## WHARTON HUMORIST TO BE SPEAKER

### Annual Chamber Banquet Scheduled Monday Night

Dr. James Blakely of Wharton will be principal speaker at the annual banquet of Slaton Chamber of Commerce and Board of City Development at 7:30 p.m. Monday in Slaton Junior High School cafeteria.

Other highlights of the 46th annual chamber banquet will be naming of the Man and Woman of the Year, Boss of the Year, Outstanding Club, and Young Citizens of the Year.

Blakely, associate professor of agricultural chemical technology at Wharton County Junior College, is a native of Oklahoma reared in Duval County, Texas. He earned a bachelor of science degree at Sam Houston State University, and masters and doctorate at the University of Missouri's College of Agriculture. He has served at Wharton County Junior College since 1964.

Dr. Blakely, well known as a speaker and humorist, drew this comment from one program chairman: "It is very rewarding to hear a humorist... go through an entire talk without vulgarity and at the same time have a sincere message."

Father of two teen-age sons, Dr. Blakely earned his pilot's license in order to fly himself to speaking dates when his talents became so much in demand that he had to find a faster means of transportation.

He is a member of the official board of the First United Methodist Church of Wharton, is past president of the Rotary Club of Wharton, has served as Rotary governor's representative for District 589 for several years, and is a director of Wharton Chamber of Commerce.

Outgoing Chamber President Don Kendrick will handover the leadership of the chamber to new President J. W. Holt at Monday night's program, which will be emceed by Dee Bowman.

The Woman of the Year award, to be given by Athenian Study Club will be presented by Mrs. Bowman. Last year's winner was Mrs. Lorene Berry.

Man of the Year, presented by the chamber, was Bill Sewell last year. Young Citizens of the Year last year were Patsy Gamble and Danny Davis, high school seniors.

And Boss of the Year, an award made last year for the first time, is presented by the Women's Chamber. The 1971 winner was Alex Webb, city secretary. Outstanding Club of the Year award also is presented by the chamber. The 1971 trophy fell into pieces as it was handed to Steve Smith, representing Slaton Lions Club.

Wayne Edwards is banquet chairman, and decorations are by the Women's chamber. Music for the program will be by LuAnne Fondy on piano. The meal featuring ham served by the junior high cafeteria women costs \$4.50 per person. Any member of the chamber board has tickets, or they may be obtained at the chamber or at the banquet site on Monday.

DR. JAMES BLAKELY

## Farmers Assets Frozen

Cotton ginning was almost non-existent, nor was there anything resembling outside agricultural activity during the past week, as cotton acreage in the Slaton area looked like polar bear country, and gins for the most part shut down.

The bale count for the week increased by only 3,177 bales, and this was mostly from cotton already on the yard, and almost all during the last part of last week. Bale total for the year from 14 area gins was 59,040 this week.

Farmers Gin had 3400; Slaton Co-Op 18,500; Posey 3515; Union 5448; Acuff 11,640; McClung 5005; Basinger 2466; Hackberry 4500; Wilson 5130; Wayside 3740; Gatzki 1694; Gordon 2163; Campbell 1839.

Unfavorable weather interrupted all cotton harvest activities on the South Plains and cotton sample receipts declined to a few thousand daily at the four USDA cotton classing offices, according to W. K. Palmer, in charge of the classing office in Lubbock.

However, ginning, sampling and classing continued due to accumulated backlogs of cotton harvested before the snow.

Samples from 1,252,000 bales had been classed at the Lubbock, Brownfield, Lamesa and Leveland offices through Friday, Jan. 5.

Personnel at the four offices tested and classed samples from 239,000 bales during the week ending the 5th.

Estimates indicate that approximately three-fourths of this season's crop is now out of the fields.

Grades were about the same as the previous week. Strict Low Middling (41) was the predominant grade at Lubbock during the week, making up

nineteen percent of all cotton classed. Low Middling (51) made up 15 percent, Strict Low Middling Light Spotted (42) 16 percent and Strict Low Middling Spotted (43) 12 percent.

Average staple length also remained about the same. Staples continued to be predominantly 30 to 33. Twenty-two percent had a staple length of 30, 22 percent stapled 31, 25 percent was 32 and 17 percent was 33.

Micronaire readings were steady from the previous week. Only fourteen percent of all cotton classed at Lubbock during the week had micronaire readings in the premium range of 3.5 through 4.9, 11 percent "miked" 3.3 through 3.4, 32 percent was 3.0 through 3.2, 32 percent 2.7 through 2.9 and 11 percent was 2.6 and below.

The Agricultural Marketing Service of the USDA reported brisk trading on the Lubbock market. Demand continued strong for better grade, premium micronaire cotton. Prices were \$2.50 to \$5.00 per bale higher on cotton with micronaire of 3.3 and better, steady on cotton with micronaire of 3.0 through 3.2 and lower on all cotton with micronaire of 2.9 and lower.

Average prices paid for the

most predominant qualities in the 3.5 to 4.9 premium micronaire range were: Strict Low Middling (41) staple 31-24.55 cents per pound, Strict Low Middling (41) staple 32-25.25, Low Middling (51) staple 31-22.50, Low Middling (51) staple 32-23.45, Strict Low Middling Light Spotted (42) staple 31-23.25 and Strict Low 32-23.45.

Cottonseed prices were steady and farmers received \$45 to \$56 per ton for their cottonseed at gins.

## City Gets Check For \$49,000

City of Slaton received a check in excess of \$49,000 this week as the final payment for the city's portion of 1972 revenue-sharing funds. This amount added to a check received earlier gives the city more than \$100,000 from this source.

Disposition of the funds remains in question, although the city is considering strongly some work on the water and sewage system.

More revenue-sharing funds are anticipated for 1973, but these checks will arrive quarterly, it was reported.

A meeting of the city commission scheduled Tuesday was postponed to Jan. 18.

## 1972 Fire Calls Set Record Here

Members of Slaton Volunteer Fire Dept. have established a couple of records which they would have preferred not to break, as December fire calls totaled 42, the highest number of calls ever answered in one month.

The 42 fire calls in December boosted the year's total to 210, also a record high, according to Fire Chief Don Kendrick. Last year, Kendrick said, 125 calls were answered.

Thirteen of the 42 calls in December were out of town, including four in Garza, two in Lynn, and seven in Lubbock County.

A breakdown of the 42 fires in December showed that 16 were grass fires, nine were gin fires or cotton fires, six were house fires, five were trash fires, three car fires, two tractor fires and one false alarm.

## Private Firm Now Collecting City Garbage

Triple C Sanitation Service, a private concern which has contracted to pick up trash and garbage in the city of Slaton, has begun collecting the garbage here, with the weather giving the operators of the service considerable trouble in setting up the new system.

"It may take a little while, but we'll get everything running smoothly soon," said P. H. Coomer, operator of the service. He requested that any persons with question regarding the garbage collection service call 828-3441, Triple C's number, instead of the city hall.

Coomer said that business collection fees would be determined by the service needs of the individual business. "All businesses will be contacted," he said.

DEEP FREEZE -- Slaton streets had an Arctic look this week as an unprecedented cold spell brought discomfort and problems to the area. With roads and streets slick and icy in the near-zero weather, residents for the most part stayed in their igloos. (SLATONITE PHOTO)

## Cold Front Puts Slaton Area On Ice

Winter's icy fist clubbed Slaton and the entire West Texas area this week, as temperatures stayed at record lows for the date, with ice and snow and all their accompanying problems being the primary factor in every resident's daily activities.

Schools turned out early every day, but never closed, although some were unable to get there, cars failed to start, and when they did they sometimes slid into the ditch. Natural gas usage by large industries was curtailed, but homes for the most part found no drop in gas pressure during the icy days when temperatures hovered around 15 degrees.

The Lubbock weather station reported that during the first 10 days of the year, the sun shone only two hours and 40 minutes. A low of 7 degrees was noted Tuesday and Wednesday.

Highway travel was a major

undertaking, with roads quite slick with ice and snow. Sales of tire chains, snow tires and coffee boomed in Slaton, while other sale items didn't do so well. Some meetings were postponed and others were decimated by the weather.

In the Southland and Wilson vicinity, many homes were without power as lines and poles in rural areas went down under the weight of ice. This also gave most of the homes heating problems, since heater blowers did not function.

Motorists were reported stranded in several area towns.

## MINISTERS PLAN DAILY DEVOTIONALS

Various Slaton ministers will be presenting five-minute devotionals from 6:55 to 7 a.m. daily on Radio Station KCAS starting Monday.

## McClesky Contract Extended

Slaton School trustees voted to buy a new bus, invited Southland Lubbock County program, and extended the contract of Supt. J. C. McClesky another year at the January meeting of the school board Tuesday night.

The SELCO program is a state-funded program designed to aid students with learning problems. It is administered through Slaton schools for Roosevelt, Cooper and Slaton, and Southland now has been asked to join the group. The addition of Southland to the program would benefit all the schools in the program, the board was told, since the total enrollment of all four schools then would qualify the program for more staff members.

Supt. McClesky's contract was kept three years ahead by a one-year extension to 1976. The reportedly unanimous vote was conducted in an executive session excluding visitors and the press.

Purchase of a new school bus contingent upon securing financing was agreed by the board, which noted that couple of buses need to be retired. Contracts were approved for two teachers hired at midterm, Mrs. Peggy Nation, parttime music teacher at junior high, and Miss Sharon Wells, third grade.

Some complaints from

visitors to Slaton athletic events regarding conduct of concession stand operators were discussed, with sponsors of three groups which operate the stands promising closer supervision, plus increased emphasis on citizenship and public relations by workers.

The board set the first Saturday in April as the date for election of three trustees to the board. Members whose

terms expire are Joe Gamble, Clark Self, Jr. and Rev. Emilio Abeyta. Filing deadline is 30 days prior to the election.

Joe Sparkman explained to the board that the quarter system which is to go into effect this fall will have little actual effect in the Slaton school, since Slaton, like most schools, would just skip the summer quarter.

LINE OF SCRIMMAGE -- Frana Gass appears about to make the tackle for the Tigerettes as Cooper's Cindy Smith (21) takes the ball around right end. Another Slaton guard, Kay Stephens, is behind Frana, and Cooper forward Marilyn Payton is No. 31. Slaton won the District 5-AA contest. (SLATONITE PHOTO)

## Chamber Budget For Year Aired

Directors of Slaton Chamber of Commerce and Board of City Development Tuesday morning adopted a proposed budget for the year calling for expenditures of \$40,945, but with anticipated income of only \$38,998.

Chamber President J. W. Holt, presiding at his first board

meeting, explained that the budget figures were determined as necessary to accomplish chamber objectives. It was noted that in the year just ended the chamber wound up with a deficit of about \$4,000. Projected deficit for next year is about half that figure.

## Slaton's Cagers On Win Streak

Slaton High School basketball teams whipped Cooper and Roosevelt boys and girls in games during the last week, with the most recent games at Roosevelt Tuesday night.

With 19 points, Phil Whaley

led Slaton Tigers to a 52-37 win over the Eagles. Slaton now is 3-1 in district and 13-6 for the season.

The Tigerettes won 59-42 to keep their district record unblemished. Gretta Stricklin and Karla Kitten each scored 18 points to lead the way for the Slaton girls. For Roosevelt, Amy Tillman was the leading scorer with 24 points.

Slaton girls won a junior varsity game easily, 63-15. Whaley scored 26 points last Thursday as Slaton slammed Cooper 74-53. Bobby Caudle had 16 points for the Pirates.

On the same night, the Tigerettes followed Miss Stricklin's 28 points to a 79-39 triumph over Cooper, which was led by Marilyn Payton's 25 markers.

Slaton junior varsity boys defeated Cooper 47-33.

### Hiram Dunlap, Jimidene Murphey Wed In Plains

Double ring wedding vows were recited by Miss Jimidene Murphey and Hiram Dunlap in a ceremony Dec. 23 in the First Baptist Church at Plains. Performing the ceremony was Rev. Bob Griffith, minister of the Morningside Baptist Church in Levelland.

Parents of the couple are Mr. and Mrs. Preston Murphey of Plains and Mrs. Evelyn Dunlap of Slaton.

Given in marriage by her father, the bride wore a street length dress of chantilly lace over satin, accented with a satin bow on the right shoulder. She carried a bouquet of white roses with an orchid in the center.

Miss Jan McCravery was bridesmaid. She wore a pink floral A-line dress and carried a nosegay of pink roses.

Ken Corley of Wilson served as best man, and Phill Ramphy of Slaton seated guests. Guests were registered by Miss Geraldene Murphey, sister of the bride.

Miss Edith Worshiel played traditional wedding music and Miss Jan McCravery sang "If" and "Day by Day".

The reception was held in the home of Mrs. Hattie Coke, grandmother of the bride.

Mrs. Dunlap is a graduate of Plains High School and attended South Plains College in Levelland.

Her husband attended Slaton Schools and served in the U. S. Army in Viet Nam. He also attended South Plains College.

### Women's Chamber Plans Campaign

Two teams of members of the Women's Division of the Slaton Chamber of Commerce will compete in a membership campaign which began this week and will end Feb. 15, it was decided at a meeting of the group Monday.

The two teams will be headed by Mrs. Virgie Hunter and Mrs. Mary Payne, with the losing team to treat the winners to a salad supper.

New president of the women's group, Mrs. Eva Sikes, presided at Monday's meeting in the chamber meeting room.

Final plans were made for decorations for the annual chamber banquet scheduled Monday. The theme of the banquet, "Community, State and Nation Under God" will be carried out in decorations of red, white and blue.

**MARRIAGE LICENSE**

### Linda Kahlich Is Honoree

Miss Linda Nell Kahlich, bride-elect of James Lee Hodges, was honored with a bridal shower Jan. 3 at Slaton Clubhouse.

In the receiving line were the honoree and Mrs. Helen Potter, Mrs. Brenda Hines, Mrs. Odilia Kahlich and Mrs. Ed Buxkemper. Mrs. Bernice Kahlich, bride-elect's mother, was unable to attend.

Miss Suzie Kahlich registered the guests. Hostess gift was 4-place setting of pottery, glasses and serving pieces.

The serving table had a centerpiece of avocado and gold floral arrangement around a large gold candle and stand, and was covered with an ecru lace tablecloth. About 40 guests registered.

Hostesses included Mmes. Lou Oats, Ann Tucker, Juanita Butler, Charley Evans, Elizabeth Klaus, Lydia Buxkemper, Geneva Kahlich, Imogene Wells, Albert Sharp, Bobbie Phillips, Rita Mayo, Lorene Wicker.

Also Mmes. Lenora Nesbitt, Cornelia Buxkemper, Nadine Buxkemper, Irene Kahlich, Edward Brosch, F. S. Kahlich, Sue Scott, Charlotte Becker, A. R. Buxkemper, O. F. Kliten, Paul Buxkemper, Art E. Wolf, Edgar Ehler and Milton Piwonka.

### Troop 341 Will Meet Jan. 18

Junior Girl Scout Troop 341 will not meet today, (Thursday) as had been scheduled because of the bad weather. They will meet Jan. 18 in the Scout House. Meeting time is 4 p.m. and meetings will end at 5:30, according to Margaret Bartley, Scout Leader.

The Girl Scout Cookie Sale for this year has been set for Feb. 23 through March 10.

**ITEM:** Having trouble keeping your brown sugar soft? Just add a piece of apple to the container and keep it all airtight.

SANDRA KAY BRAKE

### Couple Sets Wedding Date

Mr. and Mrs. Robert Brake announce the engagement of their daughter, Sandra Kay to Lawrence Stabeno, son of Mr. and Mrs. E. C. Stabeno of Rt. 2, Slaton.

The couple has made wedding plans for May 26 in Westview Baptist Church in Slaton.

Miss Brake is a 1971 graduate of Slaton High School and is a sophomore TWU nursing major at Denton.

Stabeno, a graduate of Wilson High School, attended San Angelo State and Texas Tech. He is employed by Trinity Industries, Denton.

### 'Texas' Auditions Start Jan. 30

When the company of "Texas" bursts onto the stage in the opening Gala Performance of the eight season on June 21, 1973, where will the actors have come from and the singers and the dancers?

They will be chosen in open auditions, starting Jan. 30, and continuing through March. Each person wishing to become a cast member will have an opportunity to perform for the four directors: William A. Moore who is in charge, Margaret Echols Moore, Associate Director, Royal Brantley, Musical Director, and Neil Hess, Choreographer.

In 1973 "Texas" will play from June 21 through August 25, nightly except Sundays. There will be a special performance on July 1 (Sunday). For information and ticket reservations, write "Texas", Box 268, Canyon, Texas 79015.

locations to apply and to show these skills.

In their effort to secure the best possible talent for the "Texas" production, the directors have sent audition information to 750 schools, 500 newspapers and have distributed 1500 posters.

Please note, that the auditions in Canyon at West Texas State University and in Lubbock at Texas Tech are on January 20 and 21, just before the opening of the spring semester.

The conditions for auditioning and the schedule are available at The Slatonite.

In 1973 "Texas" will play from June 21 through August 25, nightly except Sundays. There will be a special performance on July 1 (Sunday). For information and ticket reservations, write "Texas", Box 268, Canyon, Texas 79015.

### Card of Thanks

We shall always remember, with deep appreciation, the kindness and gentle care the Slaton Nursing Home personnel afforded our mother, Mrs. Evalina Moore, during her five years residency.

### Water, Inc., Sets Annual Meeting For Feb. 17

The sixth annual membership meeting of Water, Inc., will be conducted Feb. 17 at Amarillo. More than 300 of the more than 2,200 members of the two-state non-profit organization are expected to be on hand for the session, according to D. G. "Bill" Nelson, Amarillo, chairman of the membership meeting committee. He said a detailed program will be released in the near future.

The annual meeting, to be conducted at the Villa Inn on I-40 East, will be preceded by a meeting of the Water, Inc., board of directors on Friday. The board members and their wives will be guests of the Amarillo hosts at a reception-dinner.

New officers will be named at a board meeting following the annual meeting on Saturday. Gaston Wells, Dumas, will be retiring as president.

In extending a special invitation to all Water, Inc., members to attend the Amarillo meeting, Wells noted that membership participation takes on a vital air during the coming year, pointing out that reports on the Mississippi River Import Study will be handed to Congress by the Corps of Engineers, Bureau of Reclamation and the Mississippi River Commission. "If we are serious about wanting to import water to the high plains, now is the time for us to unite as never before. We have a tremendous selling job ahead, and the job will take all of us working together," Wells said.

### Shower Honors Newlywed Couple

A miscellaneous shower was held Monday night in the Slaton Club House honoring Mr. and Mrs. Curtis Hogue. The couple married Dec. 30 in Irving. Approximately 30 guests called.

Hostess gift for the event was a set of dishes.

Hostesses included Mmes. John East, O. D. Kenney, Norman Gentry, Barney Wilson, Linam Prentice, Monroe Hinson, Wilber Fields, H. S. Creswell and Kay Gordon.

# FOOT NOTES

BY MARGRET BARTLEY

Who's not had enough snow this week? . . . Nobody I know! The kids aren't even happy with the snow this time because it is so dry and feathery they can't make it stick together for a snowman. Ant its pretty hard to get a snowball out of the stuff. It is pretty nice for snow ice cream though!

Jan Cornelius called The Slatonite to find out if we knew whether the safe driving course would be held this week, since the weather was so bad. She said it'd be funny if everyone had an accident on their way to the Safety School. . .

I see there was a national birthday celebration this week, as my youngest son and President Nixon celebrated birthdays Tuesday. Other Slatonites honored that day were Cecil Scott, Roy Parks, Tim Bourn, Judy Dickey, Eva Darby, Wilma Bond, and Ronald and Donald Carty. If it works anything like George Washington's, your birthday may someday become a national holiday! But, they'll probably move it to Monday too, so you'll miss the REAL day. . .

Are you going to the Chamber of Commerce Banquet Monday night? It will begin at 7:30 in the junior high school cafeteria. Tickets may be purchased from members of the Chamber board, from the Chamber office, or at the door. Price will be \$4.50 each. Probably a lot more folks would attend if they knew in advance who was going to receive the yearly honors. You hate to miss it if one of your good friends gets something. . .

I see the longer hair is not only affecting the teenagers, or younger generation. (What you call them may depend on how old you want folks to think YOU are!) I noticed, working on the C of C banquet program, that several of our directors required up-to-date pictures. Those trim (high) necklines of a year or two ago have almost disappeared. Who is to say it is for the better or worse? If they were all cropped short again, we'd probably think they looked strange, right?

Influenza and upper respiratory infections has been reported in epidemic proportions in 17 states, including Texas. Hundreds of deaths in England have been reported in the past four week period from the diseases, running the total higher than it has been in several years for that part of the world. . .

Mr. and Mrs. James Baer of Northbrook, Ill., became parents of a set of quintuplets last week, making the first set born in the Western Hemisphere since 1970. Their two boys and three girls are the sixth set of quints ever recorded in this hemisphere. . .

Joe Collins has been named administrator of the Lynn County Hospital District. He was administrator of the McCammy Hospital District for four years before coming to Tahoka. He is a native of Eastland Co. . .

Debbie Wright, the 1972 National Maid of Cotton, from Tahoka, and Ronald DeBusk were married Saturday evening in the First Baptist Church of Tahoka. . .

### Slaton Students Selected To College 'Who's Who'

CANYON, Tex. -- Two Slaton students have been selected for Who's Who Among Students at American Colleges and Universities.

Laura Childers, 20, daughter of Mr. and Mrs. W. V. Childers of 140 N. 5th, Slaton, is a senior math education major at West Texas State. She is a candidate for a bachelor's degree in May.

He was a member of the Accounting Club and Alpha Kappa Psi, national business fraternity.

AGREEMENT REPORTED  
AMARILLO -- Burton P. Smith, president of Pioneer Natural Gas Company of Amarillo, and Louis A. Waters, chairman of the board of Browning-Ferris Industries, Inc. of Houston, announced today that an agreement in principle has been reached whereby a subsidiary of Pioneer would purchase the business of Browning-Ferris Machinery Company, a subsidiary of Browning-Ferris Industries, Inc.

### 'Predestination' Is Sunday Topic

"Predestination," described as "a basic doctrine of belief of the Presbyterian Church," will be subject of Sunday morning's sermon by Rev. Wm. A. Cockerell, pastor of Slaton Presbyterian Church. "Predestination," said Rev. Cockerell, "is common sense. It also is scriptural. It is hoped that all Presbyterians of Slaton will be present, and certainly others are always invited to worship with us." Sunday morning's service will begin at 11 a.m.

### Granddaughter Born On Grandparents' Anniversary

Mr. and Mrs. T. A. Davis returned from a visit to Stratford, Okla., Dec. 31, where they visited with their daughter and her husband, Mr. and Mrs. Jackie Biggs. They received a call that night to inform them that Mrs. Biggs had given birth to a 6 lb. daughter, named Tammy Kaye. And, that was the day Mr. and Mrs. Davis celebrated their twenty-fifth wedding anniversary.

Other grandparents are Mr. and Mrs. Billy Biggs of Stratford, Okla.

Behold, I will do a new thing. (Isaiah 43:19)  
Speaking at Oxford, the late Ramsey MacDonald said: "The chief function of religion is to keep alive a springtime freshness in the soul."

God's promise to do a new thing tells us that in spite of our failures and sins there is always a fresh start with God. He is a God of new beginnings.

Revival of faith is a miracle of divine grace. Man does not achieve it alone. God's spirit must be allowed to work through His people. His spirit can enter our hearts with springtime freshness, both in forgiveness and strength, as we open our hearts to Him.

The promise of a "new thing" is also a promise of new help under the most difficult circumstances. When we look, we see His mercies are new every morning. If we obey Him, He opens new paths of opportunity, peace, and joy.

PRAYER: Help me to see, Father, that You want to do a new thing in my life. Bring to me, through the Holy Spirit, springtime freshness of new life, new hope, new forgiveness, new faith. Forgive the wasted hours and bless what I have sought to do well for You. Make this day the time of new beginnings. Through Christ. Amen.

THOUGHT FOR THE DAY  
Often the new thing God promises is realized when we take up the old challenge of obedience.

## Attend The Church of Your Choice Sunday

a weekly message relating the world of today to the lessons of Faith and Church...

He that is faithful in that which is least is faithful also in much; and he that is unjust in the least is unjust also in much.  
—Luke XVI, 10

There is a strong voice of conscience within every man. Some men live by it; some men ignore its messages. Some of us even turn the voice of conscience on and off, like water tap or a radio. When conscience speaks out against some of the "small" things we do, we close our ears because it really isn't important or, "it doesn't matter one way or another," or "what's the difference if no one gets hurt?"

Does it matter? Of course it does. The ten commandments are not punctuated by such words as "if," "or" and "unless." The message that was written upon the cross at Calvary was carved into the framework of time and life upon this earth.

## Girls Team Sends Letter Of Thanks After Tournament

The following letter was received after the West Texas Girls Invitational Tournament, signed by the coach and all members of the Ralls girls basketball team:

To Slaton High School and Slaton Chamber of Commerce: We at Ralls would like to take this opportunity to express our appreciation to you for inviting our young ladies back to your Holiday Tournament this year. The fine tradition which Slaton girls basketball has established for itself makes your community an ideal spot for conducting such a tournament. We express our thanks to Gay Benson and all tournament officials for hosting such a tournament. Officials for all the games have been the finest. The trophy which our team is much cherished, you and your team, the games ahead. Sincere thanks, Coach Sony Barnes, Ralls High School.

Michael Tension and Jacky Bibbs were involved in a one car accident on Lake Ransom Road during the ice storm last week. Other than cuts and bruises neither were seriously hurt.

Mrs. Evelyn Dickey was admitted to West Texas Hospital from injuries received when she slipped and fell on an icy sidewalk Friday.

Roy Jim Davis has transferred from Texas Lutheran in Seguin to Texas Tech.

Judy Holmes suffered a sprain and pulled ligaments to her right foot during the basketball games against Slaton Thursday night.

Mrs. Albus, a Roosevelt Elementary teacher, resigned at mid-term. Taking her place will be Mrs. Reynolds.

Mr. and Mrs. L. W. Smith of Big Spring spent last Tuesday visiting with the Ray Womack's and other friends at Buffalo Lakes.

Joe (Rusty) Washington has been a patient in Methodist Hospital and was released

Tuesday. Tad Wheels of Buffalo Springs Lake has been in San Antonio caring for his mother who underwent surgery.

DRESS CODE CONSIDERED

The Roosevelt Dress Code Committee met Jan. 3. The discussion consisted of the girl's dress appearance. The committee met again Jan. 10 to discuss the boy's appearance.

**4-H NEWS**

The Dog Training Dog Show has been postponed until sometime in February. Weather conditions have hampered dog training classes.

The Roosevelt 4-H will meet Jan. 16 at 7 p.m. in the Club House for their regular monthly meeting.

As is customary during the school term, the Roosevelt 4-H has extended an invitation to anyone to become a member. Membership is open to all from age nine through their teens. Anyone, regardless of race,

## Roosevelt Women To Attend State Meet

"YHT--Reach Out in '73" is the theme of the 1973 convention of the State Association of Young Homemakers of Texas, January 19-20, in the Baker Hotel, Dallas.

Members of the Roosevelt Chapter of Young Homemakers of Texas who will be attending the meeting are: Mrs. Melba Wright, Barbara Kevil, Dee Schroeder, Merle Sides, Sue Sides, Donna Jones, Lahoma McCallister, Marilyn Walters, Sylvia Bessen and advisor Mrs. Glenda Harris.

Mrs. Eileen Coffield, noted writer from Drumright, Okla., will be the main speaker for the opening session Friday morning. In her talk, "Reach-

ing out for Your Heritage," Mrs. Coffield will bring out the characteristics of the pioneer woman and how they are needed today.

The annual Young Farmer-Young Homemaker Award Luncheon will be held at noon Friday at the Dallas Memorial Auditorium.

Young Homemakers of Texas Achievement Awards will be presented during the luncheon program. The Outstanding Chapter, the Outstanding New Chapter, and the State Little Sister of YHT will be recognized.

The Roosevelt Chapter will be in competition for State Outstanding Chapter.

wishing to become a member of the Roosevelt 4-H may do so by attending the meeting Jan. 16.

**MID-TERM GRADUATES**

Graduating from Roosevelt High School at mid-term were Sandra Lindsey and Connie Edwards.

Sandra is the daughter of Mr. and Mrs. Raymond Lindsey. She became the bride of Juan Gaona December 30.

Connie is the daughter of Mr. and Mrs. Robert Turner.

**YOUNG HOMEMAKERS NEWS**

The semi-monthly meeting of the Roosevelt Young Homemakers scheduled to meet Jan. 9 was cancelled due to weather conditions.

**NHS MET**

The Roosevelt National Honor Society met last week to elect Gary Cooper as their new treasurer. He takes the place of Sandra Lindsey who graduated at mid-term. Gary is also the NHS vice-president.

**BASKETBALL NEWS**

Last Tuesday the Roosevelt Varsity boys lost to Crosbyton 33-51. In the girls action Crosbyton won 64-41. Kenneth Bobo hit 10 points for the boys and Annie Tillman put in 14 for the girls. Scott Carney sunk 19 for the B-team's win against Crosbyton.

The games scheduled for Jan. 5 were postponed due to weather.

The varsity teams and B-boys will play Cooper Jan. 12 at Roosevelt.

The seventh and eighth grades and freshman teams went up against Slaton last Thursday. The seventh grade girls lost 25-38. Patti Park was high with 13. John Blackwell led the seventh grade boys with 16 despite their loss, 26-31.

The eighth grade girls went down with a 18-35 defeat. Becky Dickey put in 8 points for the team. The boys were defeated 33-33, as Earl Bobo hit 11. Cam Pabasco tossed in 16 points for the freshman girls despite their loss 27-37. The freshman boys lost a close game 31-33. Tommy Pearson was high with 12.

The eighth grade will play in the Post Eighth Grade tournament Jan. 11-13. The girls will play Lorenzo Jan. 12 and the boys play Lorenzo Thursday.

The freshman teams will meet the winners of the Slaton-Frenship game Friday with the girls playing at 3:30 and the boys following in the Cooper Ninth Grade Tournament.

The Junior High and freshman games between Taboka were canceled Monday night, Jan. 8 and are rescheduled for Thursday Jan. 18.

## COTTON TALKS

FROM PLAINS COTTON GROWERS, INC.

The present Administration's rapid-fire announcements of drastic cuts in federal spending for a variety of rural and agricultural programs in 1973 "shows a dangerous, devil-may-care attitude that looks only at immediate dollar savings to the treasury with no concern for long range consequences," according to Donald Johnson, Executive Vice President of Lubbock-based Plains Cotton Growers, Inc.

And there are many other unpublicized areas in agriculture that are getting squeezed. All told, it is estimated the Administration has slashed more than \$2 billion off congressionally authorized funds for rural and agricultural programs.

Farm organizations and farm belt Congressmen are up in arms.

# PRAISE THE LORD

Has hearing and accepting the Good News changed your life? Any? A little bit, or a bunch? Supposing you are a Christian, and a good person, and perhaps it's even your nature to be good, what do you suppose your life would be like if you had not heard the Good News? Do you think you would still be a "good person"? Probably so.

"The same Good News that came to you is going out all over the world and CHANGING

## 'Free Press' Is Subject Of Bill

Senator Lloyd Bentsen (D-Tex.) has announced that he will sponsor legislation in the 95th Congress to allow newsmen to protect their sources of information. "I firmly believe that a newsmen should be able to offer his confidential sources of information the same protection a lawyer offers his clients or that a doctor offers his patients," the senator stated. "A free press is inseparable from the maintenance and protection of a free society," the senator concluded.

Emergency Farmers Home Administration loans are being sharply curtailed and may be completely stopped. The Rural Environmental Assistance Program (REAP), which gave financial aid to farmers carrying out conservation practices aimed at preserving the quality of our nation's air and water, has been canceled. Federal financing of Rural Electrification Administration operations is being shifted to private financing at much higher interest rates.

# Before you invest hundreds of dollars in any encyclopedia, invest 49¢ in a New Funk & Wagnalls.

Before you buy anything as important as an encyclopedia, you should take it home and live with it for a while.

But the only way you can do that with most encyclopedias is by buying the entire set. Not with the Funk & Wagnalls New Encyclopedia. Come in and buy the first volume for only 49¢. If you like it, you can buy the remaining 26 volumes (including index and bibliography), a volume or two a week, for only \$1.99 each. Naturally, this makes buying an encyclopedia easier. It also makes *not* buying it easier. When you sell an encyclopedia this way, it has to be good enough to keep people coming back for more. It is.

The Funk & Wagnalls New Encyclopedia is the work of over 500 scholars, including many Pulitzer and Nobel Prize winners.

It has over 7,000 illustrations—including a full-color World Atlas. It's bound in sturdy, elegant covers to resist the ravages of time and children. It's not only thoroughly up-to-date, but provisions have been made for you to keep it that way. Funk & Wagnalls publishes annual yearbooks which you can buy to keep your set as new as it is now. It's written in clear, simple English. (The Funk & Wagnalls is a family encyclopedia. It's designed to help children keep up with schoolwork, and parents keep up with children.)

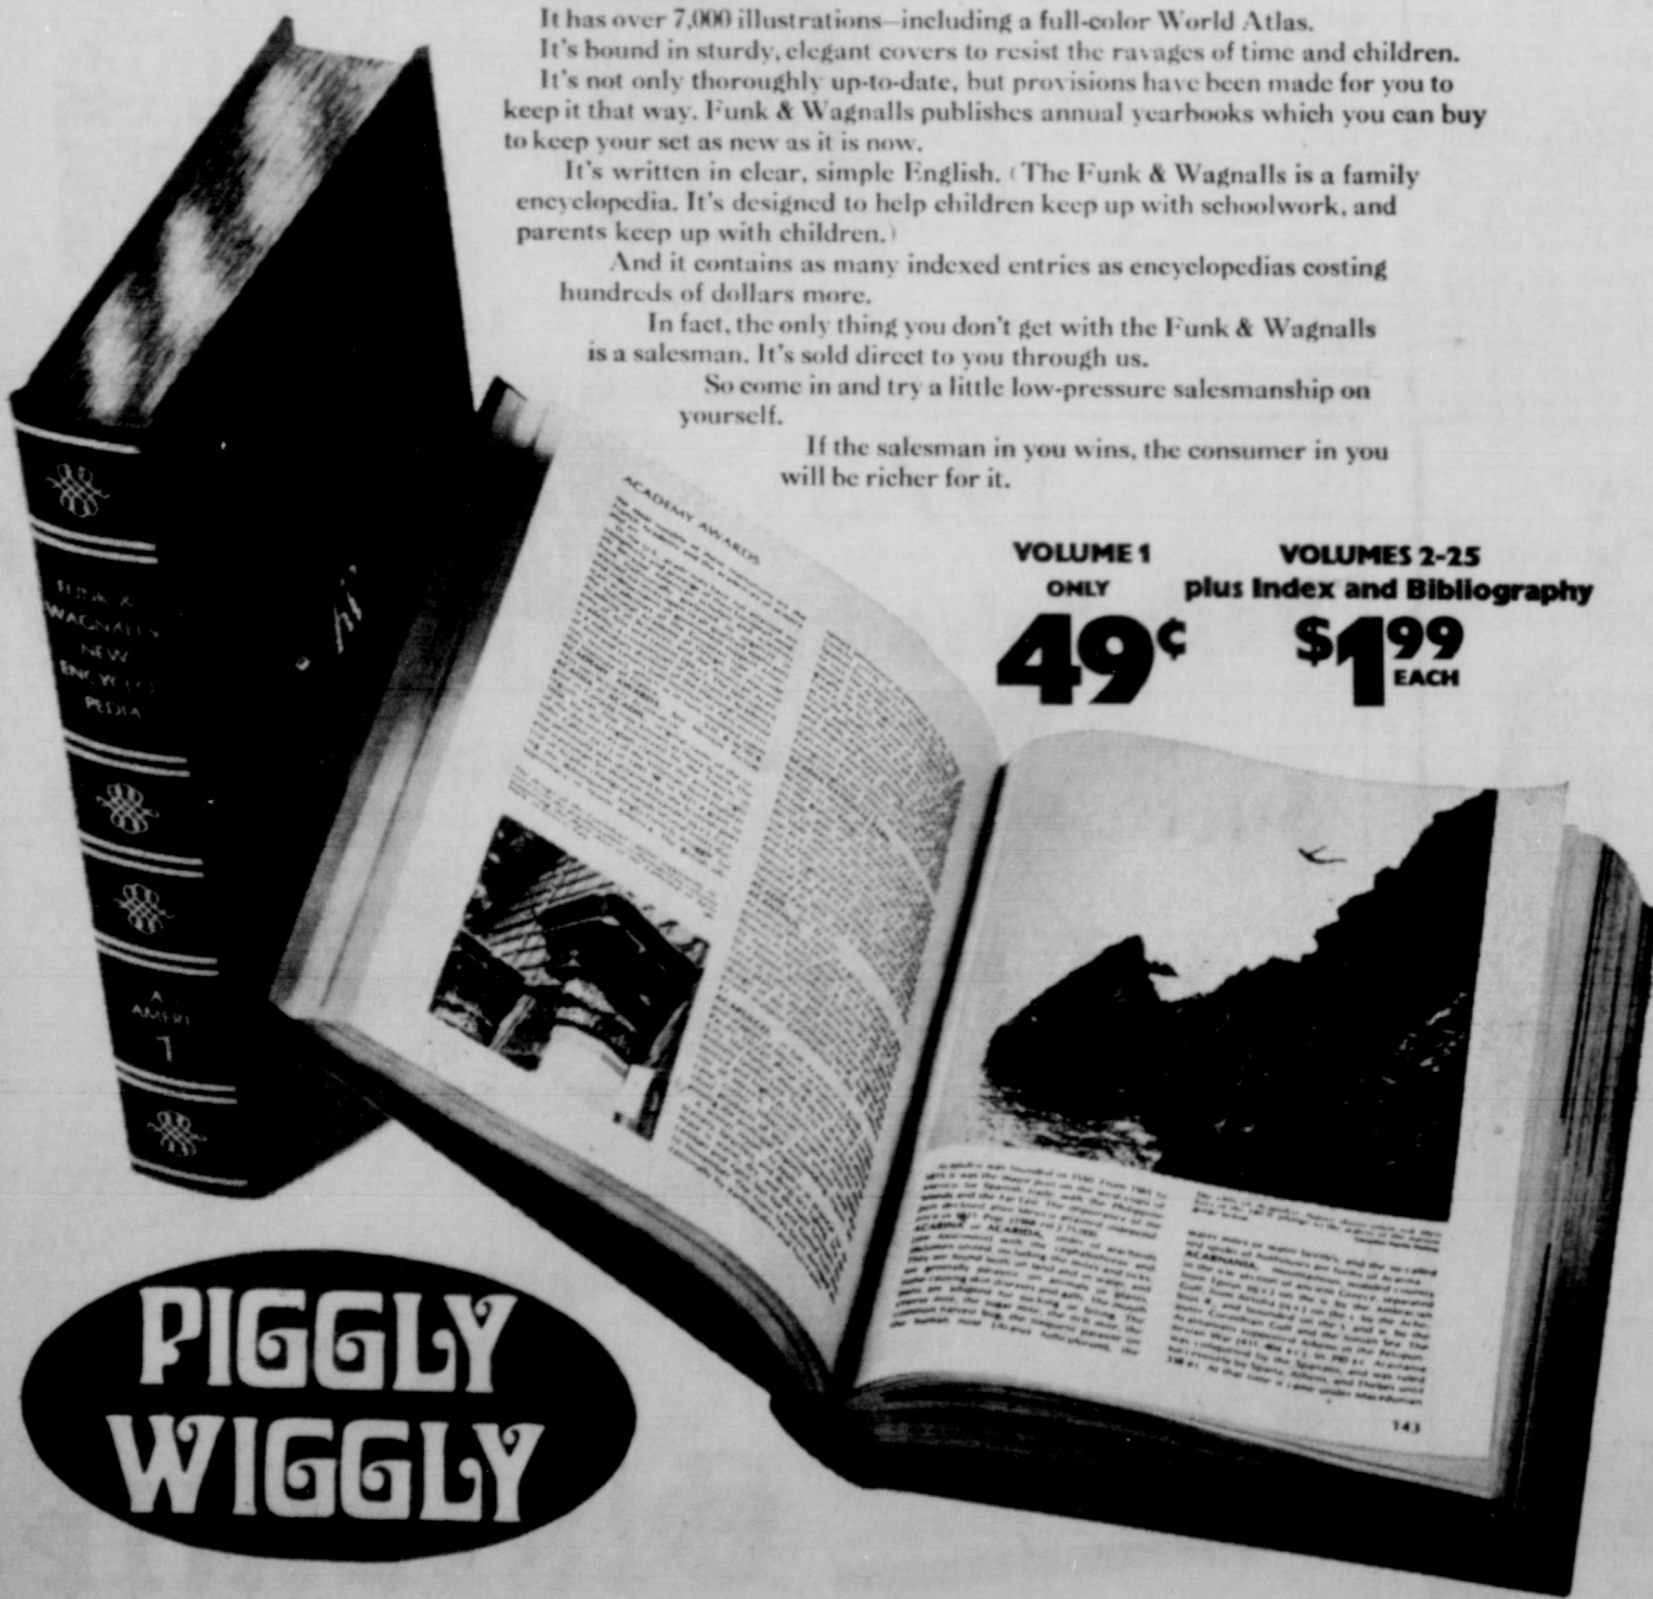

And it contains as many indexed entries as encyclopedias costing hundreds of dollars more.

In fact, the only thing you don't get with the Funk & Wagnalls is a salesman. It's sold direct to you through us.

So come in and try a little low-pressure salesmanship on yourself.

If the salesman in you wins, the consumer in you will be richer for it.

**VOLUME 1 ONLY 49¢** **VOLUMES 2-25 plus Index and Bibliography \$1.99 EACH**

lives everywhere, just as it changed yours that very first day you heard it and understood about God's great kindness to sinners." (Col. 1:6) So what is it in accepting the Good News that can CHANGE even a "good person"? There are many very good people in the world that do so many good things, and even have some characteristics of a Christian, yet they do not profess to be a Christian.

The Bible says that at the name of Jesus every knee shall bow and every tongue confess that Jesus is Lord. (Phil. 2:11)

If a "good man" (not a Christian) should find that his time is up in this life, and finds himself before God's throne, what would he have besides his own righteousness to present to God?

Isaiah 64:5-6 -- "How can such as we be saved? We are all infected and impure with sin. When we put on our prized robes of righteousness (they were "good") we find they are but FILTHY RAGS. Like autumn leaves we fade, wither and fall. And our sins, like the wind, sweep us away."

This is just one more way the devil (and he's real) deceives men into thinking they can save themselves by being good. We cannot save ourselves; if we could, there would have been no need for Jesus to suffer and die for our sins.

"It was through what his Son did that God cleared a path for everything to come to him--all things in heaven and on earth -- for Christ's death on the cross has made peace with God for all by his blood. This includes you who were once so far away from God and you were his enemies and hated him and were separated from him by your evil thoughts and actions, yet now he has brought you back as his friends. He has done this through the death on the cross of his own human body, and now as a result Christ has brought you into the very presence of God, and you are standing there before him with NOTHING left against you -- nothing left that he could even chide you for; the only condition is that you FULLY believe the Truth, standing in it steadfast and firm, strong in the Lord, convinced of the Good News that Jesus died for you, and never shifting from trusting him to save you. This is

the wonderful news that came to each of you and is now spreading all over the world." (Col. 1:20-23.) Let the life-changing Good News come alive in you and live the victorious, abundant life! Praise the Lord!

## COTTON TALKS (cont. from page 8)

PCG President Ray Joe Riley of Hart, in a letter to Agriculture Secretary Butz following the announcement that REAP was being killed, said "We understand the need for restraint in government spending. We do not, however, believe that the need is so great as to justify striking down the Rural Environmental Assistance Program which has long been and should continue to be an integral part of the foundation supporting America's living standard and highly livable environment."  
Riley urged immediate reconsideration of the REAP decision, saying "Without REAP we will be restricted to those farm activities which promise short-term returns, and when we reduce our involvement in anti-pollution practices, all Americans including farmers will suffer accordingly."  
Beyond the 1973 effects of the Administration's raid on farm program funds, Johnson sees ominous implications for the development and passage of farm legislation to succeed the Agriculture Act of 1970 which expires at the end of this year.

"If the Administration continues its short-sighted concentration on agriculture in its economy moves," he says, "we are going to have an extremely hard time getting legislation through an urban-minded Congress that will permit farmers to maintain a semblance of financially sound operations."

What causes a cold? The Texas State Department of Health points out there are many different viruses which cause a cold. A virus is a disease-producing agent so small that it goes right through the very fine filter that stops bacteria. These cold-causing viruses are present in great numbers in your nose and throat when you have a cold. They are carried on the droplets you expel when talking, coughing, or sneezing. How do you catch a cold? Though a virus causes your cold, a number of conditions seem to increase your susceptibility (science does not yet know why or how.) People appear to catch colds mainly indoors. They get more of them during the colder months. Fatigue, chilling, and poor physical condition seem to give the virus a better foothold. What's the course of a cold? From one to three days after the virus takes hold in your body, the symptoms appear. (But other people can catch your cold even before your symptoms appear--one reason why colds are hard to prevent.) The first hint is usually scratchiness in the throat. Within a few hours, your nose gets stuffy and you have vague feelings of discomfort and illness. Usually you start sneezing, too. Within 48 hours, your cold is in full bloom--eyes teary, nose running, voice husky, breathing obstructed, and yours senses of taste and smell dulled. You may feel lethargic and achy. It's common to have a moderate headache, especially at the beginning (but a severe one may be a sign of some complication.) You may also have some fever, although that's unusual in adults.

Once the cold has fully developed, it usually continues at its peak for several days. Then there is a gradual letting up. An uncomplicated cold commonly lasts from seven to fourteen days.

Can a cold be "dangerous" in itself, no. But it can open the door to other illnesses. And it's hard to know when the door has been opened because all the viruses that cause the common cold have not yet been identified. It's very difficult to say where the simple, unperilous cold leaves off and complications, which may be dangerous, begin. Other (non-cold) viruses may complicate matters by getting in their licks when you are already felled by a cold. Or bacteria--many of which live in your body harmlessly during times of good health--may grow strong when your defenses are down. Or sometimes your body is allergic to the cold virus or the activated bacteria.

Then the severity of the cold symptoms increases, and the inflammation and mucous discharge may spread to other parts of your respiratory system. For some people, these complications may be dangerous.

Can you cure a cold? No, you can't. There is no drug known today that can cure the common cold. Antibiotics, the "wonder drugs," are effective against bacteria, not against ordinary respiratory viruses. Doctors may prescribe these drugs for the complications--the secondary, bacterial infections--but not for the cold itself.

## Accent on Health

A weekly public service feature from the Texas State Department of Health  
J.E. PEAVY, M.D., Commissioner of Health

During this cold weather season, many of us will suffer the consequences of a cold, flu, or respiratory infection even though we may try to avoid or prevent it.  
Since the chances are good to have a bout with the "cold bug" this year, it might behoove each of us to know more about what a cold is and what to do with it when you have it, say state health officials.  
What is a cold? The common cold is a name given to any of a number of short-lived infections of the nose and throat. All of them are highly contagious. They have similar symptoms. Sometimes they are called by other names, which simply tell you what part of the upper respiratory tract is particularly affected: rhinitis, affecting the nose; pharyngitis, the throat; or laryngitis, the voice box.
