CITIZENS APPOINTED TO THREE MUNICIPAL BOARDS

City Calls Special Election in Ward 4

Slaton City Commission, in regular session Monday night, called a special election in Ward 4 to fill out the unexpired term of George Quintero. The election was set for Tuesday, Aug. 3.

In other business, the commission approved appointments to three city boards, rejected a request for severance pay from a former police officer, approved the mobil home ordinance on second reading, rejected a proposal to sell a plot of land north of town, discussed the proposal to pay part of the salary of a tax appraiser used by the school, and approved monthly bills.

The commission also heard briefly from Bill Sewell, who was scheduled to present a plan seeking financial aid from

the city in keeping Mercy Hospital in operation here. However, Sewell did not present the plan, explaining that a conference with City Atty. Harvey Morton led to a conclusion that the city could not legally provide financial aid.

Sewell thanked the commission for its interest, and said the hospital study committee would continue to seek a solution to the hospital crisis.

Quintero resigned from the Ward 4 post, effective June 4, to accept employment as a patrolman with Slaton Police Department. His resignation was read to the commission Monday night, but had already been formally accepted in order for him to start his new job.

Quintero explained that he had "enjoyed his association" with the members of the commission and that he was not resigning for any "political reasons" but merely to accept new employment. He had been associated with a local auto agency, Quintero had been elected to the Ward 4 post in a special election Dec. 1, 1970, to fill out the unexpired term of F.D. Conwright -- who moved from the city.

Deadline for candidates to file in the special election is Friday, July 2. A filing fee of \$10 is required in the special election. To be eligible, candidates must have resided in the city at least two years and must be a qualified voter.

The mayor announced the appointment of W. A. Heinrich, Key Ely and J.A. Smith to the Equalization Board. Appointments to two other boards, for two-year terms, were approved by the commission.

The Planning and Zoning Board will include Oran McWilliams, Bill Ball, Jack Clark, Truett Bownds and John Dodson. The Zoning Board of Adjustment will include Bruce Pember, Bevis Hannah, Milton Davis, Ed Haddock and J.L. Benton.

Gene Noble, city patrolman who was discharged last month, appeared before the commission to request severance pay. Noble said he was basing his appeal "on the fact I was reinstated here in December with

full seniority." He also requested vacation pay and 15 hours overtime which he claimed was due.

In answer to a question by a commissioner, Police Chief Glenn Farmer said it was not a policy to give severance pay. He added that vacation pay was given only after a full calendar year's duty.

Mayor Bland Tomlinson pointed out that Noble had been employed with the city for some 11 months, resigned and moved away, then returned several months later and had been employed about five months. He added that the officer had requested and received vacation pay for the 11 months on his previous duty.

After discussing the matter, the commission voted to pay Noble only for overtime hours, if due. Chief Farmer was instructed "to work this out" with the former officer. The motion was made by Otis Neill and seconded by R.J. Clark. J. S. Edwards abstained in the voting.

The second reading of the "mobil home park and travel trailer" ordinance was approved by the commission. Edwards made the motion and Clark seconded. The city law provides for mobil home parks only in B-2 zones, except when approved by the commission for "extreme hardship" reasons. The law also defines mobil homes and sets up specifications for such parks.

Mobil homes or travel trailers can be parked off the street in residential areas but cannot be occupied. It will not affect present mobil homes, unless improvements or add-ons are made.

Mayor Tomlinson reported that the Slaton School District had requested the City to consider paying a portion of the salary of a tax appraiser. It was pointed out the city used the appraiser's data last year, and the school paid the full salary. The school proposed the city pay 40 percent of the salary.

The mayor said he believed the total salary last year was about \$1,000. The appraiser "picks up" new property and improvements for the tax rolls. Commissioners agreed the city should pay its fair share of the salary, but look no action pending more information.

Mayor Tomlinson reported he had been approached by a citizen inquiring about the possible sale of about 10 acres of city-owned land on Golf Course Road. After a short discussion, commissioners indicated no interest in putting the land up for sale.

The mayor also reported that employee hospitalization insurance would be increased, according to an announcement from the company. It will increase the city's portion by about \$900 a year.

The mayor also reported that Santa Fe had offered the city first option on buying three water wells just north of town. Santa Fe had offered to give the wells to the city several years ago, the mayor was told, and now they are being put up for sale. The commission agreed to bid on the wells.

Attending the regular session were the mayor and three commissioners -- Neill, Edwards and Clark. Also present were City Sec. Alex Webb, City Atty. Harvey Morton, Police Chief Glenn Farmer, O.C. Nieman, Bill Sewell, Gene Noble, and Jack Schuette.

Girls Program May Not Start

The Junior Girls' Summer Olympics is in danger of being cancelled due to lack of entrants, it was reported this week by Coaches Bing Bingham and Gay Benson.

Registration was held last week for the summer program for girls in the 9 through 12 years of age group, and only 25 responded. Entry fee is \$8 each, which includes insurance.

Due to the shortage of girls, Bingham said the program could not offer the varied activities which were planned. Any girls interested in the program should contact Bingham or Mrs. Benson.

Shave Permits, Beards Needed For Celebration

Activity preceding Slaton's annual July 4th Celebration got underway this week as shaving permits went on sale for \$1 each.

The Celebration activities -- scheduled July 5th in the City Park -- will include a beard-growing contest. Men who do not choose to grow a beard will be required to have a "shaving permit". It was announced this week by Celebration chairman Ronney Jones.

The permits are on sale at Citizens State Bank, the Handy Hut, and by members of the Slaton Volunteer Fire Department. Sale of the permits is planned to help increase interest in the July 4th Celebration, and as one of the fund-raising projects to help pay expenses.

The day will start with a Kiddie Parade on the city square Monday about 11 a.m. The parade will go to the park, where concession stands will be in operation for the noon meal and during the afternoon.

A dancing board and other entertainment features are scheduled in the park, as well as games and contests for children and a ping pong tournament for all ages. The day will climax with a big fireworks display under supervision of the Fire Department.

Arrests, Fines Up for Month

Arrests and city court fines showed an increase in May over the previous month, a report from the Slaton Police Department indicates.

City police made 44 jail arrests during the month of May, and corporation court fines totalled \$1,140. This compares to 32 arrests and a total of \$850 in fines during April.

The majority of arrests concerned alcoholic beverage violations. Police picked up 11 drunks during the month and arrested 11 youth for possession of alcoholic beverages.

Police made 13 ambulance calls during the month, compared to 7 the previous month. Twelve accidents were investigated in May, the same number as for April, but property damage took a big jump. Estimated damage in the May accidents was \$13,495 -- compared to only \$4,835 in April.

Police issued 39 traffic tickets during the month, compared to 42 the month before. Traffic fines were also about the same -- \$420 in May compared to \$385 the month before.

The police recorded 51 offenses in May, compared to 67 in April. Topping the list of offenses were thefts, which totalled 16.

Nursing Home Sets Open House Sunday

In observance of National Nursing Home Week, the Slaton Nursing Home will hold open house Sunday from 2 to 4 p.m. with the public invited. Mayor Bland Tomlinson proclaimed June 20-27 as Nursing Home Week in Slaton.

Mrs. Vada Madne Wojtek, administrator, made the announcement of the open house which falls on Father's Day. Nursing Home Week is sponsored by the Texas and American Nursing Home Associations. The theme is "Nursing Homes - We Care".

Mrs. Wojtek said, "all of us at the nursing home welcome the community to come in for a visit. We can provide for all of the needs of our patients but one -- we can't show them that the community cares -- we cannot relieve their feelings of remoteness from community life unless the community does care and does come in."

"The health care revolution that is occurring in America is probably affecting the nursing home more than any other type facility," Mrs. Wojtek commented. "We want to show

people what our nursing home is like and what we are capable of doing for our senior citizens."

Slaton Nursing Home employs 41 people with a yearly payroll of \$84,000. Fifty-five residents now live at the home. There is room for 60 residents when it is filled to capacity.

Mrs. Wojtek said, "our aim of the home is to provide good nursing care along with meeting the social needs of each individual." "The residents are our precious heritage and worthy of all the tender loving care we can give."

Included on the staff are Ida Rushing, supervisor of nurses, and Bobbie Greer, social coordinator. The kitchen staff has recently received an excellent rating from the state.

The remaining tickets are now at THE SLATONITE office. Tickets to the June 26 contest are priced at \$7 each.

Slaton Lions purchased a block of the seats in order to make them available to local fans. The seats are on the west side and located about the 20-yard line. The All America game is sponsored in Lubbock by Lions of District 272 and the Lubbock Chamber of Commerce.

One of the final signees for the game last week was Alabama quarterback Scott Hunter, 6-2, 205. Hunter will play for the East team, which already has quarterbacks Rex Kern of Ohio State and Buddy Lee of LSU. The West has Heisman Trophy winner Jim Plunkett of Stanford and Chuck Hixon of SMU.

Thunderstorms Rake Slaton Area Again

Weekend thunderstorm activity continued to spotlight the weather picture in the Slaton area the past week, with the heaviest moisture in Slaton recorded with about 1 inch of rain Friday evening.

Slaton also recorded a shower last Thursday morning, and a trace of rain Saturday afternoon. Strong winds accompanied the rainfall, and the wind continued to be a problem for farmers.

"Sandblasters" are a familiar scene on area farmland following the showers, as farmers "scratch" the crusty surface in an effort to keep fields from blowing. Hall damage has been reported in some areas to the north, but wind and sand continue to plague farmers in this area.

Hail and heavy rains were prevalent around the south Plains last Thursday and Friday night. Slaton measured about 1 inch of rainfall Friday night, after a shower Thursday morning. Some three - inch rains

and golf-ball size hail were reported in the Panhandle Thursday but only one tornado was sighted.

The entire area was under another National Weather Service "watch" during Friday evening, and winds clocked at 115 mph blitzed the city of Hereford. About eight tornado funnels were reported but the hurricane - force winds caused the most damage. Friona was hard hit by the strong winds and four minor injuries were reported.

Only damage reported in Slaton was when wind blew out a plate glass window on Texas Avenue. The building is used as a warehouse by Slaton Furniture Center. It was reported by city police about 7 p.m.

Temperatures the past week climbed near the 90's with a high of 98 degrees reported Tuesday. Low reading for the week was 60 degrees Friday. Low was 66 degrees on Tuesday and Wednesday mornings.

TWO ON BASEBALL--A scene from a Peo Wee League baseball game Tuesday afternoon reminds that the summer baseball season in Slaton is moving along fast. The regular Peo Wee season ends this week, with just over two weeks left in other leagues. Action photo was from the Pirate-Brave game with umpire Bob Mohon calling the balls and strikes. A Salute to People Who Care

On Father's Day, June 20, nursing homes around the nation will be holding open house, in observance of National Nursing Home Week. This includes the Slaton Nursing Home which is holding open house from 2 to 4 p.m. Sunday.

With this in mind, The Slatonite would like to salute the personnel at Slaton Nursing Home and all the volunteers who so graciously give their time and support to the residents at Slaton Nursing Home.

We think the development of the scope of nursing home services will be exciting. But when you come right down to it, the basic mission of the nursing home will remain the same. What we're talking about is the day-to-day administration of the home -- the people who come into contact with the patients -- the nurses, the aides, the orderlies, the therapists, the volunteers. These are the people who give life to the nursing home.

Slaton is blessed with women who belong to the Nursing Home Auxiliary. The auxiliary, with the assistance of Bobbie Greer who is social coordinator, keeps something going nearly all the time in the way of recreation for the residents.

Slaton is also blessed with some of the best

preachers in the world who so graciously give their time by bringing devotionals and entertainment at the nursing home. The residents look forward to such a time every day before lunch and on Sunday afternoon.

Existence of programs in the homes highlights one very important fact: nursing homes can conduct all the programs in the world, but unless the community takes an active interest in the patients, the patients often will feel that the community doesn't really care. This is especially unfortunate, for many patients in nursing homes have outlived family and friends--they're all alone. The only way they can be shown that others really care about them is if others really do care about them and put their concern into action.

Nursing homes have come a long way through their own efforts. They have transformed themselves into a vital force in the modern health care community. But when you give it a long, hard look, one fact remains the same. We're talking about people. We're talking about what people need. In this case, some very wonderful people need you and they're looking for you on Father's Day... or all through Nursing Home Week... and every week.

PROCLAIMED BY GOVERNOR

Nursing Home Week

Governor Preston Smith has proclaimed June 20-26 as Nursing Home Week in Texas.

The Proclamation reads as follows:

"Licensed nursing homes and related facilities for the care of the aged and the convalescent in Texas now number 894.

These facilities offer not only medical, nursing and personal care, but also provide rehabilitation, restoration, recreation, physical, speech and occupational therapy, and spiritual programs designed to provide a "fuller life" for senior citizens.

Licensed nursing homes not only have broadened their potential for service and have taken on an increasing role in the health care of the chronically ill, the aged and the convalescent of all ages.

The Texas Nursing Home Association and its members have provided leadership and made important contributions to raising the quality of care with modern facilities and new techniques, the dedication of its people has earned this progressive and rapidly growing profession our confidence and respect.

The nursing homes in this State are participating in National Nursing Home Week, June 20-26, 1971.

Therefore, I, as Governor of Texas, do hereby designate the week of June 20-26, 1971, as Texas Nursing Home Week and urge our citizens to visit a nursing home and acquaint themselves with the patients, the staff, the facilities, the

services rendered, and the progress and potential for the future."

Land D. Wall, of Lubbock, President of the Texas Nursing Home Association, voiced these comments, "I want to join the Governor in inviting everyone to visit our facilities and see for themselves what the modern nursing home of today has to offer the Senior Citizens of this State."

Wall also said, "We are expecting a large number of visitors on Father's Day, June 20, which kicks off our big week. However, we are happy to have the public visit us at anytime. It is important that our residents know that the community is concerned about their welfare. Over 2 million persons are expected to visit nursing homes in the country during June 20-26, 1971."

State Now In Session

Session of the Legislature Auxiliary began Tuesday at Texas State Capitol. The first few days of the session are devoted to organization of cities and political parties and the study of city, county and state government. The political parties are purely mythical and are for the sole purpose of enabling the girls to form their own governments using existing Texas Constitution and laws as guides. Operating under a learn by doing philosophy Citizens of Girls State participate in legislative processes, elective and appointive politics. The program is free from propaganda. Non-partisan, the purpose is to provide citizenship training, affording the girls the opportunity to live together as a self-governing group, and to inform them of the duties, rights and responsibilities and privileges which they will assume when they become adults.

The elected state officials of Girls State will be sworn in during ceremonies at noon on Monday, June 21, in the rotunda of the State Capitol. Each will be escorted to the bar by her counterpart in Texas State government. 1971 marks the 14th consecutive year that the Girls State elected officials have taken their oaths of office, administered by the Honorable Meade Griffin, former Associate Justice of the Supreme Court, in the State Capitol.

In addition to inaugural ceremonies, the girls will tour the Capitol Building, Library, Archives, Courts Building, State Offices Buildings and will visit in the Governor's Mansion. Prominent speakers from local, state, and national governmental posts address the citizens throughout the program. Scheduled to speak during the 1971 session are Honorable John Tower, U.S. Senator, who will address the assembly Friday at 7 p.m., R.T. Davis, Director, National Leadership Methods, John A. Gronouski, Dean of the Lyndon Baines Johnson School of Public Affairs, the University of Texas at Austin, Mrs. Frank Bewley, Department President, American Legion Auxiliary, Mr. B.B. BY VERN SANFORD
Texas Press Association

AUSTIN, Tex. -- Major changes in election laws for voters and candidates were approved by the 62nd Legislature. All are contingent on final federal court action upholding lower court decisions invalidating old requirements.

Gov. Preston Smith has signed into law a new voter registration act and filing fee bill.

Earlier the Texas Legislature enacted a resolution ratifying the federal constitutional amendment extending full voting rights to 18-year-olds. Federal amendment may not be finally cleared in time for the 1972 elections, but young voters can participate in presidential and congressional voting and the national nominating convention series.

New voter registration provides for year-around sign-up (with temporary cutoff 30 days before any election) and automatic renewal for three years by voting in any primary or general election. First registration under the new system will begin October 1, March 1, 1972, is the earliest voting date for new registrants. Voters will continue using present registration certificates for elections through next February.

A federal court invalidated the old Texas annual registration requirement, which was unique in the nation. Texas' new automatic registration law would be repealed if appellate courts reinstate annual registration.

Under a bill passed by the 62nd Legislature, in response to another federal ruling that present filing fees are excessive, candidates would pay a maximum of four per cent of the term of office salaries to get on the ballot.

Bill also permits "filing by affidavit" stating that the candidate cannot pay the prescribed fee, or by a "petition" signed by 10 per cent of the voters in the last general election within the area (state, county, precinct) served by the office sought. If the supreme court invalidates this act, a special legislative session may be necessary to provide a method of paying primary election costs in 1972.

Required immunization for grade school level youngsters includes diphtheria, tetanus, poliomyelitis, measles, rubella and smallpox. Measles immunization is not required if there is a history of measles illness.

Exceptions may be granted on religious grounds or to those who may be harmed by immunization (on written certification by a physician). However, exemptions would not be permitted in a time of emergency or epidemic, the Health Department adds.

AUTO RATE HEARINGS SET --Hearings are set for 9 a.m. June 30 here to consider new auto rates to replace the controversial schedule put into effect January 1.

State Board of Insurance is expected to hear usual cross-recommendations to raise and lower rates. Hearing will be conducted in the State Highway Department auditorium on casualty and physical damage rates, rating plans and rules.

All those who wish to have subject matter placed on the agenda were advised by the Board to contact its automobile office here by June 23 and provide written statements in quadruplicate.

Rate revisions will be effective on and after September 1 under present indications. After hearings last year the Board increased rates an average of 14 per cent, statewide. This raised an angry reaction from many insurance purchasers. Insurance companies, which urged a 27.7 per cent increase, were equally unhappy.

a weekly message relating the world of today to the lessons of Faith and Church ...

The days of our years are threescore years and ten; and if by reason of strength they be fourscore years; yet is their strength labour and sorrow; for it is soon cut off, and we fly away.
Psalms XC.10

We live in a wondrous age. In a few short decades man has built motors and wings, to circle the earth, to touch upon the moon. Think how the marvels of this day would astound ancestors who knew only the horse and the wind-blown sail. Progress is easier to understand when we see it with our own eyes. Unless we are part of the effort, we never consider what price the gain. Successful living, by the same token, is not a matter of longevity; it is a matter of working at the business of living successfully.

A GAS outdoor grill gives food a tangy outdoor flavor without the time and bother of charcoal fire. Char-broiled flavor comes from the smoke of meat juices dripping on hot briquets. Charcoal itself provides no flavor.

Permanent ceramic briquets in the gas grill reach cooking heat in a few minutes, and there is no long wait to start cooking. The heat is regulated manually so there is no need to move a grill up or down.

Legion Teams Bows To Lubbock, 5-1

Slaton's American Legion baseball team absorbed its third league defeat in a row here Saturday night, losing a 5-1 decision to Furr's Food of Lubbock.

The local Legion team was to play at Plainview Wednesday night, and will play Brown-Griffin at Lubbock's Lowrey Field Friday night. The team returns to Slaton June 23 to meet Wolforth.

Two walks, a single and a sacrifice gave Furr's a 2-0 lead in the first inning here Saturday night in a wind-blown contest. That was all the cushion Lubbock pitcher Arlan Patton needed as he fired a three-hitter at Slaton.

Bruce Schuette plated the only run for Slaton when he singled across Curtis Woolver in the third inning. Randy Davis and Mike Speer had the other hits.

The game rocked along 3-1 for three frames before Lubbock broke through for two more runs in the last inning. Lubbock had six hits with Speer going 6 2/3 innings and Darrell Eastman coming on for the final out.

Speer struck out eight and walked four, while his mates committed three errors behind him. Patton struck out only four Slaton batters but didn't give up a single walk.

Teague, VFW Top League Standings

Teague Drug held onto the league leadership in Slaton Little League the past week, but the Trainmen handed the front-runners their second defeat of the season.

VFW gained a game on the leaders and now trail by only one game. The Trainmen and VFW were to play Wednesday night, and Slaton Co-Op Gin meets the Lions tonight. Hackberry Co-Op Gin takes on Teague's Friday night.

Teague scored a 8-0 shut-out over Slaton Co-Op Gin Tuesday night with Phil Bruedigam and Barry Copeland pitching a three-hitter and striking out 12. Teague had only three hits off the Ginners, but used walks to good advantage.

Two of the Teague hits were triples by Copeland and Roger Robinson, and Roddy Smith had a single. Curt Wheeler had two singlers for the Ginners, and Billy Daniel had the other hit.

Hackberry got all of its five hits and five of its seven runs to score a 7-4 win over the Lions Club Monday night. Mike Tumlinson and Johnny Aguilar gave up only three hits to the Lions. The Lions closed the gap with four runs in the last inning.

Martinez, Tumlinson, Kern, Cisneros and Taylor had the five hits for Hackberry. Bourn and Roberts had doubles for the Lions, and K. Taylor had a single for the other base hit.

In a make-up game Saturday night, the Trainmen scored an 8-3 triumph over Teague Drug. The Trainmen had only three hits but used walks and errors to tally more runs. Teague's had five hits off winner Greg Basinger.

Boys Return From FCA Camp

Ron Bartley, Steve Mosser and Steve Nieman returned Friday from the Fellowship of Christian Athletes' conference held June 6-11 at Estes Park, Colo.

They are scheduled to present the program for Slaton Rotary Club today at noon and share some of their experiences.

The five-day program of "inspiration and perspiration" was one of 18 FCA national conferences scheduled this summer, involving 10,000 high school, college and pro athletes and coaches.

In addition to "huddle" group discussion sessions, the daily schedule consists of Dogpatch Olympic competition, athletic demonstrations, coaches' clinics, special events and evening assemblies highlighted by messages from prominent sports figures.

Carroll Dale, Tom Landry, Fred Cox and Bill Curry were among last year's participants. Among the many notable FCA advocates are Bart Starr, Cazzie Russell, Rex Kern, Jim Kaat and John Wooden.

The FCA's purpose is, "to confront athletes and coaches, and through them the youth of the nation, with the challenge and adventure of following Christ and serving him through the fellowship of the church and in their vocations."

The year-round program includes Weekends of Champions, pro chapel services and athletes and coaches meeting in over 1,500 high school huddles and college fellowships from coast to coast.

Hightower's Grand-Homer Tops Ruth Act

The blow heard around the Babe Ruth League this past week was a grand-slam homer by Bobby Hightower of Slaton Furniture Center.

The bases - loaded clout gave SFC a 12-8 win over Crawford Chevrolet, and it was only the second defeat for Crawford. Montgomery Irrigation won a pair during the week to take a firm hold on first place with a 7-1 record.

Crawford has a 5-2 mark, followed by SFC with a 2-4 mark; Citizens State Bank at 2-5, and Slaton Co-Op Gin at 1-5.

Mike Lewis pitched a three-hitter in a five-inning game Tuesday night as Montgomery took a 14-3 triumph. Games are stopped after five frames if a team leads by 10 runs. The winners had eight hits off Kelly Copeland and used Gin miscues to good advantage.

Glenn Heinrich and Al Lewis had two hits each to pace the Montgomery attack. Alex Cristan added a double. Angelo Gonzales, Clarence Trotty and Mal-

donado had the hits for the Ginners. Trotty drove in two of the runs.

Hightower's big homer decided Monday's game between SFC and the Crawford team. The game was tied at 8-8 in the bottom of the fifth when SFC got the bases loaded on a single by Coke Hopping and two walks. Hightower slammed a 3-2 pitch over the fence to end the game. Time kept the game to five frames.

Carlos Tamez gave up six hits to the Chevy team in registering the mound triumph. SFC had eight hits, including two each by Hopping and Chris Williams. Haynes and Tamez had doubles. Danny Pinkert had two hits for Crawford.

Friday's game between SFC and the Gin was rained out. Montgomery scored a 10-5 win over CSB Thursday night, aided by some strong relief pitching by Al Lewis. CSB tallied 5 runs off Mike Lewis in the first three innings to take a 5-2 lead, but Montgomery batted around

to score 6 runs. David Marshall with the loss, by Craig Montgomery.
