CANDY, TURKEYS TO BE GIVEN AWAY

Santa Claus To Arrive In Slaton On Dec. 8

With Christmas lights going up around town and with the first snow of the season adding to the Yuletide atmosphere Wednesday, Slaton area merchants and citizens this week began to get into the full swing of Christmas activities.

Santa Claus will arrive at the Slaton Chamber of Commerce office at 4:30 p.m. Friday, Dec. 8, when youngsters are invited to show up, talk with Santa, and get some of the free candy he'll be passing out to the small fry.

There'll be plenty of reasons for adults to be on hand, too, each Friday afternoon--32 reasons each time, in fact, as the merchants of the city again will give away 96 turkeys during the season. Each Friday there will be drawings for 32 turkeys for the grown-ups.

The turkeys will be given to those who register for the free turkeys at one of the participating firms in the city. Registration starts this Friday, Dec. 1, so citizens are urged to check local businesses to see if they are participating in the activity.

A complete list of participating firms will be carried in a full page advertisement in the Slatonite next Thursday, the day before the first drawing.

The free candy for the kids and the three-week turkey giveaway are sponsored by the retail trades committee of the chamber.

Citizens should register each week for a chance at a free turkey. Participants in the turkey drawing must be 16 years of age or older in order to register. There is no obligation, and nothing to buy at any of the stores in order to sign up. Winners do not have to be present at the drawing to win. Some stores are providing two turkeys each week and others one a week, but there will be 96 given away. Winners will get a certificate at the chamber office and will go pick up their turkeys.

Next week's edition of the Slatonite not only will list all the participants in the gobble giveaway, but many of those merchants taking part will present individual advertisements of special Christmas gift bargains.

Members of the Women's Division of the Chamber this week fashioned new Christmas wreaths which have been installed on poles around town. It is the first time for pole lighting here, and Southwestern Public Service Co. was to get electricity to the lights so they can be turned on this week, adding to the holiday atmosphere.

DECORATIONS UP-- City workers installed pole decorations made by members of the Women's Division of the Chamber of Commerce this week. And Wednesday the city workers were building a big Christmas tree on the west side of the square, another project of the women's group. (SLATONITE PHOTO)

Bale Count Goes Up To 13,265

Despite some bad weather--which returned again Wednesday--there were enough dry days in the last week to send the Slaton area's cotton bale count soaring to 13,265 bales, an increase of 6,256 bales over the previous count about 12 days ago.

Heavy snow came Wednesday and stopped all outdoor operations other than shoveling, but farmers were hopeful for clearing weather to follow. The cotton harvesting operations came after a week of virtual inactivity in the fields, but there still were lots of bales ginned.

A check of 12 area gins gave these totals as of Wednesday:

Slaton Co-Op, 4400; Acuff Co-Op, 2520; McClung Co-Op, 2070; Union Co-Op, 935; Posey Gin, 813; Farmers Gin, 700; Basinger Gin, 411; Hackberry Co-Op, 606; Wilson Co-Op, 500; Wayside Gin, 241; Gatzki Gin, 30; and Gordon Gin, 30.

This brought the total classed this season to 133,000. Through Nov. 24 last year only 48,000 samples of the 1971 crop had been classed.

Low Middling (51) was the predominant grade at Lubbock last week making up 33 percent of all cotton classed. Strict Low Middling (41) made up 26 percent, Strict Low Middling Light Spotted (42) 14 percent and Strict Low Middling Spotted

Talk On Drugs Scheduled Here

Hugh Rhoads, athletic director and track coach of Lubbock Christian College, will speak on drug abuse in a special program Thursday night at Slaton High School auditorium.

The program, sponsored by the Veterans of Foreign Wars Auxiliary, will begin at 7:30 p.m. There is no admission charge, and the public is invited to attend.

Mrs. Leona Lamb, president of the sponsoring organization, said "I hope both teen-agers and parents will take advantage of this unusual opportunity to hear a qualified speaker on such a timely topic."

ONE DIED--About 100 feet below the roadway from where this accident occurred is the body of Mrs. Hilda Ruth Scott Ware, 43, of Lubbock. Her body was found in her auto Monday afternoon. Her car made the plunge off FM 835 near Buffalo Lakes.

One-Car Accident At Buffalo Kills Lubbock Woman

The body of Mrs. Hilda Ruth Scott Ware, 43, of Lubbock, was discovered Monday afternoon in her automobile at the bottom of a 100 foot ravine off of Farm Road 835 about five miles southeast of Lubbock. The car was barely visible from the roadway. The accident occurred a mile south of the entrance to Buffalo Lakes and was due east of the Southwestern Public Service's Clifford B. Jones power station.

Justice of the Peace Arvin Stafford of Slaton pronounced her dead at the scene about 3:45 Monday and ordered an autopsy.

Jim Dulin of Slaton, Department of Public Safety officer, said Mrs. Ware's late-model northbound automobile left the road at a sharp right, downhill bend. The vehicle went straight ahead, hitting a reflector post, continuing 100 feet over rough ground and then flying over a cliff to the canyon floor.

Services for Mrs. Ware will be held at 10:30 today (Thursday) in Sanders Memorial Chapel with burial in Peaceful Gardens Memorial Cemetery.

She had resided in Lubbock for seven years, coming to Lubbock from Childress. She was a member of Butler Heights Baptist Church. Survivors include a son, Mickey Scott of Lubbock; three daughters, Marcia Scott, Mrs. Cindy Nunnally and Kristi Scott, all of Lubbock; her parents, Mr. and Mrs. Bruce Atkinson of Childress; and two sisters, Mrs. Pat Rutledge of Canyon and Mrs. Jean Velloni of Wilmington, Calif.

Slaton Will Host Basketball

Slaton's varsity boys won their first game of the season

Monday night as the girls team stretched their winning record to 7-2 in games against Petersburg. The Tigers of Coach Kenneth Housden now are 1-2 for the year.

Slaton will be host to the annual invitational basketball tournament starting this morning, with eight girls teams and eight boys teams competing for the trophies.

In the girls bracket are teams

from Slaton, Littlefield, Tahoka, Abernathy, Post, Falls, Roosevelt and Crosbyton. In the boys bracket are Slaton varsity, the Slaton junior varsity, Littlefield, Bledsoe, Post, Muleshoe, Roosevelt and Crosbyton.

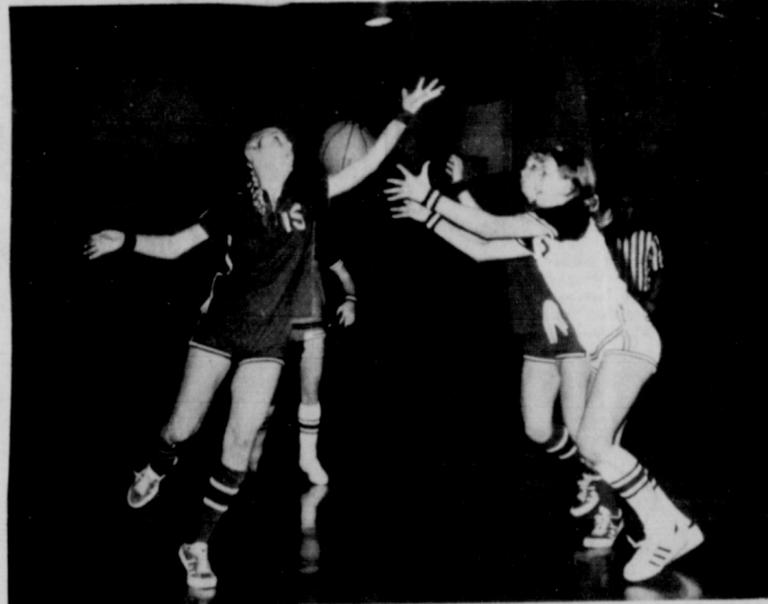

Play begins with a game between Roosevelt and Crosbyton girls at 10 a.m. today, followed by Slaton's JV boys against the Crosbyton boys at 11:30 a.m. Tahoka plays Abernathy girls at 1 p.m., Littlefield and Bledsoe boys tangle at 2:30; Post and Falls girls at 4; Post and Muleshoe boys at 5:30; Slaton and Littlefield girls at 7; and Slaton and Roosevelt boys at 8:30. Finals in the girls division will be at 7 p.m. Saturday, with finals in the boys bracket at 8:30 p.m. Saturday.

Coach Gay Benson's Tigerettes tumbled to Klondike 60-51 last Tuesday as Debra Bradford scored 41 points and E. Keune 17 for the winners. Gretta Stricklin scored 20, Karla Kitten 17 and Jan Davis 10 for Slaton. On Saturday the Slaton girls whopped Abernathy 89-54 as Davis hit 26 points and Stricklin 14, with Doris Meurer getting 21. Allen scored 17, Shipman 15 and L. Riley 14 for Abernathy.

The Petersburg score was 70-45 in Slaton's favor, as Davis notched 25 points, Stricklin 22 and Vivian Conwright 18. Janice Hall scored 21 points for the Powderhuffs.

Housden's crew opened the season against Lough Andrews last Tuesday night and fell 68-27 with no players in double figures. Ronny Penson of Andrews had 19.

The Tigers improved against Abernathy, but lost 82-73 Saturday. (See BASKETBALL, Page 9)

Dedication of New Church Scheduled Dec. 10

Dedication of two new buildings for Our Lady of Guadalupe Parish will be getting underway this week, with formal dedication scheduled for 3:30 p.m. Sunday, Dec. 10.

Rev. Emilio E. Abeyta, pastor of the church, said everyone is invited to participate in the various activities during these days of celebration "of a dream come true, and days of thanksgiving to God for all people who are willing to pay the price to make dreams come true."

A week-long mission with services each night at 7:30 will start Friday and continue through Dec. 8. The mission is for all. Rev. Abeyta said, including programs for adults, youth and school age youngsters. The themes to be presented each night will include the history of the church,

history of church buildings, history of the mass, story of Our Lady of Guadalupe and her apparitions in Mexico, stories of the parish, parishioners and the pastor.

Terminating the week's mission and setting the mood for the blessing the following day will be the presentation of the famous Ballet Folklorico on Saturday, Dec. 9, 7:30 at Slaton High School Auditorium. Ballet Folklorico is a full length program with brief commentary featuring typical regional dances of Mexico with dancers dressed in full costumes depicting the areas and culture of Mexico. Prices for the educational, entertaining and cultural presentations will be \$2.00 for adults and 75¢ for students.

The presentation will be by a tour group from Victoria, Tl. Ballet folklorico "cuculeco" is

an Indian word meaning "place of song and dance."

Everyone is invited to participate in these week long activities and especially in the mass of dedication on Sun, Dec. 10 at 3:30 p.m. Mass will be

followed by a reception at the parish hall and a celebration dance that night with the music of Pete Morales y su Conjunto Orchestral.

At present, the parish of O. L. G. is served by Fr. Abeyta as pastor and four missionary Catechists, Sr. Mary Jane Martinez, Sr. Pilar Martinez, Sr. Maria de Jesus, and Sr. Leonor Santillana.

The contractors, Plains Steel of Lubbock, and parishioners are busy putting on the finishing touches on the two new buildings. The parishioners are doing much of the work and they have been having "work parties" each evening and on weekends.

The new Parish Church is located at 650 S. 4th just north of the present Church and the new Rectory is located at 715 S. 4th across the street from the

present pastor's residence.

At the dedication set for Sunday, Dec. 10, at 3:30 p.m. Bishop Lawrence DeFallo of Amarillo will be presiding, escorted by the 4th degree Knights of Columbus of the Slaton Council and accompanied by parishioners and friends and benefactors of Our Lady of Guadalupe.

Various groups representative of the parish and its friends and benefactors will make special presentations during the offertory of the mass, offering the united efforts of all who have made their new building possible. Everyone will join in the songs of celebration and thanksgiving and together will dedicate this new "House of the people of God," dedicated to the service of God and the service of

VFW Auxiliary News Report

The Ladies Auxiliary to the Veterans of Foreign Wars 6721 met in regular session Monday night at 7:30. President Leona Lamb called the meeting to order. Prayer was led by Lorraine Merriman. Dorothy Jones led the group in the pledge.

Minutes of the previous meeting were read by Dortha Fay Harris.

One new member, Mrs. Hazel Hodges, was accepted by the Auxiliary.

Tickets are now being sold for \$1 each on a hand crocheted afghan. Persons interested may contact Bobbie Phillips. This is a fund-raising project for community service.

The Auxiliary will take gifts to the Rest Home for the 60 patients. A donation was given to the Girl Scouts of Slaton.

Two Auxiliary members are patients in Mercy Hospital. They are Jo Evelyn Lamb and Elizabeth Klaus.

No meetings of the Auxiliary will be held in December. Next regular meeting is set for Jan. 15 in the Post home at 7:30 p.m.

Following the meeting a bar-becue supper was enjoyed by the Post and Auxiliary.

A dance will be held at the VFW Post home Saturday, Dec. 2, at 8:30 p.m. Music will be provided by a western band from Lubbock. The public is welcome.

The Auxiliary is sponsoring the program on "drugs" at the high school auditorium tonight (Thursday) at 7:30. Speaker will be Hugh Rhoads of Lubbock Christian College.

Other guests were Mr. and Mrs. Bill Burton and family of Lubbock, and Elvin Mosser of Alcohome, Calif. Mrs. Mosser, her son and Elvin and daughter, Mrs. Gaither went to Lindsey and Gainesville Saturday to visit.

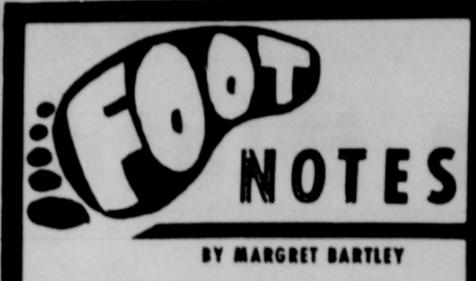

NATRELL TOOKE

Couple To Wed December 23

Mr. and Mrs. Billy W. Tooke announce the engagement and approaching marriage of their daughter, Natrell, to Larry Brown, son of Mrs. Clifton Hensley of Lubbock.

The bride-elect is a student at Cooper High School. Brown attended Cooper Schools and is presently stationed at Fort Ord, Calif. in the U. S. Army.

Wedding plans have been made for Dec. 23 in the Woodrow Baptist Church.

Before you get in the Christmas rush, why not lift your spirits by changing something at home? A new center of interest, a change in furniture arrangement, (you may have to do this anyway when time comes for the tree) or even fresh curtains can do the trick.

Take some books off the shelf and put up some pretty trinkets that you have up in the top cabinet, "saving". Play like you're moving. Right now, before Christmas, is a good time to clean out, throw away, or rearrange things. For the kids room, the toy box is a good place to start. Santa may not have a place to leave his bounty for all the broken trucks, dolls, etc.

At my house, a toy box cleaning usually results in the recovery of a couple of lost shoes, at least a half dozen socks, some kitchen spoons, a hair brush, some bad math papers and a lost library book.

Closet cleaning is a good idea too. You're going to have to find hiding places for all the "goodies". And you might find some goodies you hid and forgot last year, who knows!

A friend told me that she always hides her daughters gifts in the broom closet. You'd probably have to look pretty hard to find a 13 year old who would volunteer to use the mop and broom. For my daughter, I could hide packages under her bed and she'd never know it. Things that slip behind or get pushed under are lost forever to her. She sees absolutely NO use in cleaning under there because "nobody can see it anyway".

If you've not had a flat tire in over a year, you're sure to have one with all the kids along as soon as you store packages in the car trunk. If you leave things at the store on lay-away until the last possible moment, that will put them off a bit, but I wonder if anyone has ever found a really safe hiding place for gifts around the house.

By the time kids can walk they find them and by the time they can talk, they tell! Many a Grampa's surprise was shot because the little ones have so much fun telling a secret. Here's one I've heard work several times: "I bet you don't know what we got you!" Oh, yes I do, it's a shirt. "NO IT'S NOT, ITS HOUSESHOES!" But that's part of the fun, isn't it?

Remember, Santa Clause will be at the Chamber of Commerce each Friday afternoon at 4:30, starting next week and throughout the holidays. Drawings will be held at that time for 32 free turkeys to be given away each week, and children may have a little private talk with Santa.

HAPPY DAYS! mb

Patty Ferguson

December 1 Wedding Plans Made By Couple

Mrs. Mable Wooten of Paris announces the approaching marriage of her daughter, Patty Ferguson to James Coffield, son of Mr. and Mrs. Ted Coffield of Slaton.

The couple plans to marry Dec. 1 in Lubbock. Both attended Slaton schools, and Miss Ferguson is employed by Postex Mills in Post. Coffield served in the U. S. Navy, and is employed by G. & H. Castings in Slaton.

A bridal shower honored Miss Ferguson Tuesday in the home of Mrs. Peggy Edwards. Hostesses were Mrs. John Ferguson, Joe Loke, Edwards, Glen Harper, Delbert McCleskey, John Bain and Charlotte Moore. Hostess gift included cookware and swag lamps.

Fourth Grade Scouts To Have Investiture Ceremony

Troop 341 Junior Girl Scouts will have an investiture and re-dedication ceremony tonight (Thursday) at 7:30 p.m. when scouts and scouts of the troop will gather for a formal ceremony.

The nineteen member troop will serve refreshments to guests and receive their formal induction to Girl Scouting.

The troop leader, Mrs. Margaret Bartley, received an American flag for the troop from the American Legion Luther Powers Post 438 Saturday evening. Commander Delmar Tucker presented the flag, along with flags for three other Girl Scout Troops, as a part of their Americanization Program.

Symbolic Ostrich Eggs?
Ephraim Christians consider ostrich eggs symbolic of both the Resurrection and the Virgin birth. It was once thought that the ostrich left its eggs in the sand to be hatched by the sun - representing the Creator.

Guests for the holiday weekend at the BILL CHRIS MANS were their son and daughter-in-law, MR. and MRS. JIM CHRISMAN, from Garland. THE WAYNE KEENEYS had their son-in-law and daughter home from Canyon for Thanksgiving day. MR. and MRS. STANLEY EBELING arrived on Wednesday night and left early Friday.

At my house for Thanksgiving was DEBBIE GAYLE KING, home from ASU.

The Christmas Storytime Hour will be held at the Slaton Branch Library, Saturday Dec. 2, from 10-11 a.m. A large Christmas tree has been decorated and provided by the Friends of the Library, for the enjoyment of patrons. Special Christmas stories, games, records and film-strips will be shown during the program, with Mrs. R. C. Hall Jr. chairman, in charge, with Friends as helpers.

Sixty boys and girls were in attendance for the Christmas Storytime hour, last year, according to Polly Melugin, local librarian. Children of all ages are invited, for this Saturday morning Storytime Hour.

The Lubbock Avalanche Journal and Slatonite are available for patrons to read in the local Library, as well as magazines, such as: Vogue, Seventeen, Life, Newsweek, Time, National Geographic, Readers Digest, American Girl, Boy's Life, U. S. News, and others.

Record albums for children and adults may be circulated from the library.

Library hours are 11:30 - 6 p.m. weekdays, 9 a.m. - 4:30 p.m. Saturdays, with bookdrop located at rear on west wall of library.

Two Are Promoted At Smith Ford

Bill Smith, chairman of the board of Smith Ford, Inc., a metropolitan Lubbock Ford-Mercury dealership located in Slaton, has announced the promotion of two of the firm's officials.

Steve Smith of Slaton has been named president of the corporation, and J. P. Watt, Lubbock, will serve as vice-president.

Smith, with the firm full-time since 1965, worked for Smith Ford during high school and later worked for a Ford dealership in Amarillo.

He holds a Bachelor of Business Administration degree from West Texas State University, Canyon, and has completed management courses covering all phases of dealership operation at the Ford Marketing Institute in Dallas.

Steve Smith is past president of Slaton Lions Club and is a director of the Slaton Chamber of Commerce and BCD. He has

served as president of the South Plains Ford Dealers Association. He is an area director for the TADA. Smith also is a director and officer of the official board of the First United Methodist Church in Slaton.

He and his wife, Kaye, have two daughters, Annette, 9, and Susan, 6.

Watt was, for 20 years, with what was at the time, Lubbock's oldest automobile dealership, Lubbock Auto Company. He has been with Smith Ford, Inc. five and one-half years.

He studied at George Washington University in Washington, D.C. and is a graduate of Texas Tech, where he earned a B. B. A.

Watt and his wife, Jane, live at 2316 57th in Lubbock and are parents of two married sons.

Tommy and Steve, who also live in Lubbock.

**PRAISE
 THE
 LORD**
 By
 LENDA
 WOOD

Jesus Christ is real. He walks right out of the pages of the Bible and into our hearts as we invite Him in. After He comes into our hearts we might even read the Bible as enthusiastically (and go and tell others we have found Jesus) as the woman at the well who realized who He really was and ran into town declaring, "Come and meet a man who told me everything I ever did! Can this be the Messiah?" (John 4:28-30)

Along our walk with Christ, sometimes it's necessary for Him to tell us about some things we've been doing wrong. As He did the woman at the well when He began asking about her personal life, about her husbands, etc. When we have a face to face encounter with Jesus, we realize He knows every detail of our life. During these encounters, all other persons involved in our lives seem to drop out of the picture, and there we are all alone standing face to face with Jesus. It doesn't even matter regarding how others may have wronged us. We can't even use the excuse, "Well, if so and so would do better, and treat me better, then I could do better."

Slaton FFA News

The Bible tells us that He chastises those whom He loves (Heb. 12), and corrects us when we're wrong. This proves that He loves us. As a parent, don't we punish and correct our little children when they do wrong? For example, if a 4-year-old child takes his dump truck and bangs it over the head of his play mate, isn't it right for a parent to punish him? If not, he would grow up in such a way that no one would be able to round him.

In our experiences it's necessary for our Heavenly Father to correct us, no matter what age we are, nor how long we've been in His family. He wants us to bear fruit as His children. The Bible tells about how trees are pruned so they will bear more fruit. This pruning hurts, don't you think?

We're either for Jesus or against Him -- there's no in-between. If we're trying to ride the fence, that's described in the Bible as being luke warm, and Jesus will "spew" us out of His mouth!

In Luke 13, Jesus used this illustration: "A man planted a fig tree in his garden and came again and again to see if he could find any fruit on it, but he was always disappointed. Finally he told his gardener to cut it down. 'I've waited three years and there hasn't been a

single fig!' he said, 'Why bother with it any longer? It's taking up space we can use for something else.'

"Give it one more chance," the gardener answered, 'Leave it another year, and I'll give it special attention and plenty of fertilizer. If we get figs next year, fine; if not, I'll cut it down.'

This 'special attention' in our lives is hearing the Word over and over. We know what we ought to be doing for Jesus. We know we ought to be reading the Bible every day. We know we ought to spend much time in prayer. We know we ought to be sharing Jesus with others. But we let the cares of this world crowd it out. Or for fear of "what people might think" we hesitate to act and bear fruit. Are you bearing fruit for Jesus, or are you just taking up space? Looking good, like a shade tree, but not ever putting forth fruit! Christians are fruit trees, not shade trees. Hebrews 12:2 says, "Keep your eyes on Jesus." He is the only way to victorious and fruitful living.

Slaton FFA officers and delegates attended the Lubbock District FFA banquet at Leveland Tuesday, Nov. 14. Susan Hopper, Slaton chapter sweetheart, was runner-up in the District FFA Sweetheart Contest. She competed with girls from 19 different schools in the Lubbock District. David Gossett, Slaton chapter president and district sentinel, was awarded a scholarship to South Plains Junior College at Leveland at the banquet. He received this scholarship for his livestock judging ability. David has been a member of the livestock judging team for two years, and this team placed seventh in the state last year. Joel Ham, Jerry Hopper and Clay Mitchell were the voting delegates at the district meeting.

By now most Texans have fired up their heating systems -- at least for short periods of time -- with the arrival of the season's first northers. And if members of your household came down with unexplained headaches, dizziness or nausea after the heaters were lit, carbon monoxide could be the reason. All furnaces should undergo periodic checks to make certain they are safe.

COTTON TALKS

FROM PLAINS COTTON GROWERS, INC.

As discussions of a cotton program for 1974 begin to proliferate on the High Plains and across the belt, two things dominate conversation. First, growers prefer an extension of the present direct payment, set-aside program to any alternative yet preferred--provided it can be continued with a payment rate and a payment limitation high enough to make it a workable program. On this proviso there is full recognition of the difficulties involved with an urban-minded Congress. But there is no inclination to abandon the at-

tempt. The Administration continues to profess its support for the set-aside approach, and literally no one believes a farm program can be passed without Administration support. Second, there is an increasing realization in the industry, especially in the producer segment, that the current inventory management system is working poorly and will continue to work poorly until revised or replaced. And it is thought this will hold true whether the new program follows the set-aside approach or veers in some other direction.

Under the present system when cotton production exceeds annual domestic and export demand the excess is acquired and controlled by Commodity Credit Corporation, an agency of the Federal Government.

"This leaves inventory management policies subject to political pressures that often take precedence over economic reality," says Donald Johnson, Executive Vice President of Plains Cotton Growers, Inc., "and so long as this is the case there is no reason to believe that a slight oversupply, or even an adequate supply, will not exert an unwarranted amount of downward pressure on producer prices in the future as it has in the past."

Johnson pointed to events of the past 17 months as evidence that the present system is not working for the benefit of the industry. During this period there has been only about a 10 percent change in the cotton supply situation, he noted, and that small change has resulted in a 58 percent increase and a 30 percent decrease in prices.

Recently an editorial in a national farm magazine stated "To make a profit in any business under our private enterprise system, you must manage the supply." And it went on to say "Eventually growers of a commodity must manage its supply if it is to be managed."

More and more cotton producers are recognizing the truth of these thoughts, and a greater-than-ever-before effort will be made in 1973 to discover some mechanism whereby the

Micronaire readings are an indication of fiber fineness or maturity. Cotton with micronaire readings of 3.5 through 4.9 is considered in the premium range. Fifty-seven percent of all cotton classed at Lubbock last week had micronaire readings in the premium range of 3.5 through 4.9, 1 percent was in the high micronaire range of 5.0 - 5.2, 15 percent "miked" 3.3 through 3.4, 20 percent was 3.0 through 3.2, 6 percent 2.7 through 2.9 and 1 percent was 2.6 and below.

The Agricultural Marketing Service of the USDA reported increased trading on the Lubbock market as more cotton became available and prices were \$10.00 to \$15.00 per bale higher.

Average prices paid for the most predominant qualities in the 3.5 to 4.9 premium micronaire range were: Strict Low Middling (41) staple 31-24.05 cents per pound, Strict Low Middling (41) staple 32-25.25, Strict Low Middling (41) staple 33 - 26.65, Low Middling (51) staple 31 - 22.00, Low Middling (51) staple 32 - 22.95 and Low Middling (51) staple 33 - 23.85.

Cottonseed prices were slightly higher and farmers received \$45 to \$52 per ton for their cottonseed at gins. Average price was \$48.10 per ton.

management of cotton inventories can be moved from government hands to the hands of an entity designed to accomplish industry objectives.

The two principal objectives, both of which are urgent and neither of which can be achieved without the other, are (1) greater and more consistent returns for growers from the marketplace and (2) continuously adequate and balanced supplies of cotton fiber for mill customers.

A number of suggestions for a means to producer or industry control of cotton inventories are being explored. Unfortunately none, to date, appears to be the ultimate answer.

But there is full recognition of the need, and that in itself is encouraging.

Accent on Health

"Reclamation" is a word long used in discussion of nature's resources, but an environmental conservation term of the present is "recycling".

When it comes to the solid waste problem in Texas--and there is a big one--recycling comes to the fore as being the way of conserving once-used products by making them into new products.

In this way, it's possible that your old car could come back as your new refrigerator. Aside from providing an economic value to your refuse, recycling can cut down on the one-way flow of materials from the assembly line to the consumer to the junk heap.

It could also help alleviate the collection and disposal problem for governments and citizens of our country, and health hazards produced by the very nature of the refuse.

In Texas alone, approximately five pounds of solid waste are produced daily by each person. More than \$55 million are spent annually by communities for the collection and disposal of domestic solid waste, not including industrial and agricultural wastes.

Look at the solid waste problem this way: In Texas there are approximately 900 organized land disposal sites for municipal refuse which occupy 40 square miles of land. In addition, it is estimated that there are more than 1,000 promiscuous dump grounds.

Some of these disposal sites meet State Health Department operational requirements, but many are deficient in meeting minimal health standards.

Here's another view of solid waste: As many as 20 million junk and abandoned automobiles are estimated to be lying around the United States--and some seven million cross the line from transportation to junk each year. It is estimated that more than 200 million tires are discarded each year.

Had a soft drink recently? More than forty-eight billion cans and 26 billion bottles are produced annually in this country--most of them throw-aways.

Yet, in all of these discarded items there are reusable materials. Most constituents of solid waste--steel, aluminum, glass, rubber, paper--if separated and cleaned could be used almost as easily as virgin materials. And at great savings to our natural resources.

At present, some of the most successful recycling is in the areas of paper and metal, lessening the annual consumption of raw materials.

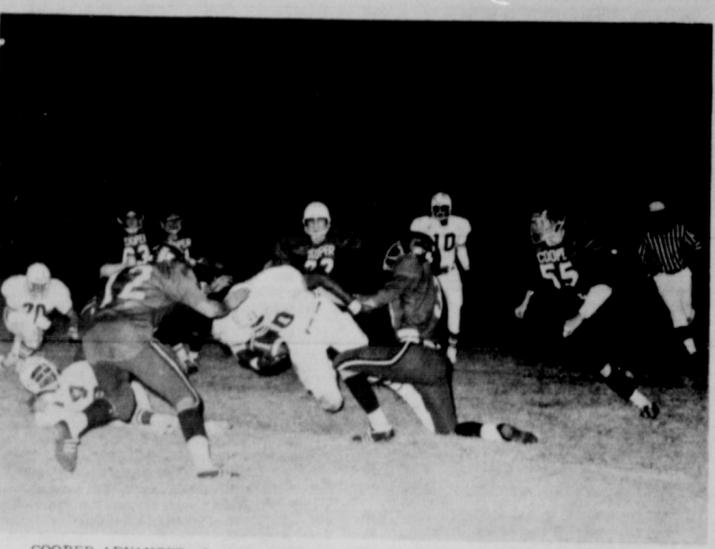

Basically, there are three commonly accepted methods of waste disposal: sanitary landfilling, incineration and composting. In Texas, there are fewer than 20 incinerators and composting plants. All other waste disposal is by landfill.

Incineration involves the reduction of the volume of solid wastes in a controlled burning process, with precautions taken against air, land and water pollution.

The most practical form of solid waste disposal in Texas has been the sanitary landfill. In a properly operated sanitary landfill, refuse is disposed of by burial, often on land which can be filled and reclaimed for some use such as a park or golf course. The wastes are systematically dumped, compacted and then covered daily by a thin layer of dirt.

In this manner, the landfill is kept free of health hazards.

But proponents of recycling argue that we are spending literally millions of dollars to

people, Fr. Abeyta said.

A special plaque will be placed in the church in memory of Fr. John Dillon in whose memory a generous grant was given to the parish through the Catholic Church Extension Society of Chicago.

Another plaque in the church will give special recognition to all those parishioners and friends who have made special contributions of \$100 or more to the building fund during the period between groundbreaking (July, 1972) and Dec. 31 of this year.

The new Our Lady of Guadalupe Church building is of rather simple design, basically steel structure, trimmed with brick on the exterior and trimmed with paneling, colored plexi-class and modern banners in the interior. The new building is suitable for the new liturgical celebrations of the Catholic Church, bringing the people closer together and closer to the altar and pulpit.

Plans are being made for an open house later on in the year. Plans are also being made for the removal, either to be moved or salvaged, of the old church building and rectory presently located at 700 block and 4th st. and that area will be prepared and used as parking area in the near future. Anyone having some use for the large former church building and rectory and is interested in making an offer may do so by calling 828-3588.

New School Financing Proposal To Be Aired

AUSTIN--A total revision of the finance system for Texas public schools will be reviewed by the State Board of Education at a special meeting Dec. 9. The plan, which would hand to the state over a six-year period the entire cost of the basic public school program, was submitted by a board public school finance committee Nov. 11.

A three-judge federal court last December in San Antonio held unconstitutional the present school finance formulas which are based heavily on local property taxes. The decision, now on appeal to the U. S. Supreme Court, concluded the system provides educational advantage for pupils in rich districts over those in poor districts.

Under the five-member finance panel's recommendations, the state would assume the "comprehensive foundation school program" cost completely from state taxes by 1978-1979. Local share of the current foundation school program is about 20 per cent.

Local taxes after 1978-1979 would be relied on only for building and equipping schools and for "enrichment" (expansion beyond the state standard) of individual school programs.

Increases already approved in the foundation school program will cost \$464 million during the next six years. The committee-proposed improvements are estimated to cost \$400 million by 1978-1979.

"Enactment and implementation of the comprehensive foundation school program will require some of the most far-reaching public policy decisions ever made in Texas," said State Board of Education Chair-

man Ben Howell of El Paso. Committee members made clear they stand back of the recommendations regardless of the Supreme Court's ruling in the finance case.

played at Roosevelt while the boys played at Friendship. Captain was Larry Washington. The seventh grade girls came up with a great victory of 39 to 8.

Patti Park was the captain of the game. The boys were defeated 37 to 10.

The eighth grade girls lost after playing a very close game 25 to 24. The captain was Connie Jordan. Coming home with a win of 34 to 18 were the eighth grade boys. Greg Byers was captain. Playing a good game the freshmen boys lost 40-34. Captain of the game was Tommy Pearce. The fish girls played a nerve racking game and came out on top 45-33. Captains were Kay Harrison and Sandra Patschke.

SLUMBER PARTY

Patti Park was honored on her 12th birthday with a slumber party Friday night Nov. 24 at the home of her parents, Mr. and Mrs. Bob Park. Those present and enjoyed the birthday cake were: Marty Harrison, Cindy Thompson, Donna Jordan, Donna Jones, Nancy Adams, Rhonda Killian and Jerri Parchman.

Slick Roadway Causes Mishaps

Wednesday's snowfall brought only a couple of minor accidents, with no reports of who was involved on file by prestime, but five accidents were reported over a two-hour period a week ago Monday when icy rain caused slick streets.

On that day, the 20th, all five cars hit slick places on U. S. 84 bypass and then struck the guard rail. Total damage to all five vehicles and guard rails was estimated at \$1,773.

Drivers of the cars were Gilbert Manuel Flores, 555 S. 4th St.; Susan Gail Green, 515 W. Lynn; Gloria Biera Valdez, 1225 S. 13th; K. C. King, 970 S. Johnson; and Charles William Behlen, Slaton.

A 13-year-old runaway from home in Decatur, Ill., was taken into custody by police here Tuesday. His parents were to come after him.

Plan Dropped For Merging

AMARILLO -- Officials of Pioneer Natural Gas Company of Amarillo and Houston Natural Gas Corporation of Houston announced today that discussions on a proposed merger have been terminated.

On Oct. 18, 1972, the companies had announced an agreement in principle to a merger with the proposed terms being an exchange of one share of Houston Natural Gas common stock for 2.25 shares of Pioneer Natural Gas common stock, subject to the approval of the Board of Directors and stockholders of both companies and other conditions.

No reasons were given for the termination of the negotiations.

Who Pays For Shoplifting?

Shoplifting--or "rip off," as it's termed by some recently--costs each family about \$30 every year and totals some \$8 million each day, but the shoplifter himself.

According to Mrs. Jana Cobb, county Extension agent, this crime won't pay a cent out of business, but it may cheat the shoplifter out of a future.

"A person with a shoplifting 'record' frequently will have trouble getting a license or the public trust--even that of a bonded stock boy."

A person with a "record" has trouble getting loans to buy things like a car or other major purchases. These people often become victims of unscrupulous College scholarships may be denied--one boy was refused military academy because he stole three cases of soda pop.

"If someone is convicted of shoplifting goods worth \$50 or more, the law committed a felony. Thefts of \$50 or less are misdemeanors--subject to lesser jobs which a convicted felon will have difficulty getting are many--some operator, school teacher, real estate salesman or barber.

Also insurance agent, architect, certified public accountant, optometrist or taker. "A broad range of occupations are closed to people with criminal records include police officer, stock broker, lawyer, security guard, fireman, private investigator and civil servant, such as postal employee."

"Convicted felons will be severely limited for a long time in attempts at employment from state, local or federal governmental agencies."

It's impossible for a convicted felon to get into the National Guard and some of military service.

The agent urged those tempted with the crime to compare the value of his or her future.

Meanwhile these three remain: faith, hope, and love; and the greatest of these is love.

When death touches a person whom we love, we lack words to express our sadness. It is also difficult to express our faith that death is not the end. As I tried to write a letter of comfort, these words of scripture came to me: "Faith, hope, love abide."

Death does not end the love we have for the person who has a fuller experience with God. In fact, we can be comforted, if our love which is imperfect can last beyond the grave, surely God's love will be with us, and beyond we love, before and after death.

God knows and loves the person who died. And He knows and understands our grief, our loneliness, even our anger or bewilderment.

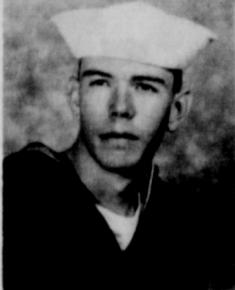

We must live in the faith that Christ is with us to comfort us, to strengthen us, and to guide us through all of life. Our hope lies in Jesus Christ, who triumphed over death and promises us abundant life now and always.

PRAYER: Dear Jesus, who came to bring us life here and beyond, we thank You that love never ends. Help us to live that we can see death as entering more fully into Your love. Thank You for the fullness of life we can know right now. Amen.

CURTIS HOGUE

"I'll be home for Christmas" was the happy news received this week by the H. S. Hogue family from their son, Curtis, who has been on active duty aboard the USS Kitty Hawk for the past ten months. He recently received a promotion to second class Petty officer.

Hogue was expected to arrive in San Diego yesterday. Ron Hogue spent a week recently with his parents, the H. S. Hagues. He has been living in California for seven years where he is a high school teacher. He will be returning to Slaton for Christmas with the family, including grandmother, Mrs. Vera Johnson.

Thirty Accidents Are Reported

The Texas Highway Patrol investigated 30 accidents on rural highways in Lubbock County during the month of October, according to Sergeant O. C. Guthrie, Highway Patrol supervisor of this area.

These crashes resulted in four persons killed and 18 persons injured. The rural traffic summary for this county during the first ten months of 1972 shows a total of 384 accidents resulting in 19 persons killed and 168 persons injured.

Region 5 of the Texas Department of Public Safety shows a total in October, 1972 of 605 accidents, resulting in 20 persons killed, and 280 persons injured as compared to the same month in 1971 with 595 accidents resulting in 19 persons killed and 294 persons injured. This is 10 more accidents, one more fatality and 14 less injured in 1972 at the same period of time.

The Highway Patrol supervisor reminds you that the winter months of cold weather are close by and the traveling conditions are more dangerous at this time of year. Allow a following distance of one car length for every 10 mph of speed between you and the vehicle ahead.

The 20 deaths for the month of October, 1972 occurred in the following counties: Lubbock and Lipscomb, four each; Yoakum and Randall, two each; and Parmer, Potter, Sherman, Swisher, Wilbarger, Bailey, Haskell and Palo Pinto, one each.

a weekly message relating the world of today to the lessons of Faith and Church...

Lord, make me to know mine end, and the measure of my days, what it is; that I may know how frail I am.

—Psalms XXXIX, 3

Take a drive some Sunday afternoon, into the countryside. Choose a road with which you are not familiar and follow it wherever it goes. You will see a part of the world you have never seen before. You will also discover that asphalt may give way to sand and gravel but, at the end of this, a foot path points the way to a barn or a river, to some other place where people have reason to go. What we might consider a dead end is in reality the starting point for someone with their own mission in life. Consider too, how fortunate we are if we are always certain of where we are going in life.

Southland News

BY TOMMIE WILKE

Turkey Day has come and gone, and each of us weighs at least one pound more--well don't we? Hope each of you had a most enjoyable

holiday and that you are looking forward to our next wonderful and special day, namely, Christmas.

A 4-H Meeting was held re-

cently in the home of Mrs. Stonewall Jefferson with Dorene Gregg, Jay Lynn and Lucendia Garza present. Mrs. Bill Alexander was guest speaker.

These meetings will be held every Wednesday evening in the home of Mrs. Jefferson. Hot chocolate, punch, sandwiches and coolies were served.

Mr. and Mrs. Ray Simmons spent the Thanksgiving holidays in Abilene with their son and daughter-in-law and with Mrs. Simmons' mother. They returned to Southland on Sunday.

Mr. and Mrs. Jerry Donahoo of Austin and out two Lubbock kids, Sherri and Darrell, and Glen Brosch were our Thanksgiving Day guests. Mr. and Mrs. Larry Long of

Estelline visited his parents, Mr. and Mrs. Bob Long, during the holidays.

Mr. and Mrs. Max Courtney, Bud and Cindy, spent their Thanksgiving holidays in the Rio Grande Valley. The kids were thrilled when they were allowed to pick grapefruit and oranges off the trees.

Mr. and Mrs. James Crawford and girls, Mrs. Jettie Maner and boys, and Mr. and Mrs. Webster Crawford spent Thanksgiving Day here with their parents, Mr. and Mrs. P. W. Crawford and Debra. Rev. and Mrs. C. T. Jordan

are spending this week in Pecos with their daughter and grandchildren, while their son-in-law goes deer hunting.

Eddie, Glen and Richard Brosch and some other fellows recently returned from a deer hunting trip to New Mexico. Mr. and Mrs. Marcus Wilke of Kingsland are here visiting relatives and friends. Their main reason for coming was to attend the 60th Anniversary of her parents, Mr. and Mrs. Jake Mueller of Wilson, which was celebrated Sunday.

Sunday seemed to be ANNIVERSARY DAY! Sherri

and I attended three anniversary parties on that day. Mr. and Mrs. Virgil Jones of Slaton had their 50th; Mr. and Mrs. Avon Bedford of Lubbock had their 50th, and Mrs. Jake Mueller of Wilson had their 60th. Mr. and Mrs. Tuttle and children spent Thanksgiving Day in Seagraves with her parents, Mr. and Mrs. E. F. Long. All of Mrs. Tuttle's brothers and sisters were there for a family reunion.

Mr. and Mrs. Junior Becker and boys spent Sunday with Mr. and Mrs. Willie Becker when

they had their Thanksgiving. Mr. and Mrs. ... attended Mr. and Mrs. Mueller's 60th party Sunday. HELP!! 18 Year Olds Must Register

AUSTIN--Colonel Melvin N. Glantz, the State Director of Selective Service for Texas, has again reminded young men of their obligation to register with Selective Service within 30 days of their 18th birthday. Care of the new grandbaby and they brought her home. Ret. Col. and Mrs. L. A. Elliott of Orlando, Fla. spent the Thanksgiving holidays here with his daughter and family, Mr. and Mrs. Max Chaffin. They came on Tuesday and stayed until Saturday.

Glantz stressed that the requirement to register will continue in full effect whether the all-voluntary military force becomes a reality or not. Every native born and resident-alien young man is required to present himself for registration from 30 days before to 30 days after his 18th birthday. If, for any reason, a young man has failed to register he should do so immediately to escape the penalty of Federal law. Failure to register may result in a fine, imprisonment, or both, under provisions of

the Military Selective Service Act.

Two Ag Assists Are Available For Students

Young men may register at the office of the local board near their home or place of residence, or may be registered by volunteer registrars who are located in most high schools or other similarly convenient locations. Registrars in the Garza, Lubbock, and Lynn Counties areas are: Giles Dalby, Courthouse, Post; H. G. Stokes, 130 West Lynn, Slaton; Bob Kern, Jr., 144 West Garza St., Slaton; and George D. McCracken, Courthouse, Tahoka.

Two scholarships will be awarded by the Texas Polled-Ettes, ladies auxiliary of the Texas Polled Hereford Association, this Spring. The Texas Polled-Ettes, who are deeply interested in young people, offer these scholarships as a means to assist young people in furthering their education in the various fields of agriculture. All applicants should be High School graduates and residents of Texas. Each applicant must have three recommendations;

one of which must be from the County Agent, Club Advisor, FFA Advisor, or High School principal. Scholarships may be used at any Junior College, College or University in the state of Texas. Applications must be in no later than March 1, 1973. For further information, contact Mrs. M. D. Arrington, Route 1, Jacksonville, Texas 75766. Pirates Pass Pipers 17-14

BY BILL AYRES

The Cooper Pirates, on a fourth quarter comeback, edged by the Pied Pipers of Hamlin 17-14 Friday night at Snyder. Inspired by quarterback Bobby Caudle, the Pirates were able to score 14 points in the final minutes to take the BI-District playoff.

With this win, Cooper will now take on Alpine, Friday, in the AA Regional playoff. Alpine defeated Cohoma 14-0 to win a spot in the playoff.

The Pirates were down 14-3 in the last period when they took over the ball on their own 46 yard line. With less than five minutes left, Caudle hit Rick Greer on a 38-yard pass. This set up a Pirate first down on the Hamlin 8 yard line. Two plays later, Caudle sprinted in on a 4-yard run for the score. The kick by Ronnie Jones was good, to put the Pirates, 14-10.

The Pied Pipers took the kick on their own 26 yard line with three minutes left in the game. On a third down play, Hamlin quarterback Milton Jones fumbled and the ball was recovered by Cooper on the Pipers 22 yard line. The Pirates moved the ball to the Hamlin 11 to set up another Pirate first down. With just over two minutes left, Caudle sprinted around end to score. The kick by Jones was good, to put the Pirates out in front 17-14.

Less than a minute and a half remained in the game as Hamlin took over the ball. The fired-up Pirate defense, led by George Salas, dropped Jones twice for a 16-yard loss. Unable to make a first down, the Pipers gave up the ball with 40 seconds left in the game. The Pirates, with a first down on the Hamlin 33, ran out the clock to win the game.

The only other Pirate score came early in the third period. Junior Martinez, Pirate split-end, took the opening kick and after faking handoffs to two other Pirates, ran 60 yards to the Hamlin 30. The Piper defense held the Pirates to two yards, forcing the Pirates to attempt a 28 yard field goal. The kick was good, and with nine minutes left in the period, the Pirates led 3-0.

Speedster Johnny Jones of Hamlin provided most of the action as he rushed for 222 yards, including both Piper scores. The first touchdown came shortly after the Pirate field goal. Jones took the handoff, turned on his 9.6 speed, and sprinted 60 yards down the sidelines for the score. Hamlin led 7-3, the rest of the period. Jones' second score came early in the last period when he took another handoff up the middle 21 yards for the score. This put Hamlin ahead 14-3, and the game looked out of reach until the Pirates exploded in the final minutes.

Jones seemed to be the name of the game as Kevin Jones led the Pirate running attack with 102 yards in 15 carries; Ronnie Jones' field goal for the Pirates; and Johnny Jones' 222 yards for Hamlin. Neither of the teams quarterbacks was able to launch a

successful pass attack. Both passed 11 times with four completions for about 66 yards. Each team succeeded in intercepting a pass, with several near interceptions.

Hamlin led Cooper in the statistics department with 14 first downs and 241 yards rushing to 12 first downs and 184 yards rushing. "They are the best team we have played so far. The way we played, I am surprised we won. We were able to get it together and pull it out," said Pete Hurst, Pirate head coach.

This week the Pirates will travel to Kermit where they will play Alpine. The Pirates are 10-1 for the season, the only loss being to Tahoka.

Tech Registration Is Set Nov. 28-Dec. 5

LUBBOCK--Distribution of materials for 1973 spring registration at Texas Tech University will begin at 1 p.m. Tuesday (Nov. 28) from the second floor Conference Room, West Hall.

Registrar D. N. Peterson said distribution of materials will continue daily from 1 to 5 p.m. through Dec. 5, except Saturday and Sunday.

Spring registration is scheduled for Jan. 10-13 in the Lubbock Municipal Coliseum. Admissions to the Coliseum will begin at 1 p.m. to continue until 5 p.m., Jan. 10, and registration with continue in the Coliseum from 8 a.m. to 5 p.m. Jan. 11 and 12. Registration on Saturday, Jan. 13, will be from 8 a.m. to 12 noon from the Registrar's Office in West Hall and all departmental offices.

A person should always remember that anything which burns can give off death-dealing carbon monoxide and needs to be properly vented -- or not used.

If you're old enough to want your own telephone, you're old enough to want your own typewriter.

There comes a time in your life when all of a sudden privacy really counts.

You need to be alone. In your own place.

With your own things.

You want your conversations with your friends to be just that--not a family gathering.

We understand.

Which brings us to your own typewriter.

Your own typewriter says you're getting serious (and better be left alone).

After all, when people hear the tappy-tap of a typewriter they figure you're into something important and automatically steer away from you.

Besides, when your own typewriter is sitting there, it has a way (a neater way than anyone else's) of reminding you

of the work you have to do.

And somehow you'll find yourself doing it.

And doing it faster--because with say, an electric portable, even a beginner can get to type twice as fast as writing by hand.

Other things can happen too. Like spelling can improve.

Because a typed word that's misspelled looks misspelled, and just asks to be corrected.

You'll find your creative thoughts won't slip away from you, because a typewriter really listens to you--actually accepts every idea as fast as it comes up.

And then a little miracle called Organization can occur.

When that happens, you can get a feeling of confidence you won't believe.

So drop a hint or two about

wanting your own typewriter.

The mere act of asking says something about where your head's at.

Which could even go a long way toward getting you that telephone.

At the very least, your own extension.

Just remember when you're asking, who reminded you to ask.
