

STATE TAX RATE FOR SCHOOLS CUT TO 7 CENTS

Barkley Chosen Senate Majority Leader

Kentucky Member Defeats Harrison By A Single Vote

Had Backing Of Court Bill Advocates; Everybody Talks Of Harmony

WASHINGTON, July 21 (AP)—Senator Barkley of Kentucky, who today was elected majority leader of the senate today in a close contest.

The vote was 38 to 37.

Barkley, who served as assistant to the late leader—Joseph T. Robinson of Arkansas—was chosen by the senate's 75 democrats over Senator Harrison of Mississippi.

Barkley was supported by most friends of the Roosevelt court bill. Harrison had the backing of those against that measure.

Senator Alben Barkley of Kentucky, who today was named senate majority leader to succeed Joe T. Robinson. Barkley defeated Harrison of Mississippi.

WINNER

Quickly Done
The entire caucus took less than an hour. There were no nominations, but a quick secret ballot Harrison then moved to make the selection unanimous.

Before the meeting broke up Barkley made a brief speech in which he promised to support democratic policies and work for the nation and the party. He was cheered by his colleagues.

The democrats then filed by and shook his hand, and the hand of Senator Harrison, who stood smiling at his side.

Speaking into a radio microphone, Barkley expressed his gratitude for the "honor accorded me" and expressed confidence "we will all be able to work together."

He said the friendly nature of the contest, close though it was, was a foreboding party unity.

"Work For Harmony"

Senator Harrison, following Barkley on the radio, said he had just congratulated the victor and said "we are all going to work for harmony in the democratic party."

The last ballot counted decided the contest, senators said. Up to the last vote, the two candidates were tied at 37 to 37.

President Roosevelt publicly kept his hands off the contest. Both candidates participated in a legislative conference with him last night.

Both senators have supported the Roosevelt administration or nearly every issue, including court reorganization.

MATTERN PREPARES FOR TRANS-POLAR HOP

Jimmie Mattern (left) brought his plane to Kansas City to have it put into tip-top condition for his proposed flight from San Francisco to Moscow over the North Pole. At the right, on the plane to be used, is H. S. Jones, who will be Mattern's navigator.

TRAXLER WOUNDED, PAL SLAIN BY THEIR HOSTAGES

BOSWELL, Okla., July 21 (AP)—Fred Tindol, escaped Texas convict, was shot to death and his companion, Pete Traxler, Oklahoma outlaw, was wounded seriously today by two farmers they were holding as hostages.

The shooting occurred unexpectedly in an area outside of the river bottom sector around which almost 1,000 federal, state and local officers had thrown a tight network.

A short time earlier, Traxler and Tindol were believed to have been trapped in a rough 10-mile area around Caddo, Okla. Boswell is located about 25 miles southwest of Caddo.

While the automobile in which the desperadoes were attempting to elude a huge network of officers was parked on a highway eight miles northwest of here, the farmers grabbed the guns of their captors and shot them down.

Traxler was shot above the right lung and was reported to be in critical condition. He was rushed to an Antlers, Okla., hospital.

The hostages, Frank Trimmer and J. E. Benton, brought the outlaws into Boswell after the shooting.

May Modify Americans In Court Bill China Guarded

WASHINGTON, July 21 (AP)—The 15th United States infantry stood by under full war packs at Tientsin today to defend the American citizens and interests if Sino-Japanese fighting carried into that city.

While tension between Japan and China brought new fighting in the North China area, American business men at Tientsin organized a volunteer company, started to drill, and selected squads to build fortifications.

Taking a grave view of the situation, the United States consulate had asked that the company be formed to reinforce the regular army garrison.

Besides protecting American interests in the city, the 15th infantry was ordered to keep open the railroad to the eastern seaport of Chinwangtao.

Other Nations Protect Nationals As War Scar Grows

By the Associated Press

What observers believed was a determination by Japanese to wipe out positions held by the 37th Chinese division in the Peiping area and a decision to attack other strategic points also led British, French and Italian authorities to prepare protection for their nationals.

The Japanese commander south of Peiping threatened "another and more deadly blow" against the Chinese.

Japanese destroyed Chinese barracks with an artillery bombardment in a general attack yesterday against Wanpinghsien, just north of the Mario Polo bridge west of Peiping.

Japanese answered reports that a number of civilians were killed in the bombardment by saying they had been "warned" to evacuate the area.

TO HARVEST 15,000 BUSHELS OF GRAIN

An estimated harvest of approximately 15,000 bushels of small grain, 11,000 of which is wheat, is nearing completion on farms operated by him and his father, Don Garlington said Wednesday.

Don and his father, J. S. Garlington, are the largest small grain growers in the county.

He predicted that all of the crop would have been gathered in another week. The Garlingtons are among the last to complete harvest operations due to large scale production involving something like 2,000 acres.

Virtually all of the wheat has been marketed at prices ranging from a low of 98 to a top of \$1.13.

Mothers-In-Law Form Corporation To 'Preserve The American Home'

AUSTIN, July 21 (AP)—Five Texas mothers-in-law bade their loved-ast sisters throughout the nation today to become members of the incorporated "National Association of Mothers-in-Law Clubs," but Gene Howe wasn't on hand to cheer them.

Howe, editor-philosopher of an Amarillo newspaper, has been saying nice things about mothers-in-law since 1934. That year he made the country mother-in-law conscious by launching an annual celebration to honor all such relatives, in penance for the jobs he made at the expense of his own wife's mother, Mrs. Nellie Donald.

Yesterday Mrs. Donald and four colleagues were granted a charter for a corporation under Texas laws, designed to "preserve the American home."

This was taking place while Editor Howe was visiting his mother in Westport, Conn., according to Amarillo sources.

Incorporators with Mrs. Donald were Mrs. Melissa Griggs, Mrs. Lee Anna Thompson, Mrs. Sadie Curtis and Mrs. Willie Griggs. They will be directors.

They and hundreds of other mothers-in-law have gathered in Amarillo annually since Howe's first efforts to make amends in 1934. So much to do was made over their celebrations that Governor James V. Alfred officially urged the whole state to pay them homage.

The new organization aims at providing "for the dissemination of such information as may prove to be educational and advantageous in the preservation of ideals that have historically clustered about the American home."

There is no capital stock. Amarillo will be headquarters.

Crude Quotas Increased To High Figure

Texas Allowables Fixed At 1,495,491 Barrels For Next Month

HOWARD FIELDS ARE GIVEN BIGGER OUTPUT

925-Barrel Boost Authorized By Commission For Two Areas

AUSTIN, July 21 (AP)—The railroad commission today set the basic Texas oil allowable for next month at 1,495,491 barrels daily which is 100,000 barrels a day more than the recommendation of the United States bureau of mines.

The allowable was the largest in recent years. Oil operators had expected it to be considerably over 1,400,000 barrels but the size of the increase was surprising.

The basic allowable this month was only 1,385,476 barrels daily.

The bulk of the increase went to fields in the West Texas, Southwest Texas and Gulf Coast districts.

Move To Storage

In a statement issued with the order, C. V. Terrell, commission chairman, said more Texas oil should be run to storage.

He stated that figures released last week by the United States bureau of mines showed the number of stored crude immediately available for refining "or just a little over 60 days' supply."

"The bulk of these 200,000,000 barrels," he said, "is in the hands of a few strong companies. It is not the policy of the law or of the railroad commission to make oil scarce in order to make it high. The law specifically charges us with protecting the consumer of gasoline."

Terrell said Texas oil in storage was much less in proportion to demand than that in Oklahoma and this state "should be more nearly in line."

By Districts

East Texas, 46,000 and 470,734; Panhandle, 77,017 and 79,215; Moore county, 1,348 and 1,500; Osborne area, 635 and 635; North Texas, 61,000 and 63,765; Ford county, 675 and 675; West Texas, 67,848 and 71,302; West Coast, 183,291 and 222,449.

The East Texas production factor was left at 2.32 per cent of hourly potential.

Changes in allowables by field included:

West Texas—North Cowden 8,487, up 363; Crane-Cowden 2,334, up 336; Duggan 150, up 100; Eaves 185, up 100; Emperor, 1,364, up 18; Estes, 11,245, up 3,595; Foster, 2,325, up 711; Fuhrmans 1,165, up 367; Goldsmith 12,500, up 5,033; Gulf-McElroy 4,625, up 829; Har per 390, up 100; Henderson 4,990 up 200.

Kermit 20,905, up 1,049; Key stone 3,380, up 904; Mans 2,405, up 110; Sand Hills (Ordovician) 369 up 150; Seminole 150, new field; Taylor-Lank 1,490, up 264; North West 8,088, up 1,135; South West 24,890, up 8,714; Watson 290, new field; Yates 35,239, up 9,964.

West central-south Jack 13,146 up 1,546; Jones 7,489, up 639; Shackleford 8,399, up 199; Stephens 4,302, up 102; Upton (McCarthy) 12,634, up 534; South Young 6,351 up 454.

August Oil Allowables Fixed Today by Railroad Commission

August oil allowables fixed today by the railroad commission included: Howard-Glasscock field 16,190, up 300; Intan-East Howard, 7,363, up 625.

TOTAL LEVY OF 49 CTS. PER \$100 IS LOWEST IN YEARS

Revenue Estimated At Enough To Pay \$20 Per Capita Apportionment

AUSTIN, July 21 (AP)—The automatic tax board today set an ad valorem tax rate of seven cents per \$100 valuation for per capita aid to Texas public schools next year.

The board fixed the rate for general revenue purposes at the constitutional maximum of 35 cents which with the constitutional rate of seven cents for confederate pensions gave a total of 49 cents, the lowest rate in years.

Statisticians for the comptroller's department estimated the seven cent levy would take care of \$2,000,000 allotment for purchase of free textbooks and also would permit payment of \$20 scholastic apportionment.

KEY MAN

Gov. Carl E. Bailey of Arkansas is the man who has the power to appoint a successor to the late Senator Joe Robinson.

Seek Convict In Arkansas

Fugitive Flees After One Companion, W. H. Bybee, Is Shot Down

MONTICELLO, Ark., July 21 (AP)—An escaped Texas convict fled through dense southeast Arkansas woods today from a posse which killed one of his companions and captured another in a swift gun fight 12 miles east of here.

The slain convict was W. H. Bybee, 26, who seriously wounded Sergt. Neil Shannon of the state police in a shotgun exchange yesterday. Sergt. Buck Mooney, Shannon's aide, moved down Bybee with a machine gun fusillade and captured, unharmed, another escaped convict, James Rice, 30.

The third escapee, who ran during the gunfight, was described by state police as Harry Roberts, 34. A posse of 30 officers, led by two sheriffs, trailed him with bloodhounds.

The trio suspected of robbing the bank of a seiner in northeast Arkansas two weeks ago, played hide-and-seek with officers in this section for two days.

Bybee, Rice and Roberts escaped a Texas prison farm July 16 after other convicts June 15.

Paying Off Natl. Debt Would Be A Pretty Big Task

NEW YORK, July 21 (AP)—It would take the working population of the United States 11 months, laboring six days a week, to pay off the public debt with its wages, a research report of the Twentieth Century fund said today.

The committee that prepared the report—including Donald Richberg, former adviser to President Roosevelt, and James W. Angell, Columbia university economics professor—agreed the present public debt of approximately \$38,000,000,000 was not a cause for alarm.

The British population, it pointed out, would have to work two and a quarter years to pay off its public debt. It would take the French population even longer to wipe out France's obligations.

Justice-Minister Performs Joint Ceremony For Three Local Couples

Rev. A. D. Leach, Colorado, matched by an equally unusual feature. Rev. Leach, a Baptist minister, is justice of peace at Colorado. He signed the licenses as a minister, however.

Married by Rev. Leach were Joe Kelly and Sybil Farber, Wayne Parker and Omella Tate, and Hugh Brown and Marie Wilkins.

Sudden Death To 12 Texans

Lightning, Drownings And Highway Accidents Take Toll

By the Associated Press

Swift death came to 12 Texans yesterday, victims of lightning, highway accidents and drowning.

N. W. Snow, 35, of Dallas, was killed by a lightning bolt which coursed along a light wire he carried under a house whose foundation he was examining. Ed Ford II, and his brother, Billie Joe, 6, died before their parents eyes of lightning which struck at their Buffalo Springs home in Clay county.

Two other brothers, Oscar Henderson, 6, and Roy, 12, of Kingsville, drowned in Medina river. Divers recovered the bodies after the boys had fallen into a deep hole.

Bruce Drake, 60, Crockett county resident, was killed when his car turned over 35 miles west of Ozona. A tire blow-out was blamed. Two negroes, Annie Skilton, 36, and Morris McKinley, perished and a white man, E. E. Grimes of Tyler, was injured when two cars crashed head-on near Kilgore.

In another head-on collision, Buck Hooper, 29, and E. R. Alexander, 45, both of Whitewright, were injured fatally. Three were injured in the crash of a bus and automobile during a rain.

Mr. and Mrs. Alfred Bynum, both about 30, were killed in an automobile-truck collision 15 miles southwest of Lubbock.

De Valera Renamed Ireland President

DUBLIN, July 21 (AP)—Eamon De Valera was re-elected president of the Irish Free State today by the New Dail, parliament, by a vote of 82 to 52. It will be his third term.

William T. Cochrane, opposition leader, vigorously opposed the election, contending that the majority of votes cast in the recent general election were against De Valera's policies.

Cochrane also condemned the new constitution which severs the last link between the Free State and Great Britain and changes the country's name to Eire (pronounced "Airy").

SOCIAL SECURITY FORMS AVAILABLE

Postmaster Nat Shick said today that he had social security forms SS-4 and SS-5 available for employers and employees.

However, he reminded those securing the blanks that they are to be mailed to the Field Office Social Security, 327 First National Building, El Paso. He said that the forms mailed to the postmaster here had to be returned for postage with instructions to send them to El Paso.

RIDERS INJURED IN COASTER ACCIDENT

CHICAGO, July 21 (AP)—A speeding roller coaster train hurtled down a steep incline into the rear of an uncontrolled train at Riverdale amusement park last night, injuring 24 of the terror-stricken riders.

The impact wrecked the rear car of the first train and the front car of the second.

Only three persons were reported seriously injured.

Police investigated a report by passengers that a cog wheel safety device intended to prevent cars from going backward failed.

SCOUTS AT CAMP

At Stiles, area executive of the Buffalo Trail council, notified Carl S. Blomsheld, council campaign chairman, here Wednesday that the Big Spring delegation arrived without incident Tuesday afternoon.

There is a large crowd in camp the first week, Stiles said, and that the boys were engaged Wednesday morning in erecting their tents.

Weather

WEST TEXAS—Partly cloudy to night and Thursday; probably scattered thundershowers in south portion; somewhat warmer in north portion Thursday.

EAST TEXAS—Partly cloudy to night and Thursday.

Other Blocks To Be Paved

Owners Sign For Improvement On Ninth, Runnels To Scurry

Two additional blocks were added to the city's current paving program Wednesday when property owners on Ninth between Runnels and Will signed for the street.

Work will start soon on the two block segment.

The city announced that a "mere handful" of signatures were needed for the realization of the Bell street, five block job. A few more signatures and the Goliad street project may be ordered, giving 11 more blocks to the paving program.

With three blocks already under construction, this would about cover the city's original outlay for 20 blocks of paving during the year.

FORGERY CHARGE

Bond was set in justice court today at \$750 for Cliff Mosley, charged with forgery of a \$26.50 check. Mosley waived examining trial and was remanded to jail in lieu of the bond.

SOCIETY WOMAN'S PAGE FASHIONS

READING AND WRITING

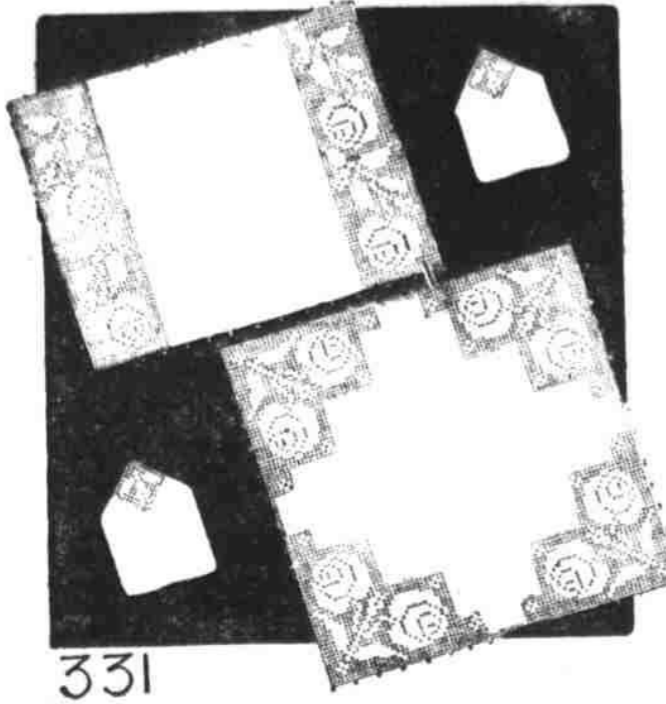

By John Selby
"CONVERSATION AT MIDNIGHT" by Edna St. Vincent Millay

Publication of a new book by Edna St. Vincent Millay is now being attended by almost as much pomp as opening a new buying lodge in southern Alabama.

There is a succession of special editions—one very plush at \$50 and so on down to the common, undecorated edition which goes to you and to me, and is marked "second edition." This oddity is common preceding with Miss Millay, who is, so far as this writer knows, our best selling poet.

"Conversation at Midnight" is the latest Millay book and it very nearly was not the subject of the very plush \$50 special edition of 21 copies, after all.

Neat Finishing

331

By RUTH ORR

Instead of having to crochet a whole luncheon set, you can just finish off each piece of this one with an attractive section in filet crochet.

The pattern envelope contains complete, easy-to-understand illustrated directions, with block and space diagrams to aid you; also what material and how much you will need.

To obtain this pattern, send for No. 331 and enclose 10 cents in stamps or coin (preferred) to cover service and postage.

Swim, Breakfast Is Courtesy To St. Louis Guest

Entertaining for her niece, Miss Margie Moskau of St. Louis, Mo., Mrs. Noel Lawson was hostess at a swimming party and breakfast this morning at 7 o'clock.

Following a swim in the city park, guests were served breakfast in the coffee shop of Hotel Statler. Places were laid for the honoree, Miss Moskau, Miss Bobby Taylor, Miss Mary Nell Edwards, Miss Rozelle Stephens, Miss Roberta Lee Hansen, Miss Alta Mary Stalcup, Miss Mary Louise Wood, Miss Doris Cunningham, Miss Mary Louise Inkman, Miss Minnie Bell Williamson, Miss Marguerite Reed, Miss Emily Stalcup, Miss Dorothy LeFevre, and Mrs. Ralph Duval.

Ladies Auxiliary To Be Guests For Meeting Tonight

Patriarchs Militant, Big Spring, canton No. 23, will honor the ladies auxiliary in connection with the regular meeting at 8 p. m. today in the I.O.O.F. hall.

Members of the L.A.P.M. have been invited to be special guests of the patriarchs for the evening.

Next Monday the subordinate lodge will install the balance of its new officers and will make plans for holding a chicken dinner which the side captained by the vice-grand must tender those on the noble grand's side for having lost a contest.

Work in the initiatory degree also is in prospect for Monday evening, R. W. Randolph, noble grand, announced.

Mrs. Woodward, Corpus Christi Guest Honored

Mrs. Carl Blomsheld, Mrs. M. H. Bennett and Mrs. J. Y. Robt. were joint hostesses today when they entertained with breakfast honoring Mrs. Gordon Lewis of Corpus Christi and Mrs. G. A. Woodward of this city, who is moving to Houston to make her home.

The affair was given on the mezzanine floor of the Hotel Statler. Lovely bouquets of mixed summer blossoms added charm to the table, where places were laid for 29 guests.

Mrs. J. E. Brigham, Mrs. H. C. Hooser Are Complimented

Complimenting Mrs. H. C. Hooser and Mrs. J. E. Brigham on their birthday anniversaries, members of the Happy Go Lucky Club showered them with handkerchiefs at a meeting of the club Tuesday afternoon in the home of Mrs. G. C. Graves.

At games of bridge, Mrs. H. M. Martin was high for guests, Mrs. Hooser, high for club, Mrs. J. T. Allen, low and Mrs. Hugh Hendrix, traveling prize.

Guests were Mrs. Martin and Mrs. J. Wayne Campbell. Members present were Mrs. Allen, Mrs. Hooser, Mrs. Hendrix, Mrs. Brigham, Mrs. Raymond Noah and Mrs. S. L. Parker.

Murdock Home Is Scene Of Homemaker's Meet; Mrs. Lee Co-Hostess

The 1103 Runnels home of Mrs. C. A. Murdock was opened Tuesday afternoon to members of the Homemaker's class of the First Christian church when Mrs. Harry Lee was co-hostess.

Following a brief business discussion, Rosebud pairs were revealed and new names were drawn. An hour was spent, at which time members told what Rosebud pairs had done during the past three months.

At the social hour, refreshment of ice cream, cake and lead tea were served. At this time Mrs. C. M. Shaw was presented with a birthday cake. Present were Mrs. J. H. Grey, Mrs. M. C. Lawrence, Mrs. Jim Crenshaw, Mrs. Shaw, Mrs. H. W. Nell, Mrs. E. L. K. Wright, Mrs. Carl Wasson, Mrs. J. H. Stiff, Mrs. George Hall, Mrs. A. C. Savage, Mrs. R. E. Boroff, Mrs. W. C. Watson, Mrs. O. O. Pryor and Mrs. W. W. Inkman.

Rebekahs Install New Secretary And Newspaper Reporter

Mrs. Vera Stallings was installed as treasurer and Mrs. Nora Guiley was elected reporter at a meeting of the Rebekahs last evening with Mrs. Thelma Randolph N. G. presiding.

All members are requested to attend a meeting of the lodge at 7:30 Thursday night for drill practice. The team will go to Stanton July 23 for a competitive meeting.

Roosevelt Intruder Jailed
POUGHKEEPSIE, N. Y. (UP)—Charged with stealing boat models from the home of Mrs. Sara Delano Roosevelt, mother of President Roosevelt, at Hyde Park, Samuel McWhinney pleaded guilty to unlawful entry and was sentenced to 11 months and 27 days in the county jail.

BATTLE RAGES NEAR MADRID

Insurgent forces launched a fierce drive on government troops west of Madrid with Brunete the center of the offensive. The fighting was described as the most furious of the war. Planes and artillery of both sides crashed bombs and shells into opposing lines near Brunete and closer to Madrid. Arrows on this map indicate the battle front and the direction of the insurgent attack.

Beta Sigma Phi Meet To Plan Fall Calendar

Discussion of the Fall calendar and appointment of committee occupied members of the Beta Sigma Phi Sorority at a meeting Tuesday evening at the Hotel Statler.

Under direction of the president Miss Elizabeth Northington, the following committees were appointed: Social and publicity, Miss Evelyn Merrill and Miss Marguerite Anderson; ways and means, Miss Anne Zafarontis and Miss Evelyn Archer; program, Mrs. Mary Burns and Miss Anne Zafarontis. The membership committee will include the entire personnel.

Four members were present. They were Miss Northington, Miss Zafarontis, Miss Burns and Miss Anderson.

Good Times Night Club Meets With Watermelon Feast, Theatre Party

A theatre party, followed by a watermelon feast at the home of Mr. and Mrs. Vernon Logan, 204 Erie, was diversion for members of the Good Times Night club in a meeting last evening.

Attending were Mr. and Mrs. Joe B. Harrison, Mr. and Mrs. J. C. Loper, Mr. and Mrs. Roy Cornelison, Mr. and Mrs. J. A. Coffee, the host and hostess.

Mrs. W. B. Sullivan To Study Three Weeks Then Will Attend Convention

Mrs. W. B. Sullivan left this week for St. Louis, where she will spend a week with relatives, before going to Winona Lake, Ind., where she will study an advanced course in portrait photography. The course will be completed in three weeks and Mrs. Sullivan will return by way of Chicago, and attend the national convention of photographers. She is with Bradshaw Studio in Big Spring.

THEY KNOW HOW TO HANDLE MEN

ATLANTIC CITY, N. J., July 21 (AP)—The serpent has swallowed its tail, the cycle is ended and the men may soon have to hie themselves to the kitchen and scrub the linoleum, say delegates to the National Federation of Business and Professional Women's convention.

They took stock today of an 89-year-old fight to throw off male dominance and resolved that victory was in sight.

Throughout the last women are climbing into high public office, and everywhere they are being recognized as ideal business leaders, the delegates observed today. Miss Iona Robertson Logie, vocational counselor of the Hunter College high school, explained why: "They know how to handle men better than men know how to handle themselves."

Mrs. R. V. Middleton Is Tuesday Hostess To Club And Guests

Mrs. R. V. Middleton was hostess to members of the Tuesday Luncheon club, at which Mrs. Garland Woodward and Mrs. Gordon Lewis, guest of Mrs. E. V. Spence, were guests.

At games of bridge, Mrs. Shine Phillips was high score winner. Others present were Mrs. J. Y. Robt, Mrs. M. H. Bennett, Mrs. W. W. Inkman, Mrs. Carl Blomsheld, Mrs. Woodward, Mrs. Lewis, Mrs. Spence and the hostess.

PANGBORN RELEASED

MOSCOW, July 21 (AP)—Clyde Pangborn, American aviator, planned to fly here today from Belk-leukl airport, where he had been held by soviet authorities for two days.

Pangborn entered Russia without a visa and was immediately placed in detention at the airport, near the Latvian frontier. His companion, Congressman William I. Sivovich, of New York, came on to Moscow and obtained the necessary visa.

MEXICO FIXES PRICES ON COFFEE AND MILK

MEXICO CITY, July 21 (AP)—Mexico City's government, already engaged in fixing wholesale and retail prices for meat, bread and charcoal, made preparations today to extend President Lazaro Cardenas' socialization plan to coffee and milk.

The newly assumed market function of the federal district was considered a further reflection of the national government's increasing trend toward official control of the key industries. The market regulations were designed to protect the consumer.

PIONEER FIESTA

SALT LAKE CITY, July 21 (AP)—"Mormon" communities of four states have recaptured for a week the color of the old west to the vast entertainment of thousands of tourists.

Throughout Utah and in scores of small towns of Idaho, Wyoming and Nevada the annual pioneer days celebration is in full swing toward a climax on Saturday, the 30th anniversary of the arrival of Mormon caravans in Utah.

Policies Of Farm Bill Are Explained

Answers To Questions Outline Purposes Of New Measure

(EDITOR'S NOTE: Chairman Jones (D-Tex) of the house agriculture committee has asked congress to enact a broad program to stabilize farm prices through an "ever-normal" granary system. The following questions and answers outline his bill's major provisions.)

WASHINGTON, July 21 (AP) — How would the Jones bill try to establish "fair prices and incomes" for farmers and a stable food supply for consumers?

By regulating the flow of farm products to market under a quota system. Each farm would be given an increase and marketing allotment of such major products as wheat, corn, rice, cotton and tobacco.

What would be done with surplus crops—the portion not needed for domestic consumption and export?

They would be stored in granaries for release in years of crop failures, thus keeping the supply "ever-normal." Sponsors say such storage would tend to stabilize prices for the benefit of both producer and consumer.

Would farmers be required to comply with acreage and marketing quotas?

No, but those who did not comply would be denied cash benefit payments under the existing soil conservation act and other payments that might be authorized.

How would surplus products find their way into the granary?

The secretary of agriculture would require farmers receiving such benefits to store up to 20 percent of their crops. Loans would be allowed on the stored portion.

How would stored surpluses be released in poor crop years?

By calling in the loans. It is presumed that most farmers would place on the market such stored products to obtain funds to retire loans.

Suppose surpluses filled granary needs; what steps would be taken to bring production in line with consumption?

Increasing taxes would be levied on the major crops. Funds raised by these taxes would be used to increase benefit payments to farmers complying with acreage and marketing quotas.

In what other ways is the bill designed to help farmers?

It authorizes the secretary to help farmers obtain lower freight rates on their products. It also authorizes expenditures of \$10,000,000 a year for developing new uses for farm products.

Insurgents In New Drive

Massed Attack Designed To Recover Ground Lost To Loyalists

MADRID, July 21 (AP)—Insurgent forces, struggling to plug a hole gouged in their lines west of Madrid by Gen. Jose Miaja's offensive, surged on the government salient from three directions today.

Their massed drive wrested a strategic hill from Miaja's militiales—"Peak 660," from which they dominated Villanueva De La Canada, a village about 15 miles west of Madrid.

The government asserted it still held Valdemorilla and Villanueva Del Pardillo, at the mouth of the "hockets" which Madrid's "millionaires" cut into the flank of the night and one-half month old siege lines on the capital's western front.

Miaja's salient extends southward and completion of its curving sweep back toward Madrid would trap the insurgents or force their evacuation.

South of Madrid and east of Navalcarnero where other government forces are fighting to join Miaja's western front salient, the government reported its lines were held in the face of heavy counter-attack.

Reports from the Guadalajara front, northeast of the capital, told of a continued concentration at back to break them up.

INNOCENT MEN FREED

CLEVELAND, July 21 (AP) — Freedom came today for Anthony Labrizzetta, 34, and George Sargent, 39, after serving 27 months for a crime they didn't commit. They were convicted of a \$125,000 Warren, Ohio, mail truck robbery, but later investigation disclosed the crime was committed by the Alvin Karpis gang.

HER DEATH INVESTIGATED

Two minor film players were held in Los Angeles by officers investigating the death of Mrs. Dorothy May Garland (above), 31, an attorney. A physician said he was uncertain whether Mrs. Garland died of alcoholism or injuries.

Variety Also Is The Spice Of New York; You Never Can Tell Just What You'll See Next

(Another of a series of sketches on her impressions of New York is presented here by Nancy Phillips, Big Spring girl who has served on The Herald staff, and who has been making an extensive tour of the East.—Editor's Note.)

By NANCY PHILLIPS
What I like about New York is the thrill of not knowing what is going to happen next as I walk along some crowded street. Everywhere can be seen entirely different types of people—the young, heavily-made-up show girl hanging on the arm of some unmistakable "sugar daddy" about twice her age; two bums talking big money on a park bench; a fond mother warning her daughter about something or other; and the two honeymooners who didn't get to Niagara Falls. However, one of the funniest sights I saw was a man at the stage of "cute-drunk-ness"; he was standing on the corner of 42nd street around noon dressed in a tuxedo and high silk hat. He was simply just standing there, weaving back and forth giggling happily to himself and telling the whole city to be quiet for no particular reason by putting his middle finger to his lips and saying "Shhhhhhh" in a loud stage whisper. I burst into one of my hearty laughs, which should be what did he do, but wobble madly over to me and, between hiccup-tell me that I really should be much quieter—then, with a far-well "Shhh" that nearly blew my hat off, he sauntered off quite satisfied with himself.

Chinatown
I obtained some interesting as well as revolting views on a tour through the slums and Chinatown. Coming from the wide open spaces I can't see how two or three families can possibly live in two small rooms but they do and seem to manage pretty well. They even have room for a few dried-up pot plants. I naturally thought Chinatown would also be black with filth, but to my surprise it is spotlessly clean; and it was only every

river we went to West Point. Whoever chose the location for this great school must have been a true lover of nature as it is situated in the hills overlooking the water and the trees are so thick that the whole hillside resembles a huge piece of tapestry. In order to see the grounds we joined a tour in which there were two giggling, squealing old maids and when we came to Flirtation Walk they walked up and down it so furiously and hopelessly that I thought surely there would be no cement left when they finally quit from exhaustion. The walk is a very romantic one where a clear view of the river can be had and, at night, the moon is quite visible with, I fancy, an Impish grin on its face.

And, as that movie travel-talk man always says, "It is with this thought in mind and the skyscrapers in view that I reluctantly bid a sad farewell to you, exciting, fascinating New York!"

Tractor In Irrigation Use

VANGUARD, Sask. (UP)—Two farmers are foiling nature and drought with a man-made machine. Giving up hope of rain, Frank Burton and John Waldner devised a tractor-operated pump to irrigate their 40-acre farm. The pump carries about 2,500 gallons of water a minute from a nearby river and pours it on the parched land.

The apple, as shown by the Bible, is one of the oldest cultivated fruits. It was brought to America by early settlers.

WASHINGTON, July 21 (AP) — "Cactus Jack" Garner, who calls himself President Roosevelt's silent partner, is doing a lot of talking this week—but it's all behind the scenes.

The vice president scarcely had unpacked his bags yesterday when he became the center of negotiations for a court bill compromise. One senator after another walked into his roomy capitol office. Seven came in a body.

A little later the bushy-eyebrowed Texan went to the White House. Apparently he delivered the senators' message.

His own views on the court bill have not been disclosed. Before he left suddenly on his vacation in the middle of the congressional session, insiders said he had urged Mr. Roosevelt to yield in his advocacy of additional supreme court justices.

That was what led observers today to believe that Garner was taking a hand in trying to end the disagreement among the leaderless democratic senators.

It wasn't the first time that Garner has taken an active role in guiding legislation since he became vice president. He refers to his position as a "fifth wheel," but legislators listen when he gives advice.

Friends say he doesn't hesitate to disagree with Mr. Roosevelt in the privacy of "the boss'" office.

Garner, The "Silent Partner," Is Doing Plenty Talking Backstage

WASHINGTON, July 21 (AP) — They call him the administration's leading "no" man.

Garner, however, has been a loyal supporter of the president's policies, and when he leaves the White House after a conference, it usually is to "see what can be done."

GIRL STRUCK BY LIGHTNING ILL IN MONAHANS HOSPITAL

Word was received here Wednesday of the critical illness of Mary Katherine Ketchel, 14, in Monahans hospital. Mary Katherine was thought to be suffering from the effects of contact with a bolt of lightning near here June 3.

When the bolt struck a our-inch concrete slab on which she was standing, the slab shattered and she was hurled back and burnt about the legs. She was given emergency treatment and apparently suffered no immediate effects.

Her recent condition, however, attributed to the lightning strike.

Bridge Bell Defies Progress

CLEVELAND (UP)—The 42-year-old bell hanging outside the engine room high in the New York Central and Pennsylvania Line bridge over the Cuyahoga river is still rung by hand despite the modern electrification of the bridge machinery.

Women's Story Of Mistreatment Brings A Denial

PEIPING, July 21 (UP) — Two American women were at odds with the Japanese embassy today on whether Japanese soldiers kicked them or merely "pushed them on their way."

A Japanese embassy spokesman declared investigation showed Japanese sentries did not use violence in forcing the women to leave the vicinity of the embassy yesterday.

The women, Mrs. Helen R. Jones of Detroit, and Miss Carol Lathrop of Washington, D. C., told United States officials that the guards kicked and shoved them.

Japanese sources, however, said the lieutenant in charge of the guards said one of the women slipped on wet pavement.

The lieutenant's view was that the women crossed the street and tried to look inside sandbag barricades and that when sentries asked them to leave they refused and the sentries "merely pushed them on their way."

When she heard the Japanese version of the incident Mrs. Jones declared "If being kicked and shoved as we were isn't violence then I'd hate to meet the real article."

It was my impression that the street was perfectly dry," she added.

It is against the law to hunt deer with dogs in Erath county, Texas, although there are no wild deer there.

RFC HEAD OPPOSES LOCAL TAXATION

WASHINGTON, July 21 (AP) — Jesse H. Jones, chairman of the Reconstruction Corporation, said in a letter made public today (UP) RFC might seek to curtail local services if it were made subject to state taxation.

The letter, to Senator Hayden (D-Ariz.), was published along with communications from heads of other lending agencies and forwarded to senate members.

Jones said the RFC is not operating for profit and does not compete with private capital in its lending activities.

Darlington, S. C. officers reported the theft of a set of false teeth from a resident.

C. R. Rhodes of Danville, Ill., exhibited a seven-ounce egg he said one of his hens laid recently.

WAKE UP YOUR LIVER BILE—

Without Calomel—And You'll Jump Out of Bed in the Morning!
The liver should pour out two pounds of liquid bile into your bowels daily. If this bile isn't flowing freely, your food doesn't digest. It just decays in the bowels. Gas builds up your stomach. You get constipated. Your whole system is poisoned and you feel sour, sick and the world looks pink.

Laxatives are only makeshifts. A mere bowel movement doesn't get at the cause. It takes those good, old Carter's Little Liver Pills to get these two pounds of bile flowing freely and make you feel "up and up." Harmless, gentle, yet amazing in making bile flow freely. Ask for Carter's Little Liver Pills by name. Stubbornly refuse anything else. 25c.

Prices Will Be Higher
PENNEY'S GREATEST ADVANCE SELLING OF BLANKETS
FALL PRICES WILL BE HIGHER!
FALL PRICES WILL BE HIGHER! We anticipated the price rise—we looked ahead—we bought huge quantities and at favorable prices. These savings are being passed on to you. THE SPORTS PARADE

By HANK HART

New Moore, the team defeated by the Hubbers Monday in a first round game of the invitational meeting at Lubbock, should make trouble before it bows out. Its team is composed mostly of Lamesa and Pankin Center players.

The N-M outfit did not give up without a struggle to the strong Hubbs. Old Sport Woolridge finally tamed the foe after giving up seven runs in one inning. Woolridge managed the Hubbs and should have retired from active duty some time ago.

Bob Evans, who didn't do so well with the timber when Tahoka visited here, collected two doubles and as many singles in the game with Brownfield Sunday. The bespectacled one, a terrific left handed swinger, is small but can pour the pine to the pellet.

Following this tournament, a ten day meeting will be conducted in O'Donnell with prizes of \$100, \$50 and \$25 going to the first, second and third place winners, respectively. All teams in this vicinity interested can write to Shack Blocker, O'Donnell, manager of arrangements.

The reason Lou Gehrig isn't going after those long hits is because the Yankee first sacker is trying for the batting crown in earnest. Lou collected three hits in nine attempts yesterday against the Browns and saw his average drop a point to .379 but he still is maintaining a 10 point advantage over everyone but his teammate, Joe DiMaggio, who has .370.

Obie Bristow left this morning for El Paso and that city's golf tournament which begins Thursday. Accompanying him was Billy Boyer, who, last week, marched into the finals of the San Angelo invitational only to be beaten by Billy Bob Coffee.

The Coahoma Bulldogs, who a week ago lost to Continental of Foran, 19, on the Bulldog diamond, will attempt to score a win over the Conoco outfit in Foran sometime today. The Fuglarmen will be without the services of Max Beard who will try to interest some Panhandle swingers with his portaird throws.

Cleaning the cuff, Kendall Jones, who won the West Texas open tennis crown here recently, plays a nice game of basketball during the

OILERS GET BELATED START IN LUBBOCK TOURNNEY AGAINST WOLVES

MARTIN TO HAVE FULL STRENGTH

After getting a false start Tuesday afternoon, the Couden Oilers break the barrier in earnest this afternoon in quest of the annual Lubbock invitational baseball tournament, playing the Wolfworth Wolves in the opening game on Parris field.

Manager Martin left with his team intact and will take the favored team into the clash with the Wolves.

MORE RAIN
LUBBOCK, Tex., July 21 (AP)—Managers of the annual Avallanche-Joustal baseball invitational tournament today eyed moisture-laden skies in hope that rain would not again cause postponement of action.

A light drizzle fell here early this morning, not hard enough however, to affect the field and play was expected to again get under way with a double-header schedule this afternoon.

Brownfield and the Lubbock Collegians were all set to open the day's fireworks and the Couden Oilers of Big Spring and the Wolfworth Wolves will appear in the nightcap.

Panhandle team. Hopeful of victory he hopes to join Tahoka, Amerada and the Lubbock Hubbers in the second round.

Win or lose, the Coudenites will play again Thursday. Should they top the decision today they will meet either the Hubbers or the New Mexico team. If they drop the game today the winner of the Tip-Top Brownfield affair will form the opposition of the locals' Thursday.

Martin indicated he would start Al Doren behind the plate, Horace Wallin at first, Tommy Hutto at second, Jake Morgan at short, Rat Ramsey at third, Carmo Brandon in left, himself in center, and Pat Stacey in right, using Bill Cook in the box.

Should Martin elect to give Wallin the hill assignment, Hutto will be sent to first and Mike Sherrod to second.

THOUSANDS PAY FINAL TRIBUTE TO FAMED INVENTOR

ROME, July 21 (AP)—Thousands of Romans of high and low estate filed past the bier of Guglielmo Marconi today in hushed farewell to the genius that gave wireless telegraphy to the world.

The body lay in state in the blue uniform of an academician, under the Raphael fresco of the mythical Galatea in the Galatea chamber of the royal academy.

The famous scientist died at the age of 63 at his residence here early yesterday of heart paralysis.

About 20,000 persons filed past Marconi's body on its candle-lighted bier up to midnight last night. Other thousands continued the sad procession today until time for the state funeral and transportation of the body some 200 miles northward to Bologna for burial.

United States Ambassador William Phillips said a wreath in the name of the American government, and hundreds of other tributes were received from all parts of the world.

CARDS TEXAS GAMES
MONROE, La., July 20 (AP)—Northeast Center of Louisiana State university has arranged a nine-game schedule for the 1937 football season, with six engagements to be played here. The card includes Kilgore, Tex., junior college, Oct. 8; here, College of Marshall (Texas) Oct. 15; here, and Texarkana junior college Oct. 22 at Texarkana.

ERRONEOUS REPORT
LONDON, July 21 (AP)—The British admiral, announced today that a practice charge dropped by the destroyer Wolfhound to signal a British submarine off Portland, while a German U-boat passed nearby, led to erroneous reports the German boat had been halted.

winter. He is stationed at a guard position on the A.C.C. team. Frank Larkin manages the Tahoka baseballers while Berl Huffman was the overlord of the Tip-Top Collegians but he wasn't the fellow who threw the ball over the grandstand. Chick Greer is still playing a nice game for the Amerada Oilers. Chick, you know, played with the CCC Foresters here two years ago and then moved to Lamesa before accepting the position with the New Mexico team.

WORTH CROWING ABOUT

Position of Panthers Is Threatened

Fort Worth In Midst Of Worst Losing Streak

By the Associated Press
If anybody intends heading off Oklahoma City as Texas League kinglypin, now is the time to begin doing something about it. From this mid-season point it seems the Indians have a strangle-hold on first place and much relentless opposition will be needed to annihilate their 11-game lead.

The Indians won another last night, relying on Ralph Buxton and Ash Hillis for pitching and lusty 11-hit batting to turn back Galveston 5 to 3. The feature of the game was Stanley Sperry's good fortune in hitting in his thirty-fifth consecutive game. The Indian second baseman can tie the all-time league record if he hits in 37 straight games, as did Ike Boone for San Antonio in 1923.

Because of the Shaughnessy play-off system, Oklahoma City's wide lead did not make the pennant fight too lusterless. San Antonio again entered contention with their fourth straight victory, which pulled them to within a game and a half of Fort Worth and the first division. The Missions hit less frequently but farther than Dallas to win 4 to 3. Fort Worth had dropped three straight to San Antonio.

Fort Worth slipped a bit more in losing to Beaumont 12 to 4. Two Cat pitchers, Reid and Selway yielded 18 hits.

Tulsa polished off Houston 4 to 0, delivering the fourth-straight game the Buffs have gone down under four-hit pitching. Leo Twardy was the Tulsa hurler.

America's strategy in the shalenge round is simple. As long as Budge can keep firing American can win.

The British team, reduced to Bunny Austin, R. C. D. Tuckey and brace newcomers seem to have little in its favor.

Austin is England's best bet, but he cannot hope to match Budge after the latter's victory over Von Cramm, a greater player than Austin. Tuckey is paired with Charles E. Hare, an untried player.

Frank H. D. Wilde is England's second singles player.

EL PASO WINS SHOOTING HONORS

LAREDO, July 21 (AP)—El Paso laid claim today to a preponderant share of the best police marksmanship in the state as judged by the pistol and rifle shoot which ended here yesterday.

R. P. Jackson, El Paso border patrolman, led his team to top honors in competition with 12 other teams and successfully defended his individual rating in a shoot-off with leaders of the 12 other teams. In match competition his score was 860. His fellow teammates were L. D. Kneesk and Charles Akins of El Paso and Sam McKone of Laredo. They scored 3,404 points.

Another border patrol team was second with 3,333 and the Dallas police team with 3,290.

Kneesk and Akins were second and third respectively in individual scoring in the team matches.

In the women's shoots Mrs. C. M. Platt of Austin was first with a 22-caliber pistol and Miss Virginia Tate of San Antonio was first in 38-caliber revolver competition.

Trophies will be awarded tonight.

Australian Butter At Par
SYDNEY (UP)—For the first time in history Australian butter is selling on the London market at as high a price as Danish butter. Australia plans now to become one of the leading competitors on the European market for dairy products.

CHISOX AND TIGERS EXTENDING DOUG JONES

Singles Assignment May Fall To Frankie Parker Along With Budge

WIMBLEDON, Eng., July 21 (AP)—While the cheers rolled out over Wimbledon's storied courts for Don Budge, the man who had achieved the impossible, Bryan Grant, the atom from Atlanta, sat steady in the shadows. He had suffered the most crushing defeat of his career.

Budge had beaten Baron Gottfried Von Cram, 6-8, 5-7, 6-4, 6-2, 8-6, to win the inter-zone final for the United States Davis cup team and send it into the challenge round against England with a fine chance of winning and returning the cup to America for the first time since 1927.

But Grant had lost to Heinrich Henkel, 7-5, 2-6, 6-3, 6-4.

For Bily it was the big chance in past years when he had not been chosen for the team, the lit-tle man had made vociferous complaint. Chosen at last, he went abroad with high hopes but dropped both his matches and put upon Budge and Gene Mako the full burden of staying off the German bid.

The defeats, first by Von Cramm and then by Henkel, may mean more than just the loss of two matches for Bily. Fresh and confident, Frankie Parker of Milwaukee, waits on the sidelines for a chance at Davis cup glory. Walter L. Pate, non-playing captain of the American team, may pick him for the second singles job against England.

The British team, reduced to Bunny Austin, R. C. D. Tuckey and brace newcomers seem to have little in its favor.

Austin is England's best bet, but he cannot hope to match Budge after the latter's victory over Von Cramm, a greater player than Austin. Tuckey is paired with Charles E. Hare, an untried player.

Frank H. D. Wilde is England's second singles player.

SPORT SPARKS

DALLAS, July 21 (AP)— Soccer got a shove in Texas as a result of the Pan-American games. Skeptics, who thought anything without forward passes of off-tackle thrusts couldn't be good, came out to see what it was all about and went away converted. A bunch of young Argentines pulled the trick. Their dexterity in handling the ball, both with heads and feet, and their bundle of antics after every goal, had the fans in an uproar. Most amazing of all the unspoiled fans was the playing of two 45-minute periods with no time-outs, three minutes rest between halves and no substitutions.

Congrats to Bob Humphrey and Jimmy Stewart, directors of the games and publicist Edgar McClelland, directly responsible for the Southwest's greatest athletic carnival. Fifty five thousand saw the four-day show of soccer and track and field events.

Fay (Mule) Watson, one of the last and greatest of the Southketh conference's old school of brulung fullbacks, is dead. His name was spoken in the same breath with that of Joel Hunt. The Texas Aggies' immortal grid heroes. Of Wilson, Coach D. X. Bible, now in his playing days, said: "He was one of the four greatest backs I have ever coached or seen."

First bad break for Coach Bible: Big Wallace Lawson, one of his best fullbacking hopes, rounded third base in a softball game at Conroe, stumbled over the bag and came up with a broken leg. Add bad news. This one for Texas A. and M.: Jesse Landrum, your baseball captain-elect, has signed a Chicago White Sox contract, is in a St. Paul uniform and won't be back in school next fall.

Primo Miller, the former Rice Institute tackle, has signed with the professional Cleveland Indians footballers after a year in the minors in California. One of his successors at Rice, Paul Murphy of Oakdale, La., wears a size 15EE shoe, weighs 240 pounds, is six feet, five inches tall and fairly speedy, they say.

Miss Betty Jaseon, the San Antonio schoolgirl who holds the record for Texas-Mississippi and Texas state titles, leaves soon with Mrs. Dan Chandler of Dallas for the Western Derby at Chicago. It will be her first tourney bid since the Trans. She plans to enter the Western and National Amateur, also.

Pole vaulters in the recent Pan-American games, who holds the record of breaking a world mark. Earle Meadows, the Texan who shares in a joint claim to the highest mark, 14 feet, 11 inches, said he could do no better than 13 feet, six inches because the giant spotlight directed at the pit caused him to lose his sense of timing.

QUALIFYING AT LUBBOCK BEGINS

LUBBOCK, July 21 (AP)—Qualifying test in the annual Lubbock country club women's invitation golf tournament got under way this morning with 30 players teeing off shortly before noon. Late arrivals were to qualify this afternoon.

Favored for the medalist prize, as well as for a place in the finals was Miss Elinor Jones, young veteran who recently won the New Mexico state women's golf championship and later annexed the Big Spring invitation tournament title. Miss Jones fired a snappy 79, two over women's par, to set a new course record at country club for women since the grass greens were installed. Mrs. Cliff Dean's 83 was the lowest score officially recorded.

The Albuquerque Jones girl bagged her 79 while playing in the mixed foursome even yesterday, prelude to the tournament proper.

Twelve Teams Remain In Semi-Pro Tourney
WACO, July 21 (AP)—Twelve teams remained today in the state semi-professional baseball tournament. Three teams were eliminated in preliminary games yesterday.

Mabank won the right to play Moody today by overpowering Rowlett 4 to 1 in a 10-inning battle. Willis Point defeated Cushing 3 to 2 in a tight contest that went 11 innings. Rostoud fell before the hard-slugging Elgin Bakery team, 7 to 1.

Other survivors included Grand Prize and Hughes Tool of Houston; Sun Pipeliners of Longview, Waco Dons, Temple Surgons, El Campo Texaco Oilers, Paris Coca Cola and the Hill County All-Stars.

Fincher's Withdraw From Munny Circuit

Vernon Whittington, manager of the Fincher Roadrunners, Tuesday night posted notice of withdrawal of his team from play in the Munny circuit loop. The move leaves only five active teams in the league.

The Runners had only three men on hand for the scheduled game with the Anderson Devils and forfeited their fourth loss of the second half season.

COCHRANE RETURNS TO PRACTICE

Associated Press Sports Writer
Trying to catch the galloping Yankee these days is about as hopeful as trying to keep up with a star Wood in a one-ling outboard, but you can't rule the White Sox or the Tigers off the track for trying.

The Sox have won six in a row to maintain their place as runners-up to the champions, now six and a half games in front, after drubbing the Browns in both ends of a double header yesterday.

The Tigers, encouraged by the promising recovery of Manager Mickey Cochrane, who for the first time since his injury put on a uniform during the morning workout yesterday, have won five straight since handing the Yanks the lone setback of their current road trip.

Both have been fairly easy pickings the last few days. The Sox sought first the Red Sox and now the Senators in the throes of a losing streak, making it 10 defeats in a row for the Nats yesterday with a 4-3 triumph in 10 innings.

The Red Sox aren't proving too tough for the Tigers, either. The Hub crew was up in second place last week but has hit the skids again, that 10-inning, 10-9 licking by Detroit being its fifth in a row.

Even the fact that Jimmy Foy chimed in with his nineteenth and twentieth homers and Colonel Mills and Eric McNair came up with one each couldn't save the Sox.

The extra-inning virus even affected the Yanks, who won the opener from the Browns in the tenth, 5-4, then belted four St. Louis fingers for 11 hits to win the nightcap, 9-6. Joe DiMaggio's twenty-fifth homer, with two on, was the big blow in the first game, but shared importance with Tom Henrich's peg from right field for a double play in the tenth.

The other American league game saw George Caster go the route while his fellow Athletics bagged 15 hits off four Cleveland pitchers to win, 7-5.

The Giants, climbing back to within half a game of the rained out Cubs and the Dodgers, recovering from four straight trimmings by Chicago, also needed 10 innings to win. Cliff Melton held the Reds to five hits as the Terrymen copied, 4-3, for their eighteenth victory.

Max Butcher tamed the Pirates with eight safeties to give Brooklyn a 2-1 decision.

The Cardinals threw in a few misplays ed bowled to the Bees, 5-3.

Cooper Favorite In Medinah Meet

CHICAGO, July 21 (AP)—Anyone who can turn out a 72-hole total of 284 strokes over the Medinah course strikes a club's number one and three courses Friday, Saturday and Sunday, says Harry Cooper, can win himself the \$3,000 prize in Chicago's \$10,000 open golf tournament, "Light Horse Harry," a terror in his many tournaments who has won around \$9,000 since the first of the year, should have a pretty good idea of what it will do, for the Medinah layouts are among his favorites. He never has lost an official competition over the courses and figures 284 should be good enough.

Cooper is the wagering favorite, at 8 to 1, to keep his Medinah winning streak alive. The national open champion, big Ralph Guldahl, is listed at 10 to 1, with Sam Snead who finished runner-up to Guldahl in the open, and Henry Picard quoted at 12 to 1.

More conservative than Cooper is another hot shot, Tommy Armour, the brook pro. Armour believes 288 will win the prize.

While the professionals are shooting for the biggest medal pot of the season, the amateur division may produce an unusually lively tussle. The Simon Pure favorite is Fred Haas, Jr., off New Orleans, holder of the national intercollegiate, southern amateur and Canadian crowns.

New Members Admitted To Club

NEW YORK, July 21 (AP)—Taken from the wryside less grew odds and more intriguing as 55 players scored 56 faces during the big heat spell to lift membership in the Associated Press National Hole-In-One club to 398 for the year.

From Niagara Falls came the prize story of a souvenir golf ball. Eugene Grabenstetter, a 27-year-old engineer, scored a double eagle with the ball. He stuck it away as a souvenir until he ran out of his favorite hole while playing a round. When he came to the 153-yard fifth at the Cherry Hill club, he tried the ball again. It was an ace. Eugene vowed he wouldn't sell the lucky ball for a thousand dollars now.

As further proof that ace lightening strikes twice in the same place, Gene Phillips of Fort Smith, Ark., scored a hole-in-one twice in one day on the 115-yard third hole of the Rolling Knolls course at Fort Smith. It was his third ace and the sixth time the hole has been beaten with one shot this year.

Longer by Ed Starn of Washington, D. C. on the ninth hole of Ansonia park.

MILLERS AGAIN DEFEAT BREWERS

CHICAGO, July 21 (AP)—The American association leadership be-donle to Minneapolis again today.

NEWS NOTES FROM THE OIL FIELD COMMUNITIES

Rev. N. W. Pitts of Coahoma filled the pulpit for Pastor A. Short at the Baptist church Sunday. Rev. Short is conducting a summer revival meeting in the Baptist church of Coahoma for ten days.

Minister Evans of Big Spring spoke at the Church of Christ Sunday morning and evening. A large crowd attended the services. Plans are being made by members of the church for a permanent minister for the Foran field.

Robert Hartley, son of Mr. and Mrs. Glenn Hartley of the California Oil company, underwent a tonsillectomy Saturday in a Big Spring hospital. Robert has been returned to his home and is doing nicely.

Mr. and Mrs. Bob Payne and family of the Humble Pipe Line have moved into one of the new houses on the Humble camp. Mr. and Mrs. Payne moved from Colorado to Big Spring last year and lived there up to this time. Mr. Payne is a district gauger for the company.

Barnett Hinds, teacher in the Foran high school, has returned to his home in Tye for the remainder of the summer. Hinds has been working for an oil company since school was out.

Mr. and Mrs. Ben Anderson and daughter departed for Arkansas Sunday where they will spend their vacation.

Mrs. Everett Ford and children of Evening Shade, Ark., who have been visiting in the home of Mr. and Mrs. Marvin McCaa here, returned to their home with Mr. and Mrs. Anderson.

Mr. and Mrs. H. Gilmore and children of the Continental Oil company are vacationing in Hot Springs, N. M., and points in Colorado.

Mr. and Mrs. Al Luke of Mentone are now residing in Foran for a short time where Mr. Luke is employed with the Cecil Raines Drilling company.

Mrs. Fred Harrold and brother, Hood Williams, were called to the bedside of their father, C. C. Williams, of Pyote Tuesday. Mr. Williams suffered a stroke of paralysis and is seriously ill.

Mr. and Mrs. Sam Barton and children, Patry, Ross and Donald spent Tuesday and Wednesday with Mr. and Mrs. E. D. Tucker and family. Mr. and Mrs. Barton are returning to their home in Kilgore from their vacation in West Texas. Mr. and Mrs. Barton were formerly of Foran where Mr. Barton was employed with the Humble Pipe Line company.

Mr. and Mrs. Joe Gray announce the birth of a boy, on July 19 weighing seven pounds and ten ounces. The baby has been named Bobby Joe. Both mother and boy are doing nicely in the Biving hospital.

Mr. and Mrs. C. C. Kent and daughter, Eloise, who have lived in the west field for a number of years are now residing in the Humble Oil & Refining camp where Mr. Kent is employed. Mr. and Mrs. C. P. Bryant and family formerly occupied the house, but are now living in the west field where the children will be able to attend school in Garden City.

W. E. Rucker and family of the Magnolia Oil company are vacationing in Galveston, Corpus Christi and other points on the coast.

Mr. and Mrs. Leon Barber and children, Jack and Norma, motored to Lubbock Saturday to spend the weekend with friends. Jack remained in Lubbock for an extended visit.

Miss Faye Crumbly spent Sunday in San Angelo with friends. Miss Crumbly will return to her home in Brady the latter part of this week.

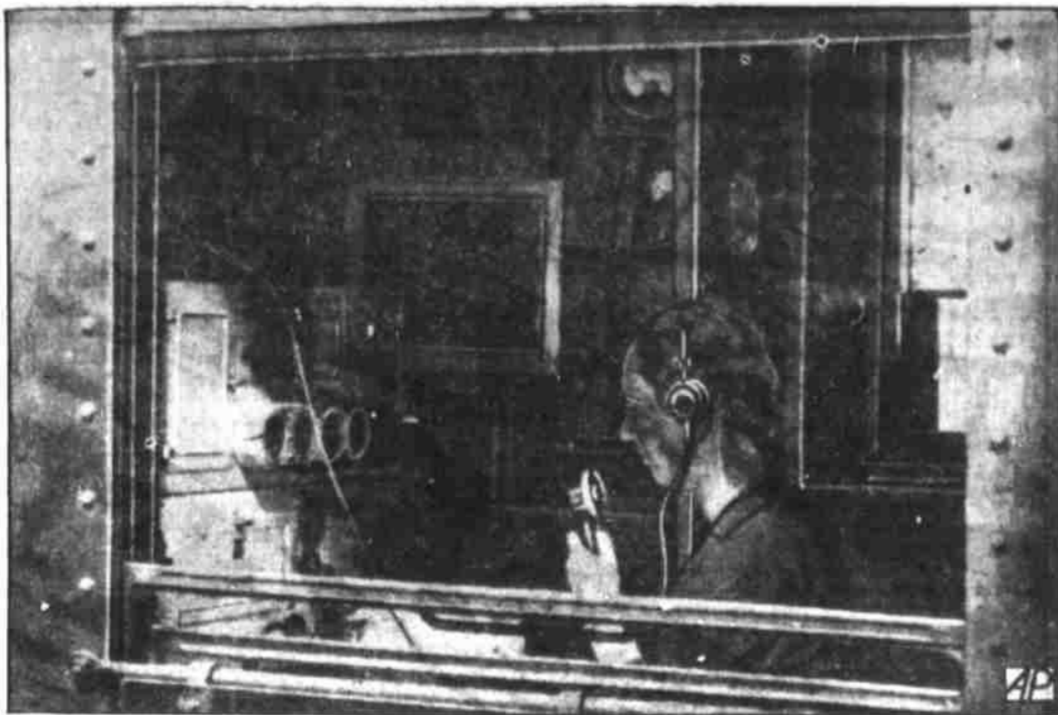

Mr. and Mrs. M. H. Davis and family returned Tuesday from a trip to the Pan-American exposition and a visit with relatives in Dallas.

Mr. and Mrs. Charlie Coulson of Sterling City spent the weekend in Foran with their daughter and son-in-law. Mr. and Mrs. I. L. Watkins.

Mrs. A. Short and daughter have joined Rev. A. Short in Coahoma this week where Short is holding revival services in the church there.

PASSENGERS TALK WHILE THEY RIDE

TRAVEL AND TALK. German railroads have operated wireless telephones on important trains for more than 10 years. Here's the train telephone operator on the Berlin-Hamburg express at her switchboard. Stock quotations are furnished the racing trains and travelers "play the market."

BILL PROVIDING FOR A STATE UTILITY COMMISSION PLANNED

By RAYMOND BROOKS (Herald Austin Correspondent) AUSTIN, July 21—Rep. Charley Tennyson is going to climax a long fight for utility regulation by sponsoring a state utility commission bill at the fall sessions.

He has tallied up more field goals on utility legislation than anybody else on either the house or the senate team. He already has the bill poised for the decisive throw as soon as Gov. Alfred's whistle starts the legislative game in September.

Two years ago, Dr. Robert H. Montgomery braintwisted the administration utility bill. That bill was ditched because of its too stringent de-watering of valuations.

This year, Rep. Fred E. Knetesch's bill got wrecked when the utility people said they were

of the Baptist church met at the church Monday for a lesson from the book, "Follow Me." Mrs. E. T. Sewell, president, opened the meeting with a devotional followed by prayer by Mrs. W. H. Bartlett. Mrs. C. H. Tippie gave the outline of the book with an open discussion by the members. Memorial service for Miss Lucille Bengon, missionary in Africa who died there last week, was held at the close of the lesson. Miss Reagan spoke here in the church in 1934 during her furlough to this country. Those who were present were Mrs. R. A. Chambers, Mrs. H. W. Bartlett, Mrs. O. H. Nichols, Mrs. E. T. Sewell, Mrs. O. L. Bradham, Mrs. C. H. Tippie.

Mr. and Mrs. Bob Qualls were called to Lamesa to the bedside of his mother, Mrs. K. Qualls, who is seriously ill.

for it. For 10 years, Texas city governments have blocked state utility commission bills, because they were unwilling to give up powers they have, even though those powers aren't used often and are too expensive to invoke most of the time.

Municipal Support? Tennyson has his bill all ready, and believes it is the first that cities will support, yet which actually gives the state adequate power.

Its main provision is that it gives a state commission original as well as appellate jurisdiction in rate cases, yet leaves the cities free to originate changes by ordinance.

It is patterned precisely on the present gas utilities law. It lets the state bear the cost of valuations and the gathering of evidence and conduct of cases; and it lets the state pay this cost out of supervisory taxes.

Tennyson's present bill is a by-product of the short fight on the Knetesch bill this year. Tennyson was made chairman of a sub-committee to shape a bill out of that by Knetesch and the various competing or offset bills.

Stop-Gap Laws During the regular session, Tennyson passed two stop-gap utility bills that have become law. One reduced the return on fair value to "not more than eight" per cent instead of the former "not less than 10" per cent; and extend jurisdiction to smaller cities, and included telephone companies. The other authorized cities to build power lines or other municipal facilities outside the city limits any distance so long as they didn't run through some other city.

Hot Fight When Gov. Alfred two weeks ago said he will submit utility regulation right after his tax program this fall, he assured a second fight every bit as hot as that over tax. Alfred said he had not asked any member to sponsor an administration bill. Rep. Tennyson said that he is offering a bill as his own.

In the past, the League of Texas Municipalities has attacked those bills that took all regulatory power away from the cities and gave it to a state commission. Offset bills always have proposed to restrict the power of originating rate to the cities. Some have offered ingenious means of making the state pay the bill, without giving it the power to control the rate issues. Some have proposed to have a state "fact-finding" agency merely to assist pay the bills for the cities in their rate contests.

Increase Shown In Crude Production

TULSA, Okla., July 21 (AP)—Production of crude oil in the United States increased 35,589 barrels daily during the week ending July 17, to an average of 3,365,197 barrels daily, the Oil and Gas Journal reported today.

Oklahoma had an increase of 12,400 barrels daily to 630,900. East Texas decreased 100 to 474,700 barrels daily, and the total state of Texas registered an increase of 4,614 barrels daily for an average of 1,423,293.

Louisiana had an increase of 4,860 barrels daily to 259,825. California increased 500 barrels daily to 668,250 and Kansas' production was up 5,275 barrels daily to 197,450.

TRIO CAPTURED IN HOLDUP ATTEMPT

HOUSTON, July 21 (AP)—Three men attempting to hold up a drug store were captured late last night in a gunfight in which two of them and a policeman were wounded slightly.

The captives said they were ex-convicts and identified themselves as John Ivy, 48, Oscar Frazier, 36, and Dan Sims, 46. Frazier said he lived in Beaumont but his companions refused to give their home addresses.

Eight officers engaged the men in a gun fight at the store. Policeman B. F. Roberts was shot in the left arm.

Charges of robbery by firearms were filed against the trio.

LIQUOR CANNOT STAND THE LIGHT OF TRUTH

AT FRANCES WILLARD STANDS IN NATIONAL CAPITAL

In stately white marble the figure of Frances E. Willard stands in Statuary Hall in the capitol of the United States—the mecca always for all white ribbon visitors to Washington, and the shrine to which the world's convention wended its way in the late after-

noon of the first day of the convention. Because no more than one hundred persons are allowed in the rotunda at once, only the guests from other lands and members of the world's executive were privileged to gather about the pedestal of the beautiful statue for the stirring service as Miss Agnes E. Slack placed there a large wreath made from evergreens sent from 25 different countries—a tribute of love laid at the feet of that great soul who first conceived the idea of a united womanhood of all nations to free the whole world from the heartbreaks that come through the liquor traffic.

Local export regulations and shipment complications made it impossible for all the affiliated countries to have a part in this testimony to the founder of the world's W.C.T.U.

A prayer was voiced by Mrs. C. Taune Gauntlett of Japan and Mrs. Boole explained that this status of Frances Willard is the only one of a woman which ever has been placed in this court of honor (put there by the state of Illinois as one of two permitted each state). She felt it was most seemly that the women who had come to the convention from all over the world should assemble there for this brief service of loving veneration for the founder of the work which they are carrying on. "No person amongst us," she continued, "is so fitted to place this wreath and to voice our appreciation of Frances Willard as her friend Agnes Slack of England, our honorary secretary, who has been in this work for 40 years and was appointed for her task by Frances Willard herself." (Submitted by the local W.C.T.U.)

Influenza Data Recorded

LONDON (UP)—The results of a census undertaken among a group of factory workers in Great Britain indicate that there is no scientific foundation for the popular belief that much of the spread of influenza takes place in public conveyances, the British Medical Journal declares.

COMPARE STUDEBAKER'S LOW PRICE TAG FOR BIG DOLLAR VALUE

YOU PAY SO LITTLE FOR SO MUCH MORE America's best looking coupes and sedans

THE whole world agrees that there isn't a better looking automobile manufactured than the beautifully air-curved 1937 Studebaker Coupe. And there isn't a better built car anywhere, thanks to the quality of Studebaker materials and the thoroughness of Studebaker workmanship. Coupe, sedan or brougham, whatever you need, you'll get the best buy of the year in a Studebaker—the only car with doors that close tightly without slamming... the first car to offer the automatic hill holder... the car that rivals lowest priced cars in operating economy due to its built-in Fram oil cleaner and its automatic overdrive that's available at slight cost.

It's Our Family's Whiskey, Neighbor

Mr. O'Cleary that runs the big Turtle Creek mill shaking our hand It's a real fancy club at Turtle Creek, but the men belonging to it never mind our cutting across on our way to the fishing hole. Harry E. Wilken

Real tony folks have taken up drinking Our Family's Whiskey now!

You can't hardly set your foot inside of a store but what you hear folks asking for Our Family's Whiskey, and commenting on how mild and tasty it is. But here's a funny thing. Some way or another I never saw the real tony folks asking for it up until only just lately. Tom says they couldn't help but of heard how this is the personal recipe of our family and how we've been a family of dis-

tillers since way back in the early days. But Tom says maybe they had their mind set on paying a lot for their whiskey, and Our Family's Whiskey didn't cost them enough. Well anyway, they've caught on now—and I say the more the merrier!

Harry E. Wilken

THE WILKEN FAMILY

Copr. 1937, The Wilken Family, Inc., Aladdin, Pa. Executive offices: N. Y. C. The Wilken Family Blended Whiskey—90 proof—the straight whiskeys in this product are 20 months or more old, 25% straight whiskeys, 75% grain neutral spirits; 20% straight whiskey 20 months old; 5% straight whiskey 4 years old.

WOMEN FIGURE CLOSE

She drives to my place past a dozen stations

She wouldn't go to the wrong grocery or meat market that's three steps nearer... and she's just as keen going after her big money's worth of mileage. I've told her how I own this business myself, and can't be nearest to everybody, so my way of drawing good regular trade is by giving them the mileage. And she said anyway her husband wants her to come here especially for Conoco Germ Processed oil—the only kind he'll have, because he wants an Oil-Plated engine. Other oils go draining back down to the crankcase, but this patent Germ Processed oil leaves a rich, slippery layer of lubricant strongly plated all over the insides of the engine. That's Oil-Plating. It doesn't get used up like just some thin spray of oil. It can't leave "dry spots" because it can't drain off. No matter if your engine is stopped, or if it's making time, it stays 100% Oil-Plated. Wear won't get a tooth, and you'll see you're not using up much of your Conoco Germ Processed oil. But the few times you need any, you will be coming here to my place to get it.

DISCUSS PROJECT

SAN ANTONIO, July 21 (AP) — The board of directors of the Nueces river conservation and reclamation district is scheduled to meet here today to hear C. S. Clark of the state water board, representatives of the state planning board and Walter E. Jones, member of the legislature, explain the objectives and program of the Nueces district, water conservation and irrigation projects are enterprises reported embodied in the program. The Nueces river district is now a state agency created by the Texas legislature to cooperate with the federal government in carrying out the project. It is explained and consists of all or parts of 23 counties lying immediately to the west and southwest of Bexar county.

ELEANOR JARRETT DENIES ROMANCE WITH BILLY ROSE

CLEVELAND, July 21 (AP)—Vivacious Eleanor Helen Jarrett said today she's having a second discussion with her singing husband, Art Jarrett, about a divorce. She promptly denied rumors of a romance with Billy Rose, producer of the kaleidoscopic lake front show where she swam before a capacity audience last night to the tune of "Happy Birthday to Love," with: "What has poor Billy got to do with it?"

The 23-year-old backstroke champion, who explained that original discussion with her singing husband, said she was making a new telephone call to her husband at the Dallas exposition.

"I'm going to call up Arthur and talk to him further," she said.

"It would be very ungentle on my part," Jarrett commented, "to make any sort of comment. Situations like this are extremely personal and require considerable tact."

Rose asserted in New York that he was married to Miss (Fanny) Brice, and I intend to stay so." Miss Brice, the satge comedienne, was in California but could not be reached.

First Lady Will Attend Amarillo Mother-In-Law Celebration In 1938

AMARILLO, July 21 (AP)—With the granting of the charter for the National Association of Mother-in-Law clubs, plans are moving forward rapidly for one of the greatest celebrations in the history of the southwest, to be held in Amarillo in March, 1938.

Definite assurance of the presence of Mrs. Franklin D. Roosevelt, wife of the president, has formed the nucleus around which Amarillo is preparing to sponsor a show that "will attract the attention of the nation."

Pending the setting of the date by Mrs. Roosevelt's tour manager, it was understood here that March 13 or March 19 would be the day of the fête.

Gene Howe, publisher of the Amarillo Globe-News, and founder of the nation's tribute to mothers-in-law, was not available for quotations. He is visiting with his mother, who is ill at her home in Connecticut.

Tentative plans for the celebration include the presence of the governors of five states, already pledged to attend if they can. The first executives of Texas, Colorado, Oklahoma, New Mexico and Kansas are expected here.

A parade ten miles long is planned, with each town in the area surrounding Amarillo furnishing a float that will honor their mothers-in-law. Amarillo has already made plans for one of the largest floats ever built—it is expected to carry fully a thousand mothers-in-law and their sons-in-law.

Military groups, 35 bands, and floats depicting the humorous and serious sides of the mother-in-law relation will also highlight the occasion.

Demand For Crude Higher

August Figure Placed By Federal Bureau At 3,462,900 Bbls.

WASHINGTON, July 21 (AP)—The bureau of mines estimated today a daily average crude oil production of 3,462,900 barrels would be required to meet the demand in August.

This figure was 39,100 barrels higher than the daily average estimated for July and 395,500 barrels higher than the daily production for August, 1936.

The bureau said the production of crude during the five weeks, May 29 to July 3, averaged about 3,546,000 barrels daily and during this period oil stocks increased 2,299,000 barrels net of which 2,104,000 barrels were of domestic grades.

The domestic demand for motor fuel in August was estimated at 52,600,000 barrels, or 14 per cent higher than the demand in August last year.

The bureau estimated stocks of domestic and foreign crude petroleum at the close of the week ending July 10 totaled 307,255,000 barrels. Compared with the total for the previous week, this represented a net decrease of 1,489,000 barrels, comprising a decline of 1,561,000 barrels in stocks of foreign crude.

The bureau said crude production was about 3,530,000 barrels during the week, or 20,000 barrels less than during the previous week.

ATTACKER NAMED BY UNION WITNESS

DETROIT, July 21 (AP)—An automobile union member who was beaten at the Ford Motor company's Dearborn plant May 26 to day named Everett Moore of the service department which police found property as the man who directed the attack on him.

Alvin Stickle was the witness making his second appearance at the national labor relations board hearing on charges that the Ford company engaged in unfair labor practices and instigated assault on members of the United Automobile Workers union.

NRLB attorneys moved swiftly toward completion of their evidence today. The record already contains 2,500 pages of testimony and more than 100 exhibits. More than ninety witnesses have appeared.

When the board concludes, the Ford company will have opportunity to call its witnesses. Louis J. Colombo, chief Ford counsel, said about 30 may testify.

INTO MOVIE FIELD

WASHINGTON, July 21 (AP)—An agreement with a movie producer led Mrs. Franklin D. Roosevelt this week into the sixth field of paid employment which she has undertaken for charity since entering the White House.

Other activities were lecture tours, radio broadcasts, book publishing, magazine editing and writing, and newspaper column conducting.

The new assignment is a 207 word article on motherhood, which George E. Ye, Mrs. Roosevelt's agent, said yesterday she has agreed to write for Sam Goldwyn film producer.

Goldwyn said the article would be used in promoting a forthcoming movie. He did not name the sum paid, but said it would go to charity.

WOULD EXTEND THE SEASON ON CITRUS

WASHINGTON, July 21 (AP)—Rep. Milton West of Brownsville, Texas, said today the citrus fruit marketing season next spring in the Rio Grande valley may be extended at least 30 days longer than usual.

West plans to confer next week with Lee A. Strong, chief of the bureau of plant quarantine, on control of the Mexican fruit fly, which has caused the marketing season to close annually with a large portion of the grapefruit and orange crops still unharvested.

"There is a good possibility we may work out an arrangement with the agriculture department for an extended season," said West.

"I will also seek an increase in funds for spraying of groves to eradicate the fruit fly, but there is only an outside chance additional money will be available."

A clothing material manufacturer from milk has been developed in Italy.

JUSTIFIABLE RULING IN TEN RIOT DEATHS

CHICAGO, July 21 (AP)—A verdict of justifiable homicide returned by a coroner's jury at an inquest into the death of 10 men slain in the Memorial Day steel strike riot speeded prosecution to day of 64 participants in the labor clash.

Six unemployed American Legion members who comprised the jury absolved police of responsibility for the slayings after hearing testimony for a week and deliberating it for 50 minutes yesterday.

Mal Coghlan, assistant state attorney, said he would push proceedings against the 65 strikers and sympathizers on the basis of evidence developed at the inquest. They were charged with conspiracy to riot, an offense which carries a penalty of one to five years in prison upon conviction.

Grant Approved For Dam On Colorado

WASHINGTON, July 21 (AP)—Representative Lyndon Johnson of Texas announced after a White House visit today that President Roosevelt had approved a \$5,000,000 grant in relief funds for completion of the Marshall Ford dam on the lower Colorado river near Austin. Johnson said the money would be made available immediately.

CALIFORNIA CHURCH LOSES ITS CHARTER

LOS ANGELES, July 21 (AP)—The Spiritual Psychic Science church, which assertedly issued religious degrees for fees ranging from \$5 upward, today had lost its charter under court decree.

After U. L. Ghilini, an investigator for the Los Angeles Ministerial association, had told how, for \$10 he arranged for the "ordination" of Joe Penner's duck as the "Rev. Drake Goo-goo." Superior Judge Thomas Gould ordered late yesterday the church's state franchise be revoked.

'OUTSIDE INFLUENCE'

MAY, JUNE, JULY. The May marriage of June Lang looked like a July divorce suit. The complaining husband of Hollywood's prettiest May bride, Vic Orsatti, said she was "wonderful," but since their Honolulu honeymoon, "outside influences were too much."

TOWNSEND BUSY

CHICAGO, July 21 (AP)—Terminating his three year old pension movement "far from dead," Dr. Francis E. Townsend disclosed today an impending legislative campaign in the states.

The 68-year-old proponent of a \$200-a-month pension for all persons over 60 years old made known his plans in an interview after returning from a tour through six states.

"We are going to start from the grass roots," he said, "by filing petitions with the governors and legislatures of the various states urging enactment of the Townsend plan into law through a constitutional amendment."

BAND TRAINING TO CONTINUE 2 WEEKS

Dan Conley, director of the Big Spring municipal high school band, said Wednesday that about two more weeks would be spent in the summer period of training.

He will leave then for Abilene where he will attend a bandmasters school.

Conley has had a class of 35 beginners regularly during the summer in addition to uninterrupted practice sessions for the band. He expressed surprise at progress being made by the beginners.

KILGORE MAN DIES

KILGORE, July 21 (AP)—W. N. Crim, 72, former merchant here before the discovery of oil, died today after an illness of several months.

Survivors included his widow, two sons, R. H. and Connally Crim of Kilgore, and four daughters, Misses Mabel and Alleen Crim of Longview and Mrs. Grace Sparks of Houston.

Funeral services will be held here tomorrow morning.

HORNBY IS FIRED

ST. LOUIS, July 21 (AP)—Donald L. Barnes, president of the St. Louis Browns, today announced that Manager Rogers Hornby had been relieved of his duties effective today.

Barnes said the action was "taken for the good of the Browns."

The president of the American league baseball club said Hornby's contract, which ran through the 1938 season, was so written it could be "broken at the discretion of the club."

Jim Bottomley, coach and reserve first baseman, was named acting manager.

99-YEAR TERM IN SCOTTSBORO CASE

DECATUR, Ala., July 21 (AP)—A verdict of guilty with a penalty of 99 years imprisonment was returned against Andy Wright today by the tenth jury to sit in judgment of the "Scottsboro case" in six years.

This was the first trial in which the state did not demand death for one of the nine negroes accused of a gang attack on two white women.

SEE INCREASE IN LAMB MARKETING

WASHINGTON, July 21 (AP)—An increase in the marketings of lambs from corn belt and western states is expected, the bureau of agricultural economics said today, during the late summer and early fall.

This situation was expected to result in lamb prices remaining at present levels, or declining slightly during the next few months.

The bureau said world supplies of wool are below average for the season and that demand conditions continue favorable both in the United States and abroad. For this reason, little change in wool prices was expected before the opening in September of the selling season in the southern hemisphere.

State Has Beekeeper

PHOENIX, Ariz. (AP)—Arizona's bees are on their good behavior. The state's "keeper of the bees," or apitary inspector, is on the job for the first time in several years. William A. Crockett, Phoenix, was appointed to the post by the state agriculture and horticulture commission.

Husband Asks Alimony

SAN FRANCISCO (AP)—The worm has turned. The time has come when men seek alimony. O. E. Straub requested that his wife, who had applied for divorce, to show cause why she should not pay him \$200 a month pending proceedings. Mrs. Straub operates a fashionable modiste shop.

Indiana Burial Mounds

Indiana burial mounds built between 1200 and 1500 A. D. have been discovered near Columbia, Mo., by Jesse Wrench and J. Brewton Berry of the University of Missouri faculty.

the proceedings there.

What sort of settlement of the court issue would produce lasting unity in democratic ranks, however, remained to be worked out by the new leader and his associates.

There were reports emanating from opponents of the court bill that the administration might scrap those portions of the measure which provided for adding new justices to the supreme court.

There were other rumors, equal by unconfirmed in administration quarters, that the president had given Vice-President Garner broad discretion to settle the court dispute in the best way he can.

A shift of voting strength lent credence to the reports that a modification of the court bill was imminent. Just before a conference yesterday between the president and senate leaders, including Garner and Barkley, seven democratic senators, all but one hitherto uncommitted on the bill, were reported to have advised Garner they would vote to recast the measure unless the issue was settled speedily.

HOSPITAL NOTES

Big Spring Hospital
W. M. Mize of Wink, employe of the Tex-Mex Petroleum corporation, was in the hospital Wednesday for removal of a foreign body in his eye.

E. C. Howard, 611 Main street was in the hospital Wednesday for diagnosis.

A. E. Standeford of Wink, employe of the Emperor Oil company was admitted to the hospital Wednesday for treatment of an old injury to his back.

R. H. Dunlavey of Hobbs, employe of the Olson Drilling company was in the hospital Wednesday for examination and treatment.

The Young Women's Christian Association has affiliated organization in 50 countries.
