

Slaton Competing With Five Other Towns For New Plant

Citizens Work Day, Night on Industrial Survey

Slaton's industrial development leaders--aided by community volunteers--literally worked day and night the past week in an effort to complete a labor survey requested by a large textile manufacturer looking for a new plant site.

It was announced last week that Slaton was one of the "finalists" in the company's search for a new plant site, and one of the factors was to be the labor survey. The company announced the plant would need 400

to 500 women, thus some 4,000 applicants were needed to assure the availability of a labor force.

Bill Adams, chairman of the C of C industrial development committee, said he felt the only real problem was time. The survey team had received some 3,000 job application forms by Wednesday morning, and the company needed the information at the end of the week.

The "large national company" has remained anonymous

throughout the project here, and this has been at the request of the corporation. It was reported the firm has a policy of keeping its name out of plant site negotiations.

According to information released by the company for the labor survey, it would hire about 400 to 500 women. The plant required would house some 100,000 square feet of floor space, and local officials estimated a payroll of about \$2 million a year.

The survey includes women within a 25 or 30 mile radius of Slaton. The C of C worked through several organizations in Lubbock in securing help for the survey there, and ads were placed with area newspapers and radio stations.

The Women's Division of the C of C has been a vital part of the survey, following up on names submitted and securing additional information for the job application forms. The Youth C of C and other young-

sters--including ROTC members have worked on the project.

Adams joined C of C president J. C. McClesky and executive director Earl Bartley in extending "thanks to all of the volunteers who helped us with this survey." Adams said he felt local citizens had "accomplished much in so short a period of time, with some people working into the night on the necessary forms."

Bartley said he was "very

impressed" at the way the community worked together on the project. "This has been a great opportunity for us--one that doesn't come along too often, and we hope the community is successful in landing this new industry," he added.

Women interested in future employment who have not filled out an application form in the Chamber survey are asked to call the C of C office, or fill out one of the forms included inside this issue of THE SLATONITE.

FARMERS NOW HOPING FOR DRY, HOT WEATHER

Rain, More Rain Boost Cotton Prospects

Slaton area farmers actually breathed a sigh of relief when it didn't rain Tuesday.

After eight straight days of rainy weather, they were ready for some hot, dry days so that cotton crops could start maturing. Rain measurements ranged from 2 to 6 inches in the area during the wet spell.

Rain was still falling in some parts of the South Plains Tuesday, and a 20 percent possibility of showers was forecast for the region Wednesday. New Deal was blizzed by a rain-driven storm Tuesday, and Silverton recorded a 5-inch downpour. A trace was recorded at Lubbock, but Slaton was on the edge of the thunderstorm activity.

Slaton recorded light showers Monday, after a half inch or more was reported Sunday morning. The city recorded about 1 inch of rain in a heavy downpour Friday, and light showers followed on Saturday. The city had recorded an inch or more of rain in showers the first part of last week.

The National Weather Service at Lubbock reported rain for 12 of 17 days this month, and Lubbock had recorded 2.56 inches--the most ever recorded for the first part of August. Most farmers around the immediate Slaton area reported cotton crops in "great shape", needing only some dry, hot weather to really put the icing on the cake. That, along with a late freeze date, of course.

Temperatures were unseasonably cool for the first part of August. High the past week was a reading of 86 degrees on Friday. Maximum temperature Saturday and Sunday was only 74 degrees. Low reading for the week was 62 degrees last Thursday morning.

The cool weather has slowed cotton fiber development considerably, according to agricultural officials. Much of the cotton, especially that planted in June, may be pushed to reach maturity before frost, officials warn. Prudent use of irrigation water during the remainder of the season is of utmost importance, they add.

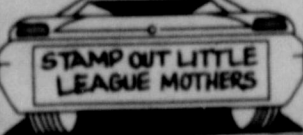

Tiger Football Tickets on Sale

Football fans who held reserved seat tickets to Slaton Tiger games last season have until Aug. 27 to exercise their options for the same seats, it was pointed out this week by school business manager Edwin Knight.

He also announced that some reserved seats are available which are not on option. After Aug. 27, the sale of reserved seats will be open to the public. Price of the reserved seats, for five home games, will be \$7.50 again this season. Home games include Brownfield, Sept. 10; Littlefield, Sept. 24; Frenship, Oct. 8; Idalou, Oct. 22; Ralls, Nov. 5.

MANY HOURS OF WORK---Compiling a labor survey in approximately one week requires many hours of work. These members of the Women's Chamber of Commerce, Mmes. Earl Bartley, Dick Hartman, Bob Hopper and Harley Martin, along with many other women, youth and men spent many hours compiling a survey that should be beneficial in obtaining an industry for Slaton. (SLATONITE PHOTO)

FILM TO BE SHOWN MONDAY

Tiger Club Sets Weekly Meeting, Seeks Members

Slaton Tiger Club, an adult booster organization, has launched its annual membership drive, it was announced this week by Pat Taylor, club president.

Taylor also announced that the club voted to have its weekly meetings this fall on Monday mornings beginning at 7 a.m. The club held a meeting Monday morning and discussed this year's activities.

Due to the televised football games on Monday night, members voted to set the meetings on Monday morning. The Monday-night session also conflicted with the Volunteer Fire Department weekly meeting.

During the football season, the coaches report on the progress of each team. Coach Ernie Davis also shows the film of the game played the previous week, and comments on the upcoming varsity contest.

Pete Williams was named as chairman of the membership committee. Club memberships will be on sale during the drive the next few weeks. They sell for \$5 each, and Taylor urged all interested fans to purchase a membership, help support the athletic teams, and attend the booster meetings.

The club is also handling football programs and receives proceeds from ads in the program. The grid programs and the membership fees are the club's primary sources of revenue, along with a light bulb sale.

Proceeds are used to help athletic programs of the school--making it possible for football films to be made and providing funds for other needed projects. The club is currently working toward a track facility at high school, seeking other civic organizations to support the drive.

The club voted Monday morning to film one game each of the 7th, 8th, freshmen and jun-

ior varsity teams this season. Members felt it would benefit the other teams, and also aid in recruiting more members to the booster club.

Volunteer Firemen have agreed to sell programs at the games again this season, it was announced by Taylor. He also announced that Bob Kern and

Steve Smith will film the games again this season.

Taylor invited all interested fans to attend Monday morning's meeting at 7 o'clock in the C of C Community Room. Coffee and donuts will be served, and a film from last season will be shown at the meeting.

Burglaries, Rape Case Reported

Police were investigating two burglaries here this week to top the news on the law enforcement scene, while a Slaton man was charged with rape in a southeast residence last week.

A break-in at the Hestand Grocery warehouse, 530 Railroad Ave., was discovered at 7:50 a.m. Monday. The burglar(s) escaped with some \$200 cash and an undetermined amount of change from a Coke box. Entry was gained by breaking a lock on a sliding door, and the office was ransacked. Some cigarettes were also thought missing.

Just minutes before that report, officers were called to the Union Compress warehouse, where a door was broken into and some tools were missing from a boiler room. The tools were valued at about \$80. Officers theorized the stolen tools could have been used on the Hestand break-in.

Officers may have scared off a burglar from the alley on the north side of the square Saturday morning. Part of a window glass in the rear of Fember Insurance office was discovered missing by patrolmen. A check found no other evidence of an entry, however, and nothing was found missing.

Herbert Lee Trotty, 18, was arrested Friday at his home

and was charged with rape of a 20-year-old woman and also with resisting arrest. Bond was set at \$5,000 on the first charge, and \$350 on the second.

The victim in the rape incident said she awoke early in the morning on Aug. 9 to find the man standing over her in the bedroom. She said she struggled with the man and he hit her on the head before raping her. When the man went to an-

PULL YOURSELF UP BY YOUR BOOT STRAPS NOT BY SOMEBODY'S COAT-TAIL

Slaton Schools Start New Term Today

School started at Cooper Wednesday; the first bells ring in Slaton today; classes start at Wilson and Southland Monday, and Roosevelt students answer the call next Tuesday as more than 4,500 students around the area end their vacation this week.

It was already back-to-school time for many teachers this week, with in-service training and workshops underway at several schools. Supt. J. C. McClesky addressed a faculty breakfast for Slaton teachers Monday morning.

Registration for Slaton students was conducted for all schools Wednesday. Classes start at 8:30 a.m. Monday in all schools, except for high school where the starting time is 8:45.

First grade and kindergarten classes will be dismissed at noon for the first two weeks of school and at 2:45 p.m. after then. Second and third-grade classes dismiss at 3 and 3:15 p.m., with fourth and fifth graders and junior high getting out at 3:30. High school ends at 3:45 each day.

McClesky reported to The Slatonite Wednesday that the school hopes to have shuttle buses between schools in operation by August 30.

St. Joseph's Catholic School has registration Friday, and classes begin Monday.

Registration of students is also scheduled Friday at Wilson and Southland, with classes starting Monday. Seniors and juniors at Wilson are to register from 9 to 10:30 a.m. Friday and soph and fresh-

men from 10:30 to noon. Elementary students will register between 9 and noon, and junior high pupils register on the first day of classes.

A general assembly is scheduled for 9 a.m. Monday at Wilson, and all parents are invited to attend.

At Roosevelt, where the expected enrollment is about 1,240, classes start on Tuesday. Teachers were participating in workshops the latter part of this week.

Cooper had the earliest start of the area schools, with classes getting underway Wednesday. The district has changed its name to the Lubbock-Cooper Independent School District. Increased enrollment is expected at Cooper, with two more teachers added to the staff over last year's roster.

Buses are scheduled to run at Southland Friday, and Supt. F. W. Callaway said registration is expected to be completed in several hours. Classes start Monday with an enrollment of about 140 anticipated.

Mobil X-Ray Here Monday

The Christmas Seal Mobile Unit of the West Texas area of Texas Tuberculosis and Respiratory Disease Association will be in Slaton Monday from 9 a.m. to 6 p.m., it was announced today by Slaton Rotary Club.

The mobile x-ray unit is sponsored here each year by the Rotary Club, and will be located in the Piggy Wiggly parking lot. Ansil O'Neal, club president, urged all residents to take advantage of the opportunity.

The chest X-ray program discovers many other abnormalities other than tuberculosis. In the past year, it has located emphysema cases, lung cysts, and cardio-vascular abnormalities. The association bears the cost of having the film read and reported to each person in the survey. There is a fee of \$1.50 for the film and developing.

A post card is mailed to those having a normal chest film. The ones who have an abnormal reading are notified by a first-class letter which urges them to contact their private physician, or the local health officer for further examination.

Everyone is urged to keep the card with the number of his X-ray film and the date taken. These films are stored at the office of the association, and can be valuable for comparison purposes if some trouble develops in later years. Children under twelve years of age are too small to be X-rayed on this type unit, but every adult is urged to take advantage of these health surveys.

Only 13 muscles are required to smile--fifty to frown.

In a 20-mile race, a man would win over a horse because of his endurance.

MRS. RONALD ROGERS
..... Jill Scott

Couple Repeats Wedding Vows

SLATON (Special) -- Miss Cecelia Jill Scott and Ronald D. Rogers repeated double ring wedding vows Thursday evening, August 12, in the First United Methodist Church Chapel here.

The Rev. Bruce Parks, pastor, officiated for the reading of the nuptials.

Parents of the couple are Mr. and Mrs. Cecil H. Scott and Mr. and Mrs. Melvin D. Rogers, all of Slaton.

The bride, presented in marriage by her father, wore a formal-length gown of white peau-de-soie and lace. The gown was fashioned with bracelet length sleeves, jeweled neckline, loose fitting shell of re-embroidered aleonon lace over a fitted bodice of peau. Soft pleats on each side of the full A-line skirt, which extended into a full chapel length train, were featured. Her headpiece of floral clusters of lace edged in pearls held a veil of imported silk illusion. She carried a bridal bouquet of a single or-

chid and sweetheart roses mounted on a fan imported from Belgium, one of the bride's collections.

Maid of honor was Miss Jan Scott of Bridgeport, sister of the bride. She was fashioned in a formal-length gown of olive organza over peau-de-soie featuring a bateau neckline and empire bodice. She carried a bouquet of pink sweetheart roses.

Jimmie Rogers, brother of the groom, served his brother as best man. Guests were seated by Hoby Chapple.

Mrs. Wade Carter, soloist, was accompanied on the piano by Miss Linda Robison.

Following the ceremony a reception was held for the couple in Fellowship Hall of the church. Mmes. Earl Reasoner and Edwin Forrest of Lubbock served the refreshments.

The bride is a 1967 graduate of Slaton High School and a senior student at West Texas State University at Canyon. She

is an initiate into Chi Omega social sorority.

The bridegroom is also a 1967 graduate of Slaton High and is a senior student at WTSU majoring in accounting. He is a member of the Accounting Club.

The couple will reside at Varsity Apartments, No. 25, Canyon.

Debbie King Is Named Recipient Of Scholarship

Debbie King, daughter of Mrs. Merle King, received word yesterday that she has been named a recipient of a scholarship and loan at Angelo State University at San Angelo.

The \$700 Nursing Scholarship was administered by the university. Debbie will be majoring in nursing.

Couple Sets Wedding Date

Mr. and Mrs. C. B. Kayser of Lubbock and formerly of Slaton announce the engagement of their daughter, Patricia Gail, to Douglas Harold Kirby of Amarillo. He is the son of Mr. and Mrs. R. H. Kirby of Amarillo.

The couple plans to wed Oct. 16 in Blessed Sacrament Church in Amarillo.

The bride-elect is a graduate of Christ The King High School in Lubbock and attended St. Joseph School in Slaton. She also attended Commercial College in Lubbock and Amarillo College in Amarillo. She is employed by Santa Fe Railway.

The prospective bridegroom is a graduate of Caprock High School in Amarillo and is a student at Amarillo College. He is employed by Pioneer Natural Gas Co. and is a member of the active Marine Reserve.

Dickey-Rucker Vows Read Couple Wed

Miss Ruth Ann Rucker and Raymond Paul Dickey were united in marriage during a candlelight ceremony at 8 p.m. Saturday in the Canyon United Methodist Church.

The Rev. and Mrs. W. O. Rucker Jr. of Pampa are parents of the bride. Mr. and Mrs. Raymond Leon Dickey of Russellville, Ark., are parents of the bridegroom.

The bride's father, who is pastor of the Harrah United Methodist Church in Pampa, officiated the double ring service. The Rev. Dr. J. Howard Crawford, administrator for the Northwest Texas Conference of United Methodist Churches, assisted.

Miss Juana Young of Bula was maid of honor. Bridesmaids were Miss Sandy Rucker of Pampa, the bride's sister, and Miss Janis Jones and Miss Mary Stoud.

Robert Price of Fayetteville, Ark., was best man. Groomsmen were Butch Watts of Pine Bluff, Ark., Bruce Dickey of Russellville, brother of the bridegroom, and Andrew Hulse of Harrison, Ark.

Earl Eblen Jr. of Slaton and Charles Ray Dickey were ushers. Tammie Jones served as flower girl. Miss Sara Peck was organist and accompanied Miss Wendy Woolley, soloist.

The bride, given in marriage by her father, wore an empire gown of ivory silk chiffon over peau de soie. The gown, designed by the bride, featured Venice lace appliques and cathedral length train. She carried a 90-year-old saddlebag Bible.

Attendants wore gowns featuring turquoise crepe blouses and brocade satin hostess skirts. The gowns were designed with Victorian sleeves and V-necklines.

Guests were greeted during a reception in the church parlor. The couple's wedding trip will be to the Ozarks of Arkansas. They will reside in Clarksville, Ark., where they will be employed by the Clarksville school system.

The bride was graduated from Texas Tech University in 1970. She was president of the Texas Home Economics Assoc., listed in Who's Who in American Colleges and Universities and was recognized for excellence in scholarship and service. She attended Ohio State University as a graduate student in child development. She is also a graduate of Roosevelt High School.

The bridegroom received a bachelor of science degree in zoology from the University of Arkansas in 1970. He completed teacher education studies at Arkansas Polytechnical College of Russellville. He was a member of Alpha Phi Omega service fraternity. He has taught science in the Altus Public School in Altus, Ark.

MRS. RAYMOND DICKEY
..... Ruth Rucker

Moore Home From Service

Spec/4 Gary Moore, son of Mr. and Mrs. Russell Moore of Wilson returned home Sunday night after serving in Viet Nam. He will be home until Sept. 9 when he will leave for schooling in Virginia.

Nuptial vows were pledged by Miss Patricia Ann Pollard and Dennis Carl Burkett in a ceremony at 7:30 p.m. Saturday in Ascension Lutheran Church, Lubbock, with Pastor Robert Jacobson officiating.

Parents of the bride are Mr. and Mrs. D. H. Pollard of Slaton. She is a 1970 graduate of Slaton High School.

The bridegroom is the son of Mrs. Bernice Stone of Lubbock and Dale Burkett of Lawton, Okla. A 1967 graduate of Monterey High School, he is a senior accounting major at Texas Tech University.

Wedding music was presented by Mrs. Robert Fredrickson, organist, and Miss Karen Fredrickson, soloist, both of Lubbock.

Given in marriage by her father, the bride wore a formal-length gown of satin peau, fashioned with a high neckline, empire bodice and long bishop sleeves.

Maid of honor was Miss Gwendolyn Stricklin. Misses Judy Fondy and Georgia Geer, were bridesmaids. They wore formal-length dresses of lavender chiffon over satin peau, fashioned in the empire style.

Royce Ekdahl of Lubbock served as best man. Groomsmen were David Herring and Curtis Harris of Plainview. Guests were seated by Tate Fondy, Mike Hunnicutt and Martin Meyer.

Candlelighters Sanders of Tulsa, Martin Sanders, Stacy Sanders of flower girl and was ring bearer.

Mr. and Mrs. honored at a reception in Fellowship Hall before traveling to a wedding trip.

The couple will reside at 112 81st St., Lubbock.

Mrs. Haire Visits in U.S. and Canada

Mrs. C. A. Haire returned recently from a four week trip through the U.S. and Canada. She left Lubbock by plane July 3 for Casper, Wyo. where she visited her brother, G. E. Jordan and his wife, and son Don. They all then went on in a camping bus pulling a volks-wagon. They drove through Cody, Wyo., then to Montana Butte where they saw some of the largest copper mines in the world, British Columbia was the next stop and they saw all kinds of wild animals in the National Park in Alberta, Canada. They visited Lake Louise, and met Mr. and Mrs. L. D. Foer there.

A two hour snowmobile ride in Columbia took them to the ice fields where the ice is from 600 to 1200 ft. thick. In Kalowna they visited a lovely flower covered park and crossed a floating bridge to the Grand Coulee Dam where they ate the evening meal 12 stories up. At one point, they saw Salmon climbing a ladder.

Here is dinnerware so bold, different, and understandably right in fashion, because flowers have always been used for beautiful table settings.

Guests and family will enjoy this "original" art, done by Poppytrail's talented decorators. It's durable, oven and detergent safe.

CUDDLE UP IN WARM 'N' WONDERFUL DEEP PILE COATS

FOOTNOTES

BY MARGRET BARTLEY

I saw a feature article this morning on the old cliché about not seeing the forest for the trees. It concerned the youth of our country, and it is a fact. Most of us spend much more time and thought on the youngsters who get into trouble than we do on those who spend much of their time being useful citizens.

You may be able to remember who was arrested for reckless driving, or for attempted burglary, or even who threw tomatoes all over your neighbor's car, but do you know which of the young people in your community helped in the city clean-up? Who did your youngsters say the teenagers were who helped with their classes in Bible School? Do you know the young people who give their time to help with various community projects. How many do you know that took part in one of the summer missions?

Let's think about these a while before we form an opinion about the young people as a whole. The big trees in front may block the view, but think of all the good healthy plants in the background, before you condemn the whole forest.

Getting kids ready for school again brings back so many of the old jokes we used to hear about school. Mind if I reminisce a while? They may be old and corny, but they usually get the point across.

After the fifth grade teacher informed her class that it would take more than "an apple for the teacher" to get a passing grade in her class, she came in the next day to find a watermelon on her desk.

The librarian warned a young lady to be quiet because the people next to her couldn't read. Says she, "Gee, that's a shame, I could read when I was six."

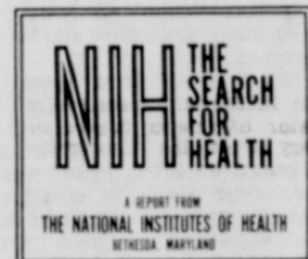

Dad was really hot under the collar when Junior came home with a big 'O' on his paper, and demanded to know why. The son informed him that it was no zero. The teacher ran out of stars, so she gave HIM a moon.

Mother was real proud of her son because he got to come home from school early for being the only one who could answer teacher's question. She was bragging to supper guests that night about her child, and they asked the little genius what the question was. "Who threw that eraser?" he said. Friend--How do you like the senior play last night? Freshman--It was o.k., but I had to leave after the first act. Friend--What for? Freshman--Well, the program said "Second Act--2 years later" and my mother said I had to be home by ten.

I guess that's enough of that. But at this time of year when everybody is making preparations for school, you think of things like that. Maybe school isn't your favorite subject but still, it's kind of exciting getting all the new school clothes and supplies ready for the first big day. Here I am looking forward to the first football game!

Shower Honors Miss Eblen

Miss Judy Eblen, bride-elect of David Tucker, was honored with a bridal shower Tuesday from 7:30 to 8:30 p.m. in the Slaton Club House.

What! Another Fever Blister?

Yes, fever blisters do recur—usually on the same spot at the edge of the lip—to plague about half of the population at some time in their lives.

The cause is a virus, herpes simplex, but it is not a simple disease. Sometimes called cold sores because the ulcers frequently develop when the victim has a cold, they are also likely to flare up with too much exposure to sun, when general resistance is lowered, and at times of emotional or physical stress.

Fever blisters may occur as infrequently as once a year, or as often as weekly. Fortunately, they generally heal without treatment in about a week.

The virus is very contagious. The first attack (primary herpes) generally comes in childhood between the first and third years. Unlike later episodes, primary blisters usually are entirely inside the mouth. They may be so slight as to escape notice, or numerous, severe, and accompanied with some fever and considerable soreness and discomfort for two

weeks. Occasionally, an infant breaks out with serious blisters on many parts of the body and becomes extremely ill, or an eye is involved and loss of vision occurs. But most of the time, people find recurrent fever blisters merely unsightly nuisances.

The National Institute of Dental Research, one of the National Institutes of Health in Bethesda, Maryland, has studied this virus for a long time and finds it still mysterious.

So far no one knows, but the Institute's scientists keep searching for ways to control this pesky virus.

The couple plans to wed September 4 in the Chapel of the Slaton First Baptist Church.

Hostess gift was an electric blender and toaster - broiler. Hostesses for the shower included Mmes. M. H. Lasater, Allie Grace Bentley, J. S. Edwards Jr., Wendy Brewer, Truett Bownds, Carter Caldwell, Joe Fondy, Fred Stephens, Jack Clark, and Virgil Smith.

Mmes. Della Tomlinson, T. E. McClanahan, Ed Moseley, Robert Lee, Harley Martin, Francis Gill and Charles Dickson.

The refreshment table was laid with a white cloth and centered with an arrangement of white and blue fresh flowers. Crystal appointments were used. Punch, cookies and nuts were served. Over 50 guests were served.

Guests were greeted at the door by Mrs. Clyde Doherty. In the receiving line were Mrs. Earl Eblen, mother of the honoree, Miss Eblen, Mrs. Harold Tucker, mother of the prospective bridegroom, and Kathy Eblen, sister of the honoree.

Lock-Edwards Vows Spoken

MRS. BOBBY RAE BLAYLOCK
... Kathy Edwards

Tracy and Lisa Galneau of Victoria served as flower girls. Tad Haynes of Monument, N.M., was ring bearer.

Sherry Belk of Eldorado sang wedding selections.

Following a reception in Fellowship Hall of the church, the couple left for a wedding trip to parts of East Texas. They

will make their new home in Robert Lee.

Mrs. Blaylock is a 1968 graduate of Slaton High School, and is a senior psychology major at Texas Tech. Her husband is a graduate of Robert Lee High School and Texas Tech University with major in range management. He is self-employed as a rancher.

Mr. and Mrs. Bert Blaylock, parents of the prospective bridegroom, were hosts Friday evening for a rehearsal dinner held in their home.

Miss Joan Claiborn, bride-elect of Larry Luman, was honored Saturday evening with a miscellaneous shower in the home of Mrs. J. P. Haliburton.

Special guests were mothers of the couple, Mrs. Tom Claiborn of Lubbock and Mrs. N.J. Luman of Slaton.

The table decoration featured a pink cloth and a pink floral arrangement.

Hostess gift was a vacuum cleaner and linens.

Hostesses included Mmes. J. P. Haliburton, Joe D. Williamson, Eddie Cone, Robert Meeks, M. J. McSween, Carter Caldwell, Wayne West, J. L. House, Erma Johnson, Harmon Thompson, Marlee Holloman, Leland Scott, V. L. Wampler, C. B. Tefertiller and Ed Caldwell.

Miss Claiborn and Luman plan to wed August 20 in the Chapel of First United Methodist Church, Slaton.

A family get-to-gather was held in the Rhea Pierce home Tuesday, Aug. 11 in honor of Mrs. Pierce's birthday.

Attending were Mr. and Mrs. Floyd Shipman, Mr. and Mrs. Claud Shipman, Mr. and Mrs. Furman Shipman and Miss Gretta Shipman, all of Abernathy, Mr. and Mrs. Keith Shipman and three daughters, Terri, Sissie and Tammie, Mrs. Charles Lambert and daughter, Karen, Mrs. Jerry Oswald and daughter, Tari, of Abernathy, and Mr. and Mrs. Bob Ballard and two sons, Shawn and Todd of New Home.

The Slatonite would like to welcome the following new subscribers: Kathryn Lawson, Slaton; Roberta Reed, Slaton; Nancy Miller, Colorado; R. L. Echols, Weatherford; Dickie Jones, Lubbock; Gus Gatzki, Wilson; Mable Williams, Happy; O. P. Crutcher, Lubbock; Vieve Lee O'Mealy, Grand Prairie; Ron Woollever, Brenham; Mrs. Carlton Scroggins, Kansas; Mrs. Danny Gray, Longview, Great Plains Distributors, Lubbock.

Visit the LIBRARY

The summer Undersea Reading adventure which began June 1, ended Saturday, August 14, at the Slaton Branch Libraries with 176 children making the honor roll by reading twenty books or more.

This honor roll list will be posted in the Lubbock City-County library and their school will be notified. 332 children were registered in the reading club. There were 155 children gaining the honor roll last year.

Member 1971 TEXAS PRESS ASSOCIATION

Cooper Woman Plans Trip To Prescott, Ariz.

Mrs. J. C. Robertson, Rt. 4, Lubbock, Girl Scout leader for the Cooper Girl Scouts, is one of five from the Caprock Council who plans to attend the "Conference on Girl Scouting -- Mexican American Style". The conference is scheduled for Aug. 24-27 at Prescott College in Prescott, Ariz.

Mrs. Robertson has been a Girl Scout leader for three years. She is the mother of four daughters, two of whom are in the troop. Her husband is a farmer and they are Methodists.

Delegates will be learning and some will be sharing their knowledge of the Mexican American or Spanish American family from first hand experience.

The National Organization, through personnel in Regions V and VI, is making it possible for 42 councils in the southwest to confer with a large number of Spanish Americans or Mexican Americans about Girl Scouting.

MRS. MICHAEL GRISSOM
... Shannon Traugott

Grissom-Traugott Nuptials Repeated Here Saturday

The First Baptist Chapel of Slaton was the setting Saturday at 5 p.m. for the marriage of Miss Shannon Traugott of Ft. Worth and Michael Louis Grissom of Littlefield.

Uncle of the bride, Wayland Stephens, a Baptist minister from Long Island, N.Y., officiated for the reading of the double ring ceremony.

Parents of the couple are Mr. and Mrs. J. D. Traugott of Payson, Ariz., and Mr. and Mrs. Landon Grissom of Littlefield. The bride is the granddaughter of Mrs. Fred Stephens of Slaton.

The bride, given in marriage by her father, wore a floor-length, princess style, white traditional wedding gown of lotus-ure, featuring a capelet col-

lar and accented with chantilly lace.

Musical selections of "More", "Twelfth Of Never", and "O God Our Help in Ages Past" were presented by soloists Renee Kirk, cousin of the bride, and organist Mrs. George Kirk, aunt of the bride.

Maid of honor was Shelley Traugott of Payson, Ariz., sister of the bride. She was fashioned in a princess style floor-length gown of yellow featuring a white collar.

Best man was Bob Grissom of Littlefield, brother of the groom.

The guests were seated by Mack Mangum of Littlefield and Doug Jennings of Ft. Worth. A reception followed in the parlor of the church.

The bride wore a sheath dress of yellow knit with matching accessories, and the corsage lifted from her bridal bouquet, when the couple left for a wedding trip to Six Flags Over Texas.

The bride attended Baylor University and Texas Christian University. The groom is a senior student at Texas Christian University. They are both graduates of Littlefield High School.

The couple will reside at 2805-A Farmer St. in Ft. Worth.

Bikes Popular
Bicycle sales have risen in the last 10 years from 3.7 million to almost 7 million, with many of these being purchased for adults.

Hot Potatoes
If your home prepared French fried potatoes are soggy or greasy, you may not have the frying pan hot enough. Temperature of the fat should be 375 to 385 degrees, according to the U.S. Department of Agriculture.

Color For Kids
Decorative maps, scrolls and travel posters make good wall hangings for children's rooms, family rooms and dens.

We, at Citizens State Bank, are always proud to recognize persons who serve their community in various ways and, this week, we salute a group of men who perform a vital but somewhat thankless duty.

We refer to the Slaton City Commission, composed of the mayor and four commissioners from four parts of the community.

These men serve the community with little pay for the time and talents they give to the responsibility of municipal government. Even though most of their decisions meet with the approval of the majority of citizens, they are more often criticized than praised.

CSB acknowledges the service these men perform, and we salute them for offering their abilities in helping to govern our community.

At CSB we, too, strive to offer services beyond the call of duty. We invite you to talk with us concerning any financial needs!

Selling Slatonites Is Hobby

Mrs. M.D. Gamble Moves Into Slaton

By LAVON NIEMAN

A newcomer to Slaton who is no newcomer at all to the people of Slaton is Mrs. M.D. Gamble.

"I guess I'll get used to living in town", she said, as she reminisced back over some 48 years she had lived in the same house on her farm on Route 1, Slaton, in the Union Community. She has recently moved to 1495 W. Crosby.

Mrs. Gamble and her late husband came to the Union Community from Knox County in February, 1923, bringing five children with them. Another son was born after they moved to the South Plains. Mr. Gamble died in 1937, leaving her with four children at home to raise. Two were already married. Since 1947 she has lived alone most of the time.

"You ought to see us all together". Over 60 usually gather three or four times a year, she said. "On my birthday we usually get together at one of the children's homes but on Christmas we nearly always meet at my home". "This Christmas will be different -- after 48 years in the same house".

You can tell Mrs. Gamble misses her home -- and her garden -- on the farm. "My kids wanted me in town by close neighbors, and I'll get used to it. It just takes time", she said. "Union is a good community and it was hard to leave". She still goes to the Cooper Methodist Church but realizes she will be moving her membership before winter is here. "I've been a Methodist nearly all my life", she said.

We asked Mrs. Gamble what she enjoyed doing. Raising a garden was on top of her list. She said the rain had sure hurt her garden this year. She said she used to enjoy selling butter, milk, cream and eggs. "When the boys moved my cows off my farm, oh, how I missed them". "There's nothing like that good butter and cream."

"I'm not satisfied to just sit down", she said. And this we know, because she has been

selling and renewing subscriptions to The Slatonite and Lubbock Avalanche Journal for over 20 years. "I started when Mr. Jackson had The Slatonite", she said, and she has been doing it ever since.

Mrs. Gamble's children are Mrs. D. J. (Laverne) Speed of Tucumcari, N.M., Mrs. J. W. (Ellen) Ellenberger of Lubbock, Mrs. R. D. (Minnie Vee) Presley of Abernathy, Mrs. Christine McCool of Clovis, Joe Gamble of Slaton, and George Gamble of Rt. 1, Slaton. She also has 18 grandchildren and 19 great-grandchildren.

Following are three of Mrs. Gamble's favorite recipes she is sharing with our readers this week:

FRUIT CAKE
One package dates (cut)
One can Eagle brand milk
One box candied cherries
2 cups coconut
2 cups pecans
Mix all together. Cook 2 hours at 250 degrees in greased loaf pan.

AVOCADO SALAD
1 package lime jello
1/2 green pepper (chopped)
1/2 cup salad dressing
1 avocado (mashed)
1/2 grated onion
1 package cream cheese
1/2 can pimiento
1 cup celery
Dissolve jello in one cup water. When jello begins to congeal, add onion, cheese, and avocado and other ingredients and mix.

BROWNIES
Melt over hot water:
4 squares chocolate
1-1/3 stick oleo.
Beat in 2 cups sugar, 4 eggs, sift 1-1/2 cups flour, 1 teaspoon baking powder, 1 teaspoon salt, and add 1 cup chopped nuts.
Bake 35 minutes at 350 degrees. For icing melt together 2 tablespoons butter, 2 squares chocolate, 1 tablespoon milk and enough confectioners sugar to make the right consistency.

The Rock of Gibraltar is about 250 feet taller than the Empire State Building.

TIME FOR RENEWAL--Mrs. M. D. Gamble looks over her records she keeps on subscribers to The Slatonite and Lubbock Avalanche Journal. She has been selling and renewing subscriptions to the two newspapers for over 20 years. She has recently moved into town from the Union Community. (SLATONITE PHOTO)

MR. and MRS. ARDEN MATHER and PAM of Richardson were here last week for the funeral services of his grandmother in Wilson. They also visited Mrs. Mather's mother, MRS. M.E. MORRIS in Slaton.

Getta Go
School in Greenland is compulsory until the age of 14. Courses include kayak handling and sewing.

O.Z. Ball and Co. in Slaton

From Where I Stand
By Merle King

MRS. VIRGIE HUNTER enjoyed a fun-filled two weeks when she joined a party of eighteen for a summer tour of Ireland.

From a medieval banquet at Knapogogue Castle (a few miles from Limerick) to a final night in Cork, Mrs. Hunter was impressed by the cleanliness of the country and the genuine hospitality of the Irish.

The group was led by a personable Irish courier, whom she called a "goodwill ambassador". "When our courier was not lecturing, he was singing in his beautiful tenor voice. When he sang "Galway Bay" "it would bring a tear to a stone", said Mrs. Hunter.

After landing at Shannon Airport, the group toured the country in a comfortable, clean bus. They stopped at Galway City, then north and east through Bealek, home of beautiful china, and on into Connemara country, famous for it's beautiful horses and peat beds. They also visited the burial place of William B. Yeats, Ireland's famous poet.

At Colooney, Mrs. Hunter had a short visit with Mr. Mullens, whose daughter-in-law will teach music in Stephen F. Austin this fall.

The Slaton resident described "Burdoran-By-The-Sea" as a picturesque spot to spend the night in a castle-like hotel overlooking the bay.

Other spots of interest included Belfast, the capital city of Northern Ireland, a stop in Dublin, the capital city of the republic of Ireland and making the scenic Antrim Coastal drive. "The weather was so clear and nice we saw Scotland at one point", related Mrs. Hunter.

Visiting Trinity University and seeing the "Book of Kells" was one of the highlights of the journey. They made the tour from Dublin to Killarney, called the "Garden of Ireland," with stops in Wexford and Waterford.

Four nights were spent in Killarney. On Sunday prior to their last day in Ireland, Mrs. Hunter attended an inspirational service of the Presbyterian and Methodist churches, combined for the summer. Later that day the party drove to Blarney Castle and climbed the ninety steps to kiss the Blarney stone.

From where I stand, the Irish may possibly have referred to "our" Virgie Hunter as a personable, goodwill ambassador for our country.

MR. and MRS. MELVIN WALL and sons, PAT and CASEY, were in Slaton recently for a visit with her mother, MRS. B. W. WEST. Formerly of Slaton, the Walls now make their home in Amarillo.

The CLYDE MCGINLEYS were seen about town last week.

MR. and MRS. FLOYD FISHER have just returned from a trip to Colorado Springs, Colo., where they were guests of their son-in-law and daughter, D-WAYNE and NANCY MILLER.

MR. and MRS. CLAUDE PORTER are home after spending six wonderful weeks at their cabin at Platono, Colorado.

MRS. B. W. JONES and DOROTHY have had as their guest, MRS. TRAVIS FORE of Lake Nocona, Texas.

MR. and MRS. BENNIE MOELLER left Saturday to accompany MR. and MRS. GENE MOORE on a trip to Houston. Mrs. Moore will be an out-patient at a Houston hospital.

Weekend guests in the home of MRS. JOE TEAGUE, JR. included MISS MYRTLE TEAGUE and MR. and MRS. DAN TURNER and daughters, all of Dallas.

Driving from Ft. Worth to attend the MEADOR family reunion Sunday were MR. and MRS. O.M. RAMSEY.

DRESSED FOR KINDERGARTEN--Slaton's prettiest triplets start to kindergarten this year. They were in town Wednesday doing some shopping. The triplets are of Mr. and Mrs. Enrique Espenosa, Rt. 1, Slaton. They are, left to right, Maria and Maria. The Espenosas also have five other children. (SLATONITE PHOTO)

Thought For Food

Cottage cheese sauce adds a new note to a mélange of left-over vegetables. Blend 5 tablespoons flour into 5 tablespoons melted butter. Add 2 cups milk, cool and stir over medium heat until thickened. Beat in 1 cup cream style cottage cheese and add salt and pepper to taste. Try it over carrots, potatoes, peas and broccoli.

You can produce a perfect roast for company or that special occasion. Just roast at a low oven temperature (325 degrees F.) to retain the juiciness of the meat. Use beef, pork, veal or lamb. To insure the just-right degree of doneness, invest in a roast meat thermometer.

ARMSTRONG PROMOTED
Monty Armstrong, son of Mr. and Mrs. T. H. Armstrong, was promoted from Private First Class to Spec. 4 this past month in Germany.

MRS. W. H. SANDERS is a patient at St. Mary's Hospital in Lubbock. We wish for her a speedy recovery.

MRS. E. L. HERRIN, mother of LEON HERRIN, a former Slaton resident, died Sunday in Iredell, Tex. Services were held Tuesday. Herrin now lives at Anton and is employed by Pioneer Natural Gas Company in Lubbock.

MR. and MRS. JACKIE HORTON of Lubbock and MRS. EL-LON HACKER of Slaton accompanied MR. and MRS. TED MELUGIN of Wilson to the annual Jackson family reunion Sunday at Stephenville Park. Forty-six members of the family were present. Mrs. Hacker stayed for the remainder of the week in Glen Rose, visiting her sisters, MR. and MRS. WILLIE NEHE of Orange, MR. and MRS. BOB DAVIS and MRS. RUBY PHILLIPS, all of Glen Rose.

JIMMY LEE JONES of Dallas visited his parents, Mr. and Mrs. Bill Jones, last week.

MRS. CARTER SHAW attended the Shaw Reunion at Manzanita, N.M. Aug. 6, 7 and 8th and then returned home by way of Midland last Thursday. Her grandson, JOE PAUL GRANER of Midland, came home with her for a visit.

MR. and MRS. G. W. HUMPHREY attended a family reunion at Possum Kingdom last week.

ALMA RUTH and LEONARD LOTT of Arkansas visited their grandmother, MRS. E. M. LOTT, last week.

MR. and MRS. TRUETT BOWNS and son, LANCE, spent a long weekend with MR. and MRS. A. D. NIEMAN at Tres Ritos, N.M.

MR. and MRS. BEN DAVIS have returned home after a vacation in the New Mexico mountains. While gone they visited Mr. and Mrs. A. D. Nieman at Tres Ritos, N.M.

WELDON SELF and daughters PATTY and BETH attended a Self Family Reunion held last weekend at Proctor Reservoir. Approximately 50 persons attended. They also visited relatives in Cohoma and Odessa.

BERTHS UP FOR GRABS, SAYS DAVIS

Tigers Launch Football Drills For '71 Season

are wide open going to be some for the starting Ernie Davis of the Slaton football team.

ing his sixth football chief, maker at the regular season meeting of Monday at the Assistant Coach Doc a part of the

ss said some 48 served for the first day, with only 9 letters on last gridders from varsity to go rank.

ss seen his teams 2-1-3 won-lost-in five seasons enthusiastic about aggressiveness stated this week.

llistour strong depth in boys and quickness," ch stated. "Our probably in over- we are going to be small," he

list of returning three starters season, who were captains of the They are Brad 5-10, 185-pound Hopper, 5-10, 185 lb. Davis, 5-10, 185 lb. Freeman, 6-0, and Steve Mosser, who were starters the last season. en ends Tom and Gary Dill- 185, quarterback (5-9, 170), and as (5-9, 170).

the split end's post features a race between Leslie Melcher (5-10, 150 senior) and three Kittens--Lloyd (5-10, 150 senior), brother Floyd (5-10, 145 senior), and Clyde (6-0, 155 senior).

Both coaches were outlining top offensive prospects at the meeting, and after only one workout Davis reported that "our big problem will be to determine who plays where, and

when." Some of the contests could be settled with one going on offense and another on defense, but the battle has just begun.

"It's a rebuilding year," pointed out Davis, "with only 9 lettermen back, but we feel like it's going to be a good year."

The Tigers were having twice-a-day drills this week, but classes start today. Coach Davis said two scrimmages were planned prior to the season's first scheduled game here on Sept. 10 against the strong Brownfield Cubs.

of AAA play. In the five years prior to Davis' arrival, SHS teams compiled a 14-34-2 record.

Davis had his best year here when the 1967 team posted a 7-2 record and finished second to Denver City in 4-AA. Worst year was a 4-6 mark in 3-AAA in 1968. The Tigers were 5-5 in AAA action the following year.

Last year's Tigers had a 5-3-2 won-lost-tied record and again finished second to Denver City in the league race. The Tigers gave up only 31 points in seven district games last year, and a total of 97 for the season. Slaton tallied only 61 points in the seven 4-AA games, however.

The 1967 team tallied a total of 262 points and allowed only 67 in the nine games played. The team posted four straight shutouts and had six for the season, with only three foes scoring against them.

RETURNING TIGER LETTERMEN--These nine seniors at Slaton High are the returning lettermen on the Tiger football squad for 1971. Left to right, front, are captains Brad Winchester, Bobby Hopper and Randy Davis. Standing are Mike Speer, Tom Roche, Willie Freeman, Darrell Eastman, Gary Dillard and Steve Mosser. Coach Ernie Davis expects to mix in 20 gridders up from last year's junior varsity to form the 1971 edition of the Tiger team. (SLATONITE PHOTO)

Bumpass-Hatchett Team Wins Tourney

Slaton's Dean Hatchett and Marlin Bumpass carded a 9-under-par 131 total to win the annual Slaton Partnership Golf Tournament Sunday.

Hatchett and Bumpass trailed by two strokes after the first round Saturday, but came back with a low-ball 63 Sunday to edge Lubbock golfers Ham Rogers and Bucky Sheffield. The

Lubbock duo carded a 66-67 for a 133 total.

Third was the Ellis-Ohlenbert team with a 135 total, followed by the Tally-Reiger team with a 136. Last year's winning team was L.D. Clifton and Randall Reiger of Lubbock.

First flight champions were Hawkins and Massengale of Lamesa with a 141 total, and the Duffy-White team claimed second with a 142 score. J. W. Holt and Larry Smith tied with Haynes-Craig at 143, then the Slaton duo won third place in a playoff.

The second and third flights of the partnership tourney fit in only one round of play before being "rained out" Sunday. Winners were determined on the first round of play. Three teams tied for the top spot in the

second flight--Kerr--Reagan, Lowe--O'Brian and Harbert--Wells all had scores of 77. Melton--Strachan and Van Loosen--Wood carded 78's.

Three teams also tied in the third flight with 80's--Sully--Zorate, Schmid--Ratliff, and Abernathy--Warren. Two Slaton duos had 81 scores--Allen Ferrell and Howard Hoffman, and Bing and Mike Bingham.

GIRLS IN QUEEN CONTEST

2 Cooper Gridders In Greenbelt Bowl

Gary Schaffner, son of Mr. and Mrs. Carlton Schaffner, Rt. 1, Slaton and Kenneth Ehler, son of Mr. and Mrs. Edgar Ehler of Rt. 6, Lubbock, both 1971 graduates of Cooper High School, played in the 22nd Annual Greenbelt Bowl in Childress Saturday.

Each player was asked to bring a nominee for the Greenbelt Bowl Queen Pageant. Schaffner's nominee was Deniece Robertson, daughter of Mr. and Mrs. J. C. Robertson, Rt. 4, Lubbock, Ehler's nominee was Kathy Burkett, daughter of Mr. and Mrs. H. G. Burkett of Rt. 6, Lubbock.

The East was predicted to win but the final score of the game was 0-0. It was a fine defensive game with many exciting moments including Ehler recovering a West fumble and West penetrating the East five yard line.

The two Cooper players spent a week as guests of the Childress Chamber of Commerce, working out twice daily. Coaches for Schaffner's West team were Loyd Taylor, head coach at Tarleton State College, and Jerry Elledge, assistant coach at T.S.C.

Ehler's East team was coached by James Cameron, head coach at Howard Payne College and Dean Slayton, assistant from H.P.C. Schaffner played offensive

guard and defensive linebacker for the West. Ehler played defensive end for the East.

The girls competed for Greenbelt Bowl Queen in formal and bathing suit competition. The nominees, players and their families were treated to a picnic in the City Park Auditorium before the formal competition. Saturday afternoon, before the game, the girls displayed their bathing suits in boats in a downtown parade.

The girls, dressed in formal, were special guests at the ballgame where Deniece Robertson was selected by the girls as Miss Congeniality and was presented with a trophy. The 1971 Greenbelt Bowl queen was Miss Carl Hart of Childress.

UTU Elects New President

The 210,000-member United Transportation Union Monday elected a former Amarillo trainman, Al H. Chesser, as union president at the first international UTU convention in Miami Beach.

Slaton Santa Fe employees, including switchmen, brake men, conductors and firemen are members of the mentioned UTU. R. O. Moore is president of UTU 1295 and G. P. Patterson is president of UTU 1302.

Dean Gilliland, former Slaton resident who is now assistant director in Austin in the legislative department, represented UTU 1302 at the convention. Delegate for UTU 1295 was A. L. Paschall of Slaton.

National legislative director for UTU at Washington, D.C., Chesser will take office Jan. 1, succeeding Charles Luna of Dallas.

He moved from Amarillo to Austin in 1956 to take a state post with the union before becoming national legislative representative for the union in 1962 in Washington.

Chesser told delegates upon election that he would continue the tradition of unity and dedicate his lifetime to the membership of the UTU.

Rotary Chief Visits Slaton

Dr. T. Paige Carruth of Canyon, Texas, governor of the Rotary district of this area, addressed the Rotary Club of Slaton during his official visit Thursday, Aug. 12. The local club is one of 47 Rotary clubs in this district.

Speaking of the global growth of Rotary, an international men's service organization, the district governor said:

"Rotary is the pioneer of the service clubs and today numbers more than 14,821 clubs with a combined membership of more than 701,000 business or professional men. Spread throughout 149 countries in all parts of the world, Rotary clubs conduct activities to improve their communities, aid youth, elevate business standards, and further international friendships and understanding."

The district governor also conferred with Ansil O'Neal, local Rotary club president, and M. G. Davis, club secretary, on club administration and plans for future activities.

During his visit, the Rotary official reminded members of the Rotary International theme this year -- "Goodwill begins with you." He said the theme

works hand-in-hand with the Rotary motto of "Service Above Self."

"Some people in a community try to avoid all services--church, civic and governmental," Carruth said. "Too many of these people in one town could ruin a community," he emphasized. He urged Rotarians to recruit more men interested in extending goodwill to all men.

Girl flees East inside mattress

A young man smuggled his East German fiancée to the West by hiding her inside the mattress of a railway sleeping car bunk.

The couple had slit open a mattress, hurling the stuffing out of the window, after which she climbed in. The young man then threw a blanket over her and laid down on the bunk.

It is colder at the South than at the North Pole.

ROTARY GOVERNOR HERE---District Rotary Governor T. Paige Carruth (center) chats with Slaton Rotarians Bill Sewell, left, and Ansil O'Neal during a visit to the club here Thursday. Carruth reminded Rotarians of the international theme for the year--"Goodwill Begins With You". O'Neal is president of the Slaton club, and Sewell is governor-elect for the district. (SLATONITE PHOTO)

CLASSES BEGIN MONDAY AT ST. JOSEPH SCHOOL

St. Joseph School will be holding registration today (Aug. 19). Parents are asked to be ready to pay book bills, cafeteria tickets, insurance and "Home and Association" dues.

In order to avoid a large crowd at any one time, the following schedule will be followed: 9 to 10 a.m.--family name A-G; 10 to 11 a.m.--name H-M; and 11 to 12 a.m.--name N-Z.

Sister M. Angelita, principal and part time teacher, said that lunches will be 45 cents if purchased by the day. A month's ticket for 20 meals will be \$8.

SS PROGRAM PROVIDES MORE THAN RETIREMENT BENEFIT

"I may never live to collect a dime from all this money I'm paying into social security!" This is a statement often heard from young workers according to Jim Latimer social security Field Representative at Lubbock, Texas.

The fact is Latimer said, "the social security program provides for much more than just retirement payments. Disability and survivor's benefits are two very important areas of protection often overlooked by the young worker."

Disability payments can be made to a young worker and his dependents with as little as one and one-half years of work if he becomes disabled before age 24. These benefits continue as long as the worker remains disabled.

Survivor's benefits may also be payable to the young worker's dependents with as little as one and one-half years of work under social security. Payments can be made to the

Classes at St. Joseph School will begin Monday, Aug. 23. Parents are asked to be ready to pay book bills, cafeteria tickets, insurance and "Home and Association" dues. Teachers in the school include Sister M. Angelita, principal and part time teacher, and Mrs. Linda Farnsworth, fourth grade teacher. Mrs. Michaela, first grade teacher, and Mrs. M. Michaela, second grade teacher, and Mrs. M. Michaela, third grade teacher, and Mrs. M. Michaela, fourth grade teacher, and Mrs. M. Michaela, fifth grade teacher, and Mrs. M. Michaela, sixth grade teacher, and Mrs. M. Michaela, seventh grade teacher, and Mrs. M. Michaela, eighth grade teacher, and Mrs. M. Michaela, ninth grade teacher, and Mrs. M. Michaela, tenth grade teacher, and Mrs. M. Michaela, eleventh grade teacher, and Mrs. M. Michaela, twelfth grade teacher.

Use One-Plus Dialing when you call Long Distance and save on most out-of-state calls. There's no cheaper way to call Long Distance. And it's fast and easy, too.

One-Plus. You can't beat it.

Southwestern Bell

Mobil the bigger mileage tire!

A good deal on a good tire.

What happens when you put two fiberglass belts in one of the last 100 on the road? The best gets even better.

The fact is the Polyester-Fiberglass Mobil Premier Belted Tire is so superior, you can't team it up with an ordinary tire. You have to buy at least a pair at a time. But you'll be glad you did when you start feeling out the mileage.

The "Poly-Cushion" tire

High on performance. Low on cost.

The all-new polyester cord Mobil Cushion tire.

- Good mileage with excellent resistance to cuts and bruises.
- Stronger polyester cord gives you the comfort of rayon with the strength of nylon.
- A great performer on the highway and around town.

Our best tire is so good we guarantee the first 50,000 miles.

Mobil brings you the Radial tire.

The tire that's tough enough to be guaranteed for 50,000 miles. That's about 12,500 round trips to the market. Or about 5,000 round trips to work. Or at least two round trips to Timbuktu from anywhere.

Mobil Radials are up to 16% wider than conventional tires, to put more rubber on the road. And the Mobil radial design keeps the tread from "squirming" sideways--the major cause of tire wear.

Mobil Radial's tread stays open to run cooler. Delivers tighter traction and surer stopping on wet pavement. And this tire even rolls easier to

50,000

See your Mobil dealer. He's all you need to know about this.

SPECIAL DISABLED VETERAN LICENSE PLATES AVAILABLE

AUSTIN -- Little noticed during the 62nd Legislature was the passage and signing into law on May 19, 1971, by Governor Preston Smith of House Bill 615, which amends the Texas Motor Vehicle Registration Law to provide free license plates for certain disabled veterans according to Gil Moody, Commander, The American Legion, Department of Texas.

To qualify for the free plates, an applicant must:

1. Be a Texas resident
2. Be a veteran of the Armed Forces of the United States
3. Have a disability rating of 70% or more
4. Be drawing compensation from the federal government as a result of a service-connected disability

Under this new law, a qualified veteran is entitled to register, for his own personal use, one passenger car or light

Replacement

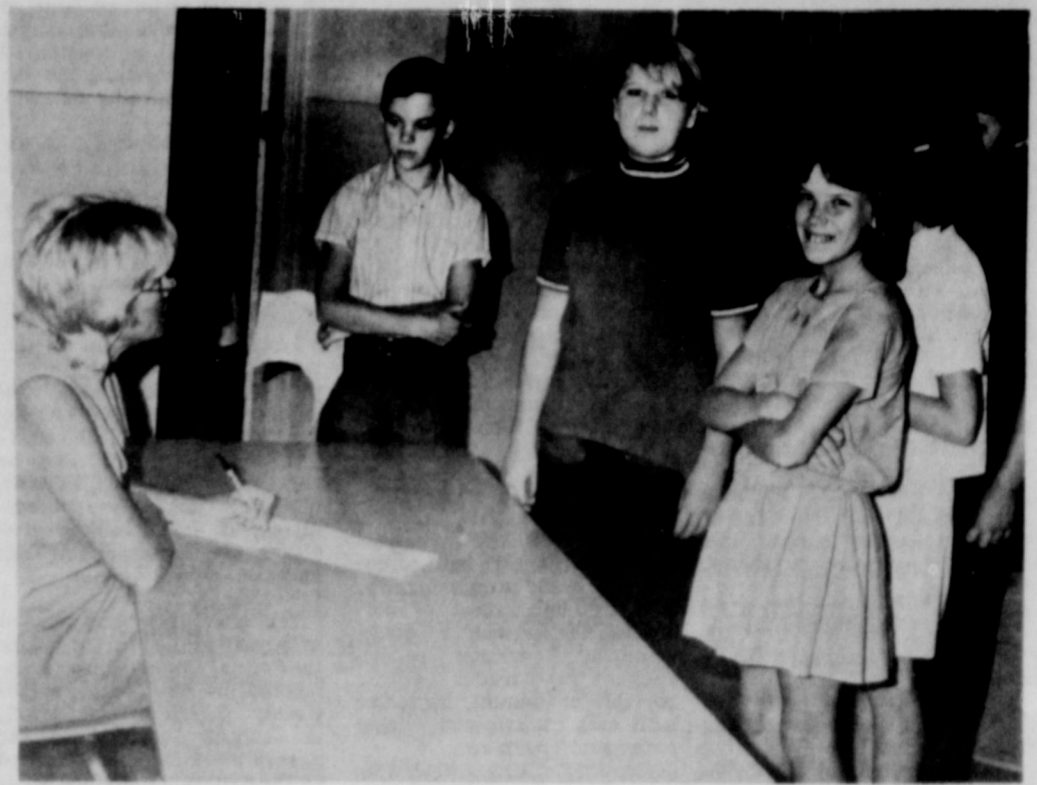

Because oil cargoes corrode steel, the midsection of a tanker wears out faster than the ship's bow, stern, and machinery. Shipyard convert the vessel into a "jumbo tanker" by replacing the old midsection with a larger one, adding to the ship's length.

commercial vehicle having a manufacturer's rated carrying capacity of one (1) ton or less, without payment of the prescribed annual registration fee. Specially designed license plates will be issued, with the letters "DV" appearing as either a prefix or suffix to the license number. The words "Disabled Vet" will appear on the plates, also, Commander Moody added.

Vehicles displaying the "Disabled Vet" plates will, also, be exempt from the payment of parking fees, including those collected through parking meters, charged by any governmental authority other than a branch of the federal government.

Although this law became effective when signed by the Governor, the free license plates will not be available until the 1972 Registration Year, since the bill provides that the disabled veteran must make application for such plates by October 1st preceding the Registration Year for which requested.

Application forms are available at the branch county tax office here in Slaton, located on the east side of the square.

SCHOOL STARTS TODAY---Doing some pre-registration are new students and students wanting schedule changes at Slaton Junior High School. Mrs. Howard Wright is assisting the students. Slaton Public Schools began class work this morning. (SLATONITE PHOTO)

Birmingham is England's second largest city.

your week ahead

BY DR. A.W. DAMIS

Forecast Period: August 23 to August 30

- ARIES** Mar. 21 - Apr. 19: Be careful of written or spoken words during the present cosmic cycle. And, for those under your sign involved in a triangle - there's a rival on the scene.
- TAURUS** Apr. 20 - May 20: Someone nearby has a profitable idea to offer many members of your sign. Stellar patterns encourage new business associations.
- GEMINI** May 21 - June 20: This week finds you with a bad case of making your mind up - too quickly. Avoid being pressured into making a decision.
- MOONCHILD** June 21 - July 22: Don't look for help outside of your family circle. Apparently, someone is trying to talk you into a situation that will eventually lead to multiple frustrations.
- LEO** July 23 - Aug. 22: Many members of your sign are at the brink of a mental explosion. Seemingly smoldering animosity now exists between your associates and a member of the opposite sex.
- VIRGO** Aug. 23 - Sept. 22: Apparently, you are facing a period when you will be taken advantage of. So, take a closer look at your relationship with the opposite sex.
- LIBRA** Sept. 23 - Oct. 22: It's about time, according to present planetary alignments, that you end, once and for all, a relationship that you know is hopeless.
- SCORPIO** Oct. 23 - Nov. 21: Well, Scorpio, you have seen it coming - now it's here: A "friend" without fully realizing will betray your confidence.
- SAGITTARIUS** Nov. 22 - Dec. 21: Sagittarius: Don't let up on your project, mission or task. Material gains are indicated - if, a big IF, you follow through.
- CAPRICORN** Dec. 22 - Jan. 19: You, Capricorn, must compromise. Give, bend and settle for half. ... By no means will you get the whole.
- AQUARIUS** Jan. 20 - Feb. 18: Many members of your sign are in for an "atta boy", as far as your routine tasks are concerned. Stellar patterns are favorable for most Aquarians.
- PISCES** Feb. 19 - Mar. 20: Dramatic hunches, ESP, or whatever you care to call it, crisscross your chart. This week you should be guided by "your feelings."

LEGAL NOTICES

NOTICE IS HEREBY GIVEN THAT, ON SEPTEMBER 13, 1971, AT 8:00 O'CLOCK P.M. THE CITY COMMISSION OF THE CITY OF SLATON, TEXAS, MEETING IN THE MUNICIPAL BUILDING, WILL CONSIDER THE FOLLOWING CHANGES TO THE ZONING ORDINANCE OF THE CITY OF SLATON, TO-WIT:

SECTION 1. That Ordinance No. 173 Section 3 USE DISTRICTS "B2" Local Business Districts (4) of the City of Slaton, Texas, BE, and the same is hereby amended as follows, to-wit:

SECTION 3. USE DISTRICTS

"B2" LOCAL BUSINESS DISTRICT

(4) Hotels, mobile home parks and vacation travel trailer parks as defined by applicable ordinances.

SECTION 2. That Ordinance No. 173 Section 19 DEFINITIONS, of the City of Slaton, Texas, BE, and the same is hereby amended as follows, to-wit:

SECTION 19. DEFINITIONS

(14) DWELLING, MULTIPLE: A building used or designed as a residence for three (3) or more families or households living independently of each other and excluding mobile homes, automobile trailer homes, vacation travel trailers or other portable or movable structure built on a chassis and without a permanent foundation.

(15) DWELLING, GROUP HOUSES: Detached or semi-detached dwellings built on one (1) lot, usually in opposing rows separated by a walkway or court and excluding mobile homes, automobile trailer homes, vacation travel trailers or other portable or movable structure built on a chassis and without permanent foundation.

(16) DWELLING, ONE-FAMILY: A detached building having accommodations for and occupied by only one family. No mobile home, automobile trailer home, vacation travel trailer, camping trailer or other movable

or portable structure built on a chassis with a permanent foundation shall be considered a one-family dwelling for the purpose of contruing this ordinance.

ANYONE INTERESTED IN SUCH CHANGES SHOULD APPEAR AND WILL BE AFFORDED THE OPPORTUNITY OF SPEAKING IN FAVOR OF OR IN OPPOSITION TO SUCH PROPOSED CHANGES.

CITATION BY PUBLICATION THE STATE OF TEXAS TO: MARIA GONZALEZ, also known as MARIA GONZALEZ; J.J. BROOKS; ANTONIO GONSALEZ; if living, if they be deceased, their heirs, assigns, claimants, and legal representatives, if any, whose whereabouts and residences are all unknown

You are hereby commanded to appear at the hearing before the Special Commissioners appointed by the Judge of the County Court at Law No. 2, of Lubbock County, Texas, to assess the damages occasioned by the condemnation of the hereinafter described property to be held at the Lubbock County Courthouse, Lubbock County, Texas, at 10:00 o'clock a.m. on the first Monday after the expiration of forty-two (42) days from the date of issuance hereof, that is to say, Monday, the 20th day of September, 1971, and answer the petition of the Urban Renewal Agency of the City of Lubbock, Texas, Plaintiff, in the suit styled Urban Renewal Agency of the City of Lubbock, Texas v. L. A. Purcell, et al., wherein the Urban Renewal Agency of the City of Lubbock, Texas, Plaintiff and L. A. Purcell, et al., residents of Lubbock County, Texas, CITY OF LUBBOCK, LUBBOCK INDEPENDENT SCHOOL DISTRICT, and LUBBOCK COUNTY, as Tax Collector for itself and STATE OF TEXAS, A.R.J. CORPORATION, a Texas Corporation, and the above-named MARIA GONZALEZ, also known as MARIA GONZALEZ, J. J. BROOKS, ANTONIO GONSALEZ, if living, if they be deceased, their heirs, assigns, claimants and legal representatives, if any, whose whereabouts and residences are all unknown are Defendants, which petition was filed with the Judge of the County Court at Law No. 2, of Lubbock County on the 6th day of August, 1971, and the nature of which suit is as follows:

The suit is a proceeding in eminent domain in which the Urban Renewal Agency of the City of Lubbock, Texas is condemning at the request of the governing authority of said Agency, for statutory urban renewal purposes, which are public purposes, the following described tract of land situated in Lubbock County, Texas, to-wit:

The South ninety-six point five feet (96.5) of LOTS ONE (1), BLOCK ELEVEN (11) WILLIAM TUBBS ADDITION to the City of Lubbock, Lubbock County, Texas, save and except the South Nine point four feet (9.4) dedicated for street right-of-way.

You are notified that said hearing has been set for the above stated hour, date and place, and to appear at same and present such evidence as you may wish. You are further notified to appear and answer said petition on or before said date, if you elect to do so. If you elect to appear and answer before said date, do so at the County Clerk's Office, Lubbock County Courthouse, Lubbock, Texas.

The interests of said above-named Defendants are that they either own or claim an interest in said property subject to unpaid accrued taxes.

If this citation is not served within ninety (90) days after its issuance it shall be returned forthwith.

GIVEN UNDER OUR HANDS, at Lubbock County, Texas, this 6th day of August, 1971.

Public Service Is Serving 50th Year

...company decide to celebrate its 50th anniversary? Southwestern Public Service Company, the oldest utility in the state, has made the late last year the most important in its corporate history. The company's 50th anniversary is being celebrated in 1971, the year that the electric company first began operations in Texas, with the purchase of the electric systems in Amarillo, Pampa and Panhandle. The 1920's are the most interesting years in the electrical development of this region. The region was then, basically, a cluster of small towns, each of which had its own inadequate, and usually antiquated, electric supplier. There were few, if any interconnections, with other communities or electric systems. Most of the

towns were only large enough to be served by a single circuit, and if something happened the whole town was out of power until it was repaired. This was an era which also brought some communities electric service for the first time. In late 1926, for example, Southwestern built a transmission line from Amarillo to Pampa and brought electric service to White Deer, Texas for the first time - on Christmas Eve. There was still considerable fragmentation insofar as electric service was concerned and parts of seven companies, each of them a subsidiary of at least one holding company - were serving throughout the area. It was apparent, then, that the electric service needs of the area could be met even more efficiently and economically if it were served by a single, independent, operating company, devoid of holding company ties, locally managed and immediately responsive to area needs.

In short, the region, which had fairly common agricultural and business bonds, lent itself to integration, in the electrical sense of that word. The Public Utility Holding Company Act of 1935 and co-operation between government and business made this integration possible. The holding company subsidiaries which had been serving the region were merged into a single entity, Southwestern Public Service Company, an independent, integrated operating company. It was the first such company, incidentally, to result from the application of the Holding Company Act. Thus it was, as the area embarked on the most rapid period of its growth - immediately following World War II, it was served by a single electric supplier prepared to meet the electric service needs that growth brought on. Southwestern serves a 45,000 square mile area which starts in the southwest corner of Kansas, crosses the Oklahoma and Texas Panhandles, moves down onto the South Plains of the Lone Star state and then moves westward to include the Pecos Valley and Clovis-Portales regions of New Mexico. There haven't been any power shortages in this area in the

past and the folks at Southwestern don't envision any in the future. To make their visions become reality, the company is adding to its investment at an average annual rate of \$20-million. The total investment will pass the 500-million dollar mark in the early 70's. Incidentally, it was 39-million dollars, the total investment, that is, when the company took its present form in 1942. The ecological and environmental problems that have haunted some utilities have not yet interfered with Southwestern's progress, and, assuming a reasonable approach to the environment and ecology, they shouldn't in the future, either. Southwestern is working to retain the fresh water resources of the region, and at two of its power plants, Nichols Station, near Amarillo, and Jones Station, southeast of Lubbock, uses reclaimed sewage effluent as cooling water. This conservation practice saves 6,000,000 gallons of fresh water a day and that's enough to meet the needs of a city in the 20,000 range population bracket. The oceans of the world will provide the fuel source for electric generation in the future, if research in which Southwestern is participating comes to fruition. This would be the nuclear

You worked from the ground up on the line construction crew in 1921, as pictured below, but the modern day lineman gets a lift to his work on a mechanized unit dubbed a "cherry picker" and portrayed at the right. Part of the progress of the power industry in the 50 years of Southwestern Public Service Company history.

fusion, the fusion of light atoms into heavier elements, and a child's pail of seawater would provide enough fuel to generate the electricity for the average home for a year. There is, incidentally, more energy available from the hydrogen atoms in 7 1/2 square miles of seawater than from all the fossil fuel reserves in the world, and that, in itself, makes

the research exciting. Meanwhile, getting back down to earth and the electric power business - for today and tomorrow. The crystal ball gazers are saying that the American people are going to demand as much electric energy in the next ten years as they have used in the last 90. That would be 18-trillion kilowatt-hours, and it looks like this

when you put all the zeros on it - 18,000,000,000,000. Southwestern's share of that load is still an unknown quantity but on their record in the past, we can be confident they'll meet it - with power in reserve. Buenos Aires is called the "Washington of South America."

Southland News

BY TOMMIE WILKE

Chaffins Visit 21 States

And the rains came---and came---and came! Wow, have you ever seen a wetter August? I don't know just how many inches we have had here in Southland since the rains started, but it is considerable. Sorry to say that there was a bad

hailstorm last week in the Hackberry community, ruining over a thousand acres of cotton, and when you get hailed out this time of the year, well, you've had it. It is just too late to plant over!

Mr. and Mrs. Max Chaffin and children returned home August 10 after a month's vacation touring many states. First they went through New Mexico and Colorado, stopping at Pikes' Peak, then on to Cheyenne, Wyo. where they visited two days with Max's two brothers, Jim

and Tallie, and their families. After leaving there, they went to Mt. Rushmore in South Dakota where they took a very scenic route up to the mountain. Along the way they saw wild buffalo and donkeys running around in packs.

After seeing the four presidents carved on the mountain they went across the state to Murdo where they saw the Pioneer Auto Museum. There are 150 cars on display along with an old school house, railroad car, bank, barber shop and railroad depot. After leaving there they went across Minnesota, Wisconsin, Illinois, Indiana, Ohio, Pennsylvania, New York, Vermont and New Hampshire.

In New Hampshire they visited with Mrs. Chaffin's father, Col. L. A. Elliott and stayed in his cottage on Lake Winnepesaukee. From New Hampshire they took a trip up into Canada and visited New Brunswick, and took an ocean-going ferry boat over to Prince Edward Island and then on to Nova Scotia and Amherst. In New Hampshire they also visited with Mrs. Chaffin's brother, Bruce Elliott and family, and with an uncle, Ralph Tibbetts, who is 83 years young. After

spending 9 days in New Hampshire, they drove through Mass., Connecticut, New York City, New Jersey, Delaware, Maryland and into Virginia. In Springfield Va. they visited with another brother, Lt. Col. James N. Elliott, Ret., who works in Washington, D.C. There they went to Arlington National Cemetery and saw the tomb of the unknown soldier and the graves of John F. Kennedy, Curtis Lee Mansion and Audie Murphy. They took a motor boat up the Potomac River and saw Mt. Vernon. After leaving there they went on down to the southwest corner of Missouri and

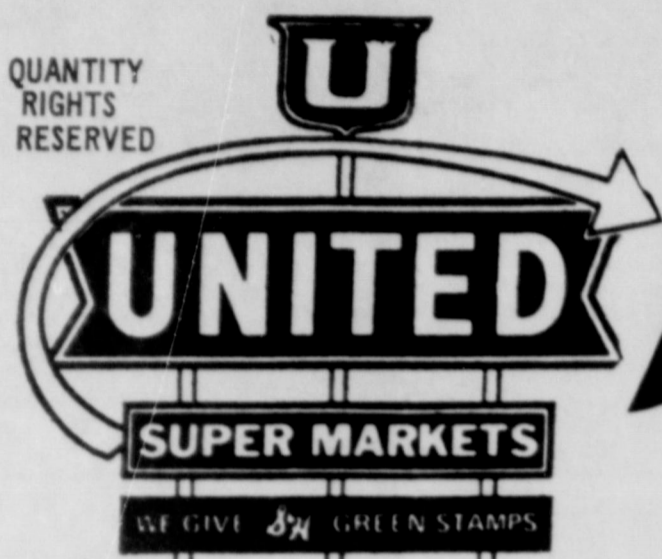

stopped at Joplin where they visited 2 days with Mr. and Mrs. Bill Searles, former manager of KPDS in Post, Texas. From Joplin, they came home through Oklahoma. Sounds like this must have been a great vacation!

Mr. and Mrs. Ned Myers and daughters, Debbie and Nedra, from Hereford and Mrs. Bruce Beatty and David Pope from El Paso have been here revisiting their parents, Mr. and Mrs. Jack Myers.

Mr. and Mrs. Pierson from Amarillo spent from Wednesday until Sunday here with her parents, Mr. and Mrs. Alva All-

bright. Mr. and Mrs. Searles and their friends, Carolyn and Mrs. Nellie Searles, were very nice to see Mr. and Mrs. Pierson.

Irrigation Rate Increase Slated For Farmers

AMARILLO -- An adjustment in the price of natural gas used for irrigation engines will become effective Oct. 1, 1971, for irrigation farmers served by Pioneer Natural Gas Company according to an announcement made by K.B. Watson, executive vice president.

In discussing the change, Watson said, "This is the first rate increase to irrigation customers since 1961. During this time we know all the answers." So long until next week.

10-year period the cost of purchasing gas and the expense of transporting the gas through-out the system have steadily increased." As an example, Watson pointed out, "The average cost of gas purchased for the West Texas system in 1960 was 14.7¢ per 1,000 cubic feet (MCF). By last year, this cost had increased to 17.7¢ per MCF."

An additional point made in the discussion of this irrigation rate increase was that, because

of the nationwide energy crisis, it is becoming more and more difficult and expensive for Pioneer to maintain adequate sources of gas to serve irrigation customers.

The revised irrigation rate parallels the current West Texas General Service Rate (the rate charged to other than irrigation or industrial customers) for the first 50 MCF used per month and reflects an increase of 3¢ per MCF for all additional usage. This

3¢ figure matches the increase in the amount being paid for gas by Pioneer since the last irrigation rate change in 1961.

The irrigation rate will be adjusted in April of each year based on the purchase price of gas for the previous year, in the same manner as applied to the West Texas General Service Rate. The new rate will amount to an average increase of less than 13 percent.

Letters detailing the adjustment and tariff sheets reflecting the new rate have been mailed to irrigation customers on the Pioneer system.

Lubbock County Highway Report

The Texas Highway Patrol investigated 42 accidents on rural highways in Lubbock County during the month of July, according to Sergeant O. C. Guthrie, Highway Patrol Supervisor of this area.

These crashes resulted in two persons killed and 22 persons injured.

The rural traffic accident summary for this county during the first seven months of 1971 shows a total of 260 accidents resulting in 12 persons killed, and 132 persons

injured.

The rural traffic accident summary for the 60 counties of the Lubbock Department of Public Safety Region for July, 1971, shows a total of 564 accidents resulting in 38 persons killed and 324 persons injured.

The 38 traffic deaths for the month of July, 1971, occurred in the following counties: Wise, 8; Donley, 5; Wheeler, 4; Lamb and Wichita, 3 each; Oldham, Clay, and Lubbock, 2 each; Deaf Smith, Hall, Parmer, Pot-

ter, Archer, Dickens, King, Palo Pinto, and Young, 1 each. The 38 traffic fatalities in July have been the most that have been recorded during any month of 1971.

Slatonite's Sister Dies

Services for Mrs. Mayme Neu, 74, a former resident of Slaton and St. Meinrad, Inc., were held at 10 a.m. Wednesday in the St. Meinrad Catholic Church.

Burial was in a St. Meinrad cemetery under direction of Becher Funeral Home.

Mrs. Neu died Sunday in a Calhoun, Ky., hospital. She had lived in Rumsey, Ky., for the past few years.

Among the survivors are three sisters, Mrs. A. L. Borbo and Mrs. Tilda Shaffer, both of Lubbock, and Mrs. Emma Schum of Slaton.

Mrs. Cora Jones Services Here

Services for Mrs. Cora Bates Jones were held Thursday in Triumph Baptist Church here with Rev. M. A. Brown, pastor, officiating.

Mrs. Jones, a native of Montgomery County, died Sunday. Her husband, James J. Jones and four children preceded her in death.

Survivors include one son, Robert of Detroit, Mich.; one daughter, Mrs. Shirley Brannon of Mt. Pleasant; and one sister, Mrs. Nova Deberaux of Montgomery.

Services For Mrs. Gully Held Tuesday

Services for Mrs. A.J. (Annie Sophia) Gully, 83, a longtime Slaton area resident, were held at 10:30 a.m. Tuesday in St. Joseph's Catholic Church here. She had been a Slaton area resident since 1924 and resided with a daughter, Mrs. Alvin Bukemper of Rt. 2, Slaton.

Mrs. Gully died Sunday in a Ballinger hospital. She became ill while visiting another daughter, Mrs. Leona Halfmann of Rowena.

Rosary was read at 8 p.m. Monday in Englands Chapel. Msgr. Peter Morsch, pastor of St. Joseph's Catholic Church, was officiant for both services.

Burial was in Englewood Cemetery under direction of Englands.

Mrs. Gully was a native of Ellinger. Her husband, Albert Joseph Gully, preceded her in death on Jan. 28, 1960.

Survivors other than Mrs. Bukemper and Mrs. Halfmann, include a son, Walter Gully of Hearldsburg, Calif.; two sisters, Mrs. Rudolph Younger and Mrs. Frank Arnold, both of Houston; nine grandchildren and 12 great-grandchildren.

J. ROSS BARRON

LONGTIME RESIDENT DIES FOLLOWING BRIEF ILLNESS

J. Ross Barron, 70, died about 6 p.m. Saturday in Mercy Hospital after a brief illness. Services were held at 2 p.m. Monday in the First United Methodist Church with the Rev. Bruce Parks, pastor, officiating. Burial was in Englewood Cemetery under the direction of Englands.

Barron was a member of the Senior Citizens Club. He moved to Slaton from Bonham in 1916 and farmed here until his retirement eight years ago.

He is survived by his wife, Ruby Irene; three brothers, C. L. and J. B., both of San Angelo, and D. L. of Farmington, N.M.; and three sisters, Mrs. C. M. Harshaw of San Angelo, Mrs.

Clark Brown of Brownsville and Mrs. Dan Fondy of Roswell, N.M.

JOHN E. TODD JR.

Slaton Man Is Promoted

John E. Todd Jr. will be promoted to Electronic Technician Chief on Sept. 1 and on Sept. 21 is scheduled to report to Fort Monmouth, N.J. for a nine weeks course at Crypto Repair School.

After completing the course, he will be sent to O.P.N.A.V. in the Pentagon. His new assignment will include maintaining communications for the Chief of Naval operations, Secretary of the Navy, joint Chiefs of Staff and the Office of Secretary of Defense. He anticipates holding the new assignment for about three years.

Todd's parents are Mr. and Mrs. John E. Todd of Slaton.

Johnsons Host Ice Cream Party

The Homemakers Class of the First Baptist Church met for an ice cream party Monday evening in the home of Mr. and Mrs. T. A. Johnson at Posey.

Special guests included the Rev. and Mrs. J. L. Cartrite, pastor of the church. The class's teacher, Mrs. Harley Martin and her husband attended.

Others at the party were Mr. and Mrs. T. C. McClanahan, Mrs. H. T. Hord, Mrs. H. E. Woods, Mrs. Birdie Godsey, Mr. and Mrs. Roy Parks, Mrs. Lela Clark, Mrs. C. R. Bain, Mrs. Alice Jarman, Mrs. Sam Wilson and Mrs. R. C. Hall.

Posey ALCW Ships Cookies

Thirty-five dozen homemade cookies were packed for shipping to Clifton Lutheran Sunset Home last Thursday afternoon by the Posey ALCW.

The Bible Study for that afternoon, which was led by Mrs. Alvin Neugebauer, was from I Corinthians 10-11, entitled "Worship That Unites."

The offering meditation was given by the hostess, Mrs. Walter Schroeder.

Plans are already beginning to shape up for Christmas projects, and it was revealed it was agreed that more than one could be done this year. The first project will be making novelty scrap books and note pads decorated with scenes of old Christmas cards. These will be sent to shut-ins in various hospitals and rest homes.

Medal Awarded In Vietnam

ALBUQUERQUE, N. M. -- Airman First Class Lewis C. Maxwell, son of Mr. and Mrs. J. D. Maxwell, 640 E. Lynn, Slaton, Tex., has received the U. S. Air Force Commendation Medal of meritorious service in Vietnam.

Airman Maxwell, a cook, distinguished himself at Bien Hoa Air Base.

He was honored at Kirtland AFB, N.M., where he now serves with a unit of the Air Force Systems Command which manages research and development of USAF aerospace systems.

The airman attended Slaton High School.

ITEM: Per capita beef and veal consumption, which reached 116 pounds last year, is expected to reach 130 pounds by the end of the decade. To meet this growing consumption figure, production must rise one third during the same period.

ITEM: You hardly ever see a steak labeled "tenderloin" these days. That cut of beef usually appears at the meat counter as Filet Mignon or Chateaubriand.

WILSON NEWS

BY BRENDA AND SUE

New Principal Named Here

ROBERT TAYLOR

The Wilson school board met in regular session last Thursday. Items of business included employing a high school principal, approving the final amendment to the 1970-71 budget for 1971-72. In other action the board approved a new policy for free or reduced priced lunches and approved minor changes in the elementary report card.

Robert Taylor from Morton was employed as high school principal to fill the position vacated when Kenneth Baker accepted the high school principalship at Morton. Mr. Taylor, his wife and their nine month old child moved to Wilson last week. He has taught and coached in Friona and Morton during the past seven years. They are members of the Methodist church.

Members present for this meeting were Roy Lynn Kahllich, Curtis Wilke, James Savell, Loyd R. McCormick, Jr., Tommy Bednarz, Billy Weaver, Alvin Kitten, and Superintendent Glen Mitchell.

REGISTRATION
High School and Elementary School Students will register Friday, August 20. Seniors and Juniors register from 9 to 10:30 a.m. and Sophomores and Freshman register from 10:30 to noon. Jr. High Students will register the first day of school.

FOOTBALL PRACTICE
Football workouts started Monday morning at 7:30. Works will be at 7:30 in the morning and 7:30 in the evening. Twenty-three boys reported for the first practice session.

CHURCH NEWS

Create in me a clean heart, O God; and renew a right spirit within me. —Psalms 11,10

The innocence of youth and the joys of childhood are wonderful times of life. How proud we are, as parents, when a child is "smart" or "cute," when his personality comes shining through. Ahead are the more serious years, the formative years, when we must by teaching and example show the way and guide the footsteps toward a successful and fruitful life. It is a serious responsibility, one from which no parent may rightfully be excused.

WE CALL IT A Hideaway Water Heater

but not because we're ashamed of it

Electric water heaters have no flames... don't need to be vented to the outside of the home. And this gives them a hideaway story all their own. They can be installed anywhere... in the bath, in the kitchen... hidden away where a great part of the hot water action is... even in the laundry. Ask us about electric water heating for your home.

We sell, service, guarantee, install and finance electric water heaters.
