LIBRARY FAMILY OF THE YEAR--The Don McGuire family was honored Wednesday afternoon as 'Library Family of the Year.' The presentation was made by the Muleshoe Study Club, who annually choose a family they feel make the most use of library facilities. Mrs. G. L. Splawn presented a dictionary to the honored family. Pictured here from left are Diane, 11; Mrs. Don McGuire; Marty McGuire, 13; Don McGuire and Mrs. Splawn. The family has utilized the library and also use the Four County Bookmobile facility.

## Outstanding Educator Is Raymond Schroeder

### Dr. McClung Speaks At TSTA Banquet

Retiring Teachers Honored; Pins Presented For Service To School

A special honor was bestowed on a Muleshoe High School teacher at the annual Texas State Teacher Association banquet Tuesday night. Raymond Schroeder, five year teacher with the Muleshoe School System, was named Outstanding Young Teacher for the Year by the Muleshoe Jaycees. He was presented a plaque by Danny Shipman, Jaycee, during the TSTA banquet. Schroeder is a teacher-coach. He is married and he and his wife, Janet, who is a second grade teacher at Mary DeShazo Elementary School, are the parents of two children. Schroeder's nomination, which was signed by nearly 50 persons read in part: "Raymond has been the boys' varsity basketball coach, golf coach, assistant football coach, and classroom teacher in Muleshoe for the past five years. "He has been active in local and state classroom Teachers Association, and Texas State Teachers Association, and Texas High School Coaches Association. At the present time, Raymond is a member of the Economic Teachers Study Group and he represents Muleshoe schools in this field. "After careful study, we wholeheartedly support his nomination." A number of special guests at the banquet were introduced by outgoing President Georgia Pena. She then introduced Wayland Ethridge, incoming president. Cont'd. on Page 3, Col. 4

## Tornado Precaution Rules Are Outlined

This is the time of the year that residents scan the sky with watchful eyes when storm clouds start building in the southwest. Already this year, Bailey County has been tinged with a tornado trail when at least one tornado skimmed across country beginning three miles northeast of Muleshoe Sunday night, scattering out-buildings, roofs, trees, sheet metal and irrigation sprinkler pipe in a large trail. Two storm-related injuries were logged during the night, one in Bailey County and one in Parmer County, near Lubbock. The National Weather Service has issued important information on what to do in the event of tornadoes. Through the chain warning system beginning with a severe storm forecast from a center in Kansas City, Mo., to state, local and county levels, storm watchers are alerted to conditions which produce tornado formations. Generally, the first warning is given in the form of a severe thunderstorm watch. This may be followed by a TORNADO WATCH. A TORNADO WATCH means that tornadoes may possibly develop. This is merely to warn that conditions have become favorable for spawning tornadoes. This may be followed by a TORNADO WARNING OR ALERT, A TORNADO ALERT. Cont'd. on Page 3, Col. 1

A Clay's Corner family was honored as 'Library Family of the Year' during the National Library Week celebration in Muleshoe this week. The Muleshoe Study Club presented a special gift of a dictionary to the Don McGuire family Wednesday afternoon at the Muleshoe Area Public Library. They had been chosen from among candidates for the honor. McGuire is a farmer and he

and his wife, Jo Ann, have two children, Diane, 11, a fourth grader and Marty, 13, a seventh grader. Both children attend school at Lazbuddie. The McGuires said they have utilized the facilities of the Muleshoe Area Public Library since it first opened in its present location seven years ago. They also are consistent users of the Bookmobile facilities and check out and return books each Wednesday it is in

their area. They are the third family honored. The Jimmie Pitcock received the Library Family award in 1969 and the Eugene Howard family in 1970. Presentation of the award to the family was made by Mrs. G. L. Splawn on behalf of the Study Club. A certificate of appreciation was also presented Wednesday afternoon to Mrs. Anne Camp, librarian. The presentation was made by Mrs. Eugene Howard for Epsilon Sigma Alpha. The plaque was for 'outstanding community service.' Muleshoe Study Club also presented Cheryl Rasco, daughter of Mr. and Mrs. Odell Rasco, the winners check for an essay on "What the Muleshoe Area Public Library Means to Me and My Family." She is a seventh grader at Muleshoe Junior High School in Mrs. Buck Johnson's class. Mrs. G. L. Splawn, Mrs. E. W. Cont'd on Page 3, Col. 3

seniors of a neighboring town to see which could get the greatest percentage of this year's seniors in school next year. He said that any student who is a good citizen and has the recommendation of his community can go the school; financial aid is available in a number of forms. The Opportunity Plan, Inc., is a non-profit corporation dedicated to encouraging and aiding the post secondary education of young people. The Steagill-Muleshoe division is currently sponsoring seven students in school. Local contributions have established a capital fund of \$4,069. Though academics are important, other qualities were emphasized by the college representatives. Dean Nathan Tubb of South Plains College told the students, "It does not take a 'brain' to go to college. It takes guts and fortitude, drive and ambition. Just 'hang in there' and you can make it." ## College Heads Visit MHS, Boost Education

Regional Director of the Texas Heart Association of Lubbock, attended the Tuesday morning meeting of the Bailey County Unit of the Texas Heart Association. Local officials of the association attending the meeting included Mrs. Dillard Morris, Curtis Walker, M. D. Gunstream, Rev. J. B. Fowler, Rev. H. D. Hunter, J. W. Copledge, Mrs. Darrell Sprayberry, Mrs. Thurman White, Sherry Russell and Jeff Smith. Among items discussed by the members were the recent Heart Fund campaign. It was announced that Muleshoe contributed more than twice as much to the Heart Fund as was contributed last year. Also discussed was the possibility of holding blood pressure clinics in Muleshoe, sponsored by local civic clubs. Any civic club interested in sponsoring a blood pressure clinic is asked to contact a member of the local unit. Davis said that all heart information printing will be done in Texas in the future. The printing has been handled by a firm in New York. Also discussed was the regional Heart Association meeting which will be held June 15. Muleshoe will have delegates at the meeting. Chairman Smith announced that certificates will be presented a number of local persons in the near future. Next meeting of the Bailey County Unit of the Texas Heart Association will be at the Corral Restaurant at 8 a.m. on Tuesday, May 18.

## Zogi--The Great To Perform Tuesday

A full baggage car of equipment is required to stage the Zogi-TV-Orama, according to the Muleshoe Businessmen Activities Committee, who are sponsoring the stage revue here Tuesday, April 27 at 8 p.m. in the Muleshoe High School auditorium. Zogi and his TV stars are playing a series of one night stands for the first time since 1960. In recent weeks, over \$25,000 has been invested in the Zogi Road Show, bringing the total investment to a tremendous sum. C. A. Frank, business manager, declined to name the total figure, because, as he says, "It would be unbelievable." However, he did say that Prince Zogi could retire for life on the amount that is invested in the revue and provide a cast a substantial retirement, too. The Zogi Stage Revue will be presented against a background of numerous colorful exchanges of scenery and will utilize an abundance of dazzling, exotic costumes, some

## Indictments Handed Down By Grand Jury

Seven indictments were handed down by grand jurors who met in special session last week. Willie H. Heager was indicted and ordered held for trial for murder with malice. He will be tried for the gun slaying of Nathaniel Williams on Sunday, February, 14. John Henry Knight and Orion Lee Strickland were ordered to be tried for burglary. They were charged with burglarizing the farm home of B. J. Emerson in southern Bailey County. A check law violation resulted in Benny H. Brookshire being ordered held for trial. He is accused of giving a bad check to the C. R. Anthony Co., in the amount of \$103.16. Joe Burleson and Judy Burleson were charged with the theft of \$72.94 cash from Charles Keith Griffin and ordered tried in district court. The final indictment was a forgery indictment against J. D. Pinkston. Jurors included Arnold Alcorn, foreman; Leon Dupler, Fred Beene, Billy D. Bell, J. L. Dale, Reuel Kirby, Joe T. Gonzales, Clarence Christian, Marvin Davenport, Charles Bratcher, Eugene Black and C. E. Grant.

## Poles Replaced Monday Night Due To Winds

Line Foreman Harold Cowan of Bailey County Electric Cooperative Association said that small areas of apparent wind pockets did pole damage in the area around 7-7:30 p.m. Monday. He reported that the wind would blow very hard for a few minutes, then stop immediately to a dead calm. The 'strange' winds knocked down a transmission pole two miles north of Needmore and three plus four miles north and three miles west of Earth. Cowan added that the pole damage was rather unusual as the poles have withstood very high winds this year without damage. There was only momentary power loss as the electricity was rerouted.

## Bill Loyd New MAIF Chief

The Muleshoe Area Industrial Foundation met Thursday night to choose a new chairman. Prior Chairman Harmon Elliott had declined to serve another term and stated he thought it was time for someone else to 'take over' for awhile. Dr. Charles Lewis, also a former member of the board, declined to accept another term due to his heavy work and civic load. Bill Loyd, president of the Muleshoe State Bank was named as the new chairman for MAIF during the meeting. Other members include Harold King, Bob Jones, Derrell Oliver, Jim Cox, W. B. LeVeque and Jeff Smith. Discussed during the meeting was the upcoming American Apparel Convention which will be held in Dallas. The local MAIF organization will send two delegates to the convention and MAIF will be presenting a five-acre tract of land to an apparel manufacturer. The manufacturer who wins the tract of land must agree to begin operation within a set length of time and employ a minimum number of persons as designated by MAIF.

## Set Clock Up--Spring Forward

Feel like springing forward? . . . Well, you don't have to physically, but if you didn't turn your clock forward one hour at 2 a.m. today (Sunday) or before you retired Saturday night, you got up too late. Twice each year, the time changes an hour. In October, on the last Sunday of the month, clocks are turned back for an hour and remain that way until the last Sunday in April. Although the time change has proven to be controversial since its inception, it continues since passed by the State Legislature in 1967.

## Cook President Of United Fund; UF Passes Goal

During a meeting last week of the Muleshoe Area United Fund, new officers were chosen for 1971-72. Marshall Cook was named president; Myron Pool II, first vice president; Jess Bryant, second vice president; Clarence Christian, third vice president; Mrs. Bernard Phelps, secretary and Mrs. Pat Bobo, treasurer. It was reported that the 1970 United Fund drive had exceeded the goal due to expenses not being as much as budgeted.

is generally issued by a local office of the National Weather Service, such as the one at Lubbock, or Clovis, when a tornado funnel has been sighted and confirmed. Warning broadcasts are continuous over radio and television and all stations remain on the air generally until danger has passed.

It has been urged to not call your local law enforcement agencies to ask questions about the weather, but DO call to report tornado funnels or unusual weather activity. Local law enforcement officials ask that individuals calling use the regular law center telephone number, 272-4268, and leave the emergency number, 272-4200 open for reporting tornadoes in the area.

When a warning is issued, the general direction of movement is carefully noted. For persons in the path of a potential tornado, there are several precautionary measures which can be taken.

If you are at home and do not have a tornado cellar, go to a basement and crawl under a heavy workbench or table. If there is no basement in your home, seek shelter in a small room or closet in the center of the house on a lower floor. If possible barricade overhead with a heavy piece of furniture or mattresses. Another relatively safe place is in a bathtub covered by a mattress.

DO NOT ATTEMPT TO SEEK SHELTER IN A CAR OR BUS. And, if outside, get inside a house and take shelter. But, if you are not near a house, lie down in a ditch or depression in the ground, and put your hands over the back of your head for protection.

At school, follow a teacher's instructions exactly and move quickly to designated shelter areas.

According to the National Weather Service, there are more than 600 tornadoes each year in the United States. A tornado has been defined as being a funnel-shaped cloud that comes down from a thunderstorm. The funnel is a ring of winds, with a hollow center.

They may range from approximately a block wide to hundreds of feet wide, such as the major tornado which devastated Lubbock last May 11.

At first, the tornado is very light or white, like a cloud. After whirling to the ground, the winds pick up dust, dirt and debris and the funnel usually becomes very dark.

It is estimated that the average tornado stays on the ground for about 10 minutes and moves approximately five miles within that time, although tornadoes have been known to skim for several hundred miles on the ground, or bouncing up and down. The highest winds in a tornado have never been measured due to their intensity, but experts think they are probably between 175 and 250 miles per hour.

These winds are strong enough to destroy solid buildings, pull down huge trees, drive straws through poles, and toss people and animals hundreds of

of which were created in the Orient, while others were designed in Hollywood, New York, London and Paris.

This is the show that has entertained Broadway, dumfounded Hollywood and Chicago, and enthralled thousands upon thousands from coast to coast.

'Back Stage,' a theatrical trade journal, declares that the Zogi Revue is one of the most charming shows on the road today. The audience will enjoy every minute of the dazzling two hour production and go away declaring it to be one of the finest shows of the decade.

Since the show attracts large crowds at every performance, it's wise to purchase tickets in advance, adds the BAC spokesman. People were turned away at the Star Dust in Las Vegas. Headline acts include comedy, music, magic and illusion, a variety of combined entertainment, that has pleased and satisfied millions from coast to coast.

Advance tickets may be purchased from all businesses displaying Zogi posters. Advance tickets are \$1.50. They will be \$2 at the door.

yards in the air. At one time, a tornado picked up an 83-ton railroad car carrying 117 people, and carried it through the air for 80 feet before dropping it in a ditch.

Although tornadoes have occurred in every state, they are noted most often in the central plains. During the past 15 years, they have averaged killing about 125 people each year in the U. S. and have left behind damages tallied in the millions.

When a tornado watch is issued in Bailey County, all members of the three local law enforcement agencies, including off-duty officers, members of the Bailey County Volunteer Fire Department and other volunteers begin to assemble and a 'cloud watch' is started. Constant communications keep up with just exactly what is happening, weather-wise, in the entire county, as the workers scatter to watch clouds from all sides.

If it should become necessary, Fire Chief Earl Ladd would give the signal to blow the tornado alert siren. This is an on-off, on-off wavy signal on the large siren and smaller sirens on vehicles which would be moving up and down city streets.

Johnson and LeVina Pitts were in charge of the annual Book Bonanza Sale, which was also held at the library Wednesday afternoon. They were assisted by Mrs. Joe Costen and Lois Witherspoon, who were in charge of the books sold.

It was reported that the four hour sale Wednesday afternoon of used paperback and hardback books netted the library more than \$100. Members of the Study Club reported that due to the great response to the sale, it will continue for the next couple of weeks.

Contributions of books to be sold are still being accepted and the books may be taken to the library between the hours of 2-6 p.m.

All proceeds from the book sale will be used to help purchase equipment and furnishings for the new library which will be constructed this year.

dent, who introduced guest speaker, Dr. Roy McClung, president of Wayland Baptist College, Plainview.

Following a question and answer session with the teachers in the audience, Dr. McClung stated, "Are you aware that almost all of us are pioneers and adventurers."

"You will notice from the questions and answers that we are all provocative, we all have a limit, a point at which we can't take it any longer.

"There's just not an angel in the crowd," he continued. "We find that we can be hurt, all of us... we can break down and cry and there are times we can be discouraged. There are times when practically everyone of us would or could probably walk out of our classroom.

"This just proves one thing," he added, "we are human. We make human errors, both of the head and of the heart."

He spoke of the pleasure of seeing a slow student 'catch on'

suddenly, and blossom forth as a learner and what a word of recognition or 'thank you' does for a professional teacher.

Dr. McClung commended the teachers for choosing teaching as their life's profession and said, "There is one thing for sure, a dedicated teacher is not in this business just to make a living."

Retiring teachers were introduced. Attending the banquet were Addie Mae Spence, 25

You've been **spending too much on weeds in cotton!**

If you've been just cultivating, or using a chemical weed killer and not getting the control you need — either way you've been spending too much.

There's a better way to get good weed control, and spend less.

It's with Caparol® 80W — your partner, the weed-killer — band applied, at planting.

In just one trip across the field, you plant your crop and put Caparol on in a band. This keeps the weeds out of the rows. Then, all you do is cultivate the middles.

Don't spend too much on weeds in cotton again this year. Apply Caparol, in a band, at planting.

MRS. GARLAND JARVIS

## Miss Maralyn Lewis, Garland Jarvis Are Wed

Miss Maralyn Ruth Lewis became the bride of Garland Lynn Jarvis in a double ring ceremony at 7:00 p.m. April 15, at the Broadway Church of Christ Chapel, Lubbock, with Bill Looney, minister of the Happy Church of Christ, Happy, Texas, officiating.

Parents of the couple are Mr. and Mrs. F.P. Lewis of Needmore and Mr. and Mrs. A.G. Jarvis of Dimmitt.

Given in marriage by her father, the bride wore a full length Chantilly lace over satin gown featuring a high roll collar, empire waist and long bishop sleeves of English illusion, cuffed with lace over satin. The gown was completed by a cathedral length train. Secured by a seed pearl and lace headpiece, the brides tiered veil, also of English illusion, was tapered to fingertip length in back and completely edged in lace.

The bride carried a cascade arrangement of white roses centered with a white orchid, accented with yellow baby roses and tied with satin streamers.

Attending the bride as matron of honor was her sister, Mrs. Mike Clappitt of Denver City. The bridesmaids were Miss Debbie McCarty, neice of the groom, Houston; Miss Melinda Mims of Lubbock; Miss Gail Williams of Lubbock; and Miss Pat Chewning of Roswell, New Mexico. They all wore yellow floor length gowns of dacron wrist with squared necks and

bearer was Gary Don Lewis, nephew of the bride, of Odessa.

Ushers and candlelighters were Scott Hoover of Lubbock and Bill Knox of Denver City.

Performing the duties of groomsmen were Mick Patterson of Abernathy, Freddie Butler of Quanah, Ben King of Lockney, Randy Hasley of Hereford, with Terry Looney of Happy serving as best man.

The mother of the bride wore a light yellow bonded crepe long sleeved A-line dress with a bounded lace jacket and beige accessories. She wore a yellow rose corsage.

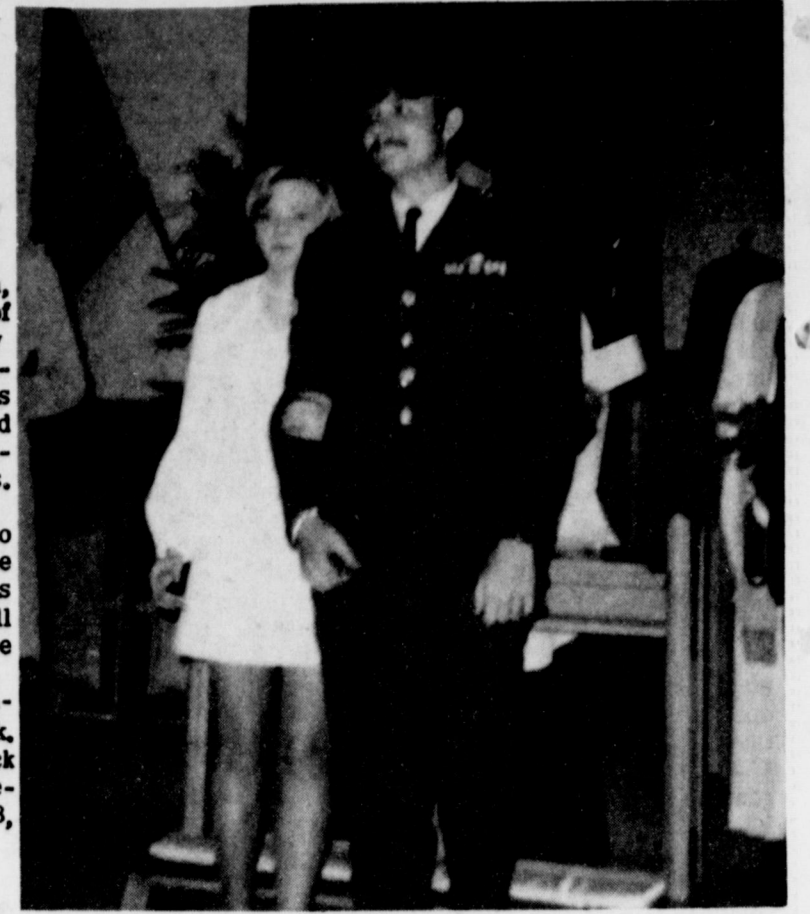

The mother of the groom wore a blue bonded crepe long sleeved A-line dress with a lace jacket, beige accessories and a yellow

rose corsage.

Assisting at the reception, held in the fellowship hall of the church, were Miss Emily Jones of Grand Prairie, Miss Delana Carlisle of Tulsa, Miss Shirley Sneed of Amarillo and Miss Konie Cox of Idaho. Registering the guests was Mrs. John Myatt of Lubbock.

For their wedding trip to Carlsbad, New Mexico, the bride wore a white A-line dress with silver stitching, long bell sleeves, pearl buttons and white accessories.

The new Mrs. Jarvis is employed by Stenocall in Lubbock. Jarvis is a student at Lubbock Christian College. They will reside at 1913 Ave O, Apt. B, in Lubbock.

MR. AND MRS. MICHAEL MENARD

## Young Homemakers Meet In Levelland

An Area I Young Homemakers Activity Day was held Tuesday, April 20, 1971, at South Plains College in Levelland. Sponsored by the Bailey County Electric Cooperative and other area electric co-ops, Tuesday's Activity Day was one of four planned for the education and entertainment of Young Homemakers members. Other Activity Days will be April 27 at Clarendon Junior College, Clarendon; May 4 at West Texas State University at Canyon; and May 11 at Wayland College in Plainview.

Attending the meeting from the Muleshoe Young Homemakers were Mrs. Elmer Downing, Mrs. Jimmy White, Mrs. Willie James, Mrs. Kenneth Powell, Mrs. Jay Harbin, and Mrs. Roland McCormick. Nine chapters were represented with 32 people in attendance.

Registration began at 9:15 a.m. The Muleshoe chapter was in charge of registration and providing coffee.

Joe Harbin of the Bailey County Electric Cooperative extended greetings to the ladies, then turned the meeting over to Mrs. Pete Laney, Area I Officer from Hale Center.

The morning's program was "Sewing with Expandable Fabrics" by Mrs. A. D. Boone

of Fabulous Fabrics of Lubbock. She demonstrated the knit fabrics available for making sweaters, sports wear, bathing suits and lingerie.

The afternoon session was "Selection and Care of Hair Goods" presented by Miss Renda Phelps of the Wig Boutique of Lubbock. She told how to clean and care for hair wigs and wiglets. The women were encouraged to try on various styles and colors of hair pieces. Each purchaser was given a 20% discount.

A workshop on the yearbooks was conducted by Mrs. Laney. These yearbooks are the books of the chapter's activities that are submitted for judging for various area and state awards.

Tissue collage craft workshops for the Area convention to be held in Muleshoe September 11 was discussed. The members rejected these crafts and alternative programs were discussed.

The meeting was adjourned at 3:30 p.m.

The Muleshoe Young Homemakers "Ladies Night Out" will be held April 30 at 8:00 at the XIT Steakhouse. Secret Pal gifts will be exchanged at the dinner.

## Nora Webb, Menard Wed In Maryland

Miss Nora Webb, daughter of Mr. and Mrs. A.J. Webb of Muleshoe, and Michael Menard, son of Mr. and Mrs. Lewis Menard of Saganaw, Michigan, were married April 3, 1971, in the chapel at Camp Springs, Maryland.

The bride is a 1970 graduate of Muleshoe High School and the groom is stationed with the United States Air Force at Camp Springs, Maryland.

## They will be at home at 6253 Maxwell Drive, Camp Springs, Maryland. Ladies Hospital Auxiliary To Host Coffee

The Ladies Hospital Auxiliary will host an informal coffee Wednesday, April 28, from 10:00 until 11:30 a.m. in the home of Mrs. Gary Miller on the Plainview Highway.

Mrs. Richard Engelking

An old fashioned 'pounding' was the way of welcoming home Vietnam veteran Harrol Redwine. Over sixty persons gathered at the United Methodist Church Wednesday night, to greet Harrol, Charlotte and Susan. Mrs. Glen Lust made a short welcome speech and then invited Harrol and Charlotte to open the many 'pounds' of groceries and other enticing things that they were so worthy of receiving.

Mrs. Bobby Blackburn's home was the scene of a shower honoring Daylen, young son of Je Don and Kitty Gallman. Relatives attending were, Daylen's great grandmother, Mrs. Les Caroland, Clovis, grandmother Mrs. A. L. Black, Friona, and aunt, Mrs. Danny Black also of Friona, and his little (big) sister, Melanie Gallman. Hostesses Iva Carpenter, Linda Elliott, Barbara Lust,

And the rains came, and with them the usual turbulence which brought back memories of last year's tornado which was April 17, just one day earlier than this year's tornado. No one was seriously injured this time though, but several homes and farms suffered damage. The heaviest being at the home of Mrs. Laura (Grandma) Treider, where a large portion of the roof blew off. Several men in the community were helping to repair it Monday afternoon before threatening clouds could do more damage.

## Presenting Sophomore, Freshmen Speech Students

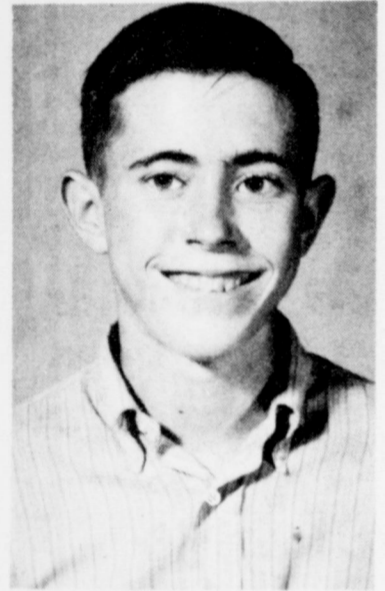

### Students Take Tests On Development

The Iowa Tests of Educational Development were given to 144 ninth graders on Tuesday, April 13th. These tests are designed to measure pupil achievement in reading comprehension and vocabulary, mathematics, social studies, science, library skills, etc. The same tests were given to the eleventh grade April 20th.

Each student who takes the tests will receive a profile sheet with his scores in each of the subject areas. Scores will be reported to him in the form of percentiles—that is, he will be able to see what percentage of students in his grade who took the same tests scored lower than he. On this scoring method,

**Frosh Choose 71-72 Officer Nominates**

The freshman class took nominations for their class officers for 1971-1972. These nominations were made during their regular class meeting on Thursday, April 15. The students nominated for Parliamentarian were Cindy Chandler, Sammie Mardis, and Ismael Anguiana. Nominated for Reporter were Patty Nickels and Clifton Meyers. Nominated for treasurer were Marvin Smith, Larry Torres, Kim Cowan, and Susan Head. The students for secretary were Cindy Posey, Donna Howard, Glenda Harlin, Curtis Gable, and Steve Glover. The nominees for Vice-President were Curtis Gable, Terry Stewart, Terry Bryant, Fred Locker, Clifton Meyers, and Ricky Smallwood. Students nominated for president were Steve Bickel, Don Long, Danita Throckmorton, David Wheat, Gary Hanks, and Keith Harp. The election of these students will be held at the next freshman class meeting.

DURK GREEN

### Durk Green Wins First At Science Fair

Durk Green, a freshman at MHS, received the first place prize of \$100 given by the Lubbock-Crosby-Medical Society at the South Plains Regional Science Fair held in Lubbock, Texas, April 16 and 17. Eric Smith, high school science teacher, was Director of the Fair and was named as sponsor to the International Science Fair to be held in Kansas City in May.

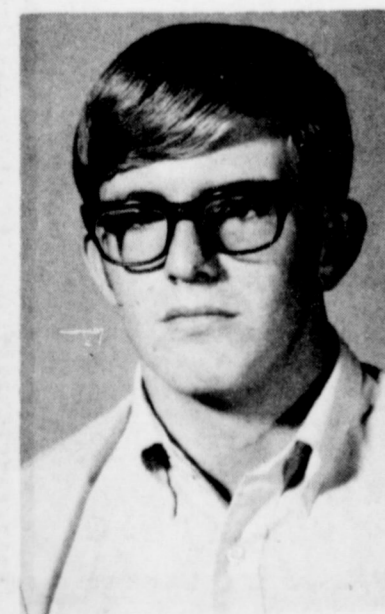

Durk's project on birds began in 1968 under the direction of his Junior High science teacher, Mrs. Lewis Scoggin. The present science project has a total of 27 skulls. It is probable that Durk will take his science project to the Texas Medical Association meeting in Houston, Texas.

Because of his interest in animals and birds, Durk plans to major in zoology in college.

### Registration For MHS Will Be Monday

Pre-registration for ninth, tenth, and eleventh grade students will be held at 10:00 a.m., Monday, April 26, in the High School Cafeteria.

Eighth grade pre-registration for those students who will be high school freshmen in 1971-1972 will be held at 8:00 p.m., Monday, April 26, in the High School Cafeteria. This is Eighth Grade Parent Night and all parents are invited and urged to attend.

DON HEATHINGTON

### FHA-On The Move

Wednesday morning, eleven girls, three advisors, and one mother left for Dallas and the FHA State Convention. Dellinda Henry and Peggy Carter from the Rose Chapter received their State Degrees. Cathy McCormick and Judy Dodd sang in the State FHA Chorus. Tani Murrah attended the convention

as incoming Parliamentarian from Area I. The other girls attending the convention were those who received the highest number of points from their respective chapters. They are Cheryl Gable and Brenda Tiller, Rose Chapter; Liz Galyon and Dagmar Poteet, Rose Blossom Chapter; Janie Perez and Cindy Chandler, Rose Bud Chapter. Mrs. Ben Gramling, Mrs. Jay Harbin, Mrs. Roland McCormick, and Mrs. J. R. Carter sponsored the trip.

Thursday the girls went sightseeing and shopping. Friday they attended meetings. Friday night FHA'ers were entertained by skits and special music. At the third general session, the meeting of the House of Delegates was held and the officers for 1971-72 were installed. Girls receiving State Degrees of Achievement were recognized Friday afternoon. The State Chorus performed during the first two general sessions and again Friday evening.

Both girls and sponsors enjoyed the trip and feel that the FHA chapters of Muleshoe will be benefited by the new ideas brought back from this year's State Convention.

### Art Club News

The Art Club officers met in Mrs. Black's room Monday, April 19, to order pins and discuss plans for the Art Club's volleyball team. The club members voted on the pins at the previous meeting. They will be red and blue enamel on silver or gold, and the guards have MHS and the year on them.

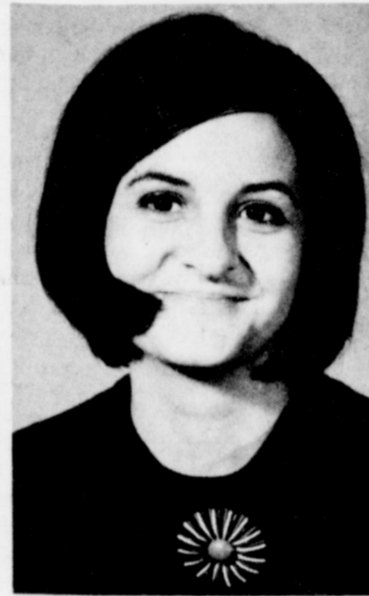

### Speech Class To Regional At Odessa

Muleshoe High School's Literary Events team won the District 1-AAA Literary Trophy at the conclusion of the UIL tournament last Friday. Muleshoe tabulated 112 points, Levelland 111 points, and Perryton 102 points for the top three schools. Of Muleshoe's 112 points, the Speech Department accounted for 107 points.

Muleshoe High's Drama Department won second place last Friday at WTSU with their contest play, "Medea." Greta Bamert won the Best Actress Award, and Bryan Brady was placed on the All Star Cast. The Speech Department competed April 24th for the Regional Championship in Odessa. The Department had students entered in eight events.

### Morris Visits MHS, Talks Of College

Monday, April 19, the seniors of Muleshoe High School met in the auditorium at 9:00 a.m. Mr. Ben Gramling, High School Counselor, opened the session by introducing the representatives from neighboring colleges.

Mr. Milton Morris from WTSU represented the Opportunity Plan and was the first speaker. He explained the Opportunity Plan and the goal which is to reduce the number of seniors not furthering their education. He then introduced Mr. Nathan Tubb.

Mr. Tubb is the Dean of South Plains College in Levelland. He discussed the problems that occur when students do not further their education past the high school diploma. Mr. Tubb discussed different vocational

courses from South Plains such as nursing, agriculture, radio and television servicing, and middle management and the difference between vocational and technical programs.

Mr. J. W. Salas, the manager of student affairs at Texas State Technological Institute in Amarillo, followed. He discussed the compromise between abilities and talents and how to choose applicable jobs. Different jobs Mr. Salas proposed from the institute include drafting, carpentry, technical communications, printing, auto mechanics, and avionics.

Mr. Morris concluded the program by suggesting a challenge to Friona High on a percentage basis of seniors furthering their education.

### Bulletin

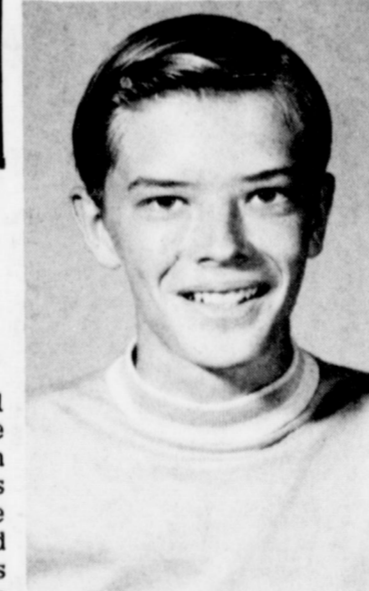

The 1971-72 Varsity Cheerleaders were elected Wednesday, April 21, by popular vote. The six girls elected were, Vanda Spurgeon, Rhonda Bland, Janis St. Clair, Melita King, Judy Winn and Kay Douglass. Congratulations to these girls!

### Tennis Team Competed In District Meet

The Muleshoe High School tennis team competed in the district meet at Canyon on April 16 and 17. The entries for Muleshoe in Division I were Terry Burchel, Kim Crane, and Tani Murrah in boys and girls singles. The first division girl's doubles team was composed of Jeanie Putman and Donna Grimsley and the boys doubles team was Bill Chapman and James Gullely. The Division II girls doubles team was made up by Mitzi Bass and Cynthia Chandler.

Tani Murrah won her first match in the girls singles competition against a girl from Canyon. The other members of the team failed to register a win in the meet. The experience of competing in a district meet was a complete new undertaking for all members of the team. The prospect for a good season next year are enhanced by the fact that all the team members are freshmen or sophomores except Gullely.

Several members of the team are planning to attend the WTSU tennis camp this summer in hopes of receiving additional instruction and experience.

RICHARD MEYERS

STEPHEN BLOCK

### Debate Team; Stephen Block; Richard Meyers

The MHS Speech Department is very proud of Stephen Block and Richard Meyers, the winners of the first place trophy for Boys Debate in District Competition at Canyon. Both of these boys are freshmen, but they were victorious over Juniors and Seniors at District.

West Avenue D, is also on the golf team. He is interested in baseball, boating, water and snow skiing, and dune-buggy riding. Stephen and Richard also won third place at the Spearman tournament.

### Seniors Elect Slaves; Talk On Graduation

The Senior Class held their regular class meeting Tuesday, April 20. Graduation plans are being made.

Plans for after graduation activities are being made by senior parents. Slaves were chosen for the Junior Class Slave Sale. Those slaves are Rickie Stockard, Becky Sain, Jimmy Evans, and Mark Dillman.

### Student Activities In Speech Outlined

Like the juniors and seniors in the Muleshoe High School Speech Department, the sophomores and freshmen have also been very successful. This week the Mules' Tale Staff would like to present Christy Ford, Jennifer Davis, Brent Blackman, Linda Mason, John Garth and Rogelio Puente.

Linda Mason is the daughter of Mr. and Mrs. Clarence E. Mason of Rt. 2 Muleshoe. Linda has been very active in Speech events this past year. She is on the girls debate team. The team has placed second in the Hereford tournament, second in the Texas Tech Tournament, and made the finals in two other tournaments and the semifinals in three tournaments.

Linda attended the Texas Tech Workshop last summer. She also worked on the Stage Crew during the three one-act plays. Other school activities and hobbies include FHA, Thespians, cooking and horseback riding.

John Garth, a sophomore at MHS, is the son of Mr. and Mrs. D. T. Garth of 1024 W. 2nd Street in Muleshoe. John's event in Speech is poetry. John won district in poetry. Other placings throughout the year were third in the Friona tournament, second at Texas Tech, and a second at Spearman.

John is a member of the Spirit Club and Thespians and enjoys playing tennis.

Rogelio Puente is a freshman Speech student at MHS. He is the son of Mr. and Mrs. Rogue Puente. The Puente's reside at 202 E. Birch Street in Muleshoe. His speech event is Persuasive Speaking. This year Rogelio placed second at Dimmitt Tournament and made the finals at Friona, Hereford, and Kermit tournaments. Other activities include building models and watching television.

Christy Ford, daughter of Mr. and Mrs. E. T. Ford, participating. Christy placed first at district, second at regional and

### MHS-SC Plans Busy Month During May

The MHS Student Council held a regular meeting Monday, April 19. The meeting was called to order, followed by a devotion. The 1971-72 Student Council officers and representatives attended the meeting.

The Student Council has entered a volleyball team in the FTA-sponsored tournament. Members of the team are Jerry Putman, Lonnie Ferris, Judy Dodd, Cynthia Gable, Betty Chandler, Bonnie Chandler, Vickie Julian, Brenda St. Clair, David Wheat, and Sammie Mardis.

Mr. Block gave a pep talk to next year's officers. He asked them to begin to think about money making projects and projects to make a good council.

A committee was appointed to make plans for the installation of the 1971-72 Student Council officers. Committee members are Chairman Betty Chandler, Lee Ann Yerby, Joe Duke, and Christy Ford.

Reports were made on the Junior Olympics and everyone was asked to get in touch with people who might like to help with the olympics.

A poster committee was appointed for the purpose of advertising for the film to be sponsored by the Student Council, April 30.

first at Spearman her freshman year. She placed third at Hobbs in Oratory, first at Spearman and first at district her sophomore year. Christy has been in "Liliom," "Unsinkable Molly Brown," and "Our Town."

Christy is a member of Thespians and of FHA. Her sophomore year, she was one of the "Ina Dee Singers" in the FHA Girl's Choir. Christy holds the office of Faith in the Muleshoe Order of Rainbow for Girls. She enjoys swimming, cooking and sewing.

Jennifer Davis, daughter of Mr. and Mrs. Eldon Davis, is an active member of the MHS speech department. Formerly in poetry, Jennifer is now in persuasive speaking. In the 1969-70 school year she placed in the finals in poetry at Dimmitt, Hereford and Friona. She also placed third at Kermit. This year she won third in Persuasive speaking at Hereford, second at Spearman, and also won district.

Jennifer's other school activities include Parliamentarian of the Sophomore class, a role in the "Unsinkable Molly Brown," and is Secretary of the FHA Rose Blossom Chapter. Her hobbies and interests are horseback riding and playing the piano and guitar. She is a member of the Tri C's and is the reporter for the FBC Youth Council.

The Davis family's address is Route 4, Muleshoe.

Brent Blackman is a sophomore member of the MHS speech department is Brent Blackman. As a freshman Brent participated in poetry and prose; and as a sophomore he participated in prose, the contest play, and duet acting. Brent has attended all tournaments in the past two years making the semifinals in several tournaments. Brent is an officer in Thespians, present parliamentarian and next year's vice president of the Student Council, and an officer in Band. He has participated in Band for two years, the one act plays for two years, and was a representative to the 1971 Texas State Student Council Convention in Austin. Brent has played roles in the "Unsinkable Molly Brown," "Pink Lemonade for Tomorrow," and "Liliom." As a sophomore Brent played third chair French Horn in the All-Region Band. His hobbies and interests include playing the piano, oil painting, hand and art work, swimming, basketball and tennis. Brent resides at 1904 W. Ave. F, with his parents, Mr. and Mrs. Buddy Blackman.

Christy placed first at district, second at regional and

Mr. and Mrs. Paul Young and Mr. and Mrs. Tommy Kirk and daughter, Jennifer, visited Sunday with Judy Young at the Oasis Ranch near Canadian.

Mr. and Mrs. Travis Webb and son, Mark, of Hobbs spent the weekend with her sister, Mr. and Mrs. Bill Brewer and Billy. Saturday night they all, accompanied by the ladies' mother Mrs. Bertie Clawson of Littlefield, attended the Tech rodeo. They enjoyed seeing Dale Robertson and also hearing Jody Miller sing.

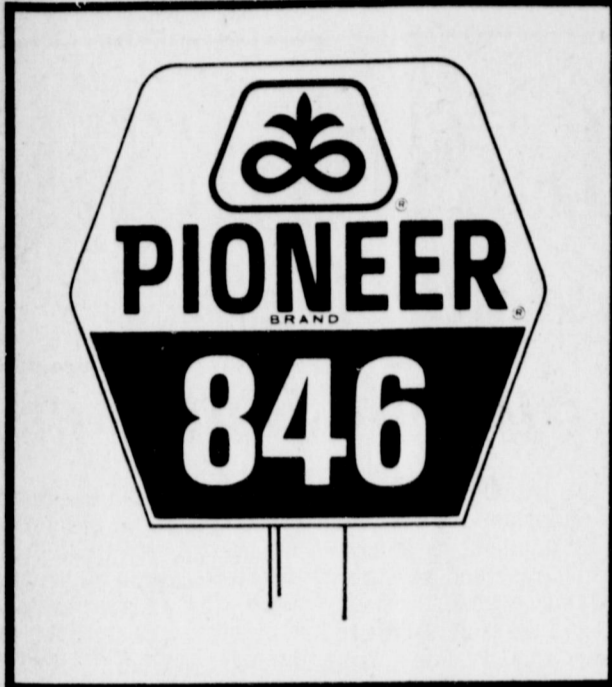

Mr. and Mrs. Carl Burns and Mr. and Mrs. C. A. Williams visited Sunday afternoon at the Morton Rest Home with grandmother Williams. Grandmother was very pleased to get to show them how she could walk with her walker. She had the misfortune of falling and breaking her hip a few months ago.

Mrs. R. B. Wright and her son, Richard, and Miss Mary Hobratchsk spent the weekend in Dallas with Mr. and Mrs. Howard Wright.

Howard left Monday morning for the coast where he will be sent back to Vietnam for more overseas duty.

Mr. and Mrs. E. M. Autry spent the Easter holidays with her parents, Mr. and Mrs. Sam Robertson of Poplar, California. On their return home they visited with a friend, Mr. and Mrs. Dewayne Bryant.

Miss Sherry Withrow, junior student from Abilene Christian College, spent the weekend with her parents, the J. C. Withrows.

It's PIONEER again this year.

Here's why:

JODIE BARRETT, Muleshoe, produced 6500 pounds of grain sorghum per acre last year from 23 acres of Pioneer brand 846. The crop had very little rain during the growing season and had four waterings after planting. Mr. Barrett particularly liked the yield, fast growth, and the easy threshing of 846. He plans to plant 150 acres this spring. Naturally we're proud that good farmers like Jodie Barrett plant Pioneer hybrids year after year

Pioneer is a brand name; numbers identify varieties. \*Reg. trademark of Pioneer Hi-Bred Corn Company, Des Moines, Iowa U.S.A.

AWARD OF EXCELLENCE--Mrs. Anne Camp, Librarian at the Muleshoe Area Public Library, was presented an 'Award of Excellence' by the ESA sorority for 'service to the community' during National Library Week. Mrs. Jack Rennels, president of the sorority is pictured with Mrs. Camp.

Get your money's worth electric air conditioning

OVER 30 YEARS OF PROVEN DEPENDABILITY

Just like your refrigerator, electric air conditioning uses the same experience-proven method of cooling. A dependable compressor keeps on cooling no matter how high the outside temperature.

LOW OPERATING COST

Before you buy, be sure you have complete information. Electric air conditioning saves you money when you buy and because it uses only electricity and free air, your operating cost is low no extra installation costs, either!

HIGH ALTITUDE - NO PROBLEM

Despite our high altitude, electric air conditioning keeps on doing its job because the electric cooling method is completely sealed against the effects of altitude changes.

CHOICE OF BRANDS

There are 58 manufacturers of electric air conditioning and all major brands are available in our area. Brands in your area are listed in the Yellow Pages or identified on your neighborhood dealer's store front.

CHOICE OF SIZES

Electric air conditioning offers the right size for your cooling job. Too large a unit makes your first cost unnecessarily high; too small runs up operating cost. Electric air conditioning can save you money on both counts.

COMPLETE SERVICE

The principle of electric air conditioning is so well understood and the parts so easy to change that any air conditioning man can give you service quickly should you ever need it.

To some farmers, our service is a lot of bull.

We often lend money for one bull or to finance an entire herd. But to other farmers, a PCA loan means fertilizer, feed, or seed. It fixes fences and re-roofs barns. It remodels kitchens, pays medical bills, and sends your kids to college.

In the more-than-thirty years PCA offices have served farmers — and farmers exclusively — we've never turned down a qualified loan request for any sound farm operating need.

And there's no limit to how much is available from PCA. That's up to you and your farm's capacity to produce. Our financial assistance can run anywhere from less than \$100 to more than a million.

When you need short-term or intermediate-term money to make your farm more productive, more profitable, or a more pleasant place to live, contact your local PCA office. You'll deal with people who are both farmers and financial specialists, and who are geared to give you prompt service.

COLLEGE STATION -- Two new consumer protection laws have recently been passed by Congress, effective on April 25, reports Mrs. Doris Myers, Extension specialist in home management at Texas A&M University.

## Farmers Union Members Meet In Lubbock

Several members of the Bailey County Farmers Union were in Lubbock April 16, where they met with the Lubbock County Farmers Union in the social room of Farmers Co-op Cottonseed Oil Mill for a banquet.

Local members attending the meeting were Bailey County Farmers Union President and Mrs. M. L. Fine, Maple; Mr. and Mrs. Delbert Watson, Baileyboro; Mr. and Mrs. Cecil Jones, Enochs community; Mr. and Mrs. John Hubbard, Bula and Mr. and Mrs. N. H. Harlan, Bula.

Featured speaker was Tony T. Dechant, Denver, Colo., who is the president of the National Farmers Union. He was introduced by Jay Naman, Waco, president of Texas Farmers Union.

Highlights of Dechant's talk were drought relief for the state, the recently signed International Wheat Agreement and exemptions requested by Farmers Union from the proposed federal regulations of drivers of farm trucks.

One new law states that an individual will not be liable for any loss from unauthorized use of his credit card after he has reported its disappearance to the issuer. The other law, titled the "Fair Credit Reporting Act," gives consumers some rights against the use or erroneous data in the files of credit bureaus.

According to the law affecting lost credit cards, an individual may report the loss by telephone or by letter to the issuer.

Most companies will cancel use of the card once they have been notified. If the notice is by letter, cancellation is effective the day the letter is postmarked. For losses occurring before notification, liability is limited to \$50.

The \$50 liability applies separately to each card that is lost. So, if a billfold or purse containing five credit cards is misplaced, the potential maximum liability is a total of \$250. If a husband and wife lose their

cards on a joint account, however, the total liability is limited to \$50.

The new law also prohibits banks and other firms from mailing out unrequested credit cards. Companies must inform the user of his rights and potential liabilities, plus they must assume the legal burden of paying for liabilities the card holder may suffer.

The Fair Credit Reporting Act, the second new law protecting consumers, generally forbids bureaus to send out

adverse information that is more than seven years old. The exceptions include bankruptcy, which may be reported up to 14 years; and information in reports on those applying for a loan or life insurance policy of \$50,000 or more, and those applying for a job with an annual salary of \$20,000 or more, both situations having no time limit.

If the file contains false,

incomplete or inaccurate information about you, the material may be re-investigated by the credit bureau, and the findings sent at your request to all who have received your report within the past six months or within the last two years, if the file was sent for employment purposes.

Once informed that a credit bureau has hampered your credit, insurance or employment status, you have the right to obtain from that bureau all information in your file. The exception is medical information.

## Texas Draft Call For May Is 959 Men

AUSTIN--The May Draft Call for Texas has been announced by Colonel Melvin N. Glantz, the State Director of Selective Service for Texas. The call is for 959 men to be inducted from Texas. The National Induction Call is for 15,000 men.

Glantz announced the limitation on Lottery Numbers for May as 125. This raises the Lottery Number limitation for May. The limitation had been

100 in previous months of 1971. A total of 3440 men from Texas will be ordered to take a pre-induction physical examination during May, and the Lottery Number limitation for pre-induction physical examinations has been raised to Random Sequence Number 175.

Induction orders and physical examination orders are being mailed by local boards now for the May calls.

Now that we've had a taste of it, winter doesn't seem all we thought it was--last summer.
