Thanksgiving Service Wednesday To Close Community Open House

The "Community Open House" sponsored by the Slaton Ministerial Alliance got underway Thursday of this week when services were held at Westview Baptist Church.

Services in the week-long affair will be held as follows: Friday, Nov. 25—Church of God, Monday, Nov. 26—Bible Baptist, Tuesday, Nov. 27—First Christian, Wednesday, Nov. 28—First Methodist.

An offering taken each night will be used for charity work in the community during the Christmas season and throughout the year. Services begin each evening at 7:30 p. m.

Thanksgiving Service

The Rev. Clarence Wylie, pastor of First Presbyterian Church, will be speaker for the community-wide Thanksgiving Service scheduled for Wednesday, Nov. 23, at First Methodist Church.

Musical for the service will be furnished by choirs of First Methodist Church. The Chancel Choir will sing "God So Loved The World" by Stainer. In their first public appearance, the Carol and

Asbury choirs, combined, will sing "Do You Know" and "Father, We Thank Thee." Mrs. H. T. Swanner is accompanist for the Carol and Asbury choirs. All choirs will be under the direction of Jim D. Campbell, Minister of Music.

Better Understanding

With the exception of the Thanksgiving Service, each church will carry on with one of its regular services, using its own pastor and own choir.

According to the Rev. Marshall Stewart, president of the Ministerial Alliance, the aim of the series of "Open Houses" is to give a better understanding of the mode of worship of the various churches in the community.

Rotary Governor Speaks to Local Club Thursday

The Rotary Club of Slaton was host to Rex Webster, Governor of the 183rd District of Rotary International, who is making his annual official visit to the 40 Rotary Clubs in West Texas. He spoke to the local club Thursday, and conferred with President Clark Self Sr., Secretary Gordon Davis, and committee chairmen on Rotary administration and service activities.

Man of the Year

Webster is vice-president and public relations director of Great Plains Life Insurance Company, Lubbock. He is a member and past president of the Rotary Club of Lubbock. Born in Gatesville, he was graduated from Texas Tech, and has lived in Lubbock since 1934. He has been a member of the Lubbock Rotary Club since 1941. During World War II he served as an officer on a destroyer in the U. S. Navy.

Named Lubbock's Man of the Year in 1953, Webster is married and has three children. He is one of 248 District Governors supervising the activities of more than 9,100 Rotary Clubs in 99 countries throughout the free world.

Rotary Activities Similar

Where Rotary Clubs are located, President Self asserted in discussing the Governor's visit, their activities are similar to those of the Rotary Club of Slaton, because they are based on the same general objectives—developing better understanding and fellowship among business and professional men, promoting community-betterment undertakings, raising the standards of business and professions, and fostering the advancement of good will, understanding and peace among all peoples of the world.

21 Jailed Over Week End

Some 21 persons were arrested over the week end, charged with drunkenness, vagrancy, and simple assault, according to Bill Daniels, Chief of Police.

In the period 12-19 November, eight traffic tickets were issued.

Mrs. John Gunn left Tuesday morning for her home in Nashville, Tenn. after having spent the past week in the home of her daughter, Mrs. J. B. Payne, and family. Mrs. Gunn has been visiting with relatives in California before coming to Slaton.

Highway Association

The directors agreed to promote organization of a highway association to investigate the possibility of having Farm Road 400 designated part of the State highway system. The association would be made up of cities situated along the road.

Reports from committees working on zoning ordinance and an electrical code disclosed that work was still being done on these projects. Chamber approval was also given to outlining organization of a Community Chest for Slaton.

No meeting of the Board of Directors is also needed.

Shelving and racks for clothing have been built in the welfare room in order to care for articles.

Clothing Drive Saturday

A drive for clothing and bedding will be conducted from 9 until 11 a. m. Saturday, Nov. 24, on the west side of Slaton. All streets west of 9th street will be canvassed, Mrs. Tye said. Persons having clothing or bedding to donate are asked to place it on the front porch, in order that it may be readily picked up.

Persons wishing to contact the Welfare Center to notify them of

Business Houses to Close Thursday, Nov. 29 for Thanksgiving Holiday

Slaton merchants will close for Thanksgiving on Thursday, Nov. 29, this year. Schools will be closed Thursday and Friday. The decision to close on Nov. 29, rather than Nov. 22, was made following a poll of Slaton merchants by the Retail Merchants Association.

Westview Baptist Church to Have Special Services

Dr. Franklin Swanner, District 9 missions secretary, will speak at special services in Westview Baptist Church Sunday morning, Nov. 25. Climaxing the service will be a Thanksgiving token offering. The church has voted a goal of \$8,000 to be raised on the building indebtedness, states the pastor, Rev. Bryan Ross.

A Sunday School goal of 274 has been set. This is 70 percent of the total Sunday school enrollment. Classes and departments have respective goals of 70 percent of their enrollments.

The new auditorium of Westview was completed in April, 1956. The church is 3 1/2 years old.

Alvin White

White Retires From Local Police Department

Alvin White retired from the Slaton police department on Wednesday of last week. He had been planning on retirement for some time due to age. He was 67 this year.

Mr. White joined the police force on September 28, 1953, and has served continuously during this time. There were five on the force when he began this work; now there are eight. He had had many varied experiences while an officer, but does not know how many arrests he made.

"My most dangerous experience was last year when attacked by the negro man in front of the Self Service Station one Sunday afternoon," he said. This was the incident in which the negro cut Mr. White and tried to kill him and the negro was killed.

Mr. White and his family have lived in and around Slaton since 1914. They moved from Union to Slaton where they reared one girl and two boys. He worked at the air base during World War II as a fireman. He was a farmer from 1919 to 1942.

The one biggest event during his years here was the fire that destroyed the old Forrest hotel that was located where Knott & Muse and The Slatonite now stand. "I have enjoyed working with Police Chief Bill Daniel. In my opinion Slaton has one of the best police departments that can be found anywhere in West Texas and the best that this city has ever had," said Mr. White.

In closing the interview by a Slatonite reporter, he stated that if he had his life to live over he would be a police officer as he liked this work very much. Mr. White wants to thank the many people of the town that have befriended him and his family.

"I certainly appreciate Slaton people and the many friends that we have here," he stated.

Slatonite Deadlines Are Changed for the Thanksgiving Issue

Next week's Slatonite will be published on Wednesday to enable Slatonite employees to spend the Thanksgiving holiday with their families.

In order to come out a day early, deadlines have been moved up as follows:

- Society 4 p. m. Tuesday
- Advertising . . . 5 p. m. Tuesday
- General News . . . 5 p. m. Tuesday.
- Photographs . . . 12 noon Saturday

Wildcat Well Going Down Two Miles Southwest of Town

Slaton is getting another chance of having oil close to town. The Ambassador Oil Corp. No. 1 Adams was spudded in on Tuesday of last week. This is only two miles southwest of Slaton.

The proposed 6,000-foot Permian evaluation locates 330 feet from north and east lines of Section 36, Block 24, HEAWT survey. The nearest production is some four and one-half miles to the east, across the Crosby county line in the Gertrude Wood-Glorieta field.

The land the well is being drilled on belongs to Mrs. S. H. Adams, who lives at 255 S. 10th Street in Slaton.

The nearest well to the city that has been drilled was the wildcat on the H. T. Swanner farm one mile southwest of the city. This well went down 5,200 feet and resulted in a dry hole. It was drilled in July of this year.

Williams Infant Services Held Friday, Nov. 16

Funeral services were conducted Friday, Nov. 16, at the Slaton Church of Christ for Webster Steven Williams, 8-month old son of Mr. and Mrs. Webber B. Williams. The infant died Thursday, Nov. 15.

C. L. Newcomb, minister of the Church of Christ, officiated at the service, assisted by the Rev. J. B. Sharp, pastor of First Methodist Church. Burial was in Englewood Cemetery, under the direction of Williams Funeral Home.

The infant was a victim of cystic fibrosis, which he had had since six weeks of age. The disease, for which there is no known cure, affects the pancreas.

Pallbearers were H. M. Englund and Spencer Campbell of Spur.

Newcomb Speaks To Slaton Lions

Slaton Lions heard C. L. Newcomb, minister of the Slaton Church of Christ, speak on "How To Improve the Community" at their meeting Tuesday noon at the Slaton Clubhouse.

Four ways for improvement were cited. They included improving yourself, by spending less time in trying to improve others, and more time on improving yourself. Most people who can't get along with people, Mr. Newcomb said, can't get along with themselves.

Having a goal, or knowing where you are going was named as the second way to improve the community. Too much emphasis is being placed on "gray matter," with not enough going on a determination to succeed. An average IQ, plus a determination to succeed will yield an outstanding individual, Newcomb stated.

Third on the list was "Let God be First." Place yourself at God's disposal in whatever you do, he continued. Ask yourself if what you are doing would be pleasing in His sight.

Living a "Life of Service," asking what we can do to make things easier for someone else, was cited as the fourth item on the topic.

December 13 was announced as Ladies Night for the Lions Club, by president Clark Self Jr.

Slaton's Volunteer Fire Department will conduct their first Muscular Dystrophy Drive beginning at 7 p. m. Tuesday, Nov. 27. The house-to-house drive will call for donations at only those houses where porch lights are turned on.

Elbert Wilson, fire chief, said that members of the fire department, along with members of the auxiliary would canvass the entire town. The fire siren will blow at 7 p. m. signalling the beginning of the drive, Wilson said.

This year is Slaton's first to participate in the drive, Wilson said. They will be cooperating in a 13-county drive for this portion of the state. The drive will last for about two hours, he said.

Should you wish to make a donation, and someone fails to call at your house, a member of the fire

department, or the auxiliary, will call for your donation if you will call VA8-3212.

Junior, Senior FFA Leadership Teams Place First in District Contests

Slaton FFA Chapter leadership teams walked away with top honors at the district contests held Tuesday at the Spur Agricultural Experiment Station. Both Junior and Senior division teams took first place.

The 22 competing teams vied for honors in contests, which included knowledge of parliamentary procedure, and public speaking. The team members had no previous knowledge of topics upon which they would be speaking, according to Truett Babb, FFA advisor.

Members of the senior conducting team include Larry White,

regardless of whether or not the home has been entered. Prize monies have been set as a recognition only, Davis said.

In the business house decoration contest, window displays, as well as outside displays will be considered. Too, it will not be necessary to enter the contest, but entries can be made to insure that consideration of your business decorations will be considered. Entries should be made to the Chamber of Commerce office, phone VA8-4111.

23,726 Bales Cotton Ginned

With an estimated 95% of the year's cotton crop already ginned, local gins reported 23,726 bales as being processed at noon Tuesday.

Mr. and Mrs. N. H. Roberts will have as guests for the Thanksgiving week end Mrs. Roberts' sister, Mrs. Ollie Moran, Mr. Moran and their two children, Charlotte and Randy, and her mother, Mrs. E. C. Poe, all of Cisco.

James Cole is president of the junior team, with Randy Sanders serving as vice president; Giles Smith, secretary; Bill Barry, treasurer; Lee Meurer, reporter, and Frank Chapple, sentinel.

This is the second year both teams have placed first in district competition.

Both teams will compete in area contests on Saturday. They will be held in Plainview.

LESSON FROM HAWAII

Hawaii may not gain its wish of becoming a state, but it has not been altogether neglected by Congress. That body has given the territory the basis for a new legislature, starting with 1958. This ended an old injustice.

For 50 years the old legislature had disobeyed the legal mandate to redistrict Hawaii for legislative purposes. Thinly populated islands have had an unfairly large membership in the legislature. This part of the story will be familiar to many of our states.

Where the Hawaiian version differs is that, by vote of Congress, the governor receives the task of doing the redistricting, not the legislature. Should he fail to act, a mandamus action may be brought against him in the Hawaiian Supreme Court.

Well might Rep. Leo W. O'Brien of New York state say, "I wish my state had this law." Others from coast to coast could say the same, for New York is only one of many states in which the Hawaiian provision would remedy an outstanding injustice.

NEW LIBERTY SHRINE

To Americans and to visitors to our shores, the Statue of Liberty is an inspiring sight. Recently Congress changed the name of Bedloe island, on which the statue stands, to Liberty island. At the base of the statue a museum of immigration is to be constructed.

All this may make the Statue of Liberty even more inspiring. In the museum there will be displays showing the contribution made to America by immigrants. Here will be a reminder of how very much we owe to the people who came to our shores to realize their dreams of liberty.

Thousands of Americans visit the statue every year. Once the museum is complete even more visitors may be attracted. Liberty island, and the Statue of Liberty, will become even more of a shrine. It is appropriate that at the base of the statue there be a remembrance of the great things accomplished by those who were greeted by Miss Liberty as they first approached our shores.

BIG TOWN MEETING

Every so often some writer expresses regret at the passing of the old "town meeting" democracy that once existed in this country. These writers realize that the country has grown too large for such meetings, but they are sorry that there seems to be less chance for people to express their ideas and come in personal contact with their leaders.

The coming of radio and television, however, have once again brought people in the cities and towns close to the men who operate their government. For instance, mail poured in to the Democratic convention as a result of what the people saw on their TV screens and heard on their radios.

Men and women thousands of miles from the scene watched the leaders of the Democratic party. Many of them were moved to let their wishes be known. In a matter of an hour or so telegrams blaring their names and messages were received in Chicago.

Heaven only knows that television can be tiresome. It can cater to the lowest common denominators of intellect. At its best, however, it is an instrument of communication that has made national politics interesting to millions, and has restored something of the town meeting feeling to the political scene.

AFGHANISTAN SLIPS

Afghanistan has agreed to buy arms from Russia. Such a transaction can never be isolated. Guns and ammunition must fit each other, and spare parts must be available if planes and other war implements are to be useful for long.

As a rule, further orders for armament go to the original supplier, whether it be for more material or for repairs to the original shipment. Consequently, the purveyor can put pressure on the buyer by delaying or withholding the desired shipment if the buyer does not do what the purveyor wants.

The time has gone by when the supply of arms was a concern only of private manufacturers, with relatively little international significance. The Afghanistan purchase means that that country is now part way within the Communist orbit, just as Egypt is because of her acceptance of arms from Communist sources.

FROM THE FATHER OF THE UNITED NATIONS

"THE SUM OF THE WHOLE MATTER IS THIS: IF OUR CIVILIZATION IS TO SURVIVE MATERIALLY, IT MUST BE REDEEMED SPIRITUALLY. IT CAN BE SAVED ONLY BY BECOMING IMBUED WITH THE SPIRIT OF CHRIST AND MADE FREE AND HAPPY BY THE PRACTICES THAT SPRING FROM THAT SPIRIT. ONLY THUS CAN DISCONTENT BE DRIVEN OUT AND THE SHADOWS LIFTED FROM THE ROAD AHEAD!"

— WOODROW WILSON

STRENGTH FOR THE WEEK

Psalm 55-6 "And I said, Oh that I had wings like a dove... for then would I fly away and be at rest."

Many the time the Christian is like David. We get worn with the cares of the day when we should look to the hills of the Lord, where our help comes from. Rest is not found in a change of locality but in a change of heart. Yes, rest is found in person, even in Jesus Christ. "These things have I spoken unto you, that in me ye might have peace." John 16:33.

Perhaps it would be better for us to pray for the strength of an ox to help us bear our troubles instead of the wings of a dove to take us away from them.

Rest is found in sorrow, not out of sorrow. Job 14:1 said "man that is born of woman is of few days and full of trouble." So let us have a back like a saw-log and bear our burdens for they will as surely come to us as the sparks fly upward. You cannot drown trouble with a strong drink for after you are sober, the rend is only made worse. You cannot get away from it by flying into pleasure for you will find more heartaches in the flight for pleasure. Moses said, Heb. 11:25, that that he chose rather to suffer affliction with the people of God than to enjoy the pleasures of sin for a season.

It is true that you can find happiness serving sin but it is only for a little while. Then what? Running from your troubles is like running from God. We will be swallowed by the whole of them that is a monster of time or a trap that is ready to snap on the adventurer.

So we say unto you, be of good courage for the Lord knoweth how to deliver the godly out of temptations and to reserve the unjust unto the day of judgment to be punished. Our daily prayer should be Lord lead us not into temptation but deliver us from evil. The apostle Paul said in Romans 5:3, "We glory in tribulations, knowing that tribulations worketh patience." We will never know whether we will endure as a Christian until we are tried.

May God bless you all. W. F. Toles, pastor of the Church of God.

93,000 POUNDS KILLER MATERIAL SENT THROUGH MAILS AGAINST TB

Ninety-three thousand pounds of TB-killing material will go through Uncle Sam's mail today in Texas.

Its magic will be spread in post office boxes throughout the State. By itself the material will not kill tuberculosis, but it provides a means of controlling the disease which yearly causes more deaths than all other infectious and parasitic diseases combined. That disease is tuberculosis.

Christmas Seals
Those 93,000 pounds are Christmas Seals.

In the 50 years since the first bright bit of gummed paper appeared on the American scene, much has happened to tuberculosis control. Because of money brought in by those bits of paper, 3,000 TB associations dot the country, working slowly but tellingly against what was, a half-century ago, the nation's No. 1 killer.

Today, because of contributions of the voluntary TB movement, research and medical knowledge have been able to cut the death rate from the disease 68 per cent in Texas in the last ten years.

New Peak in Cases
Perhaps from the comfort Texans have derived from that scaled-down death rate, complacency has set in. But not enough has been done to keep the disease from pulling down new patients. Last year, more new cases of TB were reported in Texas than were found the year before.

Tuberculosis is still a threat as

proved by the fact that the nation spends \$600 million each year to treat and control it.

Tuberculosis is still a threat as proved by the fact that the average patient spends 15 months in the hospital before his case is marked "arrested."

Tuberculosis is still a threat when men and women refuse to be hospitalized, or leave a hospital before their cases are non-infectious, and go back into everyday life, infecting others with the disease.

So, welcome your Christmas Seals, your own individual package of TB-killing materials.

Newest Buick Yet

We've introduced a lot of new Buicks to the local scene—but never before one as new as this.

Inside and outside, top to toe, end to end—this is the newest Buick yet.

And it's not just new for newness itself—but new in ways that make driving more comfortable, safer and more fun.

You'll see what we mean when you study these gorgeous new Buicks close up.

They're inches lower and stunningly styled from stem to stern—yet each is wondrously roomy inside.

They bring a wide-eyed new visibility of the road ahead with a rakish windshield that adds hundreds more square inches of glass area.

They're new in ride, with a new contour frame chassis that "nests" your going—giving new roadability with a lower center of gravity—yet road clearance is unchanged.

They're new in handling with a new Buick-developed ball-joint suspension that makes steering and cornering easier while it levelizes braking.

But above and beyond all else—these 1957 Buicks are brand new in performance:

—with a V8 engine that's new from the crankshaft up, to give you the highest power and compression in all Buick annals.

—with an advanced new Variable Pitch Dynaflo* that brings you such instant response, such smoothness, such a full range of fluid motion in "Drive" that the need for "Low" is all but eliminated.

All this covers only the big advances in the 1957 Buick.

There are other wonderful new things—the new safety instrument panel—the new color-mate interiors—the new counterbalanced brake pedals—well over a hundred and fifty new features in all.

As your Buick dealer, we're ready to show you these newest Buicks yet—and how easy you'll find it to call one your own. Stop in and see us this week.

*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.

Mrs. Dudley Berry, Mrs. E. E. Culver, and Miss Lena Mae Samples left by car November 2 to spend the week end with Pfc. Harold Culver, son of Mrs. Culver, at Camp Polk, La.

Four generations were represented at the home of Mr. and Mrs. H. F. Pricer at 405 South Third St., Sunday, Oct. 28. Representing the four generations were Mr. Pricer's parents, Mr. and Mrs. J. H. Pricer of Hillsboro; the H. F. Pricers; a daughter, Mrs. D. E. Bumpass; and her son, Ronald Bumpass of Lubbock.

Mr. Dan Liles went deer hunting Monday. He will spend a week in the Valentine area in the Davis

Mountains.
Mayor and Mrs. L. B. Wootton will spend Thanksgiving with their daughter, Mrs. Bryan J. Williams and family at Post.

Slaton is well on its way toward having more paved streets than any town on the South Plains or in West Texas. Mayor Wootton reported this week that work has started on the paving of eight blocks on Panhandle Street from Pecan Street to the new road that is under construction on the West Side of town connecting the farm-to-market road to the Lubbock highway.

Honoring her daughter, Anna Doris, on her fifteenth birthday, Mrs. Sam T. Phillips entertained with a surprise luncheon Friday

noon at her home.
Clifford Young and R. L. Wicker returned Wednesday from a hunting trip to South Texas. They had no deer.

The Blue Bonnet Club met in the home of Mrs. J. D. Barry.
Daughters of the Pioneer Study Club held their annual Guest Day meeting Monday evening at the Clubhouse with about 60 attending.

Mr. and Mrs. William Sledge are announcing the marriage of their daughter, Dorothy Jean, to Benjie Moeller, son of Mr. and Mrs. Joe F. Moeller of Cooper.

KITTENS SCORE WINS OVER SHS

The Slaton Tigerettes dropped a pair of season-openers last Friday night to the Frenship Kittens. The "B" team lost 37-12, and the "A" team was defeated 62-45.

Pat Schilling and Peggy Bowns shared high point honors for the "B" squad with four points each. Frances Bell and Gail Huser each contributed two points.

In the varsity game Linda Smith was high point girl with 23 points, while Patsy Horn of Frenship was runner-up with 26 points.

HOME WIRING IMPORTANT SAYS KUNKEL

Melvin Kunkel, district manager of the Southwestern Public Service Company, was the speaker at the Rotary club Thursday noon at the clubhouse. Kenneth Jones was in charge of the program.

"We all are leading a life depending on electricity," said Mr. Kunkel. He went on to explain that our homes now have many electrical appliances and gave the following figures: in 1930 the average home had 19 appliances, in 1940 there were 33, in 1950 the figure was 40, and in 1953 there were 56.

Because of the increased load of electricity used, homes now have to have larger wiring leading to the house and also more wiring in the home to take care of the needs, he said.

"15 years ago a house was adequately wired for all needs, but we have added first one appliance and then another until that house is not properly wired," said the speaker. Wires overloaded are dangerous in that they may cause a fire. This also causes the overloaded wires to become warm or hot and this is a waste of electricity, he continued.

Illustrative slides were shown throughout the talk that emphasized the high points.

President Clark Self Sr. announced that next Tuesday night will be Rotary assembly and that Thursday noon will be the official visit of District Governor Rex Webster.

Visitors were W. P. Clement, Lubbock; Dr. Earl Carmichael, Trinidad, Colorado; Hubert Phillips, Ralls; James Stokes, Ralls; Jim Rankin, Ralls.

Raymond Maines of Wolfforth visited with his aunt, Mrs. Dewey Nelson, Monday of this week.

PUPILS HONOR MUSE, THOMAS AT SLATON-ABERNATHY GAME

Tiger 'B' Gridsters Tie Bulldogs, 14-14

The Slaton "B" team spotted the Tahoka "B" squad a seven-point lead, and then matched the Bulldogs point for point as they tied Tahoka Thursday, Nov. 8, 14-14.

Tahoka jumped to an early lead by picking off Quarterback Randy Sanders' pass deep in Tiger territory. They held their 7-0 lead during the remainder of the first half. The Tiger eleven hit the comeback trail in the second half. Sparked by lengthy runs by Quarterback Sammy Wilson and Halfback Robert Hurst, the Bengals pushed across from the eight yard-line. Wilson scored the TD and Sanders plunged over for the extra point, making the score 7-7.

Tahoka countered in the fourth quarter by capitalizing on Slaton miscues and went ahead 14-7. But the Tigers were not to be denied! Hard blocking in the line and good field-goal running by the Tigers placed the ball on the Bulldog two. From there Hurst drove across the double stripe to put his team one point behind. Wilson tied the battle by running the extra point. Neither team scored again, leaving the score 14-14.

Although every player performed well, Wilson, Hurst, and Martin Bailey turned in fine offensive games, and Fullback Jerry Allen and Center Johnny Elliott shone on defense.

—The Tiger's Cage

Mr. and Mrs. Arthur Kahlich and their children, William, Robert, and Janet, and Donald Bednarz left Tuesday morning for Savannah, Ga. to visit with their son, Lloyd Kahlich, and Mrs. Kahlich. They plan to be gone for about a week.

Friday night, Nov. 9, during the half time of the Slaton-Abernathy football game, the football and pep squad sweethearts were crowned. Dickie Thomas was crowned pep squad sweetheart and Charlotte Muse, football sweetheart.

The SHS band formed a crown, and the nine senior football players—Norberto Diaz, Rodney Kitten, Lanny Swanner, Roland German, Victor Huser, Thomas, Don Wright, Phil Pearson, and Eugene Hopkins—marched on the field. Thomas was announced as pep squad sweetheart. Patsy Hogue, pep squad president, crowned him; and he was escorted off the field by Miss Hogue and Barbara Wilke, pep squad secretary.

The four candidates for football sweetheart—Miss Muse, Nancy Mosely, Louise Moore, Marilyn Boyce—went on the field. When Miss Muse was announced football sweetheart, Wright crowned her, and Pearson presented her with a bouquet. She was escorted off the field by German.

Miss Muse and Thomas were driven off the field in a pink Ford Thunderbird driven by Bill Smith, owner of the Slaton Motor Company.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a living Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

ORDINANCE NO. 161 THE STATE OF TEXAS COUNTY OF LUBBOCK CITY OF SLATON ORDINANCE ORDERING ELECTION FOR PURPOSE OF SUBMITTING CHARTER AMENDMENTS

"An ordinance ordering an election in the City of Slaton, to be held on the 15th day January, 1957, for the purpose of submitting to the qualified voters of the City of Slaton for adoption or rejection, proposed amendments to the existing charter of the City of Slaton, designating the places in which said election is to be held, appointing presiding officers thereof, and declaring an emergency."

WHEREAS, On the 8th day of October, 1956 a resolution was duly passed by the City Commission giving notice of its intention to pass an ordinance providing for the submission to the qualified voters of the City of Slaton, Texas, of proposed amendments to the existing charter of said City, and

WHEREAS, Notice of intention to submit such charter amendments were given by publication in the Slaton Slatonite, the official newspaper published in said City, and which notice was published for ten days, the date of the first publication thereof being not less than twenty days next preceding the date of this ordinance, and

WHEREAS, The City Commission of the City of Slaton deem it proper to submit the proposed amendments to the qualified voters of said City, THEREFORE,

BE IT ORDAINED BY THE CITY OF SLATON, TEXAS:

SECTION 1: That a special election be held in the City of Slaton, on the 15th day of January, 1957 for the purpose of submitting to the qualified voters of said City, for adoption or rejection, of the following proposed amendments to the existing Charter of the City of Slaton:

AMENDMENT NO. 1

To amend Article I of the City Charter of the City of Slaton by the addition of the following:

"Section 4: The limits of said corporation may be hereinafter extended by adding additional territory to the same whenever the majority of qualified electors of said territory shall indicate a desire to be included within the limits of said corporation in the manner provided in Article 974 of the Revised Civil Statutes of the State of Texas."

AMENDMENT NO. 2

To amend Article I of the City Charter of the City of Slaton by the addition of Section 4a which will read as follows:

"Section 4 (a): As an alternative method of enlarging or extending the corporate boundaries, the City Commission shall have the power by ordinance to provide for the alteration and extension of said boundary limits, and the annexation of additional territory lying adjacent to the City, with or without the consent of the territory and the inhabitants annexed. Upon the introduction of any such ordinance in the City Commission, it shall be published one time in the newspaper designated as the official newspaper of the City of Slaton, however, amendments may be incorporated into the proposed ordinance without the necessity of publishing said amendments and without the necessity of republication of said ordinance as amended. The proposed ordinance shall not thereafter be finally acted upon until at least thirty (30) days have elapsed after the publication thereof; and upon the final passage of any such ordinance, the boundary limits of the City shall thereafter be as fixed in such ordinance, and when any additional territory has been so annexed, same shall be a part of the City of Slaton, and the property situated therein shall bear its pro rata part of the taxes levied by the City, and inhabitants thereof shall be entitled to all the rights and privileges of all of the citizens and shall be bound by the acts, ordinances and resolutions of the City."

AMENDMENT NO. 3

To amend Section 3 of Article VI of the City Charter of the City of Slaton so that it will hereafter read as follows:

Section 3: City Commissioners; How Nominated and Elected: Candidates for places on the City Commission will be nominated as provided in the Texas Election Code. Any City Commissioner hereinafter elected shall be elected by the qualified voters of the City of Slaton, Texas."

To amend Section 4 of Article VI of the City Charter of the City of Slaton so that it will hereafter read as follows:

"Section 4: Commissioners, their qualifications: The Mayor and each member of the Commission shall be a resident citizen of the City of Slaton, and a property tax payer therein and shall have the qualifications of an elector therein and shall have been such resident citizen of the City of Slaton for a period of not less than two (2) years immediately preceding his election and shall not be indebted to the City of Slaton; provided, however that any qualified elector, who shall have been a resident for a period of not less than two (2) years immediately preceding his election of any of the territory not formerly in the incorporated limits of said City, but which is annexed under the provisions of this Charter, shall be eligible to said office. Any Commissioner who, during his continuance in office, establishes his domicile outside of the limits of the City of Slaton from which he was elected, shall thereupon ipso facto forfeit his office and the vacancy shall be filled as provided in Section 7 hereof."

And

To delete Section 9 of Article VI of the City Charter of the City of Slaton.

AMENDMENT NO. 4
To amend Section 23 of Article VI of the City Charter of the City of Slaton so that it will hereafter read as follows:

"Section 23: City Manager: The City Commission may appoint a City Manager, who shall be the administrative head of the municipal government, and shall be responsible for the efficient administration of all departments; he may or may not be a resident of the City of Slaton when appointed, and shall hold office at the will of the Commission."

SECTION 2: That the polling places and presiding officers of said election shall be respectively as follows:

Said election shall be held in Ward 1 in the City Secretary's Office in the City Hall, and C. L. Williams is appointed presiding officer for said election for said Ward 1.

Said election shall be held in Ward 2 in the Office of the Retail Merchant's Association in the City Hall in said City of Slaton, and Phil Brewer is appointed presiding officer for said election for said Ward 2.

Said election shall be held in Ward 3 in the Northeast room of the lower floor of the City Hall in said City of Slaton, Texas, and C. H. Whalen is appointed presiding officer for said election for said Ward 3.

Said election shall be held in Ward 4 in the office of the Board of City Development in the City Hall in said City of Slaton, Texas, and O. N. Alcorn is appointed presiding officer for said election for said Ward 4.

SECTION 3: That said election shall be held under the provisions of the Texas Election Code governing general elections, and all persons qualified to vote in said City under the laws of this state regulating general elections shall be allowed to vote.

SECTION 4: That the manner of holding said election shall be governed by the Texas Election Code as it regulates general elections, when not in conflict with the provisions of the law hereinafter referred to.

SECTION 5: That the form of the ballot to be used in said election shall be, respectively, as follows: "BALLOT"

AMENDMENT NO. 1
Do you vote to amend the present City Charter of the City of Slaton by amending Article I by the addition of the following:

"Section 4: The limits of said corporation may be hereinafter extended by adding additional territory to the same whenever the majority of qualified electors of said territory shall indicate a desire to be included within the limits of said corporation in the manner provided in Article 974 of the Revised Civil Statutes of the State of Texas."

Answer: Yes. No.

AMENDMENT NO. 2
Do you vote to amend the present City Charter of the City of Slaton by amending Article I by the addition of Section 4 (a) which shall read as follows:

"Section 4 (a): As an alternative method of enlarging or extending the corporate boundaries, the City Commission shall have the power by ordinance to provide for the alteration and extension of said boundary limits, and the annexation of additional territory lying adjacent to the City, with or without the consent of the territory and the inhabitants annexed. Upon the introduction of any such ordinance in the City Commission, it shall be published one time in the newspaper designated as the official newspaper of the City of Slaton, however, amendments may be incorporated into the proposed ordinance without the necessity of

publishing said amendments and without the necessity of republication of said ordinances amended. Mail Christmas Packages Early, Says Postmaster

Surface Christmas mails destined for civilians in Alaska, Hawaii and Puerto Rico should be mailed by postal patrons by very early December, Postmaster T. E. McClanahan said today.

This is necessary, he explained, because of available ship schedules from the port of dispatch, as well as possible delays due to bad weather frequently encountered at this time of year.

Mr. McClanahan urged postal patrons to send holiday surface mails for Alaska and Hawaii according to the following schedules: residents of the Eastern and Central time zones, not later than December 1, 1956; Mountain time zone, not later than December 3, 1956; Pacific time zone, not later than December 4, 1956. Mail for Puerto Rico should be sent by December 3, 1956.

These, of course, are deadline schedules the postmaster pointed out. Postal patrons are being advised that even earlier mailings will be an aid to the postal service, as well as provide an additional measure of insurance of delivery by Christmas.

Mr. and Mrs. Arthur Dennis, Mr. and Mrs. J. E. Robertson, Mesdames Lee Peoples, George Green, Surman Clark, George Payne, Fred Walters and Jo Ann Green spent Monday in Big Spring working at the Veterans Hospital. They represented the American Legion Auxiliary which has taken this work as a project. They will go each third Monday in the month. Next month they will wrap packages for Christmas for the patients.

Abernathy Stuns SHS Tigers, 40-7

Before a meager, shivering crowd, the Slaton Tigers played their final game of the season, losing to Abernathy 40-7.

The ball exchanged hands four times in the first quarter, but neither team could take advantage of having possession. Abernathy's scoring spree started when Halfback Manny Connell broke loose on his own 30 and galloped all the way, leaving would-be tacklers in his wake. The extra point was good and the Antelopes led 7-0.

Slaton's lone touchdown came midway in the third quarter when Fullback Rodney Fulcher hit right tackle from five yards out and went over standing up. Quarterback Doug Corley passed to Tommy McClanahan, end, for the extra point. The final score was 40-7.

The game was one of penalties and dropped passes, due partly to the cold weather. Not too many injuries occurred, although Jerry Jones, halfback, and Center Alfred Blisard had to come out because of injuries.

Roland German, senior guard and linebacker, had a field day defensively, while Fulcher made one long run and the only Tiger TD, to lead the Tigers.

AUSTIN, Tex.—Texas' 56th Legislature will have much of its work cut out for it by Jan. 8.

State agencies and public and semi-public groups by the score are busy drawing up desired changes in state laws. Almost every day brings one or more public appeals pinpointing some proposed enactment as vital to state progress.

Some want certain laws liberalized. Others want them tightened. Many departments of State Government seek new or increased appropriations.

Examples in the news: STATE BOARD OF EDUCATION wants \$50,000 a year for the next two fiscal years for education and rehabilitation of mentally retarded.

BOARD FOR STATE HOSPITALS AND SPECIAL SCHOOLS wants the state cigarette tax providing \$5,000,000 a year for its building program continued two more years. Contingent on this, it asks \$11,000,000 for building improvements in the next biennium. TEXAS PRISON BOARD wants some \$5,500,000 for new building and staff needs resulting from an 80 per cent jump in prison population.

TEXAS LAW ENFORCEMENT CONFERENCE wants 29 law changes aimed at updating criminal detection and trial procedures. Typical items: set up a statewide file of fingerprints of convicted felons, allow drunk driving convictions upon scientific blood tests, provide public defenders for defendants without funds, etc.

TEXAS JUNIOR CHAMBER OF COMMERCE wants to institute annual legislative sessions with annual and more substantial salaries.

TEXAS CONGRESS OF PARENTS AND TEACHERS wants a 10-point program involving improvement of the school system and teacher salaries, strengthening of laws concerning juveniles, banning of common law marriages, sale of narcotics to children and sale of fireworks.

COSTLY CHANGE—At an approximate cost of \$1.00 per vote, Texans have approved a plan to aid the permanently disabled.

It was the third time in history the Legislature had fumbled its calendar in setting a constitutional amendment election. Eight amendments were taken care of with the general election. But the ninth, by error, was dated for a week later.

Confused or short of funds, nine counties held no election. Another held it a week early. In all, some 200,000 straggled to the polls. Estimated cost: \$200,000.

Under the amendment, qualified persons will receive \$58 a month, \$20 from the state, balance from federal funds.

NAACP SEEKS MOVE—Next encounter between the state and the NAACP will be in Tyler district court Dec. 3. NAACP will then seek to have the site of future hearings changed from Tyler to Dallas or Austin.

Last month in Tyler Dist. Judge Otis T. Dunagan granted a temporary injunction against operation of the NAACP in Texas. Defendants gave oral notice of appeal.

Since, the organization abandoned appeal efforts and asked for a full trial on merits, if it loses "his" the injunction becomes permanent.

Atty. Gen. John Ben Shepperd said his staff already is at work preparing and that he "earnestly hopes" the trial can be completed in December. Shepperd will be succeeded by Will Wilson on Jan. 1.

OIL BOOST OKAYED—Texas' December oil allowance will be 3,342,502 barrels daily—an increase of 73,593 barrels a day.

A 16-day producing pattern was

set by the Railroad Commission, compared to 15 days in November.

Several major companies had urged 17 to 19 producing days because of disruption of supply lines from the Middle East. But representatives of Texas Independent Producers and Royalty Owners contended surplus needs could be met with surplus oil in above-ground storage.

In announcing the 16-day pattern, Comm. Chmn. William Murray said the commission could issue a half-month order later if necessary.

STATE WINS TIDELANDS—State Supreme Court added to Texas' public domain in a case setting the boundary between tidal and landholder's property.

"Highest tide of the year," not "average high tide," determines the dividing line between tidal land and coast land, ruled the court.

In the test case Texas gained 4,986 acres of mud flats along Laguna Madre north of Port Isabel.

Eventual result, said Atty. Gen. John Ben Shepperd, will be the gaining of hundreds of thousands of acres and millions of dollars for

IT'S THE LAW in Texas

A public service feature of the State Bar of Texas

EARNEST MONEY CONTRACT NO CASUAL MATTER

The signing of a contract of sale is an extremely important step in the purchase of a home. Once buyer and seller have signed, they are bound by the provisions of the contract. Their respective legal rights in the transaction are there-

fore the permanent school fund.

Tidelands, according to law, belong to the state. Income is earmarked for education.

TAX ISSUE CLARIFIED—Corporation franchise taxes do not have to be figured on the rate in effect at the end of the year if the rate was lower during the year.

Third Court of Civil Appeals so ruled in a suit brought by Southland Cotton Oil Company to recover taxes paid under protest.

During most of Southland's first year the franchise tax was \$1.25 per \$1,000 taxable base. By the end of the year the rate was up to \$2.00.

State officials contended the company should compute the entire year's taxes at the \$2.00 rate. Southland paid the full amount, but sued for recovery.

GRAIN CROPS SKID—Texas 1956 grain crops will be substantially less than last year, but better than expected earlier.

A 28-million-bushel corn crop is forecast by the U. S. Dept. of Agriculture. This compares to 49 million bushels in 1955. Sorghum is expected to hit 99 million bushels, a drop of about one third. Rice is set at 46 million bags, a 15 per cent decline.

Even so, forecasts showed an optimistic upturn since the last estimates a month ago. Another bright spot: USDA expects citrus production to run more than 50 per cent above last season.

by set and determined. If the contract is poorly and haphazardly drawn, a harvest of regret may be reaped at later date.

Sales contracts are often called by other names, such as earnest money contracts, binders, receipts, etc. All of them are for the same purpose and almost without exception involve the deposit of money by the buyer. Some require the seller to put up a good faith deposit. The fact that such deposited sums are usually to be forfeited in event the depositor later fails to go through with his specified contractual obligations lends additional weight to the often stated admonition that no contract should be signed without complete understanding as to its terms.

But many home purchasers (and sellers) rush to sign a hastily prepared contract with very little knowledge of its contents. The pressure of time, the informality of the occasion, the casual appearance of the contract, and perhaps the fact that a partially printed form is used may contribute in causing the true importance of the act to be overlooked. At any rate, many are lulled into a lapse of good business judgment.

Every significant detail of the bargain should be crystallized in unmistakable terms in the contract of sale. Land and fixtures being sold should be clearly described. A complete description of the property by lot and block, or by metes and bounds, is a must, the street number inadequate by itself.

Articles and fixtures included in the sale but not always sold with houses generally should be specifically listed. Included in the category are such items as venetian blinds, removable floor coverings, draperies, air conditioning units and others. In purchasing property under construction, complete plans and specifications form an essential part of the agreement.

The price to be paid must, of course, be specified, along with method and terms of payment. If a certain sized loan is a prerequisite to the buyer's ability to complete the purchase, this fact should be noted. Sad indeed is the prospective purchaser who loses his earnest money when a conten-

plained loan transaction falls through, his contract requiring payment of the entire consideration is cash.

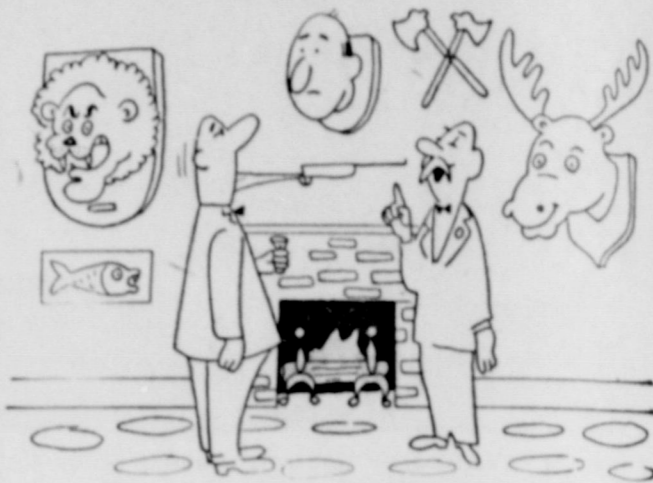

The sales contract should also state the quality of the title to be conveyed to the buyer and the type of title evidence to be furnished.

The buyer's individual circumstances and desires may require that various matters not mentioned above be provided for in the contract. All too often people try to squeeze a sales contract to fit the type of printed form on hand, omitting or leaving to easily misconstrued or forgotten oral agree-

ment many vital provisions. Do not fall into the "pitfall of the printed form." Too many unfortunate arrangements have been announced by clients to lawyers with the words, "I have just signed a receipt for a house on Blank Street. Will you take over now and let that everything is O. K.?"

(This column, based on Texas law, is written to inform—not to advise. No person should ever apply or interpret any law without the aid of an attorney who is fully advised concerning the facts involved, because a slight variance in facts may change the application of the law.)

Tigers Win Two Grid Contests; Lose Eight

Slaton High School Football Squad Will Lose Nine Players From 1956-57 Team

The Slaton Tigers ended the 1956 football season on the losing end of a two won and eight lost record. Despite the seemingly poor season the Tigers improved remarkably over last year's club, losing several extremely close games.

Slaton snapped a 12 game losing streak in their first game as they took Crosbyton 19-13. Quarterback Douglas Corley scored two touchdowns and Halfback Dickie Thomas marked one as the Tigers' offense rolled very well behind outstanding blocking.

In the second game the Bengals were edged by Seagraves 12-6 as the visiting Eagles scored the winning touchdown after recovering a Tiger fumble on the Slaton one-yard line. In this game Slaton's defense was outstanding. Both Tackle Don Wright and Guard Roland German contributed many bone-jarring tackles to the Tiger cause.

Hornets Down Tigers
The Sudan Hornets handed Slaton its second defeat as they opened out an exciting 14-13 victory. Slaton played far better football than in either of the first games. Corley and Thomas each scored once for Slaton.

Phil Pearson

Winning their second game of the season Slaton rocked Roseoe 39-14. The locals exploded for touchdowns in every quarter with Fullback Phil Pearson and Thomas each racking up two tallies and an extra point. Halfbacks Jerry Jones and Lanny Swanner scored a touchdown each and Tackle Don Wright kicked an extra point to account for Slaton's scoring.

Eugene Hopkins

Slaton played perhaps its best ballgame in a losing cause as Post rolled to a 27-14 victory. Both teams hit exceptionally hard as the Antelopes capitalized on an intercepted pass and two Tiger fumbles to post the victory margin. Slaton end, Alex Franco, caught numerous passes from Corley, one going for a touchdown. Thomas scored the other touchdown on an 11-yard drive behind the great blocking of German and Wright.

Dickie Thomas

Pass interceptions led Floydada to a 23-4 victory over Slaton in the fourth district game. The Corley-Franco aerial combination clicked for the Tigers' only six points.

The Bulldogs from Tahoka came from behind to sneak by Slaton 20-14. Halfback Pat Adamek and Quarterback Corley each chalked up a six pointer and Jones and Pearson added the extra points.

In the final game of the season Abernathy displayed an unusually fine passing attack to rock the Bengals 40-7. Substitute fullback, Rodney Fulcher, led Slaton's points. He was closely followed by Pearson with 26 and Corley with 24. Other scorers for Slaton were: Franco, 12; Swanner, six; Jones, seven; Adamek, six; and Wright, McClanahan, and Sikes with one point each.

Tigers Lose Nine
The Tigers will lose only nine seniors from the ball club this year. They include: Don Wright, who has lettered three previous years; Phil Pearson and Roland German, who won two previous letters; Dickie Thomas and Norberto Diaz, who have one previous letter; and Victor Huser, Lanny Swanner, Rodney Kitten, and Eugene Hopkins, who received "B" team awards last year.

Tri-captains for this year's team were Wright, German, and Pearson.

Leonard Ehrler was head football coach, and Marvin Smith and John Taylor were his assistants. John Foster, Hugh Van Pierce and Bobby Sokoll were the student managers.

Juniors Score Hit With Annual Play

"Almost Summer," by Christopher Sergel is the name of the junior play which was presented Tuesday night, Nov. 13 in the high school auditorium.

The play was given before a large audience, and it was very well received. Due to a good job done by all the cast, it would be impossible to pick out the outstanding members.

Entertainment was furnished between acts by Pam Maxey and Shirley Love, who sang "Allegheny Moon," "Eddie My Love," and "It's a Sin to Tell a Lie." Shirley Love and Loretta Gengross also played accordion numbers between acts. Hugh Van Pierce, a member of the cast, acted as master of ceremonies. The play was directed by Mrs. Alma Caldwell, junior class sponsor. The cast presented Mrs. Caldwell with an orchid corsage, a jewelry box, and a pair of earrings.

The cast included Jackie Sheppard, Douglas Corley, Beth Lowry, Bobby Sokoll, Jerry Gentry, Della Scoggins, Pierce, Venita Green, Frances Flores, and Dorothy Heaton. Stage managers were Lavooy Reed and Clark Wood. Prompters and understudies were Louise Moore and Peggy Ray.

MRS. R. E. McREYNOLDS holds the handle of a waffle iron that she purchased in 1926. Beside it is her modern electric waffle iron. Other items on the table are a few of the prized pieces in her antique collection.

Slaton Women Give Their Favorite Tested Recipes

After many years of home making and cooking a woman acquires a collection of favorite "stand-by" recipes that are valuable (to her), says Mrs. R. E. McReynolds. The following is one of her "stand-bys" with which, she says, you can count on perfect waffles every time you use it.

Stand-by Waffles.

1 1/2 cups flour
3 tsp. baking powder
1/2 tsp. salt
2 eggs
1 cup sweet milk
1 t. sugar
4 or 5 t. melted Crisco or Wesson Oil

Optional: 1/2 cup chopped nuts or 2 strips of crisp, crumbled bacon.

Method

Use two medium size mixing bowls and a standard measuring cup. Break eggs—yolks in one bowl, whites in other. Beat yolks until fluffy and light colored. Add milk, sugar, and salt. Stir well. Next sift in flour and baking powder together. Now whip or beat egg whites until fluffy and form peaks, but not dry peaks. Stir egg whites carefully into mixture. Stir until light and smooth. Batter will be medium thin. Add nuts or bacon here if desired. If it thickens, add milk to thin. Makes 8 or 6 large waffles.

Variations

Mrs. McReynolds' family likes the following variations of waffles: Waffles with hot syrup, melted butter, and bacon for breakfast; waffles with creamed chicken and buttered peas for lunch; pecan waffles, hot syrup, and butter with little sausages for supper, especially for the children, waffles buttered with brown sugar and cinnamon.

Hints About Your Iron

Have your iron clean and pre-heated. The electric waffle iron requires no greasing though some people still use a little cooking oil. Use only enough batter to fill the iron, do not run it over. Cook your waffles to desired brownness.

Never wash a waffle iron. After using it, brush away all crumbs, wipe off grease, and polish. Then store in a plastic bag. If your first waffle sticks, brush on a very little oil. Second waffle should not stick.

Another thing, Mrs. McReynolds reminds you, waffle batter will keep for two days in the ice box when placed in a covered plicher.

Use the easy recipe with the hints, she says, and you'll find it easier than ready-mixes.

Iron and Recipe 20 Years Old

Mrs. McReynolds got her "stand-by" waffle from the Ladies Home Journal in 1926. That same year she purchased the 3 piece antique waffle iron. Though she still uses the old iron at times, she finds the modern electric waffle irons of today much superior and more efficient and not nearly so hard to keep clean.

In 1915, Mrs. McReynolds, then Claire Bean, moved to Slaton from Abilene. Claire married Robert E. McReynolds in 1918. She was a war bride of the First World War. Robert left for service in the Navy a few days after their marriage. On his return early in 1919, they took their honeymoon, a trip to visit his people in Colorado.

Claire's grandparents were real pioneers of Texas. Her maternal grandmother in early Slaton days was shot through the lungs by a Indian's arrow during a raid on the white settlers soon after the Civil War. Her father's people, the Beans, came to Texas from Georgia before the civil war in a caravan of ox teams and wagons. With them, they brought cattle and slaves. They entered Texas where Beaumont now stands and were farmers and ranchers in the early days of the state. People often ask Mrs. McReynolds if she is kin to old Judge Roy Bean. He was not related to her family, though

Football Players Feted at Banquet

The Slaton High School Pep Squad gave a banquet Friday night, Nov. 16, in the West Ward Cafeteria honoring the varsity and "B" football teams.

Patsy Hogue, president of the Pep Squad, was mistress of ceremonies. The invocation was given by Barbara Wilke, Pep Squad secretary. Beverly Bland read "The Goal," a poem of interesting events during the football season. The Tiger Trio composed of Pam Maxey, Shirley Love, and Dorothy Heaton sang. June Johnson and Carol Sue Meurer gave a tap dance routine.

The Pep Squad presented gifts to the sponsors, Mrs. Martha Brown and Mrs. Audean Nowell; Mrs. L. N. Foster, Pep Squad mother; and Carl Lewis who drove the Pep Squad bus to the games. Mrs. Foster has been Pep Squad mother four years.

The tables were covered in white with twisted streamers of red and black down the center. Programs were fashioned as miniature megaphones. The head table was centered with a megaphone and miniature football. Sprays of flowers completed the decorations on the head table.

The meal was prepared by the sponsor and mothers of Pep Squad members.

Guests were: the football players, Coach Marvin Smith, Coach and Mrs. John Taylor, Coach and Mrs. Leonard Ehrler, Supt. P. L. Vardy, Mrs. Sherrill Boyd, Mr. and Mrs. Foster, Mr. Carl Lewis, the sponsors and parents of Pep Squad members.

This was the first banquet given by the Pep Squad for the football boys. It is to be an annual affair.

Past Matrons Plan December Meeting

The Past Matrons' Club met in the home of Mrs. F. A. Drewry Thursday, Nov. 15. Mrs. Jessie Prosser opened the meeting with a prayer. Roll call was answered with a verse of scripture pertaining to Thanksgiving.

Plans were completed for a Christmas meeting to be held in the home of Mrs. Claude Anderson December 20.

Officers were elected for the coming year as follows: Mrs. Carrie Barry, president; Mrs. R. L. Smith Jr., vice-president; Mrs. C. S. Wilkenson, secretary; Mrs. Mabel Vaughn, treasurer.

Mrs. Drewry was in charge of the program. She closed the program with "We Thank Thee Lord" by Albert H. Hutchingson.

Trises and mums decorated the Drewry home. Mrs. Virgie Hunter and Mrs. E. E. Culver assisted the hostess in serving refreshments.

Dear Santa,

Can you help my mommy for Christmas? She works so hard to keep us clean and have everything in the house clean.

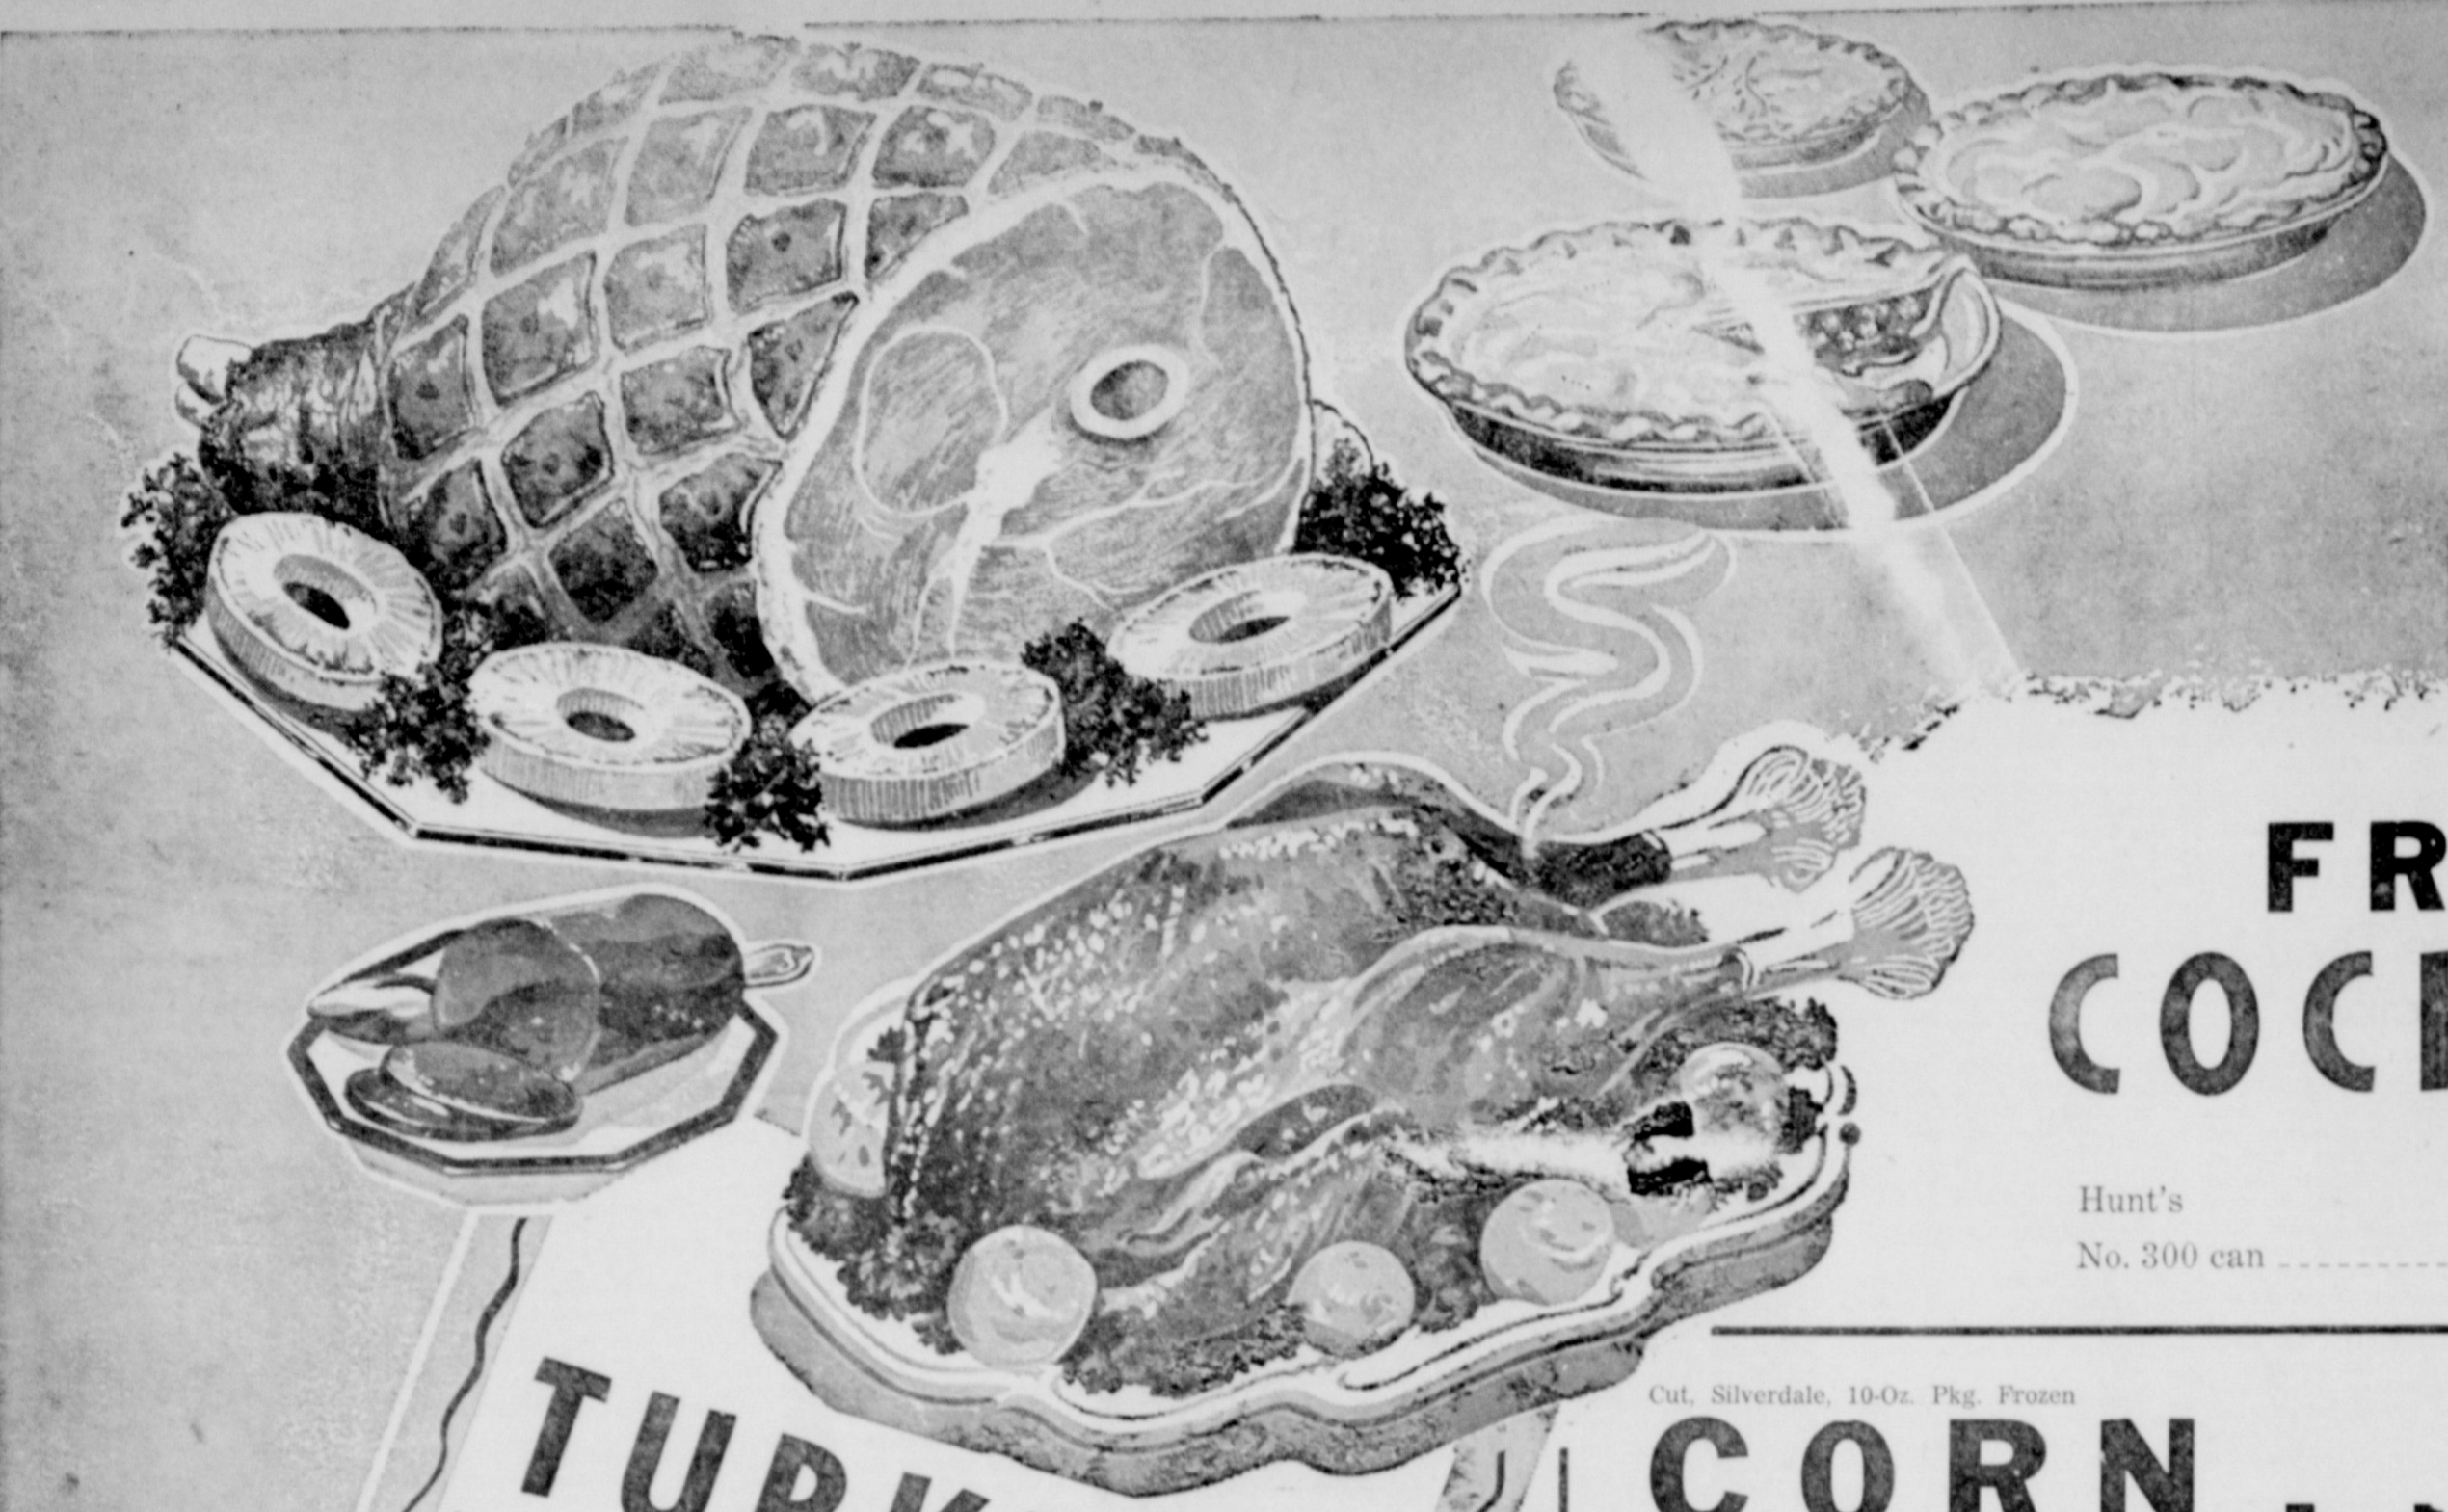

Last night she gave us our supper and then she washed the dishes and then she dampened the clothes so she could iron this morning, and then when she was ready to watch television Ole Roy Rogers had already caught the crooks and there wasn't a good comfortable chair for her 'cause me and Dad and Mary already had all the good chairs. She sorta sighed tired like and pulled one of those ole hard chairs out from the table and kinda sank down on it.

Could you please, Santa, go by Home Furniture company and get her a good chair just for her for Christmas. I would like for you to give her one like I saw the other day that turns 'round and 'round and rocks, too. Then I wouldn't feel so bad when she sits. Be sure to get it at Home Furniture company 'cause they've got the very best I ever saw.

Thank you, Santa.

Love,
Billy
