Turner Wins Speech Contest - Norman To Go To Marines

Joe Turner Wins Speech Contest

A speech contest was held at the Rotary Club yesterday to select a representative from the High school to represent Slaton in Lubbock, where a winner will be chosen to represent this district in a contest to be held in Midland on Nov. 3, where the West Texas Chamber of Commerce will award prizes to the best speaker on the subject of "My Home Town and Defense".

In the contest held Thursday, Joe Turner was awarded first place, with the honor of representing Slaton in the Lubbock contest. Viola Martin was awarded second place and is to be the alternate in case Turner does not enter the contest at Lubbock. Johnette Foster was rated as third and Garnetta Bailey was placed fourth.

There were three cash prizes given by the Slaton Chamber of Commerce and should our representative to Lubbock win, it will entitle him or her to go on to Midland to enter the final contest.

The date for the contest in Lubbock has not been set, but it will be within the next ten days.

Schools Move For Cooperation

In an effort for closer collaboration between the Slaton school and the Brownfield student body and instructors, the Principal of the Brownfield school, Mr. Brewer, was a visitor at the Slaton High school last Wednesday.

Mr. Brewer said that a special train would be sent to Slaton for the football game between the two schools on Nov. 11. The Slaton Pep Squad is scheduled to go to Brownfield Thursday, Oct. 30, to visit the schools there and to help advertise the game here and in return, a delegation of Brownfield students will visit our schools Nov. 6th, when they will hold the chapel program.

"With this kind of cooperation, we hope to build up a better spirit and better knowledge of our neighbors on the South Plains," said Roy Boyd, Principal of the Slaton High School.

Baptists To Meet Nov. 10 In Abilene

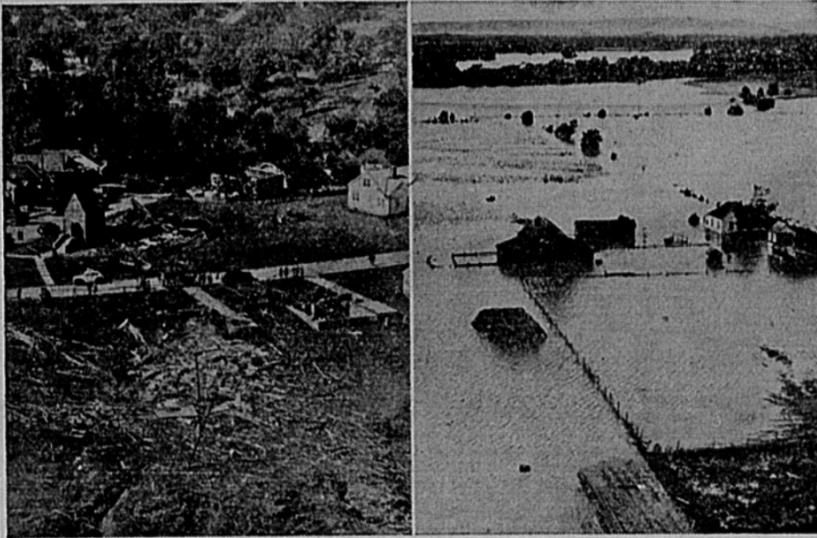

DR. W. R. WHITE

ABILENE, October 19.—Senator Josh Lee, Washington, D. C., will climax the first day's program of the annual Baptist Brotherhood Convention, Monday night, Nov. 10, with an address on "America, the Arsenal for the Cause of Christ," it was announced by Judge E. S. Cummings, Abilene, State Brotherhood president.

Acceptance by Senator Lee (D., Okla.) of the invitation extended by the Brotherhood completes one of the best programs ever offered Texas Baptist laymen, according to officers of the group. More than 3,000 are expected in Abilene for the convention, R. A. Springer, Dallas, State Baptist Brotherhood secretary, said today.

Dr. W. R. White, Abilene, will speak Monday afternoon on "The Challenge of the Church to Men". Thomas J. Pitts, Odessa attorney, will present the case for "A Layman Loyal to His Pastor," and Rev. Roy S. Hollomon, El Paso pastor, will tell of "A Pastor Loyal to His Laymen."

Wind and Rain Divide 'Honors' in Southwest

An airview of the eastern part of Kansas City, showing damage done by a tornado, is shown at left. Wreckage of the recently completed Arlington Methodist church, with only the portals remaining, can be seen. Right: Torrential rains flooded rivers and creeks in Oklahoma, inundating thousands of acres of farm land and forcing people from their homes. Scene shows a farm near Pryor, Okla., much of it under water.

Local Gins In Trouble

With one of the best cotton crops in the field in the history of the South Plains, the gins report fewer bales ginned so far this year than in any year on record for this late in the season.

Reports from four gins near Slaton show only 402 bales have been ginned and the few that have been ginned are of poor quality, due to the excessive moisture. The cotton that has been gathered is not only hard to pull but is hard to gin and required much time in the process. The staple of the cotton is damaged when ginned and it causes damage to ginning machinery, causing many delays and breakdowns.

"We would save money by refusing to gin the cotton," says one ginner, "but we are doing our best to get out what is brought to us. It is hard on the machinery, takes a great deal of time on each bale and requires more labor than it should."

Slaton Men To Put On Beauty Contest

With the ballyhoo that the beautiful men of our fair country are being neglected, the Band Parents of Slaton have set out to correct this oversight and will hold a beauty contest and style show to select "Mr. America" and the only catch in the scheme or fly in the molasses, will be that the men will be dressed as women. The winner will be crowned as "Queen" and will probably get a new model corset as first prize.

The date on which "Mr. America" will be chosen is set for Thursday, November 30, and preparations are being made to have one of the best entertainments that has been held in Slaton for many months. The program will include musical numbers and specialty acts by the best talent on the South Plains.

W. P. A. Workers Getting Scarce

Mrs. Billy Mellroy, representative for the City and County Welfare Association reports that there are only three men on the W. P. A. for this section. This is the smallest number of W. P. A. workers that have been on the rolls since 1935. There are 32 women employed by the Welfare Association, which includes those working on the Lunch Room Project and Housekeeping Aid.

A large number of the men who were formerly on the W. P. A. are now working on the Hurlwood Air Field and for the Santa Fe.

Mrs. W. H. Smith, have just returned from a trip to Texarkana and Knoxville, Tennessee, where they visited friends and relatives.

Truman Shelton Now Tiger Band Director

Mr. Truman Shelton, who has been attending Texas Technological College in Lubbock, was appointed Band Director of the Slaton Tiger Band this week and has taken up his duties, which not only include the direction of the band, but also the instruction of two world history classes.

Mr. Shelton is a Slaton man, being the son of Mr. and Mrs. A. H. Shelton. He graduated from the Slaton High school in 1938 and while attending the school, was an outstanding student in Band. He is filling the vacancy left open when J. J. Hensley resigned about a month ago.

Slaton Woman Dies In Accident

Mrs. L. J. Cook, 44, resident of Slaton for 14 years, died in a Lubbock sanitarium Sunday evening from injuries received in an automobile accident Thursday near Posey, when a tire blowout caused the car to overturn. Her husband, also in the car, escaped injury.

Funeral services were conducted Tuesday morning at 10:00 a. m. from the Slaton Church of Christ with Rev. Liff Sanders officiating. The body will be sent to Clarita, Oklahoma for interment.

Mrs. Cook was born in Clarita in 1897. She came to Slaton in 1927, where she has resided since that date. Surviving are a husband and two daughters, Irene and Geraldine, of Slaton, her mother, Mrs. Mollie Ray of Clarita, three sisters, Mrs. Opal Moore of Clarita, Mrs. W. C. Arnold of Arkansas City, Kan., and Miss Pauline Ray of Washington, D. C., and five brothers, Paul Ray of Manila, Philippine Islands, Lorin Ray of Wewoka, Okla., and Elmer, Leonard and Cecil Ray of Clarita.

R. T. Williams Receives Injuries

Mr. R. T. Williams, 345 West Panhandle, sustained serious bruises, lacerations and six broken bones, including the fracture of both jaw bones, after an automobile accident occurring Wednesday, October 15, on Avenue G in Lubbock.

Mrs. Williams, wife of the accident victim, visited him last evening in the Lubbock Sanitarium and reports that he is doing nicely and will be released from the institution in a few days.

Mr. Williams is employed by the Western Olds Auto Co., in Lubbock.

Slaton Tigers Threaten Post

The Slaton Tigers meet the Post Antelopes in a non-conference game at Post tonight. Last year's game was a close battle, terminating in a tie with Slaton winning on first downs.

The Antelopes rank fifth in the south zone of the 5-A district, with only one victory, that being over O'Donnell last week. Slaton has shown a fairly good record this year and promise something to interest the fans at Post. Slaton's Waldrep and Collier lead the football honor roll this year for all-district gridsters. They threaten the opponents with a real pigskin review in this battle.

While Slaton is 'attling Post tonight, Olton and Littlefield will be routing off a district rating tie on games and percentage, leaving the victor in third place for district. At the same time Levelland will meet Morton at Morton.

Defense Bond And Stamp Week Set

November 3rd to 11th has been proclaimed by the Honorable Coke Stevenson, Governor of the State of Texas as Defense Savings on 13,791 schools and colleges in Stamp and Bond Week in all of Texas. As a great army they will move forward with one accord to give the Spirit of '76—the Spirit that made America great. The Spirit of '76 made possible those great privileges you stress so loudly today—Freedom of Speech, Freedom of the Press, and its continuation will be perpetuated only by the boys and girls of today that are prepared and protected for tomorrow.

The Treasury Department of the U. S. Government has been given the Herculean job of administration of the sale of Defense Stamps and Bonds, so necessary NOW to our Defense Program. Won't you be a Minute Man of '41 and help us break this week of Nov. 3-11 with a big noise? Stress it in all possible ways, contact your school superintendents, and work out ways and means to get the news about.

Colored Revival Being Held Here

Reverend A. W. Williams, a blind colored preacher who was educated at the Texas Deaf and Blind School in Austin and at the Theosophical School at Wheaton, Ill., is holding a revival meeting at the Mount Olive Baptist Church here in Slaton this week which is being attended by a large number of the colored and white people. A special section has been reserved for white attendance. The song service by the colored choir is a feature of the service and all who will attend are welcome. The meeting ends Sunday night.

Scudder Explains Postal Regulations

That the public might know why your local Post Office cannot render service which they are sometimes called on to render on Sundays and holidays, I wish to quote from a letter just received from the Department.

"In connection with Sunday and holiday service, you are advised that under the law, post office of the second class shall not be open on Sundays for the purpose of delivering mail to the general public, but this provision shall not prevent the prompt delivery of special delivery mail. Only such employees as may be necessary shall be on duty Sundays to collect and prepare mail for dispatch, and to perform such distribution as may be necessary to prevent congestion or an accumulation of mail that would prevent prompt deliveries of mail on Mondays. Renters of lock boxes may be permitted to obtain on Sundays such mail as may be distributed into their boxes during the process of necessary distribution. In view of the foregoing, handing out mail to patrons on Sundays must be discontinued. See paragraphs 1 and 2, Section 436, Postal Laws and Regulations, 1940 edition."

An increasing amount of requests have been made to hand out daily papers, etc., on Sundays, which, I am sure was due to the patron not realizing just how much time would be consumed by the man on duty having to stop his work and render this type of service. It can be well understood the Department's statement above that we are not permitted to do so and will not be allowed pay for time so consumed.

Even though you are on a rural route or city route and receive delivery on week days, you may rent a box for 60c per quarter and all first and second class mail will be put in your box on Sundays and holidays. If you do not have a box, your mail is thrown to the carrier and to withdraw your mail it is necessary to look through all that carrier's mail to find yours. Please understand, if you have sickness or any emergency, any employee of the office will be glad to serve you on his own time and at any time. We are expecting this to be a very heavy fall and holiday rush and will appreciate your cooperation at this particular time.

It is also stated in this same letter from the Department that it will be necessary that we close the office at 1 p. m. on Saturdays after the holidays are over. From now until Jan. 1st, however, the office will be open until 6 p. m. on Saturdays.

K. L. SCUDDER, Postmaster.

Convention Is Held In Slaton

The District Two Convention of the First Christian Church was held October 20 at the Slaton Church. The Convention theme for this year was entitled, "The Advancing Church."

Ceremonies beginning at 9:30 Monday morning lasted until 8:45 p. m., the same evening. Speakers for the day included J. G. Wilhite, Slaton; Lester B. Rickman, Plainview; Mrs. R. L. Hooten, Lubbock; Rodney Glascock, Lamesa; H. G. Gantz, Lubbock; Mrs. Willard Kirkpatrick, Post; Miss Mona Holt, Fort Worth; Lawrence W. Bridges, Floydada; Patrick Henry, Sr., and J. B. Holmes, Fort Worth; Otto F. Marshall, Paducah, and Miss Myrtice Meador, Floydada.

One hundred and twenty-five adults were present at the dinner served them at the church and the young people numbered 80 at their dinner served at the county clubhouse.

There are several new churches in the district and reports were made that all others are growing. Mrs. P. M. Porter was elected Secretary for the ensuing year.

Mrs. Dave Sanders and daughter, Carolyn, of Tahoka, are in Slaton at the home of Mrs. Sander's parents, Mr. and Mrs. J. E. Rucker.

C. OF C. MANAGER GETS LEAVE OF ABSENCE TO JOIN MARINE CORPS

JACK NORMAN

(Story to the right)

Business Good At City Hall

Business is picking up at the City Hall, according to Mayor J. H. Teague, with three arrests made this week of three men who over estimated their capacity for liquor.

The Mayor lays the blame, or the good fortune, according to the way you look at the question, to the influx of transient laborers and their forced idleness on account of the wet weather.

The Mayor warns motorists against the danger of automobile accidents on account of the increased motor traffic on the streets and the peculiar driving ideas of the Mexican and negro drivers.

"Please follow the traffic rules," pleads the Mayor, "and stop parking in the middle of the streets and running red lights. We are most surely going to have more heart breaking tragedies if our traffic problem is not solved. We do not wish to get tough on our citizens and on the laborers who are coming in, but if we do have to tighten up, we will do it impartially and everyone will have to pay."

85 Percent Loans On Crop To Be Available

Lubbock County cotton farmers who are cooperating with the AAA program can obtain 85 percent of parity government loans on their 1941 production, Mr. C. E. Lilley, chairman of the county AAA committee, points out.

Although the loan rates for Lubbock county have not yet been announced, the AAA official said that the basic loan rate for the nation would be 14.02 cents per pound for 7/8-inch middling cotton gross weight, based upon the parity price of 16.49 cents per pound as of August 1. That rate compared with the 8.90-cent rate available in 1940. The average loan rate for 15/16-inch middling cotton, net weight, was 14.82 cents per pound on August 1, the beginning of the marketing year.

The full loan rate is available to producers planting within established cotton acreage allotments for the 1941-42 marketing year, and producers who knowingly exceed their allotments will be eligible for loans at 60 percent of the rate available to cooperators on that part of the cotton subject to penalty, Mr. Lilley continued.

Differentials for grade, staple and location in the new program will be calculated in relation to the loan rate of 15/16-inch middling cotton which is the basic description of all future and spot contracts. The rate for middling 15/16-inch cotton will be 20 points, or .2 cents per pound, above the basic rate for 7/8-inch middling cotton.

As in 1940, the loan rate will be based on net weight of cotton and will be 60 points above that for gross weights to compensate for the lesser pounds on which the loan is extended. All grades and staple lengths of cotton approved by the USDA Board of Examiners are included in the schedule of loan rates, he said. A classification fee of 15 cents per bale will be made.

Loans will be made directly by the Commodity Credit Corporation through approved lending agencies.

(Continued On Page 10)

At the meeting of the Chamber of Commerce last Thursday night, Mr. Jack Norman, who has been Secretary and manager of the B. C. D. and C. of C., requested a leave of absence for the duration of the war so that he could volunteer for the Marines.

Mr. Norman's request was granted and he is making his plans to enter the United States Marine Corps sometime early in November.

Jack has been the manager and secretary for the B. C. D. and C. of C. since January 16th of this year and has been active in many civic enterprises, having promoted a petition to secure the Star Route for this community, worked on the Mexican Camp Ground construction, highway signs, First Aid to Better Business Campaign, and many other civic improvements.

"My work here has been a great pleasure to me," said Mr. Norman, "it is with regret that I have asked for a leave of absence but with thousands of other American men of my age giving their services to the armed forces I feel that the time has come for me to do my part. When the world conflict is over I hope to come back to Slaton and take up my work where I am leaving off with a better knowledge of how to do it. My experience with the Marines should equip me to serve the people of this town better. Good luck and best wishes to everyone and I'll see you when the storm is over and Hitler has taken to the high weeds."

New Food Store Opens Here Today

The formal opening of the Slaton Food Center today and Saturday heralds another new enterprise for Slaton. The new food store will help, with the other excellent stores, to make Slaton one of the best towns on the South Plains in which to shop for food supplies.

There are few towns the size of Slaton that offer such facilities as those found here to secure reasonable prices, variety of merchandise and high quality of products.

The proprietors of the Slaton Food Center are Robert Scott and Nealon Young, both of whom have attended the Slaton schools and are well known and held in high esteem.

Mr. Scott is the son of R. W. Scott, who operated a grocery business here for many years. Robert gained his experience in the grocery business in his father's store and has worked in this line of business in other stores here. Mr. Young is also a young man with rich experience in the grocery business. For the past seven years he has been out on the West Coast having worked in one of the largest food stores in Oakland, California, where he gained first hand information on how to select fruits and vegetables, as well as all other food items. "We expect to have one of the best food and vegetable departments on the South Plains," said Mr. Young.

Mr. Young married a Texas girl from Cross Plains, and is the son of Mr. and Mrs. J. O. Young of Slaton.

Texas Tech Has Speech Clinic

Lispers, stutters, stammerers and others suffering from speech defects are invited to attend the free speech clinic conducted each Thursday afternoon at Texas Tech College. Last year twenty persons living within a 75-mile radius of Lubbock attended the sessions, sponsored by the college speech department.

"Most of these cases had articulatory difficulties; lisping, baby

"Chief" Topics by the SCOUT

Somewhere in this land of ours lives another honest man and the Santa Fe Railway is \$595 richer for it. This sum, enclosed in a letter, was received at the railroad's offices at Galveston by Treasurer W. D. Sawyer. An unsigned note read: "Enclosed find \$595 for which I was not due. It was received years ago. As my life has changed I want to clear all things up." Postmarked Fort Worth, Texas, the letter is puzzling local Santa Fe officials. "We often receive sums of money through the mail from persons who wish to make restitution," Sawyer said, "but in nearly 50 years with the railroad this is the largest amount I have ever received."

The money consisting of four 100 dollar bills, three fifties, a twenty, two tens and one five, will be turned over to the Santa Fe's "conscience fund." Hundreds of

dollars have been contributed to this fund over the years by conscientious persons all of whom have remained anonymous, Mr. Sawyer added.

The Santa Fe System carloadings for the week ending Oct. 18, 1941 were 25,022 compared with 23,015 for the same week in 1940. The total cars moved were 34,596 compared with 30,741 for the same week in 1940. The Santa Fe handled a total of 33,382 cars during the preceding week of this year.

According to the U. S. Department of Agriculture, by the end of September 12,000,000 persons will be working on farms in the United States harvesting crops, filling silos and preparing seedbeds in the Plains country for new crops of winter grains.

Ranchmen can help prevent grass fires by plowing one or more furrows just inside the fence where pastures are near highways.

Laying mash for hens is a combination of feeds which are high in protein and other ingredients essential for keeping the birds in good health, as well as producing the maximum number of eggs.

Cost of containers, boxes, cartons, wrappers, labels and other packaging materials constitute about 22 percent of the factory value of packs of U. S. canned and preserved fruit and vegetable industries.

People eat about the same total quantity of food now that they did 30 years ago, but less cereals, potatoes, beef and tea. Consumption of citrus fruits, sugar, poultry, eggs, chocolates, coffee and fresh vegetables has increased.

Quick frozen cottage cheese will soon be available in many metropolitan markets, following successful experiments in New Jersey.

Although it is supposed by many to be parasitic, scientists say it has been proved that Spanish moss lives entirely on the plant food which it derives from air and rain.

But This 'V' Is for Sieg

Attempting to steal the thunder of "Col. V. Britton," who is the sparkplug of the British "V for Victory" crusade, the Germans release this photo to a skeptical world. It shows a great "v" inscribed in a public square in Prague, Czechoslovakia. The V stands for Victoria, an ancient German word for victory, long superseded by the familiar "sieg" of modern Germany.

Bandit Queen's Exploits Make Fine Film

A girl who could capture an arsenal, seize government trains, repeatedly rout United States troops—and still look beautiful and find time for love, is worthy of anyone's interest.

Such a girl was "Belle Starr," the famous bandit queen of the Ozarks, who is brought to thrilling life on the screen of the Palace Theatre Tuesday, Wednesday and Thursday, in the 20th Century Fox Technicolor production which bears her name.

The picture, which proves exciting entertainment, co-features Randolph Scott as Sam Starr, the dashing guerilla leader who loved and married Belle, and Gene Tierney as the "petticoat terror" herself. Both are perfectly cast and turn in superlative performances.

Miss Tierney is a relatively newcomer to Hollywood—you saw her in "The Return of Frank James," "Hudson's Bay," and as Ellie May in "Tobacco Road"—and she brilliantly justifies the faith that made Director Irving Cummings give her the role of Belle Starr after 47 other actresses, including some of Hollywood's top names, had been tested.

The story, which is crammed full of fast action and vivid romance, and has some crackling good comedy touches in it too, opens in Belle's home in Carthage, Missouri, just after Lee's surrender, and incorporates all the highlights of her exciting, romantic life.

The screen play by Lamar Trotti, from a story by Niven Busch and Cameron Rogers, convincingly depicts the developments that turned this beautiful, shelter-

Plea for Charity

President Roosevelt called upon every American citizen to contribute to his local Community Chest. He is shown as he made his plea for charity to the nation.

the film ends on a highly dramatic development.

Director Cummings and Associate Producer Kenneth Macgowan have selected a grand supporting cast, featuring Dana Andrews, John Shepperd, Elizabeth Peterson, and Louise Beavers.

"Belle Starr" boasts magnificent Technicolor shots of the actual Ozarks country where the bandit queen flourished.

Here's a picture filled with all the elements of top-notch entertainment. See it, by all means!

The quantity of wool shorn and to be shorn in the United States in 1941 is estimated at the all-time high of 399,941,000 pounds, or three percent larger than the previous high of 1940.

Pan-America, a fine quality tomato with high resistance to fusarium wilt, has been developed by plant breeders in the U. S. Department of Agriculture. It was developed from a cross between Marglobe and a wild species from Peru.

Our Weekly Sermon—

Following what might be termed the prehistoric past, Adam and his wife, Eve, lived in a state of bliss such as has not been experienced by any other human beings—"the last word" in creation. Their occupancy of the Garden of Eden was contingent upon obedience to their Creator; they were NOT to partake of the fruit of a certain tree, "the tree of the knowledge of good and evil." Disobedience caused their expulsion.

The children of this couple have been striving long to re-enter this garden, but without avail. Murmurs have gone up deploring the fact that God would punish them for the sin of Adam and that they should be finally banished from God and His glories.

But true to the claims of Scripture, God has proved Himself faithful and just. "God sending his own Son in the likeness of sinful flesh, and for sin, condemned sin in the flesh," that He might bring us back to Himself and to heaven, the glories of which infinitely surpass the glories of the Garden of Eden. That is to say, "God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life."

By believing we mean not the acceptance of historical facts, but a heart allegiance, which is an actual experience. Unlike God's dealing with Adam (the result of whose disobedience has been inherited by the human race as a legacy), God now deals with the human race in the light of the individual's acceptance of His Son, for "he that believeth on the Son hath everlasting life; and he that believeth not on the Son shall not see life."

Let no man despise God's desire, for if he does, he dies alone and that without mercy, although God is "long-suffering to us-ward, not willing that any should perish but that all should come to re-

LEGION PLANS NAVY RECRUITING

Governor Coke R. Stevenson at his desk in the reception room of the Governor's office, Austin, discusses plans for immediately recruiting two companies for service in the United States Navy or Naval Reserve in Texas with The American Legion, Department Commander Andrew Dilworth of San Antonio and Capt. H. W. Underwood, United States Navy, commanding the Naval ROTC Unit at the University of Texas. The campaign was started by the American Legion in response to a telegram from Secretary of Navy, Legionnaire Frank Knox, asking the American Legion to "recruit a minimum of one company consisting of not less than 140 men * * *. The Navy has 338 ships in commission and 353 building. Need for men is obvious," said the telegram in part.

Commander Dilworth wrote the Secretary of the Navy "Texas will recruit two companies of 140 men each from the Houston and Dallas recruiting area."

Capt. Underwood said "The Naval ROTC unit of the University of Texas is anxious to make any contribution to the success of this campaign."

"I am ready to do all I can for the War and Navy Departments and all-out defense as urged by President Roosevelt, in fact I think I am about two jumps ahead," said Governor Stevenson.

Each American Legion Post is requested to send to the nearest Naval Recruiting Station, or sub-station, at least one recruit for the Navy or the Naval Reserve on or before October 27. Fitting ceremonies will be held on October 27 either at Austin, or Houston and Dallas with high State, Navy and American Legion officials participating.

Governor Stevenson issued a proclamation calling upon Texas citizens to observe Navy Day, October 27 "For it was in October, 1775 that our forefathers * * * came to the conclusion we must have a Navy to maintain peace."

necessarily by actual abuse, but by passive evasion. For "every-one of us (independent of others) shall give an account of himself to God."

Have your Prescriptions filled at **TEAGUE DRUG STORE** by a Registered Pharmacist

Since the modern farm laborer uses machinery and must have some skill in its maintenance and repair, he makes a good factory worker, according to the Selective Service Board.

Eggs are rich in vitamin D and constitute practically the only farm commodity which can lay claim to being a source of this important vitamin.

N

EARER, NEARER comes ski weather.

Overnight even now your car gets steely cold. These mornings, as your starter prods the engine, the precious parts that you want to keep fit are rarin' to claw each other. But not after they're Winter OIL-PLATED by the quick simple change to your seasonally correct Conoco Nth motor oil. Its magnet-like effect holds OIL-PLATING clear up to the topmost piston rings, though your car may stand cold for days. Instead of all quickly draining down, Conoco Nth makes OIL-PLATING stay up on guard in advance—ready ahead of mere fast-flowing oil—to ease up the coldest starts.

Then when your engine's insides—even in Autumn and Winter—naturally warm up more than a brand new sunburn, your Conoco Nth oil shows you the type of economy that won the sensational Death Valley Death-Test—certified. 6 identical cars—6 widely advertised oils of quality, including Conoco Nth—were kept speeding over the desert, each on a different 5-quart fill—locked in—no oil ever added.

5 quarts of one big brand burned up—engine burned out—when the car with Conoco Nth still had the protection of 3.65 quarts! Even the runner-up's 5-quart fill was consumed, and the engine was junk, when the car with Conoco Nth still had 2.7 quarts in the crankcase. All impartially certified.

Get the printed evidence at Your Mileage Merchant's Conoco station. There's where to change to this popular-priced Conoco Nth oil that OIL-PLATES your engine for protected prompt starting. That's more than a promise. It's backed by something real...OIL-PLATING, Continental Oil Company

GAVE TWICE THE ENGINE LIFE!

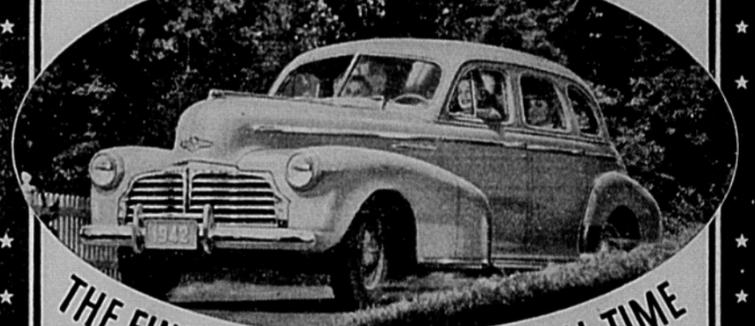

This oil that OIL-PLATES gave its engine more than twice the life averaged by the engines using the other oils in the Death-Test.

In these times use your car prudently. And use oil that's great for engine life—changing regularly as recommended.

Good starting—good lubrication against all needless wear—helps conserve gasoline, too.

JUST TALK
by
A.M.J.

If one would keep tab on the war news analysts I am sure that they could be proven the biggest liars or the poorest prophets in the world. The analyst disease seems to be spreading and we find editors and commentators on every small town newspaper and squeak radio station. They tell you what Hitler's next move will be, what Turkey is figuring on and when the war will end. None of them agree, they jump from one extreme to the other and try to straddle the fence in every comment they make. Here are my predictions: Hitler will take Moscow if the Russians do not stop him. Turkey will line up with the Germans if they do not fight with the English. Japan will back down or go to

war with the U. S. We will be paying higher and higher taxes and gripe to high heaven about it, but business will be good for a long time and we will all think we are going to get rich but won't. The women will wear shorter and shorter skirts and claim that it is done to save material. I think it should be done. We will be eating mixtures of stuff never thought of before and blame the indigestion on the food and not on the fact that we have made dogs of ourselves. Some dope not in the army will write a silly song and every radio, honky tonk and music box in the country will be grinding it out until it will make you sick at the stomach to hear it. The ladies will be knitting socks that would not fit any living man, the men will go on sinking and proud fathers will still strut around dishing out cigars that they cannot afford to pay for, and the United States will be the best place in the world to live. All I am waiting for now is the next broadcast by Kaltenbourn, or whatever his name is to find out what will happen next and when to look for it.

A prominent doctor says that more people are developing stomach ulcers because of the war and advises every one to take more rest and not to do so much worrying. Advice of this kind is easy to hand out but hard to follow. The doctor gives no clue as to how his advice can be taken except to have a rich relative die and leave you several hundred thousand dollars. The advice does not include how you can keep the Government from gobbling up the money in taxes but just the same if I had a rich relative who could leave me the money I'd like to do as the doctor says whether I have a stomach ulcer or not.

Defense, the official weekly bulletin of Defense agencies has this to say regarding automobile prices: Cooperation between OPA and the 44,000 automobile dealers is fully as important as it is between OPA and the eight automobile companies. Cyrus McCormick, chief of the Automobile and Truck Section of OPA told the Los Angeles Motor Car Dealers Association recently. "There is nothing in the OPA policy that can be taken as a prohibition to a dealer or any other businessman making a fair profit. I have frequently heard it

said that an automobile dealer must retain his margin of gross profit or he will fail. There have been certain increases in prices of automobiles already announced. They are understood and are doubtless a correct reflection of the increased cost of materials and of labor. No one has so far suggested that these increases are unwarranted. "Nor has anyone inferred that the dealer should now do business upon a smaller margin of gross profit than in normal times," Mr. McCormick continued. "If a dealer's gross margin were doubled, it would doubtless contribute toward inflation. If, however, his margin remains at the present modest percentage, I can see no reason for questioning it. OPA joins you in believing that an automobile company and an automobile dealer must make a profit or he cannot remain in business. We do not seek to stop that. We welcome it. We only seek—we only seek to help you seek—to guard against inflation."

It is not often that you find a man who is not looking for business, but W. T. Davis out at the gin says he hopes the farmers will not come in with any more cotton like the kind he has been getting. He will be getting like the old storekeeper who hid out in the back of his building with his cronies to play checkers. One day his opponent said: "Bill you've got a customer out in front." "Don't say a word," whispered the storekeeper, "maybe she'll go away."

I got in trouble last week when I said that Bob Lovett and his wife had gone to the Ozark Mountains in Arkansas. It seems that the little pimply Ozarks are in Arkansas but the real top grade A-1 Ozarks are in Missouri and Bob and his wife do not want anyone to think that they would stop overnight in Arkansas, it is the Missouri Ozarks that get them trade.

Practically every man, woman and child in this community is stumbling around looking up at the sky, smiling like a cat eating glue when the sun is out, and with tears running down their cheeks when there is a cloud in the sky. All business men take off several times a day to go out and look at the cotton crop and come back predicting everything from a famine to the biggest boom this section has ever seen. S. S. Forrest is churning up and down the streets like The Robert E. Lee trying to break the steam boat record on the Mississippi river. Howard Swanner is doing a lot of figuring on whether to make bank loans or not, and Kirby Scudder is having a terrible time trying to speak Mexican to the cotton pickers who are storming in here in all the broken-down automobiles in the nation. Judge Sewell is so sure he is going to get rich that he has practically quit work and Charlie Austin is seeping around like a kid on

roller skates. Dr. Howard has got a new pair of pliers and is getting ready to do a big tooth pulling business this fall and we have ordered a couple of tons of newsprint in case one or two extra subscribers come in begging for the Slatonite. The habit is contagious and I go to the door every hour or two and gaze up at the sky and alternate between doubling my order for paper or wiring in a cancellation. If I don't walk into a post and break my neck I'm afraid I'm going to go bla-bla before the season is over and I am sure half of the population is in the same shape.

One of our young women readers sends in a wail about the contest between the babies in the churches and the choir. In her opinion the babies are winning hands down.

Here is her comment: "I am a church goer. I can't say that I am a worshiper for it is impossible to go to church and worship when there are so many babies crying, screaming and kicking during the services. Why don't the mothers take them out when they start crying. This would make it much easier to worship."

The young lady might be overlooking one advantage the babies might be in a congregation; that is to keep some of the congregation awake but we will overlook this advantage and admit that babies do create disturbances, but mothers cannot leave the babies hitched to the bed post at home. It's a problem too deep for us and we are afraid the pastors in the churches are up against a tough question, however, there's nothing else for us to do but leave it up to the young lady and the ministers we've got to do something about an asthmatic press, bookkeeping irregularities, broken glass in the

front door, late shipments on print paper, names that get misspelled and a winter overcoat.

Mrs. Abernathy, wife of one of the duplicate Abernathy boys over at the Slaton Steam Laundry says that she is the general information bureau over at the Laundry but does not get much credit for all the expert work she does. But that's the way women are, they are like squirrels, they grab everything around a place and store it away in the strangest places and then if you want to know where anything is you have to chisel the informatin out of them.

Frances Crowther here at the Slatonite has me at her mercy. She has a place for everything but I am not detective enough to trace the places down. Personally I like things convenient, all on the top of the desk so that with a little energetic stirring you can always find just what you are looking for.

... but it's a lot of fun trying to figure out just what a woman will do to make things look neat.

Vascar Browning's registered Bird Dog died last week from yellow jaundice and this disease is reported to be attacking a large number of dogs in this vicinity. It is contagious among dogs and is said to be always fatal to the animals.

John H. Boyles, who has lived near Slaton for many years was taken to the Veteran's Hospital in Amarillo last week where he will undergo treatment. He has been ill for several months.

Small-town Atmosphere Persuades New York City

TALL buildings, crowded streets, smart shops, glittering night clubs filled with celebrities, a million gleaming neon signs at night—for many Americans this is a glamorous composite of New York life—a gay, sophisticated metropolis.

Well, New York is big; it does have seven million people in it, but there's definitely a small-town atmosphere to it. At least that's the opinion of H. Allen Smith, star reporter of a large New York daily newspaper, and author of the current best-seller "Low Man on a Totem Pole."

Certainly, writes Smith in the November Cosmopolitan magazine, there is something small-town about our mayor. His passion for chasing fire engines, his eternal solicitude for the welfare of the little people, and his tendency to use purple language when he speaks not only of politicians but of newspaper proprietors, show that La Guardia is one of us—a human being with human appetites. He's known with affectionate regard as "Butch," but he's also the nearest thing to a great public leader that we have in this neck of the woods. And just like any small community, New York likes gossip. As Smith points out, it's even been raised to a fine art. It's in every newspaper, and the expert tongue-waggers are paid fabulous sums of money.

But there are some differences to city life. For one thing, Smith cites city dogs. In the country, the tiniest of mutts will shriek and growl and bay and beller from sundown to break of day, at which time their hollering is drowned out by the noisiest of all living creatures—the chickens. But not in New York says Smith. A chicken on a platter is never noisy and the dogs of New York don't bark.

ing her mother, Mrs. S. N. Hendrix, this week.

Mr. and Mrs. C. O. Stewart, formerly of Slaton, held open house Sunday in their new home in Lubbock. Those from Southland who attended were Mesdames Calie Cash, Ed Denton, Sam Martin, J. D. Hord and C. W. Dean.

Sunday afternoon visitors of Mrs. B. R. Arthur, who is ill in a Lubbock hospital, were Olive Davies, Mr. and Mrs. G. W. Ellis, Mr. and Mrs. J. V. Young, and Rev. and Mrs. O. J. Harmonson.

Hattie Irwin was the week end guest of Rena Belle and Florene

Noack in Lubbock.

D. T. Kellum of Dallas is visiting her brother, Jim Kellum, and a nephew, Walter Kellum.

Mr. and Mrs. T. J. Head of Post were Sunday guests in the Marvin Dunlap home.

Mr. and Mrs. Walter Wilkie had as their guests Wednesday, Albert Lee Longie and E. C. Stavono of Bartlett.

Mrs. Sampson Gilliland was ill in a Lubbock hospital last week. Misses Joetta Beauchamp and Lola Mae Littlepage visited their parents in Snyder over the week end.

★ IN THE SPOTLIGHT ★

By David O. Alber

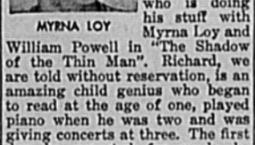

There's a new child wonder working on the MGM lot who is being groomed (that's Holly, "ood's word for it) to take the place of Shirley Temple. This lad is Richard Hall, a five-year-old from Brooklyn who is doing his stuff with Myrna Loy and William Powell in "The Shadow of the Thin Man". Richard, we are told without reservation, is an amazing child genius who began to read at the age of one, played piano when he was two and was giving concerts at three. The first day he reported for work, he watched Miss Loy and Powell playing with a toy airplane. "I never had so much fun since I was a kid," was the five-year-old's comment.

Apparently MGM intends to corner the child prodigy market. They also have under contract the Moylan Sisters, nine-year-old Marianne and six-year-old Joan Peggy. These two are not new to radio listeners. As the youngest harmony team, they draw perhaps the largest audience of any Sunday afternoon program. But Hollywood won't see the youngsters for some time. Seems that Marianne and Joan formed a football team and they have a heavy schedule ahead.

It doesn't take much to get Clark Gable to relate the story of the food baskets wife Carole Lombard once made up for 12 needy families. Not until the baskets, each containing a plump hen, went out did he discover they were his own pedigreed brood hens worth \$50 each.

Now that she's back on the air, singing on the Eddie Cantor radio program, Dinah Shore can be expected to revive the popularity of that old vaudeville practice, the split week. The program keeps the songbird in New York Tuesday and Wednesday, leaving her little more than week-ends to fill vaudeville engagements. She's still excited by these out-of-town trips and, between stage shows, likes to slip out to visit the city's points of interest. She explains this by saying she's still a small-town girl at heart.

RECORD NOTES: Oscar Straus conducts the orchestra in Columbia's album of his best known light operatic airs... For excellent sample of Shep Fields' new music, get his Victor disc of "Hungarian Dance No. 5" backed by "Don't Blame Me"... Decca's album of the month is a collection of Louis Armstrong classics.

Albert Lee Fields returned to Draughtons Sunday, after a few weeks stay with his parents, Mr. and Mrs. Tim Fields.

Mrs. Hubert Foust is visiting relatives in Lubbock this week.

Mr. and Mrs. J. R. King attended the house warming of the S. W. Smith home in Lubbock Saturday night.

Dr. and Mrs. G. I. Cook of Hobbs, New Mexico, visited her parents, Mr. and Mrs. C. W. Dean, Sunday.

Sunday School was reorganized at Hackberry Sunday.

Mr. and Mrs. Doyle Saunders and daughter of Lubbock visited her parents, Mr. and Mrs. Floyd Meers, Wednesday.

Miss Helen White entertained the young people of the Baptist Church with a tacky party Thursday night. Lola Mae Littlepage and Hubert Foust won prizes as the tackiest boy and girl.

Refreshments of punch, sandwiches, cookies and candy were served to Margaret Duff, Idellia and Gaynell Corley, Eva Faye Truelock, Lola Mae Littlepage, Brice Meers, Kenneth Young, Ding Martin, Odell Donahoo, Roderick Duff, Pete King, Billy White, Rev. and Mrs. Hubert Foust and the hostess.

Big game animals, nearly doubling in number in the National forests every ten years since 1908 now are estimated at more than 2,000,000 head, according to the U. S. Department of Agriculture. Nearly 80 per cent are deer.

Expert student lawyers at the University of Texas, "staff members" of the school's free Legal Aid Clinic, supplied attorney's counsel to 37 clients during the five months the clinic was in operation. The agency is designed to give legal advice to indigent Texans who cannot afford attorney's fees.

Grain in commercial storage at 40 terminal market reporting to the Department of Agriculture's marketing service increased nearly six per cent during August. About 85 per cent of available commercial space was occupied September 1, compared with 80 per cent a month earlier.

This year cotton will have the greatest promotional fund ever available. The National Cotton Council says its nickel-a-bale fund has been approved by firms which handle more than 90 per cent of the 1940 crop.

Department of Agriculture scientists have invented a machine which will cut two tons of staple-length cotton into small pieces hourly. The chopped-up staple is used as a substitute for linters in making smokeless powder.

Approximately 8,000 people in 1940 saw a movie, "Texas Cooperatives in Action," which was made by C. E. Bowles, Extension Service specialist in organization and cooperative marketing.

DEBUTANTE DOES HER BIT

There are no "play-girls" among Canadian debutantes these days. All young Canadian women are in war-work of some kind, many of them in industry. Typical of the debutante class is Miss Joan Holland of Montreal. Prominent in the social life of the younger set in that city, she gets out of bed at 6:30 o'clock each work-day morning and an hour later reports for duty in the shell-case manufacturing plant where she joins her fellow-workers, men and women, making, inspecting and stamping shell cases for beleaguered Britain. Canada is turning out ammunition of various types at the rate of millions of rounds per year.

POSEY ITEMS

Mrs. S. N. Gentry, Correspondent

More interest is being shown at Posey Sunday School. All officers and teachers, except one, were present Sunday. We are urging the old members to come out and visitors are always welcome.

There will be singing at the school next Sunday night. We hope to see a large crowd there. Singing will begin about 8 o'clock.

Mary Frances Cloninger entertained the young people with a Bingo Party Saturday night, in the home of her sister, Mrs. Wesley

West Ward Notes.

MISS POOL'S SEVENTH GRADE

The Seventh Grade gave a program in assembly Wednesday, which consisted of several numbers:

1. A reading, "Boy Snakes," by Dixie N. Stevens.

2. A piano solo, "Ciribiribin Waltz," by Bertie Dominguez.

3. A play, which was written by Vysta Ward, from the story, "The Gullible World." The cast was as follows: The man, Jack Thompson; The wife, Gloria Schilling; The rich lady, Joy Simmons.

4. A reading, "It's Hallowe'en", by Betty Ann Willis.

5. A reading, "An Egg," by Lavenia Wilson.

6. A play, which was written by Reta Stephens, from the story, "Later". The cast: Mr. Carmody, Edwin Burton; Mrs. Carmody, Phyllis Tefertiller; Marge, Vysta Ward.

7. A reading, "Witch's Pies," by Joyce Smith.

8. A reading, "The Witch's Ride," by Bobby Hoover.

"The Hallowe'en Carnival will be next week, and we want everyone to come and have fun with us," was the message from the students.

Vysta Ward is leading the queen's race in Miss Pool's room and Phyllis Tefertiller is second.

Being quiet and orderly in the Cafeteria and being quiet in chapel have been improved. The Club is proud of the new stage in the Junior High study hall.

Meddling in the office and damaging the shrubs on the school grounds need to be improved and for the safety of the school, it is necessary to cooperate with the janitor in keeping the fountains as clean and sanitary as possible.

"Some rooms reported better cooperation with their mayor, but it still needs to be improved," said Tommy Davis, president.

Junior High is planning fun Hallowe'en, but not the kind that will cause damage to persons or property. We hope everyone will feel this way.

The children have been asked not to meddle with other people's bicycles.

BIG CITIZENSHIP CLUB.

The big Citizenship Club of Junior High had its regular meeting Tuesday.

Mr. Harvey's room chooses a boy or girl each week to sit at a certain desk called the Honor Seat. This student gets to do errands for the teacher, take announcements to other rooms, and take daily reports to the office. No person may serve more than once during the year. Students are chosen on a basis of citizenship and good scholastic standing. W. A. Sikes is the Honor Student for this week.

Tommy Davis of this room is the president of the General Citizenship Club for this month. Our room is studying about democracy and its meaning, and students are trying to make their room more democratic by better cooperation with the citizenship officers.

MRS. JOHN'S ROOM.

The students are decorating the room for Hallowe'en. They have new curtains for the room and have painted the blackboards. They have also repaired their radio. These improvements were made with the money made from Food Sale sponsored by the group.

The fire chief appointed for this week is Bert Loring and his assistant is Edgar Lee Dennis.

Dorothy Lee Davis is leading the race in this room for Carnival Queen and Peggy Jean Abernathy is second.

NOTICE!!

Anyone who has some good classical records that they would donate or loan the Junior High School, please bring them. If you will, we would appreciate it very much and we will take good care of them.

Junior High School.

JUNIOR HIGH SPORTS.

The Cubs are working hard getting ready to meet the Lubbock Junior High Calf Ropers here Wednesday afternoon. The Calf Ropers have a fast and hard working team, but the Cubs hope to stop them by playing fast football. The team has been strengthened by the addition of several Freshmen, who played last year. The teams played include boys from the seventh, eighth and ninth grades, so Coach Harvey thought it wise to use the same type boys.

Freshmen coming out are: Travis Melton, Billy Gentry, Ray Talbot, B. A. Hanna and Billy Lloyd Brackeen.

at the school house Sunday night for a regular meeting. Twelve members were present. Mr. Nathan Johnson gave a talk to the group. The League meets each Sunday night at 8 o'clock, except Singing nights at 7:30.

Fine crops were raised here this year, but farmers are having a hard time gathering them, due to wet weather. Cotton is damaged considerably, feed sprouted in the field. With prices going down, the future for farmers isn't so promising.

The infant son of Mr. and Mrs. Monroe Brieger has been ill the past week. Also their little daughter, Georgia Nell, who is to undergo a tonsillectomy as soon as she is strong again.

'Baby' Legislators Honored

A delegation from the United Youth for Defense organization presented Sen. Joseph Ball of Minnesota and Rep. William Stratton of Illinois, two of the youngest legislators in congress, with medallions of the organization. Photo shows No. 1 New York debutante, Miss Betty Gordon, pinning a medal on Senator Ball, who is 34. Representative Stratton (shown) is 27.

Two AAA Programs For Texas In 1942

COLLEGE STATION, Oct. 23.—Texas farmers will have two AAA farm programs in 1942, according to Fred Rennels, assistant administrative officer of the state AAA.

In West Texas, farmers will have the minimum conserving-acreage plan and farmers in East Texas will have the erosion-resisting plan, he said.

In defining the areas in which the two programs will apply, Rennels pointed out that all counties in the state lying south and east of and including Wilbarger, Baylor, Throckmorton, Shackelford, Callahan, Coleman, McCulloch, Mason, Gillespie, Kerr, Edwards and Kinney counties will carry out the erosion-resisting plan, and all other counties in the state will have the minimum conserving-acreage plan.

The principal difference in the two plans, the AAA official said, is that under the conserving-acreage plan a minimum of 20 percent of the cropland must be devoted exclusively to soil-conserving crops during the crop year, while in the erosion-resisting area at least 25 percent of the cropland must be devoted to erosion-resisting crops or land uses at some time during the crop year.

The method of payment will be substantially the same in both plans with payments being made for planting within special allot-

ments, such as cotton, wheat, rice, peanuts and Irish potatoes, and carrying out approved soil-building practices.

Percentage deductions in net payments will be made for failure to meet minimum requirements under the two plans, and a deduction of ten times the rate applicable to a farm will be made for exceeding special allotments. Deductions incurred for exceeding crop allotments will be applied against payments earned under the range program, he said.

BIBLE STUDY.

The Tuesday Bible Study will meet at 2:30 p. m., at the Methodist Church.

Lesson: The Unseen Worlds—Part II.

(1) Where Are The Unbelieving Dead?

(2) Can The Dead Communicate With The Living?

(3) All Purported Communications From the Dead Are Made by Fallen Angels.

(4) What are These "Fallen Angels," What Do They Do?

(5) Demons and Wandering Spirits Are Wholly of Satan.

(6) These Demons Preach a Gospel Of Reformation.

(7) God's Gospel is a Gospel of Grace.

MRS. S. S. FORREST, Teacher.

CARD OF THANKS.

We wish to express our sincere appreciation to our many friends who were so comforting in the loss of our infant son and brother.

Mr. and Mrs. J. W. Henry and family.

leges are receiving letters asking for employees to fill positions for business establishments in many lines of business.

Draughon's Business College in Lubbock offers great opportunities for training for any young man or woman. It is possible to acquire all types of business tactics needed to secure positions with handsome salaries and chances for advancement. Upon graduation from Draughon's, it's employment department will help you to find a good position with some business concern. Competent and efficient teachers make up the staff of this fine institution and it's students rank the highest in all fields of business training.

Phone or write Draughon's for complete information concerning types of courses offered. They will be glad to discuss your educational problems with you personally at any time. Draughon's is located at 1303 1-2 Texas Ave. in Lubbock.

Good Poultry Feed Essential To Success

There is one thing that is essential in the production of poultry, and that is good feed. Your hens, pullets and baby chicks will not come up to your expectation unless they have the right kind of feed. Feed that is well balanced, properly mixed and containing the vital necessities in producing eggs, developing pullets, and growing of baby chicks to maturity.

Stanton's poultry feeds contain all of these necessities, in addition to Manamar, that famous ingredient that goes into all of Stanton's poultry feeds. Manamar gives your poultry vim and vitality that no other ingredient gives.

Dickson Produce handles this brand of feed in Slaton, and you are assured a fresh supply at all times. His turnover is large, thereby insuring this freshness.

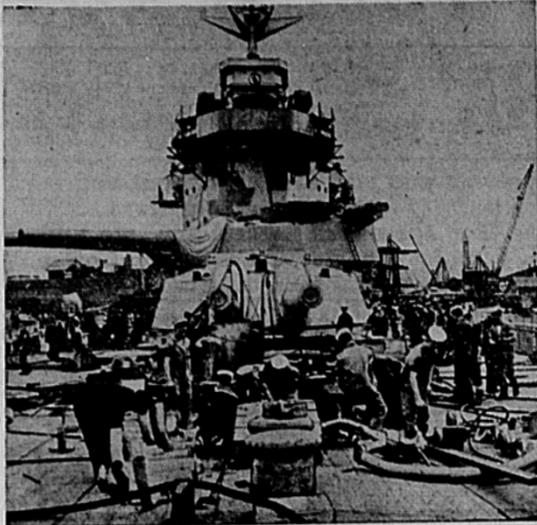

Start feeding your hens laying mash now for winter laying. Get them in condition. Also, Dicksons have poultry supplies of all kinds, including fountains, feeders, etc.

Miss Jaunita Williams, Senior at Texas Tech, was in Slaton over the weekend, in the home of her parents, Mr. and Mrs. R. T. Williams.

U. S. Repairs H.M.S. 'Warspite'

A general deck scene from the bow of the British battleship, Warspite, hero-ship of many naval battles of the present war, as she was put in ship-shape at the Bremerton navy yard, near Seattle, Wash., before venturing on the high seas again. The tubes shown on deck are for air conditioning for the men working below.

Cars Should Be Checked Up Now

Due to a rise in the price of new cars it is impossible for some buyers to feel that they can afford 42 models this year. In such cases it is wise to get your present automobile in good working order to determine longer wear. Keep your car in tip-top shape all the time to get the best use from it. Any man can be proud of a good car, that is never allowed to become shot and rattled. New car accessories and parts are not expensive and can save you lots of time, money, and worry later on.

O. D. Kenney is the dealer for auto parts and accessories in Slaton and can quote you prices on parts for all models of automobiles. Kenney carries a complete line of tractor parts and suggests that farmers check on their tractors before cold weather begins. Money can be saved at Kenneys on tires, tubes, batteries and accessories of all kinds. "It's fun to come in and look around at all the things we carry," says O. D., "and we're always glad to have you whether you just come to look or to buy."

Mrs. J. C. Barry of Washington, D. C., daughter-in-law of Mrs. J. D. Barry is spending a few days in Slaton to be near her mother, Mrs. R. L. Kelly, who is ill in the Plains Hospital in Lubbock.

Mr. and Mrs. Charlie Whalen spent the past weekend in San Angelo.

'Seeing' London

Pretty Kathleen Harriman, daughter of W. Averell Harriman, head of the U. S. lend-lease war mission in Moscow, is being shown the sights of London by a steel-helmeted policeman, who seems to be enjoying the "job" to the utmost.

Misses Ruth Hopping, Venera Goode, Wanda Shaw, Rhonda Nell Mabre, Delois Williams, Dortha Chism, Naomi Martin, Mary Berry, Gale Coats, Delouise Giddings, Virginia Mote and Marie Taylor.

Miss Nellie Jo Jones spent Tuesday night with Miss Laverne Carpenter.

Max Robertson of Lubbock spent Friday night with his parents, Mr. and Mrs. E. A. Robertson.

Miss Helen Richardson of Sooper is visiting her grandparents, Mr. and Mrs. H. L. Mote.

Mr. and Mrs. R. L. Goode and children, Mr. and Mrs. I. W. Hemilline from Petty, visited in the home of Mr. and Mrs. H. L. Mote Sunday.

Miss Autry Coston entertained with a dinner Sunday. The guests were: Miss Kathryn Robertson, Dick Cade, Jackie Cade and the hostess.

Mr. and Mrs. George Newton of Lubbock visited in the home of Mr. and Mrs. R. B. Hamilton Sunday.

Mr. and Mrs. Neil Wilson of near Woodrow have recently built a new home.

Mrs. Burt Klantchek of Manchester, New Hampshire is visiting her parents, Mr. and Mrs. Charlie Gill.

Miss Lorene Forester is back in school after having a case of the mumps.

Miss Nell Taylor is ill with the mumps.

Miss Nanie Lee Goode from Lubbock visited her parents, Mr. and Mrs. R. L. Goode, over the week end.

Mr. Cloyd Presley of Brownwood has returned home to stay with his mother, Mrs. S. J. Presley.

Mr. and Mrs. Earl Johnson and family, Mr. and Mrs. Orval Pair and family, Mr. and Mrs. Forest Raymond and family, Mr. and Mrs. J. R. Raymond, Miss Wynell McMillian and son, from Amarillo were dinner guests of Mr. and Mrs. Eugene Evans Sunday.

Miss Betty Jean Roberts and Miss Faye Williams spent Sunday afternoon at Buffalo Lakes with Betty Jean's brother, Ralph Roberts, and a friend, Claude Pruitt.

Others present were: Miss Pauline Thompson and Mr. and Mrs. Eugene Roberts and children. They spent the afternoon riding in Mr. Roberts' boat.

Mr. Monroe Shelton, Jack Beavers and Miss Dolly Shelton were dinner guests in the home of Mr. and Mrs. J. J. Shelton Sunday.

The University of Texas has trained 700 skilled engineers for defense industries during the last year, in short courses "ordered" by the U. S. Office of Education. Of this number 96 per cent have already found employment to use their newly acquired skill.

Miss Smith Is Hostess To Club

Miss Naydene Smith, 400 West Lubbock, was hostess to the daughters of Pioneer Study Club Monday night, October 20th.

After the business meeting the usual yearbook program was held. "There is no point where art so nearly touches nature as when it appears in the form of words." The roll call was "Principal Parts of a Verb." Myrtle Teague was the teacher of the study, "Verb Forms." Mrs. Earl Reasoner, instructed a parliamentary drill.

A refreshment plate was served to Mesdames Max Arrants, George Brassell, Curtis Dowell, J. P. Haliburton, Odie A. Hood, R. A. Singer, Melvin Tudor, Reasoner, and Misses Joan Drewry, Teague and the Hostess.

The next meeting will be November 3rd with Mrs. Haliburton as the hostess.

Baptist W. M. U. In Thomas Home

The W. M. U. of the First Baptist Church met Monday afternoon in the home of Mrs. Milton Thomas, with Mrs. W. O. Bowen as co-hostess.

Singing was led by Mrs. Guy Brown, with Rev. W. F. Ferguson offering an opening prayer. Mrs. Bowen was leader for the Missionary program, which was about South America.

Others having parts on the program were Mesdames: R. L. Smith, Jr., M. H. Lasater, Fred Stottlemire, W. P. Florence, Clifford Young, W. F. Ferguson, and Brown.

Refreshments were served to the 28 present.

Miss Hanna Is Club Sweetheart

The Delta Sigma Subdeb Club met in the home of Miss Corinne Cates Saturday, October 18th.

At the business meeting plans were discussed concerning the club's Rush Week ceremonies. Miss Gwendolyn Hanna was selected to represent the club as Sweetheart.

A refreshment plate was served by the hostess to Misses Wilda Hanna, Dorris Clifton, Jenny Lou Garland, Connie Henry, Gwendolyn Hanna, Mary Mann Sargeant, Maxine McMillan, Gerry McMillan, Mrs. Howard Hoffman, Sponsor, Frances Crowther, inactive member, and Mrs. Harold Stubbs, a guest.

Second In Series Of "42" Parties

The Slaton Band Parents will sponsor their second in the series of "42" parties next Tuesday night, October 28, at the club house at 7:30 p. m.

Band students are supplied with tickets to sell at the same prices as last week: 15c for one person and 25c for a couple.

A suggestion has been made that all persons attending the party next Tuesday wear a mask to carry out the Hallowe'en motif.

Everyone who plays 42 is urged to come.

Club Dines At Mexican Inn

The 1940 Study Club had a dinner at the Mexican Inn in Lubbock Thursday, October 16.

Following the dinner, Mrs. R. C. Williams of Lubbock reviewed A. J. Cronin's "Keys Of The Kingdom."

Fourteen members were present and seven guests.

The next meeting will be in the home of Mrs. R. L. Smith, Jr., 700 South 8th, on November 6. Subject for study will follow the yearbook program.

Mrs. Evans Hostess To Sunday Dinner

Mrs. L. E. Evans was hostess to a surprise birthday dinner in honor of her husband, Sunday, October 19.

The twenty-four guests present were Messrs. and Mesdames W. F. Raymond and children, Norris, Nelda and Joyce of Wilson; James Adams of Meadow; Orville Pair and children, Gladys and Mary; Earl Johnson and children, Jimmie and Jeanette; J. C. McMillan and son, Don, of Amarillo, cousins of Mrs. Evans; and J. R. Raymond of Slaton.

Quilting Club In Wilson Home

Mrs. E. E. Wilson was hostess to the Jolly Quilting Club Tuesday, October 21.

A business meeting was held immediately after the cover-dish luncheon.

Members attending were Mesdames J. W. Scott, J. L. Collins, Jess Burton, H. H. Edmondson, R. C. Sanner, J. W. Ward, E. F. Jarman, I. C. Tucker, J. F. Ewing, W. P. Florence and the hostess.

Mrs. Nora Zimmerman of California was a guest. The next meeting will be in the home of Mrs. Florence, 855 So. 14th St., November 4.

Mrs. Butler Honors Son On Birthday

Mrs. J. B. Butler honored her son, Billy, with a party on his seventh birthday, Tuesday afternoon, at their home at 1105 West Lynn Street.

Guests were Peggy Jean and Faye LaVerne Ely, Shirley Ball, Patsy Hickman, Cynthia Ann Lovelless, Shirley Nell Smith, Jimmie Reed, Harley Castleberry, Billy Ray and Jimmy Glascock, Donald Sikes, Gordon Stephens, Webber Williams, Dural Wilson, Tommy Swanner, Linda Lee Frazier, Donny Hardy, Patsy Mosley, Tracy Crawford, Weldon Edwards, Hazel Gibson, Ray Walters, Betty Jo and Barbara Lyle of Lubbock, Mrs. Glascock, Mrs. Lyle and Gloria Lively. Those sending gifts were Martha Mack, Betty June Deal, James Douglas Drewry, Athleen Reed and Darwin Duckett.

B. R. T. Banquet At Hilton Hotel

The Banquet held at the Hilton Hotel in Lubbock, October 16, was an outstanding event for the Brotherhood of Railroad Trainmen Lodge 892. Brother Harmon Thompson, chairman of the arrangement committee, made possible this affair, held in honor of Brotherhood Trainmen and Ladies' Auxiliary, with visiting guests from San Angelo and Clovis, New Mexico.

The dinner was served at 7:30 p. m., with 80 persons present. Honor guests present were, Legislature Representative Hop Halsey, and Mrs. Halsey; Senator Marshall Formby; Fireman, Clarence Heaton, and Mrs. Heaton; Engineer L. W. Smith, and Mrs. Smith; Railway Clerk, Homer McDonald, and Mrs. McDonald; and Medical Examiner, Dr. W. E. Payne, and Mrs. Payne. Each of the guests of honor made a short talk.

John M. Hannah, Past President of Lodge 892, was the toastmaster of the evening. After 9:00 p. m., the banquet guests entered the ballroom, where an orchestra rendered music for dancing.

Woodrow Wilson P. T. A. Meets

The Woodrow Wilson Parent Teacher Association met Tuesday October 14, at 3:00, with Mrs. J. P. Spears presiding.

The meeting was opened with the group singing, "Star Spangled Banner", after which Superintendent M. S. Kavanaugh gave a talk on "Personality Development of the Child." Mrs. Roberts read a "Prayer for Teachers." A short business meeting followed, at which plans were made for the Hallowe'en Carnival, to be on the night of October 30. The meeting date of the P. T. A. was changed to the second Tuesday of each month.

Mr. McKinnon's room won the banner for the month.

Refreshments were served at the close of the meeting.

The next regular meeting will be the second Tuesday in November at 3:00 p. m. All parents are invited to attend.

Julian Kessel of Roswell, spent a few days the first of the week with his parents, Mr. and Mrs. Abe Kessel.

Stewarts Surprised With House Warming

Friends of Mr. and Mrs. Carl O. Stewart and family, from Slaton and Southland surprised them Sunday afternoon with an old fashioned house warming at their new home, 2419 21st St., in Lubbock. All of the guests met in Slaton and went in a body to Lubbock.

The Stewarts were presented a coffee table and a large number of miscellaneous gifts and several bouquets of flowers.

A program was presented by the group, with Mrs. Mable Greer reading a Scripture and Mrs. T. K. Martin offering a prayer. The song, "Home Sweet Home", was rendered by the guests. Mrs. Fred Schmidt gave an original reading, "Stewarts At Home."

Methodists' Week Of Prayer To Begin Monday

The Women's Society of Christian Service met in the home of Mrs. L. A. Herral Monday, October 20, at 3:00 p. m.

Mrs. S. H. Adams presided, with Mrs. Roy G. Loveless giving the devotional. Mrs. Adams and Mrs. Elbert Loveless gave the chapter of the study.

Refreshments were served to the group by the hostess.

Beginning October 27-31, the Methodists will have a week of prayer which will be of value to all members of the church. Members of all denominations are invited to these services. All meetings will be at the church and will follow this schedule: Monday afternoon: 3:00 p. m., Tuesday morning: 9:00-11:00 a. m.; Wednesday morning: 9:00-11:00 a. m.; Thursday afternoon, 3:00 p. m., and Friday morning, 9:00-11:00 a. m.

Now is the time when prayer is needed in the lives of the people. All persons are urged to attend this week of prayer.

CIVIC AND CULTURE CLUB

The Senior Civic and Culture Club will meet Saturday, October 25th in the home of Mrs. W. E. Smart, 520 West Garza, for a study of "Literature" with Mrs. J. A. Elliott as leader.

JOBS FOR GRADUATES.

Many unfilled positions every month virtually assure immediate employment opportunities on graduation. Urgent demand for graduates both in business and government offices at handsome starting salaries. Phone, call or write today for Special Offer, before rates advance. Draughon's Business College, Lubbock, Texas. 3tp10

LEGION AUXILIARY TONIGHT.

The American Legion Auxiliary, which was to meet with Mrs. Laura Rhodes will be at the Legion Hall instead, due to the illness of several persons. The meeting will be tonight at 7:30 p. m.

According to government estimate, there were 17 percent more cattle on feed for market in 1941 than one year ago.

SLATON SURPRISES OLTON, 22-13, IN BIGGEST UPSET OF SEASON

Coach "Stumpy" Hamilton's Slaton Tiger Eleven romped on the Olton Mustangs to the tune of 22 to 13 last Friday night in their third successive conference victory. The Tigers are the second ranking team in the north zone of the 5-A conference district. Levelland is first and tied with Slaton on percentage. This, the Tigers' biggest upset of the season, was a real football battle, with Slaton due to be the underdogs.

In the first play of the game, Olton's Richards threw a 35 yard pass to Scheier, who went over for the touchdown. They failed to convert for the extra point. In the second quarter, Richards scored standing up and then kicked the extra point. Willis Hedges was removed from the game early in the first quarter, due to injuries. In the first quarter, on a ten yard pass from Cooper to Miller, Slaton scored. Collier failed on the kick for extra point, when the ball hit the goal post and bounced back. In the third quarter, Slaton pushed Olton back for a touch-back. In the fourth quarter Miller scored on a long pass from Collier, who bucked the line for the extra point. Again in the fourth quarter, Waldrep scored on a pass from Collier, who again plunged for the extra point.

The Tigers beat the Mustangs in every way conceivable. Slaton had 14 first downs to her opponents' nine. The Tigers had five penetrations, while the Mustangs had only one. Slaton had 35 yards in penalties, while the Olton team had ten. Olton completed two passes out of seven, while Slaton completed four out of eight, with none intercepted.

Every man on the Tiger team was an outstanding player. This was by far the most thrilling exhibition witnessed by the Slaton fans this year.

Texas Tech Has

(Continued From Page 1)

talk, or indistinct speech due to conditions of the teeth and shape of the jaws," Miss Annah Jo Pendleton, acting head professor, said. There were a number of stutters and stammerers.

Other cases included two persons who spoke indistinctly due to some form of paralysis, one speechless person, and several who did not speak clearly because of poor breathing. A few cases were affected by varying degrees of deafness.

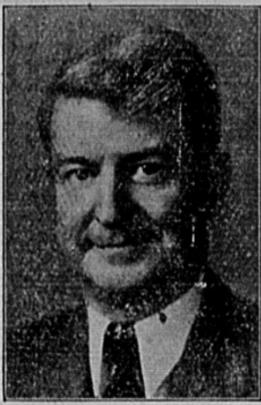

The clinic, which was established at Tech in 1934, serves as a laboratory for advanced speech students and gives assistance to those with speech defects living within commuting distance of the college. Ages of patients vary from six to sixty-five years. Success of treatment depends on the seriousness of the cause and regularity of patients attendance.

Conducting the clinic are Miss Pendleton, Dr. M. L. Curry and John N. Watson of the speech faculty. Hours are 1 to 5 o'clock each Thursday afternoon in Room 205, Administration building.

W. T. C. C. To Meet In Midland Soon

MIDLAND, OCT.—All out, West Texas!

So titled has been the evening banquet on Tuesday, November 4,

GEORGE H. MINCHIN

The appointment of George H. Minchin as acting general manager of the Santa Fe Western Lines, with headquarters in Amarillo, to fill the vacancy recently created when General Manager John A. Gillies entered military service as Colonel, was announced today by W. K. Etter, vice president in charge of operations of the Santa Fe System.

Minchin is recognized as one of the foremost operating officials in the Southwest and has nearly 40 years with the Santa Fe during which time he rose from station clerk to his present important post.

He has been assistant general manager of the Southern District, Western Lines, since Aug. 1, 1939.

After graduating from the Madoc Teachers College he entered the teaching field but gave up the three "r's" for a fourth, "rail-roading", soon after moving to Denver, Colo. His first job was Santa Fe station clerk at La Junta, in 1902. He then went to Topeka and subsequently became chief clerk to the general manager there. In 1910 he was made transportation inspector of the Illinois division and in 1917 trainmaster. Three years later he became assistant superintendent of that division and in 1921 transferred to the Missouri division. He was made superintendent in 1925.

As acting general manager his Western Lines territorial sphere, largest of the Santa Fe grand divisions, will include areas in Kansas, Oklahoma, Texas, New Mexico and Colorado.

Closing the West Texas chamber of commerce 24th general convention. The theme of West Texas' part and place in national defense will get its final sounding at the dinner gathering expected to overflow the Crystal ballroom of Midland's Scharbauer hotel and to fill the adjoining messanine lounge. Loud speakers will be set up to carry the program to every diner.

Toastmaster at this concluding gathering of Westex hosts will be Mark McGee, lawyer of Fort Worth, and member of the board of Texas Technological college trustees. President of that West Texas institution, Dr. Clifford B. Jones, will be the banquet orator. Jones is a former president of the West Texas chamber of commerce, and the program will honor all other living past presidents. They will sit at the speaker's table and be presented by J. Thos. Davis of Stephenville, now heading the regional chamber.

Personals

Mr. and Mrs. Harry Argoritz of Borger were weekend guests in the home of Mr. and Mrs. W. E. Edwards.

Mr. and Mrs. G. B. Galliger of

A report on the cotton spinning industry for June shows 104,662,016 active spindle hours in the state for the months. The average hours per spindle in Texas was 431—slightly above the national average of 408 hours per spindle.

Since bacterial canker may be spread in nursery stock, young plum, peach, nectarine and apricot trees purchased for planting should be carefully inspected.

The seasonal decline in milk production between July and August was about 10 percent, the smallest percentage decline ever reported at that season, says the Agricultural Marketing Service.

Houston were recent guests of Mr. and Mrs. Harold Stubbs.

Benjamin Kessel, nephew of Abe Kessel, who is attending Texas Tech, spent the weekend with Mr. and Mrs. Kessel.

Mrs. Faye Rector of Galveston, daughter of Mrs. W. A. Tucker, was a recent guest in the home of her mother.

Richard Ragsdale, sophomore at Texas Tech, spent the weekend with his parents, Mr. and Mrs. R. W. Ragsdale.

W. H. Vermillion, of Plainview, visited here last weekend.

Mr. and Mrs. E. O. Todd and son of Lamesa were guests in the home of Mrs. Todd's parents, Mr. and Mrs. G. T. Hammett, Sunday.

CLINIC REPORT.

TONSILLECTOMY:

Alton Bailey, son of Mr. and Mrs. L. G. Bailey of the Cooper community.

BIRTH:

A daughter, to Mr. and Mrs. R. S. Lewis. Mr. Lewis is an employee of the Kessel Department Store.

35 Percent Loans

(Continued From Page 1)

The execution of loan papers will be under the supervision of local county AAA committees with such agencies as banks, warehouses and county AAA offices being designated by AAA Committees to assist producers in preparing and executing loan papers.

The notes, which will mature July 31, 1942, bear interest at 3 percent per annum, and are callable on demand, Mr. Lilley said. Loans will be available until May 1, 1942, and will be made only on cotton represented by warehouse receipts issued by warehouses approved by the Commodity Credit Corporation.

SLATON LODGE No. 1094 A.F. & A.M. Stated Communication on 2nd and 4th Thursday night in each month. Visitors welcome. Earl Johnson W.M., R. M. Shepard, Sec.
