A MEMBER OF MOST FAMILIES IN THE SLATON TRADE AREA

LUBBOCK COUNTY, SLATON, TEXAS

March 1, 1973

## Stock Show's Best Are Named

Mitchell showed the Grand Champion barrow as the Slaton Junior Livestock Show and Sale was unveiled at show barn on 20th St. last Friday.

winner was bought by Citizens State Bank for \$1.80 per pound, which, added to the floor price of 35.15 cents per pound meant a total of \$501.75 for the animal.

sponsored by the Slaton Chamber of Commerce Agriculture Committee.

Grand Champion lamb in the 4-H and FFA show was exhibited by J. Ray Basinger. The 100-pound lamb was sold to Slaton Co-op Gin at \$2.00 per pound. Reserve Grand Champion lamb was shown by Joel Ham, and his 101-pound exhibit went to Lubbock County Beverage Assn. at \$2.10 per pound.

The Reserve Grand Champion barrow was shown by Gary West, and this 220-pound porker was sold to Standard Sales, Budweiser distributor, at \$1.55 per pound.

Susan Hopper, FFA Sweetheart, handed out the prize ribbons at the show. Judge was Richard Miller of Ropesville. Jim Dulin was auctioneer for the sale, and Ted Melugin was secretary.

The floor price of 38.15 on barrows was established by Farm Pac Kitchens of Lubbock before the premium amounts were added by the bidders.

Following the Junior Livestock Show, Slaton 4-H Club had a show of its own, at which Greg Johnson showed the champion barrow, with the reserve champion exhibited by Tom Dulin. Third place winner was shown by Paula Johnson.

Champion lamb in the 4-H show was shown by Joe Dee Overturf. Miller also judged the 4-H Show.

Other buyers of animals at the show were Smith Ford, Alford Cattle Co. of Petersburg, Becker Bros. Mobil, United Super Markets, Southwestern Public Service Co., Slaton Gas and Equipment, Hackberry Co-op Gin, Weldon Reichert Distributor, Farmers Gin, Custer's Gulf Service, E&W Cattle Co. of Midland, Triangle Mfg. Co., Bill Alspaugh, Western Hog and Cattle Co., Lubbock County Farm Bureau, Harold Tucker Oil Co., Bill Adams Olds-Pontiac-GMC, White's Auto, Bryant Farm Supply and Supp. and Feed Mills, Inc.

Slaton merchants made up a pool of donors which bought many of the animals. Included in this group were Donaldson Pump Service, Kitten-Moseley Fertilizer, Slaton Savings & Loan Assn., Eblen Pharmacy,

GRAND CHAMPION BARROW -- Clay Mitchell showed the Grand Champion barrow at the annual Slaton Junior Livestock Show Saturday. Here he is shown with the 230-pound animal and with Robert Hall Davis, representing Citizens State Bank, which bought the barrow.

## No New Candidates

With only a couple of days to go to the filing deadline, Slaton had no new candidates for two commission spots and the mayor's job as of noon Wednesday. On the ballot for the mayor's post are Tommy Brunson, 21, and John Landreth, 70. Those who have entered the commission race are Bryon Crandall and J. P. Spears.

Crandall, a former mayor and city councilman in Mountair, N.M., is running for the Ward 1 spot being vacated by J. S. Edwards Jr., while Spears is seeking to replace R. J. Clark in Ward 3. Neither Clark, Edwards nor Mayor Bland Tomlinson are seeking re-election.

Crandall, now serving on the cemetery board, lives at 730 S. 18th. His wife, Helen, serves on the hospital board.

Spears and his wife, Bea, attend Slaton Church of Christ. They have two sons, Norman of Lubbock, and Weldon of San Angelo. Spears is a Mason and Shriner.

Landreth related some of his background this week in an interview with the Slatonite. He lived in Slaton from 1924, when he came here to work for Santa Fe as a telegraph operator, until 1942 when transferred to Wellington, Kan. In the interim he became chief dispatcher, and also served on the Slaton city commission for four years in the 1930's.

Landreth, a Baptist, returned to Slaton in 1945 for four months as superintendent of Santa Fe's operations in the 1200-mile Slaton division. He then headed various Santa Fe divisions in Texas, Arizona and New Mexico. After that he was in Galveston for a time.

He served as general manager of the Eastern lines of Santa Fe from 1953 to 1959, headquartered at Topeka, Kan., where he had supervision of an operation with 15,000 employees; then was general manager of the Coast lines headquartered in Los Angeles from 1959 until he retired Nov. 3, 1960. While at Topeka, Landreth was elected president of the Kansas State

GRAND CHAMPION LAMB -- Shown here with his prize-winning Grand Champion Lamb is J. Ray Basinger, along with Ed Moseley, representing Slaton Co-op Gins, purchaser of the winning Lamb.

## Dogs Loom As Bone Of Contention

If you own a dog, you'd better see that he's penned up or on a leash. Otherwise he may be shot.

That's the message from city officials this week, who have authorized not only the animal warden but all city policemen to shoot any dogs found running at large, as city officials grew weary of a bombardment of complaints from residents in all sections of the city.

Complaints from residents about the growing dog problem included reports of barking and howling, that one child allegedly had been knocked down by a pack of loose dogs, that many trash containers have been overturned and garbage scattered, that some residents are fearful of going after their newspapers in the morning because they are challenged by stray dogs, and that some men who work nights have taken to carrying sticks when they leave their homes for work.

Action of city officials in ordering policemen to shoot

stray dogs is certain to stir controversy among dog owners and animal lovers who have not been troubled by stray dogs.

"Accusations of endangering lives of children and abuse of officers who are simply trying to follow their orders are expected from some people," said one official. "But nothing larger than a .22 caliber gun is to be used to shoot dogs, and the bullets used are the kind that disintegrate on impact; that is, they will not ricochet."

stray dogs is certain to stir controversy among dog owners and animal lovers who have not been troubled by stray dogs.

"Accusations of endangering lives of children and abuse of officers who are simply trying to follow their orders are expected from some people," said one official. "But nothing larger than a .22 caliber gun is to be used to shoot dogs, and the bullets used are the kind that disintegrate on impact; that is, they will not ricochet."

The city already has a strong dog ordinance, and in order to remind Slaton residents of its provisions, it is being reprinted by the city this week, published on page 10 of this issue of the Slatonite. Dog owners are urged to read the entire ordinance so they will know what is required of them.

Mayor Bland Tomlinson called in Police Chief Fred Clark and City Secretary Alex Webb Tuesday to map out the war on stray dogs. After the session, the officials, with Webb

as spokesman, urged dog owners in the city to cooperate.

"We're pleading with those who own dogs to keep them under control," Webb said. "And the officers aren't going to shoot strays in any place that would pose a threat to any residents. Also, if a stray dog appears to be some kind of breed, rather than a mongrel, it will be picked up and held at the animal shelter, instead of being shot." Dogs taken to the pound are held for three days before being destroyed.

In a talk before Slaton Lions Club Monday, Mayor Tomlinson noted that dogs are beginning to run in packs and said some dog owners "actually are keeping their dogs penned up in the daytime, but are turning them out at night."

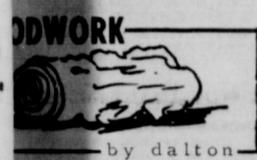

One Lions Club member suggested that any officer wanting to shoot dogs could "stand in my yard and shoot them all day, and not a one of them would be mine."

Landreth, a Baptist, returned to Slaton in 1945 for four months as superintendent of Santa Fe's operations in the 1200-mile Slaton division. He then headed various Santa Fe divisions in Texas, Arizona and New Mexico. After that he was in Galveston for a time.

He served as general manager of the Eastern lines of Santa Fe from 1953 to 1959, headquartered at Topeka, Kan., where he had supervision of an operation with 15,000 employees; then was general manager of the Coast lines headquartered in Los Angeles from 1959 until he retired Nov. 3, 1960. ## SCHOOL PROGRAM BASED ON NEW CONCEPTS

### Youngsters Getting Special Help With Their Learning Problems

by DALTON WOOD  
SELCO may sound like a new soft drink to those who don't know about it, and Plan A perhaps brings to mind a James Bond spy thriller. But those who have tried it like the taste left by SELCO, as it operates Plan A, a program designed to give individual attention to youngsters with special learning problems.

SELCO stands for Southeast Lubbock County, an organization of the Plan A program operating in Slaton, Cooper and Roosevelt school districts. It is headquartered in Slaton under direction of Mrs. Maybelle Kern, coordinator of special programs.

Mrs. Kern explained that Plan A was developed by the

Texas Education Agency following a study of special education in the state. The study showed that those special education programs in the state were falling far short of meeting the needs. Many recommendations were made, but of these, three were considered the most significant:

1. Discontinue labeling and categorizing children. (Do not label one child as brain injured, another as emotionally disturbed, a third as mentally retarded, etc.)

2. Shift the emphasis from the handicapping condition to the educational needs of each child. (Stop emphasizing that a given child is "crippled". Instead, assess his individual needs and program his education accordingly.)

3. Shift the emphasis from the self-contained special class to the mainstream of regular education facilities. Where a handicapped child can achieve, provide him with an education in the regular school program with modification and support as needed.

"Under the old concept of special education," Mrs. Kern said, "a student with a handicap or a special learning problem was labeled in a way that merely described his handicap or problem with little understanding of his educational needs. He was placed in classrooms with others of the same so-called category, and usually was separated from 'regular' students."

In the three school systems, with a total of about 3,800 students, approximately 500 pupils are in the Plan A program, Mrs. Kern said. These are served by 37 persons including four administrators, 25 teachers and eight teacher aides. SELCO personnel are paid by the state, rather than by the local school systems, and in fact, the entire SELCO program is funded by the state.

Administrators include Mrs. Kern, and a supportive staff of R. A. Wade, supervisor; Jack Neerinx, diagnostician; and Loyce Elliott, counselor. Assisting the 25 teachers are eight aides.

"Teacher aides are needed," said Mrs. Kern, "because if a resource teacher has 10 or 12 youngsters, that's more than the teacher can take care of properly, since the entire emphasis is on individual attention. The aides help individualize the program."

Next year, more students probably will be involved in the program here, since each of the three school districts is growing, and since Southland will be added to the program administered here if the state gives approval.

The 25 teachers include "helping teachers" who work individually with first graders who have a particular learning difficulty, for example, a student who has trouble grasping a certain concept in mathematics, or a pupil who can't seem to catch on at reading. These helping teachers usually work at separate tables in the regular classroom.

"Another thing new about the Plan A program is compared to the old system is that it includes 3- to 5-year-olds,"

Mrs. Kern commented. "Research shows that the IQ of a child is determined by the time he is 3, and the earlier you can recognize that a child has a handicap, the better his chances of being taught, and overcoming his disability."

The homebound teacher also is new to the SELCO operation this year. This teacher works with students who have to drop out of regular classes for any reason, such as extended illness, pregnancy or injury. In the past, they had to drop out of school, but the homebound teacher now can work with them regularly at their homes and they can continue their education. Also the school still can count them as scholastics.

Continuing to expand, SELCO will offer a summer program this year, with two teachers to provide help for the learn-

ing disabled.

SELCO is one of the pioneers of the Plan A program in Texas. The plan was piloted first in five school systems in the 1970-71 school year, and during the 1971-72 school year was extended to 24 more systems, of which SELCO is one. During the current school year, about 70,000 handicapped children in Texas are in the program, and by 1976 it is anticipated that all handicapped Texas children will be aided by Plan A.

NO CANDIDATES YET FOR WILSON CITY JOBS

Wilson City election is scheduled for April 7, but with deadline for filing next Thursday, no candidates have filed for the city council seats of Jerry Don Ross and Jim Coleman, whose terms are to expire.

PINE TREES OUT THE EARS -- Earl Bartley, manager of Slaton Chamber of Commerce, has pine trees running out his ears now that a truckload of the little pines has arrived. Those who have ordered pines are urged to pick them up at the chamber office. Those who haven't ordered them are urged to pick up some, too. (SLATONITE PHOTO)

### Mrs. Roy Green Is Honoree

A pink and blue shower honoring Mrs. Roy Clay Green was given Friday from 7:30 to 9:00 p.m. in the Club House. In the receiving line were the honoree, Mrs. B. B. Green, Mrs. Joe Loke, Mrs. Fred Perdue and Miss Jan Loke.

Registering guests was Mrs. Alvis Joe Loke. The table was covered with a lace cloth, with crystal settings. The centerpiece was a train music box decorated with tiny roses of blue, pink and yellow. It featured a stork riding on the front and babies on the side. Hostesses were Mmes. Alton Meeks, Dwayne Walters, J. E. McMeekan, W. A. Sikes, Jr., Wayne West, Jim Mason, Willie Jones, R. L. Montgomery, N. H. Roberts, Robert Meeks, Truman Bishop and B. C. Johnston. Hostess gift was a feeding table.

### Jacksons To Celebrate Fiftieth Anniversary

The 50th wedding anniversary of Mr. and Mrs. Harvey S. Jackson of 102 80th Street, Lubbock, will be celebrated with a reception from 2 to 5 p.m. Saturday in the Roosevelt Club House.

The couple has eight children, including one daughter, Mrs. Holly Bruster of Roosevelt, and seven sons, Harvey J. Jackson of Fredrick, Okla., Leroy Jackson, Iowa Park, Donald Jackson, Lubbock, Jesse Jackson, Paul Jackson, both of Seminole, Kenneth Jackson of Georgetown, and Andy Jackson of Wolforth.

Hosts for the party will be the couple's daughter and daughter-in-laws. Mrs. Jackson is the former Hattie Feely. The couple married Mar. 3, 1923 in Vernon. They farmed at Davidson, Okla.

for 29 years before moving to Lubbock where Jackson then farmed for 21 years.

A gold lace table cloth over white with crystal and gold appointments will be used on the serving table.

The couple has 20 grandchildren and two great-grandchildren. Among the grandchildren are Roger and Vickie Bruster, who attend Roosevelt schools.

### Musical Program March 6

Mrs. Anita Perkins' first grade students will present a musical program, "Little Red Riding Hood and Peter Rabbit" Tuesday, March 6, at 7:30 p.m. in the high school auditorium. Admission will be 50 cents for adults, and 25 cents for children. The program is sponsored by West Wart PTA. Everyone is invited.

### Altar Society Meeting Held

St. Joseph Altar Society met Monday afternoon with president, Josetta Heinrich, presiding. Irene Steffens gave a reading on Lent. The president appointed Kay Ella Bruedigam and Esther Strube as chairmen of funeral dinners, Serena Buskemper as parliamentarian, and Elsie Schilling, reporter. Mrs. Heinrich thanked all the members for helping so generously with the sausage festival, and asked if anyone still wanted

to donate silverware to the hall.

It was decided to hold regular meetings on the last Monday of each month. The group discussed abortion. Msgr. Morsch gave a brief outline on the pastoral council in April.

It was voted by the members to have a Mass read for a member of good standing upon death. The meeting was adjourned with prayer led by Msgr. Morsch.

### Slaton Teachers Attend State TCTA Convention

Mrs. Neuma Carnes, Mark Gunnells and Charles Hearn attended the Texas Classroom Teacher's Association state convention last week in Houston as delegates from the local association. Gunnells is president-elect of the Slaton group.

Mrs. Ella Gipson, one of two District 17 State Board members, and Bill Carnes, state chairman of TCTA Legislation Committee, attended the convention following a two-day meeting of the State and Executive Board. Carnes was re-elected to a one-year term as chairman of the committee.

Various actions were taken on several issues concerning the classroom teacher, including duty-free lunch time, assaults against teachers and school bus safety.

The three local delegates attended the convention on a chartered bus, along with delegates from Lubbock, Abernathy and Littlefield.

### PERSONAL

Travis Fred Melton Jr., son of Mrs. Rita Mayo of Slaton, is leaving Thursday morning for Korea and service in U. S. Army. Melton has been stationed in Fort Gordon, Ga.

MRS. LARRY LYNN BOWNDS  
Miss Kathy Lewis

### Bownds, Lewis Nuptials Repeat

Miss Kathy Lewis became the bride of Larry Lynn Bownds Saturday afternoon in Second Baptist Church of Lubbock. Rev. J. L. Cartrite, pastor of the Slaton First Baptist Church, performed the double ring ceremony.

Parents of the couple are Mr. and Mrs. H. C. Lewis of Lubbock and Mr. and Mrs. Truett Bownds of Slaton.

Given in marriage by her father, the bride wore a gown of candlelight silk organza with venise lace trimming the mandarin neckline and bodice. Deep fluting from the empire waistline formed the sleeves which were edged in venise lace. She carried a cascade of lily of the valley surrounded by pink sweetheart roses and stephanotis.

White Victorian panels were used to frame the altar centered with a tiered arrangement of white spring mixed flowers and flanked by arched candelabra.

Mrs. Chris Cox of Austin, sister of the bride, served as matron of honor. Other attendants were Mmes. Monte McCloy, Randy Thomas and Marion Barnett. They wore chiffon dresses of rainbow colors fashioned with a smocked bodice and chiffon stole. They carried European styled bouquets of yellow and red tulips, blue fluted leaves, iris and rubian lilies.

Landy Bownds, brother of the groom, served as best man. Groomsmen were Danny Scott of Lubbock, David Edwards of Alvin and Commie Oats of Slaton.

Guests were seated by James C. Lewis and Lee Lewis of Lubbock, and Keith White and Larry Smith of Slaton.

Musical selections were presented by Larry Douglas, organist of Second Baptist Church.

A reception followed in the parlor that was decorated in a

Victorian Garden theme using white pedestals and gold urns and serving tables were backed with white Victorian panels. After a trip to El Paso and Ruidoso, the couple will be at home at Rt. 2, Slaton. The bride is a 1970 graduate of Monterey Bay attended Texas university. Bownds is a Slaton High School graduate from University with a culture economics

and Mrs. Coker Celebrate Anniversary

Rev. and Mrs. Bruce Coker, pastors of the Church of God in Slaton, will celebrate their twenty-fifth wedding anniversary with a reception March 4 in the Slaton Club House.

Hosting the event will be their children, Mr. and Mrs. Ronnie Coker of Arlington and Pamela and Regina Coker of the home.

The couple married Feb. 28, 1948 in the Church of God parsonage in Sweetwater where they made their first home.

Coker has pastored churches throughout Texas and Arizona and evangelized in Missouri in 1953. He was pastor of the Slaton church from 1961 to 1966, and left here to go to Olney. They returned to Slaton in August, 1972.

Mrs. Coker is the former Ruby Barber, daughter of Mr. and Mrs. Johnny Barber of Sweetwater. She has two sisters and one brother.

Coker is the son of the late Mr. and Mrs. B. E. Coker of Ladonia, and he also has one brother and two sisters.

Pam Mims Is Shower Honoree

The home of Mrs. Clarence Stewart of Lubbock was the scene Feb. 14 for a kitchen shower honoring Miss Pam Mims, bride-elect of Luther Brewer. A Valentine motif was used in decorations.

Special guests were Mrs. J. E. Mims, and Mrs. H. L. Martin, mother and grandmother of the bride-elect.

Assisting Mrs. Stewart were Mmes. Ed Reynolds and Mrs. Leon Pullen. Hostess gifts included the centerpiece and candle holders. About 20 guests registered.

Miss Mims was also honored with a lingerie shower Feb. 16 in the home of Miss Kathy Stennett of Lubbock. Mrs. Arlen Stennett assisted her daughter.

Special guests were Mrs. J. E. Mims and Mrs. H. L. Martin. Other guests were Misses Carole Wooley, Judy Maloney, Delane Davis, Donna Miller, Roxie Vineyard and Kathy Lewis.

The couple plans to marry Mar. 24 in the Roosevelt Baptist Church.

BIRTHS

FOOTNOTES

BY MARGRET BARTLEY

What were you doing ten years ago? I looked back in the early 1963 Slatonite files and here are a few of the goodies I found there.

Alex Webb was named "Outstanding Citizen" and Mrs. Tommy Davis was named "Woman of the Year" at the annual Chamber of Commerce Banquet.

Miss Linda Roper was married to Tommy David Stell, and Sandra Black was married to Giles Smith.

Dick Hartman was named manager of C. R. Anthony's and featured a "New Manager's Sale" to get acquainted.

Holland-born Monsignor Peter Morch was appointed as pastor of St. Joseph's Catholic Church.

Bryant Farm Supply opened for business.

The PTA installed fans in West Ward School rooms.

A delegation of 12 met with county commissioners to petition for at least four overpasses on the U. S. 84 bypass under construction, instead of the one included in plans.

The FOR RENT column of the classified ad page showed nine houses, with 4-6 rooms for rent in Slaton.

Slaton's Marinell DeVries was invited to lecture and demonstrate painting techniques to the Professional Photographers Convention at the University of Mississippi.

Butch Custer showed the Gran Champton steer at the Slaton Livestock show.

Bruce's Cafe was destroyed by fire.

Leo Henzler entered in Buffalo Lakes Go Kart Enduro race.

Over 3,059 Slaton residents completed the Sabine Oral Polio Vaccine on "Stop Polio Sunday".

Jonas Cain was elected mayor of Slaton by a 2-1 margin on his first attempt at the post.

Thursday brought another snow, as if you didn't know. Seems like it melts and starts to dry out just in time for a new Thursday snow each week.

Do you want to know the difference between a warranty and a guarantee? Someone asked me and I didn't know, but I found out. The answer is none! The only difference is what is covered in each document, and that is decided by the manufacturer or dealer. I still don't know why some are called warranty's and some are called guarantees. Maybe, when its called a guarantee, people expect more from it. Always be sure to read your warranty, even before you buy the appliance or whatever. Then you will know how long, and what parts will be repaired free of charge.

Crowd Sees Dribbler's Opener

Monday night a full house saw the first of a series of boys' Little Dribblers games to be played in Slaton on Tuesday and Thursday nights. The action, beginning at 6 p.m., features two games for 9-10 year olds, then two games for the 11-12 year olds.

Wendel TV and Appliance team took the first victory over Hackberry Co-op Gin, 22-4. Crawford Chevrolet defeated Smith Ford in a 28-2 blaze of glory.

Slaton Co-op's 11-12 year olds dropped 20 points to Self Furniture's 12, and Eblen Pharmacy hooked 26 to Citizens State Bank's 10.

The next games will be played tonight (Thursday) in the high school gym with play beginning at 6 p.m. Wendel TV will meet Bryant Farm Supply, while Hackberry Co-op Gin faces Smith Ford.

In 11-12 year old play, Slaton Co-op Gin will meet Supreme Feed Mills while Self Furniture comes face to face with Citizens State Bank.

President of the association, Lawrence King, noted that persons are needed to help referee games as well as operate the gate. Persons may contact Roy Anthony if they can referee, and contact Truett Bownds if they will help operate the gate.

Admission of 25 cents for adults and 10 cents for children (per night) will be charged and will be used to buy 20 uniforms for the all-stars to go to the national tournament in Levelland April 20.

University Choir To Be In Concert

The North Texas State University A Cappell Choir will be presented in concert at 11 a.m. Mar. 6 at South Plains College Auditorium. The NTSU Choir, which has toured extensively in the United States and Europe, will be sponsored in Levelland by the SPC Assemblies Committee and Fine Arts Department. The general public is cordially invited to attend.

Hospital Auxiliary Meeting Held

Mercy Hospital Auxiliary executive committee met Tuesday, Feb. 27. Six members were present. A nominating committee was appointed to select officers for 1973-74. Plans were made for a tea and installation at the general meeting in April. New members for the auxiliary are welcomed at any time.

SMALL INVESTORS.

\$20 a month or \$20,000, we treat you the same.

Mutual funds offer a way for people of modest means to enjoy many of the same advantages that big investors enjoy... such as full-time money managers and professional research specialists.

What's more, we have accumulation plans to help small investors buy mutual fund shares on an "installment" or contractual basis. Such plans are designed to help you set aside a certain amount of money from each paycheck. This money is used to acquire fund shares in amounts you can afford. (In some cases as little as \$20 a month.)

Find out more about the mutual fund approach to investing. Find out how you can use an accumulation plan to get started now.

In the event we accidentally omitted anyone, please accept the apologies of the Committee for the Slaton Junior Livestock Show.

RESERVE GRAND CHAMPION BARROW

Gary West is shown with his Reserve Grand Champion barrow. The pound barrow was purchased by Standard Sales, Budweiser distributor, but the representative of the company could not be present for the picture.

Slaton FFA and 4-H Club, and the  
Ag Committee of Slaton Chamber of Commerce

**WINNER --** Mrs. Mary Ehler, resident of Slaton Nursing Home is shown with a Valentine doll that she won at "Best" party held there Feb. 16.

**OUTSTANDING --** Mattie Landon, a new resident of Slaton Nursing Home, displays an apron she won during the February party recently. It says, "Our cows are outstanding in their field."

### Practice Judging Session March 24

The Texas A&M University College of Agriculture will host its annual Career Day and practice judging session on Mar. 24. More than 3,000 Future Farmers of America and 4-H Club members from across the state are expected to participate. According to Dean of Agriculture Dr. H. O. Kunkel, Career Day is designed to provide youth with information on the many challenging opportunities in the field of agriculture. Career Day headquarters will be the Plant Sciences Building on the A&M campus.

### 'Dropout' Vets Go To School

Free G. I. Bill entitlement for high school dropouts and marginal graduates is bringing more "educationally disadvantaged" back to classrooms, a Veterans Administration report reveals.

Jack Coker, VA Regional Office Director, disclosed today that more than 20,000 veterans were drawing "extra bonus" G. I. educational benefits by attending high school and college preparatory courses.

**SIGNS WITH WICHITA STATE --** Ron Bartley, star football player for the Slaton Tigers, signed a letter of intent with Wichita State University, as his parents, Mr. and Mrs. Earl Bartley, and his coach, Bill Curry, right, look on. WSU offered the scholarship with indicated plans to use Bartley primarily as a defensive halfback, but with the possibility of his being used also on offense. (SLATONITE PHOTO)

Veterans who have completed a tour of military service normally earn enough G. I. Bill entitlement to complete four years of college, Coker explained. Those who need extra work to qualify for college can receive extra months of G. I. Bill allowances while taking the preparatory work and still have four years of educational benefits remaining for college, he said.

**CO. TREASURERS MEET --** The First Annual County Treasurers Conference will be held at Texas A&M University Mar. 21-22. Theme will be "Better Care for County Funds." The conference will include discussions on county bond issuance, planned programmed budgeting systems, and general laws governing the treasurer's office, says a specialist for the Texas Agricultural Extension Service.

The first United States gold coins were struck in 1795. The last appeared in 1933.

## Welk, Music Makers On Way

Complete with all his television stars and the familiar bubble machine, Lawrence Welk will pop into Lubbock Friday for an 8 p.m. appearance at Lubbock Municipal Coliseum.

The concert here will be the only one in Texas the Welk organization is undertaking on this particular road show, which will wind up March 11 in New Orleans.

With Welk for the 2 1/2-hour show here will be all his television regulars: Myron Floren, Joe Feeney, Gail Farrell, Buddy Merrill, Charlotte Harris, Jack Imel, Dick Dale, Arthur Duncan, Tany Welk, Bobby Burgess, Cissy King, Bob Galston, Ray and Rains, Clay Hart, Bob Lido and Jim Roberts.

A new Welk artist probably will be making an appearance at the Lubbock show, advance publicity men for the sponsoring Varnell Enterprises indicated. He is Henry Cuesta, billed as a clarinet virtuoso.

Welk, as nimble and active as ever, will mark a significant milestone this month: he will be 70 years old.

### MUSICAL SUNDAY

March 4, after regular evening church services, the Lubbock Christian High School Chorus will present an hour program of religious music at Slaton Church of Christ. The church, located at 11th and Division Streets, begins the evening worship at 6 p.m.

### Girl Scout Week Is Observed

Young people are facing enormous challenges on what the quality of life will be in the future. How they meet the problems of a rapidly changing society will test their ingenuity, imagination, and abilities. How they prepare themselves to meet these challenges is of utmost importance.

One youth-serving organization which is taking the lead in involving young people in many self-directed, self-planned projects is Girl Scouts of the United States of America. Some GSUSA endeavors are directly related to the quality of our country's physical environment; others concern the inter-relationships of people, and youth participation in planning and decision making.

This concept of responsible citizenship and service with others has always been a basic one in Girl Scouting. Today's Girl Scouts are involved in projects to help close the gaps separating economic, racial, cultural, and age groups. Across the country, girls and adults from urban, suburban, and rural areas are working in partnership with National and local community groups toward these goals.

Prepared by their training, these girls give millions of hours of service to their communities. In day camps for ghetto children, in migrant worker camps, in head start programs, in various tutorial programs, in senior citizen projects, in hospitals, schools and libraries, on Indian reservations, and in hundreds of quality environment projects -- Girl Scouts of all racial, economic, and cultural backgrounds contribute their skills.

During this Girl Scout Week, marking the organization's 61st birthday, we extend our thanks and congratulations to the nearly 4 million girls, men and women in Girl Scouting.

# A Few More Bales Ginned In Area

Slaton area's bale count inched upward by less than 2,000 bales last week, as gins got in a little work in between snowstorms and such. Total bale count for the year now stands at 91,301 bales, highest total in years, with a lot of cotton still in the fields.

perhaps 90 per cent of the crop has been ginned. The South Plains cotton harvest was delayed another week to ten days by the rain and snow over the area, according

to W. K. Palmer, in charge of the Lubbock Cotton Classing Office of the USDA. However, farmers were able to harvest some cotton before the unfavorable weather halted all harvest activities. Some gin-

ning, sampling and classing continued due to accumulated backlogs of cotton harvested before the unfavorable weather, and good weather returned this week. Samples from 113,000 bales

were tested and classed at the cotton classing offices at Lubbock, Brownfield and Lamesa during the week ending Friday, Feb. 23. This brought the total classed for the season to 1,779,000 bales. More cotton remains in the fields across the region than at any other time in history at this late period in the har-

vest season. Approximately 10 percent of the cotton crop remains in the fields. Grades of cotton continued to decline as the harvest neared completion. Strict Low Middling Light Spotted (42) was the predominant grade, making up 17 percent of all cotton classed. Low Middling Light Spotted (52) made up 14

percent, Strict Low Middling Spotted (43) 13 percent and Strict Low Middling Tinged (44) 15 percent. The Agricultural Marketing Service reported active trading on the Lubbock market. Prices were steady for cotton with micronaire of 3.0 and better but were \$10.00 to \$15.00 per bale higher on cotton with micronaire of 3.0 and better. Prices ranged over the last few low micronaire high grade, premium per bale over steady and firm at \$47 to \$56 per bale higher on cotton with cottonseed at 40c.

## Election

Cont. from Page 1

Chamber of Commerce. Landreth married Elma Reed, a Slaton teacher, in 1925, and the couple had one daughter, Mrs. Jim (Mary Frances) Etheridge of Houston. After retirement, the Landreths moved to Houston, where Mrs. Landreth died shortly after they moved there.

Landreth lived in Houston for two years, then married Mrs. Daphne Berkley of Slaton, moving back here at that time.

"My reason for seeking the office of mayor is simply to try to serve the city the best I can," Landreth said. "I'm very interested in industrial development and in other aspects of progress for the city. Since I am retired, I do have enough time to devote to the job, and I hope that I have some business knowledge and understanding of governmental matters to contribute."

## WRECKS

Cont. from Page 1

city limit sign. The driver told officers he went to sleep. Total damage was estimated at \$300.

Also at 84 and Industrial, a truck-trailer damaged a 60-foot utility pole and globe and left the scene Saturday. Damage was set at \$125.

At 3rd and Lubbock Sts. last Thursday, two pickups collided. Drivers were William Paul Bennett and Edsel Clemons, both of Slaton. Estimate of damage was \$225.

At 4:20 p.m. last Wednesday a 1973 car driven by Alene B. Browning of Kingsland and a 1963 auto driven by John Railway Holmes, 706 S. 13th, collided at 14th and Dayton, causing an estimated \$325 damage.

Wisp of a Shift

Either monochrome or print will look great in this little shift that gathers so softly in a round yoke. No. 2206 comes in sizes 10 to 18. Size 12 bust 34 takes only 2 1/2 yards of 44 fabric.

Crocheted Blouse

This crocheted blouse is easy to make and easy to wear. Pattern No. 47 contains instructions for sizes 12 to 18.

Send 50c for each dress pattern, 30c for each needlework pattern, add 15c for each dress pattern, 10c for each needlework pattern for mailing and handling to AUDREY LANE BUREAU, Morris Plains, New Jersey 07950.

### Business Mission Plans Are Discussed

upcoming Lay in Slaton First Church were detail Sunday church leaders and men named for scheduled March

"We sincerely hope that every member of Slaton Methodist Church and Gospel Chapel A.M.E. Church will attend the first session of the weekend program on Friday night," said Dalton Wood, general chairman of the mission.

"Some people are a little leery of the idea of a lay witness mission because they're afraid all these outsiders are going to come in here and preach at them. Believe me, nothing is further from the truth. These laymen simply come to tell

others about something good that has happened in their own lives."

C. Lee Smith of Clyde, who will be coordinator for the mission here, was present Sunday in a pre-mission visit to discuss plans with the committee chairmen and the pastors, Rev. Merriel Abbott of the First United Methodist Church, and Rev. James Green, pastor of

the Gospel Chapel Church, which will join the sessions of the mission in the First Methodist building.

Under the lay witness mission program, laymen from various denominations are invited for a weekend of witnessing in the local church, and stay in homes of members, although the visiting laymen--adults and young persons of

both sexes--travel at their own expense, and expect nothing except a place to sleep. The Methodist Church mission is the first of two scheduled in Slaton, with Westview Baptist Church planning one in April. Committee chairman for the Methodist event include Mrs. J. S. Edwards, Jack Ham, Rush Wheeler, Mr. and Mrs. Alex Webb, Mr. and Mrs. Bob Kern

Mr. and Mrs. Dalton Wood, Mr. and Mrs. Steve Smith, Mr. and Mrs. Hody Porterfield, Mrs. Truman Ford, Mrs. Dorothy Jaynes, Mr. and Mrs. Sammie Hitt, Mrs. LeRoy Holt, and Mr. and Mrs. Bill Curry. Both programs are among a group of activities planned by local churches in conjunction with the Key 73.

Just about all signs point to an increase in the amount of cotton stored in ricks on High Plains turnrows during the 1973 harvest season. Therefore the operation of a seed cotton loan program this year by the U. S. Department of Agriculture may assume added importance.

For this reason Lubbock-based Plains Cotton Growers, Inc. is urging that the two year old program be continued.

In a letter to Glen Weir, Acting Administrator of USDA's Agricultural Stabilization and Conservation Service, PCG Executive Vice President Donald Johnson wrote "We recommend that the existing seed cotton loan program be continued in essentially the same manner as in 1972."

Loans were available to producers on unguined cotton in 1971 and 1972, but on a somewhat limited basis. Only a few gins on the Plains were approved as processors of field-stored cotton and many producers were unaware of the ease with which loans could be secured. Consequently of an estimated 50,000 to 100,000 bales stored in the fields this season, loans were made on something like 1,000 bales.

Johnson did suggest one improvement in the program. In 1971 and 1972 ginners who wanted to handle seed cotton under loan were required to make application to, and be approved by, the Washington office of ASCS.

"Assuming there will be a great increase in field-stored cotton this year," Johnson wrote, "this procedure may prove unnecessarily slow. Therefore we suggest that application blanks be placed in county ASCS offices and that County ASCS Committees be empowered to give final gin approval."

The ASCS looks to ginners for assurance that field-stored cotton is properly insured and for reports of bale numbers and weights when the cotton is ginned. And since the Washington office of ASCS must depend on county ASCS recommendations concerning the reliability of ginners in this respect, it is only logical that county offices be given authority to make the final decision, Johnson reasons.

A PCG check with the Lubbock ASCS office and with both producers and ginners involved in these loans for 1971 and 1972 revealed general satisfaction with other aspects of the program.

Loans on unguined cotton are made at the rate of 90 percent of estimated value, taking into consideration the volume of cotton ricked plus producer or gin records of turnout and quality characteristics from similar cotton ginned previously.

The field storage system was developed and promoted by Cotton Incorporated, the producer-funded dollar-a-bale program. Much of the development work was done under research grants. Key to the system is a mechanized "rick compactor" which puts the cotton into free-standing ricks able to withstand high winds and resistant to moisture penetration. The rick compactor was developed at Texas Tech University under the direction of Dr. Milton L. Smith, Associate Professor of Industrial Engineering.

The objective of field storage is to avoid, economically, the ginning bottleneck that has plagued the industry since the advent of machine harvesting. CI officials state that under some conditions its use can save up to \$24 per bale in the total cost of moving cotton from farm to mill.

Obviously the "system" will not fit into the circumstances surrounding all farmers or all ginners, Johnson says, "but the seed cotton loan will just as obviously be of use to many of those who do find it to their advantage."

# Contracts Renewed At Wilson

The Board of Education of the Wilson ISD met in their regular session on Feb. 21, with the following members present: Roy L. Kahlich, James L. Savell, Alvin E. Kitten, Curtis Wilke, Billy Weaver, Loyd R. McCormick, Jr., Tommy Bednarz, and Gary M. Gardner, Superintendent.

The following business was transacted:

A 1958 Ford bus was sold to the highest bidder which was First Baptist Church, Livingston, Texas.

## L.A. Garner To Retire At Wilson

L. A. Garner, high school science teacher at Wilson will retire following the completion of this school year.

Born on a Nebraska farm, Garner finished high school at Ord, received his B. A. from Grand Island College, and attended Kearney State Normal, and earned his Masters Degree at Colorado State College of Education.

During 19 years of teaching in Nebraska, he served as a country school teacher, high school principal, basketball coach and superintendent of schools.

In 1948 he moved to Waxahachie and served as principal in a private church school for six years, then moved to Loop where he was principal for three years. He served 13 years in the Crosbyton and Lorenzo schools before coming to Wilson where he is completing his third year.

Garner and his wife Lenore make their home in Lubbock and will continue to do so where he plans to work part time in insurance and real estate.

They have three children, Mrs. F. W. Anderson of Garland, Mrs. Harold Marshall of Mesquite, and Ted Garner of Terrell, and four grandchildren.

## Wilson School Menu

MONDAY -- Steak and gray, cream potatoes, hot rolls, cole slaw, milk, plum cobbler.

TUESDAY -- Veg. stew, milk, mixed veg., crackers, cinnamon rolls.

WEDNESDAY -- Meat loaf, Pinto beans, cornbread, mixed greens, milk, fruit jello.

THURSDAY -- Fish fillets, potato salad, hot rolls, green beans, milk, peach cobbler.

FRIDAY -- Hamburger, veg. salad, buns, french fries, milk, onions, pickles, orange juice, peanut butter cake.

## Children Asked To Register

Parents of children or anyone who knows of a child who will be in Kindergarten or First Grade at Wilson Elementary School, are asked to call or come to the school as soon as possible where the school will know how many to expect in those classes for the 1973-74 school year. Children who will be in the First Grade are those who will be six years old on or before September 1, 1973. Those who qualify for Kindergarten will be as follows: Mexican-Americans born on or before September 1, 1968. Anglos born on or before February 1, 1968. Call 628-2161 or come by and see Ted L. Dockery, Elementary Principal.

The following contracts were reviewed and renewed for 73-74: Wanda Stegemoeller, Tax Assessor-Collector and Administrative Secretary; Bobby Lee Vocational Agriculture teacher; Coy Cook, Band Director; Alvin Mitts, Athletic Director and Head Football Coach; Ben Blair, Head boys' basketball coach in High and Jr. High, and assistant high school football coach; Joe Downey, Reassigned at his request to a teaching position in the system for the 73-74 school year.

The school board decided to take no official action at the present time on the Residence Homestead Exemption, Article VIII.

They voted approval of the Wilson ISD to go on 9-weeks reporting periods instead of 6-weeks reporting periods for the 73-74 year.

A tentative 73-74 school calendar was reviewed and the Easter vacation for the 73-74 year was set for the week preceding Easter. The official approval of the calendar will be in the March regular meeting.

The Board decided to pay an

## Extension Service Calendar

March 3 -- Lubbock County -- The 4-H TV series, "The Magic World of Electricity," will continue each Saturday through April 17 at 12 noon on KCBD TV, Channel 11. Youths, ages 9-19, are invited to participate and enroll in Mr. E's TV Club, according to Jana Cobb, co. Ext. agent.

additional stipend to Alvin Mitts for his days as high school principal from Nov. 7 through May 26, 1973.

## Open House Set Monday Night

The Wilson Independent School will have open house during the week of Public School Week on Monday, March 5 from 7 to 8:30 p.m. Refreshments will be served in the school cafeteria and a band program will begin at 8:30 in the high school auditorium. All parents and interested citizens are invited to visit the schools on this night.

## Medical Expense Deductions Tax Error Category

DALLAS -- Many taxpayers get smaller refunds -- or have to pay additional taxes -- because they make errors in reporting medical expenses. W. T. Coppinger, District Director of Internal Revenue for North Texas, said this week. To avoid errors in deducting medical expenses on 1972 returns, Coppinger advised taxpayers to read the Form 1040 instructions carefully before filing.

A common error taxpayers made in reporting medical expenses is in deducting medicine and drug expenses. Taxpayers can add these expenses to their other medical expenses only to the extent they exceed one percent of adjusted gross income.

"Some taxpayers," Coppinger said, "try to deduct in full their drug costs in excess of one percent of their adjusted gross income instead of adding this excess to their other medical expenses, which are subject to a three percent limitation."

Another common error taxpayers made last year involved the medical insurance premium deduction. A taxpayer can deduct one-half the cost of the premium paid for medical insurance, up to \$150, without regard to the three percent income limitation. The Form 1040 instructions explain what is and is not deductible and also how the expenses should be reported, he asserted.

EGG CLINIC -- The 18th Annual Texas Commercial Egg Clinic is slated at Texas A&M University Mar. 28. The clinic will begin at 8 a.m. in the Memorial Student Center. Discussions on egg marketing and environmental protection will highlight the program, according to a specialist for the Texas Agricultural Extension Service.

EFFECT OF DEVALUED DOLLAR -- According to a specialist for the Texas Agricultural Extension Service, the recent U. S. dollar devaluation should boost agricultural exports. However, U. S. consumers will pay higher prices for certain imported food and fiber products such as spices, vanilla, pepper, coffee, tea, bananas, cocoa, silk and rubber.

THDA members. April 10 -- Garza County -- A Drug Seminar sponsored by Garza County Home Demonstration Clubs will be held in the Post Elementary School auditorium at 7:30 p.m. The public is invited.

## Senior Citizens Club Meets

The Senior Citizens met Friday with 25 members present. Mrs. Fannie Patterson presided over the business meeting.

Rev. Merriell Abbott, pastor of First United Methodist Church brought the devotional from Mark 15:15.

Mrs. Bloom, a visitor, was leaving Saturday morning to return to her home in California.

FOOD PRICE CHECK -- The Federal Trade Commission (FTC) is proposing a check into food prices to determine the validity of claims such as "lowest prices" and "discount prices." A specialist for the Texas Agricultural Extension Service explains that the proposed plan would involve a survey of all food chains accounting for one percent or more of the total grocery sales in a standard metropolitan statistical area (SMSA).

Heart and blood vessel diseases will cost the American economy an estimated \$19.5 billion and cause 52,000,000 lost work days in 1973, according to your Heart Association.

# Roosevelt News

by Lynda Hall and Sandra Patschke

## AROUND THE FIRE HOUSE

### AROUND THE FIRE HOUSE

Concern has been expressed by the Slaton Fire Department regarding public acknowledgment and response to the fire alarm system. In several instances unattentive motorists have delayed not only firemen but also the fire trucks in route to fire calls by disregarding the flashing red lights and sirens. The City ordinance regarding citizens' obligation to react to the fire alarm indicates that motorists will, immediately upon hearing the alarm, pull their automobile to the right hand curb and in doing so allow the firemen and the fire trucks time to reach the scene of the fire unhampered and undelayed. The firemen will appreciate all assistance in this.

the enthusiasm that he has already shown.

### OLD FIREMAN

M. G. Kendrick was presented with his retirement certificate indicating 20 years of (loyal) service to the fire department. Mack will remain active with the department until he further qualifies for retirement in attaining retirement age.

### HELP!

Slaton's fire calls reached an all-time high in 1972. Total responses amounted to 210. This amount well surpassed total calls for previous years. The help that the department is asking is from the citizens. Help support the drive to lower the fire calls for 1973. Don't burn trash and be on the alert for possible fire hazards around your home. A conservative estimate placed the cost of each fire call at more than \$200. Won't you help us with this project?

### MARRIAGE LICENSE

2-28-73 -- Charles Eugene Johnson, Jr. 19, Lubbock and Nancy Gail Walton, 17, Slaton.

### NEW FIREMAN

Dwayne Ham, City Water Superintendent, recently was elected a member of the Slaton Volunteer Fire Department. The department welcomes him as a member and appreciates

Opening ceremonies were given by the officers of Roosevelt FFA chapter and advisors, J. T. Crumley and Billy Hale. Invocation was given by Marvin Powe. All FFA and 4-H members present introduced their parents. Also introduced were FFA Sweetheart, Becky Barnett; Co-Sweetheart, Vicki Park; 4-H Princess, Lynda Hall and Co-Princess, Sandra Patschke.

J. T. Crumley presented the Star Greenhand award to Noel Bills; Star Chapter Farmer award to Michael Patschke; Scholarship award to upper classman Rodney Scott, and 1972 freshman, Eddy Haney.

Those qualifying for the Chapter Farmer Degree were Noel Bills, Wes Killian, David Meador, Roger Bruster, Roy Mahaffey, Bobby Cates and Kim Sherrod. Honorary Chapter Farmer plaques went to J. H. Thomas and J. E. Mimms.

The Roosevelt Stock Show was held Friday, Feb. 23 at the Acuff Co-op Gin. Winners were: Light weight steers, Marty Mimms, 1st, Mike Ragland, 2nd, Rodney Thomas, 3rd, Marvin Powe, 4th, and Neil Jones, 5th.

Heavy weight steers: Brady Mimms, 1st; Mike Ragland, 2nd and 3rd; Maury Probasco, 4th; and Tim Thomas, 5th.

Brady Mimms won Grand Champion in the steer division and Marty Mimms won Reserve Champion.

In the heifer division, Brady Mimms won first and Jace Parchman, second.

In the light weight Duroc gilts: Marvin Powe, 1st; Anthony Bessent, 2nd; Jack McKinney, 3rd; and Anthony Bessent, 4th.

In the heavy weight Duroc gilt division: Marvin Powe, 1st; Ricky Morris, 2nd; Jack McKinney, 3rd; Scotty Bessent, 4th; Mark Reynolds, 5th; and Anthony Bessent, 6th.

All breed gilts: Mark Glaser, 1st; Steve Frizzel, 2nd; Earl Bobo, 3rd; and Marvin White, 4th.

Grand Champion gilt winner was Marvin Powe and Reserve champion gilt went to Mark Glaser.

Light weight Duroc barrows: Gena Thomas, 1st; Anthony Bessent, 2nd; Tim Thomas, 3rd; Mike Davis, 4th; Mike Patschke, 5th; and Buddy Reynolds, 6th.

Heavy weight Duroc barrows: Marvin Powe, 1st; Rodney Thomas, 2nd; Anthony Bessent, 3rd; Scotty Bessent, 4th; Joe Reynolds, 5th; and Craig Hancock, 6th.

Heavy weight crossbred barrows: Mark Glaser, 1st, Earl Bobo, 2nd, and Ray Durham, 3rd.

Hampshire barrows: Tony Thomas, 1st; Dwayne Patschke, 2nd; Anthony Bessent, 3rd; Rex Peel, 4th; and Mike Patschke, 5th.

All other breed barrows: Joe Reynolds, 1st; Terry Harris, 2nd; M. Powe, 3rd; Kenneth Bobo, 4th; Liz Thomas, 5th; and Wally Rennels, 6th.

Champion barrow winner was Mark Glaser, and Reserve champion went to Marvin Powe. In the fine wool lamb division: Steve Pruitt, 1st; Tony Thomas, 2nd; Kenny Perry, 3rd; Calvin Lemon, 4th; Steve Pruitt, 5th; and Reggie Hargrove, 6th.

Crossbred lamb: Tony Thomas, 1st and 2nd; Tim Thomas, 3rd; Wes Killian, 4th; Dennis Moore, 5th; and Gena Thomas, 6th.

Grand champion lamb was won by Tony Thomas and Reserve champion winner was Steve Pruitt.

Noel Bills received the Star Greenhand Award at the Annual Roosevelt FFA Awards Banquet.

Michael Patschke was awarded the Star Chapter Farmer Degree at the Roosevelt Annual FFA Banquet.

Roosevelt's head girls basketball coach, Steve Davis. The Young Homemakers will be playing the FHA girls, who are being coached by Mrs. Glenda Harris.

Young Farmers will play the FFA boys. LaPetite Chapter will be handling the refreshments.

The Young Homemakers will sponsor a day at the South Plains Mall on Mar. 21. The complete Roosevelt School District will be recognized this day. More details of the activities scheduled for this day will be forthcoming.

### CANYON CHURCH NEWS

The seventh and eighth grade Sunday School class held a bowling party Feb. 24 at the Lubbock Bowling Club. Afterwards the group went to the Carnation House for ice cream.

Attending were Larry Washington and his guest, Donna Jones; David Taylor and guest, Becky Jones, and Cindy Hopkins and guest, Daryl Foster. Also attending were Kyle Wright and Mmes. Charlotte Jackson and Melba Wright.

### NEW ARRIVAL

Congratulations to Mr. and Mrs. Bill Jordon of Austin on birth of a daughter, Jennifer Laine, Feb. 10, at 8 a.m. in Seton Hospital. She weighed 7 lbs. and 14 oz. Mrs. Jordon is the former Elaine Reynolds and a 1969 graduate of Roosevelt High School.

Eddy Haney, Roosevelt sophomore, was the recipient of a Scholarship Award.

ROOSEVELT FFA OFFICERS -- Pictured left to right standing are: Michael Patschke, Vice President; Wes Killian, Sentinel; Chris Marshall, Secretary; Brady Mimms, Treasurer; seated, Marvin Powe, Reporter and Tony Thomas, President.

## Junior High Jottings

By ROSA LINDA MARTINEZ AND DELMA REQUENE

Monday was the deadline for the Texas Heritage folders. All of the students in the 8th grade were expected to turn in folders. Some really pretty ones were turned in.

Monday, March 5, Slaton Schools are having Open House for the parents of all students. The schools will be open from 7 to 8:30. All parents are urged to come but to be sure to leave the children at home. Teachers get tired of them too, you know.

We have asked some teachers what they plan to do Public School Week:

Mrs. Jenkins -- Have a play to let everyone enjoy it.

Mrs. Whitley -- Go and hide.

Mrs. Wright -- Have the folders of "You and the Law" on display.

Mrs. Carnes -- Have my students' Texas Heritage folders and other work on display.

Checking out of school this week were Ronny, Kathy and Cherie Baggerly. They are moving to Lockney.

## Cotton Leaders Meet In Lubbock

LUBBOCK -- A joint invitation to attend the Southwest's most important cotton meeting, the Western Cotton Production Conference, went out this week to nearly a thousand cotton producers and allied industry representatives from the Lubbock Chamber of Commerce, the Texas Agricultural Extension Service, and the Plains Cotton Growers, Inc.

He said the opening session will get underway at 8:45 a.m. with a discussion of the government farm program by Jim Carter, executive vice president of Arizona Cotton Growers Association of Phoenix.

The two-day meeting, which will feature a wide range of topics on cotton production, harvesting and marketing, is expected to attract over 400 leading producers and representatives of the cotton industry from the southwestern and southern states.

**\$307 a month. Not bad for a beginner.**

That, plus room and board, will be your starting salary as a new recruit in the Air Force. And you can expect your first raise a few weeks later. In addition, you'll be learning an Air Force skill. The kind that can keep on working for you in or out of service. For more information call:

COLLECT, 806-762-3359, Ext. 601

## A real eye-opener to electric heating costs

Electric heating operating cost estimates usually surprise our customers. They expect electric heat to cost a good bit more. A factual, easily understood, written estimate opens their eyes to the fact it can cost little more than they've been paying. Thousands of our customers are heating electrically now because they asked for the facts about electric heating costs. Phone us today for an estimate. It's free. It's accurate. And, it's a real eye-opener.

electric heating estimate

# WARNING!

## TO NON-SUBSCRIBERS

A man who was too cheap to subscribe to his hometown newspaper sent his little boy to borrow his neighbor's copy. In his haste the boy ran over an \$8.00 hive of bees and in 10 minutes he looked like a warty squash. His father ran to his assistance, and, failing to notice the barbed wire fence, ran into that, cutting a hole in his anatomy as well as ruining a pair of \$10.00 trousers. The old cow took advantage of the gap in the fence, and killed herself eating green corn. Hearing a racket, the wife ran out, upset a four-gallon churn of cream into a basket of chicks, drowning the entire batch. In her haste, she dropped a \$135.00 set of false teeth, which the family dog buried thinking it was a new type of bone. The baby, having been left alone, crawled through the spilled cream and into the parlor ruining a brand new \$250.00 carpet. During the excitement, the oldest daughter ran away with the hired man; a stray dog broke up 11 setting hens; the calves got out and chewed the tails off four fine shirts on the clothes line, and the cat had a batch of kittens.

All this just to save a few cents. And, in this case, the poor guy never did get to read that week's edition.

**LEGAL NOTICES**

**ORDINANCE NO. 252**

AN ORDINANCE PROHIBITING DOGS FROM RUNNING AT LARGE ON PUBLIC OR PRIVATE PROPERTY; DEFINING TERMS; PROVIDING FOR LICENSING AND VACCINATION OF DOGS; PROVIDING FOR THE WEARING OF COLLAR WITH TAGS ATTACHED; PROVIDING FOR IMPOUNDING OF DOGS; PROVIDING FOR NOTICE OF IMPOUNDED LICENSED DOGS; PROVIDING FOR RELEASE OF DOGS IMPOUNDED UPON PAYMENT OF FEES; PROVIDING FOR THE SALE OR DESTRUCTION OF DOGS NOT REDEEMED; PROVIDING FOR REDEMPTION OF DOGS SOLD; PROVIDING FOR RECORDS; PROVIDING FOR VICIOUS DOGS; PROVIDING FOR INSPECTION; PROVIDING FOR UNCONSTITUTIONALITY; REPEALING CERTAIN ORDINANCES; AND PROVIDING PUBLICATION.

WHEREAS, the City Commission finds that the public health and welfare of the City of Slaton is endangered by the running at large of unvaccinated dogs, which creates conditions leading to rabies epidemics; and,

WHEREAS, the running at large of all dogs has resulted in the destruction of untold dollars' worth of private property; and,

WHEREAS, dogs running at large are responsible for the injury of many of the inhabitants of the City of Slaton and thus detrimental to public welfare; and,

WHEREAS, the City of Slaton has no adequate ordinances regulating the running at large of dogs within the City, and it has come to the attention of the governing body that dogs are being kept within the city limits in a manner which is dangerous and disturbing to the residents of the City of Slaton; and the City Commission deems the following ordinance provisions necessary in the public interest; THEREFORE, BE IT ORDAINED BY THE CITY COMMISSION OF THE CITY OF SLATON:

**SECTION 1. Definitions.**

"Dog" shall for the purpose of this ordinance mean both the male and female.

"At Large" shall for the purposes of this ordinance be intended to mean (1) not under the control of the owner either by a leash, chain, cord or other suitable material attached to a collar or harness; or, (2) not restrained securely within an enclosure or fence.

"Owner" shall for the purposes of this ordinance be intended to mean any person, firm or corporation owning or keeping or harboring or having control of, or custody of, a dog.

SECTION 2. It shall be unlawful for any person owning, or having control over, or having custody of any dog to permit or allow such dog to run or be at large upon any public highway, street, alley, court square, park, sidewalk or any other public grounds or public property of the City of Slaton.

SECTION 3. It shall be unlawful for any person owning, or having control over, or having custody of any dog, permit or allow such dog to run or be at large upon any unfenced lot, tract or parcel of land within the corporate limits of the City of Slaton.

SECTION 4. There is hereby levied upon each and every dog more than six (6) months of age which is kept, harbored or maintained by the owner thereof in the corporate limits of the City of Slaton, an annual license fee of One Dollar (\$1), which license fee is due before the 1st day of April of each year for which it is paid. Dog licenses shall be issued by the City Tax Collector upon payment of the license fee and application made upon printed forms provided for such purpose, which application shall state the name and address of the owner or keeper of such dog and the name, breed, color and sex of the dog being licensed.

Upon payment of the license fee, the Tax Collector shall issue to the owner a license certificate and metallic tag for each dog so licensed. The tag shall have stamped thereon the year for which it was issued and the number corresponding with the number on the certificate.

The City Tax Collector shall not issue any license or license tag for any dog until the owner or person in charge of such dog shall have obtained and presented to such Tax Collector a certificate from a veterinarian, licensed to practice veterinary medicine in the State of Texas, that such dog has been vaccinated for rabies during the calendar year for

which the license is applied for. Dog license tags shall not be transferable from one dog to another and it shall be unlawful for the owner or person having control over or custody of any dog to transfer such license tag from the dog for which such tag was issued to any other dog.

No refunds shall be made on any dog license fee because of death of the dog or the owner's leaving the city before the expiration of the license period.

SECTION 5. It shall be unlawful for any person to maintain or keep a dog more than six (6) months of age on any premises within the corporate limits of the City of Slaton unless such dog wears a collar or harness securely attached to its body to which shall be securely attached a tag issued for said dog by a licensed veterinarian, licensed to practice veterinary medicine in the State of Texas, showing that the dog has been, within the current calendar year, vaccinated against rabies, and also securely attached to said collar or harness a license tag showing said dog has been licensed by the Tax Collector of the City of Slaton for current year. The provisions of this section shall not apply to dogs six (6) months or less of age.

SECTION 6. It shall be the duty of the animal warden or any of his deputies or any City policeman while on duty, to seize and impound, subject to the provisions of this ordinance, all dogs found running at large upon any public highway, street, alley, court square, park, sidewalk or any other public grounds or public property within the City of Slaton, whether in the immediate presence of the owner or custodian or otherwise.

SECTION 7. It shall be the duty of the animal warden or any of his deputies or any City policeman while on duty, to seize and impound, subject to the provisions of this ordinance, all dogs found running at large upon any unfenced lot, tract or parcel of land within the corporate limits of the City of Slaton, whether in the immediate presence of the owner or custodian or otherwise, and such animal warden, deputy or City policeman is hereby authorized to enter upon any unfenced lot, tract or parcel of land for the purpose of seizing and impounding any dog running at large thereon.

SECTION 8. Any person may take up and deliver to the public pound any dog which the animal warden is by the provisions of this ordinance required to impound.

SECTION 9. Any dog found trespassing or running at large on any private property may be taken up by any person and delivered to the pound keeper.

Every person other than a police officer or the animal warden or his deputies that takes up any dog under the provisions of this ordinance shall immediately thereafter give notice thereof to the animal warden, and every such person, or any person in whose custody such animal may in the meantime be placed, shall deliver such dog to the animal warden without fee or charge, and the animal warden shall thereupon hold and dispose of such animal as though such animal had been found running at large and impounded by him.

SECTION 10. The animal warden or his designated deputies, upon receiving any dog, shall make a complete registry, entering the breed, color and sex of such dog and whether licensed and the place and time of taking into custody. If licensed he shall enter the name and address of the owner and the number of the license tag. Licensed dogs shall be kept separated from unlicensed dogs.

SECTION 11. After the impounding of any licensed dog, if not redeemed within six (6) days from the date of impounding, said dog shall be disposed of by sale or destruction.

SECTION 12. If there is no license tag for the current year attached to any dog impounded and such dog has not been redeemed by its owner within seventy-two (72) hours from the times of impounding such dog, such dog shall be destroyed or sold as hereafter provided.

SECTION 13. The owner of any licensed dog impounded may redeem such dog at any time prior payment of One Dollar (\$1) impounding fee and One Dollar (\$1) per day for each day such dog shall be impounded.

SECTION 14. The owner of any unlicensed dog impounded may redeem such dog at any

time prior to sale or destruction by having such dog duly licensed, vaccinated against rabies, and the payment of Two Dollars (\$2) impounding fee and One Dollar (\$0) per day board fee for each day such dog shall be impounded.

SECTION 15. It shall be the duty of the animal warden to keep all licensed dogs for a period of six (6) days from the date of the impounding. If at the expiration of six (6) days such dog has not been redeemed by the owner, it shall be sold or destroyed.

SECTION 16. It shall be the duty of the animal warden to keep all unlicensed dogs for a period of three (3) days. If, at the expiration of three (3) days from the date of impounding, such dog has not been redeemed, it may be destroyed or sold as herein provided.

SECTION 17. At any time after the expiration of the period of time for redemption of impounded dogs shall have expired, the animal warden may, without further notice and without advertising in any manner, sell at private sale or public auction, for cash, any dog not redeemed or reclaimed. All dogs impounded and not redeemed, reclaimed or sold after the period of time for redemption has expired, shall forthwith be destroyed by the animal warden.

SECTION 18. The owner of any dog at the time it is impounded, may within thirty (30) days after such dog is sold, redeem the same from such purchaser by paying to him the amount of the purchase price paid by him to the animal warden, and in addition thereto the licensing fee and vaccination charges, if any were incurred, and in addition thereto a charge of One Dollar (\$1) per day for the number of days from the date of sale to the day of redemption. At the end of thirty days (30) from the day a dog is sold, the right to redeem shall expire.

SECTION 19. The animal warden shall keep necessary records as are required to show in detail the disposition of all animals impounded and the money collected by him and such other records as are

required by the City Auditor. All money collected shall be delivered as required by the City Auditor, to the City Treasurer, who will deposit same in the general fund.

SECTION 20. The animal warden shall file such reports under oath as are required by the City Commission.

SECTION 21. If any dog within the City of Slaton shall bite, scratch or otherwise attack any person, and the person so attacked was not at the time trespassing upon the property of the owner or person having control of such dog, or if it cannot be proved beyond a reasonable doubt that the person so attacked was provoking or teasing such dog, the Corporation Court of the City of Slaton shall have the authority to order and hold a hearing, and if such Court shall determine at such hearing that such dog is vicious or dangerous to persons or other animals, the Court may order that such dog be kept muzzled, or that such dog be kept within a sufficient enclosure, or that such dog be delivered to the animal warden and by him destroyed.

SECTION 22. Any person who shall maintain or keep a dog more than six (6) months of age on any premises within the corporate limits of the City of Slaton which has not been licensed and vaccinated as required by this ordinance, shall be guilty of a misdemeanor and shall be fined any sum not to exceed Two Hundred Dollars (\$200).

SECTION 23. Any person who shall interfere with or attempt to prevent the animal warden or any of his deputies or any City policeman, from catching or impounding any dog running at large, whether on public or private property, shall be guilty of a misdemeanor and shall be fined any sum not to exceed Two Hundred Dollars (\$200).

SECTION 24. Any person who shall refuse to deliver any unlicensed or unvaccinated dog to the animal warden or any of his deputies or any City policeman upon demand for impounding, shall be guilty of a misdemeanor and shall be fined any sum not to exceed Two Hundred Dollars (\$200).

SECTION 25. Any owner, keeper or custodian of any dog shall allow such to run "at large" as such term is herein defined, whether on public or private property, shall be guilty of a misdemeanor and shall be fined in any sum not to exceed Two Hundred Dollars (\$200).

SECTION 26. The animal warden or his authorized deputies shall have the right at any reasonable time to inspect any dog to determine if said dog is licensed and vaccinated as required by this ordinance and have the authority to enter any premises for such purpose, and it shall be unlawful for any person to refuse entrance to such animal warden or his deputies or to impede, obstruct or exclude such animal warden or his deputies when attempting to enter such premises for the purpose of inspecting such dog, and any person who shall refuse entrance or impede or obstruct such animal warden or deputy shall be guilty of a misdemeanor and shall be fined in any sum not to exceed Two Hundred Dollars (\$200).

SECTION 27. If any section, sub-section, sentence, clause, phrase or work of this ordinance is for any reason held to be unconstitutional or invalid such decision shall not affect the remaining portions of this ordinance.

SECTION 28. All ordinances or parts of ordinances in conflict with this ordinance are hereby expressly repealed.

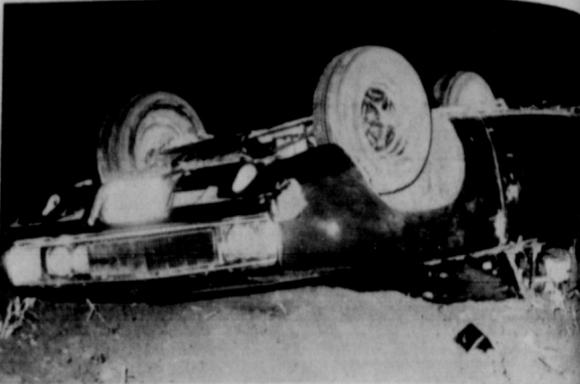

SECTION 29. This ordinance shall become effective after passage on three readings, on and after the 21st day of October, 1964.

SECTION 30. This ordinance shall be published in full in the manner provided by the City Charter.

AND IT IS SO ORDERED.

On motion of Commissioner Bollinger, seconded by Commissioner Banks, this Ordinance was passed on first reading this 24th day of August, 1964, by the following vote:

Commissioners Voting "YEA":  
Bollinger, Banks, Reasoner and Mayor Cain.

**AUTO ROLLS --** This car rolled over several times into a field just off U.S. 80 southeast edge of Slaton about 11 p.m. Monday. It was driven by Davis Kirk, believed to be from Abilene, and was involved in a collision with a car driven by Cunningham of Slaton. There were no serious injuries. (SLATONITE)

**Athenian Meeting Held Tuesday**

The Athenian Club met Tuesday in the Chamber of Commerce directors room. Carolyn Bartley was hostess for the event. Mrs. J. P. Halliburton gave her testimony of faith for the program. Members answered the roll with a scripture. Twenty-three members were present.

Commissioners Voting "NAY":  
None.

On motion of Commissioner Reasoner, seconded by Commissioner Bollinger, this Ordinance was passed on second reading this 14th day of September, 1964, by the following vote:

Commissioners Voting "YEA":  
Banks, Reasoner, Self, Bollinger and Mayor Cain.

Commissioners Voting "NAY":  
None.

On motion of Commissioner Banks, seconded by Commissioner Self, this Ordinance was passed on the third reading this 28th day of September, 1964, by the following vote:

Commissioners Voting "YEA":  
Reasoner, Bollinger, Banks and Mayor Cain.

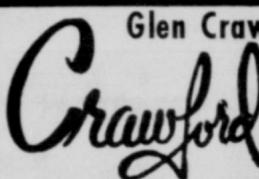

Commissioners Voting "NAY":  
None.

MAYOR: Jonas Cain.

## Minimum Tillage Practice Promoted

"The year for minimum tillage is here" W.Y. Reece, District Conservationist of the Soil Conservation Service, said this week. "Soil moisture conditions are excellent, therefore the least amount of disturbance we can do in the preparation of the seedbed for spring planting is very desirable."

Minimum tillage does not mean no tillage, he said. Minimum tillage is the smallest number of trips one can make over a given tract of land throughout one complete cropping season to insure a good crop. Minimum tillage means leaving crop residue on the soil surface and planting the succeeding crop in the residue. It means making maximum use of weed control chemicals.

Under dryland conditions, it could mean as little as three to four trips over the land from the harvesting of one crop to the harvesting of another. Surface irrigated land requires an extra trip to prepare for irrigation.

Minimum tillage means no sand fighting in the spring, better stands of crops and no re-planting due to wind damage. W.B. Criswell, Ichlow, a member of the Lubbock County Soil and Water Conservation District Board of Directors, reports grain sorghum (irrigated) following cotton produced 7200 pounds per acre under minimum tillage operation while conventional tilled grain sorghum produced 6700 pounds per acre.

Reece urged interested persons to contact their local soil conservation service office for further information.

TILLAGE RESULT -- Minimum tillage being used on the W. B. Criswell farm near Idalou. Double row grain sorghum followed cotton in 1972 with a yield of 7200 pounds per acre.

## CONSUMERS' CORNER

Knits no longer have the exclusive rights to move-with-the-body stretch comfort. Now, thanks to the two-way textured polyester yarns, there is a woven fabric that can "give" with the body and that will recover its shape permanently.

Two-way texturization is a fabric process in which 100 percent polyester yarns are permanently crimped or twisted into a coil shape. When these yarns are woven into a fabric, the finished product stretches and gives. The easy care freedom of the textured polyester is great for action apparel. Garments can be bulky without weight, lustrous and drapable.

Men's wear can make use of the crisp hand; women's and children's wear can profit from the soft suppleness of these woven fabrics. Stretch recovery is permanent. In addition, two-way texturizing gives all the aesthetic appeal of knits.

One word of caution - although the textured woven fabric looks like a knit - the seams will ravel. So, seams should be finished.

# DEATHS

## Mrs. Roy Bankston

Mrs. Roy C. (Fay) Bankston, 59, of 301-39th in Lubbock, died Monday morning in Highland Hospital after several weeks' illness. She was the sister-in-law of Mrs. Rachel Bartley, former Wilson resident.

Funeral services were held at 2 p.m. Wednesday in Lubbock's Southside Church of Christ. Austin Sebert, minister, officiated, assisted by Earl Danley of Odessa. Burial was in Peaceful Garden Memorial Park.

Mrs. Bankston, a Lubbock resident for 30 years, is a former resident of Floydada. She retired as an employee of Bluebonnet Laundry in October of 1972 after 20 years.

She is survived by her husband, Roy; one daughter, Mrs. Betty Watkins of Lubbock; two brothers, Cecil Davis of Farmington, N.M.; her mother, Mrs. Mattie Davis of Crowell; two sisters, Mrs. Robbie Nichols, Eden, Okla., and Mrs. Marie Short of Borger; four grandchildren and one great-grandchild.

## Mrs. David Hawk

Mrs. Gertrude Helen Hawk, sister of Leon Grochowsky of Slaton, died Tuesday at Bethel Deaconess Hospital in Newton, Kan. She was born Feb. 19, 1918 and married David Hawk on May 22, 1943 in Fort Knox, Ky.

Survivors include her husband; one daughter, Mrs. Mary Gordon of Newton; six sons, David Jr., of Barstow, Calif., Daniel, Mark, George and Luke, all of Newton, and Glenn of Wichita; two sisters, Mrs. Robert McNeill and Mrs. Martin Gronau, both of Newton; two brothers, Vincent Grochowsky of Newton and Leon Grochowsky of Slaton; and eight grandchildren.

Services were held Friday at St. Mary's Catholic Church with burial in St. Mary's Cemetery.

Mrs. Hawk had lived in Slaton until 1953 when she moved to Newton.

## C.E. Speer

Services for C. E. "Claude" Speer, 83, of Rt. 7, Lubbock, were held Monday in the Rix Chapel in Lubbock.

Officiating was the Rev. Vernon O'Kelly, minister of Ralls United Methodist Church, and the Rev. Alleh Forbus, minister of Plainview United Methodist Church. Burial was in City of Lubbock Cemetery.

Speer died Sunday in Colonial Nursing Home.

He moved to Lubbock County in 1933 from Arkansas and farmed until he retired in 1959. He was a member of the New Deal United Methodist Church. Survivors include the wife, Hattie, of Lubbock; three sons, Glen Speer of Rt. 2, Lubbock, W. J. Speer of Roosevelt; and L. D. Speer of Lubbock; five daughters, Mrs. Rhea Jones of Roosevelt, Mrs. Isabel Buechler, of St. Louis, Mo., Mrs. Virginia Kinslow of Denver, Colo., Mrs. Betty Sue Utela of Eureka, Calif., and Mrs. Etta Mume of Midland; one brother, R. B. Speer of Lubbock; one sister, Mrs. Ada Bowden of Russellville, Ark.; 35 grandchildren; 43 great grandchildren and two great-great-grandchildren.

## Mrs. G.R. Buchanan

Mrs. G. R. (Hazel) Buchanan of 650 W. Lubbock, died Monday at Mercy Hospital after an illness of about one year. She had been a Slaton resident for several months.

Services will be held today (Thursday) at Fairmont Terrace Christian Church in Amarillo at 2 p.m. Burial will be in Llano Cemetery.

She is survived by her husband; three sons, Paul Buchanan of Slaton, trainmaster for Santa Fe, Eugene of Pennsylvania and Dale of Iowa.

Mrs. Buchanan moved to Slaton after having been an Amarillo resident for 25 years.

## St. Joseph's School Cafeteria Menu

Monday -- Turkey and noodles, cranberry sauce, green beans, bread, butter, special K cookies and milk.

Tuesday -- Super Dogs, mixed vegetables, Ritz and peanut butter, apple sauce and milk.

Wednesday -- Red beans, french fries, green salad, cornbread, brownies and milk.

Thursday -- Spaghetti and meat sauce, green beans, jello salad, bread, butter, cake and milk.

Friday -- Grilled cheese sandwich, deviled egg, mixed vegetables, apple crunch and milk.

# THE LORD

II Tim. 2:4-7 -- "As Christ's soldier do not let yourself become tied up in worldly affairs, for then you cannot satisfy the one who has enlisted you in his army. Follow the Lord's rules for doing his work, just as an athlete either follows the rules or is disqualified and wins no prize. Work hard, like a farmer who gets paid well if he raises a large crop."

"Think over these three illustrations, and may the Lord help you to understand how they apply to you."

Think about Jesus Christ and you have to think about total commitment. Can you imagine Jesus without total commitment?

Read about what happened in the book of Acts. The Lord worked miracles among those who were totally committed. Things began to happen when they dared to believe God. He does the same today!

The Bible speaks of a prayer meeting consisting of about 120 people which went on for SEVERAL DAYS! Doesn't that sound like total commitment? What kind of a prayer meeting do you suppose they had? What in the world do you suppose they could pray about for several days? Do you think they were praying, "Lord, bless brother so and so, and bless our family, and bless our neighbors, etc.?"

I believe, if I had been there, and had experienced what they had experienced, and seen what they had seen, I would be so full of joy and awe and adoration, that it would simply have to be a "praise" prayer meeting. Hallelujah!

They had just witnessed the death of Jesus. But more than that, they had seen His resurrected body, and to top it all, they had seen Him rise up into the clouds and disappear into heaven. "As they were straining their eyes for another glimpse, suddenly two white-robed men were standing there among them, and said, 'Men of Galilee, why are you standing here staring at the sky? Jesus has gone away to heaven, and some day, just as he went, he will return!'"

The people at that prayer meeting were totally committed to Jesus and didn't care what others were saying about them. And we see that a little later the Holy Spirit fell on them and so filled them with joy that outsiders accused them of being drunk!

When one becomes totally committed to Jesus, exciting things begin to happen. Praise the Lord! I can't imagine why anyone would want to hold back a part of his life for himself, when living each day with Jesus is so exciting!

The Bible speaks of an athlete following all the rules, throwing himself completely into training, and playing the game with all that he has, and not thinking about what others are thinking or saying about him. Well, we understand how it takes total commitment in sports. The athlete who is totally committed gets more joy out of the game than the one who goes at it half-heartedly. And isn't it a joy to watch a

basketball player who really puts all his heart into the game? A person just learning to swim plays at the edge of the water for a while. Then he gets out a little deeper and learns to swim. It's fun to observe and to play at the edge. But then when you really learn to swim, playing at the edge of the water no longer satisfies, and you naturally desire to get out into the deep water.

There's more to being a Christian than just being saved. There's more joy and fulfillment to be had as we walk out into the deep with Jesus. It pleases the Father to see his children totally committed -- not just half-hearted about it.

The Bible speaks of a soldier too -- being a good soldier. Obedience would be most important whether the soldier understood or not. Also in the service, all of your clothing, your food and shelter are provided so that you won't have to be concerned about anything at all except learning to be a good soldier.

The same thing is true with being a totally committed soldier to Jesus Christ. He promises everything we need will be supplied if we put Him first.

Last of all, we should think like a farmer thinks -- if he plants seed, he expects a harvest. If we pray, we should expect an answer. If we ask the Lord for more love and compassion, then we should expect Him to give us more love and compassion, if we pray for an answer to a particular problem, then we should expect that problem to be solved. If we do good things for others, then we will reap things that are good.

WIN DISTRICT -- Slaton's 8th grade girls won district this year. Standing, left to right, are Sandra Mercer, Debbie Sikes, Roxanne Shuette, Donna Pack, Cristi Gary, Zoe Preston, Dana Holt, Sylvia Romero, Regina Williams, Coach R. G. Copeland, Gloria Torres and manager Rosa Martinez. Kneeling are Regina Tomlinson, Jo Ann Roye, Delma Pequero, Robin Kerr and Joyce Maxwell. (SLATONITE PHOTO)

## Jr. High Girls Have Top Season

Slaton's Junior High girls teams, coached by R. G. Copeland, have closed out a fine season, with both the 7th grade and 8th grade teams winning the district championships.

The 7th graders, who had a season mark of 15 wins and 3 losses, won two other trophies, first place in the Slaton 7th grade tournament and second in the Tulla tournament. This team was defeated only one time by a 7th grade team. The other two losses were to teams playing combinations of 7th and 8th graders.

The 8th grade girls won 17 and lost 5. They won the Post 8th grade tourney, placed second at Floydada and third at New Home.

EVEN though hearing loss victims are suffering from a very real physical disability, they seldom are shown the concern extended to individuals with other types of handicaps, point out officials of the Beltone Crusade for Hearing Conservation. This is because there are no visible impairments connected with a hearing loss.

Parents should realize that children encountering scholastic or social problems in school may be victims of undetected hearing losses, warn officials of the Beltone Crusade for Hearing Conservation.

"Glory be to God who by his mighty power at work within us is able to do FAR more than we would ever dare to ask or even dream of -- infinitely beyond our highest prayers, desires, thoughts, or hopes." (Eph. 3:20)

Praise the Lord! He is due our whole-hearted service!

COMMON SLATON SCENE -- Snowmen, even big ones like this, haven't been exactly a rarity in Slaton and the surrounding area this year, as more snow has fallen than residents have seen for years. Just about everybody is weary of snow, but as these girls have done, you might as well enjoy it. This snowman, with a red miniature basketball nose, curlers for a mouth and buttons for eyes, was making a peace sign, but it's too bright to show here. From left are the creators, all high school juniors: Elaine Boyle, Sherree Perdue and Kathie Price. (SLATONITE PHOTO)

7TH GRADE CHAMPS -- Slaton Junior High 7th graders are shown here, from left, are Coach R. G. Copeland, manager Norma Cisneros, Sherri Eakin, Kathy Thornburg, Diane Everage, Paula Johnson, Kandice Martin, Margaret Terri Neill, Dena Gamble, Debbie Shackelford, Mitzi Cawthon, Lynn W. Bradford. Kneeling are Linda Valderaz, Estelle Hernandez, Judy Thomas, Preston and Cynthia Kincer. Not shown is Sheila Wallace. (SLATONITE PHOTO)

## SHS Tennis Team Beats Idalou

Slaton's varsity and freshman tennis players defeated Idalou's tennis team 8 matches to 3 here Tuesday; however, Idalou's two top players on the boys team were playing at Coronado High in Lubbock and did not compete here.

Girls results: (Slaton 5, Idalou 0) Kathy Eblen over Willma Langdon 6-1, 6-3; Kayla Curry 8-3 over Yolanda Vega; Melissa Locke 8-1 over J. Miller; Lori Voigt and Doniva Sikes over C. King and P. Snodgrass 8-2; Juanell and Vondell Wood

over E. Benton and D. Hubbard 6-2, 6-1.

Boys results: (Slaton 3, Idalou 3) Tommy Spitzer of Idalou 8-1 over David Evans; L. Gluver and Paul Vega of Idalou 8-1 over Richard Evans and Jerry Montgomery; Tip Culver and Danny Kenny of Slaton 8-1 over D. Coghill and J. D. Dowdy; David Flores of Slaton 8-0 over S. Sherman; Flores over A. Sowder 8-6, Two Idalou boys then defeated Slaton girls V. Wood and Eblen 8-1.

Girl Scouting today is far more than cookie sales and handicrafts. As the nation commemorates Girl Scout Week, March 11-17, millions of Girl Scouts will be working in community service programs such as tutoring young disadvantaged children, constructing "mini-parks" on vacant city lots, drug abuse prevention and ecology, to name just a few.

GSA is the world's largest voluntary organization for girls, with a membership of nearly 4 million girls and 670,000 adult leaders. Since its inception in 1912, Girl Scouts of America has instilled in its members the highest ideals of character, service and patriotism so that the girls may become wise mothers and leaders America needs to grow and prosper.

As one organization pamphlet explains, the many worthwhile activities of GSA reflect "the promise of continuous growth and unending service to the nation and the world by young people who have transmitted their imagination, energies, and commitment through the broad scope of Girl Scouting." If any organization deserves special recognition for a job well done, it is the Girl Scouts of America.

## Support Builds Confidence

BY ANN PARTAIN

at SHS have really supported the Tigers and this year during basketball season. Recently, the bi-district game, SHS really gave the girls the majority of the student body and faculty showed some. This backing gave the girls an even better feeling than they already had when they saw the crowd lined up to support the team. Pride was shown at the contest. It is support like this that helps winning teams. The support was really good for the team. The students showed up for most of the games, and really helped in the many victories which they want to keep up the victories; we must all keep support.

## Names Named At Slaton High

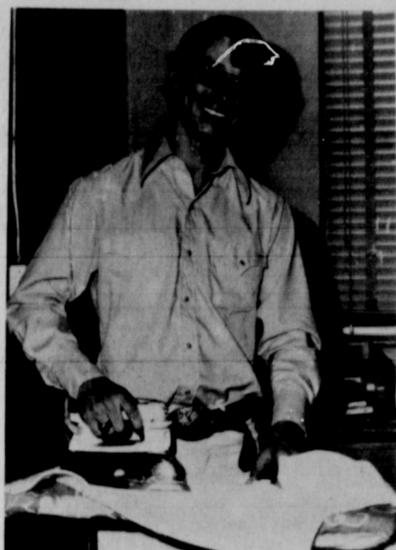

Miss and Marilyn Smith, sophomore favorites; and Gary Aycock and Jane Madrana, freshmen favorites.

## Culver's Clatter

Orange and white were the new colors at SHS Monday when 20 basketball girls returned from Austin with University of Texas sweatshirts on.

The group stayed at the Charlot Inn where they arrived at 6:30 Thursday night.

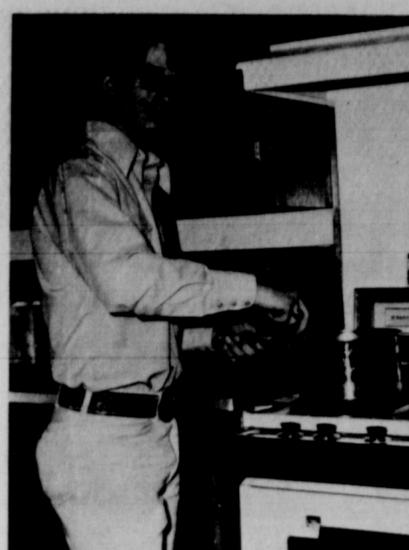

Sunday they got home at six. The trip was a big success and a lot of fun for the group and many new things were learned about basketball. Watching the games was very beneficial.

ALAN DAVIDSON

SLATON FHA BEAU

THE PERFECT HOMEMAKER

## Alan Davidson Chosen Slaton FHA Beau At Annual Banquet

Alan Davidson, SHS senior, was chosen FHA Beau at the annual banquet held Monday night. Other nominees for this coveted award were Ron Bartley, Kenney Schuette, Jerry Hopper, Joel Ham and Mike Busby.

Entertainment was provided by a group of freshmen and sophomore girls. Leslie Self, Susan Mercer and Shannon Wallace sang, while LaDonna Jones provided music at the piano. Some of the songs they sang were "Tapetry", "Will You Love Me Tomorrow?" and "Both Sides Now". Brenda Pivonka and Tyra Biggs gave the invocation and benediction. Decorations were provided by Pauline's Flowers.

## Opinions Given On Dress For Opposite Sex

When asked what they think about how the opposite sex dresses, these students replied: Mineiva Ybarra -- "Shoo-be-do."

Ann Webb -- "I like 'em and whatever they come in!"

Karen Gary -- "Some dress good, some dress bad."

Rhonda Biggs -- "It's all right except for the cowboys put their pants in their boots."

Iris Boyd -- "Mediocre." Susan Ford -- "I like most of it."

Kimmy Cooper -- "Nothing, as long as you can tell they are the opposite sex."

Debra Gentry -- "They ought to be more opposite."

Jo Edna Smith -- "Some of them need improving."

Kathy Adams -- "It's all right with me."

Bill Jones -- "It all depends on when I see 'em."

Matt Kitten -- "I agree with Bill."

Ricky Denzer -- "I agree with Matt."

Phil Whaley -- "The shorter the better."

Ronnie Smith -- "Wow!"

Jimmy Tipton -- "I think it's pretty good to an extent."

David Evans -- "I think the girls should wear dresses."

Carter Lankford -- "It's too square."

Mark Abbott -- "It's all right."

Mike Vanmeter -- "Oh, about halfway."

Doris Meurer -- "It's ok cause they're gonna dress like they want."

Karen Reese -- "Depends on the person."

Cindy Coe -- "It's ok."

Ann Partain -- "Far out, man."

Karla Kendrick -- "Great, sometimes."

Amy Brewer -- "Boys don't wear dresses."

Jan Luke -- "It's all right."

Loretta Wolf -- "Bobby dresses just fine."

Brenda Johnson -- "Just as long as it's the opposite sex, I don't care what they wear."

Bonnie Pierce -- "Pretty dagnum nice."

Sonja Burton -- "Good, sometimes."

Melba (Toast) McCormick -- "All right."

Stan Meador -- "Just as long as it is sexy looking to me."

Mrs. Brown -- "Sharp."

Holly Johnson -- "I like it. Guys should look like guys, I mean there's a limit to hair length; and I hate guys in short pants or shoes with high heels and I like styled hair."

Kay Lynn Etter -- "I don't like the way boys dress in high school. Blue-jeans are OK, but every day!"

Mira Healy -- "I can't stand short pants or straight legged pants with boots. I like double-knit shirts; they are sexy."

Becky Culver -- "I'm not sure what I think about cowboy clothes."

Juanell Wood -- "Sloppy."

Vondell Wood -- "I don't really care."

Randall Richardson -- "I love the way Rhonda dresses."

Jackie Edwards -- "Uhhh!"

Kenny Schutte -- "Karla dresses nice."

Bruce Jones -- "I like it as long as it's short."

Dan Butler -- "I definitely like it."

Randy Marshall -- "Suits me fine."

Bobby Stone -- "Ok!"

Bobby Anderson -- "All right."

Dalton Fleeman -- "It's just fine."

Gary Tedder -- "The dresses are too long."

Don Tedder -- "Should be reasonable in the way they dress."

Kevin Hoover -- "Need to get their dresses shorter in length."

Gary Jones -- "It's fine."

Billy Pickens -- "It's all right with me!"

Paul Sumrall -- "Not enough."

Anna Birdwell -- "It's all right, except their hair needs to be longer."

Sharla Pivonka -- "I like the way the guys dress."

Cathy Townsend -- "Sometimes it's all right."

Robin Sammons -- "I like it."

Donna Young -- "Nothing! I don't like boys."

Gail Waters -- "It's all right."

Debbie Fleeman -- "They could dress neater."

## Is 16 Old Enough To Drive?

Students at Slaton High School have various opinions. The question on which the students voiced their opinions this week was:

"Should the minimum age for acquisition of an automobile operator's license be reduced to 16 years of age in all states?"

Here are the responses: Kayla Curry -- "Yes, because if you are old enough in Texas you're old enough in other states."

Joe Alspaugh -- "Yes, because you're old enough."

Ricky Becker -- "Yes, because if you have enough responsibility to do other things you're old enough to drive."

Dwayne Mosser -- "Yes, but it depends on the maturity of the person."

Jan Davis -- "No, because you're not old enough and also because I already have mine."

Kathy Milliken -- "Yes, because most 16-year-olds today are more mature than they used to be, and they are willing to accept the responsibility of driving a car with safety."

Patti Melton -- "Yes, because they are old enough."

Becky Culver -- "Yes, because if 16 is old enough in one state, it should be in the others."

Ann Partain -- "Yes, because if they are as mature as I am, they can drive."

Randall Richardson -- "Yes, because if they drive as good as I do, they should have a driver's license."

Jimmy Tipton -- "Yes, because if they will drive without them if they don't get them."

Juanell Wood -- "Yes, because that way I can get mine."

Vondell Wood -- "Yes, because they know how to use their heads."

**Seniors Are Measured For Caps and Gowns**  
On Feb. 15, the Seniors were measured for caps and gowns. They were given a form to fill out stating their height, weight, cap size and sex. The people who did not have their \$5.25 that day were measured first and given until Feb. 20 to hand in their money.

# School Financing Plan Is Offered

AUSTIN-- A revised public school finance plan combining a state-local shared Foundation Program with equalization of local enrichment money will be sent to the Texas Legislature by the State Board of Education.

The plan is conditioned upon legislative adoption of a state-wide system for determining a fair market value index of taxable property in all Texas school districts.

Substantially an expansion of the Foundation School Program, the plan incorporates proposals previously recommended by the Board's committee on public school finance.

At the same time, the Board voted to present the previously recommended complete state funding of the Foundation School Program with unlimited local leeway as an alternative.

Funding of "A Comprehensive Public School Finance Program for Texas" is built on four key points:

First, legislative establishment of a market value index.

Second, it would equalize enrichment or "above minimum" funds among most Texas school districts.

Third, it would allocate the local share of Foundation costs in relation to each district's

taxable capacity as determined from the market value index.

Fourth, debt service and capital outlay would remain a local responsibility.

Under the market value index, the Foundation School Program would be funded from a combination of state and local money.

Each district's share would be determined by applying a tax rate equivalent to 25 cents per \$100 of market value of taxable property in the district. The state's share would provide the remainder of Foundation School Program costs and would continue to be guaranteed.

The level of tax enrichment funds available to school districts would be expanded to a maximum of \$300 per student, except in school districts already adding more than this amount to the state support under the Foundation School Program.

At the present time, the average for these enrichment or local leeway expenditures is \$180 per student. An estimated 130 school districts with at least 35,000 students now spend more than \$300 per student in local leeway funds. There are 1,449 districts in the state.

However, the Board proposal also builds in a means for generating more local enrichment funds within a school district which may otherwise not be able to raise the money.

For example, a school district may need \$100 per student above the Foundation School Program to start or continue a special program. It could levy the equivalent of a tax rate not to exceed 10 cents per \$100 of the index market value of taxable property in the district. Then, guaranteed state aid would be provided if this rate did not raise the required money.

At the present time, the average for these enrichment or local leeway expenditures is \$180 per student. An estimated 130 school districts with at least 35,000 students now spend more than \$300 per student in local leeway funds. There are 1,449 districts in the state.

# Six Flags Over Texas

ARLINGTON -- Details of the largest expansion program in several years at Six Flags Over Texas have been revealed by the theme park's general manager.

Robert W. Freeman said the \$1.5 million project will add approximately five acres to the Park's entertainment area.

To be known as Good Time Square, the new section will include two major rides, a large games area, a miniature circus and a number of other attractions.

Being built in the area adjacent to Six Flags' Boomtown section, Good Time Square will reflect the architectural style of a Texas town at the turn of the century.

The largest of the new rides is the Infernal Electrical Bumping Machines. Freeman said, "In designing this ride we have

taken the traditional bumper cars on a much larger scale to seating." He will use 50 cars, double the number on such rides.

The second ride called Crazy Loop will take 72 people at a time on a long, arching rise and fall as it turns in a huge loop.

The games area as Doc Sooter's Main Street features 16 games enclosed, air conditioned.

Another highlight section is Dragoon, a miniature circus. Freeman said, "In designing this ride we have

## Texas Gaining Foothold On Cattle Feeding Title

AUSTIN -- One of the most important jobs a person can have is being responsible for someone else's child, yet parents too frequently hire a babysitter at the last minute and know very little about her and fall to give her the proper instructions.

The Texas Safety Association urges parents to choose a sitter wisely. If possible pick her from a family with whom you are acquainted. Know that she is reliable. It is important that your sitter enjoy keeping children for she is apt to be more attentive and cooperative with your instructions.

Whether teenager or grandmother, the sitter you want should be capable of using good judgment--for example, never admitting a stranger to the house, never permitting dangerous play, never leaving a child alone even for a minute. Every sitter should be able to administer first aid for minor cuts and bruises.

Ask the sitter to come at least 15 minutes ahead of time; this will give her time to read and hear your instructions and to get acquainted with your children. Write down the phone number and address of the place you intend to be. Tell her when you expect to return and always phone if you are delayed. List on a permanent card near the telephone the phone numbers of the police, ambulance service, family doctor, and nearest relative or friend who can be contacted in case of an emergency. Before you leave make sure all the doors and windows are locked. Show the sitter how to unlock them and advise her of the best exits in case of fire.

Warn your sitter not to fall asleep -- people who are not mothers are not well tuned to children's night sounds and may not awaken quickly. Ask her to always investigate when the children cry; there may never be a serious cause but its best to be sure. Don't hire an inexperienced sitter if your children are ill.

These suggestions will give you peace of mind that things are all right at home and increase your pleasure in your trip or evening out. But more importantly they may someday prevent a family disaster during your absence.

NEW TEXAS GRASSES -- Forage producers in Texas now have several new pasture grasses available to fit a variety of conditions, according to a Texas Agricultural Extension Service agronomist. Kleingrass 75 is a warm-season perennial bunchgrass for southern and western areas. TAM Wintergreen hardinggrass is a perennial cool-season grass for calcareous soils. A new South Texas grass is Higgins buffelgrass. Another warm-season perennial bunchgrass is lovegrass, Renner lovegrass being the newest variety. Midland and Coastal bermudagrasses are also popular.

ITEM: The new look in carpets, as in apparel, will be a return to classic elegance.

Minutes count when heart attack strikes. Know the warning signs and act promptly. Call your doctor and carefully describe the symptoms. If a doctor isn't immediately available, get to a hospital emergency room at once. For a list of heart attack warning signs and other heart-saving information, ask your Heart Association.

## how come?

"HOW COME NO-ONE USES A LITTLE MORE CHILD PSYCHOLOGY AROUND HERE?"

## Ag Research Fights Greenbug Menace

Greenbug infestations in 1972 have caused some grain/sorghum growers in the Southwest to lose their entire crop, USDA officials report.

On the other hand, sorghum growers in the southern plains were more fortunate because winds and thunder showers knocked greenbugs off the plants in July, holding crop damage to a minimum.

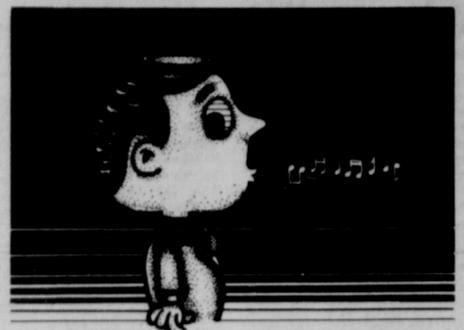

Scientists warn, however, that even those growers not hurt by greenbug infestation this year may not be so lucky the next time.

Research conducted by Northrup King scientists has resulted in two hybrid sorghums which are greenbug tolerant and can more nearly assure growers of harvesting a crop. "Even when we loaded the plants with greenbugs, NK 233 and NK 266 still produced a crop," reports Paul Menge, sorghum

project leader. According to entomologist, Dr. Glenn Moore, "Biological control of insects and disease does not upset the balance of nature. This trend toward biological control is also consistent with the growing concern about our environment and ecology."

He went on to say that while there has been success with insecticide control of sorghum greenbugs, many growers and farm scientists don't believe chemical control is the real solution. Growers and entomologists know that insecticides not only add to the cost of raising a crop, but these chemicals can kill beneficial insects. Excessive use of farm chemicals can arouse environmentalists bringing harsh laws restricting or eliminating chemical control.

The company's research team developed a biological

you're whistling in the dark.

If you think that heart attack and stroke hit only the other fellow's family

Help your Heart... Help your Heart Fund

February is Heart Fund Month!

solution to the problem - greenbug tolerant sorghum varieties NK 233 and NK 266. Both

hybrids are high yielding sorghums and represent a natural economic method of insect tolerance - a method that presents no danger to the environment. In addition, NK 233 and NK 266 are resistant to downy mildew, smut, anthracnose and MDMV.

**WHOLESALE MEAT FOR TEXANS** -- A livestock and meat marketing specialist for the Texas Agricultural Extension Service believes that meat processing plants in the state are doing the best job in history in supplying customers with top quality meat. Changes effected by the Texas Meat Inspection Law of 1969 have resulted in the remodeling of some processing plants and new plants being built. Also, many have gone out of business, leaving communities without a slaughtering facility. Thus there is a potential in such communities for new plants, and the Extension Service can provide informational assistance.

### POPULATION PROJECT

**AUSTIN** -- Understanding the interplay between the environment and genetic changes is the focus of research on population genetics at The University of Texas.

The research is concerned with providing insights into problems caused by man-made or natural changes in the environment - for example, pests developing resistance to insecticides while non-target organisms experience adverse effects.

The UT geneticists hope their research will make it possible in the future to prevent or aid a species at will in adapting to environmental change.

### PRE-MED STUDENTS

**AUSTIN** -- The University of Texas currently has 487 pre-medical students enrolled -- 396 men and 61 women.

Prof. Donald Larson, who directs the office of education for health professions, says more than 500 freshmen enter UT Austin each year with a career in medicine as their goal. Only half that number complete the program and apply to medical school. Of those who do apply, only half are accepted.

Dr. Larson says the oversupply of qualified applicants to medical school creates fierce competition for grades.

### Volunteer Blood Donor Concept Receives Boost

Five organizations have joined in a program to promote the volunteer blood donor concept throughout Texas.

Blue Cross and Blue Shield of Texas, Texas Hospital Association, Texas Medical Association, Texas Osteopathic Hospital Association and Texas Osteopathic Medical Association made the announcement jointly.

There is an urgent need for blood in many localities, says Dr. S. Braswell Locker, president of the Texas Medical Association.

Use of whole blood has increased 500 per cent in just four years, and the normal life span of blood is 21 days. This means that blood is needed day after day in an even flow -- not just in time of disaster.

"Our aim is to help Texans to organize volunteer blood donor programs in their communities," JCK Price, president of the Texas Hospital Association, said. "We're especially interested in companies, clubs, schools, civic and fraternal organizations setting up their own volunteer blood donor programs."

A number of pre-deposit blood donor plans are available in Texas. These do two things: They assure that blood will be available when members need it, and they provide a reliable source of volunteer blood donors.

# Slaton Winners Named At Show

By Tigers Cage Staff

The Ag boys went to the San Antonio stock show Feb. 11 through 17. Attending were Craig Mann, Gary Reed, and David Gossett, who showed twelve of the seventeen hogs taken. The results are as follows:

Duroc Class: Bruce Jones, 3rd place; Craig Mann, 15th place; Clay Mitchell, 17th place; Martin Romeriz, 14th place; and Jeff Jones, 17th place.

Chester White Class: Joe Alspaugh, 7th place; Joe Denzer, 12th place, and David Gossett, 6th place.

Poland China Class: Gary Cook, 2nd place.

Hampshire Class: Doyce Field, 7th place and Paul Martin, ninth place.

Cross Breed Class: Clay Mitchell, 9th place.

The Slaton Stock Show was held Saturday, Feb. 24. The show started at 9:30 and the sale was at 1:00.

Eleven boys left Sunday, Feb. 25, for the Houston stock show. They took 18 head of livestock. The show results are as follows:

Light Hampshire Barrows - 1st, Paul Martin; 2nd, Tom Dulin; 3rd, Elton Wood; 4th, Richard Sadler; 5th, Paul Martin; 6th, Stephen Denzer; and 7th, Albert Alfaro.

Heavy Hampshire Barrows - 1st, Bill Jones; 2nd, Greg Johnson; 3rd, Bruce Jones; 4th, Bruce Jones; 5th, David Gossett; and 6th, Thomas Heinrich.

Hampshire Breed Champion - Bill Jones, Champion; Greg Johnson, Res. Champion.

Light Poland China Barrows - 1st, Paula Johnson; 2nd, Bill Jones; 3rd, Matt Kitten; 4th, Tom Dulin; 5th, Tom Dulin.

Heavy Poland China Barrows - 1st, Randy Marshall; 2nd, Mike Busby; 3rd, Kirk Burkett; 4th, Carey Jones; 5th, Gary Burton; 6th, Jeff Jones; 7th, Caylon Bukemper.

Poland China Breed Champion - Randy Marshall, Champion; Paula Johnson - Res. Champion.

Cross Bred Barrows - 1st, Clay Mitchell; 2nd, Glen Heinrich; 3rd, Jeff Busby; 4th, Gaylon Bukemper; 5th, Jerome Schwertner.

Light Berkshire Barrows - 1st, Jeff Jones; 2nd, David Gossett; 3rd, Lonny King; 4th, Paul Martin; 5th, Kirk Burkett.

Heavy Berkshire Barrows - 1st, Wade Wimmer; 2nd, John Denzer; 3rd, Kirk Burkett; 4th, Mike Busby.

Breed Champion Berkshire - Jeff Jones, Champion; Wade Wimmer, Reserve Champion.

Light Chester Whites Barrows - 1st, Ricky Denzer; 2nd, Shelby Brake; 3rd, Craig Mann; 4th, David Brake; 5th, Jim Tomlinson; 6th, Carey Jones; and 7th, Gary Reed.

Heavy Chester White Barrows - 1st, Martin Ramariz; 2nd, Elton Wood; 3rd, Phil Payne; 4th, Jerry Hopper; 5th, Wade Wimmer; 6th, Terry Bradford; and 7th, Doyce Field.

Chester White Breed Champion - Martin Ramariz, Champion; Ricky Denzer, Res. Champion.

Light Duroc Barrows - 1st, Gary West; 2nd, Paul Martin; 3rd, Clay Mitchell; 4th, Jeff Busby; 5th, David Gossett; 6th, Terry Bradford; 7th, Joe Alspaugh; 8th, Craig Mann; and 9th, Lonny King.

Heavy Duroc Barrows - 1st, Clay Mitchell; 2nd, Johnny Denzer; 3rd, Randy Marshall; 4th, Gary West; 5th, Bruce Jones; 6th, Joe Molina; 7th, Kyle Williams; 8th, Thomas Heinrich; and 9th, Tom Dulin.

Duroc Breed Champion - Clay Mitchell, Champion; Gary West, Res. Champion.

Grand Champion Barrow - Clay Mitchell and Res. Grand Champion Barrow - Gary West.

Fine Wool Lambs - 1st, Joel Ham; 2nd, John T. Basinger; 3rd, Joe Dee Overturf.

Cross Bred Lambs - 1st, Joel Ham; 2nd, J. Ray Basinger; 3rd, John T. Basinger.

Medium Wool Lambs - 1st, J. Ray Basinger; 2nd, John T. Basinger; 3rd, Joe Dee Overturf; 4th, Joel Ham; and 5th, Joe Dee Overturf.

Grand Champion Lamb - J. Ray Basinger and Res. Grand Champion Lamb - Joel Ham.

Lamb Showmanship - Joel Ham, Barrow Showmanship - Clay Mitchell.

Purchasers of the champions included:

Grand Champion Barrow - Clay Mitchell; sold to Citizens State Bank for \$1,800 a lb.

Grand Champion Lamb - J. Ray Basinger; sold to Slaton Co-Op Gin for \$2.05 a lb.

Reserve Grand Champion Barrow - Gary West; sold to Standard Sales for \$1.55 a lb.

Reserve Grand Champion Lamb - Joel Ham; sold to Lubbock County Beverage Association for \$2.10 a lb.

Susan Hopper, FFA Sweetheart, handed out ribbons to winners.

## Mrs. Sam Wilson Hosts Class

The Homemakers Class of First Baptist Church met in the home of Mrs. Sam Wilson at 3 p.m. Wednesday. Mrs. Harry Stokes assisted as hostess.

Mrs. Roy Collins, president, presided over the meeting. Opening prayer was led by Mrs. Frank Lawrence.

"Armour of God and the Grace of Love" was the title of the devotional given by Mrs. Birdie Godsey.

Refreshments were served to one guest, Mrs. Willie Kate Smith, and to members, Miss Fannie Castleberry, and Mmes. H. E. Woods, T. A. Johnson, Ollie Clark, C. R. Bain, R. C. Hall and Barbara Jones.

Closing prayer was led by Mrs. Godsey.

## Powder Puff Mechanics Offered

South Plains College will offer a course in Powder Puff Mechanics beginning March 13, and will meet every Tuesday night for six weeks from 7:30 to 9:30 in the Diesel-Automotive Building at the college. This course is specifically designed for women.

The class is designed to acquaint women with the basic operations of the automobile, the ways to be prepared for any roadside emergency, pollution, which has become one of the major problems of our times, and particularly, how to repair a fial. For more information, Phone 894-4921 Extension 253 for Don Yarbrough.

## TOP CITIZENS NAMED AT POST

The Rev. George L. Miller, pastor of First Presbyterian Church of Post and Mrs. K. W. Kirkpatrick were named Man and Woman of the Year Thursday night at the annual banquet of the Post Chamber of Commerce.

More than 21,000,000 Americans suffer from high blood pressure, which sets the stage for heart attack and stroke. Only half know they have high blood pressure. See your doctor to be sure, and help your Heart Fund help your heart.

# DEATHS

## Meva McDonald

Services for Mrs. Meva Lou McDonald, 79, of Lubbock, were conducted at 4 p.m. Friday in W. W. Rix Chapel.

Mrs. McDonald, mother of Mrs. Wanda Dunn of Rt. 4, Lubbock, died Wednesday in West Texas Hospital.

A member of the Church of Christ, she is survived by her husband John; a son, Vesta Duncan of Denver City; three daughters, Mrs. Mildren Norman of Hobbs, Mrs. Maurine Dyer of Girard and Mrs. Dunn; a sister, Mrs. Mona Duncan of Hesperia, Calif.; 14 grandchildren and 15 great-grandchildren.

Grandsons served as pall bearers.

## Dr. Jay McSween

Services for Dr. M. Jay McSween, Jr., 54, a general practitioner here since 1944 were conducted at 11 a.m. Monday in the First United Methodist Church. Officiating was the Rev. Bruce Parks of Denver City and Rev. Merrill Abbott, pastor.

Burial was in Englewood Cemetery under the directions of Englund.

McSween died about 2:30 Saturday at his home. Death was due to an apparent heart attack.

He received his bachelor's degree in 1939 and medical degree in 1942 from the University of Texas.

He was member of the Lubbock-Crosby-Garza Medical Association, the Texas Medical Assoc., the American Medical Assoc., and the American Arthritis Foundation.

McSween was a member of the First United Methodist Church and a staff director of Mercy Hospital.

He is survived by his wife, Louise; a son, M. Jay McSween III of Redondo Beach, Calif.; four daughters, Patricia McSween and Holly McSween, both of Dallas, Nancy McSween of Raton, N.M., and Mrs. Robert Orr of Austin; his stepmother, Mrs. M. J. McSween Sr. of Austin; and two grandchildren.

Pallbearers were J. S. Edwards, Howard Swanner, Oree Glasscock, Howard Hoffman, Wade Thompson and Dr. Don Hatchett.

## Evelyn Kimbrow

Mrs. Evelyn Eddings Kimbrow, 52, died early Friday in Tucson, Ariz. where she had been residing with her son.

Funeral services were held Monday in Englund Funeral Chapel with the Rev. Dwight Lusk of Lubbock officiating. Burial was in Englewood Cemetery.

A Carlsbad resident since 1962, Mrs. Kimbrow had been in Tucson only a few months.

She is survived by her son, Jackie J. Stanley; her mother, Mrs. Erbie Eddings of Tucson and six grandchildren.

## Eddie Gonzales

Graveside services for Eddie Gonzales, 11 month-old son of Mr. and Mrs. Elex Gonzales of Slaton were held Monday at Englewood Cemetery. Msgr Peter Morsch officiated.

The infant died about 1:30 Sunday at the Lubbock State School. Survivors include the parents.

## VAC Team Defeats Lubbock

The Slaton Vocational Adjustment Class played Lubbock State School in basketball Feb. 16 at Tiger Gym. The high school age boys will be scheduled against one another again in the future.

Slaton came out on top with a 56-44 victory in the second of a three game series.

Larry Washington was outstanding for Slaton's team as he dropped in 38 points for the game. Rafael Medrano scored 11, John Wright, 3, and Clarence Haynes and Tony Gonzales, two each.

After trailing 14-2, the Slaton team brought the margin to 16-13 by the end of the first quarter. Lubbock was still ahead at the half with 23-21. By the end of the third quarter, Slaton took the lead with 36-34, and only increased that lead during the last quarter for the total, 56-44 score.

Rafael Medrano was cited as outstanding defence for Slaton as he captured the ball from the opposing team throughout the game.

According to Coach Duane Mitchell, Tony Gonzales fouled out in the fourth quarter, while John Wright, fouling four times in the first quarter, completed the game without another one.

Art was high point for Lubbock State School with 16 points, followed by William with 14 and Buddy with 10 points. Lew Bradshaw is coach for the Lubbock team.

Gate contributions from the games will go to help pay expenses for the Slaton VAC to attend the state track meet in Houston, according to director, Mitchell.

## L.H. Sandlin

Rites for Lawrence Hugh Sandlin, 66, of Rt. 6, Lubbock, were conducted Friday in W. W. Rix Chapel. Burial was in Resthaven Memorial Park.

Sandlin died Wednesday in Lubbock Osteopathic Hospital. He had been a Lubbock resident since 1925, moving from New Mexico.

Survivors include his wife, Thelma; a daughter, Mrs. Kay Pollock of Rt. 6, Lubbock; a son, Jimmy of Clovis; a brother, J. B. of San Diego; a sister, Mr. J. B. Dewey of Denver and five grandchildren.

## Oscar Smith

CORDELL, Okla. -- Oscar Lee Smith, 80, of Cordell, died Sunday in Lubbock's West Texas Hospital while he was visiting a son, Delvin of Lubbock.

Services were held Wednesday in the Fourth Street and College Avenue Church of Christ with burial in Cordell.

Smith a school teacher in the West Texas area, teaching in Amherst, Fieldton, Bovina, Progress, Tahoka, Lorenzo, Estacado and McAadoo.

Differing Rates

In the United States, three persons out of 100,000 live to be 100. In the Soviet republic of Azerbaijan, the rate is 63 per 100,000.

a weekly message relating the world of today to the lessons of Faith and Church...

Canst thou by searching find out God? —Job XI, 7

In this busy world, we find too little time to give to God. One hour, once a week, is all that we have for prayer and meditation, for visiting God's house. The door is open, but we walk by, bent on some pressing appointment. If you cannot take the time to visit God's house more often, take a moment wherever you are, to thank God for all that has been given to you, for the beauty of life and the promise of tomorrow.
