Slaton voters joined a whole bunch of other people across the nation Tuesday in voting for President Nixon's re-election over challenger George McGovern. In three Slaton boxes, a total of 2,017 votes were cast, with 1,165 of these for the Nixon-for the Democratic team.

Box 38, however, which was voting at Stephen F. Austin School, went heavily for McGovern, giving him a 465-227 edge. Box 36, clubhouse, and 37 (West Ward) went to Nixon by 421-123 and 517-210 respectively.

Although Precincts 36 and 37 voted for incumbent Republican Sen. John Tower, who won reelection, Precinct 38 went so heavily for Democrat Barefoot Sanders that the total of the three boxes went to Sanders.

Oddly, considering the results in boxes 36 and 37 in the other races, all three boxes went for Democratic gubernatorial candidate Dolph Briscoe, who apparently as of Wednesday morning was a narrow winner over challenger Henry Grover on the Republican ticket. All three Slaton precincts voted in favor of Democrat Jesse James, the incumbent, over the GOP's Maurice Angly in the contest for state treasurer.

Tuesday's weather was ideal for bringing out the good showing of voters here.

Incomplete returns from all of Lubbock County showed that the county overwhelmingly favored Republican candidates for President, U.S. senator, governor and state treasurer. An early count from over the county, with several precincts not reported as of early Wednesday morning, showed Nixon with 33,900 compared to 10,100 for McGovern.

In the U. S. Senate races, Lubbock County had counted 26,732 for Tower and 15,561 for Sanders, with 696 for Flores Amays, La Raza Unida candidate.

Grover carried Lubbock County with 21,810 to 19,217 for Briscoe and 2,285 for Ramsey Munitz, who received 336 votes in the three Slaton boxes.

Both the county and the state favored a complete revision of the Texas Constitution, and other amendments giving tax breaks to disabled veterans and to the elderly, letting state employees hold local offices and guaranteeing women's rights. Voters in the county approved four-year terms for top state officials, but opposed raising legislators' salaries. Statewide, voters approved the same amendments as did the Lubbock voters, except for a rejection of the one permitting state employees to run for public office.

Slaton Man Killed In Wreck On FM 41

Bobby Earl Morrison, 24, of 955 S. 18th St., was killed about 11:30 p.m. Tuesday on

FM 41 in Hockley County as his car went out of control. Morrison, driving west in a 1972 automobile, died at the scene, according to investigating officers. The accident occurred 2.5 miles east of U. S. 385 on FM 41.

Officers theorized that the Slaton man, alone in the car, fell asleep, ran off the highway to the right, pulled back onto and across the roadway, and lost control. He was thrown from the car into a ditch.

Funeral services for Mr. Morrison will be at 2 p.m. Friday at First Baptist Church in Slaton, with the Rev. Johnny Cartrite officiating, assisted by Rev. J. T. Holding. Burial will be in Englewood Cemetery under direction of Englund's. Survivors include his wife; two daughters, Stacy Denise and Toni Ann; and his parents, Mr. and Mrs. Doyle Morrison of Slaton.

CASTING BALLOTS -- Voting was brisk at all three Slaton precincts Tuesday. This scene at the clubhouse shows election official Mrs. R. F. Stansell, right, helping two voters, Roman Verkamp and Mrs. Raymond Standefer. (SLATONITE PHOTO)

Schaffner Takes Contest Honors

Dale Schaffner of Route 1, Slaton, took top honors and \$10 in the weekly football guessing game sponsored by the Slatonite, and missed only three of the 29 games. Schaffner had to go with his tie-breaker score of 35 to win, though, as Gary Glasscock also missed just three, but had 57 as the total in the tie-breaker, which actually came out 17 points. Glasscock took second prize of \$5, and the third prize of \$2 was split at a dollar apiece for Karla Kitten of Slaton and Todd Taylor of Rt. 2, Post. Each missed five games and each had 32 points on the tie-breaker score.

With just two weeks left in the competition among the Fearless Forecasters, Joe Sparkman appears to be in good position to buy the steaks for the other four, as he continued in last place despite an 8-4 mark last week. Sparkman, at 56-32 is just five games behind Dalton Wood, but Wood is planning a sensational finish in the contest. He missed just 2 last week, as did Bill Ball. Ball moved into second place at 66-42 ahead of Pete Williams, who missed 5 and now stands at 64-44. Meanwhile, J. W. Holt, who picked TCU, still just missed 3 and stands in the lead at 75-33.

Two Face Charges In Narcotics Case

Two Lubbock men were charged with possession of marijuana after their arrest by Slaton Police officers early Saturday morning.

The report of officers here said the department received a call at 4:49 a.m. Saturday to go to a truck stop on U. S. 84, where they found a young woman from Lubbock who asserted that she had been assaulted by two men in a rural area of the

county. She said the two men were near the truck stop, trying to force her to accompany them. Officers took into custody two men outside in a car, and took all three to the police station.

County officers took the young woman to her home in Lubbock, and later filed charges of possession of marijuana against the two men, after a quantity of what appeared to be marijuana was found in the car

of the two men by Slaton policemen.

Charged with possession of marijuana were Nicholas Vargas Aguilar, 23, and Ramiro Perez, 22, both of Lubbock.

On Saturday night a car driven by Laris Woodson, 1125 S. 4th St., was involved in a collision with two parked cars, belonging to Billy Dee Wilborn, 1110 S. 6th, and Gudell B. Brown, both legally parked in the 700-block

of New Mexico St.

Mary Ann White told officers Tuesday that someone took some personalized checks from her purse at Cloverleaf Liquor Store.

Walker Courts and Grocery complained that a roamer had left without paying his rent and had taken \$24.60 in linens and a gas heater. Officers recovered the items.

Cooper Moves Near District Laurels By Blanking Tigers

By DALTON WOOD

Cooper moved to within one game of clinching a tie for the District 5-AA championship, but found Slaton plenty tough last Friday as the Pirates earned a 17-0 win here.

Slaton, for the third game in a row, was unable to find the goal line, despite several good thrusts deep into Cooper territory in the second half. The Tigers get a rest this week before closing their season at Frenship Nov. 17.

Cooper, meanwhile, stands a good chance to represent district if Tahoka should lose another game. Tahoka beat Cooper, but lost to Frenship,

and still must play Denver City, whose only loss so far has been to the Pirates.

Cooper scored on a 47-yard pass play with 3:05 left in the first quarter Friday night, as

Quarterback Bobby Caudie threw a strike to Junior Martinez, who caught the ball going away behind the Tiger defense. Ronnie Jones kicked the extra point, and the Pirates led 7-0.

The Tigers made only two first downs in the first half, and the first one of these was not made until 3:44 was left in the half. Slaton immediately made the other first as HB Greg Sokora ran 21 yards to the Cooper 24. This thread died as QB Eddie Jones' pass was intercepted by Rick Greer of Cooper in the end zone. With just 8 seconds left in the half, Greer kicked a 37-yard

field goal for Cooper to make it 10-0.

Slaton dominated the third quarter, taking the opening kickoff and driving for five consecutive first downs, with almost all the yardage made by Sokora on the ground. But this long drive was killed by a fumble on the 15 yard line, recovered by Tackle Buddy Cooper of Cooper. There was no score in the third period.

Cooper added some insurance points late in the fourth period after some good running by Martin Aleman and Kevin Jones. Caudie went 4 yards for the TD at 3:31 left in the game, and Ronnie Jones again converted to make it 17-0. After the kickoff, Slaton hit on its longest gainer of the game, a 42-yard pass from Eddie Jones to End Lupe Valderas, carrying to the Pirate 28. From there Slaton again drove to the 15, but a Martinez interception at the 5 killed the chance.

Sokora was a tower of strength for Slaton on defense, and Guard Dwayne Mosser also turned in a top game. Both Sokora and Mosser were counted in on 13 tackles, the same number credited to Cooper's Guard Lance Hlavaty. Also doing a fine job for the Pirates on defense were Kevin Jones and Johnny Threet. Other Tigers in on lots of tackles included Bobby Breedlove and Robert Grant.

Sokora was the game's top runner, totaling 96 steps on 24 carries, an average of 4.0. But Aleman had a better

More fun than going to one antique store is going to twenty-four, all under one roof. It was my pleasure to represent the SLATON SLATONITE at the semi-annual Lubbock Antique Show in the Texas National Guard Armory Saturday afternoon. This three-day event afforded devoted "hunters" an extensive collection of treasures to dream over. Ironically, I spent a lot of time at the booth of our local JJ's.

Magnetic Fiber Aids Processing

Magnetism may lead to a new way of processing raw cotton fibers, the National Cotton Council notes.

Scientists of the U.S. Department of Agriculture's Agricultural Research Service have succeeded in making small amounts of cotton responsive to magnetic forces. This makes it possible to move fibers about freely from the bale into yarn in one continuous operation.

Finely powdered iron particles were evenly distributed when suspended in a wetting agent made of partially neutralized oleic acid.

In effect a dilute soap solution, the wetting agent dispersed the particles evenly over the individual fibers without causing them to stick together. It actually tended to lubricate the fibers.

The iron can be washed away at any point. There is little likelihood of chemically altering the cellulose. The fabric thus could be chemically treated for a variety of effects such as durable press or flame resistance.

Cotton processing techniques have remained essentially the same over the past 200 years and scientists see the possibility of eliminating a number of steps through making the fibers respond to magnetic forces.

PRaise THE LORD

By LENDA WOOD

If we are Christians we should be happy, joyful, and living the abundant life, in spite of any kind of trial, trouble or burden upon us, because this is a promise from God. His Word is true -- men may fall, but God never fails to keep His Word.

In observing people walking by on a city street, or in a department or grocery store shopping, or even in a church gathering, it shows in their countenance whether they have an inner joy and peace. And if they are worried about something, you can tell immediately by the look on their faces.

I believe this saddens Jesus to see us not enjoying life, just as it saddens our hearts as parents when our children become lifeless and just sort of trudging along rather than joyful and full of life.

Jesus said, "Come unto me, all ye who labor and are heavy laden, and I will give you rest." Rest from your worries, burdens and cares of this life -- if that's what bothers you the most.

One night as we were going home from work, I felt so weary and tired mentally, physically and spiritually. Too tired to do anything except "collapse". Then I thought of that verse, "Come unto Me, all you who LABOR..." I had never thought that applied to physical or mental labor (or my job). I had always connected it with trials and burdens. But as I took it for what it actually said, I began to relax and focus my eyes on Jesus, and He began to bless and strengthen me. He does actually give us that kind of rest too.

You know, the Bible teaches that the devil is real and that "he prowls around like a hungry, roaring lion, looking for some victim to tear apart." (1 Peter 5:8). And he will rob us of our joy and peace (which is God's promise to us, His children) if we allow him to, by simply getting our eyes off Jesus and on circumstances.

The only way we can be victorious over the devil is: "Stand firm when he attacks. Trust the Lord." (1 Peter 5:9) "your strength must come from the Lord's mighty power within you (that's the SAME power that raised Jesus from death -- just think of that). Put on ALL of God's armour so that you will be able to stand safe against all strategies and tricks of Satan. (Eph. 6:10,11, and read on through vs. 18.)

If our journey through life is not joyful, we may be like the fellow who wished more than anything that he could make a trip to a country across the ocean. He raked, scraped and saved, and denied himself any

Patton Springs, Southland Tie

Southland and Patton Springs took turns scoring last Friday night and when it was all over, the two teams were deadlocked at 22-all in a non-conference eight-man football game. The tie brought Southland's record for the year to 3-4-1. Southland normally plays six-man football, and is a member of the six-man District 4-B.

Patton Springs scored on a 44-yard pass play from Willie Ray to Jerry Adcock in the first quarter, but Southland took a 14-6 lead on a 24-yard run by Steve Buckemper and a 1-yard plunge by Joe Bevers. Patton Springs then scored on a 6-yard run and a 2-point play to tie it at 14-14. But Southland led 22-14 at halftime, after Bevers hit Larry Koslan with a TD pass, then tossed to Jerry Winterrowd for 2 points.

Ray passed to Adcock for a touchdown and extra points to tie the game in the third quarter, and there was no scoring in the final period.

The Women's Society of Christian Service of First United Methodist Church met Monday in Fellowship Hall at 9:30 a.m.

Mrs. R. E. Choate was in charge of the program, "The Politically Sophisticated Woman".

The meeting was opened with a scripture reading from Proverbs 31. The 15 members present recited the "Lord's Prayer".

Mrs. Choate was assisted by Mrs. R. C. Hall, Jr. Benediction was given by Mrs. H. V. Wheeler.

luxury for several years until finally he had enough money saved to buy his ticket.

Before climbing aboard the ocean liner, he bought some cheese and crackers to eat on the journey, for he only had enough money to purchase the ticket. The journey took several days.

Every meal time, he went to his room by himself and enjoyed his cheese and crackers, which was all right with him, because he was getting to make the journey of a lifetime.

But on the very last day of the journey, someone who was on the same voyage happened to notice that he never had dined with all the other travelers. So he asked him why he had never seen him in the dining room. So the fellow told him how he had worked hard all his life and had saved for the trip and just barely had enough money to buy the ticket.

Then his fellow traveler said, "Well, didn't you know that your ticket also entitled you to the feasts and banquets during the trip?"

There's a song that goes, "Come and dine, the Master calleth, come and dine. You may feast at Jesus' table all the time. He who fed the multitude, turned the water into wine, to the hungry calleth now, come and dine!"

Junior High Jottings

BY ROBIN KERR & BRENDA LONG

Weather has been the topic of conversation the past two weeks. Halloween night the weather was so bad that the football games with Cooper were called off, but it didn't keep the junior high pranksters from prowling. Coach Hearn had a number of eighth grade visitors that night.

In Mrs. Childers' eighth grade classes, the students have been busy memorizing a poem and illustrating it. It looks like this nine weeks is starting off with a blast!

Saturday the basketball girls traveled to Plainview for a clinic.

The question of the week is "What is the best thing you like about school?" Here are some answers:

Sherri Carter -- "Lunch," Connie McCormick -- "When Mr. Rodriguez says his corny Aggie jokes,"

Ricky Davis -- "Edging money off my dad," Billy Jack Haire -- "Nothing."

Kandice Martin -- "When Mr. Townsend yells at me then looks at me funny," Lynn Tabor -- "I can see Artie,"

Zoe Preston -- "Eating," Jim Swanner -- "Girls," Rocky Smith -- "Looking at the girls."

ROTC Presents Color Guard

Slaton Junior ROTC presented a double color guard at the final home game of the season last Friday as Slaton played Cooper. One of the color guards was at the south end of the field and the other at the north end. When the two color guards met at the center of the field, Kenneth Walker played the salute to the flag.

The flag was raised by Cadet Cpl. Richard Johnson and Cadet Pvt. John Chapa.

At the south end of the field the color guard was composed of Lt. Col. Alan Comer, Maj. Ezal Slay, 2nd Lt. Barry Wicker, and M. Sgt. Donny Beasley. Those at the north end were Capt. Donny Steffens, Cadet Capt. James Simonton, M. Sgt. Bryan Johnston and Sgt. Johnnie Johnson.

A military show including demonstrations of helicopters and weapons by the 1st Cavalry Division is planned here on Nov. 29, it was announced this week.

Record Crowd Attends Dinner

Mineral Demand
The demand for primary minerals is expected to increase fourfold by the year 2000. The United States then will need 7.5 billion tons of aluminum ore, 1 billion tons of phosphate ore, and 100 million tons of copper metal.

Act Designed To Help Failing Rural Areas

Rural Texas areas, subject of much concern over their loss of population in recent years, have a chance to reverse this alarming trend through the new Texas Rural Development Act, passed by the 62nd Legislature.

The Texas Rural Development Act is designed to help with up to 40 percent of the cost of financing new or expanding industry in rural areas for qualifying nonprofit foundations.

The Legislature passed this act strictly to help the ailing economy of rural Texas.

The Texas Industrial Commission, charged with administration of the new law, has set regional public hearings in four cities during the month of November to determine just who is eligible for this aid.

Officially, rural areas are defined in the act as those losing population during the last two federal censuses, or those areas gaining less population or less manufacturing employment than the average for the state's Standard Metropolitan Areas.

All of rural Texas should attend these hearings to find out more about the new act, and to take the first positive step in doing something about the economic losses rural Texas has faced.

Veterans Invited to Breakfast

All area veterans of military service are invited to a breakfast at 8:30 a.m. Saturday at the American Legion Hall, it was reported this week.

Delmer Tucker, commander of the Luther Powers Post 438, urged that all veterans attend the event in observance of the traditional Armistice Day, Nov. 11.

Serving will start at 8:30 and continue until all have been served.

Girls Now Legally 'Adult' at 17

The adult age of girls has been lowered one year to 17, placing them on equal basis with males under Texas law.

Gov. Preston Smith signed the bill, passed in mid-October by the special session of the Legislature, Wednesday morning according to Lubbock Rep. R. B. McAllister.

The new law becomes effective immediately, McAllister said.

Formerly, girls taken into custody for criminal offenses were not charged as adults unless they were at least 18 years old.

Now juvenile jurisdiction is uniform for both boys and girls from age 10 through 16.

Rep. McAllister said he didn't recall any dissenting votes on the measure.

Senior Citizens Club Meets

The Senior Citizens met last Friday in the clubhouse, with Fannie Patterson, president, presiding. F. B. Sexton led the prayer. Mrs. Anna Bell Tucker played the piano for group singing.

Rev. Darrell Manning, pastor of Pentecostal Church, brought the devotional. He and his wife sang special music.

The group enjoyed a meal together, and played 42 in the afternoon.

They had one visitor, Mrs. Greer.

Insects Inactive In Hot Weather

The curiosity of researchers may have led to another way to control cotton pests, explains the National Cotton Council.

Entomologists of U.S. Department of Agriculture's Agricultural Research Service, for example, noted that long periods of hot weather resulted in less injury to cotton from insects.

When the plants were large enough to provide shade, on the other hand, insects developed in large numbers.

This led to a study of the effects of high temperatures on insects during various stages of development. Those exposed to 96-degree heat for 16 hours had shorter longevity and laid and hatched fewer eggs. Temperatures of 102 degrees had the same effect.

The study suggested that exposure of insects to 102-degree temperature for short periods daily may partially sterilize them.

The scientists theorized that insects reared in the laboratory might be exposed to high temperatures, then given a low dose of irradiation to complete sterilization before being released. This might enable the insect to live longer and mate aggressively but would prevent reproduction, thereby preventing pest buildups.

CONSUMERS' CORNER

Where the money goes

Food prices in the last year have risen 3.7 percent. This higher than any of us like, but it is not a crisis. In fact, the 3.7 percent rise is less than the average rate of increase during 1967-71, when food prices were not considered to be a serious problem. It is true, of course, that some food prices have risen more than the average. Meat prices rose 11.6 percent. Meat accounts for only about a fourth of your food budget. If meat prices went up more than the average, the prices of some other foods had to go up less than the average - or decline. So here's what happened in the past year (July 1971 through June 1972): Prices actually went down for cereals, bakery products, poultry, eggs, and non-alcoholic beverages. Prices of dairy products rose less than 1 percent. Prices of fruits and vegetables rose less than 2 percent.

Figures from the Bureau of Labor Statistics show that the average American's take-home pay is up 7.2 percent in the past year. The average consumer could have bought 18 percent more food than a year ago. But, they chose to buy more other things: cars, appliances, vacations, clothes, housing, etc. Buying more non-food products and services has been attractive because nonfood prices have risen only 2.9 percent in the past year - so much less than food prices that other things looked "cheap" while food seemed "high" by comparison.

SUNDAY'S SERMON

The Cold Wind

In many parts of our nation people have settled into their winter routine. The days are growing constantly shorter and the wind gets constantly colder. The snow is on the ground in many areas. The landscape is dark and desolate.

But somehow, for far too many people, their faith and attitude toward life is dark and desolate. Hasn't God given us springtime after every winter? Our faith tells us spring will return again after this cold season, and we should realize that no matter how bleak or empty our lives may seem as a given moment, better times are ahead. Our faith can lead us out of depression and into joy, out of the cold and into spring.

Our faith truly does work miracles - but only if you let it, if you truly believe, and if you truly trust the judgement of God. Winter may be on its way in, but God will make sure that spring follows.

Tezak Named First Academic Ace at Reese AFB

REESE AFB TX -- Captain Joseph E. Tezak II, a recent graduate in Undergraduate Pilot Training Class 73-04 at Reese Air Force Base, has become Reese's first academic ace, according to 64th Student Squadron officials.

The Stone Boat Adventure

In these highly sophisticated times it is good to have a story-book adventurer like Mike Mitchell to remind all of us there are still new horizons and challenges to be met!

Mike Mitchell, the young adventurer who in 1971 built a 14 foot sailboat and single-handedly sailed it from Los Angeles to Hawaii, has just completed another remarkable sea voyage. On June 23rd of this year he set sail from Masan, South Korea, in a Cement Sail Boat. He encountered all of the dangerous natural elements including a typhoon; he killed a man-eating shark and in the last days of the trip found that his water supply had become contaminated! Despite all of this, Mike arrived last Tuesday, some 7500 miles later, at the Los Angeles harbor to the enthusiastic welcome of the press and many spectators. He has captured this adventure on color film; lectures and personal appearances are scheduled.

Mitchell enjoys any challenge -- on land, at sea or in the air and any new horizon is a way of life for this tall, attractive man who is frank to admit that being "first" is very important. He states that he will gamble with his life so long as the odds are backed by common sense and knowledge of that which he undertakes. His first book is ready for publication and he is busily researching his next adventure.

Wilson Wallops Lazbuddie 41-14

The Wilson Mustang offense, riding on the passing arm of John Fields, the pass-catching of Danny Crowson and Chris Coleman, and the running of David Hernandez, hogtied the Lazbuddie Longhorns 41 to 14 last Friday night in Lazbuddie.

For the second week in a row the Mustang offense rolled to more than 400 yards total offense. Fields, behind excellent blocking of the Mustang line, completed 9 of 17 passes for 136 yards. Hernandez behind the same blocking gained 148 yards rushing followed by Greg Wied with 57 yards, Lynn Jones with 44 yards, and Lester Walker with 32 yards. The Mustangs almost completely dominated the offensive phase of the game with 30 first downs to 7 for Lazbuddie.

The Mustangs got on the scoreboard on their second possession when Wied plowed into paydirt from 1 yard out. The TD was set up by the first of two pass interceptions by John Fields. On Wilson's next possession Fields hit Crowson on

a 25-yard TD toss. The first quarter ended with Wilson in the lead 12-0.

On their second possession of the second quarter Fields hit split end Coleman on a 24-yard scoring pass and run. Fields passed to Crowson for the extra point to make the score 20-0. Three minutes later Fields hit Crowson for their second TD combo, the pass covered 17 yards. Fields kicked the extra point to make the score 27-0. With one minute 18 seconds left in the first half, Ricky Seaton of Lazbuddie sped 12 yards for a Lazbuddie score and the first half ended 27-6 in favor of Wilson.

Both teams exchanged scores in the third quarter with Lazbuddie's Seaton racing through the Mustang defense for a 58-yard TD and Arthur Graves tacked on the two extra points.

Upon receiving the kickoff Wilson marched down the field to score on a 9-yard pass from Fields to Crowson. The drive was aided by a fake punt and a 24-yard pass from Crowson

to Coleman. Wilson controlled the ball the fourth quarter, limiting Lazbuddie to no yards and only two plays. Hernandez capped the Wilson scoring on a 2-yard dive and the extra point was an end around pass from Coleman to Crowson.

Crowson, Wied and Walker led the Mustang defense with 10, 8, and 6 tackles respectively.

Offer Your Love
There can be no more sincere expression of love than the offering of your strength and understanding to those you care for who have lost someone dear.

And, the things you can do to help them might be simpler than you think.

You can, for instance, relieve those in mourning of their everyday household chores like shopping and cleaning. This seemingly small gesture on your part can mean quite a lot to people too distraught to manage these necessary tasks.

A gift of flowers, too, can have a great comforting effect.

Your anxieties on him, for he cares about you. He led a camp way up in the mountains. We used to go for a mountain peak. At the beginning I was to keep up with the others. But when we reached the slopes, I neither wanted nor had strength to continue. On the top of the mountain there was a peak. I never reached it. On another day we headed for a mountain peak. My friends helped me carry my gear. I encouraged me to continue. This time with the Holy Spirit. He will encourage, strengthen, and our Father, we confess our many failures which led us from reaching the heights. Forgive us, through new vision to rededicate ourselves to strength move forward in meaningful discipline of the Master we ask. Amen.

Military Records May Be Corrected

The Veterans Administration today reminded veterans who find errors in their military records of their right to have them corrected.

Jack Coker, Director, Veterans Administration Regional Office, Waco, pointed out that while some errors may seem trivial, correction of others could prove important, resulting in eligibility for VA and other benefits.

Generally, a veteran is expected to file a request for correction within three years. However, it was noted that this deadline may be waived in the interest of justice.

Officials explained that a veteran, his survivors, or legal representative can file written applications for correction of records with the branch of service in which the veteran served.

Department of Defense forms, "Application for Correction of Military or Naval Record," are available at VA offices, the agency said.

David Wilkerson To Speak

Rev. David Wilkerson, 41-year old "Gang Preacher" and author of "The Cross and the Switchblade," is scheduled to

speak in Hobbs, Levelland, Lamesa and Big Spring in December.

He'll be in Levelland, on Dec. 4 and 5. Other Texas engagements are in Lamesa on Dec. 7, Big Spring on Dec. 8, Victoria on Dec. 9 and 10 and Abilene on Jan. 10. He will be in Hobbs, N.M., on Dec. 6.

Wilkerson's book, copyrighted in 1963, traces his efforts with the so-called "hopeless" slum youth of New York City.

Two years ago it was made into a movie with the same name. Pat Boone starred in the film produced by Dick Ross Associates of Burbank, Calif.

Wilkerson's latest book, "Life on the Edge of Time," is a commentary on modern life. It includes observations on sexual permissiveness, failure of public schools, black man's rage, women's liberation and drugs in Vietnam.

Founder of Teen Challenge Center in New York City 12 years ago, Wilkerson's one-day visit to Hobbs is being sponsored by the David Wilkerson Youth Crusades of Dallas, Tex., and 17 local churches of all denominations.

There is no admission charge.

Wilkerson will be accompanied by Dallas Holm, a 25-year old native of Minneapolis, Minn., and former rock singer who has been a gospel singer with the Youth Crusades for the past three years.

Born in Hammond, Ind., into a long line of ministers, Mr. Wilkerson grew up in Pennsylvania and was ordained an Assembly of God minister in 1952 after attending Central Bible College in Springfield, Mo.

He was catapulted into the public eye during a visit to New York City in February 1958 while he was serving as pastor of a small Assembly of God church in Philadelphia, Pa.

Purpose of the visit was to attempt to interview and help seven teenaged gang members on trial for the stabbing and bludgeoning death of 15-year old Michael Farmer, a polio cripple.

He lives in Dallas with his wife, Gwen, and their four children -- Debbie, 18, a student at Central Bible College in Springfield, Mo., Bonnie, 16, Gary, 13, and Gregory, 8.

The only way Rev. Wilkerson could arrange the interview was with the permission of the presiding judge whose life has been threatened during the tense trial.

When Wilkerson hollered and ran toward the judge with a Bible in his hand at the conclusion of a day's hearing, he was grabbed by courtroom officers, searched and questioned sharply before being released.

The incident, chronicled by newspaper reporters and photographers, provided his acceptance into the tough gang world of New York City and led to the establishment of Teen Challenge Center at 444 Clinton Ave. in Brooklyn in February 1960.

Later, a training school to rehabilitate drug addicts was organized on a Pennsylvania farm, a home for delinquent and drug-addicted girls was set up at Garrison, N.Y., an advanced training school for incorrigible youth was established at Rhinebeck, N.Y., and other Teen Challenge Centers were formed in Los Angeles, Chicago, Philadelphia, Boston, and Toronto, Ont.

Despite repeated rebuffs by the authorities, Wilkerson persisted over the years to see the seven teenagers charged with the Farmer murder.

Two years ago he managed to see three of them in an Upper New York state prison. He still is trying to see the other four.

Teen Challenge Center claims a 74 per cent cure rate among heroin users who have completed its program.

Some of the centers' "graduates" have gone on to become ministers themselves.

The centers are an ecumenical effort of Pentecostals, who believe they have been baptized by the Holy Spirit.

Wilkerson's successful aid to the forgotten and lost youth of the country stems from the power of prayer and God's will, he indicated.

He that is of a merry heart hath a continual feast.

Proverbs. XV, 15

The ups and downs of life may be scaled to one's point of view. To lose a tooth, if you're an adult, is a crisis. To the child, a missing tooth, while a temporary inconvenience in the matter of hamburger-eating, is nothing at all to worry about. Nobody wants to lose a tooth yet, perhaps, it may be that we adults sometimes make too much of the "little" misfortunes that come our way.

Look at it this way: the child knows he will get another tooth; we should all believe, whatever the difficulty, there will be another, better day.

The first cotton sample of the 1972-1973 season was classed Sept. 14, 1972, by the USDA's Agricultural Marketing Service Cotton Classing Office in Lubbock. Only 1,191 cotton samples from the current crop had been received through Nov. 3.

This compares to a total of 1,757 samples at this time last year. Most of this early cotton has been harvested in Dawson, Lynn and Gaines counties but first bales have been harvested over the entire area.

GIRLS BEAT EXES!

Tuesday night the Varsity, with JV substitutes, were able to defeat the "Exes" 53-41. Although short of oxygen and energy the Exes put up a stiff fight against the Varsity squad.

The exes team consisted of Beverly Robertson and Paula Caudle, graduates of 1969, Judy Dunn Collins and Brenda Jones of the 1970 class, and Cindy Payton, graduating in 1972. Two other former basketball players and five JV players helped the Exes.

Judy Dunn Collins led the scoring attack with 13 points as Cindy Payton and Beverly Robertson followed closely behind with 12 and 11 points respectively. The exes earned a 73% average on free throws. Marilyn Payton, with 28 points, led the Varsity. Cindy Smith sank 10 points and Dana Holloway scored 8. The Varsity forwards were able to follow closely behind the Exes free throw percentage with 70%.

Coach Sonny Bounds states that he was satisfied with the

Tahoka faced fourth down and nine to go for a first from the Eagle 43-yard line, with but 3:57 left in the game. The Bulldogs lined up in punting formation with quarterback McClendon deep and John Thomas as the up blocker, but it was a decoy as the ball was snapped towards the outside. Thomas was trapped for an apparent loss, but McClendon sneaked in behind him and took a pitchout just before Thomas was buried. McClendon stole away 12 yards to a first down, and kept the drive alive. The drive later produced the winning TD.

The Eagles moved the ball on the ground consistently and actually won the rushing battle as they were led by a trio of backs. The three starting backs, tailback John Blackwell, fullback Kenneth Bobo, and wingback Gilbert Brown, each rushed for more than 50 yards, and were led by Brown's 96. For the first three periods the Eagles came back every time Tahoka scored, and matched the Bulldogs point for point.

A fumble cost the Eagles dearly, as they had taken the ball from their own 45 and marched to the Bulldog 12-yard line with just over eight minutes to go in the game. There, facing second-and-three, an attempted handoff to

John Blackwell went awry and the omnipresent Laws pounced on the ball.

From their own 15 Bailey got 11 and a first down. With 6:19 to go and facing third down and 12 for a first, McClendon rolled out and sent a bomb to Louis Zedlitz. Zedlitz completed a juggling act between two defenders good for 32 yards, and Tahoka had a crucial first down at the Eagle 44. Four plays later McClendon went for the first on the fake punt. He capped the drive himself with a six-yard keeper with but 89 ticks left on the clock. PAT failed.

The Bulldogs got on the boards early as one play after the opening kickoff, Bailey went 62 yards to paydirt. Zedlitz booted the extra to make for a 7-0 Bulldog lead.

The Eagles drove from their own 29 to the Bulldog 40 before their initial drive sizzled out. Tahoka seemed on the move again before Ricky Hightower stepped in front of an errant pass, and Roosevelt had possession again at their own 49. The Eagles drove to the seven-yard line in seven plays, where tailback Lee Anderson took 11 in with 3:18 left in the first stanza. Hightower knotted the count at 7 apiece when he kicked the extra point. No other serious threat was mounted before the half.

Roosevelt took the opening second-half kickoff and moved to the Bulldog 45 before clipping penalty put the Eagles in a hole. As they faced third and 29 from their own 36 Hightower aerial intended for Gilbert Brown was picked off by Steve Miller and returned to the original line of scrimmage. With 4:22 left in the third quarter Bailey shot through the Eagle defenders to score. The 36-yard drive was ground out in seven plays. On the extra point attempt Tahoka went for the maximum and McClendon passed the loot to Bailey on the option play that was good for a 15-7 Bulldog lead with 4:01 to go before the final period.

The Eagles came storming back and five plays after the kickoff Brown went 60 yards on a counter-trap play for a touchdown. Just over two minutes had elapsed since the Bulldogs score. The Eagles ran a fake kick of their own, and the holder pitched back to Blackwell coming from a blocking position. Blackwell twisted into the end zone to tie the game at 15-15.

Tahoka's winning touchdown march began with 7:36 left to play and the 85-yard, 14-play drive ate up over six minutes. Following McClendon's score and a missed extra point pass attempt, the Bulldogs owned a 21-16 lead.

A bobble actually set up the last score of the game, as on the kickoff following, Blackwell misjudged the ball and recovered on the Eagle one. On the next play Zedlitz trapped

Hightower in the end zone to give the Bulldogs a 23-15 bulge.

The Eagles got one more chance after a Tahoka fumble, but Laws trapped Chris Marshall for a seven-yard loss on first down and Zedlitz trapped Bobo for a loss on fourth down. Tahoka again took over and ran out the clock.

Bailey went overland for 173 yards on 24 carries and was the game's leading rusher. Brown got his 96 yards on 11 rushes.

In rushing, receiving, and return yardage, Bailey accounted for 247 yards.
