Award Winners Named at SHS Graduation

SLATON HIGH HONOR GRADS--These nine graduating Slaton High seniors received special awards and scholarships at commencement exercises Monday night in the SHS Gym. Left to right, front row--Bradley Kitten and Glenna Smith, American Legion awards; Terry Mosser, valedictorian and Steve Bourn scholarship; Nadine Meurer, salutatorian; back row--Gloria Silva, Draughton's Business College scholarship; Cee Eckert, Athenian Study Club scholarship; Cindy McWilliams, Slaton Classroom Teachers scholarship; and Jane Webb and Melanie Parks, First United Methodist Church scholarships. (SLATONITE PHOTO)

Slaton High held commencement exercises Monday night with 105 seniors taking the giant step, free to strive for chosen goals in life--some going to college, some to business or training schools, some to the armed services, some to the wedding altar.

Expressions of appreciation to parents, teachers and other adults were expressed by valedictorian Terry Mosser and salutatorian Nadine Meurer, who also urged their classmates to continue to strive for high goals.

A standing-room-only crowd witnessed the commencement exercises in the high school gym, with special music provided by the SHS Mixed Choir, Joe Johnson, Judy Boyd and Melanie Parks. Senior class president Tommy Hargraves served as master of ceremonies.

Mosser, the valedictorian, also was named as recipient of the first annual Steve Bourn Scholarship. The award, presented by Bill Ball, is for "high standards in athletics and scholastics." It is set up as a perpetual scholarship in memory of Steve Bourn, who died last year after being injured in a freshman football game. First year's award is for \$100.

The A. C. Strickland Scholarship, presented by the Slaton Classroom Teachers' Association, went to Cindy McWilliams. It is a \$200 scholarship. The Athenian Study Club scholarship of \$100 was awarded to Cee Eckert. Two \$50 scholarships from First United Methodist Church went to Melanie Parks and Jane Webb. Principal M. W. Kerr presented these awards.

Gloria Silva was the recipient of a special \$500 scholarship presented this year by Draughton's Business College. This award was also presented in memory of Steve Bourn.

Winners of the annual American Legion awards were Bradley Kitten and Glenna Smith. D.L. Tucker made the presentations on behalf of Luther Powers Post 438.

Scholastic awards to the highest-ranking student in each class were presented by Mrs. Mary Gilmore on behalf of Kappa Kappa Kappa, national honorary sorority for teachers. Recipients were Terry Mosser, senior; Randy Barkley, junior; Ramona Key, sophomore; and Kay Stephens, freshman.

Diplomas were presented by Don Kendrick, president of Slaton School Board. All trustees were recognized by Supt. J.C. McClesky. Invocation was by senior Terry Cartrite; benediction by senior Judy Boyd; Miss Glenna Jones played the processional and recessional.

Baccalaureate services for the seniors were held Sunday night in the SHS Auditorium with the Rev. Bruce Parks, First United Methodist Church, as principal speaker.

Many Firms Remain Open Memorial Day

To close or not to close, that is the question. Memorial Day observance is scheduled Monday, May 31, but apparently most Slaton retail firms will remain open.

Memorial Day had been one of the five national holidays which was approved locally by the Retail Merchants Association. However, in recent years, most city retail firms were open for business as usual. City of Slaton employees will get the day off, and the Slaton Post Office will be closed. Both utility companies here will also be closed, and most insurance offices have indicated they will close. Slaton Savings & Loan will also be closed.

Citizens State Bank will be open, and a number of business firms have indicated they'll remain open. No complete listing was available, however, and probably a few stores will observe the holiday.

In connection with Memorial Day, the local VFW Post and Auxiliary sponsored its "Buddy Poppy" sale Wednesday and will have the poppies on sale again Saturday.

O'Neal, Wallace Named as Top Rotary Officers

Ansil O'Neal has been named as incoming president of Slaton Rotary Club, it was announced last week at the regular luncheon meeting of the club.

Dee Bowman, president, announced that O.G. Nieman, president-elect, had submitted his resignation due to business and personal conflicts. In a special election, T. J. Wallace was named as vice president to fill the vacancy created by O'Neal's elevation to president-elect.

For the program last week, the club reviewed community needs with Bill Sewell, J. C. McClesky and Earl Bartley leading a panel discussion. Some of the needs brought up for discussion included a new track at high school, new police facilities, a community clean-up program, and support of the hospital. The question of what to do with the old bandstand in the park was also mentioned. Mayor Bland Tomlinson will be the program speaker this week.

Holley Named 'Officer of Year' At Annual Police Awards Banquet

Patrolman Randal E. Holley walked off with top honors at the third annual Slaton Police

Special Sales Promotion Set

"Old - Fashioned Bargain Days" will be the theme when Slaton merchants sponsor a three-day sales event June 10-11-12, it was announced this week by the retail trade committee of Slaton Chamber of Commerce.

Participating stores will also be giving free American Flag pins to customers and shoppers, it was reported by Dick Hartman, chairman of the retail committee.

The retail group planned the sales promotion in a meeting Tuesday afternoon at the C of C board room. A special "back-to-school" promotion was also scheduled for Aug. 5-6-7.

Department Awards Banquet here Friday night in the American Legion Hall.

Holley was recognized as "Patrolman of the Year" and also was awarded a Silver Star for bravery in the awards ceremony conducted by Police Chief Glenn W. Farmer.

The department's top non-police award went to Wayne Perkins, owner and manager of Perkins Auto Supply & Garage. Perkins was the officers' popular choice for the special "Community Relations" citation. Bill Neeley, Lubbock County Sheriff's Department, was guest speaker for the event. Neeley said the trend seemed to be for the law "to put the emphasis on protecting the criminal, rather than the victim," he added that "we will continue to do our best to serve our law-abiding citizens."

Chief Farmer presented special "merit certificates" to

officers Tony Chavez, Jimmy Skelton and assistant chief J. L. Cragger. Certificates of appreciation were also presented to all dispatchers--Sgt. Martha Elder, Michael Green, Shawna Dickerson and James Johnson.

Two other certificates of appreciation were presented to officers outside the department for their help and cooperation. These went to Jim Dulin, resident Texas Highway Patrolman, and O. D. Woody, Wilson Police Chief and former Lynn County Deputy.

The police department itself drew a plaque of praise from Slaton's Luther Powers Post 438, American Legion. Commander Delmar Tucker made the presentation. Chief Farmer accepted the plaque, also expressing appreciation for the Legion post's support of the annual banquet.

Farmer had high praise for all his officers and dispatchers, citing their efforts, after regular duty hours, to attend courses and work towards certification. Before presenting the special awards, he explained that "circumstances play a big role in the accomplishments of the officers."

Holley was presented the "Patrolman of the Year" award for his dedication to duty and all-around performance as an officer. The Silver Star citation was in connection with an attempted burglary case, when

Holley fatally shot a suspect.

Before presenting the merit awards, Chief Farmer pointed out that officers had apprehended 12 burglars -- in the act or with stolen goods -- this year. "I think it is a very

Clean-Up Drive Is Underway

The Ladies Chamber of Commerce is sponsoring a clean-up drive that began Wednesday and they are asking everyone to participate. Small garbage bags are available at the Chamber office, and instead of a trailer parked on the square as planned for deposit of the filled bags, they should be placed in the numerous, and brightly painted litter barrels around town.

Adults, young people and children are all asked to help clean up Slaton before summer, according to Mrs. Larry Smith and Mrs. Ronnie Jones, co-chairmen of the Litter Committee. Cathy Riney is youth co-chairman for the effort.

The drive, which began Wednesday, will be concluded Saturday, and is one of many projects of the Women's Division of the Chamber of Commerce, that are aimed at making Slaton a nicer place to live.

Christian Athletes Schedule Program

"Music You'll Remember", a program of old-fashioned gospel songs and hymns, will be presented by the Fellowship of Christian Athletes, Lubbock chapter, at 8 p.m. Sunday in the Slaton High School Auditorium.

Featured soloists will be Eddy Nicholson, Lubbock evangelistic singer, and Richard Campbell, former football star at Texas Tech. Other special music is scheduled on the program in addition to congregational singing.

Guest speaker will be Art Baker, offensive backfield coach at Texas Tech. Athletes will also give their personal testimonies at the service.

The FCA is presenting the program to acquaint the public with the organization and to en-

courage the local high school chapter, which was recently organized. Donations will be accepted to help send Lubbock and local representatives to FCA conferences. The Rev. Bruce Parks is the local co-ordinator for the service.

The program is open to the public, Rev. Parks emphasized, and some churches in the city will be encouraging their members to attend the service, he added.

Purpose of the organization, Rev. Parks said, is "to confront athletes and coaches and --through them the youth of the nation -- with the challenge and adventure of following Christ, participating in the church and serving Him through vocations."

Lubbock's chapter was or-

ganized last year, and 82 scholarships have been provided this year for FCA members to attend camps. Each scholarship costs \$100, it was explained by Pete West, Lubbock coordinator for the Sunday program.

The local Slaton High School chapter has held one fund-raising project and will send two athletes to camp this summer. Selected to go to the Estes Park, Colo., camp the week of June 6 were Steve Mosser, junior, and Steve Nieman, sophomore. The two were selected by a vote of the local FCA members.

Baker, the Tech coach, came to Raiderland from Clemson where he was an assistant for five years. He graduated from Presbyterian College in Clinton, S.C., in 1953. He earned two letters in football and two in wrestling.

Baker had an impressive record at Eau Claire High School in Columbia, S.C., before going to Clemson. He was co-organizer and advisor of the Clemson chapter of Fellowship of Christian Athletes.

The Tech coach has attended five national conferences of the FCA. He and his wife, Edie, have four children -- Artie, 15; Kim, 14; Ryan, 7, and Curtis, 5.

MRS. DUBBIN ENGLUND
... Donna Kay Alspaugh

Englund-Alspaugh Vows Read Saturday

Slaton's First Baptist Church was the scene Saturday evening for the wedding vows of Miss Donna Kay Alspaugh and "Dubbin" Darwin Williams Englund. Rev. J. L. Cartrite officiated the double ring ceremony.

Parents of the couple are Mr. and Mrs. W. A. "Bill" Alspaugh, and Mr. and Mrs. H. M. Englund, all of Slaton. Given in marriage by her father, the bride wore a formal length gown of organza and chantilly lace. It featured a high scalloped Victorian neckline of lace, and long bishop sleeves with a wide petal point cuff. A double row of chantilly lace extended down the front of the empire bodice and A-line skirt.

Hand beaded seed pearls encrusted the lace panels and motifs. Tiny buttons accented the empire bodice.

A chapel length train flowed from the waistline. Two rows of lace were down the center of the train, extending around

the bottom, and hand beaded seed pearls holding illusion.

The bride carried a bouquet of white flowers. Bridesmaids wore white dresses with white neckties. The groom wore a white suit. The ceremony was held at 7:30 p.m. in the church. The bride and groom were accompanied by their parents. The reception was held at the Slaton Club House. The bride and groom were married by Rev. J. L. Cartrite. The ceremony was held at 7:30 p.m. in the church. The bride and groom were accompanied by their parents. The reception was held at the Slaton Club House.

Shower Honors Mrs. Denzer

Mrs. Calvin Denzer, the former Miss Janet Pack, was honored with a miscellaneous shower from 7:30 to 9 p.m. Sunday in the Slaton Club House.

The table was laid with a lace cloth over royal blue, centered with a blue and white floral arrangement and blue candles. Punch and cookies, nuts and mints were served.

Greeting guests were Mrs. A. A. Denzer, mother of the bridegroom, the honoree, Mrs. D.M. Pack, aunt of the bride, Mrs. H. P. Pwotka and Mrs. John Denzer, grandmothers of the groom.

Serving as hostesses were Mrs. Mmes. Walter Denzer, D. J. Hlavaty, Edgar Ehler, J. L. Pwotka, Milton Pwotka, Ikey Kubacek, Albert Kuss, Leo Moczogemba, J. L. Kubacek, A. A. Wimmer, Hubert Schwertner, Raymond Buxkemper, O. J. Buxkemper, Robert Bednarz, R. L. Echols, and Misses Cathy and Phyllis Pwotka, and Diane Denzer.

Hostess gift was an electric mixer.

Nursing Home News

By Bobbie Greer

We are all happy about our hair dryer given to the home by the Nursing Home Ladies Auxiliary. This is an item that is so useful, and can be moved from room to room for the residents convenience. Mrs. Winnie Vaughn found the dryer

for the Auxiliary, and we want to say thanks to them all. The Auxiliary had a Bingo Party May 12 at the home, and is always a great occasion for our residents.

Wednesday was party day for the residents who had birthdays in April and May. Honored at this party were: Lucy Butler, Julio Quinterio, Annie Davis, Ola Shockley, Lee Wooten, Mary Krecha and Daisy O'Conner. It was a very nice party for all the residents with cake, cookies and pink lemonade. The honored residents also received roses and birthday cards.

Vada Wojcik, our administrator, has been going to school for about a year, and will finish her course next Thursday.

Rev. Vernon Hagar, who was the former administrator, has also finished his schooling and is now the administrator at Lakeside Nursing Home in Lubbock.

We extend sympathy to the family of Pauline Terry. She had been in our home for a long time.

Mrs. Erna Klaus of Southland is a new resident of the home, along with Mrs. Fred Stephen. We hope these two ladies will be very happy with us.

GIFT FOR NURSING HOME--Mrs. R. J. Clark, left, who is treasurer of the Ladies Auxiliary of Slaton Nursing Home, and Mrs. Dick Hartman, right, who is secretary, present a hair dryer to the home. One of the residents, Mrs. Bertha Walker, expressed her appreciation to the auxiliary. (SLATONITE PHOTO)

Wedding Vows Read In Slaton Church

Carol Stolle Is Shower Honoree

MRS. MICHAEL VANDEBERGHE
... Kathryn Kitten

Miss Kathryn Elizabeth Kitten and Michael James Vandenberghe of Portland, Ore. exchanged double ring wedding vows at 3 p.m. Saturday in St. Joseph's Catholic Church here with the Rev. Brendan T. McCormick, assistant pastor, officiating.

Mr. and Mrs. Norbert V. Kitten of Slaton are parents of the bride. Parents of the bridegroom are Mr. and Mrs. Henry J. Vandenberghe of Portland, Ore.

The bride, given in marriage by her father, wore a formal-length gown of Chantilly lace and organza, fashioned with tiny pearls outlining the shallow scoop neckline. The sleeves, also of Chantilly lace, tapered to a point at the wrist. The empire bodice was accented with a bow which tapered the A-line skirt. The gown featured a Watteau back that swept into a chapel-length train of lace attached at the shoulder. Her matching veil of imported illusion was shoulder length and attached to a band of organza flowers. She carried a cascade bouquet of gladioli, feathered carnations and lily-of-the-valley.

Mrs. Dennis Brooks was her sisters' matron of honor. Bridesmaids were Miss Cindy Steffens and Miss Kit Kveton of Abernathy. They wore formal empire-style pant dresses of deep purple charmeuse featuring floral print bodices and satin ribbon trimming. Each carried a cascade bouquet of purple asters.

Mike Kitten of Arlington, brother of the bride, was best man. Groomsmen were other brothers, Bill Kitten and Stanley Kitten. Another brother, Gordon Kitten of Lubbock, and Dennis Brooks of Lawton, Okla. were ushers.

Wedding selections were presented by Mrs. Alan Jones, organist, and Mrs. Royce Heinrich, soloist.

With a destination of Portland, Ore., the couples' wedding trip was by way of Grand Canyon, Las Vegas, Nev., Yosemite Park, and Disneyland. They plan to reside in Portland.

A reception in St. Joseph's Hall honored the couple following the ceremony. The bride holds a B.S. degree in Nursing from Incarnate Word College in San Antonio. The bridegroom attended Portland State University and the University of Oregon.

A rehearsal dinner was held at a Lubbock restaurant Friday.

Miss Carol Stolle, bride-elect of Alvin Cowen, was honored with a bridal shower Saturday afternoon at Grace Lutheran Parish Hall.

Receiving guests with Carol was her mother, Mrs. Walter Stolle. Guests were registered by Mrs. Willie Becker, and Mrs. LeRoy Zieschang and Mrs. Alvin Becker presided over the refreshment table. The table was decorated with yellow and white centerpiece with crystal and silver appointments.

Hostesses included Mmes. Willie Becker, Alvin Becker, Alfreda Becker, R. L. Camden, Amos Gerner, Selma Kiesel, Lee Limmer, James Riney, Arthur Stolle, Edmund Stolle, E. C. Stabero, Edmund Wilke, W. H. Walter and LeRoy Zieschang.

Hostess gifts were a lamp and the floral permanent centerpiece.

Roosevelt YH Elects Officers

The Roosevelt Young Homemakers met Tuesday at the Roosevelt Club House for the election of new officers. They include: president - Mrs. Bill Sides; vice president - Mrs. Don Richardson; year books and projects, Mrs. Dale Hobbs; program of work - Mrs. Bennie Sides; awards, Mrs. R. H. Hill; secretary, Mrs. Ray Hinsley; treasurer - Mrs. Lonnie Adams; reporter, Mrs. Wilbur Kevil; parliamentary and historian, Mrs. Ray Jones.

Mrs. C. T. Bessent gave a devotional entitled "A Farm Wife Takes Inventory." The program for the day concerned flag etiquette, display, care, and history, also given by Mrs. Bessent.

The next meeting will be held June 22 at 2 p.m.

Club Presents Roses to City

The Daughters of Pioneer Study Club presented the City of Slaton a dozen rose bushes the past week.

The rose bushes, presented as one of the club's civic projects, will replace plants which have died around the Municipal Building.

McClesky Is Shower Honoree Couple Sets Wedding Date

McClesky, bride-elect of Larry P. Howard, her mother and sister.

The refreshment table was laid with a white cloth and centered with an arrangement featuring colors of silver and pink.

Hostess gift was stainless steel cookware.

Serving as hostesses were Mmes. Raymond Wood, Bob Kern, M. G. Davis, John Dodson, Fred Fleming, Tim Bourn, Joe Miles, J. D. Perkins, M. W. Kerr and T. C. Martin.

The couple plans to wed Saturday, June 5 in the Chapel of Highland Baptist Church in Dallas.

Mr. and Mrs. Marvin Williams of Rt. 1, Lubbock have announced the engagement of their daughter, Miss Debra Kate Williams, to Dewain Leon Hale, son of Mr. and Mrs. Leon Hale of Lubbock.

The bride attends Roosevelt High School. Her fiancé was graduated from Lubbock High School and attends Texas Tech University.

Miss Williams and Hale plan to wed June 12 at the home of the bridegroom's parents.

Fondy-Taylor Nuptials Pledged In Post Church

Miss Mickie Sue Taylor, daughter of Mr. and Mrs. Joe B. Taylor of Post, and Joe Wayne Fondy, son of Mr. and Mrs. Joe B. Fondy of Slaton, repeated wedding vows Friday in First Baptist Church, Post.

A. C. Hardin, pastor, officiated. Given in marriage by her father, the bride wore a floor length gown of Peau de Soie with Chantelle lace on the bodice, and petal point sleeves.

Her gown featured a beauteous neckline and fitted bodice. Her veil of silk illusion fell to the floor from a bandeau of seed pearls and lace.

She carried a bouquet of cascading white carnations centered with a white orchid.

Miss Charlotte Taylor served her sister as maid of honor. LuAnne Fondy served as bridesmaid. They wore floor length dresses of pastel blue Peau de Soie with empire waistlines. Their bouquets were in a colonial style in spring colors.

Wesley Fondy served his brother as best man. Tate Fondy served as groomsman.

Ushers were Alan Fondy of Slaton and Leslie Fondy of Belen, N.M. Andrea Jene' Glasscock of Houston served as flower girl. Mrs. Boo Olson of Post played traditional wedding music on the organ.

Brad Robison and Kyle Wayne Perkins assisted in seating guests, and lighted candles for the service.

A reception followed in the church. The bride wore a grey dress with white accessories and white orchid for a wedding trip to Red River, N.M. They will make their home at 2903 Third Place, Apt. D-11, Lubbock.

Fondy and his bride are graduating seniors at Texas Tech. He has majored in Government, and she is an education major.

The little black dress is back and all is right with the fashion world! This seemed to be the theme of the fashion world in the Dallas Market held this week. The stress is on the dress and though the pant suit will still be with us the dress is, too! This put us on the spot and consequently we bought DRESSES! Will have them available to you at "The Pants Corner" from now on.

The short jacket, blazer and cardigan contribute to the dress, plus trend which is developing rapidly. The jacketed look is interpreted in sportswear separates and weekenders will be a must on your clothing agenda.

Oh yes, almost forgot, hot pance are very prevalent for summer and fall. If you can't show them, wear them hidden with a skirt for street or after-five wear. They are really beautiful with colored hosiery. Incidentally, we now have hosiery stocked for your convenience. Also, have pant liners on the way.

Laura Kate Childers, Mrs. Ferne Geer, Mrs. Cordella Bednarz and Mrs. W. H. Eaves were the lucky winners of the drawing held Friday. We are happy for them.

While at market we purchased a beautiful array of 100% polyester double knit fabrics which, starting today, will be on a special sale table for only \$3.25, \$3.75 and a beautiful boucle knit for \$2.95! A colorful assortment of plains, stripes, checks and jaguars are available in dress and suit lengths. Come see them -- you'll want several!

Our Fashion Show, sponsored by the Redeemer Lutheran Women's Missionary League, will be June 3 at 8 p.m. in the Parish Hall of Redeemer Lutheran Church in Lubbock. There is no charge and everyone is invited. Door prizes will be given. A free will offering will be taken and proceeds will provide a scholarship and student aid assistance for young people attending Concordia Lutheran College in Austin. Be sure and come see our latest trends in fashion!

FIGHT HIGH TAXES ON REAL ESTATE

—ESPECIALLY YOUR OWN!!!

To those whose taxes were RAISED in recent years by School or County TAX AGENCIES, an experienced tax consultant offers advice and help.

ASK YOURSELF THESE QUESTIONS:

1. Is YOUR assessed value IN LINE with others?
2. Do you KNOW the simple steps needed to get FAIR VALUATION to the PROPER OFFICIALS?
3. Do you know HOW to PRESENT the REAL facts about your property to the PROPER OFFICIALS?

If you answer YES to the above, we can only supply you with items that effect value. But if your answer is NO our service may save you many times its cost each month or year. Your Board of Equalization WANTS to treat you fairly, but can't do so unless it has the FACTS. Know MORE about your own property than any ASSESSOR. NOW is the time to JOIN THE TAXPAYERS REVOLT!!!

Southland News

BY TOMMIE WILKE

Hail Storm Pounds Community

Hello dear readers. Another week has gone by and we have had several kinds of weather here at Southland. Last week on Thursday, we had a terrific hail storm. In fact, it hailed three different times, but the last one was a "pip". The rain varied from 1/2 to 1 1/2 inches. And of course, the wind and sand has blown just about everyday! The hail was bad at our house, but east of us, it looked like the dead of winter -- the hail was so deep and covered the ground completely! Looked real weird!

I had a very nice surprise Monday and am real happy to say that our little community news really gets around. Mr. and Mrs. Ray Farrar from Ontario, Calif. came through Southland on their way down country, and they stopped by the Post Office, to meet me and tell me how much they enjoy the Southland Column. They both used to live around here and Mrs. Farrar is the former Maxine Loyd. They were married in 1926 and lived here until 1927 and then they moved to California. Mr. Farrar was the County Commissioner, Precinct 1, in the years 1925 and 1926 and was the youngest commissioner at that time. They now have three children, two boys and one girl, and they are all married. They also have six grandchildren. Some of you might remember this family. I enjoyed talking to him very much. I didn't get to meet Mrs. Farrar because she wasn't feeling too well and stayed in the car. I do appreciate his thoughtfulness!

Donald's niece and nephew, Phyllis Pennell Hurst and Sgt. Stephen Pennell who is stationed at Fort Hood.

Otto Klaus was a dinner guest this Sunday and last Sunday in the home of Mr. and Mrs. Werner Klaus at Wilson. His granddaughter, Audrey and her husband were there the Sunday before. Mrs. Klaus is still about the same.

Mr. and Mrs. Bobby Halliburton have been in Amarillo visiting with her parents, the J. F. Winterrows. Their home is in Washington.

Congratulations to Mr. and Mrs. Donald Wayne Crawford on birth of their daughter, Tiffany Michelle Crawford, who was born on Friday, May 21st in Highland Hospital, Lubbock. This little gal -- or should I say big gal -- weighed 8 lbs., 3 ozs. The proud Southland grandparents are Mr. and Mrs. F.W. Crawford. May God's love be with this young family.

Mrs. Lucille Myers is in Dallas this week attending market.

Congratulations to Darrell Hill, son of Rev. and Mrs. H. W. Hill, for being the Salutatorian of his graduating class. He lives at Anton now, but did live here at Southland for several years. His grade point was 95.33. Rev. Hill was formerly the Southland Baptist Minister.

Mrs. Herman Havis spent

several days in Oklahoma recently where she attended the graduating exercises for her nephew. Her sister from Corpus Christi was also there. Congratulations to Monique Adamek on her 6th birthday, May 24th.

Mr. and Mrs. Pete Lancaster and Mr. and Mrs. Earl Lancaster went to Muleshoe Sunday where they visited with Mr. and Mrs. W. F. Lancaster, W. F. (Bill), is Pete's father and Earl's brother.

Mrs. Louise Corson, of Slaton, visited here with her parents, Mr. and Mrs. Ed Denton, Sunday.

Mr. and Mrs. Sammy Wartes and daughter from Albuquerque, N.M., visited here over the week-end with his parents, Mr. and Mrs. Carl Wartes.

F. W. Callaway's brother, Lester, and wife and his sister visited in their home over the week end. They are from Walnut Springs.

We are glad to have our daughter, Sherri home from T.L.C. Edmund and Yours Truly visited in Hereford Sunday with Mr. and Mrs. George Tiedel, Ted and Jake.

Here is something good to remember: "Any trouble that is too small to take to God in prayer is too small to worry about."

The Southland seniors left on Wednesday morning for parts of New Mexico and Colorado.

CHARLOTTE SCHUETTE

Miss Schuette Is Graduate

SAN ANTONIO, TEXAS (IWC) --Miss Charlotte A. Schuette, granddaughter of Alma Nesbitt of Slaton, received the Bachelor of Science degree in nursing from Incarnate Word College today.

Miss Schuette is the daughter of Mr. and Mrs. Milton W. Schuette of Fredericksburg. She received her diploma in ceremonies held at San Antonio's Theatre for the Performing Arts. Dr. Sterling F. Wheeler, interim president, conferred the 247 undergraduate and graduate degrees upon the May candidates. With an additional 82 students due to graduate this summer, the class is the largest in the College's 90-year history.

Dr. Earl Jones of Texas A&M University, president-designate of Incarnate Word College, delivered the commencement address.

"REMEMBER"
BY THE OLD TIMER

From Clark Bowers, Bryan, Ohio: "I remember many years back when mother made rock candy and when a penny was a lot of money. We could buy peppermints and gunballs, jawbreakers, licorice pipes, and cinnamon twists. Seeing mother make starch was a thrill. If any was left, we kids could use it for pasting pictures cut from old magazines."

Senior Citizens Club Meets

Rev. C. T. Jordan, minister of First Baptist Church of Southland, was speaker Friday for the Senior Citizens Club. He spoke from the 14th chapter of St. John, and his text was "As Advertised". Mrs. Fannie Patterson, president, conducted the business

meeting.

Reports were made on members who were ill, and they included Mrs. Anna Bell Tucker, Mrs. B. A. Hanna, and Tom Bickers. Mrs. Alvin White led the group in singing while Mrs. Harley Atup played the piano. (Mrs. Fannie Patterson, president of the group, fell at her home last week and suffered a broken arm, but that didn't prevent her from attending the meeting Friday.)

'Undersea Adventure' Is Summer Fun

The Slaton Branch of Lubbock City - County Libraries will be the busiest place in town Tuesday, June 1 when the annual Vacation Reading Program gets underway.

The theme this year is Undersea Adventure and boys and girls will register at the library and then read three books in order to earn their picture - membership cards. After that they will be given a paste-on diver for each of the books they read, with a paste-on treasure chest as the final one - for the 20th book -- signifying they have made the Honor Roll of Readers -- This honor roll classified by schools will be posted in the Slaton branch and also in the Central library in Lubbock. A list of honor readers then will be sent to the respective school principals where further recognition will be given.

This is the 17th annual Vacation Reading Club sponsored by the Lubbock City - County Libraries. "The slogan 'Dive into Summer-Join the Undersea Adventure Club' is sparking the interest of boys and girls county-wide" according to Mrs. Ella Mae Platz, Head of Children's Services, who pointed out "our bookmobile will make it available to New Deal, Shallowater, and Wolforth. In addition to the main library in Lubbock, Slaton, and Idalou branches carry the program and 36 elementary school libraries in Lubbock are staying open two days a week to make it available on a neighborhood basis. Reading has indeed become big business!"

Last year 371 boys and girls registered at the Slaton library for the Paddle-to-the-Sea reading program and 155 of them became Honor Readers. "Eager

readers are already inquiring how soon they can join up," said Mrs. Polly Helgin, Slaton Librarian, "and we are expecting a big summer of reading fun."

The Slaton Branch Library will be closed Monday for Memorial Day. Mrs. Jackie McElfresh and her second grade pupils from West Ward School made a tour of the library Wednesday.

Library hours are 11:30 a.m. to 6 p.m. on weekdays, and 9 a.m. to 4:30 on Saturdays.

TALENT WINNER

Slaton Miss To Compete In State Contest

Two Slaton girls were runners-up in the South Plains Our Little Miss Contest held in Lubbock Saturday night. Marsha Dea Davis, eight-year-old daughter of Mr. and Mrs. M. G. Davis, was first runner-up and winner of the talent contest. Susan Hendrix, 12-year-old daughter of Mr. and Mrs. Travis Hendrix, was fourth runner-up.

Karla Watts of Ropesville was winner of the contest. The pageant was sponsored by the Topperette Twirlers.

Marsha Dea won the talent contest with her tap dancing skills. She will compete at the Our Little Miss contest in Waco June 21-25. Susan did a twirling routine as her talent. They were both entered in the 7 to 12 age group.

Immunization Clinic Here

The local immunization clinic, conducted by the Lubbock County Health Department, will be held Thursday at the community center building. The center is located between 4th and 5th Streets on Powers. Immunizations available include smallpox, diphtheria, whooping cough, polio, tetanus and typhoid. The clinic will be held the first Thursday at the center, and is to be administered by Mrs. Jeannie Johns, county health nurse.

Mrs. Gladys Blair, executive director of the Slaton Housing Authority, where the clinic is to be held, said that other services available through the center will include general health services, a family planning clinic, maternity clinic and dental clinic. Some of these will be on a referral basis with the larger facilities in Lubbock. It was reported that, if this would cause a transportation problem for some persons, transportation can be provided.

BLUEJACKET OF THE MONTH--AMH2 John E. Blythe, USN of Patrol Squadron Sixteen, was selected as Bluejacket of the month for March. Blythe, grandson of Mr. and Mrs. Willie Becker of Slaton is a former area resident. He was cited for showing leadership and dedication to duty far in excess of that expected, and had demonstrated outstanding efficiency, moral leadership, military behavior and has promoted high morale within the squadron.

FAMILY POT LUCK

Summer is the season for tomatoes. For a tip-top treat, combine them with canned corn beef hash. Slice tops from 6 tomatoes, scoop out pulp and lightly salt inside. Combine 1 can (16 oz.) corned beef hash with 1/2 cup nonfat dry milk and 1 teaspoon prepared mustard. Fill tomatoes with meat mixture and place in baking pan or casserole. Bake at 400 degrees F. 20 to 25 minutes or until heated through.

Fresh vegetables can be fashioned into many delightful sandwich concoctions. Try tomato slices, onion rings and cheese on toasted English muffins.

For a dressing to complement fruit or aspic salads, try mixing either dairy sour cream or whipped sweet cream with an equal amount of mayonnaise.

LEGION AWARDS PRESENTED

Nine Graduate From St. Joseph School

Eighth grade graduation for St. Joseph School was held last Thursday evening, beginning with a Liturgy Service at 6:30 p.m. at St. Joseph Church and a banquet following at 7:30 p.m. at The Chaparral Restaurant.

Luther Gregory, representing the Luther Powers American Legion Post 438, presented the American Legion Awards at the banquet. The coveted awards went to Matt Kitten, son of Mr. and Mrs. Andrew Kitten and Vickie Madrid, daughter of Mr. and Mrs. Eddie Madrid.

Other graduates were Matt Becker, Linda Briseno, Ricky Denzer, Glenn Heinrich, James Kahlich, Mark Mosser, and Rebecca Verkamp. The graduates' parents attended the banquet.

Speaker for the banquet was Msgr. Peter Morsch, pastor of St. Joseph Church. Andrew Kitten and Vickie Madrid gave the response to his address. St. Joseph School officially ended classes Friday with a Liturgy Service and distribution of report cards.

St. Joseph's School Accepting Applicants for Enrollment

Sister Mary Angelita, principal of St. Joseph's School, has announced that there are still vacancies in all grades for the next school year's enrollment. For entrance into the first grade, the child must be six years old by Sept. 1.

Sister Angelita reported to the Slatonite that rumors have been going around that St. Joseph's School might close. This may have stemmed from the fact that all private schools and other institutions periodically undergo self-evaluations, such as was conducted at St. Joseph's recently. As far as can be seen at this time, the school will continue in operation for many more years, provided they have enough students.

If you are interested in sending your child to St. Joseph's, call Sister Angelita by May 27. General registration day will be Friday, August 20.

Where the Jobs Are

As the Class of '71 rebores for its big day, the outlook for jobs is not bright. With the economy still soft, it's questionable how well the economy can absorb several million newcomers to the labor force.

It is ironic that a class which has been exposed to propaganda that profit is a dirty word may itself suffer from a lack of career opportunities because of declining business profits. Every job represents an investment, and profits make such investments possible.

For years and years, teaching has been a career which has taken a majority of women college graduates, yet even that field is tight now. The labor Department in a job forecast for the 1971-1980 decade predicts that elementary and secondary teaching jobs will decline until about 1973.

The government also believes that farm jobs will decline 23 per cent by 1980, continuing a long-standing trend. The brightest prospects in private industry will be the services, professions and construction.

But the biggest increase in employment foreseen over the next 10 years will be in state and local government, a whopping 52 per cent jump, the Labor Department predicts.

Preparation Of Seedbed Emphasized In Planting Of Narrow-Row Cotton

the perennial problem of farmers at planting time is the control of weeds. Both State and Federal agencies are working to find a better way to control weeds. The use of herbicides is one method, but it is not always effective. Another method is the use of mechanical weeding. This is done by using a hoe or a similar implement to pull up the weeds. This method is more labor intensive, but it is more effective in the long run.

better in some bygone age when our ancestors lived closer to nature. . . desiring a return to 'good old days' that never were. . .

"In all the furor about DDT people seem to forget, if they ever knew, that in 1950 there were 200 million people in the world suffering from malaria and two million of them died each year. Now, twenty years later, 40 per cent of the world's population live in malaria-free areas. Another 40 per cent live in areas protected by currently active DDT control programs. In India alone there were 75 million cases of malaria reported in 1953. In 1967 there were fewer than 100,000 cases. That's one case in 1967 for every 750 cases that there were 14 years earlier. . ."

been misdirected toward the attainment of a balance of nature, as nature now exists, or toward some hypothetical balance of nature which supposedly existed at an earlier date.

"Such endeavors would drain our energies and lead only to disappointment because the biosphere upon which life depends is, in itself, a dynamic and constantly changing entity. The forces acting upon earth and its biosphere are both external and internal. The external forces exerted by the solar system are so much greater than the internal forces exerted by man that it is open to conjecture as to whether the efforts of man himself really count for very much in terms of determining the direction of the gross environmental regime within our biosphere."

Cultural practices become more critical when shifting to the narrow - row method of cotton production, and seedbed preparation is certainly no exception. In fact, there is less margin for error in preparing a good seedbed.

As far as the planting rate is concerned, the agronomist points out that highest yields under irrigation have been obtained from planting four to six good quality, acid delinted seeds per foot of row. On double rows this means about 30 pounds per acre and from 60 to 65 pounds per acre for 10 - inch drilled rows.

to provide the needed moisture for germination and plant emergence.

Generally, producers who plan to follow the narrow - row method of cotton production can enjoy a little more flexibility as far as the growing season is concerned, adds the agronomist. Narrow - row varieties are generally smaller in stature and require less time to reach maturity. So the growing season is shortened somewhat. Thus producers can afford to wait a little longer before planting without having to be concerned about the hazard of an early freeze.

"Narrow - row patterns almost necessitate on - the - bed or flat planting," says Dr. Robert Metzger, area agronomist with the Texas Agricultural Extension Service. The method of irrigation must be considered, too. Flat planting works well under sprinkler irrigation while on - the - bed planting is recommended for furrow irrigation.

"Keeping planting rates low is the key to successful narrow - row production on dryland," emphasizes Metzger. "Producers should shoot for a plant population equivalent to one plant per square foot or 43,560 plants per acre. This means about 15 pounds of delinted seed per acre for dryland production regardless of the row spacing used."

"The narrow - row method of production does require special adjustments as well as more critical management decisions," points out Metzger. "However, there are dividends to be reaped by producers who can make the change."

On a more general note, Dr. Kottman said "We take it for granted that modern drugs save millions of lives. We know also that some people have died through careless use or overdose of commonly used medicinal drugs. It is paradoxical therefore that nobody wants to ban penicillin because the allergic reaction to penicillin kills a great many more people each year than pesticides."

However, Dr. Kottman concedes that man does have a substantial capability to influence his immediate environment. Agriculture also recognizes this capability and is perfectly willing to assume its part of the responsibility for taking rational action toward a livable atmosphere.

Metzger suggests that new producers may first want to consider planting in intermediate row widths or double rows rather than in the very narrow, graindrilled row widths. Row widths 20 to 32 inches apart or two rows on the conventional 40 - inch bed have offered the most consistent results. Furthermore, equipment adjustments are not as drastic, and present varieties have performed better in intermediate row spacings.

"Double rows should be spaced as wide apart as possible for best results," contends Metzger. "With double rows spaced 26 inches apart, dry soil can be moved to get seed in moist soil when planting. Also, cultivation to control weeds or the application of post - emergence herbicides will be more effective."

Lack of surface moisture is often a problem when producers plant flat with a grain drill. This necessitates the use of a sprinkler irrigation system

Environmental purists, particularly insecticides, are particularly concerned about the fact that they have on record mass death caused by DDT in normal food.

"The point I would like to make is that we must learn to balance benefits against risks, whether we are dealing with pesticides, penicillin, automobiles or any other element of our environment. The fact of the matter is that aspirin annually kills several times as many people as the most dangerous of our pesticides. Aspirin killed ten times more people in 1961 than did parathion, and parathion is a dangerous pesticide in terms of human health for those who handle the product."

As PCG Board Chairman Don Anderson of Crosbyton recently stated before the Senate Committee on Environmental Matters in Austin "We are all interested in maintaining maximum purity of the environment, but we must all agree as well on the need to continue producing adequate supplies of food and fiber for our nation and others in the world. Therefore any ban on use, or even restrictions on use, of agricultural chemicals should be taken only after informed deliberation and extreme caution."

Therefore any ban on use, or even restrictions on use, of agricultural chemicals should be taken only after informed deliberation and extreme caution."

Earlier in his address Dr. Kottman made another point worth pondering. He noted that agriculture by the year 2000 will be required to feed six billion people, almost double the present population, and that if we fail "it will not be because the resources of our planet are inadequate, but because our attention, and energies will have

Expert Explains Lawn Watering

He suggests several cultural practices that can save precious water even if its use is not restricted. Use a mulch whenever possible. It reduces the surface evaporation and keeps the root zone cooler. Pine bark, wood shavings, straw, hay, gravel, plastic film, mulching papers and other materials may be used.

The current drought is forcing homeowners throughout Texas to make a difficult decision. How can the limited supply of water available for irrigation be best used in the home landscape?

Use soaker hoses or flood irrigation whenever possible. Sprinkler irrigation during the daytime or on windy days will result in high moisture loss to evaporation. If sprinklers must be used, then Janne suggests using sprinkler heads that will allow the soil to take up the moisture as fast as it falls.

In some areas, certain plants may have to be sacrificed in order to save others, reminds Everett Janne, Extension landscape horticulturist.

In general, plants used in the home landscape can be grouped as lawn and ground cover, shrub borders, flower beds and trees. And since trees usually serve a multipurpose providing enrichment, backgrounds, and shade, they are difficult to replace. Years are required to grow a tree large enough to be effective in the landscape; therefore, suggests Janne, it's wise to keep trees watered even if it means sacrificing other choice plants. For, he adds, a lawn or shrub area can be replaced in a season or two with the return of more favorable weather conditions.

Remember, says the specialist that the evaporation rate is usually lowest from late in the evening to early morning. Sprinkler irrigation is most effective during these hours. Plant disease problems may be increased by night watering but they can be effectively controlled with fungicides, says Janne.

And finally, he advises putting on enough water to soak the soil to a depth of six to eight inches. Deep soaking encourages deep root penetration and allows the plant to make the best use of the available water. Light water applications are wasteful and encourages shallow root system.

"I REMEMBER"
BY THE OLD TIMER

From Mrs. Richard C. Noble, Bunker Hill, Ill. I can easily remember 50 years ago and longer. How different our childhood days were then. I remember Christmas. We never had our Christmas tree until Christmas Eve or Christmas morn - because we used candles and therefore needed adult supervision. I remember that most homes were only partly heated and our tree was placed in one of the cold rooms. Every Sunday night it was brought out and we would light it and dance around the tree. Once I caught my hair on fire. I remember birthdays were a

Our best tire is so good we guarantee the first 50,000 miles.

Mobil brings you the Radial tire.

The tire that's tough enough to be guaranteed for 50,000 miles. That's about 12,500 round trips to the market. Or about 5,000 round trips to work. Or at least two round trips to Timbuktu from anywhere.

Mobil Radials are up to 16% wider than conventional tires, to put more rubber on the road. And the Mobil radial design keeps the tread from "squirmying" sideways - the major cause of tire wear.

Mobil Radial's tread stays open to run cooler. Delivers tighter traction and surer stopping on wet pavement. And this tire even rolls easier to give you better gas mileage.

The Mobil Radial tire. See it today at your Mobil Dealer.

Charge them and pay monthly on your Mobil Credit Card.

We also honor Master Charge, BankAmericard, American Express, and Carte Blanche.

Mobil Radial Tire Guarantee

Mobil Radial Tires are guaranteed to give 50,000 miles on the original tread. Guarantee applicable only to original purchaser and to vehicle on which tires originally installed. Tread-wear indicators must be clearly visible, and guarantee certificate registered with Mobil Oil Corporation must be presented.

This tire is also guaranteed against defects in materials, workmanship, or normal road hazards (such as blowouts or fabric breaks and cuts which render tire unserviceable), and will be adjusted on tread depth unless Mobil determines defects can be safely repaired.

Tires used on taxicabs, police vehicles, pickup trucks, or other commercially used vehicles, or if installed in size other than original equipment specifications, or that have irregular tread-wear pattern due to mechanical conditions, or loss or damage caused by fire, theft, wreck, collision, running flat, cutting by chains, obstruction on vehicle, or any willful abuse, are excluded from this guarantee.

If a Mobil Radial Tire falls under this guarantee, allowance will be made on the purchase of a new Radial Tire based on Mobil's printed "Pre-determined Price for Adjustment" current at the time of adjustment, which price is intended to fairly represent the actual selling price at time of adjustment. Liability is limited to replacement of the Mobil Tire.

High Scores, Few Hits in Babe Ruth

Citizens State Bank and Montgomery Irrigation clashed Wednesday night to determine the early leader in Slaton Babe Ruth League baseball. Each team had 2-0 records going in to the contest.

There were no games Monday or Tuesday due to school graduation exercises. Slaton Co-Op Gin takes on Crawford Chevrolet tonight, and CSB meets Slaton Furniture Center Friday night.

Montgomery tallied seven runs in the first frame and went on to post a 10-6 triumph over the Furniture Center Friday. The winners had only five hits, while SFC had six hits. Jerry Montgomery had two hits for the Irrigation team, while Bobby Hightower, the losing hurler, led SFC with a double and a triple.

CSB rallied for four runs in the fifth frame and choked off a Gin rally to win a close

8-7 game last week. Walks and errors accounted for most of the scoring, since there were only three hits in the game. CSB had only one hit, a single by David Magallanes, while the losers had two hits -- singles by Clarence Trotty and Rudy Escobar. Ronnie Smith was the winning pitcher, while Escobar was the loser.

In the other game last week, Crawford Chevrolet scored a 12-4 victory over the Furniture Center. Simon Gonzales won with a two-hitter against SFC, while the Chevy team had five hits off loser John Whaley. Clemmons and Kuss had the hits for SFC. Hammons, Pinkert, Valderaz, Gonzales and Scott each had a hit for the Chevy team.

Records prior to Wednesday night: CSB 2-0, Montgomery 2-0, Crawford 1-1, Slaton Co-Op Gin 0-2, Furniture Center 0-2.

FROM FIRST TO TWELFTH--These seven graduating Slaton seniors got together with their first-grade teacher, Mrs. Edith Brooks, Tuesday night to enjoy ice cream together and to reminisce over the years. Left to right--Betty Belote, Marilyn Meeks, Melissa Holloman and Jane Webb; back--Tom Melton, Glen Akin Jr., Mrs. Brooks, and Dick Davis.

Danny Ardrey Wins Second In PHT Contest

Just one foot more and Danny Ardrey would have won the Pitch, Hit and Throw contest held in Lubbock Saturday. He came in second and was presented with a trophy.

Lonnie Ardrey won third place in his division. He is 11 years old, Danny is nine. They are the sons of Mr. and Mrs. Milton Ardrey and are both playing Little League baseball here.

Basketball Clinic At SPC

LEVELLAND (Special) South Plains College will hold a one-week Basketball Clinic for boys July 12 through July 16. Any boy who will be in the fourth, fifth, sixth, seventh or eighth grades at the beginning of school in the Fall of 1971, is eligible to participate.

Boys will be divided into groups according to their grade level in the public schools. Each boy will receive an hour's instruction each day for five days. Fourth grade boys will meet from 8:30 to 9:30 a.m.; fifth grade from 9:30 to 10:30 a.m.; sixth grade from 10:30 to 11:30 a.m.; seventh and eighth grades from 11:30 to 12:30 p.m. All sessions will be held in the

Women's Gymnasium on the campus of South Plains College. C. W. Dukes will be the instructor and supervisor of the clinic.

As each group will be limited to twelve boys, registration will be received on "first come, first serve" basis. Registration can be completed at any time between now and July 12 at the Central Office of the Technical Arts Building. Total cost of the clinic is \$10.

Boys will need to furnish their own tennis shoes and gym clothes. The clinic will emphasize the basic fundamentals of basketball; included will be instruction in dribbling, passing, seeing, shooting, defense,

offense and rebounding.

For further information, contact the Office of Continuing Education at South Plains College, phone 894-4921.

Farmer praised Perkins as a man "who really believes in the slogan -- 'Support Your Local Police', and who a number of officers had recommended for this award." Perkins, who operates a wrecker service from his station, "is always ready to answer police calls at any hour of the day or night," said Farmer.

The police chief said that Perkins aided the department many times in getting disabled police vehicles back into action. "Much of his help has been at no cost and some at little cost to the city," Farmer stated. He added that Perkins also helped Scouts, youth organizations, and the Civil Defense unit in working on their vehicles or equipment.

aid of our department on many occasions," Farmer stressed. He added that the patrolman had become "involved in the community", though work as a Lion and in other areas.

Mayor Bland Tomlinson and all four city commissioners were special guests at the banquet. Mayor Tomlinson, in closing the event, said "the city commission is very proud of our police department."

Other guests included City Judge Harry Stokes, Justice of the Peace Arvin Stafford, Police Chaplain Bruce Parks, and Slatonite publisher O.G. Nieman. Wives and dates of the officers and their guests were also in attendance.

LITTLE LEAGUE RESULTS

Teague Drug tasted defeat for the first time this season Tuesday night, and Slaton Co-Op Gin was the giant killer in the 5-3 contest. The Lions Club won two games the past week.

Teague leads the league with a 5-1 won-lost record, followed by VFW with a 3-2 mark. Slaton Co-Op Gin and the Lions Club are even at 3-3, while Hackberry Co-Op Gin is 2-4 and the Trainmen are 1-4.

VFW and the Trainmen were to play Wednesday night, and the Lions meet the Slaton Co-Op Gin tonight. Teague meets Hackberry Friday night.

Donald Robinson stopped Teague on six hits Tuesday night, and the Slaton Co-Op Gin hurler also slammed out a triple and single to lead the winners' seven-hit attack. Billy Daniels contributed a single and double for the winners. Barry Copeland had a triple and single to spark Teague.

The Lions scored a close 3-2 victory over Hackberry Monday night with Steve Wood and Loran Roberts working three innings each and giving up only three hits. The Lions had just four hits off two Hackberry hurlers. Tim Bourn had a double for the winners, while Wood, Roberts and Ronnie Rackler had singles. Johnny Aguliar, Mike Tomlinson and Ed Kitten had Hackberry's base hits.

Teague Drug scored a 7-5 win over the Trainmen Friday with Phil Bruedigam and Barry Copeland pitching for the winners. Bruedigam connected for a bases-empty homer in the first and also had a double. Copeland and Rudy Ramirez also had two hits each. Bob Melton had a single and double for the Trainmen, who collected just five hits.

The Lions downed VFW by 6-4 last week with Wood and Roberts combining for a three-hitter. The Lions had seven hits and Roberts got three of them, including one double. Lonnie Ardrey had two hits and Cordell Fields one for the VFW team.

Hackberry rolled past Slaton Co-Op Gin, 13-3, in the other game last week. The winners had only six hits but used walks and errors to run up the score. The Gin had 10 hits but left 9 runners on the bases. The Hackberry hits were scattered, while Jim Gray had three hits for the losers, and Don Robinson hit a home run to account for two of the runs.

A GAS outdoor grill gives food a tangy outdoor flavor without the time and bother of charcoal fire. Char-broiled flavor comes from the smoke of meat juices dripping on hot briquets. Charcoal itself provides no flavor.

Permanent ceramic briquets in the gas grill reach cooking heat in a few minutes, and there is no long wait to start cooking. The heat is regulated manually so there is no need to move a grill up or down.

Best Gardening Plans Outlined

There's no foolproof plan for growing an attractive garden, but soil preparation, fertilization, watering, and the use of good plants are some practices that can help, according to Everett Janne, Extension landscape horticulturist.

Garden soils should be loose and friable to prevent crusting during dry spells. Janne recommends digging up the soil and working in plenty of spagnum peat moss. A layer of three to four inches should be applied over the bed and worked into the soil to six or eight inches.

Fertilizer should be mixed in when preparing the flower bed at the rate of two to three pounds of complete fertilizer per 100 square feet. Janne notes that a proper fertilizer should have an analysis of 8-8-8 or similar type.

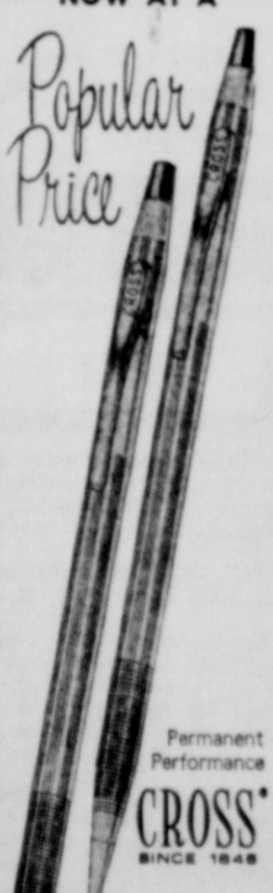

He adds that light monthly applications during the summer with thorough watering after each application will insure large plants with ample flowers.

Janne also pointed out that young plants must be thoroughly watered at transplanting time. Plants should be watered regularly except during rainy periods. A thorough soaking every five to seven days is better than a light daily application, according to the landscape horticulturist.

Gardeners that take advantage of the new and better varieties will be rewarded with more flowers and brighter color throughout the season, Janne said.

County Records 33 Accidents

The Texas Highway Patrol investigated 33 accidents on rural highways in Lubbock County during the month of April, according to Sgt. O.C. Guthrie, Highway Patrol supervisor in this area.

These crashes resulted in four persons killed and 28 persons injured.

The rural traffic accident summary for this county during the first four months of 1971 shows a total of 138 accidents

resulting in 10 persons killed and 83 persons injured.

The rural traffic accident summary for the 60 counties of the Lubbock Department of Public Safety Region for April, 1971 shows a total of 454 accidents resulting in 17 persons killed and 276 persons injured. The 17 traffic deaths for the month of April, 1971 occurred in the following counties: Lubbock, 4; Potter, 3; Cochran, Palo Pinto, and Castro 2 each; Archer, Hockley, King and Wilbarger with one each.

Water Injected Into Furrows Helps Cotton

The injection of water into the seed furrow at planting is a practice that can help cotton growers in the drier cotton producing areas, according to Fred C. Elliott, Extension cotton specialist.

Water injection isn't a method of irrigating cotton. Elliott said that under dry conditions there is usually sub-surface moisture, but young

plants can't reach it because there isn't enough water for the seed to germinate.

If the injected water can enable the cotton to reach the sub-soil moisture, better stands will occur, according to Elliott.

If the subsoil moisture is available, 30-40 gallons of water per acre may give the emerging cotton enough moisture to come to a stand in drought conditions, he said.

The equipment needed for injecting water consists of Acra-Plant operators (the only plant operators designed for water in-

jection), a field nurse tank, a sprayer system on the tractor, a planter, and a conventional sprayer set-up similar to herbicide equipment.

Elliott said that at about 10 pounds of pressure with a tractor or speed of four and one-half mph, the 30-40 gallons can be applied per acre to 40 inch rows.

Besides preventing a kippiness stands, the injection keeps producers from planting too deep and losing subsoil moisture. Another advantage Elliott pointed out is more uniform emergence because of the very desirable V trench the runner type opener provides for the seed to fall into.

Why A Will?
The difference between making a will and leaving no will is obvious. When a will is made, the most important consideration is the intent of the maker. The court bears this in mind throughout probate proceedings. When no will is made, the court acts in the traditional notion that after death every person desires his property to go to his closest relatives.

Pity the Middle Class

This column was picked up by one of our exchange papers. It has so much truth that we will pass it on to you. Presently the author is unemployed but as one writer said he is evidently tired of working for the upkeep of non-work-

years, the greatest fear of a man's life was to be poor. It was about the worst thing that could happen. But gradually it changed. In fact, nowadays, you can get subsidized housing, health and dental care, universal scholarships and various other welfare benefits, provided you are poor enough. All you need to do is enjoy many of the advantages of life is proof that the poor are disadvantaged.

Everybody can complain about the poor. It's human and kind. However, in curing poverty society created another problem. And that's the middle class.

Everybody wants to be middle-class anymore because the middle-class has an awkward amount of money . . . too much to be eligible to live as well as poor, too little to live as well as rich. The middle class earner is caught in between.

Instead of living downtown the rich and the poor) the middle class has to buy a crummy house miles from town because it's all he can afford. And he spends the rest of his money trying to pay the bills, educate the kids and meet the mortgage because nobody will help him out. If poverty gets more attractive, this is the way of things we may run into in the office . . . "Mr. Goodie, if I could speak to you for a minute?"

That is it Smedley, I'm

"It's about my salary, Mr. Goodie. I wonder if you could please give me a decrease."

"You had a decrease less than a year ago, Smedley."

"I know, sir, I wouldn't ask if it wasn't important, but I sure could use less money."

"What size decrease did you have in mind?"

"I was hoping for a \$25 cut in salary."

"Twenty-five dollars! That's a big slide, Smedley. What have you done to merit it?"

"I've worked for the company 23 years, Mr. Goodie. And I've never let you down. My work has always been up to standard."

"I realize that, Smedley, but \$25. Wouldn't you be satisfied with a \$15 cut? We have a budget right now. We're already below last year's salary figures. And I hear the union is furious, tax wise."

"Mr. Goodie, a \$15 cutback is better than none, but my wife and I had our hearts set on a \$25 decrease."

"How about \$20?"

"If I get \$25 less, we'd be eligible for an apartment in the city's new development, the one with a pool, sauna and tennis court. Besides my son would qualify for a government scholarship and we could get his teeth fixed."

"You drive a hard bargain, Smedley. But you win. You get a \$25 decrease on this condition. If your work slips, you'll take a \$10 raise, no questions asked."

"Bless you, Mr. Goodie."

"And, Smedley, will you invite me over for tennis and a swim some night when you get into your new place?"

"Certainly, sir, I believe the poor should share with the less fortunate."

your week ahead
BY DR. A.W. DAMIS

Forecast period: May 30 - June 6

ARIES Mar. 21 - Apr. 19
Coming events cast shadows before they arrive. Look for peculiar actions among your routine associates.

TAURUS Apr. 20 - May 20
Plans, schemes and designs you have long held will begin to formulate during this cycle.

GEMINI May 21 - June 20
A display of good, and, bad habits will confuse a member of the opposite sex.

MOONCHILD June 21 - July 22
Sudden shifts of mood and ambition will overtake you. So, curtail unusual aggressiveness.

LEO July 23 - Aug. 22
The relationship between you and a member of the opposite sex will now grow stale.

VIRGO Aug. 23 - Sept. 22
You are entering a pleasant cycle of things going well. You will complain, however.

LIBRA Sept. 23 - Oct. 22
Avoid affairs of secret order. Past indiscretions, at this time, could come to light.

SCORPIO Oct. 23 - Nov. 21
Based on relative standards, there should be minor improvements in many departments of your life.

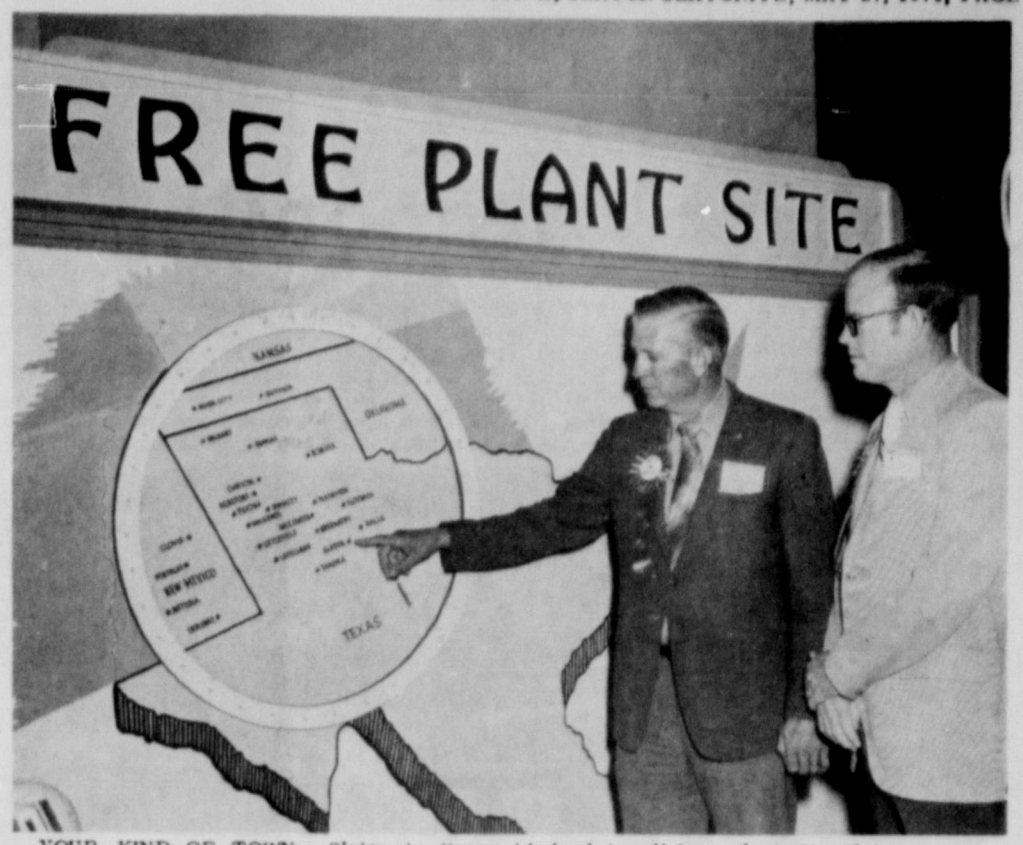

SAGITTARIUS Nov. 22 - Dec. 21
You should be recovering from silly blunders you triggered, unwittingly, during the month of May.

CAPRICORN Dec. 22 - Jan. 19
There is confusion about where you stand with your job, task or mission. Steady now!

AQUARIUS Jan. 20 - Feb. 18
Your powers of reason and persuasion are honed, sharply. Chronic problems will vanish, suddenly.

PISCES Feb. 19 - Mar. 20
"Birds of a feather, flock together." You will be contacting a person of your liking.

asked a non-working hippie re- "How do you eat?" He smiled and responded: "My friends feed me. I've never been hungry."

There," we persisted, "do your own food. How do you get what they give you?" He again, waved his hand and said: "They have wealthy parents."

That may be the story in some cases but it's not the whole story. Bill wrote recently in the Oakland, Tribune about how you as a taxpayer are financing hippies. That gave the case of a specific

boasts that for 50 cents he gets \$25 worth of (food) stamps. . . . Week he uses the stamps to buy \$27.51 worth of groceries and

gets 49 cents back in cash as change, the maximum amount of cash change he can get on a purchase. Then he adds one penny for the 50 cents to get his \$28 worth of stamps for the next week. The fourth week of the month he sells his food stamps to friends for \$15 cash. Thus in a month he's paid out 53 cents for \$112 worth of stamps, for which he gets \$83.53 worth of food and \$14.47 net profit in cash. From the food stamp saleswoman: "Can you imagine how this adds up when you have 15 hippie kids living in a commune house, all doing the same thing? No wonder they laugh at the Establishment. No wonder welfare programs are in trouble."

You may be taking a hippie to lunch—without knowing about it. And the hippies are certainly taking you for a ride—Chattanooga (Tenn). News-Free Press

New County Agent To Replace McElroy

LUBBOCK... Paul E. Gross who has served as county agricultural agent for Howard County since 1966 has been appointed to the post of Lubbock county agricultural agent. Gross, 43, will replace Lee H. McElroy who will retire on August 31 after serving in the position for 15 years. The joint announcement was made Monday by the Lubbock

County Commissioners Court and Billy C. Gunter, district agricultural agent with the Texas Agricultural Extension Service. A native of Crosby County, Gross was graduated from Texas Tech University in 1952 with a B.S. degree in animal husbandry. While in college he was a member of the Livestock Judging Team and participated

in contests in Denver, Kansas City and Chicago. He also served as a dormitory wing advisor and was a member of the Texas Tech Chapter of Block and Bridle and Texas Tech Chamber of Commerce. Prior to his appointment in Howard County, Gross served as assistant county agricultural agent in Gaines County. He was awarded the National

Distinguished Service Award by the National County Agricultural Agents Association last year in Corvallis, Oregon. At present, Gross is representing Extension Service District 2 as a state director of the Texas County Agricultural Agents Association. The county agent has served as superintendent of beef cattle at the Panhandle South Plains

Fair for a number of years and in 1970 was recognized for his service by the fair's board of directors. He has also served as assistant superintendent of the South Plains Junior Livestock Show for the past several years. The newly appointed agent was reared on a farm and was active in both 4-H and FFA work. He is a graduate of Leveland High School where he was president of the local FFA chapter and also district FFA president. Gross served in the U.S. Army from 1946 to '48. Much

of this time was spent with the occupation forces in Korea. He is married to the former Miss Noveta Harris who has taught in the public schools in Seminole and Big Spring. The Grosses have four children -- Greg, 12; Gina, 10; Sherri, 8; and Lisa, 6 months.

ITEM: When the chemical catalyst used to "cure" a durable-press fabric or garment isn't thoroughly removed, a skin irritation may result. Clothing specialists at The Pennsylvania State University advise washing the garment before wearing to remove this chemical residue.

ROOSEVELT NEWS

By Delane Davis and Donna Miller

The National Honor Society chapter presented scholar - ships of \$50 to seniors Kay Jones and Donna Griffin. A committee of Pam Mimms, Judy Maloney, Mrs. Grace Shaw, and Archie Clanton reviewed the applications.

Roosevelt student body elected Mr. and Mrs. R.H.S. last Tuesday. Angie Davidson and Ross Hughes were chosen for Roosevelt's highest honor.

A parent - sponsored Freshmen party was held at the Roosevelt Clubhouse. Parents hosting the party were Arlen Stennett, A. W. Marshall, and W.D. Killian, Jr.

A surprise kidnap breakfast was held in the home of Senior Diane Miller, Saturday morning. Those attending were Mary Jan Adams, Bettie Crumley, Judy Maloney, Carol Wooley, Pam Mimms, Donna Griffin, Kay Jones, Debbie Smith, Delane Davis, and Donna Miller. The Roosevelt Band elected

Drum Major and twirlers last Tuesday. The new drum major is Donna Davidson and assistant drum major is Wes Killian. Twirlers are Pam Spoon, Patti Smith and Betty Stanfield. Band officers elected are: President - Dale Campbell; vice - president - Carrie Davidson; Secretary - Connie Edwards; and Treasurer - Donna Davidson. Miss Amy Lewis, math teacher, and Bill Harty, history teacher, will be married June 5 in the First Presbyterian Church in Lubbock.

Mrs. Romie Fuels, of Saguache, Colo., is visiting in the home of her daughter, Mrs. Charles Miller. Mrs. Fuels is here to attend the graduation exercises of her granddaughter, Diane Miller.

The seniors will leave some \$300 to the CVAE program. This will be used for new equipment and other shop improvements.

Flower arrangements used during the graduation ceremonies will be sent to these families after graduation; Mr. and Mrs. Wendell Cromer, Mr. and Mrs. G.L. Clark, and Mr. and Mrs. Ray Timms.

Carla Crumley arrived home May 16 from San Marcos where she is a junior at Southwest Texas State University. During the past week at home, she was busily preparing for the excitement of a year in Europe. She left Tuesday for London, England, where she will be met by her fiancé, Kim Young of New Braunfels. They flew back to Londonderry, Ireland where they are to be married Saturday.

Bound for Okinawa

Mrs. Larry P. Howard will leave June 6 for Okinawa where she will meet her husband who has been serving in Vietnam and Okinawa for the past nine months.

The couple plans to reside in Okinawa for about a year. Mrs. Howard, daughter of Mr. and Mrs. J. C. McClesky, has been teaching special education at West Ward Elementary School the past school term.

Some say, 'The Church', some say, 'My Church'. What do you say?

Posey VBS Will Begin June 7

Vacation Bible School will be held at Posey June 7 through June 11, according to Mrs. Frank Lester, vice president of the Posey ALCW. The May meeting of the group was hosted by Mrs. Edwin Meyer.

Mrs. Lester offered prayer and led the Bible Study for the meeting, "You're Obsessed With Sex", based on I Cor. 6:12-21.

Women of the church who are not active in teaching during the Vacation Bible School are invited to assist with refreshments that will be served each morning during the school.

It was announced that the Church World Service truck will be in Lubbock June 8. The pick-up station will be the First Presbyterian Church, located at 1500 14th St. in the Educational Annex, which is on Ave. N. The Annex will be open to receive boxes for CSW on Saturdays, May 29 and June 5. Lutheran World Relief boxes may be sent on this truck.

There is a need for children's clothing, (clean and mended) and good blankets. Boxes may be taken to the Posey Educational Building by June 1, and Mrs. A. C. Walter will see that they are delivered to the pick-up station.

GIRL SCOUTS PRESENT GIFT--Girl Scout Troop 85 of Slaton presented a permanent yucca plant to Slaton Chamber of Commerce this week, with C of C president J. C. McClesky on hand to accept the gift. The troop, led by Mrs. Ed Eakin, bought the plant with money earned in the annual cookie sale. The girls sold an average of 65 boxes of cookies for each member, and the remainder of the money will be used for a trip to Rio Blanco Camp.

Ticket Sales Start for Big Circus in June

The box office at Lubbock Municipal Coliseum began ticket sales Monday, May 24, for the forthcoming engagement of the largest, most elaborate Circus in history. It's the mighty 100th Birthday Edition of Ringling Bros. and Barnum & Bailey Circus, arriving in Lubbock on June 15th for performances on June 15th and 16th.

Produced by Irvin Feld, the Centennial Circus highlights dozens of acts making their American debuts, plus appearances by outstanding Circus performers from all over the globe. And, Ringling Bros. and Barnum & Bailey presents five super - spectacular production

numbers, all celebrating the Circus' 100th Birthday with color, excitement and nostalgia. Performers in the Centennial Circus include jugglers, tiger trainers, tumblers, wire-walkers, aerial artists, flying trapeze stars, acrobats, clowns, horsemen, teeterboard stars and all the rest. For its mammoth Birthday Show, The Greatest Show on Earth is the largest, most complete exhibition of performing animals in Circus history including tigers, lions, panthers, leopards, elephants, bears, horses, ponies, chimpanzees, llamas, camels, dogs and countless other varieties of masterful mammals.

Monsoon Areas While Southeast Asia is the most prominent monsoon area, others include northern Australia and the Gulf Coast of the United States. A monsoon is a seasonal wind that blows from the sea to the land during hot months and reverses itself during the cooler months of the year.

Buddy Pettigrew Visits Parents

Buddy Pettigrew, junior student at Texas Christian University spent last week at home with his parents, Mr. and Mrs. J. W. Pettigrew.

He left Saturday morning for Houston, where he will be summer interum at Memorial Drive Christian Church. He will serve all the functions that a minister serves, such as evangelistic calling, preaching, and will be in charge of the youth group.

In July, Buddy will join Dr. Fred Craddock, professor at Phillips University for a panel discussion at Christian Women's Fellowship on the TCU campus in Fort Worth.

In July, he will attend Christian Youth Fellowship at TCU. John Wanamaker originated the saying, "The customer is always right."

SUNDAY'S SERMON

Memorial Day

God is not dead; neither is patriotism. The few loud voices who proclaim otherwise are wasting their voices against the winds of truth and reason.

In the beginnings of Christianity, the swords of the tyrant failed to abort fulfillment of the promise that a Child born in Bethlehem would bring new hope to the world. This hope has endured, through the centuries, against fire and steel, and changing ideologies. It will remain.

When the founders of this nation saw fit to seek a new freedom, they gave birth to a national patriotism and gave words of a Constitution establishing a government "of the people, by the people, for the people." Since the first struggles of this infant nation there have been patriots sufficient to man the necessary defenses, to struggle for good, to fight oppression. The well shall not run dry.

We may live today in a world far from perfect; in a nation afflicted with too much apathy, too much dissent. But, we are hopeful, and we are strong. There is a church on the corner and nearby Old Glory unfurls its colors to the sky.

God has listened to you enough times.

Now how about listening to Him?

More than a few things are troubling our cities, our world, our souls. Sometimes, we raise our hands heavenward and say, "When oh when are you going to change it all, Lord?" And "changing it all" is just what He expects us to do! Listen: "Love your neighbor as yourself."

If that were put to practice--really to practice--ghettos would not exist, wars would cease, hunger would end, inhumanity would be stricken from the dictionary. A perfect world. Will we ever see it?

One thing is certain, we won't even begin to see it, if we don't start doing what God has asked of us for heaven only knows how long.

— a weekly message relating the world of today to the lessons of Faith and Church . . .

Though I have all faith, so that I could remove mountains, and have not charity, I am nothing.
—Corinthians XIII, 2

What indeed is charity? It is more than the simple act of giving. Charity is long-suffering. It demands an attitude of kindness. We cannot practice charity with a heart that is filled with envy. We are not charitable when we belittle our fellow man in any way. To be charitable is to give more than money, it is to give something of one's self.
