of pride in the football team by both players and fans.

As of Tuesday, Coach Cook, who just returned this week from coaching school to take over his duties here, had not met his team as a group, and was busy taking

inventory of the local situation. But he drew some good applause and obviously sounded some notes pleasing to the crowd with his promises of strict but fair discipline, intolerance of drinking or smoking and by noting that the coaching staff wanted to make playing football fun for the boys "—and you can have more fun if you win."

The get-acquainted session with parents and townspeople invited to meet the new coaches drew a larger crowd than had been expected and pleased the sponsoring Tiger Club, the athletic booster organization. Curtis Aycock, president of Tiger Club, urged all sports fans to join the club and to attend the meetings of the group which will be held during the season. "Win or lose, we can't have anything worthwhile unless we support it," he told the group.

Coach Cook, his wife Joy and their two boys were introduced, and Coach Boyd also was introduced along with the other members of the coaching staff, Jim Bales, Morris Dixon, Carroll McDonald, R. G. Copeland, and Keith Sahn. Still out of town and due in later this week was Weldon (Doc) Mize. Sahn, a product of San Antonio and a recent graduate of Sul Ross, was hired this week as 8th grade coach. He is not married.

Cook, after commenting that he hadn't anticipated seeing more than 10 parents or so at the meeting, spoke briefly to the group.

"Your mothers will be our greatest asset, if you will help us," he said, noting that they could help see that the players obeyed the training rules. Among his other comments:

"One thing we want to work on is pride and trying to establish a winning tradition. We will be strict disciplinarians. . . we won't abuse a youngster, though, either verbally or physically. . . we will not tolerate a youngster missing workouts."

Cook said a curfew would be set for team members — a time for a boy to be in his own home each night, and then stated that "we will not tolerate smoking or drinking in any form."

"We'll tell them this just one time," he said flatly. "We'd encourage you parents to really feed these youngsters," he said, drawing a laugh from the crowd, then added:

"We ought to be able to

* District games.
7th grade starts at 5:30, 8th grade at 7:30.

win our share of ball games."

The new coach, who was to issue some equipment Wednesday and then begin two-a-day workouts Monday, said the offense would be basically an I formation with an inside slot, with some triple option plays akin to the Houston veer offense. On defense "we'll stunt on every play," he said.

Boyd, who was with Coach Cook at McAllen, said that he was aware of Slaton's history as a loser and commented that at least part of this had been attributed by outsiders to lack of support from townspeople for athletic programs. But, he said pointedly, he and Coach Cook come to Slaton as winners

and expect to continue to be winners, and the entire coaching staff here feels the same way.

With varsity, junior varsity and freshman cheerleaders on hand, Coach Boyd noted that they had not been mentioned when Coach Cook was talking to the mothers. "You young ladies can help us tremendously," he said, "because you have more control over our football boys than their mothers."

Cook commented that all workouts are open to the public and urged any interested persons to attend the workouts. It also was noted that a scrimmage is scheduled against Levelland but the exact date was not known Tuesday night.

CYCLIST INJURED — Mike Lewis lies on the ground awaiting an ambulance after the motorcycle he was riding was involved in a collision at 9th and Jean Tuesday night. He was treated for a broken right leg.

Teachers, Kids Eagerly (?) Getting Ready For School

Schedules for preregistrations and other activities related to the beginning of a new school year here were announced this week as school officials prepared for the beginning of classes at all four Slaton school campuses at 9 a.m. Friday, Aug. 16.

It'll be school all day long on the very first day, except for kindergarten and first grade students, said Joe Sparkman, administrative assistant. The first graders and kindergarten pupils will be dismissed at noon for the first two weeks, through Aug. 30, then will be going full time starting Sept. 3 (Sept. 2 is Labor Day and there will be no school).

Schedules will be the same as last year, with first graders going to class daily from 9 a.m. to 3:15 p.m., second grade from 9 to 3:30 and third grade from 9 to 3:45. All new students in West Ward (grades 1-3) who did not attend school in Slaton last year will preregister at 1:30 p.m. Thursday, Aug. 15.

All-day kindergarten students will attend from 9 to 3:15 p.m. Half-day pupils will go to kindergarten from 9 to 11:45 a.m. or from

12:45 to 3:30 p.m.

Buses will run on the first day of school next Friday, Supt. J.C. McClesky said.

At Stephen F. Austin, classes will run from 9 a.m. to 3:45 p.m. All students new to the district who will be attending Austin school for the first time (in grades 4-5) are asked to preregister at 1:30 p.m. Thursday, Aug. 15 at the school.

Junior high will have classes from 9 to 3:50 daily. All new students to junior high, grades 6-7-8, should come to the junior high school at 1 p.m. this Friday, Aug. 9. All other students who will be in junior high should pick up their class schedule cards on Thursday, Aug. 15 as follows:

6th grade — 10 a.m. to 10:30 a.m.

7th grade — 10:30 to 11 a.m.

8th grade — 11 a.m. to 11:30 a.m.

Slaton High School will operate classes from 9 a.m. to 3:55 p.m. All new students to Slaton High School should report to the high school auditorium at 1:30 p.m. Thursday, Aug. 15. This means all students who attended schools outside of Slaton last year but who will be students in high school here this year.

Sparkman again reminded parents of kindergarten-age youngsters that all of those who have not registered for kindergarten should do so at 10 a.m. Monday at West Ward cafeteria. Parents should bring proof of birth of the pupils and proof of vaccination.

Labor day will be the first scheduled school holiday. Thanksgiving holiday will be Nov. 28-29, and Christmas holidays Dec. 23 - Jan. 1. The spring break will be

March 24-28, the week before Easter, and school is scheduled to be out on May 28.

Students at West Ward and Stephen F. Austin will pay 50 cents for meals at the cafeteria, and junior high and high school students will pay 60 cents each.

Free lunches are provided each year to students whose families qualify by reasons of size of the family and

annual income of the family. Copies of letters detailing the new free lunch eligibility income scale will be given to students on the first day of school, Sparkman said. For example, pupils in a family including 7 members could get free meals if the total family earning for a year were not over \$8,060, or if there were just four in the family, the earnings could not be over \$5,640.

Two Cases Cleared Here; Motorcycle Riders Hurt

Police cleared up recent cases of theft and burglary during the last week and investigated several new burglary reports along with wrecks and vandalism. Two of the wrecks resulted in injuries to motorcycle riders.

Officers arrested Artlis Lee Nathan of Lubbock in connection with theft from a cash register at Beggs Fina on July 31. Nathan was charged and bond was set at \$10,000.

Officers also talked with a 16-year-old Lubbock resident who admitted a recent burglary of Slaton Pharmacy, but none of the stolen items was recovered. Juvenile authorities in Lubbock are handling the case.

Four teenage boys were arrested about 1:30 a.m. Saturday after officers Steve Mild and Bobby Pack noticed a suspicious vehicle near Perkins Mobil. The policemen went to the scene as the pickup left and discovered glass broken out of a phone booth. They then pursued the pickup and arrested the four, who were questioned and then re-

leased to their parents.

Also on Saturday, a 1970 car driven by Raul Arguello of Lubbock struck a steel structure near a gas pump at Shamrock Truck Stop, causing damage to the car totaling about \$200.

On Sunday at 20th and Division a 1968 car driven by Stephen Allen Leake, 705 S. 14th, collided with a parked 1972 car occupied by James D. Kuykendall of Amarillo. Damage to both cars totaled about \$950.

At 5. 9th and U.S. 84 service road Friday an International Harvester Haymaster operated by Joe Munoz Rios of Slaton and a 22-foot trailer towed by a pickup driven by Edward Wayne Tilley of Houston collided.

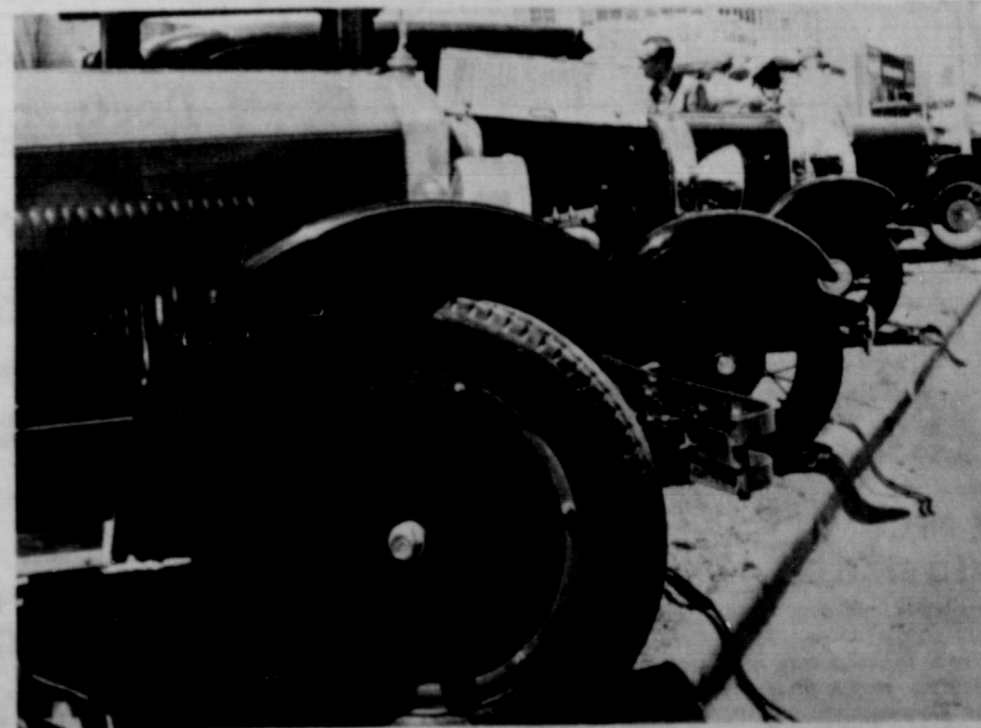

Two accidents involving motorcycles were reported, and the rider was injured in each case. On Friday at 19th and Dayton a 1974 car driven by Patricia Hill Askew, 820 S. 19th, and a 1969 motorcycle operated by Billy Wayne Phillips, 15, of 1000 S. 14th, collided. Phillips suffered an injury to

GRAND OLE TOUR — Approximately 50 antique cars paraded into Slaton Friday as the Grand Ole Tour of old autos came to town. The line of cars stretched as far as the eye could see, and still they came. Once they were parked, the cars completely encircled the square. (SLATONITE PHOTO)

GLEAM AND GLISTEN — Waxed and polished to perfection, these antique autos reflected sun beams off every possible surface. All the cars were in excellent condition, reflecting many hours of devoted hard work. (SLATONITE PHOTO)

something about the familiar that most of us. We may complain about our same old job, same old car, same old husband or wife (?), but don't seem quite right when you're from any of these.

that in the case of the material the job, house and car, this makes salesmen of new products, and I anybody would like to have a new car, but that could be partially very long they will be familiar

was a kid I couldn't wait for vacation to arrive. But in the middle of the summer I usually was ready to go back to school, a lot of kids probably feel the same way now, but they know better than to go to anyone. All their peers would be nuts.

When you go on vacation, some members of the family take their own pillows along for use wherever they sleep. This makes it more comfortable to make the bed look like it's made up. Many of them are afraid to stick your head on one is to get a broken neck. Why, I've slept on pillows that had less stuffing in them than some motel pillows.

When you're even taking along your own pillow, you can't guarantee you a good night's sleep if you're in that category of people who just can't get comfortable unless they're in their own bed.

It doesn't matter how enjoyable a vacation, you usually find a time after a few days away from home when we secretly wish we'd go back home. We're tired of all this shuffling and you don't usually mention this, but some of the others on the trip might mention it, even though they may feel they're enjoying themselves.

When you're with the old car. If you've had it for a long time, you sort of hate to sell it, but you know it's had it.

When you say I don't enjoy vacations, you're kidding. But it's still kind of nice to get out of your very own bed and know you don't have to get up and get out by noon the next day.

When the teacher says she was lecturing her class on immigration and mentioned the names of foreigners who came here were indentured servants. She paused to let the student know what an indentured servant was. There was a pause, then a faint smile. "A slave with false teeth?"

Couple Solemnizes Nuptials

Aimee Machele Mullins and Ricky Delter Majors exchanged vows of marriage at 7 p.m. Aug. 2 in the First Baptist Church of Slaton.

The Rev. Johnny L. Cartrite, pastor, officiated at the double ring ceremony for the daughter of Mrs. Dee Dee Mullins and J.M. Mullins Jr., and for the son of Mr. and Mrs. O.D. Majors, Plainview.

Given in marriage by her father, the bride wore a formal gown of candlelight satin styled with a wide lace collar and chapel length train. Her veil also swept to chapel length.

Maid of honor was Scarlett Housour, Lubbock.

Bridesmaids were Rhonda Biggs, Slaton, and Debbie Lawler, Monroe, La.

The attendants wore dresses of blue, pink and yellow, accented with colored butterflies. They carried silk fans and wore picture hats.

O.D. Majors was best man for his son. Groomsmen were Randy Mullins, Lubbock, brother of the bride, and Warren Majors, Lubbock.

Jerry Edwards, Slaton, and Bud Housour, Lubbock, were ushers.

Sharon Culver, Sonora, was candlelighter.

Organist was Mrs. Inez

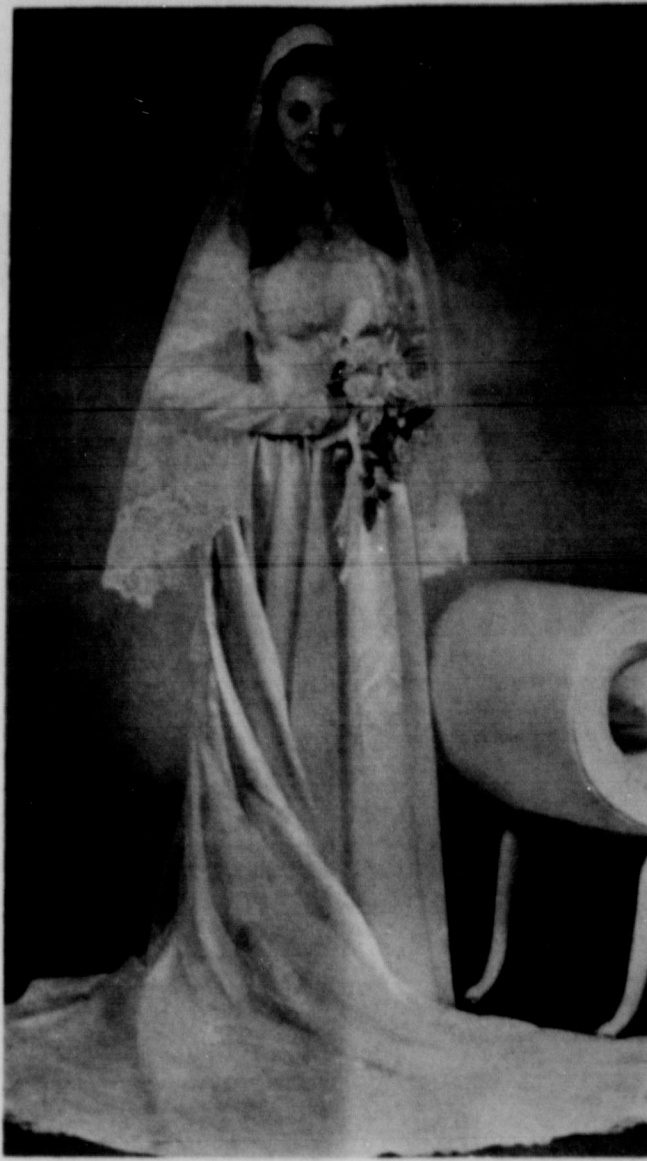

Ferrel, who accompanied Chariese Peak, Lubbock, soloist.

A reception in the fellowship hall of the church followed the ceremony.

The couple will make their home in Lubbock following a wedding trip to Ruidoso, N.M.

The bride attended Slaton High School. The groom is a graduate of Plainview High School, and both are employed by Perkins Wrecker Service.

A rehearsal dinner in honor of the couple took place in the home of Lula Caldwell.

MRS. RICKY DELTER MAJORS
Aimee Machele Mullins

Engagement Announced

Mr. and Mrs. D.E. Abshire of Post announce the engagement of their daughter, Connie Jan, to Charles E. Orr, son of Mr. and Mrs. Hurschel Orr of Avoca, Ark.

Miss Abshire is a 1972 graduate of Southland High School and is currently employed by Emerson's Electric Company at Rogers, Ark.

The prospective groom is also employed there.

The couple will marry in September at Crystal Lake Park in Gravette, Ark.

Slaton Couple At Seminar

Mr. and Mrs. Raymon Wilkins of Slaton were among those attending the 16th Annual TANE-Baylor Drug Seminar at Baylor University Aug. 1-3. Wilkins is employed by Mosher Steel Company, and is area coordinator for The TANE Emphasis day program in the Lubbock area.

Sponsored by Texas Alcohol Narcotics Education (TANE), Baylor University and the Waco Jaycees, the seminar's emphasis was on "parent-child relationships."

Kids take drugs to ease psychic pain, which makes it impossible to deal with the cause of the pain, said Dr. Winton Beaven, vice president, Kettering College of Medical Arts, of Kettering, Ohio, one of the seminar's featured speakers.

The generation gap contributes to drug abuse as does the loss of adult models on which kids can pattern themselves. They rely instead on peers instead of adults, he said.

CONNIE JAN ABSHIRE

FIVE GENERATIONS — Five generations got in Slaton Sunday with the oldest being 84 years youngest three weeks. From left to right is Irene age 61, Norman Gentry, 39, John Noland Gentry, Florence Childress, 84, and John Noland Gentry three weeks. (SLATONITE)

Nursing Home News

By MADALINE KEITH
Hi! Sorry I missed you last week, but I was out of town. I'm back now with more news.

This has been a real good week here at the home.

We want to thank Gladys Brock for the records she brought to the home for our residents. I know they will get hours of pleasure out of them.

We feel very lucky to have with us as residents: Esther Robertson, Mary Woods, Lena Stahl, and Ethel Ratcliff.

We're missing Bobbie Greer since she's on vacation. But fortunately Lavern Roberts is taking her place in the office.

Showers Honor Karla Kitten

Karla Kitten, bride-elect of Kenny Schuette, was honored Thursday night with a kitchen shower in the home of Mrs. Rodney Bednarz.

Special guests were mothers of the couple, Mrs. Clarence Kitten and Mrs. Jack Schuette.

Hostess gift was a canister set. Monday night, members of the Little Dribblers gave Miss Kitten a shower in the home of Mrs. James R. Jensen.

The girls presented her with a money tree. Hostesses were Jane Jensen, Debbie Heinrich, Debbie Bednarz and Phyllis Heinrich.

Special guests were Mrs. Clarence Kitten, and Angela and Crystal, sisters of the bride-elect.

Care Center Profile

Elizabeth Whiteker Fleeman was born Dec. 21, 1893 in Eureka, Kan., to Henry and Mary Whiteker.

In 1905 Mrs. Whiteker died leaving her husband and eight children. Elizabeth was the oldest child at the time, and she was a great help in raising her brothers and sisters and helping on the farm.

In 1912 she met Tobe Fleeman, who was a widower with three children: Sylvie, Meldred and Jessie. When she was 19 years old, Elizabeth married Tobe.

A year later they moved to Chawtaw, Okla., and bought a farm. They had 10 children: Dorthy, Joe (Sambo), Tobies (Jumbo), Leroy (Rainbo), Ora Bell (Bobo), Cecil (Hobo), Archie (Bogus), Jack (Bobie), Calvin (Bokay), and Mary Lou.

Tobe got great pleasure from giving his sons nicknames.

Tobe died Sept. 10, 1929 and a year later their oldest daughter died.

In 1931 Elizabeth and her children moved to Wolfforth and in 1933 they moved to Lubbock.

Today she has four daughters and living. She also has grandchildren, great-grandchildren, and great-grandchildren.

St. Joseph School Opening Outlined

St. Joseph School will open Aug. 19 from 9 a.m. until 11 a.m. Full day classes will begin the next day, Aug. 20, at 8:45 a.m.

For the first two weeks, classes will dismiss at 2:30 p.m. and after Labor Day, classes will dismiss at 3:45 p.m.

Registration will take place Saturday, Aug. 17, with a division of families into the following categories: 9-9:45, A-F; 9:45-10:30, G-L; and 10:30-11:15, M-Z.

There are openings for students in most of the grades, especially first. The school is open to all denominations. Religion classes are not required by those who are affiliated with other religious denominations.

The tuition is \$20 for the first child in a Catholic family; and \$30 for non-Catholic.

Lunches are the same as last year, 55c per meal for students. Those who fall in a certain range of income established by the federal government are eligible to ask for either free or reduced lunches. To do this, see the principal at registration.

All the teachers have been hired. Sister Angelita will be principal, home room teacher for grades 7-8, and science teacher for grades 5-8. Sister Mortina is home room teacher for grades 5-6 and math teacher also. Sister Antonine is language arts teacher for grades 5-8. Sister Michael is first grade teacher.

Mrs. Linda Thoms is the second grade teacher, and she will also teach part of third grade. Carol Downy is the fourth and part of third grade teacher. Mrs. Janet Neugebauer is social studies teacher for grades 5-8. Boys' coach is Mike Lewis and girls' coach is Karla Kitten.

School cleaning day is set for Aug. 12 at 8 a.m. All parents are asked to give a

helping hand. The School Board met Aug. 1 and approved the school calendar for the current year, reviewed and approved the budget, heard the cafeteria report, and heard that the new Policy Handbooks will be ready for distribution when school starts.

A replacement on the board to fill the place vacated by John Ellis, who moved to El Paso, will be resolved at the first home and school meeting in September. The new member will fill this post until it expires at the end of this present school year.

AREA MEN IN SERVICE

Army private Donald E. Gober, 21, son of Mrs. Helen H. McDaniel, Slaton, is assigned to the 2nd Armored Division at Ft. Hood.

Pvt. Gober is a reenlistment clerk with the Division's 502nd adjutant general company.

Pvt. Gober's father, James M. Gober Jr., lives in Temple.

Army Colonel Weldon B. Mize, son of Mrs. Claudia J. Mize, Rotan, is assigned to the staff and faculty, U.S. Army Command and General Staff College, Ft. Leavenworth, Kan.

Col. Mize's wife, Lillian, lives at 1055 S. 18th St. in Slaton.

Antonio Gallardo, 20, son of Mrs. Alice G. Ramirez, 420 E. Crosby in Slaton, was promoted to Army Specialist Four at Ft. Hood, Tex.

He is assigned to headquarters company of the 1st Cavalry Division. His wife, Josephine, lives in Killeen.

BIRTHS

7-24-74 — Mr. and Mrs. Lonnie Deason, 705 S. 13, Slaton, a girl, Brenda Renee, 8 lbs. 3 oz. born in West Texas Hospital.

7-27-74 — Mr. and Mrs. Rafael Rodriguez, 225 W. Powers, Slaton, a boy, Rafael Jr., 6 lbs. 14 oz.

7-31-74 — Mr. and Mrs. Antonio Ruiz, 245 S. 6, Slaton, a girl, Erica, 6 lbs. 3 oz.

8-1-74 — Mr. and Mrs. Francisco Diaz Herrera, 235 E. Scurry, Slaton, a boy, Francisco G. Jr., 7 lbs. 8 oz.

8-1-74 — Mr. and Mrs. Francisco Hosa Cruz, Box 278, Ropesville, a boy, Francisco Hosa Jr., 6 lbs. 14 1/2 oz.

CARD OF THANKS

Thanks for all your kindness in what ever way you so graciously expressed your heart felt sympathy during our recent sorrow. May God's richest blessing be upon each of you.

Gary Peebles, Mr. and Mrs. Bobby Robbins, Mr. and Mrs. Harvey Tunnell, Mr. and Mrs. James Hardcastle.

Economical rice makes an excellent meat extender. The blandness of rice is ideal to absorb the flavors of meat sauces, gravies or natural juices and helps make full use of all the nutrients in the meat or seafood main dish.

PEEKING IN — Assisted by his sister Linda, three-year-old Pat Lewis gets a look at one of the antique cars on display around the square last Friday. The Lewis youngsters were only two of the many Slaton residents who turned out to view the display. (SLATONITE PHOTO)

Southland School Calendar Accepted

The Southland School Board met July 29 at 8 p.m., in special session, and accepted the school calendar for the 1974-75 school year.

School will begin August 14th, with three days of teacher in-service training. Students will report on Monday, August 19th, at 9:00 a.m.

School hours will be from 9:00 a.m. until 4:00 p.m. Holidays are: Labor Day, Thanksgiving, Christmas, New Years Day, and Easter. October 25th will also be a holiday for the students as this is the day designated for the teachers to attend the District XVII TSTA meeting in Lubbock.

Any school days lost due to bad weather, etc., will be made up. The last day of school is May 23rd for the students.

The board also accepted the resignation of Joe Kinman.

The curriculum was expanded to include some elective courses and a unit on the Free Enterprise System, which was passed by the last legislature.

Student lunches were raised from 45c to 50c; teacher lunches were raised to 75c and visitors will pay \$1.00 per lunch.

The Board also adopted

the policy of requiring written excuses from home for absences from school. Excused absences are for illness, doctor office visits, attendance of funerals of immediate family members and for school sponsored or approved events.

Cooper Schools

Lubbock - Cooper Independent School District will begin in-service meetings for teachers on Monday, August 12th at 9:00 a.m. and continue through Wednesday, Aug. 14.

Registration for students will be as follows: High School (9-12) and Junior High (6-8) 9:00 a.m. - 3:00 p.m. Aug. 14.

Elementary (k-5) 1:00 p.m. - 4:00 p.m. Aug. 14.

Elementary (k-5) New Students 1:00 p.m. - 4:00 p.m. Aug. 7, 8, 9.

School will begin for students Aug. 15 at 9:00 a.m. Annuals will be distributed during registration.

MRS. RICKY ALLEN PEEL
Jeannett Love

Exchanges Vows

Jeannett Love and Ricky Allen Peel were united in matrimony at 8:30 p.m. Aug. 6 at the Southland Presbyterian Church. Officiating was Sam Estes, pastor of the church. The couple are the daughter of E. Wayne Smith, Lubbock, and Mrs. R. A. Smith, Lubbock.

The bride wore her wedding gown of white tulle with a slight train, a single orchid corsage and her mother's

wore white hats and carried single white roses.

Serving the groom as Best Man was Rick Maines of 4805 B Belton, Lubbock. Groomsmen were Rex Peel, brother of the groom, Wesley Killian and Chris Marshall, all of Route 1, Lubbock.

Ushers were Charles Lipps of Route 2, Slaton and Tim Jones of Route 1, Lubbock.

Flower Girl was Amy Rylant of Route 3, Lubbock. Wedding music was provided by Lloyd Maines on guitar and soloist Steve Maines.

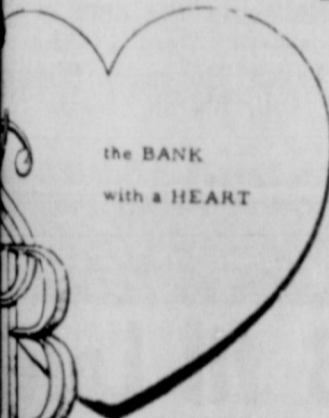

A reception followed the wedding in the Cumberland Presbyterian Church Reception Hall.

Mrs. Peel is a sophomore at Texas Tech and employed at Furr's. Peel is a 1972 graduate of Roosevelt High School and is employed by Furr's.

After a wedding trip to Tech Station, the couple will reside at 4805 B Belton, Lubbock.

Slaton Man Returns From Pacific Island

By SANDY MARTIN

Small remote islands in the middle of the Pacific usually exist only in novels, but one such island is real and Gene Lewis recently returned from a year-long stay there.

Kure island is only a mile long and a half mile wide, and is located 50 miles northwest of Midway. Lewis, an electrician technician second class, and 23 other Coast Guardsmen were stationed there to operate the transmitting site for ship and air craft navigation.

"There are three buildings there, and that pretty much fills up the island. There aren't even any natives, just Coast Guard," said Lewis.

Recalling the day he received his orders to go

there, Lewis smiled. "When everybody else gets their orders for Kure, they are usually pretty disappointed. But I asked to go there, and I'm glad I was sent."

Ham Operator

Lewis requested Kure because of its ideal location for ham radio operation. Lewis explained that Kure rates as a country all its own, and while there, he made 11,300 contacts in 180 countries.

A ham radio buff since childhood, Lewis received his license at the age of 12. While on the island, he ran phone patches for the men and offered them a link to the outside world.

"If there's not a ham operator there, the island is really cut off," said Lewis.

"There's no radio or television to speak of."

Although his ham radio offered a substitute for the electronic media, the men had to find other ways of relaxing. One big hobby of the men, according to Lewis, was stereo.

"A lot of the guys really sink a lot of money into elaborate stereo sets. About a third of the men there are totally wired for sound!" he said.

Search Beach

Another popular pastime for the men was scouring the beach for treasures which washed ashore. "It was sort of a game to see who could beat everybody else out there each morning," said Lewis.

He gathered in quite a

few oddities during his year on the island, and discovered two bottled messages.

One of the messages was a calling card from Merle's Tavern in Portland Ore. "I wrote them and eventually got a reply. I don't know how long it took for the bottle to reach Kure. The owner didn't remember throwing it out."

The other bottled message took exactly three months and three days to reach the island from Taiwan. It was written by a man and wife from Florida who were on a cruise.

Other interesting articles which washed ashore included glass balls used by the Japanese as floats for their fish nets. The balls come in various sizes, ranging from plum size to medicine ball size.

Lewis said the most common ones were a blue-green color, and the rarer balls were white or purple. "I collected about 100 small ones and about 20 big ones while I was there," he said.

Sports Popular

Sports were another favorite of the men. They played volleyball, baseball, tennis and softball. "Some of the more energetic guys jogged around the island every day, but I didn't," said Lewis.

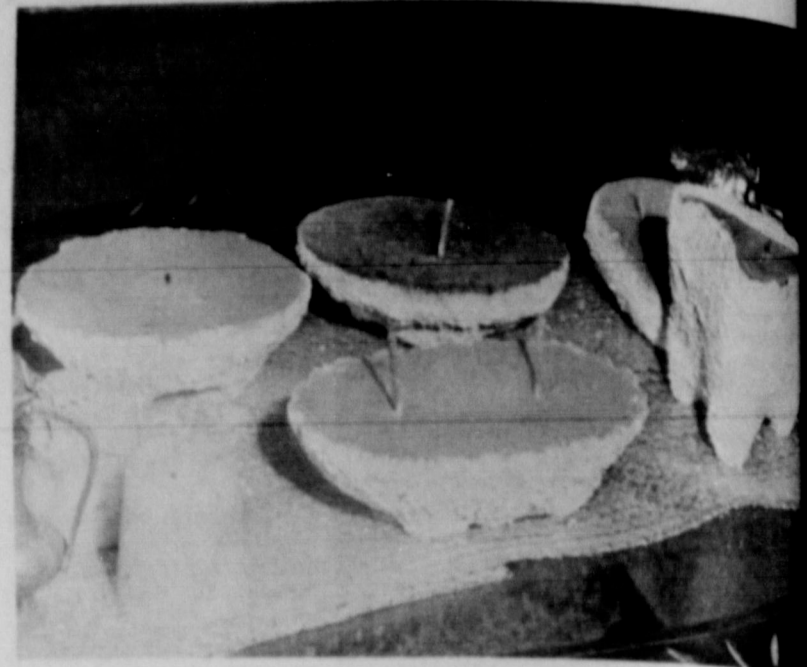

Nature watchers on Kure were afforded the opportunity to observe warm water seals in their natural habitat. The island is also a bird sanctuary under the state of Hawaii.

Lewis is now going to another island, but this one is a bit more populated. He is now scheduled for a tour of duty on Sylt, which is seven miles from the mainland of Germany.

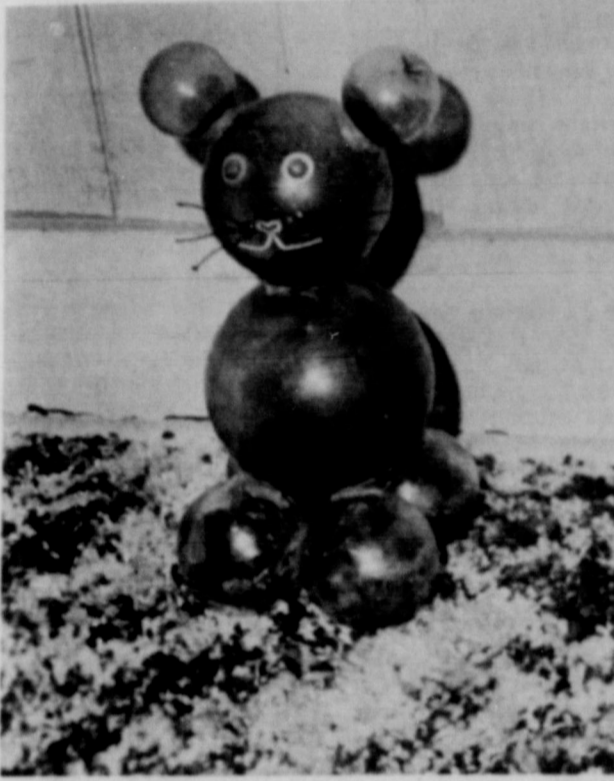

He has been on a two month leave, and he will now spend two months in New York City before being transferred to Sylt.

Lewis, the son of Mr. and Mrs. L. W. Lewis, is a 1967 graduate of Slaton High School, and has been in the Coast Guard since Jan. 1973. Prior to that, he served four years with the Navy.

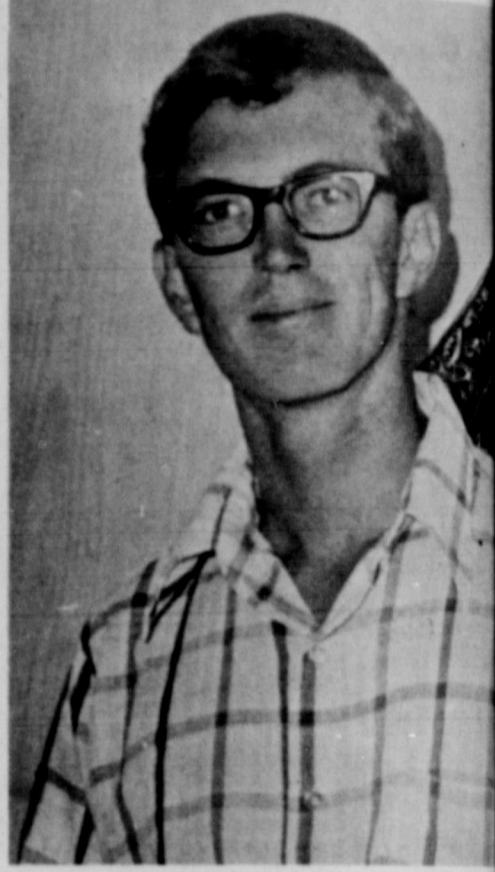

Potassium and the related mineral sodium are needed to keep a normal balance of water between a person's cells and body fluids.

SAND CANDLES — Mrs. Lewis took the fine white coral sand her son brought from the Pacific and made sand candles. The white sand provides a solid base for making beautiful candles. (SLATONITE PHOTO)

MICKEY MOUSE — Mrs. L. W. Lewis and her son Gene made this replica of Mickey Mouse from glass balls which washed ashore the island of Kure from Japan, almost 2,000 miles away. The balls are used as floats, and come in different sizes. Those used are the most common type — smaller than a basketball and blue-green in color. (SLATONITE PHOTO)

SLATON

Mrs. Ed Black of Quemado, Texas, Chautos will be entered in the All American Futurity to be run Labor Day weekend.

25TH ANNIVERSARY
Mr. and Mrs. Gerald Beauchamp of 2316 54th, Lubbock, were honored with a surprise reception Sunday in observance of their 25th wedding anniversary. Hosted by the reception were the couple's children, Janice, Edward and Leslie.

The former Norma Crossland, a graduate of Roosevelt High School, and Beauchamp, a native of Wilson, Michigan, met while Beauchamp was in the service and were married August 6, 1949, in Milwaukee, Wisconsin.

Beauchamp is employed with the U.S. Post Office, Lubbock.

BABY SHOWER
Mrs. Wally Moyers Jr., of Buffalo Springs Lake, was honored with a baby shower Monday night, Aug. 5, in the home of Mrs. Billy Jackson of 575 Buffalo Springs Lake. Hostesses were Brenda Rowan and Mmes. Vicki Blocker, Becky Jackson, and Marilyn Barnett.

RODEO NEWS
Rance Puckett won bar back riding senior division and A. W. Marshall won ribbon roping, junior division, at the third annual Little Britches Rodeo in Guthrie over the weekend.

JOINT BIRTHDAYS
Relatives that gathered in the home of Mr. and Mrs. Bill Walter Friday night to help celebrate the birthdays of Johnny and Bill Walter.

POLICE
(Con't. from Page 1)
his right foot and was hospitalized.

Michael Walter Lewis, 18, suffered a broken right leg when the 1973 motorcycle he was riding collided with a 1970 car driven by Audrea Marriott Thompson, 750 S. 18th at the intersection of 9th and Jean Tuesday. Lewis, of 950 S. 18th, was taken to Methodist Hospital in Lubbock.

W. G. Pington, 635 New Mexico St., told police Monday his pool hall had been burglarized, with about \$40 stolen and damage totaling over \$150 incurred.

A burglary at Slaton Liquid Fertilizer was reported Monday. Missing were a hand calculator and portable tape player, total value \$215.

Mrs. Ella Schroeder, whose birthday was Aug. 2, and Mrs. Adolf Walter, whose birthday was Aug. 4, were: Mrs. Olga Stegemoller, Mr. and Mrs. Roland Stegemoller and family of Wilson, Mr. and Mrs. John Paul Walter of Vernon, Mr. and Mrs. Walter Schroeder, Mr. and Mrs. James Walter and family, Mr. and Mrs. Melvin Walter, Mr. and Mrs. Jerry Stanek of Corpus Christi, Mr. and Mrs. Duane Walter, Mr. and Mrs. Weldon Ahrens of Lubbock, Frieda Walter, Adolf Walter and the honorees.

Tops Club

The TX69 Tops Club met Thursday night in the Clubhouse with Nelda Chapman, leader, presiding.

Sixteen members weighed in and two KOPS maintained and ten TOPS lost a total of 18 pounds.

Helen Meeks won the Grab Bab prize for losing the most weight. Weight

and attendance dimes went to Dorothy Price.

For the devotional, Mickey Ann Miles read "The Lesson".

Tops July queen was Margie Green and Mickey Jones was crowned Kops July queen.

Mickey Ann Miles volunteered to crochet an afghan to be presented to the winner of the new contest.

Contest rules say a member may enter by paying her share on the price of the afghan kit. Then if a Tops member gains weight, she is out of the contest. If a Kops member goes over her goal, she is eliminated. Any member is eliminated if she is absent without an excuse.

Another new contest features Llawana Johnston and Helen Meeks against Donita Johnston and Nelda Chapman. Both members of the team must lose 15 pounds each to win. The first couple to reach this goal is the winner.

Bingo was played after the meeting.

STATE CAPITAL Highlights AND Sidelights

by Lyndell Williams
TEXAS PRESS ASSOCIATION

AUSTIN, Tex. — When the Constitutional Convention collapsed in total failure, state legislators immediately began proposing new approaches to the long-thwarted revision effort.

A wide range of alternatives are available, and lawmakers are committed to try all of them. These suggestions already have been offered:

- Creation of a brand new Constitutional Convention, with plain citizens rather than legislators occupying most of the delegate seats.
- Submission to voters of the basic revision document drafted by the 1974 conven-

tion, without the controversial separate submission proposals (like right-to-work) which deadlocked this year's session.

- An article-by-article revision, based largely on work of the convention.
- Submission of the document originally prepared by the 37-member Constitutional Revision Commission as a guide to the convention.
- If all else fails, consideration of a cleaned-up and slimmed-down version of the 1876 constitution stripped of outdated provisions.

While the 1974 convention ran out the clock without ac-

complishing anything, hope remains lawmakers will have learned some lessons and that more than a year of research and expenditure of \$3.2 million will not be a total loss.

NO SPECIAL SESSION — Gov. Dolph Briscoe rejected requests for a special legislative session on state employee pay raises and supplementary school financial aid.

He said a special session at the tag end of an exhausting Constitutional Convention would not be practical, and the most pressing problems can be met by emergency action in the next regular legislative session.

Specifically, Briscoe committed himself to these emergency goals in 1975, which will cost approximately \$216 million in general revenue:

- A 10 per cent cost of living pay raise for all state employees effective Feb. 1, 1975. (Legislative Budget Board has recommended \$285 million in pay and fringe benefit increases for

state employees during the 1976-77 fiscal period).

- An increase of \$40 per student in average daily attendance for maintenance and operation of public schools, with distribution arranged to benefit "poor" districts most.
- A 15 per cent increase in retirement benefits for teachers who retired before March 31, 1969, and a 10 per cent increase for those who retired between that time and May 31, 1971.
- A 10 per cent increase in retirement benefits for state employees who retire before August 31, 1974.

AUTO HEARING SET — The annual auto insurance rate hearing has been scheduled for October 1.

The State Board of Insurance will conduct the hearing for new rates to become effective December 1.

While the hearing is usually held in the summer, it was delayed this year to get maximum information on impact of the gasoline shortage and slower speed limits which may bring rate reductions.

AG OPINIONS — Cities cannot purchase land for industrial site development by promissory notes to be paid out of revenues from the project, Atty. Gen. John Hill held.

In other recent opinions, Hill concluded:

- District clerks are liable for mysterious disappearance of child support money paid into registry of the court prior to deposit.
- When judgement on which an execution sale is based is void, a purchaser obtains no title to property.
- Requirements that counties, hospital districts and certain cities must adopt a uniform system of accounting and make quarterly reports of expenditures made for welfare programs are valid.
- A contract to buy fuel for a county from the brother of a county commissioner is not necessarily void when the commissioner has no interest in fruits of the contract, direct or indirect.

REEF OBSTACLES LIFTED — Obstacles to permits for Liberty Ship fish-

ing reefs have been removed, according to Sen. A. R. Schwartz of Galveston.

Schwartz, of the Texas Coastal and Marine Council, said U. S. Department of Interior concern over placement of the ship hulls at points selected by the council is now lifted. Interior feared the ship sites might interfere with offshore oil and gas exploration.

Several steps remain, however, before the ships can be obtained, scrapped and sunk. Proposed locations are southeast of Freeport, south-southeast of Port O'Connor, south-southeast of Port Aransas and about midway between Port Isabel and Port Mansfield.

ELECTION SET — A special primary election to name a Democratic nominee for State Board of Education in East Texas District 1 is slated for August 31, following a court ruling. (The date originally was set for September 7.)

The election will be held in Bowie, Camp, Cass, Cherokee, Delta, Fannin, Franklin, Harrison, Hender-

son, Hopkins, Lamar, Panola, Red River, Shelby, and Wood counties. Voting will begin and last through...

SHORT — Hot, dry weather in the Texas economy two years ago, agriculture...

Midway between Port Isabel and Port Mansfield. A controversial proposal site near Governor Briscoe and Briscoe was added to the areas designated for the election because of...

Another \$44 million in Criminal Justice has been approved for enforcement and improvements.

ALASKAN ARTIFACTS TO BE DISPLAYED
Alaskan artifacts and souvenirs will be on display at the George and Helen Mahon location, 1306 9th Street, of the Lubbock City-County Libraries, August 12-31. Items include various ivory carvings, wooden masks and sculpture, baskets, native sketches, games, toys and assorted items of native clothing.

TV Ads Influence Kids' Eating

A recent study maintains that TV ads persuade children to ask their parents for sugar-filled, nutritionally empty foods, and this significantly influences family buying-patterns.

The study, entitled "The Effects of Television Advertising on a Child's Eating Habits and Control over the Family Food Purchase," was commissioned by a Massachusetts-based consumer's organization, Action for Children's Television, and carried out by market researcher: Stephen L. Disson at the University of Pennsylvania's Warton School.

According to the study, "When children exert control over their family food purchase by requesting certain foods, it is usually those products they see advertised on television and usually foods with a high level of sugar." The study examined the

behavior of 186 nine to thirteen-year-old boys and girls from four Philadelphia public schools. The children came from a variety of socio-economic and ethnic backgrounds.

Results of the study were that 95 per cent of the children, all of whom had at least one television in the home, saw the cereal they usually eat advertised on television. Not one child reported wanting the product because of its nutritional content.

Almost 75 per cent of the parents yielded to their children's requests to buy TV-advertised cereals. The study reported that nearly half of all the students polled associated the word "sweet" with something good in terms of taste and smell.

The study concludes that, "Children are not being nutritionally educated or taught to be wise consumers

by the commercials on the air. Instead, they are encouraged to eat "sweet" products which have a very high sugar content and often have questionable or no nutritional value.

SOUTHLAND REUNION

The Southland Reunion will be Aug. 10 in the Slaton Clubhouse.

Following the pot luck supper at 5 p.m., there will be presentations by the following:

Dwane Locke, former coach from 1958-1962, is now principal of Smyer High School.

Oris Neill, Slaton City Commissioner.

Ronald Huddleston, 1954 graduate of Southland High School, is now a doctor and mayor of Hern.

AUXILIARY NEWS

The nursing home auxiliary met Monday for a round table discussion, and will meet again Aug. 12 at 2:30 p.m. in the nursing home.

Anyone interested in joining the auxiliary may contact Madeline Keith at the nursing home or Leona Lamb at 828-3309.

Obituaries

ALFRED CROWSON

Alfred Crowson, former Wilson mayor, died of an apparent heart attack Saturday while tending his stock. Services were at 2 p.m. Monday in the First Baptist Church in Wilson with the Rev. E.K. Shepherd, pastor, and the Rev. H.F. Scott of Lubbock officiating. Burial was in Englewood Cemetery under direction of Englund.

He moved to Wilson in 1947 from Sulphur Springs. Crowson had served the Wilson School Board, and was a former city councilman, serving as mayor two terms.

He was a member of the First Baptist Church, and was a charter member of the Wilson Lions Club.

Survivors include his wife, Lorain; three daughters, Mrs. Margaret Crispin and Mrs. Brenda Creswell, both of Wilson, and Sue Crowson, of the home; his mother, Mrs. R.B. Crowson Sr. of Sulphur Springs; nine brothers, Henry of Grapevine, Joe of Burleson, John, N.W., Billy, R.B. Jr., and Hershel, all of Sulphur Springs, and Clifford and Thurman, both of Phoenix, Ariz.; a sister, Mrs. Charles Arnold of Hurst; and three grandchildren.

DAVIS INFANT

Services for Lisa Jill Davis, eight-week-old daughter of Mr. and Mrs. John Frank Davis of 4312 47

St. in Lubbock were held at 11 a.m. Monday in the First United Methodist Church. Dr. Ed Robb, pastor of St. Luke's United Methodist Church in Lubbock, officiated. Burial was in Englewood Cemetery under the direction of Englund.

The child died Saturday in St. Mary's Hospital in Lubbock. She had been in the hospital since Thursday and had been ill since birth.

Survivors include her parents; a sister, Jennifer, and a brother, Jayson, both of the home; her maternal grandparents, Mr. and Mrs. Ray Foster of Wilson, and a paternal grandparents, Mr. and Mrs. W.T. Davis of Slaton.

MAUDE SMITH

Graveside services for Mrs. R.L. (Maude) Smith, 91, were held at 10:30 Saturday in Englewood Cemetery.

Officiating was the Rev. James Carter, pastor of the Asbury United Methodist Church in Lubbock.

Burial was under the direction of Englund in Slaton.

Mrs. Smith moved to Slaton in 1916, and she lived here until she moved to Kansas City in 1939.

She was a native of Kansas and she was a member of the First United Methodist Church in Slaton, the Eastern Star in Kansas City, and a charter member of the Slaton Mother's Club, now named the PTA.

Survivors include a son,

They Said It Like This...

CW7 Meets

Mrs. Marion Hodge was hostess for the August meeting of the Christian Women's Fellowship of the First Christian Church Thursday afternoon.

Mrs. J.D. Norris conducted the business meeting and brought the devotional message on "Prayer".

Mrs. Mary Taylor presented the program on problems with scripture from Proverbs.

Mrs. Hodge served refreshments to the seven members.

The next meeting is scheduled for Sept. 5 in the home of Mrs. T.C. Buchanan.

R.L. of Slaton; a daughter, Mrs. W.E. Grimes Jr. of Kansas City; a brother, Ed Williams of Atchison, Kan.; a sister, Miss Mabel Williams of Kansas City; seven grandchildren; nine great-grandchildren; and two great-great-grandchildren.

SUNDAY'S SERMON

God's World

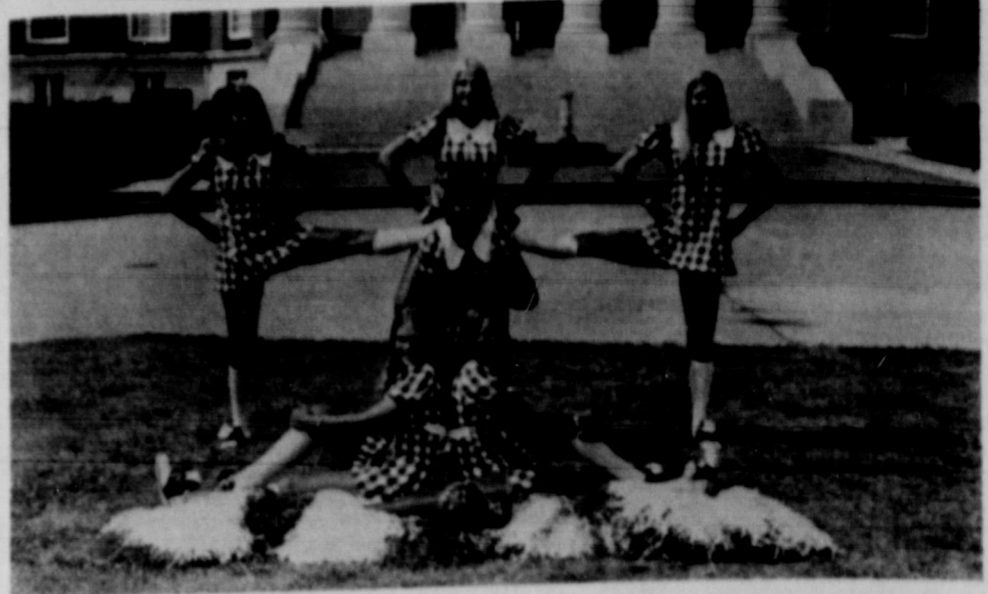

The beauty of God's world surrounds you, wherever you live, whatever you do. In the concrete jungle of the city, it is a tree that blooms on the corner, a flower that springs through a crack in the sidewalk. It is the soft breeze of April and the fluffy white clouds that drift across a sky of blue.

There is beauty in the morning mist that rises from the river, in the sunset that tints the windows high above the street.

In the world outdoors, there is the beauty of so many living things. Trees, flowers, birds and animals, each is a living thing and some part of God's plan for the universe.

We often miss so much of the beauty of God's world because we close our eyes. We are busy with problems, with dreams, with ambitions, with the rapid pace of life in a busy society.

Take one day in April, one day of your life, to look for the beauty that surrounds you. Open your eyes to your environment. It is not all beautiful; you may see ugliness that you have ignored. But you shall find something to marvel about, something of beauty, something which is always there.

WILSON CHEERLEADERS — Returning from cheerleading camp at SMU were the award-winning Wilson High School cheerleaders. Back row from left are Camille Rice, Becky Verkamp, Jan Wilke. In the center is Christina Nava, and seated are Kim Rice, left, and Charmone Mears, right.

Mrs. Reed Has 82nd Birthday

Mrs. C.T. Reed was honored on her 82nd birthday with a barbecue supper last Saturday evening in the home of Mr. and Mrs. Eugene Droemer of Slaton.

Forty guests attended the event, including her six children. Children present were Mr. and Mrs. P.W. Reed, San Angelo; Mr. and Mrs. Wesley Reed, Lubbock; Mr. and Mrs. Roy C. Reed, Lubbock; Mr. and Mrs. Billy L. Reed, Slaton; Mr. and Mrs. Ervin Roberts, Slaton; Mr. and Mrs. Luther Myers, Slaton.

Mrs. Reed was born in 1892 in Indian Territory, which is now the state of Oklahoma.

Special guests were the Rev. and Mrs. J.D. Franklin, and Mr. and Mrs. Lewis Droemer, Slaton.

Mrs. Reed has 10 grandchildren and one great-grandchild.

Kindergarten Registration Scheduled

There will be a \$1.50 fee for children registering for public school kindergarten classes this year.

All youngsters who will be five years old on or before Sept. 1 should pre-register at 10 a.m. Monday, Aug. 12 at West Ward School.

SOUTHLAND REGISTRATION

Registration for Southland High School students will be Thursday, Aug. 15 beginning at 1 p.m. at the high school. Buses will not run that day, but will begin regular routes Aug. 19.

THURSDAY, AUGUST 8, 1974

Read John 5:19-29

Verily, verily, I say unto you, He that heareth my word, and believeth on him that sent me, hath everlasting life, and shall not come into condemnation but is passed from death unto life. (John 5:24)

A chief topic of concern among the people of Jesus' day was the question of eternal life. Jesus answered this concern with the words of our text: "He that heareth my word, and believeth on him that sent me, hath everlasting life..."

When Jesus talked about belief in God, He was not referring to the mere acceptance of the fact of God's existence. Religion for many really does not go beyond this belief. That sort of faith is at least something, but it is not enough. Deeper faith in God is a reality that leads us to know and obey His will.

Eternal life is the constant partaking of that which God gave us in Christ Jesus. When we are one with Christ and obedient to Him, His spirit is expressed in us. As Paul said, "I am crucified with Christ: nevertheless I live; yet not I, but Christ liveth in me."

PRAYER: Blessed Father, grant that we may participate in the life eternal which Christ offers us. Help us to believe in Him as our Savior and do His will. We pray in His name. Amen.

THOUGHT FOR THE DAY

Eternal life is a blessing, first in this life and then in eternity.

—copyright—THE UPPER ROOM
—Hermano Moreira da Silva, Contagem, Minas, Brazil

THE KINGDOM

1. John the Baptist preached the kingdom of heaven "at hand" (Mt. 3:2; Mk. 1:15).
2. Jesus preached the kingdom "at hand" (Mt. 4:17).
3. The 70 and the 12 apostles preached the kingdom "nigh" and "at hand" (Lk. 10:9; Mt. 10:7).
4. Jesus taught those of his time to pray: "Thy kingdom come." (Mt. 6:10)
5. The kingdom and church are the same. (See Mt. 16:18, 19; Col. 1:13, 18.)
6. Jesus promised the kingdom would be set up (with power) during the lifetime of his disciples (Mark 9:1). The apostles were to receive power with the coming of the Holy Spirit (Acts 1:8). The Spirit came on Pentecost after Christ's resurrection (Acts 2:1-4). This is the beginning of the kingdom. It is not future.
7. Christ was promised David's throne and kingdom at his first coming (Luke 1:31-33). Peter said Christ's resurrection gave him David's throne (Acts 2:30-32). He is reigning now (1 Cor. 15:25).
8. Since Pentecost the kingdom is spoken of as being in existence — not future (See Col. 1:13; Rev. 1:4, 9; Heb. 2:12). The Lord's table is in his kingdom (Lk. 22:29-30, 18).
9. Christ second coming will not be to establish his kingdom, but to turn it over to the Father in heaven (1 Cor. 15:20-24).
10. We can be in the kingdom NOW by being born again (John 3:5).

A sincere welcome is yours at every service of the church of Christ.

LIGHT FOR THE BLIND

And as Jesus passed by, he saw a man blind from his birth. And his disciples asked him, saying, Master, sin, this man, or his parents, that he was born blind? Jesus answered, Neither hath this man sinned parents; but that the works of God should be made in him. I must work the works of him that sent me, day, the night cometh, when no man can work. As long as I am in the world, I am the light of the world. When he had thus spoken, he spate on the eye made clay of the spittle, and annointed the eye blind man with the clay. And said unto him, Go, wash in the pool (which is by interpretation, Sent.) He went his way and washed, and came seeing. St. John 9:1-7

Old Cars Stir Memories Here

DISTINCTIVE CAR TAG — There's no doubt about it — this is an antique car. Members of the Antique Auto Club of America are allowed to buy special tags for their cars, which do not need to be renewed yearly. Each car in the tour also had a valid inspection sticker and is considered safe for the highway. (SLATONITE PHOTO)

TAKING IT EASY — The excitement and bustle of the antique car show Friday in Slaton proved to be too much for Mr. and Mrs. John Rutherford, Monahans. They took a few minutes to relax under one of the shade trees on the square, and Mr. Rutherford was caught napping. The couple were participants in the Grand Ole Tour. (SLATONITE PHOTO)

FAMILY POT LUCK

Warm weather is Pimiento Dip season, for sandwiches, for serving with crackers as an appetizer while steaks sizzle on the outdoor grill. Using electric mixer, beat together 1-1/2 cups creamed cottage cheese, 1/2 teaspoon instant onion flakes, 1 large pimiento, diced, and salt to taste. Serve with celery or carrot sticks or potato chips.

Marjoram gives an extra touch of flavor to cheese and egg dishes, is also a fine addition to soups and stews.

To perk up brown and serve sweet rolls, add 3/4 teaspoon anise seed before baking.

When using a meat thermometer, be sure to place it in the thickest part of the meat, with the bulb centered, resting neither in fat nor on bone.

Because food spoilage bacteria thrive at 40 degrees and above, cooked meats should be kept at room temperature for the shortest time possible. Cool leftover meats quickly and refrigerate.

BUSY SQUARE — Hundreds of people came to town Friday to see the old cars and shop for bargains in the sidewalk sale. A lemonade stand provided by the women's Chamber of Commerce helped quench thirsts as citizens strolled about in the 90 degree heat. (SLATONITE PHOTO)

WILLIE ROY MEYER

BONNIE DIXON

Area Students In Who's Who

Several area students have been selected to the 1973-74 Who's Who Among American High School Students.

Students named are Willie Roy Meyer and Bonnie Dixon. Mandi Lee of Wilson was also selected.

Meyer is the son of Mr. and Mrs. Ernest Meyer and is a 1974 graduate of Slaton High. He is active in church, and he plans to go to Wayland Baptist College

and major in music. Meyer received a scholarship from the First Baptist Church, BEOG, and Who's Who.

Mrs. Dixon is the wife of Morris Dixon and she too is a 1974 graduate of SHS. While in high school, she was in the band, was a twirler, and was Who's Who in trig.

She plans to major in pre-nursing at Tech.

Mandi is the daughter of Mr. and Mrs. Bobby Lee of Wilson. She is active in FHA, annual staff, National Honor Society and basketball.

Her future plans include attending Texas A&M University.

Students from over 20,000 public and parochial high schools throughout the country are recognized for their leadership in academics, athletics, activities or community service in the eighth annual edition of Who's Who. Less than three per cent of the junior and senior class students nation-wide are awarded this honor.

When an aide is hired, a three to four day training course is given, followed in about six months with more training. They also receive on-the-job training from their supervisors or other experienced aides.

Aides show a lot of initiative in finding unimmunized children. Often they hear about them in conversations with contacts, who tell them of new people moving into a neighborhood. They institute record searches in health department clinics. Many aides visit offices of local registrars to check out new birth certificates, often making contacts before receiving referrals from the state office.

They also turn up immunized children whose parents hadn't responded to the mail questionnaire. In cases where parents have taken their children to private physicians, notification cards are left with the physicians so that immunization information can be reported.

Immunization aides are doing a good job for Texas as part of a State Health Department effort to make the state a healthier place in which to live.

What this activity has done, says state health officials, is to cut deeply into that reservoir of potential disease victims.

"They are reaching that segment of the population that nothing else reaches — pre-school children staying at home with momma. They seek out and then motivate those hard-to-reach people by informing them of disease consequences and where they can get immunization services," said one immunization director.

The Immunization Service Aides take pride in their work and receive a lot of personal gratification from it, report their supervisors on both the state and local levels.

It may have something to do with the background of the aides. In looking for new aides, the State Health Department attempts to find individuals from areas where they will be working, possibly in neighborhoods where they grew up.

The home town aides relate better to the people they contact and talk their own language.

When an aide is hired, a three to four day training course is given, followed in about six months with more training. They also receive on-the-job training from their supervisors or other experienced aides.

Aides show a lot of initiative in finding unimmunized children. Often they hear about them in conversations with contacts, who tell them of new people moving into a neighborhood. They institute record searches in health department clinics. Many aides visit offices of local registrars to check out new birth certificates, often making contacts before receiving referrals from the state office.

They also turn up immunized children whose parents hadn't responded to the mail questionnaire. In cases where parents have taken their children to private physicians, notification cards are left with the physicians so that immunization information can be reported.

Immunization aides are doing a good job for Texas as part of a State Health Department effort to make the state a healthier place in which to live.

A weekly public service feature from the Texas State Department of Health

Accent on Health

J.E. PEAVY, M.D., Commissioner of Health

All preventable diseases in Texas may never be wiped out, but the Texas State Department of Health — with cooperation of private physicians — is working toward that goal through a strong immunization campaign. Last year a combined total of only 1805 cases were reported for diphtheria, tetanus, pertussis, measles and rubella. There was no polio reported in 1973.

Because of the success of the compulsory school immunization program, more attention is directed toward the pre-schoolers in State Health Department activities. Statistics show that epidemics have repeatedly taken the heaviest toll among children from one to

four years old. A dramatic decline in disease incidence has been marked up in Texas for such diseases as diphtheria, tetanus, pertussis, polio, measles and rubella. Sharing in this success is a group of Community Service Aides who concentrate on infant immunizations.

When a baby is born in Texas, the Immunization Division gets a computer printout showing the baby's name, parents' names and home address from the Records and Statistics Section of the State Health Department.

Parents of newborns receive a card informing them of immunization schedules and recommending vaccination times. They are asked to return the card and indicate which immunizations have been started.

Not all parents respond to the inquiry, and not all begin immunizations for their babies. That's where the Community Service Aides come in. They take referrals from the Immunization Division and attempt to track down those who don't respond.

How well do they do their job? Last year an average of

56 Community Service Aides were employed and assigned to regional and field offices to promote immunizations in the pre-school group.

They received 175,075 new referrals during the year — about 3,1000 per aide. The average aide visited 1,707 homes and made 638 telephone contacts during the year. Each aide determined that a total of 1,222 immunization starts and/or completions had been made.

Total figures show that aides were responsible for 18,989 children starting immunizations; 26,253 completing the initial series; and 23,168 others completing the one-year series for a total of 68,410 starts and/or completions.

What this activity has done, says state health officials, is to cut deeply into that reservoir of potential disease victims.

"They are reaching that segment of the population that nothing else reaches — pre-school children staying at home with momma. They seek out and then motivate those hard-to-reach people by informing them of disease consequences and where they can get immunization services," said one immunization director.

The Immunization Service Aides take pride in their work and receive a lot of personal gratification from it, report their supervisors on both the state and local levels.

FUND BOOSTERS — Presenting a \$45 check to the Mercy Hospital general fund are Jaycees Steve Tucker, center, and Jim Dulin, right. Accepting on behalf of the hospital is Dale Karpe, administrator. The Greater Slaton Area Jaycees raised the money by manning the Miniature Hills Golf Course on July 27. Keith White was project chairman for the project. (SLATONITE PHOTO)

FUN FILLERS

Good Old Days?
Remember the good old days — when the only strikes the country had were silver and gold?

Few Marriages?
Jim just told me he figured out why there are so few marriages in July and August. With everyone away on vacation, the office collection would be too small.

New Drink?
Have you heard about the new Senatorial Cocktail that's sweeping Washington, D.C.? Drink three of them and you wind up speaking from the floor!

Looking Old!
That woman's face is so wrinkled, she doesn't dare wear long earrings. They make her look like Venetian blinds.

Ever Wonder?
Have you ever wondered if Alexander Graham Bell would have invented the telephone if there had been teenagers in his house?

Dull Television
I think television is becoming duller and duller. My kids are doing their homework again!

RODEO WINNERS — Showing off their prizes are winners in the recent Little Wrangler Rodeo in Plainview. From left are Shannon Henzler, Shawn Wilson, Kelly Henzler and Blain Wilson. (SLATONITE PHOTO)

Youngsters Are Winners In Little Wrangler Rodeo

Several Slaton youths won trophies, belt buckles and ribbons at the third annual

Kappa Upsilon Little Wrangler Rodeo Saturday night in Plainview.

Mr. and Mrs. Sammy Joe Wilson, and Douglas is the grandson of Mr. and Mrs. W. J. Schiller Mrs. Louis D. from Slaton.

Consumers' Corner

New Building Supplies
Polyurethane foam, air and fiberglass may take their places alongside wood and brick as important building materials of the future.

In fact, these lesser known materials, already being used in housing, are inspiring new shapes and forms. For example, there are no corners or sharp angles in a foam house. Spaces flow gently and freely from one into another.

The foam house first begins as a series of inflated plastic balloons. Layers of urethane foam are sprayed over these balloons until the foam shell is about two inches thick. Then the balloons are deflated.

The result? Spare, clean-lined living spaces with a pleasant rough texture. To give the house color, owners can add lots of bright-colored pillows and carpeting.

The use of air as a building material is still fairly revolutionary, although giant plastic bubbles are mushrooming across the country in the form of athletic field houses, tennis courts and classrooms.

Fiberglass, used for making boats and some furniture, is also seen as a potential building material. Lightweight and easy to mold into various shapes, fiberglass could make an easily portable, almost instant house.

Events of competition included stick horse, scoop, sack, boot, goat tying, pig racing and calf riding.

Winners from the area were Blain Wilson, 2, fourth in the stick horse race; Shannon Henzler, 5, fourth in the five year old division of stick horse; Kelly Henzler, 8, first in goat tying; Douglas Blackerby, 8, second in sack race and third in calf riding; and Shawn Wilson, 7, who won the Best All Around Cowboy belt buckle for winning first in sack race, and second in the scoop race.

Kelly and Shannon are the children of Mr. and Mrs. Charley Henzler. Blain and Shawn are the sons of

Now Is The Time For Fall Gardens

Although it's still summer, that's the time to start getting things ready for your fall vegetable garden, says a vegetable specialist. "Gardening came on like gangbusters this spring, and many home gardeners enjoyed the sweet taste of success," notes Sam Cotner. "But for most areas of

Texas the gardening season continues the year round. That means getting the land prepared and getting transplants started as soon as possible for a fall garden." According to Cotner, many popular vegetables such as tomatoes, peppers, eggplants, pole beans, potatoes, okra and squash can

be planted during July and August. Also, the so-called "winter" vegetables such as broccoli, cabbage, cauliflower, greens, parsley and carrots can be planted at this time for early harvesting. Later plantings of these cold-hardy crops will supply fresh vegetables well into

winter. What are some of the important aspects of fall gardening? First of all, get the land into good shape. If a garden was planted this spring and fertilizer was applied, little if any additional fertilizer will be needed before fall planting.

For new gardens, Cotner recommends applying two to three pounds of a complete fertilizer such as 10-10-10 per 100 square feet and working it into the soil. If plants make slow growth, a light amount of fertilizer may be applied between the rows and watered into the soil. "Of major importance for a successful fall garden is an adequate water supply,"

emphasizes Cotner. "Since planting is done during hot weather, sufficient water is needed for germination and early growth. Light waterings three to four times a week may be necessary to keep the soil from drying out and crusting. Water stress during early growth of plants can reduce later yields." Since transplants of recommended varieties of

vegetables find at local specialist seed and grow transplants. weeks should from the time setting the in the garden. "Transplants practice in the out Cotner, the seed to areas sheltered temperatures winds." Of course, gardens, a we be kept for as weeds. He contends that and flavor of tables grown superior to spring garden.

"I REMEMBER BY THE O"

From John W. Ky.: I remember engine with its wheels. About 1904 my a new barn was ing barn having when the land bought a stand of Pearmae farm north of our farm. Tanner moved to steam engine to timber to saw the the barn. Uncle Tanner adjoining my way between the Grove. Other Cr traversed through this land, located the spot failing spring of ed out of the When we had on Vine Grove for oil in exchange ler, it seems w thirly when we Tanner's spring, fill while the her the creek. Aunt Liz enjoy corn cob pipe ad ful cook. She was to own a coal oil most cost her life it one evening, set the house on got out safely be saved. Uncle T with his threedi it was only a shor he put his sawn sawing the "peta house construction site.
