SCHOOL BOARD ELECTION SET SATURDAY, APRIL 2

An election will be held by the Slaton Independent School District Saturday, April 2, at the City Hall to name three new trustees. Mrs. Robert H. Davis announced the election.

The three trustees with their one-year terms expiring are: J. M. Dowell, vice president; Joe Walker Jr., secretary; and J. T. Hendrick, past president.

Holdover members of the seven-member board are: Davis, Clark Self, M. Brieger and T. C. Reynolds. The deadline for filing at the office of Mrs. F. A. Drewry, school tax collector, is 10 days before the election. No candidates had filed as of Tuesday noon.

Charlie Whalen has been appointed by the trustees to hold the election. He will appoint clerks to serve with him.

Polls will open at 8 a. m. and close at 7 p. m.

All persons who are qualified to vote under the constitution and laws of the State of Texas, and who have resided within the

school district for six months preceding shall be qualified to vote in the election, Davis said. The election will be held in accordance with the general election laws of Texas.

Former Slaton Resident Honored At Galveston

Mrs. Roy German, daughter of Mr. and Mrs. Ed Maeker of Posey, was chosen Staff Nurse of the Month at the St. Mary's Hospital in Galveston.

Mrs. German graduated from Slaton High School in 1946 and is the Head Nurse on 2 South Wing of the hospital in Galveston.

ELECTED PRESIDENT — R. S. Boyd, Gulf Oil Corp. consignee of Slaton, was elected president of Slaton Rotary Club at the club's regular meeting last Thursday.

\$320 RAISED IN RED CROSS FUND DRIVE

A total of \$320 had been raised up to Wednesday noon with \$580 still needed to reach the \$900 quota set for the 1955 Red Cross campaign in Slaton, according to H. R. King, local chairman.

King said the drive would continue for a few days with some of the business area yet to be solicited.

"It will not be possible for the workers to contact each Slaton resident personally," King said. Persons that would like to donate are asked to bring or mail their contributions to King at Pioneer Natural Gas Co.

A group of local women solicited the residential area Tuesday night for Red Cross contributions. They are: Mesdames Stan Jaynes, Dick Cheatham, Leeman Reasoner, Surman Clark, Don Britt, Yates Key, L. T. Kincer, M. H. Lasater, Bill Smith and H. R. King. Thomas Martin assisted in contacting teachers.

The Rev. Elmer Crabtree and C. R. Bain are serving as co-chairmen.

The Lubbock County quota this year is \$39,597 with Frank Junell of Lubbock, general chairman.

COPIES AVAILABLE OF NEW TEXAS MAP

Copies are now available without charge at The Slatonite office of the 1955 official Texas Travel Map.

The new map has a special accordion wrap-around fold and is easier to read, D. C. Greer, state highway engineer said.

One-half million copies of the 1954 map were distributed to travelers last year. Requests were almost equally divided between out-of-state tourists and Texans.

Professional Rodeo Planned For 1955 Frontier Day Celebration

A verbal agreement was made by Slaton Chamber of Commerce directors with Morris Stephens of Silverton Tuesday night for a professional type rodeo to be presented during the two-day Frontier Day Celebration here June 10-11.

Three performances of the rodeo will be given at Slaton Football Stadium. Pres. Melvin Kunkel announced. The first will be on Friday night, June 10, the second on Saturday afternoon, June 11, and the final performance that night.

Stephens has had a number of years experience in presenting rodeos in numerous communities, Kunkel said. Stephens will furnish the stock and handle general arrangements.

Feature Attraction

With a "bigtime rodeo" assured as the feature attraction for

the Celebration—designed to attract a huge throng of people to Slaton—the directors discussed plans for a number of other events to be unreel during the two-day affair.

Ten members of the Slaton Rangers, headed by Pres. John Fondy, attended the regular monthly Chamber directors' session, and helped outline plans for the celebration.

Robert Hall Davis was named general chairman for the celebration, replacing Don Britt, because of not having sufficient time to devote to the affair.

Another new chairman named was Fred England, who will be in charge of booster trips to publicize the celebration.

Bill Smith is chairman of a gala parade which will open the cele-

bration on the afternoon of Friday, June 10. The directors agreed to offer prizes totaling \$225 for the best floats. The prizes will be distributed as follows: first, \$100; second, \$75; and third, \$50.

Invitations will also be mailed to the 23 organizations comprising the West Texas Sheriff's Posse Association. First, second and third place trophies will be awarded the top posse groups participating in the parade.

Smith said that plans are also being formulated to stage a contest to name a parade queen. Announcements will be made in the future regarding details of the contest.

Homecoming

A homecoming will be held in connection with the celebration, with F. E. Perry, chairman of the committee. Invitations will be mailed to all former Slaton residents and a meeting place will be provided where they can convene to recall "old times" and renew acquaintances.

LeRoy Holt is chairman of a square dance which will be held on the closing night of the celebration. Efforts are being made to secure the West Texas Square Dance Association and other square dancers from a wide area.

Rodeo headquarters will be at the Chamber office. An entry fee of \$10 will be required of performers.

Other business of the meeting included appointment of two additional 1955 committee chairmen. They are: Britt, Christmas and Nativity scene; and Hobart Trimpa, Christmas street lighting.

STUDENTS GET HOLIDAY; TEACHERS ATTEND PARLEY

Students of Slaton Public Schools were to have a one-day holiday Friday, while the 56 teachers attended the annual District 4 convention of West Texas State Teachers' Association in Lubbock.

Preceding the Friday convention, a House of Delegates meeting with election of officers was to be held Thursday night in the Caprock Hotel at Lubbock. Those to attend from Slaton were: P. L. Vardy Jr., superintendent; J. M. Gilbert, high school principal; and Mrs. Ardell Reasoner, East Ward School teacher.

Two general sessions were to be conducted Friday. Following the morning session, Vardy, president, was to preside at a meeting of West Texas Administrator's Association at 12:15 p. m. B. C. Arnsperger of McKinney, consultant of audio visual administration, was to be featured speaker.

An afternoon workshop session was planned with sectional meetings.

Teachers from the 26-county

area comprising the association were expected to attend the convention.

February Postal Receipts Decline

Slaton postal receipts had a slight decline for the month of February, Postmaster T. E. McClanahan announced today.

February receipts for this year amounted to \$2,079.43 as compared with \$2,198.51 for the same month in 1954, or a decline of \$119.08.

Receipts for the month also decline \$847.42 as compared with the month of January, McClanahan said. He pointed out that the decline was not indicative of any business trend in the city. "Receipts for any particular month will vary one way or the other over a period of time."

TIGER BAND PARTICIPATES IN FESTIVAL

The Slaton High School Band attended the annual "Showtime of West Texas Band Festival" at Sweetwater Saturday and participated in concert, sightreading and parade activities. Twenty-two other bands from West Texas attended.

Primary reason for entering the festival, according to Bill Townsend, director, was to give the 65-piece band more contest experience as well as to receive criticism, designed to correct undesirable musical qualities and contribute to a better rating in the Interscholastic League contest which will be held in Plainview April 30.

The bands were judged by three widely-known judges. They were: Pat Arsen, Alamo Heights High School, San Antonio; Erving Dreibradt, Trinity University; and James Nielson, Oklahoma City University. The sightreading was judged by Russell Griep of Abilene High School.

Slaton received both favorable and constructive criticism.

During the afternoon, members of the McMurry Band provided a concert in the city auditorium.

C. V. Kitten is in Mercy Hospital and his condition is reported to be improving.

Floyd C. Rector

Floyd C. Rector Honored As Past Rotary President

Floyd C. Rector of Lubbock was honored this week as a past president of Slaton Rotary Club. Rector served as president in 1927.

Rector is presently employed as counselor and as veteran's employment representative for the Texas Employment Commission. His home address is 2317 16th St. in Lubbock.

Born Nov. 4, 1889 in Collin County, he graduated from North Texas State College, Denton, in June, 1917, and immediately entered the army. He received his discharge in June, 1919, after having served nine months overseas during World War I.

He served as cashier of the Guaranty State Bank, Grand Prairie, from June 1919 to August 1924, and as vice president of the First State Bank, Slaton, from August 1924 to September 1926. He operated an insurance agency in Slaton from September 1926 to September 1931.

On Feb. 11, 1928 he was married to Fae Elizabeth Tucker of Slaton. They have two children, Floyd C. Jr., and Walter T.

He resigned his position as field supervisor with the Farm Credit Administration in December 1937 to become employed by the Texas Employment Commission.

Public Schools Week In Slaton Was Big Success

One of the "biggest events" ever was being held in Slaton this week in observance of Texas Public Schools Week.

About 641 people visited the schools Tuesday, with about 500 of these attending an operetta on Tuesday night performed by the fifth and sixth grades.

Visitation in the public schools was to continue Wednesday and Thursday. The schools were to be closed Friday to permit teachers to attend the West Texas State Teachers' Association meeting in Lubbock.

Citizens from Slaton and the other schools appeared on several radio programs and one television program as a part of Texas Public Schools Week activities.

Slaton Ham Operator Marking His 20th Year Of Broadcasting

Chas. D. Marriott, 66, 120 N. 3rd St. who retired from the electrical business in Slaton three years ago, never have to worry about being lonely or unoccupied.

At the flip of a wrist and a turn of a dial, Marriott can be in contact with thousands of friends throughout the world.

Marriott is marking his 20th year as an amateur radio station operator, and during the course of time, he has made contact with "ham operators," as they are called, around the globe.

"Uncle Charley"

Early in his career as a ham operator Marriott picked up the habit of using the ether waves of "Uncle Charley"; and his general call—from Station W5ILA has made him a familiar name over a far-flung area and helped to put Slaton "on the map."

Incidentally, the "ILA" of Marriott call letters, stands for his name of "I Love America." The "Charley" nickname resulted from a number of years ago when he was talking with an American lady teacher in Hawaii. She had a small son to come to the telephone and told him to say "Hello, Uncle Charley."

Marriott, listening in, picked up and have called him "Uncle Charley" since.

In addition to providing an evening hobby, Marriott has been able to render an invaluable service without charge by transmitting and receiving numerous messages and emergency calls of citizens.

Kept Trains Running

During the late 1920's Marriott and other ham operators kept the rails operating between Slaton and Amarillo, when a severe ice paralyzed regular communication facilities.

Ham operators frequently send postcards bearing their sta-

tion call letters, after they have made contact, and Marriott has a shoe box packed with them. Marriott's post card is, perhaps, the most novel of all—bearing a picture of an old Chic Sale. "It always draws a laugh, and I get many comments on it," he said.

Wife Not Bothered

Marriott has his station in a bedroom of his comfortable home and values his equipment at approximately \$1,000. He has another unit that he built himself in a workshop at the rear of his home. "My wife is slightly hard of hearing, and the station doesn't bother her a bit," he said.

A native of Wellington, Kans., Marriott was a street car conductor in Amarillo three years prior to moving to Slaton. He was married in 1907 to the former Miss Dorothy Pugh. Moving to Slaton March 30, 1915, he was employed as a brakeman five years on the Santa Fe.

With radio only in its infancy, Marriott became interested in ham operating through Hubert Allen of Lubbock, manager of West Texas Utilities Co. After study and passing a Federal Communications Commission examination, Marriott was granted his first ham operator's license in 1935. The FCC requires a license to be re-newed every five years.

About the same time as he received his ham operator's license, Marriott opened an electrical business here and wired one of the first houses in Slaton. He sold his electrical business in 1952 to Hugo Mosser, and retired.

Three Children

Mr. and Mrs. Marriott have three married children, with all three living in Slaton. They are: Chas. Jr., insurance agent; Mrs. Audra Thompson; and Mrs. Pauline Browning; four grandsons and one granddaughter. He is a member of the First Baptist Church and the

American Radio Relay Leagues. He retired in 1949 as a member of the Slaton Volunteer Fire Department after 20 years service. During part of that time he served as secretary-treasurer.

Marriott says the field is wide open for young people desiring to be ham operators. "Novice licenses can be secured after learning to receive and send the morse code at the rate of five words a minute; and you can buy a unit for as little as \$35." He pointed out there is no age barrier and both boys and girls are eligible.

MRS. DREYER, 96, SUCCUMBS; RITES MONDAY

Mrs. Karolina Dreyer, pioneer Slaton resident who celebrated her 96th birthday Jan. 10 with a desire to live to 100 years of age, died Saturday morning.

Requiem mass was read at 9 a. m. Monday at St. Joseph's Catholic Church with Msgr. T. D. O'Brien officiating. Earlier, a rosary was said for Mrs. Dreyer at 7:30 p. m. Sunday in the Williams Funeral Home Chapel.

Burial was in the Englewood Cemetery under direction of the Williams Funeral Home.

Mrs. Dreyer, who was born in Austria, came to the United States when she was nine years old. She moved to the Wilson-Slaton area in 1912. She had lived in Slaton for 30 years.

She suffered a stroke three years ago and was partially paralyzed, but remained in good spirits. Television was one of her favorite pastimes.

For her 96th birthday Mrs. Dreyer had a cake and flowers were sent by well-wishers. A host of friends and relatives attended the birthday celebration.

Her husband preceded her in death in 1942.

Mrs. Dreyer is survived by six daughters, Mrs. Antone Ahrens, Mrs. R. J. Maeker, Mrs. Will Brecker and Mrs. W. F. Klos, all of Wilson; Mrs. J. H. Sanders, Slaton; two sons, Robert H. Dreyer, Shiner; R. R. Dreyer, Wilson; 25 grandchildren and 40 great grandchildren.

Another New Candidate Announces As Filing Deadline Passes Here

Deadline for filing passed Saturday midnight with one new candidate during the past week for the Slaton City Election, which will be held Tuesday, April 5, City Secretary J. J. Maxey announced Monday.

Homer Smith, employed by Santa Fe Railway the past 12 years and operator of Slaton Wrecking Co., filed as a candidate for commissioner of Ward 1.

Earlier, Wayne Liles and Bill Sledge had filed for the same office. Ed H. Haddock, the incumbent, did not file for re-election.

Smith is new to politics, but said "I am against any higher city taxes. I think we should wisely spend the present revenue and not assess new taxes."

A resident of Slaton for 21 years, he and his wife live at 1235

S. 12th St. The Smiths have two children: Elza, a highway patrol department radio dispatcher at Lubbock; and a daughter, Mrs. Loyce Degan of Slaton. Her husband is associated with Smith in operating the wrecking company.

Smith is a member of the Church of Christ and charter member of TA of M Machinists' Lodge of Slaton.

In the mayor's race, O. N. Alcorn, the incumbent, is opposed by L. B. Wootton.

B. H. Bollinger, incumbent, was the only candidate that failed to draw an opponent. He filed for re-election as commissioner of Ward 3.

A "write-in" campaign is always a possibility in any election.

Absentee voting will begin on Tuesday, March 15, at the City Secretary's office in the City Hall. This type of voting will close three days prior to the election.

Guests in the J. B. Clack home Monday and Tuesday were Mrs. Clack's mother, Mrs. Tom Grissom, of Sherman and her sister, Mrs. Guy Pyron, and Mr. Pyron of Abilene.

MEASURE OF A MAN

Heroism is something most people find hard to come by these days. Suffering for a principle, sacrificing for an ideal, or being of surpassing courage seem luxuries ill afforded in today's economy of expediency and opportunism.

There are tedious and terrible decisions to be made daily in the complex do-it-quicker formula of modern living. Man finds himself pacing against time and specialization. Within a kaleidoscope of change, he watches tomorrow's ideas made obsolete by yesterday afternoon. In the evidence of scientific and technological advancement he feels his dependency upon his normal intelligence slip dangerously.

Somewhere in the midst of industrialization, high economy, politics, science, Asia, Russia, Formosa, education, roads, and states rights the average man is a weary bundle of too much flesh and tired bones. He cannot control the forces around him and expends his energy pushing the tide of pressure away.

All of this is dehumanizing. It is an accidental design that seems sometimes deliberately contrived to waste and wear a man to living automatically, encouraging him to budget his effort and responsibility to a minimum for survival. And yet no man, whether he calls himself average or unique, can be content simply to scramble fearfully for the shreds of life.

The measure of heroism today is the degree to which a man successfully resists domination—the degree to which he can control himself, can live in this life, this time, this world with the conviction of his personal worth. No man can be all things, can know all things, can spread himself to encompass the endless iotas of living. He can only live to fill his full measure—the measure he takes of himself.

WILL SAND STORMS COME?

It is a standard joke that you can see a lot of Texas if you just stand in one spot and watch the land go by.

This has been particularly true the past two years. Many an East and South Texas housewife hurriedly removed her wash from the line to save it from a coating of West Texas dust last Spring. On occasion, even the red and white soils of Kansas and Nebraska cast a pall over the Texas sun.

Yet, the re-occurring dust storms are nothing to joke about. They are physical proof of the tragic destruction and loss of precious soil.

What are the prospects for 1955? A recent study by the Department of Agriculture indicates that wind erosion conditions still exist in West Texas and other midwestern states. Drouth has held sway over this region for four years or more. Last spring the most widespread and severe soil blowing since 1938 was experienced. As a general rule, conditions have not much improved since last year. In some places moisture and crop conditions have deteriorated still further.

This doesn't mean that dust storms and wind erosion will be worse when the usual high winds of March and April come. It depends on the force and persistence of the spring winds—and on the amount of rain that may yet fall. Fortunately, some rain has been received in parts of West Texas and the South Plains, but more is needed.

More than 4 million acres of land in the seven-state area were damaged by wind erosion this winter. If above-normal winds come to the region this spring as they did last year, farmers probably will have a serious dust problem.

If the sand comes, it will again point up the need for adequate conservation practices. The government in the past has provided cooperative funds to encourage permanent improvements that will protect the soil in "blowing" areas. Protected land is the only sure solution to the annual problems. —Ft. Stockton Pioneer.

DESERVES SUPPORT

A bill has been introduced by Rep. Eligio de la Garza of Mission in the Texas House of Representatives prohibiting forced disclosure of the source of information obtained by representatives of newspapers and press associations; repealing conflicting laws; and declaring an emergency.

The Slatonite believes this is a worthy bill and deserving of the support of lawmakers and private citizens.

One of the principal arguments in favor of the bill is the fact that people are hesitant to give vital information to a reporter in cases where they realize they may possibly be called into court as a result. Authority to protect news sources, therefore, makes it possible for newsmen to do a more accurate and more thorough job of reporting the news to newspaper readers.

Just about the time we begin to feel smug because we are remembering to date things 1954 instead of 1953 we take another look at the calendar and discover it is 1955.

A CROSS MARKS THE PLACE

The ever ready advice of the worldly is, "When in Rome, do as Rome does." The crowd usually admonishes, "You must not be different." The devil's boys would have you believe that it is fine to pioneer in deviltry, the risqué and the brazenly vile. They would have you think that such proves you to be a "real egg," a husky, and a leader. Never pioneer in goodness; it is sissy, the devil would have you believe.

And all the while, those who name the Name of Christ; those who have been redeemed at the cost of His death, ought to be Christian; truly Christian; we should be like Him in thought; we should be like Him in Spirit; we should be like Him in daily life. "Let this mind be in you which was also in Christ Jesus." Phil. 2:5. "Now if any man have not the Spirit of Christ, he is none of His." Rom. 8:9.

We are to be Christian in our living, in our decisions, in our example, regardless of how un-Christian others may be. "Wherefore, come out from among them and be ye separate, saith the Lord." II Cor. 6:17.

HOTTEST BUICK IN HISTORY

No wonder you see so many 1955 Buicks on the highways—they're rolling up bigger sales than ever before in history—tapping the popularity that has already made Buick one of the "Big Three" in total sales.

Did you think you couldn't afford the price of a new 1955 Buick?

You certainly can—if you can afford any new car. And we'll proudly show our price tag to prove it.

For the delivered price of the Buick SPECIAL Sedan shown here is sharply competitive with those of the three best-known smaller cars—lower, in fact, than some models of those same cars.

Buick Sales Are Soaring

That's one big reason why Buick production and Buick sales are hitting all-time record highs today—and why Buick is outselling all other cars in America except two of the best-known smaller cars.

But an even bigger reason is this fact:

The price you pay for a Buick buys you a lot more automobile than the same money buys elsewhere.

It buys you big-car room and size and comfort and brawn. It buys you Buick styling,

Buick power, Buick handling, Buick ride steadiness—and the fun and pride and satisfaction of bossing the hottest car of the year.

And it buys you the widest choice in the industry today. For there's a Buick to fit any price range you name—the low-price SPECIAL, the high-powered CENTURY, the extra-roomy SUPER, and the custom-built ROADMASTER.

So why not come in and see how easy it is to swing the Buick beauty you've got your heart set on? Then you'll see why the thrill of the year is Buick in a lot more ways than one. year is Buick in a lot more ways than one.

DID YOU KNOW—

- that the Buick SPECIAL is priced below any other car of 188 horsepower and 122-inch wheelbase?
- that the Buick SPECIAL is priced below some models of the three best-known smaller cars?
- that the Buick SPECIAL gives you more pounds of automobile than any other car at its low price?

Thrill of the year is Buick

SLATON, COOPER FFA BOYS ENTER SOUTH PLAINS SHOW

LUBBOCK—A large group of boys from the Slaton and Cooper FFA Chapters are among the several hundred FFA and 4-H lads to enter stock in the 1955 South Plains Junior Fat Stock Show which will be held at the Fair grounds here March 14-16, General Superintendent Dave Sherrill has announced.

Among the early entry blanks were those for seven calves, 11 lambs and 30 barrows from the two chapters. An estimated 1,100 animals have been entered from counties throughout West Texas and eastern New Mexico.

Truett Babb, Slaton teacher, has submitted entry blanks for Rodney Kitten, who will show a calf; and for Quinton Strube, Leroy Kitten, Jerry Jones and Billy Vaughn, who will show barrows.

The Cooper FFA Chapter will have lambs shown by Don Veretto, Jimmy Angerer, Jack Stanford and Kenneth Carter. Calves will be exhibited by Don Bell, J. D. Moss, Leon Linecum and Bobby Thomas, according to Charles R. Hutchins,

teacher. The barrows from the chapter will be shown by Tom Angerer, Jimmy Angerer, Charles Berry, Don Bell, Eugene Heinrich, Frank Kitten, Robert Johnson, James McDonald, Bobby Merrill, Lawrence Minssen, Bobby Thomas, Eugene Bednarz, Donald Crooks and Keith Richardson.

The show is sponsored annually by the Panhandle South Plains Fair Association, Lubbock Chamber of Commerce and Board of City Development.

Animals for this year's show will be checked in beginning Saturday, March 12, and continuing until noon Sunday, March 13. Judging will be held Monday and Tuesday and the climax of the show will be Wednesday when the annual auction sale is staged.

Boys will receive awards and premium checks at the barbecue Tuesday night at the Texas Tech pavilion.

ONE of the most embarrassing things in the world is to look into a keyhole and see another eye.

WHAT won't they think of next? Bland Tomlinson at Home Furniture Co. has in stock an electronic reading lamp. Just touch any part of the lamp with your hand and the light comes on. Touch the lamp again, and the light goes off. Seems like an ideal arrangement to overcome difficulties of fumbling around in the dark trying to turn a light on. A tube inserted in the base of the lamp keeps the electronic system working. Fred Schmidt at Slaton Hardware has electronic equipment that allows you to see yourself on a TV screen as you walk in the door.

THE POWER of a smile: He Smiled—and his home was a place of happiness.

He Smiled—and his co-workers in business worked better.

He Smiled—and his customers spoke well of him; his business increased by leaps and bounds.

He Smiled—and followed the smile with a brotherly handclasp; and those who were discouraged and downcast went out and took a new grip on life and their work.

He Smiled—and while the years rolled on, he grew younger—because he smiled.

OBJECTIVE is nearing completion of the Buffalo Lakes project to have a well-planned and well-developed recreational, fishing, boating, skiing, and swimming area. Much work and money has been spent in order to bring about the construction of a lake which would be three miles in length when finally completed, and which would have a recreational area of first class caliber. Blueprints are now being drawn for roadways, concessions, boat houses, boat docks, rest rooms, drinking water supply, sewerage facilities, and fishing docks. Land and dam costs must be thoroughly determined and appraised, as well as cost of improvements.

'Tax Favoritism' Is Topic At Rotary Meeting

A very interesting film was shown at the Slaton Rotary Club meeting Thursday noon entitled "Mr. Average Citizen." This brought out very forcefully that co-ops and some other businesses existed with practically no federal tax while other businesses in competition with them bore the tax burden for them.

It also emphasized that the only way to correct this unjust competition was for the average citizen to write to his representatives in Washington. The correction of this situation would bring into the treasury one and one-half billion dollars. It emphasized that "Every taxpayer must pay more in federal income taxes to make up for what the tax-exempts do not pay." According to their figures each family would be allowed \$240.00 exemption each year to make up for this amount.

The program was brought to the club by the Western Cotton Oil Co. of Lubbock. Jack Adair and Roy Mack, officials of the company, were introduced by Bruce Pember.

Visitors were G. C. McCrary, Post; E. R. Moreland, Post; Marvin Hudman, Post; Gene Seely, Ralls; Lawrence Evans, Lubbock; and Bobby Tefertiller, the Junior Rotarian of Slaton.

The election of the president for next year was conducted by Pres. J. J. Maxey. Sherrill Boyd was the unanimous choice. The other officers are to be elected next week. Rotary's fiscal year begins July 1.

Mrs. Joe Tate left today to go to Dallas to visit with the Clifford Youngs.

Mr. and Mrs. B. F. Jones of Abilene spent the week end visiting Mrs. Jones' sister, Mrs. Frank Lawrence, and Mr. Lawrence.

E. G. Bradley and his mother, Mrs. J. I. Bradley, of San Antonio spent the week end with Mr. and Mrs. Joe Teague Jr.

Sue Layne was home from college in Abilene last week with the flu.

Mr. and Mrs. Oscar Heinrich of Posey visited Sunday night with Mr. and Mrs. Joe Loke.

C. M. Epps of Sonora is visiting his daughters, Mrs. M. M. Schlueter and Mrs. Jim Vickers, and their husbands.

Mrs. T. V. Walker, Sandy and Mike of Lubbock visited Thursday with Mr. and Mrs. Gordon Davis.

Mrs. K. W. Campbell returned Friday from a three weeks visit with her mother, Mrs. Sue Creamer, in Beaumont.

Special Items Deductible On Tax Returns By Salesmen; Others

(Editor's Note: This is the sixth of a series of articles to be published in The Slatonite, which, when used with the instructions forwarded with your blank income tax form, will assist you in filing your 1954 income tax return.)

Salesmen and other employees often incur expenses in connection with their occupation, such as travel expenses away from home, transportation expenses locally, entertainment, telephone, stationery, and others. Several income tax questions arise with respect to these expenses—principally, are they deductible and, if so, where on the return are they to be deducted?

Business Expenses

In order to be deductible, the expenses must be in connection with the trade or business of the employee. In short, they must be business expenses. Any travel between a residence and a place of work is personal expense and, therefore, not deductible.

Once the expense has been determined to constitute a business expense and, therefore, an allowable deduction under the Code, then it must be determined whether the item is deductible in arriving at adjusted gross income, or in computing taxable income.

The deductions for adjusted gross income available to employees in connection with their employment include:

Reimbursed expenses other than for travel and transportation: If your employer pays you an "expense account" or otherwise reimburses you for money spent for him in connection with your employment (other than "travel and transportation"), you should add these payments to your wages, and then subtract your actual allowable expenses of this type but not more than the reimbursement. Attach a detailed statement in explanation. Any allowable expense in excess of the reimbursed amount may be deducted as miscellaneous expenses on Page 3 of your return, if you itemize your deductions.

Travel Expenses

Out-of-town travel expenses: The law provides special deductions for the expenses of travel while away from home in connection with your employer's business. Traveling "away from home" means going away from the city or town where you normally work and remaining away at least overnight. "Travel expenses" means the cost of transportation fares, meals, and lodging, and includes porters' tips, hire of public stenographers, baggage charges, and similar expenses necessary to travel. Travel expenses do not include any entertainment expenses or any personal expenses such as laundry. Any amount paid to you to cover these expenses must be included in

your wages. You can deduct your actual "travel expenses" from your wages before writing the balance of your wages in Item 2, Page 1.

Transportation Expenses

Other transportation expenses: Even though you do not travel away from home, as explained above, you may deduct from your wages or other compensation before entering the balance on Page 1, transportation expenses paid in connection with the performance of services for your employer. Transportation expenses include payments for actual travel or, if you use your own car, the business portion of the cost of operation, including fuel, repairs, and depreciation. Any reimbursement of these expenses must be included in your income.

Going to and from work: The law regards the cost of transportation between your residence and your principal place of employment as personal expense and does not allow you to deduct such cost, no matter how far you live from work, or how expensive the transportation may be.

Expenses of outside salesmen: The new law allows "outside salesmen" to deduct all their ordinary and necessary business expenses from their compensation before entering the balance in Item 2, Page 1 of the return. This applies only to salesmen who are engaged full-time in soliciting business for their employers away from their employer's place of business. The term does not include one whose principal activities consist of service and delivery such as a milk-driver salesman.

Other Expenses

Other expenses of employee: The expenses set forth above are the only ones which may be deducted from salaries and wages on Page 1 of Form 1040 by employees. If you file a Short-Form 1040, or if you take the standard deduction on a Long-Form 1040, you automatically receive an allowance for a deduction which takes the place of all other employment expenses and non-business deductions. On the other hand, if you itemize your deductions on a Long-Form 1040, you can deduct the cost of tools, materials, dues to unions, and professional societies, entertaining customers, and other expenses which are ordinary and necessary in connection with your employment. These items may be itemized and deducted on Page 3 under the heading "Miscellaneous."

Highlights and Sidelights FROM Your State CAPITOL

By Vern Sanford
Texas Press Association

AUSTIN, Tex.—Insurance bills have lagged. Water conservation measures are embroiled in dispute. And virtually no start has been made on a taxing program in the legislature.

As a result, lawmakers are eyeing a possible special session.

Theoretical date for such a session is May 11. On that date the legislators' pay for the regular session stops.

It has been suggested that Governor Shivers may have foreseen a bog-down in the regular session, and therefore has not pushed his administration program. During a special session, he would have full control of subject matter which may be introduced.

Tax Bill

Rep. Jerry Sadler of Percilla introduced the biggest tax bill of all. Promising a lot of controversy, the bill would levy a one-cent per gallon processing tax on all gasoline and distillates produced in Texas. It would: Raise an estimated \$160,000,000 a year, repeal the present four-cent gas sales tax, and head off the administration's two-cent gasoline tax increase.

Sadler said its effect would be to reduce the price of gasoline to Texans three cents a gallon. Sixty per cent of the gasoline is exported, tax-free, he said.

Meantime, Rep. Charles Murphy explained he hadn't yet asked for committee hearing on the administration's two-cent gas tax bill, wanting sentiment to jell.

Some Fared Better

Passed by the House were bills outlawing sale of lewd and depraved comic books; permitting women to serve on juries; and regulating leasing for uranium and hard metals.

Amendments to the women's jury service bill narrowed considerably, the list of those who may be called to serve.

Furiously debated, the uranium bill was attacked as a "give away." Rep. Walling of Wichita Falls added two amendments. One will limit each lease to 80 acres to prevent one minor development from freezing exploration on large tracts. Another limits the primary term of leases to five years.

Interest was heightened by reports of a real uranium ore strike in Karnes County.

Rep. Maury Maverick's bill to prohibit cross filing of candidates by two political parties won a favorable report to the House.

Also favorably reported was Rep. Tom Joseph's bill to bring trust companies under supervision of the State Banking Department.

Not Faring So Well

Stymied in a House committee was a bill to increase the filing fee of candidates for the Legislature to \$300.

Killed by a Senate committee was Sen. Crawford C. Martin's omnibus water conservation bill. It embraced nine subjects carried in the series of administration bills offered by Chairman D. B. Harde-man of the water resources committee.

Martin warned that unless the Senate reconsidered and kept his bill alive, all others would be subject to being knocked out on a constitutional point of order.

Grand Juries Tax Over

Meanwhile, three Grand Juries have stepped in on the veterans' land investigations.

Bexar County's grand jury was quickest on the draw, with two felony indictments. Then the DeWitt County grand jury at Cuero fired a double-barrel broadside of 195 indictments against six persons. DeWitt County Attorney Wiley Cheatham started the whole land inquiry.

Travis County grand jury, with venue in every veterans' land transaction, had piles of ammunition and District Attorney Les Proctor had his thumb on the hammer.

Grand Juries in 10 other counties have had some contact with the question.

Work by the Senate investigating committee had dribbled down to a schedule of sessions only every other Thursday.

In intensive hearings each week end, the House committee approached the question of administration and operations in the Land Office and Veterans Land Board.

Attorney General Shepperd predicted there will be "hundreds of indictments," and indicated more civil suits were in prospect.

Education

UT President Logan Wilson told the legislative finance and appropriations committee the university must have more money, or face the problem of halting its growth or lowering standards.

Requested, for two years for its main establishment, was \$9,700,000. The governor's budget recommendation cut this by \$2,400,000.

University and college students

were to gather in protest of a bill by Senator Otis Lock. Hearing was set for March 2. The bill would authorize a compulsory \$20 per semester student activities fee.

Fair and Calmer

Austin's weather bureau has been in a tizzy answering the many telephone calls from weather-wary Austinites. To calm the atmosphere in the tower at Municipal Airport, a mechanical telephone answering device has been installed.

Callers now are told, "Your call is being answered automatically because the forecaster is busy." A complete weather report follows.

New Highway Maps

Issued by the Highway Department are 500,000 state highway maps for 1955, with a new and simpler fold.

D. C. Greer, State Highway Engineer, pointed out that the old wheeze about needing another map as a guide for refolding an opened travel map, is no longer true.

Auto license purchasers can obtain a special card for use in requesting a copy of the new map.

Southland Seniors Will Present Play

The Southland senior class will present "The Atomic Blonde," a three-act comedy by Jay Tobias, in the Southland High School auditorium at 7:30 o'clock tonight.

Participating in the play are: Jack Haliburton, Jerry Pennell, Gerald Dabbs, Eva Lou Williams, Kay Anderson, Junior Becker, Arla Mae Neugebauer, Joyce Edwards, Karen Pennell, Glenn Edmunds, Ned Myers, Harley Johnston, Hazel Lancaster and Sue Lancaster.

The play, which is directed by Miss Jo Ann Stowe, contains comedy, romance and excitement. Jimmy Haliburton is stage manager and general handyman.

Admission for the one night performance will be 50 cents for adults and 25 cents for students.

Youth of Area To Attend Second Sunday Singing

The Second Sunday Singing will be held March 13 at the Church of God on Texas Avenue. The time has been set for 2 to 4 p.m.

A special invitation has been extended to the youth of this area to attend, according to Mrs. R. A. Thompson. Plans will be made to increase the attendance at future meetings.

Jerry Wayne Goebel of Lubbock spent the week end with his grandparents, Mr. and Mrs. E. E. Culver.

Mr. and Mrs. T. R. Joines spent Sunday in Lubbock visiting Mrs. Joines' parents, Mr. and Mrs. C. E. Reynolds, Jan and Gail.

QUEEN'S TREAT FOR IKE—Marjorie Campbell, the nation's Cherry Pie Queen, delivers a delectable sample of her delightful art to the White House, where it is received on behalf of President Eisenhower by Homer Gruenther, administrative assistant. The 17-year-old Red Hook, N. Y., high school senior won the 23rd annual National Cherry Pie baking contest in competition at Chicago, Ill.

Mr. and Mrs. Gordon Davis and children spent Sunday in Littlefield visiting their parents, Mr. and Mrs. Roy Hutson and Mr. and Mrs. V. C. Davis.

Speech Play To Be Given Tuesday Night

Hilarious is the word to describe the annual speech play, "Spilling the Beans" which will be presented next Tuesday night in the Slaton High School auditorium at 8 p.m. Admission will be 25 cents for students and 50 cents for adults.

The cast includes Thelma Thurston (Violetta Polk) a socially prominent widow who is rattle brained and absent minded; Leora Thurston (Wanda Pruitt) who is the very attractive daughter of Thelma; Marvin Crandall (Tommy Shearer) handsome athletic boy who wants to marry Leora; Helen Snelling (Betty Olive) who is shy, and pretty and who is a close friend of Leora Thurston; Boy Earl (Roy Wells) a handsome young lawyer who falls in love with Leora and who is very popular with Thelma.

Delia Slocum (Natrell Limmer) who is the dumb, but good-hearted colored maid of the Thurston's; Brenda Hopewell (Gwendia Merck) pessimistic spinster, who is head of the Lonely Souls Club; Opal Dusenbury (Billie Nell Farmer) a born busybody who is always spilling the beans and who is not the smartest woman in the world.

Others in the cast are Celeste (Charlotte Muse) wife of Graham Winston; Graham Winston (Eugene Hopkins) a gentleman of high position; and Anson Morgan (Bert Diaz) who applies for the job of butler.

The play centers about Leora (Miss Pruitt) and Marvin (Shearer) who wants to get married; but Thelma (Miss Polk) does not like Marvin and wants her daughter to marry a man of high position. When Boy Earl (Wells) shows up and introduces himself to Thelma, she mistakes him for the Earl of Berkley (Hopkins) who is visiting in the city, and she is sure that Boy has fallen in love with Leora. But Boy falls in love with Helen and when Boy and Marvin meet, there is plenty of trouble and hilarious excitement.

Nelda Lemon is assistant producer and Norma Corley is the make-up artist of the play. Other members of the class, who are Pat Wells, Sonja Sooter, Jeanette Burrell, Mary Ann Klattenhoff, Dale Kincer, Sue Bowles, Mae Wyatt, and Quinton Strube, will provide entertainment between acts. — The Tiger's Cage.

Mr. and Mrs. Hugo Mosser and children and Mrs. Louis Mosser spent Saturday and Sunday with Mrs. Mosser's daughter, Mrs. Joe Shelton, Mr. Shelton, and Michael in Carlisle, N. M.

FIVE LUBBOCK COUNTY GIRLS ENTER PRINCESS CONTEST

LUBBOCK — Five attractive young ladies from Lubbock County have been entered in the Princess Contest which will be held in conjunction with the South Plains Junior Fat Stock Show which will be held in Lubbock March 14-16.

Viola Walton, 16, daughter of Mr. and Mrs. Charlie Walton, Box 96, Slaton, has been entered in the contest by the Slaton 4-H Club. The attractive young high school junior has blonde hair and blue eyes. Wayne McCain is club president.

Ondia Green, 17, daughter of F. V. Green, Rt. 4, Lubbock, is the contestant of the Cooper FFA Chapter, Don Bell, president. The Cooper High School senior has brown hair and brown eyes.

From the Roosevelt FFA Chapter comes Sylvia Railsback, 17, daughter of Mr. and Mrs. George Railsback, Rt. 2, Slaton. She is a high school junior and has blonde hair and blue eyes. President of the chapter is Gene A. Thomas.

Suzanne Ratisseau, 15, daughter of Mr. and Mrs. Kyle Ratisseau, Lubbock, is the entry of the Lubbock FFA Chapter. A high school sophomore, she has blonde hair and blue eyes. Roy Webb is the chapter president.

Donna White, 16, daughter of Mr. and Mrs. W. C. Beckham, Lubbock, is the contestant representing the New Deal FFA Chapter. She is a junior at high school and has brown hair and brown eyes. Chapter president Eugene Vanstony.

Third Year
This is the third year such a contest has been conducted by the show.

Two Princesses, one representing area FFA chapters and one representing the 4-H Clubs will be selected at a judging program Saturday morning, March 12, in the Lubbock Chamber of Commerce Building. The two lucky young ladies will be selected on the basis of beauty and appearance alone. Presidents of FFA chapters and 4-H clubs will be selected at random to serve as judges.

The two Princesses will then be outfitted in Western clothes and

will serve as official hostesses during the three day stock show. Throughout the program they will present ribbons and awards to the boys exhibiting prize-winning livestock.

Entry Deadline
Each FFA chapter and 4-H club which has a boy entering livestock in the show is eligible to have a Princess contestant. Deadline for entries was Wednesday, March 9. All of the girls must be at least 14 years old.

Among the early entries in the two classifications were the following girls:

4-H Princess—Betty Byars, Spade 4-H club; Doris Ann Fields, Muleshoe 4-H club; Ophelia Fewell, Crosbyton 4-H club; Viola Walton, Slaton 4-H club; Mary Darden, Lorenzo 4-H club; and Sammie Pittman, Gaines Co. 4-H club.

FFA Princess—Sylvia Railsback, Roosevelt FFA; Lois Ann Collins, Three Way FFA; Ann Adams, Spade FFA; Jane Simpson, Spur FFA; Jo Ann Parrack, Littlefield FFA; Rita Payne, Ralls FFA; Suzanne Ratisseau, Lubbock FFA; Onedia Green, Cooper FFA; Sue Attenbury, Lamesa FFA; Janet McPherson, Hank Smith Chapter, Crosbyton; Maudie Harrah, Abertown FFA; Mickie Fox, Lorenzo FFA; Joyce Verkamp, Wilson FFA; and Donna White, New Deal FFA.

Mr. C. M. McPherson spent from Thursday until Sunday in Austin attending a District WMF Board meeting of the Lutheran Church. While she was there, she visited Mrs. H. L. Menn. She also visited her sister, Mrs. L. D. Braun, in McGregor.

WTCC TO MEET MARCH 27-29 AT LUBBOCK

LUBBOCK — The West Texas Chamber of Commerce will meet here March 27-29 in its 37th annual convention, John A. Couch of Haskell, president of the regional chamber, has announced.

Registration begins on March 27.

A "West Texas Congressional Forum" will be the big event on the morning of March 28, Couch said.

Nine U. S. Congressmen whose districts include territory within the sprawling 132-county territory of the WTCC, and the Texas Congressman-at-Large, Martin Dies of Lufkin, have been invited to participate in the forum.

The general public is welcome to participate along with members of the West Texas Chamber in directing questions to this panel of Congressmen, Couch said. The forum will be presented from 9 a.m. to 12 noon in the Lindsey Theater here.

West Texas Congressmen who have been asked to appear include George Mahon of Colorado City, Frank Ikard of Wichita Falls, Walter Rogers of Pampa, J. T. Rutherford of Odessa, Clark Fisher of San Angelo, Omar Burleson of Anson, W. R. Poage of Waco, Jim Wright of Weatherford, and Olin Teague of College Station.

Committees of the regional chamber will meet during the afternoon following the forum to review activity reports of the year and to make recommendations for work during the next year.

New officers elected to serve for the next 12 months will be announced during a general business session on the morning of March 29.

Homer Grant, a Lubbock director of the convention arrangements committee.

Paris Industry Opening Planned

PARIS, Tex.—Paris' Hollywood-Maxwell Company plant, makers of Vette Whirlpool bras, is scheduled to open March 7, according to Richard Berg, district manager.

The new plant was slated to open originally last Oct. 1, but a change in the Christian Dior styles caused a delay in the opening of the Paris factory.

Opening of the Paris plant will make the fifth company firm in operation in Texas. There are three in Eastland and one in Athens.

POST MODERNAIRES GIVE SHS ASSEMBLY PROGRAM

SHS was entertained by the Post Modernaires in assembly Wednesday, Feb. 23. They featured popular swing music, a comedy vocal by Betty Sue Hunt and Glenda Askins, and Loretta and Loletta Perrin, identical twins, did a quick change act. — The Tiger's Cage.

Slaton Rangers Will Participate In Posse Meeting

The Slaton Rangers will attend the annual convention of the West Texas Association of Sheriff Posse and Riding Clubs which will be staged in Lubbock on Friday and Saturday, March 18-19. Pres. John Fondy announced today.

More than 600 riding enthusiasts from throughout West Texas and eastern New Mexico are expected to attend.

An outstanding program, which will be instructive as well as entertaining, has been planned for the two-day meeting, Fondy said. The group will convene at both the Lubbock and Caprock Hotels.

Mr. and Mrs. Cliff Epps and Cliff Jr. of Levelland visited on Sunday with Mr. Epps' sister, Mrs. Jim Vickers, and Mr. Vickers, and with Bill Knott and Bob Muse.

Business Firms Are Cautioned On Penalties

L. B. Barkley of the Lubbock Internal Revenue Office stated today that the Internal Revenue Service has cautioned North Texas businesses about a new penalty provision of the Internal Revenue Code of 1954.

The 1954 Code provides a penalty on business taxpayers who fail to comply with the depositary receipt system unless reasonable cause can be established. This penalty is 1 per cent of the amount of the underpayment of the deposit for each month or part of a month during which the underpayment continues.

Barkley reported, however, that the penalty does not exceed 6 per cent in the aggregate. The penalty also will not be imposed for any period after the date prescribed for filing the return (without regard to any extension of time) or the date the tax is paid, whichever is earlier.

Barkley said that under the new instructions taxpayers subject to filing returns on Forms 941 or 720 or both whose reportable taxes in either category total more than \$100 for any month except the third month of a quarter are required to make deposits. These deposits must be made on or before the fifteenth day of the succeeding month for taxes reported on Form 941. Deposits must be made on or before the last day of the succeeding month for taxes reported on Form 720. In every case the taxpayers must secure validated depositary receipts for submission with the quarterly return.

Depositary receipts can be obtained from any Federal Reserve Bank or from a local bank authorized as a government depositary. Barkley stated that Internal Revenue Service personnel at the Lubbock Office are available to answer taxpayers' questions concerning depositary receipt requirements and penalty.

No gasoline-no, not a single one-has higher octane than New 1955 GULF NO-NOX

but octane alone is not enough...

That's why new Super-Refined Gulf NO-NOX is specially made to burn clean—to protect your engine—to give you thousands of extra miles of full engine power.

Fill up with new Super-Refined Gulf NO-NOX and feel the difference in lasting power. You'll get:

- More complete engine protection than with so-called "miracle-additive" gasolines.
- Extra gas mileage in the short-trip, stop-and-go driving motorists do most.
- Stall-proof smoothness . . . instant starts . . . fast, fuel-saving warm-up.
- No knock, no pre-ignition—even in today's high-compression engines.

This lamp test shows what a difference Gulf super-refining makes. Gulf refines out the "dirty-burning tail-end" of gasoline—at the refinery—to bring you new, clean-burning Gulf NO-NOX. Just see how clean new NO-NOX burns.

This is GULF'S PLEDGE to the motoring public

- We at Gulf make this promise to America's motorists. We will not permit a single competitor—no, not a single one—to offer a gasoline superior to our own superb No-Nox.
- It is our sincere belief that No-Nox is the finest gasoline on the market today, and no matter what others do or say we will keep it the finest—in power, in performance, in engine protection.
- This is not a boast, not a claim. It is a pledge to you, the motoring public—a pledge backed by the resources—and the integrity—of the Gulf Oil Corporation.

Compare clean piston "A" from engine using new NO-NOX with piston "B" from engine using the "dirty-burning tail-end" of gasoline that Gulf refines out. Both pistons shown here, from Gulf test engines, ran the same number of hours under the same conditions.

It's super-refined... to burn clean!

New Deal, Frenship, Lubbock Boys Have Grand Champs in Stock Show

Grand champion honors were
taken by New Deal, Frenship and
Lubbock Future Farmer of Amer-
ica and 4-H club members in the
14th annual Lubbock County Stock
Show held Saturday at Tiger Sta-
dium in Slaton.

Top award in the sheep contest
was taken by Bobby Weiss, 17-
year-old New Deal FFA student.
He showed a Southdown lamb as
grand champion.

Mike Gross, 4-H club youth from
Lubbock, took top honor in the calf
contest with a Hereford calf.

In the swine contest, two grand
champions were named, one in the
gilt division and one in the barrow
division. John Powers, of the
Lubbock FFA Chapter, took the
grand champion gilt award with a
lightweight Duroc, and Sammy
McWhorter, a Frenship High
School FFA student, gained the
grand champion barrow award
with a Poland China.

More than 100 fans braved high
winds and icy cold to watch the
cold, which was judged by T. L.
Leach, professor of agriculture
education at Texas Tech.

Truett Babb, vocational agricul-
ture teacher at Slaton High School,
and James Shearer of Lubbock,
were co-general superintendents
of the show. Other members of the
Lubbock County Young Farmer's
Club served as show superintend-
ents.

Ribbon presentations were made
by Sue Corley and Martha Allred
of Slaton, who represented the
Slaton FFA Chapter.

Cash prizes of \$673 were distrib-
uted by J. M. Gilbert, principal
of Slaton High School. The show
was sponsored by Slaton and Lub-
bock businessmen, Slaton Chamber
of Commerce and Slaton FFA
chapter.

MORE PEOPLE BOUGHT FORD CARS IN 1954 than any other make!

Ford passenger-car sales to customers outnumbered
those of any other make by thousands*

AND IT'S EASY TO SEE WHY!

Ford is the leader in styling

Motorists know that Ford has set the style trend in the
industry for years. And now, with styling inspired by the
fabulous Thunderbird, Ford is farther out front than ever!

Ford is the leader in V-8 power

Ford was first in its field (by 23 years) to provide the ad-
vantages of V-8 power. Since that time, Ford has built over
14,000,000 V-8 engines—more than all other makers combined!
For 1955, Ford offers two new and mighty V-8's, as well as a
most modern Six—all with the split-second response of
Trigger-Torque power!

Ford is the leader in ride

Ford was first in its field to introduce Ball-Joint Front
Suspension—the greatest advance in chassis design in 20
years. And, for '55, it's even better. Springs are set at an
angle to smooth out even the tiniest bumps. It's the new
Ford Angle-Poised Ride.

Neiman, Hugo Maeker and family, and Mr. and Mrs. Alfred Krause all of Wilson and Mr. and Mrs. Calvin Klaus of Slaton and Mrs. Katie Neiman attended the birthday dinner of Werner Klaus Sunday. The dinner was given by his wife and children.

Mr. and Mrs. Adolph Neiman of Andrews visited in the home of Mrs. Katie Neiman Thursday.

Mrs. George Ehlers is visiting in the home of Mr. and Mrs. Albert Drager of Friona this week.

Mr. and Mrs. Bill Clary of San Angelo spent Saturday night and Sunday with his brother and family, Mr. and Mrs. Ira Clary.

Mr. and Mrs. E. R. Tunnell of Tahoka, Mrs. Bill Deavers of Slaton and Mr. and Mrs. Delwyn Tunnell and daughter of Lubbock visited in the home of Mrs. H. T. Fountain on Sunday.

Several of the Wilson FHA girls attended the Area Meeting Friday and Saturday. Friday some of the girls went to the Delegate's Meeting. Deana Ward was entered for an Area office and was elected Area song leader. The club is very proud of Deana. Saturday there were about 30 girls that went to the meeting. There were about four chapter mothers that attended the meeting also.

Friday the Baptist W.M.S. met for an all day meeting for the day of prayer, which is being observed by several of the different churches.

A representative from the Woodman of the World Camp at Slaton presented the Wilson School an American Flag today at a special assembly to begin the Public School Week.

Grandson Of Slaton Couple Fatally Shot

Charles Lloyd Massey, 15, of Tucson, Ariz., grandson of Mr. and Mrs. W. L. Housour of Slaton, was accidentally shot to death Feb. 27, while on a hunting trip.

Funeral services were held on March 3 in Bring's Funeral Home at Tucson. Burial was in Evergreen Cemetery.

Charles was shot to death while hunting javelina with four other boys in the Superstition Mountains.

A freshman at high school, he had lived in Tucson for 10 years, coming from his native Portales, N. M.

He was national vice president of Kids & Co. Blood Bank, having been named in July, 1951. Purpose of the group is to recruit adult blood donors for Korea servicemen. He and his chairmen had accounted for more than 14,000 pints of blood. He made several visits to Lubbock and worked with the Red Cross in recruiting donors in this area.

Charles was a member of the Civil Air Patrol Cadets for two years and had been one of the cadets chosen to go to England and Alaska this summer as representative of the Arizona Wing. His cadet squadron acted as pallbearers and he was given a full military funeral.

Survivors include his parents, Mr. and Mrs. Ted Massey and other relatives.

Guests in the J. R. Childress home Sunday were Mr. and Mrs. C. A. McNeese and boys of Brownfield and Mr. and Mrs. Norman Gentry and son of Posey.

Mr. and Mrs. L. N. Foster and Charlotte spent the week end in Hamlin visiting Mr. Foster's parents, Mr. and Mrs. J. H. Foster.

Diamond Hopefuls Begin Workouts

The Slaton Tiger Baseballers have started practice drills for the coming baseball season.

The Tigers have seven returning lettermen including Tommy Shear, first base and outfield; Roy Wells, second base; Bob Martin, pitcher; G. W. Wylie, third base and pitcher; Daniel Schuette, outfield and pitcher; Jerry Don Ross,

outfield; and Tracy Crawford, shortstop.

Other boys reporting for practice are Buddy Sexton, Lee Ham, Stiles Belcher, Jerald Draper, Raymond Wilkins, and Larry White. Other boys are expected to report as soon as track season is over.

Coach Homer Tompkins stated that he expected the Tigers to play a great many more games than last year. The only other teams in the same district with the Tigers are Abernathy and Floydada — The Tiger's Cage.

Ten Years Ago In Slaton Taken From March 8, 1945

Two Texas Kittens, who left their farm to join the Marine Corps are right back in the Lone Star State on duty as Post Exchange clerks at the Marine Corps Air Station at Eagle Mountain Lake. They are Marine Privates Alma and Audrey Elizabeth Kitten, daughters of Mr. and Mrs. Leo B. Kitten, Rt. 1, Slaton.

The members of the Bluebonnet Club enjoyed a covered dish luncheon at the Clubhouse last Wednesday honoring the outgoing officers. A gift was presented to Mrs. Joe Teague Jr., the retiring president.

Slaton Cagers Wind Up Season; Entire Starting Squad Graduates

Fighting Tigers of SHS wound up the 1955 season as co-champions of district 5-AA. This was the second year in a row the Bengals have won this honor. They finished the season with a record of 25 wins and five losses. Coach Homer Tompkins' crew was led by five senior boys, who will not be back next year.

The Tigers started off the season with five straight non-conference wins before they dropped their first game to Smyer by one point. The next game was the first game of the Abernathy Tourney and again the Bengals lost, this time to Tahoka.

After this loss the Tigers roared back to win 18 games in a row. These wins included consolation award at Abernathy and first place in the Crosbyton Tournament.

The boys entered district play by beating Spur, Tahoka, Abernathy, and Post. They defeated all of these teams again with the exception of Abernathy. This made the Tigers co-champs and threw them into a play-off series with the Antelopes.

Although the Bengals dropped the series to Abernathy, they still had a very successful season. They won five trophies (one was a "B" team trophy) and placed two boys on the honorable Mention All State team.

Lost to graduation will be Bob Martin, Tommy Shearer, Ronald Smith, Harold Trout, and G. W. Wylie. These boys made up the first team and will be missed next year. Also missing will be Tommy Woolever, Alex Franco, Hugh Van Pierce, and Dean Goad.

Lanny Swanner, William Enox, Amon Sparkman, Darwin Merck, Larry Murphy, Glenn Taylor, Able Arguello, Eugene Hopkins, Joe Diaz, Quinton Strube, and Charles Faulkner.

The track schedule runs as follows:

- March 12—Canyon Rief Relays, Snyder.
- March 19—Crosbyton Invitational Relays.
- March 25-26—West Texas Relays, Odessa.
- April 3—A-B-C Relays, Big Spring.
- April 10—Open.
- April 16—District Track Meet, Texas Tech, Lubbock. — The Tiger's Cage.

G. W. Wylie (Snuffy) played guard and was elected co-captain on the Bengal squad. He is 6 feet, 3 inches tall and averaged nine points per game.

Wells and Kyle were both too small to play very much, but their hustle and spirit were a help to the bigger boys lots of times.

Jerry Ross, Tracy Crawford, Larry White, Robert Heaton, and Dickie Thomas will all be back next year.—The Tiger's Cage.

Longview Gets Another Plant

LONGVIEW, Texas — Sonoco, largest manufacturer of paper cones and tubes in the world, will establish a plant in Longview to serve the southwestern market.

The new plant is scheduled to be built in Longview in the near future and movement of machinery to Longview will be started within the next 30 days. C. W. Coker, executive vice president, said.

All employees of the factory will be recruited from the Longview area with the exception of supervisory personnel.

Negotiations were completed on Tuesday at Hartsville, S. C. Sonoco officials were Bob Cargill, president of the Longview Chamber of Commerce; S. A. Parker, president of the Longview News Company, and Rex Jennings, manager of the chamber.

The Sonoco Company was founded in 1899. It now has six plants in the United States, two in Canada and one each in Mexico, England and Australia.

J. L. Henderson, who will be manager of the new Longview plant, said: "We picked Longview not only for its location and transportation but also because of its people. Our company has long considered its people its most important asset and from what we have seen of the people of Longview, they are the kind who will help build the kind of industry we are interested in building."

Products to be manufactured in the new Longview plant cover a large variety of types of spirally wound tubes used in the paper, textile and construction industries.

Are you a "Do-It-Yourself" Driver?

Or would you rather be waited on hand and foot?

Rather shift for yourself... or let Powerglide do it?

Shifting's smooth and easy with Chevrolet's new and finer Synchro-Mesh transmission. A flick of your wrist is all it takes to shift gears.

Powerglide, too, is better than ever this year. Even smoother and sturdier. It's the most popular automatic transmission* in Chevrolet's field!

Rather roll your own... or just push a button?

Chevrolet gives you separate crank controls both for windows and ventipanes. It's one of many extra conveniences in Chevrolet's Body by Fisher.

Your fingertip adjusts all four windows with automatic window and seat controls.* Are available on all Bel Air and "Two-Ten" models.

Position the seat yourself... or let electricity do it?

Chevrolet's big, beautifully upholstered front seat moves up and forward or down and back into your most comfortable driving position.

No worry about your battery in a new Chevrolet. It's the only car in its field with the reserve power of a 12-volt electrical system!

The Bel Air 4-Door Sedan. You'll find your favorite model among Chevrolet's complete line of Fisher Body beauties.

Apply the brakes like this... or have power make it easier?

Improved brakes and new swing-type pedals make stopping a cinch. And Chevrolet's exclusive Anti-Dive control gives you "heads up" stops!

Chevrolet Power Brakes* are better than ever this year—let you stop by a simple pivot of your foot from accelerator to swing type brake pedal.

Want standard steering... or extra-easy Power Steering?

Try this easy new Chevrolet steering. Only Chevrolet and some higher-priced cars use a ball bearing system to cut friction to a minimum.

There's nothing quite so easy as Power Steering, of course. Good news: Chevrolet's new linkage-type Power Steering* carries a reduced price!

Automatically—

Chevrolet's stealing the thunder from the high-priced cars!

What's a high-priced car got that Chevrolet hasn't? Not automatic power features. Not style—just look below. Not performance—just try out Chevrolet's new V8 or one of the new 6's. Not ride

—perhaps the thing that will surprise you most is Chevrolet's fine, solid feel on the road. Come put it to the test. See how Chevrolet's stealing the thunder from the high-priced cars in every way!

Lions To Give Hilarious Farce Friday, April 8

Plans for a "womanless wedding" to be presented by members of Slaton Lions Club on April 8 were announced at the Tuesday noon luncheon of the organization.

Bill Ball was named by Pres. Bill Smith as director for the "womanless wedding." Proceeds from the affair will go to worthy Lions activities.

Guest speaker was Jim Ed Ward, Plainview banker, District 27-1 governor. Ward announced the annual district convention will be held in Lubbock April 24, 25 and 26. He urged Slaton Lions to have 100 per cent attendance.

The speaker traced the growth and scope of Lions through the years, and particularly stressed District 27-1 and Texas Lions activities.

Guests included Mr. and Mrs. M. G. Davis.

Charles Dickson left Thursday to go to San Francisco, Calif. to visit his brother and sister-in-law, Mr. and Mrs. D. L. Dickson. He will stay about a week and on his return trip he will stop off in Albuquerque, N. M. to have the cast removed from his foot.

Sandra Long Has Birthday Dinner

Mr. and Mrs. Cecil Long honored their daughter, Sandra, on her birthday Sunday with a dinner.

Those attending were Sandra's cousin, Peggy Jean Carpenter, Willie Cox and Dean Jackson of New Deal, Carolyn Mathis and Bob Deretto of Cooper, and Mrs. Long's sister, Mrs. Tip Anderson, of Big Spring.

In a twilight ceremony Friday, March 4, Miss Jo Ann Havens, daughter of Mr. and Mrs. E. W. Havens, became the bride of Carl Ray Williams, son of Mrs. Carl Williams. The Rev. J. L. Mayhew, pastor of the First Methodist Church, read the double ring ceremony in the home of Mr. and Mrs. J. E. Rucker, uncle and aunt of the bride.

Miss Nancy Clifton, pianist, played traditional wedding music and accompanied Mrs. M. G. Davis as she sang "I Love You Truly." Candelighters were Bobby Sue Brasfield and Charles Dean Williams, niece and nephew of the bridegroom.

The mantle was banked with greenery and white gladioluses with a white satin kneeling bench placed in front of it. Candelabra of white tapers flanked either side of the bench. A yellow arrangement was on the piano.

Bride's Gown

The bride, given in marriage by her father, wore a white satin waltz-length gown designed with a tightly fitted bodice, small gathered sleeves, with small covered buttons down the front to the waist. Her veil of tulle was attached to a headpiece made of white satin trimmed in seed pearls. Her short white tulle gloves had small velvet bows at the wrist with rhinestones. She carried a bouquet of white roses atop a white pearl covered Bible. For something blue and borrowed she wore a garter belonging to Mrs. W. D. West. Something new were rhinestone ear clips, a gift of the bridegroom.

Mrs. B. W. Loggins, Lubbock, was her sister's matron of honor. She wore a pale blue, strapless ballerina-length dress designed of tulle over taffeta. The bouffant tulle overskirt was adorned with narrow tulle ruffles. She wore pink shoes and a bandeau of pink velvet with pink flowers. She carried a nosegay of pink carnations. J. T. Williams, Carlsbad, N. M., served his brother as best man. The prayer following the service was given by W. O. Rucker, Shallwater, uncle of the bride, who is studying for the ministry.

Reception Held

Following the ceremony a reception was held in the Rucker home. In the receiving line were Mesdames J. E. Rucker, E. W. Havens, O. W. Brasfield and W. O. Rucker. The table was laid with an ecru cloth with a centerpiece of daffodils and yellow snapdragons flanked by white candles.

Mrs. J. T. Williams, the bridegroom's sister-in-law, presided at the wedding cake. Mrs. B. D. Havens, Lubbock, the bride's sister-in-law, presided at the punch bowl and Mrs. W. D. West was at the bride's book.

The bride graduated from Slaton High School and is employed by Southwestern Bell Telephone Co. The bridegroom attended Slaton High School and West Texas College at Canyon. He was in the Army for two years and is at present employed by Forrest Lumber Co.

The couple will be at home at 2005 S. 11th St.

Mr. and Mrs. Fred Baxley of Lubbock spent Saturday night with Mrs. Baxley's mother, Mrs. Susie Boyle.

Mrs. Carl Ray Williams

OPERETTA GIVEN AT P-TA MEET

On Tuesday, March 8 at 7:30 p.m. the Elementary P-TA met for their regular monthly meeting in the high school library. Mrs. G. W. Privett, co-president, presided at the business session.

SEATED AT A DESK WITH pencil in hand is the position that the family of Miss Viola Walton, shown above, has seen her in most lately. She has been a very busy girl working on her notebook to qualify for a State Degree in FHA work.

VIOLA WALTON WINS FEBRUARY FHA 'GIRL OF MONTH' HONORS

Miss Viola Walton has been named the "FHA Girl of the Month" for the month of February with a total of 177 points. Viola, who is classified as a junior, is the daughter of Mr. and Mrs. Charles Walton.

She is second vice president of the local chapter of FHA, and is

on the ballot for a state office in FHA. She is also working on her FHA State Degree. She is secretary of the Slaton 4-H club. Viola was a member of the junior play cast this year and was runner-up for Miss SHS.

Viola says that she is very busy with her school work but that she enjoys doing leather craft work and sewing. She collects salt and pepper shakers as a hobby, too.

Part of Viola's points were earned by notebook work, qualifying for her State Degree. Her points were earned by writing "My Philosophy"; work on points notebook; writing "Personal Goals"; writing "Reasons"; writing "Personal History"; writing "Plans"; working on banquet decorations; donating food for banquet; working on State Degree.

Being "Girl of the Month" makes Viola eligible to compete for "Girl of the year" and a full page picture in the school annual.

Gardening Hints For The Week

Soil for feed flats should contain plenty of compost to make it light. Mix it in the following proportions: One-third sand, one-

third garden soil, and one-third humus.

Rhododendrons and boxwood should be protected during February and March by some sort of covering, such as evergreen boughs, to protect them from the strong sunlight.

Start Easter lilies before the end of this month in 55 degrees.

Warm the hotbed by leaving the sash on during sunny days, and at the end of the month, by tamping in two feet of manure in active fermentation. Seed of tomatoes

may be planted when the soil temperature drops to 90 degrees and seed of cooler plants, such as onions, egg plants and peppers, when it cools to 80 to 70.

Mr. and Mrs. J. W. Elrod of Big Spring visited Tuesday with Mr. and Mrs. John Berkley.

Mr. and Mrs. L. M. DeGarma of Cleburne spent the week end visiting Mrs. DeGarma's sister, Mrs. M. H. Lasater, and Mr. Lasater.

Slaton Women Give Their Favorite Tested Recipes

WITH A CHEERY SMILE—A cake and a cup of coffee, Mrs. L. T. Kincer greets her friends for a little visit and a chat. This is a common occurrence in the Kincer home.

Mrs. L. T. Kincer, 750 S. 11th, known to her friends as Dorothy, gave this simple recipe for a Devil's Food Cake. This cake is one for which she is well known. She has entered this cake four times at fairs and won first place each time, three times straight in Montague County and in 1953 at the Panhandle and South Plains Fair.

Devil's Food Cake

- 2 cups sugar
- 1/2 cup shortening
- 2 eggs
- 1 tsp. vanilla
- Dash of salt
- 2 cups flour
- 3 heaping tbs. cocoa
- 1/2 cup buttermilk
- 1 tsp. soda
- 1 cup boiling water

Method

Cream sugar and shortening, add unbeaten eggs, vanilla and salt, cream together well. Sift flour and cocoa together. Add the soda to the buttermilk and add alternately with flour and cocoa to the creamed mixture. Add the boiling water last, but do not overheat as this will make the cake heavy. Bake in two 9 or 10 in. layers or a loaf. Bake at 350 degrees for 25 to 30 minutes.

Fast And Simple

Dorothy says that she usually uses a chocolate fudge icing on this cake, but that a divinity icing is delicious on it. She warns not

to overcook as it makes the cake dry, and that you could just hurriedly stir up this cake and have marvelous results.

Mrs. Kincer says that cooking is one of her most enjoyable tasks and might be called her hobby as well as drinking coffee with her friends. She makes a little spending money by baking for others, but added that she doesn't want a large amount of this to do.

Mrs. Kincer was born at Boyd, Tex. in Wise County. She graduated from high school there.

Mrs. Kincers moved here in 1951 from Ruidoso, N. M. While living there Mr. Kincer was connected with the Cree Meadows Country Club where he operated a golf driving range. He is now employed as an industrial salesman for Clowe and Cowan, Lubbock.

Busy With Family

The three Kincer children are Denny, a senior in Slaton High School; Dale, a sophomore; and Kaye, who is in the fifth grade. Needless to say Mrs. Kincer is a busy mother just keeping up with the family.

Mrs. Kincer is a member of the First Methodist Church where she is assistant superintendent of the primary department, adult counselor of the choir. She is also a member of the Order of Eastern Star and the Junior Civic and Culture Club. She is the treasurer of this club.

Former Local Lady Has Book Published

MRS. PERRY WAMPLER

"I did not set out to be a writer. I have two young daughters and I wanted the right kind of book to give them as a helpful guide to a happy marriage; I didn't find it, so I wrote it!" states Mrs. Perry Wampler of Lubbock as she describes her book "When My Girl Marries."

"When My Girl Marries" was published a month ago by Dorance and Company, Incorporated in Philadelphia. It is already gaining national and international recognition. It has been placed in the state library of Virginia and the Hamilton Institute library of Virginia where books are selected by a group of literary critics.

Mrs. Wampler is the daughter of Mrs. A. R. Keys of Slaton, and the late A. R. Keys. She was born in Amarillo and attended Slaton Public Schools. She graduated from high school at Galax, W. Va. Her two daughters were born in Slaton and spent their early childhood here. Her husband is a baggage brakeman on the Santa Fe and is stationed at Clovis, N. M.

The largest single order for her book has come from Johannesburg, South Africa. The author has been surprised by many readers who have written telling her how much they enjoyed the book.

Accepted Immediately

The book was accepted for publication the first time it was submitted to a publisher. Perry wrote the first three chapters in one long continuous sitting. The book required about six months to finish, because writing was done at night.

"It took a lifetime of preparation," says Perry.

It is on sale in Lubbock at the Plainsman Hotel, Magness Drug, Jesse Lee's Beauty Shop and Hemphill-Wells.

Not a book on sex, "When My Girl Marries," compiles the many things that a mother tries to teach a growing daughter and the things she wants impressed by repetition. The eight short chapters are filled with information that can be referred to time and again.

Two Reasons

In her dedication, Perry says "This book had two reasons for being written, and it is dedicated to both reasons . . . Doris and June."

June is a junior student in Lubbock Senior High School, and Doris is a sophomore at Tech.

She holds the franchise for all Dale Carnegie Courses in Northwest Texas and Eastern New Mexico. Her office is number 609, Myrick Building, Lubbock.

This busy career woman and homemaker is the originator of the five-week Perry's Personality and Charm courses. She also has

Society Editor Tells Club Reporters: Get Names Right, Be Prompt With News

HOBBES, N. M.—Those often bewildered gals who suddenly find themselves responsible for reporting the news of their women's club activities get some expert advice in a new booklet, "So You're the Club Reporter!" written by Kathryn Morris, who struggles with such dispatches daily in her job as society editor of The Hobbes (N. M.) News-Sun.

Mrs. Morris says her booklet is the product of 25 years of handling contributions from club reporters, written "in the thought of being helpful to the club reporter and her organization."

Here are some of her tips:

1. Watch names. Get them right and spell them right, and remember names make news.
2. Identify your organization by its full and correct name. Don't expect the editor to guess.
3. Don't fall into the habit of using only first names of club members, to seem chatty and informal. A married woman's name always should be preceded by the title "Mrs." followed by her husband's full name. Only a divorcee is cor-

rectly identified by the title "Mrs." and her own first name. If you don't know how to spell the name of one of your members, the only way to be sure you get it right is to ask her.

4. When you telephone club news in to the paper, you might adopt the newspaperman's method of making sure the spelling is right, as follows: A as in Adam, B as in Benjamin, C as in Charles, and so on.

5. Don't put headlines on your reports. They will only have to be changed.

6. Be prompt with your reports. Nobody is interested in stale news.

7. In the interest of promptness, it often is best to telephone in your report. But write it out first, so that you have all information correctly in order.

8. Your local society editor will love you if you send her an accurate list of the names and addresses of your club members, for her reference.

9. A neatly typewritten dispatch always makes a good impression and lightens the editing job.

Sunday guests in the Arthur Kahlich home were Mr. and Mrs. Edward Schilling and two boys of Hale Center, Mr. and Mrs. Gene Foerster and son. Gene has just received his discharge from the Army. He has been stationed at Ft. Bragg, N. C. They have bought a farm at Muleshoe and will move next week.

Perry is presently working on two more books. One is the heart story of several great and near-great Texans. The other is a collection of the original material used on her show, "Inspiration Time."

W. King and Gertrude returned to Slaton on Monday of last week from a visit to San Angelo. They stayed several days there visiting Mrs. King, who is in the sanatorium.

Austin Pastor To Talk At Tech

LUBBOCK—Dr. Carlyle Marney, pastor of the First Baptist Church of Austin, will give the ninth annual Willson Lectures on the Texas Tech campus, March 7-10.

The lecture series was established in 1946 by the Willson family of Floydada for the purpose of bringing a prominent religious speaker to the Tech campus each year.

Dr. Marney's general theme will be "Faith in Conflict." His first lecture will be given Monday at 10 a.m. in the College gymnasium. He will follow this with evening talks in the Student Union ballroom on Tuesday, Wednesday, and Thursday. The Union talks will begin at 7:30.

Previous Willson lectures at Tech include: Dr. Roy Smith, Chicago; C. E. McAllister, Spokane, Wash.; Dr. L. H. Evans, Hollywood, Calif., who spoke here two different years; Rev. Elmer G. Homrighausen, Princeton University; Dr. W. A. Criswell, Dallas; Dr. John Edward Carnell, Fuller Seminary; and Dr. George F. Thomas, Princeton University.

Mr. and Mrs. Glen Akin and Mr. and Mrs. Pete King went to Dallas last Tuesday to see Clifford Young. They reported his condition to be good and the doctors said he would probably get to come home in about two weeks. They returned to Slaton Wednesday.

Visitors in the August Kitten home Sunday were Mr. and Mrs. Hagen Garrett of Lubbock, Mr. and Mrs. Chester Gilmore of Idalou, Mr. and Mrs. Cecil Gartin of Abernathy, Mr. and Mrs. Lon Porter and Mr. and Mrs. Wilfred Kitten and Claude of Slaton.

Mrs. M. E. Cagle and Susan spent part of last week in Sweetwater visiting her parents, Mr. and Mrs. Frank Hale, and her brother, Ervin Hale, who had undergone surgery.

Mr. and Mrs. O. B. Chambers and children spent Sunday in Sudan visiting Mrs. Chambers' mother, Mrs. C. B. Alexander.

Mr. and Mrs. Leonard Morris and children spent Sunday visiting Mrs. Morris' parents, Mr. and Mrs. J. W. Kuykendall, in Post.

Mr. and Mrs. Wilburn Gray, Gloria and Karen of Lorenzo visited Sunday with Mr. and Mrs. Weldon Martin and girls.

Mr. and Mrs. John C. Locke and Cindy of Galveston visited from Monday through Thursday with Mrs. Locke's parents, Mr. and Mrs. J. W. Henry.
