have some 1,200 square feet of floor space, compared to the two small offices which the C of C used in the municipal building for many years. The offices are carpeted and the building has central air and heat.

Earl Bartley, executive vice

president of the Chamber, pointed out to citizens that the Chamber's "Community Room" is available for civic and club meetings. It will seat up to 40 or 50 for a meeting. Persons should call the C of C office for reservations.

J. C. McClesky, C of C president, expressed appreciation to citizens who visited the new offices Sunday, adding that "a friendly welcome always awaits you at the Chamber office." He credited committee chairman Tommy Wallace for providing leadership for the remodeling project.

McClesky also cited the work of Bill Ball, who devoted much time in drawing up plans and specifications for the new offices.

Cookies, punch and coffee were served as refreshments during the open house Sunday afternoon, with several members of the women's division of the Chamber assisting in welcoming guests.

Big Art Exhibit Set For Sunday

With over 650 invitations in the mail inviting local and area artists to enter paintings in the first Chamber of Commerce sponsored art exhibit Slaton has had, local committee women are hoping for a large number of entries. Anyone who did not receive an invitation is also welcome to enter paintings.

The art exhibit will be held Saturday from 10 a.m. to 4 p.m. in the Slaton High School gym. Mrs. Harley Martin and Mrs. Ed Moseley are co-chairmen for the event. The women's division of the Chamber of Commerce is actually sponsoring the exhibit.

Media to be displayed are oil, acrylics and water colors. Pictures must be dry and framed and the correct information attached to the picture.

An entry fee of \$2 per picture will be charged and artists may enter as many pictures as they desire. Pictures will be accepted from 2 to 9 p.m. Friday at the gym. For further information about entering the show, call Mrs. Martin at 996-2218 or Mrs. Moseley at 828-6842.

Mrs. Mary June Holton, a

well known Lubbock artist, will be painting all day for the visitors. Also she will display some of her recent paintings. The Slaton C of C will purchase the picture that she will be painting. Dick Cheatham, also a well-known artist from Lubbock, will be the judge for the art show. He will select the cash prize awards and the ribbon pictures of honorable mention.

Donors for the cash prize awards will be: Citizens State Bank -- \$100 for the purchase

Housing Authority Has New Director

A Lubbock woman, Mrs. Gladys Blair, has been named as executive director of the Slaton Housing Authority and took over her new duties Monday. She is the first woman to serve in this capacity in Slaton, replacing C. L. Hatch, Earl F. Wilson was the first director appointed when the housing authority was originated.

Hatch has been with the Slaton project since March, 1970. Mr. and Mrs. Hatch plan to make their home at Oak Creek Lake, located between Sweetwater and San Angelo.

Mrs. Blair has been with the Lubbock Housing Authority for the past two years, serving as bookkeeper and executive secretary for director B. J. Pierce. She and her husband have two daughters, Mrs. Georgia Stewart of Lubbock, and Ginger, who is a seventh grade student at McKinney Junior High. They also have four grandchildren. A

resident of Lubbock for 23 years, her husband is employed by the Lubbock Avalanche Journal. They will continue living in Lubbock.

She said she had looked forward to working here ever since her appointment as she always enjoyed living in a town this size. As hobbies she enjoys sewing, flower arranging and golfing.

Mrs. Blair will not only be serving as director of the Slaton Housing Authority, but will help with several other HA-sponsored projects here.

A school for retarded children is held five days a week in the building where her office is located. The school is operated under the auspices of the Lubbock State School with Slaton volunteers assisting the hired teacher.

On the first Thursday of each month, a Well Baby Clinic is conducted free. Officials estimate as many as 800 in - oculations have been given in one day.

Every Friday, the Texas A & M Extension Service conducts a cooking school for residents. A professional dietitian in - structs them on producing balanced meals on a limited budget.

The Housing Authority also has a Community Room open for public use. It may be reserved by calling 828-5997.

Mrs. Blair was appointed by the board of commissioners, Bruce M. Pember, chairman, Howard Swanner, T. J. Wallace and Charlie Walton.

She will manage the fully occupied 70-unit complex. One, two and three bedroom apartments make up the all brick, duplex-style homes.

She indicates that no major changes will be made.

'MOTHER' TO 1,200 STUDENTS Teacher Retiring After 39 Years in Classroom

Mrs. Edith Brooks is looking forward to retiring after teaching 39 years -- 21 of these years in the same room at West Ward Elementary.

A teacher who loves teaching first graders because of their enthusiasm, Mrs. Brooks has been teacher to approximately 1,200 students over the years. She said if she had a philosophy, it would be "Enthusiasm for teaching." "I try to instill the enthusiasm for learning in each student. To live effectively you need to obtain this quality throughout your life," she said. "First graders just naturally come to school eager to do things", she said.

Mrs. Brooks started her teaching career in Oklahoma when she was 19 years old and taught six years there. She retired from teaching for 11 years when her son was young, and when she resumed her teaching she taught grades one through four and a high school class one year. She said she taught in a two-teacher school house back in those days.

In 1943, Mr. Brook's mother became ill and they moved to

Slaton to help his parents on the farm. She said she stopped at the Lubbock County Superintendent's office in Lubbock to apply for a job at the Cooper Rural School. Roy Boyd, who was superintendent then and still is, said, "how about Slaton?" So Slaton it was. She taught in what was then

the "East Ward Elementary School" from 1943 to 1949 in the first grade. When West Ward Elementary was completed in 1949, she was assigned the corner room on the northwest end of the building and has been teaching there ever since. James Perkins was principal at the school when it opened.

She said she turned in her resignation last year to her principal, T. C. Martin, but he never submitted it to the school board.

During her 39 years of teach-

ing she has taught many sons and daughters of previous students. She taught one little boy's mother and father.

She said teaching techniques have changed over the years--but so have children. "Children today are more rude and have worse manners," she said. "Possibly parents are so busy that they take the line of least resistance with children". "Children learn a lot from television, but maybe outside playing would be better for them", she said.

A native of Oklahoma, Mrs. Brooks grew up near Oklahoma City at Edmund. She had a sister and two brothers. She and her husband, Joe B., have one son, Joe, who lives in Albuquerque, N.M. He and his wife have a daughter, Shari, who is a student at the University of Houston.

The Brooks celebrated their 50th wedding anniversary August 5, 1970. They are members of the Trinity Evangelical Methodist Church. She is a member of the Order of Eastern Star but said she had not been active for the past nine years.

Mr. Brooks retired from his job as a wholesale grocer about five years ago and has been encouraging her to retire. "I cook breakfast every morning about 6:30 and he cooks the evening meal". "He enjoys woodworking, but it looks like I'm going to have to find me a hobby now that I won't be at school each day", she said. They plan to do some traveling.

Cancer Danger Signals Given By Dr. Page

The Slaton Home Demonstration Club met Wednesday in the club house with the president, Mrs. Alton Meeks, presiding.

The club elected Mrs. Meeks as a nominee for State delegate to go to the May council meeting for election of delegates.

Dr. Carl Page of Lubbock brought the program on Cancer. One of the more important things is that the hospitals in Lubbock are now equipped to handle any kind of treatment which makes it much more convenient and less expensive than having to go away somewhere for treatment.

He stressed the fact that skin cancer should never kill anyone, but would, if neglected. Other important facts include: Early treatment is the key to all types of cancer. If you don't get it, it will get you; There is no pain for a warning, unless in the brain or bone marrow; Cancer is neither hereditary or contagious. A daughter may have inherited certain body characteristics from her mother that could lead to her developing the same type cancer her mother had; Scientists are on the very brink of developing a cure for leukemia.

The seven danger signals of cancer are:

1. Coughing
2. Lump or thickness in breast or elsewhere
3. Unusual bleeding
4. Hoarseness
5. Sore that will not heal
6. Indigestion or bloating
7. Change in size, shape, or color of mole or wart

If you have any of these that do not go away in two weeks or you can explain why you have them, see a doctor, it could be cancer.

Everyone should have health examination once a year. If you smoke, have chest x-ray every six months.

For our next meeting we will tour the Museum with the East-side club of Lubbock, Thursday, May 6th. Meet at Mrs. Meeks home at 9 a.m. and we will go together.

Ten members and nine visitors were present.

Hoppings Like Living in Slaton

BY LAVON NIEMAN

When I met Mrs. Clifford C. Hopping, better known as Eva, I thought to myself -- there's a feature story.

But what angle do I want to approach? She would make a good Mother's Day feature, newcomers' feature and sports feature -- from a woman's viewpoint.

Since the Hoppings moved here last month, they are newcomers to Slaton, and since they have three active sons -- all in different baseball leagues -- this makes her eligible for a Mother's Day or sports feature.

The sons, who keep Mom on the go, are Corey, 8, who is also a Cub Scout; Scotty, 11, a Boy Scout; and Coke, 13, an Eagle Scout.

When Scotty came in from school recently, he informed his mother it was time to try out for Little League baseball. She was making homemade candy, but when it got to the whipping stage, put the pan of candy in the car and took him to the ball park. While standing outside the car beating the candy and then dropping it on waxed paper spread on the trunk of the car, a mother and her son drove

up and said, "Oh, were we supposed to bring candy today?" "No, there's just not time for candy and boys, too, all at the same time!"

So, mom's if you have a son in the baseball program keeping you busy -- think about Mrs. Hopping who has three -- and all in different leagues. That's a lot of baseball each week!

The Hoppings moved here from Bishop where they had lived a short time. They had made their home in Springlake for the 11 years. Mr. Hopping is manager of a maintenance service, Fikes Sam-Service, in Lubbock.

Show Youth What Rules Are, Says County Atty.

County Attorney Tom Purdom of Lubbock was guest speaker for the Slaton Lions Club meeting Monday at the Clubhouse, using the observance of Law Day, May 1, as the topic for his talk.

"In a democracy," Purdom pointed out, "the rules of law apply to all--if we want to change them, we must do so within the system."

The county attorney said there seems to be too much of a tendency these days "to fight in the streets in the name of peace." He added that many dissenters will carry placards and protest, but "they want go to the ballot box where their opinions really count."

Our society is moving fast

and some adults use this factor as an excuse for not teaching their children the basic concepts of life, the attorney stated. "This is ridiculous," charged Purdom, "for we still have to teach our children the basic rights and wrongs."

Purdom declared that it is "the obligation of each of us--in our sphere of influence--to show the youth we know what the rules are."

"I'm prejudiced," said Purdom, "I'm a Christian and I think the Ten Commandments and the Bible give us a good set of rules." He emphasized that "kids want rules by which to live, whether they recognize the fact or not."

Purdom said that Coach Jim Carlen of Texas Tech has illustrated this point. "Some people laugh about the rules he sets up for his players, but

you notice that he took his rules to the boys and had the best recruiting year Tech has ever scored."

Purdom was introduced by Arvin Stafford, club president. Several guests were introduced at the regular weekly luncheon meeting. Stafford announced that the club will operate the concession stand at Babe Ruth Park this summer, with proceeds going to the track fund at Slaton High School.

Oh that I had wings like a dove! —Psalms LV, 6

How often, in the troubled moments of life, we would like to sprout wings and fly away leaving it all behind us. Man's impossible dream, within this century, became reality, and he has seen the face of the moon. Yet the earth is home and man, like the bird, must come home to roost. We need to think not in terms of escape, but of the things which we can do to right the wrongs we find and to preserve the many beauties and wonders of the earth which still exist in great measure.

Southland News

Athletic Banquet Is Friday

Hello faithful readers! May I slip into your lives for a few minutes and bring you up-to-date on just a "speck" of the news that has been happening around dear old Southland?

First of all, no, we didn't have any rain last week, but we have had 5 or 6 lovely days without wind and sand! And, boy, we do appreciate that! A lot of the farmers around the country

have planted their feed and a few brave souls have planted their cotton, but really, it is a bit early. But within the next week or two, I'll bet that things will really start "cracking"!

Mrs. Aubrey McNeely recently spent two weeks in Ft. Worth with her son and family, Mr. and Mrs. Larry McNeely and Susannah. While there, they attended opening night at the Opera where "Carmen" was being presented, Larry's wife's cousin, Mrs. Thressa Treadway Carroll, stars in this production, so it made it much more interesting. Mrs. Carroll sang at Larry's wedding! How about that?

Guests in the P.W. Crawford home on Sunday were Mr. and Mrs. James Hamaker, Mr. and Mrs. Clinton Maner and boys, and Mr. and Mrs. Donald Wayne Crawford.

The Southland Athletic Banquet will be held on Friday night, May 7, at Furr's Cafeteria 34th and H in Lubbock. Mr. and Mrs. Larry Long from Union spent Saturday and Sunday here in the home of his parents, Mr. and Mrs. Bob Long and Cathy.

Visitors in the D.D. Pennell home last week were Mr. and Mrs. Carl Cedarholm and Mr. and Mrs. A. A. Ferguson from Post and Mr. and Mrs. Harvey Louis Pennell and Heath from Plainview.

Guests in our home this past Sunday were: Mr. and Mrs. Leroy Zieschang, Mr. and Mrs. Jim Becker, Mrs. Wallace Becker, Mr. and Mrs. Alvin Becker, Rev. and Mrs. Delmas Luedke, Mrs. R. M. McMin, Mr. and Mrs. Arthur Stolle and Mrs. Ronald Schmidt.

Lions, Teague Win Little League Games

Slaton Little League launched its 1971 season Monday afternoon with Slaton Lions Club claiming the first triumph in a 7-4 extra-inning decision over Hackberry Co-Op Gin.

Opening game ceremonies preceded the first contest, with Mayor Bland Tomlinson throwing the first pitch of the season to Commissioner Otis Neill, a former Little League coach for many years.

In the second game Tuesday evening, Teague Drug came from behind to edge Slaton Co-Op Gin, 7-6. The other two teams in the majors -- the Trainmen and YFW -- were to play Wednesday evening. Slaton Co-Op meets the Lions this evening, and Hackberry plays Teague Friday.

In the season opener, the teams were tied at 3-3 after the regulation six innings, then the Lions exploded for four runs, climaxed by Loran Roberts' two-run homer. Hackberry got a single run in the bottom of the seventh.

Roberts pitched the last four innings to score the mound victory, with Steve Wood going the first three, Jim Swanner and Tim Bourne had two hits each for the winners. Don Taylor socked a triple for Hackberry.

Slaton Co-Op Gin out hit Teague by 6-3 Tuesday, but errors helped Teague come out on top in the close 7-5 game. Teague scored five times in the top of the sixth inning with first

one hit, Phil Bruedigam and Barry Copeland worked three innings each on the mound for the winners. Don Robinson gave up only three hits but absorbed the defeat, Jim Gray had two hits for the Ginners.

Junior Rifle Club Formed

A Junior Rifle Club was recently organized at Slaton High School, with about 30 boys and girls planning to become charter members of the organization. Anparo Avila was elected as the president of the new club. Other officers include David Brake, vice president; Estella Pina, treasurer, and Cee Eckert, secretary. Officers will serve one-year terms.

The Rifle Club is open to any boy or girl under 19 years of age, regardless of whether they are enrolled in school. All equipment is to be furnished by the Junior ROTC at high school, but members do not have to belong to the JROTC.

Membership dues will be \$1 per month and will be used to purchase medals, patches, and other items. The next meeting is scheduled May 11 at 6:30 p.m. in the ROTC building at high school.

At the time of the first meeting, an application was submitted to the National Rifle Association for affiliation. The adult sponsoring committee consists of Col. Clifford Bowen, L. B. Winters, Ellis Schmid, R. C. Hall, Stan Ratliff, Lehman Brown and Phil Corona.

The first monthly dues will be collected at the next meeting. The club hopes to have a rifle range established by the time school starts in the fall.

Slaton Troops Lead Way At Camporee

Two Slaton troops took top honors in the annual Mackenzie Trail Boy Scout Camporee here over the weekend on the J. Martin Basinger ranch south-east of Southland.

Slaton Troop 123 won the Camporee flag for the second straight year, while Slaton Troop 125 was runner-up. Four troops won blue ribbons, with the other two groups being from Lubbock.

Troops are graded on a num-

ber of events and activities related to the camping trip. Grading is also on a patrol basis. Events include signaling, compass and trail signs, distance judging, cooking, pole setting, back packing, rope climb and slide, archery, first aid, lashing, camp sites, pace race. Bud Englund and R. C. Hall, both of Slaton, were co-chairmen for the Camporee. Bob Hurst is the district representative.

Troop 123 is sponsored by First Christian Church with Johnnie Moore as Scoutmaster. Dan Butler is senior patrol leader and Carter Lankford and J.D. Moore are patrol leaders. Other Troop 123 members participating in the Camporee were:

Dan Butler, Carter Lankford, Mike Van Meter, John Van Meter, J. D. Moore, Joe Hartley, Charles Waugh, Paul Sumrall, John Ramirez, Allen Gordon, David Hartley, Doug Carter, Kenneth Scott.

Troop 125 is sponsored by the Busmen Bible Class of First United Methodist Church with Alex Webb as Scoutmaster and Kenneth Baker as assistant.

Members of the troop at the Camporee included: Johnny Aguilar, Lanny Brown, Bill and Mike Burks, Mike Cawthon, Brad Clark, Quinton Farley, Dennis Gary, Artie Limmer, Randy Marshall, Bob Melton, Kevin Meeks, Glen Miller, Richard Norris, Steve Perkins, Brad and Roger Robison, Mike Tomlinson and Thomas Vidaurte.

OPEN BASEBALL SEASON HERE---Mayor Bland Tomlinson, left, and city commissioner Otis Neill, right, officially launched the baseball season here Monday in opening ceremonies at Little League Park. Paul Melton, Little League president, invited the city officials to team up for the first pitch. (SLATONITE PHOTO)
