

'Garbo Of Golf' Finally Gets In The Light Of Publicity; New York Wants Him On 7-Year-Old Robbery Count

LOS ANGELES, July 10. (AP)—Golf's incredible John Montague won temporary freedom from jail today on a \$10,000 bond as the State of New York demanded his extradition on a seven-year-old charge of robbery.

Film comedian Oliver Hardy offered to sign the bond for "mysterious Montague," his former house guest, but was disqualified. E. A. Raiton, Hollywood building contractor, and F. B. Calendar, friends of "Monty," guaranteed the bond.

Municipal Judge Arthur Guerin set the bond, overruling a motion by Deputy District Attorney Howard Hinshaw for bail of \$25,000. Hinshaw created a furor when he exclaimed:

"This man has been a fugitive from New York for nearly seven years, during which time he has shown signs of some affluence with no visible means of support.

"The officers in this case believe he may know something of recent robberies here."

"We are concerned only with the case and not with any charges that have not been brought and

source of his money.

Reported to be a present day "bet-a-thousand-Tony," a heavy plunger and seldom a loser in golf and horse racing bets, Montague grinned at the inquiry.

Ready To Bet

"I'd rather not answer that one," he said.

Golfing intim to celebrities of the film, sports and writing world, Montague was never known to seek a wager—or turn on down.

Asked what he intended doing about the robbery charge, he said, "I'm not interested in going to New York right now. Let's let my lawyers handle that end of the affair."

Montague, who once lifted his ponderous friend, Oliver (Babe) Hardy with one hand, laughed again when the matter of his strength was mentioned. He attributed it to "clean living."

Reminded that stories were constantly told of his capacity for liquor, he declared, "I've never been drunk in my life."

Hai Sims, the bridge expert, once told "Monty" breakfasting on a bottle of Scotch and eight gin fizzes—without becoming intoxicated.

The incident supposedly occurred during a golf tournament last winter staged by another close friend, Bing Crosby.

Mr. and Mrs. Jim Zack are leaving today for a two weeks vacation to Los Angeles, Calif.

Deep Pay In Jones Brings Lease Play

ARILENE, July 10.—Operators on the Iron Mountain Oil company No. 1 Carl Olander, deep Jones wildcat discovery 30 miles northeast of here, were lowering six-inch casing around split-five inch to cement below a leak this weekend in an attempt to bring the well to commercial production.

Lease and royalty activity skyrocketed this week after the well had indicated production of more than 5,000 barrels daily after a 3,000-gallon treatment with acid in Palo Pinto lime, at the base of the Canyon series, 3,344-50 feet, corrected depth.

Largest deal for the week was the purchase by Sinclair-Prairie Oil company of two 80-acre tracts southwest and southeast of the well. Consideration for one transaction was understood to be \$225 cash, \$100 in oil, per acre basis on a lease three-quarters mile south-

east of the discovery.

828,000 Deal

Another pending confirmation was the sale to Sinclair-Prairie by Shabben Oil company of Arlene of the north half of the southwest quarter of section 107-BB&C survey, for \$18,000 cash, \$16,000 oil.

It topped previous purchases by Daniger Oil & Refiners of Fort Worth on two 80-acre tracts for a total of \$20,000 cash, \$18,000 oil from A. V. Jones and H. R. Stansney Albany geologists who assembled the block, and Groover & Rose, Albany drilling contractors.

Shabben Oil company made location for the No. 1 C. Jensen late in the week a mile south of the discovery, 200 feet out of the north east corner of the south half of the southeast quarter of section 108.

Marsacbo Oil Exploration company of Dallas let contract for an east offset to the well to Harry Reynolds of Clisco. Iron Mountain had dug slush pits for a northeast offset on the Haterius tract in section 106.

Extensioner

In the Guitar pool at Hawley, 14 miles north of Arlene in Jones county, Sherwood R. Owens No. 2 Mrs. Wilma Gilbreth loaned as a quarter-mile south extension as it topped oil sand at 1,976 feet and began lowering six-inch casing to cement. Plugs will not be drilled before Sunday or Monday.

Location is in the northwest corner of a 49-acre lease in the north half of section 45-15-T&P, a quarter-

RED CROSS LIFE SAVING AND SWIM COURSE OPENS MONDAY

Life saving and swimming courses, offered each summer by the Howard county chapter of the Red Cross, will be started Monday at 6 p. m. in the municipal swimming pool under the direction of W. S. Morrison, chairman of the chapter's life saving committee.

Assisting Morrison will be the largest staff of instructors he has ever had in several years of operating the courses. Instructors are to be Jack Hodges, Jack Keating, Murle Creighton, George Thomas, and Thomas Joe Williamson.

As instruction in the perfection of swimming technique will be offered to those enlisting for that portion of the course. In the life saving course practical instruction will be given in breaking dangerous grips, towing victims, surface diving, and administration of artificial respiration.

Morrison urged many to take advantage of the free instruction. "It has been said that a swim a day keeps a doctor away," he said.

"Swimming is the most healthful exercise because more body muscles are used than in any other sport and helps control the bulky waistline.

"In swimming however, people should know certain safety regulations. We intend to impress these safety rules upon those who enroll for the courses."

He explained that eight hours of instruction are required for completion of the life saving course. Credit will be given by the American Red Cross for the work, either in the junior (14-17 years) or the senior (17 and above) classes.

The municipal pool management is cooperating in the offering of the course. Those wishing to enroll should be at the pool at 6 p. m. Monday.

France Calls For Help In Ban On Spain

PARIS, July 10. (AP)—France brought pressure on Germany and Italy today to get them to return to full cooperation in the all-European effort to keep the Spanish war from spreading.

She formally notified her fellow members of the 27 nations non-intervention committee she would suspend international control of her Spanish frontier Tuesday unless similar control were restored in the Portuguese-Spanish border.

This control is designed to prevent the flow of arms and men to the warring Spanish factions.

France's announcement did not mean she would open her frontiers immediately to that flow, for officials said the border would remain closed against it; but that French authorities, instead of international control officials, would maintain the barrier.

But diplomats said the French notification a direct intimation to Rome and Berlin that unless they helped restore the control cordon around Spain, on sea and on land, the would carry out previous threats to return to "normal commercial relations" with the Spanish government.

That would have an important bearing on the civil war, since the French government is friendly to the Madrid-Valencia regime and could become an important source of supply for war materials.

BRITONS COP CAMBRIDGE, Mass., July 10. (AP)—After five previous failures on American soil, the combined Oxford-Cambridge track team defeated the Harvard-Yale forces, seven first places to five, today.

The British collegians' success was due to the "doubles" registered by Cambridge's Godfrey Brown, England's current super-runner, in the quarter and half-mile races and the Oxonian Alan Pennington in the sprints.

Don Rallies To Whip Haas, 1 Up

LONGVIEW, July 10. (AP)—Trans-Mississippi title holder Don Schumacher of Dallas had an uphill battle on a wet course on the back nine to win from Cramer Haas of Monroe, La., 1 up today and go into quarterfinals of the Pinecrest invitational tournament.

He was joined by Reynolds Smith of Dallas, defending champion; Bill Sweeters, of Dallas; Iverson Martin and the Ramsel brothers of Fort Worth; Bill Clark of Longview and David Davis of Tyler.

Rain halted all matches temporarily today, but the championship flight ties were run off. Semifinals will be played Sunday, with 36 holes slated Monday.

Haas shot three straight birdies to put the Trans-Mississippi champ three down as their match opened, but Schumacher rallied, regaining two holes on the front nine, then winning the match on the eighteenth green.

Smith beat McKinnon of Gladewater, 6 and 4.

Martin, who qualifying 72, tied Bill Skeeters for medal honors, won from the Longview golfer, Hastings Moore 2 and 1.

Davis eliminated R. M. Selby of Kilgore 1 up, triumphing on the home green; Skeeters defeated Bill McMahon of Longview, 4 and 3, and Clark downed Harold Hintz of Henderson, 2 and 1.

Davis meets Martin, Schumacher is paired against Lee Ramsel; Skeeters faces Smith, and Clark meets Charles Ramsel tomorrow.

Contract On Hospital To Local Firm

Haynes and Strange, Big Spring architects, have been awarded contracts in the total amount of \$175,000 for three buildings in the sleep-moynary institution to be erected in West Texas.

The firm was one of three to share in the work. Others were and Townes and Funk of Amarillo.

W. T. Strang, Jr., member of the firm, said that the contract covered a hospital building and equipment for \$175,000, an employees quarters and equipment for \$60,000, and a store room and equipment for \$40,000.

Architects are to be called to coordinate the work.

Location of the institution is in the hands of the board of control, members of which have announced that a designation would be made within 30 days.

Big Spring is among several West Texas cities seeking location of the hospital.

APPLIES FOR RADIO

WASHINGTON, July 10. (AP)—J. F. Rogers, Harlingen, Tex., asked the Communications Commission today for permission to erect a broadcast station.

The station would operate on 1270 kilocycles, 160 watts power at night, 250 watts day, unlimited time.

Huns To Meet Yank Cuppers

BERLIN, July 10. (AP)—For the second time in three years, Germany earned the right to meet the United States in the inter-zone final of the Davis Cup competition when the combination of Baron Gottfried Von Cramm and Heinrich Henkel scored in the doubles for the third straight victory over Czechoslovakia in the final round of the European competition.

Following up their singles triumphs of yesterday, Von Cramm and Henkel whipped Ladislav Hecht and Josef Caska, 6-1, 6-1, 10-12, 6-0. Two singles matches remained to be played but have no effect on the outcome other than the final score.

The Americans, paced by red-headed Don Edge, will clash with Germany's two-man team at Wimbledon July 17-19-20. The survivor of that series will go into the challenge round against England at Wimbledon, July 24-26-27.

SEABISCUIT 1ST IN BUTLER 'CAP

NEW YORK, July 10. (AP)—Strengthening his position as leader of the handicap division, Mrs. C. S. Howard's Seabiscuit easily won the \$20,000 Butler Handicap at Empire City today for his fifth successive triumph in eight starts this year.

The four-year-old son of Hard Tack, a Whetley Stable castoff, included two mid-western campaigners, Mrs. Emil Denmark's Corinto and Finance, in his list of victims today.

Guided by John (Red) Pollard, Butte, Mont. veteran, Seabiscuit led almost from the first jump, stood off repeated challenges and then drew out in the last furlong to finish the long journey in 1:58 5/8.

Young Peoples' Conference Will Open Here On July 19th

New Church Program For This Region

100 Expected To Attend Courses At Scenic Mountain Camp

Increased popularity of the young peoples' summer conferences sponsored by the Christian church has resulted in establishment of a new conference for West Texas this year. Big Spring has been chosen as the site; and the affair will open here on Monday of next week, July 19, to continue through July 25.

Indications are that approximately 100 will register for the week's spiritual-educational-recreational affair. The local Christian church likely will have a representation of 15.

The conference will be held at the Scenic Mountain state park, and former CCC buildings there have been put in readiness to accommodate the young people. Comfortable camping facilities will be provided, a commissary operated, and arrangements will be made to meet all needs of the conferees. A nominal fee is being charged to cover all expenses.

The conference is open to all young people between the ages of 15 and 24 who are interested in the program of the church. The Big Spring location is designed to draw attendance from an area extending to Abilene and Coleman on the east, Plainview on the north and Pecos and Fort Stockton to the west and southwest.

In executive charge of the conference will be Rev. G. C. Schurman, pastor of the First Christian church of Big Spring and guiding hand in establishment of the local program. Charles Marion Ross of Fort Worth, regional director of the young peoples' conferences, will be general supervisor. He will direct recreational affairs and Rev. Schurman will be vesper speaker.

Others on the directorate include Edgar Lloyd Smith of Los Angeles, dean; Mrs. W. H. Willard, Coleman, dean of women; J. E. Pickering, Midland, dean of men; Mrs. G. C. Schurman of Big Spring and A. L. Haley, Colorado, directors of pageantry and consecration service. Others on the faculty will be Mrs. Dean Chenoweth, San Angelo; Harrell Rae, Post; Mrs. Beattie Hart, Fort Worth; Tom Lennox, Sweetwater; Miss Vida Elliott, Fort Worth, and Dr. F. M. Warren, Abilene.

A full series of courses will be offered, including the following: Life Evaluation, Teaching Children in the Local Church, Discipleship Program, Social and Recreational Life, International Relationships, Children's Work Projects, The Christian Home, Meaning of Church Membership, Stewardship, Vocational Guidance, Social Issues, Proper Use of Leisure Time, and Worship.

Provision will be made in the conference schedule for recreational activities. Visitors will have free access to the municipal swimming

DIRECTORS

These men will have charge of the Young Peoples' Summer Conference, slated at Scenic Mountain park July 19-25 for young church workers of this area. Top is Charles Marion Ross of Fort Worth, regional director of the summer conferences sponsored by the Christian church; below is Rev. G. C. Schurman, local Christian pastor, who will be local director and vesper speaker. The conference here is a new one designed to serve young people of the West Texas area centering around Big Spring.

THE SPORTS PARADE

By HANK HART

Wrey Query's resignation as manager of the Midland West Texas-New Mexico club and his surrendering of the franchise back to President Milton Price will probably mean that the other four clubs of the loop will complete the season alone.

Another loop, which began the season with six clubs but which has now been cut to four, is the Three-I loop, Bloomington, Ill., and Terre Haute, Ind., recently dropped out of the circuit, leaving Moline, Decatur and Peoria, Ill., and Clinton, Iowa, to carry on.

Lloyd Russell, the all-around star of the Baylor Bears, who was signed by Knoxville of the Southern Association following his graduation from the Waco school is cutting up for the Smokies. He's leading off and hitting around .300. The ex-Dallas boy is playing short stop for the Smokies.

And a note from another former Southwest conference star comes from the Piedmont league. Uncle Billy Disch's protegee, Norman Branch, who pitched a neat game for the University of Texas two years ago, hasn't lost in 13 starts for Norfolk. He's appeared in 17 games.

Dick Eldkiff, one time teammate of Branch, isn't doing as well as the former Steer captain but is pitching in better company. He's won eight games while dropping only four for the Little Rock Travelers of the Southern Association.

Up in Tulsa, Morris Sanda, who was better known as a footballer while attending the Austin school, has slumped at the bat for the Oilers but has managed to keep above the .300 by exactly three points.

Tracing the ex-Texas: Johnny Rizzo, Sewell Kimball, Oscar Eckhardt, Lin Storti, Chet Morgan and Frank Reiber are all in the American Association. Rizzo is a former Houston player. Kimball was with Tulsa, Eckhardt with Dallas, Storti with Buffalo, Morgan with Beaumont and Reiber with the Shippers.

FOUR ABILENE NETTERS IN QUARTER FINALS

THIS IS JOHNNY This is Johnny Nemanic of Lubbock, the rona wrestler who is half the main attraction of the main event at the Big Spring Athletic Club next Tuesday. Johnny doesn't have the reputation, however, of half-way doing anything he starts. He may not have to start against his opponent, Shiek Mar-Allah, a give-and-taker of the first rank. This appearance marks the first time the west coast boy has shown before local folks.

No Game Sunday For Cosdenites

The Cosden Oilers will be idle today for the first Sunday in more than a month. Scheduled to meet the Coahoma Bulldogs, whom they defeated last Monday, 4-1, Manager Pepper Martin contacted Co-Managers Herl Cramer and Wallace Figlar and postponed the Lubbock game due to the fact that several Big Spring players will be on their vacations.

RUTH COLLAPSES NEW YORK, July 10 (AP)—Babe Ruth, the home run king, collapsed on the sixth tee of a suburban golf course today. A physician who revived him later in the clubhouse said the baseball idol had been overcome by the heat, but that he was able to go home.

TRACK AND FIELD NOMADS MOVE INTO DALLAS FOR EXPO MEET

AUTO RACE CANCELLED SATURDAY

By FELIX R. McKNIGHT
 DALLAS, July 10 (AP)—Track and field nomads move into Texas this week for the Pan-American games, a four-day meet track experts honestly admit should be a romp for the United States.

Up from south of the Rio Grande are more than 50 South and Central American athletes, record holders in their territories but somewhat below the form shown by a great collection of Yankee stars invited here by the Greater Texas and Pan-American Exposition.

National, Olympic, and world record holders will be included in the American contingent. A dozen are on hand with the bulk expected here Tuesday from New York.

Rain slowed workouts of the Yankees and their neighbors today but three of the nation's top javelin hurlers, Bill Reitz of the University of California at Los Angeles; Bob Peoples, Oklahoma City schoolboy sensation and Alton Terry, native Texan, who finished 1-2-3 in order at the recent National A.A.U. meet, took to Southern Methodist's soggy gridiron for a few minutes of heaving.

Race Cancelled
 Promoter George Marshall announced today one feature of the vast exposition sports program, a scheduled 300-mile automobile race over the grounds inside the fair, had been cancelled. Scheduled for August 1, the race was abandoned when Marshall was unable to agree to terms demanded by some of the nation's top drivers, he said. Prizes were to have totaled \$17,500.

Pagantry will mark the opening of the games Thursday night. Postmaster General James A. Farley scheduled to officially open the four-day spectacle. Athletes from 23 nations will parade under the triumphal arch at the Cotton Bowl and stand at attention while the "Flame of Friendship," to burn throughout the meet, is lighted atop the towering Tower of Flame.

A soccer game between the crack Argentina team and the United States will feature the opening night program. Friday, preliminaries in the 60 meters, 65 meter hurdles and 200 meters will be held before another soccer contest between the Highlanders of Trenton, N. J., U.S. champions, and the Canadian team.

Old Foes Meet
 Finals in the 60 meters, shot put, pole vault, high jump, 400 meters, 65 meters hurdles, discus throw, 1,500 meters, 200 meters, javelin throw, broad jump, 800 meters and 5,000 meters will be held Saturday night. Glenn Cunningham, the Kansas mile record holder, and his home-state rival, Archie San Romani, are expected to tie up in the 1,500 meters.

A 26-mile marathon will be held Sunday night, followed by the final soccer game between the Argentina and Canadian teams.

Eligibility of Jose Ribas, Argentina distance star and chief South American threat in the marathon, had not been determined tonight. Exposition officials were not after the Argentine athletic group to sanction his entry.

Keesey And Severid To Pilot All-Stars In Clash In Houston July 11

By FELIX R. McKNIGHT
 DALLAS, July 10 (AP)—Better than 100,000 "cruststone manager" votes were checked in today and a flock of Texas league standouts named to northern and southern division teams for the second annual all-star game at Houston next Saturday night.

Atop the list with 67,804 votes was Jack Reid, an aging little man with a teasing floater that has made him the league's most effective pitcher. Only 5,000 votes behind in second position came his teammate and manager, Homer Peel, Fort Worth outfielder.

Peel, however, was closed out of the managerial spot with the northern division by a late rush of Oklahoma voting that sent Jim Keesey, Oklahoma City skipper, into the position.

Veteran Henry (Hank) Severid of Galveston was named to pilot the southern forces, which last year, in somewhat of an upset, beat the seasoned northern nine in the inaugural game at Dallas.

New Sacker
 Only one deviation was made from the actual vote of the fans, league officials and a committee of sports writers filling the southern first base post with George Binder, Galveston utility man, after a series of accidents and trades removed the outstanding contenders for the post.

Johnny Woodruff led the voting but, after resigning as Houston's manager, was shipped to the International league. Ray Fritz of Galveston placed second in the voting due to the fact he has signed with a fractured leg.

The committee voted to shift Binder from the utility position he earned in the vote, to first base and move up Mark Christman, of Beaumont, into the utility role.

Scattered voting for Christman at every infield post gave him 16,706 votes but not enough at any single position to give him an all-star berth. However, the situation at first base caused committee members to recognize the heavy poll by moving him into Binder's place.

McDowell In
 Two other positions were in doubt. Should Les Mallon, Dallas second baseman who won the northern position, decide to carry out intentions to retire from baseball, Clyde McDowell of Fort Worth would move into the place. Also, Fred Marberry, until recently a Dallas pitcher, will lose his place that will host Jack Brill, heart of Oklahoma City into the circle of seven hurlers.

The teams:
 North—Pitchers: Reid, Fort Worth; Ash Hillin, Oklahoma City; Clay Touchstone, Oklahoma City; Ed Greer, Fort Worth; Max Thomas, Tulsa; Fred Marberry, Dallas; Clyde Labitt, Tulsa. Catchers: Angelo Guilliani, Dallas and Norman McCaskill, Tulsa. First base: Lee Stebbins, Fort Worth. Second base: Mallon or McDowell. Third base: Joe Bilgere, Oklahoma City; Shortstop, Lou Brewer, Oklahoma City. Outfielders: Homer Peel, Paul Easterting, Oklahoma City and Luther Harvel, Dallas. Utility man: George Janaco, Tulsa. Manager, Keesey.

South—Pitchers: Eddie Cole, Galveston; John Grodzicki, Houston; Joe Rogalski, Beaumont; Bob Muncieff, San Antonio; Al Fisher,

Johnny Woodruff Steps Into Competition With Kansans

NEW YORK, July 10 (AP)—Headlined by Johnny Woodruff's invasion of the mile run against the event's specialty men, Glenn Cunningham and Archie San Romani the second annual world labor athlete carnival will be held tomorrow with records possible in almost every competition.

Possessed of a stride calculated close to 10 feet, the elongated Woodruff of Pittsburgh was running a 4:18 mile as a schoolboy but gave it up as a serious goal for the 800 meters which he won in the 1936 Olympics.

Forest Towns, Olympic high hurdle champion from Georgia is gunning for Allen Tolmich of Wayne University, double national A. A. U. hurdle titlist, in the 120-yard barrier race. Tolmich handed "Speed" his first defeat in two years at the Milwaukee A. A. U. meet.

Ben Johnson, New York curb exchange flyer and triple I. C. 4-A leader, wants to redeem himself against the gigantic L. Perrin Walker, Georgian representing the New York A. C. at 100 yards. It was Walker who whipped the field at Milwaukee, leading Johnson home by a foot.

Tremendous interest also centered in the pole vault with the nation's greatest pole men trying to shatter the world record. Bill Sifton, the 14 feet 11 inch performer from the University of Southern California, will face Cornelius Warmerdam, Fresno State runner-up in the nationals, and George Varoff of the San Francisco Olympic club which may see the first 15 feet pole vault ever made in competition. Varoff holds the accepted world's record of 14 feet 6 1/2 inches.

REDS VICTORIOUS OVER CARDS, 11-3

ST. LOUIS, July 10 (AP)—The Cincinnati Reds slaughtered the St. Louis Cardinals today, 11 to 3, clouting four home runs and driving Len Warneke to the showers in the fifth.

Les Scarsella, Chick Hafey, Billy Myers and Ival Goodman clouted out the home runs for the Reds. Myers' and Goodmans' coming in the fifth.

Goodman, getting two doubles in addition to his home run, led the 16 hit attack off Warneke. Jim White and Mike Ryba while every man in the Cincinnati lineup except Buck Jordan connected safely at least once.

Paul Derringer pitched steady ball, setting the Cards down with 11 scattered blows. Joe Medwick garnered two of the blows in four trips, getting a double and a single.

INDIANS, TIGERS DIVIDE TWIN BILL

DETROIT, July 10 (AP)—Cleveland and Detroit split their doubleheader today, the Indians taking the second game, 8 to 7, after the Tigers won the first, 12 to 11. The nightcap was featured by Trosky's two home runs and another by Laabs with one on.

Detroit garnered 15 base hits in the opening, including four by Laabs, but was almost defeated in the final inning when the Indians tallied four runs. Schoolboy Rowe earned credit for the win.

In the nightcap Mel Harder and Denny Galehouse divided the pitching chores for the Indians in a game that enabled the Ontonagos to climb back to an even 500 on and lost percentage.

The Tigers closed in great fashion, scoring six runs in the last three frames but did not have the punch to gain the lead.

Semi-Pro Meet Opens July 21

WACO, July 10 (AP)—Semi-pro baseballers, some big names of yesterday sprinkled around in the lineups of 20 competing teams, open their annual tournament here July 21 for an 11-day run.

A. H. Kirzner, state commissioner of the Texas semi-pro baseball congress, said the winner would receive \$1,800 and the right to represent Texas in the national tourney at Wichita, Kas., later in the summer.

The Mount Pleasant team, winners of the 1936 meet, will be back to defend their title. Strong contender for this year's honor should be the Barber's Hill Gushers, winners of last year's Houston Post tournament. Headed by Charles Barnabe, former Chicago White Sox and Texas League hurler, the Waco Dons were down in the list of favorites.

The double elimination system with two defeats required to cause the withdrawal of a team, will be used.

The economy of the 60-horsepower Ford V-8 begins on the price tag. Ford prices have always been low and the price of the Ford "60" is the lowest in years.

Check delivered prices of other cars of comparable size and you'll find a margin of many dollars in favor of the Ford "60."

Economical operation has always been a Ford fundamental too. The "60" has proved to be the most economical Ford car ever built.

Records reported by many owners show averages of 22 to 27 miles per gallon of gas.

These figures are facts, not engineers' hopes or salesmen's claims. You can prove them at any time by borrowing a "60" from the nearest Ford dealer.

Best of all, Ford "60" economy has been accomplished without any sacrifice of size, safety or style. It has the same big chassis as the famous "85" . . . with the same superb Easy-Action Safety Brakes . . . and the same husky all-steel bodies (more room inside for you, because compact V-type engines take less room under the hood).

Stop before you go to get a new car and remember: Your dollars go farther in a Ford the day you buy it and every mile you drive it!

Dick Powell Heads Cast Of Musical Film, 'The Singing Marine,' Opening At The Ritz

Newcomer, Doris Weston, Plays Opposite

Dick Powell, who has vocalized before the cameras at West Point and Annapolis, turns to the Marine barracks for his background in his latest musical comedy production, "Singing Marine," summited as the Ritz headline attraction for today and tomorrow.

It's one of those Warner Bros photoplays that includes musical interludes and chorus production to add spectacle to the story sequences. Powell has the support

of Doris Weston, a newcomer to Hollywood who has quite a reputation in New York as a singer; the old reliable, Allen Jenkins; and Hugh Herbert; Lee Dixon, the capable eccentric dancer; Addison Richards, Jane Darwell, Doc Rockwell, Veda Ann Borg and Jane Wyman.

Dick sings a half-dozen or so new songs, written by Warren and Dublin. The chorus numbers are staged by Busby Berkeley.

Success As Amateur

The story is a light affair about a young Marine in the West Coast barracks, a shy fellow who is tolerated by his fellow service men because he can sing and play the

guitar. He helps them create romantic moods for their girls, and in appreciation they pool funds to send him to New York for a try-out on an amateur radio hour. He's a big success, wins a fat contract during the furlough period.

That's too much for the youngster, and success goes to his head. He forgets his pals and the girl back home. He gets a rude shake only when he is ordered to return to duty—at Shanghai. There he has a difficult time in regaining the confidence and goodwill of his mates, and how he succeeds in doing so provides the picture's climax. Everything ends happily, with a big night club production number adding color to the happiness.

Coast Guard Dramatized In Queen Film

Victor McLaglen, Preston Foster Featured In 'Sea Devils'

Another branch of the government service, this time the U. S. Coast Guard, comes in for its share of cinematic glorification in the Queen theater's offering for Sunday and Monday, "Sea Devils."

Principals in the cast are Victor McLaglen and Preston Foster whose work together was outstanding in a former photoplay, "The Informer."

McLaglen appears as a crusty old officer, proud of his medals for valor and of his motherless daughter, played by Ida Lupino. Foster is a devil-may-care seaman whose attentions to the girl are misinterpreted by McLaglen, and whom the officer drafts aboard his own cutter to keep the young man away from the girl.

How the romance works out makes an absorbing story, but it is rivaled by the big scenes of the Coast Guard at work. The rescue of the passengers and crew from a burning vessel, the iceberg patrol off the Grand Banks, and another rescue when a large yacht is blown ashore during a hurricane emphasize the daring achievements of the service. The Coast Guard cooperated in making the picture to give realism to the scenes.

Donald Woods and Helen Flint head the supporting cast.

LOVE IN FAR-AWAY PLACES

Errol Flynn and Kay Francis in a scene from "Another Dawn," featured offering at the Lyric Monday and Tuesday which has to do with adventure and romance—triangular version—in a far-off British garrison in Arabia. Ian Hunter is the third member of the triangle.

Kay Francis Starred In Lyric Picture

With Errol Flynn And Ian Hunter In 'Another Dawn'

Going far afield in search for a picturesque setting for a movie Warner Bros., this time, chose Iraq—Arabia—as the locale. That was for "Another Dawn" which is offered at the Lyric Sunday and Monday with Kay Francis, Errol Flynn and Ian Hunter in the principal roles.

In Iraq, the producers placed a British garrison, had its members surrounded by wild natives, and offered the problem of how soldiers and their officers and wives were to be saved—if saved they might be.

Miss Francis, of course, is the lady chiefly concerned in this dangerous situation. If outside menaces were not enough, a love triangle exists within the garrison, with Flynn and Hunter as the two men who love Miss Francis. They both have a chance to save her and the garrison; and there you have movie drama.

There are mountains and deserts and a lot of fighting and some extremely daring airplane flying in "Another Dawn." Also a stirring climax when the time comes for one or the other of Miss Francis' adorers to save the garrison.

William Dieterle, the man who directed "The Story of Louis Pasteur" and "The White Angel," guided the making of "Another Dawn." The supporting cast includes Frieda Inescort, Herbert Mundin, Billy Bevan, Clyde Cook, Mary Forbes and G. P. Huntley Jr.

Singin' Sam New Addition To Ranks Of KBST Entertainers; Frank Morgan Program To Be Heard Twice Weekly

Singin' Sam of brushless shaving fame, now with a new sponsor, will be featured in a series of transcribed programs over KBST starting Monday. Sponsored by a beverage concern, the quarter-hour feature will be on the air at 12:45 p.m. each day except Saturday and Sunday. The program will be known as Refreshment Time with Singin' Sam.

Augmenting the regular Wednesday evening 7 o'clock appearance over KBST of Frank Morgan and guest artists, this program also will be heard on Friday evenings at 7:45.

The Farr Brothers, Hugh and Carl, currently featured on the Serenaders program, are now heard each Monday and Thursday morning at 9:30. Their former time was relinquished in favor of Singin' Sam.

Jonathan W. Hughes has returned to the city after a few weeks' vacation and will resume his Bible Class of the Air broadcast this afternoon at 5:30. This feature has been off the air during his absence.

As is customary on Sundays KBST presents again today a wealth of Big Spring vocal talent. Those to be heard this evening include Mr. and Mrs. Ira Powell at 5:15, Cecil Floyd's quartet at 6:30, Jeanette Barnett at 6:45, Ernest Bethell at 7 o'clock and B. T. Cardwell at 7:30.

MOORE-HARDING TEST SWABING; TO BE ACIDIZED

Great West Drilling Again After Air Flow Shut Off; Chalk Fee To Test

Moore Bros. Corp. No. 1 J. B. Harding, outpost test in the small Harding area seven miles southwest of Big Spring, swabbed barrels of oil through two and a half inch tubing Friday afternoon to take the oil spotlight of this area for the week.

Operations were halted at dark to be resumed Saturday when the test was to be swabbed to bottom of tubing, run near bottom at 2,454 feet in lime. It will be allowed to refill and then will be swabbed again, and treated with acid.

Location is 2,310 feet from the north and 330 feet from the west line of section 19-33-1s. T&P is a mile west of one of two small producers in the pool.

Other Activities

Moore Bros. No. 2 TXL, 990 feet from the north and 330 feet from the east lines of section 20-33-1s T&P, south offset to the discovery well, was drilling at 2,166 feet Eastland Oil Co. No. 1 Snyder northeast offset in section 27-30-1s, T&P, was at 2,300 feet and Iron Mountain No. 1 Clover, northwest offset in section 28-30-1s, T&P, was experiencing trouble while Magnolia was rigging up for its No. 1 Daniel, 330 feet from the north and west lines of section 34-30-1s, T&P, east offset to the discovery TXL.

Continental completed one of its two drilling shallow sand tests in section 169-29, W&NW, the Settles 36-S, for an initial production of 424.08 barrels daily. It is bottomed at 1,263 feet in sand and pay was logged from 1,228-63. A companion well, the Settles 37-S, bottomed at 1,327 feet in sand, was testing Friday afternoon.

Garza Deal

In a deal consummated during the week, Garco Oil company acquired the Blackie Caprio No. 1 Post estate, section 12-30, K. Ascock survey, Garza county, and 80 acre lease. Garco treated with 1,000 gallons of acid at 3,058 feet where the test had been plugged back from 3,607 feet where it had a hole full of sulphur water. Increases in oil and gas were noted Friday afternoon as the test was swabbed and cleaned out.

To Acidize

Continental No. 8 Eason, section 6-32-2s, T&P, was preparing to acidize with 1,000 gallons at 2,414 feet in lime where it had been plugged back from 2,428 feet to shut off bottom hole water. It showed 1,454 barrels on an earlier test.

Rigging For Botany

About a mile northeast of the Moore Bros. No. 1 Harding, the W&E Production Co. No. 1 Wilcox estate, 660 feet from the west and 2,317 feet from the north lines of section 20-33-1s, T&P, was rigging up for rotary. It may start drilling by the end of the week.

Well To Swab

Shell No. 2 Cowden, three-eighths mile north extension to the Harper pool in Ector county, flowed 79 barrels of oil in 24 hours at 4,262 feet and prepared to swab. The first oil was encountered from 4,140-50 feet. Location is in the northeast of the southeast of section 26-44-2s-T&P.

Showing at 5309-17

Bahan and others' No. 1 Shook estate in central northern Yoakum, in the northwest quarter of section 420, had a showing of oil from 5,309-17 feet in drilling to 5,321 and shut the bottom to straighten the hole and was cleaning out Magnolia No. 1 Taylor in northwestern Yoakum, in the northeast corner of section 201, had reached 4,930 in white lime.

Gas Showings

Deepest of several tests that will indicate the extent of the northern Gaines county pool just opened by Amos G. Carter and Continental No. 1 A. L. Wasson, 2 1/2 miles to the northwest in section 44-AX-pel, had gas showings at 4,170 and 4,270 in drilling to 4,436 feet in lime and anhydrite. It was running lower than the Wasson. Between the two, Carter-Continental No. 2 Sharp in section

Superior Wins

FORSAN, July 10—Superior defeated the Continental Oilers, 5-1 in a five inning practice game here Friday afternoon.

Continental No. 1 Dr. E. H. Jones

in section 22-A7-pel, nine miles west and three miles north of No. 1 Wasson, showed gas at two points in drilling to 4,838 and cemented 7-inch casing five feet off bottom. Argo No. 1 Jones in section 2-A7-pel, logged base of the salt at 3,074, and top of the Yates sand at Conoco No. 1 Jones, 4 1/2 miles south by west, and drilled ahead below 3,325 in redrock and anhydrite.

Yoakum Pool Gets A Third Paying Well

Ector And Ward Areas Extended By New Producers

SAN ANGELO, July 10.—Drilling in of the third producer in Yoakum county's Bennett pool, a three-eighths mile north extension to the Harper pool in Ector county and a one-half mile north extension to the Estes pool in Ward county were features of oil development in West Texas this week.

Logging of markers with gas shows sustained interest in Gaines county, scene of the Permian Basin's latest pool opener, which has more closely watched operations than any county at present.

In Gaines County

Wents No. 1 Dalmont in southern Gaines county, in section 5-A22-pel, was abandoned a failure at 4,889 feet after striking sulphur water, and as the result Wentz No. 1-B Dalmont, in section 7-A22-pel, which had spudded only 80 feet, also was plugged. Sloan and Blevins No. 1 Barber, southwestern Gaines wildcat in section 19-A28-pel, had slight oil stains between 4,530-50 feet but struck one barrel of sulphur, indicating failure at 4,725-38.

Well To Swab

Shell No. 2 Cowden, three-eighths mile north extension to the Harper pool in Ector county, flowed 79 barrels of oil in 24 hours at 4,262 feet and prepared to swab. The first oil was encountered from 4,140-50 feet. Location is in the northeast of the southeast of section 26-44-2s-T&P.

YOU'LL GET A BANG OUT OF THIS ONE!

DO you get a kick out of a golf ball's click when you really lean into one on the tee? Does your heart beat faster when the big fish strikes, and your singing reel almost smokes? Can a brisk breeze and a taut sail make you feel like a kid again, forgetting care in the sheer joy of action? Mister, if you're like that, what a bang you'll get out of this big Buick!

You'll go for the way it goes for you. You'll like the quick, eager spurt of its get-away, the buoyant, swayless steadiness of its travel.

You'll thrill to the businesslike manner in which it settles to the pull, its quiet, dogged competence in long, tough going.

You'll welcome the way it cradles you over the bumps, the neat, compact, handily mobile feel of it. You'll be proudly aware of its beauty, of the picture you make riding in its this-minute style.

But don't forget this major thing—it's the buy of the season, price-wise as well as on performance! It's still selling at the lowest price in all Buick history—you can still get a big Buick eight for less than some sixes would cost you.

So don't hold back. Good things, you know, can't last forever. Don't pass up a buy such as Buick is at its low prices now.

Woman Found Dead In Hotel Gains Claimed By Loyalists

Officers Seek To Identify Man In Room As Kidnap Witness

NEWARK, N. J., July 10 (AP)—The discovery of a slain woman's body in a fashionable hotel tonight sent police scurrying in an effort to identify a man found in her room as one of the witnesses in the federal trial of the kidnaping of John J. O'Connell, Jr., of Albany, N. Y., four years ago. The partly nude body of the woman, apparently about 30 years of age and whose identity could not be established immediately, was found by a chambermaid lying crosswise on a bed. The man was on the floor at the foot of the bed when the hotel employe entered the room. Deputy Police Chief John Haller said the man was suffering from alcoholism. Haller announced efforts were being made to determine whether "Albert Handel" is the Albert Handel, a resident of West New York, N. J., arrested by department of justice agents several weeks ago and removed to Binghampton. He became an "unwilling" government witness in the trial of Manning (Manny) Strelow. The woman, Assistant County Medical Examiner Carmine Bernardinelli said, apparently was slain with a heavy hand mirror. The body was covered with bruises from head to foot and there was a gash in the top of her head. Fingerprints were found on the mirror, authorities said.

Insurgent Lines Reported Broken By Surprise Attack

MADRID, July 10 (AP)—Government communiques tonight reported continued successes in the drive against insurgent lines west of Madrid and intense aerial activity without the loss of a single government airplane. The defense ministry, announcing operations in three sectors said: 1. The insurgents were "severely broken up" by a surprise attack in the vicinity of the Extremadura highway, southwest of Madrid, by which "our lines were advanced slightly." 2. All enemy counterattacks were frustrated and the line surrounding Villanueva Del Pardillo (about 14 miles west and slightly north of Madrid) were tightened up further. 3. Fighting continued northwest of the capital in the Guadarrama mountains "where our army is maneuvering." An early announcement reported the capture of the castle of Albaracin in the town of Albaracin, 119 miles east of Madrid and in the Teruel sector. Other strategic points in the town were under government artillery fire.

OFFICERS DISPLAY WEAPONS USED IN RIOT

Officers wounded in a strike at Alcoa, Tenn., site of a plant of the Aluminum Company of America, are shown displaying a few weapons that figured in the disorder that resulted in the death of two men, injury of 28, left to right: B. M. Arp, Bill Kennedy and J. F. Sharp.

Two Men Killed In Fall Off Train

SAN MARCIAL, N. M., July 10 (AP)—W. G. Gott, Santa Fe railway conductor, and his brakeman, J. B. McCallister, both of El Paso, Tex., were killed four miles north of here tonight. Deputy Sheriff M. H. Baco of Socorro county said preliminary investigation indicated the men were killed when they fell from a dump car on which they were riding on a Santa Fe work train. The men were missed by other members of the crew when the 26 car train loaded with earth and stone stopped at San Marcial bridge where repairs were being made. The bodies were found a mile back. They were sent to El Paso.

PILOT IS KILLED

CHICAGO, July 10 (AP)—Lieut. Elmer Johansen, 41, of Somerville, Mass., a naval reserve pilot, was killed today when his plane went into a spin and crashed in a corn field near suburban Glenview. His mechanic, Roy J. Hendine, 32, of suburban Northbrook, also of the naval reserve, bailed out at 1,500 feet and escaped with minor injuries.

JURY EXCUSED

STINNETT, July 10 (AP)—The jury in the quo warranto case involving legality of Borgers' last city elections was excused for the week end by Judge E. J. Pickens today, and will resume deliberations Monday. Arguments in the two and a half week old trial were concluded Friday afternoon and the case given to the jury.

good for oats, although not much acreage was devoted to that plant. Most of the oats were banded for hay. The barley crop has been estimated at a minimum of 20,000 bushels with a possibility of 35,000 bushels. Saturday 58 cars of wheat had been shipped from Big Spring.

Sheep Theft Cases Slated For Monday

BALLINGER, July 10 (AP)—The 119th district court will open a special term in Ballinger Monday morning to hear trial of four sheep theft cases against John and E. C. Ringer, West Texas ranchmen. Judge O. L. Parish called the special term last month. The first case on the docket is against John Ringer, charged with receiving and concealing some 27 sheep allegedly stolen from W. M. Stansberry, District Attorney W. A. Stroman said. Two special prosecutors — Herschel Epton of San Angelo and Weaver Baker, chief attorney for the Texas sheep and goat raisers' association—will assist the district attorney, Frank C. Dickey and Paul Petty, Ballinger attorneys, representing the defendants. John Ringer faces another charge of receiving and concealing stolen sheep. E. C. Ringer faces one similar case and another charging theft of sheep. The two were convicted in a companion trial at Sweetwater recently and assessed four years each. Previously E. C. Ringer had been acquitted of a sheep theft charge in Mason county and a case against John there had been dismissed.

MINISTER ARRESTED FOR LIVING WITH 15-YEAR-OLD GIRL

MONROE, La., July 10 (AP)—A minister was under arrest here today for living with a 15 year old farm girl and the girl's sweetheart was held for attempting to blackmail the preacher. Bond had not yet been set for them. District Attorney Frank J. Hawthorne said the Rev. George A. Dierlamm, about 55, confessed the girl had lived with him for about a year. She left his home several weeks ago. Since then, the district attorney said, Dierlamm claimed a man listed as Oscar Turnley, 28, truck driver had attempted to extort \$200 from him under a threat to expose the minister's relations with the girl. Authorities learned of the affair when the girl confided in her mother and she told her husband. The girl's father asked that charges be filed. The minister served the congressional missions in Quichita and Jackson parishes. He recently returned from a tour of New York, New Jersey and Delaware, where he appeared before several of the large congregational churches of that area.

WHEAT FIGURES

OLNEY, July 10 (AP)—The Olney chamber of commerce released figures today showing a total of 775 cars of wheat shipped from 10 loading points in the Olney area this season. About 75 per cent of the crop was estimated shipped by rail, and five per cent by truck, with 20 per cent being held on farms.

The Week (Continued from Page 6) there is now reason to believe that if the people of this city will give satisfaction on a water arrangement, Big Spring will be in the top bracket of contenders. When board of control members were here, they repeatedly told local businessmen "You don't have any vision of this thing." They had reference to the eventual magnitude of the project. There is reason to believe that the hospital will not stop with the original \$217,000 appropriation, but that in a short time it will be doubled in capacity, and eventually will be a multi-million dollar institution. The payroll likely would exceed anything Big Spring has today. One shrewd observer has seen in the hospital a key from which to work out many other important things for Big Spring. For instance, location of the hospital here would give every reason in the world for an expansion of highway facilities in every direction. At any rate, locals are not awaiting a decision on the hospital location to seek the Big Spring-Andrews highway. After talks in Austin, Jimmie Greene says that, too, looks encouraging. In fact, he says the iron is hot. No doubt about it. The Cowboy Reunion and Rodeo had the best show this year in four years of running, and it drew by far its biggest attendance—something like 28,000 in all. Thousands came here for the premier West Texas independence Day attraction, and naturally left thousands of dollars behind. But bigger than this was the matter of good will. Guests were given a top performance and treated hospitably. They'll be back. The school trustees announced last week that rigid economies appeared in the coming year. Then came the unexpected news of a \$3 increase in the scholastic apportionment, or an unlooked for potential revenue of \$9,900 for the district. Naturally, if the board is sincere in its declaration to protect the teacher salary level, then it will see that some of the increase in apportionment is applied to teachers' pay. A few of the conservatives around town are talking economies in other departments more than in teaching.

Wheat has been no small item in the county's agricultural program this year. Its harvest has shown surprisingly large yields, often times doubling expectations. On the basis of 65,000 bushels being in a week ago and bringing an average of \$1 a bushel, it is safe to estimate the wheat crop at \$75,000. At last year's price level, this is equivalent to something like 1,300 bales of cotton. And that is a pretty fair lick. A good thing is on tap at the municipal swimming pool this week—the Red Cross life saving and swimming courses. These bits of instruction are offered free in the hope of saving a life. Nowhere can the layman learn so much of water safety in so short a space of time as he can from the life saving courses. He learns to break "death" grip holds, tow victims, administer artificial respiration—and to do it effectively. The swimming courses merely perfect persons ability to get through and stay on top of the water, which is one of the primary considerations in avoiding a watery grave. People who spend much time in the out of doors, particularly around water, should avail themselves of the course.

City Joins Others In Asking Hearing On Trinity Project Dudley Foy of Wichita Falls said Saturday that he had received a telegram from Senator Morris Shepperd, quoting Gen. Markham, chairman of the board of engineers, as saying he did not see the necessity of a new hearing on the Trinity river canalization project as requested by Wichita Falls. Wichita Falls had made a bid for a rehearing to present the opposition view to the canalization proposal by interior interests. Foy declared that opponents will insist on a hearing since a hearing was granted proponents of the project. Big Spring had joined Wichita Falls in a request for the hearing. Other cities joining in the request were Dalhart, Vernon, Abilene, Midland, San Angelo, Breckenridge, Quanah, Lawton, Okla., Oklahoma City and the Oklahoma corporation commission. Others expected to join were El Paso, Sweetwater, Pampa, Brownwood, Longview, and Graham.

ONE DEAD, TWO HURT DALLAS, July 10 (AP)—Two persons seriously injured in an automobile accident near Ennis in which a truck driver was burned to death were brought here today. Physicians said condition of Miss Dorothy Furlow of Dallas, who received emergency treatment at Ennis, was critical. J. Olin Grace, also of Dallas, was given only a fair chance to recover.

RIB BROKEN HOLLYWOOD, Calif., July 10 (AP)—Film actor Errol Flynn received a broken rib today in a boxing scene of a Warner Bros. picture. Jack Roper, professional pugilist, delivered the blow. Studio physicians said Flynn will be able to return to work Monday.

DRY GOODS DEPT. BEING ADDED TO STORE AT FORSAN

FORSAN, July 10.—C. V. Wash, owner and operator of the grocery store here which bears his name, is remodeling the interior of the building, making extensive improvements and enlarging his business with addition of a dry goods department.

The new department will be stocked by the latter part of this month, he has announced. New counters are being built in the grocery department, and a \$1100 refrigerator is being installed.

Wash purchased the firm in 1935, when he came to Forsan from Brady, and since has steadily enlarged and improved the store.

With completion of the dry goods department, he will have one of the finest business houses in this community.

EXCURSION RATES TO EXPOSITION OFFERED

DALLAS, July 10.—Railroad companies throughout the South-

west have lowered their week-end fares for passengers who wish to come to the Pan American exposition in Dallas.

For a week-end excursion to the exposition, arriving at Dallas on Saturday and leaving not later than Tuesday, a round-trip ticket may be purchased for the price of a one-way coach fare. This is now in effect throughout the Southwest. Thirty-day tickets, first class, are reduced to 2 cents a mile for the round trip. Thirty day coach tickets are one and a half cents per mile.

READING AND WRITING By John Selby

"CHILDREN OF STRANGERS," by Lyle Saxon (Houghton Mifflin: \$2.50).

Some gracious sixth sense has led Lyle Saxon to keep "Children of Strangers" as simple as the people who move in its pages. To keep the form of the novel simple, that is.

Mr. Saxon is writing of Louisiana life, and specifically of the people who live today on some of Louisiana's more isolated plantations in the free mulatto country. These plantations have three, not two social strata, and of course each stratum has its variations as elsewhere.

There are the whites, represented in this case by a plantation

owner and his family. There are the negroes who work the fields and go to the African Baptist church. And between the two (and much closer to the whites in thought and action) are the Catholic mulattos. These are not descendants of slaves, but have always been free. Those in Mr. Saxon's book are in addition chiefly the descendants of one patriarch and thus bound by blood ties.

"Children of Strangers" begins more than a quarter century in the past. Fanie, whose life and sacrifice the book concerns mostly, is a free mulatto girl of 16 when the story begins. She knows she should marry her second cousin Numa, and she has no thought of doing it. She waits, and what she waits for is a white murderer who camps across the river. Fanie has no idea he is a murderer, in fact no thought at all except that she loves him and that he is white.

The white man is betrayed to the sheriff by Numa, and eventually it is Numa who marries Fanie, for her lover has been shot. But he has left Fanie a boy who

is almost white, and it is about this boy that Fanie's life re-forms in a curious but perfectly understandable way. It is for him that she sacrifices not only herself but her class, which in a tight little society such as Mr. Saxon has created is almost the most important sacrifice of all.

This story is told in a perfectly straightforward way. The writing is evocative in the extreme, with an amazing number of indelible images created without apparent effort, and with unerring taste.

MONEY RECEIVED BY COUNTY SCHOOLS

Howard county schools Saturday received \$10,134.42 in current and delinquent tax money, but most of the amount went to banks to settle obligations owed by the various districts.

The fund was divided as follows: the county superintendent's office announced: Local current, \$8,407.81; local delinquent, \$347.81; interest and sinking current, \$1,228.

Hospital Notes

Big Spring Hospital Mrs. E. W. Morgan of Tulsa, Oklahoma, who is visiting here was in the hospital for a tonsillectomy Friday morning.

R. J. Neill of Big Spring underwent an operation Friday morning.

Miss Zella Massengill of Knoxville, Tennessee, has arrived, and will succeed Miss Donka Crawford as superintendent. Miss Crawford recently tendered her resignation.

TO AUSTIN F. L. Snodgrass has been transferred by the state highway department to Austin. He and Mrs. Snodgrass plan to leave here the forepart of the week for his new post. They formerly resided in Austin before moving to Big Spring.

36; and interest and sinking delinquent, \$60.24. A large per cent of the money came from last half payments.
