## Ground Observer Corps Watches for Planes, Tornadoes; Meets Thursday

Members of the Ground Observer Corps will meet at 7:30 p. m. Thursday in City Hall Auditorium, according to Bill Daniels, local post supervisor.

Daniels, along with Charles Marriott, chief observer, stated that anyone who was interested in the Corps was welcome to attend. Persons from 12 years of age and older are eligible to become members.

Slaton's temporary post has been set up at the local Police Department building. In addition to watching for aircraft, G. O. C. members will serve as part of a nation-wide look-out system for tornadoes.

Normal procedure concerning tornado warnings is for the Weather Bureau office at Lubbock to notify local authorities of the possibility of tornadoes in this area. Should a "twister" be sighted on radar screen, then it would be the duty of the local Ground Observer Corps to keep track of the tornado, reporting its rate of travel, and the direction in which it is traveling.

G. O. C. members have practice alerts, and on such occasions they watch for certain types of aircraft. Sometimes we are on the alert for jet aircraft, Daniels said, and sometimes we must report all aircraft in the area. Reports of aircraft go into the Dallas filter center, and are made by telephone.

## Five Slaton Students Receive Honors Recognition in Texas Tech Ceremony

Five Slaton students were honored Sunday when Texas Tech honored the upper 5% of the student body. The All-College Recognition Service was held in Lubbock Auditorium recognizing outstanding students for their work.

In the School of Arts and Sciences, Slaton students included Paula Maxey Hudgens, Patricia Stansell, and Charles F. Griffin. Mary Alice Kenney and Betty J. Smith were recognized from the School of Home Economics.

Terry McDavid, grandson of J. Brewer, was recognized from the school of engineering.

Grady Smith

## Grady Smith Dies In Accident; Last Rites Today, 3 p. m.

Last rites for William Grady Smith, 22, will be held Friday at 3 p. m. in First Baptist Church, Slaton. Smith died Wednesday following an accident at his farm home near Bronco.

He died after an irrigation pipe which he was holding came in contact with a high voltage line.

A native of Slaton, Smith was graduated from Slaton High School in 1953. He was the son of Mr. and Mrs. Judge C. Smith Sr., Slaton.

On June 6, 1954, Smith was married to the former Jo Ann Halburton. The couple has one son, Grady Lamar Smith, 13 months. They had lived in Bronco two years.

Survivors, in addition to his wife and son, include his parents, two brothers, J. C. and Elton Smith, and a sister, Mrs. George Harlan, all of Slaton.

The Rev. J. T. Bolding will officiate at the services, assisted by the Rev. Ted Gaze. Burial will be in Englewood cemetery.

Pallbearers will be Johnny Hogue, Bill Butler, Alton Billings, Rufus Bryant, Wesley Reed and Bobby Jones.

Honorary pallbearers will include the boys and girls from Smith's graduating class, 1953, and from Mrs. Smith's graduating class, 1954.

A reception will be held at the service for the honorary pallbearers. Williams Funeral Home will be in charge of arrangements.

## Slaton Boy Places Second in South Plains Stock Show

A Slaton 4-H boy, Joe Bob Jones, won second prize with his Cheshire White Barrow in the light weight division at the South Plains Fat Stock Show in Lubbock.

His barrow was chosen out of a pen of 57.

The Lubbock County 4-H Club took first place in Showmanship for the entire show.

Jones is the son of Mr. and Mrs. Virgil Jones of Slaton.

## Slaton Represented at Permian Basin Meeting

Slaton was represented at the monthly meeting of the Permian Basin Water and Sewer Operators Association at Lamesa Tuesday evening by B. H. Bollinger, city commissioner, and George Willis, acting water superintendent. There were 104 in attendance at the Lamesa meeting.

Mrs. Fannie Patterson and her daughter, Mrs. J. D. Lawson, of Houston visited Monday night in Wolforth with their son and brother, Benton Patterson. Tuesday and Wednesday Mrs. Patterson and Mrs. Lawson visited in Olton with their son and brother, O. E. Patterson, and family.

Guests Sunday afternoon in the home of Mr. and Mrs. J. H. Poindexter were their son, R. V., and Mrs. Poindexter of Lubbock and Mrs. R. V. Poindexter's mother, Mrs. Lairsion of Nocona.

Mr. and Mrs. Earnest Meyer and boys spent last Sunday in Lorenzo visiting with Mrs. Meyer's parents, Mr. and Mrs. Roy Carpenter.

O. C. Owens of Littlefield spent the week end with his daughter, Mrs. Buford Martin, Mr. Martin, and children.

**AT SCHOOL, AT WORK**—Distributive Education students from Slaton High School put in from 15 to 30 hours per week at jobs in various business firms in Slaton. Bill Cox, left, is shown with his employer, Curtis Dowell, at Quality Cleaners. In addition to carrying a full load of academic work in high school, Bill is studying the cleaning business, through on-the-job training. He receives one credit toward graduation for classroom work in Distributive Education, and one credit for his job training. Training received through the distributive education program is constituted so as to give the student an insight toward management and operation of a like business. Mrs. R. S. Boyd is Distributive Education Co-ordinator for the local school. Bill makes his home here with sister and brother-in-law, Mr. and Mrs. Calvin Lamb.

## Officers Jail Six; Give Eight Traffic Tickets Over Quiet Week End in Slaton

Police officers reported a very quiet week end March 16, 17, and 18. Only six persons were jailed, and eight traffic tickets were issued.

A break-in was reported at Slaton High School. Only apparent loss was \$4.50 taken from a cold drink machine. The office of the Superintendent was entered, but nothing was noticed as missing.

Two juveniles from Lubbock were apprehended after apparently having broken into the W. O. Townsend home, 4 miles west of Englewood Cemetery. They were turned over to Lubbock County Juvenile Officers.

A child was reported bitten by a dog on S. 13th street. The dog is being kept under close observation.

Correction

Under the list of new residents given in last week's Slatonite, the address of Mr. and Mrs. Harold Voight was given as 1000 S. 12 and should have been 1000 S. 20th.

Guests Sunday in the home of Mr. and Mrs. Allon Meeks and children were Mr. and Mrs. A. R. McGuire and family of Muleshoe, Mrs. Meeks' parents, Mr. and Mrs. H. F. Wheatley, her grandmother, Mrs. C. K. Wheatley, her brother, Henry C. Wheatley, Mrs. Wheatley, and children, and Mr. and Mrs. Earnest Hargrove all of Post.

Guests Sunday in the home of Mr. and Mrs. Henry L. Preston were their son, Harold, and Mrs. Preston's sister, Mrs. James A. Flatt, all of Lubbock.

Mrs. Johnnie Collins returned home last week after two weeks in Lorenzo where she was caring for her mother, Mrs. A. M. Pair, who is convalescing after surgery.

Guests Sunday in the home of Mr. and Mrs. E. L. Phillips were their sons, Jack and family of Plainview, and Marion and family of Ralls.

Mr. and Mrs. J. C. Jones and Ronnie took Mr. Jones' mother, Mrs. J. O. Jones, back to Hamlin, Sunday and also visited with Mr. Jones' brother, C. D. Jones, who has been in the hospital.

## Babb Makes Appointments for 1957 At C of C Directors Meeting Tuesday

Truett Babb, president of the Slaton Chamber of Commerce, announced committee assignments at the first meeting of the board of directors held Tuesday night.

Babb, Bruce Pember, and Don Britt compose the executive committee. Pember is vice president of the Chamber, and Britt is treasurer.

Members of the board of directors will head each committee as chairman, and will appoint businessmen to the committee who are not members of the Board of Directors.

Committees, and their chairmen as announced include the following: Industrial, F. E. Perry; Swimming Pool, Ted Swanner; Farm and Ranch, Earl Reasner; Youth Activities, FFA and 4-H, Ray Bell; Highways and Streets, Bruce Pember; Christmas, Clark Self Jr.; Parks and Recreation, John Schmidt; City Planning, Sherrill Boyd; United Fund, Leroy Holt; Business Promotion, M. G. Davis; Publicity and Advertising, Don Crow.

Discussion was also carried on concerning the solicitation of funds or advertising by out of town persons. It was pointed out that numerous persons were soliciting in Slaton without obtaining a letter of clearance from the Chamber of Commerce office.

P. L. Vardy Jr. reported to the directors concerning his recent trip to the West Texas Chamber of Commerce meeting on community and area development.

## Rules Governing Ages of Prospective Players for PONY Leaguers Clarified

Age limits for boys interested in playing PONY League Baseball this summer as published in last week's Slatonite were incorrect in some instances.

Boys who are 12 years old now, but who will be 13 before August 1, 1957, will be eligible for play in PONY League teams.

Boys who are presently 13 are eligible, as are boys who are presently 14 years old, but who will be 15 after August 1, 1957.

Boys who will be 15 years old before August 1, 1957, will not be eligible for play.

Next meeting of the PONY League has been set for April 1.

## Oil Well Drilling Site Staked Out

Drilling site has been staked for the No. 1 Rhoads Well, which will be situated 660' from the North and West lines of the northwest quarter of Section 24, Block 24.

The Murphy Corporation of Denver is driller. Actual drilling is expected to begin next week.

The well will be drilled on land that was part of the Andy Caldwell estate.

## Idalou Minister To Preach Here

Virgil Lawyer, minister of the Idalou Church of Christ, will fill the pulpit of the Slaton Church of Christ on Sunday, March 24, and Sunday, March 31.

The minister of the local church, C. L. Newcomb, will be in Idalou conducting a revival meeting. Services begin March 24 and continue through March 31.

## Buy Auto Tags Now Avoid Late Rush

March 30 is the deadline for securing 1957 license plates, according to Mrs. F. A. Drewry, Deputy Tax Assessor-Collector. Until Tuesday of this week only 1,400 passenger plates had been purchased. Last year 2,400 were sold, by the deadline.

In order to eliminate the last minute rush, Mrs. Drewry urges those who have not yet purchased their plates to do so and not wait until the last days.

## Wingos Attend State Convention of Christian Churches in Dallas

Rev. and Mrs. Claude Wingo left Thursday morning for Dallas where they will attend the State Convention of Christian Churches, from Thursday through Sunday.

En route to Dallas they will stop and visit with Rev. Wingo's mother in Fort Worth, who fell recently and is suffering from injuries. Mrs. H. F. Martens will attend the meeting on Saturday.

## Large Crowds Attend Opening Services At Slaton Church of Christ Sunday

Slaton's Church of Christ opened its new auditorium Sunday, with more than 600 persons present for the 11 a. m. service.

C. L. Newcomb, minister of the church, stated that he was very well pleased with the attendance at all services Sunday.

Registered for Sunday School were 326 persons, which surpassed the previous record attendance of 247. Folding chairs were put into use at the morning service.

Over 300 persons heard Norvel Young preach at 3 p. m., and about the same number were present at 6 p. m. when J. V. Davis spoke on "Going Forward with God."

Newcomb expressed his appreciation, as well as that of the members of the church, to those who made it possible for the opening of the new auditorium to be as complete as it was.

## Intermediate Day Set at Westview

Sunday, March 24, has been designated as Intermediate Day at Westview Baptist Church in Slaton.

The day will begin with breakfast at 7:45 for all intermediates in their department. They will have charge of the eleven o'clock service with the pastor, Rev. Bryan Kross using as his subject "The Challenge of Youth." There will be intermediate choir practice at 5:30 with supper served them at the church at 6 p. m.

A goal of 100 per cent membership and guests has been set for the day's activities.

## Police Department Progress Told Local Lions Club Tuesday by Chief of Police

Chief of Police Bill Daniels gave a resume of the activities of the local Police Department before the Lions Club Tuesday.

Daniels became head of the local department on April 1, 1956.

Eight persons now comprise the staff. Included are the Chief, two radio operators, and five outside men. The five patrolmen are on duty 10 hours per day, six days per week. The radio operators work eight hours per day, six days each week.

### Two Cars

Two patrol cars, a 1957 Ford and 1956 Chevrolet are in use by the Slaton officers. Both are equipped with two-way radio, with a base station located in the Police Department.

Local officers can talk by radio to Lubbock, Tahoka and Crosby. Daniels stated that he hoped to obtain a taller antenna in order to reach more distant towns in the area.

Members of the Slaton Police Department include Daniels, chief, patrolmen Howard King, E. D. Robinson, Zanna Anderson, W. J. Todd, Joe Martin, Mrs. Grady Taylor is radio operator and bookkeeper, and Billy Vaughn is night radio operator.

Slaton's Police Department is housed in a building on 8th street, between Lynn and Crosby. An addition was made to the old jail in order to consolidate all facilities of the department.

### 13 Burglaries

Since April 1, 1956, 13 burglaries have been reported within the city limits, Daniels said. Local officers have issued 657 traffic tickets. Most violations are included in driving without an operator's license, speeding, running red lights, running stop signs, following too close, parking in school zone, and negligent collision.

### "Vag" to Murder

Until Saturday, March 16, 1,131 persons had been jailed. Daniels described charges against those jailed as ranging from "vagrancy to murder."

In comparing work of the department with that of other towns

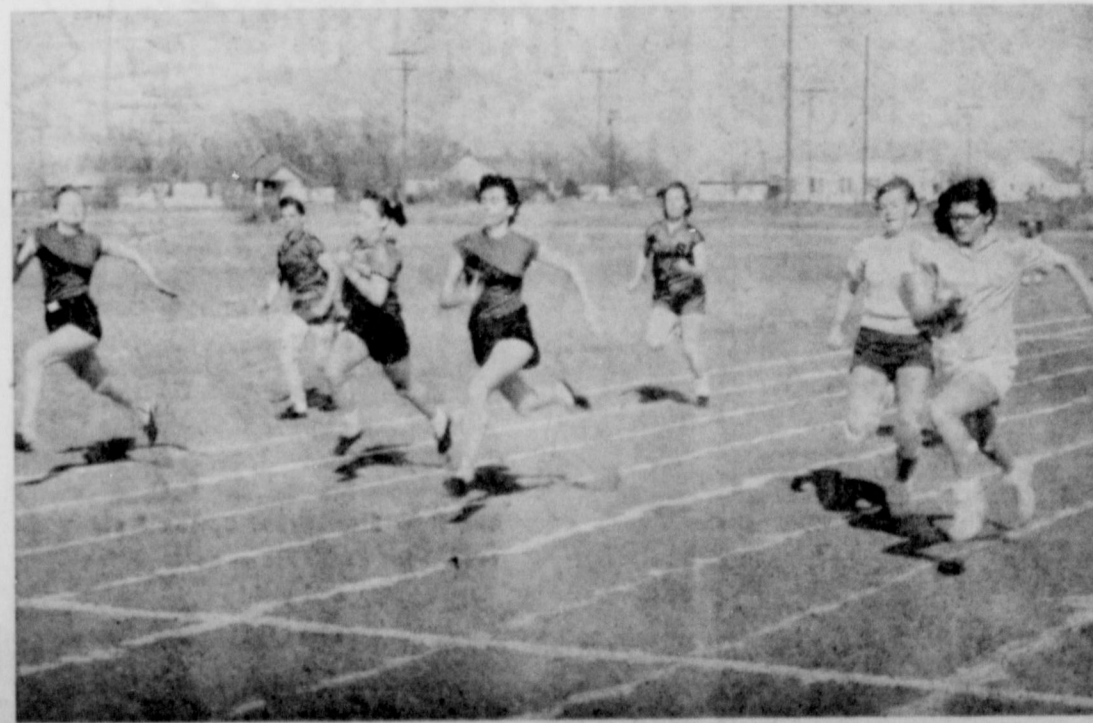

in the area, Daniels said that 680 fingerprint cards were on file in the local office. This is 75 more than the number on file in Brownfield, he said. Brownfield is roughly twice the size of Slaton, population-wise.

### Liquor Confiscated

Over 4,000 quarts of beer, plus sizeable quantities of whiskey, wine, and gin have been turned over to the State Liquor Control Board. This liquor, Daniels stated, is sold at public auction to the highest bidder, and the money was turned over to the State of Texas.

The money is used to help defray expenses of the Liquor Control Board, and the remainder goes into the state school system, Daniels said. The sale of confiscated liquor is made under state law.

Between April 1, 1956 and February 26, 1957, over \$23,000 had been turned into the City, as a result of fines collected, Daniels said. These fines, he explained, come both from drunks, and traffic tickets, and other violations.

**STRETCHING IT OUT**—Girls from Lorenzo and Southland gave it all they had when they ran the 50 yard dash last Friday. Lorenzo nosed the Southland girls on both the 50 and 100 yard dashes. Lorenzo's Terrell, shown above in the extreme right lane, was first in both events. Her time in the 50 yard dash was 6.9 seconds, and in the 100 yard dash was 12.9 seconds.

**MARK OF CULTURE**

A lot of people think in clichés when they consider such things as painting and music. They purport to love the classical and shun the "modern," or vice versa. This kind of blanket criticism cheats them out of a lot of good listening and looking.

The man who says, "I can't stand modern art!" and proves his point by never looking at any, is hurting only himself. The same goes for the fellow who claims to like nothing but modern art, and shies away from any painting that looks as if it might represent some natural object.

By the same token, those who scorn jazz and applaud anything composed in the classical vein are the poorer for this attitude. So are their opposites who groan at the mere sound of a symphony orchestra and listen avidly to a popular number—any popular number.

The fact is that some modern painting is good; some is abominable. And the same goes for painting in the classical tradition. Similarly, music is not "good" merely because it is symphonic, nor is all jazz "bad." First-rate jazz that says what its composer intended to say, even though this may be nothing very weighty, is much to be preferred to dull, poorly conceived symphonic music, however serious its composer may be.

To appreciate the good and shun the bad, no matter what kind of creative expression is involved—that is the mark of a cultured person.

**'THE BRIDGE AT ANDAU'**

James Michener, author of "Tales of the South Pacific" and other books, has written a moving account of the recent fight for freedom in Hungary. His new book, "The Bridge at Andau," is an angry but eloquent account of the heroism of the people who fought in the revolt.

Michener concerns himself with the stories of people, ordinary people who managed for a time to win a measure of liberty. He tells of factory workers, street car conductors and soldiers who in the moment of trial deserted the Russians and stood with their countrymen.

What took place in Hungary was significant, and that significance is captured in "The Bridge at Andau." The bridge referred to in the title connects Austria and Hungary, and it was across the Andau bridge that the beaten freedom forces escaped. Michener interviewed many Hungarians as they crossed the bridge to safety.

The Hungarian uprising failed. Yet it was a major blow against Communism, the most telling blow struck in recent years. The world has been inspired by the gallantry of a people who demonstrated that there are many still willing to dare death for liberty. To Americans who prayed and hoped for the Hungarians in that terrible hour "The Bridge at Andau" will bring a better understanding of just how remarkable that hour was.

**AID, NOT WASTE**

In contrast to the inexplicable waste of foreign aid funds desert in an air-conditioned Cadillac, he can use oil royalties for the benefit of his own people and build his own buildings for his government. Real aid for the people, yes; waste and aid to flatter monarchs, no! Steel Institute.

This committee is now on a world tour of study. From New Delhi it sends back word that American funds, used in the furtherance of India's second five year plan, have been used "constructively." In India, there is responsible economic and political leadership as far as the economic development of the country goes. Such leadership is essential. Without it, aid will be mere waste.

We win no friends by being suckers. We need clear cut objectives, intelligent administration and political good sense in the dispensation of aid. We need to stop deluding ourselves with slogans, and assuming that simply by spending money we are improving the world. When America launched the Marshall Plan we were inexperienced in giving such aid. Now there has been an accumulation of experience, and from it we should learn.

The stupid flinging around of dollars and calling this aid is corrupting. Aid should be given, but only in an intelligent manner and for the constructive purpose of assisting a backward country to develop its resources and lift the standard of living. This truism must be driven home again and again.

If a king like the Saudi Arabian monarch can ride the given to Iran over a period of five years, it is reported that aid given to India has been well used. So reports a non-political citizens committee appointed by the President and headed by Benjamin F. Fairless, president of the American Iron and

# Legislative Committee to Hear Auto Insurance Rating Bill on Tuesday

Information on a proposed flexible rating system that would allow insurance companies to reduce policy costs on car insurance will be presented to the House committee on insurance Tuesday afternoon, March 26.

Rep. Reuben Talasek of Temple is the author of the legislation (House Bill 27) that has gained support from motorists, bankers, farmers and many other buyers of casualty insurance and surety bonds.

A Senate committee last week

heard discussions of a companion bill that brought out the largest crowd of spectators thus far this session.

Information gathered on the Senate bill at the hearing will be studied by a sub-committee which is expected to report back to the committee as a whole in a few weeks.

More than a dozen witnesses spoke in favor of the flexible rating system at the Senate hearing. Farmers were represented by R. O. Senior of Fort Bend County, who

## Vote For Wayne Liles for MAYOR

### Statement of Intent If Elected:

I will serve as Mayor only. In most all progressive cities of the state the Mayor is separate from the city judge's office. This has proved by far the best system. Being Mayor of a city is not a full time job in any town. His job is to preside over the City Commission and he has only one vote as do the commissioners. The heads of the departments of the city are responsible for the operation of their departments. They are responsible to the entire city commission and not to the Mayor alone.

The City Commission has the power to appoint anyone they so desire to be judge of the city court.

I have been a resident of Slaton 35 years, graduated from the Slaton schools and attended Texas Tech; veteran of World War II; served on the school board as secretary for three years; have been a City Commissioner four years.

If you believe that the separation of the offices of Mayor and City Judge is best, then I solicit your vote.

I am not running for this office for the money to be made, but as a means of serving the city of Slaton as a civic duty. The small Mayor's \$15 monthly salary certainly will not compensate anyone for their time and work in promoting our town. The combined jobs of mayor and city judge pays \$200 per month.

I believe in operating the city government in a fair, impartial, Christian, business-like manner.

—Wayne Liles

said that the proposed bill would allow him to pay less for his car insurance. Two trucking company officials said insurance costs in Texas were 35 per cent higher than in other states which have flexible rating systems.

A Fort Worth man, George M. White, said when he moved from Michigan to Texas his car insurance costs went from \$48.10 to \$95.50. Michigan, he said, has a flexible rating system.

Several insurance agents and insurance company executives spoke against the bill, saying they liked the present "single" rating system by which the State Board of Insurance Commissioners sets a fixed price and did not favor any change.

### HANDLES

Not until the Fifteenth century did Europeans put much stock in last names. Most had none. If need be, they used their given names, and now and then their fathers' given names (like John John's son) or their home towns' or neighborhoods' (like Thomas of Aquinas).

But mostly they went by their given or baptismal names. Some churches today still call their members by their first names (Sister Joan and Brother Albert) like royalty (e. g. Queen Elizabeth). In certain European countries you can register a child's name if it is one of an approved list. High nobility goes by its last name (de Medici, Marlborough), but knights take their given names (Sir Winston).

Since people had little property interests in their last names, English and American law gave them little or no protection. Trade names, of course, are another matter.

But in France and Germany the law gives one a property interest in his name; you may get a court to keep somebody from adopting your name by showing it would harm you. But not as a rule in America or England.

For instance, on the ground that by his writing he had earned a property right in his name, Samuel Clemens (Mark Twain) once sued a man for printing a work called "Sketches by Mark Twain." But the court ruled that Mark Twain had no sole right to use either his own or his pen name, except on his own books.

As a rule you can change your name at will even without going to court.

But a court action to change your name puts the public officially on notice that you have a new one, and it saves you endless trouble in collecting debts, identifying yourself, getting credit, inheriting property, selling your home, getting insurance, Social Security Benefits, etc.

Some people change their names too much for their own good by using nicknames, middle names, and various ways of spelling the same name. It may cost real money to prove that John Jacob Smith is the same as Jack Smith, Jake Smith, J. J. Smith, or J. Jake Smythe.

Decide on a good name to put on legal papers, checks, contracts, auto licenses. Stick with it unless you have good reason to change it.

(This column, prepared by the State Bar of Texas, is written to inform—not to advise. No person should ever apply or interpret any law without the aid of an attorney who is fully advised concerning the facts involved, because a slight variance in facts may change the application of the law.)

Week end guests in the home of Mr. and Mrs. Jack Brookshire were their daughter, Mrs. Gus Redman, and Mr. Redman of Ballinger. Sunday guests were Mrs. Jeanne Landtroupe of Post, and Mr. and Mrs. M. M. Shearer of Ackerly. Mrs. Brookshire's mother, Mrs. Lillie Allen, who lives here in Slaton, had been visiting in Ballinger and came back with Mr. and Mrs. Redman but did not have her stay out so she returned with them.

# Texas' Out-of-State Visitors Top 8 Million in '56, Spend \$379 Million While Visiting

Texas last year played host to 8.4 million out-of-state visitors who spent a total of \$379 million while in the state, D. C. Greer, State Highway Engineer, announced today. A report on the Texas tourist industry for 1956, released today by the Texas Highway Department,

shows that the average tourist stayed 5.9 days and spent \$7.71 per person. For the first time, a survey of accommodations used by tourists has been included in the report. The majority, 62 per cent, favored motels, 9 per cent stayed in ho-

tels, 5 per cent camped out, and 24 per cent used other accommodations including trailers and homes of friends and relatives. **3 Million Vehicles** A total of 3.1 million vehicles carrying an average of 2.7 persons each entered the state in 1956.

California again led the list of out-of-state visitors by sending 1,223,000 to our state. Louisiana was second by sending 645,000 to our state. From a study of other states, Texas ranks high as a tourist state, topping the popular state of Flor-

ida by more than 4 million visitors last year. Figures used in preparing this annual report are obtained from survey cards distributed to tourists at the seven Highway Travel Information Bureaus located on major highways at the state's borders. Greer stated. Information from these cards is supplemented with data from other sources to compile the report, he said.

Mrs. Joe Neilon spent from Thursday to Tuesday with her daughter, Mrs. W. O. Hubbard, Mr. Hubbard, and family of San Angelo.

Sunday guests in the home of Mrs. A. J. Clifton and Melinda were her sister, Mrs. Sam McMillin, and Mr. McMillin, of Lubbock.

Mr. and Mrs. E. C. Houchin have returned from Trinidad where they visited with Mrs. Houchin's sister, Mrs. W. F. Story, Mr. Story, and family.

**YOU'D SING TOO if you were getting AYERS SUPREME GROW MASH**  
Mash — Pellets — Crumbles

Strong, vigorous, early maturing pullets are the kind that have the stamina and health needed for heavy, continuous laying. They are the kind of pullets that lay more eggs in their first year and when eggs are highest in price. But you cannot grow such pullets by feeding them a good Chick Starter for six weeks and then providing only forage and grain.

Growing pullets require a balanced, carefully blended ration just as baby chicks do . . . but the protein level can be lower. For greatest feeding economy feed your chicks AYERS SUPREME Grow Mash from the start of the seventh week until ready for laying house.

AYERS SUPREME Grow Mash supplies all the proteins, vitamins, and minerals needed by fast growing birds . . . and it is extra fortified with Vitamin B<sub>12</sub> and Antibiotic Feed Supplement for faster, healthier growth.

# Texas' 1956 Traffic Death Count Marked at 2,611; 111,501 Persons Injured; 228,832 Auto Accidents

By—Vern Sanford  
Texas Press Association

AUSTIN, Tex.—Some observers now predict that Legislative investigations of insurance companies will continue beyond the session's end.

Panels in both houses are delving into circumstances leading to the bankruptcy of the ICT Insurance Co. of Dallas. The more they investigate the more widespread and complicated the involvements.

Recent disclosures from testimony: Former Insurance Commission Chairman Garland Smith was on several occasions the guest of Ben Jack Cage, one-time ICT head, on pleasure trips. Smith's son-in-law, Max Wayne Rychlik, received \$8,400 in salary from Cage, for a job with no duties. ICT lost \$2,000,000 in a series of stock transactions with Pierce Brooks, head of National Bankers Life Insurance Co. of Dallas.

A Senate committeeman said that an independent investigator had been hired to look into the affairs of at least five other insurance companies.

Meanwhile, the Senate passed a bill by Sen. William S. Fly of Victoria to reorganize the Insurance Commission. It abolishes the present board and substitutes an executive director and a part-time, three-man policy board.

An amendment by Sen. Frank Owen of El Paso would require the Insurance Commission to move out of its headquarters. It occupies some eight floors of the International Life Insurance Co. building in Austin.

Owen contended that the state should not be paying rent to an insurance company over which it exercises control. Opponents counter that insurance companies of Texas pay the rent and the money does not come out of the state's general revenue fund.

They say further that if the commission returned to the old Land Office building, now inadequate for the enlarged commission, the state would be providing free space and forcing other departments to move—and pay rent.

Gov. Price Daniel is supporting a bill in the House, by Rep. Marshall O. Bell of San Antonio, which would provide a full-time insurance board. The Senate version is not the Governor's bill.

**NEW COMMISSION PUSHED**—Governor Daniel has put the "emergency" label on his request for a State Law Enforcement Commission.

Rep. R. H. Cory of Victoria submitted the Governor's proposal in a bill co-signed by 102 House members.

Commission's duty would be to "put the spotlight of truth" on charges of official misconduct.

Twelve members would include a chairman appointed by the Chief Justice of the Supreme Court, plus 11 other members named by grand jury foremen in the state's judicial districts.

**DANIEL BACKS TPA BILLS**—Simultaneously with his announcement of a Crime Commission Bill, Governor Daniel gave unqualified endorsement of 15 "Better Government" legislative measures recommended by the Texas Press Association.

Daniel extended his personal compliments to TPA and the press of Texas for "unselfish effort in the fight to bring better government to the State and its citizens."

In his endorsement the Governor said "the 15 bills sponsored by the press of Texas would supply some badly needed laws, and strengthen several existing laws. They have my unqualified endorsement."

**NEW WATER BOARD**—Another phase of the water conservation program has reached conference

Col. Homer Garrison, Jr., director of the Texas Department of Public Safety, announced the official figures today for the 1956 highway traffic death count.

Garrison said that with the official closing of the 1956 books on traffic deaths that 2,611 persons had been killed during the year

organizing state agencies has extended to mental hospitals.

A last-minute Senate bill incorporates the recommendations of a national authority who surveyed the Texas hospital system. Dr. Francis J. Gerty of Chicago proposed "disentangling" mental hospitals from "irrelevant services" (tuberculosis hospitals and special schools). He also suggested a model demonstration program at a new 500-bed hospital in the Houston-Galveston area.

New bill would create a Department of Mental Health under the present State Board for Hospitals and Special Schools. Texas Medical Association has endorsed the plan.

**SHORT SNORTS**—More guards are needed for the Texas Prison System says O. B. Ellis of Huntsville, general manager of the Texas Prison System . . . Farmers could use their pickup trucks with half-price license tags for routine household errands as well as farm work under a bill passed by the House, Rep. A. J. Bishop Jr. of Winters is author . . . Governor Daniel has set April 20 as the date of a special election to choose a successor to Rep. James E. Cox of Conroe . . . A bill to prevent unauthorized use of a political party's name has been introduced by Rep. Moyné Kelly of Afton. It is aimed at "Democrats of Texas"—a group frowned on by the State Democratic Executive Committee . . . Governor Daniel has signed into law a bill providing prison sentences for persons selling liquor or narcotics to prison inmates. He also signed a bill designed to prevent adulteration or mis-labeling of commercial feeds . . . Senate confirmation of 53 recess appointments of former Gov. Allan Shivers took care of all the Shivers slate except three. These are R. M. Dixon, Water Board chairman; R. F. Newman, Employment Commission; J. M. Patterson, chairman of the Board of Control.

**TRUCKERS SEEK INCREASE**—A bill to increase truck-load limits has stirred the perennial controversy between the motor freight and railroad industries.

Truckers are pushing a bill to increase the limit, now 58,420 to 72,000 pounds. Backers contend that putting the increased weight on an extra axle would mean no more wear and tear on roads than present loads. Truckers, they add, paid \$97,000,000 or 41 percent of state highway use taxes in 1956.

A State Highway Department bridge designer said that a 72,000-pound load would shorten the lives of Texas bridges. A railroad spokesman warned that truckers "can't pay enough for the damage done to Texas highways."

**LOAN LAWS URGED**—Measures to regulate small loan businesses are being studied in the House. At committee hearings former Sec'y of State Tom Reavley, the Texas Junior Bar, and a military official made strong appeals for loan regulation. They cited cases of interest and charges allegedly running to nearly 300 per cent.

A bill by Rep. Tony Korioloth of Sherman would license persons making loans up to \$500, allow 19 per cent interest and other charges up to 3 per cent a month on unpaid balance of less than \$100.

**MENTAL HEALTH DEPARTMENT**—Session's trend toward re-

and the economic loss in the state amounted to \$229,685,450.

He said his figures, compiled by N. K. Woerner, chief of the department's Statistical Division, show that 111,501 persons were injured during the year of 1956 and that there were a total of 228,832 motor vehicle accidents.

The state police director said the 1956 death count represented an all time high with 94 more deaths than were placed on the books during the record breaking year of 1955 with 2,547 fatalities.

"Actually," he said, "there was a three per cent increase in traffic deaths in Texas last year in comparison with 1955 and our death rate per 100,000,000 miles of travel raised only slightly to 6.5 as compared with 6.4 deaths per 100,000,000 miles of travel in 1955."

Garrison said several factors must be considered in the fatality figure. "We have more automobiles than ever before in our state and we are driving more miles than ever before. But that is no reason to expect an increased number of deaths in traffic accidents."

"With more driving we have become lax in our attitudes toward breaking traffic laws, and we have become selfish in our driving habits. The traffic officer can do only so much in removing dangerous drivers from the road; we need the full cooperation of the motoring public in making 1957 a safer year on our streets and highways."

The final count of traffic fatalities is withheld until March 15 each year because of late deaths that occur as the result of traffic accidents during the calendar year.

Mrs. B. A. Hanna accompanied by her sister, Mrs. L. H. Chambers, and daughters, Oleta, and Mary of Lovington, New Mexico, visited in Fort Worth in the home of her sister, Miss Mary Findley, her brother, W. A. Findley, and with her mother, Mrs. T. D. Findley, who celebrated her 97th birthday on March 16.

Mr. and Mrs. Wesley Smith of Acuff spent Sunday evening with Mrs. Smith's sister, Mrs. Dewey Nelson, and Mr. Nelson.

Sammy Phillips of Lubbock spent the week end with his grandparents, Mr. and Mrs. Sam Phillips.

Scheduled for two performances at the Lubbock Auditorium on Saturday, March 23, the United States Navy Band is primarily a stirring military band, capable of doing justice to all the magnificent works of music written for the Band. The approximately one hundred musicians who make up the group (Tour Band, around 55) are men of such fine musical versatility that the Band may on a moment's notice furnish a great Symphony Orchestra, a lively feet-ticking dance band or a string ensemble.

The Band's library of great band music is the largest anywhere in the world, including hundreds of compositions, latest "swing and sway" tunes, and numerous beautiful fantasies for string instruments. Commander Charles Brendler, conductor of the band, collects musical scores of all ages, including those just off the composer's desk.

To each city on their tour, the Navy Band offers two concerts—a matinee designed primarily for the youth of America, and an evening concert attuned to the more discerning ear of the adult audience. The matinee concert is devoted to popular music, novelties and classic presentations meant to be real fun for the student audience, while the night program is selected with the view of pleasing genuine music lovers of all ages. To make such a program possible, Commander Brendler, supported by a thoroughly capable staff, works for hours on a large chart in his office in the Sail Loft (Home of the Navy Band) prior to making his final decision. In this manner, the numbers in the concert programs are

carefully determined many weeks in advance of the tour. The programs have variety, but all selections for both matinee and night have one description in common: "Great Music by a Great Band."

Commander Brendler, ever anxious to please his audience, suggests that requests for special numbers may be handed to an usher to be given to him prior to or during the Band's performance. If time permits, some of the requests will be played as encores. Don't remain silent if you want encores. Any musical aggregation performs more brilliantly when helped through the medium of applause.

Tickets for the appearance in Lubbock are on sale at the Auditorium Box Office, priced at \$1.00 on the lower floor and \$.50 in the balcony for the Students Matinee,

\$2.00 on the lower floor and \$1.00 in the balcony for the Evening Performance.

Mrs. H. C. Gordon of Burleson visited from Friday to Thursday with her daughter, Mrs. S. W. Clark, Mr. Clark, and children.

Guests Sunday in the home of Bro. and Mrs. C. L. Newcomb and children were Messers and Mesdames Bob Hunter of Eunice, New Mexico, Charlie Hemline, Gene Bruton, Claude Brown, and Dwight Corbell all of New Home.

With three separate investigating committees functioning in Austin, more arguments appear daily in favor of Gov. Price Daniel's proposal that the state authorize a law enforcement commission for Texas.

The foundation for such a commission would be grand jurors selected from the 11 state judicial districts. This would do away with many one-shot investigating committees appointed in the House and Senate.

At present, two such investigating committees, one from the House and the other from the Senate, are looking into the ICT Insurance situation while a third committee is delving into the alleged offer of Rep. Cox to commercially withdraw his own bill

Sewell, chairman of the local drive committee. The drive had netted \$834.50 at the end of the three-day period, and there are numerous individuals who had not had an opportunity to make their contributions, and a number of business firms have not been contacted to date.

which threatened to outlaw the practice of Naturopathy in Texas.

There is no question of the sincerity of the nine House members who are conducting the Cox inquiry, or of the two committees investigating the ICT situation.

But there are arguments, however, against the type of committees they represent.

The mere mechanics of appointing a House inquiry group resulted in a wide breach in that body. Some of this stems from jealousy of individuals who wanted, and even asked for places on the committee, and were not selected. Some of it stems from sincere protests of East Texas legislators that they have no representation on the committee.

The investigating committee members themselves are in jeopardy of being criticized by the House as "witch hunters" or for attempting to advance themselves politically. This breach in the House caused by the Cox affair could very well have some effect on the legislative program.

# WILSON NEWS

**VARSITY SHOW, 1957**—The leads for the 1957 Varsity Show, "On The Town," go through one of the scenes from the production, scheduled for April 12 and 13 in the Lubbock Municipal Auditorium. From left to right are Ross Cass, Kay Adkins, Don Armstrong, Shirley Du Priest, Sandra Shields, and Rex Pope. Representatives will be in Lubbock on March 30 to sell tickets to the production.

## Varsity Show Set for Lubbock April 12, 13; Slaton Ticket Sales Planned

The 1957 Varsity Show production of the Broadway musical "On The Town" will be presented in the Lubbock Municipal Auditorium at 8 p. m. on April 12 and 13. Show officials stated that this year's production is expected to surpass "in many ways" the preceding Varsity productions.

The story concerns three sailors who are on a 24-hour leave in fabulous New York City. The show opens with the exciting musical number, "New York, New York," which sets the fast and lively pace of the entire show. To the original musical score of the Broadway production starring Mary Martin, much additional music and orchestration has been added by this year's director, John Gilbert—a music major at Texas Tech.

The choreography is under the direction of Marianna Wilson, who has studied in New York under Louis Da Pron, the choreographer for the Perry Como Show. Through Miss Wilson's interpretation of the dance sequences, her choreography is equal to any Broadway musical show directors have said.

The Varsity Show staff stated that they felt sure that this year's production will prove to be most entertaining to the people of this area. "We feel that a new high in entertainment standards will be set for the South Plains by this show," according to Wayne Gibbons, producer.

In order to facilitate the purchase of tickets for "On The Town," a representative of the Varsity Show Staff will be in Slaton Saturday, March 30. Advance ticket prices are 75c for students and \$1 for adults. There are no reserved seats.

Tickets may also be purchased by mail, by addressing The Varsity Show Office, Student Union Building, Texas Tech, Lubbock.

## Plans Laid for Colored Youth Center Business Meeting Held Tuesday

Sylvester Scott spoke on "The Determination To Do Something for Ourselves," when the officers of the Colored Youth Center met Tuesday evening.

Ernest R. Behlen, business director and supervisor for the Center, called the meeting in order to discuss up business concerning the center.

Also speaking at the meeting were Harley Rainwater, who discussed the operation and activities of the Center, and future plans for the center.

Dixie Hodge is chairman of the center, with Hex Thomas serving as treasurer, and Charlie Parker, secretary.

The center is used for youth activities, family reunions, and community activities.

Behlen stated that the center is now debt-free, both the building and the lot. The building has been completely remodeled, and painted inside, with new doors, and hardwood floors installed. The kitchen has also been re-arranged.

Present at the Tuesday meeting were Sylvester Scott, Harley Rainwater, W. E. Rainwater, Moe Jackson, Jack Walker, Charlie Parker, Tyler Clemmins, W. V. Dickson, Charlie Parker, and Behlen.

Students from the third grades of West Ward School presented "Facts About Texas" to local Rotarians Thursday at the Slaton Clubhouse.

Mark Todd served as Master of Ceremonies.

Various individual class members presented various facts concerning the State of Texas. "Texas, Our Texas" was sung by a girls sextette. "Texas Under Six Flags" was centered around the flags under which Texas has lived. Explanations of each flag were given.

With class members gathered around a campfire, the group sang several Texas songs, including "Deep In The Heart of Texas."

Also presented were individual numbers and a boys' quartet.

"Put Your Little Foot" was performed by eight couples, accompanied by the class. The program closed by the class singing "This Is Texas, Land I Love."

Mrs. Virgie Hunter and Mrs. James Perkins accompanied the third graders.

Nominations for Rotary Officers were made by the Nominating Committees. M. G. Davis was nominated for president; Francis Perry and Melvin Kunkel, vice president; Gordon Davis, secretary-treasurer; Henry Treptow, song leader; John Schmidt and Don Britt, sergeant-at-arms; Mrs. Flora Mae Williams, pianist; and Harry Stokes, Wayne Kenney, Albert Grigsby, and Hobart Trimpka, directors.

# Dashes, Discus, Shot Put All in Day's Work For Southland, Lorenzo Girls' Track Teams

Track meets can be interesting, but it's even more so when two girls teams compete. Friday afternoon at Southland, the Southland girls team held a track meet and was in competition with a girls team from Lorenzo. Coaching the Southland girls this year is H. E. Lewis. This is Lewis' second year at Southland. Previously he coached at Ralls. The Southland girls will compete in the Bluebonnet Belles track meet in San Angelo on Saturday, April 27. A Southland sophomore last year, Libby Hill, was high point girl in the State AAU competition.

Libby is a junior at Southland this year. Events held at the meet included the 50 and 100 yard dashes, the high jump, 160 yard shuttle relay, 240 yard shuttle relay, 440 yard relay, discus throw, shot put, broad jump, and baseball throw. In the 50-yard dash, Terrell of Lorenzo placed first with 6.9 seconds. In second place were N. Mueller of Southland, and D. Ellis of Southland placed third. In the 100-yard dash, Terrell of Lorenzo placed first with 12.9 seconds. Lynch of Lorenzo placed second. Southland's Linda Davis placed

first in the high jump competition by jumping 4' 6". Taylor and Terrell, both of Lorenzo, placed second and third, respectively. With a time of 22.3 seconds, Southland's team defeated Lorenzo in the 160 yard shuttle relay. On the Southland team were D. Ellis, L. Davies, N. Mueller, and L. Davis. They competed against Lorenzo's Taylor, Terrell, Lynch, and Parish. In the 240 yard shuttle relay, Southland won with a time of 31.7 seconds. The same team from Southland competed against Lorenzo's team composed of Taylor, Terrell, Lynch, and Hapke.

Southland's relay team took first place in the 440-yard relays also. A discus throw of 98' 6" gave Arlie Neugebauer of Southland first place. In second place was Carolyn Kasinger, with Linda Haliburton in third place. Miss Neugebauer also won first place in the shot put event. Her throw of 31' 2" topped the second place throw of K. Anderson to put Miss Anderson in second place. Carolyn Kasinger threw a baseball 194' to win first place in the baseball throw event. Linda Davis, also of Southland, placed second.

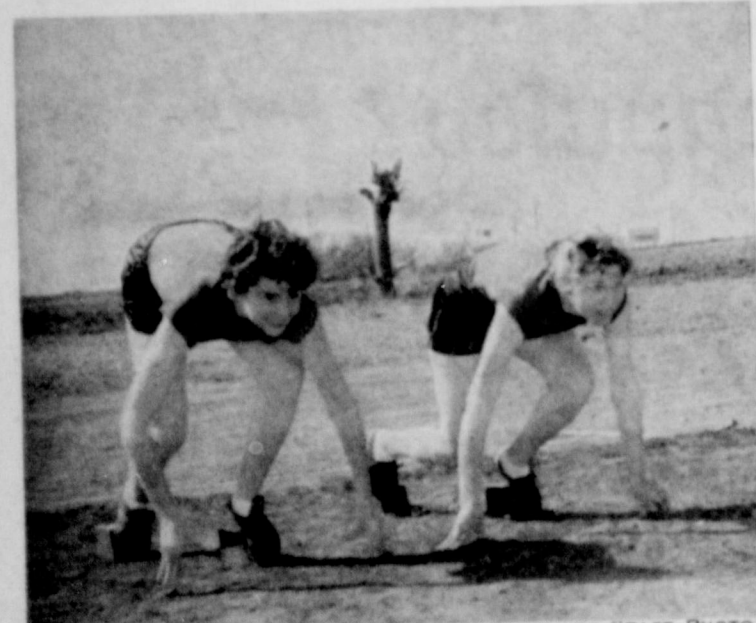

**SOUTHLAND GIRLS TRACK TEAM**—Pictured above, left to right, are members of the Southland Girls track team. Coach for the team is H. E. Lewis. On the first row are J. Ellis, B. Klesel, D. Field, M. Spurlock, and K. Mueller. On the back row, left to right are L. Davis, O. Truelock, L. Davies, S. McGehee, S. Oates, A. Neugebauer, D. Ellis, K. Anderson, N. Mueller, L. Haliburton, and C. Kasinger.

**WINNER IN SHOTPUT**—Arlie Neugebauer placed first in both the shot put and discus throw when Southland went against Lorenzo last week in a girls track meet. She threw 98' 6" in the discus throw, and placed the shot put 31' 2".

**SOUTHLAND HURDLER**—Linda Davies, Southland School student, is Coach H. E. Lewis's entry in the hurdles. The Southland girls will go to San Angelo in April to enter the Bluebonnet Belles Track meet.

**SOUTHLAND RUNNERS**—Nancy Mueller, left, and Donetta Ellis, right, represent Southland in the 50 and 100 yard dashes. Coach of the team is H. E. Lewis.

**HIGH JUMPER**—Linda Davis jumped a height of 4' 6" Friday to take the high jump event from Lorenzo. She also placed first in the broad jump with a jump of 15' 9 1/2".

**DISCUS THROW**—Carolyn Kasinger was nosed out in the discus throw Friday, when Lorenzo and Southland met. But it was all in the same team, for her teammate, Arlie Neugebauer, placed first. Carolyn took second place.

# Mahon States Controversy Over Poage Cotton Bill Likely to Continue for Several More Weeks

George Mahon of the 19th district has reported from Washington that the controversy over the Poage cotton bill will continue several weeks and that the outcome is uncertain.

He said figures prepared by the Department of Agriculture that if the Poage bill is enacted it will cost the 19th Congressional District of Texas 100 acres of cotton allotment per year, channeling the acres into East and Central Texas.

This would result from changing the base period for allotments from the previous five years as in the present law to the previous three years, Mahon explained. The Congressman and representatives of the Plains Cotton Growers pointed this out in testimony before the House Committee on Agriculture last week.

One provision of the Poage bill would require the Department of Agriculture to establish a special loan on light spotted cotton. West Texans have been working for a light spot loan program for a long time. The Secretary of Agriculture now has the authority under the present law to establish such a program.

In order to take the light spot issue out of the area of controversy, Mahon has introduced a separate bill which provides for a loan on light spot cotton but which omits the objectionable provisions of the Poage bill. Mahon said he would work for a settlement of the controversy which would include elimination of all provisions of the Poage bill which are discriminatory toward West Texas.

The Congressman pointed out that our cotton problems are national in scope and that no good purpose was being served by proposals reopening the cotton allotment fight between East and West Texas.

Mahon said he had received much helpful information in regard to the cotton acreage controversy from various farm organizations and farmers in West Texas and that he was presenting it to the House Committee on Agriculture. He said that he would keep West Texas farm groups advised of developments on the pending legislation.

## FROM WARM SPRINGS

# FACT AND FANCY

by *Wesley H. Richter*

(Wherein the director of public relations at the Gonzales Warm Springs Foundation tells of Texas' own physical rehab center and also throws in a little tongue-in-cheek palaver for which, incidentally, the management is not responsible.)

I have taken note of the fact that there are more than two score candidates for the single office of United Senator, and I'm not sure if I'm enthused, amused, or confused. I'm inclined to think it's all a little Alice-in-Wonderlandish.

But it does have a heartening aspect. For years I've been hearing that the trouble with politics in this country is that it has deteriorated so that, as the man says, you can't hardly get a good man to run for office no more. Well, nobody is going to convince me that in any given group of two dozen Texans there won't be two or three that measure up pretty tall.

At least each of these guys had \$50 to lay on the line as a filing fee or else had a friend who had \$50—which is something in itself. On the other hand, a voter has to be cautious about a candidate with too many friends, because you know very well some of them are liable to end up with some big defense contracts, or something.

There has been right smart palaver in our legislative halls over the handling of this election—whether to have a run-off or not to have one or whether to forget the whole thing and go along with the appointee, Mr. Blakley. We've had a Herring bill and a Pool bill, which gives the whole affair an aquatic touch and makes me want to go fishing.

What I really think we ought to do is divide the total number of

Miss Anna Jean Phillips of Borger, one of the "exes" of the Gonzales Warm Springs Foundation, has recently been named chapter committee chairman, District 8, of the Indoor Sports' Club, Inc.

This organization, which is concerned with securing benefits and privileges for the physically handicapped, is national in scope and has eight chapters in Texas with 193 members.

A polio victim, Anna Jean came to Warm Springs and learned to walk again last May, having contracted polio in 1939. She walks on crutches, drives her own car, and operates a successful duplicating service in Borger.

## Local Pastor to Deliver New Orleans Dedication Sermon

The Rev. Tenry F. Treptow, Pastor of Grace Lutheran Church, Slaton, will deliver the Sermon of Dedication for the new Christ the King Lutheran Church, New Orleans, Louisiana, on Sunday, March 24th. Christ the King Church is located in the Kenner Subdivision of the city of New Orleans and is a three-year-old congregation established by the Board of American Missions, American Lutheran Church. The Rev. Charles Boaz is the pastor.

Pastor Treptow is at present the Secretary-Treasurer of the Texas District Home Mission Committee, under whose guidance this congregation was formed. There are at present 16 home mission congregations of the American Lutheran Church under the jurisdiction of the District Mission Committee in Texas and Louisiana.

Despite the absence of the pastor, Grace Lutheran Church will maintain her regular Sunday morning order of services, with Sunday School and Adult Bible Class at 9:30 and Church Worship at 10:45. Pastor and Mrs. Treptow will return to Slaton next Wednesday afternoon.

Mr. and Mrs. George Evans left Friday for Kansas, City, Kans., for a week's visit with their son, Harry, Mrs. Evans, Harry Jr., and Patricia.

Wilburn Sharp of Midland was a guest Sunday in the home of his brother, the Rev. J. B. Sharp, Mrs. Sharp, Jimmie and Bob.

## Dream Cars To Grace West Texas National Auto Show Through Sunday in Lubbock

Futuristic "dream cars," nationally-known entertainment and more than \$2,000,000 worth of automobile exhibits will be featured in this area's first auto show since the 1930s.

The West Texas-National Auto Show, to be held at Lubbock March 20-24 in Municipal Coliseum, will benefit the Texas Tech Red Raider Club and its athletic scholarship fund.

'57 Chevy

A new 1957 Chevrolet will head the list of free prizes to be given away at the five-day auto extravaganza. Other door prizes will be awarded nightly.

Auto dealers throughout the area are sponsoring the show as "cooperating dealers" who will be listed in advertising and publicity before and during the event, said J. Ray Dickey of Lubbock, general chairman.

Exhibit Space Filled

The coliseum exhibit space is all sold out, officials announced, and ticket sales have gained momentum.

"It looks like the West Texas-National Auto Show is going to be one of the biggest events in the area," Dickey said.

Adding even more glamour to the event will be pretty Tech coeds who will act as hostesses to show people to various exhibits throughout the Coliseum.

Entertainment Told

Entertainment includes the Blue Barron Orchestra, Candy Candido, the singing Mascots and Tippy and Cobina, a monkey act. All talent is nationally known from road tours, television and radio.

Admission tickets are being sold by Red Raider Club members, auto dealers throughout the South Plains, and by filling stations. They are priced at \$1 for adults and 50 cents for children under 12.

Show times will be 5 to 11 p. m. on March 20-21-22, from 2 to 11 p. m. Saturday, March 23, and from 1:30 to 7 p. m. Sunday, March 24.

"We decided that Sunday afternoon would be a good time for the show," Dickey said, "but we wanted to be closed up before church starts Sunday night."

## Last Rites Held For Brother of Mrs. W. L. Blaylock

A Valley Mills resident, J. B. Shaw, 82, was buried Sunday at Valley Mills. He was the brother of Mrs. W. L. Blaylock of Slaton.

Shaw died Saturday in his sleep.

Funeral services were conducted from the First Methodist Church, Valley Mills. Shaw was a member of the Baptist Church.

Survivors, in addition to Mrs. Blaylock, include his wife, five daughters, one son, three brothers, and two additional sisters.

Burial was in Valley Mills Cemetery.

The curiosity created by the mention or signs about freshly painted surfaces is uncanny. Being an inquiring sort of people, most of us will not take for granted such notice. We must have a feel or other evidence of the existence.

There's logic in that old phrase, "Seeing's believing." And when we refer to a fellow from Missouri we usually mean that the guy must see it to accept it. Down here in Texas, however, many of us have to feel it before we are convinced. For example:

Entertains Room Mothers**

The Help One Another Club of Evans School, made up of children of the fourth and fifth grades, held their meeting on Friday, March 15 when they entertained the room mothers and the Rev. and Mrs. Dixon with a party. Room mothers present were Mrs. Bessie L. Scott, Miss Annie Lauris, Mrs. Eula Faye Johnson, Mrs. Clara Jefferson and Mrs. Roxie White. Refreshments of fried chicken, salmon and tuna sandwiches, cakes, pies, ice cream, soda pop and popcorn were served. Gifts were presented to each of the room mothers and to the Rev. and Mrs. Dixon.

Officers of the Help One Another Club are Shirley Ann Johnson, pres.; Oren L. Smith, vice pres.; Ietta White, secretary; Carolyn Posey, assistant secretary; Lena F. Smith, treasurer; Mrs. I. Walton Gree, teacher of the fourth and fifth grades.

**Contest Winners**

Winners for the program given during Public Schools Week were announced at the meeting. Winners in arithmetic were Ietta White, first place; Carolyn Posey, second place; Lena F. Smith, third place. In spelling Jessie L. Johnson won first place with Barbara Whiting as second place winner. Others placing were Ietta White, third, Carolyn Posey, fourth and Lena F. Smith, fifth.

The children told how they helped others including their parents, sisters, teachers and brothers. Some washed dishes, some cooked, some washed cars, and some took care of the sick.

**A HOPEFUL CROP YEAR IN SIGHT**

Although Texas' drought remains unbroken, it has been eased somewhat and many farmers face their first hopeful crop prospects in years.

Not since 1951 has planting moisture been available to so many of our hard-hit farmers. Good February rains have fallen over much of the state, restoring confidence to hundreds of those who have survived the long, dry years in between.

In the Lower Rio Grande valley, where early prospects were dim and irrigation water critically low, cotton plants have begun to emerge and many farmers have withdrawn cotton originally signed up under the acreage reserve program.

Probably the most encouraging report of all, however, comes from the real drought bowl which lies south of San Antonio and west of Laredo. That area has been virtually without rain for seven years, and only this year have many cotton farmers had proper planting moisture.

As a practical matter, pink bollworm regulations which prevented cotton planting in 22 of these South Texas counties before March 5 were changed to allow farmers to take full advantage of the mid-February rains. And those who planted on the heels of the first rains were blessed by later moisture which should bring their crops up.

But even with glowing reports from these and other sections of the state we are still faced with the lasting effects of drought hardship. Even if the drought should end soon, and we have no assurance that it will, recovery is still a long way off.

The dry weather has left its mark with many mortgages, wind-eroded fields and broken spirits. Drought relief measures must be continued without relaxation and all future aid consideration must go on.

The future, as in all of these lead years, remains uncertain. But Texas farmers are at least thankful for the opportunity to be hopeful, and this year their hopes are high.

Mrs. Byron Johnson and Mrs. W. A. Shelton attended workshop of the Junior High Girl Scouts at the Girl Scout little house in Lubbock, Wednesday.

Mr. and Mrs. O. E. Lumsden and Mr. and Mrs. Bill Morgan spent Sunday visiting in McAdoo with the Lumsdens' daughters, Mrs. Dale Neff, and Mr. Neff, and with Mrs. Bobby Hardin, and Mr. Hardin.

Mr. and Mrs. W. L. Blaylock attended the funeral Sunday of Mrs. Blaylock's brother, J. B. Shaw, in Valley Mills.

Week end guests in the home of Mr. and Mrs. Paul Brasfield were Jack Huddle of Odessa, and Mrs. Mary L. Davidson of Lubbock.

## Home Talent Entertains Friendly Four Club Meeting

Eighty women attended the annual joint meeting of the Civic and Culture Club, Junior Civic and Culture Club, the Daughters of the Pioneer Study Club and the Athenian Study Club at the Clubhouse Friday evening, March 15.

Hostesses for the occasion were Mesdames Tom Claiborne and J. Sharp from the Daughters of the Pioneer Club; Mrs. George Harlow from the Athenians; Mesdames Cummings and Floyd Jordan from the Junior Civic and Culture; Mrs. H. G. Sanders from the Civic and Culture Club.

**Clever Program**  
A clever program, made up of numbers by each of the clubs, was featured. As an ice breaker, a get acquainted game of bingo, using names of guests, and a contest of state abbreviations were on the agenda. A stunt was given by the Civic and Culture Club, a group of the club members ending the premiere of Elvis Presley's picture "Love Me Tender" in pantomime. The Athenian Club presented Mrs. M. G. Davis who sang two numbers accompanied by Mrs. Sam Mullenax. They furnished music during the hour with Mrs. Mullenax and J. D. Perkins at the piano. A "Little Alexander" featuring R. W. Cudd as narrator and Virgie Hunter as Little Alexander was given by the Junior Civic and Culture Club. This is the story of Little Alexander in his early boyhood through old time in costume, playing his condition, "Alexander's Ragtime Band." The closing number was

given by the Daughters of the Pioneer Club when they had a "typical" business meeting. Mrs. Cecil Scott as Mrs. Simpkins, was the president of the club known as "Daughters of Pity." Mrs. Robert Hall Davis was secretary, and Mrs. Jack Nowlin and Mrs. Bob Ayers were on the executive meeting with Mrs. Earl Reasoner as parliamentarian who finally threw the parliamentary book away, when members of the committee began talking about their operations, so that she might enter into the conversation.

The program was planned by a committee composed of Mrs. Earl Reasoner, John Morris, George Culwell, J. A. Elliott, C. M. McPherson and R. M. Shepard. Mrs. Sherill Boyd emceed the program.

**Tea Hour**  
Mrs. H. G. Sanders, president of the Civic and Culture Club, presided at the tea table laid with a linen cloth, centered with an arrangement of blue Dutch Iris and Bells of Ireland. Silver and crystal appointments completed the table decor. Refreshments of spiced tea, bread and butter sandwiches, cookies and nuts were served.

Members of the Daughters Club drew names from each of the other three clubs for their club family with the member of the Civic and Culture Club, the mother club of Slaton, as the mother of the family and each of the others the sister two club members as their sisters. Quartet tables were arranged in the reception room where each family was seated together with paper dolls as place cards.

## April Date Set for Smith-Thompson Wedding Vows

Mrs. Christine Smith of Santa Anna is announcing the engagement and approaching marriage of her daughter, Christine Elizabeth, to R. A. Thompson Jr., on April 14, at 2 p. m. in the Baptist Church in Santa Anna. Rev. Purvis, pastor of the church, will officiate.

Donnie, as she is known by her friends in Slaton, makes her home with her aunt, Mrs. D. A. Biggs, and commutes to Lubbock where she is employed by The State Reserve Life Insurance Company.

Mr. Thompson is the son of Mr. and Mrs. R. A. Thompson Sr. of Slaton. He is assistant manager of the Piggly Wiggly Market in Post.

## Linda Shelton Hosts Troop 96

Each member of Girl Scout Troop 96 brought a picture of a dress she had designed to the meeting last week which was held in the home of their leader, Mrs. Byron Johnson. They also discussed their notebooks at the meeting. At the meeting this week each girl will report on her Girl Scout Week activities.

Linda Shelton served refreshments to four members, Mrs. Johnson and the co-leader, Mrs. W. A. Shelton. To carry out the Girl Scout colors the hostess served cup cakes iced with white and topped with "45" in green numbers, the 45 symbolizing the 45th birthday of scouting. Cakes were also served.

Further plans are being made for the money raising campaign for the Juliette Lowe Fund. Juliette Lowe was the founder of Girl Scouting in the United States. Each troop in the "Tejas Neighborhood" of which Slaton is a part, will participate in the fund drive which is being carried on throughout the month of March.

## Slaton Students Pledge Social Clubs at McMurry

Two students from Slaton have been invited to pledge social clubs at McMurry College. They are Miss Micky Ward, daughter of Mrs. Geneva Smith; and Miss Sue Corley, daughter of Mr. and Mrs. C. E. Corley.

Miss Ward is pledging Gamma Sigma and Miss Corley is pledging Delta Beta Epsilon social clubs at the Methodist college. They are among the more than 100 McMurry students who received invitations to pledge the nine clubs for men and women during the current spring semester.

Both Miss Ward and Miss Corley are 1956 graduates of Slaton High School. Micky was a member of the choral club, FHA, and the pep squad in Slaton High. Sue was cheerleader, participated in basketball, was a member of the student council and was in the choral club.

# Easter Seals Furnish Research Money For Palsy, Club Feet, Cleft Lips, Other Crippling Abnormalities; Drive Started

Euclid Hudson, Port Arthur civic leader and president of the Texas Society for Crippled Children and Adults, will head the 1957 Easter Seal Appeal in Texas, the Society's state headquarters in Dallas announced today.

Research Tells  
Calling attention to the many crippling conditions still unacquainted, Hudson said in accepting the state chairmanship that research and rehabilitation are the

only ways to defeat the cripples. "Research will eventually tell us the causes and methods of preventing such conditions as cerebral palsy, club foot, cleft lip and palate, and will find better ways to minimize the results of burns, accidents and other cripples," he said, "but vast amounts of study, funds and time will be needed."

Discussing plans for the Easter Seal Appeal, Hudson said that the Society seeks a total of \$300,000

in 1957 to maintain its present program of aid for the crippled and to provide greater services in the future.

Goals Set  
"Our goals have been set," Hudson said. "We need more funds to reach a greater number of crippled children; all must be given a chance to grow up as normally as possible and become useful, productive adult citizens, able to care for themselves and the families they will have."

In addition to birth-deformities and disease-caused crippling, Hudson said that the number of accident-crippled children and adults is constantly increasing.

"Over two-fifths of the patients seen in Easter Seal treatment centers over the nation today have been crippled by accidents in home, car, industry or sports," he said.

Accidents Cripple  
Soaring accident rates and modern surgical procedures and drugs which now save thousands of injured who only a few years ago would have died are creating a large population of disabled Americans, Hudson said, adding that the need of community facilities for physical restoration and rehabilitation of the crippled is apparent.

"At this time there is no place in Texas where an accident victim can receive the complete and integrated rehabilitation so often needed to overcome the physical

and psychological effects of a serious accident, and where one can learn new skills and methods which will make it possible to take an active and useful place in the world again," the Easter Seal leader said. "We must find a way to offer full rehabilitation to any crippled person who needs it. These persons have the right to be saved for more than just a life of idleness or dependence on others."

"These are the Easter Seal Society's goals," Hudson said. "They can't be reached by one man or committee, but with the helping hands of all persons interested in the well-being of crippled children and adults, I fervently hope that these goals will be attained."

A week end guest in the home of Mr. and Mrs. Irby G. Smith was Mrs. Smith's nephew, John L. Van Dyke, of Abilene Christian college at Abilene.

Mrs. Garland Swann and daughters of Plains visited Tuesday with her mother, Mrs. J. R. Thompson.

Mr. and Mrs. Tom Martin of Washington D. C. visited from Sunday to Tuesday in the home of Mr. Martin's sister, Mrs. G. W. Martin, and Mr. Martin, and his nephews, Buford and Calvin Martin and families.

## Travelling Hosts To Visit Here

NESTLE'S HOSPITALITY CARAVAN will be in Slaton Tuesday, March 26, at the Drive-In Grocery. Ralph and Peggy Harrell, above, will dispense hospitality instead of accepting it when they stop here. From this modern kitchen trailer the Harrells, on behalf of The Nestle Company, Inc., will serve Nescafe, the modern instant coffee, and Nestle's chocolate products to all who stop at their trailer. Nestle's is among the first of the food manufacturers ever to send a Hospitality Caravan like this on a nation-wide tour.

## STRENGTH FOR THE WEEK

Psalms, Chapter I: "Blessed is the man that walketh not in the counsel of the ungodly, nor standeth in the way of sinners, nor sitteth in the seat of the scornful."

"But his delight is in the law of the Lord; and in His law doth he meditate day and night."

"And he shall be like a tree planted by the rivers of water, that bringeth forth his fruit in his season; his leaf also shall not wither; and whatsoever he doeth shall prosper."

"The ungodly are not so, but are like the chaff which the wind driveth away."

"Therefore the ungodly shall not stand in the judgment, nor sinners in the congregation of the righteous."

"For the Lord knoweth the way of the righteous; but the way of the ungodly shall perish."

Here the Psalmist is concerned about the way men walk. Blessed is the man that walketh not in the counsel of the ungodly. Too many times we are prone to walk in the

way that men approve of, the way that is popular, the way of least resistance.

Again the Psalmist is concerned in our standing: What do you stand for? And Why? Have you thought the matter through? Are you convinced that this is the right way to stand, no matter what others may think? Are your convictions based on sound judgment? Have you taken a stand without first having counted the cost?

Again the Psalmist is concerned with people's sitting. To sit in the seat of one self appointed to judgment is not right. To put one's self as the final authority on any matter is taking too much for granted in one's own infallibility.

To Walk, Stand, or Sit, is a matter of conviction and willingness to take the consequences of one's acts.

But if one turns to the Word of the Lord, the commandments of God that one endeavors to know the way to affiliate himself with the harmony of God, His law, His universe. It takes Personal Study, Self-discipline, Willingness to be led, Willingness to cooperate. One must learn team-work. One learns to follow the direction of the Great Band Master of the symphony of God's universe. And that Harmony finds peace for the soul.

—The Rev. Charles Wingo, Pastor, First Christian Church.

Paul Winterood. Six women were present.

... but that's how much you can save a year using economical GAS for Clothes Drying!

If you're a lucky one who already has a pot full (money, of course), might as well skip to the next ad. But if you feel that \$24.97 is a sum to reckon with, heed these words of wisdom: 'Go First Class with GAS and Save the Difference!' That's right. With gas, the average cost per year to a family of four is only \$2.63—9 times less than it costs to dry the same family's clothes with any other dryer! Add to this the fact that gas dries clothes FASTER, SAFER, and more DEPENDABLY ... it makes good sense—and a lot of dollars—to GO GAS like so many Smart Moderns are doing!

## ALL IN THE EAR

What you see in this girl's ear is Sonotone's new hearing aid—complete. ITS WORN ENTIRELY IN THE EAR—no cord, no extra "button." Weighs only half an ounce. Women's hairdos hide it completely. On men, this amazing hearing aid is barely noticeable from any angle.

Slaton, Texas, Slatonite Day, March 22, 1957

Guests last Wednesday night in home of Mr. and Mrs. J. B. Patton were Mr. and Mrs. K. D. Meland and Beatrice of Lubbock Mrs. Moreland's mother, Mrs.erson of Lamesa.

# Baptists Accept Operation of Home At Recent Ceremony Held in Lubbock

A 71 year old Lubbock lady who has been mother to 3200 neglected and dependent children during her lifetime said goodbye recently to the home for needy children which she established in 1926.

Mrs. Lillian T. Milam, founder of the Milam Children's Home of Lubbock was honored at ceremonies dedicating the home which was recently turned over to the Buckner Benevolences, an agency of the Baptist General Convention of Texas. An engraved bronze placed baby's shoe, which was once worn by one of the hundreds of babies cared for by Mrs. Milam, was presented to the little gray-haired lady by Dr. E. L. Carnett, President of Buckner Benevolences and Dr. Vernon Shaw, field representative, as a token of appreciation for Mrs. Milam's devotion to homeless children.

### Fine Tradition

Dr. J. Ralph Grant, pastor of the First Baptist Church of Lubbock and chairman of the Benevolence Committee of the Baptist General Convention of Texas, spoke at the dedication service. He assured the more than 200 persons present that Texas Baptists would carry on a program in the finest tradition of the past. "Milam Home for Girls will continue to be in our midst as an institution of service," he said.

"We have an obligation to perpetuate the best of the past and an opportunity to expand for greater service in the future."

Dr. E. L. Carnett explained that the Milam Home for Girls, which

has recently been redecorated and renovated, would provide a specialized service for homeless teen-age girls. "Society is cruel to girls," he said. "Girls don't get another chance as often as boys.

We hope to change this with the new Lubbock home." Carnett praised the people of Lubbock and the West Texas area for their cooperation in establishing the new program.

A letter from John Winters, Executive Director of the State Department of Public Welfare was read by Carnett which said, "There

will be no objection on the part of the Welfare Department to opening the Milam Home in Lubbock under the general provisions of your charter."

### 3 New Dorms

Plans for the future development of the home call for three more dormitories to be constructed to care for approximately 50 girls. "We don't want to stop building as long as there is a need," said Lewis M. Stickney, business manager for Buckner Benevolences.

Mr. G. P. Kuykendall, former chairman of the board of directors of Milam Home paid special tribute to the years of unselfish service given by Mrs. Milam. He likened the home to a tree. "A tree is a

thing of beauty. Mrs. Milam plowed the ground, planted an acorn, nursed the sapling and nursed it along until it became strong and began to bear fruit. Let's not let it die," he said. Kuykendall said that Milam Home was a Lubbock institution and would continue to be under the leadership of Texas Baptists.

### 15 Girls

Supervisors of the new facilities which will care for 15 teen-age girls are Mr. and Mrs. D. C. Hamilton, former religious education director of the Calvary Baptist Church of Lubbock.

Milam Home for Girls is one of six child caring institutions sponsored by the Baptist General Con-

vention of Texas. These homes now care for 1,026 needy children, at a cost of more than one million dollars per year.

Mr. and Mrs. Ray Macker spent Sunday in Wilson visiting with Mr. Macker's parents, Mr. and Mrs. Hugo Macker.

Mrs. Joe Wicker, Robin, and Barry of San Angelo are visiting this week with Mr. and Mrs. Walter Mosser.

Mesdames Fred Tudor, Joe Neilson, Ollie Clark, and Mr. and Mrs. Lee Peebles attended the workshop for the Veterans' Hospital in Big Spring, Monday.

**A BLOSSOM FOR CYNTHIA**—All dressed up to celebrate March 20, the first day of Spring, are these happy-to-be-outdoors youngsters who live at the Methodist Home in Waco. Like all the rest of the 400 children at the Home, Bobby and Cynthia are busy participating in the many springtime activities on the Campus. And they are already anticipating their active summer vacation which will include all the fun from picnics to just plain romping in the sunshine. But regardless of picnics or plans, it seems that this young gentleman's springtime fancy, for the moment at least, has turned to thoughts of pretty little Cynthia.

Kathy White

## Kathy White Will Speak to Methodist Youth Sunday at 6

Miss Kathy White, Lubbock, will speak before the Senior High group of the Methodist Youth Fellowship Sunday evening at 6 p. m. Speaking on the subject of "What My Religion Means To Me," Miss White will be the fourth in a series of six outside speakers on the same topic.

Previously, Frank Wright Jr., Miss Revis Jordan, and Dan Howard, all Tech students, have spoken.

The sessions are part of the Family Night Fellowships being conducted at First Methodist Church. Following group and class sessions, which are available for all members of the family, Mite-Y-Meals are served in Fellowship Hall. Entertainment follows the meal, and preaching service is held in the sanctuary at 7:45 p. m. Miss White is a graduate of Monterey High School, Lubbock, and is active in State "Y" Teen functions. A freshman at Tech, she has been described as "a very outstanding Christian girl."

All sessions of the "Family Night" series are open to the public, according to the Rev. J. B. Sharp, pastor of First Methodist Church.

## District 1 Garden Clubs to Meet

More than 300 flower growers will convene at Texas Tech on March 26-27 for the 11th Annual Meeting of District 1 Texas Garden Clubs and Tech's Fifth Annual Garden Club Short Course. District 1 includes 38 counties in the Panhandle and South Plains. Mrs. Nat Williams of Lubbock is president of the district.

Members of Slaton's Garden Club will attend the meeting as it will take the place of their regular meeting for the month of March. Mrs. A. M. Jackson is president of the Slaton club.

## Juvenile Officers to Speak to WSCS

Mrs. J. S. Edwards Jr., started the new study "Youth, A Christian Responsibility," Monday afternoon for the Womens Society of Christian Service at First Methodist Church.

At the next meeting, Monday, March 25, two juvenile officers from Lubbock will present the program bringing with them a display of weapons which have been taken from various teen-agers in Lubbock in the past months.

Mrs. A. C. Burk, president of the Society invites any interested parents to attend this meeting.

## Wives of Jaycees Organize Club

Mrs. Glen Akin is the president of Slaton's newest organization, the Jaycee-Wives. The club membership is made up of wives of members of the Junior Chamber of Commerce.

Representatives of the Lubbock Jaycee-Wives assisted with the organization when they came to Slaton March 11 to meet with interested women. Mrs. Akin was appointed temporary general chairman at that meeting with Mesdames Webster Williams, Bennie Moeller and Don Crow temporary chairmen of committees.

### Officers

At the organizational meeting Monday, March 18 in the VFW Hall, all permanent officers were elected. Besides Mrs. Akin others elected were: Mrs. Bobby Edmondson, first vice president; Mrs. Joe Lester, second vice president; Mrs. Otis Rogers, Jr., secretary; Mrs. Don Kendrick, treasurer; Mrs. Jake Wendal, photographer; Mrs. Bob Conner, reporter; Mrs. Williams, parliamentarian; Mrs. Bennie Moeller and Mrs. Don Crow, executive members. Committee chairmen were: Hostess, Mrs. D. W. Walton; telephone, Mrs. Paul Melton; visiting, Mrs. Pete Williams.

### Meeting Date

The regular meeting dates for the club will be on the second and fourth Thursdays of each month with the first meeting in the month to be a business meeting held at the VFW Hall and the last meeting a social meeting held in the homes of the members. Installation of officers will be a joint installation with the Jaycees on April 6, at the Clubhouse. The club will meet on Thursday evening of this week at the VFW Hall for a business meeting. Regular meetings will begin in April.

Charter members other than those mentioned are Mesdames Bobbie Taylor, Tommie Swanner, Jack Berkeley and Nita West. Wives of all members of the Jaycees are eligible to become members of the organization and are asked to contact Mrs. Rogers or any of the members if they are interested, according to Mrs. Conner.

## Slaton Firemen Entertained With 42 Party Friday

The Ladies Auxiliary to the Volunteer Firemen entertained the firemen with a 42 party last Friday evening in the Recreation Room of the Fire Hall. Refreshments of sandwiches and coffee were served to twelve firemen and their families.

## COOPER WSCS HEARS REV. DOWDEN

The Rev. W. A. Dowden led the second lesson from "Paul's Letters To The Churches" for the WSCS of the Cooper Methodist Church Monday afternoon. The meeting was held in Fellowship Hall of the church with Mrs. J. C. Robertson, president of the Society, presiding.

Mrs. M. D. Gamble opened the meeting with a prayer. Others assisting with the lesson were Mesdames C. H. Thomas, Robertson, W. D. Vardeman, Otis Rogers Sr. and F. H. Griffin.

Thirteen members and one guest were present.
