GLOOMY WEATHER FOR FARMERS

Cool Front Brings Rain

Low temperatures and a drizzling rainfall Wednesday preceded a new coldfront which moved across the South Plains, with the cool readings and rain expected to continue through Thursday.

Slaton and much of the South Plains got their first taste of wintry-like weather Friday night, with football fans donning heavy jackets and rain coats to view their favorite teams in action.

A foggy mist settled over the South Plains Friday afternoon, and thundershowers covered much of the area during the night -- leaving from 1.25 inches of moisture to a trace in scattered parts of the region. Floydada reported the most rain -- 2.5 inches.

Heavy rainfalls erupted about 9:30 p.m. Friday in much of the area. The downpour also started in Kermit about the same time, where many Slaton fans were attending the football game. The heavy rain greeted the Tiger Band at half-time, and showers continued during the second half of the game.

Record low temperatures were recorded in Lubbock Tuesday for the fourth consecutive day, as a new polar blast triggered thundershowers. A drizzling rainfall started in Slaton early Wednesday as the cold front advanced into the area.

In reports from around the area, heavy hail battered crops around Ropesville and in a six-mile wide area near Tahoka and O'Donnell. Kress also reported some hail damage.

The damp weather and cool temperatures were unwelcome visitors for area farmers. Crop prospects have appeared exceptional in the area, but more dry and warm weather is needed for the cotton to mature.

Slaton got its first bale of cotton Sept. 16 when Harold Wilson produced the 540-pound bale at Slaton Co-Op Gin. The Chamber of Commerce pays cash premiums for the first three bales, but No. 2 and No. 3 had not been reported as of Wednesday noon.

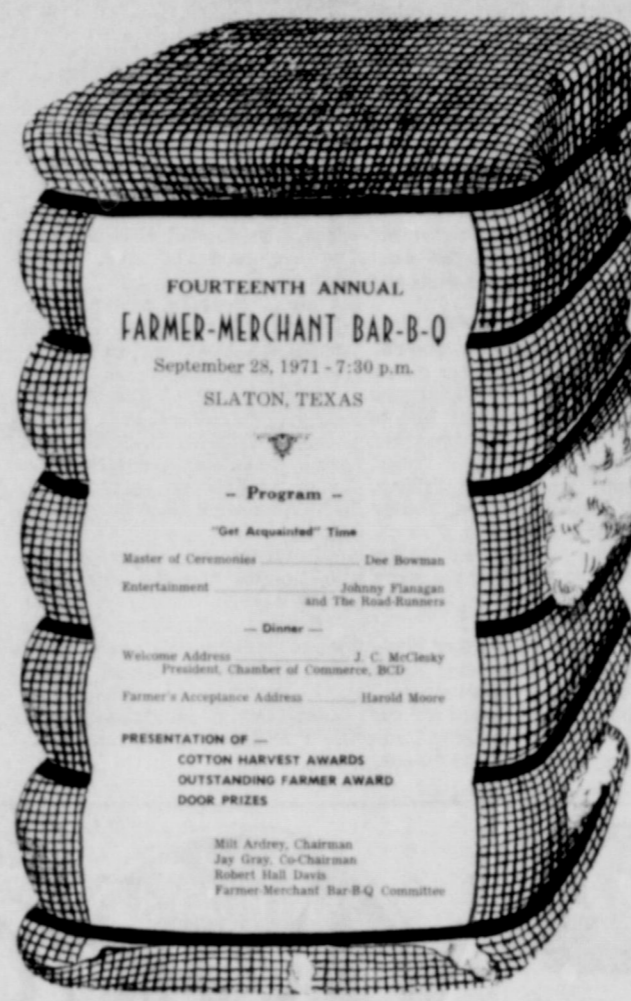

Still No Word On Plant Site

A check with Slaton Chamber of Commerce officials Wednesday revealed that no announcement has been made as yet for a national manufacturer on the location of a new textile plant.

Slaton has been named as a finalist in the firm's search for a new plant site, and the Chamber of Commerce here completed a labor survey as a part of the company's request.

Earl Bartley, executive vice president of the Chamber, said the company is "apparently still considering several sites, and we have every reason to believe that Slaton is still among those in contention."

Interested citizens continue to ask for news, and Bartley added, "We'll spread the word as soon as we hear anything!"

F-M Barbecue Set Here Tuesday Night

Slaton's 14th annual Farmer-Merchant Barbecue is scheduled Tuesday night in Little League Park with food, fellowship, awards and entertainment highlighting the event.

The barbecue, sponsored each year by the Slaton Chamber of Commerce and participating firms, will get underway at 7:30 p.m.

Tigers Seek First Win, Play Littlefield Here

Slaton's hungry Tigers, seeking their first win of the season after two close defeats, take on the Littlefield Wildcats here Friday night at Tiger Stadium. Kickoff time is 8 p.m.

The Wildcats, of District 3-AA, will be Slaton's final non-district competition and their first AA foe. The Tigers lost to two AAA clubs -- Brownfield and Kermit -- by a total of 8 points. Slaton opens 4-AA action at Denver City next week.

Pace Captures Top Grid Prize

It was a tough week for the football prognosticators, but Rod Pace of Slaton picked 18 of the 23 winners on the Slatonite Football Contest page last week to win the \$10 first prize.

Three entrants missed six of the games, with the tie-breaker total deciding the other two cash winners. Coach Ernie Davis' first period Civics class took the \$5 prize, and Weldon Mize won the \$2 third prize. Charles Didway of Post missed six games, but his total was 28--compared to 21 and 26 for the two winners.

gether a scoring punch against the Wildcats. Davis looks for an improved Littlefield team over last year, when Slaton won a 24-16 decision.

Davis said the team came out of the Kermit clash in good physical condition, with the exception of junior quarterback Steve Nieman who was injured on the game's last play. Davis said Wednesday morning that it was "too early to tell if Nieman will be ready."

The Tiger boss said the lineups would probably be about the same, but "we may start Kenny Schuette at one of the halfback spots and move Randy Davis to defensive safety." He added that he hopes to utilize several more players during the game.

"We have three or four boys who should have seen more action, but we had our backs to the wall most of the time in the first two games and stayed with the more experienced players."

Davis said Littlefield may not be as big as they were last year, but they have quickness and a strong running game. Leading the rushers is Ralph Funk, 195-pound tailback, who scored five touchdowns against Crosbyton. Defensive standouts include Danny Estrada, 220-pound tackle, and Dennis Hartley, safety.

Littlefield is 1-1 on the season after losing a close 6-2 decision to Levelland in the rain Friday night. Neither team was able to muster much offense on the soggy field, according to scouts. The Cats rolled over Crosbyton, 58-6, in the first game. Littlefield uses a defensive alignment similar to

Thefts, Minor Accidents On Police Blotter

Minor thefts, a simple assault case, and two minor accidents topped the news from the Slaton Police Department this week.

Police were also investigating a shoplifting case at Rona's Shoppe. Taken were four shirts and a pair of boots, and two suspects are being checked.

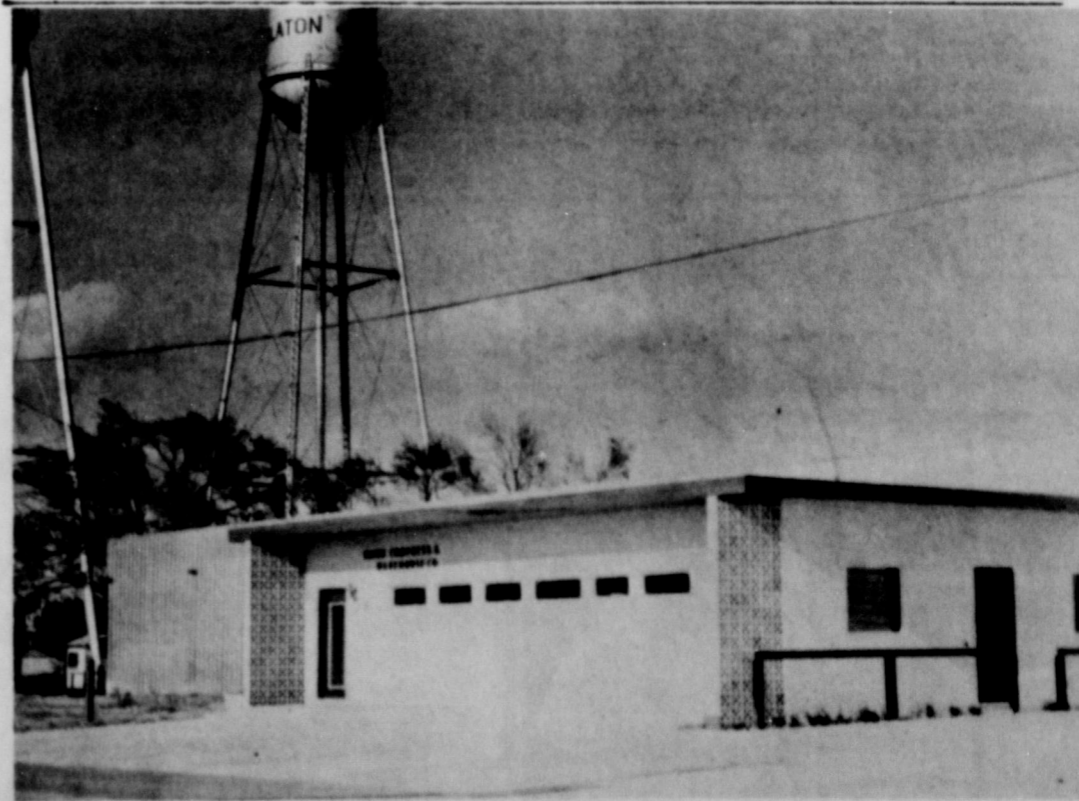

Police were called to check a disturbance at the Las Vegas Inn on Texas Avenue Saturday night. Charged with simple assault in the case was Arnold Aguirre. He pled not guilty in J. P. court here, and bond was set at \$400.

A juvenile was charged in a theft of money from a dressing room at the football stadium Thursday night. A break-in and burglary was reported at the Joe Olivarez residence, 1255 S. 4th,

Karlene Eastman Scheduled For Trip To Spain

ABILENE, TEX. -- Karlene Eastman, a junior, will be among 13 Hardin - Simmons University students who will participate in the New Life Crusade in Spain, Oct. 16-25, through the World Evangelism Foundation of Abilene.

Karlene, a graduate of Slaton High School, is the daughter of the Rev. and Mrs. Clinton Eastman. Her team will be headquartered in Iruan, Spain.

Of the 29 teams from the Southwest participating, the three H-SU teams are the first and only all college student teams in the history of New Life Crusade work.

Preparation for the crusade was begun a year ago by Abilene Dr. W. H. (Dub) Jackson, Jr., president of World Evangelism Foundation and a former missionary to Japan.

The H-SU students, traveling at their own expense, will work in small churches and with the young people of Spain in high schools, hospitals, and police stations.

Joy Class Meets In Liles Home

The Joy Sunday School Class of First Baptist Church met in the home of Mrs. Wayne Liles Monday night for its monthly social. Ten members and one guest attended.

The class teacher, Mrs. Harry Stokes, offered the opening prayer. The devotion was presented by the hostess and an inspirational film on Elizabeth was shown.

Attending were Meses. Buddy Hoffman, J. C. McClesky, Shirley Butler, Travis Hendrix, Truett Bownds, Bill Alspaugh, Paul Melton, Everett Mangum, J. B. Rackler, Stokes and Liles.

For the H-SU students, the purpose of the trip, as expressed by Melba Hernandez, is "to show people our love for Christ" in daily face-to-face encounter with the Spanish people.

"In preparation for the trip, we've been praying together as teams each day. We're also writing letters to the churches in Spain and trying to get set up with the officials in the towns as well as in Madrid," said Danny Reyna. "Spain has been open to freedom of religion only two years, so we're trying to go anywhere we can and do anything we can during the short time we're in Spain."

According to Marshall Walker, director of religious activities at H-SU the crusade is an attempt to "help churches develop an aggressive outlook" in their Christian witness.

Senior Citizens Club Meets

Thirty Senior Citizens met Friday in spite of the bad weather for their weekly visit and "42nd" games.

Mrs. Fannie Patterson presided at the noon hour, and reports were heard on sick members. Mrs. Eunice Hazelwood is out of the hospital and is staying with a granddaughter in Lubbock. Mrs. W. O. Townsend was reported ill Friday.

Rev. Johnnie Moore, pastor of the First Christian Church, brought the message for the day from John 15. He told the story of a boy who did what he could for his church.

Mrs. Anna Bell Tucker played the piano while Mrs. Alvin White led the group in singing. Two visitors present for the meeting were Mrs. Hattie Cade and Mrs. Rowland Anderson.

TEL Class Elects Officers

The TEL Class of the First Baptist Church met last Thursday at 3 p.m. in the home of Mrs. J. L. Cartrite.

Mrs. Fannie Patterson, president, conducted the meeting and led the opening prayer. The class elected new officers. Mrs. Patterson was re-elected as president. Others are Mrs. E. R. Burns, vice-president; Mrs. Joe H. Teague Jr., secretary; Mrs. B. A. Hanna, treasurer; and Mrs. A. P. Wilson, class ministry.

Mrs. Hern Pettigrew brought a devotional taken from the 90th chapter of Psalms. Mrs. A. P. Wilson conducted a quiz on flowers. Refreshments were served to 14 members.

The class's next social will be October 21 in the home of Mrs. Burns.

Class Meets In Beard Home

The Mary Martha Sunday School Class of the First Baptist Church met Monday night in the home of Mrs. Lindol Beard.

Mrs. Beard's sister, Mrs. Lowell Merrell of Lubbock brought a devotional on "Love" to the 14 in attendance.

Newly elected officers for the class are Mrs. R. O. Moore, president; Mrs. O. G. Nieman, vice president; and Mrs. Glen Akin, secretary. Mrs. J. P. Halliburton is teacher for the class.

Refreshments of cake, spiced tea, coffee and dips and chips were served.

Others attending besides those mentioned were Meses. Ronnie Kennedy, Roger Evans, Pat Taylor, Donald Basinger, Ernie Davis, Eb Stricklin, Robert Milliken, and James Jensen.

9-13-71-- Mr. and Mrs. Mike Dyer of Phoenix, Ariz., parents of a girl, Sara Lundie, 7 lbs., 10 ozs. Grandparents are Mr. and Mrs. W. L. Roche, formerly of Slaton and now of Amarillo.

9-19-71-- Mr. and Mrs. Larry Eugene Wilson, 2810 Jupiter, Lubbock, a girl, Sharon Lynette, 6 lb. 14 1/2 oz.

Mrs. Morris Returns From Dallas Visit

Mrs. M. E. Morris returned home last Wednesday after a stay in Dallas. While there, she spent nine days in the hospital for observance and treatment.

While in the hospital there, she had four of her children visit her. They were Rev. and Mrs. John L. Gary and their son and family, Rev. and Mrs. Alvin Gary and Jonathan Mark, of Copperas Cove, Mr. and Mrs. Jimmy Morris, Chris and Dana from Houston, Mr. and Mrs. Arden Maeker, Marilyn and Pam, and Mr. and Mrs. W. A. Lynman.

Other visitors included Mr. and Mrs. Jim Morris, Jeffery and Earl, all of Dallas, Mr. and Mrs. Price Manly, and Mr. and Mrs. Jay Cash.

Mrs. Morris said she appreciated all the nice cards, letters and words of encouragement she received from her Slaton and Southland friends while in the hospital. She also enjoyed her two "letters from home," THE SLATONITE and the POST DISPATCH.

Mrs. Lyman brought her mother home Wednesday and returned to her own home Thursday.

Daughters Hold Dinner Party

A Polynesian dinner party was held for the Daughters of Pioneer Study Club Monday night in the home of Mrs. Howard Hoffman. Assisting her as hostesses were Meses. Earl Reasoner, Glen Payne and Cecil Scott.

Mrs. Scott, president, gave the president's greeting. Mrs. Earl Reasoner presented a program, "The Spice of Life" and distributed yearbooks.

Attending were Meses. Max Arrants, Bill Ball, Bing Birmingham, Carter Caldwell, M. G. Davis, J. S. Edwards, LeRoy Holt, Roy Lynn Kahlich, Weldon Meador, John Morris, Bruce Parks, Milton Schueter, Bill H. Smith, Rush Wheeler and the hostesses.

Hampton Family Reunion Held

A Hampton Family reunion was held Sunday at the Roosevelt Club House when 61 persons attended the covered dish luncheon.

Brothers and sisters attending included Sam Hampton of Seymour, Mrs. M. D. Gamble of Slaton, Mrs. L. M. Cade of Lubbock, Mrs. J. H. Lowder of Fort Worth, and Mrs. J. S. Hampton of Brownwood.

Children and grandchildren of the family attended from Brownwood, Dallas, Odessa, Amarillo, Abertathy, Tucuman, Morton, Lubbock and Littlefield.

Florists Attend Design School

Four local florists attended the South Plains Design School at Lubbock Sunday. Attending were Meses. Jewell Jones and Chester Williams of Bokay Flower Shoppe and Meses. Ed McCoy and Curtis Aycock of Pauline's Flowers and Gifts.

With their customers in mind, the women watched while fall and Christmas arrangements were designed. The school was held to help them maintain their goals in latest designing.

Party Honors Mrs. Tip Dawson

A surprise party was held Tuesday night honoring Mrs. Tip Dawson, who is changing jobs. She has been a beautician at Dawson Beauty Shop for several years and is now employed at Meals on Wheels in Lubbock.

The party was given in the home of Mrs. Joe Fondy. Co-hostesses were Mrs. Judy Holt and Mrs. H. Perkins.

Refreshments were served.

Friends Invited

Friends of Miss Mary Koslan and Bobby Crowson are invited to attend their wedding Saturday evening at 7 p.m. in St. Paul Lutheran Church in Wilson.

It was against the law to observe Christmas in the U.S. in 1659.

GO-GO NOW

At-home clothes have been liberated. Through with hiding their beauty in the dim glow of the fireside, they are getting into the wider, brighter world.

The first break was away from the lounging limits of robes, housecoats and pajamas. New at-home designs look enough like other fashions to be their doubles. They don't have to stay in and they don't.

Country dresses found in lingerie or robe departments can double for patio and informal party wear. Teen-agers add them to the country styles they wear for day.

Long dirndl skirts are among the most versatile of the gadabout loungers. In country

calicos, they team with prettily feminine blouses.

Bolder prints make them smart partners for clinging matte jersey or rib-knit tops in white or dark shades. Skirts closed only at the waistline are designed to open on jumpsuits with mini or full-length pants.

Gowns frequently take the open-skirt approach and slashes may open on pants or legs sheathed in colorful hose. All are popular partygoers.

Pants costumes are soft, usually in brightly printed jersey, to move lightly toward the body in tunics and flare easily in fuller pants.

One of the noticeable differences in at-home fashions is price. They usually cost less than look-alikes offered in other departments.

CONSUMERS' CORNER

Are all double knits made of polyester washable?

No, before buying a garment made of polyester, read the hangtag or label for recommended care instructions. You may find a variety of cleaning methods listed.

Before tossing everything into the automatic washer and dryer, consider the type of garment and the degree of soil.

Taking time to read labels for recommended care instructions and to evaluate each garment for the amount of soil before deciding on the cleaning method can prolong the life of the garment.

Clinics Set In Lubbock

The quarterly session of St. John's United Methodist Church Crippled Children's Clinic will be held from 1 to 5 p.m. on Saturday Oct. 2, at the church, 15th Street and University Ave., Lubbock.

Conducted quarterly, the clinic is free for crippled children of the South Plains area. Four Orthopedic Surgeons and the sponsors for the clinic, the Fellowship Class of St. John's United Methodist Church, will supervise activities.

Physicians will be assisted by city-county health nurses from several area counties.

The clinic is financed through contributions, and clinic personnel arrange for braces and further care when needed.

Braces and appliances have been provided for 295 patients through the clinic. Approximately 750 pairs of shoes have been given to children since the first clinic session was conducted in 1963.

Children going to the clinic for the first time are to be accompanied by a parent or guardian.

COOPER NEWS

By Janet Thompson & Kathy Burkett

Since ancient times, Pirates have harassed merchant ships on all the oceans of the world. Occasionally, acts of Piracy still occur. One example was last Friday on land at Lorenzo. The Cooper Pirates staged a good clean fight to defeat the Hornets, 30-6.

The defensive buccaneers displayed a lot of strength holding the highly rated Hornets to six points.

The Pirates opened their scoring with Junior Martinez making six points. Jay Wimmer later scored two TDs and Martin Aleman scored six points later in the game. Kevin Jones rucked up another, and Bobby Caudle scored on a pass from Junior Martinez. Kerry Crutcher's three field goals brought the total score to 39-6.

The offensive line tore holes in the Hornet's nest all night long. All the effort and knowledge by the great coaching staff is acknowledged for putting a Pirate victory together.

A reflection of past glories appeared once again Thursday night as the CHS Junior Varsity displayed ability and strength to shoot down and pluck the O'Donnell Eagles, 35-0. The score in the first half was 14-0, and the Pirates came back to do more scoring.

BAND OFFICERS MEET

The band officers had a breakfast last Tuesday at the Howard Johnson Restaurant when plans for a money making activity were discussed. The band will be selling magazine subscriptions for their project this year.

AG BOYS SEE SLIDES

The Vo. Ag. 1 boys had a meeting Sept. 9 for their parents in the agriculture building. Slides were shown on the activities for the past year, some of which are similar to those planned for this year.

A background was given on FFA and vocational agriculture to acquaint the parents of the students activities.

ATHLETIC PROGRAM REVIEWED

The parents of the basketball girls will meet with Coach Bouds Tuesday at 7 p.m. in the high school cafeteria. Bouds will present the upcoming events, and tell what is expected of the parents in the '71-'72 athletic program. Refreshments will be served following the meeting.

GGA PLANS HEARD

Monday night the GGA chapter held its first meeting of the year. In the meeting plans for a money raising project were discussed and decided upon. This year they will sell grapefruit and oranges like last year. The Freshman Ag. boys elected officers among themselves. The officers are as follows: president, Jon Fehling; vice - president, Dale Shaffner; secretary, Larry Boucher; reporter, Jimmy Kahl; sentinel, Randy Holloway; parliamentarian, Kevin Killian.

Other items of business were a report on the Cal Farley's Boys Ranch trip, "program of work," and initiation, which is scheduled for October 4. Jimmy Burkett and Carl Kahl gave talks on their trip to the Washington Conference. The officers had a meeting in September and at this time, the committees of the "program of work" were discussed and dates set for the meetings and initiation.

LEADERS NAMED

Cooper School is led by many fine people. Among these are the members of the school board. The members of this year's school board are: Pres. - J.G. Robertson; Vice - Pres. - Bob Jones; Sec. - Malcom Pate; Johnny Fredenburg, James Smith, Carlton Schaffner, and Melba Thompson Jr.

MATH-SCIENCE CLUB

The Lubbock Cooper Math-Science Club met Thursday for the second year during the school year, under the sponsorship of Mr. Gordon. Turn-out for the meeting was quite good, despite conflicting activities.

Business conducted included discussion and ratification of our new Constitution and By-Laws, after which an unusual presentation on Math and Math Concepts was given. This presentation was given by the very distinguished Dr. All R. Amir Maez of the Texas Tech Math Dept. His program was concerned with the simplicities of

Social Security Benefits More Than Retirement Aids

"I may never live to collect a dime from all this money I'm paying into social security!"

This is a statement often heard from young workers according to Jim Latimer social security Field Representative at Lubbock.

The fact is Latimer said, "the social security program provides for much more than just retirement payments. Disability and survivor's benefits are two very important areas of protection often overlooked by the young worker."

Disability payments can be made to a young worker and his dependents with as little as one and one-half years of work if he becomes disabled before age 24. These benefits continue as long as the worker remains disabled.

Survivor's benefits may also be payable to the young worker's dependents with as little as one

and one-half years of work under social security.

Payments can be made to the worker's children until they are 18. Benefits can continue to age 22 for a full-time student. Payments can continue past age 22 if the child is disabled.

A widow is due payments as long as she has a child under 18, or a disabled child at home. Otherwise she must be age 60 or at least age 50 if she is totally disabled.

Most of today's young workers will live to collect their social security at retirement Latimer said. However, the young worker also can have peace of mind in knowing that he or his survivors will be able to collect on his social security should he become disabled or die before reaching retirement age.

Annual Prison Rodeo Scheduled For October

Based on the long and colorful history of the annual Texas Prison Rodeo at Huntsville, the 40th annual event to be featured each Sunday in October promises to be filled with plenty of action, plus the best in entertainment as special guest stars join tough convict cowboys in this fast-moving two-hour show.

Held in the prison's \$1 million stadium in Huntsville, the show begins at 2 p.m., following a pre-show special by inmates at 1 p.m.

Guest stars for this year's Prison Rodeo series include Dottie West and the Heartaches on Oct. 3; Connie Smith and Nat Stuckey on Oct. 10; Charlie Walker on Oct. 17; The Waylon Jennings Show on Oct. 24, and the Porter Wagoner Show on Oct. 31.

Also included in this year's rodeo series will be the popular chuckwagon races and the thrilling chariot races which will be highlighted each Sunday.

According to Hoot Crawford, arena director for the rodeo, he will have a big choice of convict riders since more than 300 hopefuls have applied for a place on the program.

And this year, for the first time, the Texas Prison Rodeo will open without either a former or defending champion in the saddle. "This means that the competition will be greater than ever," Crawford said.

In addition to the bronc riding and bull riding events, the Texas Prison Rodeo offers its own brand of the Mad Scramble, Calf Tussle, Wild Horse Race and the Hard Money event, which pits 25

convict cowboys against one bull with a money sack tied to its horns.

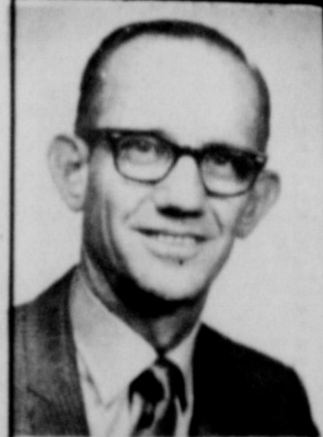

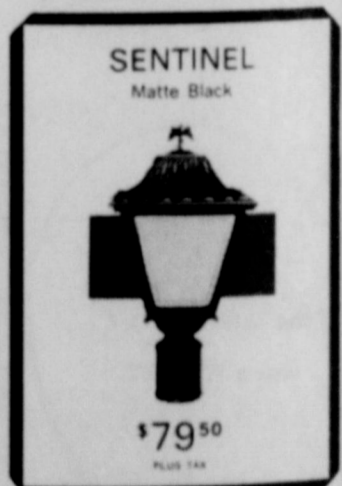

Jim Batten, rodeo supervisor, says that there are plenty of good seats available for all performances, and block tickets may be obtained by writing Texas Prison Rodeo, Box 99, Huntsville, Texas enclosing check or money order.

There is no reduction in the price of children's tickets. Net proceeds finance the rehabilitation programs for more than 15,000 inmates of the Texas Department of Corrections.

Michael Dale Gordon Dies

Michael Dale Gordon, 30, of 720 So. 16th, was dead on arrival at Mercy Hospital early Wednesday morning.

Services have been set for 2 p.m. Thursday (today) at the Evangelical Methodist Church with the Rev. Linam Prentice, pastor, officiating. Burial will be in Englewood Cemetery under direction of Englund's.

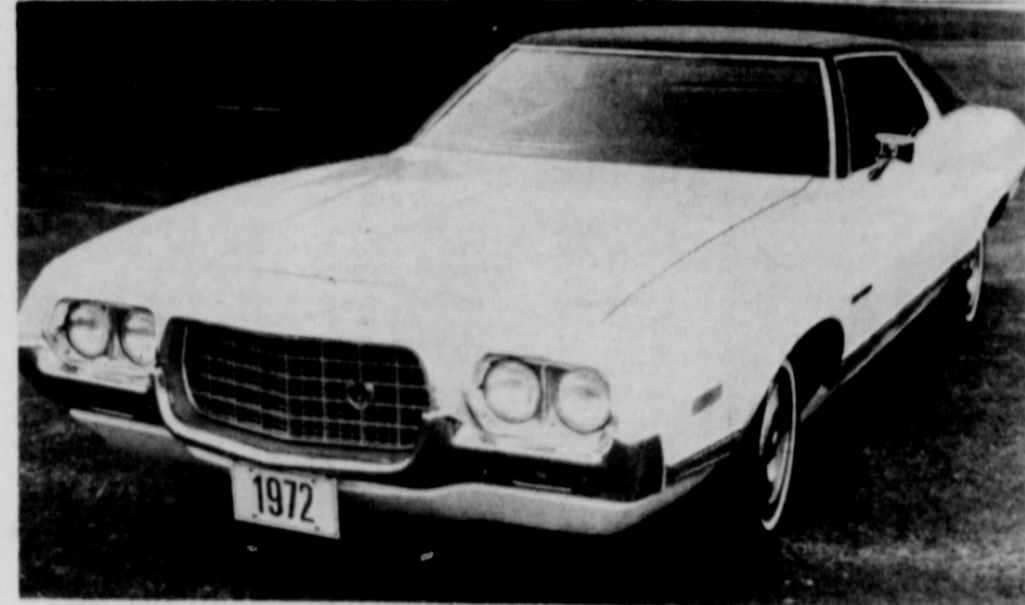

A native of Slaton, Gordon had moved his family back to Slaton last winter. He was employed in Lubbock by H.P.C. Hydraulic Products.

Officials said Gordon appeared to have died of a heart attack. At the request of the widow and JP Arvin Stafford, an autopsy will be held to determine exact cause of death.

Survivors include his wife, Kay; two sons, Michael Douglas, and Robert Lowell; and one daughter, Pamela Lynn, all of the home; his parents, Mrs. Ellen Vaughn of Greenville and Charlie Simmons of Imperial; one brother, Darryl Vale Gordon of Greenville; one sister, Mrs. Janice Graham of Tyler; and grandmother, Mrs. George A. Taylor of Slaton.

FRESH FRONT-END treatment, highlighted by a new grille, marks the 1972 Ford LTD now on display at Smith Ford, Inc. The new front bumper is designed with a center bar to protect the grille.

THIS TWO-DOOR GRAN TORINO has a unique front end treatment which differentiates it from the grille of the Torino. With a double "egg-crate" texture, the top half of the grille is framed by bright molding. The framing is completed at the bottom by the bright bumper cut out to the grille contour.

ROTARY INTERNATIONAL CHIEF TO SPEAK AT LUBBOCK MEET

Bob Burnett, director of international services at Texas Tech, was program speaker at the regular weekly luncheon meeting of Slaton Rotary Club Thursday.

Burnett said there were more than 200 foreign students attending Tech, representing some 50 countries. The office aids the foreign students in various ways, including a "host family" program offered to interested students.

A former member of the Peace Corps for two years, Burnett related some of his experiences in Brazil. He pointed out that it is the 10th anniversary of Peace Corps, which now has about 9,000 volunteers working in 40 coun-

tries. Burnett thinks the Corps "gives the taxpayers more for their money than any kind of foreign aid."

Bud Englund was program chairman for the week, and Harry Morton introduced the speaker.

Ansil O'Neal announced that the club will have its meeting in Lubbock Sept. 23, when Rotary International President Ernst Bretholtz of Kalmar, Sweden, is the featured speaker at an Inter-City Rotary Meeting.

The meeting is set in Lubbock Municipal Coliseum beginning at 7:30 p.m.

O'Neal also announced that the club's Teacher Appreciation Banquet has been scheduled for Oct. 7.

New Identification Cards Will Soon Be Available

Colonel Wilson E. Speir, director of the Texas Department of Public Safety, said today that effective Sept. 1, Texans will be able to obtain a special personal identification card.

Information appearing on the card will include the holder's date of birth, height, sex, and

eye color. Each card will have a special identification number issued by the DPS.

Speir said the cards should be of value to those persons who do not hold a Texas drivers license, but who need some sort of official card to help establish their identity.

Con't from Page 1 Saturday. Missing were 40 record albums, a combination radio-record player and other small items.

A Slaton High student, Tommy Taylor, reported his car was broken into Friday night at school, with a tape player and tapes being stolen. A bicycle was stolen from the Ernie Davis residence Saturday night.

A pickup driven by Dennis W. Ray, Rt. 1, Tahoka, and a car driven by Jessie A. Ward of Slaton were in a collision Tuesday at 9th and Edwards. The accident occurred at 4:10 p.m. with a total estimated damage of \$650.

Martinez Leandro Jr. was issued a ticket for leaving the scene of an accident early Sunday morning. Police said the vehicle he was driving left the roadway at US-84 and the Industrial Drive overpass, striking a reflector sign and traveling on east and hitting a speed limit sign. Officers said Leandro later came to the police office to check on his car.

Brothers' Rites Slated Today

Double services will be held for Charles Eugene Hartless, 22, and his brother, Doyle Hartless, 18, both of New Deal, brothers of Mrs. Dennie Pearl Gebert of Slaton, at 2 p.m. today in the First Baptist Church of New Deal. The two were killed in a New Deal car-train mishap about 7 p.m. Monday.

Charles, who had served in the U. S. Army, was employed by Caprock Metal Works as a welder. Doyle, a senior at New Deal High School, had been a member of the football team, and participated in basketball and track.

Both were born in Dermott, Ark., and moved to the New Deal area from McGhee, Ark., in 1961.

Charles Hartless is survived by his wife, Wilma. Both are survived by their parents, Mr. and Mrs. Robert Pittillo of New Deal; four brothers, Jerry, James and William of New Deal and Arthur of Asheville, N.C.; a sister, a grandmother, Mrs. Elenor Wallace of New Deal and two grandfathers, W. B. Farve of Pollock, La., and S.G. Hartless of Boydell, Ark.

Teenagers May Prefer Unconventional Breakfast

Do you have a normally active teenage girl in your home-one who doesn't like to eat a conventional breakfast?

She could choose to eat a sandwich for breakfast, along with a banana and a glass of milk. If that doesn't appeal, you may want to begin the day with spaghetti, chili, baked beans or deviled eggs.

For a normally active girl of average height-5 feet 3 inches-weighting 117 pounds, multiply 117 by 20 calories and you find that she needs approximately 2,300 to 2,400 calories each day.

Why not? Miss Reasonover says the important point is that you eat as you like, as long as the foods you choose for the entire day include specified amounts from the basic four food groups, and as long as you meet calorie needs.

Her food intake should include 4 cups of milk or the equivalent; 4 servings of fruits and vegetables, making sure to include those rich in vitamins A and C; 4 or more servings from the bread-cereal group; and 2 servings from the meat group.

The guide is flexible. The specific foods chosen from each group and the time when eaten, either as meals or snacks, is largely a matter of food preferences and family meal routine, she says.

But, the specialist adds, remember to choose right and maintain a desirable weight.

Muchas Gracias!

★★★★★ Cub Round-Up Set Tonight

Dennis Meurer

Mr. and Mrs. Allen Meurer were recently notified that their son Dennis, stationed with the Army in Frankfurt, Germany, has received commendation for outstanding service. The commendation from Major Robert M. Bessler, commanding officer, stated: "I would like to commend you for the outstanding job you have performed in Exercise Carson City during the period 11-13 August 1971. This urgent,

important and critical exercise required the maximum of yourself as an American soldier and citizen. Your unselfish attitude, disregard for your personal comfort, and willingness to share the burden as a member of the team has identified you as a disciplined, dedicated individual. The end project to which you contributed earned the praise of numerous General officers and distinguished guests. Your participation in this exercise was an act of which you may long be justly proud."

Cub Scout Pack 128 of Slaton will hold its All-City Round-Up for boys age 8, 9 and 10 Thursday (tonight) at 7:30 p.m. in the Scout Hut. Registration will be held for new boys and regrouping for older scouts will be on the program. The theme for this year's program is citizenship and the new leaders are looking forward to a very strong program. All boys and their parents are welcome and encouraged to attend the meeting and all the pack meetings throughout this year.

your week ahead

BY DR. A.W. DAMIS

- Forecast Period: September 27 - October 4
- ARIES** Mar. 21 - Apr. 19
It seems as though you will be seeing things on the brighter side. Most members of your sign have developed an "emotional muscle" toward a chronic problem.
 - TAURUS** Apr. 20 - May 20
According to your chart, a long range plan will go astray. Most important, take care: You are inclined to be impulsive with the opposite sex.
 - GEMINI** May 21 - June 20
Take the "sword out of your belt." Your sign, more than the others, has the inclination to provoke an argument.
 - MOONCHILD** June 21 - July 22
Apparently, several opportunities will be coming your way. Stellar patterns urge that you take action.
 - LEO** July 23 - Aug. 22
Unforeseen circumstances, according to your chart, might delay your job, project or mission. The point is: Use a new and more determined approach.
 - VIRGO** Aug. 23 - Sept. 22
Things should be on the plus side for most members of your sign—especially with the opposite sex.
 - LIBRA** Sept. 23 - Oct. 22
Being over emotional could entangle you in a "cat and mouse situation" that might curtail your long range plans.
 - SCORPIO** Oct. 23 - Nov. 21
During the present cosmic cycle, many members of your sign will turn the tide of adversity into total victory.
 - SAGITTARIUS** Nov. 22 - Dec. 21
It's unlikely that you will be making any mistakes in the next few days. Your psychic and intuitive powers are at a high level.
 - CAPRICORN** Dec. 22 - Jan. 19
Ironically, it appears that a few of your "do good" actions will backfire. Good intentions, might be your downfall.
 - AQUARIUS** Jan. 20 - Feb. 18
Ever so many members of your sign will find this period to be the time when there's a drastic leak in the budget.
 - PISCES** Feb. 19 - Mar. 20
Oh boy! The planets Neptune and Jupiter will be giving you a hard time in affairs of the heart. So, lay low and keep cool.

Welcome New Residents

The Slaton Chamber of Commerce released newcomers names who moved to Slaton during July and August of this year. This brings a total of 57 newcomers reported by the C of C this year. Six of the newcomers are from out of state, coming from Colorado, Kansas, New Mexico, Oklahoma and Oregon.

Of the 19 listed, three reported that they are employed in Lubbock. Following is a list of the head of the household, previous town, address and where employed:

Moore Will Be Missed

When Johnnie Moore resigned as pastor of First Christian Church recently to accept a church post in Fort Worth, we told him: "A lot of people will be glad to hear that you're leaving!"

Moore found this humorous, since he is a friend, and because he thought there was a lot of truth in the statement. Moore admits to being liberal in some of his thinking and controversial in some of his actions, so he knows that not all people will shed a tear when he leaves.

We have never known a pastor like Johnnie, but we've never known a newspaper man who turned to the ministry, either. We have not always agreed with his thinking, but we never had cause to doubt his motives nor his dedication to his chosen work.

Moore not only chose to comfort the afflicted, but sometimes he afflicted the comfortable. The latter action did not always make him popular.

Slaton will miss the Moore family. Johnnie and Amrina have contributed much to the community. They were not afraid to become "involved" with people, and their participation and leadership in many phases of church and community activities reflect this thinking.

Their contributions are too numerous to list, but they are the type that led the Christian Churches of Texas to name Moore as "Minister of the Year" in 1970--the kind that Slaton to honor Amrina as "Woman of the Year" in 1971.

As the Moores leave, we join a host of citizens in the community in saying, good bye, good luck, and may God bless.

It's a narrow-minded rule

Over in our neighboring town of Roswell the doors of Eastern New Mexico branch are opening a little wider, and it may be hoped the minds of its admissions officials are, too. An 18-year-old girl from Hondo, N. M., high school reported height and weight on her application for admission. To her surprise, she was rejected by the state-supported university on the grounds that she was TOO FAT!

A letter from the Admissions Office informed her that she met all entrance requirements, but should lose 50 of her 155 pounds in order to enter classes this fall. "Once this is accomplished," said the letter, "there is no other problem of your admission."

We will refer to her as Miss Butterball. Now Miss Butterball was upset (or as nearly so as a tub could be). She wanted to be a dental assistant, and to be told she was "too fat" for that kind of work -- or even to study for it -- was more than she could stomach.

Senator Joseph Montoya was duly informed, and he dashed to the rescue of the fat young maiden. He wrote the New Mexico General, noting that "fat people" pay taxes! The AG handed down a ruling that a state-supported school could not reject a student simply because, in the official, she or he might be "too skinny, too tall, too short, too dark, too ugly, too pretty," or "too fat."

His opinion received wide publicity in the freedom-loving press, and he to espouse the cause of undernourished objects of academic narrow-mindedness the university failed to act to open wide enough for our Miss Butterball.

Now, Senator Montoya wants to see a constituent lose sleep (if not the problem. He dashed off a letter to the university, with a copy of the AG attached, and a terse statement that federal aid might be withheld if were not admitted.

THAT DID THE TRICK!
The young woman now is preparing to enter the university next week. She tried to do something about it. But, lo, it's been a bigger problem realized.

Horseman Invited To Lubbock

A record number of entries are expected to be entered in the open horse show being staged in conjunction with the 54th annual Panhandle South Plains Fair in Lubbock Sept. 27 - Oct. 2.

The show, slated Sept. 30, drew 193 entries last year and officials anticipate the figure will top the 200 mark by the Sept. 17 entry deadline. Entry fees are \$3 per class and \$5 per class in championship judging.

Competition will be in the following classes; saddle seat equitation (maiden), hunt seat equitation (13 and under), junior pleasure ridden saddle seat (17 and under), hunt seat equitation (14 to 17), equitation saddle seat (13 and under), equitation saddle seat (14 to 17), Mary Glass challenge trophy, working hunters, pairs of hunters (abreast), scurry jumping, three bar jumping, jumpers, horsemanship over fences, combination class (tack optional), pleasure pairs, hunters under saddle, English pleasure, junior pleasure hunt seat, half-Arabian pleasure, pleasure horse, tandem bareback and purebred Arabian English pleasure.

The show is recognized and approved by the American Horse Shows Association.

Comfort is...

Fresh, warm air gently circulating from floor to ceiling... down-to-earth dependability... easy-on-the-budget operating costs. Comfort is gas heating. There's no heat more comfortable. And there's no heat cleaner than gas. Gas burns clean. It's one energy source that doesn't dirty the air.

Air-circulating gas heating systems also give you the first-half of a built-in gas air conditioning system. Adequate heat ducts can carry cool air to your whole house too -- so you can add-on gas cooling right away or later if you prefer. Together, gas heating and gas cooling are an unbeatable combination for year 'round total comfort.

If you're building a home or planning to replace an out-dated heating system, choose thrifty gas heat. Check with your heating contractor.

Junior High Jottings
 BY SANDRA WALKER
 The Slaton Junior High students have elected their cheerleaders for the '71-72 school year. Elected Sept. 16 were: Lynn Webb and Debbie Shackelford, sixth grade; Debbie Sikes and Joyce Maxwell, seventh grade; and Darlene Jones and Teresa Wright, eighth grade. They will wear red pantsuits with black sweaters.
 Mrs. Margaret Smith and Mrs. Diann Guthelz are in charge of the newly organized pep squad.
 By organizing the pep squad, along with the cheerleaders, we hope to support and encourage our football team this season.

Tasty-Topic

Patio Pork Steaks
 4 to 6 pork blade or arm steaks, cut 1/2 inch thick
 1 cup bottled barbecue sauce
 1 cup beer or sweet pickle juice
 1 teaspoon Worcestershire sauce
 2 teaspoons salt
 Combine barbecue sauce, sweet pickle juice or beer, Worcestershire sauce and salt. Place pork steaks in a flat utility dish and pour marinade over them. Marinate in refrigerator 4 hours. Place steaks on grill 4 to 5 inches from coals and broil at low to moderate temperature, brushing with marinade and turning occasionally, for 35 to 45 minutes or until well done. 4 to 6 servings.

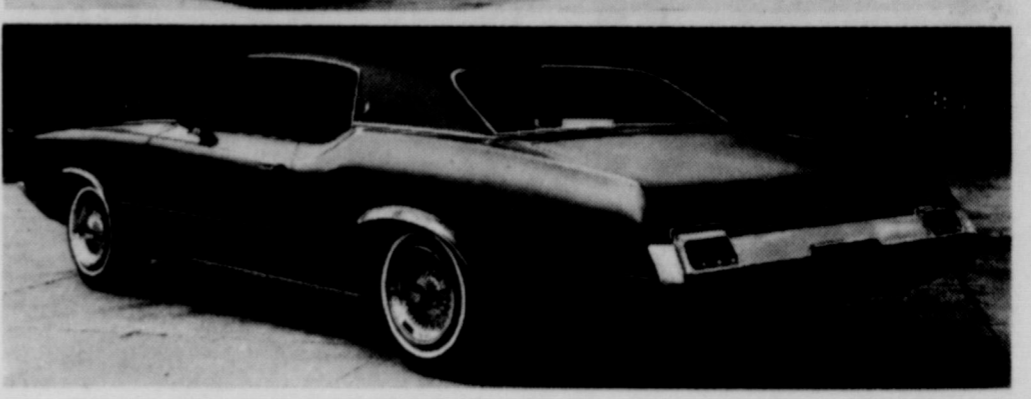

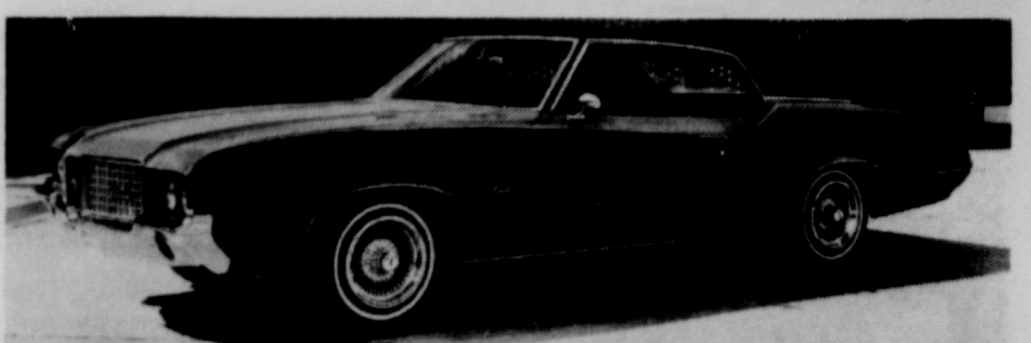

CREAMY TUNA MOLD
 1 envelope unflavored gelatin
 1/2 cup cold water
 1 can (10 1/2 ounces) condensed cream of celery soup
 1 package (3 ounces) cream cheese, softened
 1 can (7 ounces) tuna, drained and baked

Junior High Teams Win Pair Against Tahoka

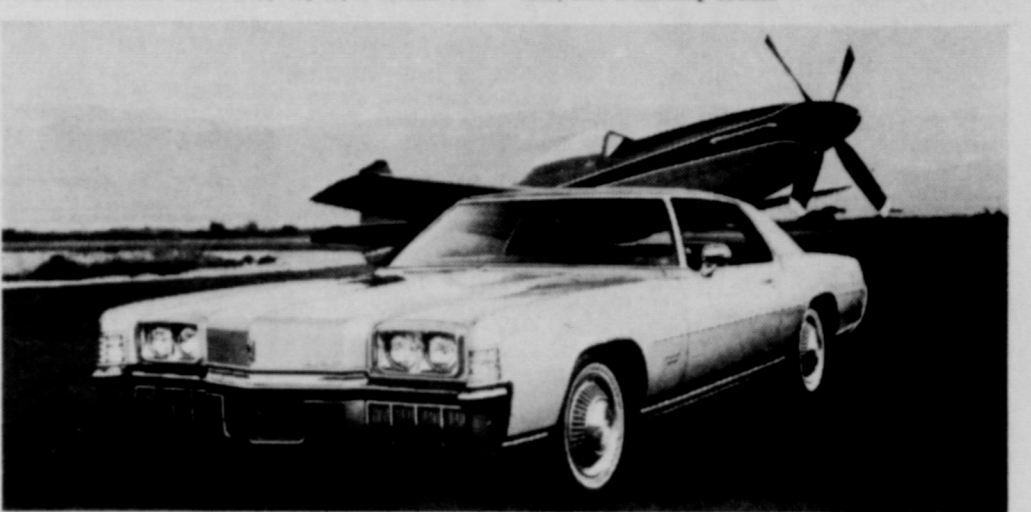

Slaton Junior High football teams scored victories over the Tahoka 7th and 8th grade clubs here Tuesday evening. The 8th graders rallied from a 14-0 deficit at halftime to capture a 20-14 victory, while the 7th graders romped to a 30-14 triumph in the opener. The two teams have an open date the coming week, then start district games the following week.
 After trailing by 14-0, the 8th graders came back in the second half with Breck Hudson scoring first on a 1-yard quarterback sneak. He also ran for two points. Ernest Gipson tallied twice in the final quarter for the deciding points, plunging a yard for one touchdown and going 14 yards for the other. Coach R. G. Copeland cited good defensive play by Bill McClesky, Gary Aycock and Chris Hernandez.
 Coach Chuck Hern's 7th graders drove for three scores and tallied on an intercepted pass and blocked punt in rolling up the 30-14 triumph. Alex Cristan scored two touchdowns and Mike Tumlinson got another.
 Scott Hudson tallied once on an intercepted pass, and Jesse Smith scored on a blocked punt, covering it in the end zone. Leo Tutson and Tumlinson were outstanding on defense.

1/2 cup shredded carrot
 1/2 cup chopped celery
 2 tablespoons chopped parsley
 1 tablespoon lemon juice
 Sprinkle gelatine on cold water to soften. Place over low heat; stir until gelatine is dissolved. Remove from heat. Blend soup with cream cheese; stir in gelatine and remaining ingredients. Pour into 1-quart mold. Chill until firm. Unmold; serve on crisp salad greens. Makes 4 servings.

1 can (10 3/4 oz.) condensed Cheddar cheese soup
 1/4 cup milk
 Dash nutmeg
 2 tablespoons buttered bread crumbs
 2 tablespoons slivered almonds
 Cook and drain broccoli. Place in 1 1/2 quart shallow bak-

ing dish. Stir soup; blend in milk, nutmeg; pour over broccoli. Top with crumbs and almonds. Bake at 350°F. for 20 minutes. Serves 4 to 6.

Terraces Assist Water Conservation

The conservation of water should be of primary concern to every citizen on the Plains of Texas.

Parallel terraces, like standard terraces, are designed to conserve water and assist in the control of erosion. The advantage of parallel terraces over standard terraces is twofold: (1) they are easier worked with modern equipment and (2) they provide more even water distribution.

Parallel terraces are easier worked because point rows are kept to a minimum. Parallel terraces are compatible with modern farming equipment. They can be designed so that four, six, or eight row equipment can be used to farm the terrace interval.

Parallel terraces are built from the back side or down-

hill side. This reduces the slope between the terraces greatly improving the water distribution over the entire terrace interval. All old washes and low areas are filled to eliminate excessive ponding and this also helps to improve the water distribution.

Cost share assistance is available through the Great Plains Conservation Program or the Rural Environmental Assistance Program.

Anyone interested in installing parallel terraces or other conservation practice such as land leveling, pasture planting, irrigation pipeline should contact a technician of the Soil Conservation Service or any director of the Lubbock County Soil and Water Conservation District.

TERRACES--Note the even distribution of rainfall with the use of these terraces on Merrill Trust land, four miles west of Slaton. Terraces are seeded and are not farmed with usual row crop farming methods. Photo was taken after a three-inch rainfall. (LUBBOCK CO. SCD PHOTO)

The fifteenth annual meeting of Plains Cotton Growers, Inc. will be held September 28 from 9:30 a.m. to 12 Noon at Vann's Catering Service, located seven miles southeast of Lubbock on the Slaton highway.

Organized in 1956 "to better the conditions under which High Plains cotton is grown and marketed," Lubbock-based PCG represents well over 20,000 cotton producers in 25 counties surrounding Lubbock. The area each year accounts for about half the cotton produced in Texas and over 15 per cent of total U.S. production.

Featured speaker for the event will be Kenneth Frick, Washington Administrator of the Agricultural Stabilization and Conservation Service (ASCS), and PCG Executive Vice President Donald Johnson is inviting all cotton producers and cotton oriented businessmen to attend. "And that should include just about everybody," he said.

"From the Washington office of ASCS come all of the cotton program rules and regulations that govern the day-to-day business of growing cotton for a livelihood," Johnson said, "and I think we can all profit from Mr. Frick's inside knowledge of top-level thinking as regards cotton's future."

Prior to accepting his present post in the U.S. Department of Agriculture, Frick was a sizable cotton farmer in California, "and he knows the business from every angle," Johnson added.

Another highlight of the morning program will be an all-cotton style show, staged by Kim Dawson of the Dallas Apparel Mart. Many in the Plains area have seen Dawson-produced style shows in the past and have been highly impressed. Models for the show will be from Texas Tech and will feature Miss Wendy Wooley, 1970 South Plains Maid of Cotton.

For the second year in succession the annual report of the President will be given by Donnell Echols of Lamesa. Echols was elected President of PCG in 1969, and under PCG by-laws is required to step down this year. Johnson, PCG's executive officer since 1965, will give the annual report on association activities. Valuable door prizes will be awarded at intervals throughout the meet-

ing, climaxed by the awarding of a portable color television set as the grand prize.

Immediately following the membership meeting, at which newly-elected directors will be certified, the PCG Board will convene to elect officers for 1971-72. PCG has two directors elected from each of its 25 counties. There is no limitation on the number of terms a director can serve, but the by-laws specify that no officer can serve more than two years in the same office.

In addition to President Ray Joe Riley of Hart, Vice President, and Paul Bennett of Littlefield, Secretary - Treasurer, Don Anderson of Crosbyton, current Chairman of the Board, will be succeeded automatically by the retiring president, Echols. The other three offices will be filled at the Board meeting.

Cesar Chavez' quasi-labor union, the United Farm Workers Organizing Committee (UFWOC), continues the vicious use of secondary boycotts to force agriculturalists and agriculture-related businesses in California to knuckle under to unprecedented, incredible demands.

UFWOC's latest efforts were directed, successfully, at Heublein, Inc. and some 1,700 grape growers associated with the company through the Allied Grape Growers of California. Heublein markets Italian Swiss Vodka.

The national boycott of Heublein products has pressured Heublein into a contract with UFWOC which, among other things common to Chavez-style contracts, requires that the company (1) cannot mechanize any job without union approval, (2) must pay four full time union people to enforce the contract, (3) must pay the equivalent of one day's wages for each worker in a UFWOC political and legislative action fund each year, (4) must pay 10 cents per hour per worker into the Robert F. Kennedy Farm Workers Medical Fund and 5 cents an hour to the Farm Workers Fund, and (5) must pay a premium for union-harvested grapes.

That any employer would agree to such terms seems unbelievable to West Texas farmers. And it is stark testi-

The 1972 regular Chevrolets have added distinction plus strong emphasis upon quality. There is a new squared-off look to the front with a lower grille and individualized headlights. This luxury Caprice has a special large grid grille, full length side moldings with a color insert plus exclusive interior appointments. All regular Chevrolets have stronger front and rear bumpers. Variable ratio power steering and power brakes with front discs are standard. Turbo Hydra-matic transmission is standard on regular V8 models. Introduction date for all 1972 Chevrolets will be Thursday, September 23.

Keeping a promise to continue its styling, Chevrolet's fast selling economy car adds interior refinements such as a glove box and a perforated headliner for all models. Standard front disc brakes, steel side door beams and an exclusive aluminum overhead cam engine are among Vega's features. 1972 Chevrolets will be introduced September 23.

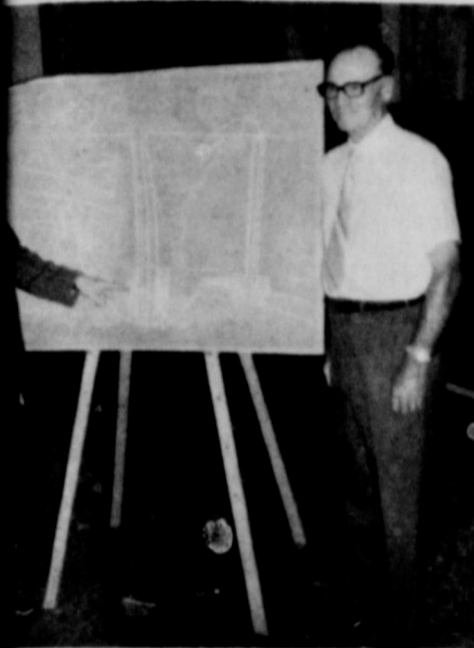

Chevrolet's personal luxury car has a new wider grille and parking lights set between the grille and Power-Beam headlights for 1972. A bright center windshield blends into the six-foot long hood. Variable ratio power steering and power disc/drum brakes are standard. Luxury interiors, rugged body and chassis components and agile handling contribute to Monte Carlo's steadily increasing sales. All 1972 Chevrolets will be introduced Thursday, September 23.

mony to the unbridled power being amassed by "Little Cesar." purposes can be stopped," says Donnell Echols of Lamesa, President of Plains Cotton Growers, Inc., "it is only a matter of time until West Texas farmers and all other farmers will be victimized in the same manner." er Executive Speaks Here

Frank Rayner, president of the High Plains Water District, was the guest speaker at the Knights of Columbus meeting Sept. 13. He explained the five holes being drilled on the Ray Kitten farm west of Slaton. The purpose is to seek an economical way to put lake water underground.

Rayner stated that, as of now, they had not been able to find any method that would work. Ideas are being solicited on the project. Anyone having an idea as to how this could be made feasible is requested to pass it on to one of the board members or to Rayner.

Approximately 50 members attended the meeting.

Max Thomas Enters Cattle In Fair

THE WATER UNDERGROUND was the topic of Sept. 13 when Frank Rayner, president of the High Plains Water District, spoke to the Knights of Columbus. He indicated holes drilled on the Ray Kitten farm, west of Slaton, right, is shown observing during the

LUBBOCK -- Max Thomas of Rt. 2, Slaton, will have four animals entered in the 54th annual Panhandle South Plains Fair, which opens for a week-long run Monday, Sept. 27.

Thomas will be competing in the Junior Hereford competition. More than 300 head of cattle will be exhibited in this year's fair, competing for a total of \$560 in prizes for the various classes. Extra prize money will also be awarded winners from the American Hereford Association for heifers calved after March 1, 1970.

Fair Park Coliseum features this year includes Tennessee Ernie Ford Sept. 27-28 and 29, Lucha Villa, Jose Alfredo Jimenez and the Mariachi Guadalajara will be at the coliseum for a one-night stand Sept. 30. Merle Haggard and his wife Bonnie Owens and The Strangers, with country-western singing, will round out the coliseum hits Friday and Saturday. Show times are 5:30 p.m. and 8:30 p.m. daily.

Seventy-two percent of the earth's surface is water.

CROP FAIR SET FRIDAY

The Cooper FFA Chapter will hold its annual crop fair Friday. FFA members will exhibit various crops from the immediate area, and about 450 entries are expected.

The crops will be judged during the morning and will be on display to the public during the afternoon, in the agriculture building. Everyone is invited to see the display.

The better entries will be taken to the Panhandle South Plains Fair. There will also be entries in livestock and shop projects. The exhibitors of livestock will be Doyle Buckemper and Kevin Jones, according to Randy Hagens, reporter for the Cooper FFA Chapter.

STATE Capital NEWS

A major court decision last week left up in the air the question of how Texas is to achieve a valid reapportionment act for both houses of its legislature before next year.

State Supreme Court agreed with an August 2 Austin district court finding that a House redistricting bill passed this year is unconstitutional because it unnecessarily split up 23 counties.

The decision left unanswered how the bill should be corrected or if it should be redone before 1973. Basic questions are these:

- * Should House reapportionment and State Senate redistricting (left untouched by the Legislature) be the subject of an emergency special session?
- * Should the five-member constitutional Legislative Redistricting Board take on the job, since no valid reapportionment was done by the Legislature in the first regular session after the 1970 census?
- * Should the Legislature forget about reapportionment before 1973 elections and wait until the 1970 census statistics are all complete and published?
- * Gov. Preston Smith and Atty. Gen. Crawford Martin once more are on opposite sides of a controversy.

Smith says the Redistricting Board has the "duly constituted responsibility" under the constitution to redistrict, and a special legislative session on reapportionment would be unnecessarily costly.

Martin stated in a brief before the Supreme Court a special session "would seem the only correct possibility, but this, too, could become the subject of litigation."

A High Court ruling in another case challenging the Redistricting Board's authority may hold the key as to whether it can proceed, whether the Legislature must take over now or check the task until 1973.

A note of urgency is injected into the issue by the fact the Board is directed by the constitution to do whatever it is going to do by late October. Furthermore, legislative candidates appear to face a Nov. 7 deadline for establishing residence in the district they choose to represent.

ANTI-POLLUTION PERMIT USED--Texas Air Control Board has put into operation a far-reaching construction permit system to help control and prevent air pollution.

Since August 30, any industry that will emit air contaminants into the atmosphere must get a Board permit before starting any construction. Similar permits are necessary to modify or change existing contaminant-causing facilities.

Permits apply to specific, individual manufacturing processes, not entire industrial plants or complexes. Exceptions for minor contaminant-causing plants will be listed later. Applicants have 60 days after construction is completed to apply for operating permits.

HEALTH STUDY ON--New studies to find ways of meeting health service, staff and facility needs of Texas' rural population will be undertaken by the Research Institute for Systems Development at Texas A&M University.

The study will be conducted in the West Central Texas area, centered around Abilene which has both rural and urban characteristics typical of many regions.

Fewer than half of Texas' 492 hospitals meet federal medicare requirements for health and safety, so the project will focus on health facilities and services considered below medicare standards.

APPOINTMENTS--Carl E. F. Dally of Houston and District Judge Tom G. Davis of Vernon are new commissioners on Texas Court of Criminal Appeals.

Six directors and two assistants to the executive office of Texas Parks and Wildlife

Department were named this month. They are:

Roy T. Huffman, director of current operations; George H. Cook, assistant for legis-

lative affairs; George C. Adams, assistant for land acquisition; Ron D. Jones, director of planning; John D. Macklin Jr., director of per-

sonnel and administration; Richard A. McCune, director of information and education; Samuel W. Kendrick Jr., director of support services and Clayton T. Garrison, director of finance and data processing.

John D. Townsend has been named assistant commissioner for planning and coordination for the State Department of Public Welfare.

Governor Smith named James D. Eppright of Dallas to the Texas Tourist Development Board and reappointed Dan Sanborn, McAllen, He appointed to the State Board of Dental Examiners Dr. William J. Kemp of Haskell, Donald L. Brunson of Baytown, James S. Rogers of

Amarillo (six-year term); Dr. Sam H. Rabon of Kingsville (four-year term) and James E. Bauerle of San Antonio (two-year term).

\$150 MILLION BOND ISSUE POSTPONED-- University of Texas regents postponed until October 22 consideration of an overall plan for marketing the first block of \$150 million in bonds authorized for new college construction.

About \$30 million in bonds apparently will be sold by December. They are backed by tuition revenues. Money will go to build new institutions of UT at San Antonio, Dallas, Houston, Odessa and El Paso. The bonds were authorized by the 62nd Legislature this year to build newly-authorized institutions.

D.A. STUDY PENAL CODE-- District and county attorneys have launched their own committee study of needed changes in the penal code. They fought a sweeping, controversial revision of the code during the legislative session this year.

District Attorney Tom Hanna of Beaumont was selected as chairman of the committee in the first meeting last week. Prosecutors indicated they prefer a simplified, "more responsive" new code to the version introduced in the 1971 Legislature which had been five years in the making.

with Eastman hitting 1 of 3 for 21 yards and having one intercepted, Steve Nieman hit 1 of 2 for 14 yards. Both quarterbacks were trapped for losses several times.

Kermit took the opening kickoff, but neither team could move on their first possession. Following a 41-yard punt by Kitten, the Jackets started a drive from their 42. Three running plays and a 11-yard pass carried to the Tiger 27. From there, Franks broke around the right side and dashed for a score. The kick was no good and it was 6-0 with 5:15 left in the opening period.

Early in the second period, a 51-yard punt by Kermit put Slaton in the hole at its own 6. Slaton punted out to the Tiger 39, and Kermit launched another scoring threat. In six plays, the Jackets moved to a first down on the Tiger 2. A penalty moved Kermit back to the 7 and three plays netted only three yards. On 4th down, Winchester and Jaynes got the quarterback for an 8-yard loss and Slaton took over on the 13.

After an exchange of punts in the third quarter, Slaton got a break when Winchester jarred the ball loose from the quarterback and Jaynes recovered on the Kermit 34. On Slaton's second play, however, an Eastman pass was picked off by the Jackets.

After Kermit punted to the Slaton 23, the Tigers cranked up a drive -- aided by a roughing-the-kicker penalty against Kermit. The penalty gave Slaton a first down on the Tiger 47, then Tony Martin made a fine catch on a 21-yard pass from Eastman.

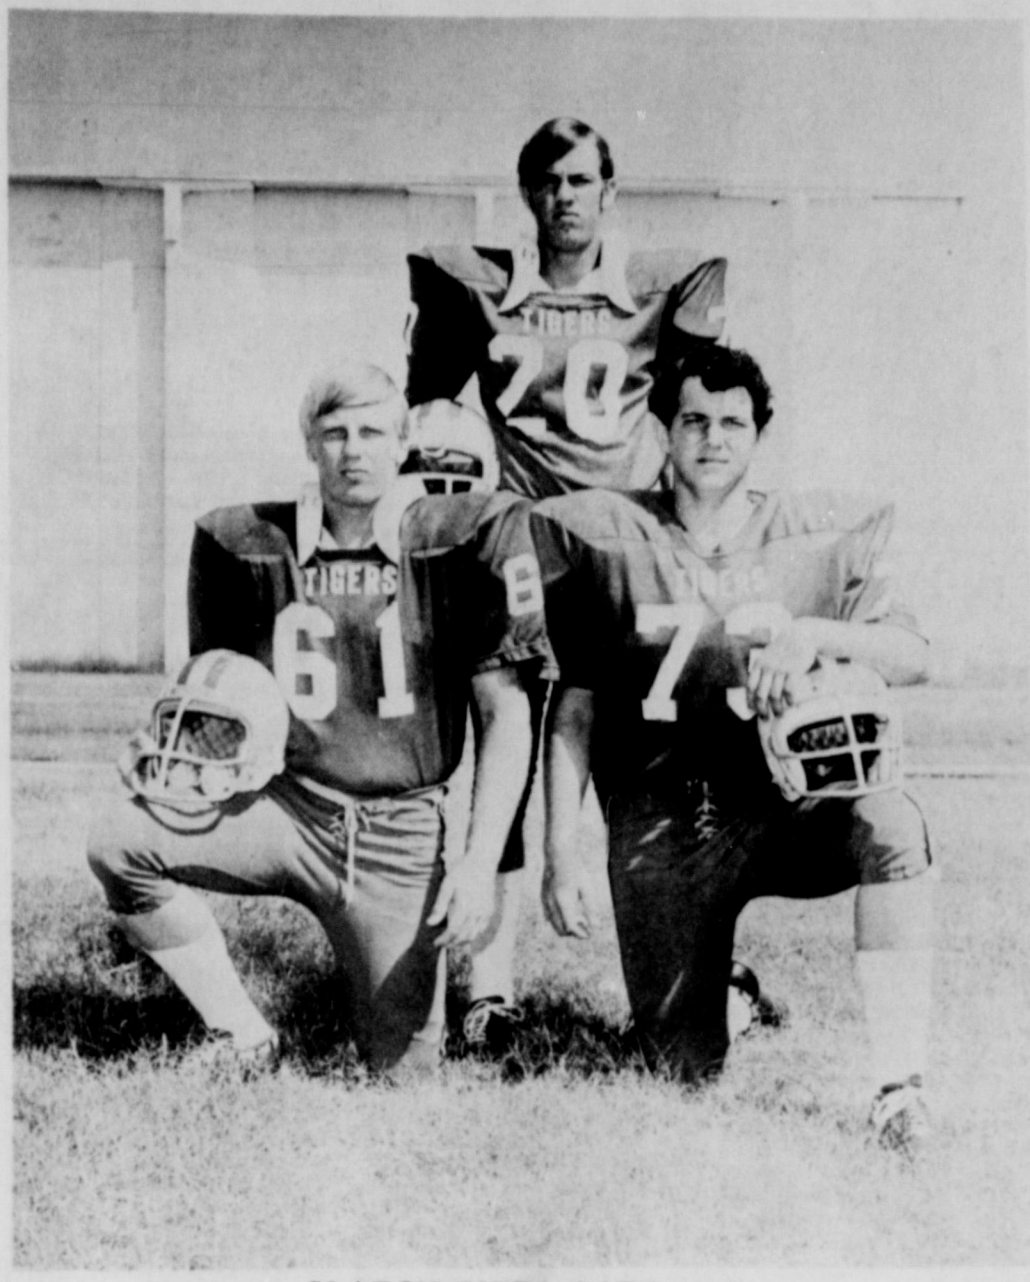

With Bartley pounding out most of the yardage, the Tigers moved to the Kermit 19. Eastman hit Lamb with a pass to the 4-yard line, but a motion penalty brought it back to the 24. A pass interference got Slaton a first down on the 14. Bartley almost broke, getting 8 yards to the 14. Schuette got a yard, then Kermit was offside and the Tigers had 1st and goal from the 3.

Schuette hit the left side for 2 yards, then was stopped for a yard loss trying to hit outside left tackle. Schuette hit outside the right side and was stopped about the two-foot line, and Eastman was stopped inches short on a 4-th -down try on the right side.

A 49-yard kick helped get Kermit out of the hole, then the Jackets got a scoring opportunity on a Slaton fumble. Eastman was hit while fading back to throw, and Kermit got the ball on the Tiger 24. The Tiger defense held, however, pushing Kermit back and taking over on the 30.

Slaton got a first down to the Tiger 44, then Nieman connected with Leslie Melcher down the middle for 14 yards. Schuette got 5 yards to the Kermit 37, then a fumbled snap was recovered by Kermit to halt the drive on the 34.

Kermit had a bad snap on a 4th-down punting situation, and Slaton took over on the jacket 28 with less than a minute left in the game. Nieman just missed Melcher in the end zone on the first play. He was stopped for a 3-yard gain after failing to spot a receiver, then Kermit grabbed the quarter-back for a 5-yard loss on the last play of the game.

Cooper Edges Eagles, 14-7

Panel Hit By Grid Upsets?

The Class A Cooper Pirates knocked off the 4-AA Roosevelt Eagles at Woodrow Friday night in a close 14-7 non-district grid clash.

The two Lubbock County teams battled on almost even terms in the first half, with Roosevelt taking a 7-0 lead and the Pirates bouncing back to grab an 8-7 advantage at halftime.

Heavy rains hit at halftime and the second half was played under bad weather conditions on the soggy field. Cooper scored an insurance touchdown in the fourth quarter when Bobby Caudie intercepted an Eagle pass and went 20 yards for the six-pointer.

paydirt in the first quarter on a reverse, recording the Eagles' only touchdown. He also added the extra point.

Cooper tallied in the second period when Junior Martinez broke from 20 yards out. Jay Wimmer added a two-point conversion to give the Pirates a slight edge, 8-7.

The victory was two in a row for the strong Cooper team, while Roosevelt evened its record at 1-1. Roosevelt will host the Spur Bulldogs Friday in the final non-district game. Cooper goes to New Deal this Friday, also playing a non-district game.

The Fearless Forecasters didn't fare so well in predicting the winners in 12 grid battles last week, with the consensus picks coming out at 50 percent.

Dee Bowman, who trailed the first week, and Pete Williams each picked 7 of 12 to lead the panel. Speedy Nieman managed only a 6-6 mark for the week, while Bill Ball and Jim Newhouse fell to 5-7 marks.

After two weeks, Nieman and Williams have hit 16 of 24 for a .667 percentage, followed by Bowman at 15 of 24 and a .625 average.

The 12 games this week again come from action of 4-AA clubs, along with some Southwest Conference teams.

PP&K Contest Set Here On Oct. 2

Daylight Saving Time was originated in Paris in 1740 by Benjamin Franklin.

There is just one short week remaining for boys in Slaton to register for the local Punt, Pass & Kick Competition. Smith Ford, Inc., sponsoring the popular youth activity in this area, said that registrations would be taken through Friday, Oct. 1. The Slaton PP&K Competition is scheduled for Saturday, Oct. 2, 9:30 a.m. at the Tiger practice field.

"Although time is growing short, any boys 8-13 years of age can still compete," said Steve Smith. "All he needs to do is come into our showroom, accompanied by a parent or guardian, and fill out the PP&K registration form. There's no entry fee or charge of any kind, and that goes for all six levels of competition, up to and including the national finals."

The Ford Dealer pointed out that 1st, 2nd and 3rd place trophies will be awarded in the local competition in each of the six age groups. Increasing the boys' chances of winning one of the 18 trophies is the fact that each boy competes against other boys his own age. And since there is no body contact, a boy's size is not as important as his ability to punt, pass and place-kick for distance with accuracy.

"Winners can keep right on going up through the zone, district, area and division contestants to the national finals," the Ford Dealer said. It's possible that one or more of our local winners could wind up in the finals, which this year will be held at the Super Bowl Game on January 16. Here finalists and their parents as Ford's

guests will take a special tour of fabulous New Orleans, enjoy a Banquet of Champions celebration, and have the chance to meet some of the top professional players and coaches. "Registering for PP&K right now in our dealership could mean all that for some youngster or youngsters here in Slaton, but they should register right now," the dealer concluded.

When he registers, each boy gets a free PP&K Tips Book. It contains helpful pointers from the pros on punting, passing and kicking. In the '71 edition are suggestions from NFL stars Dave Lewis, John Brodie and Curt Knight, plus Coaches of the Year Ron McCafferty and Tom Landry. Complete PP&K rules and suggested conditioning exercises for contestants are also included.

This is the 11th year PP&K has been sponsored by the Ford Dealers of America and the National Football League. In that time more than 7,000,000 boys have taken part in PP&K, making it the biggest and best youth activity of its kind in America.

TEAMS PLAY HERE TODAY

Tiger JV Loses, Frosh Win Opener

Slaton's junior varsity and freshmen Tigers divided decisions with Frenship here Thursday night -- the JV losing a 14-6 decision and the freshman winning a 24-12 contest. It was the opening game for each team.

The JV will host the Estacado Sophs at 4:30 p.m. today at Tiger Stadium, while the freshmen play the second game at 6:30 against the Ralls freshmen.

Frenship took a 6-0 lead at halftime in the game against the JV Tigers last week. Slaton tied it up in the third period when George Whaley dashed 41 yards for a score. Frenship put the winning points on the scoreboard in the final period.

Coach Bill Shaha was pleased with the defensive work of the junior varsity. Guard Hector Alvarado, linebacker Mike Busby, end Craig Mann and half-back Steve Buxkemper were standouts. The offensive line blocked well with Whaley, Sam Clemmons and Greg Sokora turning in some good running.

Frenship scored first in the freshman game, but Slaton bounced back with a safety and touchdown to take a 10-6 lead

at halftime. Frenship got the lead again at 12-10, but Slaton scored again in the third and fourth quarters to nab the triumph.

Both of Slaton's touchdowns in the second half came on pass interceptions. Lupe Valderaz picked off one late in the third period and returned it 60 yards for a score to give the Tigers the lead. Bobby Hightower swiped a Frenship pass in the final period and dashed 70 yards for a score to insure the victory.

Slaton's first points came on a safety in the second quarter when Ronnie Valdez tracked a Frenship back in the end zone. Minutes later, Simon Gonzales set up a score with a 25-yard run, then got the touchdown on a 9-yard run. Gonzales ran for two to give Slaton a 10-6 lead at that point.

Family SHOPPING BAG

ITEM: If you like to shampoo your hair in a lavatory bowl instead of under the shower, here's good news for you: A lavatory bowl is now available with your comfort and convenience in mind. There's a flexible spray arm at one side. The swing-away faucet is at the other side instead of the more common center location. This virtually eliminates the hazard of bumping your head as you shampoo. Because the faucet is "out of the way," the spacious lavatory bowl can also be used to bathe the baby.

ITEM: Want to give a bachelor friend something ideal for any occasion? Introduce him to disposable broiler pans that he can discard after using to broil juicy steaks and huge hamburgers. Or for a sharp present, consider carving utensils. When you give both, the host's skill as well as meat are well presented.

CHURCH NEWS
St. Paul Lutheran Church is holding a Midweek School for the community children. Rev. Ascher reported 15 students kindergarten through third grade, and eight in the fourth through seventh grades.

An aftergame fellowship was held in the First Baptist Church Educational Building after the game Friday night against LCHS. About 60 students attended. Entertainment was provided by a group from Texas Tech.

Visitors Sunday at First Baptist were Marcia Conger of Denver City and Fred Linton of Denver City.

It is possible to seat five people at a table in 120 different combinations.

Ocean waves have been known to go as high as 80 feet.

On a postman's uniform a red silk star means 15 years of service.

"Guest" Is Theme For Assembly of God Church

School members of the Assembly of God Church, are inviting their neighbors to the "My Guest" Sunday School, September 3 through 5. Each person being invited will receive a printed invitation. Those doing the inviting will be responsible to see that his guests receive the "red carpet treatment" upon arrival in the Sunday School.

A guest book is to be compiled, showing the names of all visitors during the five week effort.

As an assistant to the pastor, Tommy Burrow, Sunday School superintendent, is organizing the staff and members to carry out the activities of the campaign.

Planned Moore's

Moore, who has been pastor of First Baptist Church here for the past several years, will preach Sunday as pastor of the church.

Mrs. Moore and Mrs. Cheryl, 16; Mrs. Melody, 13; will be guests of a fellowship dinner at the church Wednesday night at the church.

Other church members and friends are attending will be Mrs. Moore and Mrs. Cheryl.

WCSA Hears "Freedom of Expression of Faith"

The Women's Society of Christian Service of the First United Methodist Church met at Monday noon in the fellowship hall, when Mrs. Leroy Holt presented the program, "Freedom of Expression of Faith", with scripture reading from Colossians 3:16.

Twenty-two members were present, with one new member, Mrs. George Gamble, and one guest, Mrs. Paul Winterrowd.

Mrs. Nan Tudor presented the devotional "Surely Goodness and Mercy", using Psalms 23 and "God's Psychiatry". Mrs. R. H. Todd closed the meeting.

The group will meet again Monday at 9:30 in the Chapel.

Silvia Vigil Rites Saturday

Silvia Vigil, 24, of Lubbock, sister of Homer Vigil of Slaton, died Thursday at St. Mary of the Plains Hospital.

Rosary was said Friday at 7:30 p.m. at W. W. Rix Chapel, and mass was said at 10 a.m. Saturday in Our Lady of Grace Catholic Church, with Rev. Curtis Halfmann officiating. Burial was in Peaceful Gardens Cemetery.

Other survivors include her mother, Mrs. Stella Garza of Lubbock; her father, Remigio Vigil of Chicago, Ill.; two other brothers, Eloy of Lubbock and Gilbert of New York; and three sisters, Mrs. Elia Sandobal of Laredo, Mrs. Margaret Raymond of North Dakota, and Miss Thelma Vigil of Lubbock.

Former Resident Succumbs

Mrs. Lillian Ethel Baxter Foster, 89, a Fort Worth resident, formerly of Slaton, died August 6 in the Big Town Nursing Home. She and her husband, D. C. Foster, had the funeral home in Slaton before Williams. Mrs. Foster was also superintendent of the Primary Department of First Baptist Church at that time.

Services were held August 8 in the Goen Funeral Home Chapel with the Rev. C. D. Carpenter of Argyle Baptist Church officiating.

A past member of the Eastern Star, Mrs. Foster was a member of First Baptist Church of Denton.

Survivors include several nieces and nephews, and a step-granddaughter. Burial was in the IOOF Cemetery.

SUNDAY'S SERMON

FAITH

Some of us take religion and faith for granted. We attend church regularly. We show our best side to the world. . . until something goes wrong. When trouble comes, we may despair much too easily, failing to call upon faith, content to send out a single cry for help.

If we have faith, if our belief in God is strong, we will not soon quit the fight. We will believe that help will come if we help ourselves.

God wills a life of happiness and eternal salvation for every man. The pathway to a good life, to salvation, was clearly marked in the life of Christ upon earth. Even this life was not free from temptation, not without trouble and turmoil, to the point of death. We shall not be called upon to face death for the faith we profess, but we shall have moments when our faith needs to be strong, needs to be proclaimed. When that moment comes, we should stand firm, knowing that we are the children of God.

BIRTHDAY HONOREES---The ladies seated, Mrs. Edith Drewery, Mrs. Annie Peterson and Mrs. Ida Day, were three of the seven Nursing Home residents honored Wednesday at the monthly birthday party. Standing are Mrs. O. E. Lankford, Mrs. Annie McWilliams and Mrs. W. W. Clark, members of the Auxiliary that sponsors the parties each month.

ENJOYING THE PARTY Wednesday at the Nursing Home were these ladies in the "wheelchair line-up". Right to left are Mrs. Mary Sides, Mrs. Rose Patterson, Mrs. Lucy Butler, Mrs. Lutie Geer, and Mrs. Noble Cummings.

Nursing Home News

by Bobbie Hogue

A birthday party was held Wednesday in the lobby, honoring seven of our residents. Honored were Mrs. Edith Drewery, Annie Peterson, Ida Day, Annie Gentry, Lulu Reed, Robert Vanneman and Clarence Johnson.

The Ladies Auxiliary brought birthday cake and served punch to 26 residents, who came to the lobby to help celebrate.

Mrs. Audie Wilson came out Wednesday evening and gave manicures to the ladies. We appreciate her for devoting this time to us.

Our collection of green stamps is beginning to grow. Donations of stamps this week came from Betty Hughie, Mrs. C. A. Hamlin, and Mrs. Annie Gentry. We need about seven more books for our record player. Some of our residents are bedfast, and they really enjoy hearing sacred music, even though they cannot come to the lobby for their entertainment.

If you would like to help us out, you may leave your stamps at the nurse's desk or at the office. Be sure and put your name on them, so we will know who to thank.

We really appreciate our local clergymen who come out faithfully and bring a 15 minute devotional just before lunch each day.

We still have a few of our residents in the hospitals. We are looking forward to having them back with us again.

Mrs. Bobbie Greer is doing a wonderful job as our new administrator. Our new assistant is Rev. Baggerly. We find these two to be wonderful people to work with.

We are having fun with our crafts. Those who said, "I can't" are now saying, "I Can". Soon we will be selling some of our crafts, which the residents make. The money we make on these items will be spent on more craft materials.

A couple from First Baptist Church in Lubbock brought special music Sunday and presented a chalk drawing on "The Coming of Christ".

Brother Eastman brought a good sermon Sunday evening, and a group of folks came out and sang hymns for the service.

Mary Helen Champion is working with us again. She recently graduated from LVN nurses training. We welcome her back home.

Until next week -- here's another little thought, "Patience is the ability to keep your motor idling when you feel like stripping your gears!"

The S.S. Savannah was the first steamship to cross the Atlantic.

We are fifty states, but a single nation. We are free to move about, unhindered, as we choose. In our cars and campers, we take to the great highways, to the mountains. We seek serenity, the beauty of the hills, the landmarks of history. It is a great life that we have, a great country that we share. Let us all be thankful.

Snapshots Can Aid in Fire, Theft Recovery

AUSTIN, Sept. 21 -- A couple of rolls of film for the family camera and a couple of hours of your time can save you dollars and heartache in the event of a fire, natural disaster or burglary in your home or apartment the Texas Insurance Advisory Association (TIAA) advises.

"The safest way to guard your possessions and secure their replacement or assist in their return in event of a burglary is to make an inventory

of all possessions including the serial numbers of all major appliances, television sets, guns etc," Mr. Tom Lee, general manager of TIAA said. "A secondary help is to take snapshots of each room in your home from every angle to show all possessions. These snapshots can be used as proof of loss in filing claims with insurance companies in the event of the loss or theft of your household goods."

The snapshots and inventory

should then be kept in a safe place away from your home, such as a safe deposit box, so that in the event of a disaster, they are not lost or destroyed with the rest of your possessions.

Burglary has become a big business in Texas over the past few years -- a business that rakes in a profit of approximately \$133,000 per week. This figure represents residential burglaries only and does not include the burglary of bus-

inesses -- and this is just in Texas.

"The annual loss suffered by the victims of residential burglary and their insurance companies adds up to well over \$7 million in Texas alone," Mr. Lee pointed out. "Much of this could be prevented with the proper preventive measures."

Leaving a note on the door telling when you'll return or where the key is hidden is all the invitation a burglar needs, and once he picks his "customer" and successfully completes his "business" there is

little chance of recovery of the property. The inventory and snapshots can be of invaluable assistance in these instances.

The TIAA also urges against keeping large amounts of cash and expensive valuables such as jewelry in dresser drawers or other easy-to-spot places. Put them in a safe deposit box for safekeeping. The Association also cautions that although insurance against theft is included in all homeowners insurance policies, you should consider separate coverage for items of high value such as furs, jewelry, cameras and antiques.

Remember, the TIAA cautions, losses that do not occur do not result in insurance claim payments nor in unrecoverable expenses like inconvenience, time spent in finding replacements for stolen property, etc. Lower overall claims payments are reflected in a reduced need for premium increases. Therefore, by taking precautions against burglary and fire loss, you can assist in efforts to lower property insurance rates.

Accidents On Lubbock County Roads in August

Highway Patrol reports show a total of 308 accidents in Lubbock County during the month of August, resulting in 12 persons killed and 161 persons injured. The rural traffic accident summary for the 60 counties of the Lubbock Department of Public Safety Region for August, 1971, shows a total of 581 accidents resulting in 25 persons killed and 400 persons injured. This was 17 more accidents, 13 less fatalities, and 76 more injured than during

July. The 25 traffic deaths for the month of August, 1971, occurred in the following counties: Wise, five; Gray and Potter, three each; Garza, Hale, and Carson, two each; Baylor, Crosby, Montague, Parker, Briscoe, Castro, Randall, and Roberts, one each.

The knot, or sea-mile, is about one and one-sixth land miles.

Students Receive Security Benefits

More than 500,000 students are presently receiving benefits from social security each month under the child-student provisions of the law, John G. Hutton, district manager of the Lubbock office, reported.

Children, between the ages of 18 and 22 who are unmarried and full-time students in an accredited school, are entitled

to these student benefits on the accounts of their insured parents, he explained.

Hutton stated that one out of every 12 students attending school is receiving assistance toward the advancement of his education as a result of these benefits. Students attending professional and business schools, as well as educational institutions, may qualify for these benefits.

Hutton said that many children eligible for student benefits, as well as routine children benefits (under age

18), may not be getting them because of a failure to understand amendments which were enacted in 1967.

Prior to February 1968, a child could qualify for benefits on his mother's account only if the mother was currently insured (work six quarters in the 13-quarter period prior to her death) or she was contributing more than one-half of the child's support when she died.

The amendments allow a child to qualify on his mother's account if she was fully insured

at the time of her death, the same provisions under which the child may qualify on his father's account.

Hutton emphasized that any student eligible for benefits on his mother's account and presently not receiving them should contact the nearest social security office by phone or in person to file the necessary application as soon as possible.
