Slaton Area's 2nd, 3rd Bales Ginned

Hospital Repairs Studied by Board

Repairs and modernization work at Mercy Hospital could range from \$50,000 to \$100,000, an architect reported to the board of the Slaton Hospital Memorial Foundation at a called meeting Monday night.

Bill Sewell, chairman of the Foundation board, said the cost study was originated primarily to determine repairs that will be required by governmental agencies. Therefore, he added, the necessary modernization costs "will more likely fall around the lower \$50,000 figure."

After discussing recommen-

dations presented by Atmar Atkinson, an architect with Atcheson, Atkinson & Cartwright, the board agreed the next step would be to arrange a conference with accreditation and licensing officials to determine minimum requirements.

Sewell was authorized by the board to setup such a conference, if possible, at the earliest convenient date.

The foundation was chartered last month as a non-profit community organization, formed for the purpose of operating Mercy Hospital. The Sisters of Mercy had previously expressed a desire to turn over the hospital facilities and property to a community organization. Formal transfer is anticipated when the Foundation board completes its study on repairs and financing methods.

In discussing needed repairs and remodeling Monday night, the architect said most of the required work relates to fire safety. Some of these items include installation of sprinklers, fire-rated doors, and an additional fire-escape system.

The two groups the board hopes to involve in a conference are the Joint Commission on Hospital Accreditation, and the Licensing Division of the Texas State Dept. of Health.

Sewell asked the finance committee to start work on a campaign to secure contributions to the Foundation. Members of the committee are T. J. Wallace, Robert H. Davis, Alex Bednarz and V. G. Browning.

Attending the board meeting Monday night were Sewell, Earl Bartlett, Robert H. Davis, V. G. Browning, Joe Walker, Dr. Glen Payne, T. J. Wallace, Bill Smith, and Don Kendrick, along with three officials from Mercy Hospital.

SECOND BALE IS GINNED--Hobart Bartlett, right, brought in Slaton area's second bale of cotton at noon Tuesday to Farmers Gin. At left is gin manager Wayne Moses. The bale weighed 453 pounds. Bartlett, who resides a mile east of Slaton, will receive \$100 from the Slaton Chamber of Commerce. The third bale, earning a premium of \$50 from the C of C, was also brought in later Tuesday at McClung Co-Op Gin. Producer was Harvey Hancock, and the bale weighed 690 pounds. (SLATONITE PHOTO)

With the advent of dry, warm weather around the area, Slaton recorded its second and third bales of the year here Tuesday.

Hobart Bartlett, who lives a mile east of Slaton, brought in the second bale to Farmers Gin Tuesday at noon. The bale ginned out at 453 pounds and came from slightly more than an acre of land. The irrigated cotton was planted about May 1, said Bartlett. The cotton came from Paymaster 909 seed.

The third bale of the Slaton trade area was reported at 3:45 p.m. Tuesday at McClung Co-Op Gin, where Harvey Hancock was the producer of a 690-pound bale. Hancock resides on Rt. 1, Lorenzo.

Bartlett receives a \$100 check and Hancock will get a \$50 check from Slaton Chamber of Commerce for the premium bales. The first - bale award of \$150 had previously been presented to Harold Wilson of Slaton, who brought in the initial bale on Sept. 13 at Slaton Co-Op Gin.

While only a trace of rain was recorded the past week, the weather remained cool and clouds "teased" farmers most of the time with the threat of more rain. Warmer weather this week helped the cotton crop, slowed several weeks by cool, wet conditions. For the South Plains as a whole, the Texas Ag Extension Service reports cotton conditions improving and grains making good progress. The sorghum harvest was expected to resume this week as fields dried.

A weak cold front moved into the area Friday, but only traces of rain were reported. Humidity was high for several days, however. High temperature the past week was 88 degrees on Saturday, and the maximum dipped to only 70 degrees on Sunday. Low reading was 48 on Sunday morning and Wednesday morning. High was forecast near 80 on Wednesday, however.

AT ROTARY TEACHER APPRECIATION BANQUET

Briscoe to Appear Here

DOLPH BRISCOE

Dolph Briscoe Jr., an announced candidate for governor, will be the featured speaker when Slaton Rotary Club holds its Teacher Appreciation Banquet tonight in the junior high cafeteria.

The event is scheduled for 7:30 p.m., it was announced by Ansil O'Neal, Rotary president. Dee Bowman will serve as master of ceremonies.

Briscoe, prominent South Texas rancher from Uvalde, has a distinguished record of service to agriculture in Texas. He served eight years in the Texas Legislature, 1949-57. He is currently chairman of the board of the First State Bank of Uvalde and the Security State Bank of Pearsall, and a director of the Alamo National Bank of San Antonio.

A graduate of the University of Texas, Briscoe is a veteran of World War II. He is a past president of the Texas and Southwestern Cattle Raisers Assn., South Texas Chamber of Commerce, and Texas State Chamber of Commerce.

Briscoe was named the Outstanding Conservation Rancher in Texas (1958), one of the five Outstanding Young Texans by the Texas Jaycees (1958), and was recognized as Mr. South Texas at Washington's Birth-

day Celebration in Laredo (1967). He was awarded the Knapp-Porter award for distinguished service to Texas agriculture by the Texas Extension Service, A&M, in 1966. He is a former chairman of the board of the Mohair Council of America.

The distinguished Texan is currently president of the board of Southwest Animal Health Research Foundation, and chairman of the National Livestock and Meat Board of Chicago. He is also a trustee of the Texas A&M Research Foundation, a member of the board of development of Hardin - Simmons University, and on the executive committee of the San Antonio Livestock Exposition. He is a recipient of Scouting's highest award -- the Silver Beaver.

Briscoe was born in Uvalde in 1923 and was valedictorian of the Uvalde senior class of 1939. He is married to the former Betty Jane Slaughter, and they have three children. He is a member of the Episcopal Church.

Man Receives Severe Burns

Eugene "Mutt" Bruedigam was severely burned on the hand and foot Thursday afternoon when he came in contact with a hot wire.

Employed as a lineman with Southwestern Public Service in Lubbock, Bruedigam was on a highline pole when the accident occurred.

He was taken to Highland Hospital in Lubbock for treatment of the burns.

After being released Monday, Bruedigam is reported "doing fine" at his home in Slaton.

VFW Convention In Slaton This Weekend

The District 7 VFW and Auxiliary Convention will be held here Saturday and Sunday at the Slaton VFW Post.

Mrs. Fred Williams, of Lubbock, president of the Department of Texas, plans to be here.

Also planning to be here is J. M. (Mel) Stanley, commander of the Department of Texas of VFW. Stanley, who resides in San Angelo is a life member of Fort Concho Post 1815. He was elected as state commander in June.

Registration will begin at 4 p.m. Saturday with the hospital-ity hour scheduled from 6:30 to 7:30 p.m. A dance, which will be open to the public, is set for 9 p.m.

A memorial service will be held at 10 a.m. Sunday, followed by a noon meal. The district

meeting will begin at 2 p.m. Sunday.

A veteran of World War II and the Korean Conflict, Stanley served 32 months overseas. He received the EAME medal with two battle stars, Army of Occupation Medal, Combat Infantryman's Badge, Purple Heart and Bronze Star.

He has served three terms as Commander of Post 1815, five terms as Quartermaster and a term as Senior Vice Commander. He is serving the San Angelo post during 1971-72 as quartermaster. He also served as District 22 Commander during 1959-60.

Towns expected to be represented at the convention include Post, Lubbock, Levelland, Lamesa, Brownfield, Post and Spur.

Post Mayor Sends 'Thanks'

The City of Post has sent letters of appreciation to Slaton's Fire Department and Police Department for assistance during a recent fire that could have been disastrous.

The letters, written by Mayor McCrary, stated: "It is difficult to express the appreciation of Post for your assistance Monday, Sept. 27, during our 'near' disastrous fire. Thanks seem so intangible where your assistance was so very tangible. Without your backup men we certainly would have sustained a crippling loss.

"I certainly want to encourage you to forward to Post any expense incurred by your men. Post, with its Fire Department, are pleased to call you our neighbor. We are in your debt and want you to know that we in Post are as near as your telephone at any time of need or assistance.

"Please convey our sincere appreciation to each responsible, and to each individual who helped save our business district."

Winless Tigers Eye Frenship As First Victim of Grid Wars

Slaton's Tigers showed an offensive spark in the 21-6 loss at Denver City last week, and Coach Ernie Davis hopes the spark ignites when Slaton goes after its first triumph of the season here Friday night against Frenship.

Kickoff time for the important 4-AA contest is 7:30 p.m. at Tiger Stadium. The remainder of Slaton's games will start at 7:30 p.m. This is only Slaton's second home game of the season, after the Littlefield game was moved there due to a flooded field.

Slaton is winless in four starts, but Davis feels the record could have been 3-1 or 2-2 if the Tigers could have been more consistent on offense. However, Slaton will get

another test Friday night because Frenship is noted for defense.

Frenship knocked off unbeaten Tahoka in a 4-AA opener last week, allowing the Bulldogs only three first downs. The visiting Bengals have a 3-1 win-loss record, chalking up three "close" victories while losing to strong Iowa Park.

Coach Davis reported Wednesday morning that several Tigers are still "nursing bruises" from the Denver City game, but he thinks most of them will be ready to go Friday. Halfback Tony Martin still may not get the starting nod after being injured at Littlefield.

Slowed from bruises from the hard-hitting game last week

were guards Brad Winchester and Stanley Jaynes, and fullback Kenny Schuette. Davis switched the Tigers back to the straight T-formation last week, and he may go with that again this week--along with the possibility of running the veer T.

Davis said the starting line-ups would be about the same this week. Junior quarterback Steve Nieman, after being slowed by injuries, may get the starting call this week. If he does, senior Darrell Eastman will start at safety. The two have alternated at both spots.

The rest of the offensive backfield will probably be Ron Bartley and Randy Davis at halfbacks, and Schuette at full-

FOOT NOTES

BY MARGRET BARTLEY

Our Slaton Home Demonstration Club made their state magazine this quarter! That's pretty good for a small town, especially when the whole state is covered.

The Slaton Club had a "Show and Tell" crafts day for the County Meet last fall, and each club showed items their members had made. The complete event was covered and included a picture you probably saw in THE SLATONITE.

The magazine uses features like this when they think it is a good idea for other clubs. Sounds like we have a pretty inspirational group here.

Mrs. Helen Meeks is the members we usually talk to. She is the one who reports all the club meetings and projects. Recently, she and another H. D. member, Mrs. Milt Ardrey, made an outstanding showing with their creative ideas at the Panhandle South Plains Fair.

I was reading an article in my son's magazine, and realized how much this feature applied to me. Since most of you have children of some age, maybe it could mean something to you. Hope so.

"What is responsibility?" Everyone talks about it, but how is it made? What determines whether or not a person is "a responsible person"?

In children, the time to foster responsibility in them, is when they first show signs of wanting to do things for themselves. If you miss these opportunities, it will be more difficult for you as well as the child, later on.

A child who is not allowed to do things, "because he makes such a mess" or "Because I can do it so much faster myself", will come to depend on someone else to take his responsibilities.

Chances are, these opportunities will come when you are extremely busy, or completely preoccupied. Your first impulse will be to pay them no attention. But stop and think about it before you say no. His projects and ideas may cause more work for you, but consider what it may do for him.

There's another thing to keep in mind. A sense of responsibility is CAUGHT more than it is TAUGHT. Your child will not develop a feeling of concern for others unless you are concerned. He will not be excited about saving money if you won't listen to his ideas about earning it. If you simply hand him the money, why should he worry about where it comes from, or how it is spent? When you make, or re-make the beds because your daughter is so messy, why should she try.

When your child sees you assuming responsibilities, he will look for ways to follow your example. Be alert for the moments that are sure to come.

You know the kind of person you want your child to be. Help mold that person. The day he finishes schooling, he won't do a complete change into a responsible adult. That day by day training is YOUR responsibility. You cannot guarantee the results, but remember, "as the twig is bent..."

Are you the responsible adult you want your child to be?

Mitchell-Ickes Slaton Teacher Marries in Lubbock

LUBBOCK -- Miss Patricia Lynn Ickes and Duane L. Mitchell were married in a double ring ceremony at 6 p.m. Friday in the Church of Jesus Christ of Latter Day Saints chapel. Officiating was Bishop B. Kent Henderson.

Parents of the couple are Dr. and Mrs. William K. Ickes of Lubbock and Mr. and Mrs. James A. Mitchell of Lubbock.

For her wedding, the bride wore a formal gown of textured satin fashioned with a high empire bodice and sheer organza Juliet sleeves accented with lace.

Miss Bonnie and Joy Ickes served as bridesmaids for their sister. They wore identical gowns of azure blue crepe with scoop necklines and long full sleeves. Blue velvet ribbon emphasized the empire waistlines.

Roger Mitchell was his brother's best man, Groomsman was Douglas E. Beer.

Wedding music was presented by Lt. Col. and Mrs. Norman N. White, vocalists, accompanied by Mrs. Thomas Davis.

The couple was honored with a reception at the church before leaving for a wedding trip to New Mexico.

The bride, who attended Brigham Young University in Provo, Utah, is completing her degree in elementary education at Texas Tech.

Mitchell, a 1971 graduate of Tech, is a candidate to receive a master's degree from the university in August. He is employed at Slaton High School as vocational adjusting coordinator.

Shower Honors Doris Kitten

Miss Doris Kitten, bride-elect of Gayland Davis, was honored Sunday afternoon with a bridal shower in the home of Mrs. Nestor Kitten.

The table was laid with silver and crystal appointments and the bride's chosen color of orange.

In the receiving line were the bride's mother, Mrs. O. F. Kitten, the bridegroom's aunt, Miss Mardell Childress, and his grandmother, Mrs. Ed Childress.

Hostesses for the event included Mmes. Milton Pivonka, Emil Wimmer, Joe L. Kitten, Edmund Kitten, A. A. Wimmer, Leonard Kahlich, Arthur Kahlich, Robert Bednarz, Clarence Kitten and A. W. Steffens.

Others included Mmes. Henry Hollinden, Miss Rusty Kitten, Miss Audrey Kitten, Mmes. Louie Melcher, Jerry Melcher, Jeff Creager, Willie Heinrich, Hubert Schwertner, Clarence Miller, Norbert Kitten, Ray Kitten, Walter Bednarz, and Paul Mosser.

Also on the hostess list were Mmes. Albert Kuss, Herman Schilling, D. J. Hlavaty, A. A. Denzer, Eugene Bednarz, Nestor Kitten and Alex Bednarz.

The couple will marry Oct. 22 in St. Joseph's Church in Slaton.

Mrs. Patterson Returns From Two Week Tour

Mrs. Fannie Patterson recently returned from a two week tour of the United States and Canada. She and Mrs. Fannie Olo Lawson of Houston, accompanied Mr. and Mrs. O. E. Patterson of Olton on the tour of eight states.

They spent their first night in the Grand Canyon, and the next in Las Vegas. They then visited with Mr. and Mrs. O.S. Peterson of Vallejo, Calif.

They hosted the visitors on a tour of San Francisco and visited the Golden Gate Bridge.

Next they went up the west coast through Oregon and Washington through the redwood forest. A ferry ride took them into Canada, where they spent the day.

On the return trip by a different route, the group ran into rain, sleet and snow, and had to turn back one day until the snow plows could clear the way. The next night was spent in Reno, Nevada, with time for a mountain view of Lake Tahoe.

Mrs. Patterson, who enjoyed the 6,000 mile drive, says that you don't have to leave the U.S. to see a lot of beauty that God created.

MR. AND MRS. THAD SMITH

Smiths Celebrate 50th Wedding Anniversary

Mr. and Mrs. Thad Smith of Wilson will celebrate their golden wedding anniversary Sunday with a reception in their home. Children of the couple will host the event. Guests will call from 2 to 5 p.m.

Myrtle Herring and Thad Smith met in Lipan, Tex. in 1921 when her family was traveling with the harvest season. They settled in Wilson later in the year, and Smith moved there shortly thereafter. He was the son of Mr. and Mrs. Brooks Smith of Estelline.

They were married in Wilson, Oct. 8, 1921 by Justice of the Peace Cobb, and made their first home on a farm near Wilson. He was engaged in farming and contracting.

In 1952, they moved to their present home in Wilson and Smith retired from farming. They have five children, C. W. Smith of Colorado City; Mrs. Lloyd Anders of Wilson, Billy Ray Smith of Meadow; Bobby Joe Smith of Wilson; Wayne Smith of the home, and eleven grandchildren.

NOTICE

The Bluebonnet Club will meet Wednesday, Oct. 13 in the home of Mrs. L. C. Odom. The meeting is scheduled for 2 p.m.

We may set a goal — a new house, a new car, and this becomes a requirement for happiness. Yet, when we reach the goal, we think of something else that is required before we may claim happiness.

your week ahead

BY DR. A.W. DAMIS

Forecast Period: October 11 - October 18

- ARIES** Mar 21 - Apr 19
Many members of your sign must face a week of constant tension and sudden surprises. So, try to keep your commitments equally spaced - don't overload your schedule.
- TAURUS** Apr 20 - May 20
It seems that most of your actions will be weighted on a scale of ambition. At one point, this week, you'll ask yourself if it's worth putting on a "front."
- GEMINI** May 21 - June 20
You are old hand at getting involved in misunderstandings, but - be especially careful of a seemingly harmless obligation you have overlooked.
- MOONCHILD** June 21 - July 22
Be selective with the words you utter, during a casual conversation between you and a member of the opposite sex. Repercussions show in your chart.
- LEO** July 23 - Aug 22
Misplacing a valuable article, that you might not miss until next week, is indicated in your stellar patterns. So, take care!
- VIRGO** Aug 23 - Sept 22
Arm yourself with the "giving of compliments." Curb the urge to air a grievance. You should do well with someone in authority.
- LIBRA** Sept 23 - Oct 22
Apparently, a member of the opposite sex will not be happy with the company that you have been keeping.
- SCORPIO** Oct 23 - Nov 21
Hold it, Scorpio! It seems as though you have been riding side saddle with a troublemaker. Take a good objective look at your associates.
- SAGITTARIUS** Nov 22 - Dec 21
Being fascinated by a "get rich" scheme is a probability for many persons of your sign.
- CAPRICORN** Dec 22 - Jan 19
An overdeveloped sense of uneasiness, could be your problem, during the present cosmic cycle. In other words, there will be no substance to your anti-social feelings.
- AQUARIUS** Jan 20 - Feb 18
More than likely, there is little wrong that you can do for the next few days. Incidentally, you are at a peak with your persuasiveness.
- PISCES** Feb 19 - Mar 20
There's a difference, a big difference between opportunity and temptation. It's unlikely that you will control your impulses entirely. Nonetheless, don't trade off all of your tomorrows - for one today.

Thought For Food

For inexpensive dinner insurance buy a meat thermometer to eliminate the guesswork when roasting beef, pork or lamb. Simply insert a roast thermometer so the bulb is centered, making sure that it touches neither bone nor fat.

Looking for a new garnish for that delicious roast? Team two favorites, apples and mincemeat, for a colorful and delicious go-along. Remove apple cores, but do not peel. Place one tablespoon sugar in the center of the apple and fill with mincemeat. Cover and bake in a moderate oven (350 degrees F.) about 45 minutes or until apples are tender.

Sla-Ton Tops Club

The Sla-Tons Tops Club met Thursday night in regular session with leader, Mary Wilson, presiding.

Ten members weighed in with four losing weight. Dorothy Price and Jan Cornelius tied for the Grab Bag prize by losing the most weight.

Lucille McMeekon won first and Frances Keane won second in the punch board contest. Jan Cornelius presented the devotional, "Start Yourself".

Auction prizes were given out, and each member brought a "white elephant" for the auction.

Rent-a-court?

Rather than vault the tennis net after a match, a winning player can wait until the net falls down. Combining the traditional game and the parking meter has created the collapsible tennis net. Dropping money into a slot on the net post raises the net for play. Sixty minutes later, the net goes limp. The idea is to prevent players from exceeding their rented hour.

Demonstration Club Has Busy Members

The Slaton Home Demonstration Club met Tuesday in the clubhouse with Mrs. Alton Meeks, president, in charge of the meeting.

The roll call was answered by telling "Something I learned from my Mother-in-law". Mildred Patterson, agent, presented the program on "Up-teen Ways with Ground Beef".

Grandchildren To Help With Walt Disney Show

Lisa and Duane Baugh, grandchildren of Mr. and Mrs. W. H. Bartlett of Slaton, are to take part in the Great World of Walt Disney opening in Florida this month.

Lisa is a former student at Slaton High School, and attended schools here until 1968, when she moved to Florida with her family. She is a 1971 graduate of Eustis High School.

The producers of the event chose over 6,000 teenagers from all over America to help with the opening, and to welcome the million people expected to pass through the gates there during October.

Duane has been chosen as a member of the 1,000 member, all-boy band to play at the Grand Opening Day Celebration, which will be televised for a Disney show in the future.

Duane is a senior at Eustis and is a member of their Panther band.

ETTINGREW flew to be master of the recent Rev. and Mrs. MOORE and First Christian Church in the son of W. W. PETTIT, a junior student.

FRANK E. and MR. and MRS. E. WALTON were in San Antonio for the game Saturday night and return to Aggie land Sunday.

The REV. J. L. CARTRITE underwent surgery at Methodist Hospital in Lubbock Monday morning. He said he would be in the hospital for only a few days.

MARVIN MC CAIN, a student of Hardin Simmons University in Abilene, campaigned for congressman at HSU. Elections were held yesterday and word had not been received if he won the election.

KARLENE EASTMAN, daughter of REV. and MRS. CLINTON EASTMAN, is one of 18 Hardin - Simmons University students who will participate in the New Life Crusade in Spain, Oct. 16-25.

ANSIL O'NEAL is scheduled for surgery at the Brownfield Hospital this morning. We wish for him a speedy recovery.

REV. J. L. CARTRITE underwent surgery Monday at Methodist Hospital and came home Tuesday.

Isn't it nice to have children who care for you and love to give surprises? That's what MR. and MRS. H. H. CHEAK found out last weekend as they returned home from visiting. Two of their daughters and their families had completely redone a bedroom for them, paneling the walls, carpeting the floor, and adding a closet. That's one way to show how much they are appreciated!

PRESENTATION---In special ceremonies last week, CSB presented U.S. flags by the Veterans of Foreign Wars, District 7. Making the presentation were Williams, left, district VFW commander, and Max Chaffin, district chaplain. The bank were two veterans--Ronny Jones and T. A. Worley.

CSB proudly salutes the Veterans of Foreign Wars, District 7, which last week presented CSB with flags for the new staffs in front of the bank building.

The dedication ceremony was a district VFW project, with VFW posts from area towns being represented in the program. Our thanks and appreciation for this special memorial service are extended to Dist. Cmdr. Fred Williams of Lubbock, local Cmdr. Travis Mann, and all district VFW members.

A sincere appreciation is also extended to the Slaton High Junior ROTC unit which participated in the ceremony. We are proud to be displaying our flags at CSB!

STORYTIME HOUR WELL ATTENDED
Storytime Hour, sponsored by The Friends of the Library, was well attended Saturday at the Slaton Branch Library. Mrs. R. C. Hall Jr., chairman of Storytime Hour, was in charge of activities, which included games, story-telling, and film strips.

Mrs. T. F. Longtin, local teacher, assisted in the program. Children present for the free hour of fun, held each first Saturday of each month were: Timothy Enloe, Lisa, Tammy and Sheila Cate, Leslie Blakeley, Darrell Cate, Julie and Lisa Hall, Theresa and Randy Crabtree, Mitzi Dillion, Beth Stolle, Shelly and Sally Parker, and Janee' Jensen.

They enjoyed choosing books for check-out after the special program had ended. Visit your local library between the hours of 11:30 - 6 p.m. week-days, and from 9 a.m. to 4:30 p.m. on Saturdays. Lubbock books may be renewed or turned into the Slaton Branch Library. A bookdrop is located at the rear of the west wall of the library for your convenience.

New Officers For FFA Club

The Slaton Chapter of the Future Farmers of America held its first regular meeting of the school year Monday. The following members were elected to serve as officers for the organization: Bobby Hopper president; Bernard Kitten, vice president; Paul Ray Martin, secretary; Greg Sokora, reporter; David Gosset, treasurer; and Dwayne Buxkemper, sentinel.

The chapter's sweetheart is Susan Hopper, reigning sweetheart from the previous year. Greenhand Initiation Week was set for the week of Oct. 25 - Nov. 1. All greenhands must wear their gloves at all times, and anyone caught without their green glove will meet the tallwister at the meeting, according to Greg Sokora, reporter.

New Program Offered at Slaton High

A new program at Slaton High School this year is the Industrial Cooperative Training Program (I.C.T.). Coordinator for the program is O. L. Carrothers, a former principal of the Dallas - Fort Worth area.

Mr. Carrothers said I.C.T. hopes to build a program the SHS student body and city will be proud of. Every student in the program is required to be a member of the VICA (Vocational Industrial Clubs of America).

The VICA held its first regular meeting recently and Candy Townsend was elected president. Other officers are Jim Melton, vice - president; Cindy Locke, secretary; Linda Shafer, treasurer; Rodney Simmons, parliamentarian; Gordon Becker, sergeant-at-arms; and Elsa Lopez, reporter.

Students in the program are employed at various businesses in Slaton.

Columbus Day Will Be Observed Here

The Congress of the United States and the Texas Legislature have designated the second and fourth Mondays in October as public holidays on which all state and federal offices and all banks in Texas must close, according to Oscar Lindemann of Dallas, President of the Texas Bankers Association.

The traditional Columbus Day of October 12 and Veterans Day of November 11 were changed several years ago by Congress and the Texas Legislature to the second and fourth Mondays in October. 1971 will be the first year, however, in which these new Monday public holidays will be observed.

Both dates were declared mandatory bank holidays by the Texas Legislature so that Texas laws would conform with the laws of the federal government and a majority of the other states, Lindemann said.

In Slaton, the U. S. Post Office, Slaton Savings & Loan and Citizen State Bank will be closed Monday, Oct. 11.

ITEM: Avoid house plant failure by not overwatering house plants. This is the major cause of failure with both inexpensive and expensive house plants. Red clay pots allow excess water to evaporate through its porous walls, and are a great help to all indoor plants.

No School Bus Passing Under New State Law

A new state law will no longer permit Texas motorists to stop and then pass a school bus which is loading or unloading children inside or outside a business or residence district.

Colonel Wilson E. Speir, director of the Texas Department of Public Safety, said the new law, passed by the 62nd Legislature, applies in both cities and rural areas and requires motorists moving both directions on the same roadway with a school bus to stop and remain stopped as long as the flashing lights on the bus are in operation. Drivers shall not proceed until school buses resume motion or are signaled by the school bus driver to proceed or the flashing lights are no longer in action.

Under current law, which applies only in rural areas, drivers must stop for a stopped school bus, but may then proceed around it at a speed of not more than 10 miles per hour if safe to do so.

The new law will not require those vehicles on another roadway of a divided highway to stop, and stops are not required if the bus has stopped in a loading zone of a controlled access highway where pedestrians are not permitted to cross.

Speir noted that provisions of the new law will be strictly enforced to afford maximum protection to the school children of Texas.

LETTERS to the EDITOR

Dear Mr. Editor:

You are always printing letters of thank you to nurses and doctors, from folks who have been in the hospital and for such wonderful care they received while there.

I have not been in the hospital recently but have been several times. This letter expresses a part of how I feel about the friend -- indeed and doctor who has been so kind whether it's in or out of the hospital, I'm wondering if you would print it.

Thank you.

LIVING WITH THE TAX

Once an income tax is passed by law, the people of a nation, state, or other unit, must decide to live with it. As the income of the people grows, so does the amount of income tax. Assume that a state, perhaps Texas, entered a budget period in which its spending requirements were barely more than the period before. Still, the income tax would be levied, and surely a use for incoming money would be quickly found.

Today, at the crossroads of taxes, every Texan should pause and seriously consider the alternatives.

Who is this doctor who comes when he's called unless he's so weary he can't make it at all,

Whose very thought is a comforting word when life slips away without being heard.

Does all that he can for our aches and our pains?

You have guessed it, it's our own dear

For And About Teenagers

THE WEEK'S LETTER: I feel lost in my own world. I'm fifteen and can't understand why all the girls my age, a little younger, and a little older, act the way they do about boys. I'm talking about acting so silly about things like talking to someone else's boyfriend, and the things they do and say, jealousy and all that. I acted or felt like they do when I was 9 and 10, about my boyfriend and boys. Today, I feel at least 25 or 30. Can you tell me why?

OUR REPLY: You were interested in boys at an early age. The girls whom you believe to be acting "silly" are going through the same "stage" or phase of develop-

ment that you went through earlier. If they progress as they should, they, too, will soon begin to act in a more mature manner. You feel 25 or 30 because you want to be older, because you want to be a mature individual. Forget this idea. Be a level-headed lady of fifteen. When you reach 30, you might wish you were fifteen again.

If you have a teenage problem you want to discuss or an observation to make, address your letter to FOR AND ABOUT TEENAGERS, COMMUNITY AND SUBURBAN PRESS SERVICE, FRANKFORT, KY.

The Junior High students are working hard on fire prevention themes and posters this week. Themes are being written by sixth and eighth grade students. Mrs. Lawrence's art classes are being very creative with their posters. Some of the students have some very good ideas for their posters.

Terri Holland brought a large clever fire prevention poster made by a friend of her father. The poster is on the bulletin board in the north entrance hall.

All the junior high students would like to send a cheerful "Get Well" to Mike Wilkins. He was injured in football practice last Thursday. He will come back to school with his left arm in a cast. We are proud of our seventh and eighth grade football teams. Keep up the good work.

Good luck to ALL on nine-weeks tests!

Famous school quote: "If homework doesn't let up, we'll be let down".

We were asking some of the students around junior high what they thought of school and their education. Here are some of their answers.

(This person didn't want to say her name) She said school was O.K., but she wished the teachers would explain the work better.

Martha Cox said, "School is fun. We don't have to plan for the next day. We know where we are going, and the teachers are very well educated this year."

Melba McCormick said, "School is a place to go and try to learn. I think our school has a fine group of teachers and a fine principal. I think school is a nice place to be when you want to learn."

was stolen off his parked car.

A one-car turnover was investigated early Sunday morning on the overpass at the end of Division street. A Lubbock man, Ruben Martinez, was not seriously injured in the accident, but was issued several tickets in connection with the mishap.

Two of the accidents were hit-and-run cases. Patrick T. Walsh of 540 W. Garza, reported that his car, legally parked, was struck on the left side by an unknown vehicle. Damage was minor.

A vehicle making the curve at Industrial Drive and N. 9th Saturday night went off the roadway and struck a state highway sign. Police later issued traffic violation tickets to Frank W. Cochran, Lubbock, who was stopped by police in Post.

A collision at 9th and Lubbock Sunday night involved cars driven by Lynda C. Stephens and Ray Piqueno Jr. Damage was estimated at \$350 for both vehicles.

Birth certificates for social security

One of the greatest concerns of most people filing for social security benefits is the amount of time required to get the checks started. According to John G. Hutton, manager for The Lubbock, Texas, social security office, the time required to get the checks started could often be reduced if a claimant had sufficient evidence of his date of birth when he files a claim.

The best evidence is a birth certificate recorded at or near birth. Anyone who was baptized in infancy may be able to get a baptismal record showing his date of birth. If neither of these records can be obtained other good documents are school records, state or federal census records, old insurance policies, marriage records, delayed birth certificates and military records. There are only a few of the records that are used as evidence of date of birth.

Hutton stated that a person should not delay filing if he is unable to get proof of his age. The Social Security Administration is able to lend assistance in getting the information if a person is unable to get a document showing his date of birth or age.

Wilson Upsets Lorenzo, 29-8

The Wilson Mustangs finally unloaded all their inhibitions on a fine Lorenzo team last Friday night by the score of 29-8. Lorenzo took the opening kick-off and made two first downs before Wilson took over. Wilson started from its own 29-yard line and 5 plays later scored on a 1-yard run by Arturo Vergara. The touch-down was set up by an excellent 58-yard pass-run from John Fields to Chris Coleman.

The rest of the first and second quarter was dominated by the defensive units of both teams. The only other threat in the first half was when Wilson drove to Lorenzo's 1-yard line, where the Mustangs received a 15-yard penalty and then failed to score.

Wilson began with the second half with David Hernandez returning the kick-off back 40 yards to Wilson's 45-yard line. From there it took Wilson 10 plays and 3 first downs to score its second touchdown with Darrow Talkmitt driving over for the score from the 1-yard line. Greg Wied scored the extra point with a fine run and some excellent blocking.

Lorenzo took the ensuing

kick-off and fumbled on the second play. David Hernandez fell on the ball, giving Wilson possession and set up the Mustangs' third touchdown. The Wilson backs again followed excellent blocking and play-calling to cap their scoring drive when John Fields scored from 6 yards out. Then Fields threw to Chris Coleman again for the extra point.

Lorenzo battled back to score on a 21-yard dash by James Craig, who also scored the extra point to make the score 22-8 in favor of Wilson.

Wilson's last score came on a 26-yard pass-run from Fields to Greg Wied, with Danny Crowson kicking the extra point. Coach Al Mitts wouldn't pick out any outstanding player saying he thought the win came from a great team effort.

Wilson defense was led by Danny Crowson with 14 tackles, and Darrow Talkmitt with 13. Danny Trotter with 10 was followed closely by the rest of the Mustangs.

The offense was led by Greg Wied with 98 yards, Arturo Vergara with 63, and Darrow Talkmitt with 54. Wilson plays tough, New Deal this Friday at 7:30 at Wilson.

★★★★★ Lions Aid Track

Slaton Lions Club presented a \$150 check to Tiger Club president Pat Taylor during the club's regular meeting Monday, with the contribution going to the fund for a cinder track at Slaton High School.

Steve Smith, president, made the presentation to Taylor and Pete Williams, chairman of the project. The club netted the money from operating the Babe Ruth concession stand this season.

Special speaker at the Lions' meeting was Carlton Whitehead, head of the undergraduate program in the School of Business at Texas Tech. Whitehead related some of the goals, and some of the problems of the school.

Pointing out that the educational is slow to change, Whitehead said this one of the big problems. "In this fast-moving society, our new programs are already behind by the time we move a student through the processes. He said colleges and universities have also had a problem of "isolation and insulation"—both outwardly and inwardly. He said a professor can become isolated and insulated from what is actually going on in the "outside world".

Whitehead also emphasized that "teachers should measure up", just like persons in other professions are required to do. "Our educational system has perpetuated a faulty assumption that all teachers are good," said Whitehead.

"I believe there are some ways to determine if a teacher is producing," said Whitehead, adding that "a person is not necessarily worth more pay just because he has lived another year."

Dubin Englund was program chairman for the week and introduced the speaker from Tech.

Smith announced that the club has started selling Halloween candy as a fund-raising project. All club members will have the bags of Halloween candy -- ideal for trick or treaters -- which sell for \$1 each.

Smith also reminded members that District Gov. Bob Levo of Brownfield will make his official annual visit to the club Monday. All members are urged to be present for the meeting. Jim Dulin, membership chairman, reminded members that October is "membership month" and urged them to invite prospective new Lions.

Eagles Edge Idalou by 7-

Trailing by an unlikely score of 4-0, the Roosevelt rallied for a touchdown in the closing minutes of a 7-4 triumph over the Idalou Wildcats Friday night.

The District 4-AA opener for both teams was at Idalou, Roosevelt will host the Post Antelopes this week.

Eagle quarterback Don Jackson tallied on a run with just 3:21 left in the game at Idalou, he converted to make it 7 for the Eagles.

After a scoreless first half in the defensive Idalou lit up the scoreboard by tackling an Eagle goal line in the third period. The Wildcats got a pointer in the fourth period, when a snap from over the punter's head and through the end zone.

Roosevelt faced a 4th-and-4 situation on the Idalou line when Jackson rolled out to the right and paydrt. Defensive standouts were numerous for Roosevelt.

Roosevelt now owns a 3-1 record for the season. Idalou has won one game and lost 3.

Cooper Knocks Hale Center, 21-

A tough Pirate defense and a strong running game led Cooper to a convincing 21-0 win over Hale Center's Owls at Woodrow Friday night.

The victory left the Pirates with a 3-1 win-loss record, and they'll host the Spur Bulldogs Friday night in another non-district clash.

Cooper scored in each of the first two quarters to take a 14-0 lead at halftime. Kevin Jones got the first touchdown by plunging over from a yard out midway of the first period. Kerry Crutcher's kick made it 7-0.

Jay Wimmer's touchdown run upped the lead to 14-0 at the final score came in the quarter when Junior connected with Ben on a 13-yard pass made good on the

Blue-Chip Battle Set In Annual Shrine Game

LUBBOCK -- Texas Tech coaches hit the recruiting roads last year with looks of determination on their faces. They returned several months later wearing grins of satisfaction.

Tech's recruiting year had been good, but in the hills of Arkansas, Razorback coaches felt they may have landed the best crop of schoolboy footballers ever. So, which school came out better?

The answer may be supplied in Lubbock Oct. 7 when the freshman teams from the two schools collide in the Fifth Annual Shrine Bowl football game.

"We think we got some good athletes," admitted Tech's freshman coach Jess Stiles.

"I'll tell you this, they can play."

And Stiles should know. Last year, Tech's freshmen waltzed through their five - game schedule without a loss.

This year, however, the Arkansas game will be first time the Picadors will be in action, and as sponsors of the game, the Panhandle and South Plains members of the Khiva Shrine Temple are hoping to supply a crowd of over 30,000 fans to witness the inaugural.

All profits from the game will go to help support the Shrine children's hospitals and burns institutes. The Shriners have sponsored four Tech freshman football games and one place -- usually ours -- and played games. One time a new family moved in the neighborhood. They came to our house. We were playing "Hide and Seek." My brother was "it." He saw one of the new boys, but didn't know his name, so he said, "Ah, there, Peach." This incident my brother has never been able to forget. Perhaps because we won't let him.

Birthdays were special. We girls met at each others house to celebrate. We were farmers and had little money, so we made our presents. We made jewelry from tin cans (usually salmon cans because they were gold color inside). We cut strips from the cans and used a pretty piece of glass or a stone for the settings. Boxes for the gifts were made from oatmeal boxes lined with cotton.

And to keep it lively, former Raider Ed Dyer and footballers Larry Mike Watkins to brothers Tom, Tom David into coming Young Dowdy is lineman, Dyer is Mollinar a defensive Watkins a linebacker older kin.

Tickets, at \$2.00 adults and students, sold by all members Khiva Shrine, of the sale at the Tech and at the gate the game.

Tiger Upset Bid Falls Short, D.C. Wins by 21-6

Friday night at Slaton, the Tigers gave up a run for the money. They couldn't get the short end of a pass from Darrell Eastman. The Mustangs scored first possession, but the Tigers' 1-yard line just before the game ended, but ran out of time-outs and failed to score.

used a strong ground game to take a 14-6 lead at halftime. Two fumbles and an intercepted pass stalled the Tigers in the second half, and one of the fumbles set up Denver City's last drive for a touchdown. Slaton drove to the Denver City 1-yard line just before the game ended, but ran out of time-outs and failed to score.

Tigers had their best offensive showing of the season against the tough Mustangs, but got only one touchdown. The Tigers got over the 100-yard mark in rushing for the first time this season, going for 159 and winding up with a net 136. Another 73 yards in the air gave Slaton a total of 209. Denver City registered 193 rushing and 30 on passes for a 223-yard total. Slaton had 15 first downs to 16 for the Mustangs.

Ron Bartley, the hard-running junior halfback, had his best night with 71 yards on 16 rushing attempts. Randy Davis was next with 16 yards on 4 carries. Eastman hit 3 of 9 passes for 32 yards and had two intercepted. Steve Nieman, playing mostly in the fourth period, hit 3 of 7 for 41 yards. Brad Winchester turned in a great job on defense, being credited with 10 tackles or assists. Steve Mosser had his best night at defensive end, claiming 9 tackles or assists. Lloyd Kitten and Randy Davis, in the defensive secondary, were also high on the "tackle" list, as were Bartley, Bobby

Hopper and Stan Jaynes. The Mustangs won the opening coin toss and elected to receive. The fired-up Tigers held the Mustangs to three yards in three plays and forced a punt. Slaton started from its own 35 and marched the distance in 11 plays with Bartley doing most of the damage to the Big Red defense.

After reaching the D.C. 8 with a first down, however, Eastman was hit on a pitchout and the Tigers recovered the ball for a loss of 10. On the next play, Eastman was forced out of his passing pocket but lofted a pass on the run and Clyde Kitten took it in the end zone for a touchdown. The snap was bad on the extra point, and Nieman attempted a pass that was incomplete. Slaton had taken a 6-0 lead with 4:58 left in the first period.

The Mustangs got the next kickoff back only to the 18, but Randy Brian broke for a 16-yard gain, and the Tigers were assessed another 15 for hitting late. Denver City covered the remaining 49 yards in 9 plays with Reggie Clifton scoring from 4 yards away. The kick missed its mark and it was 6-6 with 1 minute left in the opening period.

Slaton came back after the kickoff and recorded two first downs before a holding penalty killed the drive. The teams exchanged punts, then a 16-yard punt return by Hunicutt got Denver City to the Tiger 39. A quick slant-in pass got the Mustangs rolling with 11 yards. It took 7 plays to cover the remaining 28 yards against the stout Tiger defense. Brian made a great effort on 4th and 4 to get the ball across the goal. Mitchell passed to Williams for two points, and the Mustangs took a 14-6 lead with 3:18 left in the first half.

Denver City intercepted an Eastman pass two plays later, and threatened to add another

score before half. Lloyd Kitten retaliated for the Tigers, however, intercepting a pass on the 10 and running it out to the 25. Slaton took the second-half kickoff and quickly got two first downs, then Eastman was hit on an attempted pitch and the Mustangs recovered the ball on the Slaton 41. It took the Mustangs 10 plays to cover the 41 yards, including one fourth-down try for a yard that cleared by inches. Mitchell then made the score on an 8-yard run and the kick made it 21-6 with 4:39 left in the third period.

Neither team threatened again in the third stanza, then Slaton stopped a Mustang drive as the fourth quarter started. Eastman was jarred loose from the ball again, however, and D. City recovered on the Tiger 24. The determined Slaton defense yielded just four yards and, after a penalty, took over on the 25.

Bartley broke for 15 yards to spark the Tigers' last rally. The Tigers chalked up four first downs in the drive with Nieman hitting Lamb and Woollever with key passes of 24 and 8 yards, setting up a first down on the Mustang 7. Nieman lost 5 trying to pass, then found Bartley on a 10-yard gain after eluding Mustang rushers. The Tigers had a first down on the 2-yard line but no time outs, and wasted two plays while trying to stop and clock. A fourth-down try by Bartley was inches short and Denver City took over with a few seconds left.

TURNING THE CORNER--Tiger halfback Ron Bartley "turned the corner" and picked up 15 yards in this action photo from Friday night's game at Denver City. Bartley left one would-be tackler on the ground as he ripped off the big gain. Slaton scored first in the District 4-AA contest, but lost a 21-6 decision to the defending champs. Rushing, Evans, Glasscock Win Grid Prizes

It was another tough week for the football experts, but three entrants in the Slatonite Football contest picked 18 of the 23 winners last week.

Richard Evans and Gary Glasscock were the other two to miss five games. Evans won second prize of \$5 by guessing 34 on the total score, and Glasscock was third on a guess of 46 total points.

Eight entrants missed six of the games. The first-place winner missed the Lorenzo Wilson, Olton - Friona, Tech-Arizona, Dallas - Washington, and Houston - New Orleans games. All but one entrant missed the Oiler - Saint game, a tie. Richard Magallanes was the lone entrant to pick the tie, but he missed nine others.

A total of 38 entrants missed seven of the games, and another 38 missed eight. There were a total of 185 entries the past week. Thirty-three entrants missed 11 or more games.

Those coming close with just six misses included M. W. Kerr, Kelly Sparkman, Carol Green, Moore & Partain, Billie Melton, Fred Clark, Mrs. Leon Moore, and Kay-Becky-Frana-Keri-Ann. There has been a different winner each week -- it could be you this week! If you haven't joined the fun, turn to the contest page and follow the easy rules. You could be a cash winner.

Junior Tigers Score 2 Wins

Slaton's Junior High football teams captured two victories over the visiting Frenship teams here Tuesday evening.

The Slaton 7th graders won a 22-12 decision in the first contest, and the 8th graders posted a 20-0 shutout over the visitors. The two Slaton teams travel to Post Tuesday, with the first game set for 5 p.m.

In the 8th grade game, Ernest Gipson, Charlie Haynes and Bill McClesky each scored a touchdown on short runs as the Slaton team took the 20-0 win. Breck Hudson kicked two extra points. Gary Aycock, McClesky, Eiland Wood and Steve Leake were defensive standouts.

Quarterback Alex Cristan ran for two touchdowns and passed to Jessie Smith for another in the 7th grade 22-12 triumph. Craig Mitchell was a defensive standout for Slaton.

Freshmen Win, JV Games at Abernathy

Ball Bounces Up In Panel Picks

Senior varsity and freshmen split two games at Abernathy on Thursday, with the seniors taking a 20-0 victory and the JV absorbing a 14-0 defeat.

The freshmen used a stout defense to spark the 20-0 win over Abernathy. Simon Gonzales dashed 32 yards for the first score in the second period. Chris Williams blocked a punt to set up the 32-yard play. J. D. Moore attempted a 36-yard field goal on the last play of the first half, but the ball hit the left goal post, bounced across and hit the right post and fell back onto the field of play. Slaton held the 7-0 lead until the fourth period, when Bobby Hightower set up a score with a long punt return. He then crashed over from the 2 and Moore's conversion made it 14-0.

Ronnie Smith broke on a 56-yard touchdown run to finish the scoring. Abernathy made only two first downs in the game. Williams, Moore, Gonzales, Hightower, Lupe Valdez, Tony Leake and Ronnie Valdez led the tough Slaton defense.

Pete Williams took over as undisputed leader of the Fearless Forecaster panel after picking 8 of the 12 winners this past week, while co-leader Speedy Nieman went to the bottom of the list.

Bill Ball, former tail-end, was the top picker for the week with 9 of 12, moving him into a season tie with Dee Bowman and Jim Newhouse. The latter pair picked 8 of 12 the past week. Nieman had only 5 of 12 to plummet into the cellar. It should be pointed out that Ball did not pick Denver City last week, as was incorrectly listed in the paper. This was a typographical error, and Ball wants everyone to know that he would never, never pick the Mustangs over Slaton!

Ball missed only two games besides the Slaton-Denver City contest, picking wrong with Tahoka and Ralls, who were beaten by Frenship and Post.

Williams has a percentage of 66.7 for the season picking 32 of 48. Area high school games of interest and four SWC contests are on the panel's list this week.

Congratulations WINNERS

THREE WINNERS IN EACH Age group of the Punt, Pass & Kick contest were: (left to right) 8-year-olds Troy Moses, Gary Bourn, Tom Dulin; 9-year-olds Haddock, Shelby Brake, Danny Ardrey; middle-10-year-olds Steven Denzer, Ricky Davis; 11-year-olds Lonnie Ardrey, Randy Cisneros, Brad Clark; 12-year-olds Phil Bruedigam, Rodney Warlick, Scott Hudson; 13-year-olds Richard Adams, Juan Hernandez.

I would like to thank everyone for their kind considerations while I was in the hospital. The visits, cards, letters and flowers were so nice. I especially would like to thank Doctors and nurses at the hospital for their wonderful care.

WE WOULD like to take this opportunity to thank everyone for the many acts of kindness and sympathy extended us during our recent bereavement. The family of T. N. Bickers

WE would like to express in a small way to all our friends and relatives of Slaton the gratitude that is in our hearts since the passing of our loved one. We are so thankful, first, for a God who comforts and supplies all our needs. Next, for friends who in so many ways have expressed their love and comfort during these hours. Last, for our Christian homes that are truly our heritage.

Mrs. Terrell Allen Judy and Bill Arnold Jerry and Vicki Allen Bret, Jana and Staci Allen

WE DEEPLY appreciate the thoughtfulness of everyone who visited, brought flowers, food and sent cards and letters, and any other kindness shown us during the illness and death of my brother, Claud C. Shipman. May God richly reward you is our prayer.

Slatonite Victim In Head-on Crash

Mrs. Mattie Whitley, 45, who resided on Arizona Street here with her family, was dead on arrival at Methodist Hospital Tuesday night from the scene of a crash just southeast of Lubbock city limits on U.S. 84.

Mrs. Whitley was returning home from Lubbock and was fatally injured about 8:30 p.m. in a car-pickup truck head-on smashup. The pickup, which Capt. Tommy Wilbanks of the Lubbock County Sheriff's Department said was traveling northwest on the inside east-bound lane of U.S. 84, was driven by Coy Herrin Jr., 35, of Pattonville. He and another passenger, Charles Carroll, 29,

of Rosenberg, were Methodist Hospital, underwent treatment, injuries were not serious.

Services for Mrs. Whitley were held at Triumph Baptist Church here where Mrs. Whitley was a member.

It was reported Whitley is survived by a son, five children and one brother.

a weekly message relating the world of today to the lessons of Faith and Church...

This is the day which the Lord hath made. Psalms CXVIII, 24

The happiness of childhood is a wonderful blessing to behold. How quick are children to love, to share. How little it takes to bring a smile, a laugh, a pure expression of joy. We cannot stay as children forever upon this earth. We must grow and learn. If we do so properly, we become adults who know how to love and how to share — who make the most of every day which the Lord hath made.

Just What Is A Newspaper?

A newspaper is many things to sensible buying. To sports and theater lovers, died. To the voter, it is guidance; to a politician, friend or foe. To opinion searchers, it stimulates thought. To front porch sitters, it describes life beyond the horizon. To the immigrant, it is a translator of the customs from which the immigrant fled. To the living, it is a source of freedom and hope; for the dead, a tribute to their virtues.

A newspaper is many things to many people. To some, it is a reality, a living textbook that records each passing day of world history; to others, it is escape—a refuge of entertainment and relaxation after the day's chores. To the housewife, it is ideas for new menus and new clothes and raising the youngsters. To the teacher, a homework assignment on current events; to schoolchildren, a notebook item. To the lonely diner, a companion; around the family supper table, a topic of conversation.

To the mother, suggestions for who and what is playing, when and where. To athletes and actors, scrapbook material. To an unknown, it brings fame; to a well-known, it furthers his name. To the publicity seeker, it is a haven; to the publicity shy, a source of annoyance. To the seller, it means a quick response; to the buyers, many selections. To some, it brings good news; to others, sad tidings. To friends and neighbors, it

"I REMEMBER" BY THE OLD TIMER

From Mrs. Viri Kesler, West Liberty, Illinois: I remember in the nineteen hundred and teens when all the neighbors came in to help saw wood. On a particular occasion, my sister's cat, "Midnight," had died the night before. After the men removed several logs, they found Midnight. When the kids found that out, a funeral procession started.

Even yet, I can see those kids (all but me, because even the sight of dead things made me sick) filing through the yard gate, two-by-two, behind those carrying Midnight on a shingle. They took it to a clump of plum trees and buried it. For a long time nothing but a pure white rose could be put on that grave with the little white marker.

I remember when the family got into the wagon to go twelve miles to the County Fair. Once, when we were preparing to leave, potato bugs were discovered in the potato patch. There was nothing else to do but get small limbs from the trees and whip the ground behind those critters as we drove them out of the potato patch. Then we were off to the fair.

Those were the days. We didn't have to go far or fast to have fun. We made it ourselves, and it was really for "real."

Grandma also made vinegar in half gallon glass jars. A large piece of "mother" was put into each jar, then sugar and water and after a time was very good vinegar.

Southland News

BY TOMMIE WILKE

I am writing this on Monday and it is a beautiful day here in Southland. It was real cloudy this morning and it sprinkled rain, but the clouds thinned out and the sun is about half way shining.

Mrs. Max Chaffin's brother, Ret. Lt. Col. Jim Elliott of Washington, D. C. was a visitor in the Chaffin home last week. He is with the National Paint Association.

Otto Klaus and Mr. and Mrs. Calvin Klaus spent several days in Baytown, Sealy, and Kings-

land this past week. Wade and Shane Maner are staying with their grandparents, Mr. and Mrs. P. W. Crawford, for a few days while their parents, Mr. and Mrs. Clinton Maner, are in Arizona attending a funeral.

Mr. and Mrs. D. D. Pennell went to Huntsville over the week-end and attended the Prison Rodeo Sunday. They were met there by Mr. and Mrs. G. C. Emery of Houston, Mr. and Mrs. Buford Works, Ed Offield and A. B. Pinnell from Dallas.

While they were gone, Mr. and Mrs. Arvil Ferguson kept their station for them.

Mr. and Mrs. Willie Becker and grandsons, Dennis and David, went to Lake Stamford fishing over the week end.

Joe Blyth, son-in-law of Mr. and Mrs. Willie Becker, spent Sunday night with them. His mother underwent open heart surgery recently at Methodist Hospital in Lubbock.

Mr. and Mrs. D. D. Pennell visited with their son and family, Mr. and Mrs. Harvey L. Pennell and Heath, on Thursday night of last week.

Donald Pennell spent two days in Mercy Hospital last week having some X-rays made.

Edmund and I attended the Tennessee Ernie Ford Show at the fair Monday night last week. The Herman Havises and Donald Pennells also attended that night. We enjoyed the show very much. Old Ernie is one of our favorites!

Our daughter - in - law, Martha, and darling little Lea Ann are spending the week with us. They will fly back to Arizona this Thursday. Edmund and I haven't quite made up our minds if we are going to let them go or not!

This is all for this week, and as you can see, it isn't much, so please phone me your news! Until next week I would like to leave this little jewel with you. "Prayer digs the channels from the reservoir of God's boundless resources to the tiny pools of our lives."

Swine Short Course To Be Offered For Adult Farmers

A swine short course for adult farmers will be held Oct. 11, 12, 13, and 14 under the sponsorship of the Slaton High School Vocational Agriculture Department, according to Mr. J. C. McClesley, superintendent and Mr. Johnson and Mitchell, Teachers of Vocational Agriculture.

Mr. Earl Behrens, swine specialist with the Vocational Agriculture Division of the Texas Education Agency and the Department of Animal Science at Texas A&M University, will do the instructing in the course. He is headquartered at Texas A&M University.

Mr. Behrens holds a B.S. Degree in Agricultural Education from Texas A&M University, and Master of Education degree from Howard Payne College. He has been a teacher of vocational agriculture for 17 years specializing in swine improvement and has had experience as head of swine management for Parker George Company, Brownwood, Texas. Arrangements for the adult education short course in swine production and in other fields are made through Mr. Walter Labay's office.

The short course at Slaton is scheduled to begin Oct. 11th at 7 p.m. in the vocational agriculture building. Other meetings in the series of four will be held 11-12-13-14. During the dates the short course is in progress, Mr. Behrens will be available to assist enrollees with individual problems and to provide on-the-farm instruction, according to Johnson and Mitchell.

Farmers interested in attending the short course should write or call the teacher of vocational agriculture, Mr. Mitchell and Johnson. An entry fee of \$2.00 will be charged. Swine Production Short Course

Certificates are to be presented to each student who attends all the training sessions.

Mr. Behrens states that the short course will be adjusted to wishes and interests of farmers enrolled, but that he expects to cover such subjects as selecting and breeding, feeding and feeding requirements, management, disease and parasites, housing and equipment, and marketing.

"Short courses in swine production, as well as in other areas, are now available to farmers throughout the state under the cooperative program between Texas Education Agency and Texas A&M University," stated Bob Jaska, associate professor, Department of Agricultural Education at Texas A&M University, who coordinates the program.

"This cooperative program," states Jaska, "is designed to make the services of specialists available to conduct short courses under the supervision of public schools. Such a program will enable teachers of vocational agriculture to provide improved educational services to farm people."

Specialists are now available in the fields of Beef Production, Farm Arc Welding, Farm Electrification, Electric Motors, Swine Production, Tractor Maintenance, Pasture and Oxy-Acetylene Welding.

FFA NEWS
The Cooper FFA Chapter sent shop projects of three of its members to the South Plains Panhandle Fair this year. Two projects placed in the judging, including a cotton trailer made by Doyle Buskemper, taking first place over 24 other projects, and a motor lift made by Al Moore, Moore's project placed fourth. Among the livestock placed

in the fair, Kevin Jones placed second in the junior show with a holstein dairy heifer, and also placed fourth in the open show. Doyle Buskemper showed a Poland China gilt that placed first in her class, and reserve champion of the junior show. In the crops division, 15 boys placed crops at the fair. The winnings totaled 23 first places, 19 seconds and 23 thirds, according to Randy Hagens, Cooper FFA reporter.

College Night Set at Lubbock

The Annual College and Vocational Night sponsored by the Lubbock Public Schools will be held at Coronado High School, 3301 Vicksburg, at 7:30 p.m. on October 18. All students, parents, school personnel, and others who might be interested are urged to attend.

The program will open with a brief assembly in the Coronado Auditorium. The opening sess-

ion will be followed by three 30-minute periods in which students, parents and other guests may visit the display rooms set up by the various colleges. Representatives from the colleges will be on hand to share information and distribute materials. It will be possible for each student to attend three different college presentations. All junior high and high school students are invited to attend.

pests for the 1972 season is to provide them with plenty of food and protection this fall and winter," says Dr. John G. Thomas, Extension entomologist at Texas A&M University.

"However, with the hope that most producers want to avoid this situation, they should consider harvesting as early as possible and shredding stalks and plowing under all cotton debris at least six inches deep," he added.

Extremely high boll weevil populations during August and September have caused extensive losses in many areas of Texas, according to Thomas. In

areas where boll weevils have been particularly heavy, growers are encouraged to include an insecticide with their defoliant or phosphate-type weevils at the time of harvest. This reduces the number of weevils surviving in the field and later entering diapause or winter hibernation.

The number of pink bollworms observed in cotton fields throughout central and northeast Texas the past few

weeks causes real concern for 1972, adds Thomas. "We have seen larger pink bollworm numbers in these fields this year than at any time in the past decade. Unless producers reduce overwintering pink bollworm numbers through early harvest and thorough stalk destruction, 1972 may very well bring back memories of the early and mid-50's."

There is definitely a cause for concern over the present cotton

insect situation and what could develop next year.

According to the entomologist, producers can play a key role in reducing insect numbers by harvesting early and destroying cotton stalks as soon as possible.

Sea Story!
Seahorses, growing no longer than six or seven inches at the most, can be found in the waters off Bermuda.

ATNIP WINS EAGLE

Mike Atnip, son of Mr. and Mrs. Kenneth Atnip, recently was awarded his Eagle Scout badge in special ceremonies at Wichita, Kan.

Mike's grandparents are Mr. and Mrs. H. E. Atnip of Slaton. Kenneth was born and reared in Slaton.

From 1613 to 1917 the Romanoff family ruled Russia.

Salty?
A cubic mile of sea water contains 128,000,000 tons of salt.

There are more states east than west of the Mississippi River.

RULES OF THE GAME:

- ★ Teams playing in this week's contest games are listed in ads and numbered 1 through 46. Use the entry form at the bottom of the page and circle the numbers of the teams you think will win. To pick a tie, circle both numbers of the teams playing.
- ★ Be sure to guess total score on the "tie-breaker" game. In case of ties, the entrant nearer to that total score will be the winner. If tie also occurs on total score, prize money will be split between place winners. This also applies to "jackpot" winner.
- ★ Have your entry blank signed or stamped by a participating merchant, and get it to The Slatonite office by 3 P.M. Friday before the games are played. Only two entries for each person; all persons 12 or older eligible except Slatonite employees and their families. Each entrant eligible for one prize.
