## Willard Hedges Accepts Head Coach Duties at Frisco High

Coach Willard Hedges stated this week that he had accepted the position of head coach at Frisco High School near Dallas, effective in August. He will complete the present school year at Slaton High School before making the move.

He has been on the Slaton coaching staff for the past four years, starting out as junior high coach and moving up to the assistant coach berth at mid-term, the first year he was here.

Since that time he has served as line coach and head track and girls' basketball coach. During the past season his girls' team advanced to the regional play-offs before they were beaten in conference play. The girls have a record for the past three years of 20 games lost and 74 games won.

Hedges is a 1946 graduate of West Texas College where he played fullback and halfback on the varsity squad. Before his graduation he was selected team captain for two seasons.

He and his wife have one son, Nicky, who is seven years old.

## Evans Graduation Planned in Local Church on May 17

Commencement services will be conducted for graduates of both Evans Senior High and Junior Schools High May 17 in the Triumph Missionary Baptist Church in Slaton. Valedictorian for the senior class will be John D. James, a mid-term graduate of Evans High School. He is attending South Western Christian College at Terrell, Texas, at the present time.

Valedictorian for the eighth grade class will be Wanda Lee Mask, who heads a class of 15 graduates at the junior high school.

Principal speaker for the occasion will be David W. Porter, principal of Carter G. Woodson High School at Abilene. Porter took his bachelor of arts degree from Philander-Smith College at Little Rock, Arkansas; his master of arts degree from Fisk University, Nashville, Tennessee; and a master of education degree from the University of California, Berkeley, California.

He is presently a candidate for a doctor's degree from George Peabody College for Teachers in Nashville, Tennessee. He taught in Oklahoma during the period from 1936 to 1946. He was principal of Wynne, Arkansas Negro schools from 1946 to 1954 and has held his present position since that time.

Robert Hall Davis, local school board member, will give a short address during the program.

Baccalaureate services will be held Sunday, May 13, at 11 a. m. in the Mount Olive Baptist Church in Slaton. The Rev. E. W. Wyatt, pastor, will deliver the sermon. Rev. Wyatt is moderator of the New Zeal District Association.

## CONGRATULATIONS JAYCEES

(An Editorial)

Slaton takes this opportunity to congratulate the newly organized Junior Chamber of Commerce on the occasion of its Charter Banquet Friday night.

The residents and businessmen extend a hearty welcome to the visitors to our city who have come to see the organization get its charter and to aid in the installation of its officers.

The businessmen of this community are pleased and proud to join together to offer their encouragement to the Jaycees as is evidenced by the special section which appears in this issue of the paper.

The community is expecting big things of the Jaycees and know that the club will not disappoint it.

The Slatonite is honored to have been asked to have a part in bidding the organization welcome to the community and will be glad in the future to aid any other new civic organization or business in the same manner.

## Teenagers Net \$59 From Tiger Town Dance

Teenage members of Tiger Town reported a total of \$59 taken at a Western Dance held at the youth center Friday night. The dance wound up high school Western Day activities and was as one student put it "a howling success with almost more teenagers present than the building could hold."

The money will be used by the teenagers to make the last payment on the new floor which was recently added to Tiger Town. The students were making plans this week to varnish the wooden paneling inside the building. Curtains have been ordered for the build-

The Rev. Elmer Crabtree, retired Methodist minister, will preach at the Sunday morning Worship service at the First Presbyterian Church of Slaton. The church will honor the mothers in its congregation during the 11 a. m. service.

ing and according to Mrs. R. E. Ayers are expected to add much to its appearance. The curtains are pink and will be hung on wrought iron runs.

Bids for painting the corridor of the building were being taken this week as the students and their adult advisors worked toward completion of remodeling plans which were begun some weeks ago.

## Next Sessions May 29

# First Of Community Clinic Meets Held; Six More To Go

Two of the eight Community Clinic citizen's meetings, planned in Slaton under the auspices of the Chamber of Commerce, were held Wednesday at Slaton High School.

One of the sessions was conducted for 1956 seniors so that they might offer their suggestions for a better community before they graduate. The other session was held for all teachers in the community.

Chairman for the Wednesday meetings was Truett Babb. He was assisted by co-chairman, T. C. Martin and attendance chairman, Lee Ham.

## Six More Meetings

The remaining six meetings have been scheduled for May 29 in the high school auditorium at which residents from all walks of life will meet in one-hour sessions throughout the day to give their views and ideas on what can be done to make Slaton a better place in which to live.

Ralph Duncan, manager of the West Texas Chamber of Commerce Community Services Department will be on hand for direction and

guidance in conducting the meetings.

## Suggestions

All of the suggestions received in the meetings will be tabulated by the WTCC and returned to the Slaton C of C for the formulation of a work program for the Chamber to follow.

Each resident who attends a meeting will receive a card to fill out on which to list his ideas for community betterment. In this way each resident will have the opportunity to submit his ideas for use in a work program locally—with the possibility of being able someday to look at a newly completed community project and say to himself—"I thought of that and submitted it to the Community Clinic."

The housewife's session of the Clinic will be held from 10 to 11 a. m., May 29 under the direction of Don Crow, chairman; Phil Brewer, co-chairman; and Mrs. R. H. Todd Jr., attendance chairman.

The professional group will meet from 1 to 2 p. m. with Joe Teague III as chairman; the Rev.

Elmer Crabtree as co-chairman; and the Rev. H. F. Treptow as attendance chairman.

Industrial and labor groups will meet from 2 to 3 p. m. with Hobart Trimpas as chairman; Dane Shearer as co-chairman; and Lloyd Henry as attendance chairman.

Clark Self Jr. will serve as chairman for the services and trade session from 3 to 4 p. m. He will be assisted by Cecil Self, co-chairman; and Bruce Blair, attendance chairman.

## Farmers and Ranchers

Farmers and ranchers will meet from 7 to 8 p. m. under the direction of Earl Reasoner, chairman; T. L. Weaver and Nestor Kitten, co-chairmen; and Lynn Crossland, attendance chairman.

Bill Ball, chairman; and Alex Webb, co-chairman will direct the last session of the day which will be devoted to retail trade and will meet from 8 to 9 p. m.

Letters inviting participation will go out this week and will be followed by a reminder letter just prior to the Community Clinic. The Clinic is among the most ambitious undertakings in the history of the local Chamber of Commerce and the directors of the Chamber are stressing attendance.

Mrs. R. D. Bisbee, secretary-manager of the Chamber emphasized that the meeting is not only for the members of the C of C, but that it is important that everyone in this trade area make plans to attend the session in which their classification of work places them.

## Parents to Meet For Organization Of Girls' Program

A meeting of parents of teenage girls interested in the organization of a summer recreation program has been set for Monday, May 14, at 8 p. m. in the City Hall Auditorium.

"All parents who have girls in the age group of 9 through 16 are urged to attend this meeting," according to James George, president of the organization.

## New Officers

Other recently elected officers include Mrs. William T. Davis, vice president; and O. W. Ray, secretary-treasurer. Coach M. W. Kerr will be director of the program and will be assisted by some of the parents.

The organization is still in the formative stages according to Mrs. James George and needs the assistance of all interested parents. "The program will of necessity be financed through donations and anyone wishing to donate can contact any of the officers."

## Program Set Up

Under the tentative setup, as it now stands, the program would offer girls a chance to take part in any number of activities including tennis, skating, swimming, table tennis, badminton, miniature golf, basketball and softball. The girls would have the opportunity to work with a team in competitive games toward winning awards which would be presented at the

## First Baptist Church to Honor Mothers Sunday

Since Sunday, May 13, is Mother's Day, the plan at the First Baptist Church is to recognize all mothers present. Mothers who have their husbands present with them will be recognized, also those mothers who have all their living children present on that day.

Corsages, according to the pastor, the Rev. J. T. Bolding, will be presented to the following: the mother with the most generations present with her, the mother with the oldest child present, the mother with the youngest child present with her, the mother who has been a member of the First Baptist Church, Slaton, the longest and to the mother with the most relatives present.

The public is given a special invitation by the pastor and church officials to worship the Lord with them that day and join in honoring Mothers by bringing them to the special service.

"A high attendance usually marks this day and we are sure this will be no exception," the pastor said.

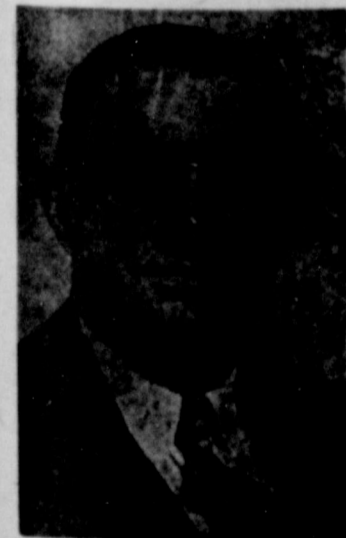

end of the program in August.

## To Begin in June

The officers of the program hope to start the program around the first of June and end it about the same time in August.

Application forms have already been distributed to eligible girls through the local schools and the estimate of the number of interested girls will be gained when the forms are turned back.

## Slaton Grocers, Employees Enrolling For Local Grocery Training Course

Clyde Bennett

Bennett is Retail Grocery Training Specialist of the University of Texas.

He is the former owner of the Bennett Food Stores in Waco. Since joining the University staff four years ago, he has directed similar training programs for grocers and their employees in many Texas cities. He has 16 years experience in the retail grocery business and has taught in public schools for a number of years.

The courses will begin each day at 6:30 p. m. and end at 9 p. m. There will be 10 hours of instruction in four sessions, and a \$2 charge for each person who enrolls.

A practical course in "Grocery Checking Procedures," will include training in better customer contacts, better mental arithmetic, standard methods and procedures, and actual grocery checking.

The training service has been made available for the local grocers through the assistance of the University of Texas in cooperation with the Texas Education Agency.

Those who wish to register can contact Phil Brewer by phoning 17 in Slaton or dropping by his place of business at 139 S. 9th st.

FOUR OF THE FIVE MEN who received service pins at the annual City Employee's Banquet are shown here with City Commissioner B. H. Bollinger, who made the presentations. Left to right, is Forrest Davis, 10-years service; Ed McKinney, 10-years service; E. D. Robison, 3 years service; Grady Elder, 15 years service; and Bollinger. Not pictured is E. A. Gentry, who recently retired after 15 years service with the city as police chief.

# Service Pins Awarded Five City Men At Annual Banquet

Service pins ranging from three to 15 years were presented to five men at the annual City Employees Banquet held Monday night at the Clubhouse. The five men and the pins they received included Ed McKinney, 10-year service pin; Grady Elder, 15-year service pin; Forrest Davis, 10-year service pin; E. D. Robison, 3-year service pin; and E. A. Gentry, 15-year service pin.

City Commissioner B. H. Bollinger presented the men with their pins and complimented them on their service to the city and com-

munity. Principal speaker for the evening was Stansell Clement, city attorney from Lamesa. He spoke to about 65 employees, wives, and special guests on "Service Above Self." "No man is greater than the service he renders, and by the same token a city is no greater than the service it renders its people."

In a talk which was sprinkled with humor he stated that a city must be mentally awake, morally strong and spiritually alert to be a success. "Slaton is known to us in Lamesa as a wide awake city,

because its employees are wide awake to serve its need."

Entertainment was provided following the banquet by the Slaton Quartet composed of Bill Baker, Bill Mosley, and Mrs. Grady Taylor, all of Slaton; and the Rev. Herb Smith, pastor of the Midway Baptist Church.

Master-of-ceremonies for the event was J. J. Maxey, city secretary, who introduced the guests and presided over the affair. Wayne Liles, city commissioner, gave the invocation and Mayor L. B. Wootton gave a short welcoming address.

## J. H. Brewer Serves as Secretary Of County Democratic Convention

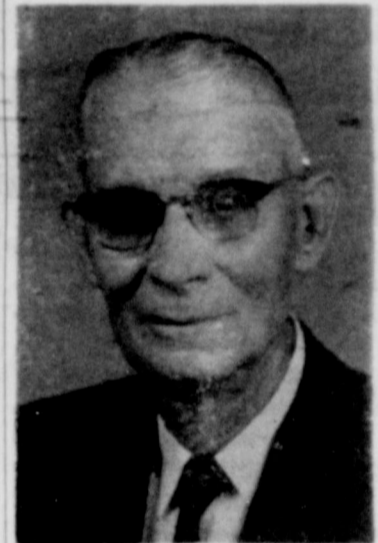

J. H. Brewer of Slaton was unanimously elected to serve as secretary of the Lubbock County Democratic precinct convention held in the courthouse in Lubbock Tuesday afternoon.

A pro-Johnson slate of 84 delegates and 29 alternates was selected to attend the state convention in Dallas on Tuesday, May 14. The delegates were instructed to vote as a unit for Lyndon Johnson as a favorite son and as Texas' chairman.

Several Slaton residents were selected to attend the state convention as delegates and alternates. They include J. H. Brewer, J. C. Smith Jr., W. B. Hestand, Charles H. Whalen, Ford Stansell, C. E. Gravel, W. W. Campbell, and B. H. Bollinger.

Claude Cravens, Slaton attorney, will attend the state Republican precinct convention in Houston May 22 as one of the delegates from Lubbock County. Cravens is one of 24 delegates named.

The Republican county convention voted to send its delegates to the state convention uninstructed.

## Final Basketball Games Planned for Graduates Friday

Prospects for another year in Slaton's basketball season will be displayed at the Slaton Gym on Friday, May 11, beginning at 6 p. m.

At that time members of next year's high school teams, both boys and girls, will play the graduating seniors of this past season's team. Also those who are graduating from junior high will play those who will make up the junior high team next year.

Admission will be 25 cents and 50 cents with all proceeds used to help defray expenses on the senior trip.

## Local Farmer Injured in Tractor Accident May 9

G. W. Jones, a local farmer, was rushed to Mercy Hospital Wednesday for treatment of crushing injuries to his chest sustained when a tractor passed over his body.

According to friends, Jones was thought to have cranked his tractor while it was in gear. When the motor caught hold the tractor moving under its own power ran over him.

According to information received from an attending physician, it is possible that a specialist will be called in for advice.

## SWIMMING POOL OPENS SATURDAY

Slaton's swimming pool will open for the first time this season Saturday, May 12, at 1:30 p. m. and will remain open until 8 p. m.

At the present the pool will be open on Saturdays and Sundays the same hours as opening day. When school is out the pool will open on a full-time schedule according to Truett Fulcher, pool manager.

## Post Master Reports Increase In Postal Receipts

Slaton's postmaster, T. C. McClanahan reported an increase of \$400 in postal receipts for the four month period in 1956 over the receipts for the same period of last year. Postal receipts at the end of April 1955 amounted to \$10,434.53.

# Jaycees Have Come To Town -- See Special Jaycee Section

**WHY THE DELAY?**

There is much interest in Slaton in the delay of the Texas Supreme Court in handing down a decision in the Texas "right to work" law. This is true because we are a "railroad" town, with over 400 families making their living with the Santa Fe. Workers here want to know the outcome as well as railroad officials.

The high court has had the case before it since May of last year. The court first said it would delay until the United States Supreme Court handed down a decision in a similar Nebraska suit, which could strike down the "right to work" law in the Lone Star state.

Then, last February 7, the Texas court vacated its previous order and announced it would decide the case which was appealed to it from an Amarillo district court. The Supreme Court was commended upon its action. But here it is the latter part of April and still no decision.

There is danger that an adverse decision in the Nebraska case might destroy the Texas law before there is a chance to appeal directly on it.

To sidestep this possibility, Texas Attorney Gen. John Ben Shepperd has asked the U. S. Supreme Court to postpone consideration until next Fall of the Nebraska case. He also has filed a "friend of the court" brief supporting the Nebraska law.

Texas and Texans cannot afford to stand by idly and see the state's "right to work" law fall by the wayside.

It is felt that the Texas case is much stronger than the Nebraska case, and could be presented much more effectively.

The Texas case involves a suit between the Gulf, Colorado and Santa Fe Railroad Company and the Independent Association of Machinists. The issue at stake is the right of a citizen to work in his chosen occupation without being forced to give allegiance or pay dues to an organization which may be furthering policies and action to which the worker is opposed.

The case was brought in an Amarillo district court by 13 of Santa Fe's employes who objected to having to join a union in order to work for the railroad. The employes won their case in district court, but the Court of Civil Appeals reversed the trial court. Thus, the appeal to the Supreme Court.

Attorney General Shepperd argues that the right to work without belonging to a union is protected by the Constitution.

"Without freedom to work our other liberties soon would disappear," he said in his brief to the U. S. court.

The unions contend the National Railway Labor Act authorizes closed shop contracts, which the state law prohibits.

Persons on both sides are interested in the final outcome of the suit. The Texas law certainly should not have to stand or fall on the basis of the fate of the Nebraska law. Rather it should stand or fall on its own merits or demerits.

Important issues are at stake. The Texas Supreme Court should reach and announce a decision as promptly as possible.

**TRICKLING ENDOWMENTS**

Demands upon private universities and hospitals are probably greater today than ever before. Enrollments are high and will continue to mount. The same can be said of hospital admissions.

Yet the number of very wealthy families, once the chief support of private colleges and hospitals, has declined. Inflation has cut into generous endowments, and education and hospital costs have skyrocketed. As a result, private educational and medical institutions are facing trouble. To survive, they may have to turn to the government for aid.

Calling attention to the situation and attempting to stimulate private support were two functions of the Ford Foundation's recent huge grant to private educational and health institutions. Yet large as this grant is, it cannot solve the financial problems of these establishments.

The right to maintain private institutions unsupported and uncontrolled by the state or national government has long been cherished by Americans. If that right is to be preserved, this grave financial danger must be met.

Stay alive at the wheel when out on the road today—so that you can be alive at home tomorrow.

**STRENGTH FOR THE WEEK**

By Rev. Jim Tomlinson  
 Exo. 3:1-2 "Now Moses kept the flock of Jethro his father-in-law, the priest of Midian; and he led the flock to the back side of the desert and came to the mountain of God, even to Horeb. And the Angel of the Lord appeared unto him in a flame of fire out of the midst of a bush."

What a blessed message we find today in the story of the first time Moses met God face to face. Moses was just like many of us; he was running. Moses ran from his conscience, from the knowledge that he was the man with the ability to lead the Hebrew People out of bondage. He had memories that haunted him, memories of the suffering of his people in Egypt. There was also the memory of a deed done in the heat of anger, the murder of an Egyptian. There were many things locked in the heart of this man as he wandered the wastelands with his father-in-law's sheep. Then one day as he was on the back side of the desert he saw an interesting sight. A fire where there was no one near. He was surely at ease here in the desert for who would expect to find God out here in the midst of all this hardship. But there is where Moses met God.

Today there are many of us who have things locked in our hearts, things we need to take to a higher power to find the solution. Yet we are ashamed of our deeds and

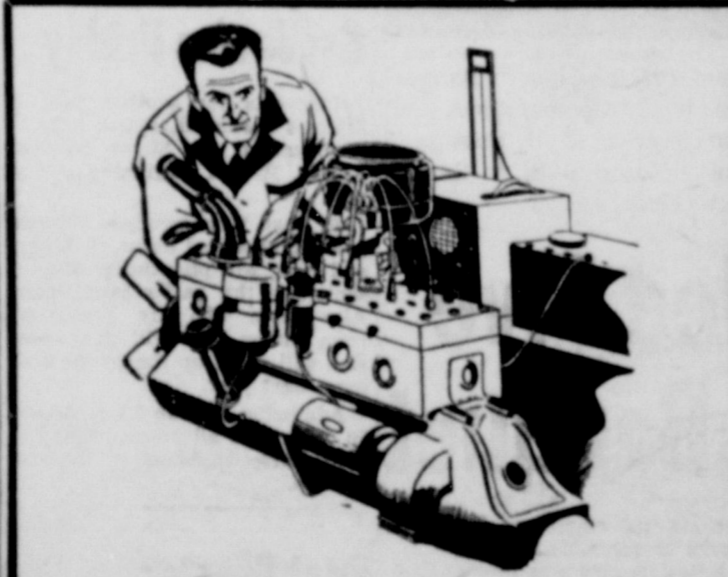

we fear to take the really bad sins to God, so we try to hide these sins and harden our hearing to the voice of God. But as Moses discovered there is no place far enough away to hide from God and just when we think we are farthest away we suddenly find ourselves face to face with God. And when we cease to run and surrender our burden to Him, we discover what a loving and forgiving Heavenly Father we really do have. Praise God for his tender, merciful spirit which seeks us when we are weak and leads us back to the forgiving love of the Lord.

**OVER 175 HORSEPOWER IN RESERVE!**

... when you're cruising at everyday speeds!

**THE ROCKET'S EXTRA MARGIN OF POWER MEANS AN EXTRA MARGIN OF SAFETY!**

**HIGH HORSEPOWER** . . . high torque . . . high compression. It takes all three to describe Oldsmobile's Rocket! But there's still another important side to the picture.

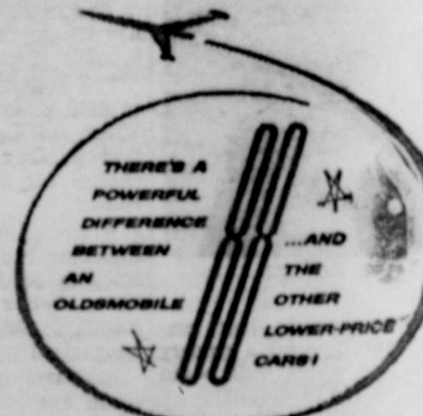

It's reserve power — in abundance! In fact, at normal cruising speeds the Rocket still has more than 175 horsepower left . . . beyond what it takes to propel the car! It's this reserve that whips you through a passing situation so quickly, so effortlessly.

That means economy, too! The Rocket just eases along, when lesser engines are

straining. You can see the result in Oldsmobile's double victory in the Mobilgas Economy Run!

The modern "big bore — short stroke" design cuts friction and power loss. The Rocket's design made high compression practical . . . and today's Rocket hits a high 9.25 to 1 compression!

Come take the wheel of a Rocket Oldsmobile. You will feel a distinct difference in performance, in riding and handling qualities . . . just as you see a glamorous difference in Oldsmobile's beauty. We'll be looking for you soon!

## Lubbock County Soil Conservation Meeting Held

Lubbock County Soil Conservation District Board of Supervisors held their regular monthly meeting May 8 prior to their special Soil Stewardship Week observance program presented to the Downtown Lions Club in Lubbock at noon. All five members of the governing body, composed of Joe S. Walker, Sr., of Slaton, George Hindman of Slide, Edwin Merrell of Shallowater, Frank Gray and John Pugh of Lubbock, were present for the meeting.

A resolution was unanimously passed to seek the cooperation and assistance of the County Commissioners, the State Highway Department, and the Santa Fe Railroad, in killing harmful Bindweeds and Johnson Grass not only on their respective property for which they are responsible, but in destroying these plants in the areas immediately joining theirs, at the expense of the private land owner. Walker stated that contacts would be made with the three agencies in an attempt to secure an agreement that would be satisfactory to all involved and accomplish the speedy eradication of such plants.

Many favorable reports were given on the group regarding participation in Soil Stewardship Week, set aside nationally for May 6-13th, 1956. Outstanding programs on TV, radio, and in churches have been prepared throughout the week, with much good publicity and information from the area newspapers and other local publications. Requests for a total of 1095 Arizona Cypress trees under the District's working with local nurserymen, "Tree Windbreak Assistance on Farms Program" were approved. Persons requesting the trees included A. A. Wuensche, W. J. Shafer, Slaton School's Agriculture Dept., Andrew Kitten, and S. W. Noble.

The group made further plans for Thursday's program for the Slaton Rotary Club, when they are to be guests of that club.

Others attending the meeting today included Mrs. Alton Strickland, business manager for the board; Ronald Bailey of Soil Conservation Service, and County Agent D. W. Sherrill.

## Evans Parents, Teachers Treat Children at Party

Members of the Evans Parent-Teacher Association recently treated about 43 four and five year olds to a "get-acquainted" party. The party was held to acquaint the pre-school age children with the Evans school program. They spent a half day at school preceding the party. Evans enrollment is expected to climb by the addition of about 31 new students in the coming year, according to M. E. Granville, principal. Ice cream and cake were served to those attending.

The Evans P-TA has chosen as its project for next year the beautification of the school grounds, Granville said. Officers of the Evans P-TA are Mrs. Rosie Washington, president; Mrs. Corrine Payne, secretary; and Mrs. Ella D. Hall, treasurer.

## Good Response Reported at First Christian Revival

Good response from members of the congregation and visitors was reported at Evangelistic services which began May 8 at the First Christian Church in Slaton. The Rev. Edwin Gorom, pastor, reported an attendance of 61 at the Tuesday night meeting.

Thursday, May 10 was designated as Women's Night at the church; Friday night is Men's Night and Sunday night is Youth Night. Services begin each night at 7:45 p. m. and children's activities will begin each night at the same time. The prayer room will be open each night at 7:30 p. m. The special services will end May 16. The Rev. and Mrs. L. C. Reece, national evangelistic team of Christian Churches are directing the revival.

Mr. and Mrs. P. A. Ming accompanied by Mrs. Minor's sister and brother-in-law, Mr. and Mrs. Elmer Hownds, of Amarillo left Sunday on a fishing trip to Arkansas. They will join the Gib Elkinnes, who are already there.

Richard Ross, son of the Rev. and Mrs. Bryan Ross, underwent a tonsillectomy in Mercy Hospital Tuesday morning.

Mrs. M. E. Granville, Mrs. I. W. Greer and Loyd Green gave a picnic for their pupils at Buffalo Lake last Saturday morning.

Mrs. R. A. Thompson attended the 6th Annual Hair Fashion Clinic at the Lubbock Hotel in Lubbock Sunday. This clinic was given by Unit 26 of the TAABC.

## Value of Products Sold in Lubbock County Reported

The value of products sold in 1954 by operators of 2,091 farms in Lubbock County was \$40,862,562, according to a preliminary report of the 1954 Census of Agriculture published by the Bureau of Census, U. S. Department of Commerce.

The value of all crops sold was \$47,144,843 and included \$47,044,781 for field crops, \$30,809 for vegetables, \$553 for fruits and nuts, and \$98,700 for horticultural specialties.

The value of all livestock and livestock products sold was \$1,717,659 and included \$255,424 for dairy products, \$399,224 for poultry and poultry products.

Information on the value of farm products sold is presented for each county in a preliminary State report, copies of which may be purchased from the Bureau of the Census, Washington 25, D. C., at 10 cents each.

## A NEIGHBORHOOD'S PROBLEM

We in the United States tend to take Canada pretty much for granted. The friendliness between the two countries, which has grown for more than a century, tends to justify that attitude. Yet, as between any two friends, certain misunderstandings arise which cannot be overlooked.

For instance, at the present time, Canadians are giving serious thought to the United States Continental Air Defense Program. Specifically, as a dispatch from Ottawa recently pointed out, they are trying to decide "whether Canada wants to pay the full price of complete sovereignty or admit many more Americans into the country to man the defenses."

Americans might be able to understand these misgivings by thinking of the situation in reverse. What would our attitude be toward Canadian interceptor aircraft over our territory, Canadian missile stations, using atomic weapons which would be going off over our heads, substantial numbers of Canadian troops in our midst? Under these conditions, we might be giving some thought to keeping our sovereignty intact.

It must be said that we Americans are bearing the full expense, a costly one, of maintaining this air defense system, which is of definite value to Canadian security. Despite this fact, however, the misgivings of the Canadian are understandable, particularly to a people as proud of their independence as we are.

The problem is certain to be resolved by Canada for mutual benefit of the two countries. However, its existence points up the necessity of paying increased attention to Canadian-American relations. In our efforts to win friends elsewhere in the world, we sometimes forget that Canada is something more than an attractive resort area. It's a nation of patriots whose feelings we must respect.

Mr. and Mrs. Ray Gilmore and children of Post visited Sunday with Mr. and Mrs. R. A. Thompson.

Mr. and Mrs. F. D. Bostick and Elizabeth attended the Panhandle Chinchilla Club meeting in Childress last Sunday.

Mary Frances Browning, daughter of Mr. and Mrs. Vasker Browning, has been confined to her home with the measles.

A successful life depends on a working inventory of ideas.

## Slaton Man Escapes Injury In Truck Wreck

A Slaton man, Herman Langley, escaped injury last week when the semi-trailer truck he was driving overturned about three miles below Post on the Snyder highway. Langley was on his way to Robert Lee with a load of feed from Ray C. Ayers and Son Inc. of Slaton.

The accident occurred when he attempted to avoid a collision with a car which had stopped on the highway in front of him. He was taken to a Post hospital for observation where it was discovered that he was uninjured and was released later the same day.

According to Robert Hall Davis at the feed company, Langley suddenly came up on the car as his truck topped a rise in the highway. The auto had stopped at the scene of an accident which had occurred earlier in the day. The car and on-coming traffic made it impossible for him to avoid a collision and rather than allow this to happen he chose to wreck his own vehicle.

## Mother's Day Observance Set At Local Church

Mother's Day will be observed in Westview Baptist Church Sunday with two special recognition services.

Corsages will be given to the eldest mother, the youngest mother, and the mother with the largest number of children in Sunday School, Sunday morning.

The Rev. Bryan Ross, pastor of the church, will bring a special Mother's Day message.

In conjunction with Christian Home Week, May 6 to 13, all babies born since May 13, 1955, will be recognized along with their parents. Rev. Ross states that parents of these children should bring them to the auditorium immediately after Sunday School so they might be recognized. Following the recognition, the children will be returned to the nursery.

Mrs. D. P. Bland of Stanton visited from Sunday until Tuesday with her sister, Mrs. Woodrow Bland, and family.

Mr. and Mrs. Sumpter Westerman and family of Morton visited Sunday with Mr. Westerman's father, Lee Westerman.

Guests in the home of Mr. and Mrs. A. C. Burk and son, Larry, last Sunday were Mr. and Mrs. Eugene Brian. The Brians were en route to Pensacola, Florida, where Mr. Brian is stationed.

## Softball League Has Seven Team Organization

Church League softball was underway in the community this week with the organization of a seven team league and the completion of a schedule for the season. The teams which will play have each been assigned a number on the schedule which they will go by.

**Teams and Numbers**  
The teams and their numbers include First Christian Church, 1; First Methodist Church, 2; St. Joseph's Catholic Church, 3; Ministerial Alliance, 4; Grace Lutheran Church, 5; Southland churches, 6; and Church of the Nazarene, 7.

The games will be played at the Southland Ball Park near the Southland School. Double headers will be played on each date and the first game each day will begin at 8 p. m.

**Scheduled by Number**  
The teams are listed on the schedule by number. For example should the schedule read 3 vs. 4, then St. Joseph's Catholic Church will play the Ministerial Alliance at that time. When a team is matched against the number 8 on the schedule, that team has an open date.

**Dates Follow**  
The teams and the date of their games are as follows:

May 11-5 vs. 7, and 6 vs. 8; May 14-3 vs. 5, and 7 vs. 1; May 15-4 vs. 6, and 8 vs. 2; May 17-7 vs. 3, and 1 vs. 5; May 18-2 vs. 6, and 8 vs. 4; May 21-8 vs. 1, and 7 vs. 2; May 22-6 vs. 3, and 5 vs. 4; May 24-1 vs. 4, and 2 vs. 5; May 25-3 vs. 8, and 7 vs. 4; May 28-7 vs. 6, and 2 vs. 3; May 29-5 vs. 8, and 1 vs. 6; May 31-4 vs. 3, and 2 vs. 1; June 1-8 vs. 7, and 6 vs. 5; June 4-4 vs. 2, and 3 vs. 1; June 5-8 vs. 6, and 7 vs. 5; June 7-1 vs. 7, and 5 vs. 3; June 8-2 vs. 8, and 6 vs. 4; June 11-5 vs. 1, and 3 vs. 7; June 12-4 vs. 8, and 6 vs. 2; June 14-2 vs. 7, and 1 vs. 8; June 15-4 vs. 5, and 3 vs. 6; June 18-5 vs. 2, and 4 vs. 1; June 19-4 vs. 7, and 8 vs. 3; June 21-3 vs. 2, and 6 vs. 7; June 22-6 vs. 1, and 8 vs. 5.

On June 23 two teams composed of the players taken from all seven teams will play in an all star game. The two teams which will play will be called the Blues and the Grays.

## Slaton Receives Small Shower Monday Evening

Slaton received only a shower Monday night in spite of the threatening look of clouds and high winds which swept through the area.

Just before 8:30 Monday a huge cloud began to roll up over the town from the west, but in spite of heavy thunder and lightning, most of the moisture was received elsewhere.

Norbert Kitten, an area farmer, seemed to have about the average rainfall, which was measured at .10 inches.

Second Lt. Elroy Simmacher and Mrs. Simmacher visited Mr. and Mrs. S. H. Verkamp and family last week end. They were enroute to an air base in Tucson, Ariz. from Lackland Air Force Base in San Antonio, where Lt. Simmacher will report to primary flight school. Mrs. Simmacher is the former Patricia Ann Verkamp.

THE JUNIOR CLASS FIRST PLACE winning float passes in review in the Western Day parade Friday, May 5. The float was one of several depicting Western Days entered in the parade.

## Junior's Float Places First In SHS Western Day Parade

The float entered by the Junior Class took first place, and the \$15 prize which went with it, in a parade Friday morning held in conjunction with Western Day activities at Slaton High School. The float, depicting a round-up, fea-

tured a mock branding, a ranch cook, and various cowboys and cowgirls portraying the parts of ranch hands.

**Sophomores Second**  
The \$10 second prize was copped by the sophomore class with a huge crape paper-covered state of Texas complete with a couple of armed guards riding shotgun on the front of it. Third prize of \$5 went to the freshman class, who planned and constructed their float around the king and queen of the Western Day. King Russell Cummings and Betty Haliburton were chosen from the freshman class to reign over the one-day celebration.

The parade started at the high school at 10:30 a. m. and wound its way through town, around the square, and back out to the school. Leading the parade were members of the Tiger Band giving a good account of themselves musically. Slaton's good-will ambassadors on horseback, the Slaton Rangers, followed the band.

**Best Decorated Car**  
Best decorated car in the parade was driven by Hugh Van Pierce, who received a prize of \$5. Billy Earl Caldwell took a \$2.50 prize for entering the best decorated bicycle.

Big event of the day took place when the cowboys and cowgirls gathered at the high school for a barbecue lunch. In anticipation of big appetites 350 pounds of meat and about 20 gallons of beans were ordered, not to mention all the trimmings which go with barbecue.

"I know its unusual, but we had a little bit of everything left over after the meal—even ice cream," student council sponsor John Gilbert related. "Even though we had some food left I'm sure the day was a confirmed success with the student body and we'll probably want to do it again."

**Assembly Program**  
In the assembly program of the day which followed the lunch, prizes for parade winners and other contest entries were awarded. Alton Brookshire took a \$5 award for growing the best beard for the celebration. Helen Ann Norris and Lanny Swanner each received \$5 as best dressed boy and girl. Mrs. M. W. Kerr and William Johnson took the awards for best dressed faculty members.

The celebration was sponsored by the Slaton High School Student Council and the class officers. Billy Earl Caldwell, president of the council, presented the awards in the assembly.

J. B. Smith left Sunday to go to Temple where he will go through the clinic.

## James Cole Named Valedictorian at Slaton Junior High

James Cole, son of Mr. and Mrs. J. A. Cole, will deliver the Valedictory address at Slaton Junior High Commencement exercises May 18, at 8 p. m. Final arrangements for the site for commencement had not been completed at the time of this writing and will be announced through the school, according to J. D. Perkins, principal.

June Johnson, daughter of Mr. and Mrs. Melvin Johnson, is Salutatorian for the eighth grade class.

Members of the eighth grade class will present a program and P. L. Vardy Jr., superintendent of schools, will make a short talk to the graduating class. The junior high choral group, under the direction of Mrs. M. G. Davis will also present several musical numbers.

Principal Perkins will hand out the diplomas to the class and will also present certificates for perfect attendance to several students.

## Slaton Man Loses Leg in Conveyor Belt Accident

Emmett Moore, 38-year-old Slaton man, was reported to be resting well and out of danger from injuries suffered when he lost his leg in an accident at a local gravel company Friday night.

Moore slipped while working near a moving conveyor belt and his leg was pulled into the belt which badly mangled it.

He was rushed to Mercy Hospital where doctors, who had already been notified, were waiting to take care of him. Though still in the local hospital, he was reported to be resting fairly easily.

## Clark Self Jr. Named to Head Slaton Lions Club

Clark Self Jr. was elected president of the Slaton Lions Club at the annual election of officers Tuesday at the Clubhouse. Self and the other new officers will take office at the first meeting in June.

J. S. Edwards Jr. will serve as first vice president; second vice president will be Elbert Wilson; and third vice president will be W. A. Baker.

Other officers include secretary-treasurer, L. B. Hagerman; Tail Twister, Charley Marriott; Lion Tamer, Howard Stribling; and directors, Dr. Glen B. Payne, and J. Floyd Jordan. The two directors will serve two-year terms, and the officers will serve for one-year terms. Hold-over directors include Don Crow and R. H. Thompson.

Mrs. C. L. Pack left Saturday night to go to Houston to be with her brother, Jack Rettig, who is reported to be critically ill.

Mr. and Mrs. Charlie Walton and family spent the week end fishing on Oak Creek Lake near Blackwell.

Be sure of a stand of small grain...  
KILL ALL SPECIES OF  
WIREWORM WITH A SINGLE

# dieldrin

seed treatment

NEWLY SEEDING FIELDS make good feeding grounds for true and false wireworms and other soil insects. If there is not enough moisture in the soil to permit quick sprouting, seeds are vulnerable to insect attack for several days. But the threat of wireworm damage should be recognized at all times.

A dieldrin preventive seed treatment is a sure way to protect small grain seeds until they sprout.

### LOW-COST PROTECTION

It costs just pennies per acre to treat seed with dieldrin, but dollars per acre to feed the wireworms untreated seed! A dieldrin seed treatment prevents "spotty" stands... eliminates the expense of time and money for re-planting or sowing extra seed for the wireworms to feed on... assures you of a longer

grazing period. And dieldrin does not harm plant development.

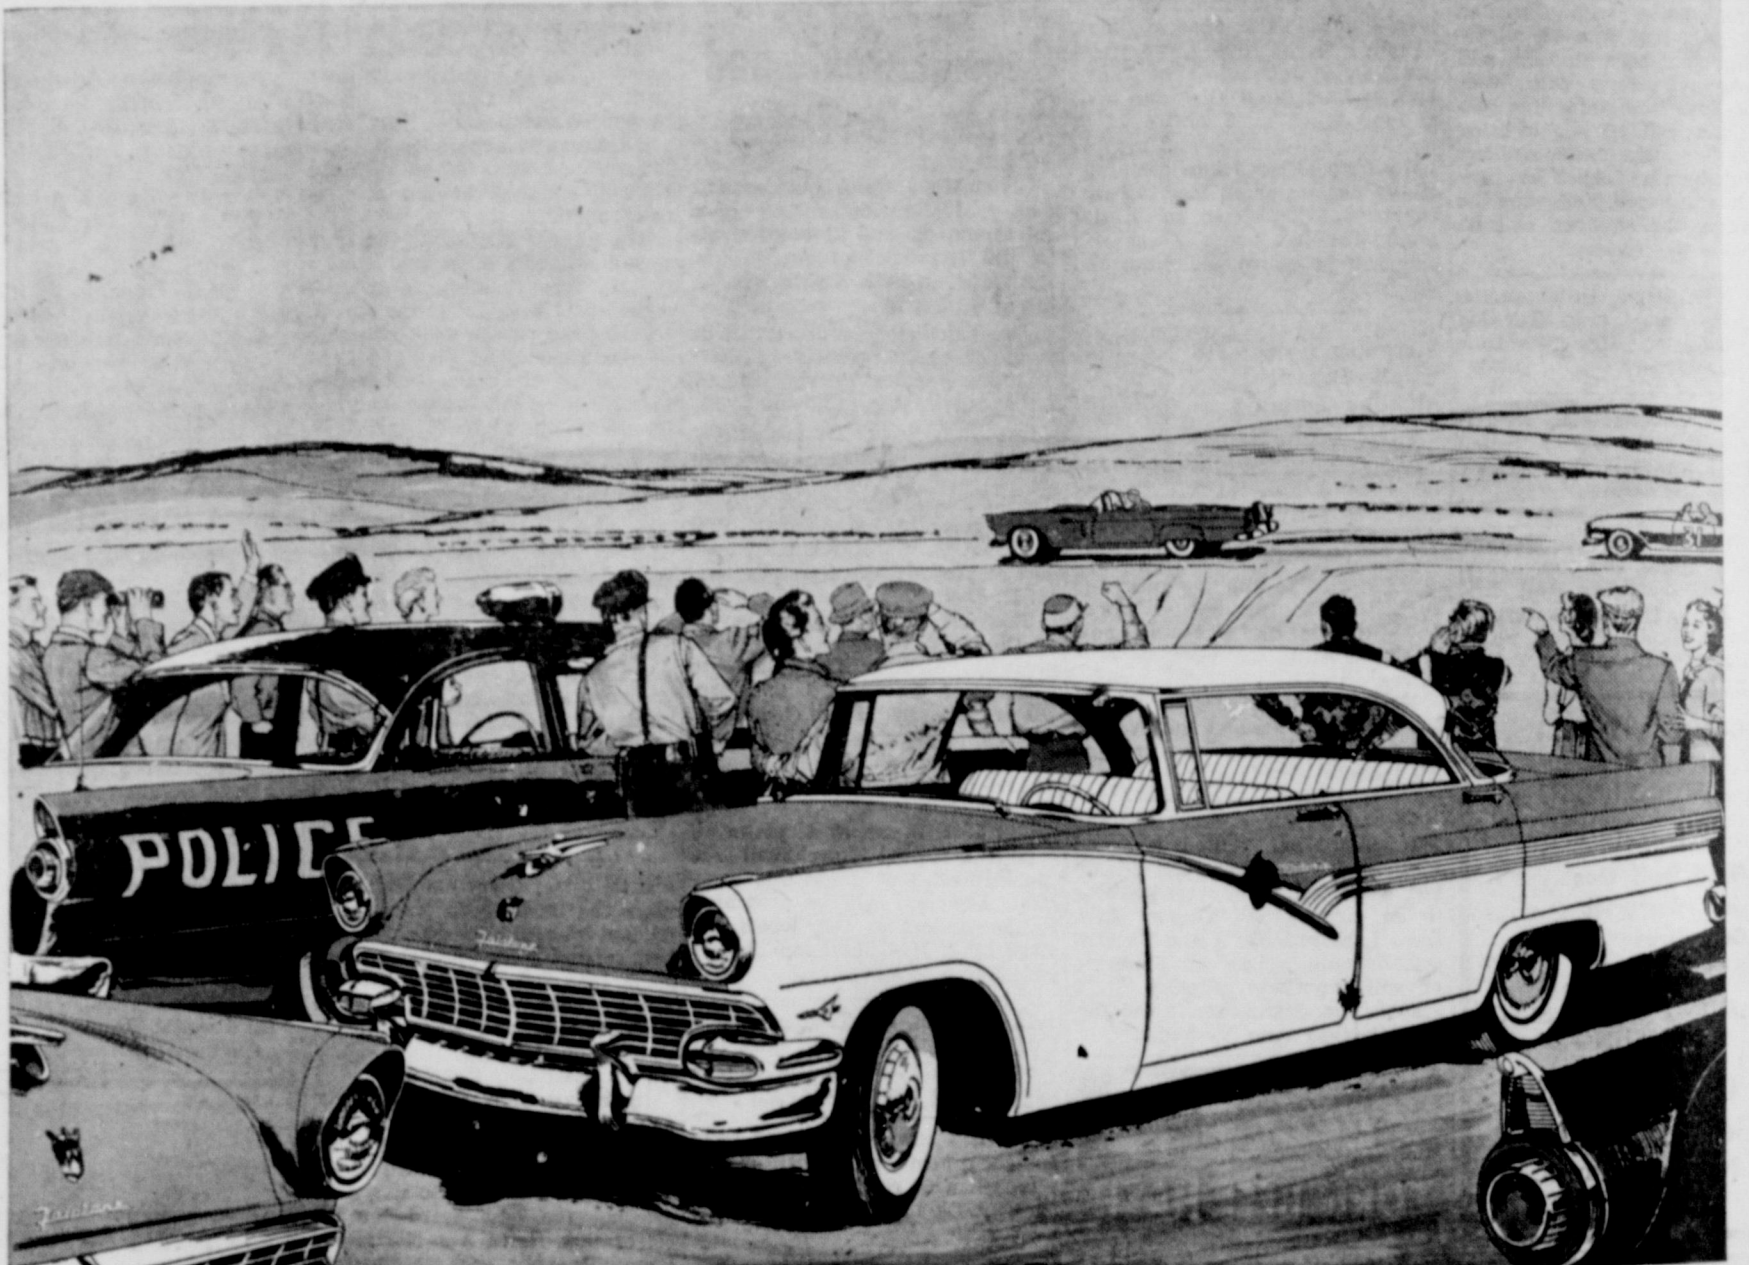

### COMPATIBLE WITH FUNGICIDES

Dieldrin is compatible with fungicides... it can be applied at the same time to save the expense and work of a double treatment. You can buy dieldrin-treated seed from your seed dealer, or treat the seed yourself. Dieldrin can be applied as a slurry, dry, or in a grain drill. A convenient method is to apply dieldrin to the seed in the grain drill as you plant. Follow directions on the label for the particular formulation you buy.

### LESS WORK AT PLANTING TIME

Seed can be treated now and stored until planting time. Dieldrin eliminates the need of treating seed and planting within a few days. Dieldrin formulations are available throughout the small grain growing area. See your local supplier.

## S. W. Conference Meeting to Have Radio Coverage

A radio broadcast of prime concern to every former student, friend and fan of Texas Technological College has been scheduled by KFYO, Lubbock radio station, at 11 a. m. Saturday, May 12.

A direct broadcast from the scene of the meeting of the Southwest Conference Faculty Representatives, announcing conference action on Texas Tech's application for admittance, will begin at 11 o'clock that morning.

KFYO will broadcast continuously from the campus of the University of Arkansas in Fayetteville, where the spring meeting of the conference representatives will be held, until the decision is made public.

Speculation has run high in West Texas that Tech's efforts to obtain membership in the Southwest Conference may be successful at

this meeting, a goal supporters of the big West Texas college have sought for several years.

Jack Dale, sportscaster for KFYO, and who has carried the heavy load of sports coverage for the Lubbock station for three years, heads the team of sports and news staff members who will be in Fayetteville to broadcast complete coverage of the conference's action on Tech's membership application.

Much of KFYO's broadcast day Saturday, May 12, will be devoted to coverage of the conference meeting and other related information about Texas Tech. The full efforts

of the station's program, news and engineering departments will be brought into use in providing complete coverage of what could possibly be one of the greatest events in the history of young Texas Tech.

## Trinkets and Sidelights FROM YOUR State CAPITOL

By Vera Sanford  
Texas Press Association

AUSTIN—If you have a bit of imagination, you can see a huge "help wanted" sign hanging over the capitol dome.

Some mighty important jobs are to be filled. Salaries range up to \$25,000 a year. And some of the jobs are as yet unclaimed.

Top job of course is that of Governor. It is a two year job paying \$25,000 a year. The incumbent, Allan Shivers, has announced his resignation.

Next highest in the pay bracket is that of Attorney General. There is a vacancy there too. John Ben Shepperd also is resigning Jan. 1. The pay is \$20,000 a year and it is a two-year job.

There are four good jobs at \$17,500 a year. These positions include: Land Commissioner, Comptroller, Treasurer, and Railroad Commissioner. Here the incumbents, J. Earl Rudder, R. S. Calvert, Jesse James and W. O. Murray, have either little or no opposition. Just ask for it and the job is theirs. They are in like Flynn, unless other job applications arrive before the May 7 deadline.

There are several \$15,000 jobs available, such as Agriculture Commissioner, three places on the Supreme Court, and one on the Court of Criminal Appeals. The Agriculture Commissioner's job is another two-year contract, but the court jobs are for six years.

Ag Commissioner John White hasn't said whether or not he wants to be re-hired, but most of the Justices have. Re-applying are R. W. Calvert and Meade Griffin on the Supreme Court, and W. A. Morrison on the Court of Criminal Appeals.

Not an applicant for re-hiring is Supreme Court Judge Will Wilson. He has filed for John Ben Shepperd's job, as attorney general. It pays \$5,000 more a year.

Then there are nine places on the Court of Civil Appeals, each paying \$12,000 a year. Most of these incumbents are seeking a renewal of their contracts.

Jobs of 15 State Senators expire too, along with 150 House Members. These are just part time jobs paying \$25 a day for 120 days, normally only every other year. The

Senate job lasts four years, however, to the House's two.

Along with the House and Senate jobs is that of Lt. Governor. His salary is the same as the legislators'. Ben Ramsey who now holds the position says he likes the work and would like to be re-hired.

Because most of these jobs pay well and carry with them honor and recognition, there is a penalty attached. You have to pay to apply, and the application fee is in proportion to the salary. Unfortunately you don't get a refund if you aren't selected for the job. This discourages a lot of applicants.

Those filing for the Governor's job pay an application fee of \$1,250; for Attorney General, \$1,000; Land Commissioner, Comptroller, Treasurer, Railroad Commissioner, \$875; Agriculture Commissioner \$750—and the same for Judges of the Supreme Court and the Court of Criminal Appeals. Civil Appeals Court Judges pay a fee of \$600, as does the Lt. Governor.

Applicants for House and Senate jobs pay \$1 to \$100 per county, the amount being determined locally.

There are several other jobs of a similar nature opening soon—such as that of Congressman-at-Large. The application fee for this post is \$1,125. Martin Dies has the position now. Incidentally, it is the highest paying job next to the Governor's. Salary is \$22,500 a year with a two-year contract.

Texas has 21 Congressional job openings coming up too. Salaries are the same as Congressman-at-Large, but the application fee is less. It varies with each area. These are two-year jobs.

Another job opening possibility is that of U. S. Senator from Texas. Here there are some "ifs" attached. If Price Daniel resigns—and maybe Lyndon Johnson too. Both are campaigning now for other openings—Daniel for Governor and Johnson for President. U. S. Senators draw \$22,500 a year for six years; filing fee, \$1,125.

State Senators and Representatives and applicants for the U. S. Congressmen file in each county in their respective districts.

These jobs differ radically from labor and industry posts in that the job holder must apply again and again if he wants to keep the job indefinitely. And he must compete with all comers. Of course the application fee is just the beginning of the expense of getting the job. Also there are more bosses than employees, because the public, after all, has not only the first

## Ground Broken For Hobb's Trailer Branch

Ground was broken Friday, May 4 for Hobb's Trailers' new \$300,000 factory-service branch, to be built on a 22-acre plot of land at 5800 Ave. A in Lubbock.

The new structure will cover more than 23,000 square feet and is expected to be completed before September 1 at a total cost of more than \$300,000.

Present shop employee force of 15 will be virtually tripled, according to Wayne Sullivan, manager of Hobb's present Lubbock facilities. The building will be of steel and masonry, and will have parking space around it for more than 100 truck-trailers.

Eleven overhead doors in the south wall of the service area will be tall enough to accommodate the highest legal trailer on the highways today.

Mr. and Mrs. Arthur Dennis spent several days last week fishing at Diversion Lake near Wichita Falls. They also visited with Mr. and Mrs. J. N. Colston, who are former residents of Slaton.

Mr. and Mrs. Thomas L. Hodges and daughter, Sherie, of Altus, Okla. visited last week end with Mrs. Hodges' parents, Mr. and Mrs. Curtis Dowell, and Paulette. Mrs. Hodges and Sherie remained the rest of the week and Mrs. Dowell and Mrs. Willard Childers and daughter, Laura Kate, took them home on Saturday.

Douglas Hampton of Carlsbad, N. Mex. spent the week end visiting his parents, Mr. and Mrs. J. S. Hampton.

However, the pay is good, and there is a guaranteed annual wage. Personnel will be selected in July, August and November—with the public making the selection.

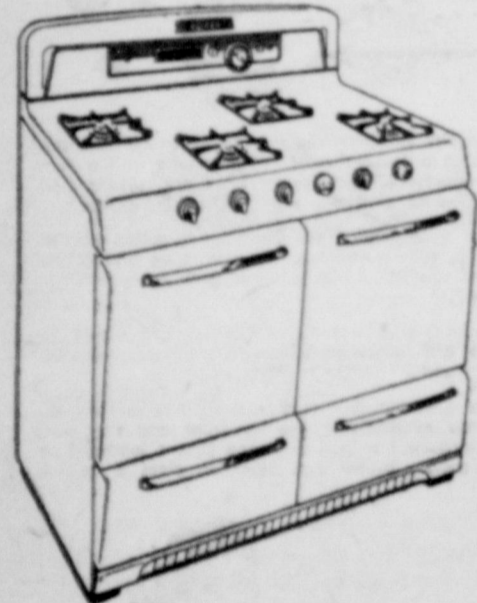

**Poll Taxes Increase**  
Texas potential voting strength hit an all-time high this year. According to the state comptroller the 1956 total ran 2,410,183. Previous record was 2,338,261 in 1952.

**Bar Proposes Reforms**  
Three measures, aimed principally at limiting activities of lawyers in the legislature, are proposed by the State Bar of Texas: (1) Raising legislators' pay to \$50 a day for a 120-day session; (2) Prohibiting any legislator or candidate from appearing before any state agency; (3) Abolition of the automatic continuance of law suits for which legislators are employed as counsel.

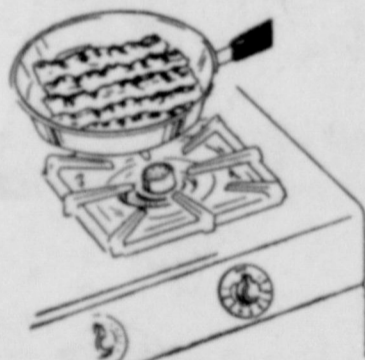

**Credit Insurance Rates Lowered**  
Texas credit insurance purchasers stand to save more than two million dollars a year as a result of rate changes made by the Insurance Commission. Rates were reduced approximately 10 per cent by the Commission.

## Bentley Page Writes About India Visitor

(EDITOR'S NOTE: The story which follows was written by Bentley Page Jr., son of Mr. and Mrs. Bentley H. Page of Slaton. The story, we think, is an excellent example of a "birds-eye" view at a foreign country as seen through the eyes of one of our younger citizens.

Recently I had the pleasure of a visit with a Mr. C. R. Das of Delhi, India. Mr. Das is visiting this country to study our methods and processes used in the manufacturing of cotton seed products.

Mr. Das is a very interesting man to talk to and he is highly educated. One of the things that he told me that make me proud that I am an American was that only 35% of the children in India get an education. The 65% that fails have to farm and do the manual labor in the country.

India has a population of some 400 million people as compared to our own 160 million. Sometimes the temperature often rises to 110 degrees in the summer months. And one place in India has over 500 inches of rainfall per season.

There are still lots of giant cobras in India. However few people are bitten by them. Mr. Das was born in India and raised in a walled city. The first time he saw a cobra was when he went with some other boys to the temple to worship.

It was the custom to pick flowers. He had started to pick a flower when he saw the cobra. He simply closed his eyes and prayed, and after a while he opened his eyes and the cobra was gone.

Mrs. J. E. Farley will spend this week end visiting her son, C. A. Farley, and family in Merkel.

Mr. and Mrs. Luther Faulkner Jr. and children of Lubbock visited Sunday with Mr. and Mrs. Luther Faulkner Sr.

BENTLEY PAGE JR., stands with his friend from Delhi, India, Mr. C. R. Das. Das on the left is visiting this country to study "our methods and process used in manufacturing of cotton seed products."

Guests in the home of Mr. and Mrs. A. H. Grigsby last Sunday were Mr. and Mrs. Homer Ellison and daughter, Gayle, of Ralls, their son, Lindie, who attends ACC in Abilene and Miss Lutha Beck of Lubbock. Mrs. Ellison is Mrs. Grigsby's sister.

Mr. and Mrs. John Fondy Jr. and children spent Sunday in Big Spring visiting Mrs. Fondy's uncle, P. Y. Tate, and family. The Tate's daughter-in-law, Mrs. Athor Tate, and daughter, Rhonda Ray, of Andrews were also visiting there.

## New Car Dealer Gets Highway Safety Award

Doe Crow Chevrolet has been presented a Highway Safety Award for contributing to traffic safety by the Texas Automotive Dealers Association, the State organization of factory authorized new car dealers. The award is in recognition of the company's lending an automobile for driver training, in both Slaton and Roosevelt high schools.

Nearly 300 members of the Texas dealers association have loaned cars to schools in their community, where "behind the wheel" instruction is given in high school driver training. Many of these cars are equipped with dual controls so the instructor can take control of the car at any time it becomes necessary.

Several hundred additional schools have courses in the theory of driving, but due to the lack of qualified instructors for "behind the wheel" training, these schools limit their courses to class room only.

In addition to specially equipped driver training cars, many members of the Association, according to Tom J. Crooks, Manager, loaned pick-up trucks to 4-H and F. F. A. groups to acquaint students with the type vehicles they will use on the farm and to further the farming programs of the schools.

Week end guests in the home of Mr. and Mrs. Ernest Kercheval and Beverly were Dr. and Mrs. M. L. Stanphill of Denison. Sunday guests were Benny Stanphill of San Benito, Mr. and Mrs. Tom Stanphill of Sherman and Mr. and Mrs. Fred Ricketts of Lubbock. Dr. Stanphill is Mrs. Kercheval's father.

Ben Bowen of Texon visited last week with his daughter and son-in-law, Mr. and Mrs. J. E. Gray.

Buick SPECIAL  
6-Passenger 2-Door Riviera,  
Model 46K

## It's Bigger than Both of 'em

-but its price makes it one of  
America's 3 best sellers!

It's as simple as this:

Only two cars in all creation outsell Buick. And they are two of the well-known smaller cars.

So maybe it will pay you to ask how come Buick has zoomed to the No. 3 spot with such fast-selling company.

Well, one answer is the beautiful and brawny Buick SPECIAL you see pictured here - and the low price it carries.

It's the biggest bundle of high-powered performance and high-fashion luxury ever offered in Buick's lowest-priced Series.

And that means more people want it and can afford it, because it's priced only a few dollars more than its two smaller-car rivals—even less than some models of those very same cars.

But the big answer comes from a sure fact more folks have discovered; you get more pure automobile for your money in Buick than you get elsewhere.

Here, you get the extra wallop of big new Buick power

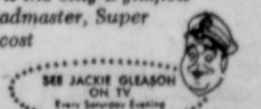

raised to a new high—and pouring in smooth whisper from a brand-new 322-cubic-inch V8 engine of true high compression.

Here, you get the matchless buoyancy of Buick's great new ride—the extra-safe feeling of Buick's new handling ease—the extra stretch-out comfort of Buick roominess—the extra solidity and strength of Buick structure—the extra pride and prestige of Buick's new styling and dash.

Here, too—and nowhere else—you can get the silk-smooth performance and flash-fast response of Buick's advanced new Variable Pitch Dynaflo\*—the world's only transmission with the gas-saving mileage and switch-pitch action of the modern airplane propeller.

This week—this very day, if you wish—you can sample all these Buick blessings to your heart's content and your pocket's joy. Why not drop in on us and do just that?

\*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.

### Slatonite Hosts Slaton High Journalism Class

The Slatonite played host to eight members of the Slaton High School journalism class May 3 as the students made their annual outing to see a newspaper in actual operation.

Slatonite publisher, F. E. Perry, guided the students and their sponsor, Mrs. M. W. Kerr, through the front and back shops. As he went through the various departments of the newspaper he explained the operation of each and the duties of each of the staff members in those departments.

The class gathers and edits the news for the high school newspaper, The Tiger's Cage.

They include Beverly Bland, Barbara Patterson, Veletta Polk, Alton Brookshire, Wendall Akin, Henry Adamek, Stiles Belcher, and Phil Pearson.

### Parents, Children Meet Tuesday With School Officials

A meeting of all children legally entitled to start to school for the first time in September will be held at West Ward at 1:15 p. m. Tuesday, May 14. Parents are requested to accompany their children, according to P. L. Vardy, superintendent of schools.

Children will be circulated to school environment and parents will be informed as to the demands that school will place on the child and the parent.

Parents will have the opportunity to ask questions regarding school policies. Various school representatives will be on hand to answer the questions that may arise.

The project is jointly sponsored each year by the Slaton Schools and the Elementary Parent-Teacher Association and in each instance has proven to be very successful, Vardy said.

### Junior High Plans Field Day And Talent Show

A field day and talent show will be held at the Junior High School Friday, May 11, according to J. D. Perkins, principal. Students will meet at Tiger Stadium at 8:30 a. m. to take part in competition in various field events. At 12:30 p. m. a barbecue will be served by parents for the students at Junior High. Following the meal a talent show will be held in the school's auditorium.

Field day events will include 25, 50, 75, and 100 yd dashes for both boys and girls; sack races for boys and girls; a 440-yd walking race for girls; baseball throw for distance for girls; 880-yd bicycle race for girls; and a two mile bike race for boys.

Prizes and ribbons for winners in the field events and in the talent show will be awarded later in the day in the auditorium.

### Self Furniture Expansion Sale Begins Friday

To celebrate the new addition to the store, Self Furniture Co. is planning an Expansion Sale May 11 through May 19. Several prizes will be given away Saturday May 19 at a drawing at 4 p. m.

The store has been expanded to about one and a half times its original size and all departments have been enlarged. The store now carries carpet in stock. Lou Marks, a representative of the Maytag Company, will be on hand May 12 and May 19 to explain the features of the Maytag washer.

Floor space in the store has been expanded from about 3000 square feet to 7000 square feet.

First prize at the close of the sale will be a Maytag washing machine; second prize will be a floor lamp; third prize will be an Admiral radio; fourth prize will be a coffee table; and fifth prize will be a vinyl rug.

Mrs. Joe Neilson spent the week end in Wink visiting her son, Jack D. Brown, and family. Mr. Brown is being transferred from Wink to Farmington, N. Mex. He is district engineer for the Humble Oil Company.

Mrs. Guy James and daughter, Mary Beth, of Hobbs, N. Mex. will spend the week end visiting Mrs. James' mother, Mrs. L. C. Odum.

Mrs. Eva Gulp and Mr. and Mrs. Frank Culp and girls, Karon and Trudy, of Denver, Colo. spent from Saturday until Wednesday visiting Mrs. Jessie Prosser. and Mrs. L. T. Arthur.

# Sunday Is Very Special Day Set Aside To Honor Mothers

## The Slaton Slatonite Society Clubs

Mrs. J. J. Maxey, Society Editor

Phone 200

The Slaton, Tex., Slatonite

Friday, May 11, 1956

Mothers have received a place of honor since the earliest records of mankind. Down through the ages great writers, artists, poets and statesmen have turned to "Mother" as a source of inspiration.

But it was Miss Anna Jarvis whose determination and efforts brought about national observance of Mother's Day. This year Americans everywhere pay tribute to Mothers on Sunday, May 13th.

This year, as in every year of the past, Mother's Day will have special meaning in many homes in Slaton, because of the new mothers in those homes. To some, when mother is mentioned a gray-haired

### Local Club Guest Of Idalou HD Club Wednesday, May 2

Slaton Home Demonstration Club were guests of the Idalou Home Demonstration Club Wednesday, May 2, when a tea and exhibit of the Idalou club's work was held in the Idalou Clubhouse.

The garden club of that city also had a flower exhibit for the occasion. Following the meeting and on the way home, the local club stopped at the home of Mrs. W. H. Long's home north of town for a short business meeting.

Those attending from Slaton were Mesdames Clea Young, C. W. Jennings, R. C. Hall, G. R. Evans, H. Bollinger, W. A. Cook, Delma Edge, T. A. Johnson, C. B. Long, H. Long, Alton Meeks, Carter Law, E. W. Stokes and E. E. Wilson.

At the next meeting on Wednesday, May 16, Miss Clara Pratt will give a demonstration on cake making with hog lard or fat. This meeting will be at the Clubhouse.

## One of Slaton's Youngest Mothers

MOTHER'S DAY 1956 holds a different meaning in the home of Mr. and Mrs. Johnnie Hogue. That difference is Debra Marie, shown above when she was exactly 5 days old. Debra was born Friday, April 27. This is the Hogue's first-born and you can see the pride on "Mother's" face as she holds the wee lassie.

### Slaton Art Club Has Program On Sculpturing

Mrs. Byron Johnson and Mrs. Brian Sartain were co-hostesses of the Slaton Art Club on Tuesday, May 1. The meeting was held in the home of Mrs. Johnson.

Roll call was answered by a favorite sculptured piece of art. Mrs. Chess A. Hubbard of Lubbock was guest speaker. Her subject was "Sculpturing" and she showed pictures of some of her work, of the tools which are used in this art and other art galleries in Taos.

Mrs. Hubbard has exhibited her works in Dallas and New York and has been invited to exhibit in London.

Refreshments of punch and cheese cake were served to 12 members and two guests.

### Picnic Honors Girls SS Class on Friday

A picnic was held Friday, May 4, on the County Park lawn honoring Mrs. J. E. Todd's 11-12 year old girls' class of the Westview Baptist Sunday School. All members of the department were invited as guests with about 45 attending.

Mrs. Todd's class had recently won an attendance contest and the superintendent and teachers of the Junior department entertained in their honor.

The meal and games were directed by Mrs. Bill Baker, Calvin Willis, Melvin Johnson and Mrs. S. R. Murphy.

### Glass Home Scene Mary Martha Class Social

Mrs. Joe Glass and Mrs. H. T. Duff were co-hostesses Thursday, May 3, when the Mary Martha Sunday School Class of the First Baptist Church met in the Glass home for their monthly social.

Mrs. Glenavon Hill presided over the short business meeting in the absence of the president. The opening prayer was led by Mrs. James A. Cole.

A devotion based on "The Life of Two Coins" was given by Mrs. O. B. Landmon. Games during the social hour were directed by Mrs. Hill. Mrs. J. J. Maxey, the teacher, led the closing prayer.

Refreshments were served from a serving table centered with a Lazy Susan of green pottery holding a floral arrangement of phlox.

Those attending were Mesdames Hill, Dick Denton, T. L. Talbert, Landmon, O. W. Brastfield, Cole, Maxey and the hostesses.

### ALATHEAN CLASS MEETS IN LEMON HOME

Mrs. L. O. Lemon was hostess when the Althean Sunday School Class of the First Baptist Church met for their monthly business and social meeting Thursday evening, May 3.

Mrs. Sam Wilson presided over the meeting and called on Mrs. Carl Sartain to led the opening prayer.

The devotion on "Gossiping" was given by Mrs. J. T. Bolding with scriptures read from Leviticus, Psalms and Proverbs.

Refreshments of angel food cake and ice cream were served to 13 members.

### Suzanna Wesley Class to Meet in Hancock Home

The monthly social of the Methodist Suzanna Wesley Sunday School Class will be held in the country home of Mrs. Melton Hancock at 3 p. m.

All members are urged to attend by Mrs. Hancock.

**BRIEFLY BAVARIAN**—Three-piece cotton ensemble in a traditional Bavarian rose-and-scroll print is an outfit in itself. One-piece playsuit has scoop neckline and above-the-knee Tyrolean shorts; is worn with matching button-front skirt. Short-sleeved bolero jacket is not shown.

A FORMAL ARRANGEMENT of Snow Balls and pink Lady Bounty Roses was placed on an antique marble top chest by Mrs. S. G. Wilson when she displayed this four seasons arrangement at the Slaton Garden Club Wednesday, May 2, in the home of Mrs. Bruce Pember. The white china urns depicted the four seasons: spring, summer, autumn and winter. At the base of these, English Ivy was entwined. The portrait of Miss Joan Pember made a very suitable background for this floral setting.

### Mrs. Nat Williams of Lubbock Speaks At Slaton Garden Club Luncheon

Slaton Garden Club members and their guests attended a covered dish luncheon in the home of Mrs. Bruce Pember with Mrs. Weber Williams as co-hostess last Wednesday, May 2.

Irises, roses and pansies were used as decorations throughout the house. An arrangement by Mrs. S. G. Wilson was placed on an antique marble-top chest. Snow balls and Lady Bounty Roses were placed in small white china urns which depicted the four seasons: summer, spring, autumn and winter. At the base of the urns sprays of English Ivy were entwined with the tops of the urns laid in front of each one.

Mrs. Nat Williams of Lubbock, District I Garden Club, Governor, spoke to the group. She discussed the state convention held recently in Austin. She discussed and suggested ways the local club might help in the state beautification program.

"One major menace is the 'litter bug,' a person who throws trash from the car as he rides along the street and highway," Mrs. Williams said.

During the short business meeting, Mrs. J. S. Edwards Jr., was elected vice president to serve for the next two years. Mrs. V. G. Browning presented plans for a box supper to be held June 1 on the patio of the S. G. Wilson home.

**Guest List**

Guests who attended were Mesdames H. G. Sanders, R. H. Todd Sr., Floyd Elterman and J. B. Sharp, of Slaton and Mrs. Williams Mrs. Roy Loveless and Mrs. L. A. Harral of Lubbock.

Members present were Mesdames F. A. Dreyer, Edwards, B. A. Hanna, J. D. Holt, A. M. Jackson, E. R. Legg, Francis E. Perry, H. G. Stokes, Wilson, Clifford Young, Jack Nowlin, Lee Vardy, Edwin Haddock, Browning and the hostesses.

### Evans Junior Choir To Be on KDUB-TV

On Tuesday, May 15, at 5:30 p. m. the Evans School Junior Choir will appear on KDUB-TV, Channel 13, under the direction of Mrs. Ione Walton Greer.

This choir is composed of second and third grade children.

Guest soloists will be Miss Hester Marie Parker and Buford Shields, winners in the district interscholastic contests.

Mrs. Greer and the group will be accompanied by Mrs. M. E. Granville and Mrs. Ora Mae Cox, teachers at Evans.

### Cakes Say "Happy Mother's Day"

**TENDER COCONUT CUPCAKES** spelling out "MOTHER" are a sweet way to tell that wonderful person how much she means to her family. Easily made by daughter, these cupcakes are covered with a lemon frosting and decorated with colored candies by the younger family members. Served with strawberries, they are certain to delight Mother on her special day.

#### MOTHER'S DAY CUPCAKES

1 1/2 cups sifted Swans Down Cake Flour  
1 1/2 teaspoons double-acting baking powder  
1/4 teaspoon salt  
1/2 cup butter or other shortening  
1 cup sugar  
2 eggs, well beaten  
1/2 cup milk  
1/4 teaspoon vanilla  
1 1/4 cups shredded coconut

Sift flour once, measure, add baking powder and salt, and sift together three times. Cream butter, add sugar gradually, and cream together until light and fluffy. Add eggs and beat well. Add flour, alternately with milk, a small amount at a time, beating after each addition until smooth. Add vanilla and coconut and blend. Turn into greased muffin pans, filling them 3/4 full. Bake in moderate oven (375° F.) 15 minutes, or until done. Makes 16 cupcakes.

Prepare Lemon Butter Frosting. Spread on tops and sides of cupcakes. Place tiny colored candies on 6 of the cupcakes, spelling out the word "MOTHER" by making one letter on each cake.

#### LEMON BUTTER FROSTING

1/2 cup butter  
1 1/4 teaspoons grated lemon rind (about)  
4 1/2 cups sifted confectioners' sugar  
1/4 teaspoon salt  
6 tablespoons lemon juice  
1 cup sugar  
2 eggs, well beaten  
1/2 cup milk  
1/4 teaspoon vanilla  
1 1/4 cups shredded coconut

Cream together butter and lemon rind. Add part of sugar gradually, blending after each addition. Then add remaining sugar, alternately with lemon juice, until of right consistency to spread. Beat thoroughly after each addition. Add salt and blend.

# Betty Willis and AIC Lamb Exchange Vows On Sunday

Sunday, May 6, at 4 o'clock in the afternoon, Miss Betty Jo Willis became the bride of AIC Richard George Lamb when wedding vows were exchanged in the home of the bride's brother, Calvin Willis. The Rev. J. T. Bolding performed the double ring ceremony.

Parents of the couple are Mr. and Mrs. C. D. Willis and Mr. and Mrs. George H. Lamb of Boston, Mass.

The bride, who was given in marriage by her father, wore a street-length dress of white satin. The fitted bodice was designed with a tiny Peter Pan collar and short cap sleeves with narrow cuffs encircled with satin embroidery of detailed lace flowers. The full gathered skirt fell from the bodice which ended in a point at the center front.

A cap of flowers and lace leaves held her short net veil. Her flowers of white carnations tied with white satin streamers topped a white Bible.

## Sister Is Attendant

Mrs. Gordon Carey of Lubbock attended her sister as matron of honor. She wore a dress of light blue polished cotton designed with a tucked bodice and Peter Pan collar trimmed with white lace. A matching cummerbund complimented the full skirt. Her corsage was of pink carnations and her accessories were white.

Gordon Carey of Lubbock was best man.

## Reception Held

Following the ceremony, a reception was held with the bride's table laid with a white lace cloth over pink. A three-tiered cake flanked by pink tapers was featured. Assisting in the hospitalities were Miss Opal Willis, sister of the bride, Miss Sue Quiett of Levelland and Mrs. Billy Love.

For a wedding trip to New Mexico, the bride chose a sheath dress of white polished cotton trimmed

Mrs. Richard George Lamb

in pink. Her accessories were of white and her corsage was of white carnations.

A graduate of Slaton High School and Isbell's University of Beauty Culture, the bride was formerly with Eura's Beauty Shop. The bridegroom attended Boston Technical High School and is now in the U. S. Air Force, stationed at Reese Air Force Base. The couple will be at home in Lubbock.

## Luncheon Honors Charter Members Of WSCS Monday

A one o'clock luncheon was held in Fellowship Hall of the First Methodist Church Monday, May 7, by the Women's Society of Christian Service, with honored guests being charter members of the organization.

The WSCS was organized here in 1940. Woman's Missionary Society became the WSCS following the merge of the Methodist Churches.

Following the luncheon each woman present was asked to tell when they had joined the organization and some of their experiences as members. Mrs. Douglas Wilson, president, presided over the short business meeting.

Mrs. A. C. Burk was program leader. The devotion was given by Mrs. Joe Walker Jr. "Lights for Burma" was presented by Mrs. M. L. German, before Mrs. J. B. Sharp, secretary of youth work, and Mrs. S. H. Jaynes, secretary of children's work, gave reports on the work of these divisions for the year.

Thirty-seven members and guests were present.

## Book Reviewed by Mrs. Childers at Lydia Class Party

Mrs. Dick Taylor and Mrs. Frank Thompson, an associate member living in Abernathy, were co-hostesses when the Lydia Sunday School Class of the First Methodist Church met in the Taylor home Thursday, May 3.

A business meeting was conducted by Mrs. Alex Webb, president. The class presented a gift to Mrs. H. T. Scurlock, who was teacher of the class before her resignation recently.

Mrs. C. L. Smith introduced Mrs. W. V. Childers who reviewed "Good Morning, Miss Dove," by Frances Gray Patton. A gift certificate was presented to Mrs. Childers.

## Members GS Troop 6 To Have Play

Eleven members of Girl Scout Troop 6 met Thursday, May 3, at the Scout Hall where they practiced on a play they are presenting on Thursday, May 10, in the West Ward Auditorium. The girls' parents are to be guests at that time.

Melva Wall was hostess and served candy and lemonade. Those present were Nancy Nel Anderson, Margie Baxley, Susan Lovelady, Janet Martin, Margaret Meeks, Arleta Privett, Lottie Roche, Melva Wall, Nancy Rakes, Carol Jean Richmond and Carolyn Newcomb.

Leaders present were Mrs. W. L. Roche and Mrs. Alton Meeks.

Mr. and Mrs. W. H. Bartlett spent Sunday in Lubbock visiting their daughter and son-in-law, Mr. and Mrs. Darrell Baugh.

Dayton Eckert of Chicago, Ill. visited last week with his mother, Mrs. J. E. Eckert Sr., and his brother, J. E. Eckert Jr., and family.

## Martha Allred And Donald Basinger Marry Saturday

In a double-ring ceremony read by the Rev. Walter A. Mitchell Saturday evening, May 5, Miss Martha Allred became the bride of Donald Basinger. The wedding was in the home of officiating minister, pastor of the First Baptist Church of Clovis, N. Mex.

Parents of the couple are Mr. and Mrs. J. L. Allred and Mr. and Mrs. T. H. Basinger.

The bride wore a pink linen sheath dress designed with a high neckline banded with pearls and jewel trim. The sleeveless bodice was completed with jewel bands. She wore a pink and blue polka dot hat, with matching accessories.

Miss Barbara Felty was the maid of honor. She wore a white dress with black and white accessories. J. H. Trimble served the groom as best man.

The bride will be a May graduate of Slaton High School. She has been very active in the school activities and sports. The bridegroom is a graduate of Southland High School and is engaged in farming.

The couple are residing at 430 W. Knox.

They were accompanied to Clovis by their parents, the attendants and Miss Ann Basinger, sister of the groom.

Mrs. Donald Basinger

## EASTERN STARS HONOR MOTHERS AT MEETING

At the regular meeting of Slaton Chapter No. 585, Order of the Eastern Star, Tuesday evening, May 8, a program honoring mothers was given. The Masonic Hall was the scene of the meeting.

Mrs. C. L. Heston was the program chairman and presented a program based on "A Little Parable for Mothers" by Temple Bailey.

A gift and message was sent to Mrs. Johnny Johnson, who has been adopted by this chapter as their mother. She resides at the Eastern Star Home near Arlington.

Hostesses for the social hour were Mrs. Bruce Pember and Mrs. Milton Hancock.

Mr. and Mrs. Harry Garman and children, Clell, Dixie and Mike have returned home after a vacation of two weeks. They toured Kansas, Missouri and Arkansas. While in Arkansas they visited with Mr. Garman's mother, Mrs. Ethel Garman, in Booneville and with Mrs. Garman's sister and brother-in-law, Mr. and Mrs. James Selph in Barber.

Mrs. Hobart Trimpa and daughter, Dana, spent the week end visiting Mr. and Mrs. John Pumphrey, Mrs. Ethel Ganso and Mr. and Mrs. William Gay in Texarkana.

Mr. and Mrs. Raymond McGehee and Jeanie of Lubbock visited on Thursday of last week with Mr. and Mrs. Curtis Dowell and Paul-ette.

Mr. and Mrs. August Schwertner and children and Mr. and Mrs. F. A. Strube, Allen and Martha Ann attended the wedding of Earline Wilde and Wesley Mokry of Rowena. The wedding was held May 1 in Wall.

## Food Sense—Not Nonsense

Tagged for Travel

The atomic age has come to dinner, and the dinner story is about some—scientific—circle tours. The tours are the routes taken by the foods we eat as they are changed into energy and body cells. Values of many foods may be more readily studied since the discovery of those scientific laboratory tools—radio active minerals. When the scientist adds minute amounts of a radio active element to a food, he dubs the act, "tagging."

From Washington University come reports of how iron "tagged" for travel in various foods is used by the body. "Tagged" iron, also called radioiron, was introduced into iron-rich foods. Those then became a part of the carefully controlled diets of a group of 20 healthy young people and also patients with iron deficiency anemia.

The "tagged" iron was added to foods by putting it in poultry

rations, by including it in the water solutions in which some vegetables are grown, and by adding it to flour from which enriched bread is made.

When these foods were included in the diet, the scientists were able to study the fate of the iron with equipment similar to that used by uranium prospectors. The radio activity revealed the location of the "tagged" food iron and the amount of radio-activity served as an index of the amount of iron present.

They found that people deficient in this mineral used more of the dietary iron than those who had sufficient stores of iron. It was also learned that iron was absorbed equally well from each of the "tagged" iron-rich foods. The absorption of iron from enriched bread was the same as that from the eggs, poultry or vegetables—natural sources of iron.

## MEDITATIN' ABOUT SLATON

(EDITOR'S NOTE: Much of the credit for the organization of the Slaton Jaycees goes to the Lubbock Junior Chamber of Commerce for their time and consideration in starting the movement here.

The Lubbock club won an award for their work in bringing a Jaycee organization to Slaton. We think this letter received from the Lubbock club is indicative of the friendship which exists in Jayceecism. The letter follows:

### Jerry Henderson

The extension of Slaton into the Texas Jaycee fold was a prime reason for the Lubbock Jaycees to win the State extension award at the State convention and to help win the sweepstakes Elm award, but although credit was given to the Lubbock Jaycees, Slaton Jaycees themselves should have the award.

It was my pleasure to have a small part in the extension of the newest Jaycee club on the South Plains . . . with a big assist from many other Jaycees including now-past-president Hiram Jordan, Melvin Lisman, Bill Hall, Dick Strong, Charles Vaughn, Dee Bradford, Pat Garrett and the entire executive and director's board of the Lubbock Jaycees.

Two men who deserve great credit for helping Slaton get started in the Jaycee business are Tom Collins, a Slaton resident and State Vice-President Jerry Sanders.

It was Tom who first started the legwork in Slaton, talking to many of his friends and selling the Jaycee story. Tom was with Bill Hall, Hiram Jordan, Melvin Lisman and myself on a dusty, dusty night when Lubbock and Slaton first got together to talk about a Slaton Jaycee Club. His premier efforts showed immediately. Although there were only five young men from Slaton at the meeting, it was apparent that they believed in Jayceecism and that they could be sparkplugs

in the establishment of the club. This they were, because at the next meeting two young men were present to talk about the Jaycees and to watch the Lubbock board of directors hold its monthly meeting . . . a move decided by the extension committee in order to show the future Slaton Jaycees how club business was decided.

At the next meeting Jerry Sander's talent for public speaking, especially on the subject of Jayceecism came to the fore. As we say in Lubbock, Jerry gave his special flag waving speech and it is a good one . . . and a heartfelt speech. That night the Slaton club voted in their new officers and for all practical purposes was the newest Jaycee club in Texas, lacking only a charter to become officially known throughout Texas.

I visited the club a couple of times after it became permanent and in five years in the Jaycees, I have never seen a club pitch into civic affairs and all the branches of Jayceecism as quickly and as well as the Slaton club. Its success is verified, I think, by its rapid growth, from two to its present roster of 50.

It takes every man in the club to make a Jaycee club successful . . . from the president to the newest member . . . each one is equally important and if his particular job isn't done . . . the club will suffer. Perhaps this is why Slaton has been successful in its short life . . . and with this thought in mind, to be carried out . . . it will remain successful.

We in the Lubbock Jaycees received the credit for the Slaton extension, but I repeat . . . the young men of Slaton should have the credit . . . it is they who have made the Slaton Jaycees a success. But then, on the other hand, perhaps we should take this credit while we can get it, because I know the Slaton Jaycees will be getting plenty credit of their own, operating as the Jaycees . . . who always get the job done.

## Texas Junior Chamber Under Non-Profit Plan

The Texas Junior Chamber of Commerce is a non-profit corporation, organized for such educational and charitable purposes as will promote and foster the growth and development of young men's civic organizations a spirit of genuine Americanism and civic interest and as a supplementary educational institution to provide them with opportunity for personal development and achievement and an avenue for intelligent participation by young men in the affairs of their community, state and nation and to develop true friendship and understanding among young men of all nations.

Mrs. J. D. Barry and Mrs. J. B. Caldwell spent from Thursday until Monday out of town. Mrs. Barry visited her sister, Mrs. G. C. Weaver, who is in the hospital in Dallas and Mrs. Caldwell visited her brother in Terrell.

Mr. and Mrs. Kenneth Rackler and girls, Patricia, Sue and Addie, have returned home after attending the annual Roek Creek Church and Cemetery reunion in Bell County, near Killeen. They camped on the Lampasas River and spent several days fishing. Mrs. Rackler's parents, Mr. and Mrs. A. A. Gartman accompanied them on the trip. They visited with Mr. Gartman's relatives in Austin before coming home.

Mr. and Mrs. N. B. Schafer of Dallas spent the week end visiting Mrs. Schafer's parents, Mr. and Mrs. Fred Blair.

Truett Babh, Larry White and Leroy Poer spent the week end in San Angelo and Christoval.

Mrs. E. Kancher of Amarillo visited from Sunday until Tuesday with her sister and brother-in-law, Mr. and Mrs. A. L. Brannon.

### CARD OF THANKS

The kindness and sympathy of neighbors and friends in our recent sorrow will always remain with us as a precious memory. Our sincere thanks go especially to the Doctors and Sisters of Mercy Hospital for all those comforting acts.

—Mrs. G. A. Jaynes and Family

**Jr. Athletic Club Meeting Set for Monday, May 14**

Junior Athletic Club will meet for their final meeting of the school year on Monday, May 14, at 8 p. m. in the Jr. High School cafeteria.  
This group is made up of the parents of all junior high students, who participate in any sports or the pep squad. At this meeting, according to Frank Chapple, president, they are particularly interested in having all the parents of the 6th and 7th grades as plans will be made for next year.  
Chapple said if the boys and girls are to have the support another year they have had this year it will be necessary for the parents to organize.  
A summary of the club's activities for the year will be given as well as an outline for another year. Colored slides will be shown of the recent camping trip the boys went on.  
This year the club sponsored transportation to and from the football and basketball games for the pep squad, supplied lunches for the boys and girls on their out-of-town games and gave financial support on the boys' basketball suits and other equipment. One of the highlights of the year was the annual football-pep squad banquet for the junior high students.

### Junior Chamber Of Commerce Is Civic Club

The Junior Chamber of Commerce is a civic organization for young men between the ages of 21 and 35 inclusive. It is dedicated to two purposes: (1) Improvement and development of the community, and (2) Improvement and development of its individual members to train them for business advancement and civic leadership.

This, then, is an organization specifically designed to meet a young man's needs. Only in the Junior Chamber of Commerce is it possible for him to assume leadership in community betterment at an age when such leadership would be denied him if he were competing for offices with older and more experienced men.

Junior Chamber International fosters world understanding in 59 nations with a total membership of 300,000.

### ABOUT 10,000 JAYCEES ANNUALLY ATTEND NATIONAL CONVENTION

Each year, about 10,000 Jaycees from pony express riders costume regalia gather in a different section of the nation at each national convention for a week of parties, at which political candidates to be elected to the executive committee, demonstrators for their candidates, who will be elected in exactly the same manner as are U. ### Two-Fold Job Listed by Jaycee International

The constitution of Junior Chamber of Commerce International lists a four-fold purpose: To coordinate the activities of its members; to encourage and advance international understanding and goodwill; to promote and develop international trade; and to sponsor the extension of Junior Chamber of Commerce organizations throughout the world, working through member national organizations when they exist, with a view to providing for all young men an avenue of participation.

for all men." By co-ordinating the activities of all Junior Chamber International member chapters, Junior Chamber International becomes a strong force in the promotion of better international understanding, the advancement of the search for world peace and the creation of a permanent faith in the basic rights of individual freedom and the democratic way of life.

### Jaycee Chapters Exist in Over Fifty Countries

Jaycee chapters exist in over 50 foreign countries and are active members of Junior Chamber International. This is one organization in the world that is operating without a selfish motive, interested only in making each community a better place in which to live and to train its young men for greatest accomplishment in the future.

Jaycee chapters have provided a great variety of Youth Activities Projects for more than five million young people during the past year.

### TEN OUTSTANDING MEN SELECTED EACH YEAR FROM NATION

A major public relations program each year is the selection of 10 outstanding young men in the United States by a panel of eminent personalities chosen by the U. S. Junior Chamber of Commerce. The 10 are then pre-

sented with distinguished service awards during an elaborate Ten Outstanding Young Men Awards banquet attended by thousands. This event, sponsored by the U. S. Jaycees since 1933, affords young men of outstanding accomplishments national recognition for contributions they have made to their profession, their community, and their country. Former winners include: Howard Hughes, George Gallup, Orson Welles, Rudy Vallee, Harold Stassen, Nelson Rockefeller, Henry Ford II, Joe Louis, Bill Mauldin and Richard M. Nixon.

The Jaycee movement was conceived by Henry Glessenbier in St. Louis on Oct. 13, 1913.
