Bid Awarded on Austin addition

School Budget Approved

Building improvements program, and heard a report on a new special education program from Mrs. May Bell Kern, director.

Supt. J. C. McClesky reported that regular budget items showed an increase of about \$27,000. The total budget shows a much larger increase, but some \$227,000 is from the Plan A special education program--a cooperative project with Roosevelt and Cooper which is funded 100 percent by the state. All of the funds are handled through the Slaton district.

The superintendent listed six budget items which are increased from last year--local fund assignment, \$9,455; attorney fees, \$6,000; bond payments, \$5,750; athletic programs, \$5,000; insurance, \$1,000; and the natural gas bill, \$600.

Revenue receipts in the budget showed \$342,400 from local sources; \$916,014 from state sources, and \$28,271 from federal, instruction, naturally, was the big item in disbursements with a total of \$998,259. Debt service was listed for \$123,330.

The proposed budget reflected a deficit at the end of the year of about \$15,000. This includes repaying an anticipated deficit of about \$8,000 at the close of this year, along with the \$9,455 increase in local fund assignment.

Sealed bids on the Austin Addition were opened by board president Don Kendrick, and they ranged from the low of \$43,907 to \$55,000. Representatives of the seven firms attended the bid opening. Lampe Construction listed 100 calendar days for completion of the project.

Gulf Oil was awarded the gasoline contract on a low bid of 13.7 cents a gallon (plus 5 cents state tax). Other bids: Mobil Oil 14.7; Balch Oil (Phillips 66) 14.15; Red Barn 13.9; and Texaco 14.19.

Bell Dairies was awarded the milk contract again this year, after three bids were submitted at the same figure--7.75 cents per half pint. Borden's and Cloverleaf were the other bidders.

Quality Cleaners and Laundry was awarded the cleaning contract for the year. Slaton Steam Laundry was the only other bidder, with bids varying on a list of items. Since the volume of items differ, it was not possible to determine the actual low bidder.

McClesky gave a financial report to the board, and listed progress on the school's \$115,000 building improvements program. Roofing work has been completed on the junior high gym and buildings, but rain has slowed completion at West Ward.

Sidewalk construction has also been slowed at West Ward, and workers are awaiting erection of the new portable building to complete a ramp. Trustees decided to join walks between the back door of the building and the back of the cafeteria, if contract price is the same.

Partition work has been completed in the old band hall for conversion to a classroom, and work is underway for a classroom in front of the old field house building. Due to government regulations, additional expense will be involved in preparing a "gun room", McClesky reported. Work is also being accomplished on dressing rooms in the old gym at high school.

Mrs. May Bell Kern was present at the meeting to explain the new special education program to trustees. The cooperative program is funded by the state and includes three school districts--Slaton, Roosevelt and Cooper. Most of the teachers have been hired at the three schools, she reported.

The new program is not only for mentally retarded children, but for all children with physical or learning handicaps. The program will include children from 3 to 21 years of age. There will be 20 classroom units in the schools, along with three early childhood units. The program is also set up to handle "homebound" students.

Joe Sparkman, new curriculum supervisor, announced that teacher in-service training begins with a faculty breakfast at 8 a.m. Monday in the junior high cafeteria. Teachers will have one session explaining the Plan A special education program and one on language-learning disabilities. A special speaker from Texas Christian University will be here Tuesday.

All members of the board were present for the meeting, along with McClesky, business manager Edwin Knight, Sparkman, Mrs. Kern, and O.G. Nieman, editor.

Maine is bordered by only one other state.

Napoleon called England a "Nation of Shopkeepers."

Boston is nearer Europe than any other American city.

AIR LEADS DISCUSSION

School Adopts 'Liberal' Dress, Grooming Code

Hot pants are out for girls, the code states, along with shorts, cut-offs, low-cut sundresses, bare midriffs or see-through blouses. Boys are not permitted to wear "tank shirts" or any type shirt with an extreme neck opening.

Some students can be required to follow more strict rules, as the code states: "Students representing our school at a contest, meeting or other activities may be asked by their sponsor to modify their dress and/or hair styles."

Following is the code adopted by the school board:

The Slaton Public Schools recognize that parents are basically responsible for their students' dress and general appearance. We believe that careful grooming and appropriate dress are important factors in developing a wholesome personality and in meeting the day to day challenge of life. We further believe that a student's behavior is influenced by his dress and grooming. Therefore, the following requirements for student dress in the

secondary schools shall be established and based upon the following principles:

1. Clothing should be designed, constructed, and worn in a manner that is not suggestive or indecent.
2. The general appearance of the student and his clothing should not interfere with the instructional program.
3. Clothing and general appearance of the student should not constitute a health or safety hazard.
4. Cleanliness of body and clothing is expected of all students.
5. Clothing should be designed, constructed, and worn in a manner that will promote proper decorum in school.

FOR GIRLS

1. Dress or skirt length shall preclude indecent exposure when the student is sitting or standing, or when performing other normal school activities. Strapless dresses are not to be worn during the school day unless covered by a jacket or top. See-through blouses, bare midriffs, low-cut sundresses, shorts, cutoffs or hot-pants are

Light showers and cool weather dominated the weather picture in the Slaton area the past week, with rainfall measurements ranging from .20 of an inch up to more than an inch from thundershowers Monday, Tuesday and Wednesday.

Hardest shower to soak Slaton came Wednesday afternoon as a drenching downpour moved over the city briefly about 2:30 p.m.

Most of the showers were welcomed by area farmers, but damaging hail was reported around the Hackberry area south of Slaton Tuesday. A ginner in the area estimated about 1,200 to 1,500 acres sustained heavy hail damage.

Heaviest rainfall report in the area came Tuesday when 1 inch of rain was recorded a mile south of Wilson. Hail damage was reported over a wide area between Post and Taboka Tuesday. One farmer near Wilson reported .85 of an inch Monday night and .50 of an inch Tuesday.

Lightning accompanied the Monday afternoon thunderstorm, and electric power was knocked out all over town for a brief time. The showers came about 2:25 p.m. Monday and lasted for about a 30-minute period.

Reports were incomplete around the area Wednesday before publication time. Most farmers were about ready for a period of hot, dry weather so that cotton crops could start maturing.

High temperatures were all in the 80's the past week, with a maximum of 88 recorded Tuesday. The maximum just hit the 80-degree mark Saturday. Lows were in the 60's with a minimum of 60 recorded Saturday.

Lightning Hits Park

LIGHTNING HITS PARK--Lightning struck a tree in the city-county park on Garza street during a shower Monday afternoon, splintering the tree and sending bark flying for yards around the area. Thundershowers roamed the area Monday, Tuesday and Wednesday leaving from .25 of an inch to more than an inch in some spots. Hail damage was reported to crops in the Hackberry area Tuesday. (SLATONITE PHOTO)

(SLATONITE PHOTO)

Slaton's industrial development leaders--who have been courting a "blind-date" company for several weeks--announced Monday that the company is a "finalist" in the large national company's search for a new plant site. Communications have been highly confidential to this point, but the announcement was made this week in order for Slaton to make a labor survey which is needed in the presentation to the company.

Local officials still do not know the name of the company--only that it is a large national textile manufacturer with credentials "as good as gold." The company prefers to remain anonymous during its search for plant sites.

"It could be the chance of our lifetime in this community," stressed Bill Adams, chairman of the Slaton Chamber of Commerce industrial development committee. "We feel Slaton has a good opportunity to land this industry," he added, "if we can put together a good labor survey this next week."

Bill Smith, chairman of Slaton Industrial Development Foundation, joined Adams in appealing for community cooperation in completing the labor survey as soon as possible.

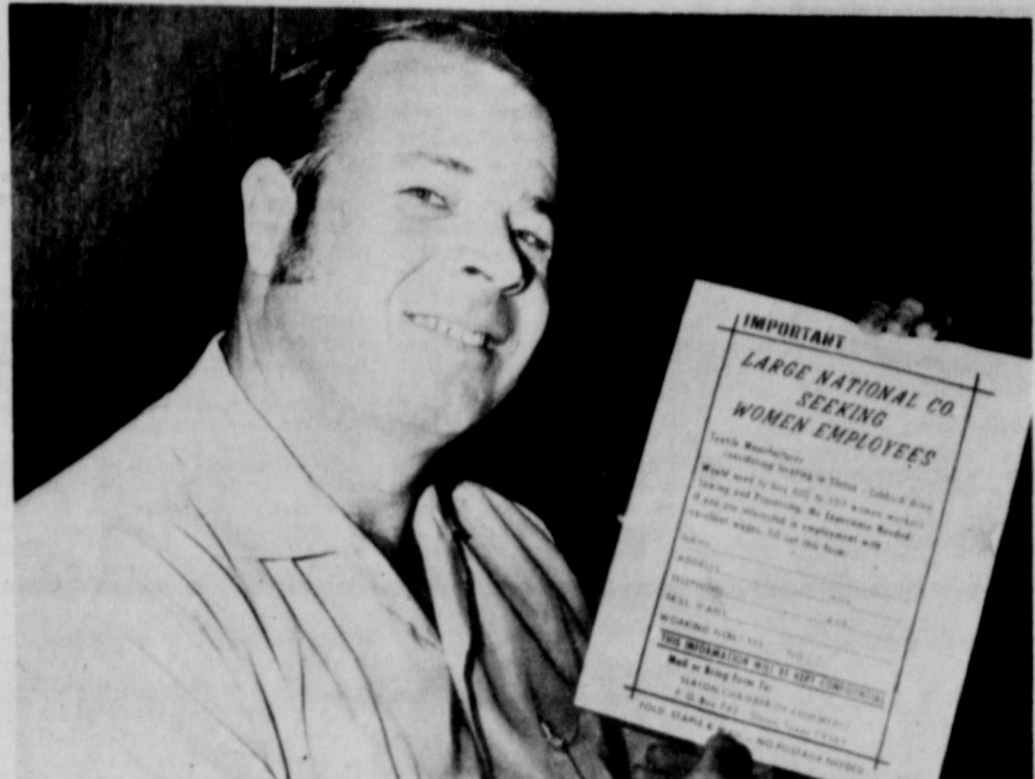

According to information released with the labor survey, the industrial prospect would hire about 400 to 500 women. The plant to be built will require some 100,000 square feet of floor space, and local officials estimate it could add about \$2 million a year to the community payroll.

Chamber directors, in a meeting Tuesday morning, enthusiastically tackled the job of "selling Slaton" to the industrial prospect. J. C. McClesky, C of C president, said Wednesday that the Chamber has already been offered help on the labor survey by people from all segments of the community.

Chamber directors and other civic workers have started distributing the labor survey material. The Women's Division of the Chamber is expected to have a major role in helping get the job survey forms rounded up. A youth group--including the Youth C of C and the Junior ROTC--started working Tuesday on getting the forms distributed.

The labor survey is to include all women interested in work in a 25-mile radius of Slaton. Plans were made Tuesday to get the forms distributed in Lubbock and many other area towns. Newspaper ads and radio and tv announcements have been placed with news media all around the immediate area.

Adams stressed that the Chamber solicits help from any and all citizens of the community. "We need to have about 4,000 forms submitted from Slaton and the area on women indicating an interest in working," he stated.

NEW INDUSTRY SOUGHT--Slaton was engaged in the quest for a large new industry this week, and Bill Adams, C of C industrial development chairman, issued an appeal for interested women to fill out a labor survey form. Adams said citizens all over the community had reacted "highly enthusiastically" to our appeal for help. The labor survey forms are being distributed in Slaton, Lubbock and the surrounding area. (SLATONITE PHOTO)

DIAZ TAKES OATH OF OFFICE

City Sewer, Sanitation Rates Are Increased

An increase in sewer and sanitation rates was approved by Slaton City Commission during a regular monthly meeting Monday night, with citizens to see the \$1 per-month hike on their October bill.

The rates on each service were increased by 50 cents a month--from \$1.25 to \$1.75. The city commission had discussed the proposed changes last month, explaining the need for additional revenue.

In other business, Bart Diaz took the oath of office as the new city commissioner from Ward 4. Diaz won over two other candidates in a special election to fill out the unexpired term. The mayor administered the oath of office. The commission tabled action on the city's hospitalization program pending answers to several questions.

Faced with a deficit at the end of the month, the commission agreed that the sewer and sanitation rates provided the most logical method of securing additional revenue. Mayor Bland Tomlinson said the sewer and sanitation rates were based on 1962 costs, and an increase "was overdue."

The mayor has stated several times that he will oppose any increase in taxes while he is in office, but he recommended the rate increases so the city wouldn't be "going in the hole" on the two services.

With the announced intentions of raising the rates on the agenda, about 11 persons appeared at the session to ask questions about the need of the revenue--as well as to inquire if sewer and sanitation service would be better.

The mayor was frank about the possibility of better sewer and sanitation service. "Hopefully, we would like to improve the service, but I cannot assure you of this," he told the group. He explained that the money received on the rate increase is not "earmarked" for sewer and sanitation services, but to help with general fund deficits.

"While we naturally hope to improve the services, we will be paying increased rates for the same service," he stated. Although there have been some complaints--especially on the frequency of picking up garbage--the mayor said the commission felt the rates were not realistic.

Citizens will be billed at the new rates from Aug. 15 to Sept. 15, with the amount being reflected in the Oct. 1st billing.

In a general discussion of city business, the mayor said it appeared the city would probably lack about 1 million gallons of water in using the allocation from Canadian River. The commission approved bills at the session, with all members present. City Sec. Alex Webb and City Atty. Harvey Morton also attended the session.

Pre-registration For Schools Announced

Joe Sparkman, supervisor for Slaton Independent Schools, released a pre-registration schedule and school hours for Slaton students this year.

Pre-registration for all four Slaton schools will be next Wednesday, Aug. 18.

The schedule at West Ward Elementary is: First Grade--10:30 a.m. to noon; Second Grade--1 p.m.; and Third Grade--2 p.m.

Stephen F. Austin Elementary: Fourth Grade--1 p.m.; Fifth Grade--2 p.m.

Slaton Junior High: Sixth Grade--9 a.m.; Seventh Grade--10 a.m.; and Eighth Grade--11 a.m. New students should pre-register at 1 p.m.

Slaton High: All four grades--1 to 5 p.m. for all new students or students wanting to change schedules. Other register at 8:30 Thursday, Aug. 19.

Sparkman said all schools except high school will begin at 8:30 a.m. and high school will begin classes at 8:45 a.m. The first grade and kindergarten classes will be dismissed at noon for the first two weeks of school and around 3 p.m. after that. Second and third grade classes will dismiss around 3 p.m. with the fourth and fifth grades dismissing at 3:30 p.m. High school will dismiss at 3:45 p.m.

Showers, Cool Weather Hang In Slaton Area

Light showers and cool weather dominated the weather picture in the Slaton area the past week, with rainfall measurements ranging from .20 of an inch up to more than an inch from thundershowers Monday, Tuesday and Wednesday.

Hardest shower to soak Slaton came Wednesday afternoon as a drenching downpour moved over the city briefly about 2:30 p.m.

Most of the showers were welcomed by area farmers, but damaging hail was reported around the Hackberry area south of Slaton Tuesday. A ginner in the area estimated about 1,200 to 1,500 acres sustained heavy hail damage.

Heaviest rainfall report in the area came Tuesday when 1 inch of rain was recorded a mile south of Wilson. Hail damage was reported over a wide area between Post and Taboka Tuesday. One farmer near Wilson reported .85 of an inch Monday night and .50 of an inch Tuesday.

Lightning accompanied the Monday afternoon thunderstorm, and electric power was knocked out all over town for a brief time. The showers came about 2:25 p.m. Monday and lasted for about a 30-minute period.

Reports were incomplete around the area Wednesday before publication time. Most farmers were about ready for a period of hot, dry weather so that cotton crops could start maturing.

High temperatures were all in the 80's the past week, with a maximum of 88 recorded Tuesday. The maximum just hit the 80-degree mark Saturday. Lows were in the 60's with a minimum of 60 recorded Saturday.

Tiger Club Meets Tuesday

Slaton Tiger Club will hold its first fall meeting Tuesday morning, starting at 7 a.m., in the Community Room of Slaton Chamber of Commerce.

The meeting was announced by Pat Taylor, president of the Tiger Club for 1971. Coffee and donuts will be served and all interested sports fans are invited to attend.

The club meeting was called to plan activities for the upcoming football season, including a discussion on when to hold the weekly meetings during the fall. Taylor said the club will also launch its annual membership drive.

Goldfish originated in China.

The APOLLO program has cost the United States \$25 billion out of a Gross National Product of about \$5 trillion over the last ten years--one half of one percent of the GNP.

YOUR EDITOR SEES IT LIKE THIS :

When the chips are down, people in the Slaton community will come through!

That was the feeling of many of the industrial development leaders in our community this week after they announced that citywide help was needed in making a vital labor survey.

Volunteers came from all walks of life, from all ages groups--all willing and ready to pitch in and help their community in a worthwhile cause. Business leaders, civic club members, women's groups, youth groups and minority groups all responded to the appeal for help.

When Chamber of Commerce officials announced the possibility of landing a big, new industry here, citizens realized the need for quick action and they responded with the teamwork attitude it takes to make a community a better place in which to live, work and play.

The big job is still underway, and there is much work and contacts still to be made. We feel confident, however, that Slaton citizens will work together to get the job done.

There is no guarantee that this effort will produce the desired results in locating the big plant here. We can't lose, however, for the labor survey will be highly beneficial for future industrial contacts, even if this one fails. And, we know citizens can be counted on to provide the teamwork to get a job done!

Irish Visitor Likes Our Texas Accent

BY LAVON NIEMAN

EXCHANGING LOOKS - Brian Schlegel, visiting here from England, and Marshall Clements, right, of Slaton are looking each other over and find that they have "a lot of good times" in common. With them is Brian's mother, Mrs. Barry Schlegel, a very personable, attractive young lady visiting here with Mr. and Mrs. Thomas Clements. (SLATONITE PHOTO)

"I really don't have an accent", said Mrs. Barry Schlegel as I visited her in the home of Mr. and Mrs. Thomas Clements, 710 S. 14th St. She's a native of Scotland, Ireland . . . and even though she hasn't lived there since a child, she has that Irish accent that Texans love to listen to.

Mrs. Schlegel and her son, Brian who is 2 1/2 years old, are here visiting the Clements while her husband is stationed in Vietnam. He plans to come after them in December. They flew to New York from London and then on to Slaton.

How did a couple who comes from Ireland and California (his home is Los Angeles) meet a couple from Texas and become such good friends? In the United States Air Force. Their husbands were stationed at Lakenheath, Suffolk, England from 1967 to 1970.

Along with other couples, the Clements and Schlegel's rented an apartment in an old rectory. When the Schlegel's were transferred to New Mexico, leaving the Clements in England, she came to visit Mrs. Clements'

parents here, Mr. and Mrs. Claude Simmons.

Clements was discharged from the Air Force last January but Schlegel re-enlisted. Mrs. Schlegel said being an Air Force man's wife isn't so bad, but she'd be glad when he comes home from Vietnam.

Her father is retired from the British Air Force and she has always traveled a lot. She said she had been to Egypt, Singapore, Hong Kong, Germany, Holland, Austria, Italy, Mexico, America . . . and Texas, of course.

While visiting here, the Clements plan to take her to Palo Duro Canyon, all the football games, and she plans to visit a girlfriend in New Mexico. We asked her how she likes Slaton. She said, "It's tiny and very friendly". "I especially like the way you talk here".

ITEM: More steak appears on the family table as take-home pay increases. In 1963 families were eating about the same amount of steak and ground beef, each 30 per cent of the total beef consumed.

CONCERT SET Behlen Heads Musical Group

The annual Summer Festival Concert of Music at the Lubbock Garden and Arts Center, 41st and University, Lubbock, will be held Friday, Aug. 20, at 8 p.m. The public is invited to attend at no charge.

A musical group known as "The Southern Highland Trio", headed by Stinson R. Behlen of Slaton, will be featured. Behlen will play the classic Southland Highland 4-string dulcimer which he makes. He is known as the "finest dulcimer maker in Texas and the United States", according to Mrs. Georgia Booker, director.

The musical program will be directed by Jack Hall. Others in the trio are Mrs. Bo Jackson of Post, who is the choir director at the Post First Baptist Church and an elementary school teacher. She plays the auto-harp. Mrs. Jerry Rogers, soloist, also will be featured playing the dulcimer. She is the art designer at the Texas Tech Museum.

The group will play "Barbara Allen", "Home Sweet Home" and "Amazing Grace". Behlen will be featured in a dulcimer solo playing "Drink To Me Only With Thine Eyes".

By Merle King

MR. and MRS. T.C. BARNES visited recently with their son-in-law and daughter, MR. and MRS. W.S. Marley in Edmondson.

The LLOYD HORTONS visited several lake-sites recently before setting up camp at Lake O' Pines. It seemed to have been raining everywhere they went. They were accompanied on the two week outing by MR. and MRS. LEON CLARY of Post.

MRS. EDDIE MABRY attended her grandmother's funeral in Vernon last week.

In Rudiso recently for a visit with her parents, MR. and MRS. J. RAY SPENCE, was MRS. DAVID WILLIAMS and children, PAM and JEFF.

MRS. W. A. RIGGS, JR. has returned to her home in Ft. Worth after being a guest of MRS. JEWEL JONES and other relatives. Her daughter, LUCY, remained for a longer visit.

MR. and MRS. CLYDE R. DOHERTY had as their guests Sunday, MR. and MRS. DALE SPENCE of Seminole.

MISS BRENDA LANGHAM of Newton, Kansas visited briefly in Slaton last week with her great-grandfather, JAMES WOLF, and other relatives. Brenda is the daughter of L.D. LANGHAM and the late MRS. LANGHAM.

It looks as though MR. and MRS. ROSCOE MERCER are taking turns out at Mercy Hospital. Roscoe was dismissed on Sunday, Aug. 1st and Loy admitted Saturday, the 7th.

CAPT. and MRS. JACK HAMILTON of Washington, D.C. have been guests of the CHARLES GORMANS this past week.

RICHARD COLE of Los Angeles, California was in Slaton on business recently.

PEARL PINCKERT has been a patient at Reese Air Base hospital.

MR. and MRS. GRADY ELDER have been in Pagosa Springs, Colorado for a visit with a daughter and family. Returning to Texas, they headed toward San Angelo where they were guests of GRADY ELDER, JR. and his family. A visit in Cleburne was on the agenda before the Slaton couple was to return home.

Some of you may be wondering, like I am, if young JOHN LOCKE met with any success in his venture last week. It seems John had some Basset puppies for which he was seeking homes. He was recording each "turn-down" and I was number 58 on his list. His theory was to get several hundred "nos", then surely his mother would let him keep the puppies. John was handling the matter in a very business-like manner and was only calling on people whom he felt would give the puppies good homes. Good luck, John, and CONNIE--have a heart!

The ANSL O'NEALS have returned home after a two week vacation which carried them 5,000 miles into twenty-one states and one Canadian province. Highlight of the trip was a 100 mile ferry ride across Lake Michigan, taking almost seven hours.

A SLATONITE subscriber now residing in Park Forest, Ill. called last Wednesday night to let us know we were being read in metropolitan Chicago. Many of you will remember this caller as JAN BAGBY, now MRS. BENNIE SORRELS. Jan is the daughter of the late MR. and MRS. JOHN BAGBY and grew up in the family home, 755 S. 9th Street. Jan's husband is engineer of track in the Atchison, Topeka and Santa Fe's Chicago office. They live at 137 Blackhawk, Park Forest, with their four lovely daughters, CARRIE, CATHY, CHRISTIE, and CONNIE. Many thanks for the nice surprise, Jan.

MRS. S. A. PEAVY was in Ft. Worth last week where she attended funeral services for a brother. She was accompanied on the trip by her daughter, DORIS.

BERNARDINE GRABBER is home after a stay at Mercy Hospital and we're wishing her a speedy recovery.

Engagements Announced

Mr. and Mrs. Othmar Frank Kitten announce the engagement and approaching marriage of their daughters, Joyce Ann to Stephen Gamus, and Doris May to Gayland Davis.

The couples plan to be married October 22 at 2:30 p.m. in St. Joseph's Catholic Church in Slaton.

Joyce is a 1971 graduate of Incarnate Word College in San Antonio with a Bachelor of Science degree in Nursing. She is employed by University Hospital in Lubbock. Gamus is the son of Mr. and Mrs. W. R. Gamus. He is a 1967 graduate of Slaton High School and is employed by Newson's Paint and Supply of Lubbock.

Doris is a 1968 graduate of Commercial College in Lubbock and is employed by Ince-Wheeler Insurance of Lubbock. Davis is the son of Mrs. Ed Hauptman of Denver, Colo., and Forrest Davis of Slaton. He is a 1968 graduate of Slaton High School and is employed by Crawford Chevrolet in Slaton.

Wedding Date Set

An August 19 wedding has been planned for Miss Susan Sander and Phil Brasfield in Grace Lutheran Church in Slaton at 4 p.m.

Parents of the couple are Mr. and Mrs. Reuben Sander of Wilson and Mr. and Mrs. Paul C. Brasfield of Slaton.

Relatives and friends of the couple are invited to attend.

Mr. and Mrs. George Celebrate 50th Anniversary

Mr. and Mrs. George Deaver celebrated their 50th wedding anniversary Monday in their home, 250 E. Panhandle. Dinner was served by Mrs. Deaver and her daughters.

Hostesses for the occasion were Mrs. H. M. Cade and Mrs. Dick Cade. They presented her with a gift of linens. The 34 guests were registered by Dena Gamble and served by Patsy Gamble.

Driving through Post Sunday I was attracted by the pretty cactus and rock garden at the corner of 7th Street and Broadway. Look for this beauty spot next time you're down that way.

MR. and MRS. BOB USSERY have returned to their home in Fresno, Calif., after visiting here a week with her parents, MR. and MRS. W. L. HOUSOUR, and other relatives in Lubbock and Southland.

MR. and MRS. TED MASSEY of Tucson, Ariz., visited with the W. L. HOUSOURS last week. They were en route to their home after visiting their son, FRANK who is in the service stationed at Newport News, Va. Mrs. Massey is the daughter of the Housours.

We hear JONAS CAIN has been doing some fishing lately at White River Lake and having good luck.

... Jeanette Brosch

Gel-Brosch Vows Spoken

Catholic Church Saturday afternoon after marriage of Miss Stengel to Sidney Brosch. The bride, Jeanette Brosch, of San Jose, and the groom, Sidney Brosch, of Lockney, exchanged vows at the ceremony. The bride wore a white gown with a high neckline and long bishop sleeves with appliques of peau d'ange lace on the wide cuff edge. The empire bodice and A-line skirt featured lace and scattered appliques with a deep ruffle at the hemline. A matching lace edged mantilla fell from the crown to chapel-length in back. She carried a cascade of Gladiolus buds with a removable corsage backed with seed pearls and cascading rosary. Mary Lynn Brosch served her sister as maid of honor. Bridesmaid Karen Stengel of Panama City, Fla., sister of the groom and Sherri Wilke of Southland. They wore formal gowns of sheer pink dotted swiss over polyester and cotton, fashioned with empire waistlines and sheer puff sleeves. The A-line skirts featured deep ruffles at the hem. They carried multi-colored pom-poms. Dennis Stengel of San Diego, Calif., served as best man for his brother. Groomsmen were Glen Brosch and Larry Heinrich. Ushers were Richard Brosch and Randy Stengel. Acolytes were Glenn Heinrich and Carl Simek. Lisa Clark of Dallas was flower girl and Bryan Taylor of New Deal was ring bearer. Mrs. Emil Wimmer, organist, played traditional wedding music, and accompanied soloist, Mrs. Royce Heinrich in wedding selections. Following the ceremony, a dinner was held in St. Joseph's Hall. Assisting with hospitalities were Mmes. F. S. Kahlich, Ben Book, C. O. Buskemper, Leroy Buskemper, Victor Buskemper, C. B. Schneirs and Kevin Buskemper. Miss Barbara Semik and Viola Mae Book served wedding cake while Joyce Heinrich presided at the guest register. Following a wedding trip, the couple will reside at No. 3 Elm Lane, Plano, Tex. Mrs. Stengel is a graduate of Slaton High School, South Plains College, and attended Texas Tech. She is employed by Blue Cross and Blue Shield. Stengel is a graduate of Sherman High School and Grayson College, and is employed by Griffin Oldsmobile in Plano.

Vows Said By Couple In Tahoka

TAHOKA (Special) — Miss Connie Jo Gardner and Jimmy Douglas Monk exchanged double ring wedding vows at 8 p.m. Friday in First Baptist Church, with the Rev. Milton Gardner, uncle of the bride and minister of Friendly Baptist Church in Tyler, officiating. Parents of the couple are Mr. and Mrs. Clifton Gardner and Mr. and Mrs. L. B. Monk of Quitaque.

TAHA Meeting Held Monday

The Mercy Hospital Auxiliary met Monday afternoon in Mercy Hospital dining room with Mrs. C. O. Buskemper, president, Candy Stripers Cheryl Emert and Mary Martin, reported to the group concerning their money making projects to seven of their members to the State convention on West Texas State University campus. The Auxiliary made it possible for one other member to attend along with two sponsors.

Plans were made for an afternoon of quilting to prepare an embroidered top donated to the Auxiliary. Mrs. Nestor Kitten was appointed chairman of this activity.

Plans were also made for a garage sale to be held August 20 and 21 in the Tiger Pawz building. This money-making project will aid the hospital in its remodeling program, and citizens and members are urged to call 828-3909 or 828-6063 if they have articles to donate for the sale. Mrs. Walter Bednarz is chairman of the sale. Six members and Sister Mercedes, administrator, attended the meeting.

MR. and MRS. R. G. COPELAND and children returned Sunday night from a vacation trip which took them to Arkansas and other points.

Trip to 'Texas' Assured Already

Response to the idea of a trip to see "Texas" in Palo Duro Canyon has been good, according to Mrs. Tommy Davis, chairman of a committee of the Women's Division of the Slaton Chamber of Commerce.

ROSANNA KITTEN

Slaton Girl Is Honor Graduate

Rosanna Kitten, daughter of Mr. and Mrs. Andrew Kitten, was an honor graduate of Mary Meeks School of Nursing of Hendrick Memorial Hospital in Abilene. Graduation was held July 31.

Miss Kitten won the Behrens Award as the graduate with the highest academic average. The Mary Meek School of Nursing is an accredited three-year program granting diplomas in nursing.

Miss Kitten is now employed at St. Mary of the Plains Hospital in Lubbock. She is a 1968 graduate of Christ the King High School in Lubbock after attending Cooper High School, three years.

Salad Supper To Honor Mobleys

The Harold Moble family has recently returned from Italy and will be in Slaton Saturday night and Sunday night.

Moble was minister of the Slaton Church of Christ and left here in February of 1961 when they went to Florence, Italy to do mission work.

The couple has four children. They are, Steven, 17, Tammy, 16, Twain, 14 and Timothy, 7.

A salad supper will be given Saturday at 8 p.m. in their honor at the Church of Christ Fellowship Hall. All friends are invited to attend and visit with them.

They are on their way to do mission work in Canada and this weekend will be the only time they have to spend in Slaton. They plan to attend Sunday evening services here.

Senior Citizens Club Meets

The Senior Citizen Club met Friday in the Slaton Club House for a day of entertainment. They played dominoes, "42" and visited. The Rev. Linam Prentice, pastor of Evangelical Methodist Church, spoke to the members taking his message from the first and second chapters of Hebrews. He spoke on "The Greatness of Christ".

Mrs. Fannie Patterson, president, conducted the meeting and gave reports on members who were ill. T. N. Bickers reported their son, James, of Dallas is quite ill with inoperable cancer.

The opening prayer was given by B. A. Hanna. The club signed and sent a card to Mr. and Mrs. Ross Barron. Mr. Barron was reportedly "taking it easy" for awhile and was unable to attend.

Several employees are still in hospitals. Mr. and Mrs. T. N. Bickers have gone to Dallas to be with their son who recently underwent surgery.

The group played 42 and dominoes before noon, and invite other retired Santa Fe employees to join them.

After the business meeting, Rev. Henry Russell, pastor of the Assembly of God Church, and his wife sang two songs for the group, "Life's Railway to Heaven" and "I'll introduce you to my friend". Rev. Russell read scripture from Proverbs 18:24, "A man that hath friends must show himself friendly, and there is a friend that sticketh closer than a brother". The group dismissed after group singing.

H. Tunnell, reporter

Carl Stewarts Celebrate Golden Anniversary Sunday

In celebration of their fiftieth wedding anniversary, the family and friends of Mr. and Mrs. Carl Stewart will honor the couple with an informal reception between 6 and 9 p.m. Sunday in the Coke Tolver home, 1109 E. Buckley, Brownfield.

Hosting the reception will be their daughters and sons-in-law, Mr. and Mrs. Bill Powner and Mr. and Mrs. Coke Tolver, and grandchildren.

All friends are invited to attend the reception.

It's a woman's WHIRL
Lavon Niemen

I hope you won't think I'm bragging if I share with you the thrill Speedy and I had Saturday morning when THE SLATONITE won a first place plaque for Advertising Composition and third place in General Excellence at the West Texas Press Convention held at Wichita Falls.

There are 96 newspapers in the WTPA and we were judged in the weeklies over 3,000 population bracket. You never know which of your newspapers will be allowed for entry in the contest. Then about two months before the convention, we are informed we can send two consecutive issues in either June or March for the Better Newspaper Awards Contest.

On this basis, it challenges us to make every issue just as good as we can... and that's how it should be.

These awards come at a time that we are looking back at seven years we have lived in Slaton and published THE SLATONITE. If we had the first six months to live over again -- and knew what we were in for -- I'm not sure we'd never bought THE SLATONITE. But we were younger then, and must have had more energy than we have now.

They've been seven good years though. Without our wonderful advertisers we could have never won either award and without our readers -- we wouldn't have any advertisers. So here's to you all -- a GREAT BIG "THANK YOU" for seven successful years in Slaton -- and for those two special honors your newspaper won for 1970.

WW
The Seminole Sentinel, published by a former Slatonite employee, Roy McQueen, captured first place honors in General Excellence. As I was browsing through all the newspapers that were entered in the various contests, I found the Seminole paper.

I saw right quick what helped him win the award -- Dee Bowman's picture was on the front page when he was there as master of ceremonies for the Peach Queen contest. When I told Dee this, I asked for his permission to run his picture on the front page of THE SLATONITE every week and maybe we'd have a chance.

As you all know, Dee is manager of Slaton's radio station KCAS. It just so happened that there were two quarter page radio station ads in the newspapers we submitted.

The out of state judge that judged the newspaper contest probably thought to himself, "any newspaper that could sell two ads to their local competition deserves an award -- so he selected THE SLATONITE". So it seems Dee had a big part in the selections at this year's newspaper contest.

WW
Speedy, the "has been" of the West Texas Press Association (having served as director, vice-president two years, president and chairman of the board), also received another award.

He and three other guys played golf (getting up at 6:30 a.m. Isn't my kind of a weekend) early Friday morning. At a banquet Speedy was presented a bag of golf balls (very old and used) for setting a record for the number of strokes on one hole.

WW
While on the subject of "winning" -- I must relay to you what the Denver City newspaper man has to say about football. He says they don't really have a very strong team this year -- just strong enough to beat Slaton and win district. But, he says watch out in two years when their sophomores become seniors. He says they'll go to state that year. Well, we'll see!

WW
And another winner last week was Mrs. Ernie Davis, wife of our athletic director at Slaton High School. While we were at coach's school, Sue (Mrs. Ernie) won a wrist watch and handbag as door prizes.

I think she wins something every year. She attributes this to getting up early and attending all the coffees, teas and meetings where they have drawings for door prizes.

The coach's wife has already set a winning precedent for this year -- and we do hope her husband does the same. Good luck, Ernie and Tigers!

WW
Have you heard about Slave Driver O'Neal at Pioneer Gas Co.? When the electricity went off for about 15 minutes Monday, he quickly supplied Merle King and Jo Delaney with gas lights to work by so they wouldn't waste any time.

WW
I was greeted at the press convention by Bob Miller, publisher of the Hamilton News, by "How about that serendipity?" He and a few others commented it was about time I wrote a column again and had decided until the column week before last that I had retired from Speedy.

Miller went on to say that he took the column to one of his new advertisers who had just opened a new dress shop called "Serendipity". It was good to know that someone read "Woman's Whirl".

Women's Directors Meet

The directors of the Women's Division of the Chamber of Commerce met August 4 in the SWPS Reddy Room. Directors present included Mmes. Bob Hopper, Roy Poage, Jake Wendel, Dick Hartman, Tommy Davis, Wayne Edwards, Dee Bowman, Steve Smith, Don Sikes, Tommy Wallace and Robert Hall Davis.

Mrs. Tommy Davis gave a report on the trip to see "Texas" August 20, and said that 50 reservations had been made. More can be made as soon as these are filled.

Mrs. Tommy Wallace, in charge of the flower contest, reported that if enough children were given the flower seeds, had been successful with them, and would call her at

3923, the flower contest would still be held.

President, Mrs. Bob Hopper, appointed a nominating committee, consisting of Mmes. Harley Martin, Tommy Davis and Dee Bowman. There will be five vacancies to be filled on the board of directors. Retiring directors are Mmes. Don Sikes, Coy Evans, Johnnie Moore, Dick Hartman and Bob Hopper.

A coffee has been planned for August 26 when all members of the Women's Division of the Chamber of Commerce and any other interested women are invited to come. All members are eligible to suggest member's names as directors, and should do so before Sept. 15. The final selection of the directors will be left up to the nominating committee.

Nine visitors attended the meeting were Mmes. Bob Kern, Jack Schutte, W. S. McWilliams, Frank Benson, Ronnie Kennedy, Johnny Sikes, Bill Smith, Barbara Johnson and Truman Ford.

They would appreciate help in this money making project.

ADMIRE AWARDS--Mrs. O. G. Nieman, women's editor of The Slatonite, is admiring the awards the newspaper won at the recent WTPA convention. The plaque is for first place in advertising composition and the certificate is for third place in general excellence. (SLATONITE PHOTO)

Slatonite Winner Of Two WTPA Awards

THE SLATONITE took a first place award at the 41st Annual West Texas Press Convention held Friday and Saturday in Wichita Falls at the Trade Winds Motor Hotel.

The plaque in Advertising Composition, along with a third place certificate in General Excellence, was presented to publisher O.G. Nieman Saturday morning at the awards breakfast.

There are 130 members in the West Texas Press Association, and 96 of these are newspapers.

Results of the 1971 newspaper contest are as follows: General excellence, weeklies in cities over 3,000: 1, Seminole Sentinel; 2, Iowa Park Leader; 3, Slaton Slatonite.

General Excellence, weeklies in cities under 3,000: 1, Hamilton Herald-News; 2, Stratford Star; 3, Gaines County News (Seagraves).

General excellence, semi-weeklies: 1, Hereford Brand; 2, Littlefield Leader-News; 3, Lamesa Press.

Advertising, weeklies over 3,000: 1, Slaton Slatonite; 2, Floyd County Hesperian (Floydada); 3, Friona Star.

Advertising, weeklies under 3,000: 1, State Line Tribune (Farwell); 2, Lockney Beacon; 3, Hamilton Herald-News.

Advertising, semi-weeklies: 1, Hereford Brand; 2, Graham Leader-Reporter; 3, Lamesa Press-Reporter.

Photography: 1, Fort Stockton Pioneer; 2, Littlefield Leader-News; 3, Lamesa Press-Reporter.

Editorial writing: 1, Perryton Herald; 2, Hereford Brand; 3, Seminole Sentinel.

Column writing: 1, Iowa Park Leader; 2, Hereford Brand; 3, Olton Enterprise.

Nieman, who has been on the executive board of WTPA for seven years, retired after serv-

ing as chairman of the board the past year. New officers were elected. Frank Baker of Fort Stockton is the new president.

Included on the program for the convention were Phil Stroup, Regional Public Information Director, Memphis Region, U. S. Post Office, who spoke "Aims of the new U.S. Postal Service". Also speaking on the U.S. Post Office was Graham Purcell, congressman from Wichita Falls. Both speakers assured the newsmen that it is the Postal Department's goal to provide timely, dependable, effective delivery of the mails.

During a business meeting at the convention, it was revealed that the 15-cent newspaper may soon be common. Faced with rising costs, many weekly newspapers throughout the state have advanced their single-copy price to 15 cents, and some dailies will be doing the same within a few months.

Mrs. H. Maeker Succumbs, Rites Held Wednesday

Mrs. Henry Maeker, 89, of Rt. 2, Wilson, died Tuesday morning in Highland Hospital. Services were held at 10 a.m. Wednesday in St. John's Lutheran Church in Wilson with Rev. Louis Balderach, pastor, and Rev. J. T. Bolding, associate pastor of Lubbock's First Baptist Church, officiating. Burial was in Englewood Cemetery in Slaton.

Mrs. Maeker, born in Germany, moved to Kennedy in 1884 and then to Wilson, where she had lived since 1916.

Survivors include four sons, Arnold of Lubbock, Hugo, Walter and Edmund, all of Wilson; four daughters, Mrs. Frank Schneider of Wilson, Mrs. J. D. Hancock of Yorktown, Mrs. D. W. Hancock and Mrs. Lonnie Crews, both of New Home; a brother, Emil Nieman of Wilson; two sisters, Mrs. Annie Ehlers of Akron, Colo., and Miss Ida Nieman of Post; 25 grandchildren, 57 great-grandchildren and four great-great-grandchildren.

Grandsons were pallbearers.

Governor Preston Smith signs TCTA Developmental Leave Bill. L.R. Meador, TCTA President, James Leeper, Legislative Committee Chairman, Legislative Committee, Mrs. Karen Raffety, Asst. Director, Curriculum Committee, Mrs. Johnetta Proctor, Director, Curriculum Committee, Mrs. Wicker, Asst. Executive Secretary, Mrs. Johnetta Proctor, Director, Curriculum Committee and Charles E. Sanderson, Executive Secretary.

Carter Rites Slated Today

Graveside services for H. B. Carter, 76, who died Tuesday in Lubbock, are scheduled about 2:30 p.m. today in Englewood Cemetery. Funeral services were to be held in a Lubbock church prior to the graveside rites here.

Mr. Carter was a former Slaton resident and is a brother-in-law of Mrs. John Carter, 225 S. 18th St. Survivors include a brother and a sister of Fort Worth.

Volunteers At State Meeting

The Junior Hospital Volunteers are meeting this week in State Convention in Canyon on the campus of West Texas University.

The agenda includes workshops within Workshops with Dr. Lawrence Allen, University of Kentucky, Lexington, presiding.

Local candystripers attending the convention are Mary Martin, Kayleen Carnes, Cheryl Emer, Karen Fleming, Roberta Snyder, Donna Moerbe, Mary Ann Gatica, and Sarah Ruiz. Mrs. Orville Fleming and Mrs. C. O. Buxkemper are sponsors for the group.

Conference Held In San Antonio By Classroom Teachers

Mrs. Newma Carnes, President of the Slaton Classroom Teachers Association, was among the 400 Teachers who gathered in San Antonio, August 6-7, for the Annual Leadership Conference sponsored by the 45,000 member Texas

Tarbox Cited By Vo-Ag Teachers

DALLAS, TEXAS -- State Rep. Elmer Tarbox of Lubbock was among a number of persons cited recently by the vocational agriculture teachers of Texas for distinguished service to vocational education.

The association presented its distinguished service award to a total of 28 persons at its annual meeting.

The awards are presented annually to those persons the association cites for outstanding service to their schools and community, and for support of vocational agriculture programs. Rep. Tarbox has been a staunch supporter of vocational agriculture education during the four terms he has served in the Texas Legislature.

Bill Adams Appointed To Key Post

AUSTIN (Spl) -- Bill Adams, Bill Adams Olds-Pontiac, Inc., Slaton, has been appointed to the key post of Area Director of the statewide Texas Automobile Dealers Association. TADA is a 54-year old organization of franchised new car and truck dealers dedicated to selling and servicing the motor vehicle buying public and improving the automobile industry in this state.

Adams will serve with the TADA Board of Directors in studying all phases of activity concerning the automobile industry.

"The position of Area Director is of ever-increasing importance," stated TADA President Finley Ewing of Dallas. Adams will work closely with Federal, State and Local Officials in the studies of pollution, safety, and law enforcement problems.

A cat's whiskers are delicate sense organs which help him find his way about.

8-4-71-- Mr. and Mrs. Rosorio Martinez, 1303 53rd. Lubbock, girl, Sylvia Vela, 5 lb. 3/4 oz.

Pine trees are less likely to be struck by lightning because their resin interferes with their conducting of electricity.

Made on Drug Workshop

Curriculum Public... started with a search for causes of insanity, he said. Dr. H. H. Reynolds, Executive Vice President of Baylor University spoke on "Marijuana and other Hallucinogens." Marilyn McHam, Coordinator for Narcotics and Crime Education, Irving Independent School District spoke on "Solvents on the Drug Scene." Ernest Caraballo of the Scientific Support Division, US Bureau of Narcotics and Dangerous Drugs, spoke on "The Enigma of Law Enforcement."

Caraballo said if there existed "enough commitment" by the public on the grass roots level drug abuse wouldn't exist. "If you don't assist, law enforcement is a losing battle," he said. People "fail to cooperate, fail to volunteer," and sometimes "fail to admit that a drug problem exists."

Mrs. McHam, speaking of glue-sniffers said "These children have grown up believing that there's a pill or a spray for whatever problems they may have. They think they are never supposed to feel pain anymore. Glue sniffing is sometimes a way of begging for attention," she said.

Dr. Reynolds, who has done research on LSD and Marijuana, said LSD destroys central nervous system tissues. He said the long term effects of the drug are most dangerous; it may stay in body tissues a long time.

Following major address, those attending the workshop were divided into nine different small groups according to their own interests: Coaches, counselors, church leaders, elementary school teachers, high school teachers, law enforcement, parents, pastors, middle school teachers, nurses, school administrators, and youths. Each small group was led by an expert in that particular field.

Purpose of the workshop is to bring the latest information and then to show how that information can be put to use by educators, law enforcement people, and church leaders, according to Albert F. Tucker, TANE executive director.

Dr. Donald J. Merkl, Associate Professor, College of Health, Physical Education and Recreation, Texas Woman's University, Denton, spoke on "Up-pers."

Dr. W. R. Spense, Director

Top Service Award Earned By Smith Ford

Smith Ford of Slaton has been selected as one of the nation's outstanding Ford dealerships and will receive Ford Motor Company's Distinguished Achievement Award.

The Distinguished Achievement Award is presented "in recognition of progressive management, . . . modern sales and service facilities, . . . sound merchandising practices, . . . high quality standards, . . . and continuing interest in rendering superior service to Ford owners."

Steve and Bill Smith have been the Ford dealer in Slaton since 1952. The dealership is located at Hwy. 84 Bypass.

Spotlight on HEALTH

For the second consecutive year, the number of births in the U.S. has increased, after a downward trend which lasted from 1957-1968. An estimated 3,718,000 births were recorded in 1970. According to a U.S. government report, the rise can be attributed primarily to the increase in the number of women of childbearing age rather than to any increase in the rate at which women are bearing children.

Physicians advise that clearing up dandruff also helps to clear up skin blemishes (acne).

Physicians advise that persons with a severe cold or acute sinusitis should not fly.

Chewing and frequent swallowing during descent may help the passenger whose ears get "stopped up."

According to the results of a recent study, the life events most likely to cause depression are death of a child, death of a spouse, a jail sentence, death of a family member, unfaithful spouse, major financial difficulties, business failure, loss of job, miscarriage or stillbirth, and divorce.

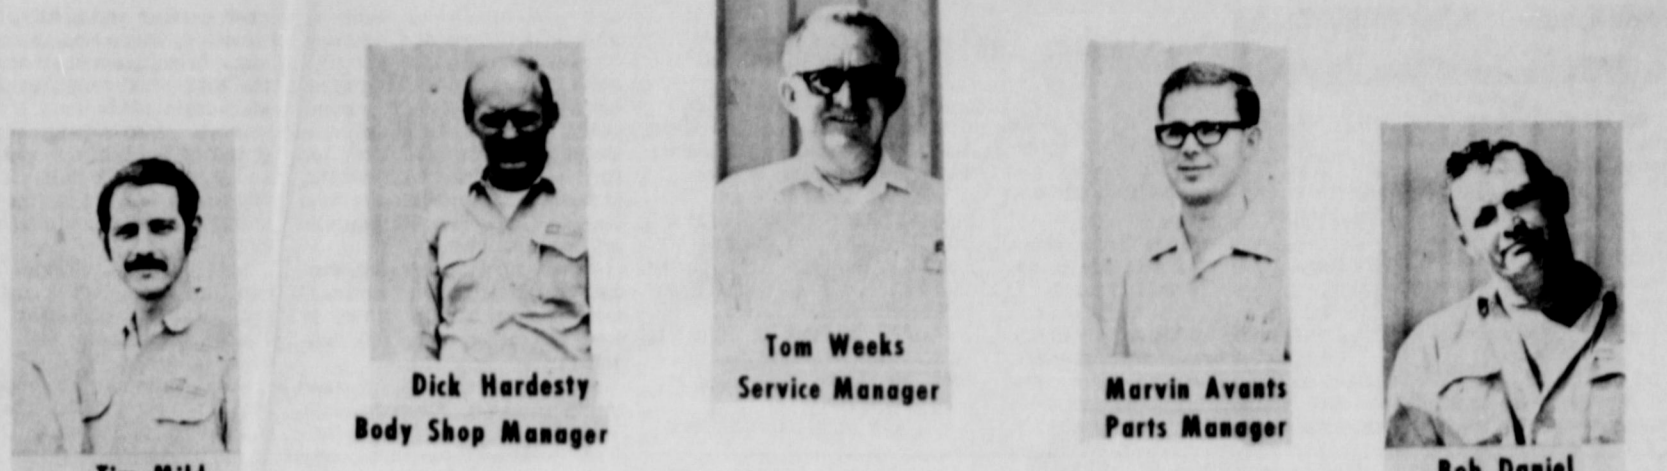

of the Tulsa Rehabilitation Center, Tulsa, Oklahoma, spoke on "Downers."

Dr. Lindsay R. Curtis, author of more than 29 books on drug abuse, most of which have been published by TANE Press, spoke on "New Props to Change the Old Drug Scene."

TANE and Baylor have sponsored workshops annually for the past 13 years.

TANE is a non-profit, educational organization, in existence since 1935. It is supported financially by Texas churches of some 19 denominations, individual contributions, and business and industry. It's purpose is to "prevent problems that arise from the use of alcohol, narcotics, and other dangerous drugs and substances."

Programs include public school assembly programs; a free film library for schools, churches, and other groups; teacher inservice training workshops, a speakers bureau of 150 men, legislative information service, publishing books and periodicals, production of film strips and other educational aids, research, and the annual Drug Education Workshop. TANE's education materials are in use nationally and in every English-Speaking nation. Some have been translated into other languages.

COTTON TALKS

FROM PLAINS COTTON GROWERS, INC.

of both organizations point out a number of factors that may require revisions in the estimate as the season progresses, "and the revisions could go in either direction," they say. Lubbock County, as usual, leads the estimate with 235,000

bales from 240,000 acres. Last year's production was 213,200 bales. After Lubbock comes Hale with 160,000 bales estimated; Hockley with 150,000; Crosby and Lynn counties with 140,000 each, and Lamb with 130,000.

According to Donald Johnson, Executive Vice President of PCG, one of the most perplexing problems in compiling the August 1 estimate is the absence of any firm criteria on which to base standing acreage figures. In past years farmers were restricted to planting acreage within fixed allotments, but beginning this year they are

free to plant as many acres as they please. This program change, Johnson says, "changes the estimate of cotton acre from an estimate to a 'guesstimate,'" and leaves much more room for error.

On the plus side for cotton production in the area this year is a considerable, but unbalanced increase in cotton planted to "skip-row" patterns. Current law requires producers to "set aside" an acreage equivalent to 20 percent of their base allotment, and this can be accomplished by leaving two or more blank rows between rows of cotton. This more pro-

ducers than normal have "skip-rowed" their cotton, and other things being equal this can often increase production per planted acre by 30 percent or more. Good indications of a strong market this Fall is another factor which could influence per-acre yields this year. Farmers over the area, generally, are trying harder to make maximum yields, with better weed and insect control, additional fertilizers and irrigation water.

As usual, however, weather conditions from now through harvest will have by far the biggest influence on Plains production. The crop is from two

to three weeks later than "normal" this year, which makes the size of crop dependent on warm temperatures from now until harvest, a dry September and a frost date no earlier than the first week of November and preferably later.

Johnson said the 1.8 million bale estimate is not based on seldom-seen "optimum" weather conditions, leaving room for some improvement in total production prospects. "But by the same token if cool temperatures, a wet Fall and an early freeze should all work against us our production could drop well below the current

estimate," he added.

Should the estimate of production prove essentially correct, value of the crop to High Plains farmers would come to around \$370 million, including lint, seed and federal support payments.

Jerry Boothe, Chairman of the Lubbock Cotton Exchange Committee on Statistics, agrees there is room for error in the estimate and a likelihood that changes will be necessary as better acreage figures and weather effects become known. But he states that "Based on the information now available and

assuming reasonably average weather, we think the estimate is quite realistic."

When turned loose to feed at will, a horse will eat himself to death, while a mule will eat only his fill.

An average bale of cotton weighs 480 pounds.

Tigers Start Rebuilding Job On Grid Team Monday

Coach Ernie Davis blows the whistle on the 1971 Slaton Tiger football season Monday when two-a-day drills open for Slaton High grid hopefuls.

The full twice-a-day sessions will take up only three days, however, since school begins Thursday. The Tigers will have two scrimmage sessions during the drills, with the season's first game set for Sept. 10.

Grid candidates were issued shoes and socks Wednesday in order to "break-in" the footwear before starting drills Monday. Physical exams were tentatively set for Friday.

It will be a "rebuilding year" for Coach Davis and his aides, since only 9 seniors are listed on the roster. Only four of the returnees were listed as starters when the season closed last year.

Despite the shortage of veterans, the Tigers will be seeking to better last year's record of 5 wins, 3 losses and 2 ties. The Tigers were 4-2-1 in District 4-AA and finished second

to Denver City. Football observers have picked the Tigers anywhere from second to seventh in this year's standings.

Coach Davis is expected to rely heavily on his four returning regulars to start rebuilding the Tiger club. These include guards Brad Winchester and Steve Mosser, tackle Bobby Hopper and halfback Randy Davis. Other senior lettermen will be ends Tom Roche and Gary Dillard, tackle Willie Freeman, center Mike Speer and quarterback Darrell Eastman.

Possibly one of the reasons some sports writers picked Slaton in the upper division of the league was due to the fine junior varsity team moving up. The JV lost only one game to strong competition last season.

Some of the top prospects moving up from the B-team include tackles Curt Woolever, Kenny Schuette, and Dwayne Buxkemper, guards Stanley Jaynes and Jerry Hopper, ends Clyde Kitten, Leslie Melcher,

Brad Lamb, and Tommy Taylor, quarterback Steve Nieman, and backs Ron Bartley, Tony Martin, Jackie Ford, Tommy Walters, Lloyd Kitten, Floyd Kitten, Dennis Hamer and Rod Simmons.

Only change on the coaching staff will be in junior high where Chuck Hern will be the 7th grade mentor. He replaces Joe Sparkman, who accepted a post as curriculum supervisor for the school system.

Coach Davis, Jackie Stewart, Kenneth Housden, R. G. Copeland and Hern attended the Texas Coaching School last week in Fort Worth. Top varsity aides Weldon Mize and Bill Shaha were busy with summer duties and did not go to the coaching school this year.

Whistler, the painter, used a butterfly as his signature.

HAIR--

not permitted.

2. Clothing with vulgar or indecent slogans, pictures and/or numbers shall not be permitted. Underwear and tank type shirts are not acceptable. Shirtrails are to be worn in, unless designed otherwise.

3. Slacks and scooter skirts are permitted, but blue-jeans are frowned upon.

4. Footwear shall be a part of regular attire.

FOR BOYS

1. Clothing with vulgar or indecent slogans, pictures and/or numbers shall not be permitted. The neck opening on any type shirt may not exceed the equivalent of the first button below the collar button of a dress shirt. Underwear and tank type shirts are not acceptable. Shirtrails are to be worn in, unless designed otherwise.

2. No bermuda shorts, cut offs or short-shorts will be permitted.

3. Shoes or sandals shall be worn with socks.

4. The hair shall be clean and well-groomed. Modern hair styles shall be permitted if extremes are avoided. Sideburns shall be kept trimmed so as not to form a beard, and shall not be extreme in fullness. The principal will decide if the hair-cut is extreme, and the student will be asked to modify. Mustaches shall be acceptable, if neatly trimmed and extend no further than to the corners of the mouth. Beards shall not be acceptable.

5. Students representing our school at a contest, meeting or other activities may be asked by their sponsor to modify their dress and/or hair styles.

Failure of a student to meet the above requirements shall cause the school to refuse admittance or to remove the privilege of attendance until the requirements of this policy are met.

This policy shall be reviewed annually.

COFFEE CREAM CHOCOLATE MILK

1/2 cup sugar
1/2 cup water
1/2 cup ground coffee
1 pint vanilla ice cream
1 quart chilled chocolate milk or chocolate dairy drink

Combine sugar, water and coffee in saucepan. Heat to boiling, stirring constantly, until sugar dissolves. Simmer 5 minutes over low heat. Strain and cool. Combine ice cream and coffee syrup and beat until smooth. Add chocolate milk; mix well. Pour into serving glasses or cups. Makes 5 1/2 cups.

HELPING HAND--When the Slaton Chamber of Commerce asked for to distribute labor survey blanks, several Slaton youth showed up at the office Tuesday afternoon and offered their time. Some are pictured above as they received instruction from manager Earl Bartley and director, Don Kendrick, Col. Jones, ROTC instructor, was also on hand to help with the distribution. Kendrick said that the survey can be accomplished only through cooperation of the entire community. (SLATONITE PHOTO)

Tech Offers Special Coursework

LUBBOCK -- Education is for everybody, and special coursework is being offered this fall by Texas Tech University for Lubbock area business men and women and other interested persons who want to catch up with new developments or add to their skills.

Twenty night courses are being offered by the College of Business Administration in a new Center for Applied Business Studies (CABS).

Registration will be from 6 to 10 p.m. Aug. 25 and 26 at the Southwestern Public Service Company location in Monterey Center.

Courses are being offered in the broad fields of accounting, business law, management, finance, marketing and secretarial administration, and data processing.

Specific courses are: electronic data processing I and II, elementary accounting I and II, business law I and II, personal finance, general insurance, real estate, industrial management, personnel environment, principals of marketing, business cycles and forecasts, introduction to business statistics, shorthand theory and beginning typewriting.

Courses may be taken for grade or pass-fail credit. Each is a three-hour course. The cost for the first three hours is \$99, including tuition and all fees. Two courses, with three hours credit apiece, would cost the student \$107.

Robert J. Kerber, instructor in management, is coordinator for CABS. The program is under the direction of Dr. Vincent P. Luchsinger who is chairman for graduate studies in the College of Business Administration.

"We hope to be able to help two or three groups of persons particularly, those who need to qualify themselves as quickly as possible for a job, those who want to upgrade their skills for their present jobs, and others who may want to qualify for a special type of license, such as real estate or insurance."

Some of these courses would be of particular value to returning veterans from the war in Vietnam, he said.

"We are interested in what area people want and need," he said. "We would like to hear whether non-credit courses would be useful to these people and what courses they want."

For additional information write Robert J. Kerber, College of Business Administration, Texas Tech University, Lubbock, or call the office of the Dean of Business Administration, 742-2138.

Polar Homecoming Aug. 15

Polar Homecoming will be held August 15 at the Polar Barn. Everyone is urged to come and bring a basket lunch and spend the day visiting with schoolmates, friends and relatives. Gifts will be given to the oldest and youngest persons present, and the one coming the farthest.

The Polar Homecoming was organized by Mary Nell Ford and Delmar Sellers in 1964. E. E. Ford is president of the group with Bessie Randolph as secretary. A lot of work has gone into the planning of this homecoming, and hopes are that it will be the biggest yet.

"There is a definite need for coursework that is not being satisfied by day school alone," Kerber said. "Townpeople have asked for night courses, and we believe there is a demand for these throughout the area."

He said CABS' 1971 fall schedule is a "pilot run," and more courses could be offered in succeeding terms if there proves to be sufficient demand.

For Teachers Workshop Set

AUSTIN -- New ways of bringing a full year of learning to migrant children who may spend just seven months in the classroom -- and many of those in different schools in distant states -- will highlight the second annual West Texas Child Migrant Teachers Workshop in Lubbock August 16-17.

More than 700 teachers, nurses, aides, and public school administrators from the Panhandle to the Mexican border are expected to attend the two-day workshop at Lubbock's Estacado High School.

Vidal Rivers, Jr., chief of the U.S. Office of Education child migrant section, will keynote the 9:30 a.m. opening session August 16 in the Estacado High School auditorium. He will be introduced by James H. Whiteside, member of the State Board of Education from Lubbock.

Leon Graham, Texas Education Agency assistant commissioner for administration, will preside at this opening general session. The visiting teachers will be welcomed by Ed Irons, superintendent of the Lubbock

Independent School District. The invocation will be given by Dr. Omer R. Douglas, executive director of Education Service Center Region XVII in Lubbock.

Some 140 small group sessions will focus on a wide range of special teaching problems beginning at 10:45 a.m. August 16 and continuing through 5 p.m. August 17. Teachers and other public school specialists will be offered the latest information on oral language development and parental involvement, early childhood education and health needs, bilingual texts and materials, cultural interaction, plus many more.

Workshop consultants will include teachers who speak directly with these Spanish-speaking children of migrant farm workers, college and university professors, and staff members from regional education service centers, the Texas Education Agency, and Southwest Educational Development Laboratory in Austin.

The two-day session is sponsored by the Texas Education Agency in cooperation with ESC Region XVII in Lubbock.

Mobile Unit In Slaton August 23

West Texas Area of Texas Tuberculosis and Respiratory Disease Association has begun a concentrated campaign to have as many citizens as possible X-rayed by the Christmas Seal Mobile Unit of the association. The unit will be located at Piggly Wiggly here on Aug. 23, sponsored by the Slaton Rotary Club.

The chest x-ray program discovers many other abnormalities other than tuberculosis. In the past year, it has located emphysema cases, lung cysts, and cardio-vascular abnormalities.

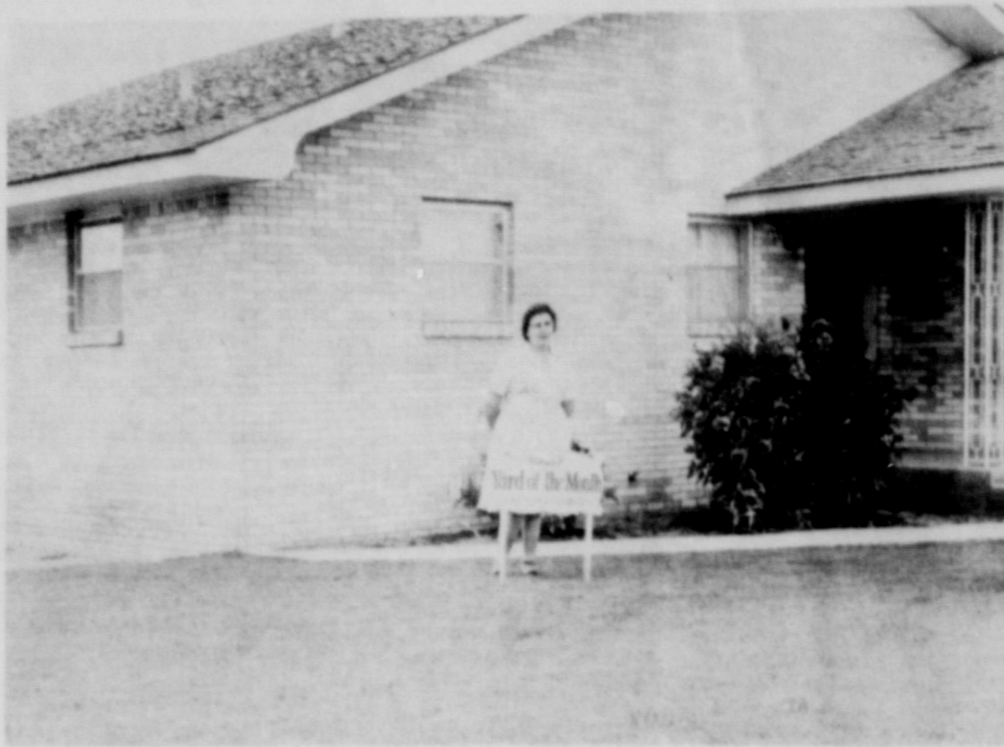

The association bears the cost of having the film read and reported to each person in the survey. There is a fee of \$1.50 for the film and developing.

A post card is mailed to those having a normal chest film. The ones who have an abnormal reading are notified by a first-class letter which urges them to contact their private physician, or the local health officer for further examination. Everyone is urged to keep the card with the number of his X-ray film and the date taken. These films are stored at the office of the association, and can be valuable for comparison purposes if some trouble develops in later years.

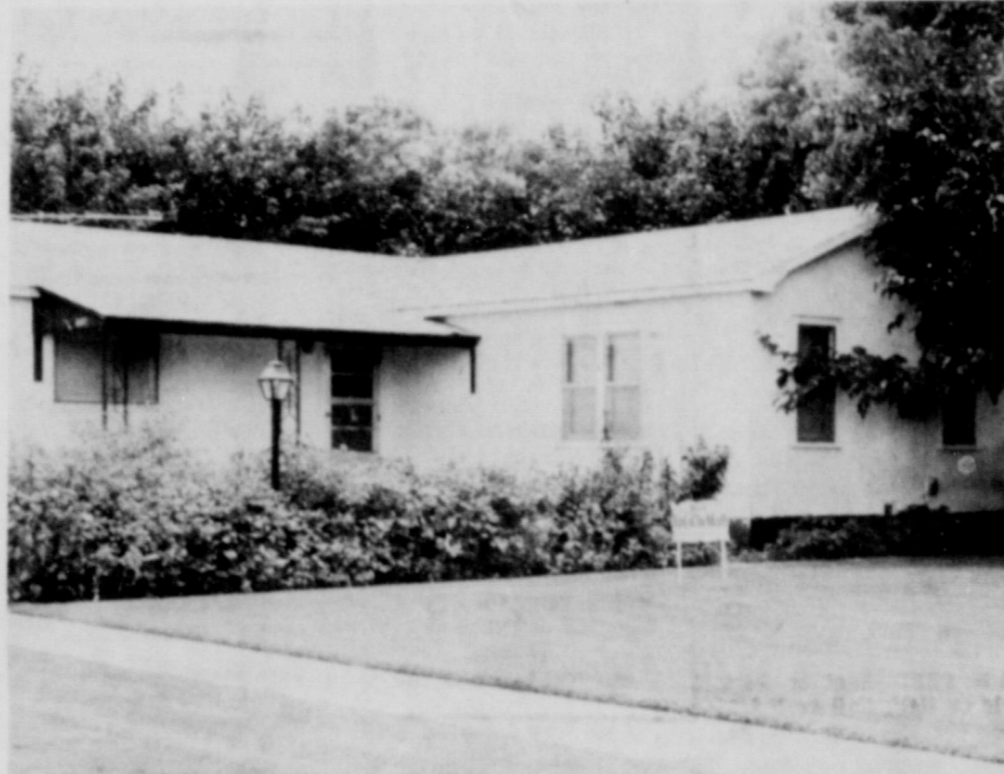

Children under 12 years of age are too small to be X-rayed on this type unit, but every adult is urged to take advantage of these health surveys.

Salute To ★★★★★★

★ Yards Of The Month ★

MRS. C. J. MARTIN, 855 So. 11th, was found working in her yard when Jonas Cain, chairman of the beautification committee of the C of C went by to place the sign in her yard. The Martin yard won the "Yard of the Month" honors in Ward 1. (SLATONITE PHOTO)

Big Week For Birthdays

Hello out there. This past week has certainly been an unusual one, cool and cloudy. Don't know whenever Edmund has worn a jacket to the field to plow in the month of August, but he did last week! Have enjoyed the cool days, but the cotton really needs just the opposite, it needs a lot more of this wonderful Texas sunshine!

Recent visitors in the D.D. Pennell home were Mr. and Mrs. John Flemming of Tahoka and Don Harlan and Matthew Pennell from Post.

Mr. and Mrs. Jim Mason and Mr. and Mrs. D.D. Pennell recently visited in the Arthur Smallwood home in Slaton. The Smallwoods have moved into a beautiful new home in Slaton.

Mrs. Jim Mason and Joy Jean from Southland and Mrs. Monroe Rowden and children of Brownfield recently attended "Texas" in Pala Duro Canyon. Stacy Callaway was honored on her 8th birthday August 3 with a party. Friends helping her celebrate were: Cynthia Wheeler, Rita, Julie and Terry Smallwood, Kelly, Jerry and Donna Baumann, Kim Pennell from Lubbock, Heath Pennell from Plainview, Joy Jean and Kim Basinger and Jan Rowden from Brownfield, and Stacy's big brother, Jay Callaway. They had a swimming party, so I know they had fun. Here's a belated Happy Birthday, Stacy.

August 3 was a very popular day for birthdays, because Ed Denton celebrated his 88th birthday and Mrs. Horde celebrated her 89th birthday. How about that? Hope each of you youngsters had a very good day. Mr. Denton had several of his children helping him to celebrate. They were: Mrs. Myrtle Lichey from Oklahoma, Mrs. Louise Carson from Slaton, and Cleo Johnston from Southland. Mrs. Denton was in the Mercy Hospital several days having some tests made and she went home August 3, so I know that made the birthday even happier for Mr. Denton.

Also celebrating his birthday on the third was Rev. C.T. Jordan, Southland Baptist Minister. Belated Birthday greetings to you too!

Yours Truly had a birthday on the fourth, and as usual, my family was very good to me. They really spoil me on that day---every year!

Mrs. Stonewall Jefferson and daughter, Faye, recently went to Ft. Worth where they picked up a granddaughter, Doreen, and then went on to Corpus Christi where they attended the wedding of another granddaughter Darlene Hill. Doreen was to be the "Rice Girl" in the wedding. Doreen will live in Southland with her grandparents and go to school.

Mr. and Mrs. James Roddy of Dallas spent the week-end here with their nephew and family, Mr. and Mrs. E. L. Brosch, and attended the wedding of their daughter, Jeanette. They returned to their home on Monday.

Capt. and Mrs. D. L. McInturff and Leanne are now living in Quantico, Virginia where he is going to school. Their address is Qts. 3078-B, MCB, Quantico, Va., 22134. Capt. McInturff just recently

returned to the Vietnam. Last week guests of Mr. and Mrs. Foster and four children, from Bryan, recently visited in the Hollis home. Mrs. Hollis recently spent two weeks in Bryan with her sister, Melinda Lee and other relatives.

Congratulations to Mr. and Mrs. Robert Lee Mock on birth of a daughter at 11:52 a.m. on Friday, August 6, in the West Texas Hospital in Lubbock. She weighed 5 lbs., 15 ozs. This makes two little girls for the Mocks.

Mike Flores spent a few days in Mercy Hospital recently. Mrs. Paul Winterrowd, Breonne and Jerry, returned home last week after spending two weeks at Lake Whitney with Mrs. Winterrowd's sister and brother-in-law.

Congratulations to Mr. and Mrs. Sidney Stengel who were married on Saturday afternoon, August 7, in a double ring ceremony in St. Joseph's Catholic Church of Slaton. Mrs. Stengel is the former Jeanette Brosch, daughter of Mr. and Mrs. E. L. Brosch and Sid is the son of Mr. and Mrs. G.C. Stengel of Panama City, Fla. May God grant this couple many many years of happiness together.

Capt. and Mrs. D. L. McInturff and Leanne are now living in Quantico, Virginia where he is going to school. Their address is Qts. 3078-B, MCB, Quantico, Va., 22134. Capt. McInturff just recently

returned to the Vietnam. Last week guests of Mr. and Mrs. Foster and four children, from Bryan, recently visited in the Hollis home. Mrs. Hollis recently spent two weeks in Bryan with her sister, Melinda Lee and other relatives.

Congratulations to Mr. and Mrs. Robert Lee Mock on birth of a daughter at 11:52 a.m. on Friday, August 6, in the West Texas Hospital in Lubbock. She weighed 5 lbs., 15 ozs. This makes two little girls for the Mocks.

Mike Flores spent a few days in Mercy Hospital recently. Mrs. Paul Winterrowd, Breonne and Jerry, returned home last week after spending two weeks at Lake Whitney with Mrs. Winterrowd's sister and brother-in-law.

Congratulations to Mr. and Mrs. Sidney Stengel who were married on Saturday afternoon, August 7, in a double ring ceremony in St. Joseph's Catholic Church of Slaton. Mrs. Stengel is the former Jeanette Brosch, daughter of Mr. and Mrs. E. L. Brosch and Sid is the son of Mr. and Mrs. G.C. Stengel of Panama City, Fla. May God grant this couple many many years of happiness together.

Mr. and Mrs. James Roddy of Dallas spent the week-end here with their nephew and family, Mr. and Mrs. E. L. Brosch, and attended the wedding of their daughter, Jeanette. They returned to their home on Monday.

BROWNING and MARRIOTT
100 N. 8th 828-3216

your week ahead

BY DR. A.W. DAMIS

Forecast Period: August 16 to August 23

ARIES Mar. 21 - Apr. 19
Whatever you do, Aries! Don't take a member of the opposite sex for granted. You are entering the peculiar period of neglecting persons that are close to you.

TAURUS Apr. 20 - May 20
Misjudging the motives of a friend, shows in your chart. It seems as though you are susceptible to being misled by impulses and impressions.

GEMINI May 21 - June 20
At least one bizarre situation shows in your chart for the next few days. Keep in mind that there is a difference between opportunity and temptation - a big difference.

MOONCHILD June 21 - July 22
Apparently someone will try to talk you out of the relationship that exists between you and an old associate. The point? Don't change off an old friend.

LEO July 23 - Aug. 22
A plan, scheme or design that you have long held in abeyance should begin to "take wheels" during this cosmic cycle.

VIRGO Aug. 23 - Sept. 22
Faulty evidence that you have picked up in the past could get you into trouble. In other words, avoid any rehash with a member of the opposite sex.

LIBRA Sept. 23 - Oct. 22
There's not much in the way of rewarding social activities, showing in your chart. In fact, you might be tempted to dig up a long standing feud - to match your mood.

SCORPIO Oct. 23 - Nov. 21
Take care of the situation close at hand. Too many persons born under your sign are looking forward to next week's activities, as a form of escape.

SAGITTARIUS Nov. 22 - Dec. 21
During this cosmic cycle, you Sagittarius, will discover that trouble is easy to find, especially with the opposite sex. It's not advisable that you go about calling a "spade a spade."

CAPRICORN Dec. 22 - Jan. 19
For seemingly no reason, most members of your Sign will be overtaken by a surge of optimism. Apparently, additional responsibilities taken on in the past, will begin to pay off.

AQUARIUS Jan. 20 - Feb. 18
Oh boy! According to present stellar patterns, should you be ever concerned about what someone else thinks - you are in for "big trouble."

PISCES Feb. 19 - Mar. 20
Take care, during the present cosmic cycle, someone will attempt to convince you that a lie can function as well as the truth. Sometimes it does - but not now!
