

City Health Officer Says Slaton Should Be Cleaned And Kept Clean

City health officer, Dr. W. E. Payne, reported this week that no polio cases have so far been reported in the district but that it seems to be spreading to the south and that every precaution should be taken to guard against further encroachment.

While there is still no definite proof as to all the carriers of the polio germ it is indicated that flies, mosquitoes and rats may be the means of spreading the disease and Dr. Payne says that it is most important that the town be cleaned up and kept clean.

He particularly stressed the need for refuse cans being kept covered and emptied as soon as possible. The business firms of Slaton are particularly lax about this problem, said Dr. Payne.

There are a number of outdoor toilets in Slaton and he said that as many as possible should be connected to the city sewerage, and the remainder should be inspected and regulated; all cows, horses and livestock in the town should be regulated according to the city ordinance or better still they should be removed from the town.

The weed situation in Slaton and immediate vicinity, is grave, said Dr. Payne, as they harbor all kinds of insects and are the hatching places for mosquitos. The weeds will also be a dangerous fire hazard in the fall if they are not cut.

Not only will a good cleaning up of the town be a safeguard against polio but it will also help keep down other contagious diseases and the health officer said that he cannot stress too firmly the need of cooperation of the citizens of the town in keeping things clean. A safe disinfectant should be available around all homes and business places, the doctor said, and it should be used regularly, especially at this time of the year. Doctor Payne believes that a clean town is not only important from a health standpoint, but is also a dollar and cent asset to everyone who lives here for it makes for a better business town and a better place to live.

Methodist Church School Continues Through June 17

The Vacation Church School of the Methodist Church began Monday, June 6. Classes are being held each week day from nine until eleven o'clock. There was an enrollment of 87 pupils and 18 workers.

Classes are being held for boys and girls between the ages of four and fourteen. Courses are taught as follows: Kindergarten, My Home and Family; Primary, Friends at Home and Community; Juniors, Friends at Work; Intermediates, Exploring the Bible with Intermediates. Refreshments are being served daily.

The school will close June 17. At that time a sharing program will be held and certificates will be awarded.

Officers and teachers taking part are: Rev. O. B. Herring; Mesdames Douglas Wilson, Supt., Joe Walker, Jr., S. W. Clark, Geo. Brassell, Bill Ball, Howard Hoffman, J. A. Wright, L. A. Harral, Sug Robertson, Joe Teague, III, F. B. Sexton, Joe Fondy, J. H. Brewer, and Misses Lavina Wilson, Josephine Shepard and Patsy Holloman.

Dowell Appointed To School Board

Curtis Dowell has been appointed to the Slaton Independent School board to succeed Roy Mack, resigned, according to Supt. P. L. Vardy.

Mack's resignation came earlier this spring after he was transferred to Abilene by the Western Cottonoll company.

Fred Stephens has been appointed president of the board, replacing Mack in that capacity.

In the recent elections Dr. J. E. Loveless and J. T. Kendrick were elected to vacancies on the board. Dowell's appointment makes the third new member selected this year.

Mr. and Mrs. Edw. N. Smith returned to their home in Louisville, Ky., after spending a week in the homes of the latter's sisters, Mesdames Clem and J. J. Kitten, and families.

Come in and see "Peggy," the walking doll at Carrington's Jewelry.

Drills Started By Legion Nine

Practice is underway by local boys trying for positions on the Slaton American Legion baseball nine, to be entered in the South Plains American Legion Junior league, under direction of Coach Clarence Tillery.

The program is sponsored nationally by the Legion and the Ford Motor company, which locally is furnishing uniforms for the players.

Tillery has several members back from last year's team and has added several boys this season to attempt strengthening the club. Lubbock won the league last year, no sign out the local nine two times, and beating them severely twice.

Tillery has also added two boys from outside of Slaton, who are eligible, and hopes to use them a great deal in games.

Practice is being held daily from Monday through Friday of each week, beginning at 5 o'clock in the afternoon. Several practice games will be scheduled possibly beginning next week, before the regular league play will begin. Today is the last day for certifying teams who enter and Tillery expects the league slate to be completed next week.

Boys now out for the team, and expected to comprise it for most of the summer are Coy Biggs, Bob Chenoweth, Jerry Huckabay, Bob Lambert, Carl Lewis, Ed Maeker, Harley Patterson, Jerry Reynolds, Tommy Swanner, Duane Sooter, Billy Rammage, of Post, R. A. Thompson, Warren West, Ed Willis, Johnnie Hammett of Midway, and Alvis Collins.

Polio Strikes Two Grandchildren Of Mrs. N. C. Dickson

The two oldest children of Mr. and Mrs. Charles Dickson of San Angelo were taken to the hospital there this week suffering with polio. The boy, who is six, developed the disease Monday and the girl, who is nine, became ill Tuesday. The report Wednesday was that both had responded to treatment and were doing as well as could be expected. They are grandchildren of Mrs. N. C. Dickson of Slaton.

H. J. Verkamp To Be Buried Saturday

Herman J. Verkamp, 78, retired farmer of Slaton, died about 7 p. m. Tuesday in Mercy Hospital here.

Verkamp had lived in this area since 1921 when he came here to engage in farming.

Survivors include five daughters, Mrs. Pete Respondek of Idaho, Mrs. Augusta Blume, Mrs. Alfonso Bednarz, Mrs. Herman Schneider, and Mrs. Joe Kolodziejczyk, all of Slaton; four sons, S. H. of Wilson, Ed. Roman, and Gilbert, all of Slaton; and two brothers, Leo Verkamp of Lawrence, Neb., and Harry Verkamp of Ferdinand, Ind.

Funeral services will be held from St. Joseph's Catholic Church by Father T. D. O'Brien at 9 a. m. Saturday morning, June 11th. Internment will be at Englewood Cemetery under the direction of the Williams Funeral Home.

Denver City Leads Oil Belt Loop; Slaton Lions In Tie For Sixth

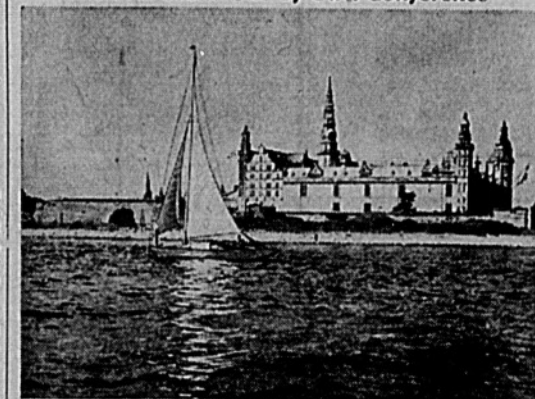

According to statistics given this week by the Lubbock Avalanche sports department, Denver City is leading the Oil Belt baseball league with six victories against one defeat, with the home town Lions resting comfortably in a sixth place tie, showing two losses against two wins.

These statistics were not up to date according to number of games played, but stand as official until all reports have been turned in by each team's statistician.

Seagraves is holding down second place with seven wins against three losses, while Levelland and Post make up the remainder of the top division, with five wins each and three losses by Levelland and four losses by Post.

Sundown is tied with Slaton in fifth and sixth places, on percentages, having won, and lost, five

Historic Castle Site of U.N. Conference

Kornborg Castle at Elsinore, Denmark, where Prince Hamlet of Shakespeare's drama lived, will be the site of an Adult Education Conference, sponsored by the United Nations Educational, Scientific and Cultural Organization (Unesco), beginning 16 June.

West Texas C. of C. Magazine Tells Of Local Business Man

The following report on Slaton's member of the West Texas Chamber of Commerce Directors was printed in the latest number of "West Texas Today," the official publication of the West Texas Chamber of Commerce:

Newest member of the WTCC board is Lewis Hollingsworth of Slaton; elected by his Chamber of Commerce to succeed William R. Sewell when the latter moved from Slaton to Lubbock but at Calvert in new duties there as vice-president of the Citizens National Bank. Mr. Hollingsworth is also one of the WTCC's very youngest directors, being still in his 32nd year. Born not in West Texas but at Calvert in Robertson County, he however emigrated to the area—Floyd County—in 1929 as a boy of 13. After graduating from Floydada High School he went on to Baylor University and the Texas College of Mines. Following in 1938, he began his business life with Southwestern Public Service Co., at Floydada, and has remained with that Company without a break, serving it at, successively, Seminole, Lubbock—where from 1942 to 1948 he was in charge of suburban town operations—and finally at Slaton where he was appointed local manager one year ago. He is currently treasurer and a director of the Slaton Chamber of Commerce, Boy Scout committee member, member of Rotary and the Slaton Athletic Club.

Lions Will Play Seagraves Sunday

Slaton's Lions, Oil Belt League baseball nine, took a night off last night—postponing a scheduled game with Brownfield—to honor the memory of "Blue" Graham, Seagraves player who died of a heart attack during last Sunday's game at Seagraves.

The night off was decreed by league president Joe Holms of Lubbock, and no games were played in the league. Graham was a veteran of many seasons of baseball in this section of West Texas.

The local baseball nine will go to Seagraves Sunday for a league game with that team. Next Thursday night the Lions will again be on the road, playing the Post Millers, their 9-7 conquerors of last Sunday.

The Lions will return home on June 19, a Sunday afternoon date, to play Sundown. Manager C. E. McCoy has stated that all games postponed will be made up at a later date.

The Lions suffered a case of jitters last Sunday in losing, and on Thursday night of last week were victims of the weather, having their game with Denver City "sanded out" during the fourth inning.

The Oilers were leading 4-0 at the time that Umpire Red Norman called the game. This game is to be replayed as soon as a date can be set. One night of softball might be interrupted to replay this tilt, according to McCoy, and he will be forced to check with team managers before announcing a definite date.

Sister Of Slaton Man Is Victim Of Freak Accident

W. N. Williams was called to Palestine last week, due to the death of his sister, Mrs. Robert F. Broadway, wife of an Anderson county farmer and oilman. She was killed last Tuesday, apparently the victim of a freak automobile accident.

Her body was found pinned underneath her own automobile on a rural road. It is believed she had stepped out of the car, thinking she had a flat on a rear wheel and the vehicle, parked on a slope, began rolling and Mrs. Broadway attempted to hold it back.

She was found doubled beneath the rear of the car by her husband about ten minutes after the tragedy. The motor was still running.

Mr. Williams was accompanied by two of his sons, Estill of Brownfield and Roy Lee of the New Home community. They also visited in the home of his brother, Wade Cooper of Houston, before returning home. Another son, Lt. Comdr. Clyde Williams, who is stationed in Corpus Christi, met them in Houston and also visited in the Cooper home.

T. C. Barnes, boilermaker here at the Santa Fe railroad shops, is at present confined to the company hospital in Topeka, Kansas, where he will undergo an operation for a throat ailment. He left on Thursday of last week.

Paul's satin glass lamps, at Carrington's Jewelry.

Lions Will Play Seagraves Sunday

Slaton's Lions, Oil Belt League baseball nine, took a night off last night—postponing a scheduled game with Brownfield—to honor the memory of "Blue" Graham, Seagraves player who died of a heart attack during last Sunday's game at Seagraves.

The night off was decreed by league president Joe Holms of Lubbock, and no games were played in the league. Graham was a veteran of many seasons of baseball in this section of West Texas.

The local baseball nine will go to Seagraves Sunday for a league game with that team. Next Thursday night the Lions will again be on the road, playing the Post Millers, their 9-7 conquerors of last Sunday.

The Lions will return home on June 19, a Sunday afternoon date, to play Sundown. Manager C. E. McCoy has stated that all games postponed will be made up at a later date.

The Lions suffered a case of jitters last Sunday in losing, and on Thursday night of last week were victims of the weather, having their game with Denver City "sanded out" during the fourth inning.

The Oilers were leading 4-0 at the time that Umpire Red Norman called the game. This game is to be replayed as soon as a date can be set. One night of softball might be interrupted to replay this tilt, according to McCoy, and he will be forced to check with team managers before announcing a definite date.

Water Lines Are Extended By City

Two blocks of water-line extensions have been laid during the week in Slaton, according to J. J. Maxey, city secretary.

The extensions of a two inch pipe was run from Jean street south between Fourteenth and Fifteenth streets, giving residents in that section of town an additional 600 feet of water line.

The previous supply had been inadequate, with several persons there who could not be serviced due to the small line, Maxey said.

Attending the Southern Baptist Convention at Oklahoma City from Slaton were: Rev. and Mrs. J. T. Bolding and daughter, Rebecca, Mr. and Mrs. Clifford D. Young, Mrs. Fred Stottlemire and Mrs. O. R. Patterson.

More Rains Hit Area During Week; Cotton Again Washed Out In Fields

Bids Are Rejected On City Paving Projects; Other Plans To Be Made

Two bids on ten and one half blocks of paving were rejected on Tuesday by the city commissioners and Mayor L. B. Wootton, and plans are to be discussed immediately by this body as to a means of financing the proposed paving projects.

The commissioners are scheduled to meet again within the next few days and decide on a more economical way of financing the paving.

Two firms, Kerr and Middleton of Lubbock and Strain and Brown of San Angelo, submitted bids of \$29,397 and \$35,535, respectively. The high bid shows an average cost of \$4.67 a foot, while the low bid gives a per-foot average of \$4.07.

Wootton expressed the opinion that the paving could be negotiated at a lower figure, and the commission meeting will deal, primarily, with this aspect of the work.

Affected paving proposals are those on Fourth, Fifth, Sixth and Crosby Streets.

Center paving on Lubbock Street, directly south of the City Hall, and on Tenth, running toward the high school from Division street, is not affected by these bids, according to City Secretary J. J. Maxey. This work is due to be completed immediately.

Seventh street, which has been prepared for topping from East Panhandle to the block ending just south of East Ward school, will also be completed immediately. These two projects come under separate proposals from the other ten-and-a-half blocks.

\$20,250 May Total Given On Building

Building permits totalling \$20,250 were issued in Slaton during the month of May, according to a report made this week by City Secretary J. J. Maxey.

Of this total \$16,100 was to be used for construction of one business firm, and addition to another. The remainder was for additions to residences.

No new homes were included in the totals. Construction of a new pumice tile burner at the Campbell Gin was planned at an estimated cost of \$3,600. The remainder of the business building permits went to construction of the new Piggly Wiggly food store.

Four thousand, one hundred and fifty dollars went to additions to six homes.

LITTLE SLATON GIRL MAY BE SUFFERING FROM POLIO

A report from a Lubbock Hospital Thursday morning stated that Venita Green, the 9 year old daughter of George Green, Commissioner of Precinct 2, might be suffering from Polio, but that it has not been positively identified as polio.

24-hour service on watch repairing at Carrington's Jewelry.

Former Slaton Mayor T. M. George Visits Here; Recalls Early Days

Recalling fond memories and greeting Slaton friends Wednesday was T. M. George, one of the town's early settlers and a former mayor here.

In his first visit here in eight years and the second in 12, George was to be seen most of Wednesday morning sitting under the shade trees on the City Hall square—trees that were just spallings when he first came to Slaton in 1920.

At that time George operated a grocery store where the light company now has its headquarters, on a street then unpaved. There was no city hall or fire station in Slaton at the time, George recalls, and the hotel had just been completed.

"Yes sir," George said, "I saw Slaton grow from a little town of 1,500 people to be a real livewire town."

George became mayor here on October 1, 1930 and served for four and a half years, leaving office April 1, 1935. Two years later, in 1937, he returned to his original

Light Company To Move By July 1st

New business buildings under construction on the south side of the square will be occupied by July 1, if announced plans by the respective managers bear out true.

The Southwestern Public Service company will be moved by July 1, according to manager Lewis Hollingsworth, and Piggly Wiggly manager Hack Lassater plans to occupy his new quarters a month later.

Hollingsworth said that partitions and office equipment are all the necessary additions to be made to his new office prior to occupancy. All counters and other equipment will be new, he said.

Lassater said all materials are available for his building and the only hindrance to completion will be the weather. All interior equipment is on order, available, and only waiting a shipping date.

Piggly Wiggly has been at their present location 21 years this month.

Attendance Good At Vacation Bible School This Week

The Vacation Bible School at the First Baptist Church got off to a good start Monday morning at 8:00. There were 172 present. Capable workers and well planned procedure resulted in a smoothly operating program, the pastor said.

Tuesday's attendance saw a nice increase as 193 were accounted for. With a gloomy start from the weather standpoint, Wednesday's attendance was 194. All boys and girls from 4 through 17 years old are invited to come to this Bible school planned just for you.

Plans are being made for a large attendance at Sunday School next Sunday. Visitors are welcome; members are expected.

The public is invited to attend the Vacation Bible School Commencement Friday night, June 17, at 8:00 o'clock.

Law Violators And Ward Take Vacation

Chief of Police Ernest Ward is on his vacation this week and law violators have evidently called a halt to their activities so that he might return to work with no additional burdens.

Acting Chief of Police E. A. Gentry reported to the Slatonite that one drunk was arrested Sunday night, but that no other violations had occurred.

Ward returns to duty Monday, but local officers expressed hope that his return will not cause any change in the citizenry's behaviour, and that all will continue to run smoothly.

Supplies Of Seed Said To Be Ample

With rainfall through Wednesday totalling two and five-eighths inches for the week, falling on four successive nights, on farmers were once again looking ahead to cotton planting—many for the fourth and fifth time.

Many others were planning on planting grain in fields already water soaked before the week's rains hit, fearing next fall's frost might come too early to prevent loss of cotton then.

Local seed dealers, both grain and cotton, reported low stocks at present, but gave assurance that these stocks could be easily replenished to meet all demands for either kinds of seeds.

Temperatures, meanwhile, were running lower than last week's, hovering in the eighties during the day, and dropping to as low as 60 degrees during the night.

The West Texas Gas company's local office reported the week's high at 88, this being reached Sunday afternoon at 4 o'clock. The week's low was 58 Monday night at 11 p. m.

Monday's high temperature was 87; Tuesday's 84 and Wednesday the mercury was averaging about 80 most of the day.

Bob Ayers, of Ray C. Ayers and Son feed and seed dealers, said this week that their stock was low, but would be replenished immediately, and that plenty of certified seed would be available.

Ayers said that in thirty days there will be certified seed being shipped in from South Texas, less than a week old, thus giving more assurance of plentiful supplies.

At the Western Cottonoll company George Brassell, local manager, gave assurance that cotton seed would be available to all needing it.

He said that a heavy rush had been felt at the plant here for the past 45 days and that another was expected. Although he stated local supplies are low now, trucks are on the road hauling in more gin-run seed from other mills at Littlefield, Brownfield and Abilene.

Sunday night's rain was estimated at one-half inch, while Monday's moisture totaled one-eighth. Tuesday night the heaviest and most damaging rainfall totalled seven-eighths of an inch.

Slaton Scouts Are Awarded Honors

Scout Master Bob Burnett of Slaton Boy Scout Troop No. 29, along with all of the members of the troop are very much elated because the Slaton youths won the only trophy offered during the time the representatives were at the Boy Scout Camp at Post, May 29 to June 4th.

Not only did the group of seven boys, who attended the encampment, win the trophy but each boy was given a "Campus Coule." The trophy was for the cleanest and neatest tents and for keeping the best order and the "Campus Coule" was because each boy progressed one grade for applying themselves to the Scout work.

Scout Master Burnett spent most of his time at the Camp while the Slaton troop was there. Among those who rendered a valuable help to the boys and the Scout Master while the boys were encamped at Post were: Rev. George Hodges, Bruce Pember, A. L. Clifton and L. B. Hagerman.

There are at present 25 members of the Slaton troop and the Scout Master says that a revived interest is being shown by a number of boys who have had some Scout work. It is hoped that a more commodious headquarters for the troop members can be arranged when the new Youths Center is completed.

EIGHT-YEAR OLD GIRL HAS TETANUS FROM SPLINTER

Little Dorothy Kay Heaton, eight year old daughter of Mr. and Mrs. C. L. Heaton, was taken to Mercy Hospital on Wednesday of last week, suffering from tetanus, presumably the result of a splinter which she had gotten into her foot while playing. Dorothy Kay has been very ill, but at last report, was thought to be slowly winning the battle for her life.

Poultry Fact
Poultry in good pasture eat about 10 per cent less mash and grain than they do when they are penned up.

"Circling Disease"
Symptoms of listeriosis ("circling disease") in cattle and sheep include fever, facial paralysis, circling movements, depression, and prostration.

Barnett's

This is the first of what we hope will be a series of columns for this paper, barring too many protests by the local citizenry. The column will deal with anything in general and nothing in particular. Its contents are purported to inform the public on exactly nothing — of which the columnist has been told he is an expert informant.

We solemnly promise the readers (two of us—myself and the man who is paid to set this in type) that we will at no time mention any of our needs at the Slatonite for Advertising, but we wish to hurriedly assure one and all that we can use all we can get.

Outside of the above statements we have nothing in mind (and there are several hundred persons inside the city limits who will put a period right there) as to the object of these writings, except to inform the reader as to the "little" things of life we find interesting. Some will be humorous, some serious, and we hope, all of interest.

We wish to pass notice here upon the editor of the Slatonite that his office secrets are no longer his private property. For some weeks we have noted his delight in gently riding various and sundry citizens as to their roses, smoking habits, Communicative attitudes and general appearance.

Until now, no retorts have managed to find their way into print. We wish to announce, hereby, that any and all remarks—except several unprint-

able reports we hear occasionally — will be carried with pleasure in these columns. We wish to tell "the Sage of Slaton" that he had best clean the hammers out of his desk drawers (which resembles a tool kit more than an honorable editor's desk) and keep his records in perfect order, else several local Indians will verify have his scalp some publication day—if we can induce a few to read what is herein contained.

J. J. Maxey, our city's number one statistic-keeper, has a little difficulty that he wishes some person would give him an assist in solving.

The Slaton Cemetery association has a slight deficit facing it, due to the current cleaning-up taking place out there. Several extra hands have been employed to clean out the weeds and other debris, and the cost is fast exceeding the income.

The cemetery is supported by the sale of lots and 1.33 per cent of the city taxes. One man is employed on a year-round basis at an annual salary of \$1800. All is well up until now.

The income from city taxes totals \$714.00. Sale of lots is the revenue for the balance. But approximately \$350.00 will go to the extra workers now employed to clean out the graveside premises. This leaves a general shortage of approximately \$1,346.00.

Jay's problem amounts to the difference between the income and the output. What he needs is a suggestion that is workable, and will raise the balance of money needed.

He can be contacted at the City Hall, phone 240, or try and run him down between coffees.

Note to Mel Tudor: We noticed, in passing to and from the coffee pot, that O. Z. Ball has some flowered sport shorts and shirt to match on display in his window. This outfit would be just the thing for swimming, fishing, garden work or selling cars, and we could think of no one who would look so nice in such an attire. Might be able to get a flowered sling for your right arm.

Editor Jackson's friend George (whose name is Granville) Hill of the local theatres is about to begin a new system of keeping his theatre quiet and peaceful for those who come to enjoy the offerings.

We think it is one of the best ideas we have heard. It involves the issuing of pledge cards to all of the city's young people who so desire one, asserting they will observe all rules of the theatre in the way of remaining quiet and orderly during movies.

It works this way: For 50c a special students pledge card is issued by a teacher to any who wish to buy one. This card will entitle the owner to admittance for 25 cents, a fifteen cent reduction. In other words, the card pays for itself after four trips to the flicker house.

Any student who signs the pledge, and then is disorderly in the theatres will have his or her card taken up and returned to the teacher who issued the pass, who in turn can take any steps necessary toward correcting the misconduct. The card is restored only by the teacher, and continued disturbances by any one boy or girl could result in the permanent loss of the card.

Current epidemics of polio breaking out throughout Texas, and especially the one at San Angelo where six deaths had occurred midway through this week, brings one to wonder and worry about our chances in Slaton.

This year is bringing on a bumper crop of insects and Slaton presently is well stocked with flies and mosquitos, and other various germ-carriers.

One spraying with DDT by a Lubbock firm may have eliminated some insects, but it is not going to show its effects for very long. We feel that additional treatments should be given pretty soon—as soon as is practical. Water holes and piles of rubbish, kept damp by continued rains, are breeding places for germs.

One child could be stricken in Slaton, and more would be lost than any comparative amount of money the city might be forced to spend for spraying service.

Otis Neill, one of our city commissioners, stated the other day that Wichita Falls is practically free from flies, due to a very watchful health department. If a city the size of Wichita Falls can keep the city free from insects, then Slaton will have no excuse to offer, especially should a case of polio be reported here.

Good Use for Sponge
To remove lint and particles of dust from upholstered furniture use a damp sponge.

First Agricultural College
World's first agricultural college was founded at Hohenheim, Germany, in 1818.

Lock Children In
When children are left in the back seat of an automobile make sure the doors are locked.

Rate for Livestock
Value of oats as a feed for beef cattle is very high.

Hunter's Precaution
Never climb a tree or a fence with a loaded gun.

Certified Seed
Certified seed should be used more frequently. It is crop insurance.

Picturesque... But a Construction Obstacle!

West Texas has some of the most beautiful country in the world. Beautiful fields of wheat, cotton and many other crops that help feed and clothe the nation... and, too, it has picturesque canyons, rocky terrain, sunken lakes around which cattle graze and many other beautiful scenes comparable to any that a world traveler could describe.

Although beautiful—they are pipe line construction obstacles.

To maintain good gas service, pipe line construction and maintenance and repair crews cross many canyons and other natural obstacles.

This year we will invest over \$2,225,000.00 to build new pipe lines and other facilities. Several miles of these new lines will be laid in solid rock. This means dynamite crews will have to clear a ditch for the lines, but this will be but one of many construction obstacles they will overcome.

Pipe line construction and pipe line maintenance and repair are but few of many functions of West Texas Gas Company... all of which are designed to furnish good gas service, high in quality, low in price... the best bargain in your family budget.

Other facilities besides pipe lines are necessary to furnish good gas service.

West Texas Gas Company operates seven compressor stations to maintain movement of natural gas through more than 1,700 miles of transmission and distribution lines.

Slaton Chapter O.E.S. Installs Officers For New Year June 2

On Thursday evening, June 2, at the Masonic Hall, officers of Slaton Chapter 583, Order of the Eastern Star, were installed. The presiding officers were Mrs. Dudley Berry and B. A. Hanna.

After the installing officers and their escorts had entered the chapter room, the officers elect entered and took their positions for installation. The drill team, bearing the official Bible and lighted white tapers, next entered and, led by Mrs. Chas. E. Marriott, presented the Bible at the altar with a short service. Mrs. L. A. Harral, accompanied by Mrs. James Masterson, sang, "The Lord's Prayer." Mrs. Berry and Mr. Hanna, retiring Worthy Matron and Worthy Patron, each gave a farewell in which they expressed their appreciation to the Chapter and to the retiring officers.

Following the installation, Mrs. E. E. Culver expressed her appreciation of the Worthy Matron, Mrs. F. A. Drewry, and gave her a lighted candle to take to the East. Mrs. Fannie Patterson presented her a gift from the Chapter, Mrs. R. L. Smith gave an original reading as a tribute, Mrs. Harral sang, "Peg O' My Heart," and Mrs. Masterson played, "When They Ring Those Golden Bells"—each dedicated to Mrs. Drewry. Tom Turner presented gifts to Mrs. Drewry and R. L. Smith, Worthy Patron, from Mrs. R. L. Smith, Sr., of Kansas City, formerly of this chapter. The Worthy Patron presented the Worthy Matron an official O.E.S. gavel.

The retiring officers gave a farewell program honoring Mrs. Berry and Mr. Hanna. Mrs. Harral sang, "For All You've Done," dedicated to both Mrs. Drewry then presented the Past Matron's jewel to Mrs. Berry, and R. L. Smith gave the Past Patron's jewel to Mr. Hanna. The jewels were gifts from the chapter.

Following the benediction by Mrs. J. S. Vaughn, everyone went to the dining room, where Mrs.

W. R. Lovett and Mrs. Culver poured punch.

The hall was decorated with garden flowers and three large baskets of American Beauty roses. The table was laid with a hand-made Madeira cloth centered with roses. The roses in the hall and dining room were gifts from Mrs. Drewry's sons.

The installing officers and their escorts were as follows, (Using their given names, as is customary in the lodge): Ethel Woods, Installing Officer, escorted by H. E. Woods; Myrtle Hanna, Installing Marshal, F. A. Drewry; Willie Turner, Installing Chaplain, T. A. Turner; Ollie Ruth Chenoweth, Installing Secretary, J. W. Chenoweth; Edith Lovett, Installing Treasurer, W. R. Lovett; Violet Masterson, Installing Organist; Gladys Harral, soloist; Carrie Barry and Birdie Culver, Assisting Marshals; Mamie Simmons, Virgie Hunter and Clarice Layne, Line Officers Assisting.

The officers installed were: Mrs. F. A. Drewry, Worthy Matron; R. L. Smith, Worthy Patron; Mrs. Fannie Patterson, Associate Matron; E. E. Culver, Associate Patron; Mrs. C. S. Wilkinson, Secretary; Mrs. John Fondy, Jr., Treasurer; Mrs. W. E. McCain, Conduccress; Mrs. J. D. Barry, Associate Conduccress; Mrs. R. L. Smith, Chaplain; Mrs. Curtis Dowell, Marshal; Mrs. Nan Tudor, Organist; Mrs. Ethel Tate, Adah; Mrs. J. H. Freeland, Ruth; Mrs. Sam Phillips, Jr., Esther; Mrs. B. A. Hanna, Martha; Mrs. L. L. Duckett, Electa; Mrs. Chas. E. Smith, Warder; Mrs. Chas. F. Smith, Sentinel.

The drill team was composed of Mesdames Chas. E. Marriott, C. R. Bain, Jess Burton, Bob Fondy, P. L. Vardy, W. J. Thomas, Allen Crowley, Mildred Lokey, C. C. Cox, Joe Miles, LaVaughn Talbot, Amanda Cook.

Mesdames C. M. Simmons, J. S. Vaughn and W. G. Elkins presided at the guest register.

Lindel Beard, who is firing on the Santa Fe, has just returned from his vacation which he spent at his home in Hamlin.

Mrs. Ray Conner spent the week end visiting with Mrs. W. F. Martin at the Martin's ranch near Stephenville.

Grochowsky - Bednarz Wedding Is Solemnized At Catholic Church

Rainbow Girls To Have Installation At Club House

A public installation ceremony in the Order of Rainbow for Girls will be held at 7:30 Saturday evening, June 11, at the Slaton Club House.

The following officers will be installed: Worthy Advisor, Beth Brasfield; Worthy Associate Advisor, Melba Potthast; Charity, Mary Evelyn Cook; Hope, Paula Maxey; Faith, Carol Lemon; Recorder, Lena Schmidt; Treasurer, Clydell McGinley; Chaplain, Leonita Tunnell; Drill Leader, Iva Crowley; Love, Barbara Sue Stephens; Religion, Ruby Willis; Nature, Iva Simpkins; Immortality, Jerry Maxey; Fidelity, Bonnie Taylor; Patriotism, Dina May Cade; Service, Josephine Shepard; Confidential Observer, Donna Sue Cade; Outer Observer, Ruby Ruth Brown; Musician, Barbara McGinley; and Choir Director, Peggy Ely.

The installing officers will be: installing officer, Daunita Dowell; installing marshal, Irma Lou Gregory; installing recorder, Anna Phillips; and installing chaplain, Ethelyn Young.

After the installation, a short program will be presented, followed by the presentation of the merit awards. The benediction will be given by Rev. J. T. Bolding, after which a social hour will be enjoyed.

All friends of Rainbow girls are invited to attend.

JOLLY QUILTERS MEET

The Jolly Quilting Club met on Tuesday in the home of Mrs. E. E. Wilson. A covered dish luncheon was enjoyed by the following members present: Mesdames H. H. Booher, Jess Burton, Stella Shelton, J. F. Richey, Clyde McGinley, J. W. Ward, Ben Mansker of Lubbock, Irby Smith, J. W. Scott, and guests, Mesdames Fred Stottlemyre, C. E. Jarman and W. T. Slaughter.

The next meeting will be held July 5 in the home of Mrs. J. W. Scott.

FRED SCHMIDT'S ATTEND REUNION AT A&M COLLEGE

Mr. and Mrs. Fred Schmidt and daughter, Lena, and son, John, returned Sunday from A&M College, where John has been a student the past year.

This was Mr. Schmidt's class reunion year, when the class of nineteen fourteen gathered to renew old friendships. Among other enjoyable features, Mr. and Mrs. Schmidt attended a dinner at the Fin-Feather Club, and also saw the final review of the 3500 cadets. While there, Miss Lena was escorted by her brother, John, to the final dance of the Freshmen.

SLATON GIRLS ATTEND CETA GLEN CONFERENCE

Members of the Youth Fellowship of the First Christian Church who are attending the Youth Conference at Ceta Glen this week are Misses Joan Smith, Doris Gentry and Betty Sue Allred. Mr. and Mrs. O. D. Kenney accompanied the girls to Ceta Glen Sunday and then went on to Amarillo where their daughter, Peggy Sue, had been visiting for the past week. She returned home with them Sunday afternoon.

H. H. Edmondson and Bobby Edmondson went to Sweetwater Sunday to meet their wives who were returning from a ten days visit in Corpus Christi. The two Mrs. Edmondsons were accompanied on the trip by Mrs. Nora Zimmerman, Mrs. J. G. Steele and Mrs. Vic Schubert, all of California, who are sisters and niece of Mrs. H. H. Edmondson. The visitors planned to leave for their homes in California today.

Gwendolyn Hanna, who has been spending a two weeks vacation in the home of her parents, Mr. and Mrs. B. A. Hanna, plans to leave Saturday for Dallas, where she will return to her position at Nieman-Marcus.

Mr. James Masterson

will teach Voice and Piano during the summer Call 553-W

At eight o'clock Monday morning, June 6, before an altar decorated with gladioli and carnations, in St. Joseph's Catholic Church, Miss Gladys Marie Bednarz, daughter of Mr. and Mrs. Alfons Bednarz of Slaton route 1, became the bride of Michael Leon Grochowsky, son of M. G. Grochowsky, 655 South 12th St. Rev. T. D. O'Brien read the double ring ceremony.

Miss Joerita Kitten was organist and accompanied Mrs. Cornelia Hlavaty, who sang, "On This Day," "Ave Maria," and "Panis Angelicus" during the wedding mass.

The bride was given in marriage by her father. Her wedding gown was of white satin designed with marquisette yoke trimmed with ruffles of satin and lace, sleeves extending to points over the wrists, the full gathered skirt, also trimmed with lace ruffles, extending into a train. Her lace edged veil was as long as the train and was attached to a crown of tiny seed pearls. She carried an arm bouquet of calla lilies and baby's breath.

Miss Dolores Ann Grochowsky, sister of the bridegroom, was maid of honor. She wore a dress of pink net over taffeta, fashioned with ruffled neck and long full skirt covered with ruffles from waist line. Her large picture hat was of matching net.

Bridesmaids' dresses and hats were the same design as that of the maid of honor. Miss Barbara Grochowsky, sister of the bridegroom, wore yellow, while Miss Leona Verkamp, of Lawrence, Nebraska, cousin of the bride, wore blue. The bride's attendants carried hand bouquets of pink carnations. Their dresses were made by Miss Rose Kahlich and the hats were made by Mrs. Clay Oates, Sr.

Tommy Bednarz, brother of the bride, was best man, while groomsmen were Bill Grochowsky of Newton, Kansas, cousin of the bridegroom, and Walter Lee Bednarz of Wilson, cousin of the bride.

For their nine day wedding trip to Chicago, Ill., and points in Kansas, the bride wore pink taffeta. The young couple are to be at home on their return at 650 S. 11th St.

The bride attended Wilson grade school and St. Joseph's Academy High school in Abilene, where she was graduated with honors, being May Queen and Queen of St. Joseph's Academy.

The groom attended St. Joseph's school in Slaton, St. Mary's in Newton, Kansas, Slaton High School and served in the U. S. Army for three years and three months. He is employed by the Santa Fe Railway as a fireman.

Reception Held in Home Following the wedding a reception was held in the home of the bride's parents and a dance was given in the evening at St. Joseph's Hall.

Out-of-town guests for the wedding were: Mr. and Mrs. Vincent Grochowsky and family, Mrs. W. F. Grochowsky and son, Bill, Miss Anna Sieg, Mr. and Mrs. Martin Gronau, and Mr. and Mrs. Cornelius Sieg, all of Newton, Kansas; Mr. and Mrs. Pete Respondek and family of Idalou; Mr. and Mrs. Alvin Bednarz and family of Pep, and Mr. and Mrs. Leo Verkamp and family of Lawrence, Neb.

Shower Honors Bride

A shower honoring the bride was given on Wednesday evening, June 1, at St. Joseph's Hall in Slaton. Approximately ninety were registered in the bride's book.

The program consisted of the following: A song, "Down by the Station," by a group of smaller girls and boys; song, "My Happiness," a group of older girls; dance, Barbara Grochowsky and Shirley Ball; and a poem by Patricia Verkamp.

Hostesses for the occasion were: Mesdames R. J. Bednarz, Edwin Bednarz, Robert Bednarz, Walter Bednarz, Willie Bednarz, Art Wolf, Cletus Heinrich, Edwin Verkamp, Sylvester Verkamp, Pete Respondek, Herman Schnieder, Joe Koldziejczyk, Augusta Blume and David Hawk.

Ice cream, cake, cookies and punch were served. Plate favors were miniature paper engineers with "Gladys Marie and Leon, June 6, 1949, St. Joseph's Church" written on them.

Bill Roy Sanner, Communications Technician first class with the U. S. Navy, left Wednesday after spending a few days leave with his parents, Mr. and Mrs. R. C. Sanner. Bill expects to be stationed on Skaggs Island in California for the next two years.

Mr. and Mrs. W. P. Kirk of Littlefield spent the week visiting in the home of Mr. and Mrs. W. P. Layne.

Mrs. W. P. Layne will spend next week at Ceta Canyon working with a group in a Junior Camp of the Methodist Church.

SUZANNE NEILL HAS BIRTHDAY PARTY

On last Monday afternoon, June 6, from three until five, Mrs. Otis Neill entertained the young friends of her daughter, Suzanne, at a birthday party honoring her eighth birthday.

Twenty guests enjoyed a variety of games, following which, birthday cake and red lemonade were served, with bubble gum and rainbow bubble sets as plate favors.

Mrs. W. T. Davis assisted the hostess in entertaining.

CULVER GRANDSON IS ONE YEAR OLD SUNDAY

Jerry Wayne Goebel of Sweetwater, grandson of Mr. and Mrs. E. E. Culver, celebrated his first birthday last Sunday in the home of his grandparents here. Home made ice cream and cake was served to the following: The honoree's parents, Mr. and Mrs. K. D. Goebel of Sweetwater; his paternal grandparents, Mr. and Mrs. A. E. Goebel and son, Mahlon, of Abertony; Mrs. S. E. Cone, Mrs. Bill Cook and daughter, Carol Ann, of Lubbock; and Mrs. Joe Miles and son, Allen, Mrs. Shirley Butler and daughter, Glenda Sue, Mrs. Orrie Glasscock and son, Gary Drew, Mr. and Mrs. Milton Fields and son, Cyrus, and Mrs. R. F. Swafford, all of Slaton.

Moving pictures were taken of the party.

SLATON ROTARIANS LEAVE FOR CONVENTION

Among those who planned to leave this week for New York to attend the Rotary Club International meeting were Mr. and Mrs. Bruce Pember, Mr. and Mrs. Edwin Forrest, Mr. and Mrs. Abe Kessel and Allan Payne and Jim Elliott. Most of them will go by train and will make many side trips enroute and be entertained in Chicago and other large cities.

W. R. BARTLEY IS BURIED HERE SATURDAY

W. R. Bartley, 80, who was a resident of Slaton for over twenty-five years, and who moved from Slaton in 1946, passed away in a hospital at Big Spring last week.

Funeral services were held at the Church of God in Slaton, at three o'clock Saturday afternoon, with the minister of the Muleshoe Church of God officiating, assisted by W. M. Carnes, Minister of the Church of God of Slaton. Burial was in Englewood Cemetery.

Mr. Bartley is survived by eleven children, ten of whom were present for the funeral services, all from out of town. He is also survived by a large number of grandchildren and great-grandchildren.

Mr. and Mrs. James Masterson spent the week end in Turkey and Estelline. Karen Sue returned home with them after a prolonged visit with her grandparents.

Mr. and Mrs. Clifford Young made a business trip to Graham and Breckenridge last week.

MRS. WENDELL TOOLEY, who was Miss Mary Tom Kirk before her marriage in the rock garden at McMurry College in Abilene on May 23. Mrs. Tooley is the daughter of Rev. and Mrs. R. L. Kirk, formerly of the Slaton Methodist Church.

Mexican Baseball Team Here Sunday

Trying to make it two wins in a row over the Slaton Mexican baseball nine the Amarillo Eagles will visit here Sunday afternoon to play at Lions park, beginning at 3:00.

Last Sunday, in Amarillo, the Eagles pounded out a 20 to 3 win over the local nine, running up an easy win with a heavy barrage of hits off the pitches of Jessie Garcia and Troy Brown.

The American Legion and the American Legion Auxiliary will have a joint meeting at the Legion Hall beginning at 8 o'clock Monday night, June 16. All members of each organization are urged to be present.

Websters Collegiate Dictionaries, approved by Slaton Schools and by Colleges only \$5.00 at the Slatonite. They make excellent graduation gifts.

Mr. and Mrs. T. B. Caldwell of Santa Anna, Calif., who have been visiting in the homes of Mr. and Mrs. Joe Miles and Mr. and Mrs. R. F. Swafford, returned home on Thursday. Mrs. Caldwell is the mother of Mrs. Miles and a sister of Mrs. Swafford.

Little Cheryl Barrett has been here with her grandparents, Mr. and Mrs. Corbin Barton. Her mother is the former Ginger Barton. Mr. and Mrs. Barrett live in Lubbock.

Mr. and Mrs. Kirby Scudder, jr. and two sons of Amarillo visited the past week end in the home of his parents, Mr. and Mrs. Kirby Scudder.

FOR SALE: Good, used Oak desk chair. Slatonite.

R. L. BOYD

The All Church Singing Club met Sunday afternoon at the Community Church. Five communities are now in the club.

Miss Phyllis Williams of Lubbock is now a graduate nurse. She is a granddaughter of W. T. Gentry. Mr. and Mrs. Laurence Nesbitt of Morton have a new son, Allen Laurence. Mrs. Nesbitt is the former Donna Rae Darland and has several relatives here.

The Lutherans may soon have a preacher, who will reside here. A seminary graduate is said to have accepted the position.

Mr. and Mrs. A. M. Carroll have been spending a few weeks with their son, Jay, near New Hope.

New Mexico.

The Methodist stewards met Sunday afternoon. One subject that was discussed was the date of the summer revival.

Jo Bob Johnson of Ropesville will be the speaker next Sunday morning.

Mr. and Mrs. Leon Clinton and children of San Antonio have been visiting her sister, Mrs. Roy Boyd. Jimmy Burleson, son of Mr. and Mrs. Truman Burleson, sang a solo at the Sunday morning services.

Some cotton has come up, but most farmers are wanting several days of pretty weather for a better stand.

Mrs. Joe Grabber has recently had to take hospital treatment.

Rev. D. A. Ross of Lubbock will serve another year as Methodist pastor.

Visitors of Mr. and Mrs. F. H.

NEW PRESIDENT ELECTED

MISS EMMA C. SHIPMAN
Brookline, Massachusetts
Incoming President of The First Church of Christ, Scientist, in Boston, Massachusetts

Miss Shipman was elected to the presidency of the Mother Church at the annual meeting of the First Church of Christ, Scientist, in Boston, Mass., June 6. At this meeting the Christian Science Board of Directors declared, "Breaking through the crust of ancient beliefs in material power, the post-war world is reaching out in an unprecedented effort for something better upon which to found a union of nations."

Stolle Sunday evening were Mr. and Mrs. James Vannoy, R. and B. Boyd. Ice cream and cookies were served.

Members of the Posey softball team in the league are: E. Maeker, R. Schuette, E. O., and H. Johnson, Guy and Charles Gentry, J. G. Harper and J. Vannoy.

Harry Wendt of the American Occupied zone in Germany has written here that he has received gifts of clothing which were sent by the Lutheran Church. He is a displaced person who states that his home and about all of his possessions have been taken from him.

The Baptists, who now have a church, say they will have several visiting preachers before calling one for a pastor.

Mrs. T. A. Davis and daughter, Patricia Ann, of Ft. Worth have returned to their home after visiting in the home of her parents, Mr. and Mrs. T. C. Buchanan.

Slaton Students At Tech On Field Trip

Two Slaton residents, students at Texas Technological College in Lubbock, were among the approximate 100 students leaving this week for a six weeks field trip to Las Vegas, New Mexico.

The two are Jack Edwards and Thurman Reynolds, both senior students in the Department of Geology at Tech. The field trip is part of the required course for geology graduates at the college.

Sales books at the Slatonite.

Plant a Tree
In 1874 an Illinois law was passed to encourage the planting of trees. It provides that county boards of supervisors may pay up to \$10 an acre for forest trees planted and adequately maintained for three years.

Calendar Year
First six months of our year contain 181 days, while the second six months contain 184 days.

Biggest Family
Fly family has about 40,000 species, which puts it in the lead.

Before Milking
For sanitary milk, wash and dry cow's udder before milking.

Foot-Mouth Quarantine
U. S. foot and mouth disease quarantine line is strictly upheld.

Boys Club Enters Third Week's Play

Slaton's Boys' Club will enter its third week of summer operation Monday with between fifty and sixty boys reporting daily to club Director Clarence Tillery. Activities began each morning at 9 o'clock with baseball and other games. Two days were missed this week due to wet grounds. With plans being pushed for completion of the Youth Center, however, the club director plans to miss no day's activities once this is done. Swimming is held on Tuesday and Thursday afternoon of each week under supervision of Tillery, at the Slaton Swimming pool. Other days the afternoons are devoted to various types of competitive games. No boys are permitted to swim, unless they attend other activities regularly. Afternoon sessions, each day, begin at 2:30 o'clock.

Band Concert To Be Held Tonight At 8

Tonight at 8 o'clock the first of a series of summer band concerts will be held at the band stand directly north of City Hall, according to an announcement by Victor Williams, Slaton High school band director. Originally scheduled for Saturday night the concert was moved up one night due to conflicting dates with the installation to be held on Saturday by the Rainbow girls. On the fourth Saturday night of this month, which will be June 25, the second concert will be presented. Two concerts will be held monthly through the summer on the second and fourth Saturdays of each month. Rehearsals are being held each Monday night at the high school rehearsal room.

SCHOOL BEING REMODELED
Remodeling work is now underway on the old West Ward school building here, according to an announcement this week by Supt. P. L. Vardy.

The old brick structure, a Slaton landmark for over 25 years, will become an auditorium for the new building, with half the space to be made into a cafeteria.

UNION NEWS

B. B. Jones spent last week end in Goree, Texas visiting his father, who is ill.

Guests in the home of Mr. and Mrs. August Kitten Tuesday were his cousins, Mr. and Mrs. Leo Verkamp and children of Lawrence, Neb.

Mrs. R. M. Cade is in Abilene this week attending the Northwest Texas Conference Annual Methodist Youth Assembly at McMurry College, being held Monday thru Friday. "Christ's Faith — Our Faith," is the theme of the Assembly. Featured speaker is Rev. Hubert Bratcher, pastor of the St. John's Methodist Church in Lubbock.

Felix Buck went with a group to the lake at Sweetwater for fishing Sunday.

Several from Union enjoyed the repeat performance of the play, "The Campbells Are Coming," presented at St. Joseph's Hall in Slaton Sunday night.

Mr. and Mrs. Harold Morrison visited her cousin in a Lubbock hospital Sunday afternoon.

Marvin Kitten, who has been attending Tech College at Lubbock, is home for the summer.

Lubbock people visiting in this community Sunday were, Messrs. and Mesdames James Paul Jones, and baby, Charlie Smith, W. A. Womack and Emery French and Shilley.

The Vacation Bible School will begin at the Baptist Church Monday, July 13. It will be held in the afternoon from four until six. Registration will start at four Friday after. All children are requested to attend.

Mr. and Mrs. R. D. Presley, Don and Angela, of Abernathy, visited in the community Tuesday.

Mr. and Mrs. Brown Montgomery and Mr. Luther Peterson of Idalou and Mr. and Mrs. Charlie Meyers were visitors with their mother, Mrs. T. L. Peterson, Sunday.

Mrs. G. A. Clevenger spoke last Sunday during the worship service at the Presbyterian Church at McLean.

Bobbie Ray Conner, Tom Gregory and Bill Dawson spent the week end at Possum Kingdom.

Two Softball Games Scheduled Tonight

Two softball games are on tap tonight at the Lions Club athletic field with two games on tap beginning at 8:00 when Ayers will play the local VFW post, and Hoyt Furniture meets Midway in the nightcap.

Next week's schedule has Posey vs VFW at 8:00 Monday, with Ayers meeting Hoyts in the night cap. Tuesday night's curtain raiser will be Pleasant Valley against Midway with Posey and Hoyts playing last. Next Friday night Ayers will meet Midway in the first game, followed by a clash between VFW and Pleasant Valley.

In Monday night's contests Ayers was beaten 4-1 by Pleasant Valley. Bing Bingham, hurling for Ayers, gave up but one hit, but was wild and received poor support from his team mates, errors accounting for the loss.

The second game has not been officially decided, due to differences between the two score books kept. The clash was between Posey and Midway. The game was called in the sixth due to rain. One book showed a tie, the other a Posey victory.

Games were rained out Tuesday night.

Summer Classes Now Open; 15 Enrolled

Summer school began here Monday for approximately 15 local students under the direction of A. C. Watson, regular mathematics teacher in the Slaton schools, and director of the summer's work.

Of the fifteen students enrolled 11 are high school students and four are eighth grade pupils. Most are seeking makeup work for the courses they will need to complete for graduation requirements.

Watson said that school will be held each morning from 8 o'clock until 12. Classes will be conducted six days each week, and the school will end in seven weeks.

Two English courses and assorted math classes are being held for high school students, while the Eighth grade pupils are completing work in the same courses.

J. W. MARSH ON CRUISE

Midshipman James W. Marsh, USNA, son of Mr. and Mrs. Harry L. Marsh of 205 North Fifth St., Slaton, Texas, departed from the Naval Academy, Annapolis, Md., June 4, aboard the destroyer USS Rich, for a seven and one-half week cruise to Europe.

The Rich is one of the ten-ship Task Force commanded by Rear Admiral Allen E. Smith, USN, who will fly his flag on the battleship Missouri. The Task Force will proceed directly to Portsmouth, England, and is scheduled to arrive June 17 for an eight-day visit.

There are more than 1,200 trainees embarked on the cruise, including 800 midshipmen from the Naval Academy and 400 midshipmen from Naval Reserve Officer Training Corps Units located at various colleges and universities throughout the United States.

Gummed tape and Scotch tape by the roll or dozen rolls at the Slatonite.

Bill Cherry, son of Mr. and Mrs. W. T. Cherry, came home from W.T.S.C. Wednesday of last week and returned on Monday of this week for the summer semester. Jimmie Cherry arrived home from A&M College Tuesday of this week.

Edwin Burton and John Schmidt are home from A&M College.

Mr. and Mrs. Ernest Short, Jerry, Kay and Woody, spent several days this week visiting in the homes of their aunts, Mrs. Elmer Gollehon and Mrs. Ettie Mathis in Hereford.

Mr. and Mrs. Hervey Maxcey of McCombe spent Sunday in the home of Mr. and Mrs. J. L. Parks.

Hammermill correspondence size stationery 45c per pound at the Slatonite.

A new Plains fertilizer industry is taking shape in Plainview, where the Rowland Co. has announced completion of a new \$20,000 plant for the manufacture of ALL-CROP NITROW, the trade name of a 25% Nitrogen low-cost liquid fertilizer. With its daily capacity of approximately 20,000 gallons of NITROW, the Rowland Co. plant will help to overcome the local shortage of nitrogen fertilizer. In liquid form, NITROW is ready for application through irrigation water to growing cotton, maize, and other area crops.

The Rowland Company has been one of the pioneers in the farm chemical field in the Plains-Pecos-Oklahoma section, operating the first mixing plant for bagged fertilizers and cotton dusts in the area. NITROW nitrogen is being made available through dealers in every community where there is irrigation. For this season, application to dry lands will continue to be on an experimental basis.

Bee's Visual Equipment
In the bee family, the worker has 3,000 to 4,000 lenses in its eyes, the drone 7,000 to 8,000, a queen about 5,000.

"Bleeding" Deer
Newly-killed deer should be bled by sticking a knife into the stomach.

West Texas Roundup

W T ROUNDUP

Citizens of Canyon will be called upon about the end of 1949 to select the citizen whom they think has contributed the most toward the civic development of Canyon during 1949.

Some kind of token will be given by the Chamber of Commerce to the person who will be selected. The presentation will be at the annual banquet early in 1950. — Canyon News.

With the exception of the metal markers to attach to light poles at the corner of the square, the new street signs are here.

The last truck load of markers arrived Thursday and were placed in storage at the city barns, north of the public square. — Canyon News.

Plan to raise \$15,000 by loans from Snyder business men and others interested in improving facilities at the Snyder High School stadium, and for purchasing new uniforms for the Tiger Band was outlined at the Tuesday luncheon meeting of Snyder Lions Club by Carl Herod, perennial football team booster. — Scurry Co. Times.

Snyder's National Guard unit is the best of the 41 units he has inspected since the first of the year, declared Colonel H. P. Dittmore, of the inspector general's department, following his federal inspection in Snyder last Thursday. — Scurry Co. Times.

The public is invited to attend a town meeting of the Post Chamber of Commerce at 10 o'clock next Wednesday morning, June 8, at the Garza theatre.

The purpose of the meeting is for an open discussion of any suggestions or criticisms which anyone might have, in order to plan an effective program of work for the recently elected Chamber of Commerce Board of Directors. — Post Dispatch.

June 14 was set as the day for an election on school bonds and two other issues when the Post Independent Consolidated School Board met at the high school building on Tuesday night. — Post Dispatch.

Cuthbert community voted 4 to 4 in Saturday's school consolidation election to hold up the uniting of districts of Cuthbert, Buford, Horns Chapel, Payne, Lowe, McKenle, Seven Wells and Fairview with the Colorado Independent school district. The tie vote at Cuthbert places a "no" on the consolidation in the opinion of most school officials. — Colorado Record.

Deaf Smith County wheat growers banded together Saturday afternoon to form the first such commodity association in the county, in the hopes that such organizational activities will further their program to get a high parity, even with a reduction of wheat acreage, rather than the low parity and no acreage reduction asked by wheat growers of eastern states. — Hereford Brand.

A test was made Wednesday of the Sterling C. Williams No. 1 Sinclair oil well, located in northwest Borden county, which indicated a production of 40 barrels per hour, according to Charles Nelms and J. E. Nance, who were present when the test was made. The well opens a new oil pool.

The test was made at the 10,000 foot bottom, one made a few days previously having been made at a depth of 9,928. It is believed that the oil is from the Pennsylvania and also possibly the top of the Ellenburger. — Lynn Co. News.

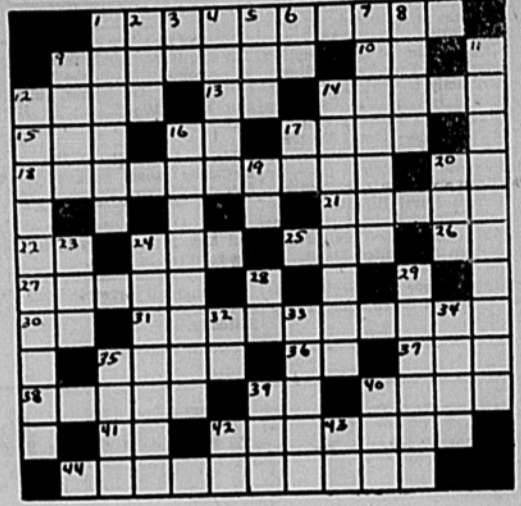

Permits to move combines by truck or trailer will be issued at the Hereford Chamber of Commerce office, according to Pete Cowart, manager.

Cowart was in Amarillo Tuesday and received authorization to issue temporary 30 day special permits during harvest this year. He said local truckers had requested the move to save trips to Amarillo to obtain permits. — Hereford Brand.

The Lynn County Pioneer Association is making plans for its annual reunion which will be held in the City Park on Friday, June 24.

Anyone who lived in Lynn county thirty or more years ago and the immediate members of their family are eligible to attend the reunion. — Lynn Co. News.

JUST TALK

by
A.M.J.

Preacher Lloyd Moyer reported this week that he was awakened last Thursday a week ago in the middle of the night by about half the Church of Christ congregation who came over to his house and wanted to get into his cellar; he had gone to bed and had to get up and take all his company into the cellar where he and his family stayed until way after midnight. Friday morning they were all worn out, and he could not get any breakfast at home, he came down town at ten o'clock to his morning meal and no tornado came anywhere near Slaton. It was a very upsetting storm and he says having a storm cellar is O.K. for day time tornadoes, but a bit rough on the night side.

Mayor Rogers of Lubbock made a talk to the Rotary members last week on the water situation on the South Plains and in the Panhandle. While the Lubbock Mayor had no definite plans for getting water for the future he did say that the situation is now serious and is almost certain to get more so. Water levels in both irrigation wells and in the wells that supply water to the town in this country are getting lower and lower and more and more wells are being drilled every year.

It is a situation that will have to be faced sooner or later or every

one in West Texas will have to move out and give the country back to the coyote, the prairie dogs and any stray Indians who would be foolish enough to take it over.

Jackson special weather prophesy: The rains are about over and you folks who have been trying to save money on your water bills might as well get out the hose and hook it up, the remainder of the summer is gonna be hot, dry and we are gonna have the biggest cotton and grain crop we have had in years, the supply of help will be short and business good as soon as the crop begins to move.

Ed Haddock who is not old by a long shot, but who has been in Slaton since his boyhood, says that Slaton is in better shape than it has ever been and that he believes it is as good a business town as any on the South Plains, if not the best. Like Ed, I believe that Slaton has become a much better town in the last few years than it ever was even in the heyday that so many of the old timers tell about when it was a horse race between Slaton and Lubbock as to which town would become the large town of this section.

While Lubbock may always be a bigger town than Slaton until the two towns merge, I do believe that Slaton has many advantages over Lubbock. There are of course some crimes committed here, but the ratio for Lubbock is much greater than it is for Slaton, the ratio of traffic accidents is greater for Lubbock and when one considers the fact that there has not been a traffic death in Slaton for years, it is something to make a Slaton resident give sincere thanks.

There is something to be said for the fact that we do not have

the traffic congestion that Lubbock and bigger cities enjoy, the stores are easier to reach and the business people know you and most of them try to serve you efficiently. The mosquitoes in Slaton are not as vicious as they are in Lubbock. Slaton women are better put together and furnish better scenery than you can find in Lubbock, the grass is greener, the water is softer and the food better, so there's no use going any further, buy a home and settle down in the old home town for keeps.

Doc Castleberry is slipping. He took time out last week in the middle of the morning to drink a cup of coffee, which is a sure sign that middle age is creeping up on him. Three years ago Doc did all his business on the run, the seat of his pants never got a shine and he could climb a ladder like a squirrel going up a tree, but now he buys suits with two pairs of pants and he has about as much use for a ladder as I have, and I get dizzy when I climb up on the curbing at the Post Office. If some one will put up a prize I'll run Doc a race.

Harry Stokes says that so far he has been to only two weddings in his life, one was his own and the other was his daughter's; he hopes to go to his son's, but he does not think he will be near as important at his, as he was in the first two.

It takes nerve, stamina, forcefulness and strategy to have a record like this and I'd like to help make up a purse for such a man who can withstand all of the strains that are put on him when such events are taking place. While my record is good it is not as clean as Harry's. Since I have been in Slaton I have attended one wedding, where the bride got stung by a wasp and I went to one reception after a wedding. Before coming to Slaton I went to my own wedding, where my mother-in-law gave me some warning as to what would happen to me if I did not treat my wife well and to one where I do not remember who the bride or groom were as my mother drug me along when I could not protect myself.

If there are any other men who have been able to hold out against the going to weddings I'd like to have their records and if any one can beat that of Harry's I'll buy him a cigar.

For the past two or three years I have been wearing sport shirts and it is getting the time of the year for such shirts again but I am timid about putting them on. The shirts are a lot more comfortable than the kind that men have worn for the past forty or fifty years, and I'm one of those kind of guys

who is in favor of progress, but is in favor of every one trying it out first. I have never been up in an airplane and I get the shivers every time I think of even looking around on the inside of one. I enjoy seeing the pictures of the girls in the new style bathing suits, but I'm afraid I'd go blind if I should ever visit a bathing beach where such apparel was in evidence. I think we should have the atomic bomb, but when one considers the dangers of all three, the airplane, the bomb and the new style bathing suits, it looks like things are getting too fast and the world might blow into a cinder at most any minute. If it gets much worse I'm going to move to Oklahoma.

There are two things that modern society seems to enjoy that give me a great pain in the neck. One is the juke box and the other the pin ball machines. Every time

I go into a place where one of the juke boxes are blaring away I want to drop a dynamite cap into it and why any one should want to thump little metal balls around in one of those pin ball things to get a score of a million or so is a mystery to me, especially at five cents a game. Perhaps I do not understand the fine points as I never played but two games and in one of them the other fellow stood with his back to the machine and beat me. I'm just an old fogey and there is nothing I can do about it unless my wife takes a hand and decides to modernize me and there is no telling what I might turn out to be.

Comedy And Drama Are Highlights Of Week's Theatre Program Here

Next week's schedule at the Slaton Theatre finds an ideal mixture of movies with a mystery thriller, an adventure story of American farm life, and a top-notch comedy, plus an Owl Show.

Topping off all of this is tonight and Saturday's picture "Under California Stars" starring Roy Rogers and his famous horse, Trigger. This picture is made in Tricolor. It also has Jane Frazee, Andy Devine and Bob Nolan with his Sons of the Pioneers.

Saturday night at 11:00 will come a new innovation in movie showing here—an Owl preview. This show will be presented at the late show, only, and then will be returned to the producers. The regular Sunday and Monday feature will not be shown at the mid-night show.

Tomorrow night's Owl show will be "Clay Pidgeon," starring Barbara Hale and Bill Williams. It is an adult drama. Patrons will be admitted as early as 10:00 p. m. and may see the regular Saturday feature at no additional charge.

Sunday and Monday the Slaton feature will be the "Paleface," a rollicking technicolor comedy starring Bob Hope and Jane Russell. Hope hits a new road—the road to the West—as a traveling dentist. Unfortunately his ways of

pulling teeth keep him on the move, when he meets Calamity Jane (Jane Russell) and they team up—Hope for romance, Russell for business reasons.

From this point on, it is a rollicking, zany shoot-em-up comedy with Hope at his clownish best.

Tuesday night's thriller stars Barbara Stanwyck and Burt Lancaster in "Sorry, Wrong Number," a new kind of a spine-tingling mystery, which a woman (Stanwyck) overhears a telephone conversation plotting her murder—and is powerless to save herself.

Miss Stanwyck portrays the rich, bed-ridden, neurotic who, in trying to get her husband's office, overhears her murder being plotted. With two hours left before the time set for the murder Miss Stanwyck begins a series of phone calls that gradually mount the suspense.

What happens in the short time left her, while Lancaster is attempting to stop the wheels of murder he started, is said to add up to a very suspenseful entertainment.

Tapping a really new background for its action, Glenn McCarthy in initial production, "The Green Promise," coming to the Slaton Wednesday and Thursday of next week—stars Marguerite Chapman, Walter Brennan, Robert Paige and Nat-

SORGHUM NURSERY IS ESTABLISHED AT TECH
LUBBOCK, Texas, June 6, 1949

—A sorghum nursery for plant demonstration and testing has been established at Texas Technological college.

One hundred varieties including some of the best known sorghums raised in the Texas plains area, and several new types never tried in Texas before are included in the small replicated plots. Dr. A. W. Young, head and professor of plant industry, said that the row tests are introducing sorghums from Kansas, Oklahoma and types sent to the college by the United States Department of Agriculture, Washington, D. C.

Information concerning each of the sorghums will be kept for publication, and inspection of the nursery by farmers of the plains area is invited at any time, Dr. Young said.

Irrigation will be available through the college system if needed, he said. The plots have been hand planted. Each variety is planted in three-row arrangements with the center row to be used for records.

Miss Wood in a warmly human story of a farming family and the famous 4-H club.

How the older girl of a farm-family takes over when her stubborn father is injured, and sets about straightening out family problems, makes for the dramatic progress of the plot.

Southland News
MRS. FLOY KING

There were eighty-four present for Sunday School at the Baptist Church Sunday.

The Vacation Bible School began Sunday evening at 3:30 at the Methodist Church, with forty children present. Everyone is invited to bring their children.

T. L. Weaver preached at the Methodist church here Sunday morning, as the new pastor hasn't moved here yet.

Mr. and Mrs. Roy Williams and children visited Mr. and Mrs. Walter Williams of Shallowater after church Sunday.

Jo Ann Trimble has returned home after spending a week visiting with Florence Jackson of Lubbock. While there she was in a car wreck in which she received minor injuries.

Rev. and Mrs. Fullingim have returned home. They went to Brownwood to be present when their son, Worth, received his degree from Howard Payne. From there they went to Port Aransas, fishing and then visiting friends at Mathis, where he was once pastor. They also visited in Alice and San Antonio.

Rev. and Mrs. E. N. Scarlet have moved to Clyde, where he will be pastor. Rev. Arnold will be the local Methodist pastor.

Mrs. L. B. Hambright and Shir-

ley accompanied her sister, Mrs. J. W. Phillips and Twila Faye to San Juan to visit their parents, Rev. and Mrs. E. E. Mason, recently.

Visiting Mr. and Mrs. L. A. Dunn were their son-in-law and daughter, Mr. and Mrs. B. C. Robinson, Jr., and baby of Ft. Worth and Mr. Robinson's father, of Lubbock, and Mr. and Mrs. Herbert Dunn and children on Sunday. Monday, another daughter, Mrs. Laura Brazil of Mineral Wells, and their granddaughter, Tommie Scott Goolsby

of Fort Worth, arrived for a visit. Visiting Mr. and Mrs. John Leake Sunday were their daughter, Mrs. Sam Hendrix and family of Lubbock and Mrs. R. R. Jones, Mrs. Leake's mother.

Mrs. Buster McCoy and Linda returned home from Merkel Saturday where they had spent a week with her mother.

Duane Gilliland of Sudan and Lena Mae Samples of Slaton visited Mr. and Mrs. Samson Gilliland Sunday.

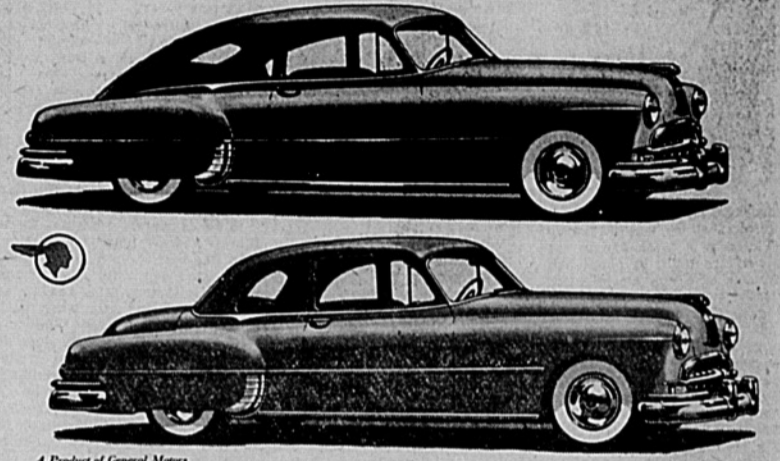

Mr. and Mrs. G. W. Basinger

have returned from an eight day visit with relatives in Oklahoma. Sunday visitors in their home were their two daughters, Mrs. Sam Ellis and family, and Mrs. O. E. Boyd and children of Crosbyton. Llawanna Winterrowd visited her sister, Mrs. Herman Chilcutt in Lubbock Thursday.

Just received nationally advertised billing Hano machines in sizes for every purpose, also carbons and register forms in duplicate at the Slatonite.

ONE, TWO AND FOUR DRAWER STEEL FILING CABINETS ALSO NICE SIZE ALL STEEL DESK AT ATTRACTIVE PRICES AT THE SLATONITE

You ought to be driving a '49 PONTIAC

Two of America's Most Popular Motor Cars

Pictured above are typical examples of the two smart and separate lines of cars which bear the current imprint of Pontiac goodness—the Streamliner and the Chiefain De Luxe Sedan Coupes.

Each is in such demand that, on its own, it ranks among America's most popular cars today. That two cars of such decidedly different appearance should each enjoy such wide acceptance is easy to explain. THEY'RE BOTH PONTIACS!

While each has its own individualized smartness, both offer all the great basic Pontiac virtues. Both are conspicuously beautiful. Both carry the well-known promise of Pontiac quality—long life, dependability, and fine performance. Both afford the smooth, enjoyable performance of Pontiac's two great engines—the power-packed straight eight or its equally famous six-cylinder companion.

Finally, both represent unusual values—a very fine product at a very low price. Either one you choose will make you mighty happy.

Slaton Implement Co.
300 South Ninth Slaton, Texas Phone 8

"PACKS THE SOIL WITH POWER!"

NOW . . . a new nitrogen from a new plant to make fertilizing easy and profitable! The Rowland Company's new Plainview NITROW plant, shown above, is the answer to this area's nitrogen fertilizer shortage. For the soil's basic nitrogen needs, liquid NITROW contains 25% nitrogen. It is manufactured by combining 83% Anhydrous Ammonia with water, by the process shown above, and is being distributed to irrigation area dealers in 50 gallon steel drums. The price of NITROW is 45c per gallon, plus a drum deposit.

The Flow of NITROW down your rows is easy to check, for it gives irrigation water a milky color, and gives off an ammonia odor. You see where your fertilizer is being distributed when you channel NITROW liquid nitrogen fertilizer into your rows. YOU CAN SMELL IT! YOU CAN SEE IT!

The Rowland Company's NITROW is the equal of the best in increasing yield and quality of cotton, maize, wheat, truck and other crops. From a few drums used on maize last season by a West Texas farmer, yield was so multiplied that 8 rows filled a harvest hopper which took 14 rows to fill without the help of liquid nitrogen. Near Las Cruces last year, cotton that ordinarily made a 2 bale-per-acre stand, made another one-fourth bale when strengthened with nitrogen in the NITROW form. Call or visit us for NITROW today!

10 TO 15 GALLONS PER ACRE

LOOK FOR THE DEALER IN YOUR COMMUNITY

Here are dealers already established to serve you with "NITROW". Others are being set up in all irrigation communities. Watch for his announcement in your local newspaper.

The new home of "Lubri-tection"

AN INVITATION to visit America's newest and most modern motor oil plant

There are going to be "big doings" at Kansas City, Kansas, June 21st and 22nd, when Phillips' great new motor oil plant holds "open house" for American motorists.

You and your family and friends are invited, if you can possibly be there.

There'll be guided tours and refreshments, and you'll get an exciting "eyeful" of what Phillips has done to make possible finer lubricants for today's cars.

You'll see motor oil scientifically packaged by new precision methods. You'll be thrilled by new high speed conveyors and miraculous new machines that turn out up to 250 cans of oil a minute. You'll see special automatic blenders that maintain exact standards of uniformity and purity.

Come and see this new home of "Lubri-tection", where Phillips blends finer motor oil to give your car lubrication plus engine protection. Remember the dates . . . June 21st and 22nd . . . at Kansas City, Kansas. Any Kansas City Phillips 66 Dealer can give you directions for reaching the plant.

P. S. If you can't be in Kansas City June 21st or 22nd, why not pay us a visit the next time you're in our part of the country? You'll always be welcome!

Lubricate for safety every 1,000 miles

Former Slaton Girl Weds Floydada Man In Ceremony At Lubbock

MRS. EUGENE MORRIS COLLINS, JR.

At 7 p. m., Monday evening, in St. John's Methodist Church of Lubbock, Miss Emma Eulene Young, daughter of Mr. and Mrs. C. W. Young of Belen, N. M., formerly of Slaton, and Eugene Morris Collins, jr., son of Mr. and Mrs. E. M. Collins of Floydada, were united in marriage in a double ring ceremony read by Rev. J. F. Nix.

The fern-banked altar was decorated with candelabra and baskets of white gladioli. Miss Glynnia Addington, pianist, accompanied Bill Lord as he sang, "Because," and also played, "Clair de Lune,"

"Roses of Picardy," which is the bride's club song, "My Diane," the bridegroom's club song, and the traditional wedding marches.

Given in marriage by her father, the bride wore a gown of white crepe designed with short sleeves, high V-neckline, and draped hip-line. Her veil was shoulder-length and she wore white nylon mitts. The bridal bouquet was an arrangement of white orchids with white carnations and stephanotis.

Mrs. Wayne Lamb of Slaton, sister of the bride and matron of

honor, wore a dress of pale green with shoulder and hip drape. Braided bands of net formed her headpiece, and she carried a modern cascade arrangement of light brown carnations. The bridesmaid, Miss Jean Holt of Slaton, was gowned in a peach-colored dress fashioned like that of the matron of honor. She also wore a braided headband and carried a cascade arrangement of aqua carnations.

David Battey of Floydada was best man, and ushers were Don Davenport of Snyder and Johnny Collins, brother of the bridegroom from Floydada.

After the ceremony, a reception was held in the home of Mr. and Mrs. C. C. Ricker, 2401 Twenty-third, with the couple assisted in receiving by their mothers. The bride's table was laid with a white lace cloth centered with white daisies and white stock. A three-tiered wedding cake was placed at one end of the table and the punch service at the other.

For a wedding trip to Colorado, the bride wore a gray-green suit with balenciago accessories and a white orchid corsage.

The bride is a graduate of Slaton High School, attended Texas Tech where she was a member of Sans Souci club and has recently been employed by the Southwestern Bell Telephone company.

The groom also attended Texas Tech, where he was a member of Socii club. He was graduated from West Texas State college in Canyon on Thursday of last week.

FORMER SLATON RESIDENT WILL VISIT HERE

Mrs. Addie Mae Miller of Falls Church, Va., who is the daughter of Mrs. Lydia L. Dickson and the late N. C. Dickson of Slaton, will visit her mother this month.

Mrs. Miller, an artist who specializes in portraits, has recently completed a portrait of Mrs. Raymond William Fischer, which was shown at an informal reception in the Fischer home in Washington, D. C.

Fondy-Perkins Wedding Is Read At Baptist Church Sunday

MRS. JOE BAILY FONDY

At six o'clock Sunday evening, the First Baptist Church was the scene of the wedding of Miss Alpha Lucille Perkins, daughter of Mr. and Mrs. H. Perkins of Wilson, Rt. 2, and Joe Baily Fondy, son of Mr. and Mrs. J. M. Fondy, sr., of Slaton, Rt. 2. Rev. J. T. Bolding read the double ring ceremony before an archway of greenery and white gladioli. Tapers burned in the background and marked the bridal aisle.

Misses Balfa Joy Rector and Patricia Smith of Wilson were candle-lighters. Mrs. Lowell Merrill played, "Indian Love Call," "At Dawning," and the traditional wedding marches. She also accompan-

ed Miss Nancy Teague as she sang, "Because."

The bride, who was given in marriage by her father, wore a gown of metalasse organdy, fashioned with a low neckline outlined with a scalloped cuff, a fitted bodice and short puffed sleeves. Her full skirt was accented with a tunic which extended to the floor in the back. She wore a fingertip veil attached to a coronet of seed pearls and rhinestones and carried calla lilies centered with an orchid.

For something old, she wore a ring belonging to her grandmother, Mrs. A. L. Perdue; for some-

thing new, she wore a strand of pearls, a gift from the bridegroom; and for something borrowed she carried a handkerchief belonging to a friend, Mrs. F. M. Davidson of Lubbock.

Mrs. L. W. Perkins, sister-in-law of the bride, was matron of honor, and bridesmaids were, Miss Pansy Sloan, cousin of the bride, Mrs. Raymond Davis of Lubbock, Mrs. J. M. Fondy, jr., sister-in-law of the bridegroom, and Mrs. R. J. Fondy, another sister-in-law of the bridegroom. They wore dresses of pastel organdy designed with fitted bodices and full skirts styled in the back with gathers. Their bouquets were of lilies.

Attending the bridegroom as best man was his brother, Louis Fondy. Ushers were Bob Fondy and John Fondy, jr., also brothers of the bridegroom, Lewis Wayne Perkins, brother of the bride, and Glen Scroggins.

Reception Is Held

Following the ceremony, a reception was held in the Perkins home. The bride's table was laid with lace and arranged with a two-tiered wedding cake, candles and a punch bowl. Tall baskets of flowers were placed throughout the house.

For a wedding trip to different points in Texas and New Mexico, the bride wore a two-piece orchid crepe dress with white and sun copper accessories.

The couple will be at home here, where the bridegroom is employed by the Santa Fe.

Miss Perkins is a graduate of Wilson High school and Mr. Fondy attended school in Wisconsin and is a former student of Draughtons Business College in Lubbock. He has served overseas with the Army.

Mr. and Mrs. J. W. Champion and sons, Craig and Jimmy, and Mrs. Joe Whitaker of Decatur, Tex., were guests of Mr. and Mrs. J. C. Champion, sr., over the week end.

Lorrye Lou and Linda Livingstone of Post spent last week visiting in the home of Mr. and Mrs. Harold Wilson.

J. C. Champion spent several days the first of the week in Galveston, where he attended the Texas Watchmakers Convention and the Retail Jewelers Convention. He was a delegate from the Lubbock Watchmakers Assn.

Mrs. Henry Clay Maxey returned Sunday from a two weeks vacation in Colorado Springs visiting with relatives.

Tea Shower Is Courtesy To Jean Holt

The home of Mr. and Mrs. B. G. Guinn, 1000 W. Lubbock St., was the scene of a very happy occasion last Friday evening, when a tea shower was given honoring Miss Jean Holt, bride-elect of Jack Dickson.

Mrs. Edward Caldwell greeted guests at the door and presented them to the receiving line consisting of Mrs. Guinn, Mrs. Roy Holt, mother of the bride-elect, the honoree, Mrs. N. C. Dickson, mother of Mr. Dickson, Mrs. Geo. Harlan, the bride-elect's grandmother, and Miss Emma Eulene Young of Lubbock.

Mrs. R. L. Smith and Mrs. C. W. Wilks directed guests to the dining room where Mrs. F. A. Drewry and Mrs. Gordon Burrell alternated at the punch bowl. The serving table was centered with a large bouquet of American Beauty roses, flanked by white candles in double crystal holders. Sand tarts and green and white ribbon sandwiches were served. American Beauty roses adorned the buffet and also the mantel in the living room. Garden flowers were used throughout the other receiving rooms. Assisting in the dining room were Mesdames Lula Caldwell, Sed Meadors, L. D. Peebles, and Floyd Pearson.

Music was furnished throughout the evening by Mrs. J. A. Wright and Miss Jeanette Burrell.

Mrs. Hearne Pettigrew and Mrs. Carter Caldwell registered guests in the bride's book, while Mrs. Robert Lee, Mrs. Elton Smith and Mrs. Carl Lewis showed the gifts. Mrs. Bob Fondy and Mrs. James Smith bade guests goodbye.

Other hostesses were Mesdames W. D. Cooper, Max Arrants, C. L. Heaton, Dan Liles, C. T. Scroggins, J. R. Hardcastle and Jack Stewart. Approximately ninety guests registered during the receiving hours from eight until ten.

Mr. and Mrs. J. L. Parks returned home Friday from San Saba and Richland Springs, where they visited in the home of Johnnie Maxcey. They also visited with Mr. and Mrs. Alzono Parks in Locker.

Mrs. John Cowan of Brownfield and Mrs. L. E. Brasfield, jr., and children of Seminole spent the week end in the home of Mr. and Mrs. L. E. Brasfield.

The SPORTLIGHT

by Bill

A survey of the softball league mid-way through the second week of play indicates that Ayers may once again be the team to beat in the Tri-County Softball play-off this summer.

Pitching promises to be above-average in most cases, but control seems to be bothering hurlers more than any other thing. They have to ease up to consistently get those "corners" but when they do, the result is usually a lot of activity among the fielders. Choice of Ayers as the favorite is their possession of the most tried and true performers. Manager J. J. Maxey has, in Bing Bingham, potentially the best pitcher in the league. Bingham always has some control troubles, but has more "hop" on the ball than most other pitchers.

The Ayers fielding promises to blossom into a pretty tight infield, plus consistent outfielding results. Right now there is a little see-sawing for players, but with one or two additions, Ayers could have the best balanced outfit of the lot.

In the Oil Belt League the strongest team we have seen to date is the Denver City aggregation. They have a lot of young players who may blow higher than

the perennial kite, but right now they look mighty good.

Jackie Martyn, last year the star "wrong-hander" of Lubbock High School and the American Legion, showed a lot of stuff in his first appearance here last week. On Thursday night he whipped quite a few third strikes across the plate.

Admitted he had a lot of assistance from about four yards of sand that accompanied every pitch across the plate — whipping out of the outfield—but the Denver City batters had less trouble solving the pitching of Slaton's "Grandma" French.

The local team looks like a million dollars one night and a last-place team in the Epworth League the next. They could, with some practice sessions, be a title contender.

It might be unwise to mention, but its honest opinion, that at least one more pitcher with a curve ball would help considerably.

The fact that some of the players do not appear for games consistently can not be criticized — although it has been heard — as the boys are playing for free. Other teams have the same troubles, unless they happen to have an oil well or two to aid the cause.

At any event, the thing Slaton needs to do is turn out in wholesale lots and give the team a little support. You are assured of a good semi-pro baseball game — win or lose. You might also rest assured

that your financial assistance through the gate will not be lost. Each penny is put right back into the park and club, and all of it is most certainly needed.

Sidelights: By the time this gets in print we may be all wrong—which won't be a new event—but Bill Serena—ex-Lubbock Hubber is listed among the top four Texas League batters with an average of .351 for his Dallas Eagles. He has hit some 11 homers this season and batted in 48 runs. Pretty good for a lad the experts, including our own Otis Gunter, say can't hit a curve ball. Also, Gordon Goldsbery, an 18-year-old first baseman for Albuquerque's Dukes in 1946, is batting a good way above the .300 mark as a 21-year-old first baseman for the American League Chicago White Sox.

Can Black-Draught help that dull, dopey feeling?

Yes, Black-Draught may help that dull, dopey feeling if the only reason you feel that way is because of constipation. Black-Draught, the friendly laxative, is usually prompt and thorough when taken as directed. It costs only a penny or less a dose. That's why it has been a best-seller with four generations. If you are troubled with such symptoms as loss of appetite, headache, upset stomach, flatulence, physical fatigue, sleeplessness, mental listlessness, bad breath—and if these symptoms are due only to constipation—try Black-Draught. Get a package today.

SLATON FURNITURE CO.

ON THE WEST SIDE OF SQUARE

A clogged winter-battered muffler wastes 1 gallon of costly gasoline out of every 6 that you buy.

Rough winter weather has given mufflers a terrible "beating." Ice and road chemicals have attacked it. Unevaporated water and acids from the engine have eaten away and collapsed internal parts. Carbon has accumulated—blocking the free flow of exhaust gases—robbing the motor of its pep and stealing costly gasoline.

For economy and full motor power, ask your favorite service man to inspect your muffler; and if defective, replace with

Washington News

Washington, D. C., — June 6—A group of Senators and Representatives in Congress have been trying without much success to trim Government spending. Of course no one gets very much frightened over appropriations for rivers and harbors and flood control. But the expense of keeping up with demands on us from all parts of the World is staggering.

Senator Tydings of Maryland figures it that an over-all 5 per cent cut on total appropriations would save our Government 2½ billions and avoid a deficit.

Senator Ferguson of Michigan proposed cutting the appropriations 10 per cent.

Senator Wherry of Nebraska was defeated when he proposed a 5 per cent reduction.

River and harbor bills are opposed by Senator McKellar who says these measures are loaded down with too much local "fat." Senator Douglas is old-fashioned. He says these bids are "pork barrel."

Meanwhile Uncle Sam is on the biggest spending spree in all history.

The President of the United States has asked Congress to approve a budget for the fiscal year beginning next July 1 of \$42 billion to \$44 billion dollars. The budget for the year ending July 1, 1948 was \$33,800,000,000. Are we going nutty?

Let's face the facts: Tax receipts are falling off. The business volume is slipping. The President stands pat for his tax plan. "We, the People" can't understand all of this.

And apparently the political powers that rule the Nation evidently ignore the fact that we are going deeper and deeper into the hole. At least one outstanding publication in Washington predicts that the new victory loan drive will not bring enough money into the Government Treasury to meet its financial needs. In short, it is charged that the new bond drive is "about to embark on an era of deficit financing."

Strange as it may seem the residents of the District of Columbia were deprived of the rights of citizens to vote and to elect their own officials to rule the Capital City of the United States. This took place in 1874. Practically every National convention of the Republican and Democratic party promises the politicians to restore "Democracy" and restore freedom.

At End of Perfect Day
Carrie Jacobs Bond, beloved American composer, in her will directed that her personal effects be left to the University of California at Los Angeles.

Oleo, Butter Consumption
Consumption of oleo went up 35 per cent in the first half of 1948, as compared with the same period of 1947, and butter consumption dropped 15 per cent in the same six months.

U. S. Population
Population of the United States reached 143,414,000 in 1947. This was a gain of 8.9 per cent since 1940. During the same period California showed a gain of 42.1 per cent.

Sheep Production
During the past six years the number of sheep on U. S. farms has declined about 21 million head, or 37 per cent.

Early Settlers' Mistake
Early settlers were at first reluctant to homestead the prairie sites, in the mistaken belief that the soil which grew trees was richer, because trees grew large, than the grassland.

Poultry Disposal
Poultry that has died from disease or been killed because of sickness should be buried deeply or burned to prevent spread of the disease.

Eradicating Ear Ticks
Field tests show that a single application of BHC (benzene hexachloride) in pine oil will kill all ear ticks on an animal and that the ears will remain tick-free for over two weeks.

Post Scores Four Unearned Runs; Beat Lions In Ninth Inning 9-7

Slaton's Oil Belt League Lions tried successfully for three innings Sunday afternoon at Lion park to give the visiting Post Miller baseball nine a victory, and finally booting away a 9 to 8 decision.

Despite a very fine job of hurling by Jess Collard, and an early four-run lead, five errors in three innings—the seventh, eighth and ninth—handed the visiting team a "home free" game.

The Lions scored two runs in the first inning, one in the third, one in the fifth, one in the seventh and two in the eighth, mostly on well-timed hits, of which they collected 10.

Meanwhile the Millers had one hit during the first six innings, that being a fifth inning double by Walter Holland, and the game was most certainly a "sure" Slaton win. But when the top of the seventh opened, the picture changed rapidly, with everyone of the Lions who had an opportunity to handle the ball apparently trying to see how close they could come to a ball without touching it.

The Millers got three hits that inning, two off of Collard and one from relief-hurler Curt Wilson, but two walks and two perfect boots gave the visitors three runs. All of the action came after two were out.

In the eighth the race began. Cornell led off with a double, Wilson shortstop Jim Reiger booted Thomas' hot grounder scoring both men. After Boyd went out Holland was safe on Guinn's wild throw.

Tillery then threw to the left fielder to let in one more run. A single by Simpson drove in the final tally. That made four runs on two hits, too many errors and one walk.

Post added two more runs off William Banks in the ninth inning, with two walks and two hits doing the damage.

Slaton's high point of the last two innings was Kahlich's throw to home plate cutting off Shepard with another possible run. Otherwise, the home town fans were forced to smoulder in silence—a

rather loud one most of the time—while the Lions were helping their guests feel welcome.

Banks was charged with the loss; while Jim Barnett, former Texas Christian university pitcher, was notching his unearned victory. Post got but eight hits, getting four unearned runs to win.

Umpires were Norman, behind the plate, and Karr, on the bases.

SLATONITE

News Summary Featured Weekly

"Atomic War Strategy Holds Hope for Peace"—The Atom Bomb is the greatest agent for peace in the history of mankind, because if we ever do use it, the warmaking abilities of a nation will be destroyed in 30 days! For the inside story of America's strategic air command, read this timely article in the American Weekly, the great magazine distributed with next Sunday's Los Angeles Examiner.

"King of the Wiretappers"—Meet William J. Mellin, the original wire-tapper! He worked with the police, smashing narcotic rings, and trapping such underworld characters as Charles "Lucky" Luciano, Dutch Schultz, and "Legs" Diamond. You'll thrill to this powerful story in the American Weekly, that great magazine distributed with next Sunday's Los Angeles Examiner.

Mr. and Mrs. Wendell Tooley of Abilene visited a short time Monday in the home of Mr. and Mrs. Martin Collins, enroute from Plainview to Abilene. Mrs. Tooley is the former Miss Mary Tom Kirk.

U. S. Paper Production
It would require over 800,000 standard box cars to load the annual U. S. production of paper and paperboard. This is more than the total number of box cars in service in the United States.

Vending Machine Sales
Today about 20 per cent of all cigarette sales are made by vending machines, and the same is true of candy bars. An even larger proportion of soft drinks is dispensed automatically.

That Waxing Job
When you wax your floors, wax the feet of the furniture too. Then when the furniture is moved around, it will not mar the floor.

Pretty boxed stationery personalized or plain at the Slatonite.
