## Billy Weaver Selected As 'Outstanding Farmer'

**WINNER OF YEAR--Billy Fred Weaver** of Wilson was named farmer of 1972 in the Slaton area during the annual Farmers-Merchants Barbecue at Babe Ruth Park here Tuesday night. Shown with him here is his son, David, 10.

(SLATONITE PHOTO)

Billy Fred Weaver, 30-year-old Wilson area farmer, was named "Outstanding Farmer of 1972" as a highlight of the annual Farmers - Merchants Barbecue at Babe Ruth Park in Slaton.

At the event sponsored by the Slaton Chamber of Commerce, Weaver was presented to the crowd of about 800.

Weaver, who farms near Wilson, has a Southland phone number and is a member of the Church of Christ in Slaton, was selected on the basis of observing good farming practices, being a family man and for contributions to community welfare.

He and his wife, Sue, are parents of two children David, 10, and Tammy, 2. He has coached and managed Wilson Little League teams for several years. He now is president of the North Lynn Little League. He is past president of Wilson Lions and former Lion of the Year. He now is Lion Tamer for the club.

Weaver is deputy district governor of District 2-T-2. A Wilson High School graduate, he is president of the ex-students association and is a member of the Wilson School board. He also is a director of the Lynn County Farm Bureau.

Weaver started farming 12 years ago with 200 acres and now farms 960 acres.

There were 126 door prizes given away.

Dee Bowman was master of ceremonies for the event, and Glen Akin, last year's outstanding farmer, was chairman of the chamber committee in charge of activities. Chamber directors handed out the door prizes.

Don Kendrick, president of the chamber, gave the welcome address and Clarence Kitten gave the response from the farmers. Invocation was by Robert Hall Davis and entertainment was by the Old Masters of Swing.

Normally the producer of the first bale of the year receives awards at the barbecue, but late crops are in vogue this year. Bowman had this to say: "And now for the annual harvest award. Does anybody have an open boll?"

**SLATON WALNUT--It's not really a walnut, but it's big, even for a pumpkin.** Shown above is L. B. Roberts, of 1305 S. 10th, with an extra large pumpkin which he grew in his yard. No scales were handy, but according to the photographer who carried it to the car, it weighs more than 75 pounds, "gaining about 5 pounds every step." This was the only pumpkin on a vine that grew to be about 35 feet long. (SLATONITE PHOTO)

## Basinger Wins Contest; Two Classes Trail

Greg Basinger, 1020 W. Garza, won top prize money of \$10 in the Slatonite football contest last week, getting 26 right out of a possible 29. Second prize went to the 4th Period Health Class and 3rd prize to the 1st Period World History Class, which had as many right--24--but missed by 6 points on the tie-breaker score.

Basinger's entry was stamped by Slaton Pharmacy; the second place winner was okayed by Anthony's and No. 3 by Handy Hut. Another contest sponsored by various merchants is on the back page of this issue.

In the Fearless Forecasters race to see who gets to buy the steaks, Joe Sparkman stayed in the steak-buying position (last place) despite missing only four. He now has a 12-12 mark. Bill Ball missed five to slip into the penultimate spot at 13-11, while Pete Williams, with some incredibly lucky guesses, just missed two and moved to third on the error by Ball. Williams is 14-10.

J. W. Holt, now 16-8, somehow missed only three, possibly by marking some games the opposite of what he intended, and is now leading the pack. He's one game ahead of Dalton Wood, who shrewdly picked Abernathy over Tahoka, the only forecaster to get that one right.

He also shrewdly picked Springlake, Brownfield, Friendship and Baylor, and they all lost.

## Stolen Money Is Recovered

by dalton

It didn't roar, but it sure caused a ruckus in the drivers education class at school one day a few weeks ago.

Instructor, Coach Kenneth Housden, got a class briefly. The class, in a tiny room under the bleachers stadium (those girls running the ring the same period for physical sound like a herd of buffalo?), got quiet (as mice?) while the coach of someone heard a rustling noise in a corner.

It was a little mouse, which scurried around the room. Some of the class started screaming "a rat! though the creature was just about dead, and no doubt scared worse than a mouse."

Housden returned to the room and saw what all the commotion was about. He found a mouse was loose in the room. "Well, where is it?" he asked. At the time, the mouse was under Housden's shoe, with just its tail sticking in the area of the shoe which was on the floor.

He tried to stamp it, but the mouse ran to the room again. A boy in the class tried to stamp it, but he had on a mouse went between them.

Bill Jones caught it somehow, and took it to the classroom. The education class surely learned a lesson from all this: No matter how small the mouse, if you're alert and watchful, you may escape without being caught.

... With a bunch of other people, I went to work on what smoking does to you. Joyce Burkholder of West Plains Assn., the film detailed a number of things that are caused by smoking. There are enough of them, it was quite impressive argument, pointing out that the tobacco can contribute to lung cancer, and even heart disease.

There, holding his pipe in hand, he said this habit was as dangerous as smoking. Not really, he was told Burkholder. "Pipe-smoking does cancer," she said, "But you can quit your lip out."

He noted that more men than women quit smoking after hearing and seeing the film. Women who knew he brought on cancer just kept on smoking, until it was pointed out that it was a person prematurely and then they quit.

Some of the women don't quit, but they sure don't want to live with it. We who don't smoke can be a part of the whole situation with us. I suggested to one of my friends to quit those nasty things that are so deeply and freely liked. "I see me inhale first."

Mrs. C. E. Hunter of Kermit was behind 18-0 near the end of the Slaton - Kermit football game last Friday night, but a Slaton policeman helped her to come out a winner.

Mrs. Hunter told Officer Wayne Smith, who was working the game, that someone had taken \$18 from her purse while she was standing on the east side of the field. Smith, watching the bleachers, observed a boy opening a purse and found \$18 on the youth. He was brought to the police station and later released to his mother. The Kermit visitor got her money back.

Mrs. Mike Rinney, 610 S. 10th, reported theft of her son's bicycle from a location near the home Saturday. The loss was set at \$30.

At 6:48 p.m. Friday, at 7th and Geneva, cars driven by Juan Jose Torres, 610 S. 7th, and Pedro Casarez Rocha, 1340 S. 7th, were in collision, with total damage estimated at \$475.

The August monthly report of Slaton Police Dept. activities showed a total of 116 offenses reported, with 72 cleared. In city court, a total of \$1,236.50 was collected in fines, and \$92.50 in court costs, from 53 jail arrests.

Twelve prisoners were held in city jail for other law enforcement agencies, and seven ambulance calls were answered during the month.

Speeding tickets headed the list of citations issued in August, with 37 written in the city. No drivers license was next with 14 and 11 were issued for running red light. These were part of a total 103 tickets issued by Slaton Police officers, with total fines of \$1,060 and court costs of \$257.50 collected on these violations.

Ten traffic accidents were investigated with the total damage in all of these estimated at \$3,500.

## Local Campaigns For MD Funds Providing Aid For Slaton Youth

David Brake, son of Mr. and Mrs. Charlie Brake, 1325 W. Crosby, has just returned home after a lengthy stay in the Children's Rehabilitation Center in Amarillo recovering from injuries suffered in his Jan. 17 accident. However, before his accident, David, 18, had been diagnosed as having Proneal Muscular Atrophy which is a form of Muscular Dystrophy.

This coupled with the accident has caused David to be confined to a wheelchair. He will be finishing his high school education in Slaton High School's Homebound Program, and consequently, because of his condition will be needing certain therapeutic appliances.

These appliances are a wheelchair, leg braces, electric typewriter, bathtub bars and bathing appliances which will cost in excess of \$600, according to Mrs. Nancy Felder, Homebound teacher. Funds for these appliances will be provided by the Muscular Dystrophy Association of America, South Plains Chapter. These and other special services for David are being coordinated by Mrs. Felder and Mrs. Joyce White, Muscular Dystrophy District Director. Some of these special services are an outing to the South Plains Fair, Sept. 27 and other social events in the months to come.

Slaton participated in the Jerry Lewis Telethon over Labor Day weekend, contributing \$314. The Mother's March for Muscular Dystrophy is scheduled for Nov. 6 in Slaton. "Your contribution will help Muscular Dystrophy help David Brake," Mrs. Felder said.

## Tigers To Test Littlefield Wildcats

By DALTON WOOD

It was two losses in a row against Class AAA teams this season for Slaton as the Tigers were bombarded 40-12 by

Kermit Friday night, but the showing of the home team in the last half gave encouragement to Slaton fans.

Coach Bill Curry will take his Tigers to Littlefield for a night game starting at 8 p. m. Friday. The Wildcats have won two games by big margins, and last week mauled Levelland 34-6.

"We think our kids will come back this week with a lot more determination because they found out they could play football in the second half," Coach Curry told Slaton Tiger Club Monday morning.

Coach Carroll McDonald, who coached the Wildcats, said they score mostly on long gainers, with the top threat being a speedy scabbard.

With Eddie Jones chunking the ball all over the place, Slaton managed to outscore the Kermit second team in the second half, as Jones tossed scoring strikes to End David Magallanes and wide receiver Clarence Trotty. All in all, Jones threw 24 passes, completing 10 of them for 135 yards and two touchdowns, although three were intercepted. In addition, he did some fancy darting and darting with movements similar to those of the mosquitoes which survived the afternoon spraying of the playing area.

Play of the Tigers in the second half was remarkable after they were so far behind, although Kermit Coach Charles Topinka never did return his first offensive team to the action.

The first half? Well, Kermit went into the dressing room leading 40-0. The Yellow

Jackets brought up Larry Cosonka and Dick Butkus to play against the Tigers, putting the number 35 on both of them and trying to fool everybody into thinking it was all one youngster named John Stout playing line-backer on defense and murder-lizing one on offense.

Stout, 215-pound senior running back, ran 4 and 14 yards for touchdowns in the first quarter and L. D. Green, a tackle, kicked the first two of four extra points he had for the night. It was 14-0 at the end of the first period.

Kermit really went to work (See FOOTBALL, Page 6)

## Lions Broom Sale Scheduled Today

Slaton Lions Club will have its annual broom sale today, with brooms, mops and other articles first going on sale from a location downtown, then being sold in a house-to-house canvass starting at 5 p. m. and winding up about 7 or 7:30 p. m. Edwin Knight is chairman of the sale.

## Celebration Of Mexican Independence Is Popular

Spanish-speaking residents of Slaton and the surrounding area turned out in good numbers to participate in the annual Fiestas Patrias Mexicanas, celebrating the anniversary of the beginning of the fight for Independence of Mexico on the 16th of September, 1810.

Part of the celebration was moved inside, on Friday night because of the inclement weather, but the event moved back onto the tennis courts in the park here Saturday, when large crowds were evident.

Rev. Emilio Abeyta, pastor of Our Lady of Guadalupe Church, which sponsored the event, explained that the celebration is "a tribute to the

memory of the great Mexican heroes and leaders who gave their lives in the fight for Mexico's liberty and independence from Spain. Early in the morning of Sept. 16, 1810, Father Miguel Hidalgo (Father of Mexican Independence) gave the famous battle cry, 'El Grito de Dolores,' took a standard of Our Lady of Guadalupe and led the insurgents.

"Other great heroes and illustrious patriots who are honored with cries of 'Viva' are Jose Morelos, Vicente Guerrero, Mariano Matamoros, Agustin de Iturbide and Jose Allende."

The anniversary ceremony began with a prayer at the

"Altar of Patriots" decorated with a banner of Our Lady of Guadalupe and pictures of Mexican heroes.

Steve Ruiz then welcomed the public and everyone was invited to stand at attention for the grand march and presentation of the colors. The march was led by flags of the United States and Mexico, followed by 24 young women dressed in red, white and blue or green, white and red. The girls sang the Mexican and American national anthems, and then Mayor Bland Tomlinson crowned the two queens, Miss Linda Brisenno and Miss Vickie Madrid.

### Slaton Garden Club Begins New Year With Breakfast

Slaton Garden Club held its first meeting of the year in the home of Mrs. Ethel Young, president. Mrs. Fred England was co-hostess. After a breakfast of sausage, bacon, eggs, cream gravy, biscuits and various homemade

jams and jellies, Mrs. Young opened the business session by expressing her wish for each member in an original poem. Sixteen members answered roll call by naming something they intended to plant during the year.

### Nineteen Attend Luncheon

The Women's Society of Christian Service of the United Methodist Church met Monday at noon for a luncheon with 19 members present.

Mrs. R. J. Clark, president, led the opening prayer. Mrs. R. C. Hall, Jr. presented a program on "Women in India and the WSCS in India." Mrs. Nan Tudor gave a devotional on Faith. The announcement was made of "A Day Apart" to be held Sept. 21 in First Methodist Church in Lubbock.

### Wayland College Former Slatonites Enrollment High Attend Meeting

PLAINVIEW -- Wayland Baptist College set an all-time record enrollment this fall and accomplished an almost unbelievable feat for any college, especially a private one. Wayland shows a 22 percent increase over last year.

Final registration for the fall stands at 932 compared with 761 last fall. The previous record was set in 1965 when the final total was 780.

Though final geographical breakdowns are not complete, there are at least 31 states and 6 foreign countries represented in the present student body. Of the 932 students, around 700 are from Texas.

George Jameson, assistant manager at the C. R. Anthony's store in Seminole, returned late last Wednesday from attending a three day assistant manager's conference in Oklahoma City.

The Anthony's headquarters meeting was for the purpose of training the assistant managers to become store managers when there is an opening. Only 25 men were selected out of 330 stores nation-wide for the special training.

The Jamesons are formerly of Slaton where he was with the Anthony store for 11 months. They have one child, four-year-old Carla. Their parents are Mr. and Mrs. C. C. Jameson and Mrs. Helen Martin, all of Slaton.

### Bluebonnet Club Meeting Held

The Bluebonnet Club met Wednesday, Sept. 13 for a 1 p. m. luncheon at the Slaton Club House. Mrs. Floyd Boyd presided over the meeting.

Members answered the roll call with their favorite joke. The next meeting will be held Sept. 27 in the home of Mrs. Joe Teague, Jr. at 2:30 p. m.

### CEMETERY BOARD MEETS

Monday morning the cemetery board met with Mayor Bland Tomlinson and City Secretary Alex Webb. Next year's budget was read and discussed.

A new ruling goes into effect immediately increasing the cost of opening and closing and set up for graveside services. Charge will be \$85.00 on weekdays and \$100.00 for weekends.

## Ransom Notes

Fred Evans, one of Lake Ransom Canyon's residents, has a rare and interesting project--tracking "radio-active" mountain lions in the Big Bend country near Alpine.

Fred and his brother, Roger, have been contracted to help in the research project with Sul Ross College. The lions will be trapped and released with radio transmitters attached to them. In helicopters and airplanes, the Evans brothers will be able to map the lions' migratory habits.

Let us know, fellows, if any are headed this way.

Ron and Joy Betenbough are parents of the newest addition to Lake Ransom Canyon's population, a daughter named Huni Renee. Congratulations to the new parents.

New honeymooners in the Canyon are John and Darlene Shaver. They were married Aug. 30. We welcome these newcomers.

Dr. Mary Elizabeth King, associated with the museum at Texas Tech, has just returned from a trip to Rome, Italy, where she participated in a conference of educators in the field of anthropology.

Charley Lawson of Colorado and Warner Boyce of Lubbock, both former Slatonites, visited recently with Mr. and Mrs. Mert Gentry and other friends on Gentry Lane.

### 4-H's Eligible For Scholarships

# Wilson Wallops Amherst 35-6

The Wilson Mustangs wrapped up their first district game last Friday night by downing Amherst 35 to 6.

The Mustang passing offense, led by the strong arm of John Fields accounted for three TDs. Fields himself passed to Chris Coleman for three touchdowns and 125 yards. Danny Crowson passed to Coleman for 46 yards on a fake punt and pass.

The first quarter opened with Wilson receiving the kickoff and both teams were unable to move the ball.

As the second quarter opened up so did the Mustangs. Fields scored on an 8-yard run set up by a pass interference call. Fields kicked the first of five conversions. After receiving the kickoff Amherst gained 2 yards and punted and four plays later Fields hit Coleman on a 19-yard pass and then converted. After forcing the Bulldogs to punt, it took Wilson four plays to score with Danny Trotter going the final 19 yards up the middle for the tally. Again Fields converted to make the score 21-0 at the half.

Wilson's second unit took over and battled the Bulldogs head to head the rest of the third quarter and part of the fourth.

Amherst's lone score came late in the third quarter on a 59-yard pass to Jimmy Jimenez.

Wilson came back in the fourth quarter for their last tally. Fields found Coleman

### CELEBRATION

(continued from Page 1)

In "el Grito de Independencia" (long live the United States of Mexico; long live the United States of America; long live Our Lady of Guadalupe) after giving a brief narration of the story of Mexican independence, Felipe Estrada then recited the famous "Acta de Independencia." The celebration continued with traditional and popular dancing.

Rev. Abeyta explained that one interpretation of the meaning of the Mexican colors is that green symbolizes green crops in the spring, "the liberation we intend to obtain; white, the white of the innocence of our souls, the peace our people are seeking; and red, the red of the fires of determination in our hearts, the blood of our people spilled upon this earth."

The most common cause of hearing losses -- particularly among older persons -- is damage to the nerves endings in the inner ear, according to the Beltone Crusade for Hearing Conservation.

### GASOLINE TAX BELOW AVERAGE

-- Texas state gasoline tax is 5¢ per gallon, below the national average of 7¢ per gallon. The Federal tax is 4¢ per gallon. Despite increases in state gasoline taxes, inflation has reduced the purchasing power. It takes the tax from 18 gallons of gasoline to buy a bag of cement. In 1940, you could buy a bag of cement with the taxes from 14 gallons of gasoline.

Motorcycles and cars with "hot" mufflers can produce excessive noise levels, say officials of the Beltone Corp., who urge drivers to protect their own hearing ability, and to also be considerate of their fellow motorists by making certain all vehicles have effective mufflers.

When driving in heavy, fast-moving traffic, do not attempt to drown-out the traffic sounds with your car radio, warns the Crusade for Hearing Officers. Turning up the radio louder than the highway sounds simply adds to what is probably already an excessive noise level, they add.

### Freshmen Edge Frenship 13-12

Slaton high school freshmen footballers nosed out Frenship 13-12 after coming from behind twice last week. Frenship scored in the first quarter on a 60-yard run, but missed the point after.

Slaton scored in the second period on a 2-yard run by Bill McClesky. Breck Hudson kicked the point. However, Frenship came back to score again before the half after recovering a Slaton fumble and led 12-7 at halftime.

There was no score in the third, and with just 45 seconds left in the game, Slaton got the ball at midfield. On the second play, Hudson hit Ernest Gipson with a 40-yard pass-and-run for the winning score, with 29 seconds left.

Tops on offense for Slaton were McClesky, Hudson, Gipson, Chris Hernandez and Caylon Buskemper. Playing well on defense were Gary Aycock, Clarence Hammon, Tip Culver, Tommy Magallanes, Hudson and McClesky.

Latest figures from the National Safety Council show that, in 1970, 400,000 people were permanently disabled by accidents. Of those people, whose disabilities ranged from stiffening of joints to complete paralysis, 170,000 were handicapped by accidents in motor vehicles.

### FOOTBALL (continued from Page 1)

In the second quarter, as QB Gary Shaver tossed 20 yards and 39 yards to HB Jerry Adams for two tallies, one of the strikes coming immediately after a 54-yard run by Stout. Stout would have scored on that one had he not been overtaken by Sam Clemons. In between these two scores, Kermit's Sammy Haygood raced 70 yards to score on a punt return. Then Benji Unger raced 30 yards with a deflected Jones pass and that was all of Kermit's scoring, although it certainly didn't appear at that point that it would be.

Even before the half, though, Slaton came back for its first good gains of the game, as Trotty caught a 40-yarder, then a 14-yard pass to move the ball down to the Kermit 6-yard line for Slaton as the half ended. Slaton began to move the ball in the third quarter, against Kermit's first team defense, cranking up one drive which included good running gains by Ken Schuette and Ron Bartley. The thrust died on fourth down at the Yellow Jacket 13.

Slaton's first points of the season came in the fourth quarter on a drive which went this way: Jones on a smooth bootleg play went 16 yards, then Bartley, running hard, burst through the line and ate up 22 yards to the 13 of Kermit. On the next play, Magallanes slanted over the middle from his end position and caught a quick pass from Jones and slipped into the end zone. Schuette's extra point kick effort was blocked.

Slaton scored again after a Kermit punter got a bad snap and then was downed by Tiger Tackle Ronnie Valdez, giving Slaton the ball on the visitors' 14. On the next play Jones hit Trotty in the end zone. Bartley's attempted pass for two points failed.

Slaton, fired up at that point, successfully pulled an onside kick, as Phillip Payne recovered it. Then Jones hit Lupe Valdez on a 19-yard gainer to the Kermit 27. But another pass was intercepted.

For Kermit, 220-pound tackle Gary Gregory and 204-pound guard Luis Rodriguez were strong defensively along with Stout at linebacker. Bartley was counted in on 17 tackles for Slaton from his defensive safety spot, and Greg Sokora figured in 14 stops. Schuette at linebacker made seven tackles, and he also ran well, carrying 8 times for 40 yards. Bartley ran 11 times for 53 yards. Sokora carried once for 9 yards and Jackie Edwards ran twice for a net 20 yards gain. Jones had one fantastic run of 27 yards and another of 16, but lost several times and wound up with a net of 23 yards in 11 carries.

THAT MAN AGAIN--Ron Bartley blocks one man, but Kermit's John Stout (33) the tackle on Slaton's Ken Schuette at right. Stout made bunches of tackles in contest. Slaton players at left are Ricky Denzer (50) and Greg Sokora (42). (SLATONITE PHOTO)

ONE INJURED--Richard Diaz, 1330 S. 5th St., was treated and released at Hospital after his car overturned on S. 2nd St. about 5:10 p.m. Sunday. There no other passengers in the car. (SLATONITE PHOTO)

### AFROTC Offers Scholarships

Male high school students who will graduate in 1973 and are interested in flying are eligible to apply for an Air Force ROTC four-year college scholarship. One thousand four-year college scholarships are available for students who will enroll in the Air Force Reserve Officers Training Corps at one of the colleges and universities in the United States and Puerto Rico which offer the four-year program.

The scholarships will be awarded to qualified students who agree to become Air Force pilots or navigators after college graduation. Each scholarship pays full tuition, laboratory fees, and textbook reimbursement. In addition, each scholarship student receives a monthly non-taxable subsistence allowance of \$100.

Estimates place the total number of labor-saving -- but noise producing -- appliances found in the modern kitchens as high as 20.

### Fire Safety Series Set

The fire prevention committee of the Lubbock Chamber of Commerce Tuesday scheduled events over a two-month period which will draw attention to fire safety and the activities of local firemen.

The main event will be the observance of National Fire Prevention Week October 9-12 with demonstrations of firefighting equipment at each of Lubbock's elementary schools.

This will be followed the next week by the annual Lubbock Fire Department Fire Show, scheduled for Oct. 19 at the department training facilities on Municipal Drive.

The events will begin, however, on Sept. 22 with a tour by the committee of the new Reese Air Force Base firefighting facilities and will close Nov. 12 with the annual appreciation banquet held jointly by the committee and the Lubbock Fire Department.

### 'Young Farmer Week' Proclaimed In Texas

September 18-24 has been officially designated as Young Farmer Week in Texas by proclamation of Gov. Preston Smith.

The proclamation, signed recently, gives additional recognition to this rapidly growing farm group, The Young Farmer Association is sponsored under the auspices of vocational agriculture departments in high schools across Texas and the Texas Education Agency.

Over 250 Young Farmer chapters have been organized on a local school district or county wide basis to carry out educational activities which will help the members keep abreast of the technological advancements in the field of agriculture and to develop greater skill and efficiency in management, production, and marketing. Gov. Smith points out in the proclamation that, in addition to educational activities, Young Farmers incorporate in their planned chapter programs civic and community service projects and leadership activities that are designed to improve their communities, State, and Nation.

In closing the proclamation, the Governor predicted that as the organization continues to grow, it will play an increasingly important role in the life of rural America.

Leon Buxkemper, president of the Cooper Young Farmer Chapter, reports that the Cooper Chapter will be celebrating Young Farmer Week and invites all interested persons to attend the next meeting which will be held Sept. 25.

### STARTS SEPT. 25 Five Special Days Set For South Plains Fair

LUBBOCK--The Parade of Bands officially will launch the 55th annual Panhandle South Plains Fair on its weeklong run here Monday, Slaton High School band will march, and Slaton schools will be dismissed all day.

Currently, 33 bands have signed up and more are expected to participate. Except for host bands from Lubbock, visiting aggregations will be competing for \$1,250 in cash awards being offered to the top four winners in UIL Classes AAAA, through B. Trophies will be presented to all bands.

The formation, which will start promptly at 10 a.m. and will proceed through downtown Lubbock, will be headed by the 3rd Marine Aircraft Wing band (El Toro) of Santa Ana, Calif. Judges will be Dan Gibbs of Monahans, Clyde Wilson of Midland and Dr. Russell L. Wiley of Lawrence, Kan. Judging is scored as follows: playing 50 per cent; marching 30 per cent; and appearance 20 per cent. Cash awards will be presented to winning bands in all classes, including \$100 for first, \$75 for second, \$50 for third and \$25 for fourth place.

The parade will form on Avenue A on Broadway to Avenue M, then turn right one block to Main Street, go east on Main to Avenue E, then right one block to Broadway, then east through the underpass and back to the fairgrounds.

The fair is fast approaching the countdown stage as it nears the opening of its weeklong run, Sept. 25-30, still seeking the 300,000 mark in attendance which has barely eluded it in the past few years.

A new format in Fair Park Coliseum, two new free attractions, the return of many of the old stand-bys and the million-dollar midway of Gene Ledel, this year's exposition promises to be one of the most popular.

Two free attractions--"The Sensational Leighs" performing on the giant space wheel, plus Tony the organ grinder, and Chris, the wonder monkey--have been scheduled.

In addition, Charley Pride--a fair favorite--opens the six-day stand with performances on Monday and Tuesday nights. He'll be accompanied by The Pridemans, country and western singer Johnny Duncan, ventriloquist Alex Houston and Elmer and The North Door. Tickets are priced at \$5, \$4 and \$3.

"The best in gospel music" takes over the stage in Fair Park Coliseum on Wednesday night.

Roy Clark, The Sound Generation and Tom T. Hall and The Story Tellers close out the week with shows on Friday and Saturday. Tickets will be \$4.50, \$3.50 and \$2.50.

Show times are 5:30 p. m. and 8:30 p. m. daily.

## Pirates Win No. 2, 6

BY BILL AYRES

Cooper, dominated by a determined defense, edged by the Springlake - Earth Wolverines 5-0, Friday night at Cooper stadium.

Cooper received the opening kickoff which led to the only scoring drive of the game. Pirate quarterback Pete Choban topped the drive with a 13-yard pass to Bobby Caudie, who dashed in for the score. Ronnie Jones' kick for the extra point went wide, putting Cooper ahead 6-0 in the opening minutes of the game.

From that point, the Pirate pass attack all but ended. Choban threw eight passes for 23 yards with one pass intercepted. Cooper launched several ground attacks that moved the team within range to score, only to lose the ball on downs.

Pirate running backs Kevin Jones and Martin Aleman led the ground game totalling 165 yards. Jones was the leading rusher with 59 yards in 13 carries with Aleman close behind at 53 yards in 13 trips.

The Pirate defense sparkled throughout the game. While the offense found it difficult to move the ball, the defense dug in and

held the Wolverines to five first downs and no penetrations past the Cooper 30 yard line. The defensive line proved fast in capitalizing on the wet field conditions and caught Wolverine quarterback Larry Thomas behind the line several times.

The fourth quarter was the only time the Wolverines had a real opportunity to start a drive. Choban fumbled a play that was recovered by the Wolverines. This chance faded rapidly for the Wolverines as the Pirate defense pushed the Wolverines back for a 20-yard loss on the first two plays. On the third play, the Wolverines went to the air, only to have the pass intercepted by Caudie.

From that point the game became only a matter of time. Cooper regained possession with only seconds left. Choban elected to run the clock out by falling on the ball every play until the final whistle blew.

"The defense played very well," said Pete Hurst, Pirate head coach, "better than the offense." Hurst stated that while Choban did little passing, Cooper still had a passing attack. "There's little you can do when the field is as wet as it has been," he said. With

a little more of the offense will unit very soon, boys," said Hurst.

This week the travel to Spur for the game to Jayton Friday. Last week the Pirates won the game by a score of 14-0. The Pirates will be a strong team.

### Slaton FFA News

BY JOE ALSBAUGH

The Slaton FFA Chapter held its first meeting of the school year Thursday morning. Officers for the 72-73 year were elected.

Those elected were president, David Gossett; vice-president, Paul Martin; secretary, Joel Ham; treasurer, Matt Kitten; sentinel, Jerry Hopper; and reporter, Joe Alsbaugh. Susan Hopper was elected 72-73 Chapter Sweetheart.

The week of Oct. 2 through Oct. 9 was set as Greenhand week. During this week A.G. I members are required to have green hands.

Monday night Oct. 9 will climax the week with the Greenhand initiation and beauty pageant.

The next meeting will be Oct. 9.

Saturday at 2 p.m. and Sunday at 2 p.m. and 6 p.m. Children 12 and under are \$1.00 off for all performances.

The show brings all of the great Disney creations together for the first time in one unique show. Through the blending of all of the elements of live production, sound effects motion pictures, magic, music and special lighting, "Disney On Parade" recreates Disney masterpieces live in a new form of entertainment.

Famous Disney creations "come to life" on the world's largest portable arena floor--singing, dancing and performing in 12 spectacularly costumed production numbers including "Snow White and the Seven Dwarfs," "Pinocchio," "Fantasia," "Mickey's Band Concert," "Goofy and the Love Bug," and many more.

Colorful settings ranging from "Pinocchio's" Italian Street Carnival to "Snow White and the Seven Dwarfs" house transform the arena into a world of fantasy.

"The intention in creating the show," says Michel Grillkhes, executive in charge of production, "was to use the same creative imagination the Disney experts have used on film to create a 'living' touring show based not only on great Disney classics, but adding new twists to some of their older themes.

The characters from "Snow White and the Seven Dwarfs," "Pinocchio," and "Fantasia," join Mickey Mouse, Pluto, Goofy, Donald Duck, and many more.

Music goes all the way from Country-Western in the "Barnyard Bash" production with dancing chickens, eggs, rooster, fox and scarecrow, to "Fantasia's" famous "Nutcracker Suite."

A wholly new entertainment medium requires revolutionary staging. To that end, a completely portable stage (135 feet long and 56 feet wide) was designed, along with a mammoth proscenium at one end of the floor depicting the castle from the famous Magic Kingdom. The castle alone has 10 magic openings and doors through which the entire "Disney On Parade" cast can flood the floor in seconds.

## Banks Given Welfare Plan Role

(By United Press International)  
WASHINGTON -- Federal welfare officials, concerned about theft of relief checks from the mails, are weighing possible national use of experiments in which the money is distributed directly to recipients through banks.

Two efforts so far, in a section of Philadelphia and in Nassau County, N.Y., have proved highly successful; similar plans are under review in New York City, Pittsburgh and Harrisburg, Pa.

The idea is to improve the payment system, eliminate loss of "stolen" and fraudulently endorsed checks and reduce mailing costs. To collect their money, recipients are required to present a laminated identification card bearing his or her photograph.

**Plans Under Study**  
The plans are being studied by officials of the Federal Assistance Payments Administration, a unit of the Health, Education and Welfare Department (HEW), which provides matching funds for states to use for welfare aid to more than 14 million individuals.

"I think they have very good promise for national application," Ludwig Guckensheimer, head of the HEW unit, said Tuesday in an interview. "We will probably develop a guide booklet with general principles for the states to follow if they are interested in such a program."

**Advantages Cited**  
An HEW report on the "check plan" tried in Nassau County said it resulted in "a complete elimination of duplicate payments and lost and stolen checks." Under the experiment, about 400 recipients of home relief and Aid to Families with Dependent Children (AFDC) assistance were given cash at the banks instead of checks.

The HEW report said "the banks have shown both their support and approval of the system, primarily because it is safer than the traditional system and removes the possibility of fraud."

In the experiment conducted in Philadelphia's Ridge area ghetto, recipients were given checks which they then could cash immediately at the bank.

The St. Joseph's Home and School Association holds its first meeting of the new year Sept. 18. Guest speaker was Sister Maureen, Director of Education for the Sister of Mercy, St. Louis, Mo. Sister Maureen spoke of problems facing private schools.

After a business meeting, the members adjourned for refreshments and visited with the teachers.

Ronnie Jones' kick for the extra point went wide, putting Cooper ahead 6-0 in the opening minutes of the game.

From that point, the Pirate pass attack all but ended. Choban threw eight passes for 23 yards with one pass intercepted. Cooper launched several ground attacks that moved the team within range to score, only to lose the ball on downs. Pirate running backs Kevin Jones and Martin Aleman led the ground game totalling 165 yards. Jones was the leading rusher with 59 yards, in 13 carries with Aleman close behind at 53 yards in 13 trips.

The Pirate defense sparked throughout the game. While the offense found it difficult to move the ball, the defense dug in and

held the Wolverines to five first downs and no penetrations past the Cooper 30 yard line. The defensive line proved fast in capitalizing on the wet field conditions and caught Wolverine quarterback Larry Thomas behind the line several times.

The fourth quarter was the only time the Wolverines had a real opportunity to start a drive. Choban fumbled a play that was recovered by the Wolverines. This chance faded rapidly for the Wolverines as the Pirate defense pushed the Wolverines back for a 20-yard loss on the first two plays. On the third play, the Wolverines went to the air, only to have the pass intercepted by Caudie. From that point the game became only a matter of time. Cooper regained possession with only seconds left. Choban elected to run the clock out by falling on the ball every play until the final whistle blew.

"The defense played very well," said Pete Hurst, Pirate head coach, "better than the offense." Hurst stated that while Choban did little passing, Cooper still had a passing attack. "There's little you can do when the field is as wet as it has been," he said. With

a little more time the offense will unit very soon, boys," said Hurst.

This week the travel to Spur for the game to Jayton Friday. Last night's game was the ninth letterman two senior team, Hurst will be a strong Pirate should they win.

## Junior High Jottings

BY ZOA PRESTON and TRACY DENNY

The Junior High Choir will be selling candy, beginning Sept. 26. The choir, 26 members strong, is directed by Howard Wright. Gloria Torres is president. They meet during first period in the band hall.

Question of the week: "If the world is going to end in five minutes, what is the first thing you'd do?"

Answers -- Rodney Smith, "Buy a package of Life-savers." Roxanne Schuette, "Wrestle a grizzly and kiss a pretty boy (which one first?)." Debbie Sikes, "Put on my best hose and fly to the Land of Boys." Danny Evans, "Join a nudist colony." Coach Copeland, "Go to the moon, what else?" Mrs. Ash, "Pray."

New students are still enrolling. We welcomed seven pupils from Lovett, Kan.; San Angelo and Muleshoe, and one new enrollee from Slaton.

Couple of the Week-- Lynn Tabor and Dwight Kuykendall.

Fair Day is Monday. Classes will begin at 8 a.m. and dismiss at 1 p.m. so Slaton pupils and their families may attend Area Day at the Panhandle-South Plains Fair. The JHS cafeteria will not serve lunch on that day.

FLY-IN BREAKFAST

The second annual "Fly-in" breakfast is scheduled for Sunday, Sept. 24, 7 - 10 a.m., at Littlefield Municipal Airport. Free breakfast will be served to fly-ins, and church transportation will be provided.

## 'Disney On Parade' Set Oct. 10-15

"Disney On Parade," the 2 1/2-hour live stage musical featuring Mickey Mouse and scores of other Disney Characters, will appear for the first time in the Lubbock Coliseum, Tuesday, Oct. 10-Sunday, Oct. 15.

Performances are scheduled for Tuesday through Saturday at 7:30 p. m. with matinees

Saturday at 2 p.m. and Sunday at 2 p.m. and 6 p.m. Children 12 and under are \$1.00 off for all performances.

The show brings all of the great Disney creations together for the first time in one unique show. Through the blending of all of the elements of live production, sound effects motion pictures, magic, music and special lighting, "Disney On Parade" recreates Disney masterpieces live in a new form of entertainment.

Famous Disney creations "come to life" on the world's largest portable arena floor--singing, dancing and performing in 12 spectacularly costumed production numbers including "Snow White and the Seven Dwarfs," "Pinocchio," "Fantasia," "Mickey's Band Concert," "Goofy and the Love Bug," and many more.

Colorful settings ranging from "Pinocchio's" Italian Street Carnival to "Snow White and the Seven Dwarfs" house transform the arena into a world of fantasy.

"The intention in creating the show," says Michel Grilikhs, executive in charge of production, "was to use the same creative imagination the Disney experts have used on film to create a 'living' touring show based not only on great Disney classics, but adding new twists to some of their older themes.

The characters from "Snow White and the Seven Dwarfs," "Pinocchio," and "Fantasia," join Mickey Mouse, Pluto, Goofy, Donald Duck, and many more.

Music goes all the way from Country-Western in the "Barnyard Bash" production with dancing chickens, eggs, rooster, fox and scarecrow, to "Fantasia's" famous "Nutcracker Suite."

A wholly new entertainment medium requires revolutionary staging. To that end, a completely portable stage (135 feet long and 56 feet wide) was designed, along with a mammoth proscenium at one end of the floor depicting the castle from the famous Magic Kingdom. The castle alone has 10 magic openings and doors through which the entire "Disney On Parade" cast can flood the floor in seconds.

Early Dishpan Hands? Compasses used by marines in the 11th and 12 centuries were made by rubbing a sewing needle against a lodestone to magnetize it, then laying the needle on a basin of water.

WHERE THE ACTION IS--Those Cooper and Springlake players not already in the jam-up are hurrying to the scene during this action from last Friday's game. Cooper won the contest 6-0 to keep the Pirate record intact. (SLATONITE PHOTO)

Those elected were president, David Gossett; vice-president, Paul Martin; secretary, Joel Ham; treasurer, Matt Kitten; sentinel, Jerry Hopper; and reporter, Joe Alsbaugh. Susan Hopper was elected 72-73 Chapter Sweetheart.

The week of Oct. 2 through Oct. 9 was set as Greenhand week. During this week Ag. I members are required to have green hands.

Monday night Oct. 9 will climax the week with the Greenhand Initiation and beauty pageant.

The next meeting will be Oct. 9.

## Banks Given Welfare Plan Role

(By United Press International) WASHINGTON -- Federal welfare officials, concerned about theft of relief checks from the mails, are weighing possible national use of experiments in which the money is distributed directly to recipients through banks.

Two efforts so far, in a section of Philadelphia and in Nassau County, N.Y., have proved highly successful; similar plans are under review in New York City, Pittsburgh and Harrisburg, Pa.

The idea is to improve the payment system, eliminate lost or stolen and fraudulently endorsed checks and reduce mailing costs. To collect their money, recipients are required to present a laminated identification card bearing his or her photograph.

Plans Under Study The plans are being studied by officials of the Federal Assistance Payments Administration, a unit of the Health, Education and Welfare Department (HEW), which provides matching funds for states to use for welfare aid to more than 14 million individuals.

"I think they have very good promise for national application," Ludwig Guckenhimer, head of the HEW unit, said Tuesday in an interview.

"We will probably develop a guide booklet with general principles for the states to follow if they are interested in such a program."

Advantages Cited An HEW report on the "nocheck plan" tried by Nassau County said it resulted in "a complete elimination of duplicate payments and lost and stolen checks." Under the experiment, about 400 recipients of home relief and Aid to Families with Dependent Children (AFDC) assistance were given cash at the banks instead of checks.

The HEW report said "the banks have shown both their support and approval of the system, primarily because it is safer than the traditional system and removes the possibility of fraud."

In the experiment conducted in Philadelphia's Ridge area ghetto, recipients were given checks which they then could cash immediately at the bank.

## COTTON TALKS

FROM PLAINS COTTON GROWERS, INC.

Current indications are that most cotton producers have been "pretty well satisfied" with the cotton section of the Agriculture Act of 1970, and "with some reservations" would probably be pleased to see it extended beyond the 1973 crop.

This is what Donald Johnson, Executive Vice President of Plains Cotton Growers, Inc., told ginners and other industry people attending the 1972 annual meeting of Plains Ginners Association Saturday at the Lubbock Country Club.

Concerning the "reservations," Johnson said most producers with whom he had discussed a cotton program for 1974 would like to see the present program extended:

--if the payment level can be kept at the present statutory minimum of 15 cents per pound;

--if the loan level can be raised to give a little more protection against disastrous prices in the event of over-production on any given year;

--if the limitation on payments to individual farmers can be kept at the present level of \$55,000 per crop, and

--if the "boom to bust" aspects of the program can be eliminated, meaning if some means can be incorporated into the program to assure enough production to adequately supply markets without unduly depressing prices.

On this latter point Johnson went on to say "This is a tough order to fill, admittedly, but it is extremely important that it be filled in the provisions of any future cotton program."

"Unless some way is found to keep supply and demand in

better balance," he said, "it seems to me we are doomed to a vicious and crippling circle of high prices one year and low prices followed by low production, and back around again. So there needs to be a levelling out from year to year of both supplies and prices if our industry is to achieve anything like its maximum potential."

Discussing further the development of a new cotton program, Johnson stated "We have to realize that the High Plains alone can't pass a program--that we can't take a plane load or a train load of farmers or ginners to Washington and in the course of a few days get enough congressional and administration support to make our dreams come true."

He noted that there are producers in other parts of the cotton belt and other segments of the industry, "any and all of which may have needs with regard to program provisions which don't exactly parallel the needs of High Plains producers."

"In addition the present administration in Washington, which at the moment looks like it may be the next administration also, has a well established farm policy course--a course which it would take almost unheard of pressures to get reversed."

Therefore, Johnson continued, "Reality forces us to consider what we want in a cotton program, at least to some extent, in terms of what we have a chance of getting."

John C. White, Commissioner

Farm Prices: Show Slight Drop ... Turkey Production Declines ... Five Counties Added to Fire Ant Control Area ... Food and Fiber Pavilion Readied ...

Prices received by farmers and ranchers as of the middle of August showed a seven-point drop from a year ago. But prices are 18 percent above 1971.

All meat animals were down from a month ago, but were at higher levels compared to a year ago. Poultry and eggs were below a year ago. Milk prices were up; wool and mohair were unchanged from last month, but showed some increase from a year ago.

The all-crops index was up four percent from a year ago. The majority of field crops were down from last year with the exception of wheat, rice, potatoes, and cotton which were above last year.

Only one farm commodity calves was above full effective parity. Cotton, for example, has a parity of 55.16 cents per pound. The price average was 30 cents per pound. Grain sorghum price averaged \$2.08, but the parity is \$3.33 per hundredweight.

Wheat averaged \$1.55 compared with \$1.38 a year ago.

LIVESTOCK prices included: hogs averaged \$27.70 with full parity at \$30.60. Beef cattle parity is \$36.80; average price was \$33.20. Calf parity is \$44.20; average price received by farmers was \$44.20.

Parity price for eggs is 44.9 cents per dozen; average price to Texas producers was 34 cents per dozen.

TURKEY production in Texas is expected to be four percent under the 1971 levels, the Texas Crop and Livestock Reporting Service reports. The current crop is estimated at 8,015,000 birds compared with 8,378,000 raised last year. Texas is now the sixth ranked state in turkey production.

Nationwide, turkey production is expected to be higher by seven percent this year compared to last year. Minnesota is the number one turkey producing state in the nation with an expected 20,700,000 birds this season.

FIVE Texas counties have been added to federal regulations relating to the imported fire ant control program. The counties are Nueces, Smith, Trinity, Victoria and Walker.

A total of 36 counties in Texas are now under federal regulations relating to fire ant control. They are located primarily in the coastal bend area of the state.

RED MEAT production in Texas and the nation has shown declines from a year ago. In Texas, commercial slaughtering plants reported a one percent decline in red meat production; nationwide, commercial production of red meat is down 11 percent. Commercial meat production includes slaughter in federally inspected and other slaughter plants, but excludes animals slaughtered on farms.

FOOD and Fiber Pavilion at the State Fair of Texas will highlight Texas agricultural production as well as acquainting Texans with the quality of these products. The pavilion is under the direction of the Texas Department of Agriculture personnel. About 1,500,000 Texans are expected to visit the pavilion this year.

## Art Exhibit, Sale Set

POST (Special) -- By far the biggest exhibit and sale of cowboy art in the Southwest this year is scheduled for the week-end of Sept. 30-Oct. 1 in the restored ranchhouse of the 80-year-old O. S. Ranch, 13 miles southeast of here.

Some 30 well-known cowboy and western artists will exhibit their drawings, paintings and sculpture with commissions from the sales going to help support 72 "hardluck" boys at West Texas Boys Ranch near San Angelo.

Cowboy art -- depicting cowboys, horses, cattle, and Indians in action -- has its collectors all across the nation.

A large number of them are expected to attend this unusual benefit show because, except for the Cowboy Artists of America annual exhibit in Oklahoma City, no other exhibit this year will attract such a field of nationally known artists.

They include almost all the winners of the 1972 Cowboy Artists of America competition.

Invitations to the art exhibit and sale are being sent to galleries and collectors of cowboy and western art across the western half of the nation.

This unusual exhibit is being held in conjunction with the O. S. Ranch Benefit Steer Roping the same weekend at the same ranch location in which 32 of the country's top professional steer ropers, including eight world champions, will rope on Sunday afternoon, Oct. 1, for a cash jackpot of \$15,000.

Tom Ryan of Lubbock, well known cowboy artist, heads the exhibit planning committee and secured the large participating list of fellow artists.

# '73 Auto Show

It's the event millions of people wait for --- eagerly. The unveiling of the newest Oldsmobile, Pontiac, & GMC's. And, it's a time to marvel at the inventiveness, and creativity, of one of America's great industries. **Stop in today. Bring the family. And check out every model.**

**SEVENTY-EIGHTS RETAIN LUXURY**—The venerable Ninety-Eights have received new front and rear treatments for 1973, enhancing their car identity. The lineup consists of a Ninety-Eight coupe and sedan, Luxury coupe (shown), Luxury sedan and the elegant Regency

sedan, available for the first time as a full-fledged model. Standard on all models are the 455 cubic-inch V-8 engine, power front disc and rear drum brakes, variable-ratio power steering and Turbo Hydra-Matic transmission.

*Bigger, Better  
Than Ever  
The '73's!*

**NEW PONTIACS**--1973 Pontiac models include the new Grand Am at top and the popular Catalina in bottom photo. The Grand Am has a "soft nose" front end design using flexible modied urethane which deflects but returns to original shape after being impacted at parking lot speeds. Federal bumper standards are met by the Catalina.

**THREE-DOOR OLDS OFFERED**—Oldsmobile's new entry in the compact field, the 1973 Omega, will be offered in three body styles... a two-door coupe, a four-door sedan and a hatchback coupe (shown). The rear door of the hatchback opens

upward to reveal a flat carpeted load floor extending from the front seat to the rear end when the rear seat back is folded down. Interiors feature attractive hound's tooth check cloth and vinyl seat trims.

**GENTRYS MAKE VISIT**  
Robert Boyce and Mr. and Mrs. Mert Gentry returned recently from a visit to Buchanan Dam where they visited Mr. and Mrs. Calvin Willis of Lake Point. Mrs. Gentry's sister and family, Mr. and Mrs. Bert Darland, were also there on vacation. They also visited with their granddaughter and family, Mr. and Mrs. Frank Vardell and baby, Samantha Jo, former Slatonites.

# PRaise THE LORD

The Lord inhabits the praises of men -- not the grumbling and complaining.  
In Heb. 11:1, the Living Bible says: "What is faith? It is the confident assurance that something we want is going to happen. It is the CERTAINTY that we hope for is waiting for us, even though we cannot see it up ahead."

In many other places in the Bible, God tells us that if we ask we will receive. . . whatever we ask in His name, He will do it. . . whatever we ask in Jesus' name, we already have it. . . if we stay in Him or abide in Him and obey His commands, whatever we ask will be granted to us. . .

What are you asking God for? Do you believe His will will grant it to you? For many years I had prayed for one specific thing to happen, with the assurance that what I was praying for certainly was God's will. . . And I had claimed this promise: "If two of you agree down here on earth concerning anything you ask for, my Father in heaven will do it for you." (Matt. 18:19.)

Then about a year and a half ago, the Lord answered this specific prayer so wonderfully, it was then that I wondered why I had not praised God for it BEFORE He answered, knowing that He would, rather than spending all that time wondering why and how and when, and even crying and complaining many times.

In the 11th chapter of Numbers, the Bible talks about the Israelites, how God was leading them to the promised land, but all the way they complained about this and that. And even said at one time that they even wished they had stayed in bondage because they at least had enough food to eat then. They complained that they were tired of the manna God was feeding them, and they wished they had meat. "And when the people complained, it displeased the Lord: and the Lord heard it."

Does that sound like some of our complaining? The Lord was answering their prayer and leading them all the time -- they just failed to recognize His presence, and failed to claim His promise that He really would do what He said He would.

Do you remember how Paul and Silas (Acts 16) were beaten and thrown in jail? And at midnight that night they actually were praying and SINGING! They had the kind of faith that they believed God would answer and deliver them from their bondage and they were praising Him before it happened.

Do you believe God is answering your prayer? Then praise Him WHILE He's doing it, even though you may not see the answer yet. We can stand on His promises because His Word says so. "Let us offer the sacrifice of praise to God continually, that is, the fruit of our lips giving thanks to his name." (Heb. 13:15.)

## PERSONALS

Visitors last week with Mrs. Stella Shelton and Miss Farrell Singleterry were their brothers and families, Mr. and Mrs. H. V. Singleterry, of Fort Worth, and Mr. and Mrs. M. E. Singleterry, of Phoenix, Ariz. Mrs. Shelton also visited in the Rest Home with Mrs. Flora Johnson.

# DEATHS

## Ivory Sharpe

Services were held at 2:30 p. m. Friday at Henderson Funeral Chapel for Ivory Henderson Sharpe, 65, of Rt. 1, Slaton, who died Tuesday night at West Texas Hospital after a long illness.

The Rev. Paul Earp of Bible Baptist Church officiated. Burial was at the City of Lubbock Cemetery.

Sharpe, born in Athens, Ark., had lived in the Lubbock area 42 years. He was a retired hotel clerk and a member of the Disabled American Veterans, a national post of the Veterans of Foreign Wars.

He is survived by a son, Johnny Lee Sharpe of Florida; a daughter, Mrs. Brenda Cash of Kansas; a brother, J. E. Sharpe of Slaton; two sisters, Mrs. Joe Bradley of Pineville, Mo., and Mrs. Carl Sloan of Lubbock; and a grandchild.

## William Martin

William D. Martin, 50, died Monday afternoon in the Big Spring Veterans Administration Hospital after a stay of 20 days.

Services were held at 2 p. m. Wednesday in the First Christian Church in Slaton with the Rev. Nolan Pierce, pastor, officiating.

Military services were conducted in Englewood Cemetery under the direction of Englands.

Martin was a sergeant in the U. S. Army, serving from 1940 until 1966. He had resided in Slaton since 1966.

Survivors include his wife, Clara; three daughters, Mrs. Ann Brush of Slaton, Mrs. Judy Green of Pleasant Hill, La., and Miss Mary Martin of the home; his father, E. F. Martin of Chickasha, Okla., and his mother, Mrs. Ella Mae Sikes of Lubbock; three sisters, Mrs. Inez Horton of Huntington Beach, Calif., Mrs. Doris Farabow of Lexington Park, Md., and Miss Vera Martin of Oklahoma City; and two grandchildren.

## Thomas Wright

Services for Thomas Robert Wright, 78, of Wilson who died Tuesday in a Big Spring hospital were at 2 p. m. Saturday in White Funeral Home Chapel in Tahoka.

The Rev. George Ascher, pastor of the St. Paul's Lutheran Church at Wilson, officiated. Burial was in Tahoka Cemetery.

The retired butcher had been hospitalized for two months. Born in Clifton, Wright had been a Lynn County resident since 1951.

He is survived by his wife, Mattie; a daughter, Mrs. Amanda Watley of Clifton; a sister, Mrs. Georgia Turkmitt of Fort Worth; a brother, John Wright of Fort Worth; and seven grandchildren.

Pallbearers were Monroe Talkmitt, James Wuensche, Jimmy Gickhorn and A. J. Gickhorn.

## Emilio Perez, Sr.

Emilio Rito Perez, Sr., 41, of Slaton, died Sept. 13 in Mercy Hospital after a long illness. Services were held at 4 p. m. Thursday in Englewood Cemetery. Services were held in Our Lady of Guadalupe Catholic Church with Rev. Emilio Abeyta officiating.

A native of Slaton, Perez was born May 22, 1931 and had lived in Slaton all his life. He was a member of the Catholic Church, the Knights of Columbus, and owned and operated Perez Barber Shop in Slaton until 1967.

He is survived by his wife, Juanita; two sons, Emilio Jr. and Ruben; four daughters, Mrs. Dora Jane DeLeon, Mrs. Patsy Agular, Glenda Perez and Mary Perez, all of Slaton; one sister, Martha Perez of Lubbock; and grandmothers, Mrs. Sara Perez of Lubbock and Mrs. Cruz Anchond of Tahoka.

## Gary Rackley

Services were held at 2 p. m. Tuesday in the First Assembly of God Church in Lubbock for Gary Lynn Rackley, 18, of Rt. 4, Lubbock.

Rev. L. F. Ammons, pastor of the First Assembly of God in Austin officiated for the service, assisted by Rev. Tommy Crider, of Lubbock. Burial was in Peaceful Gardens.

Rackley was dead on arrival at St. Mary's Hospital about 7:30 p. m. Sunday after suffering injuries in a motorcycle accident. His cycle apparently went out of control on an access ramp leading to Loop 289 at its intersection with Southeast Drive, turned over and struck a guard rail.

Rackley was a native of Lubbock and attended Cooper High School. He worked at Preston Milk Stores.

Survivors include his parents, Mr. and Mrs. Edward Rackley of Rt. 4, Lubbock, a brother, Dale and sister, Vickie of the home; and the grandparents, Mr. and Mrs. R. P. McGee of Lubbock and Mrs. C. A. Gross of Lubbock.

Pallbearers were Van Brown, James Brown, J. B. Kirk, Johnny Neal, Eddie Hickman and Marlin Phillips.

Read Psalm 146:5-10; James 3:13-18

Happy is he that hath the God of Jacob for his help in the Lord his God.

So often we hear persons complaining about taxes, prices, welfare programs, war, government noise, and pollution. Much of this comes from selfishness stemming from an inner unrest. We are for scapegoats because our society is plagued by it, and that many things will have to be changed before it can be solved. But continual complaining only burdens and helps no one.

Also, those who have the greatest needs are those who are the most vocal. Children sitting in railroad corners, wasting away of malnutrition, do not form lobby groups.

With the bounty of God's earth and the limitations of His love, we should find a way to solve our inner man must act believing that "with God all things are possible," as Jesus said, when man's heart is Him.

PRAYER: Lord, help us to be concerned more than complainers. May we spread the good news of the place. For Jesus' sake, Amen.

THE THOUGHT FOR THE DAY:  
Am I doing my best for God where I am?

a weekly message relating the world of today to the lessons of Faith and Church . . .

My days are swifter than a weaver's shuttle.

—Job VII, 6

When we are very young, our elders seem "ancient." As we turn to adulthood, the years roll by too swiftly. If we are fortunate, we come to know the value of a good life and, like a good house, we age with dignity and character. We also come to know that, while life may pass swiftly, we constantly meet on the journey the open gates of new opportunity.

Life offers many golden moments. Look for them. They may come to you wherever you are—in sunlight or shadow, in the roar of a crowd, or the Sunday morning stillness of a churchyard.

# Eagles Blank Chiefs 32-0

BY JIMMY MATSLER

Junior tailback John Blackwell rushed for 132 yards and two touchdowns last Friday night, and led the Roosevelt Eagles to a 32-0 gridiron victory over the visiting Crosbyton Chiefs.

The win evened the RHE season record at 1-1 while Crosbyton dropped to 0-2.

three leading directly to scores.

A 9-yard run over tackle with 5:17 to go in the first period capped the initial drive of the evening. Following the opening kickoff by Crosbyton, the Eagles went 62 yards in 9 plays to paydirt. Ricky Hightower booted the extra.

A fumble recovery by Gary Stennet at the Chief 19-yard line gave the Eagles another chance late in the second quarter. Following a 15-yard holding penalty on the first play, the Eagles drove for the TD in seven plays. Sophomore full-back Kenneth Bobo highlighted the drive with one-yard plunge off-tackle, with 1:04 left in the half. Blackwell's point-after attempt was wide. This gave the Eagles a 13-0 halftime lead.

After a dismal third quarter by both teams the Eagles got rolling with Blackwell streaking around end, past the defensive secondary, and winning a 54-yard sprint into the end zone. The play came with 11:09 left in the fourth quarter and completed a seven-play, 66-yard drive. Thistime Blackwell led the ball true and the Eagles had a 20-0 lead.

Seventeen seconds later on a handoff mixup, the ball popped into the air and defensive tackle Kenny Perry picked it off. The junior lineman lumbered 24-yards to a lineman's dream. Again the PAT was no good, making for a 26-0 count.

The final touchdown was set up by another Crosbyton fumble recovery, at the Chief 8-yard line. After three plays netted minus 3-yards quarterback Chris Marshall hit split-end Charles Lipps for an 11-yard pass play and a six-pointer. PAT was no good, making for the final tab of 32-0.

The Eagle offense fared well against the Chief defense, rolling up 299 yards total offense as compared to 192 for the Chiefs. The Chiefs managed only 124 steps rushing with the Eagles having 245.

A total of 16 first downs were rolled up by the maroon-and-white with the Chiefs getting half that number.

Blackwell got his 132 yards on 11 carries for an 11.0 average. For the Chiefs L. D. Terrel strided for 52 yards on 9 carries.

Starting senior quarterback Ricky Hightower sustained a knee injury of unknown extent. Senior tackle Joe Chapman has developed infectious hepatitis and may be lost for the season.
