BIRDS-EYE VIEW OF SPRAYING FIELD -- A Slaton Flying Service plane sprays Tiger Field Tuesday to keep mosquitoes from eating the football players. This view from above was shot from a helicopter hovering above the spray plane. The chopper was piloted

by Roger Evans for the benefit of the photographer, Lenda Wood of the Slatonite. The field is scheduled to be sprayed again Friday prior to the Kermit-Slaton game for mosquitoes, Yellow Jackets and other flying varmints. (SLATONITE PHOTO)

EVENT SET TUESDAY

Farmers Urged To Get Tickets To Barbecue

Farmers in the Slaton trade territory were reminded this week to get their tickets to the 15th annual Farmer-Merchant Barbecue scheduled for next Tuesday night at Babe Ruth park in Slaton.

Tickets are free to farmers, courtesy of the merchants in the city, and may be obtained at the gin where farmers trade. Seventeen ginners in the area, including Roosevelt, Cooper and Wilson regions, are included in the annual event.

One highlight of the program will be the announcement of the Outstanding Farmer. Glen Akin, chairman of the Slaton Chamber of Commerce Agriculture Committee, said one annual event, the presentation of the cotton harvest award for the first area bale, probably would not take place, since nobody is expected to get a bale

out by next Tuesday.

Door prizes donated by merchants also will be awarded. Dee Bowman will be master of ceremonies and entertainment will be by "The Old Masters of Swing," minus a couple of regular members and plus a couple of Slaton residents who ordinarily are not members of the group.

Bob Kern on trombone and Noel Dickson on drums are the special added attractions. Regular members of the band who will be on the program include Dr. Clovis Clough, Dr. Gale Seigler and Dr. Wayne Alford, all of Plainview; Jack Sutton of Silverton; Art Ratzlaff of Floydada and Dalton Wood of Slaton.

Welcome address will be by Don Kendrick, C-C president, and farmers' acceptance will be by Clarence Kitten.

Two Arrested Near High School

Two suspects were captured near Slaton High School Friday night after officers received a report of prowlers. Officers took two young men, age 19 and 20, into custody. They found evidence of forcible entry into a car on the school parking lot, and an apparent attempt had been made to remove a tape deck.

The two were turned over to county authorities, but no charges had been filed as of Wednesday.

Walter Lee Denzer, Route 1, reported theft of a case of 15 to 20 tapes from his car on Monday. And Edward DeLeon said seven cases of empty pop bottles were stolen from his garage at 800 E. Lubbock Sunday.

John Ruiz, 1320 S. 6th, complained that someone broke out three windows in his home, and a resident on Powers St. said he fired shots at an unidentified person who threw an article through a window at his home about 10:30 p. m. Saturday.

A 1962 car parked across from the police station Friday was struck by a panel truck which left the scene. About \$25 damage was estimated to the parked car belonging to Albert Patterson of Lubbock.

Broom Sale Planned By Slaton Lions Club

Slaton Lions Club will conduct its annual broom sale next Thursday, Sept. 21, with Edwin Knight as chairman of the sale. Members of the Lions Club will go door-to-door in business and residential areas,

City Eying Budget For Coming Year

Slaton City Commission Tuesday night discussed a project budget for the coming year which would total expenditures of \$554,869. The group also discussed regulating garage sales and approved installation of a "Flame of Freedom" marker downtown.

The proposed budget, broken down into various departments operated by the city, was discussed at length and commissioners and Mayor Bland Tomlinson appeared in agreement that it was drawn up about as well as could be hoped in the face of expected needs during the 1972-73 fiscal year which begins Oct. 1 for the city.

The budget figures were prepared in detail and presented by City Secretary Alex Webb, who was praised by the commissioners for "an excellent presentation."

Anticipated income from all sources during the year ahead was set at \$547,239, less than the expected expenses, but Webb explained that a cash balance of \$62,996 is expected at the end of this fiscal year Sept. 30.

Public hearing on the budget is scheduled for Sept. 26, the next meeting of the commission.

Webb noted that the city faces an outlay of some \$82,000 next year for debt retirement, an unusually large amount, but that after this obligation is met, money needed to retire bonds the following year will only be about \$42,000. During this current year, a 1952 bond issue of \$71,924 for park and swimming pool construction was retired. Bond issues voted in 1953 and 1957 on sewer and water works and in 1958 on street improvements are to be retired next year.

Commissioners voted to close Knox Street between 3rd and 4th at the request of representatives of Our Lady of Guadalupe Church, and also at the church's request voted to extend the usual midnight curfew on a public dance to 1 a.m. Saturday for benefit of the Friday night dance included in the annual celebration of Mexican Independence Day.

An ordinance governing garage sales in the city is to be drawn up for consideration by the commission on Sept. 26. Mayor Tomlinson suggested strict regulation, including no more than two sales per year per person, and no more than two days in any one sale, plus

requiring a \$3 garage sale permit for each sale. Excluded from some of the rules would be "legitimate" charitable organizations.

"Many people are having a garage sale every week or two, exceeding the lawful authority of selling without a tax permit, and hurting those legitimate second-hand dealers here," Tomlinson commented. Other commissioners agreed they had observed numerous spots where garage sales appear to be going on continuously.

Capt. Jeff Creager introduced a new city patrolman, Steve Mild.

A proposal by an outside firm to take over garbage collection in the city was discussed, but no action was taken pending further study. Commissioner Eugene Mask

requested more city maintenance in the form of mowing weeds and filling chugholes in Ward 4. Commissioners in other wards also noted the need for more weed-cutting.

The commission approved erection of marker with an "eternal flame" on a patriotic theme, with the project to be paid for and handled jointly by the American Legion and Veterans of Foreign Wars organizations here. Delmar Tucker represented the groups. The marker is to be six feet high and will be located on the city square.

Commissioners made no mention of an existing vacancy in the post of city police chief, but Mayor Tomlinson said after the meeting that applications are being received and are being studied.

Slaton's Tigers, after finding Brownfield's Cubs more like grizzly bears, will play host to another Class AAA toughie when Kermit comes to town for the first home game of the year Friday night in a game which starts at 8 p. m.

Kermit, which nosed out Alpine 10-7, is another big and strong club, members of Slaton Tiger Club were told Monday morning. Assistant Coach Jackie Stewart, who scouted Kermit with Kenneth Housden, said the Yellowjackets were about the same size as Brownfield, with an especially good middle linebacker and 215-pound running back.

"They run a lot of power plays from an I formation," Stewart said.

Brownfield scored two touchdowns in the first quarter, driving for the scores on its first two possessions, and went on to cross the Tiger goal line seven times in winning the opener 45-0. The Tigers, on the other hand, showed some flashes of promise on offense and once in the second quarter drove to the Cub 15, before an interception killed the threat.

Sophomore Quarterback Eddie Jones handled the ball well for his first action in a varsity game and at times threw well, completing 7 of 14 for 58 yards, with two interceptions. Slaton's running game, however, was ineffective, totaling only 72 yards, aided by an 18-yard scramble by Jones on the last play of the game, which was

Slaton's longest run from scrimmage.

Defensively, Greg Sokora at line backer and Ron Bartley at safety turned in good games, with Sokora credited unofficially with being in on 13 tackles and Bartley 10. Bartley also recovered one Cub fumble and intercepted a pass. Brownfield's Hilton Jackson, 178-pound junior tackle and Richard Pitts, 200-pound guard, thwarted a large number of Slaton running efforts.

Brownfield took the opening kickoff, which went out of bounds on the Cub 38, and drove to a touchdown scored by HB Lynn McWilliams on a 3-yard run. A kick was no good and the Cubs led 6-0 with 8:12 left in the first period. Three minutes later, Brownfield had another touchdown, as McWilliams broke free on a 44-yard journey down the left sideline, making it 12-0, after another missed kick.

A third Brownfield drive in the first period was halted by Bartley's interception at the Tiger 20. From there, Slaton drove to its deepest penetra- (See FOOTBALL, Page 6)

Vows Read In Kansas Church

Miss Barbara Wasman became the bride of Richard Miller at 7 o'clock Aug. 13, at First Christian Church, in Anthony, Kan. Rev. James Fowler officiated at the double ring ceremony.

The bride is the daughter of Mr. and Mrs. DeWitt Whisman of Anthony, Kan. Parents of the groom are Mr. and Mrs. Ray Miller, of Slaton.

Two baskets of white gladiolus accented with blue and white bows adorned the altar. Blue and white bows also decorated the pews.

Mrs. James Fowler was organist and accompanied Richard Busby who sang "Whither Thou Goest" and "The Lord's Prayer."

The bride, given in marriage by her father, wore a white lace-patterned, dotted swiss floor length dress with long puffed sleeves with bows at the wrist featuring light blue trim on the sleeves and the neckline. The neckline was also trimmed with wheat pearl beads. A large bow complimenting her dress held her shoulder length

veil of bridal illusion. She carried a nosegay of one large white mum, frosted blue with small baby mums and yellow roses tied with long white streamers.

Serving as matron of honor, Mrs. Greg Catherwood of Anthony, wore a blue dotted swiss, floor length dress fashioned similar to the bride's gown with short puffed sleeves and high neck. She wore a large blue bow headpiece and carried a large white mum accented with blue to match her dress.

Acting as best man was Jeff Headberg, of Anthony. Ushers were Dale Williams and Dennis Dodgen, also of Anthony.

The reception was held following the ceremony in fellowship hall. The serving table was covered with a light blue cloth with a lace cloth overlay. The three tier cake was decorated with white sugar bells, white miniature doves, and blue roses topped with a miniature bride and groom standing under a white arch.

Debbie Laing attended the

guest book and Mary Mason received the gifts.

After a short trip through Oklahoma and Texas, the couple will be at home in Sweetwater where the groom is employed by the Santa Fe railroad.

Mr. and Mrs. Ray Miller and Glen, Robert Miller, Joe and Karen, all of Slaton, attended the wedding.

Slaton Student Will Get Diploma Sept. 21

Diplomas will be awarded to four graduating students from Texas during Oklahoma State Tech commencement exercises Sept. 21.

They will be among a 348-member summer trimester graduation class at the Okmulgee School. Included is Billy R. Gamble of Slaton, Auto Mechanics.

Alice Martin Is Honored

Mrs. Alice Martin was honored Tuesday night in the Masonic Hall with a presentation of a 50-year pin by the Order of Eastern Star Chapter 585. The pin was presented by Willie Mae Smith and pinned on by her daughter, Mrs. Thelma Dabbs, of Southland.

A "50-year membership" certificate was also presented to Mrs. Martin by the Grand Chapter of Texas. Making the presentation was Jack Smith.

Mrs. Martin was initiated into the Merkel Chapter OES 212 on June 1, 1922, and later affiliated with Southland Chapter 779 on Oct. 11, 1925. She then joined the Slaton Chapter June 1, 1966.

Her son and his wife, Mr. and Mrs. Blanton Martin of Littlefield, also attended the ceremony.

A gift was presented to Mrs. Martin by the Worthy Matron, Mrs. Lemma Clark.

The program, given by Neva Burns and Pearl Landmon, was appreciation night for Masonic Brothers. Thirty-two members and seven guests attended. Refreshments were served in the dining room.

The next meeting is scheduled Sept. 26.

Jaycees Operate Rest Stop Here

Slaton Jaycees this week expressed appreciation to those who assisted in the operation of the rest stop on U. S. 84 during the Labor Day weekend.

Jim Vickers, president, said Boy Scout Troop 525 supplied a canopy; Perkins Auto Supply supplied gasoline to run a generator; and Lubbock merchants supplied other materials.

From Where I Stand

By Merle King

The KENNETH DAVIES home on Harlan Road was the scene Saturday afternoon for a baby shower honoring MRS. CHARLES WAYNE UNDERWOOD. Assisting the hostess with the hospitality were Mmes. ARTHUR DAVIES, BILL DAVIES and JOE SPARKMAN.

The tea table, covered with a sheer white cloth over pink, featured an arrangement of pale pink carnations, white pom poms and baby's breath. Crystal appointments were used for the refreshments which carried out a pink color scheme. Thirty-five guests were registered.

MR. and MRS. MICHAEL P. HERMAN and YVETTE and TROY recently traveled from their home in St. Charles, Mo., for a week's visit with Mrs. Herman's grandmother, MRS. P. A. MINOR.

MR. and MRS. EDDIE MABRY and KIM, TEDDY, SIDNEY and RUSSELL took advantage of the Labor Day weekend to get in a trip to the Carlsbad Caverns in New Mexico. JOHN RAMIREZ accompanied the family on the trip. They also did some sight-seeing in Juarez.

MR. and MRS. TOM BURNS have recently enjoyed a visit from his parents, MR. and MRS. ROBERT L. BURNS of Mount Holly, New Jersey.

MR. and MRS. DAVID TUCKER of San Antonio were back in the old home town over the weekend. They were on a week's vacation and stopped for a visit with their parents, the EARL EBLENS and the

HAROLD TUCKERS. MRS. FREDDIE SCHMIDT and RHONDA and RAY of Irving were recent guests of MR. and MRS. FRED H. SCHMIDT. Other guests included MR. and MRS. JOHN OCHSNER and John Darr, Robbie and Julie Kate of Midland.

MR. and MRS. HAROLD D. HENSON of Phoenix, Arizona, have been here for a visit with his aunt, MRS. RAYMOND JOHNSON, 630 S. 10th.

MRS. RUBY TUGGLE reports a wonderful two week vacation spent in Florida. She traveled by plane to Ft. Meyers, where she was a guest of her son, CHARLES. She also visited another son and his wife, MR. and MRS. LARRY TUGGLE, in Naples.

Among points of interest was the Ringling Museum at Sarasota. This, the former home of John Ringling, was built at a cost of \$1,500,000 with an added \$400,000 to furnish, and was willed to the state at his death in 1936.

She toured the Potter's Wax Museum, an international Hall of Fame, in St. Augustine, Fla., the nation's oldest city. Also in St. Augustine she visited the Castillo de San Marcos National Monument, the oldest Masonry Fort in the U.S.

Mrs. Tuggle spent two hours touring the Kennedy Space Center in Titusville, Fla. And, in Miami, the Seaquarium was fun. This is the home of "Killer" whale and "Flipper" of TV fame. It was here she took a monorail ride. Some time was spent sight-seeing in Tampa, Daytona Beach, Fort Lauderdale, St. Petersburg and Key Biscayne, where President Nixon sometimes winters.

Heinrich Wins Football Contest

Winner of the Slatonite's first football guessing game was Glenn Heinrich, who got 20 right, missed 7, and earns the top prize money of \$10. Second prize of \$5 went to Oneita White, who correctly guessed 18 winners, as did the third place winner, Karla Kitten, whose tie-breaker score was not as close, giving her \$2.

One game, Durbar and Snyder, played Thursday, was not counted. A new contest appears on page 8 of section II in this week's newspaper, sponsored by local and area merchants.

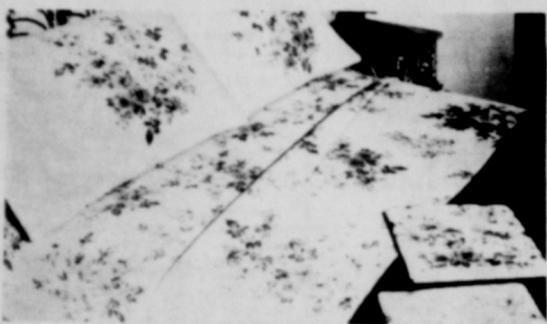

The other Slatonite guessing game, the Fearless Forecasters, saw J. W. Holt and

Ball Wedding Vows Exchanged

MRS. MICHAEL BALL

Ford Memorial Chapel of First Baptist Church, Lubbock, was the scene of the double ring wedding for Miss Donna Carol Howell and Michael Allen Ball. Vows were exchanged at 7:30 p.m. Friday, Aug. 25, with Rev. Calvin Zongker, a Baptist minister, officiating.

Parents of the couple are Mr. and Mrs. William H. Howell of Lovington, N.M., and Mr. and Mrs. Bill Ball of Slaton.

Escorted by her father, the bride wore a Victorian gown of taffeta voile, fashioned with leg-of-mutton sleeves and bibbed bodice.

Miss Susan Hall was maid of honor. Robert S. Ball served his brother as best man.

Seating the guests were Steve Ball of Commerce and Richard Young of El Paso.

Mrs. Steve Ball, organist, and Dan Gillespie, soloist, presented wedding music.

Both Mr. and Mrs. Ball received bachelor of fine arts degrees in studio art at Texas Tech. They will make their home in Lowell, Idaho.

Molly Mosely Receives Degree

Molly May Moseley, daughter of Mr. and Mrs. Henry F. Moseley of Marietta, received a master of science degree in mathematics from the University of Tennessee at Knoxville on Aug. 22.

She is the niece of Mrs. Edna Overbeck, Mr. and Mrs. Murray Couch, and Mrs. Edgar Moseley of Slaton.

She is a graduate of Osborne High School and Oglethorpe University at Atlanta. A member of "Who's Who Among American Women, 1972, Molly is currently serving on the Board of Directors of the National Alumni Association of Oglethorpe University. She plans to teach in the math department of the Rockdale County Comprehensive High School.

Also Mr. and Mrs. Lyle Rountree, of Morton; Mrs. W. L. Beardon, of Lubbock; Mr. and Mrs. Lois Rogers and Mrs. Roy Collins, all of Slaton.

Other visitors were Pierce's sister, Mrs. Tom Russell, of Wilson, and her daughter, Mrs. Larry Walker, of Abilene.

FARRELL HERALDED AS MCMURRY STAR

Nick Farrell of Slaton is listed in the McMurry College brochure this season as one of the Indians' potential defensive stars. Farrell, 20, is a sophomore linebacker weighing 185. He was red-shirted as a freshman and became a starter last season.

Industry files one billion federal reports each year.

FOOT NOTES

BY MARGRET BARTLEY

Don't forget the spaghetti supper Friday evening before the football game. It will be at West Ward Cafeteria and serving begins at 5:30. It seems they still need eleven air conditioners for the elementary building, and the PTA supper proceeds will go toward that project.

The Women's Chamber of Commerce will be having a Pie supper after the football game with Post Oct. 13 at the Slaton Club House. Pie and coffee will be served after the game and everyone is invited to attend. Proceeds will go toward the purchase of new Christmas decorations for the Slaton square.

We are growing giant mosquitoes this year, so this little hint may come in handy. I understand that a little powdered meat tenderizer mixed with a dab of water and applied to the bites will instantly stop the sting. Something in it kills the poison and stops the itch.

A friend of mine says she was always collecting helpful hints, and would save the article with the information in it. Then when the time came to use the suggestions, she could never find them. So now, the inside of her kitchen cabinet has kitchen hints taped to it. The same goes for the door of the medicine cabinet. She always tried to put the hint inside a door in the room where it is most likely to be needed, and it's always right there!

Did you ever feel like you needed to hit someone? The USSR has a contest that ought to take care of all that. A face-slapping duration contest is held each year and the record is still held by a Visily Bezbordny and Goniusche after that contest in 1931 was called a draw after 30 hours of face-slapping.

Note from golfer friend: "Golf is a game in which a ball 1 1/2 inches in diameter is placed on another ball 8,000 miles in diameter. The object is to hit the small ball, not the large one."

Ada Mae Kitten tells us that she and Hermie Miller have bought the former Tiger Town building from the Chamber of Commerce for the new building of "Art Alley". They will have approximately four times the floor space in the new location. The business will be moving over the weekend and hopes to be in operation Monday. Art Alley, open only in the afternoons Monday thru Friday, carries a complete line of craft and hobby material, and have recently gotten a new kiln and plan to work more extensively with ceramics. Instructions are given in art work for children and adults and plans are being made to offer ceramic instruction. Sounds like they need the added space for all the projects. Be sure to go by and see their facility and talk Ada Mae out of a cup of coffee. If you won't want coffee, go by anyway. I've never seen her when she couldn't talk.

You can't just be a good "egg" all your life. You have to hatch out into something else, or go rotten.

Party Honors Miss Moore

Being honored on her eighth birthday, Donna Moore was surprised by 15 guests. She is the daughter of Sgt. and Mrs. Kenneth Moore.

After the gifts were opened, the guests were served ice cream and cake. Games were played.

Honorary guest was Mrs. Evelyn Dunlap, maternal grandmother. Other guests included Kenny Moore, Carla Jameson, Lisa Moore, Tammy and La Donna Cook, Cathy Davis, Angie Walton, Monique Diaz, Jeanie Alford, Staci Parks, Tracie Howell, Charlotte Moore, and Mrs. George Jameson.

Miss Johnson, Beaty To Wed

Mr. and Mrs. Sidney A. Johnson of 2319-61st in Lubbock announce the engagement of their daughter, Susan to James Michael Beaty. He is the son of Mrs. P. E. Duffey of Texarkana. Miss Johnson is the granddaughter of Mr. and Mrs. T.A. Johnson of Slaton.

The bride-elect is a 1967 graduate of Monterey High School and attended Texas Tech. She is employed by Kenco International Ltd.

Beaty received his B. A. degree in architecture from Texas Tech in 1972 and is employed by the firm of Downing, Leach and Associates of Boulder, Colo.

The couple plans to recite wedding vows Nov. 25 in Westminster Presbyterian Church in Lubbock.

Also Mr. and Mrs. Lyle Rountree, of Morton; Mrs. W. L. Beardon, of Lubbock; Mr. and Mrs. Lois Rogers and Mrs. Roy Collins, all of Slaton.

Other visitors were Pierce's sister, Mrs. Tom Russell, of Wilson, and her daughter, Mrs. Larry Walker, of Abilene.

TWO WILL JOIN

Earl Bartley, Slaton Chamber of Commerce manager, and Raymond Wood, junior high counselor, will join a bus tour of juvenile detention facilities at Brownwood and Gatesville Thursday and Friday, as members of the county Juvenile Advisory Board.

The tour of Brownwood State School for girls is scheduled Thursday; the Gatesville tour is Friday morning.

Southland Hosts Bula This Week

Fumbles and interceptions were too much for Southland to overcome last Friday night as the big Benjamin football team raced past the Eagles 48-8. This week Southland plays host to Bula.

Joe Eckert ran 35 yards for a Southland touchdown in the third quarter for the Eagles' only score. However, Southland had two touchdowns called back, as

penalties also hurt the home team. The Eagles lost the ball three times by fumbles and twice on interceptions.

Coach Danny Kennedy said there were some injuries, but he expects all players to be ready Friday night.

Southland junior high will play at Gail tonight, returning an engagement. Last week Gail beat Southland 28-7.

BY JERI BOYD
AND CORLIS WIMMER

Each Year the Cooper Lions Club furnished the official Academic Letter Jacket to High School Students who received a minimum of nine A's in their solid courses for the preceding two semesters. This year Cooper High School is proud to say that the following have qualified for the letter jackets.

They are: Cara East, Penny Brazier, Shella Bates, Pan Griffin, Diana Wines, John Fehlerson, Arthur Wuensche, Bob East, Gail Walker and Susie Madding.

CAUDLE HONORED
If you see big number 81, Bobby Caudle, around town,

congratulate him; he was selected as "Outstanding Pirate" of the week. Bobby is the 165 lb. son of Mr. and Mrs. George W. Caudle of 909-57th Street in Lubbock. Coach Dick Hughett, of the Pirate Coaching Staff, was quoted as saying, "Bobby had a fine defensive game, assisting the Pirate de-

fense with 11 tackles." Caudle really showed his ability with 3 seconds left in the game, when he intercepted a Cowboy pass and returned it 30 yards for a Pirate TD. When asked what he thought about the play, Bobby replied, "I'm glad we scored, but it wasn't worth the injury of another player."

Mark Miller, number 40 on the Cooper squad was injured Friday night in the final 3 seconds of the game as he blocked two Cowboy players

to assist Caudle in the final TD. He is in University Hospital, Room 103, in Lubbock. He is expected to be out the rest of the season but will be back for track.

NEW COACHES
The '72 Pirate squad has undergone some changes since the '71 5-A squad. First of these changes is the team's step upward to District 5-AA. Second is the team's three new coaches joining Coaches Pete

Ransom Notes

BY JAMES GRACE

Lake Ransom Canyon's population has moved up to 202, with 62 families, with the latest residents welcomed to the group being Mr. and Mrs. John Waddington and family and Mr. and Mrs. Ralph Carlisle and family.

Residents of Lake Ransom Canyon wish the best of everything to Dick Foote and family, who are moving to Asia. Dick is going to Vietnam as advisor in agricultural economics. Mrs. Foote and family will be living in nearby Taipei, Taiwan.

Texas Fish and Wildlife Commission brought 5,000 small fingerling channel catfish to stock the lake. They are fed daily by Lake Ransom Canyon's employees. It is hoped that they will grow approximately one inch per month with this type of feeding. Large mouth bass are expected to arrive from the state fisheries next spring.

Congratulations to the Jack Willingams on a new addition to their family, a son named Jason Malone.

Welcome back, George and Sally Philbrick. George had his knee operated on in Mayo Clinic last week, and should be as good as new soon.

Junior High Jottings

By Debbie Sikes and Regina Tomlinson

This is the first edition of the Jr. High Jottings for this year. We hope it will be a good year for all with many pleasant memories.

Regina Tomlinson, and Joyce Maxwell, both 8th graders, and Lynn Webb, a seventh grader, stole the show this year as they go into their second year of cheerleading. Rookies Regina Williams, 8th, and Margie Gonzales, 7th grader, will also be cheering with them.

Tuesday night was our first game of the season, with Frenship coming here at 5:30. Slaton seventh grade team came out on top with a big 52-0. Slaton's eighth graders topped Frenship with a score of 20-0.

Some students were asked the question, "If you were principal, who would you call to the office and why?"

Answering were Ricky Davis with, "I would just get the people who did wrong things." Loy Sadler -- "I would call Johnny McCormick because he's naughty and hits girls." Pam Ford commented, "I would call Kandice Martin because she's always in the hall 6th and 7th periods." Artie Limmer, "I would get Jon Dawson because he causes trouble but never gets into trouble." Scott Beard answered, "I guess...Geron Stricklin and tell him to get his hair cut."

Session Of School Board Is Routine

Tuesday night's regular meeting of the board of education of Slaton Independent School District was mostly routine, as the board extended the contract of the district tax attorney, discussed exemption policies and agreed to file suit on some delinquent tax accounts.

Teachers' grade books will be final authority on absences for any student in regard to the exemption policy, it was agreed.

FOOTBALL

(cont. from Page 1)

tion at the Brownfield 15, with big gains in the drive, halted early in the second quarter, being a 15-yard pass from Jones to David Magallanes and then to Tight End Craig Mann, 19 yards on a 4th down effort. The Cubs stiffened at the 15, and then killed the threat by intercepting Bartley's halfback pass into the end zone.

Brownfield came back to make it 18-0 at halftime after QB Ricky Willis and End Russell Lepard teamed up on a 46-yard strike.

In the third period, with 3:15 left, the Cubs' margin went to 25-0 as HB Mike Harrelson ran 24 yards around right end to score and then kicked the extra point. It was 31-0 at the three-quarter mark after FB Eddie Ryburn shoved his 185 pounds into the end zone from a yard out.

Early in the fourth, Brownfield QB Mark Adams ran 13 yards through the middle for a TD after Slaton had gambled on the Tiger 20 on 4th and 10, with punter Magallanes tossing a screen pass to Bartley which made no gain. End Steve Flournoy kicked the extra point to make it 38-0.

Brownfield scored its final marker with just seconds left, on a 4-yard pass from Adams to Flournoy, and the conversion made it 45-0. The Cubs made 454 yards, with 329 of this rushing, while Slaton's total was 130.

FIRST COTTON BALE GINNED IN DAWSON

LAMESA--The first bale of cotton of the 1972 harvest in Dawson County was ginned at the Patricia Gin about 15 miles south of here Thursday afternoon.

The 440 pound bale was hand picked on the Charley King farm about six miles southwest of Lamesa.

Vegetables Topic For Session

The fourth of a series of "Money In Vegetables" Conferences for West Texas will be conducted in the Forrest Park Community Center in Lamesa next Wednesday.

The fifth conference of the series will be conducted the next day, Thursday, Sept. 21, at the Hale County Agricultural Building in Plainview.

The conferences are being sponsored jointly by the West Texas Chamber of Commerce, the Texas Agricultural Extension Service, the Texas Cultural Center and Texas Tech University. Lamesa Chamber of Commerce will also have conferences in Slaton areas.

Rain Now Past Total For 1971

Another .80 of an inch of rain was listed during the last week, although it had not rained since Thursday night. But the .20 last Thursday and .60 Wednesday brought the year's total to 26.52, more than an inch over the total for all of 1971 in Slaton, which was 25.45.

At this point last year, Slaton had recorded about 20 inches total. Dry weather the past few days has been favorable to crop prospects.

It takes 50,000 pounds of engineering drawings to build a jet airliner.

Junior High Teams Wallop Frenship

Slaton seventh graders beat Frenship 58-0 Tuesday, as offensive standouts were Phillip Bruedigam and Brad Eblen, and defensive standouts were Don Robinson, Steve Wood and Jerome Whaley.

Touchdowns were scored by Bruedigam, Joel Mask, Robinson, Bob Melton and Danny Evans. Coach is Chuck Hena.

Coach Carroll McDonald's 8th graders won over Frenship 20-0 as touchdowns were scored by Jesse Smith, Craig Curry and Alex Christian. Top defensive players were Loran Roberts, Craig Mitchell and Paul Carmona. Leaders on offense were Geron Stricklin, Jackie Edmonds, Christian and Curry.

FFA's Hear Gun Safety Program Monday

By DALE SCHAFFNER

The Cooper FFA held their first meeting of the school year Monday with 49 members present. The speaker was Bill Pratt from the Texas Parks and Wildlife Service. He spoke to the group about gun safety. Cindy Smith was elected 1972-73 sweetheart for the chapter.

The AgJ initiation was discussed and a committee was appointed consisting of Larry Childers, John Hawkins and Leslie Riggins.

The chapter presented the old gavel to Jimmy Burkett, 71-72 chapter president.

A door prize will be held during each meeting and the first winner was Daniel Montelongo, and the prize was an FFA ring.

The next meeting will be held Oct. 2 when the Ag. I initiation will be the program for the day.

Gay Benson Leads Slaton Classroom Teachers Assn.

School was dismissed at 3 p.m. Monday for the first meeting of the Slaton Classroom Teachers Association. Gay Benson presided at the meeting with the aid of Sue Davis, secretary, and Howard Wright, treasurer.

Mark Gunnels reported that out of 95 eligible members 92 had joined the organization. Sixty-nine of these members attended the meeting.

One of the main items on the list of business was the discussion of revisions of the teacher policy book.

The next scheduled meeting is Nov. 6.

About seven per cent of the Florida production of citrus juices is sold in Western Europe, compared to one-half of one per cent only five years ago.

NEW PONTIACS--1973 Pontiac models include the new Grand Am at top and the popular Catalina in bottom photo. The Grand Am has a "soft nose" front end design using flexible modulated urethane which deflects but returns to original shape after being impacted at parking lot speeds. Federal bumper standards are met by the Catalina. Slaton's Pontiac dealer is Bill Adams.

Adams To Show New 1973 Line Of Pontiacs Here

Pontiac's new 1973 lineup features 33 models, including 13 full-size Pontiacs, two Grand Am and seven LeMans intermediates, four Firebirds, six Venturas and the Grand Prix. The addition to the intermediate line is the new Grand Am. On most 1973 models, Pontiac has front bumpers which exceed the requirements of the federal bumper standards by being completely self-restoring in a five-mile-per-hour barrier test. A new energy-absorbing unit is mounted to the frame that can

compress up to three inches and return to normal position when the force is removed. The new Pontiacs and Oldsmobiles will be on special display at Bill Adams Oldsmobile-Pontiac-GMC, 150 W. Lynn in Slaton. The special showing date will be announced next week. Extensive changes have been made on the 1973 engines to meet more stringent exhaust emission standards "with no reduction in engine performance or driveability. In fact, overall driveability and fuel

economy will, in most instances, be significantly better," according to a company spokesman. The Grand Am highlights the 1973 intermediates from Pontiac. This new sporty luxury car is offered as a two-door hardtop (112-inch wheelbase) and four-door hardtop (116-inch wheelbase).

Noah Webster, who published his first dictionary in 1806, was born in West Hartford, Conn. in a house which is now a National Historical Landmark.

WOODWORK (cont. from Page 1)

Speedy Nieman, who used to be at Slaton, we were a bit startled at first glance at the pictures of football players on page one. That first glance told us that each player had the word HERO in big letters above his numbers. Closer look showed us that it said HERD, but it still looks like HERO. It probably looks like HERO to the fans, too, after their team handled strong Pampa with apparent ease. The biggest communicable disease problem in Texas today is not diphtheria, polio, measles or mumps, it's venereal diseases, says the State Dept. of Health. All this brings to mind is the feeling I had once when I saw a fellow named Vernon Drogemeyer wearing his initials on a tie clasp. High Plains Research Foundation says farmers can get more sunlight to the bolls which have a chance to mature by lopping off the vegetative top growth and small bolls that will not have time to mature. So sharpen up your scissors, you cotton farmers.

Nursing Home News

by Bobbie Hogue

This has been a busy week here in the Home. We have two new residents, Mrs. Jennie Garland and Mr. Lino G. Silva, both of Slaton. This makes us full once again with 60 residents.

Mary Sides is back with us after several days in the hospital. Mrs. Ollie Vermillion and Mrs. Edith Drewery still remain in Mercy Hospital.

Mrs. Alice Baker was wearing a smile last week. There were 5 generations that visited her.

Donations of egg cartons, watermelons, candy, tomatoes, and a walking cane were brought to the Home this week. The residents certainly have enjoyed the fresh vegetables. Thanks to ALL who donated these items.

Lizzie English's letter to the Editor in last week's Slatonite really brought the results. She asked for rubber tips for the dining chairs. Several tips have already been put on chairs, and it really makes a difference when the chairs are "scotched" across the floors. The Lydia Class of the First Methodist Church gave a good donation toward these chair tips. Lizzie English is a resident here.

A birthday party will be held in the lobby today at 2:30, honoring five residents who have birthdays this month.

Eva Moore's son came out to visit her, and our residents soon had him at the piano, playing their favorite tunes. Virgie Hunter will begin playing the piano for us on Wednesday afternoons.

Several ladies have been sewing. Lizzie English has just completed her second dress sewn on our antique sewing machine. They are just beautiful. Susie Bradshaw is also working on a dress. Jennie

Garland was seen doing a beautiful embroidered scarf and Mary Swertner is knitting blankets. Vera Woods is doing ceramics and Alene Line is selling greeting cards, Christmas cards and stationery.

COTTON TALKS

FROM PLAINS COTTON GROWERS, INC.

Association, from throughout cotton-producing areas, will meet at the Lubbock Country Club on Saturday. The meeting will begin at 9:30 a. m. and end about 2 p. m. with a luncheon, accord-

to date on the latest in textile blends of natural and man-made fibers and discuss possible effects of these on consumption of cotton. His address is titled "Fashion, Fabric and Fiber" and will include models displaying the newest in women's apparel.

Association directors for the coming year will be elected by secret ballot during the morning and will meet just before lunch to elect officers. Current PGA officers in addition to White are Gayle Craft of Plains, President, and Bill Weaver of Lamesa, Vice President.

A pre-meeting golf tournament for ginners and allied industry people is scheduled Friday. It will be held on the Lubbock Country Club course, with golfers teeing off from 9:30 to 11:00 a. m.

White is expecting more than 300 for the annual meeting.

Women's cotton promotion clubs in 12 High Plains counties will be sponsoring "Sew It With Cotton" contests from mid-September to mid-October, with county winners in each of 10 categories eligible to enter a district contest on Oct. 21.

The district contest this year will be held in Lubbock with the cotton promotion clubs of Lynn and Lubbock counties as hosts. A total of 30 prizes will be awarded at the district level, including first, second and third

School Of Medicine's First Class Includes Freshman From Slaton

Dr. Grover E. Murray, president of Texas Tech University School of Medicine has announced that Clifford M. Kitten of Slaton has been accepted as a freshman medical student in the first class of the new School of Medicine.

The Texas Tech University School of Medicine has opened its doors to students for the first time this fall, accepting 36 freshmen medical students and 25 junior transfer medical students. More than 500 applications were received by the school, according to John A. Buesseler, M. D., vice presi-

dent for health affairs and dean of the School of Medicine.

These students will be participating in a highly innovative curriculum designed primarily to individualize the medical training. One of the most innovative parts of the curriculum is the concept of tutorial teams in which six or eight students will study as a team with a physician/scholar as their mentor. The student will remain in his team for his entire medical training, thus allowing his mentor to personalize the program of study to fit the student's needs.

In addition to the tutorial teams, the students at the new School of Medicine will be exposed to the real-world setting of the physician's office and community practice. The clinical faculty, appointed from among local physicians, will teach students in their practice environment, thus exposing the students to patient care early in their training.

From Mrs. Ruth Johnson, Clermont, Fla.: I was born in Chicago in the section known as Englewood. I went to a little two-room school in Morton Park - except for a few years in the Goodwire School in Clyde. We lived on 25th Street and the street cars ran right in front of our house. When the weather was rough and the snow was deep, we would take the street car for a ride of a little more than a mile. The fare was three cents. I still remember my first grade teacher, Mrs. Scott - she had been teaching there for 25 years.

One day my mother sent me to Bruce's Grocery Store. While I was in the store, the fireman from the nearby station went running down the street to my house. Mrs. Clarkson saw me walking past her house, so she ran out and took me into her home. Everyone available gathered around my home and formed a bucket brigade. They put out the fire, but only after one room was burned off. My mother had knocked a kerosene stove over when she was frightened by a mouse which had jumped out of a pile of soiled laundry in the store room.

Mustangs Defeat O'Donnell 27-8

The Wilson Mustangs opened the 1972 football season with a satisfying hard fought victory over the O'Donnell Eagles last Friday 27-8.

Wilson received the opening kickoff and after one first down was forced to punt. O'Donnell ran four plays and Wilson took over on O'Donnell's 45-yard line. It took the Mustangs 10 plays to score with it coming on a 35-yard pass from QB John Fields to Greg Wied. Fields kicked the extra point to end the first quarter with Wilson leading 7-0.

After an exchange of fumbles, the latter being covered by David Savell, Wilson drove to O'Donnell's 10-yard line before being stopped. O'Donnell ran three plays and punted. The

punt traveled 5 yards past the line of scrimmage and hit a Wilson player and O'Donnell again found the going tough as the stout Wilson defense unit headed by linebackers Danny Crowson and Leland Brieger, ends Savell and Clyde Wilke, tackles Lynn Jones and Johnny Arellano, and nose guard Danny Trotter, forced the Eagles into another punting situation. O'Donnell faked the punt and tried to run but Arellano and Wilke threw the runner for a 6-yard loss. It took Wilson four plays to score with Trotter punting one yard for the score. The half ended with Wilson leading 13-0.

The first half was a tough defensive battle. Wilson had a total of 34 yards rushing and 49 yards passing, O'Donnell had

a total of 8 yards.

The second half opened with O'Donnell exploding for a T.D. on three plays with Odell Huser blasting 29 yards for the Eagles' lone T. D. O'Donnell's extra point came on a fumble into the end zone where an O'Donnell player fell on the ball.

Chris Coleman ran the ensuing kickoff back to O'Donnell's 49-yardline and the Mustangs scored nine plays later on 11-yard run by Jones. Fields passed to Crowson for the extra point, making the score 21-8.

After an exchange, O'Donnell tried to run again on fourth and Jones caught the runner for an 11-yard loss.

Again Wilson capitalized on the O'Donnell mistakes and Wied followed the Wilson offensive line over for the final touchdown of the game.

The Wilson offense was led by Wied, Trotter, Jones, and David Hernandez who followed an out

weighed but not outplayed Wilson line headed by center Savell, guards Tony Bishop and Wilke, tackles Leland Brieger and Arturo Zuniga, and ends Crowson and Coleman.

Fields had a good night, completing 5 of 10 passes for 98 yards to ends Crowson and Coleman and wingback Wied. The Wilson defense was led by Crowson with 15 tackles, Trotter 11, Brieger 10, Wilke 8, Arellano and Wied at 7 each. Wilson travels to Amherst this Friday night to open district play against the Bulldogs.

Tough Lions Blank Roosevelt Eagles 17-0

BY JIMMY MATSLER

Junior quarterback Bill Bigam sparked life into a second-half effort, and the New Deal Lions upset the visiting Roosevelt Eagles last Friday night, 17-0.

The Eagles were tabbed the favorite going into the initial contest for both teams.

The Lion signal-caller figured in all of his team's scores. He kicked a 37-yard, third-period field goal, flung a 58-yard scoring bomb, and engineered a 34-yard fourth quarter touchdown drive.

Following a firsthalf almost void of offense, New Deal drove 33 yards in nine plays for the first score of the game. From the Eagle 20 Bigam toed a knuckleball just clearing the upright, as the Lions led 3-0 with 6:54 left in the third period.

After the ensuing kickoff, and for the second consecutive time, the Eagles ran three plays and were forced to punt.

From their own 44, a holding penalty gave the Lions first down and 21 yards to go from their own 34. Garry Darty,

who gained over 100 yards rushing for the night, ran off right tackle for a 10-yard gain.

Following a two-yard loss on second down and facing third and 13 from the 13, Bigam took the snap from center, took two steps back, and hit split-end Edward Jackson running a post pattern. Eluding safety Keith Stone, Jackson proceeded to outrun everybody to the goal. Bigam booted the extra.

Lynn Broaduscapped the Lion scoring with a 7-yard plunge to paydirt, ending a 34-yard, six play drive. Bigam again made the PAT.

The Eagles were plagued with a rash of mistakes, as they fumbled seven times, many times on the exchange from center, losing four of those to the Lions.

Only 67 yards were gained offensively by the Eagles for the night, with 58 of those in the first half. In the second stanza the Lions gained some 217 yards to the Eagles' 9.

Bigam completed 3 of 7 passes for 73 yards. Ricky Hightower and Chris Marshall who split quarterback time for the Eagles hit on 2 of 5 for 44 steps.

Darty got his 101 yards on 15 carries for an average of 6.7 yards per carry. John Blackwell led RHS rushers with 38 yards on 13 carries.

The game was a typical first outing as more than 140 yards in penalties were stepped off against the two teams.

Cooper Axes Cowboys 20-6

by BILL AYRES

The Cooper Pirates opened their 1972 season by defeating the Plains Cowboys 20-6 at Cooper stadium.

The Pirate offense, unable to pass against Plains, unleashed an unrelenting ground attack. Kevin Jones rushed against the Cowboys for over 80 yards and a touchdown in the first quarter of play, going 5 yards for the score.

Quarterback Pete Chotan did little passing, but did direct the ground attack which included his own 20-yard touchdown run in the second quarter.

The Pirate defense stopped the Plains passing attack, forcing the Cowboys to attempt a ground game. Plains was able to launch several drives against the Pirates, but each was stopped, forcing the Cowboys to punt.

Plains lost the ball three times to Cooper on fumbles, as the game was played on a wet field. Both teams had plays that failed because of a player slipping or fumbling the ball. Cooper led Plains 13-0 at the beginning of the third quarter. Plains' quarterback Joey Lowe attempted to revive the Cowboy passing game, only to succeed in hitting two out of seven for 35 yards. Plains' ground attack picked up speed. Lowe led the Cowboys downfield and rushed across from 8 yards out to put the Cowboys on the scoreboard, 13-6.

The fourth quarter was a seesaw battle for position. "Neither team was able to score in the early part of the period. In the final minutes of the game, Plains got the ball from Cooper on downs. Lowe turned to the air in an effort to save the game for Plains. Bobby Caudle of Cooper intercepted a Lowe pass in the final seconds and scored, to put the game out of reach at 20-6. "Our boys played well," said Coach Pete Hurst of Cooper, "we were strong the first half."

The half-time activities at Cooper featured a patriotic

show by the Cooper marching band. The high point of the half-time came when B. B. (Mac) McAllister narrated a story a-

bout his youth and the Pledge of Allegiance.

One-Fifth of All Employees Are on Government Payroll

One out of every five employed people works for the government, according to a study just issued by the Tax Foundation, Inc. Average annual earnings of government employees, the Tax Foundation reports, has risen from \$4,859 in 1961 to \$7,965 in 1970. This 64 per cent increase compares with

a 53 per cent increase in private industry during the same period. The private industry employee average pay in 1961 was \$4,889 and in 1971 it was \$7,462. The title of the new Tax Foundation study is "Unions and Government Employment."

It found that federal civilian employees are in the best position of all. Their average annual earnings rose from \$6,274 in 1961 to \$10,597 in 1971. The study also found that there were ten times as many

strikes by government workers in 1970 as there were ten years earlier. The number of strikes by unionized workers in Federal, state, and local governments rose from 36 in 1960 to 412 in 1970. Less than a third of government workers are organized into unions or employee associations, but the Tax Foundation says the number

is growing rapidly. "The militancy of these unions is a factor in the sharp rise of government payrolls to \$110 billion," according to Alfred Parker, executive director of the Foundation. "The Public Pays" Government employees have tended to be "inexperienced and therefore some-

what inept," the study said, and this was one reason for high wage settlements. It said that anti-strike laws have had about as "much effectiveness as a paper fence." Instead, the Foundation suggested that government should make its own demands and take a careful look at work rules to improve efficiency.

"When salary benefits are legitimate skills," the Foundation says, "they should be cheerfully and gracefully paid. But to pay money away from the sense at all."

Day Care Centers Can Be Profitable Michigan Firm Says

President Patrick J. Callihan of Provincial House, Inc. of Lansing, Mich. says that his company is investing \$1.1 million in centers for the day care of children.

Until now, Provincial House's health care business has been concentrated on operation of health care cen-

ters through its chain of modern nursing facilities. The expansion into child care gives the company a position as one of the largest operators of children's centers in the United States.

"With eight child care centers in operation," the subsidiary's president, Joyce

Hatton, said, "and with each unit able to care for 200 children on a morning and afternoon shift basis we now have a daily capacity for the care and pre-school training of 1,600 children. Also, we are planning to build four new centers in Michigan with the modules purchased from

Kiddie Care Corp., which will increase our capacity to 2,400 children."

Speaking for the parent company, Provincial House, Mr. Callihan commented: "We have now entered a second big area of care, and we are engaged in exploratory talks looking to expand our administrative capacity to other health fields, where

PRaise THE LORD

By LENDA WOOD

Do you know how to come into the very presence of the Lord?

The Living Bible in Psa. 118: 19-20 says, "Open the gates of the Temple -- I will go in and give him my thanks. Those gates are the way into the presence of the Lord, and the gofly enter there."

So many times, we, as human beings, find ourselves going to God in prayer always asking for something, and perhaps even come away from prayer time without feeling the presence of God. In the Psalm quoted above, the way into His presence is the gate of thanks.

In another Psalm (116:16) The Living Bible says "O Lord, you have freed me from my bonds and I will serve you forever. I will worship you and

offer you a sacrifice of thanksgiving." It's not easy to tell God "thank you" all day long, especially when we may not be in the thanking mood, or when something bad is happening to us, or even in the midst of a normal day. However, the Bible also says that we should "give thanks in ALL things". Even though we may not understand why we are having to face whatever situation we are in, we, as children of the King, can give a continual praise of thanks to Him for the victories He has promised.

Did you ever try thanking God for all the work that has piled up on you and seems like you'll never get caught up? Or for the lousy way the cake turned out last Sunday? Or for the pain that's in your back? Or for the rain you thought we didn't need? Or for the homework the teacher piled on you? Or for the flat tire?

Try thanking God in all things -- all day long. Try it, you'll like it.

"Always be joyful. Always keep on praying. No matter what happens, always be THANKFUL, for this is God's will for you who belong to Christ Jesus." Living Bible, 1 Thes. 5:16-18.

Praise the Lord -- because He is worthy, whether we feel like it or not! And expect a miracle!

St. Joseph's paper clips

The Home and School Association of St. Joseph's School will meet in regular session Monday, Sept. 18, at 8 p.m. Sister Maureen, Educator Director of the Sisters of Mercy in St. Louis, will be the guest speaker. All parents of students attending St. Joseph School are urged to attend. There will be no school at St. Joseph's on Monday, Sept. 18, because all the teachers will attend the Amarillo Diocesan Teachers' Institute at St. Francis Convent. Hobart McDonald of PESO Education Service Center will give an overview of his course on individualized instruction.

Monthly Meeting Of Catholic Daughters Held

The Catholic Daughters of America met Tuesday, Sept. 5, at 8 p.m. with Regent Valeria Wimmer presiding.

Martha Schmidt of "Martha's Method of Fashion Sewing" gave the program.

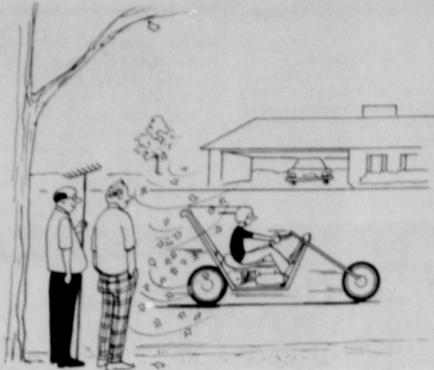

Date set for the annual bazaar was Nov. 5, from 1 to 7 p.m. Items for the bazaar include a filled cedar chest, beaded tablecloth, embroidered quilt, pieced quilts, stainless steel silverware, and a doll, with complete wardrobe.

The court will also have the usual bingo, country store, fish pond, fancy work, spinning wheel, darts, etc.

A new item will be added -- the "best" recipes from the "best" cooks are being gathered.

The sick committee for September are Kathy and Molly Kutacak, Mary C. Kuss, Connie Lewis and Allene Loke.

Refreshments were served to about 30 members by Augusta Franke, and Estelle, Evelyn, Genevieve and Goldie Heinrich. Next meeting will be Oct. 2 at 8 p.m.

SUNDAY'S SERMON

God's Will
There are some things other than taxes and death that are certain in this life. Our yesterdays will never return. This point in time, this very moment, is now and it is quick to pass into yesterday.

However, through our days and through our hours there is something great that is always constant -- God's will and God's unchanging love for us. In times of distress, we fear that God may have forgotten us. We are disappointed if a cry for help does not bring instant relief. Has God turned a deaf ear? After all, we only asked for a simple miracle! Have not miracles been performed for others?

We can not phone for a miracle as we would order groceries or summon a repairman. God is not listed in the yellow pages. We can not take a casual attitude toward God, as if He were only there waiting in the wings to help us out when something serious arises.

We must put God in the center of our lives, and center our lives on God. We must pay attention to God's will, realize God's love for us, and then we will have faith to meet the challenges of life.

Thought For Food

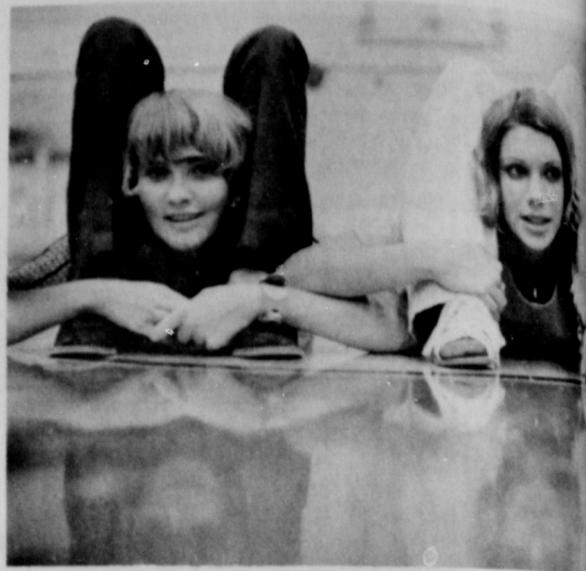

Trick the teenagers in your family into eating a hearty, healthful breakfast tomorrow morning. Sandwich ham slices or frankfurters between toasted frozen waffles or beefburgers or minute steaks between split and toasted buns. Have syrup and catsup on hand. They'll have a nutritious start for the day without even knowing it.

Take proper care of meat leftovers immediately after serving. Cover closely to prevent drying out and store them in the refrigerator. To save space, cut meat from the bones and wrap tightly in plastic wrap or bags or aluminum foil. It is best not to grind or chop leftover meat until you are ready to use it again, unless it is to be frozen.

Just before serving pan-broiled pork chops or steaks, of pork, lightly brown halved bananas in the flavorful pork drippings. The bananas, a simple touch, are divine with pork.

Read Colossians 3:12-17

Whatever you are doing, whether you speak or whether you are silent, do it in the name of the Lord Jesus, giving thanks to the Father through him.

In the sixth century, St. Columba established a mission for the Christian faith on the island of Iona off the coast of Scotland.

Today Iona is more than a place steeped in tradition. It is a retreat; a working center and a shrine of worship.

As we pilgrims clambered ashore, we took the path up through the Abbey environs and past the old stone buildings. All the surroundings helped prepare us for the Abbey itself. As we crossed the threshold, we ourselves enveloped in an atmosphere of reverence.

The stairway between the living quarters and the choir itself reminds all who enter of the connecting work of worship and work.

Here some of us found new inspiration to reach others, to let Christian love express itself through our labors.

PRAYER: Father, thank You for the inspiration of the past whose lives and dedication serve to guide us. Use our minds, our hearts, and our hands in Your spirit of Jesus, in whose name we pray, Amen.

THOUGHT FOR THE DAY:
Christ's love prompts us to service in His spirit.

RELIGION IS NOW

— a weekly message relating the world of today to the lessons of Faith and Church ...

My days are swifter than a weaver's shuttle.
—Job VII, 6

When we are very young, our elders seem "ancient." As we turn to adulthood, the years roll by too swiftly. If we are fortunate, we come to know the value of a good life and, like a good house, we age with dignity and character. We also come to know that, while life may pass swiftly, we constantly meet on the journey the open gates of new opportunity.

Life offers many golden moments. Look for them. They may come to you wherever you are—in sunlight or shadow, in the roar of a crowd, or the Sunday morning stillness of a churchyard.

CONSUMERS' CORNER
Do your family finances carry the "top secret" label? Is budgeting, bill-paying, and financial planning strictly the business of mother and father?

That may be wise if the children are in the "blab everything" grade school age, but it is important that teenagers have a general idea of family money matters. Why? First, because it gives them practical experience in money affairs. They will learn that there are bills to be paid; that feeding, housing, clothing and keeping family members healthy costs money.

Too often young people have no idea of the realities of finances until they get married. They know little, if anything, about insurance, budgeting, savings, taxes and other financial matters. This lack of knowledge may be the reason so many young marrieds get into financial straightjackets by overspending.

Also, if teenagers realize that much of the family's earning must go for necessities, they may

FOOTBALL CONTEST

It's so easy. You don't have to be a football expert in order to win. Just select the winners on the handy official blank printed below. No scores. Just check the teams you think will win.

RULES OF THE GAME:

- ★ Teams playing in this week's contest games are listed in ads and numbered 1 through 48. Use the entry form at the bottom of the page and circle the numbers of the teams you think will win. To pick a tie, circle both numbers of the teams playing.
- ★ Be sure to guess total score on the "tie-breaker" game. In case of ties, the entrant nearer to that total score will be the winner. If tie also occurs on total score, prize money will be split between place winners. This also applies to "jackpot" winner.
- ★ Have your entry blank signed or stamped by a participating merchant, and get it to The Slatonite office by 5 p.m. Friday before the games are played. Only two entries for each person; all persons 12 or older eligible except Slatonite employees and their families. Each entrant eligible for one prize.

ABSOLUTELY NOTHING TO BUY!
