## Win-Hungry Ralls To Invade Slaton Tonight

WILLING WORKERS—Among those who played important committee roles in the "Clothing for Korea" drive which ended here Monday are, left to right in top picture, Rev. Lloyd Mayhew, W. T. Wyatt, A. C. Burk, W. L. Holloman, C. A. Womack, Francis Perry and A. N. Gamble, lay leader of the Lubbock District, Northwest Texas Conference. The drive resulted in collection of more than 1,800 pounds of clean, useable clothing for needy Koreans. It was sponsored by the Men's Fellowship organization of the First Methodist Church. Holloman served as chairman for the drive, which opened Sept. 1 and drew to a close on Monday night with a covered dish supper and work night to pack and repair the clothes. Identifiable workers in bottom picture, snapped at the Monday night get-together at the First Methodist Church, are Mrs. J. E. Eckert, center, Mrs. George Evans, left, and Miss Patsy Holloman, right. ### 'CLOTHING FOR KOREA' DRIVE DRAWS TO SUCCESSFUL CLOSE

More than 1,800 pounds of clean, useable clothing were contributed to the "Clothing for Korea" drive which was climaxed here Monday with a covered dish supper and work night at the First Methodist Church, it was announced Tuesday by W. L. Holloman, drive chairman.

The campaign was conducted by the Men's Fellowship organization of the First Methodist Church, and was part of a district-wide Methodist effort to obtain clothing for needy Koreans. People of all denominations contributed to the campaign, Holloman explained. An estimated 150 persons attended the Monday night all-church meeting to pack and repair the clothes, which were taken to Lubbock on Tuesday by Slaton applanecman Bill Layne. The Santa Fe Railway will ship the clothes without charge to the West Coast, from where they'll be forwarded overseas.

Members of the Methodist Men's Fellowship committee in charge of the drive included Holloman, C. A. Womack, A. C. Burk, W. T. Wyatt, B. H. Guest, Cliff Cox and Francis Perry. A. N. Gamble, Methodist lay leader from Lubbock, commented at the Monday night meeting that

### MORNING GLORY COLUMN

A morning glory vine has completely covered a light post and light in the yard at the home of Mr. and Mrs. Clyde Doherty, 550 West Lynn. The circular column has a diameter of about four feet and is a sight well worth seeing in the early morning when the "heavenly blue" blooms are open.

### LAUNCH WORK ON NEW TYPE SEWAGE PLANT

Earth-moving work got underway this week on Slaton's new sewage disposal system on city property approximately two miles northeast of the city limits.

Equipment being used in the big earth-moving job includes bulldozers, maintainers, sheepfoot packers and carryalls. They all belong to R. B. Hodgson & Co. of Lubbock, which was awarded the contract on Aug. 31 on a low bid of \$26,150 for the complete job.

The Hodgson firm's contract calls for completion of the job within 90 work days from time of signing of the contract.

The new system—to be composed of oxidation ponds varying from less than an acre to approximately two acres—will replace the Emhoff tank disposal system which has been in use here since the mid-1920's, and which is no longer adequate, according to Mayor O. N. Alcorn.

Plans call for five oxidation ponds and a pumping plant, the latter to be used for moving water from lower ponds to higher ground. The pump system would enable the purified water to be used for irrigation purposes on the 160-acre city-owned tract where the oxidation ponds are being constructed.

In general, city sewage first would pass through a catch basin to settle out the solids, and then would move through the step system of ponds—each varying from three to four feet in depth—for oxidation and purification.

Sv 1 Robert D. Bisbee, Jr., son of Mr. and Mrs. R. D. Bisbee, spent 6 days in Slaton recently after returning from a six month's stay in Cuba. He had to report back to Davisville, Rhode Island.

### SET WORKSHOP FOR TEACHERS

Public school faculty members here will be in Lubbock on Monday, Tuesday and Wednesday nights of next week to participate in a workshop devoted to such phases of the curriculum as language arts, social studies, mathematics, health, recreative and creative arts, it was announced Tuesday by Supt. of Schools Lee Vardy.

The workshop will be held nightly from 7 to 10 o'clock at Texas Technological College under the auspices of the Lubbock County Teachers Association and the educational staff of Texas Tech. Discussions will be led by Tech faculty members and Texas Education Agency personnel.

The workshop will be concluded with a banquet on Wednesday night, Sept. 30, when a summary of workshop accomplishments will be presented.

### Slate Half-Day School Holiday

Slaton public schools will be in session on Wednesday, Sept. 30, only until 12:30 p.m. then will turn out so that students may attend the thirty-sixth annual Panhandle South Plains Fair at Lubbock, it was announced this week by Supt. of Schools Lee Vardy.

"We'll run a full schedule of classes in all of the schools on Sept. 30," Vardy said, "but we'll turn out classes at noon so that the students will have ample time for a good look at the fair."

Fair officials have announced that there'll be no admission charge to the fairgrounds for Slaton students on that day.

### Church of God Beginning Drive For National Attendance Contest

The Church of God, 206 Texas Ave., Slaton, has entered its Sunday School in the Christian Life Magazine contest. The contest, which begins Sunday, Oct. 11, will continue through Nov. 15.

Grand prize will be a 36-day all expense paid trip to the Holy Land for the pastor of the winning church and his Sunday school superintendent. In connection with the national contest, the Slaton Church of God is sponsoring a similar contest.

### Cotton Ginning On The Upswing

Cotton ginning is on the upswing. On Wednesday of last week, five area gins had ginned a total of 54 bales of cotton. On Wednesday of this week, the total had risen to 273 bales, according to a survey taken by the Slatonite.

One ginner explained that the bales are averaging about 530 pounds each, and that the average bale is worth \$160 to \$165 to its producer.

The survey includes Campbell Gin, Howard & Heard Gin, Co-Op Gin, Union Gin, and the Posey Gin.

### LOCAL POSSE LEAVES TODAY FOR NEW MEXICO STATE FAIR

The Slaton Rangers, local sheriff's posse which has won considerable fame for itself and for Slaton, takes its biggest trip yet this week end.

The Rangers are scheduled to leave Slaton at 6 a.m. this Friday for the New Mexico State Fair at Albuquerque, where they'll ride in the gala kickoff parade at 10 o'clock tomorrow morning and take part in other fair festivities on Sunday.

It will be the longest trek ever made by the colorful sheriff's posse, which appeared in 11 rodeos and parades in 1952 and has taken part in 14 additional Panhandle and South Plains celebrations so far this year.

At mid-week, 28 of the Rangers had indicated they would make the Albuquerque trip. For the festive occasion, they'll be clad in their traditional white shirts and black ties, white chaps with black "Slaton Rangers" lettering, boots, and western sombreros. Too, they'll take along their miniature chuck wagon, driven by Mrs. W. J. Shafer.

The Rangers will travel to Albuquerque by private cars, and their horses will be transported by truck. M. C. Eakin, Ranger president, (Continued on Page 5)

### REVIVAL TO CLOSE SUN.

Attendance has been averaging approximately 80 people nightly for the revival services being conducted at the Church of the Nazarene, 635 West Scurry, it was announced this week by Rev. Marshall Stewart, pastor.

The special services, which began Sept. 16, will continue thru Sunday night, Sept. 27. The evangelist is Rev. Buford Battin of Lubbock. Revival singing is under the direction of Woodie Coleman, choir director for the Church of the Nazarene at Petersburg. Services are held nightly at 7:30 o'clock.

### Sgt. Alton Kenney Docks In States

Mr. and Mrs. O. D. Kenney, 655 So. 7th, had a mighty welcome long distance telephone call from San Francisco Wednesday night. It was from their 21-year-old son, Sgt. Alton Kenney, who called to let his parents know that he had docked in San Francisco that morning on the General Howze after a year of Korean service with the First Marine Division. Sgt. Kenney will be discharged from San Francisco, and his parents plan to drive to the California city sometime next week.

Members of the Slaton Church of God are beginning a concentrated effort to increase the attendance at their Sunday School from October 11 through November 15. The drive is being held in connection with a National Sunday School contest. Winning church of the contest will receive an expense-paid trip to the Holy Land for the pastor and Sunday School Superintendent.

## Citizens Favor Upcoming \$90,000 Water-Sewer Bond

"Are you for or against the \$90,000 waterworks and sewer expansion bond to be voted on here October 30? Do you think it will pass?"

George Green. "I'm for it if it will help get water here. I think the people will be glad to vote for it if it will get water. I think the bond will pass. Many people lost a great deal more shrubbery than the bond would cost them individually. They say it won't raise our taxes."

Howard Swanner. "I'm for it, and I believe it will pass. We have definitely got to have water. Folks have been quiet on the subject since it was announced. Not much has been said about it. People are seldom against something we need. I think we have plenty of water, but need a place to store it."

C. R. Bain. "I'm for the waterworks bond. We need water. I want it to pass. People are crazy if they don't want it. I don't care if it costs \$1,000,000; I want water."

Wayne Liles. "I would be for the bond issue. I think everyone understands the importance of water, so I think the thing will pass."

Raymond Kiesel. "I'm for it. If it doesn't pass it ought to. I think the City of Slaton needs water. I think it ought to pass. There's not sufficient water here to fight a serious fire during the summer months. If I lived in the city limits, I'd vote for it. I hope it passes."

A. J. Payne. "Oh, I'm for anything that would help us in our business prospects here in Slaton. We haven't had enough water for our needs. I don't know exactly what the money is to be used for, but I'm for anything that Slaton needs as much as we need water. I should think it ought to pass."

Ray C. Ayers. "I am definitely for it if we need it, and I guess we need it. I don't know if it will pass. We've got so many high taxes that lots of people may look on it from a financial point of view, rather than a civic. We are definitely below the storage re-

### Revitalized Bengals Draw Favorite's Role After 40-6 Rout Of Seagraves

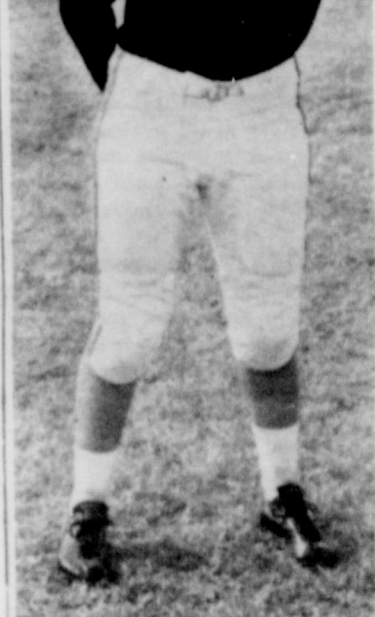

Slaton's Tigers, who regained some of their scratch last week with a rollicking 40-6 conquest of Seagraves, will attempt to chalk up their second consecutive win at 8 o'clock tonight in Tiger Stadium against the always dangerous Ralls Jackrabbits of District 3-A.

Psychology sets an interesting background for the conflict, which is expected to draw a capacity crowd of onlookers. The Jackrabbits have been beaten in both outings this year—13-6 by Post and 32-6 by Spur—so Coach Herb Pior's eleven is expected to be doubly dangerous as it seeks to regain the win column.

The Tigers, too, have ample reason to be eager for victory tonight. They're still smarting from the 33-7 licking handed them by Ralls last year, a defeat which local fans and players alike agree was administered in a something-less-than-sportsmanlike manner.

By virtue of their impressive showing last week, the Tigers rank as slight favorites for tonight's game, which is generally regarded as the most important of the five non-conference clashes on the Tiger schedule.

As against both Coahoma and Seagraves, the Tigers again face the job of throwing up defensive barricades against a T-formation ball club. The Jackrabbits deploy from both the regular-T and the split-T, and in their first two outings have relied chiefly on a ground game, reportedly for lack of capable receivers.

Joe Sparkman Scored three times

Campbell Is Star  
The big gun in the Ralls offense is Billy Campbell, 147-pound senior letterman. Campbell holds down a halfback slot, and has scored all of Ralls' points this year. Noel Davis, 145-pound junior letterman, is expected to hold down the other halfback slot, and Delton Campbell, 160-pound senior letterman, will be at the fullback post.

Ralls' quarterbacking assignment will be shared by a pair of sophomores, 137-pound James Sherbart and 140-pound Larry Moses. Sherbart is touted as the better passer of the two.

Stalwarts in the Jackrabbit line include A. J. Langdon, 190-pound senior tackle; Duck Vaughn, 174-pound senior end; Robert McClain, 150-pound junior guard; James Callaway, 150-pound senior guard, and Phil Roberts, 160-pound senior tackle.

Coach Pior has 14 lettermen back from last year's squad, but only three of them—Billy and Delton Campbell and A. J. Langdon—were starters. Pior letters all boys who stay on the squad for the entire season.

From a weight standpoint, Slaton and Ralls are expected to be about equal in the line, Slaton slightly heavier in the backfield. At Seagraves Friday night, the Tigers fought a hustling but inexperienced Eagle aggregation and a howling sand-filled norther for a 40-6 triumph, one of the most decisive victories recorded by a Tiger eleven in recent years.

### JP POST NOT ABOLISHED, GREEN SAYS

Slaton's Justice of the Peace post not only hasn't been abolished, as stated in the Sept. 18 issue of the Slatonite, but the precinct served by the local Justice of the Peace has been enlarged, County Commissioner George Green pointed out this week.

In the Sept. 18 story, the Slatonite asserted, "Effective Jan. 1, 1954, Slaton will no longer have a Justice of the Peace, according to a decision voted Monday by Lubbock County Commissioners Court."

"The Lubbock papers had that all mixed up, too," Green observed. "What we actually did is to reduce the number of Lubbock County justice of the peace precincts from eight to five, but it most certainly does not eliminate the Slaton Justice of the Peace job, and in fact makes this precinct a larger one."

Green explained that no justice of peace jobs in Lubbock County have been abolished by this order of the commissioners court. "The county had five JP's before, and it still will have five JP's," he explained.

J. B. Wells is Justice of the Peace for Justice Precinct 2, which includes Slaton and all of southeast Lubbock County. City Attorney Nat D. Heaton, City Secretary J. J. Maxey and City Commissioner Henry Bolling will be in Beaumont on Oct. 25-27 to attend the annual convention of the Texas League of Municipalities. Representatives from approximately 600 Texas cities are expected to attend.

### JOHNS RITES SET TODAY

Final rites for W. L. Johns, 69-year-old longtime Slaton resident who died late Wednesday afternoon as result of a heart attack, will be held at 3 p.m. this Friday at the First Methodist Church here.

Johns, Slaton distributor for Bell Milk products until his retirement about a year ago, died about 4 o'clock Wednesday afternoon while working as a plumber's assistant on the trio of new buildings being erected on the former Forrest Hotel site.

He had been a Slaton resident since 1921. Rev. Marshall Stewart, pastor of the Church of the Nazarene, will officiate. He'll be assisted by Rev. Lloyd Mayhew, pastor of the First Methodist Church. Burial will be in Englewood Cemetery under direction of Williams Funeral Home. Johns is survived by his widow, Mrs. W. L. Johns of Slaton; a son, Raymond L. Johns, Lubbock; a sister, Mrs. J. E. Latham, Dallas, and two grandchildren.

## The Greatest Gamblers

People who play the ponies at Ruidoso Downs have nothing on the farmer. Even the most rabid of them are pikers by comparison.

Horses are predictable; the elements . . . and insects . . . and plant diseases . . . and farm prices . . . are not.

Quietly, without fanfare, the farmer places his bets. Day in and day out, year after year, he does so every time he seeds a cotton crop or puts in a batch of broilers. The market may be fine when they mature; or the bottom may have dropped out. The boll weevil or the Army worm or blight may have hit him, or it may not.

There may be a flood, a drouth, or a windstorm. Excessive rain may ruin his plantings. Disease may hit his hogs; excessive heat may endanger his chickens. He never knows the odds.

City-folk often look upon the farmer's life as an easy one; as something to retire to some day. Frequently they are prone to complain that the government cuddles him too much; that the price for this or that is too high at the corner grocery . . . and all those surpluses!

Yet who else would run the risks, would do as much for as little?

## Church Growth in U. S.

Church membership in the United States is growing two and one-half times as fast as the population itself.

This is brought out in a report to the National Council of Churches made public Sunday. It is the fastest rate of growth in our history. It is found in virtually all branches of religion—Protestant, Catholic and Jewish alike.

Total church membership soared to an all-time high of 92,277,129 in 1952. This was a 4.1 per cent gain over the previous year. It brought 59 out of every 100 Americans into membership in some church group, compared with only 49 in 1940.

The rate of growth within various church bodies appears to be about the same. Thus, according to Dr. Benson Y. Landis, associate director of the council's research department, the Protestant increase for 1952 was 3.9, that for Roman Catholics 3.5. The proportion of Protestants to Catholics has remained about the same for the past half century.

These figures are encouraging and are the answer, in part, to those who say that ours is becoming increasingly a God-less nation.—Dallas Morning News.

## Problem of Working Mothers

Recent federal government figures show that today more than half the 20 million working women are married. There are about 5.5 million single women on American pay rolls and about 3 million who are widowed or divorced, which leaves more than 11 million who work to supplement the income of a husband. More than 5 million of these have children under 18 and about 2 million have children below school age.

All of this, say government officials, constitutes a problem. In most cases, they feel, it is unwise for mothers of young children to work outside the home, unless they have an adult family with whom to leave the youngsters or unless they can employ suitable domestic help or have nursery schools available. If children have to be left to their own devices, the social problem is likely to be large.

There is, however, an economic problem also, for married women are likely to have the lowest seniority of all workers and usually lose their jobs first. This may mean a loss of from 20 to 50 per cent of family income at the first pronounced downturn in employment, leaving many families with inadequate resources for normal living.

There is, of course, no simple answer to these problems. We cannot well deny a mother free choice in deciding whether she will work and we cannot well guarantee that family incomes will be adequate without her help. What we can do is work toward stopping, and to a degree reversing, the inflation which has so greatly decreased the buying power of the dollar.

That would at least make it unnecessary for so many mothers to work—especially the mothers of young children who are most needed in their homes.—Milwaukee Journal.

## Last of the Pandas

Every lover of animals can join Chicago in grieving the death of Mei-Lan, the last giant panda in the country. For no one knows when another of these black and white creatures with the friendly and slightly comical expression will be on view to delight children and adults alike in America. The native habitat of the panda is the foothills of the Himalayas in China and Tibet, and Communist rule in that area has cut off all chance of finding a successor to Mei-Lan, the last of 16 of the animals that have been brought to this country.

Though perhaps only a relative few ever saw the clownish Mei-Lan at his Brookfield Zoo home, nearly everybody was familiar with him. His oddly appealing looks and his natural gifts as an entertainer made him a favorite subject of newspaper, magazine and TV photographers, and his photographs have been widely printed and shown.

The panda now exists in the Western world only in toy departments and children's nurseries, where he is a close rival in popularity to that other cuddly favorite, the teddy bear. Even though—barring the unforeseen—the youngest members of our population may never see a live panda, the word will continue to be a common one in their vocabulary.—Fort Worth Star-Telegram.

Even if you are on the right track, you will get run over if you just sit there.—Sunshine Magazine.

No more important duty can be urged upon those who are entering the great theatre of life than simple loyalty to their best convictions.—E. H. Chapin.

## DO YOU REMEMBER?

### ONE YEAR AGO IN SLATON

Taken from Sept. 26, 1952

The Slaton city commission on Monday approved on first reading a citizen's committee recommendation which would increase telephone rates here on both business and residence connections.

Eisenhower and Nixon campaign workers opened their fund drive this week in Slaton.

A new member of the Slaton police force is Andy Smith, former Border Patrolman and member of the police force at Roby, Texas.

Folks who are afflicted with hay fever, reported that last week hit an all-time high for sneezing and dripping.

Mrs. R. M. Turner, her brother and his wife Mr. and Mrs. W. T. Parrish, of Houston, made a ten-day trip through Colorado and Wyoming and then spent a week in Dallas with Mrs. Turner's mother, Mrs. J. C. Parrish, and her daughter, Mrs. Carl Sharp.

Mr. and Mrs. A. L. Brannon have recently returned from a ten-day vacation trip to Utah, Arizona and New Mexico.

Miss Marjorie Lou Baxley celebrated her eighth birthday with a party Saturday morning, Sept. 20.

Miss Stella Shelton, 105 So. 3rd St., her sister-in-law, Mrs. Effie Cook, and her niece, Miss Margaret Cook, of Dallas, have returned from a ten-day trip in New Mexico, Arizona, Colorado and Utah.

Approximately 40 scout-age girls will model at the Slaton Fashion Review, under the auspices of the Slaton Elementary School, for Girl Scouts, to be held at the High School Auditorium, Tuesday, Sept. 30, at 8 p.m. Other models will include pre-school age children, boys, teenagers and adults.

### FIVE YEARS AGO IN SLATON

Taken from Sept. 24, 1948

Mr. Robert Huser, of Huser's Hatchery, has returned home after attending the 25th Anniversary Convention of the Texas Poultry Improvement Association, held in Galveston, Sept. 13 to 16th. Mr.

Huser was elected as a director in the Association, which is one of the largest State Associations of this kind.

The wedding of Miss Ina Ruth McLaughlin, daughter of Mr. and Mrs. W. F. McLaughlin of Wilson and Bobby Martindale, son of the late Mr. and Mrs. J. W. Martindale of Slaton, was solemnized on Sunday, Sept. 12, in the First Baptist Church of Wilson, with Rev. Emmett Brooks officiating.

Mr. and Mrs. E. A. Gentry, Betty and Mrs. Dorsey Gentry went to San Angelo to spend Sunday with their son, brother and husband, Dorsey Gentry, who is convalescing from a back injury, in the Santa Fe hospital there.

One hundred and twenty-three guests called at the home of Mr. and Mrs. E. E. Wilson last Sunday afternoon when they celebrated their Golden Wedding Anniversary.

Mr. and Mrs. Kenneth Jobe spent the week end visiting with relatives in Abilene.

Mrs. G. H. Sargent visited her mother in Colorado City, the first of the week.

Mr. and Mrs. L. B. Hagerman returned Friday from a vacation spent in Colorado. While away they attended a family reunion of Mr. Hagerman's family held at the home of Mr. and Mrs. J. Tharp in Denver, Colo.

Mrs. W. E. Guinn of Tyler has been visiting for the past week in the home of her brother-in-law and sister, Mr. and Mrs. W. H. Dawson. Sunday visitors in the Dawson home were Mr. and Mrs. Phil Nickel and four sons of San Angelo.

### TEN YEARS AGO IN SLATON

Taken from Oct. 1, 1943

Reports from the post office and the Citizens State Bank show that the people of this section of the country have not purchased their quota of War Bonds.

Among the visitors in Slaton this week was R. J. Murray, who was Mayor of the town in its early days. Mr. Murray visited in the home of Mrs. W. H. Proctor and with Mr. and Mrs. J. P. Pinkston.

Friends of Mrs. H. D. Haley surprised her with a house warming at her new home, 540 West Garza St., Tuesday afternoon.

Mother Robertson, as she is affectionately known in this com-

munity, was honored with a dinner by her daughter, Mrs. W. H. Sewell, at her ranch home, Sept. 20. The occasion was Mrs. Robertson's 83rd birthday.

Farmers are urged to market their turkeys as soon as possible.

so that the American Armed Forces overseas can have typical Thanksgiving and Christmas dinners.

Among the Slaton girls attending Tech this year is Miss Pauline Kenney, daughter of Mr. and Mrs. O. D. Kenney.

W. L. Polk was honored on his seventh birthday with a party on Monday afternoon by his mother, Mrs. Bert Polk, with Mrs. Ira McCarver assisting.

That Slaton is growing in population in spite of the fact that there are no war time industrial or war training activities here end

in spite of the fact that hundreds of our young men and women have gone into the armed services or into war factories, is shown by statistics on water, electric power and gas connections at the present time compared with those in 1940, when the last census was taken. Present figures compared with the figures of 1940, bear out the estimates of those who are in a position to know, that Slaton now has a population of 4,000, as compared with 3,587 in 1940.

Delaware has only three counties.

Mr. and Mrs. Robert Stolle and Mrs. E. T. Boyle, Mr. and Mrs. Travis Stone of Dimmitt, Mr. and Mrs. Edwin Meyer of Lubbock, Mr. and Mrs. W. E. Adams, and Mr. and Mrs. Fred Stolle visited at the home of Mrs. Stolle's mother and family, Mr. and Mrs. J. B. Talley and Margaret of Midway. Margaret celebrated her 17th birthday.

Mr. and Mrs. Bruce Pember left Sunday to spend a three day's vacation in Ruidoso, New Mexico.

# We're Backing the TIGERS!!

FIRST DOWN FOR TIGERS—This Sparkman-to-Reynolds reverse netted Slaton's Tigers 14 yards and a first down at the Bulldog 25-yard-line early in the third period of the Sept. 11 Coahoma-Slaton tilt here. Good blocking moved Reynolds (No. 11) past the line of scrimmage, but the camera shows that he had no downfield protection. Identifiable Bulldog pursuers include

Jerris Springfield (No. 39), Darrell Robinson (No. 30), David Hodnett (No. 26), and Murphy Woodson (No. 35). The play originated at the Bulldog 39-yard-line. Two plays later, this Tiger scoring threat fizzled when Woodson intercepted a Reynolds pass at the Bulldog 15 and returned it 24 yards to the Coahoma 39. (Slatonite Staff Photo by Richard Perry)

### Furniture Now On Display Designed To Aid Homemaker

The new furniture and home furnishings featured during Texas Home Fashion Time have one purpose—to make your job as a homemaker easier.

Established styles have been redesigned to keep pace with the casual way of living and new styles were designed to fill a need in your home.

What ever period of style you choose, there is one thing you can count on—the new furniture is contemporary in function.

And fortunately, the current decorating trend that permits the mixing of modern with traditional furnishings, does not prohibit anyone from owning whatever items of furniture necessary to complete the home of his or her dreams.

Manufacturers are aware of the fact that over a million homes are built annually and that almost the same number of old homes need remodeling. This awareness has caused them to keep both types of homeowners in mind when introducing a new line of furniture.

During Texas Home Fashion Time, home owners are urged to look around their homes to see if they are completely satisfied with

the way their furnishings stack up with what one expects in a home today.

If you are not satisfied with what you see, then take advantage of this special showing during Texas Home Fashion Time when the cooperating stores are offering special displays of the newest styles of furniture for every room in the house. They have a lot of other items that can be of help in solving your decorating problems.

One of today's problems is how to place the television set so that everyone can get the ultimate enjoyment from it. Your Texas Home Fashion Time store can help solve this problem.

One item of furniture that has staged a nation-wide comeback is the tea wagon or hostess cart. This successful re-entry is due to two factors: television and to our more informal way of living. The trend today is to live in the home, not merely exist there.

In carrying out this informal, livable, friendly home, one need not be scared of the cost. You can easily re-decorate within your budget.

A visit this week to a Texas Home Fashion Time store will demonstrate how value has been combined with style.

### Sixteen From Slaton Attend Meeting At Asbury Methodist

Sixteen persons from Slaton attended the regular quarterly meeting of the South Sub-district Young Adult Fellowship which was held Monday evening at Asbury Methodist Church, Lubbock.

Four churches were represented, with a total attendance of 40. The churches included Post Methodist, Slaton Methodist, Cooper Methodist, and Asbury Church.

Arthur Gamble and Ted Goldsby conducted a forum on "What a Sunday School Class can Expect of Me, and What I expect from it." Serving on the panel were Rev. Wayne Cook, pastor of Asbury Church; Arthur Gamble, Sunday School Teacher; S. W. Clark, Sunday School class president; and L. T. Kincaid, Sunday School class member. Ted Goldsby was moderator.

Following the program, officers for the new year were installed. Those attending from Slaton included Mr. and Mrs. L. T. Kincaid, Mr. and Mrs. W. A. Wilke, Mr. and Mrs. Alton Sumerall, Clinton Cox, Mr. and Mrs. S. W. Clark, Mrs. H. G. Gordon, Mr. and Mrs. Ed Gossett, Mrs. J. L. Mayhew, Richard Perry, Mr. and Mrs. J. W. Webster.

O. F. Kitten has been serving on the 99th District Jury in Lubbock since Monday.

Congress passed a law in 1776 giving Marines their share in the prize money which was obtained from captured enemy vessels.

To get the greatest total production of forages containing the highest percentage of protein and minerals and the longest grazing season, the planting of a combination of a grass and a legume is recommended for the winter pasture.

Falls are the chief cause of accidents in the home and 14,400 people were killed last year from falls. Remember, it is easier to repair a broken staircase or ladder and cheaper to provide adequate lighting than to repair or rebuild a broken body.

A hunt for drought-resistant plants is now being made in the drought area by the Texas Agricultural Experiment Station. Sought are propagating stocks of native range, pasture and forage plants which appear resistant to drought.

### RAIDERS TO SEEK REVENGE AGAINST POWERFUL MINERS

LUBBOCK—Texas Tech, with a victory under its belt, guns for revenge against Texas Western in El Paso Saturday night.

Texas Western handed the Red Raiders their only Border Conference defeat in two seasons, 20-14, here last year. Mike Brumbelow's Miners, still powered by all-conference Dick Shinaut, are always extra-tough for Tech, in El Paso.

As Tech was downing West Texas State 40-14, in a better game than the score indicated, Texas Western was running over Sul Ross 26-7. Results of all four teams the Red Raiders are to meet on successive week ends weren't calculated to give Coach DeWitt Weaver much consolation.

Also, he got reports on Oklahoma A&M (Stillwater, Oct. 3) beating Hardin - Simmons, 20-0; Texas A&M (Lubbock, Oct. 10) edging Kentucky, 7-6; and College of the Pacific (Lubbock, Oct. 17) upsetting Stanford, 25-20.

Tech had to come from behind after Robert Welchehel of Claude had blasted over a first quarter West Texas touchdown. Don Lewis of Quitaque tied it up from two yards out, and James Sides of Lubbock churned 36 yards to put the Raiders ahead. Norman Jones of Lubbock, Walter Bryan of Olney, Bobby Cavazos of Kingsville, and Jack Kirkpatrick of Post, all scored touchdowns for Tech.

Ed touchdowns for Tech, Kirkpatrick, whose 100-yard kickoff return was the game's most spectacular play, also kicked two extra points, as did Rick Sparks of Post.

Littlefield's Joe Walden scored the Buff's final tally.

Air Cadet Thomas L. Hodges of San Jose, Calif., is visiting for a week in the home of Donnie Dowell. He will then be stationed at Reese Air Force Base in Lubbock for six months, where he will receive his advanced cadet training. He will be awarded his primary cadet training at Reese, Fla.

Mr. and Mrs. Herman Schilling, Mr. and Mrs. Lawrence Schilling and family of Slaton, and Mr. and Mrs. Edward Schilling and family of Plainview visited Slaton with Mr. and Mrs. Oscar Schwaner and Dale of St. Lawrence.

Mr. and Mrs. C. H. Walter and Nancy Lou and Mr. and Mrs. A. Ehlen visited relatives and friends in Paducah, Sunday.

Mrs. Tess Bruner of Levon spent Sunday and Sunday night with Mr. and Mrs. M. W. Abo-nathy.

 The Women's Department will boast of a vastly expanded sched- ule of features like the twice- daily fashion shows, free exhibi- tions of magic, unusual contests, flower shows and other special ex- hibits and events.

### Twenty-Eight Breeds

The Pan-American Livestock Ex- position, Oct. 10-21, will include 28 breeds of beef and dairy cattle, horses, sheep, swine and goats in one of the most colorful and complete shows of its kind any- where. Premiums for the Pan- American show, the Poultry show and the Junior Livestock show will total \$82,238.  
 Four major football games will be played in the Cotton Bowl:

## TIGER - EAGLE GAME FIGURES

Aside from the obvious fact that the games were vastly dif- ferent from a scoring standpoint, Slaton's rousing 40-6 win over Sea- graves Friday night was a consid- erably different type of game from another standpoint than the Tig- er's 13-19 loss to Coahoma the week before.  
 Against Coahoma, the Tigers went to the aerial lanes on 22 oc- casions (completing 7), but a- gainst Seagraves, the Tigers passed only once from scrimmage, and that attempt was intercepted by the Eagles. The Tigers passed sev- eral times on point-after-touch- down tries, but otherwise theirs was strictly a ground game.  
 Interestingly enough, neither did the Eagles complete a single pass, though they attempted 10 aerials.  
 The Tiger ground game ate up lots of yardage. Slaton compiled 384 net yards rushing against 261 for the Eagles.  
 But the statistics show that the Eagles had a far better ball club than the score indicates. Coach A. D. Shaver's forces rolled for 18 first downs, 11 of them in the last half though the only Eagle touch- down was pushed over in the first half. Slaton had only 9 first downs.  
 Breaks helped the Tigers con- siderably. The Bengals recovered four Eagle fumbles and intercept- ed two Eagle passes. The Eagles intercepted the lone Tiger aerial attempt, and recovered one Tiger fumble.  
 The fact that most of the Tiger scores came on long breakaway gallops is evidenced by the fact that Slaton racked up only one first down in the last half, yet scored 21 points during that same period of play.  
 The net offense of 384 yards compiled by Slaton was more than twice as much as the 174 yards the Bengals netted against Coa- homa in their initial outing.  
 The Tigers' Bobby Tefertiller punted twice for a 28 1/2-yard average, and the Eagles punted once, into a fierce north wind, for a net 8 yards.  
 Slaton drew 7 penalties for 55 yards. The Eagles were penalized 5 times for 35 yards.  
 Tiger scoring to date is as fol- lows: Sparkman, 25 points; Rey- nolds, 19; Smith, 6; and Fondy, Wiley and Troutt, 1 each.

It happened at the Sept. 14 city commission meeting.  
 City Water Supt. Forrest Davis was discussing with commission- ers the possibility of drilling a couple of new 5-inch water wells at the edge of the city.  
 After some talk about the mat- ter, Commissioner Ed Haddock in- quired, "A couple of 5-inch wells—that would be about the same as one 10-inch well, wouldn't it, For- rest?"  
 "Nossir, it sure wouldn't, Mr. Haddock," Davis replied.  
 "It wouldn't?"  
 "Nossir, it would take about four 5-inch wells to be the equivalent of a 10-inch well."  
 "It would?" Haddock incred- ulously exclaimed.  
 Chimed in Commissioner Max Arrants, "You thought five and five made ten, didn't you, Ed?"  
 "Yeah," replied the nonplussed Haddock, "things must have chang- ed some since I went to school."

## Well, 5 and 5 Used To Be 10, Anyway!

Mayor O. N. Alcorn and City Secretary J. J. Maxey plan to be in Abilene Oct. 4-5 to attend a meet- ing of mayors and tax assessor- collectors from the entire West Texas area. The meeting has been scheduled, Maxey explained, to ex- plore the possibilities of an in- service training program at the University of Texas for tax asses- sor-collectors.

## TAKES SURVEY ON OLDSTERS

M. B. Tate, 200 East Lubbock, has taken a unique survey.  
 It concerns Slaton oldsters. Tate's survey, confined to men only, shows that this city has two men over 90, 16 men between 80 and 90, and at least 57 "some- where between 70 and 80."  
 "And I probably missed some, too," commented the veteran car- penter, who came here from Hico in 1919.  
 "I talked to these men person- ally, and most of them are still very active," he observed. "I found them mowing their lawns, and doing lots of chores around the home and yard... they're still plenty busy."  
 His "over 90" list includes J. M. Olive, 95, and J. A. Klaser, 91.  
 Mr. Tate's "over 80" list includ- es Jack Wadley, C. E. Wader, W. H. Pruitt, Eugene Holt, A. J. Bak- er, R. F. Teague, A. J. Payne, John Ehler, W. O. Cleveland, M. L. Eld- er, J. R. Wellborn, A. C. Taylor, W. R. Wilson, G. T. Hammett, W. W. Cooper and A. N. Ricks.

Mayor O. N. Alcorn and City Secretary J. J. Maxey plan to be in Abilene Oct. 4-5 to attend a meet- ing of mayors and tax assessor- collectors from the entire West Texas area. The meeting has been scheduled, Maxey explained, to ex- plore the possibilities of an in- service training program at the University of Texas for tax asses- sor-collectors.

# NEW SPECIAL Enrollment

For Residents Of LUBBOCK COUNTY  
 During the Week Starting SEPTEMBER 25TH

**HOSPITALIZATION "KING-SIZE"**

Up to \$27.00 a day for Hospital Room  
 Up to \$500.00 Doctor's Fee for Operations

## NEW 4-WAY PROTECTION PLAN

One out of eight people you know might become a hospital patient with- in a year — or one out of every three average size families. Could you afford the large hospital and doctor bills you might have if that person should be you or someone in your family?  
 Today's hospital charges are higher than ever. You need protection that affords larger benefits than in the past — protection such as Girardian now offers you during this special cam- paign.  
**Liberal Benefits**  
 To keep the cost low, and to give the greatest protection to the greatest number of people, these policies must contain reasonable restrictions such as: 15-day waiting period for sick- ness; 6 months' waiting period for operations due to sickness and for cer- tain chronic diseases specified in the policies. Not covered are mental and nervous cases, rest cure, or alcoholism.  
 \* Maternity benefits up to \$265 available through combination of policy forms G-10, M-20 and SR-30, after 10 months. Not available to per- sons insured at children's rates.  
 \* Legal reserve protection, good anywhere in the World.  
 \* Special arrangement with Western Union enables hospital to wire Com- pany collect to speed payment of benefits.  
 \* Company licensed by your State Insurance Department.  
 \* Accepted by hospitals throughout the country.

Here are 4 special policies — each paying in addition to the other, and in addition to workmen's compensation or other insurance you may have. Take all four and you will have a health protection program with "king-size" benefits. Or take just that part of the program you need to secure the type and amount of protection you want for yourself and your family.

- 1. For Hospital and Surgical Expenses**  
 Girardian policy form G-10 offers \$4 to \$12 a day for HOSPITAL ROOM, up to 200 DAYS on account of any one accident or sickness. Plus liberal cash benefits for Operating Room, Anesthesia, Laboratory Service, Medicines, Blood Transfusions, Oxygen, Surgical Dressings, Ambulance, and many other items. Pays DOCTOR'S FEES for operations, from \$10.00 to \$300.00, depending on nature of operation and according to schedule of fees in policy. Hos- pital confinement not required for payment of surgical fees. Age limits — 1 day to 80 years.
- 2. For Additional Hospital Expenses**  
 Girardian's policy form SR-30 pays \$4 to \$15 a day, for each day of hospital confinement, up to 200 days for any one accident or sickness. This is to supplement other plans which do not provide the daily benefit you need. When combined with our policy form G-10, you can arrange for daily room benefit up to \$27.00 a day if you wish.
- 3. For Doctor's Visits**  
 Payment for Doctors' visits, at home or in the hospital, are provided under Girardian's new medical care policy, form M-20. Benefits start with first visit in case of accident, with third visit for sickness. Also provides for Doctor's fees for operations up to \$200.00, but depending on nature of operation and according to fee schedule in policy. When combined with Girardian policy form G-10, maximum surgical allowances up to \$500.00 are possible.
- 4. For Loss of Time if Injured**  
 UP TO \$200.00 A MONTH, FOR AS LONG AS FIVE YEARS, if you are totally disabled by accidental injuries, is the protection offered by Girardian policy form D-40. Benefits start with first day of disability. Hospital or house confinement not required. Also provides lump sum payments for accidental death, dismemberment and loss of sight. To keep the cost low, pays half benefit for first 15 days disabled. Excludes suicide, non-scheduled aviation and military hazards... otherwise covers all accidents, at home, work, at play or while traveling.

# Scoopin' AROUND School

S.H.S. SNOOPER

Here I am again like I said I would be. This week I've collected a little more information (if you would call it that) about people (kids) and what they are doing.

Monday morning the band practiced on the marches: "Billboard" and the National Anthem. Mr. Townsend has ordered "Dragnet."

All of the basketball girls looked real nice in their new P. E. suits. The suits are blue and one piece. Boy, are they nice! (and comfortable.)

At the meeting of the Rainbow Girls they discussed the talent program that they gave Sept. 4. It turned out real well for the girls.

Here it is Tuesday and we had band early this morning. We practiced on marches and a new one called "Mister Touchdown U.S.A." (We changed the U.S.A. to S.H.S.) Everyone sure seems to like it.

The typing class saw a film on typing this morning. It was very interesting and long.

Since I didn't get all of the class officers listed I'll just wait until next week to put them in here. Sorry!

The FHA girls met at the High School and discussed the shoe shine day and had a skit of Do's and Don'ts to wear. All freshmen girls were asked to come (and they did).

Could you guess what happened Wednesday? Yes, we really got our annuals. After a year or so we get them. Seniors, ugh!

Thursday the band was at the football field at 8:00 o'clock practicing their formation for the Seagraves game. The formation was called "The Football Great Divide." It was sure pretty at the Seagraves-Slaton game. We sure hated for all you people to miss it.

Thursday night there was a pep rally (just as every Thursday night) on the City Hall lawn. Afterwards there was a party at Tiger Town. We sure had fun.

Friday went just about like Thursday except for a few tests and the football game. George Brassell, Western Cottonoil and Slaton Floral gave mums to all the ladies and girls that went to the game. See there, if you would have been there you would have gotten one too.

I don't guess there is any reason for me to say anything about the football game. Everyone's heard about it anyway.

I'll bet you half the kids in Slaton were at the Tech game Saturday night. If they weren't they were at the show or riding around. My, wasn't Saturday exciting?

Sunday there was a mixture of Slaton, Southland, Wilson and Lubbock kids here. Some of the silly grudes that some of the Slaton boys have gained the out of town boys. Silly! At least I think so.

Goodness, the show was sure crowded Sunday and so was town. If you'd try to find somebody they would be getting a flat fixed or

going the opposite direction. Gosh I've already run out of my so called information. Oh, by the way has anyone found out who Telsa is yet? Well good! Well I've got to quit my chatter and go on back to my work. Good-bye.

Mr. and Mrs. Andrew Kitten, Rosanna and Gregory, Mr. and Mrs. Paul Warren, Dennis and Glen, left last Wednesday for a four day's vacation through Ruidoso, White Sands, and Cloudcroft.

## Douglas Returns To School For Deaf As First Grade Student

Mr. and Mrs. J. B. Kitten left Saturday and returned Thursday of last week from a trip to St. Louis, Mo. The purpose of the trip was to return their 7-year-old son, Douglas, to St. Joseph's Institute for the Deaf. Douglas is beginning his fourth year at St. Joseph's, and will be in the first grade, a big event for him. He had asked to spend one more

night with his parents, but when they took his clothing to school Sunday he was so busy telling the nuns about the wrecks he saw on the way and comforting a little boy who cried when his parents left him that he didn't have time to go back with them.

The Kittens visited with Mr. and Mrs. Frank Koller and Mr. and Mrs. R. G. Einig and family. Douglas spends every other week end with the Kollers and sometimes goes home for a week end with a classmate who lives in Illinois.

Guests in the home of Mrs. Mrs. H. G. Schuette, Sunday were Mr. and Mrs. A. Helcher of Tahoka, Mr. and Mrs. Walter Sokoll and family, Mr. and Mrs. John Ehler and family, Mr. and Mrs. Charlie Sokoll and family, Mr. and Mrs. Schuette and family.

Mrs. Leora Graham of Slaton spent the day with her sisters in Harrison Keys, Friday.

**FEEDING FOR MORE EGGS**

The average sized hen consumes about 64 pounds of feed per year just to maintain her body and about 9/100 of a pound of feed to produce one egg. Thus hens laying 250 eggs per year will consume an average total of 86.5 pounds of feed (mash and scratch), or 4.15 pounds of feed for each dozen eggs. Now compare these figures with the consumption of a hen that lays only 100 eggs per year. She will consume a total of 73 pounds of feed, but this amounts to 8.8 pounds of feed per dozen eggs—or 4.65 pounds more than required by 250-egg hens. This clearly shows the profit-value of high producing hens that are fed properly. USE AYERS SUPREME 20% PROTEIN EGG MASH.

Results of last week's grid games: 13 right, 7 wrong. But we were right in picking Slaton over Seagraves, and somehow the others don't seem to matter too much.

This week's prognostications—on most of which I wouldn't recommend any drastic wager—include:

- Slaton 19, Ralls 13
- Tahoka over O'Donnell
- Floydada over Lockney
- Muleshoe over Amherst
- Post over Sundown
- Texas Tech over Texas Western
- Texas over Villanova
- Notre Dame over Oklahoma
- Ohio State over Indiana
- Pitt over W. Virginia
- U.C.L.A. over Kansas
- Mississippi over Kentucky

Baylor's Bears, haunted by hard luck through the years (they haven't won a Southwest Conference title in 29 years), can scarcely be overlooked or underrated now, after their stunning 25-0 win Saturday over the favored California Golden Bears. If the sports-writers don't put Baylor among the 20 teams in the nation this week, I'm sending a personal protest to Ike.

Last Friday night's whooping sand-filled norther left a big clean-up job. On Saturday morning, I saw one of the postmen emptying a couple of pounds of West Texas Vitamin D out of the letterbox in front of the former Palace Cafe.

The Ralls Jackrabbits may be in for a surprise tonight, if a conversation I overheard in the press-box at Seagraves last week has any meaning.

A Ralls scout was in the press-box, and when the game was over the Seagraves public address an-

nouncer commented to him, "You-all play Slaton next week, don't you?"

"Yup," replied the Ralls scout. "Looks like Slaton has a slick club."

"Oh, I dunno," observed the Ralls man. "They go pretty good on the ground, but they can't pass worth a darn."

His observation was prompted by the fact that the Tigers passed only once from scrimmage against the Eagles, and that attempt was intercepted. The fact that Slaton did so was on instructions from Coach Homer Tompkins to Quarterback Jerry Reynolds.

The Jackrabbits may be in for a surprise tonight.

This little poem, by Mildred R. Howland, is entitled "Challenge."

How shall we teach  
A child to reach  
Beyond himself and touch  
The stars,  
We who have stooped so much?  
How shall we tell  
A child to dwell  
With honor, live and die  
For truth,  
We who have lived a lie.  
How shall we say  
To him, "The way  
Of life is thru the gate  
Of love,"  
We who have learned to hate?  
How shall we dare  
To teach him prayer  
And turn him toward the way  
Of faith,  
We who no longer pray?

### HENDERSON COUNTY

Residents of the Slaton area who are former residents of Henderson County have been invited to attend that county's annual reunion, scheduled Sunday, Sept. 27 at Mackenzie State Park in Lubbock. The get-together will be an all-day affair, and lunch will be served at 1 p.m. Those planning to attend have been asked to bring a picnic lunch.

Visiting in the home of Mr. and Mrs. Hoyt Meador over the week end were Mrs. Meador's sister, Mrs. C. B. Ridgway and son Ridgie of Roswell, N. M.

Mrs. J. H. Brewer, who has been in Lubbock Memorial Hospital returned home Tuesday. Her daughter, Mrs. C. W. McDavid of Waco will spend a week in Slaton taking care of Mrs. Brewer.

Mr. and Mrs. W. H. Dawson visited in San Angelo over the week end. Mrs. Dawson's mother, Mrs. G. W. Nickel, returned home with them to spend a week in Slaton.

## Evelyn Gindorf Is Chosen 1953-54 Sweetheart of Wilson FFA Chapter

WILSON — Evelyn Gindorf, a junior of Wilson High School, has been chosen 1953-54 Sweetheart of the Wilson FFA Chapter. Miss Gindorf will compete for District Sweetheart at the District Banquet to be held at Meadow, Oct. 5, 1953. Others who will attend the banquet are: president of the FFA, Javan Schneider; district officer, Clifford Baker; Superintendent of Wilson Schools, Mr. J. P. Hewlett; Principal of Wilson Schools, Mr. W. P. Jones, and wife; Advisor of the Wilson FFA Chapter, Mr. Darrell Sims, and wife.

The Wilson FFA Chapter officers have been elected. They are Javan Schneider, president; Delbert Sanders, vice-president; John Hewlett, secretary; Charles Mason, treasurer; Judson Hewlett, reporter; Lloyd Stone, sentinel; Jimmy Schneider, parliamentarian; Clifford Baker, historian; Dan Tom Stoker, second vice-president; Eugene Bruedigam, third vice-president; and Clifford Baker, district officer. Mr. Darrell Sims, the agriculture teacher, is the advisor.

Several of the "greenhands" have ordered FFA jackets. Any FFA member has an opportunity to order these jackets.

The Wilson FFA Chapter has announced the new officers for the 1953-54 school term. Barbara Montgomery is the new president, with Helen Steinhauser as vice-president; Myrna Kaatz, secretary; Verline Ehlers, treasurer; Juanita Murray, parliamentarian; Eunice Bruedigam, historian; Deana Ward,

song leader; Onita Ehlers, pianist; and Shirley Hewlett, reporter. Miss Dorothy Leonard, the Homemaking teacher, is the Chapter's new sponsor. Chapter mothers elected were Mrs. W. E. Stone, Mrs. A. H. Kaatz, and Mrs. D. F. Hanes.

Plans for the year's program of activities were discussed, and committees were appointed to work on freshman initiation and the National FFA Week to be held the first week in November.

## Every 3 days a new diesel joins the Santa Fe fleet!

A 10-year record of "building new" on the Santa Fe

Christened with California champagne, Santa Fe's first multiple-unit diesel locomotive rolled out of Chicago on Tuesday, May 12, 1936.

It powered the first Super Chief.

39½ hours later it rolled into Los Angeles—and the new age in railroading was born.

There were 3600 "horses" in that one.

Five years later, the first multiple-unit freight diesel rolled on Santa Fe rails.

There were 5400 "horses" in that one.

Today, there is more than 2,100,000 diesel horsepower on the Santa Fe—1524 mighty diesel units.

From 1943 through 1952, a total of 1261 diesel units were placed in service. Better than one every 3 days for a 10-year record!

And still they come! 222 in 1953!

Every diesel added, every mile of heavier rail, makes America's New Railroad a little more completely new. Why, enough new rail has been laid on the Santa Fe in the last seven years alone to reach from Chicago to Los Angeles!

All new—but always the old pride that all this building new costs you, the taxpayer, not one tax penny.

decisive factors in the game. After pushing to a 134 yard advantage on short scoring passes by Jerry Reynolds and Sparkman, the Tigers turned game into a rout in the final on breakaway touchdowns of 32, 61 and 81 yards respectively, by Ronald Smith, Sparkman and Reynolds.

The Tigers capitalized on several important breaks, scoring one Eagle fumble in each half and snaring two of the ten attempted by Eagle Quarterback Lawrence Barber.

The Tiger line yielded 18 downs to quick-opening Tatum crossbacks by Eagle's Buddy Harper, Wayne Perry and Bobby McDaniel, but displayed admirable hustle, and held on on several occasions when Eagle attack penetrated deep Bengal territory. Outstanding defensive performances were in by Darrell Wiley, Chester and Harold Trout.

Tigers Score First

The Tigers scored first when Sparkman carried over right from three yards out on a 14 off from Reynolds. Fully 10 minutes deep in the first period, Tigers widened the lead when Bobby McDaniel, but displayed admirable hustle, and held on on several occasions when Eagle attack penetrated deep Bengal territory. Outstanding defensive performances were in by Darrell Wiley, Chester and Harold Trout.

One minute before halftime, man scored from 5 yards when he had set up the scoring opportunity with a 43-yard scamper.

Smith Scampers

Three minutes deep in the quarter, Ronald Smith skittered left end and skittered 22 yards the fourth Tiger tally and noids flipped a short pass to Darrell Wiley for the point by the Bengals a 26-6 margin.

Midway in the third period, Tigers capitalized on a fumble recovery and sent Joe Sparkman careening 61 yards on a spectacular downfield gallop to put Reynolds carried over for the point.

Reynolds capped a stellar performance early in the final half on a keeper play, scoring between his right tackle and end and outdistancing the Eagle pursuers on an 81-yard jaunt, then pitched to the Trout for the point.

As the game ended, the Tiger had another scoring opportunity the Eagle 18-yard line as a result of Ronald Smith's interception of a Wayne Pierce pass and a 15-yard runback.

## REMODELED DEPARTMENT AND SUMMER PROJECTS ARE SHOWN AT HOMEMAKING OPEN HOUSE AT SHS

Open House held recently in the Slaton High School Homemaking Department doubled as achievement day for summer students who displayed their projects. On display were clothing, leather goods, jewelry, fabric painting, embroidery, canned goods and summer note books.

## FHA Girls Earn Money To Pay For These

FHA girls are shining shoes, doing odd jobs, planning style shows and other money making projects to pay for the dinette sets shown above. Colors of the sets are yellow, green and grey to match the new modern kitchenettes to the left. The unusual centerpiece on the serving table is a sweet potato vine in a tea pot on a round mirror. (Slatonite Staff Photo)

During the summer months the school had remodeled the Homemaking department, which now has three modern kitchenettes, two single and one double unit. As you enter the room, the first single unit is decorated in a yellow with brown trim color scheme, the double unit next to it in natural finish with green trim and the last single unit in grey with burgandy trim. The electric ranges for the kitchenettes were furnished by Southwestern Public Service Co.

Occupying the other half of the room are three dinette sets in colors to match the kitchenettes. These sets are being purchased by the FHA girls who plan a number of projects to earn funds for the purpose. They held a shoe-shine day last Saturday, and are planning a hobo day in October when each girl will work at odd jobs for townspeople. They will sponsor a style show in the spring, and are making plans for other events.

Dishes and silver were purchased last year by the FHA girls and crystal is a gift of Mrs. Fred Schmidt at Slaton Hardware. The school plans to buy additional equipment in the near future.

Punch and cookies were served to guests at the open house by the hostesses, girls in third year Homemaking.

**Boost your car's power as much as 15% with New Conoco Super Gasoline with TCP**

**The Greatest Gasoline Development in 31 Years**

Restores "new car" power!  
Increases spark-plug life up to 150%!  
Gives you extra gas mileage, too!

Today it is possible to put new power in your car—just by driving into a Conoco station and filling up with new Conoco Super Gasoline.

For Conoco Super with TCP is a new kind of motor fuel—truly the greatest advance in gasoline since the introduction of tetraethyl lead in 1922. New Conoco Super can actually increase the power of the average car as much as 15%. That's because TCP overcomes the greatest cause of power loss affecting most cars on the road today, Conoco Super with TCP is brought to you by special arrangement with Shell Oil Company. TCP is Shell's trademark for the remarkable additive originally developed for aviation fuel.

**Combustion deposits drastically reduce power**

When you drive your car, deposits constantly build up on spark plugs and in the combustion chambers. These deposits can "cheat" you of power in two ways. First, they short-circuit spark plugs—causing them to mis-fire. Second, deposits in the combustion chambers cause fuel to ignite before it should. This is called pre-ignition or "wild ping." The combined effect of mis-firing and pre-ignition is loss of power and wasted gas.

**How Conoco Super Gasoline with TCP works**

Now Conoco Super with TCP—a cresyl compound—dramatically overcomes loss of power and fuel caused by combustion deposits. TCP actually neutralizes harmful deposits on spark plugs and in combustion chambers. With new Conoco Super your plugs spark as they should. Your fuel ignites as it should. You get and keep "new car" performance.

**TCP helps your car—whether new or old**

Whether your car is old or new, you can enjoy the benefits of TCP. If you have a new car, with a high-compression engine, it will keep on delivering its built-in power as long as you use Conoco Super

Gasoline. If your car is an older one, Conoco Super will restore much of the power you have lost. Conoco Super with TCP is at your Conoco dealer's today. Don't wait another day to start using this new kind of gasoline—the greatest development in 31 years!

See what Conoco Super with TCP can do for your car—

**Start the "TWO-TANK TEST" today!**

1. When your gasoline tank is one-quarter full or less, fill it with Conoco Super with TCP. Now, there will still be some ordinary gasoline mixed in with your Conoco Super, so...
2. Make sure your next tankful is Conoco Super, too. So rapidly does Conoco Super work that with this second tankful, chances are you'll feel as if your engine has had a tune-up. You'll feel a boost in power. Try it today. We're sure you'll stay with Conoco Super.

Now—at your Conoco dealer!

### Modernization Job At Model Grocery Nears Completion

Model Grocery & Market, 118 West Garza, has joined the rapidly growing list of Slaton firms which are modernizing.

Work was expected to be completed this week end on the modernization of Model Grocery's storefront. Being installed are an all-glass front, glass front door, modern aluminum trimming, and a new wooden awning.

The firm is owned by Mr. and Mrs. Fred Schmidt.

### PLUMS AND POISON IVY

Pvt. Joe Schilling, son of Mr. and Mrs. Herman Schilling, has written his family that he is on maneuvers. The group was camped in a forest of beechnut trees near the town of Lauback, Germany. He says he usually has a can of beans for breakfast, with C rations taking care of the other meals. He and a buddy were so hungry that when they saw a wild plum tree they proceeded to help themselves, unaware of the poison ivy under the tree. Next time, they say, they'll look for the ivy first and the plums later. Pvt. Schilling is assistant platoon sergeant of the 1st Ammunition Section, and with the sergeant on leave that leaves him in charge.

Miss Murlie Holdren attended the Delta County reunion at Mackenzie State Park in Lubbock on Sunday afternoon.

Sunday visitors in the home of Rev. and Mrs. J. L. Mayhew were Rev. Mayhew's sister and husband, Mr. and Mrs. C. E. Clayton of Plainview.

Mr. and Mrs. Weldon Bennett and daughter from Hamburg, Germany, were visitors Friday evening in the home of Mr. and Mrs. C. E. Warder. The Bennetts have been doing missionary work in Germany for the past four and a half years. They will return in January to continue their work.

Mr. and Mrs. Paul Kitchens and children, Slaton Rt. 1, visited Saturday in the R. H. Johnson home at Hale Center and the Ott Earl Patterson home at Olton.

Mr. and Mrs. Francis Perry made a business trip to Dublin Thursday night. They returned home Friday night.

Second Lt. Joe Rakin visited Beth Brasfield over the week end after returning from 6 months tour of duty in Bavaria, Germany. He was with the Security Service in the air force before getting his discharge last Friday. He is the son of Judge and Mrs. J. M. Rankin of Ralls.

## MOTOR VEHICLE INSPECTION GETS UNDERWAY IN SLATON

Williams Buick, Slaton Motor, Davis Motor, Slaton Implement, and Doc Crow Chevrolet began Tuesday, Sept. 15 to make annual inspection of motor vehicles as required by act of the Texas Legislature. Inspection may be made any time before April 15, with present stickers good until the April deadline. A spokesman from one of the Slaton stations said, "We hope motorists will begin to bring in their cars right away. We can't do it all in one week—the last week."

New, slightly modified inspections require proper operation of brakes, lights, tail lamps, stop lights, windshield wiper and signal devices. Special requirements for trucks, buses, truck-tractors and other similar equipment have also been issued. Specific instructions to stations stress that no repairs to vehicles must be made until the owner is notified.

Motorists are required to pay an inspection fee of \$1, whether their vehicles are approved or rejected. Any inspection station shall reinspect free of charge any vehicle rejected by it, after necessary adjustments have been made, within a period of seven days. Local inspectors say it's a good deal, not from a money making standpoint, but from a safety standpoint. Said one, "It has its good and bad points. The things it covers are all right, but it discriminates against a certain class of people. It's true that these people often drive un-

### Rotarians Hear YMCA Speaker

A talk on the purposes and projects of the YMCA by Fred Johnson, head of Lubbock's YMCA, featured the Sept. 17 luncheon meeting of Slaton Rotarians.

"The YMCA is a national and international organization which gives all benefits to all members regardless of where their membership is," Johnson said.

The speaker explained that the activities of his organization include recreational facilities for all age groups and all nationalities. YMCA units provide swimming, games, libraries, home discussions, and many other wholesome activities.

Johnson was the guest of Alex Webb, program chairman for the Sept. 17 luncheon meeting. At their Sept. 24 luncheon, local Rotarians were to hear a talk by Edd McLaughlin, Ralls banker, recounting the highlights of the international convention of Rotary held in May at Paris, France.

**Brother Of Local Man Dies In Auto Mishap In S. Dak.**

Mr. and Mrs. Joe Schmalz attended funeral services at Belle Fourche, South Dakota, Wednesday, Sept. 16, for Mr. Schmalz's brother, Laurence Schmalz, who died instantly when his car left the highway as it entered a curve and was demolished after rolling five times. He was alone in the car.

Schmalz, who would have been 24 this month, was to have returned to college Monday, after having spent the summer working with his brothers in construction work and for the Belle Fourche paper.

The Very Rev. James P. Walsh officiated at the Requiem High Mass at 10 a.m. at St. Paul's Catholic Church, assisted by the Rev. James Sheehan of St. Onge, South Dakota, Monsignor Saboliski of Spearfish, South Dakota, and the Rev. John O'Brien of Buffalo, South Dakota. Rev. O'Brien read a private Mass at 7 a.m. at which members of the family received Communion. Funeral Masses were said at Deadwood, and St. Onge, South Dakota, and Slaton, Texas.

Burial was in St. Paul's Cemetery with graveside rites by the Miller-Magee post of the American Legion and an honor guard of his buddies from the 196th Infantry Regiment with which he served at Camp Carson, Colo., Fort Sam Houston, Texas, and a year at Fort Richardson, Anchorage, Alaska.

Mr. and Mrs. Joe Schmalz were accompanied to South Dakota by a niece and nephew, Pvt. and Mrs. Harold E. Crane of El Paso.

"Save your money," Jack Allmon tells W. T. Fain as Harry Morris, Lubbock mayor protem, slips a bag over a parking meter. The Lubbock City fathers have agreed to forego a potential income of \$490.50 from 1090 parking meters on opening day of the Panhandle South Plains Fair, Monday, Sept. 28. All parking meters will be "in the bag" all day for the benefit of out-of-town visitors in Lubbock to watch the opening day Fair Parade at 2 p.m. Featured in the parade will be giant balloons and bands competing in the Fair's first annual band contest.

**THIS and THAT FROM HERE and THERE**

**Main Street—**

We are happy Lorenzo has an active and hustling team. That's as it should be. It means a great deal to the school and to the community. However, in view of the near-hysteria we have seen at some games in the past, where high school girls and boys openly wept over their team's defeat, we are forced to wonder if anyone can benefit from such emotional orgies, and in some instances if great harm is not done. The very idea that a boy should be held up to scorn because of a blunder in a game, or that a team should be ridiculed because of a defeat, is repulsive to most of us but it has been done, and will no doubt be done again.

The fault lies not so much with the team or the students, but with the elders. They, as well as the players, should remember that it's only a game, and not a matter of life or death; that a game cleanly played, even if lost, does as much toward upholding the honor of old Podunk high, as a victory.

The deafening crescendo of trucks rushing to the oil fields carrying equipment, material and supplies can be heard night and day.

Feverish haste seems to dominate the entire county. New buildings are being completed and others are under construction. Supply stores are buying or leasing locations.

Everything is in the move. All this activity is but a prelude to what is to come so oil men tell us.

The thing that should concern us all is "Are we getting ready to serve the oil industry and those that come our way?"

We'd like to see the Commissioners Court, the School Board, and the city council take a long, long look at the situation, and get the facts, and prepare to act and act fast.

We can never be completely ready, but at least forewarned is forearmed.

Three times married Dick Haymes and three times married Rita Hayworth will make it four in a row when they go through the monotonous civil routine again at Las Vegas, Nev., soon. The ceremony will be performed against a background of crap tables and hook beer in crystal candelabra. Dirty Joe's Jazz Juggernauts will furnish traditional barroom music. These two love birds, individually and collectively, have had enough rice tossed at them to bloat the Chinese army. Now we'll see how much luck a shower of poker chips will bring. They have ducked enough old shoes, individually and collectively, to balance the Salvation Army budget. They prove that while marriage may not be an enduring state, it certainly is a recurring one. We wish them much luck, and many more husbands and wives. They are a deserving pair. At least they deserve each other.

Read a little quip the other day about an Indian who had gone to see a doctor who, after examining him, told the Redman to be careful about what he ate—in fact, not

to eat at all until he got an appetite.

Meeting the Indian several days later, the doctor asked him how he felt.

"Oh, I feel fine now," he replied. "I wait one day, appetite no come; wait two days, appetite no come; wait three days appetite no come—get hungry and eat anyway."

**Lubbock County Tops West Texas In Cotton Take**

ABILENE—In spite of continued drought and a drop in the price of lint of 3.44 cents per pound since the preceding season, the 1952 cotton crop in West Texas was worth \$402,986,684, according to an article in the September issue of West Texas Today, published by the West Texas Chamber of Commerce.

The magazine states that the 132-county area served by the regional organization produced 2,060,202 bales from 6,067,070 acres harvested, representing 54 per cent of the state's production of 3,808,000 bales.

Lint produced in West Texas was valued at \$339,638,330; value of seed was \$63,348,354.

According to the survey, Lubbock County harvested 259,000 bales from 409,000 acres. Value of lint in this county was placed at \$42,735,000 and value of seed was placed at \$7,880,437.

Lubbock County's 259,000 bale harvest in 1952 topped the West Texas area. Next in line was Hale County, where 212,000 bales were harvested.

Basis for the totals was the July, 1953, preliminary report on estimated acreage, yield, and production in Texas released by the Bureau of Agriculture Economics of the U. S. Department of Agriculture, and the USDA's figure of 33 cents per pound of lint, and \$72.50 per ton of seed as average prices received for the Texas crop.

By the latter part of October, McWilliams Dry Goods will be in a new location at the northwest corner of the square, in the building formerly occupied by the Palace Cafe, it was announced this week by Mr. and Mrs. Oran McWilliams.

The dry goods firm has been in its present location at 125 North Eighth since it opened in 1947.

**PLAN NOW FOR FEED STORAGE**

Feeding plays a most important part in any poultry program. Therefore, the poultry raiser should plan his feeding with care, following the advice of his feed dealer.

In addition to planning a well-balanced, nutritious feeding program, he should consider the advantages of proper handling and storage of the feed. Since feed requirements can be accurately estimated, the poultryman should look ahead and buy feed on an economical basis. At the same time, he should know the limitations of feed storage so that advance buying will not boomerang to his disadvantage.

**Buy in Quantity**

It is a good plan to buy feed in large enough amounts to supply the flock for at least a month. This usually results in a saving for the customer, and the dealer is glad to put him on a quantity basis. Another advantage is that the feed is consistent throughout.

One should not buy and store feed too far ahead, however. A six months' supply of mash, for instance, would tend to lose much of its nutritive value on storage.

Proper storage of the feed supply deserves the attention of every poultryman. It is shipshod practice to let the feed stand on a cement or dirt floor, where it may become damp and moldy. Also, feed which is allowed to stand in the bags is subject to the raids of rats and vermin—particularly since some feed will always be spilled from the sacks.

**Storage Bin**

The best arrangement, many poultrymen have found, is to have a well-built bin for feed storage. This should be easily accessible, yet well-protected. One of the most practical methods is to build a bin which can be reached from the outside of the poultry house for unloading purposes. Such a bin then empties through chutes in the house. This is easy for the poultryman, who can draw just the amount of feed he wants. Different chutes are used for mash and grain.

The poultryman who plans his feed storage finds that he cuts his costs by improving operating efficiency.

 WE ARE GOING TO SHOW THE PICTURE EVERYONE IS TALKING ABOUT!

**THE MOON IS BLUE**  
 WILLIAM HOLDEN DAVID NIVEN MAGGIE McNAMARA  
 AN ADULT PICTURE NO CHILD TICKETS WILL BE SOLD!

**WHY?**  
 BECAUSE - - -

First: It is probably the most delightful and amusing picture ever made and we have no right to deny our patrons such pleasurable entertainment.

Second: We believe mature adults enjoy an occasional picture spiced expressly to the adult taste.

Third: With due respect to the picture's critics, we vigorously deny that there is harm in it. True, it's a sprightly Male and Female tale, frankly and generously laced with sex-talk, but author F. Hugh Herbert has skillfully and delightfully created a story that is exasperatingly honest, hilariously funny, but which should offend no one. (Of course, we admit it is not for the kiddies, and no child tickets will be sold.)

Fourth: We believe ST. JOSEPH MAGAZINE, America's Catholic Family Monthly, hit the nail on the head when it published "The Moon is Blue" will surely figure in any moviegoer's "favorite" list as the brightest and most originally charming comedy of the year... It is hard to imagine a more irresistible entertainment piece...

**Widely Varied Fun Program Slated For Texas State Fair, Oct. 10 - 25**

Fun, fun, fun. That's the gist of the entertainment program rounded up by the 1953 State Fair of Texas, Oct. 10 thru 25.

An amazingly early demand for tickets to the Auditorium show starring Broadway's Ethel Merman and Hollywood's George Murphy reflects the enthusiasm inspired by the announcement of the fair's array of big shows. There'll be performances of the Ethel Merman show each night and matinees, Saturdays, Sundays and Thursdays, 24 in all.

Spectacled Russell Nye, who played with Miss Merman in "Call Me Madam" on Broadway, will also be featured, as will the wacky Wiere Brothers, the Harmonica Rascales and a precision line of twenty beautiful dancing girls.

**Ice Cycles**

The always-popular Ice Cycles will present "Brigadoon" as one of 20 specialty acts and 10 big production numbers. There'll also be 24 performances of Ice Cycles, nightly with matinees Saturdays, Sundays, Oct. 14 and 23.

The famed Aut Swenson Thrill-

cade, featuring an international assemblage of daredevils, will be presented 21 times in front of the Grandstand, nightly except Oct. 11, 12, 19 and 25, with matinees Oct. 10, 14, 16, 17, 18, 23, 24 and 25.

Both Ice Cycles and the Thrillcades will have three shows on Rural Youth Day, Saturday, Oct. 17.

**Free Fireworks**

Five free fireworks shows will be presented in the Cotton Bowl Oct. 13 (Music Festival Day), Oct. 14 (Dallas Day), Oct. 16 (Elementary School Day), Oct. 19 (second Sunday) and Oct. 20 (East Texas Day). A big stadium show starring Singer Gordon MacRae and the famous Apache Belles will climax East Texas Day.

The Sensational Kays and the Alcidos, daring aerialists, and the Great Christi, a world famous magician, will be presented in free performances several times daily. Many exhibitors will also present free shows, ranging from moving pictures to top stage entertainments.

The million-dollar Midway, one of America's most colorful fun zones, will have an entire street of spectacular sideshows, plus dozens of exciting thrill rides.

The complete program of the fair is listed in a free illustrated book which can be obtained by writing to State Fair of Texas, Dallas 10, Texas.

Mr. and Mrs. M. L. Abernathy visited Mr. Abernathy's sister and husband, Mr. and Mrs. Jim Griffith, and Mr. Abernathy's mother, Mrs. M. C. Abernathy of Brownfield Sunday.

Mr. and Mrs. E. C. Houchin visited their daughter and husband, Mr. and Mrs. Troy Bownds of Hale Center, Saturday.

Mr. and Mrs. Earl Foerster visited Mrs. Foerster's parents, Mr. and Mrs. Billy Harris of Eliga, N. M., over the week end.

Mrs. J. W. Cartwright of Roosevelt is visiting with her sister, Mrs. C. Kitchens and Mr. Kitchens.

Check the used car, sure! But check the dealer too!

*Is he in business "to stay?"*

When you buy a used car from a Ford Dealer, you're dealing with an established businessman who has a large investment and his good name at stake. We're here today, and we'll be here tomorrow!

*Does he really know cars?*

Ford Dealers are in the service business, too; work with cars day in and day out. We know how to spot trouble fast. And our expert mechanics have the equipment and "know-how" to handle any service job.

*Are his prices really fair?*

Ford Dealers handle used cars and trucks as a service to customers who trade them for new ones. We get a lot of trade-ins. And we keep them moving to free our working capital. That's a good reason why we offer our used cars and trucks at rock-bottom prices.

*Is he interested in you?*

Remember—we Ford Dealers want to keep your good will because we want to take care of all your automotive needs. Someday we hope to sell you a new car, or another used car, and in the meantime, we want your service business.

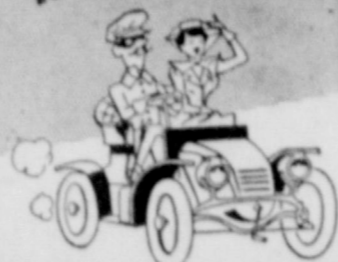

Do his cars meet **A-1** standards?

When you go to a Ford Dealer's and see the A-1 label on a car, you know it has met with the dealer's A-1 standards. And because you can trust the man you bought it from, you can trust the car.

**IT'S WHERE YOU BUY IT THAT COUNTS!**

A COMPLETE AUTO SERVICE FOR WILSON

A message to every prospective new car buyer:

You can have the most popular automatic transmission to be found in any low-priced car Chevrolet's Famous 1953 Powerglide!

Much fleetier, smoother, more economical! Thoroughly proved and improved through years of development and over a billion owner-driven miles! Production now running at new high levels due to record nationwide demand!

**Much More Economical**  
Chevrolet's 1953 Powerglide Automatic Transmission\*-teamed with the 115-h.p. "Blue-Flame" high-compression Valve-in-Head engine-brings you entirely new operating economy in city driving and on long trips.

**Far Liveller Getaway**  
Put the selector lever in "DRIVE" position-step on the accelerator-and you move smoothly away from a standing start to legal traffic speed in seconds.

**Important New Gas Savings**  
You'll never know how economical an automatic transmission can be until you try the 1953 Powerglide. Various improvements, including a more efficient use of engine power, make it extremely thrifty.

In fact, bring you the most important gain in gasoline economy in Chevrolet history.

**Great New Passing Ability**  
The car picks up pace in traffic or on the highway at the touch of a toe, for the '53 Powerglide has an added automatic passing range.

**Smoothest No-Shift Driving at Lowest Cost**  
Driving is almost incredibly easy, changes of speed almost unbelievably smooth... for this transmission gives simplest, smoothest, no-shift driving at lowest cost.

**Safe Eyes-on-the-Road Driving**  
Safety is served in many ways. And one of the most important, perhaps, is that Powerglide permits you to concentrate on

driving. You can keep your hands always on the steering wheel and your eyes always on the road.

**Full Engine Braking-Power on Hills**  
Powerglide's flexibility lets you cruise easily up any hill. And you enjoy constant engine braking power for maximum safety when descending.

**Rock Out of Trouble**  
Powerglide's smooth power flow lets you rock out of sand, snow or mud whenever the need arises. "LOW" and "REVERSE" are side by side on the Powerglide quadrant, making the operation doubly easy.

**Push-Proof Parking**  
Put the selector lever in "PARK" position when you leave the car, and a positive gear-type lock holds it in position until you return.

**Time-Proved, Owner-Proved Dependability**  
Come in. Drive a Chevrolet with this finer, more popular automatic transmission. Test it and you'll want it. It's time-proved, and road-proved by hundreds of thousands of owners, in over a billion miles of driving.
