### HOST PLAINS FRIDAY

## Tigers in First Scrimmage Test

The Slaton Tigers passed their first "test" of the 1971 football season here Friday afternoon, outscoring Levelland by three touchdowns to one in a controlled scrimmage, while unveiling a new offensive attack that featured the passing of two quarterbacks.

Coach Ernie Davis was pleased with the results of the scrimmage, commending his gridgers for hustle and attitude. "We made a lot of mistakes, but the team covered up many of them with their aggressiveness."

Fans were buzzing at the game about the wide-open offensive play of the Tigers, and trying to figure out which players were on the "first" team. There appears to be plenty of competition for positions on the team--a problem a coach likes to have.

Slaton's scoring plays came on a one-yard plunge by senior quarterback Darrell Eastman, a 15-yard pass from Eastman to Lloyd Kitten, and a 10-yard pass from junior quarterback Steve Nieman to split end Leslie Melcher.

Eastman hit 8 passes for 151 yards, and Nieman connected on 6 for 71 yards. Eastman hit end Brad Lamb with a 56-yard bomb to set up the first Slaton score. Longest ground gainers were two 20-yard scampers by Nieman.

Halfback Tommy Walters was a "surprise" in the running attack, leading the way with 61 yards on 9 carries. Nieman was next with 56 yards on 7 trips with the ball. Junior halfback Ron Bartley picked up 20 yards in 8 tries. The Tigers had about

222 yards passing and 218 rushing in the scrimmage.

Levelland's only "score" came on a 70-yard pass play against the second defensive unit. Levelland's wishbone attack gouged out some yardage on the ground, but the Tigers halted every drive. The visitors were plagued with fumbles in the scrimmage.

Flanker-back Tony Martin led the pass receivers for Slaton, pulling in four catches for 62 yards. Four others caught two passes each--Lama, Lloyd Kitten, Floyd Kitten and Leslie Melcher. Randy Davis and Dennis Hamer nabbed the other two passes.

Defensive honors were fairly evenly divided in the scrimmage with tackles Dwayne Burkemper, Curt Woolever, Bobby Hopper and Willie Freeman showing fine potential. Ends Gary Dillard and Steve Mosser, and linebacker Ron Bartley also had some standout plays.

In the secondary, Randy Davis and Floyd Kitten turned in pass interceptions for Slaton.

Slaton's junior varsity opened the scrimmage by taking on the big Lobo reserves. The Tiger JV held their own on defense, but couldn't get the offense cranked up. With quarterback J. Ray Basinger injured in practice and sidelined, the junior varsity is looking for another signal caller.

Gary Burton and Ray Lynn Basinger divided time at the man-under post in the scrimmage. George Whaley broke loose on one long run for the Tigers to provide the only offensive spark during the session.

### Traffic Flow At West Ward Given by Chief

A word of caution, and an appeal for cooperation, was issued this week by Police Chief Glen Farmer concerning traffic safety at West Ward School.

In discussing the situation with Principal T. C. Martin, the police chief said all motorists are asked to let their children out of vehicles next to the curb of the school property.

"In other words," said Farmer, "motorists should drive east on Lubbock street or west on Scurry street." He also urged parents to move in an orderly fashion in the traffic.

The police chief requested parents not to put their children out across the street from the school property. "We are primarily interested in the safety of your children, and we believe this method can best achieve those ends," the police chief said.

Farmer also reminded citizens of a new state law which no longer permits motorists to stop and then pass a school bus which is loading or unloading children.

Motorists, passing in either direction on the same roadway as the bus, are required to stop and remain stopped as long as visual signals (flasher lights) are operating on the bus. The motorist cannot proceed until the bus is in motion, the signal lights are no longer actuated, or the bus driver signals for the motorist to pass.

## Charter Granted for Hospital Foundation, Cost Study Set

A charter has been issued by the State of Texas to Slaton Hospital Memorial Foundation, Inc., it was announced this week.

The foundation was chartered as a non-profit community organization to operate Mercy Hospital.

Bill Sewell, chairman of the steering group named to obtain a charter, said Wednesday that "action will immediately get underway to determine the repairs and modernization needed at the hospital." The study will include estimated

costs involved and the manner which to finance the work.

The Board of Governors met Tuesday night to discuss the next steps to be taken before a transfer of the hospital facilities is accomplished. The articles of incorporation listed 14 men to the Board of Governors.

The original board includes: Bill Sewell, Bill Adams, Earl Bartley, Alex Bedmarz, V.G. Browning, B. B. Castleberry, M. G. Davis, Robert H. Davis, Howard Hoffman, Don Kendrick, J. C. McClesky, Dee Bowman, T. J. Wallace, and Joe Walker Jr.

The property now owned by the hospital, with the exception of the convent. The Sisters are presenting the property at no cost to the community. It also calls for the Sisters to remain on duty at the hospital for an indefinite period.

### Work Underway On Stock Barn

Preliminary work on a community stock show building has started in northwest Slaton under the supervision of the agriculture committee of Slaton Chamber of Commerce.

Site of the project is on 20th street, on the southwest corner of the Babe Ruth baseball park. Milt Ardrey and Jay Gray, co-chairmen of the agriculture committee, said plans call for a steel building about 50 by 100 feet.

Volunteer workers helped to haul dirt to the site Monday to provide a "fill" for the area. Levelling of the plot has been started.

C of C directors voted in July to support and underwrite the building project. Estimated cost of the structure is \$11,500. Slaton School Board voted to provide the land for the building.

The agriculture committee hopes to have the building ready for use this fall. The Chamber is soliciting help from interested citizens and civic groups in the project. It was pointed out that the structure is planned to be adaptable for several uses, other than stock shows.

Sewell had announced previously that the Board of Governors will be composed of individuals who contribute \$100 or more to the Foundation. The steering group has discussed financial goals, but none has been determined as yet.

The citizens' steering committee was formed after the Sisters of Mercy earlier this year offered the hospital to the community. The Sisters explained that a shortage of personnel and resources made it impossible to "make a long-range commitment to the community." The Mercy Hospital Advisory Board and Slaton Chamber of Commerce initiated the steering group.

The articles of incorporation provide that no capital stock will be issued, that no person or members shall derive any profit from its operation, and that the foundation will be operated on a non-profit basis.

Stated purpose of the corporation is: "The acquisition, erection, maintenance and operation of a benevolent, charitable, scientific and educational hospital in the City of Slaton."

The agreement being worked out with the Sisters calls for the foundation to receive all of

### Farmers Welcome Dry Weather

A "beautiful, dry southwest-erly wind" was in the weather spotlight this past week in the Slaton area.

After three weeks of thunderstorms and soaking rainfalls, farmers and area residents welcomed the dry, windy weather the past few days. It's just what the farmers need, so that crops can mature in the dry, warm weather.

The soaking rains have raised crop prospects for the area, with bumper yields expected if the weather cooperates for the remainder of the season. Cotton farmers will be hoping for a late freeze so that maximum yields can be realized.

Temperatures the past week ranged from 63 to 92 degrees. Highs were around the 90-degree mark most of the week while the lows ranged from 63 to 68.

It takes from 50 to 100 years to produce a tree large enough for lumber.

## City Police Capture 7 In Three Burglary Tries

Slaton police apprehended seven burglary suspects the past week, nabbing five in the act and nailing another after stopping him on a traffic violation.

Police, while on routine patrol, discovered a break-in at Earl's Grocery Sunday night and apprehended three suspects in the store at 2nd and Geneva streets. Burglars tripped an alarm at Slaton Golf Course Saturday night, and police arrested two suspects at the scene.

Stolen goods were seen in a pickup when a man was stopped on a traffic violation at 2:50 a.m. Aug. 21, and it was later determined the stolen articles came from Ted & Jewel's Garage.

Police Chief Glen Farmer commended his officers for efficient performance in apprehending the burglary suspects during the week.

Charged in the grocery store burglary and transferred to Lubbock were Johnny Ray Dobbins, 18; James Cotton, 20, and Joe Lee Williams, 19. Sgt. Tony Chavez made the arrests, assisted by officers Crabtree, Clark and Quintero.

Police said the three had articles in their pockets and had some boxes stacked with meat, cigarettes and other items ready to carry out from the store. Entry was gained through an air conditioner shaft.

Two of the suspects in the golf course burglary were juveniles, 15 and 16-years-old. Facing burglary charges as an adult was Mike Maldonado, 17. Police said the suspects broke into the golf cart barn on Aug.

24, taking out the electric carts and "banging them into each other" and tearing up one of the greens. One suspect was apprehended later after police found a billfold at the scene.

Then, reported police, the other two suspects returned to the golf course and broke in again Saturday night. An

### Tiger Club Meets Monday

Slaton Tiger Club will hold its regular weekly meeting again Monday morning, it was announced this week by Pat Taylor, president.

The booster club meets at 7 a.m. in the Community Room of the Slaton Chamber of Commerce building. Coffee and donuts are served.

Taylor said all men interested in joining the club are invited to attend the meeting. Membership is \$5. A movie of the scrimmage session with Plains will be shown at the next meeting. Slaton will scrimmage Plains here Friday afternoon.

NEW PARK -- NEW SIGN -- Land in the west part of Slaton was donated by the Russell Estate for a city park, and members of the beautification committee of the Slaton Chamber of Commerce went to work, along with city employees and others. The grass has been planted and is already spreading, it has been curbed and just this week a sign was being erected facing 22nd Street. A brick planter box with flowers in it will be designed around the white steel sign pictured. Trees will be planted in the park this winter. Pictured with the new sign are three members of the beautification committee, Jonas Cain, chairman, Mrs. Bill Smith and Mrs. E. C. Davidson. (SLATONITE PHOTO)

## CofC Women Discuss Projects, Goals

Twenty-one members of the Women's Division of the Slaton Chamber of Commerce met last Thursday night in the C of C conference room to hear a report from its president, Mrs. Bob Hopper, and ask questions about the organization. Members were asked to bring guests.

The coffee gave members an opportunity to visit with each other and discuss the goals of the organization. Also, directors took nominations for the Board of Directors. Five directors will be elected soon, according to Mrs. Hopper.

Mrs. Hopper reported that the organization has 10 committees. Each had a goal to work toward. "Some failed, some started and some succeeded," she said.

So far this year, the Women's Chamber has sponsored a newcomer's tea, an art show which was a tremendous success and a trip to see "Texas" with 70 making the trip. Several members also volunteered their time working on a labor survey.

The beautification committee has been one of the more active committees. It made signs and painted barrels which were placed around town for trash. It started a drive for new street signs and now has over \$300 in the fund, and it distributed flower seeds to elementary children, along with other projects. Another active committee has been the education committee.

Mrs. Hopper reported that

a tour of homes at Christmas time has been planned.

Chairmen of the various committees include: Newcomer welcoming -- Mmes. Dick Hartman and Don Sikes; beautification -- Mrs. Tommy Wallace; rest room facilities at Babe Ruth and Little League Ball parks -- Mrs. Wayne Edwards; Day Care Center -- Mrs. Dee Bowman; Youth Center -- Mmes. Roy Poage and Jake Wendel; United Fund -- Mrs. Johnnie Moore; education -- Mrs. Steve Smith; trip -- Mrs. Tommy Davis; art exhibit -- Mmes. Harley Martin and Ed Moseley; and Christmas promotion -- Mrs. Bob Hopper.

The board of directors meets at 1 p.m. the first Wednesday of each month in the C of C conference room. All members are invited to attend the meetings.

### Family Barbecue Held

Mrs. Willie Bursleson had a barbecue dinner and "42" party Sunday honoring her brother, Seth Stepp of El Paso. He has been in the Robert Lee Hospital for three months with a broken hip.

Attending the party were Mr. and Mrs. Jackie Bursleson, Jody, Corky and Sherry, Mr. and Mrs. Sammy Gentry and Carla, Joe Bursleson and Mr. and Mrs. Noel Oats.

The discovery of dynamite enabled Nobel to endow the famous Nobel prize.

## Anniversary Observed

Mr. and Mrs. W. H. Bartlett were honored on their 55th wedding anniversary Sunday afternoon with a family get-together in Mackenzie Park in Lubbock.

Their children and grandchildren served the evening meal followed by cake for the occasion.

Attending were Mr. and Mrs. Dub Bartlett of Muleshoe, Mr. and Mrs. Otis Bartlett and Mark of Carlsbad, N.M., Mr. and Mrs. Billy Joe Bartlett, Debbie and Brenda of New Deal, Mr. and Mrs. Tommy Hall, Cindy, Tammie, Debbie, and Terrie of Muleshoe, Mr. and Mrs. Clyde Bartlett, Tim, Ladon, and Todd of Fortales, Mr. and Mrs. Ronnie Elliott, Bart and Tracy of Lazbuddy, and Jimmy Bartlett of Slaton.

Two daughters unable to attend were Mrs. Pete Rhoads of Slaton and Mrs. Darrell Baugh of Eustis, Fla.

## Senior Citizens Club Meets

The Senior Citizens Club met Friday in the Club House with 26 members present. Rev. Delma Luedke, pastor of Grace Lutheran Church brought the devotional before the noon meal.

The group played dominoes and "42".

Mrs. Eunice Hazelwood is a patient at West Texas Hospital in Lubbock after undergoing surgery there last week.

The club was sorry to lose two members in death, Mrs. Champton and Ross Barron.

## VFW Auxiliary News Report

The Ladies Auxiliary to V.F.W. Post #6721 will present "Fashions U.S.A." Sept. 19th, at 2 p.m. at the VFW Hall. The Narrator will be Wanda Hutto of the Sanders Fashion Center. Tickets may be obtained from an Auxiliary member or at the door. Adults \$1.00 and Students 50¢. Proceeds from this show will go toward Community Service Work. Door prizes donated by the Slaton Merchants will be given to the winning tickets, and you need not be present to win. So come one come all.

The Ladies Auxiliary president, Louise Corson attended the National Convention recently in Dallas. She had the privilege to hear President Nixon's speech. Governor Wallace of Alabama was presented a check for \$10,000 by the Ladies Auxiliary for the Hospital he is building in memory of his late wife Lurienne. The check will be used toward Cancer Aid and Research. The Auxiliary presented another check for \$10,000 to the Medical Division of the University of Texas at Dallas for Cancer Aid and Research. She also saw John Wayne, Hubert Humphrey, Olin 'Tiger' Teague, and heard Ben Barnes speak.

The Post and Auxiliary traveled to Big Spring, Aug. 26 for their annual visit to the Big Spring Veterans Hospital. Those members going from Slaton were Mr. and Mrs. Delmer Tucker, Commander and Mrs. Travis Mann, President Louise Corson, Mrs. Kay Lawson, Leona Lamb, Miss Kathie Mann and a visitor, Mrs. Janis Boatman. They were met at the Hospital by Bobby Altman of Levelland, who is District #7 Hospital Chairman. Some fifty-two patients were entertained by the Post with Bingo, then the Ladies served refreshments of cake, cup cakes, punch, and coffee.

The group took 1,842 hand books, 279 pair of old hose for therapy treatment, and several items for the Gift Shop.

## ADMINISTRATOR AT NURSING HOME Slaton Woman Named To Post

Take a personable, always-smiling, sweet, understanding, efficient widow who has raised two children and is raising a little girl who is miraculously living after being severely burned -- add to that a strong religion, a love and care for people -- and the fact that she is a native Slatonite -- and you have some of the features of the new administrator at Slaton Nursing Home.

Mrs. Bobbie Greer, 44, was named to her new position last week by the Rev. L. D. Cramer and the Board of Directors of Challenge Homes. Home office for Challenge Homes is Glenwood, Minn.

Mrs. Greer replaces Mrs. Vada Wojtek after Mrs. Wojtek was appointed administrator at Colonial Acres Nursing Home in Dallas. She held the position here for about six months.

Mrs. Greer has been attending classes at South Plains College in Levelland on Saturdays taking a course in Administration for Nursing Homes, and will complete the course in October.

"I'm not sure I took over as administrator at a very good time", she said. "With the new Vendor Drug Program recently required by law, all new forms have to be filled out on patients". She had been employed by the home as social and activity director for quite sometime and Mrs. Bobbie Hogue has been named to that position. Rev. Vernon Baggary is acting as assistant administrator.

Slaton Nursing Home employs 32 and now has 55 residents. It is a 60-bed home. "We are blessed with employees who love their work and the residents here," she said.

"A lot of people think working at a rest home is depressing, but I find it most fulfilling and feel a satisfaction at the end of each day that I have accomplished something."

"I really love people and with this job, I come in contact with a lot of them." "I've always enjoyed doing church

work and to me this kinda falls under that category".

She has been a member of the Church of Christ since she was 12 years old and has always been very active. She has been teaching a Wednesday night class of fourth graders for several years but recently gave it up.

Born on a farm near Slaton, she is the daughter of Charlie Biggs and the late Mrs. Biggs. She graduated from Slaton High School in 1945 and attended business college.

Two children were born during her first marriage to Malcolm Mosely, who died in 1956. They are Mrs. Hugh (Janice) Forehand of Nashville, Tenn.

Miss Eva Nanette Smith and Dennis Steve Baxter exchanged double ring wedding vows at 8 p.m. Friday in Sweet Street Baptist Church Taboka. The Rev. J. R. Church minister of Western Hills Baptist Church in Lubbock, officiated.

Parents of the bride are Mr. and Mrs. Harold E. Smith of 5316 19th St., Lubbock. Baxter is the son of Mrs. L.M. Hary of Anton.

Presented in marriage by her father, the bride wore a formal gown of chantilace fitted at the waist and fashioned with a sabrina neckline and bouffant skirt.

She was attended by Miss Aleta Powers, maid of honor; and her sister, Mrs. Roy Stice of Levelland, matron of honor. Miss Tresa Smith of Lubbock and Miss Brenda DaValle of Chicago, Ill., were bridesmaids.

They wore formal gowns of pink bonded lace, fashioned with empire waistlines, and short puff sleeves.

Melton Frazier of Lubbock was best man. Groomsman were Joe Hansard of Brownfield, Roger Johnson of Lubbock and Kenneth Corley of Wilson. James Rhodes of New Deal, Danny Tilley of Wilson and Bill Tubertfield of Lubbock were ushers.

The couple was honored with a reception in the church, before leaving on a wedding trip to Carlisbad, N.M. They will reside at 4702 4th St., Lubbock.

Mrs. Baxter attended Coronado High School and formerly was employed at Bender Terrace Nursing Home. Baxter is a 1969 graduate of Ropesville High School and employed by Dickey-Frazier Lumber Co.

Kenneth Winchester Is Wichita State Graduate

Kenneth Winchester graduated from Wichita State University this summer with a BA in Education. He has a major in history, and minors in English and education. Wichita State is located in Wichita, Kansas, and has an enrollment of slightly more than 13,000.

Winchester is now entering Southwestern Baptist Theological Seminary in Fort Worth. He is the son of Mr. and Mrs. A. W. Latham of Slaton and is a 1967 graduate of Slaton High School. He is married to the former Jane Tefertiller of Slaton.

BAKE SALE

The Slaton High varsity cheerleaders will sponsor a bake sale Saturday at Piggly Wiggly and Slaton Pharmacy beginning at 9 a.m.

After a marriage has lasted almost 20 years, you'd think a husband would have learned by now how to "whip up" a meal and get it on the table without any trouble. Seems I failed somewhere along the way, cause about the only thing Speedy's good for in the kitchen is to make a pot of coffee . . . and wash the dishes if I'm sickly.

While I was feeling good early Sunday morning, I put on a pot of blackeyed peas, fixed corn on the cob ready to boil, cut up the okra and had it all ready to fry and knew I could finish lunch pretty fast by cooking the pork chops on the electric barbecue grill outside.

After leaving for Sunday School and church, the "bug" hit me and it was up to Speedy and the boys to get lunch on the table. They skipped the okra (they don't care for it anyway), and when they finally got everything on the table, they commented, "how does a woman always get everything ready at the same time?"

Margret Bartley, who writes a column "Foot Notes" in THE SLATONITE on alternate weeks from Woman's Whirl, is planning on attending the opening performance of "They Came From Spain" tonight at Palo Duro Canyon. Maybe she'll have some comment on it in next week's column.

Merle King's column, "From Where I Stand", is missing from THE SLATONITE this week. She was too busy getting daughter, Debbie, started to college.

But a new column appears this week which should interest parents and students from junior high. "Junior High Jottings" will probably be written by different students each week, according to English teacher Mrs. Newma Carnes. It's hard to keep up with the news at the various schools and this, as well as the forthcoming "Tigers Cage" from Slaton High will help keep us all informed better.

It seems more and more youth are reading newspapers. Right here in Slaton "The Living Textbook" is being used daily at Slaton Junior High School in English classes.

According to a survey released by the Bureau of Advertising reveals that youths (14-25) use newspapers for news and information as much as their elders. They absorb advertising as well as the editorial content. As they grow up they read newspapers more, watch television less; more responsible and mature young people are most likely to read the newspaper on any given day. The study reaffirmed that the most highly educated, the doers and achievers have always shown the greatest orientation to print.

We were glad to see the "Billboard for coming events" was brought up to date this week in front of Slaton High. The fact that it wasn't changed the last semester of school last year "bugged" me and we're glad to see some students have taken an interest in it this year.

Mr. and Mrs. Carter Caldwell, owners of The Gift Gallery, were in Dallas all last week attending market, mostly for the holiday season.

They were pleased to find the trend back toward the basic wardrobe. They said the basic tailored look was shown in nearly everything except the smock for juniors. There were no extremes in lengths shown except the slinky after-five dresses.

It was suggested by the personnel there to attain the 'exceptional' look by wearing high fashion colors.

Fiesta '71 Bazaar Slated

Everyone is invited to attend the gala Fiesta '71 Bazaar on the K.N. Clapp Park grounds around the Garden & Arts Center in Lubbock, 4215 University Ave., Sept. 10-11.

Hours for the "fun fair" are 12 noon to 9 p.m. Friday and 8 a.m. to 5 p.m. Saturday. Free entertainment for Friday will feature Flyte, Cecil Caldwell's Western Band, LCC Singers, Indian dances, Lubbock karate club, and Sweet Adelines.

On Saturday, entertainment will include Ponton the Magician, Mexican dances by children, Barbershoppers - Singing Plainmen and Lubbock Civic Ballet. Various demonstrations will also be given. The new Chrysanthemum - in - Art and South Plains Circuit Shows will be presented in the Center auditorium, together with "live art."

Sales booths on the Center grounds, rented by cultural, civic and hobby organizations and individuals, will present an opportunity to buy unique gifts. Available will be paintings, drawings, prints, pottery, ceramics, sculpture, wood carvings, tile paintings, decoupage, picture frames, hand-sewn items, hobby supplies, antiques, Americana, used books, food items and many other offerings. Meals, drinks and snacks will be on hand.

Twenty percent of all proceeds will go to the Center Development Fund for needed equipment and expansion. Portions received by clubs will go for various projects for the benefit of the community.

Nursing Home News

Mrs. Bobbie Greer has been appointed this week as new administrator of the Slaton Nursing Home. Vada Wojteck (former administrator) has accepted the position as administrator of Colonial Acres in Dallas.

Newcomers to the home recently are Ira Crooks, John Carter, Mrs. Mary Schwegler, and C. L. Bassinger.

We are beginning crafts this week and Bingo. Crafts will be held on Tuesdays and Thursdays, and Bingo will be on Mondays and Fridays.

Anyone wishing to come out on these days at 2:30 are welcome to join us in helping with these weekly activities. Until next week; your Nursing Home reporter, . . . . Bobbie Hogue.

"SEW IT WITH COTTON" Contest Planned Sept. 21 By County Women's Cotton Promotion Association

The Lubbock County Women's Cotton Promotion Association has announced that the annual "Sew it with Cotton" Contest will be held Sept. 21 at 7:30 p.m. in the Municipal Garden and Arts Center at 42nd and University in Lubbock.

This contest is not limited to Cotton Club or Cotton Promotion Association members. Professional seamstresses may not enter. This included currently employed Home Economics Instructors, and Home Demonstration Agents and the like. Women who sew for the public are not considered professionals and may enter garments for themselves, or may make garments for others.

The first place winners in each category from each county contest will be entered in the district contest to be held in Brownfield in October.

The general rules for the contest state that seamstresses must be at least 9 years old by the date of the contest. An original design or commercial pattern may be used. Items must be made especially for this contest. If the garment has been judged in a prior contest, it is not acceptable. Each model can enter only two garments, and the model gets any prize awarded for the garment.

Materials must be 100% domestic or imported cotton, and all parts of the outer garments except trimming must be 100% cotton. Linings and facings may be any choice of fabric.

Cottons bonded to synthetics are not allowed, and no portion of an ensemble may be bought readymade.

Bought accessories, including belts, dummies, scarves, detachable collars and cuffs, that are not permanently attached to the garment may be brought ready-made.

Garments will be judged on appearance, suitability of style, fabric and color to model, and suitability of the chosen fabric to the style. Other factors will be eye appeal, and detailed workmanship will be considered in case of a tie. The contestants modeling ability will not be judged. First, second and third prizes will be given in each category.

Garments in the first six categories may be made by any qualified seamstress, but Junior Miss and Teen time garments must be modeled by the seamstress.

Divisions of judging include:

Working Women - Four out of every 10 married women are working outside the home.

LOLLIPOP - boys and girls, ages 1 thru 5, better dress clothes.

SUGAR PLUM & LITTLE ESQUIRE - boys and girls, ages 6 thru 12, better dress clothes.

SPORTS - ages 13 and over... short suits, pant dresses, pant and tops, western suits. (Party pants not included)

SCHOOL TIME - ages 6 thru 12... school dress, pant dress or pant suit with long pants.

AT HOME WEAR - Models age 6 and over (child through adult) garments not worn outside the home which can be decently modeled, includes coffee coats, robes, hostess pajamas and sleep wear.

FASHION TIME - models, ages 18 and over... better dresses, suits or ensembles.

**Southland News**

BY TOMMIE WILKE

Hello newspaper friends, I am writing this on Monday and it is a beautiful day here in Southland. Hope it is equally nice wherever you are!

We extend our deepest sympathies to the family of Mrs. Otto Klaus who died Saturday morning at 4:20 after a lengthy illness. Her memorial services were held in the Wilson St. John's Lutheran Church on Monday morning with burial in the Southland Cemetery. She is survived by her husband; two sons, Werner of Wilson and Calvin of Slaton; six grandchildren and four great-grand-

children and a host of other relatives and friends. Mrs. Klaus was a long-time resident of the Southland community and was 79 years old at the time of her death. May God comfort her family in their time of sorrow.

Mr. and Mrs. H. C. Dunn and Jackie spent the week-end at Possum Kingdom Lake along with E. L. Dunn from Dallas.

Mr. and Mrs. Herman Havis attended the Old Settler's Reunion at Roaring Springs last week.

Stacy Callaway fell off a horse last week and broke her collarbone. We're sorry Stacy, but you be careful now and everything will be alright.

Monday, August 30--Happy Birthday to Mrs. M. A. Dunn. Breonne Winterrowd, who is a student at W.T.S., was home over the week-end visiting with her mother, Mrs. Paul Winterrowd and brother, Jerry.

Leo, Roy, Walter, Arthur and Edmund Stolle went to Wharton over the week-end to attend the funeral of one of their aunts.

Mr. and Mrs. D. D. Pennell went to Cloudercroft, New Mexico, recently and spent the week-end with the Caravan Camper's Club.

So long for another week, but before I go, here is something I want to leave with you, "Freedom rests, and always will, on individual responsibility, individual integrity, in individual effort, individual courage, and individual religious faith."

**NEW TEACHERS**  
New teachers in Slaton JHS this year are all teachers who have taught in other schools. Mrs. Margaret Smith, originally from San Antonio, last year taught 8th grade Language Arts in Dallas, and is now teaching 6th Language Arts and 7-8th Reading.

Mrs. Diana Guthelz taught 7th grade English in Austin last year and is teaching 8th Math now. Mrs. Guthelz is originally from Slaton, her name before she married was Shafer.

Mr. Howard Wright has taken the job of teaching the JHS and HS chairs and 6, 7, 8th grade music. Mr. Wright, originally from Henderson, has taught D.E. in Slaton.

Mr. Raymond Wood, formerly 7-8th Math and JHS coach in Slaton, has moved to the position of Junior High Counselor. Mr. Charles Hearn has 8th grade Science classes and 7th Football.

Mr. Manuel Rodriguez is teaching 6th Geography and 7th Texas History.

Mrs. Mickey Miles, formerly of Southland, now is teaching 7th Math.

Mrs. Marlene Mullen is currently teaching Music at JHS and Stephen F.

Mrs. Sue Dodson is substituting for Mrs. Almarine Childers who has had hip surgery.

Mrs. Elizabeth Smith is substituting for the special education teacher.

**FAIR**  
It's that time again--South Plains Fair time, when the Fair comes to Lubbock. The Slaton school students should get free tickets as always. Slaton Schools will have classes from 8 a.m. to 1 p.m. in order to go to the Fair Monday, Sept. 27. Main attractions at the Fair are Tennessee Ernie Ford, a Mexican variety show, and Merl Haggard.

**NEW SKILLS IN BAND**  
The JHS 7th-8th grade band class is learning the basics of how to march and began playing Monday. Because marching instruction is new this year, many humorous mistakes are being made! Also--have you ever tried marching on a slick floor with slick shoe soles?! "A MUSING"

Be proud of your Slaton Junior High School! Just think if it weren't for JHS, what would happen between Elementary and High School?!

**A WORD OF THANKS**  
We were pleasantly surprised on Thursday by the arrival of the copies of The Slatonite for our 8th grade Language Arts classes. We'd like to say THANKS to the Niemanns.

**Thought For Food**

Separate one medium head cauliflower, cooked into a shallow baking dish. Blend 1 can condensed Cheddar cheese soup and 1/4 cup milk; pour over cauliflower. Top with 1/4 cup buttered bread crumbs and a sprinkling of paprika. Bake at 350 degrees F. for 30 minutes. Serves 6 to 8.

Most meats for roasting are placed on a rack in an open, shallow pan. The single exception may be a beef standing rib roast since the bones usually form a natural rack for this meat cut. Since these roasts are becoming more compact, or shorter, they may roast more easily when supported on a rack.

**SPEC Meeting Set Sept. 14**

Bill Sarpalius, student at Texas Tech University and past president of Future Farmers of Texas, will deliver the principal address at the Annual Membership Meeting of the South Plains Electric Cooperative, Inc. to be held Tuesday, September 14, at 6 p.m. in the Lubbock Municipal Coliseum.

Bill is one of the most dynamic young speakers of our time. He is one who holds your attention with a message of decency and respect - spiced with just the right amount of humor. Although in his early twenties, he is mature and experienced in oratory and always delivers an impressive message.

Bill left a broken home at the age of twelve and lived at Cal Farley's Boys Ranch for several years. He has served as state president of the Future Farmers of America and president of the student body at Clarendon College.

**Plains Cotton Growers Meets Noon Tuesday**

Lubbock County cotton producers and agrusinessmen will elect a businessman director to Plains Cotton Growers, Inc. at a 12:00 noon luncheon meeting on Tuesday, September 7 at Underwood's Cafeteria, 711-34th Street, Lubbock.

Announcement of the election comes from W. B. Criswell of Idalou, Lubbock County producer director to the 25-county commodity organization, and Jim Ed Waller of Lubbock, current businessman director. Each of the counties in PGC territory has two directors, one a businessman and the other a cotton producer. They serve two year terms, with businessmen elected on odd years and producers on even years. Each is eligible for re-election every second year.

Criswell and Waller said all interested parties are urged to attend, and that both farmers and businessmen are eligible to vote in the election.

In addition to the election, Criswell said a member of the PGC staff will be on hand "to bring us up to date on cotton activities and to answer any questions concerning the organization's objectives." He added "directors to PGC are the men who determine the organization's policies and actions on legislation, research, promotion, finances and other matters so vital to the cotton economy of Lubbock County, and all cotton people should make an effort to be on hand for this election."

**Need Breakfast**  
Without breakfast, it is unlikely that a person will get all of the essential nutrients needed each day. Studies indicate that breakfast skippers seldom, if ever, get the recommended amounts of Vitamin C, calcium, iron or thiamin.

**Wendel Named Dealer of Month By North Texas Retail Group**

Jake Wendel of Slaton, owner and manager of Wendel's TV & Appliance Slaton and Lubbock, has been named "Dealer of the Month" by the North Texas Retail -- a business paper for retail home goods dealers in the northern half of the state.

Wendel credits part of his success to huge displays in his stores. "We stress that we have a display of everything our manufacturers offer," he pointed out.

Another prime factor in Wendel's success is advertising. "We feel consistent advertising and good service are most important," Wendel stated. "We confine most of our ads to newspapers, but we do some radio and TV tie-ins with factory and distributor promotions."

Still other factors are competitive prices and outstanding service. Wendel said he is proud of the fact that "customers tell other consumers they received good prices and service

when they dealt with us". The article in the business paper points out that the firm has a slogan, "The South-west's largest exclusive RCA and Whirlpool Supermarket", adding that it's little wonder the Wendel firms do a brisk business.

Wendel began studying electronics when he was in the Army and decided to get into the business when he returned to civilian life in 1954. He started on a part-time basis and went to full-time tv service work in 1960. He moved out of his garage and into a shop at 109 S. 9th St., starting with a 25 by 90-foot location.

Wendel continued to move forward in his business and purchased the building next door to double his floor space. Then, in 1966, he decided to open a

store in Lubbock. While both stores well, he later moved into one large building at 34th St. in Lubbock.

The stores in Lubbock both have large inventories which are expert and efficient. Mohon, Slaton and two men named Gaydos and Papp recently attended pool's technical school at Harbor, Mass. with the Slaton firm.

Wendel is married to former Patsy Lynn. They have three children, Lynn, Dana and Mike. He is active in church and is a director of the Rotary Club of Slaton.

**Credit Extended Rural**

J. Lynn Futch, Texas State Director of the Farmers Home Administration, announced here today that the agency extended credit to rural Texans in the amount of \$155,456,817 during the 1971 fiscal year ending June 30, 1971.

This credit was furnished farmers and rural residents through the many loan programs administered by the agency with rural housing leading the way with \$72,302,453. Loans for community services facilities such as rural water systems and sewer systems totaled \$24,205,192.

Futch said the agency is pleased that the able decrease in the loss of loans compared to previous years. In 1970, the agency's losses were \$1.4 million, compared to \$1.1 million in 1971.

The teal duck Sept. 11 and closes Sept. 19. deals is four per day and eight after the second day during her season only. Hunting hours half hour before sunrise to count 10 points in the regular season in the Texas Panhandle 25. In the Trans-Pecos season extends October 2- both places the limit is one an-

elope per day on special permit only. An extension is provided on the sandhill crane season, from Oct. 30 to Jan. 30 in the western zone, an increase from 72 days last year to 93 days; and from Dec. 4 to Jan. 4 in the eastern zone, up from 37 days to 58 days. Limits are three daily and six in possession. Pheasant season opens Dec. 11 and closes Dec. 19, with two a day the bag limit with four in possession after the second day. Head and feet of the pheasants must be attached to the carcass.

Prairie chicken season is Oct. 16 and 17 in Hockley, Terry, Yoakum, Cochran, Hemphill, Collingsworth, Donley, Gray, Limpson, Ochiltree, Roberts and Wheeler Counties. Prairie chicken bag limit is two a day and four in possession.

# Those Dove Guns!

Those dove hunters busily unplugging their shotguns for the season had better take another look at the law, according to Parks and Wildlife Department officials. When the Parks and Wildlife Commission removed the three-bird limit on shotguns, they did it only for non-migratory birds such as quail and turkey. Migratory birds, and these include both mourning and white-winged doves, can be legally hunted with shotguns only if the shotguns are permanently plugged to hold three shells. Other migratory birds in Texas are ducks, geese, brant, coots, rails, stilts, jacksnipe, woodcock and sandhill cranes. "We've had some reports that dove hunters are happily anticipating the coming dove season because they can do more unplugging with unplugged guns," said James U. Cross, executive director of the department. "These hunters have obviously misinterpreted the law," he said.

FLANKER Tony Martin was all alone for this pass reception in the Friday scrimmage against Levelland.

# McAlister Plans To Run Again

R. B. "Mac" McAlister announced Saturday his intentions to seek re-election as state representative from Lubbock in the 1972 election. The exact district from which he will run will not be determined until the Supreme Court of Texas rules on the appeal concerning recent redistricting legislation. At present, McAlister, Delwyn Jones and Elmer Tarbox represent Hockley, Lubbock and Terry counties. The Lubbock representative said in a formal statement, "There is much work to be done in the interim preceding the 63rd session, and I believe my efforts will be much more effective if my friends understand without question my desire to follow through on the many programs now pending and in the planning stage."

# Registration Begins For PP&K Competition

Local boys, ages eight through 13, will soon be loosening up their throwing arms and kicking legs for the 1971 Punt, Pass & Kick competition. This year the local level of PP&K will be co-sponsored by the Slaton Lions Club and Smith-Ford Inc. Nationally PP&K, now in its 11th year, is co-sponsored by the National Football League and the Ford Dealers of America. Since it was started in 1961, the program has attracted nearly 7.3 million boys, ages eight through 13, and participation this year is expected to top the 1 million mark for the fourth year in a row. Participants in the Punt, Pass & Kick program compete only against boys their own age. Any boy eight through 13 years of age may register to compete at Smith-Ford, Inc. There is no entrance fee and no body contact during competition. No special equipment is needed and participation does not impair a boy's amateur standing. Scoring is based on accuracy and range with one point added for every foot of punting, passing and kicking distance and a point subtracted for every foot off a center line. Twelve national finalists will compete for the national championships in their age group during the half time of the Super Bowl Game in New Orleans January 16, 1972. Winners will have their names permanently enshrined in the Pro Football Hall of Fame in Canton, Ohio. Their trophies will be presented by Football Commissioner Pete Rozelle. Boys, accompanied by a parent or guardian, may register for PP&K at Smith-Ford Inc. by Oct. 1. This year's competition will be held at Tiger Practice Field on Saturday, Oct. 2 at 9:30 a.m.

# Miles Gets Army Award

J. Allen Miles, Sp. 4, has been awarded the Army Commendation Medal while serving at the U.S. Army Missile Command, Redstone Arsenal, Ala. Miles, son of Mr. and Mrs. Joe Miles of Slaton, received the award for "exceptionally meritorious service" while assigned as admissions and dispositions clerk of the Army Medical Department Activity at Redstone Arsenal.

The commendation further stated that "Specialist Miles processed hundreds of patients in a pleasant, timely, and efficient manner. In addition to his primary duties, he served as assistant to the Medical Services Accountable Officer, assistant custodian of the Patients' Trust Fund, and as counselor for matters pertaining to the Civilian Health and Medical Program for the Uniformed Services."

The commendation concluded: "His knowledge and proficiency in each of these areas was outstanding. His administrative ability and professional dedication contributed substantially to the accomplishment of the medical mission at Redstone Arsenal."

# Troy Railsback

WITH U. S. COMBAT AIR FORCES, Vietnam--Staff Sergeant Troy E. Railsback, son of Mr. and Mrs. B. B. Railsback of Rt. 2, Slaton, Tex., is on duty at Tan Son Nhut AB, Vietnam.

Sergeant Railsback, an administrative specialist, is assigned to a unit of the Pacific Air Forces, headquarters for air operations in Southeast Asia, the Far East and Pacific area.

The sergeant is a graduate of Roosevelt High School. His wife is the former Ulrike I. Schwab.

ITEM: A survey of household meat-eating patterns revealed middle-income families ate about one-half pound of luncheon meat per person weekly, which was more than lower and higher income families consumed. Variety meats such as heart, liver, sweetbreads and tongue were most popular with families at the highest and lowest income levels.

Sergeant First Class Charlie Cockrell, 1901, 28th St. in Lubbock has recently been assigned as the Army Recruiter for Slaton and the surrounding area. A veteran of over sixteen years of Army service, Sergeant Cockrell was assigned to the Lubbock Army Recruiting Zone from Fort Hood, Tex. He has served tours in Germany, Panama, Turkey and Vietnam. He was awarded the Bronze Star and Army Commendation Medal while serving in Vietnam. Sergeant Cockrell announced, that as a result of the new modern voluntary army program, there are many Technical Schools and travel options now guaranteed, that were not previously available. Young men and women interested or desiring information concerning the Army's voluntary enlistment program with written guarantees, may contact Sgt. Cockrell here in Slaton each Thursday, from 10:30 a.m. to 3 p.m. For an appointment, call Collect to Lubbock, 747-3711m Extension 617. After hours and weekends, phone Lubbock, 744-7336 collect.

Expansion In home heating, many contractors report being hired to provide facilities for converted breezeways and finished attics in homes that are almost new. A rapidly growing family creates pressure for more living space and consequently, more plumbing and heating provisions.

**LIVING- AS YOU LIKE IT**  
...and get more from the GOOD YEARS

By Francis Nugent

Here's a note from South Carolina: "I have been retired for several years, and I have enjoyed every moment of it. My problems began only when my wife gave up her part time job. She has worked for many years, saving all of her money for the day when the two of us could "take off and see the world". We talked about it for years, have gathered much information on the cities and countries we would visit. Now, she says she doesn't want to make the trip. She has become almost a full-time babysitter for our grandchildren, so their mother can work, and she (my wife) says we should save the money for future emergencies. I'd like to see a little bit of this big old world and a little less of my grandchildren. I love them, but I am too old and set in my ways to have small ones underfoot all the time. Got any suggestions?"

A grandmother feels responsibility to her children, and grandchildren. Grandmothers are just mothers whose children have children. If the money for the trip was "joint" money -- contributed by both husband and wife, it would be unfair to call the trip off. If grandmother is babysitting in an emergency situation -- because daughter or daughter-in-law must supplement the family income, grandfather should go alone, even if he isn't pleased with the situation.

alarm was tripped and police arrested the other two suspects at the course.

Assistant chief Jeff Creager arrested the suspect on the Ted & Juel's Garage burglary. He stopped a pickup that had no tail lights and noticed six new batteries and other articles in the rear of the vehicle. A coin box from a Coke machine was also in the front seat.

Creager checked with the distributor for the brand of batteries and determined that Ted & Juel was the local dealer. He then confirmed the break-

in at the garage and filed charges against the suspect, Euvel Carter, who gave a Lubbock address.

A car theft at Crawford Chevrolet was discovered after police at Roscoe called to check on a vehicle early Tuesday morning. It was determined the car was missing from the local agency, and three suspects were apprehended in Roscoe and returned to Slaton. The car was believed to have been taken Sunday night.

Police said a 16-year-old boy from Lubbock, who was on probation from Gatesville, was returned to Gatesville for violation of probation. One suspect was a 15-year-old run-away girl, and the other suspect was not held for charges. The girl was turned over to her parents in Lubbock, and will go to juvenile court on auto theft charges.

Police were also investigating the break-in of a house on East Kent street, where K.L.

Scudder reported a table saw and some children's chairs were missing. Police were also checking on the reported theft of a Norwegian Elk Hound from the W.M. Bailey residence, 1040 W. Dickens. He reported an unknown person stole the dog from his backyard Friday.

Two accidents were recorded by police the past week. Cars driven by Claude M. Hodge, Lubbock, and Otho L. Doyle, Slaton, were in a minor collision Tuesday at 9th and Geneva.

The other accident occurred on FM-400 and Industrial Drive at 5:53 last Wednesday. Drivers of the vehicles were Kathryn D. Christopher of Wilson and Rodrigo Rodriguez of Edinburg. No injuries were reported.

**Social Worker Guest Speaker For Rotarians**

Inez Baccum, social worker for the Children's Home of Lubbock, was guest speaker for the regular weekly luncheon meeting of Slaton Rotary Club Thursday at the Community Clubhouse.

Mrs. Baccum outlined the home care and foster care programs which the home is licensed to operate. At present, the home cares for about 85 children, while another 59 are serviced away from the home. "Pointing children upward with love and care" is the motto at the home, and Mrs. Baccum explained that workers attempt to rehabilitate the children with their parents if at all possible. Divorce is a factor in most of the cases, Mrs. Baccum stated. She said a study shows one-third of the children have one or more parents with a serious alcoholism problem. Some have fathers in prison; several have parents who are dope addicts, and some have lost one of the parents.

"We try to give each child who comes our way the best care possible," emphasized Mrs. Baccum. She added, however, that the home "cannot possibly take all children who come our way."

T. J. Wallace was program chairman and introduced the guest speaker. Ansil O'Neal presided over the club meeting with several guests and visiting Rotarians being recognized.

**Home on the range?**

Forebearers of the camel roamed the North American plains 53 million years ago. Some of these proto-camels traveled west to Asia and Africa to become today two-humped Bactrians and one-humped dromedaries. Others went south to the Andes and evolved into llamas.

# Church Women Hear Program on Mercy Hospital

Women of the First Baptist Church were hostesses to the Federated Church Women of Slaton Monday at 9:30 a.m. in the chapel.

William Sewell presented a program on "Mercy Hospital Memorial Foundation of Slaton".

Mrs. William Jones welcomed the ladies to the meeting and the invocation was given by Mrs. Elmer Burns. Mrs. M. L. German read a scripture from the Bible, Luke 10: 30-37.

Murry Vise, music director for First Baptist, sang "Give Me A Vision".

Mrs. E. R. Legg, president, conducted the business meeting and the benediction was given by Mrs. Fred Schmidt.

Refreshments were served. The group's next meeting will be Nov. 29 at 9:30 a.m. at First United Methodist Church.

## Mrs. Otto Klaus, Services Monday

Mrs. Otto Klaus, 79, of Southland died about 4:20 a.m. Saturday in Mercy Hospital after a lengthy illness.

Services were held at 10 a.m. Monday at St. John Lutheran Church of Wilson with the Rev. Louis Balderach, pastor, officiating. Burial was in Southland Cemetery under direction of Englund's.

Mrs. Klaus, a native of Travis County, moved to the Slaton area in 1925 from Balstrup. She is survived by her husband; two sons, Werner of Wilson and Calvin of Slaton; two brothers, Ed Michaelis of Sealy and Bruno Michaelis of Long Beach, Calif.; six grandchildren and four great-grandchildren.

Pallbearers were Ben Wilke, Don Pennell, E. C. Smallwood, Orville Maeker, Reuben Sander and Milton Ehler.

## More Benefits For Widows

"We're closing the gap in social security protection for widows", states John C. Hutton, social security District Manager for Lubbock.

For many years a widow couldn't receive benefits unless she either had a minor child in her care or was 60 years old. Now, a widow between age 50 and 60 can receive benefits if she is suffering from a disabling condition that will keep her from working for one year or longer.

To qualify, the widow's disability must have begun no later than seven years after her husband's death or the date she last received mother's benefits. The widow is not required to have ever worked under social security because her entitlement would be on her husband's record.

The amount of benefits varies from case to case. However, the benefits are reduced for each month of entitlement before the widow reaches age 62. Hutton advises that any one who feels they might qualify for these benefits should contact their nearest social security office right away.

## Slaton Woman's Father Dies..

Funeral services for Willie L. Shirley, 73, father of Mrs. James Gary of Slaton, were conducted at 2 p.m. Monday in Antioch Baptist Church, Lubbock, with Rev. Craig Wilcox, pastor, officiating.

Burial was in City of Lubbock Cemetery.

Shirley, a Lubbock resident since 1949, died Friday morning in Methodist Hospital. He had lived in Clarksville 39 years prior to moving to Lubbock. He was a retired farmer.

Survivors include his wife, Jennie; two sons, C. L. Shirley of El Paso and J. B. Shirley of Lubbock; four sisters and 12 grandchildren.

I would like to thank everyone for the cards, calls, visits, food and prayers during my stay in the hospital and recuperation at home. I would also like to thank Dr. Payne and the Staff at Mercy Hospital for their fine care.

## Ehler Services Held Tuesday

Mrs. Bertha Ehler, 88, of Slaton died early Sunday in Mercy Hospital here following a lengthy illness.

Services were held at 11 a.m. Tuesday in the Slaton Church of Christ with Kenneth Burnett, minister, officiating. Burial followed in Englewood Cemetery directed by Englund's.

Mrs. Ehler moved to the Slaton area in 1921 from Austin. She was a charter member of the Gold Star Mothers of the Veterans of Foreign Wars.

Survivors include a son, E. S. of Santa Rosa, Calif.; two daughters, Mrs. R. N. Canterbury of Hobbs, N.M., and Mrs. Marie Williamson of Slaton; five grandchildren and 10 great-grandchildren.

Pallbearers were Bill Layne, Max Jackson, Bill Sikes, Ben Davis, Ted Melugin and Earl Eblen.

Sometimes our proper education in successful living suffers because we are surrounded by an atmosphere of ignorance and prejudice. In the impressionable years of our youth we tend to imitate the attitude of our elders, unthinkingly, without question. As we grow older, we form attitudes of our own. We learn for ourselves what life is like, what people are like--and we never cease to learn, so long as we live.

## Returns Home After Visit

Charla Kendrick returned to her home in McKenney on Friday after a 10 day visit in Slaton with her grandparents, Mr. and Mrs. Charlie Barnes, and Mr. and Mrs. Mack Kendrick and great-grandparents, Mr. and Mrs. Arvil Cheak.

Charla is the three year old daughter of Mr. and Mrs. Gerald Kendrick, formerly of Slaton.

## SUNDAY'S SERMON

Today, it is not easy always to be a proper Christian. Much that is popular, that is accepted and tolerated, is contrary to the teachings of Christianity. This does not mean, perhaps, that a Christian must be a crusader, must take up a sign and walk in the streets. But the proper Christian will reject actions and ideas which are wrong and which offered God.

The true Christian should stand up for "right" and not, by silence, give support to something which is "wrong." Evil may not be destroyed, yet growth will be severely hindered if men of good will offer unified resistance. It must begin within our individual hearts, in our community, between neighbors. It must reach out and establish a stronger brotherhood between men of all races and creeds.

## Reading Adventure Honor Rolls Displayed in Local Schools

The Summer Undersea Reading Adventure, which began June 1 and ended August 14 at the Slaton Branch of the Lubbock City-County Library ended with 176 area children on the Honor Roll. Over 330 registered in the reading program. Those listed on the honor roll were

Life is a constant process of learning. We learn to crawl, then to walk. As we grow older, we may learn to swim, to ride a bicycle, even fly an airplane. Through training and experience we learn (or fail to learn) how to live in peace and harmony with our fellow man. If we are taught to love and honor, then we have respect for others.

required to read at least 20 books during the 11 weeks of the adventure.

Lists were displayed in the respective schools showing those students completing the project.

Last year's honor roll listed 155 youngsters, with this summer's total gaining 21 members.

Throughout the county, a total of 3,660 boys and girls out of a group of 8,177 earned their place on the roll of honor. Over 6,200 earned membership cards by reading three or more books. 810 more youngsters participated in the county-wide program this year than last.

*The labourer is worthy of his hire. Luke X,7*

Money is one of the necessities of life because it is the medium of exchange. The value of money lies not in what it is, but in what it can do. Money is the worker's reward. For his labors in the field or factory, he receives money to buy the food, clothing, shelter that keep his family happy and healthy. If anything, this is an important part of the "system"—that individual effort is properly and justly rewarded.

## New Research Program For Cotton Made

Cotton producers on the Board of Directors of Cotton Incorporated formulated plans last Monday in Dallas for 1972 agricultural research supported by the \$1-per-bale program.

The Agricultural Research Committee concentrated research efforts on the bollworm-budworm complex, boll weevil eradication, cotton

stands and yield and quality improvements.

"Cotton Incorporated (formerly CPD) is owned, controlled and operated by cotton producers," J. Dukes Woodruff, Jr., executive vice president and general manager, stated.

"This was in evidence today as cotton producers called the shots on the type program to be conducted. This research is designed to

help alleviate the growers' cost-price squeeze by increasing their profits through research aimed at greater efficiency, limited pest problems and increased yields."

Dr. George Slater, manager, entomology research, pointed out how specific projects on the many facets of the bollworm-budworm complex will be linked together

for a major effort at controlling these destructive pests.

He said, "Coordinated efforts designed for determining basic information on behavior of the bollworm and budworm are under way. This information is necessary for more effective control measures and for possible large-scale suppression of the bollworm-budworm."

Improved cottonseed quality, added precision in seed placement, and more effective timing in planting operations are research projects aimed

at reducing the problems of getting and maintaining a stand. The necessity for improved methods for assuring an adequate stand was vividly pointed out by all producers present.

Other project areas cleared for 1972 include: weed and disease control, chemical applications, yield increases through fiber and plant manipulations and machinery improvements.

Howard Alford, Lubbock, president of Cotton Incorporated, said, "The Marketing

and Product Research Committee and the Processing, Handling and Services Committee made up of Board of Director members will meet at a later date to develop and approve the 1972 programs in these areas. This is in keeping with the policy of involving cotton producers in Cotton Incorporated's activities and programs."

Cotton Incorporated is the cotton producers' company which carries out the research and marketing activities of the \$1-per-bale program.

Secretarial students attending South Plains College this Fall may now elect to learn shorthand on a keyboard machine, announced Paula Bell, chairman of the SPC Business Administration Department.

According to Miss Bell, the new touch shorthand course will help in the continuing effort of South Plains College to graduate better trained all-round secretaries. The touch

system can aid students in one of the most interesting areas of secretarial education, the taking and transcribing of shorthand notes.

"Our touch shorthand students will learn to take their shorthand notes on a small, lightweight keyboard machine that in effect does for shorthand what the typewriter did for handwriting," said Miss Bell. Called the Stenograph shorthand machine, it lets the

student write a whole word or phrase with a single keyboard stroke. Experience has shown that transcription accuracy is improved because the 'touch notes' are clearly printed in easily read English letters."

One of our teachers had a small operation this summer. The teacher was Mrs. Velma McWhirter, but she's back in the swing of things and still going strong. She helped our football team greatly last year and we made it all the way to Regional. We're sure that our great Pirate football team would like to repay her this year by going all the way to state.

**SIGNING PARTY**  
Tuesday night the Journalism class sponsored the 1971 yearbook signing party. The official beginning of the party was 7:30 p.m., even though some of the students arrived 30 minutes early. It was a time for last year's seniors to get together and gather memories to be cherished for a lifetime. Coach Pete Hurst was presented with last year's football team and coaches pictures, arranged on a red board. The party was a smashing success.

Coach Bounds has around 40 girls in his athletic program. There will be three teams this year. Varsity has around 25 games and three tournaments. Junior varsity has about 12 games and one tournament. The Freshman team this year has 15 games and one tournament. With the girls' team spirit and determination, everyone is sure it will be another great year for girls basketball at CHS.

Last Friday the students of the journalism class began selling ads for the 1972 annuals. The class was divided into groups which will sell every Friday until the annual starts shaping up.

**SCRIMMAGE**  
Thursday night at 7:30 p.m., the Cooper Pirates Football team had its first chain of football games. It started with a scrimmage against the Friendship Tigers. The coaches were impressed with the game, but feel that more work is necessary. The spirit was also great, and we would like to say, "Keep up the good work."

**FARMERS INTER-SEEDING COTTON WITH SMALL GRAIN**

With the recent rains and excellent underground moisture, many farmers are considering inter-seeding their cotton and grain sorghum acreages with small grain. One method of inter-seeding is a whirlwind seeder attached to the front of a tractor. This is usually done at time of the last cultivation. Aerial application is a new method of inter-seeding small grain. The cost of aerial application is approximately \$1.25 per acre plus two cents

a pound for seed. The recommended rate of application is 40 to 50 pounds per acre.

Arthur Newton, who farms about two miles north of Liberty in Lubbock County, interseeded about 600 acres of cotton and grain sorghum with small grain in 1970.

Newton said his livestock made good gains while utilizing the cotton and grain sorghum stalks with the small grain mixture.

Newton also stated that his crops this year do not show any visible effect from double cropping and that he has made plans to seed additional acres.

The small grain on cotton acres can be left on the soil surface until about March 1 and then undercut or tandemmed. This allows maximum protection from the sand storms that were so predominant last spring. It also saves the producer money by limiting the number of tillage operations and makes money by providing additional grazing for his livestock or for leasing to interested people for grazing.

The varsity and "B" team had a scrimmage with Crosbyton Thursday night. The varsity lost the scrimmage and the "B" team won.
