

CITY CHARTER IS OKAYED BY LARGE MARGIN

Measure is Passed by
More Than 14 to 1;
Vote Was Light

Slaton voters approved the proposed city charter at the city election held Tuesday, voting 242 for the charter to 17 against it, thus giving it their endorsement by more than 14 to 1. Four ballots were mutilated, making a total of only 263 votes cast, whereas the city's voting strength is estimated at around 1,000.

As a result of the overwhelming majority given the charter, Slaton will now be under the home rule form of city government, instead of the commission form, which has been in effect here for several years.

The new charter provides for the election of a mayor and four commissioners on April 2, 1929, each of the four commissioners to be chosen from a separate city ward, while the mayor will be chosen from the city-at-large.

Direct Road to Wilson Will be Ready Very Soon

A shorter, more direct highway between Slaton and Wilson, ten miles south of here, will be graded and ready for use within a few days, according to J. T. Pinkston, Lubbock County Commissioner of Precinct Two.

Work on grading and draining the section of the highway which lies in Lynn County began Thursday, and Mr. Pinkston began work on this end of the highway, the Lubbock County section, on Friday of last week. If weather conditions permit, the road will probably be opened to public use within a very short time, maybe within the next week, Mr. Pinkston said.

The change in the route from Slaton to Wilson has been contemplated for several months, but completed arrangements for it were realized only last week. The shorter route will eliminate all railway crossings between Slaton and Wilson, leaving no railway crossings on the entire route from Slaton to Wilson to Tahoka to Lamesa, it is declared.

The new road will shorten the distance between Slaton and Wilson about two miles, it is estimated. In following the new route to Wilson, a turn is made when the first railway crossing is reached just south of Slaton, going straight down by the railroad track, leading to the right from the crossing which was formerly used to follow the old road in its meandering course.

The new highway is eighty feet in width throughout that part lying in Lubbock County and over a portion of the Lynn County route. The remainder of the course is of good width, also, allowing for a splendid highway route there.

Connection of the Slaton-Wilson-Tahoka road with the road which leads north from Slaton to Lorenzo, and securing a state highway designation on this cross-country route is believed very feasible and it is thought such a designation can be had. This would shorten the distance from Lorenzo to Lubbock and thence south to those towns.

A heavy volume of traffic over this route demands the designation of the route as a state highway, considering the large saving in mileage, it would bring, it is believed.

Robertson Ships Hogs to Market

A double-decked car, loaded with fine hogs, bought from farmers around Slaton, was shipped Monday morning to the Fort Worth markets by W. A. Robertson, local cattle buyer. As the car was double-decked, the shipment was equivalent to two ordinary carloads.

HAMILTON-HOWE.

Garland Hamilton and Miss Leva Howe were united in marriage Saturday, March 16th, at 3 o'clock at Wilson by Rev. J. B. Thompson, pastor of the Methodist church of that city.

Mr. Hamilton is an employee at the Harvey House, and Mrs. Hamilton is the daughter of W. H. Howe and a niece of Mrs. E. Barton.

They will be at home to their many friends at 330 South 3rd Street.

CONTRACT FOR CREAMERY SIGNED FRIDAY

Local Man Hands \$40 to Thieves Early Tuesday

Not caring to look down the barrel of a revolver, C. C. Fry, proprietor of the Santa Fe Shoe Shop, on Texas Avenue, handed over \$40 to a couple of unidentified thugs at about 9:30 this morning, he stated to a Slatonite representative.

The bandits quietly entered the shoe shop, Fry said, seemingly unconcerned about anything, but before he could offer to wait on them, a revolver was drawn and he was ordered to hand over the money. When their command was obeyed, the pair made their get-away around the nearby corner, Fry stated.

The fleeced victim hurriedly notified Chief of Police U. L. George, and the two made a several hours' search of the town, but no trace had been found of them late this afternoon.

Fry said the hold-ups looked to be approximately 25 and 30 years of age.

Local Hatchery Adds Third Unit; Larger Capacity

A Mammoth Petersime incubator, with an approximate capacity of 6,000 eggs, was received here late last week by the Progressive Hatchery, and its installation Saturday added a third more to the firm's hatching capacity, according to E. L. Hicks, the manager.

The new incubator was set into operation early Monday, Hicks stated, and is now incubating nearly sixteen thousand eggs.

The Progressive Hatchery now has in operation three Mammoth Petersime incubators, each of which is running at maximum capacity, with approximately 48,000 eggs, the manager stated.

It is the determination of the Progressive Hatchery to give poultry raisers of this section the very best of hatching service, Hicks declared, and, in addition to this, his firm will handle baby chicks and a complete stock of chicken feeds and poultry supplies.

Negro is Murdered, Another Badly Cut Result Tues. Fracas

Sarah Searcy, negro, wife of Arch Searcy, is dead, and Willie Edwards, known as "Cornbread", negro shine boy for the Santa Fe barber shop, is in a critical condition, as the result of a cutting affair, which occurred at the rear of the home of U. L. George, chief of police, late today.

Officers are searching for the dead woman's husband, who was said to have fled from the scene following the murder. Searcy and his wife have been occupying the George servant house for the past three years, it was said, and were not known to be of trouble-making dispositions.

It was believed a knife was used by the murderer, deep gashes being cut into the body of the woman, taking her life almost instantly.

Edwards, who lives in the servant house of Lee Tudor, on Sixth St., is suffering from lacerations on his arms, shoulders and on his head, reports indicated.

CONDUCTS FUNERAL.

Elder J. E. Mullins, pastor of the Church of Christ here, was called to Southland last Friday afternoon to conduct the funeral of little Mary Spence, two and a half years old. Services were held in the Church of Christ there, interment following in Southland cemetery.

Mrs. Fred Maxey and children spent last week-end visiting with her mother in Lorenzo.

Hospitality of Firemen Enjoyed By Many Monday

When Slaton's new municipal building and fire station was formally opened Monday evening, many Slaton people, including men, women and children, were present to enjoy the occasion and to make an inspection of the new structure and equipment.

Slaton volunteer firemen, headed by Assistant Chief E. V. Woolever, were hosts at the party, and they furnished the visitors with an evening of real enjoyment, those attending declared.

Music was furnished, with stringed instruments, by Mr. and Mrs. B. E. Clark; two radio receiving sets in different parts of the building, were kept in operation, and refreshments and smokes were served. Many of the visitors played "firemen" and took slides down the tall, brass pole into the apartment housing the huge fire trucks.

Other features of the program included talks by Supt. C. L. Sone, of the Slaton schools; Fire Chief Tweetie, of Lubbock; Assistant Fire Chief, Woolever, of the Slaton fire department, and City Commissioner Jno. T. Lokey.

Grade Students Complete Contests For County Meet

Following contests in which competition was very keen, sixth and seventh grade pupils of the West Ward schools completed declamation try-outs for the county meet Monday afternoon.

Those to represent the Slaton schools at the meet, which will be held in Lubbock March 29 and 30, were named by the judges, as follows:

Girls: Ruth Coleman, first; Crystal Scudder, second, and Trennie Mae Russell, third. Boys: Jame Merrill, first, and Morris Ward, second.

James Merrill, it will be remembered, won first in county declamation last year, and took second place in the district. Ruth Coleman won first in the county in girls declamation at last year's meet.

Principal J. B. Caldwell, of the West Ward schools, declares there are some splendid public speakers in his sixth and seventh grade student bodies, and says the judges had no small task in making decisions, as keen competition was very much in evidence.

City Bakery is Being Remodeled; Machinery Added

In addition to the already modern equipment in use at the City Bakery, other machinery and equipment is being added, according to R. D. Hickman, the proprietor, who recently moved here with his family from Sweetwater, and, with his partner, bought the local bakery. Included in the new equipment is a late model, electrically driven dough-brake, which, it was said, adds to the plant's efficiency.

Interior woodwork of the bakery is being repainted. When this work is complete, new floor coverings will be laid, Hickman stated. He says he is going to make the bakery a very attractive place of business, as well as modern in every detail.

McMasters Recovering From Injuries

Friends of L. W. McMasters are very glad to know that he is now able to be back at home and out in town, recuperating nicely from injuries sustained in his recent accident.

McMasters suffered a fractured skull, and other serious injuries, while at work in the plant of the Slaton Cotton Oil Co. For a while, little hope was held for his recovery.

Switchman Dies After Six-Day Fight for Life

After suffering severely for six days in a Lubbock sanitarium, and putting up a game fight for life, even after attending physicians declared he could not live, Roy Rogers, 25 years of age, died at eleven o'clock last Saturday morning.

Following the fatal accident, which happened in the local Santa Fe yards early Sunday, March 10, when Rogers, a switchman, was attempting to make a coupling of box cars, he was carried to the sanitarium, where surgical attention was given. There, it was stated, double pneumonia and blood poisoning set in, and death followed.

Relatives and others who were at Rogers' bedside during his last days and at the time of his death, were his wife, of Slaton; his father, W. M. Rogers, of Grandview; Jim Hudson, a life-long friend, of Canadian; Mrs. and Mrs. C. M. Lee, of Slaton; Mrs. Oma Baker and her brother, Robert Fuller, of Covington. They are sister and brother of Mrs. Rogers; Edward Lee and wife, of Lubbock. The Messers. Lee are uncles of Mrs. Rogers.

Besides his father, other immediate relatives surviving the deceased are three brothers and four sisters.

Rogers' remains were sent to Cleburne, his old home, Saturday night, and funeral services and burial were held Sunday.

His wife, father, Jim Hudson and C. M. Lee accompanied the body. The latter is night yardmaster for the Santa Fe here, and was near his nephew when the accident happened.

Legion Presents Minstrel, Musical Review Friday Eve

Lovers of negro minstrel and musical entertainment will be favored Friday night of this week, March 22, with a presentation of such entertainment by Allen Bros., Post, American Legion, of Lubbock, according to Dan W. Liles, Post Commander of Luther Powers Post, American Legion, who, as head of a committee, has secured this feature for Slaton.

The show will be presented at the high school auditorium, under auspices of and for the benefit of the local Legion post, it has been announced.

A committee from the local Legion post, who witnessed the entertainment, staged last week at Lubbock, gives out the information that it is "a real show". They say there is fun from start to finish, and that the entertainment will be well worth the admission prices charged.

Two of the black-face comedienne, who will take active part in the minstrel, were here Saturday evening in a ticket-selling campaign. They furnished amusement for bystanders, and raised ticket sales good.

No Trace Yet of Vercamp's Lister, Stolen Recently

H. J. Vercamp was in Slaton Monday, attending the auction sale, and called at The Slatonite office for a brief visit. Mr. Vercamp stated that no trace has been found of the P. & O. lister, which was stolen from his field two miles north of Slaton recently. He says the implement is practically new, and he offers a nice reward for its return.

RECEIVES NEW CARS.

Slaton Motor Company, local Ford dealers, received a shipment of new Model A Ford cars Monday. In a recent shipment of new Fords, the firm received a Model A Ford Taxicab, and it is now on display in their show rooms. The new Taxi is very attractive in design, and has all modern conveniences.

Deal Closed With Red River Company; Building Leased; Work Contracts Let; Will be Ready to Operate by April 10

Santa Fe - Business Men Banquet Success

Special No. 200 due to arrive at 7:30 p. m., at the terminal Club House, was ten minutes late, owing to slippery rails and fog. Skipper Worley, Jr., Chief Engineer, acted as toastmaster, (by the way, the skipper admits he does not know the difference between a quadrant, valve stem gland or a diaphragm). He handled his air very nicely, without a jar, or making a flat spot.

Diplomat Wilson, he of Chamber of Commerce fame, surely made the bunch welcome, and dispensed that homey feeling, without even slipping an eccentric.

The semaphores were all set for a clear track, no hot boxes, machinery well oiled, plenty of steam, no foaming, not even a fusee was dropped.

Eckert stringed orchestra entertained by hitting the high spots. Storekeeper Oliver was pretty well coked up, Chief Electrician Clark displayed no static, and how these boys did give us some hummers, on their stringed instruments as well as vocal selections. Of course they got a full hand from the gang.

That lyric tenor "John McCormick" McGinnis rendered two very pleasing vocal selections. Jimmy evidently checked up before hand, as the flues were clean, bushing the right size and petticoat at the proper height. Jimmy was very ably assisted by Mrs. L. A. Wilson, in keeping him on the rails and passing very nicely over the derails. We are looking for a repeat order.

G. R. Miller, Master Mechanic, who will doubtless go down in Santa Fe history as godfather to the G. R. Miller Apprentice Club, led his gang. We do not know what kind of flour he grinds, but suspect it is emery flour, from the looks of the Santa Fe gang he has ground some mighty fine joints and seats. He told the Chamber of Commerce how they could DO the Santa Fe bunch. That is a profound secret and not for publication.

Smoothing Iron "Bill" Smith, he who rules the destinies at the port of entry and departure, told the Santa Fe gang how they could DO the Chamber of Commerce bunch. Really, "Bill" knows how, as he is a past master of the art.

Charley Taylor, assistant to the Superintendent, brought regrets from Supt. Gillies, that he could not be present. We do not know what kind of a uniform he wears, but he surely missed the time of his young life, and he surely would have been flagged. Charley Taylor is a mighty good understudy, being in the position where a soft answer turneth away wrath, that is sometimes, even when you are damned if you do, and damned if you do not. The dining car service was de luxe, the girls from the Methodist church having full charge. The roll of the train did not even mar their equilibrium, and when a rising vote of thanks was given, for the fine service rendered and no tips taken, the blush of delight covered their youthful faces.

The schedule was not complete without a rendition by the old ticket puncher, Uncle George Marriot, while his sand box was empty, his tank was full, too full for an encore, but how he can hit her on two, even without sand.

Diplomat Wilson rendered vocal selections to the delight of all, ably assisted at the piano by his assistant secretary, Mrs. Wilson. He was to have sung the "Wearing of the Green," but forgot his orders, but we did all glide slowly and softly with him "Where the River Shannon Flows".

Pinky Pinkston, the genial county commissioner, all disheveled and out of breath, crashed the doors, to the dining car. When asked for his ticket, he remarked, "I have none, caught the special down the line and rode the blind baggage in." When informed dining car service was \$1.00, he dug

A contract for the building of a modern creamery in Slaton was officially signed last Friday morning. W. E. Olive, J. H. Brewer and W. R. Wilson, trustees of the funds that have been subscribed in the past few weeks on the stock offered by the creamery company, signed for Slaton, while G. S. Fraser, president of the Red River Creameries, Inc., of Frederick and Waurika, Okla., signed for his company.

Mr. Fraser was in Slaton last Thursday and Friday, returning to his home at Frederick immediately after getting the contract signed. A telegram from him on Monday afternoon of this week advised the Slaton Chamber of Commerce that a three-year lease had been taken on the Sage building at the southeast corner of the public square, which building was formerly occupied by the McAtee dry goods establishment. Mr. Sage, owner of the building, said Monday that he had leased his building to the creamery.

According to Mr. Fraser's telegram of Monday, the contracts were awarded that day for construction of the cold storage rooms for the creamery, and also for installation of the creamery equipment. This work is expected to begin in the next few days, just as soon as possible, Mr. Fraser announced.

The plant will be completed and ready to start operating by April 10, Mr. Fraser said.

Success of the creamery project followed an intensive campaign of selling stock to Slaton business men and farmers during the past several weeks. When the campaign ended, a total of 160 stockholders had been signed up, 105 of them farmers, and 55 of them local business men. The stock sales campaign was directed by the Slaton Chamber of Commerce.

The new plant will manufacture butter, buying cream locally and at numerous other points over the South Plains section. Cream stations will be established at many West Texas points, it is announced by Mr. Fraser.

Besides proving of much advantage to farmers and business men here, it is pointed out that the plant will employ several people, adding to Slaton's already good-sized payroll.

Third Auction Sale and Trades' Day Held Monday

Slaton's third free farmers' auction sale was held Monday, with a large crowd in attendance. It was also a special trades' day occasion, with Slaton merchants offering special attractions to the people of this territory to visit Slaton that day. The response was found to be splendid.

A large amount of farm equipment, livestock and various farm necessities went on the auction block Monday, considerable money changing hands among the farmers of this section. The sale attracted the biggest crowd that has been present at the sales which have been held here since January, it was estimated.

Joe Seale, well-known auctioneer, was in charge of the sales Monday.

Mrs. E. Barton returned last week from Sweetwater and Roscoe where she visited relatives and friends.

but could not dig deep enough and produced ninety cents, with the statement that he was entitled to 10 percent off for cash. Anyway, he dined.

Engineer Worley, Jr., had a few turn table talks, and finally banked the fire and tied up for the night. We are all hoping these get together meetings may become permanent. We are all agreed and fully in that the Santa Fe gang fine. We are awaiting listing the arrival. Release order.

GAS INDUSTRY DEVELOPS.

The gas industry, as a glance at its history and past records show, has vast potentialities for future progress and development.

A tremendous amount of research, in engineering and technical subjects and in such phases of operation as utilization and marketing, has brought to light hundreds of additional uses for gas and has provided higher standards of public service.

In the past eight years volume of gas used for industrial purposes more than doubled; the average customer now uses 70 per cent more than when gas dominated the lighting field. In both domestic and manufacturing fields demand is steadily increasing.

The industry is not only adjusting itself to the economic changes of the times, but is making important preparations for future use of gas in new and wider fields.

CHURCHES

LUTHERAN CHURCH.

Arrangements are being made to have an illustrated lecture on the life of Christ at the Lutheran church, Wednesday night, at eight o'clock.

Sunday, March 24, we shall have a special service for those confirmed by the present pastor. Holy Communion will be celebrated at this service. Confessional service starts at 2 p. m. the main service at 2:30 p. m.

You are cordially invited to worship with us.

A. R. WEISS, Pastor.

CHURCH OF CHRIST.

The services last Sunday were well attended. The audience was much larger than the Sunday before. Visitors are always welcome. We never miss a service. The subject for the morning hour next Lord's Day will be, "Doing Our Best". Come one, come all, we will do thee good. A pleasant place to worship.

Trammel House is Making Improvements

Work of stuccoing, re-papering, painting, etc., of the Trammel House, near the Santa Fe station is now under way, and, according to the owner, Mrs. M. C. Robinson, when the work is completed this hostelry will be one of the most attractive, as well as one of the most commodious in this section.

Other improvements to be made during the "overhauling" of this rooming house will include an enlargement of the office and the laying of new floor coverings, Mrs. Robinson stated.

Contractor M. H. Edwards and his force of workers began the work last week, and expect to rush it to completion.

NEW WILLYS-KNIGHT SIX IS ACCORDED FINE RECEPTION

The reception accorded the entirely new line of Willys-Knight sixes, now being exhibited in the showrooms of all Willys-Overland merchants, out-ranks in public acclaim any previous reception in Willys-Knight history, which goes back more than fifteen years when Willys-Overland introduced its first Knight sleeve-valve motor cars.

From the radiator to trunk racks the new Willys-Knight Sixes, which are offered in a wide range of body models and color combinations, are entirely different from any former Willys-Knight models. This is accomplished through the new body design which brings to the low priced Willys-Knight field, the highest degree of artistry and craftsmanship. For more than a year Willys-Overland engineers and designers have been working on the design of the new Willys-Knight models.

Not alone do the exterior lines of the car bring out a striking design of modernity but the interiors are marked by unusual roominess for passengers, rich upholstery, quality fittings and every comfort that makes for enjoyable motoring. The finishing touch of smartness comes through the use of five wire wheels, the spare mounted in a fender well on the right forward side.

In mechanical features to provide utmost convenience for the driver, the new "Finger-Tip Control" is used—an outstanding feature in all products of the Toledo manufacturer. This feature, by means of a button in the center of the steering wheel, gives the driver complete control over all the functions of starting the motor, operating the lights and sounding the horn.

The new dash panel contains all the instruments conveniently grouped in a decorative border.

These cars are powered by a Willys-Knight six cylinder sleeve-valve engine with a bore of 2 15-16 inches and a stroke of 4 3-8, giving a piston displacement of 177.9 cubic inches and

developing an actual horsepower of 53 at 3,000 r. p. m. On this power plant is found the addition of a manual heat control to the head which is a material aid in the warming up process. This is operated from a button on the dash.

Tests conducted by the Willys-Overland experimental department in various section of the country, show a high speed and power development with the same smoothness and quietness characteristic of the Willys-Knight sleeve-valve engine.

Forty-First Dist., Rotary International To Meet at Ranger

RANGER, March 18.—The Ranger Rotary Club, assisted by the chamber of commerce, other Ranger organizations, and the Rotary Clubs of Eastland and Cisco, this week will make final preparations for entertaining here, Thursday and Friday, March 21 and 22, the Forty-First District Rotary Conference.

Invitations to the 2,500 Rotarians in the district have been mailed and it is expected 1,500 of these will be accepted.

The First Baptist church will be used as the conference assembly hall, headquarters of the credentials committee will be maintained there, and the district governor's headquarters will be located at the Gholson Hotel. Wayne C. Hickey, Ranger, conference secretary, also will have headquarters at the Gholson.

The first day of the conference will be featured by conference luncheons and assemblies.

Assemblies at Noon.

The club service luncheon will be held at the Elks Club with Louis D. Fox, Ft. Worth, as chairman.

Raymond Nichols, Vernon, will preside at the Vocational Service luncheon and assembly, to be held at the First Methodist church.

The Community Service assembly and luncheon will be presided over by J. Bert Graham, Waxahatchie, and will be held at the First Christian church.

The International Service luncheon and assembly will be held at the American Legion Hall with Doyle T. Brooks, Abilene, in charge.

All of the assemblies will be held at 12 o'clock the first day of the conference.

All women attending the conference will be urged to attend the sessions and luncheons.

A tea, honoring the visiting women, will be held in the Green Room of the Gholson Hotel Thursday, from 3 to 5 o'clock.

A golf tournament at the Ranger Country Club, Thursday afternoon, beginning at 3 o'clock, will feature the entertainment for the Rotarians.

An old fashioned barbecue will be served at 6:30 Thursday night.

The night session will be featured by the Ft. Worth Rotary Club, the members of which will demonstrate their method of inducting new members into Rotary.

East Ward P. T. A. Act As Judges for Contest

The East Ward P. T. A. met Thursday, March 14th, at the East Ward building in a very interesting meeting with a large attendance.

After a short business meeting, the P. T. A. served as judges for the Junior girls and boys declamation finals.

From the eleven boys and eleven girls contesting, Troy Pickens and Helen Houston were selected to represent the East Ward school in declamations at the county meet.

Florence, Sone Are Speakers at Rotary Luncheon

Will P. Florence and C. Lem Sone were the speakers appearing on the program of the Slaton Rotary Club at its regular meeting held last Friday noon at the Slaton Club House.

Several visitors were present, including these members of the Lubbock club: W. W. Royalty, J. B. Rhoades, G. H. Ater, and B. C. Dickinson. Other visitors included: R. D. Hickman, of the City Bakery, R. D. Griffin, city mail carrier, and C. W. Kelly, of Edgewood.

Delegates to the 41st District Rotary Conference to be held next Thursday and Friday at Ranger, were left unimpressed as to what city they would vote for when the convention selects the meeting place next year, and also were unimpressed as to choice for a district governor who will succeed Rue P. Parcells, of Amarillo, who has been governor of the 41st district for the past year.

Lack of time prevented full discussions of their subjects by the speakers, Messrs. Florence and Sone. The former had this subject, "The Great and Outstanding Altruistic Concepts That Man has Developed Throughout His History Which Have Been Important Factors in His Development." The latter's subject was, "The Institutions That Are Directly the Outgrowth of Man's Altruistic (not religious) Ideals".

At next Friday's meeting, a discussion of national and state holidays will be given, with these men appearing on the program: John W. Hood, W. H. (Bill) Smith, P. G. Stokes and Harry C. Burros. A male quartet is scheduled to be given by Lloyd A. Wilson, Walter E. Olive, C. Lem Sone and Will P. Florence.

About four members, at least, of the Slaton club will attend the district conference at Ranger this week, but no definite announcement was available Tuesday as to just who these four or more men would be. Some of the members may have their Rotary-Anns accompany them.

The ladies' night program comes on March 22.

SCOUT WORKER HERE.

Rev. Luther Williams, rector of St. Paul's on the Plains Episcopal church, of Lubbock, was in Slaton this morning on Boy Scout work. Rev. Williams is an official of the South Plains Area Council, Boy Scouts of America, and gives a good part of his time to that work. While here he was a welcomed caller at The Slatonite office.

SLATON PEOPLE ATTEND FUNERAL AT AMARILLO

Mr. and Mrs. George Marriott went to Amarillo Sunday to attend the funeral of Mrs. George Stonefield. Mrs. Stonefield was known to many Slaton people as the widow of an old Santa Fe engineer. Her husband drove the engine of the train which brought a large crowd into Slaton on the day the town site was opened and the sale of lots held.

Besides Mr. and Mrs. Marriott, other Slaton people attending the funeral were Engineer Bill Eads, Conductor J. S. Vaughn and wife and Mr. and Mrs. Gibb Elkins.

Many people from Wellington, Kans., attended the funeral, also, as Mr. Stonefield formerly resided in

that city. Others were there from Clovis, La Junta, Dodge City and points in Oklahoma.

The floral offerings were many and gorgeous.—Contributed.

110 People Present Tuesday Night At Banquet Held at Club House for Santa Fe Employees and Business Men

Slaton employees of the Santa Fe Railway and Slaton business men gathered at the Slaton Club House last Tuesday evening for a program and banquet, the attendance reaching 110 people. It was a highly enthusiastic meeting, apparently enjoyed thoroughly by everyone present.

The purpose of the meeting was to give the Santa Fe men and the business men an opportunity to become better acquainted with each other and to talk over certain ways and means of closer co-operation for the benefit of Slaton and of the Santa Fe and Santa Fe employees.

T. A. Worley, Jr., vice president of the Slaton Chamber of Commerce, which organization was in charge of the banquet, acted as toastmaster, in the absence of Horace Hawkins, president of the Slaton Chamber. Mr. Hawkins was out of town.

The program started with a brief introduction, given by L. A. Wilson, Slaton Chamber of Commerce secretary, who explained how the meeting came to be planned after Santa Fe employees expressed a desire to meet with Slaton business men in such a program. The speaker declared that Slaton owed much to the Santa Fe and the company's employees for the rapid growth and development experienced by this city throughout Slaton's history. He said Santa Fe men and business men of Slaton are not separate groups, but citizens of the same city and community, and that their interests are the same.

Mr. Wilson stated that the meeting Tuesday night should result in benefits for everybody in Slaton, causing the people to know each other better and to understand better just how all Slaton citizens are inter-related in the task of building a greater Slaton.

"When we build schools, it takes all of us; when we build churches, it takes all of us; when we pave streets, it takes all of us to do it. We are a body of Slaton people, absolutely dependent upon each other in every way," Mr. Wilson said.

Following this introductory talk, music was furnished by B. E. Clark and Coke Oliver, rendering several numbers with their stringed instruments, and receiving hearty applause from the audience. Uncle George Marriott was then called upon to entertain the group with some clog dances, accompanied by Messrs. Clark and Oliver at their instruments. This proved to be a red letter feature of the program, drawing a deafening round of applause.

A vocal solo by J. A. McGinnis was the next feature of the program, and the first number was so popular that the crowd wouldn't release "Jimmy" until he had responded with an encore. He was accompanied at the piano by Mrs. L. A. Wilson.

An address by G. R. Miller, Santa Fe master mechanic here, was next in

line, his subject being, "What Can the Chamber of Commerce do for the Santa Fe Men". Mr. Miller pointed out that Slaton business men can be of much service to the Santa Fe by always asking that their merchandise be shipped via the Santa Fe all the way. This business will aid to keep the company employing a larger force of Slaton employees, thus aiding the business man who patronizes the railway, and helping more men to enjoy regular employment.

Mr. Miller declared that the Chamber of Commerce can render valuable service to the Santa Fe and their employees by seeking to curtail other forms of competition in matters of transportation. He also expressed much appreciation of the attitude of Slaton business men toward his company, and said he and the Santa Fe men were glad of the opportunity of meeting with the business men at the banquet and program.

W. H. Smith, Santa Fe agent here, followed Mr. Miller, having as his subject, "What Can the Santa Fe Men do for the Chamber of Commerce." He invited the men to become members of the Slaton Chamber, and urged them to patronize Slaton merchants, thus keeping Slaton money at home where it will come back to Slaton citizens. Mr. Smith also paid high tribute to Slaton business men upon their splendid co-operation with the railway company in transportation matters.

A vocal solo, followed by a short encore number, was given by L. A. Wilson, accompanied by Mrs. Wilson at the piano.

Several round-table talks were given by various speakers. Charlie W. Taylor spoke briefly, in the absence of J. A. Gillies, superintendent of the Slaton Division of the Santa Fe. He expressed Mr. Gillies' regret at being unable to attend the meeting, and declared he "was well pleased with Slaton in every way".

J. T. Pinkston, Lubbock County Commissioner of Precinct Two, expressed his pleasure at being present, and pointed out the fact that he was a strong supporter of the Santa Fe in whatever way he could help.

T. E. Roderick was called upon, and passed a few pleasantries with the crowd, after having spent, he stated, a most enjoyable evening.

Women of the First Methodist church served the banquet dinner, consisting of chicken and "everything else to go with it." A vote of appreciation was extended the women for the excellent dinner.

Music during the dinner hour was rendered by an orchestra composed of Dayton Eckert, Lorene McClintock, Joe Brewer, R. H. Gear and D. T. Worley.

The session adjourned shortly before ten o'clock, most of the people going immediately to the new fire

station to take part in the formal opening of that structure, which was also held Tuesday night.

Mrs. Ragsdale Hostess To Thurs. Bridge Club

Mrs. H. W. Ragsdale was hostess to the Thursday Bridge club, Thursday afternoon, March 14th, at 1 o'clock, with a lovely three-course luncheon at her home at 325 South 10th St.

All of the members, except Mrs. Jimmie McGinnis, were present and enjoyed a delightful afternoon. Mrs. J. R. McAtee served as substitute.

Mrs. Vivial Hostess to Get-Together Club

The Get-Together Club met Thursday, March 14th, with Mrs. Gus Vivial as hostess, at the home of Mr. and Mrs. Leroy Guyton, at 250 West Panhandle.

After a delightful afternoon spent in sewing and conversation, delicious refreshments were passed to the members present.

The next meeting will be Thursday afternoon, March 21, with Mrs. B. T. Slater, as hostess at her home at 245 West Panhandle.

MRS. L. ALEXANDER ENTER- TAINS FIDELIS CLASS

Mrs. L. Alexander was hostess at the monthly meeting of the Fidelis class of the Baptist Sunday school at her home on East Lubbock St., last Thursday evening.

The contest of memorizing the names of the books of the Bible came to a close, and as the two sides tied, they agreed to compromise and have an entertainment together in the near future.

A delicious refreshment plate consisting of cake and hot chocolate was served to the following: Mesdames M. L. Abernathy, C. V. Young, G. W. Bownds, Earl Thornton, H. C. Kennedy, L. H. Guyton, C. L. Sellers, W. A. Johnson, W. T. Davis, W. E. Martin, Moody Puckett, Barney Wilson, and Miss Gertrude Legge, a guest.

The next meeting will be at the home of Mrs. C. L. Sellers on April 12th, at 7:30 p. m. All members are urged to be present.

New Meth. S. S. Class Organized Friday

On Friday afternoon, March 16th, at 3 o'clock a group of young married ladies of the Methodist church met at the home of Mr. and Mrs. W. E. Olive, 655 South 10th Street, for the purpose of organizing a Sunday school class.

Mrs. Chas. L. Suit was elected president; Mrs. Lenord Hord, vice-president; Mrs. C. T. Lokey, secretary; Mrs. Fierce Youngblood, treasurer; and Mrs. W. H. Proctor, teacher.

Recent Bride Honoree At Luncheon Saturday

Mrs. Carl W. George was honoree at a one o'clock luncheon in Lubbock, Saturday, March 16th, when her sister, Miss Ruth Pirtle, of Lubbock, was hostess at Mrs. Ragsdale's Tea Room.

A lovely color scheme of yellow, pink, green and orchid was noted throughout the four-course luncheon and the sweetpeas which formed a centerpiece for the table and as plate favors.

Covers were laid for fourteen guests and the hostess. Those from Slaton enjoying Miss Pirtle's hospitality include the honoree, Mrs. George, Mrs. T. M. George, Mrs. I. M. Brewer, Mrs. Tera Baughman, Mrs. W. E. Olive, Miss Clarice Smith and Miss Maggie George. Lubbock guests were: Mrs. Ross Edwards, Mrs. Hubert Ater, Miss Eunice Cox, Mrs. T. E. Pirtle, Miss Billie Nelle Pirtle, Mrs. J. C. McCauley and Miss Anna Jo Fendleton.

JUNIOR C. AND C. CLUB ENJOY SOCIAL MEETING

The Junior Civic and Culture club enjoyed a social meeting Saturday, March 16th, at the home of Mr. and Mrs. Zeph Fogerson, 560 South 9th St., when Miss Ruby Dan Smith, was hostess.

Forty-two was the diversion for the afternoon, after a short business session, led by the president, Mrs. C. L. Suit.

Delicious refreshments were passed to the following members present: Mrs. C. L. Suit, Miss Eda Watson, Miss Lois Cone, Miss Addie Lea Morrison, Mrs. Leroy Guyton, Mrs. Allen Farrel, Miss Lena Klattenhoff, Mrs. Lenord Hord and one visitor, Mrs. Rae Porter, of Shallowater.

The next meeting will be Saturday, April 6th, with Miss Maggie George as hostess, at the home of her parents, Mr. and Mrs. T. M. George, 750 South 11th St.

MRS. R. W. RAGSDALE HOSTESS TO BRIDGE PARTY

Mrs. R. W. Ragsdale, with Mrs. Katrina Savage as joint hostess, entertained with bridge Wednesday evening at her home, at 350 W. Lubbock St.

The dining table was beautifully decorated, the St. Patrick idea being carried out in the decorations with shamrocks as plate favors.

Refreshments were served buffet style, to the following: Misses Josephine McHugh and Elizabeth Smith, Mesdames Harry Green, Rector, England, Peavy, J. H. Brewer, Harway Austin, Walter Tomlinson and David Tudor.—Contributed.

PICNIC SUPPER.

That spring has come, and the great outdoors is calling again, is evidenced by the picnic supper cooked and eaten in the canyon on a recent evening, the party being made up of the following: Messrs. and Mesdames Austin, Ragsdale, Tomlinson, Savage; Misses Elizabeth Smith and J. S. Tekell.

CITY LINE CLUB.

The City Line club will meet Wednesday, March 27th, at 2 p. m., at the Slaton club house, with Mrs. E. E. Wilson as leader and Mrs. Theo. Schumann, Mrs. L. J. Butler and Mrs.

G. R. Ervin as hostesses. All members are requested to be present.—Reporter.

Mrs. Rae Porter, of Shallowater, is here this week visiting in the home of her mother, Mrs. W. Donald.

Pay As You Go

No better method can be found. For keeping your expenses down. Than paying cash for what you buy. And passing up what is too high. Whenever you run a charge account. You pay less heed to the amount. And many times you do not know. Until you pay, how much you owe. The First State Bank may be able to show. A way to pay your bills as you go.

JANUARY AND FEBRUARY SALES
100% AHEAD OF LAST YEAR

STARTING with its first presentation, the new Superior Whippet has aroused an ever-growing tide of public enthusiasm. In January and February, sales showed a gain of more than 100% over sales for the corresponding months of 1928.

You will readily understand such remarkable success when you see and drive the car. An inspection reveals the new Superior Whippet's beauty of design and tasteful refinement of detail.

A demonstration reveals higher speed, faster pick-up and greater power, together with ease of control and comfortable riding qualities never before associated with such an inexpensive car.
