## Clark Named Police Chief

Fred Clark, former Slaton city patrolman and currently a deputy with Lubbock County Sheriff's Dept., was named chief of police for the City of Slaton as a called meeting of the city commission Friday morning.

Clark, 32, was one of four applicants for the post left vacant when Glenn Farmer resigned to enter the teaching field as an instructor for Wayland Baptist College this fall. Clark's appointment is scheduled to be effective Oct. 15.

Three of the present seven officers on the police force, including both of the remaining supervisors, told commissioners after the announcement of Clark's employment that they were resigning.

However, only Capt. Jeff L. Creager, assistant police chief who has been running the department since Farmer's resignation, had submitted a formal letter of resignation by Tuesday night. At a meeting

Friday afternoon, Sgt. Tony Chavez and Patrolman George Quintero told commissioners and the mayor they would resign effective Oct. 15.

At Friday morning's meeting of the commission, one

citizen present objected to the commission's action. The commissioners heard him out, then voted unanimously to employ Clark. The motion to employ Clark as chief was made by R. J. Clark and seconded

by J. S. Edwards. Concurring in the vote were Commissioners Otis Neill and Eugene Mask.

Clark already is a citizen of Slaton, residing here with his wife, Iris, and their two boys, Jeff, 8 and Jay, 5. The family attends First Baptist Church in Slaton.

A 1959 graduate of Meadow High School, Clark currently is attending Wayland College as a part-time student. He holds a basic certificate and 530 hours of schooling in law enforcement, according to his application.

After graduation, Clark was self-employed for a time as a farmer. Later he worked as a supervisor for Wayside Homes, a mobile home construction firm in Fort Worth, where he directed the activities of about 20 workers.

Clark joined the Slaton Police Dept. in October, 1970, and worked as a patrolman one year prior to joining the sheriff's department in October, 1971. He was given a good recommendation by Sheriff Thoc Blanchard, whose letter to the commissioners said, in part:

"Fred has always been a stable and conscientious employee. He assumes any responsibilities needed and has been found to be very dependable. He has always cooperated in every way and I feel he has become experienced in all fields of this law enforcement agency, making him qualified for the position he is seeking."

Capt. Creager has been assistant chief since March, 1971. He has been on the force here five years as of last Sunday, and prior to that, had four years of military police duty. He had made application for the position of chief, and just before Friday morning's action by the commission, Mayor Bland Tomlinson was handed a letter signed by all other members of the present police department endorsing Creager for the position. The letter was read to the commission prior to the vote.

The commission had met in executive session, closed to the public and news media, to discuss the applications Tuesday night. This closed session was in accordance with the Texas open meetings law, which permits such sessions where matters of security or deliberations to consider hiring or firing of employees are concerned.

Creager twice has been named officer of the year in Slaton, and currently is enrolled in a four-year college program in law enforcement.

## Women's Chamber Plans For Supper After Post Game

Directors of the Women's Division of the Chamber of Commerce met Monday in the chamber board room to make final plans for the benefit pie and cake supper to be held in the club house Friday night, Oct. 13, after the Post football game. All proceeds will be used for new Christmas decorations for the city square.

A report was made that the city had mowed Russell Park. Also the business men around the square were taking pride and cutting the weeds in front of their businesses.

A suggestion box is being placed in the Chamber of Commerce offices for anyone to deposit helpful suggestions and how they would like to help our city.

Barbara Jones reported that children's art will be on display

in the club house this month.

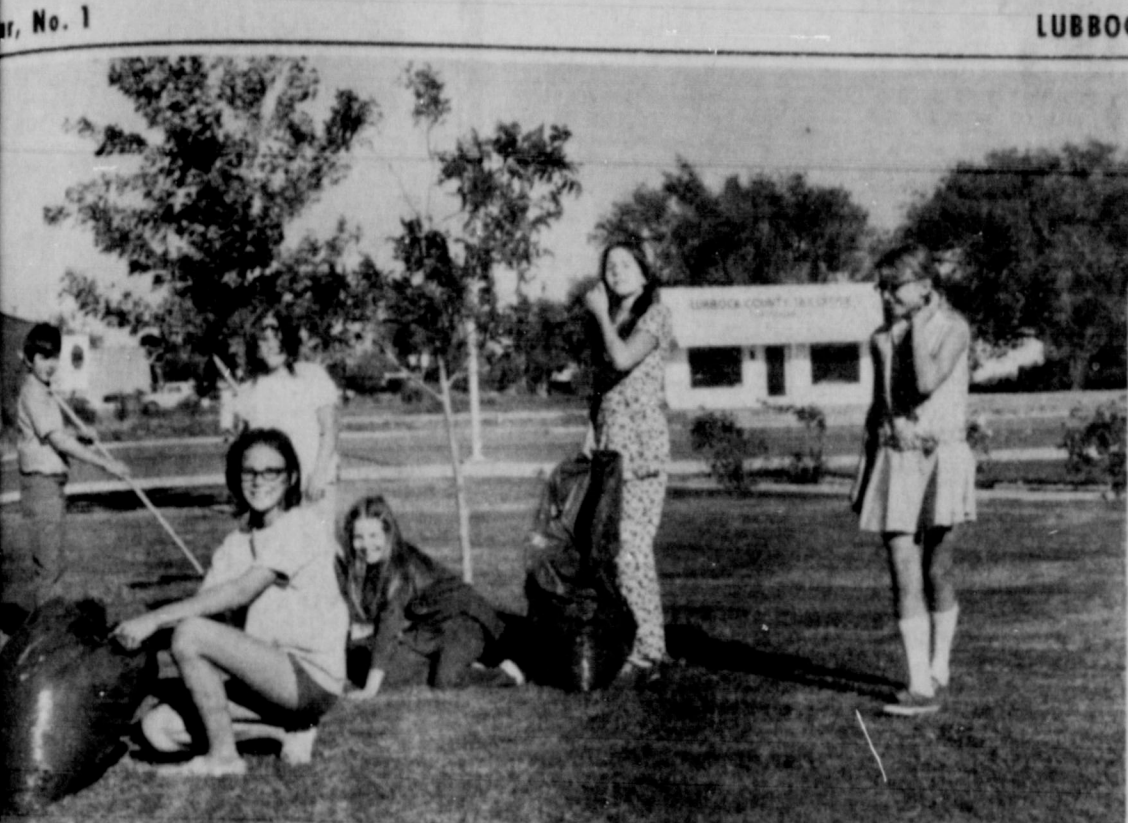

More than 50 junk cars have been removed from the streets, Patsy Wendel announced.

Plans are being formulated for a benefit bridge party to be held in November.

It was reported that the Scouts have placed a barrel in front of the scout hall for all empty tin cans to be deposited. It is hoped everyone will help fill the barrel.

President Margaret Edwards presided over the business session. Directors present were Mmes. Edwards, Wendel, Joan Williams, Beverly Edwards, Charley Evans, Hartman, Barbara Jones, Carolyn Jones, Patsy Davis, Louise Smith, and Miss Beverly Kercheval.

## Tigers Give Portales Scare

By DALTON WOOD

### GAME AT A GLANCE

SLATON	PORTALES

90 Yds. Rushing	240
135 Yds. Passing	31
6-13-2 Completed	2-6-1
1 Fumbles lost	2
6-34 Punts, avg.	4-33
4-85.3 Penalties	4-15

Slaton's Tigers raised a few eyebrows amongst the New Mexicans and raised some new hopes among their fans as they played unbeaten Portales a rugged ball game there last Friday before losing 20-14.

It was the fourth straight loss for Slaton this season, but the Tigers pleased the handful of Slaton fans who made the trip as they played it tough, scored twice against a team which had been unscathed on in four previous ball games, and late in the fourth period had a good chance to win the contest.

There's little rest for the weary this week as Slaton goes to Denver City to open District 5-AA competition against the unbeaten Mustangs, odds-on favorites to win the district. Against common foes, Slaton lost 45-0 to Brownfield and 40-12 to Kermit, while Denver City slapped Brownfield 28-8 and tied with Kermit 7-7.

Once again at Portales, it was long scoring plays by quick backs running to the outside which spelled defeat for Slaton. The Rams scored on three bolts of lightning, then were mostly outplayed by the Texans.

The game started out like the opening act of a horror show. Portales kicked off, then forced

Slaton to punt. And on the first Ram play from scrimmage, fleet Archie McMath streaked down the right sideline for 73 yards and a touchdown. End Jackie Brock kicked the point and it was 7-0 with less than three minutes gone.

After the next kickoff, a pass by Slaton QB Eddie Jones was intercepted and returned to the Tiger 21. But a fumble by Portales was recovered by Slaton, and a couple of plays later, the Tigers uncorked their most devastating play of the season thus far, a 71-yard touchdown pass and run from Jones to Greg Sokora, who got behind the Ram defense, and never had to break stride as Jones laid it in there perfectly. Back Ken Schuette kicked the point, and it was all tied up at 7-7 with 5:41 left in the first period.

The rest of that quarter and all of the second period was a battle of defenses, as the fired-up Tigers contained the Ram runners well. It was 7-7 at halftime.

Portales opened the second half by running back the kickoff 65 yards for a T.D., with wingback Mike Speck doing the dirty work. Brock kicked the point, and it was 14-7.

As in the Littlefield game, Slaton appeared to have the third quarter bludgeoned, as Portales scored again, this time on a 77-yard jaunt by Speck. The kick was no good, and the quarter ended 20-7, Portales.

But, for the third straight week, Slaton outscored the opposition in the fourth quarter. After defensive back Robert Grant intercepted a Portales pass and returned it to the Ram 23, Ron Bartley threw the halfback pass to Sokora on

the Ram 9, and two plays later, pulled the same play to other side, hitting End Lupe Valderaz in the end zone for the touchdown. Schuette kicked the point and it was 20-14 with 7:36 left in the game.

Slaton appeared to be on the way to a big upset a few minutes later as Sokora ran 23 yards on a reverse to the Ram 44, then Schuette and Bartley gouged out some tough yardage by running hard on several plays. But a penalty set Slaton back, and then John Lees intercepted Jones' pass to kill the threat at 1:50 left.

Portales drove to the Slaton 8, then fumbled and HB Sam Clemens recovered for Slaton. But on the next play Portales recovered a Slaton fumble on the 2-foot line and it appeared they would score again. Slaton drew a 1-foot penalty, then time ran out.

Defensively, Bartley, Sokora, Schuette and Tackle Ronnie Valadez turned in good games.

## Slaton To Host Water Meeting

The City of Slaton will be host to a meeting of Permian Basin Water Assn. at 6:30 p.m. Oct. 17, at the county club-house.

Principal speaker for the program will be Robert Karr, representing Canadian River Municipal Water Assn.

The Permian Basin group encompasses a large area of the South Plains, and about 80 representatives of various cities are expected to attend.

## Slaton Promotion To Be Discussed

All retail merchants in Slaton have been invited to attend a meeting in the chamber of commerce building at 7:30 p.m. today to discuss a plan for overall promotion of the Slaton business community.

The session is sponsored by the Retail Trade Committee of the chamber.

## Two More Bales Ginned In Area

Slaton area's bale count went up 300 per cent during the last week as two more bales were reported to add to the first bale brought in by Harold Wilson.

The number two bale was ginned by Martin and Mims of Route 1, Lorenzo, at Acuff Co-Op Gin Friday. It weighed 625 pounds. Third bale ginned in the Slaton area was by Lanny Swanner at Slaton Co-Op Gins Sunday. It weighed 450 pounds.

Slaton Chamber of Commerce paid a premium of \$100 for bale number two, and \$50 for the third bale in the trade area.

### Slatonites Proving, It Is "Your Kind of Town"

by MARGRET BARTLEY  
Women's News Editor

Slaton and neighboring residents are proving that Slaton cares this week with a tremendous response of help for the Henzler Benefit dinner planned next week. Organizations, individuals and businessmen have come forward with pledges of all kinds to help make the benefit a success.

Started under the sponsorship of the VFW, American Legion and Knights of Columbus, the dinner is planned for Sunday, Oct. 15, from 11 a.m.

until 3 p.m. at St. Joseph's Hall. Sweets will be provided by the ladies.

Gross proceeds from the event will go toward medical expenses for Mrs. George Henzler, who has been critically ill for several months. "Slaton really does care," said a spokesman for the local organizations, "and it shows everyone that Slaton is 'our kind of town'." Mr. Henzler has been the silent benefactor of so many local families, and now we hope that that goodness will be returned to him and his wife.

Tickets are now available from any member of the three sponsoring groups, VFW, American Legion, Knights of Columbus and at The Slatonite. They will be available through other groups and business as the week progresses.

Jerry Kitten, as representative of the Knights, is in charge of food preparations, and any donations or services may be made through him. Cash and proceeds from the event will be handled through a fund set up at Citizens State Bank to be handled by T. J. Wallace.

Tickets for adults are being sold at \$2 and children under 12 will be charged \$1.

MR. and MRS. CHARLES WAYNE UNDERWOOD are justly proud of their first-born, a daughter, born at Lubbock's Highland Hospital, Sept. 28 at 2 p.m. She weighed 7 lbs., 8 oz. and has been named AMY JEAN.

Grandparents are MR. and MRS. J. MARTIN BASINGER of Slaton and MR. and MRS. B. R. UNDERWOOD of Temple. Great-grandparents include MR. and MRS. T. H. BASKIN of Slaton, MR. and MRS. TOM SIMS of the ranch near Post, MRS. ALMA ASHBY and MRS. LOLA BELL MABRY, both of Temple.

MR. and MRS. GARY McCULLOUGH and NATASHA and TAMBRA of Plainview arrived Tuesday for a visit with MR. and MRS. CHARLES WAYNE UNDERWOOD and new daughter, AMY JEAN. Mrs. McCullough is Underwood's sister.

The successful combination steer roping and western art exhibit became a reality during the weekend at the O. S. Ranch, southeast of Post. One could "feel" the atmosphere of history in moving from room to room in the old ranch house

to view the collection of paintings and sculpture. One of my favorites of the show was the superb charcoal sketch of "our" JACK MEYERS, done by GORDON SNIDOW of Belen, New Mexico. "Fetching the O. S. Irons" breathes Jack, a cowboy who will do to ride the river with!

The event was a rare chance to have a good time in the midst of western hospitality and the opportunity to help with such a worthy cause as the San Angelo Boys Ranch.

The gathering also afforded a chance to visit with friends, old and new. I enjoyed a brief visit with long-time friend, J. O. "HOGGY" RUDD, who ranches between Robert Lee and San Angelo. He ably assisted the chief barbecue cook, VIRGIL RODGERS, in cooking for this "round-up". If you missed this benefit, plan to attend next year.

DEBBIE KING and BRADLEY KITTEN left the campus at Angelo State University for a weekend visit in Slaton.

MISS MYRTLE TEAGUE of Dallas arrives today for a visit with her mother, MRS. JOE H. TEAGUE, JR. and brother, JOE H. TEAGUE, III.

### PTA — People Taking Action

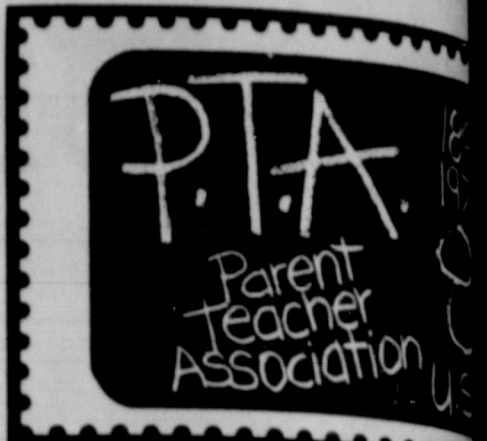

One of the most significant anniversaries in the history of volunteerism occurs in 1972 — the PTA celebrates its 75th year of working totally in the interest of children and youth.

Founders Alice McLellan Birney and Phoebe Apperson Hearst, who recognized the great need for such a volunteer movement, organized the first PTA meeting on February 17, 1897 in Washington, D.C.

The concept of PTA swept the nation, and now seventy-five years later, the organization has grown to one of almost 3,000,000 members. Since that time, scarcely a year has passed that the PTA has not implemented a project or involved its members in a new activity that benefited children.

In Idaho, the PTA sued government officials for "misusing" school funds. In California, the PTA attacked the governor for failing to support adequate school finance reform and in Chicago, the PTA sponsored a mass rally which succeeded in preventing proposed teacher layoffs. A prominent editor said recently, "Just as war is too important to be left to the generals, so public schooling is too important to be left to the educators. The PTA is still the bulwark of the parental troops."

Membership in PTA is through the local unit and is open to anyone interested in the welfare of children. You can join the PTA troops — call today!

DESIGN OF A POSTAGE STAMP to salute the 75th anniversary of the National PTA is a blackboard in white chalk and the chalk is in white. Print order of the stamp million by gravure. The PTA was founded in 1897 by Phoebe Apperson Hearst, wife of George Hearst and mother of William Randolph Hearst. During its 75 years of working for the welfare of the PTA:

- In 1899 petitioned Congress for a National Day of the Child, which became the U. S. Public Health Day.
- In 1906 played a key role in the passage of the Federal Education Act.
- In 1946 was named primarily responsible for the federal school lunch program.
- In 1951 conducted a national conference on school improvement.
- In 1965 shipped more than a million books to schools in Appalachia.
- In 1970 initiated Project RISE (Reading Improvement Everywhere).
- In 1972, under federal funding, integrated its smoking and health project with plans to test programs to be tested at the state level.

### Ransom Notes

BY JAMES GRACE

It's amusing and sometimes comical to observe the activities of the small wild animals and birds at Lake Ransom Canyon. Five ducks on the lake were noted squawking and quacking away from a large turtle that kept nipping at their feet. They quickly webfooted it to safety on shore.

Raccoon and opossum also explore around the homes and water's edge at night. Randy Marshall, swimming pool life-guard, said he saw a large eagle, rare in this area, which has made its home here. Other rare birds sighted by many residents are Great Blue Heron, Osprey, chaparral, Sandpipers and Kingfishers.

The J. B. Georges have returned to Ruidoso, N.M. Mrs. George is a talented painter. Since Dr. Robert Anderson took all the honors in the recent Sailboat Regatta, others have been seeking his advice on how to "steer by the wind." Obviously he was more familiar with all the soft spots in the triangular course to win all the events.

STUBBY KAYE, the well known Broadway and Hollywood comedy star, arrived in Lubbock to begin rehearsals for the new Hayloft Dinner Theater comedy production of Neil Simon's LAST OF THE RED HOT LOVERS.

### The Informed Consumer 'ARE YOU THE ONE?'

Thousands of Texans have received letters or legal-appearing documents recently stating that the sender has in his possession a copy of a will on an estate under probate. Usually these originate from an out of state source.

Of course the deceased has the same last names as the recipient. While there is usually some disclaimer such as "we are not attempting to state that the provisions set forth in said will have a reflection to you", just the opposite is clearly implied by the correspondence.

Typically the amount of the estate is not set forth but the impression is given that it is large. All of this conjures up a vision of inheriting a large sum of money from some unknown rich relative.

Not long ago thousands of families throughout the nation named Kelly received offers to provide information which could assist them in establishing a claim to an estate of more than \$50,000 left by a Mary Kelly.

An investigation disclosed that every Kelly listed in certain telephone books received the same offer. And while the cost for the information was only \$10, it still was a long shot bet that any of the Kellys contacted would be entitled to any money.

Just as in the Kelly case, operators of schemes such as this normally sell information to literally thousands of families, usually selected at random, with no thought or

**Mrs. Switzer Hosts Club**

A coffee hour in the home of Mrs. Richard Switzer was the occasion for the first meeting of the year of the Slaton Civic and Culture Club. Mrs. Kenneth Davies was co-hostess. An autumn arrangement of Comanche Red petunias centered the refreshment table. Other fall flowers were featured throughout the house.

Mrs. Switzer, president of the club, greeted the club members with words of welcome.

Fifteen members answered roll call with "Vacation Highlights".

Mrs. Kenneth Davies, vice president, presented year-books. The program theme for the year is "Places to Go, People to Know and Things to Do".

Those present were Meses, Bruce Pember, Fred Schmidt, Arthur Saage, Beadie Elliot, J. D. Barry, Lena Todd, R. L. Smith, Joe Brooks, T. C. Martin, Doris Legg, Raymond Johnson, Horace Wheeler, Davies and Switzer.

The next meeting will be Oct. 25 in the home of Mrs. Jack Cook.

Profits from the PTA Spaghetti supper held two weeks ago totaled \$350. Proceeds from the event and others for the past year are going toward the purchase of air conditioners for West Ward School. Only eight more rooms need units now. The Halloween Carnival planned for Oct. 31 at West Ward is hoped to bring that number even lower. The old fashioned carnival, to include games, booths and refreshments, will be held from 6 until 9 p.m.

Homecoming activities are set this week at Wilson. The Lions Club has a barbecue supper planned before the game for the public and the Homecoming Queen will be crowned in pre-game activities beginning at 7:30. The Mustangs will meet Meadown in action at 8 p.m. An after-game coffee is set for ex-students and their families in the school cafeteria.

The Veterans Day Parade will be held in Slaton Oct. 23 beginning at 10 a.m. Several floats, groups and organizations have made plans to march in the parade. Don't miss it!

Voters all over the nation have until Saturday to mail in their voter registration so that they will be eligible to vote in the Nov. 7 presidential election. The new regulations no longer require a long residential period, and registration will be accepted in the county until 30 days before the election is set. Forms are available at the Slaton Tax Office substation.

The Lions Club is coming out with their Halloween candy this week so think of them when you start buying for the little 'spooks'. I usually buy some ahead, and the kids eat it up, so I must buy more. You only have to talk to a Lion to find out all the good work carried out from the proceeds of this money-making project.

Junior Civic & Culture Club met in the home of Mrs. C. E. Hogue Tuesday night. Co-hostess was Mrs. Oma Fay Brown.

Mrs. Hogue, club president, presided over the business meeting. Each member answered roll call.

Program was brought by Mrs. Georgia Brewer of West Texas TB and RD Association, Lubbock, and showed a film "Is It Worth Your Life?" This was in regard to the affects of smoking.

Refreshments were served to 15 members and two guests, Mrs. C. E. Wall and Mrs. Brewer.

**Nurse's Aid Training Program Is Scheduled**

South Plains College, in cooperation with University Hospital in Lubbock, will offer a Nurse's Aide Training Program beginning Oct. 16, and it will continue through Nov. 17. Classes will meet Monday through Friday and there will be two parts to the program--classroom and clinical work.

Persons must either be a high school graduate or have a GED certificate in order to enroll in the program. Application forms may be secured through Don Yarbrough, Director of Continuing Education at South Plains College. Each applicant must have a personal interview with the instructor prior to the beginning of class. Interviews will be held by Mrs. L. Smith, R.N., B.S., instructor, at University Hospital in Lubbock, from 8:00-12:00 a.m. and 1:00 to 5:00 p.m. on Oct. 9. **Shower Honors Home Demo Club Hears Woman's Changing Role In Family Life**

Miss Patty Neill, bride-elect of S. Sgt. Duane Leroy Jacobs, was honored with a lingerie shower Sunday afternoon in the home of Mrs. Douglas Milliken. Co-hostesses were Miss Debbie Milliken and Mrs. Arthur Davies.

The bride-elect's colors were green and white, and crystal appointments were used. Hostess gift was a pink peignoir set.

The couple will exchange vows Saturday in First Presbyterian Church.

The Slaton Home Demonstration Club met Tuesday in the Slaton Club House with Mrs. R. A. Hardesty, vice president, presiding. Mildred Patterson, County Extension Service Agent, spoke to the group on "The New You", citing the vital changes in the status of the 'emerging woman'.

"In 1884", according to Mrs. Patterson, "the woman was subject to her husband and father to such an extent that a father could will a child to someone else, without the consent of the mother. This was in

America, too. She was subject to her father in childhood, then to her husband, and after his death, she was ruled by her sons."

"The progression of rural society found the mother and father working together to provide for their family until the machine age, when the woman was no longer absolutely dependent on a man to make a living. Women could vote and hold jobs in public that they had never been allowed before. Economic and social situations during the years moved the woman in and out of the home, depending on necessity and trends.

"The emerging woman of today is coming out of two extremes, now having some of both sides. Women are now able to have a home and family, or a career, or combine both circumstances if they wish."

Nine members were present with two guests, Mrs. Mabel Isbell and Mrs. Lynn Edwards. Mrs. F. W. Lueck and Mrs. Irene McCormick served refreshments.

The next program will be Oct. 17 when Mrs. Eldon Allison will teach the group to make chenille bump flowers. Anyone interested in the Home Demonstration Club work is invited to call Mrs. Weeks, at 828-3424 for more information.

Surveys have shown that young people are more generously committed to helping their fellow man, than any other generation in history. In large numbers, young people are helping to clean up the environment, improving health care and safety habits, working with underprivileged families and creating new methods and techniques for solving problems.

Young people want to be involved in making decisions that affect their lives. They want to be able to play an important role in making this country a better place in which to live.

4-H gives young people that opportunity -- to help solve the problems of today -- to make the best better.

During 1972 National 4-H Week, Oct. 1-7, five million boys and girls, ages 9 to 19, will reaffirm the principles 4-H has stood for and they'll look to see where 4-H is headed in the future.

That future includes a commitment to human betterment, expansion of 4-H into urban areas, more work with underprivileged families and continued growth for America's largest youth organization.

The theme of National 4-H Week, "A New Day -- A New Way," encourages 4-H'ers, their leaders and friends of 4-H, to strive even harder to make the 4-H program relate to the needs of young people today.

Urban 4-H programs have grown tremendously in the last five years. Chicago, Cleveland, Boston, Atlanta, Los Angeles, Indianapolis and Washington, D. C., all have urban 4-H programs. 4-H is in all 50 states, Puerto Rico, the Virgin Islands, Guam and similar programs exist in 85 countries around the world.

Each of the 96,000 4-H clubs in the U. S. relate their activities to helping themselves and their communities meet the problems of the 70's.

Clubs have inaugurated roadside clean-ups, cleaned streams and rivers, collected trash and recycled materials to improve the environment.

We've found that clubs have conducted tractor safety checks, health testing, drug abuse programs, rural development planning; demonstrated proper first aid techniques and correct bicycle and small engine vehicle operation; and interpreted proper nutritional habits.

There are 4-H programs for handicapped and mentally retarded youths, as well as programs using television that reach thousands of youths, not normally reached by the 4-H program.

Efforts of 4-H'ers all over the country have been highly applauded by governors, mayors, city councils, chambers of commerce, police and fire departments and community residents.

Guiding and encouraging 4-H'ers to "make the best better" are a half million volunteer leaders, who give of their time, to help young people make their own decisions.

Men and women of the Extension Service, at all levels -- county, state and federal -- help supervise 4-H developing programs to meet the needs of young people.

Individuals, corporations, civic organizations and foundations do their share to help 4-H, through their support of local, state, national and international 4-H programs. Their financial and technical support, and their incentives and scholarships to 4-H'ers, have helped to make 4-H grow to even greater heights.

And behind them all are 30 million 4-H alumni, whose experience and expertise gives young people a model after which to pattern their 4-H work.

We salute the success of the 4-H organization as it celebrates 1972 National 4-H Week.

We encourage 4-H to continue to expand into urban areas and continue to serve the needs of all American youth.

We look forward to America's largest youth organization growing larger in the years to come.

COTTON TALKS FROM PLAINS COTTON GROWERS INC.

During the weekend, Sr. M. Angelita, principal of St. Joseph's School, attended an Education Commission meeting of the Sisters of Mercy of the St. Louis Province at Vicksburg, Mississippi. The meeting concerned itself with innovations in teaching, particularly many different ways of individualizing instruction. Another portion of the meeting concerned itself with religious education, especially concentrating on film media. The area consultants also met and concentrated on ways and means of making schools staffed by Sisters of Mercy quality schools.

Cotton producers across the Belt are asking "What happened to our markets?" And, almost simultaneously, "What can be done about it?" "There is an unfortunate but plausible answer to the first question, but the second is not so easy," according to Donald Johnson, Executive Vice President of Plains Cotton Growers, Inc. of Lubbock.

### RECYCLE CHAMP

A 65-year-old retiree, Ed LeMonnier has collected 583,680 aluminum cans over the past two years, making him the unofficial world champion. He has turned the 24,320 pounds of aluminum in at a Dodge City, Kan. reclamation point, which, at the 10¢ a pound rate, has paid him \$2,432. LeMonnier collects the cans from along Kansas back roads which he drives in an old pickup with his wife. "Many times I've walked 10 and 12 miles at a stretch to pick up aluminum cans. It seems though, they're getting harder and harder to find," he reports. To keep up his collections people along his way now save their cans for him. He's glad to be helping to clear the countryside of litter, and says the work gives him good exercise and a welcome supplement to his Social Security check.

PRaise THE LORD By LENDA WOOD

Have you ever had to face a sudden tragedy? Then as time goes on, you look back and wonder how you made it through those days and nights when you had no strength and perhaps, faith, of your own. But to think about the "suddenness" of when it happened -- how it happened in a flash, or a snap of the fingers, or at the twinkling of an eye.

With the same "suddenness" Jesus will come back to this earth to receive those who belong to Him. "For the Lord himself will come down from heaven with a mighty shout and with the soul-stirring cry of the archangel and the great trumpet-call of God. And the believers who are dead will be the first to rise to meet the Lord. Then we who are still alive and remain on the earth will be caught up with them in the clouds to meet the Lord in the air and remain with him forever. So comfort and encourage each other with this news." (1 Thess. 4:16-18.)

How long do you think it will take for the above event to happen, from the shout and trumpet-call when He appears to the "meet the Lord in the air" part? In Matthew 24 the Bible tells about two will be working in the field, one will be taken, one left; two women shall be going about their household tasks, one will be taken, the other left.

In any place in the Bible when it talks about this event, it seems to me that the message is that it will be quick, perhaps only a few minutes, or even seconds.

Are you ready for such an event in your life? We know that some will be ready and some will not. What does it mean to be ready? Are these comforting words to you? The Bible says we should comfort and encourage each other with this news.

In Matthew 25, it goes on to tell about 10 bridesmaids (people who apparently knew Jesus) who were awaiting the bridegroom. However, five of them became foolish and forgot to fill their lamps with oil.

Could it be that we forget to fill our lamps with oil by simply being "too busy" with other things? That seems to be the best excuse we offer these days. And it's a valid one in the world's eyes. There's so much work to do at our jobs, then when we get home there's more work waiting for us, even till midnight sometimes. If not that, then there are meetings to attend. But don't you get tired of this kind of rat race? Jesus offers us joy and abundant life if we put Him first. Then He helps us to do all these other things that we must do, after we give ourselves fully to Him.

"So, when the bridegroom was delayed, they lay down to rest until midnight, when they were roused by the shout, 'The bridegroom is coming! Come out and welcome him.' This all happened so 'suddenly' that they didn't have time to go out and buy more oil so they could attend the marriage ceremony, even though they tried. They also tried to borrow oil from the five who were faithful enough to stay ready, and could not. And while they were trying to make up for lost time, the ceremony began and the door was shut. When they returned, they stood outside, calling, 'Sir, open the door for us! But he called back, 'Go away! It is too late!' What a terrible feeling they must have had, to think that once they had been ready, and come so close but missed the most important event in life.

Jesus says that if we are neither hot nor cold, but merely lukewarm, He will spit us out of His mouth. He wants us to be enthusiastic about living for Him.

## Class Is First In Grid Contest

Coach Bill Shaha's first period world history class won first place in the football guessing game last week, getting 24 of the winners right to earn the \$10. Second place went to Carl D. Lewis Jr. with 23 right and third prize went to Keith Bumpass, also with 23 right, but who missed on the total points of the tie breaker. Bumpass said 62, Lewis 48.

Another contest is offered this week. J. W. Holt continued to hold the lead in the Fearless Forecasters event, missing only three of 12 games last week for a season mark of 33-15. Dalton Wood also missed just three, and returned to second place at 30-18. Bill Hall missed a bunch, and scooted from second to next-to-last, where he belongs, at 26-22. Pete Williams is third at 29-19, and Joe Sparkman is still wallowing in the cellar at 22-26.

## College and Vocational Night Set Oct. 16

The annual College and Vocational Night program sponsored by the five high schools of the Lubbock Public School District will be held Monday, Oct. 16, 1972 at Lubbock High School, 2004 19th Street, from 7:30-9:30 p.m.

College and vocational school representatives will be there to chat with students and parents. High school students, junior high students, parents, teachers, counselors, administrators, business and professional people of Lubbock and adjoining areas are invited.

The program for the evening will be as follows: 7:30 - 7:55 p.m. General Assembly - Auditorium 8:00 - 8:25 p.m. 1st Session 8:30 - 8:55 p.m. 2nd Session 9:00 - 9:25 p.m. 3rd Session Each student will have the opportunity to visit with the representatives of three colleges for a 25 minute session. Time will be allowed for questions from students and parents.

## Cotton Ginning Course Offered

Cotton ginning season on the South Plains will be getting underway within a matter of weeks; however preparations are underway at South Plains College to help insure that when the crops are ready for harvest that the area ginner will have a supply of trained workers.

Classes for the Cotton Ginning Course got underway on Oct. 2 at SPC in the Technical Arts Center and will meet Monday thru Thursday from 7:00 to 10:00 p.m. O. R. Carey Jr., from the Cotton Ginning Laboratory in Lubbock, is serving as instructor of the course. Total cost of the course is \$25 and will continue thru Oct. 31.

South Plains College will also offer a special series of short courses in Basic Electricity for Cotton Ginner on the South Plains Area.

The following is a schedule of where the courses are being held and on what days: Oct. 7-8 South Plains College Oct. 9-10 Lamesa Oct. 11-12 Tahoka Oct. 16-17 Plainview Oct. 18-19 Petersburg Instructors for the special courses will be Orville Wolverton and John Peacock, both are employed by Lubbock Electric and have had considerable experience in the repair of electrical equipment in cotton gins.

h, Eighth Grade Gridders Season Records To 4-0

grade boosted its record to 4-0 with a 14-0 win and a 36-0 win over during the last week. The team also is 4-0 against Idalou 6-0 Tuesday. Abernathy, the 8th grader on a 45-yard run by Paul Carmona, points by Clarence Curry scored on a 3-yard run and Alex Cristan ran 45 yards to score. Craig Mitchell scored two points on a quick pitch around left end. Curry, Mitchell and Mike Tomlinson were singled out as top defensive players, with Cristan, Ronnie Robinson and Paul Carmona lauded for offensive work.

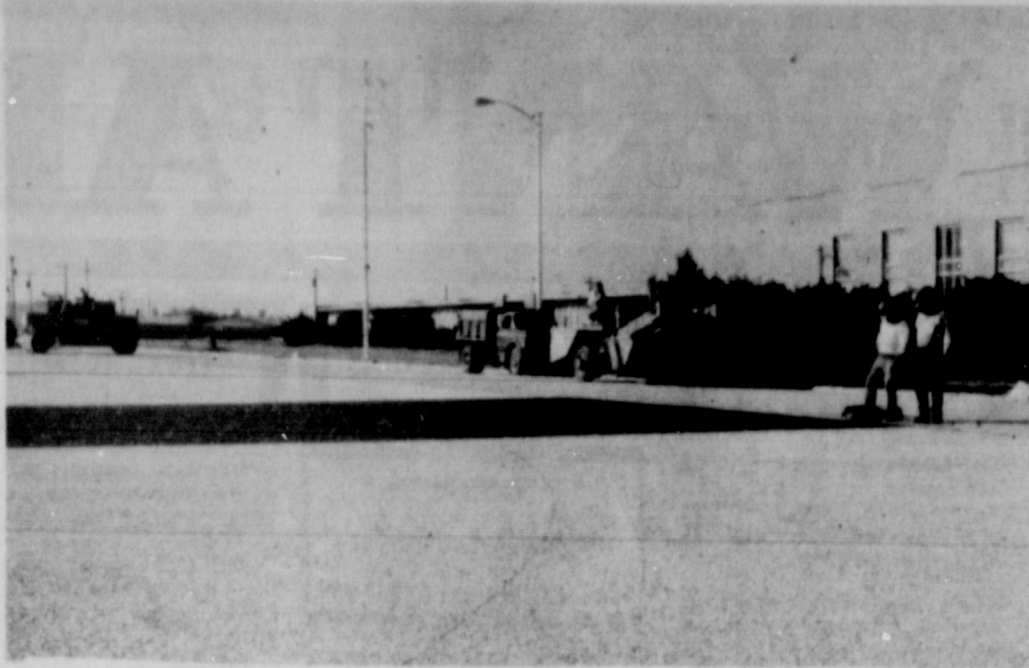

Smallwood adding 2 points on a run over center. Quarterback Rocky Smith ran 15 yards for another TD, and Ronnie Robinson also tallied, running 10 yards with an intercepted pass.

Coach Carroll McDonald's team whipped Idalou 14-0 as Craig Curry scored on a 3-yard run and Alex Cristan ran 45 yards to score. Craig Mitchell scored two points on a quick pitch around left end. Curry, Mitchell and Mike Tomlinson were singled out as top defensive players, with Cristan, Ronnie Robinson and Paul Carmona lauded for offensive work.

District play begins Tuesday as Post comes here at 5:30 p.m. for 7th and 8th grade games. Seventh graders used Don Robinson's score in the second period to beat Idalou 6-0. Jimmy Ramirez also did well on offense, and Phil Bruedigam was outstanding defensively.

A weekly public service feature from the Texas State Department of Health

Accent on Health

J.E. PEAVY, M.D., Commissioner of Health

You've heard it said that curiosity can kill a cat.

It also can kill a child and is doing so, say state health officials, thousands of times each year in this country.

More than 500,000 children--like the little girl next door or the toddler in your own home--will swallow poison this year. Most cases reported will involve children under five years of age. Sadly, virtually all of these poisonings are preventable.

In Texas last year, there were nearly 200 fatal poisonings listed as accidental. According to figures released by the National Safety Council, there were 4,000 fatal poisonings in the United States. Of this total, over three-fourths occurred at home.

The reason behind this extremely high percentage of home accidents is simple. Common household products--those used for housekeeping and medicinal purposes--represent the greatest potential hazards. Among these are detergents, furniture polishes and waxes, drain and bowl cleaners, lighter fluids, and pesticides. Add to this list all the medicines kept in your medicine cabinet--from aspirins to tranquilizers.

There are approximately a quarter-million products available to the American public for use in the home or around the house. These help lighten the housekeeping load, but when

swallowed or ingested in certain amounts they can kill.

Almost half the child poisonings involve aspirins. Tranquilizers also rank high as a chief poisoner of youngsters. Physicians and state health officials recommend that when you give a child medicine, you should never tell him it is "candy." He'll go for the "candy" when you're out of the room. All medicines should be treated as medicines. And all medicines should be bought in child-proof containers.

The more than 6,000 pharmacists in Texas have been among the first to implement the Poison Prevention Packaging Act, federal legislation enacted to provide special packaging for the protection of small children.

For over a month, pharmacists in Texas have been dispensing all prescription orders calling for aspirin-containing medications in special child-resistant containers. These containers are designed so that small children cannot open them, although adults can.

The 4,300 drugs subject to abuse--narcotics, stimulants and sedatives--will be the next substances requiring dispensing in such containers, effective October 24.

The Food and Drug Administration has indicated that all prescription drugs taken orally will require child-resistant packaging early in 1973.

Many of us are unaware of the potential dangers of medicines or household substances. Even salt and pepper may chemically produce an injurious or deadly effect when used in large amounts. A five-year-old youngster in Rhode Island died after swallowing about two tablespoons of ordinary pepper.

In another case, a 22-month-old child died after inhaling a large amount of talcum powder.

Child-resistant packaging is not the sole answer to accidental poisoning of children. Parents must know how to use these containers properly. If child-proof containers are not properly closed after each use, they will of course offer no more protection than conventional prescription containers.

Adults also should follow these good common sense rules to prevent accidental poisonings: Keep all household products and medicines out of reach of youngsters; preferably locked up when not in use. When they are in use, they should never be out of sight of adults--even if it involves taking the product with you when answering the telephone or the doorbell. Best of all, "poison proof" the home and remove all potential hazardous substances.

If you suspect an accidental poisoning in your home, call your doctor at once or take your child to the nearest hospital. Be sure to take the container with you. A sample of the suspected chemical can be most useful.

The Poison Control Center in your area is at your doctor's fingertips, and can help him diagnose symptoms, identify the substance and the proper antidote for it. The State Health Department has helped develop some 22 Poison Control Centers across Texas.

Take a little extra care, and don't let one of the 4,000 fatal poisonings that occur each year in this country happen in your home.

Freshmen, J. V. Teams To Play Tilts Here Today

Slaton freshman and junior varsity teams will play football games here today, with the fish meeting Lamesa at 5:30 p. m. and the javes taking on Monterey at 7 p.m.

The freshmen of Coach Jackie Stewart socked Abernathy 22-6 last Thursday with Bill McClesky scoring three touchdowns. McClesky tallied for the 2 in the first period, and went over again in the second. With one extra point by Breck Hudson, it was 13-0 at half.

On the first running play of the second half, Abernathy's Pete Stracener broke away on a 65-yard run to the Slaton 2, and Abernathy scored from there three plays later. Point was missed and it was 13-6. On the ensuing kickoff Charlie Haynes raced to the Abernathy 40, with only a tackle by the safety man preventing his scoring. Slaton then drove for the TD, with McClesky going in from the 4.

With eight seconds left in the game, Hudson kicked a field goal of 20 yards after the second offense had moved the ball inside the 1.

Coach Stewart praised the victory as a team effort, noting that the offense especially moved the ball better than they had done previously.

Farrell Named Player-of-Week

Nick Farrell, sophomore linebacker for McMurry College in Abilene, was named defensive player of the week Sunday following Saturday's game against Bishop College of Dallas.

Farrell completed five unassisted tackles with six assists. The outstanding players are chosen each week by coaches after they view films of the previous night's play.

Farrell, son of Mr. and Mrs. W. A. Farrell of Slaton, is a 1970 graduate of Slaton High School.

The Junior High choir has sold \$276.20 worth of candy! Janenne Hubert has sold the most -- \$65.00.

The question that we asked a few people is, "If you had \$1,000, what would you do with it?"

Here are some replies: Dwight Kuykendall said, "Buy a motorcycle." Mark Ethridge -- "Buy a trampoline." Regina Tomlinson -- "Build a rocket and go to Mars."

The third period PE class of boys must be pretty rough. Last week, Mark Jarrett came back with a black eye, Wendel Culp had a sprained wrist. No telling what will happen next!

Coach Copeland is still yelling at his basketball girls, but they understand. "Don't forget Coach, they won district last year."

Sixth and seventh grade classes finished their achievement tests Monday.

Next week is fire prevention week. Sixth and seventh graders will be writing paragraphs and making posters. Eighth graders will be writing themes and will hear local men speak on the subject of fire prevention.

Three persons checked out of school this week, including Nora Garcia, (8th), Mark Culp (7th), and Kelley Culp (6th).

Freddie Peralez and Jesse Jimenez are new sixth grade students.

School Menu

MONDAY--Frito pie, green beans, tomato wedges, peaches, rolls, milk.

TUESDAY -- Cheese and macaroni, English peas, salad, peach cobbler, rolls, milk.

WEDNESDAY -- Hot dogs, red beans, pickles, applesauce cake, milk.

THURSDAY -- Spanish rice, corn, cabbage salad, brownies, rolls, milk.

FRIDAY -- baked beans, hamburgers, potato chips, veg. salad, jello with fruit, and milk.

Tree-eaters? When Algonquian Indians roamed the forests of present-day New York State, legend says Iroquois braves scoffed at them: "Hatirontaks" or "They eat trees." That is how the Adirondack Mountains got their name.

# Story Time Hour Set For Saturday

Saturday, Oct. 7, from 10 to 11 a.m., Storytime Hour will be given in the Slaton Branch Library. Children of all ages are welcome.  
Mrs. R. C. Hall, Jr., chair-

man of the program, will be in charge of activities.

New film strips and records have arrived at the library for the children's enjoyment. Games and stories are also on schedule. The Halloween theme may be used in this month's Storytime Hour, with children making masks from paper-sacks.

A few books on the best seller list available at the Slaton library are:

"Captain and Kings", Caldwell; "Report to the Commissioner", Mills; "The Word", Wallace; "The Terminal Man", Crichton; "I'm O. K., You're O. K.", Harris; "Eleanor: The Years Alone", Lash; "The Super Lawyers", Goulden.

A few other good novels arriving recently include "The Winthrop Woman", Seton; "The Dwelling Place", Cookson; "Any Village", Baldwin; "Doctor in Judgment", Seifert; "Lighter Than a Feather", Westheimer; "Biography: Barnard -- One Life", Barnard; "White House Diary", Johnson; "Prime Time -- They Called Me Mr. 500", Grantell.

Something new at the library is a large bookcase, donated by Lubbock City-County Libraries. This has been made into an adult biography bookcase, making room for the many non-fiction books, found on other shelves. It holds a world globe and atlas books, for use in the library.

Persons are invited to visit the library and see the many things available for check-out, including famous reproductions of art prints in frames, and many record albums.

Library hours are 11:30 a.m. - 6 p.m. week days, and 9 a.m. to 4:30 p.m. on Saturdays.

### Sensitive Hearing

Wolves have such acute hearing they can hear a man walking across a field a quarter of a mile away. Eskimos claim a wolf "can hear a cloud pass overhead."

# David Sasse To Be Evangelist For Assembly of God Revival

The First Assembly of God Church of Slaton, under the pastorate of David Leatherwood, will be in revival Oct. 8 through Oct. 22. David Sasse of Clovis, N. M. will be the evangelist for the two-week revival.

Services will be held nightly, Sunday through Fridays at 7:30

p. m. Bible classes will be held each morning, Tuesday through Friday, at 9:30 a.m. The church is located at 14th and Jean Streets, in Slaton.

Sasse, a native of Clovis, attended Southwestern Assemblies of God Bible College in Waxahachie. He and his wife will be singing nightly for the meetings and Sasse will minister the services, according to Pastor, David Leatherwood. He has recently been traveling through Arizona, Colorado and New Mexico on an evangelistic tour.

The 21 year old evangelist is married to the daughter of Rev. and Mrs. Ray Allen, and is himself the son of Rev. and Mrs. Melvin Sasse, both Assembly of God pastors in Clovis.

### Historic Aspects

The History of the American people can not be separated from the history of American journalism. In establishing independence, the pen and the press had equal merit to that of the sword.

A half hour on the evening TV news would fill no more than six columns of an ordinary newspaper.

### Responsibility

Many educators believe that modern parents are neglecting one of the most important areas of child guidance - religious education and training. Charges have been made stating that the lack of spiritual leadership in the home is partly responsible for the views of the segment of the new generation which believes "doing your own thing" is the only philosophy to live by. For so many young people today morality is easy to avoid, because its proper value has never been instilled in the home they grew up in.

What ever the truth, the fact is certain that parents who fail to give their children the proper religious and moral guidance fail to meet their responsibilities to the child, to society, and to God.

Now is the time to change things and in the home is one of the best places to begin. It is up to us to "keep the faith" and up to our children and their children's children also.

# WCS Meeting Held Monday

Women's Society of Christian Service of First United Methodist Church met Monday in the chapel at 9:30. The meeting was opened with the singing of "Rise Up O Men of God", and a prayer was led by Mrs. R. C. Hall, Jr.

Mrs. Merriel Abbott gave a devotion and prayer on "Faith". Mrs. Stan Jaynes played a recorded tape of sarod and sitar duet by Robbie Shankar from Concert of Banladesh, setting the mood for continuation of study on India.

A symposium was conducted by Mrs. R. J. Clark, Mary Gilmore and Mrs. R. T. Farley.

The closing was a Christian religious ceremony called "Kumm!" (a circle using hands and fingers as guide in prayer), led by Mrs. Gilmore.

Remember those in prison as if you were there with them; and those who are being maltreated, for you like them are still in the world. (Hebrews 13:3, NEB)

It was June 1944. Because Polish education was strictly forbidden, the schools were closed, but there was underground teaching in private houses ever since Nazi occupation in 1939. One evening I was teaching Polish history to three pupils. Suddenly another rushed in, breathless and pale. "There is a roundup at the corner of this street!" he said. "The professor of math and his pupils have been captured."  
We were all seized with fear. Being caught during underground teaching meant inevitable death in a concentration camp. We stood up, bowed our heads, and prayed for all people suffering and dying for Poland.

Outside the house a little girl was watching out in case the soldiers approached. Half an hour must have passed when she ran into the room, shouting in childish joy: "They have gone!"  
PRAYER: Our Father, we thank Thee for the sacrifices, even to the loss of life itself, many have made in loyalty to their heritage and for the faith. We pray that whatever experiences befall us because we are Christian we may accept as serving Thy will and purpose. For Jesus' sake. Amen.

THOUGHT FOR THE DAY:  
What we experience is in God's hands.

**RELIGION IS NOW** - a weekly message relating the world of today to the lessons of Faith and Church...

*He shall be as a tree planted by the waters, and that spreadeth out her roots by the river.*  
—Jeremiah XVII, 8

We have all heard it said that there can be too much of a good thing. The tree which sprouts beside the river draws nourishment from the water; but it also suffers when seasonal floods carry away topsoil and the root structure is laid bare to the summer sun and the winter snows. Our individual approach to life, the search for the good things, is a matter of choice and selection. Follow the guidelines found in the ten commandments.

# Wilson Mustangs Lope Past Nazareth

Wilson Mustangs rebounded from last week's loss with a 42-0 victory over the previously unbeaten, unscorced-on Nazareth Swifts.

Nazareth kicked-off to open the game and three plays later the score was 6-0 on a 29 yard run by Senior Fullback Danny Trotter. John Fields kicked the extra point to make the score 7-0.

After a minus 7 yards, Nazareth punted to Wilson and again three plays later Senior Halfback David Hernandez scored on a 4-yard run set up by an end-around play-by which covered 19 yards. Fields' kick was good to make the score 14-0.

On the next kickoff Nazareth fumbled and Wilson recovered. However, it took Wilson four plays to score this time on a

16 yard pass from Fields to Greg Wied. Fields kicked to make the score 21-0 with 5:30 left in the first quarter.

After senior linebacker Leland Brieger blocked a punt and an interception by Junior halfback Phil Kitten, Fields again hit Wied on a 56-yard pass to make the score 27-0. Junior defensive end David Savell recovered a Nazareth

fumble on the Swift's 28-yard line and nine plays later Fields scored from the 1 to make the halftime score 33-0.

To begin the second half the Mustangs received the kickoff and Wied set up his own T.D. with a 46 yard romp and a 5-yard T.D. drive.

From this point the Wilson bench begin to empty. Sophomore Mike Bednarz took over the quarterbacking chores with Lester Walker, Raymond Hernandez, and Richard Cedillo finishing up the backfield. Center Travis Schwertner, tackles Johnny Arellano, and Johnny Arnold, ends Phil Kitten, and Greg Bednarz, began to take over the playing chores for the Mustangs.

They had more trouble moving the ball but they did move the ball down to field goal range for Fields, who made the score 42-0.

The defense again for their fourth consecutive game allowed their opponents less than 100 yards a game total offense.

**Photo Checks—**  
Checks with your picture on them is the latest news from the banking world. This innovation will make it easier for individuals to cash a check and at the same time discourage forgeries.

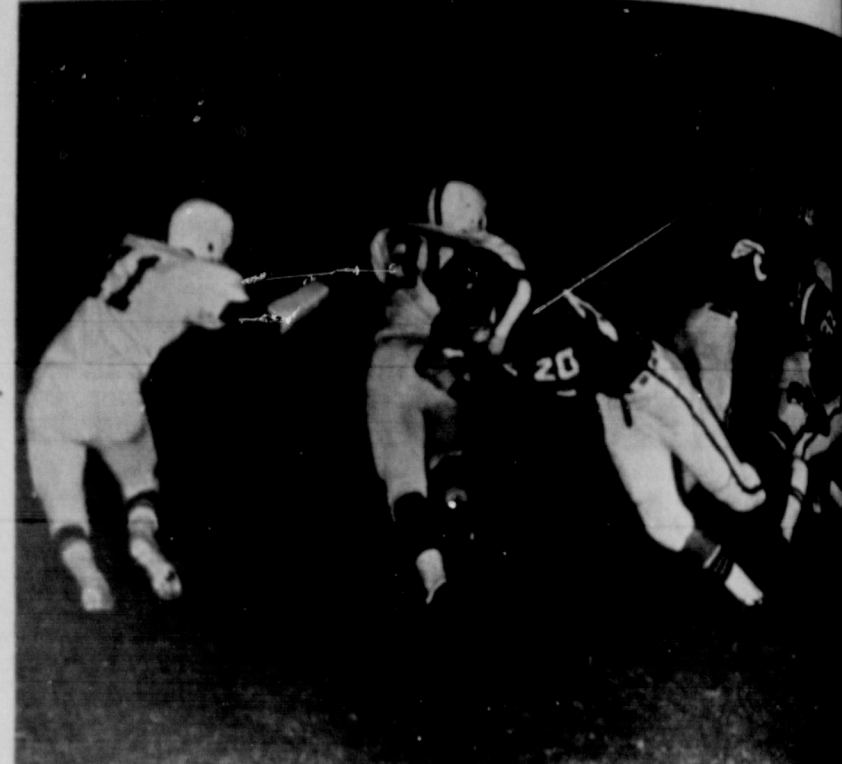

Picture checks were introduced in Louisiana and Nevada a couple of years ago, and the idea has spread to many other states. Photo checks were designed to provide positive identification, to make it easier to cash a check in an area where the person isn't known.

A stolen checkbook would be difficult for a forger to use.

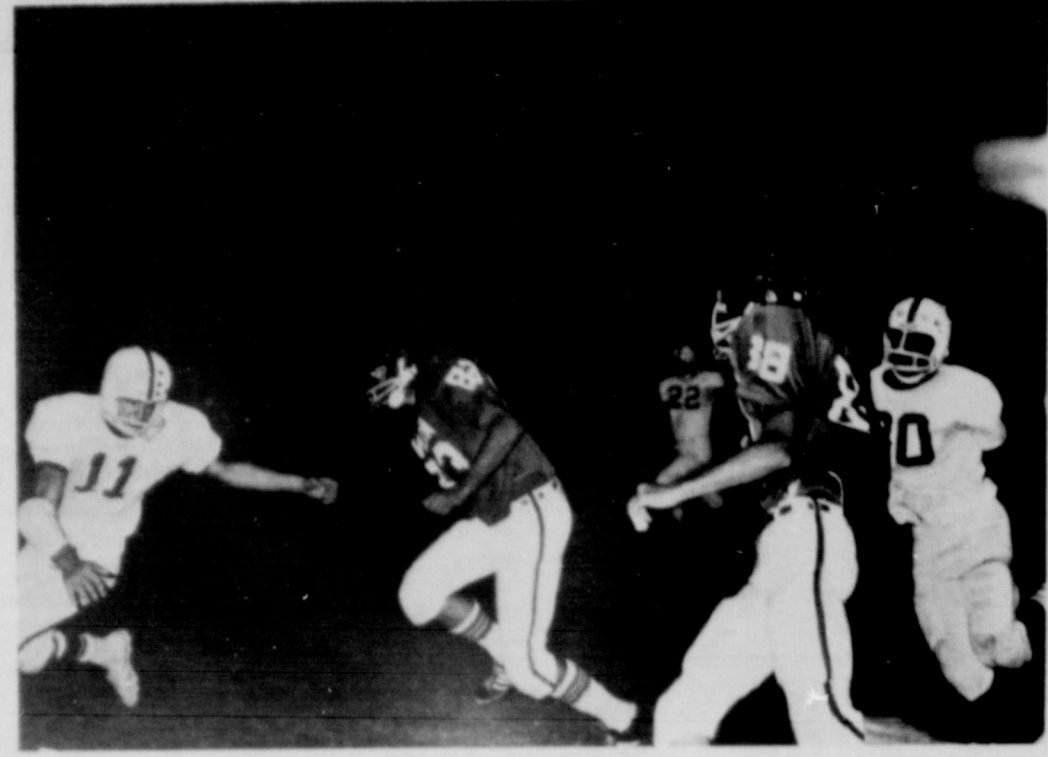

Nazareth was able to gain only 94 yards total offense. The Wilson defense unit was led by outstanding linebacker Danny Crowson with 21 tackles, followed by Danny Trotter, noseguard; and Brieger.

The Wilson offense was headed by Wied with 83 yards, Danny Trotter with 53 yards, and Hernandez with 33 yards, along with the 98 yards passing from Fields.

The Wilson Mustangs now 3-1, and 2-1 in district, will play Meadow in Wilson for their Homecoming Friday night. The Queen candidates are (Junior) Vicki Kalich, (Senior) Twilla Talkmitt, and (Senior) Debra Wuensche.

The birthday party Sunday was a great success. Cake and punch were served to several residents and out of town guests. Annie Reed, Vera Woods, Ada Lahtue, Lena Brehrend, and Susie Bradshaw were the honorees. Mrs. Roberta Clark and Mrs. Haglar hosted the event. Mrs. Haglar is Susie Bradshaw's daughter.

The 4-H girls and Mrs. Garland Brown donated clothes to our Home. We distribute these items among our Residents. We are full up on egg cartons. We are working on our crafts and orders as fast as we can. Please be patient with us for your order. We had to wait on our order, and this was the delay.

Our Slaton Slatonite really brings results. A reader in Fort Worth read where we were getting stamps for radios for our blind. Mrs. Frost sent two books of stamps to us from Ft. Worth.

One resident, Mrs. Drewery, remains in the Mercy Hospital. There has been several colds and hay fever, but this goes with the season. ## TEENS OF THE WEEK

Marlene Johnson is the 16 year old daughter of Mr. and Mrs. George R. Johnson of Rt. 6 Lubbock. Marlene was born Aug. 26, 1956. She is classified as a junior. Marlene lists her hobbies as motor-cycles, drags, and tennis. Red is Marlene's favorite color. Coconut pie is her favorite food. The GTO is her favorite car. Marlene's philosophy of life is, "Accept yourself and don't be a put-on." Marlene comments on C.H.S. "It is a good school and everyone tries."

disappointed when, last year I received my student teaching assignment at Cooper. But it took about a week and a half to realize how much I had missed by attending such a large high school. The kids are so much closer and much more involved than those who attend larger schools. Upon graduation, I wanted to teach but only if I could teach at Cooper because I feel that it is really the best school around!"

## FIVE COOPER H. S. GIRLS TAKE TWIRLING HONORS

Jimmy Tyson is 17 years old, born Aug. 13, 1955. He is the son of Mr. and Mrs. Doyle Tyson of Lubbock. He is a senior and says his hobbies are playing football, running track, and racing cars. Blue is his favorite color. Hamburgers are Jimmy's favorite food. His favorite car is the Corvette. Jimmy states his philosophy of life as, "Live each day as it comes." His comment of C.H.S. is, "It's a great school and I'm glad to be a part of it."

The Lubbock-Cooper Marching Band is proud to recognize their five twirlers for their winning effort in the South Plains Fair competition Saturday. The girls entered a dancetwirl to Moffit's "The Horse," receiving high marks for uniformity, poise, difficulty of routine, and showmanship. The girls attended a twirling camp this summer in Brownwood, then joined the Pirate Band at their private Band Camp for a week at Northwood Institute in Cedar Hills, Texas. At Northwood, the band took Miss Marian Dawson, a Tech twirler, who gave private and group instruction to all twirlers within the band. This is only one of many honors the girls have won since they began twirling this summer.

## FEATURE TEACHER

Feature Teacher for this week is Mrs. Jennifer Kay Cochran. She and her husband, J. K. Cochran, live at 2616 2nd Place. They have no children, but a dog, Twister, and a cat, Tumble. She says that they certainly do fight like cats and dogs. She attended Texas Tech University. She is now teaching second year Home Economics and Home and Family Living. She student-taught at Cooper last year the first semester.

The 1972-73 twirlers for the "Crimson Pride of the Plains" are: Head twirler; Cara East, a senior; Susie Madding and Corlis Wimmer, juniors; Kandy Jones, sophomore; and Debra Haynes, freshman.

## C. V. A. E.

The C. V. A. E. class offered at Cooper this year is being held in the barracks under the supervision of Mr. Dennis. This is a course in the skills of carpentry, held every weekday afternoon from 12:40 till 3:40. It consists of 15 junior high and 16 high school students. The boys built a new ticket office for this year's football season.

## ACTIVITIES

Events scheduled during the coming week at Cooper High include Booster Club at 7 p.m. Sunday, FHA meeting at 7:30 p.m. Monday, Scouts organizational meeting Tuesday, Idalou vs. Cooper in freshman football at 5:30 p.m. Thursday, with 7th and 8th grades to play at Idalou at the same time.

Mrs. Cochran's hobbies are tennis, archery, swimming, skiing, crafts, interior decoration, sewing, designing and home canning. Her favorite foods are beef stroganoff, lasagna, and her grandmother's country breakfast and Sophie's rolls and cobbler. Her philosophy of life is: "This is a good time to be alive, and we can, each one, become what we want to be if we are willing to sacrifice and put out a little effort. Involvement is the key to living, and along with involvement we must develop interest, enthusiasm, and sincerity. By putting out our full effort then we shall reap what we sow."

Her comment on CHS is: "After attending a large high school with 678 in my graduating class, and a large college, I was

## Unbeaten Cooper Wins Over Crosbyton

Bill Ayres

aided by numerous scalped the Crosbyton 35-14 at Crosbyton. Eddie Ward, Pirate recovered a fumble late in the quarter and sprinted for the score. The time when Kevin Jones took a pitch and ran yards only to be hit hard by the ball to squirt into the arms of this put Cooper ahead helped close the door on Crosbyton. The first quarter saw little as both teams butting

heads with very little results. In the second quarter, Cooper defensive lineman George Salas blocked a punt by the Chiefs. Mark Hurst picked up the ball and ran 35 yards for the first score. Ronnie Jones added the extra point and Cooper led 7-0. Crosbyton launched an attack with seconds left in the half. Bill Johnson, Crosbyton half-back, took the ball on an option play and passed 33 yards to Roger Freeman for the score. The kick for the extra point went wide and the half ended with Cooper leading 7-6.

Early in the third quarter, Cooper quarterback Bobby Caudle kept the ball and ran 33 yards to score and Jones kicked to put Cooper ahead 14-6. This lead disappeared when Crosbyton took the kick and marched back down the field in seven plays. This was topped by a 45-yard touchdown run by Johnson. Crosbyton quarterback Buddy Brown passed to Freeman for the two point conversion to tie the game.

This time Cooper took the

kick and marched back down the field in four plays with Caudle running 13 yards for another touchdown. Jones put the ball through for his third extra point kick and Cooper went ahead 21-14. Not too long after that, Ward made his outstanding play and Jones kicked his fourth point to put Cooper way out in front 28-14.

Late in the final quarter, Martin Aleman bolted 45 yards to score and with another Jones kick, Cooper took command at 35-14. Aleman was the leading rusher for Cooper with 150 yards in 20 carries. Mark Hurst, who replaced injured Kevin Jones, followed close behind with 128 yards on 13 carries. Jones was hurt early in the game, but was still able to rush for 84 yards before being hurt. Head coach Pete Hurst said that the injury to Jones could be serious, but it was still too early to tell. It appeared to be a badly sprained ankle.

Cooper is now 4-0 going into conference play starting this Friday against Post. The Antelopes are currently 2-2 for the season after a surprising loss to Idalou last Friday. "Our injuries might tell the story against Post," said Hurst. Cooper has two players out with injuries and has several others who have suffered injuries, but who will still be able to play. The game Friday will be played at Post and according to Hurst, Post is going to be a tough team to beat.

## BAND MARCHES IN PARADE

Monday, Sept. 25, the Cooper Pirate Band marched and became the unexpected host of the South Plains Fair Parade of Bands. The Band put on a great performance in front of the judges and crowd only to later find out that their show was not even judged. The Cooper Band was to compete with 12 other bands in Class AA, but the judges looked at the Lubbock Cooper name and thought that we were also one of the Lubbock hosts, which were not to be judged. So because of the new name Lubbock Cooper the band was considered as a host. All in all the band had a great time, because no classes were attended the whole day; also the members had annual pictures made at Jones Stadium.

VICTORY FLAG

A proud tradition has been started at Cooper Pirateland. After each winning battle with an opposing team, the Pirates raise a "Victory Flag." The flag is white with red and black out-line and hugh "V" in the center with a Pirate near the top corner. The flag was made especially for the Pirates by Mrs. McWhirter, the home-making teacher.

## COACH HONORED

Coach Dick Hughtett was born on Sept. 28 in Roanoke, Va. and attended Jefferson High School. Coach Hughtett also served four years in Military Service, then attended college at Hardin-Simmons University from 1960-63.

Hughtett's coaching experience covers eight years, three at Tulla, two at Lubbock High, and the last three at Cooper High School.

The Hughtett family consists of the Coach's wife, Jo, his daughters Vicki, 12, who is in the seventh grade, and Karyn, 6, who is in the first grade. They both attend school at Cooper. Coach also has a son, Brett, who is eight months.

Coach Hughtett is the offensive backs, and defensive linebacker coach. He is also the head basketball coach.

# FOOTBALL CONTEST

It's so easy. You don't have to be a football expert in order to win. Just select the winners on the handy official blank printed below. No scores. Just check the teams you think will win.

## RULES OF THE GAME:

- ★ Teams playing in this week's contest games are listed in ads and numbered 1 through 48. Use the entry form at the bottom of the page and circle the numbers of the teams you think will win. To pick a tie, circle both numbers of the teams playing.
- ★ Be sure to guess total score on the "tie-breaker" game. In case of ties, the entrant nearer to that total score will be the winner. If tie also occurs on total score, prize money will be split between place winners. This also applies to "jackpot" winner.
- ★ Have your entry blank signed or stamped by a participating merchant, and get it to The Slatonite office by 5 p.m. Friday before the games are played. Only two entries for each person; all persons 12 or older eligible except Slatonite employees and their families. Each entrant eligible for one prize.

ABSOLUTELY NOTHING TO BUY!

**\$25** JACKPOT FOR PERFECT ENTRY

**\$10** 1st PRIZE  
**\$5** 2nd PRIZE  
**\$2** 3rd PRIZE
