VOL. 11. NO. 36. MAY 26, 1922

Co-operative Revival Meeting Will Begin at Methodist Church Sunday

The meeting announced to begin at the Baptist church on next Sunday will be held in the Methodist church Sunday. Bro. Hendricks came to us with the suggestion for a co-operative meeting, which has been accepted on the following terms of agreement between the committees from the Baptist and Methodist congregations: The Baptist pastor to do the preaching, Bro. Watson to direct the choir, the services to be held in the Methodist church. At the close of the meeting an offering will be taken, to be divided equally between the Baptist and Methodist congregations, and each congregation to be left free to use its share of the offering in such manner as they desire. The division indicated is to be made after all incidental expenses of the meeting have been paid out of the offerings. It was further agreed that a general committee be appointed to look after the interests of the meeting, to ask

the merchants to close one hour each day except Saturday, from 10 to 11 a. m., so that all may be permitted to attend the services. The following named brethren elected for the two congregations: Baptist: W. P. Florence, A. M. Watson, J. V. Hollingsworth. Methodist: Dr. S. H. Adams, H. W. Ragsdale, F. V. Gates. Dr. Adams, chairman, and J. V. Hollingsworth, secretary. The following constitute the committee on general arrangements: S. H. Adams, J. V. Hollingsworth, B. M. Holland, F. M. Culberson, Paul Owens, J. W. McDonald, J. S. McDonald, W. H. Smith, W. P. Florence, A. M. Watson, F. V. Gates, H. W. Ragsdale, M. A. Pember, H. C. Jones, A. J. Payne, W. A. Dykes, J. S. Lanham, O. D. McClintock, O. Z. Ball, H. C. Burris, J. W. Short, J. W. Hood, F. E. Callaway, N. J. Allen, T. M. George, E. S. Brooks. Are you a member of the Chamber of Commerce?

"And They Shall Beat Their Swords Into Plowshares"

—It's a prophecy which has already come to pass. Already the mighty forces of this great nation have been turned from the destructive unto constructive pathways and works of peace. —For "they have beaten their swords into plowshares" and the plowshares are turning the fertile fields and valleys of America into garden spots that will yield up an abundance of food and feed. —To the farmers of this community we extend our earnest well wishes for a successful year, and a desire to help in every way that lies within our power.

Opportunity Means Nothing to the Man With Empty Pockets

—DID YOU EVER CONSIDER THAT? —The individual who goes through life without a little cash salted away —and consequently without credit or the means of getting it—can tell you of many splendid opportunities passed along to some one more fortunate because he had not the wherewithal to "plank down." Why not place yourself in a position to take advantage of opportunity? —Start an account at this bank today. It is not a difficult matter to squeeze out a little deposit now and then—and it's marvelous how quickly it grows.

Culberson, A. L. Robertson, J. S. Edwards, Gene Wilson, J. W. Nesbitt, W. R. Wilson, R. A. DeLong, A. E. Howerton, Abe Kessel, J. W. Hood, Carl George, Allas J. Payne, R. H. Tudor, J. T. Overby, B. W. Adams, C. F. Anderson and Paul Owens. If your name has been overlooked it was not intentional. Please call our attention to it.

SISTER SLATON LADY DIED IN ARIZONA LAST FRIDAY

Mrs. G. M. Ayres of Jones Dry Goods, Inc., this city, received a message announcing the death of her sister, Mrs. Viola Haynes, near Navajo, Arizona, on last Friday. The remains were shipped to Silverton, this state, for burial. Funeral services were conducted by the Methodist pastor of Silverton. Deceased is survived by her husband and three small sons, father and mother, Mr. and Mrs. Whitely, two brothers and four sisters. Mr. and Mrs. Ayres have returned from Silverton, where they attended the funeral and burial.

COMMUNITY SINGING AT M. E. CHURCH SUNDAY AT 2 P. M.

On account of seating arrangements we will have our community singing at the M. E. church Sunday. Everybody come. In addition to our regular singing with special quartettes, we wish to practice the revival songs to be used in the community revival which begins Sunday. W. P. FLORENCE.

BASEBALL.

Slaton mopped up on Post at the Slaton ball park last Sunday afternoon by a score of 13 to 1. Slaton has a better team this season than ever before. Next Sunday afternoon they will play Tahoka here, and the newspaper man of that city had just as well get ready to acknowledge defeat for his pet team.

If You Haven't Made An Intimate Acquaintance

with our store, you don't know what wonderful Suitings for Spring and Summer we have and what a sure-fit you can find here. We invite you to call and see our new Spring and Summer line of general wearing apparel, the price of which is very much in keeping with our motto: "Pay Less and Dress Better."

The State of Texas,
County of Lubbock.

We, W. H. McKIRAHAN, president of the Board of Trustees Slaton Independent School District, and J. W. Baker, Tax Assessor and Collector for said district, each do hereby certify that the above and foregoing is a full, true and correct list of the property within said school district delinquent for taxes to said district for the year 1921, and that we, to the best of our knowledge, information and belief said list is in all respects true and correct.

In testimony whereof, we have hereunto set our hands at Slaton, Texas, this the 2nd day of May, 1922.

W. H. McKIRAHAN,
President Board of Trustees, Slaton Independent School District.

J. W. BAKER,
Tax Assessor and Collector, Slaton Independent School District.

TAX ELECTION RESULTS—SCHOOL BOARD RESIGNS

A great deal of interest was taken in the tax election last Tuesday, in which the proposition was to raise the school tax from 50c to 75c though not more than two-thirds of the qualified voters participated. The figures at the close of the polls stood:

Against	111
For	102

Majority against 9

Tuesday night the School Board met and resigned in a body, believing that the majority people, who believe that the school can be run on what money we now have or less, should have charge and demonstrate.

It is now up to the low tax people to give the people of the district a good school and we hope they may. They will at least have the sympathy and co-operation of those who are retiring and have tried it, and they should have the co-operation of the entire patronage.—Brownfield Herald.

NOTICE.

I have bought the interest of C. B. Smith in the Slaton Furniture and will assume his place as secretary-treasurer of the company. All of my friends and former customers are invited to call on me at my new place of business, and to remember me when they need anything in house furnishings.

ANDREWS COUNTY MAN KILLED IN DIFFICULTY

The body of Mr. Ragsdale was brought to the Oquin undertaking parlors this morning from Meadows ranch in Andrews county. His chest and shoulders were badly beaten up and a Winchester bullet, it appeared, had been fired into the top of his head and came out in the shoulder. The only details obtainable are that a difficulty occurred between Mr. Meadows, his son, known here as "Slim," over the disappearance of a ring. A fight had previously occurred between the senior Meadows and Ragsdale and late yesterday, it is reported, Ragsdale had quite an encounter with them, in which Mrs. Ragsdale was considerably beat up, after which, it is reported, Ragsdale was tied with a rope and placed in a car. Later he was shot. Meadow and his son were placed in jail at Midland, and charged with the crime.—Lamesa Reporter.

SLAT'S DIARY

Friday—Wile digging around threw the remanes after ma had cleaned up the house I found a book intitled How to Bring up Boys. I red it all evning and was dismayed to elarn that I have not been brung up a tall properly. But I shud ought to wirry about that.

Saturday: Getting reddy to go out to Ant Emmys tomorro wich is a Sunday. I don't expect to have much fun as it nocks me out of a ball game mebbly. Pa likes to go out there for he all ways eats enuff to make him sick. He says Ant Emmy shakes a mean skillet.

Sunday: Had a good time out to Ant Emmys xcept pa witch had ate so much he got 1/2 sick and busted his Nuckle on a spark Plug and cussed with out thinking. Met a boy out there witch sed he was so tuff he can walk on broken bottles bear footed with a pole cat in each hand looking for a mule to kick him so as to digest his breakfast. Did not take much stock in him. But sed nothing.

Monday: Teacher past quite a complement on me Today. She sed she thot perhaps I wood probably occupy a high position l of these days. The reason why she sed the same being that I kinda failed to have my lesson and give such a good xcuse for not having same that she sed I had the qualitys for a Successful congress-man or etc.

Tuesday: Ma was xtraordinarily sweet and kind today till pa spoilt it all by making a unhappy remark at the rong sikkillogical moment. I ast him why they most nearly all ways had married men on jurys insted of Single men and he answered by replying They must have people who do not have or express any opinions.

Wednesday—Ma brot home a new hat and she put it on her hed and sed to Pa. Aint it a dear thing. And pa picked up the bill and give it a hard look and Sed. Yes. It certly is.

Thursday—Jane got mad at me agin. She handed me a package & sed & bitterly. Here take back your old pin. But the joke is on her. And I wonder who give her the pin.

A NEW ONE; TEACH TYPEWRITING BY MUSIC

The Tyler Commercial College of Tyler, Texas, in line with the progressive policy that has made it the largest business college in America, recently conducted some experimental tests with music in their typewriting classes, and found the results so gratifying after thorough and exhaustive trials that they have adopted it as their regular method of teaching.

It produces typists who write easily along at a steady, regular constant speed, striking all letters exactly alike, and not slowing down for difficult words because he has learned to maintain a constant speed. It is obvious that the typist who has a regular, even touch will be the fastest and the most accurate. And the best known way to develop this regular, even touch is to start the student in with music, having him write in time with the music, which can be fast or slow in accordance with the ability of the class. Continued practice with the phonograph fixes the habit of regular, rhythmic writing, which means Speed and Accuracy.

The Tyler Commercial College has adopted this system of teaching typewriting because they have found it to be the best. This institution has always employed only the most modern and up-to-date methods in all departments of the student's work. They give the most thorough, complete and practical courses of Bookkeeping, Shorthand and Typewriting, Telegraphy, Cotton Classing, Business Administration and Finance, and Wireless Telegraphy and Telephony that can be had, in half the time and half the cost of similar courses in other schools, and also offer valuable courses of Training by correspondence. Positions secured for graduates. Fill in coupon and mail for large free catalogue.

MARCONI REALLY FATHER OF RADIO

Story of the Gifted Italian's Work in Development of Air Communication.

While experiments along the line of radio really started as far back as 1827 and hundreds of scientists were interested in solving the problems involved for many years, it was not until 1896 when Senator Guglielmo Marconi took out his first patent that the mastery of air communication got its first great impetus. His life history is to all practical intents the history of radio communication.

Senator Guglielmo Marconi, G. C. Y. O. L. D., D-Sc. M. I. E. E., was born in Bologna, Italy, April 25, 1874. His mother was Irish, while his father was of a family whose mechanical ability was marked. After an education at Leghorn and Bologna, the young man interested himself in the problem of wireless telegraphy, starting his research in 1895. He went to England and in 1896 took out the first patent ever granted for a practical system of wireless telegraphy, by the use of electric waves. His early experiments in England were made at Westbourne Park. Shortly afterward Marconi saw W. H. Preece and at his request made some experiments for officials of the postoffice. Some further experiments were made in May, 1897, in the Bristol channel, wireless communication being established between Lavernock and Bream Down, a distance of nine miles.

On the invitation of the Italian government Marconi afterward went to Spezia where a land station was erected, which was kept in constant communication with two Italian battleships working from a distance of 12 miles. For this success the Italian government conferred upon Marconi the honor of knighthood. After a return to England further experiments were conducted and on July 20, 1897, the first radio company was formed and two permanent stations erected. In 1898 wireless reports of yacht races in Kingston were made and proved the usefulness and adaptability to which the system lends it-

Mr. Marconi's work has been recognized by many governments and seats of learning; he has been decorated by the King of Italy and the late ex-Czar of Russia as an honorary doctor of many universities, including Oxford, Glasgow, Aberdeen, Liverpool and Pennsylvania, besides having received the freedom of the principal Italian cities. In 1914 he was elected a senator in the Italian parliament. He also holds many scientific awards granted by various societies and institutions.

At the declaration of war by Italy, Marconi placed his services at the disposal of King Victor and was given the rank of lieutenant in the Italian army. He was employed on important military missions to England by the Italian government and after this service was transferred as temporary commander in the Italian navy. Marconi visited the United States in 1917 as member of the official mission sent by Italy. In 1919 Marconi was appointed plenipotentiary delegate to the peace conference at Paris, and in this capacity signed the peace treaties with Austria and Bulgaria. He was afterward awarded the Italian military cross.

This very important figure in the wireless world, who has received about all the honors possible for the scientific world to bestow upon him.

Guglielmo Marconi.

Including the Nobel prize, has not

Elizabeth A. Bergner, Radio Instructor in Lane Technical High School, Chicago, and Her Class.

self to commercial purposes. In December, 1898, Marconi installed apparatus to provide communication between the South Foreland lighthouse and a lighthouse on the south coast. In 1899 Marconi read a paper on "Wireless Telegraphy" before the Institution of Electrical Engineers in London.

Early in 1901 telegraphic communication was established between two points more than 250 miles distant and at the end of that year Marconi transmitted signals from Poldhu, in Cornwall to St. Johns, Newfoundland. In 1902 he received on board the steamship Philadelphia in the presence of the officers, good messages on the tape when at a distance of over 1,500 miles from the transmitting station and signals at over 2,000 miles. In December, 1902, the station established at Cape Breton, Nova Scotia, under a contract with the Canadian government for transatlantic wireless telegraphy, was put into communication with the Cornwall station at Poldhu and inaugural messages were transmitted to the King of England, the King of Italy and to the London Times. In October, 1903, the steamship Lucania published a daily wireless bulletin from messages received from the Marconi stations. A powerful station at Clifden on the west coast of Ireland was opened early in 1907 for the establishment of commercial relations with the American continent at Glace Bay.

given up active work, but is even now engaged in radio telephone experiments.

Radio enthusiasts have increased tenfold within the last few months, it appears from a survey conducted by the Associated Press and covering the central west, Kentucky and Texas. At virtually all points from which reports have been received, there are thousands of radio sets, particularly for purposes of telephony, where at most there were hundreds before.

While the sets are used chiefly for pleasure and experience, they are being put to practical uses in many cases. Numerous farmers are receiving market and weather reports, and police are receiving bulletins. Sermons, concerts, health talks and style talks are transmitted. Universities and professional operators are co-operating.

Approximate figures are reported from various states and centers indicating the present number of radio sets. According to A. L. Benson of St. Louis, division manager of the American Radio Relay league, about 90,000 radiophones are used in four states as follows: Iowa, 23,000; Missouri, 25,000; Nebraska, 22,000; Kansas, 20,000. In St. Louis alone there are some 2,200. The radiophones chiefly carry concert music, but in many localities farmers have installed them to receive market reports.

Correspondence from Texas reports 200 stations in Dallas, ranging in size from 1/2 K. W. to 25 K. W.

equal numbers in other cities of the state.

Cleveland, Ohio, reports probably 15,000 radio enthusiasts, 1,000 sending stations in greater Cleveland, virtually all amateur, and 10,000 receiving sets used almost nightly. These estimates exclude commercial sets. Cincinnati reports 500 sets.

Indiana has 4,500 amateur radio sets and Indianapolis 1,000 radiophones. Wisconsin has nearly 1,500 stations, and the number is said by Malcolm P. Hanson, University of Wisconsin operator, to be increasing at the rate of five a day. Nearly 1,000 sets are reported in Milwaukee and vicinity.

North Dakota has a number of receiving stations and a few fairly powerful telegraph and telephone sending stations. The North Dakota Agricultural college is planning to install a 100-watt service for farmers. The vacuum tube is displacing older equipment in the state.

Marked growth is reported at Omaha, Neb., by two radio clubs, which have been in existence only six months. The University of Nebraska and Nebraska Wesleyan, co-operating, send to amateurs in Nebraska, South Dakota, Iowa, Colorado and Kansas.

PRAIRIE DOG POISON.

Wheat, oats or maize may be used in preparing the poison and should be put out at the rate of about 2 pounds per acre. The grain should be put on hard ground near the mouth of the hole. If ordinary care is used there is no danger of poisoning domestic animals. However, extreme care must be used to keep chickens from eating the grain. It might be better to trap the dogs around the farm home.

Mix thoroughly 1 oz. of powdered strychnin (alkaloid) and 1 oz. of common baking soda (bicarbonate). Dissolve 1 heaping teaspoonful of laundry starch in a little cold water and add to it three-fourths pint of boiling water. Boil and stir until a thin, clear paste is formed. Slowly sift the mixture of strychnin and soda into the starch paste, stirring constantly to form a smooth, creamy mass. Add one-fourth pint of heavy corn syrup and tablespoonful of glycerin and stir. Add one-tenth oz. of saccharin and again stir thoroughly. Pour this mixture while hot over 13 quarts of clean grain and mix until all the grain is coated well.

If alkaloid strychnin is not available the sulphate form may be used, either powdered or in crystals. Dissolve the strychnin in boiling water before adding the cold starch. After the poisoned starch paste is clear, stir in the soda very slowly. Then add the syrup, glycerin and saccharin as in the above directions and mix with the grain.

For mixing small quantities an ordinary metal wash tub may be used. After the grain is thus prepared it may be sacked up and kept for future use.

TWO ACCIDENTS YESTERDAY.

Marvin Bradley, while cranking a "flivver" at the Slaton Coal & Grain Company's place of business yesterday, suffered a broken wrist when the engine back fired.

Alliston Cashon, a young man living near town, suffered a broken arm yesterday as the result of a runaway team.

The use of cosmetics is going a good deal too far, with all these folks putting on coats of tar and feathers.

BORDEN COUNTY MAN HELD UP AND ROBBED

Saturday night as Mack McCormick who is employed on the Muleshoe ranch, was returning from Big Spring having in the car with him a negro who was coming out to work on the ranch, was held up by two men and robbed of about \$18. They took three or four dollars from the negro.

The hold up occurred about fourteen miles out from Big Spring, the hold up men being in a car which they stopped partly across the road and one of the men was under the car when Mack reached there. He stopped his car and asked the men if they needed assistance. The one under the car came out, threw a pistol on them and ordered them out of the car, after which they proceeded to relieve their victims of their cash. The highwaymen jumped into their car and started off at high speed. By the time they had got a short distance Mack had secured his gun and began shooting at the robbers, who returned the fire. Mack gave chase and a running fight was kept up for a mile or more, the hold up men being in a fast car ran off from the other car.—Gall Gazette.

TOTAL LOSS HIGBEE HOTEL ESTIMATED AT \$12,000.00

The Higbee Hotel, which burned last week was a loss of \$12,000.00, according to Mrs. Higbee, with insurance of \$4,500.00 on the building and \$1500 on the furnishings. Mrs. Higbee also stated that she had \$1800.00 in currency in a trunk which burned. She had been advised to keep this money out of the banks and it was also a total loss.

It is not known just how the fire originated but Mrs. Higbee believes that it was set from an electric wire. It was discovered by a trainman at about 2 o'clock in the morning and an alarm given.

A large number of guests were in the building but they all escaped with their personal effects.

SPECIAL NOTICE.

The Baptist Sunday School will meet at 9:30 Sunday morning so as to give plenty of time to have the regular lesson and get to the revival meeting at the Methodist church on time.

Let every member of the Baptist Sunday School go to the class as usual.

The Sunbeams, Intermediates, Juniors, and Senior B. Y. P. U. will meet at the Baptist church at the usual hours for their programs.

All should be on hand promptly. Let there be no falling off in our regular services during the revival.

JNO. P. HARDESTY, Pastor.

KU KLUX KLAN IN CANADIAN.

It is said that the Ku Klux Klan organized in Canadian last week, and then again it is said that they failed to. The organizer was here and two or three meetings were held. The first meeting hardly secured quorum. It is stated that the organizer wanted twenty-five men to grant a charter. He told of having organized Klans in both Pampa and Maimi. Public talk about the presence of a Klan in dian Wgthena or Aetaoin shrld cmww Canadian is both pro and con. Some of our foremost citizens condemn it severely, and say there is no need of such an organization in the Panhandle country. Others assert that prominent citizens attended the organization meeting.—Canadian Record.

Some of these "foremost" citizens are indirectly responsible for Klan organizations because they will not help enforce the law. No doubt your most prominent citizens are members of the Klan.

A good plan to put the kibosh on the Ku Klux would be for the legislature to make a law forcing all lodges and clubs to file with the county clerk at frequent intervals, under oath, a list of memberships, providing punishment for felony where the officers fail to do so. The claws of the Klan would be cut if the identity of its members was made public. However, in small communities such as Plainview it is only a matter of time until the identity of all those who belong to the Klan will be generally known—and it will be a stain upon such men for all time.—Plainview News.

To show one of the bad effects of too much ku klucking, some of the negroes of Slaton are practicing on one another. One coon of that city seems to have laid it on to another with a black-and-tan Susan-Jane of Slaton, and the other Sambo got all riled up and organized a klan to take all the opposition out of Mose. They did, alright, but some of them are in jail and the others are on the road to some other place.—Brownfield Herald

Young Peoples' Class of Methodist Church Get Busy.

The completion of the M. E. Church South of Slaton, has been watched with pride by all who stand for the finer elements of life and not least by this enthusiastic class of workers. To date we have not been able to effectively carry out our institution of the Lord's Supper because we had no chancel rail. A committee was appointed to investigate the details of such a work as building a rail. Miss Bailey, as instigator of this plan, served on the committee with several other members of the class.

Last Sunday the matter was presented to the class and \$32.50 was quickly raised toward the fund when Mr. C. W. Taylor explained the intent of the class. REPORTER.

Going Away Party for Miss Hill

Miss Grace Bailey and Mrs. Jack Cooper entertained informally their house guest, Miss Mamie Lou Hill with a tennis party Wednesday afternoon at the Santa Fe courts.

After four games the band of merry makers whom the hostess let the honoree choose as guests, left the courts and made their way to the Cooper home, where a tempting buffet was served.

The house was beautifully decorated with tall wicker baskets which were filled with pink roses tied with immense bows of tulle used in profusion.

During the evening games were played and delicious iced mint punch refreshed the following guests:

Misses Hill, Bailey and Hammock; Mmes. Nickols of Fort Sumner, N. M., and Mamie E. Loyd; Messrs. Culbertson, Ellis, Eldridge, Jack Cooper, McDonald, Sodieburg and J. P. Markham.

Closing song and prayer.

Methodist Girls Entertain Boy Scout Class.

The classes of Richard W. Ragsdale and Mrs. J. E. Eckert of the Methodist Sunday School entered into a membership contest some few weeks ago, continuing for four weeks. At the close of the contest the boys had gained the largest number of points. To show courage in their defeat the girls planned an elaborate social for the victors. With the assistance of a few of

the ladies of the church the affair was planned and carried out in a very efficient manner.

The prettily decorated club house was arranged for several tables of "42" and this was the main diversion the evening through.

At 10:30 the hostesses served a dainty luncheon consisting of sandwiches, deviled eggs, pickles, cake, punch and fruit, to the Scout class and Mesdames J. E. Eckert, W. Donald, Lee Green, B. M. Holland and S. H. Adams.

Young Women's Auxiliary.

The Y. W. A. met Tuesday night with a small attendance. The meeting was full of enthusiasm. Many new plans were made for the future. It is hoped that our attendance will soon increase. Next Tuesday evening there will be a number of committees appointed. Everybody try to be present.

Queen Esthers Entertain in Honor of Volunteer Band Class

Mrs. H. D. Moore's Volunteer Band of boys were successful in a recent membership contest in which they gained several hundred points over Mrs. J. W. Martin's class of girls.

Mrs. Fred Stottlemire opened her doors to these classes and on Tuesday night the classes were there in full membership. A very enjoyable evening was spent, at which time the boys and girls indulged in indoor and outdoor games. At 10 o'clock refreshments of ice cream and cake were served.

Sunbeams

The Sunbeam Band meets at 2 o'clock. The contest of learning the ten commandments closes and a story will be told with the children helping. The mothers are invited.

Senior B. Y. P. U. Program

Closing song and prayer.

T. E. L. Class

Some reasons why you should join us: Because we study the Word of God; because it will help you and help us. Because we will enjoy the good fellowship of each other.

The T. E. L. Class meets every Sunday at the home of Mrs. Dr. Tucker at ten o'clock. Accept this invitation and join us.

Senior B. Y. P. U.

Instead of their regular program Sunday the members of the B. Y. P. U. directed by Bro. Hardesty practiced on some songs which will be used during the revival meeting that begins next Sunday.

Sunday is time for election of new officers. Let every member please try to be present and on time.

Missionary Society

The society met at the church at 3 p. m.
Opening song, My Faith Looks up to Thee.
Prayer, Mrs. Worley.

We had a beautiful and impressive Bible lesson from the first and second chapters of Saint John. In the first chapter we learn of the divinity and in carnation of Jesus Christ.

In the second chapter Christ turns the water into wine, goes into Capernaum and to Jerusalem, purgeth the temple and foretells his death and resurrection minute of each hour.

Do you use the countless millions given you?

Important to Summer School Credit Work Assured.

The superintendent of Slaton Public Schools for the ensuing year, has assured me that all high school subjects satisfactorily completed in the Summer School will receive credit. Special arrangements are made for primary pupils. School is to begin Monday, May 29th.

MRS. M. A. EVANS

Residence Burned Saturday.

About noon Saturday a small residence belonging to Alf Keith, together with its contents, were destroyed by fire. Mr. Keith's family were away from home, and his niece, Miss Jimmie Keith, who was keeping house for him, was visiting with a neighbor, and it is not known how the fire originated. Both the building and contents were insured.

PERSONAL MENTION.

Mrs. Ida Champion has gone to Clovis, N. M., to make her future home.

Miss Antoinette Stamps, who taught here during the past year, has gone to her home at Denton.

M. D. Jones is attending a meeting of the Retail Merchants Association of Texas, at Fort Worth this week.

Miss Olive Boone of Brownwood is here visiting at the home of her sister, Mrs. S. A. Peavy.

L. M. McKinney, manager of the Lubbock Laundry, was a business visitor in Slaton Tuesday.

Rev. and Mrs. B. W. Dodson of Post City were guests of Rev. and Mrs. J. P. Hardesty last Friday night.

Mrs. W. H. Nickols of Fort Sumner, N. M., is here visiting her brother F. M. Culbertson and other relatives.

Buy your groceries at the Blue Front Grocery and be assured of quality and prices that are right.

Mrs. R. A. DeLong left yesterday for a visit to her sister, Miss Flora Dunscomb in Clarkston, Mo.

Mrs. Marieu of Kansas has returned home after an extended visit with her son, Jake Mireau and family.

Mrs. W. W. Walker has returned home after a visit with relatives and friends in La Junta, Colo.

TEAGUE'S Confectionery is the place to get your drugs, drug sundries cold drinks and confections.

Miss Mae Morrison of Lubbock has returned home after teaching in the city schools here during the past year.

We are always in the market for country produce at the highest market price.—Blue Front Grocery.

Miss Mae Watson of Wilson has been visiting at the home of Mr. and Mrs. J. T. Castleberry this week.

Let us add you to our list of satisfied customers.—THE BLUE FRONT GROCERY.

Miss Theodocia Gray, teacher in the city schools here during the past term, has returned to her home at Clarendon.

Mr. and Mrs. R. G. Shankle left Wednesday morning for an automobile trip to Mt. Pleasant and other East Texas points.

Miss Margaret Brown of Lawn, teacher in the public schools here the past term, has returned home to spend the vacation period.

Mr. and Mrs. W. B. Russell left Tuesday in their car for a visit to relatives in Paris and other Texas cities.

Mrs. Ray Conners and little daughter Theo Maxine of Clovis, N. M., were here Saturday visiting relatives and friends.

Supt. J. W. Martin of the city public schools, attended commencement exercises of the Crosbyton schools last Monday evening.

Mrs. Frank Harrison and son Hall, of Lajunta, Colo., are guests at the home of the former's sister, Mrs. Jake Mireau and family.

Prof. J. F. Cross and family will move to Barstow, where Mr. Cross will be superintendent of the public schools the coming term.

Albert Curry and Robert Copeland of Brownfield were guests of Misses Maurice and Erma Mae Hardesty on last Thursday evening.

Sam Hampton of this city is in a sanitarium at Abilene, where he recently underwent an operation, and is reported to be getting along nicely.

Mr. and Mrs. E. S. Brooks and children left Wednesday by automobile for a visit to relatives at Houston and other points.

Dr. E. C. Foster of the Foster Furniture & Undertaking Co., left Wednesday for a two weeks' business trip to Fort Worth and Dallas.

Mrs. R. H. Todd has gone to Sherman for a visit to her sister, Mrs. C. M. Francis, and also to be present at the graduation of another sister.

Mrs. Roy Jennings left yesterday from Ralls for Waco to attend the bedside of her husband, who is seriously ill in a sanitarium there.

A. B. Jones of Abilene, of the Jones Dry Goods, Inc., was here this week en route home from Plainview where he attended the West Texas Chamber of Commerce Convention.

Don't forget when you buy flour that there is none better and very few quite as good as American Beauty. You can always get it at The Blue Front Grocery.

Miss Mamie Lou Hill left Thursday morning for her home in Plainview. After a few days' stay at home Miss Hill will leave for Canyon to attend the summer school. In August she will go to Sitka, Alaska, where she will spend the winter teaching as principal of the high school.

School Bonds Sold to New Orleans Firm for Bonus of \$3,630.00

W. H. McKirahan, president of the school board, advises that the \$50,000 bond issue has been sold to Breg-Garrett & Co. of New Orleans for a bonus of \$3,630.00. The bonds are to be dated June 1st. and bear 6 per cent interest.

The board has also accepted the plans of their architect for a 7-room ward school building to be located in southeast part of town. The architect was authorized to complete the speci-

fications in order that it might be let.

A small addition will be made to the present high school building, including a basement large enough to install heating plant for the two buildings on that site. The roof of the grammar school building will be modeled as well as other parts of building.

It is planned to have this work completed in time for the new school term.

Dr. Gurden, Chiropractic, Addressed Large Crowd Here Monday Night

Dr. B. F. Gurden, D. C., Phc., president of the Texas Chiropractic College of San Antonio, addressed a good sized audience at the Club House Monday night.

The speaker was introduced by J. W. Hood in a very pleasing manner.

Dr. Gurden gave the early history of Chiropractic, stating that the first adjustment was given in September, 1895, or a little over 26 years ago. Since that time twenty-five states have given Chiropractic legal recognition, also the countries of Japan and Hawaiian Islands.

within the body itself, also that all healing forces of nature reside in the body, and that when we are cured it is because this healing force cannot get to the affected part to effect a cure.

Dr. Gurden asked why it was that bones heal without the use of drugs and yet when some of the softer tissues of the body become diseased look to drugs for our relief, claimed that the same force that healed the broken bone was the force that healed the softer tissues. But the reason that they were diseased was cause this healing force was obstructed, and that the obstruction to place in the spine or backbone of the body that it was the business of the Chiropractor to re-align the spine, thus leaving this force.

He also stated that over one million people take Chiropractic adjustments daily and there are 15,000 practicing Chiropractors in this and foreign countries.

Dr. Gurden stressed the point that thousands of Chiropractors are needed to fill the demand and that the demand for Chiropractors will not be met for many years.

The school of which Dr. Gurden is president teaches a course of study of three years. It is the Chiropractic belief that the cause of disease is

After the lecture there was a clinic at which a number of patients received the expert analysis of Gurden.

Dr. C. A. Smith, pioneer Chiropractor of this city, was responsible for Dr. Gurden's visit to Slaton.

Miss Myrtle O. Barber, English teacher in the public schools during the past term, has returned to her home at Abilene. She will attend school at Simmons College next year.

Miss Cora N. Freeman, principal of the high school here during the past term, has gone to Canyon to do summer work in the West Texas State Normal College.

Miss Lorena Holland, teacher in the public schools at Perryton during the past term, has arrived here for a visit at the home of her brother, B. M. Holland and family.

Miss Ouida Buzbee, teacher in the city schools during the past year, accompanied by her mother, has gone to St. Louis, Mo., for a visit to relatives and friends.

Miss Ruth Evans, who has been teaching in Wayland Baptist College, Plainview, has arrived home to spend the summer with her mother, Mrs. M. A. Evans.

Miss Irene Levey, who taught the past term in Brownwood public school, has arrived home to spend the summer vacation with her parents, Mr. and Mrs. J. G. Levey.

Miss Beadie Lokey of this city, who taught in the public schools during the past term, has gone to Denton to do summer work in the Normal there.

Dr. and Mrs. H. F. Miller of the Santa Fe Hospital at Topeka, have arrived in Slaton and are making preparations to locate here for the practice of their profession.

We failed to mention that Conductor Ed Tonn has been in the Santa Fe Hospital at Topeka for more than two weeks undergoing treatment. Mr. Tonn is improving nicely, which will be gratifying news to his host of friends here and elsewhere.

Beryl, little daughter of Rev. and Mrs. Jno. P. Hardesty, returned Wednesday from Lubbock, where she underwent an operation in a sanitarium, having her tonsils and adenoids removed.

Mr. and Mrs. R. S. Dyer and little daughter, Joy Armistice, have returned to Slaton after a several months' absence. They spent the winter near McAllen in the Rio Grande valley, but more recently visited at Olney.

Mrs. M. A. Pember left Wednesday for Onawa, Iowa, for a few days' visit to old home friends, after which she will go to St. Paul, Minn., to be present at the high school graduation exercises in which her son, Bruce will have a part.

H. G. Rowley, president of the First State Bank, returned Tuesday from Fort Worth, where he attended a meeting of the State Bankers Association. Mrs. Rowley and children, who accompanied him to Fort Worth, went on to Red Oak, Okla., for a visit to relatives and friends.

Ben White returned home last week after an extended visit to his parents at Cooper, Texas. He shipped a car of fine Jersey cattle on his return to Slaton. Mrs. White who accompanied him to Cooper remained there for a longer visit and in order to be present at the graduation of a sister.

STORES WILL CLOSE ONE HOUR DAILY DURING REVIVAL

Stores of the city will close one hour daily, from 10 to 11 a. m., during the Co-operative Revival meeting which begins Sunday at the Methodist church. The grocers ask that you please get your orders in early that they may be able to close during that time.

ONE TEXAS NEGRO HANGED ANOTHER BURNED AT STAKE

Conroe, Texas, May 20.—Joe Winters, negro, 25, was burned at stake in the court yard here Saturday afternoon, thousands of persons including women and children, witnessing the lynching.

Winters, just before the match touched to his oil-saturated cloth admitted a criminal assault upon 14-year-old white girl near Leonidas. The burning of Winters follows long chase with blood hounds. Another negro was arrested late Friday spirited away to Houston for the blood hounds were put on the trail. Then it developed that Winters was the man wanted. The whole town closed up and people came from entire countryside to join in the hunt. Winters was caught at five o'clock Saturday afternoon, five miles east of Conroe. He was taken to Leonidas where the girl positively identified him. He was then brought to the court house square. Kindling was built around him. Oil was thrown onto the heap and the fire started.

Man of 60 Hanged

Columbus, Texas, May 20.—M. Bozier, 60-year-old negro was hanged to a tree today by a mob of 300 persons near Allayton after he had been taken from officers who were holding him on a charge of assault on a young white girl yesterday.

Bozier lived in the brushy country about twelve miles northwest of Columbus. He was arrested about 10 o'clock this morning by officer E. Stein near Fretzburg about five miles from the scene of the alleged crime. The mob took the negro about 10 o'clock this afternoon with little demonstration and carried out the lynching quietly.

BRUNK'S COMEDIANS CANCEL ENGAGEMENT HERE ACCOUNT REVIVAL MEETING

Brunk's Comedians, one of the most popular shows on the road today, intended to be in Slaton all next week but upon learning that a big co-operative revival meeting was to be held here have canceled their engagement out of respect to the church-going people of Slaton. They will be in Lubbock next week and state that they are desiring to see the show then with assured of a hearty welcome in Lubbock. They will return to Slaton later. Read their announcement elsewhere in the Slatonite.

WATER AND SEWER SYSTEM WILL SOON BE IN OPERATION

Commissioner W. E. Olive states that the water and sewer system will be in operation the first week in June which is not very far off. Those desiring connections should have the plumbers get busy and have everything ready.

FORREST LUMBER COMPANY

FOSTER'S WEATHER BULLETIN. (Copyrighted)

Washington, D. C. May 24.—Severe storms are expected on the continent during the week centering on June 4. For their locations see divisions. These severe storms will bring an increase of rain where rain has been predicted and following will occur the northern frosts that are expected during the week centering on June 10. These storms will be unusually severe and I advise to be on the outlook for tornadoes. Some destructive hail storms are expected. But it is quite difficult to locate hail, tornadoes and thunder storms. These all come from the same causes exactly. Hail comes from tornadoes that are so high that they do not touch the earth and they throw the moisture so high that it freezes into small, round ice balls, gathering and freezing more moisture as they fall, therefore the rough forms of hail. When the hail does not fall through a cloud, the hail stones are smooth and round. Crops should be insured for the first ten days of June. The storms of first week in June impress me to again warn you of their danger.

Northwest: North of 36, between 90 and Rockies' crest. Cool wave will cover that division on June 4 and as that is the central date of the severe storms you may expect a cold wave and killing frosts. Hail is expected June 1 and 2 and probably near 8. Warm wave will cover that division near 6 or 7, most rain near 2 and 8. Hail will cover an exceedingly small part of the division and the crop-weather will average good. Least rain will occur in small sections that have high ridges south or southeast of them; too much rain where the high ridges are north or northwest.

Southwest: South of 36, between 90 and Rockies' crest. Monotonous weather. No great changes in temperatures. Some danger of hot winds; not much danger of hail. Otherwise fair cropweather. Temperature averages higher than usual. All for the week centering on June 4. Probabilities favor a tropical storm in the Gulf of Mexico during the week centering on May 31. It will not be of much force for several days but will reach its greatest intensity near June 3. These tropical storms very often cause very cool weather in division Northwest and heavy rains within 500 miles of New Orleans.

Northeast: East of 90, north of 36. Temperatures below normal during week centering on June 5; only a little higher for week centering on June 8. Severe storms near 5, great fall in temperatures from 5 to 11. Good cropweather during first ten days of month. Frosts north of lakes near June 11.

Pacific Slope: North of 36, west of Rockies' crest. Variations in temperature fluctuations much the same as for Northwest except about two days earlier. The tropical storm on the Gulf of Mexico during the week centering on June 8 will cause lower temperatures than usual in northern Pacific slope and probably frosts in northern parts.

At least average crops will be produced by North America this year and market values of grain and cotton have been too high because of a great battle between the bulls and bears in which the former have been the masters. That battle is about completed and I believe the markets will go much lower before middle of June. Conditions, supply and demand have not warranted the recent high markets of these staples and I advise those who are on the long side of future deliveries to get out.

Department of INSURANCE AND BANKING State of Texas

Austin, Texas, April 17, 1922.
No. 306.

To all whom it may concern:
This is to certify that the Preferred Mutual Fire Ins. Co. of Dallas, Texas, has in all respects complied with the laws of Texas as conditions precedent to its doing business in this State, and I have issued to said Company a Certificate of Authority from this office entitling it to do business in this State for the year ending the 28th of February, 1923.

Given under my hand and seal of office at Austin, Texas, the date first above written.
ED HALL,
Commissioner.

The State of Texas, County of Lubbock.
To Those Indebted to or Holding Claims Against the Estate of S. G. Brasfield, Deceased.

The undersigned having been appointed Independent Executor of the estate of Samuel George Brasfield, deceased, late of Lubbock County, Texas, by the Honorable P. F. Brown, Judge of the County Court of said county on the 20th day of March, A. D. 1922, during a regular term thereof, hereby notifies all persons indebted to said estate to come forward and make settlement, and those having claims against said estate to present them to him at his place of business, to-wit, the Red Cross Pharmacy, in Slaton, in Lubbock County, Texas, where he receives his mail.

Dated at Slaton, Texas, this 19th day of April, A. D. 1922.

E. S. BROOKS,
Independent Executor, Estate of Samuel George Brasfield, Deceased.

The Slatonite and Progressive Farmer, one year each, only \$2.00.

—Let the kiddies have all the ice cream they want. It is splendid, wholesome food. When ice cream is home-made you know it is pure. And then don't you kind o' like ice cream yourself? Buy a freezer today and you will soon have money enough to pay for it.

HOGVILLE

As he was leaving church last Sunday morning Sid Hocks was heard to ask who it was that preached as he sat behind the hat worn by Mrs. Tobe Mosely.

The deputy Constable was called to the Gander Creek bottoms last night to quell the frogs, but they started again just as soon as his back was turned.

Miss Hostetter Hocks has received her box of beauty secrets from Chicago, and so changed her appearance last Sunday that she attracted unusual attention.

The front porch at the Rye Straw store has about worn out and the loafers are getting up a petition to have the road changed to run behind the store as the back porch is almost as good as new.

The public in general is proud to observe that our neighbor, Jefferson O'Plocks, is devoting a little more time to work. Only on last Monday morning he was seen chopping a stick of stove-wood, and again on Thursday afternoon he would have nailed a pailing on the fence could he have found the hatchett.

A discussion arose at the postoffice this morning as to what year it was in which Washington Hocks married. He was finally called in and questioned, and immediately left for home to find out from his wife.

While in Bounding Billows Saturday afternoon Sim Flinders attended the free lecture given by a man selling patent medicine on the street, and the man described all of Sim's ailments so well that Sim went home and got in bed.

Sile Kildew says his clock stopped, his cistern went dry, and his wife is wanting a new hat, but that there is one day of light left, as some friend early this morning left a sack of fine young kittens on the doorstep to brighten his home.

A general confusion was created in our midst today when Cricket Hicks appeared wearing his hat hind-part before.

On coming in with the mail Thursday the mail carrier found a large round black overcoat button with two holes in it, which the owner may have by calling and describing same.

The store at Bounding Billows was discovered to be on fire Wednesday morning of this week. The damage by the flames was not heavy but the in carrying things out of the building.

Fletcher Hestep's wife made him take several doses of quinine this week, and he says his head has been roaring so he catches himself now and then stepping out of reht dat sofgwg then stepping out of the road to let a cyclone pass.

Fletcher Henstep's wife made heim Sile Kildew opened the spring chill season this moring. Until he gets in practice he will have one only every other day.

An enlarged picture agent was through our community this week and did quite well. Yam Sims gave him an order provided he would enlarge all of the picture except his feet.

Atlas Peck, who has been under a great financial strain for several days, had a general collapse this morning when his wife asked him for 40 cents.

It was feared that some trouble would occur between Sile Kildew and Frisby Hancock, when they met Wednesday morning, but it didn't as they were afraid of each other.

While the rain was falling hard the other day, several dishpans and buckets were set under the leaks at the home of Washington Hocks and quite a lot of music was enjoyed from it. Salem Barlow, who was present, accompanied the noise on his banjo.

Slim Pickens violated one of the city ordinances of Tickville last Saturday afternoon, when he crossed the street after the Town Marshal had told him to wait until a wagon passed, and like to of got arrested, thereby.

Little Fidity Flinders is preparing to depart early tomorrow morning for the Calf Ribs neighborhood to led his grandma brag on his new pair of shoes.

Poke Eazley was reeding his weekly paper this morning when his wife and four children came in and began talking to him, while the other two started the phonograph, all of which came within an inch of making him lose his place.

Atlas Peck says Musket Ridge really ought to be about a half mile longer than it is, so that Frizby Hancock would have more room for his large imaginary snake he sees up there every spring.

The Rye Slraw storekeeper says to day is nearly always the time some fellow said he was going to pay.

ANTI-KLAN CROWD CANCELS MEETING FOR LANCASTER

Dallas, May 20.—There will be no anti-Klan meeting at Lancaster this afternoon. This was determined after a committee appointed by a mass meeting of citizens called at anti-Klan headquarters and informed officials that it would be dangerous to attempt to hold the meeting in the face of determined protest by the people.

The committee told the anti-Klan society that violence might follow if an attempt was made to speak in that city. The meeting was then called off. Last Saturday afternoon anti-Klan speakers were hooted out of Lancaster. It was understood a committee would call on the anti-Klan society from Garland today and urge the proposed speaking for that place this afternoon be called off.

Fresh Water—Healthy Stock—

FAT hogs and beeves, vigorous horses, cows that give a steady, heavy flow of milk are always to be found on the farm where there is an abundance of pure, fresh water. No stockman can ever afford to do without equipment that will keep an ample supply of water constantly before his stock. Especially can he ill afford it with the pre-war level of prices prevailing on The New Columbian

Red Bottom Tank

With a 5-Year Warranty

It is made of the best grade galvanized steel throughout. Top rim reinforced by clinched-on Patent tube top. Shell reinforced by two triple swedges or corrugations. Shell and bottom united by original Columbian double lock seam which forms a 4-ply steel reinforcement around bottom edge. All seams soldered tight by hydrogen sweating-in torch designed by Columbian engineers. Entire bottom and lower edge of shell thoroughly coated (over the galvanizing) with special rust-resisting, metal preservative, red pigment paint.
