## CITY PAVING PROJECT HERE STARTED MONDAY MORNING

Work got under way Monday on the city's paving project here in the city. Maintainers were preparing the road bed for the actual paving which is to follow. The paving will include three blocks south on So. 19th from the hospital and the block on So. 18th between Hoback and Garza.

## SHOWERS FALL DURING WEEK

Cloudy skies which in other sections of Texas caused considerable damage, dropped showers in the vicinity of Slaton and on the city of Slaton itself, this week. Rain in the city limits was reported at 20 inches. Elsewhere in this vicinity reports ranged from a shower at the Earl Reason farm, four miles east, to .75 inches at the Rudolph Schwertner farm, one mile south of town. Other reports include 65 inches on the R. Boyce farm, 2 miles east of town, a report by Ed Maeker at a place of 50 inches, and 40 inches at the Leo Kitten farm, west of Slaton.

## Street Signs Are Available

Under a program set up last year by the Rotary Club 141 street signs were erected over the city. The program was planned by the club to provide adequate street signs on Slaton's streets. The signs are bought through donations of \$12.50 each, and any one can donate towards the price of one more sign.

## County Clubhouse Offers Slaton Residents Free Recreation

Editor's Note: In our efforts to get acquainted with our new home town, we are traveling around Slaton and investigating everything of interest we can find. We hope by seeing your own community through the eyes of a newcomer, you will benefit as we do, in knowing that this is a part of what makes our town the best in the area.

Where else can you find a county clubhouse, sponsored, built and kept up, for only one purpose—to encourage, help and even promote recreation among the people of the area surrounding it. Built in 1925, Slaton's Clubhouse has long been the center of community interest, not to mention the meeting place, for everything from birthday parties to exhibits. Within the last five years the clubhouse has had enough facilities added to it, to enable it to accommodate and seat up to 140 people at one time. At one time, according to C. D. Willis, clubhouse manager, 335 members of a church group were fed on paper plates in a come and go affair.

The remarkable thing about all this is that the clubhouse and all its facilities are there for the use of anyone who wants them—without charge. To reserve it, you need only call manager Willis. It can be reserved for any time, between the hours of 8 a.m. to 10 p.m. except Sunday. It can be reserved, provided of course, that the day you want isn't already spoken for. Willis has reservations on the books now for various times through Christmas, and he already has one reservation for 1956.

## Slaton Rangers Ride In Parade At Levelland

Among the riders in the kick-off parade of the annual three day rodeo celebration in Levelland were the Slaton Rangers. In the parade July 21 from Slaton were: J. M. Fondy, F. B. Riney, Bobby Riney, Pete Lancaster and daughter Hazel Ruth, Don Pennell, Bill Sledge, Gordon Aycock, Guy Sasser, Henry Pinkert, Charley Yates, Leon Pinkert, Tommy McClanahan, and Herbert Pinkert.

## Season Nears End For Little League

As the Little League season drew to a close this week the Indians were tied for first place, each having won five games. The Yankees and the Giants were tied for third place with a record of three wins each. The records were somewhat confused on Wednesday of this week as rains have postponed several games. The Indians had a record of five wins to two losses and at the time this story was written the Indians were to play Thursday and Friday to make up the games they were rained out. The Dodgers, who were to play the Indians Thursday, had a record of five wins and three losses on Wednesday. The Yankees will play the Indians Friday to finish their nine game season. The Yankees had a record of three wins and five losses. The Giants, who have finished their season had a record of three wins and six losses. Thursday's and Friday's games will wind up the Little League season for both majors and minors. Announcements will be made later on, according to Don Hatchett, on time and dates for the all-star games in Little League. Readers are invited to check Ely's Eight Till Late Grocery ad for team records and scores of games played.

## Buxkemper Wins In "Mystery Farm" Contest This Week

This week's winner in the "mystery farm" contest is Monroe Buxkemper who correctly identified the farm as the Art Wolf place. If Mr. Buxkemper will come by the Slatonite office he will receive two free passes to the Slaton Theatre and a year's subscription to the Slatonite. Each week the first person to call the Slatonite at 200 after 1 p.m. Friday and correctly name the "mystery farm" for that week will receive a year's subscription to the paper and two passes to the Theatre.

## 180 RECEIVE SECOND POLIO SHOT TUESDAY

The hall of West Ward was filled with small children Tuesday. The children had come, many of them with their parents, to receive their second polio vaccine shots. The faces of the children displayed just about every emotion known to man. There was curiosity and excitement and occasionally a little fear in the faces. When it was all over, there had been 180 children inoculated with their second shots, or about 53% of the children who had received their first shots.

If for some reason a child could not make it to the school Tuesday morning, he is advised by school supt. Lee Vardy to contact his local physician. The physician will take the child's name for a possible round of shots to be given at a later date.

## Slaton Resident Leaves To Attend Funeral of Aunt

Miss Bernice Lane and her sister Miss Theresa Lane left Slaton Wednesday to attend the funeral of their aunt, Mrs. Allie Cramer in Corpus Christi. Funeral arrangements were not known at the time of this writing. The two women planned to go through Brownfield on the way to pick up an uncle of theirs who lives there.

## J. S. Edwards Tells Lions About Trip

"New York was one city I couldn't enjoy, I spent all my time worrying about getting in and out of it," J. S. Edwards told Lions Club members Tuesday. Speaking before the group about a vacation he took recently through eastern states, Edwards was describing some of the incidents which took place along the way. The Edwards family toured through such places as the Tennessee Valley Authority, where industry and employment have been created by the erection of dams to control the water in the area.

They visited textile mills and Cigarette factories in No. Carolina, saw tobacco crops in Virginia, the Washington Memorial, the Lincoln Memorial and the Congressional Library in Washington. They went to the Boardwalk in Atlantic City, and the Empire State Building in New York City.

The most impressive thing he saw, Edwards told the club, was Niagara Falls from the Canadian side. Another thing of interest Edwards told the club was that so many people were crowded into such a small area of land in the east.

Bland Tomlinson and L. B. Hagersman were appointed by Lions president Bill Ball to head the committee in charge of purchasing and erecting club signs at the entrances to the city. This project will be carried out in cooperation with the Chamber of Commerce. Jay Maxey, past president of the Rotary Club was a guest of Bill Ball at Tuesday's meeting at the Clubhouse.

## Santa Fe Has Good Attendance At Safety Meeting

There were approximately 150 employees, wives and families at the Quarterly Safety Meeting here Friday evening at Santa Fe. The group met out on the lawn between the Santa Fe office building and the yard office. Following the meeting the group was served watermelon. This division here at Slaton, according to W. A. J. Carter, Supt., ranks fifth among the 22 divisions of the entire system in safety. The meetings take the form of question and answer sessions, during which time the employees of Santa Fe can bring up unsafe practices to be discussed by those present. The next meeting will be Oct. 21, according to Carter.

## FRENCH STUDENT ARRIVES HERE FOR SEVEN WEEK STAY

PIERRE DEVILLERS, WHO ARRIVED in Slaton this week from France, is shown with five members of the Rotary Club. Left to right they are: Jay Maxey, past president of the Rotary Club, Bruce Pember Devillers, Sherrill Boyd, Rotary president, Wayne Kenney, and Howard Swanner. The Rotary Club is sponsoring the seven-week stay of the French Agriculture student in Slaton. —Slatonite Staff Photo.

## Leroy Kitten Gets Lone Star Farmer Degree

Leroy Kitten, a Slaton FFA member, was awarded his Lone Star Farmer Degree in Houston at the 27th Annual State FFA Convention last week.

The Lone Star Farmer Degree is the highest award that the state association can present. Accompanying Leroy to the convention were: Carlton Tomlinson of Slaton, Glen Hardin of Lubbock, Glen Moody of Crosbyton and Truett Babb, advisor of the Slaton chapter.

More than 3000 boys from all over Texas attended the convention which was held in the Sam Houston Coliseum, home of the Houston Fat Stock Show. Convention headquarters for the group were in the Rice Hotel in downtown Houston. Over \$5000 in awards were presented to the outstanding FFA boys and chapters during the convention.

Houston leaders heading the convention committee included: Archer Romero, president of the Houston Fat Stock Show; Howard B. Jones, chairman of the agriculture committee, Houston Chamber of Commerce; and J. D. Sartwell, president of the Houston Farm and Ranch Club.

The Slaton delegation visited in Galveston and toured the historical points of interest near Houston, including the San Jacinto Battlegrounds and the Battleship Texas.

## First Christian Bible School Starts August 1

"Personal and Group Relationship is the general theme of the Vacation Bible School to be conducted by the First Christian Church of Slaton. The school starts Monday morning Aug. 1 and continues through Aug. 10. Closing exercises will be Wednesday, Aug. 10 at 7:30 p.m. School hours will be 9 to 11 a.m.

Mrs. Homer Tompkins is general supt. of the school. Mrs. E. A. Nelson is supt. of Dept. I (for ages 4-6). Mrs. A. P. Hinkle and Mrs. T. A. Davis will assist in this department. Mrs. Earl Reasoner is supt. of Dept. II (for ages 7-9). Mrs. Ed Gorom will assist in this department. Mrs. Robert Hall Davis is supt. of Dept. III (for ages 10-15). Mrs. Robert Carter and Miss Peggy Kenney will assist.

The school will be devoted to Bible stories, games, handicrafts, and worship. Refreshments will be served by a committee headed by Mrs. O. D. Kenney. All children are invited to attend the school according to the Rev. Ed Gorom.

## Swimming Class Has Ten Enrolled

The Slaton swimming class for 13 through adult began Monday at 9:30 a.m. at the Slaton pool. The class will last two weeks, according to Truett Fulcher, swimming instructor.

Those enrolled in the class include: Mrs. Calvin Lamb, Nell Brasfield, Mrs. Dortha Fay Harris, Candy Gold Leinfelder, Carol Ann Mann, Mrs. Travis Mann, Roxie Meeks, Harry Hewlett Jr., Wendell Brieger, and Neita Hewlett.

## Land Donated To Wilson For City Park

Mrs. Miriam Green of Lubbock has donated 6.8 acres of land west of the Wilson school grounds to be used as a city park.

Upon completion, the park will be known as Dixon Green Memorial Park in memory of Mrs. Green's son, who was killed in an accident several years ago.

The city has piped water to the site and the land has been cleared but it will take a lot more work and money to make a pretty park, according to Earl Cummings, sec. of the Wilson Lions Club.

In an effort to raise money for the construction of the park, the Wilson Lions are sponsoring the Serenaders of Lubbock.

The Serenaders will appear at the Wilson High School Auditorium Thursday Aug. 4, at 8 p.m. Admission is \$1.00 for adults and 50 cents for school children, all profits from the show will go toward the building of the park.

## Damage Caused By Fire Is Minor

Little or no damage was caused by a fire at 1150 So. 8th, Tuesday at 6 p.m. here. The fire dept. reports that the fire caused only minor damage to wall paper in the bathroom of the residence. The fire was already out when firemen arrived according to the fire department.

## Pre-School Vaccinations Are Advised By School Supt.

Children beginning school in the first grade here in the Slaton school system should have their smallpox and Diphtheria vaccinations before registering, according to Lee Vardy, Slaton Supt. of Schools.

"We advise that these children be taken to the family physician for a physical check-up before school opens on Sept. 6," Vardy said. Mrs. Cullen Robinson and three children of Bryan arrived Monday to spend a week visiting her sister, Mrs. Dean Gilliland.

## Adults To Learn How To Swim At Night Here

There will be a night swimming class starting Monday night at the Slaton pool. Truett Fulcher announced Tuesday of last week.

The class will be for 13 year olds to adults and is scheduled at night to allow those people who can't swim in the daytime to have a chance to enter one of the swimming classes.

The class will be for both beginners and advanced advanced swimmers.

More registrants are needed for the class and interested persons are asked to be present at the pool at 8:30 p.m. Monday, according to Fulcher.

## Lake Improvements Are Shown On Maps At C. Of C. Office

Slaton residents who are interested in seeing planned improvements for Buffalo Lakes are invited to come by the office at City Hall. The Chamber of Commerce this week received two maps of the lakes. One of the maps is an aerial view of the existing lakes and the other is an artist's drawing in color. Both maps show the improvements that are planned for the lakes. According to Mrs. Bisbee, interested citizens are invited to take a look at the maps which will be hanging in the Chamber office.

## California Church Returns Borrowed Church Worker

The First Baptist Church of Slaton recently "loaned" its Educational Director, Al Wilson to the Central Baptist Church of Fresno, Calif.

The church in Fresno requested a worker and is part of the Slaton church's "Western Missions Program" he was sent. Southern Baptist work in California is relatively new and they frequently call on churches in Texas and the southwest to lend workers for a period of time. While in California, Wilson led in the formulation of a record keeping system for the church and in completing the organization of the Sunday School there. The trip lasted about four weeks. Along with his church work, Wilson also visited Yosemite National Park and went deep sea fishing.

Nice to look at from a distance but much too big and busy was the comment made by Pierre Devillers of France when asked what he thought about New York.

Devillers who arrived in Slaton Sunday from New York is visiting as a guest of the Slaton Rotary Club. He will be here for seven weeks, under much the same plan as our own "exchange students and community ambassadors".

Asked what he thought of Slaton, he replied, "I like your country towns, the people are so friendly."

While here he will spend a week in each of seven homes in Slaton, and is presently staying in the home of Mr. and Mrs. J. J. Maxey.

The young Frenchman speaks grammatically correct English and is confused only occasionally by some of the slang expressions used in this country.

Devillers is an agriculture student at the National School of Agriculture at Grignon, France. Because of his interest in agriculture, he was selected to visit this area.

Drive-in theatres are something he had never seen before coming to this country. In France the television stations are, for the most part, state owned and according to Devillers there is no such thing as a TV commercial on the stations.

Rotary Club members who are handling the contacts during Devillers visit here in Slaton are Sherrill Boyd, club president, Howard Swanner, Bruce Pember, and Francis Perry.

## Plains Publishers Form Scholarship At Texas Tech

A committee formed of South Plains Press Association members met Thursday evening of last week to complete plans for the formation of scholarships in the field of Journalism at Texas Tech.

The scholarship will go to deserving graduates of high school who plan to attend Tech for the study of Journalism.

The committee met at the home of Slatonite publisher, Francis Perry following dinner at the Red Arrow Cafe.

The committee was composed of Dean Vanzant, publisher from Seagraves; Curtis Sterling, publisher of the Brownfield News; Dr. William Hall, head of the department of Journalism at Texas Tech, and Mr. Perry.

## Four Slaton Girls In Farm Bureau Beauty Contest

There were four Slaton girls entered in the Lubbock County Farm Bureau queen contest held Thursday night of last week. The contest took place at the Slide Road Community House.

The Slaton entries were: Margaret Ann Crossland, Barbara McCoy, Barbara Wilke and Bobbie Marlene Reynolds.

AMONG the facilities offered for the use of area residents are a public address system and a completely equipped kitchen, including dishes, stove, refrigerator and cooking utensils. The tables used in the clubhouse are built in eight foot sections seating eight people. By joining the sections a banquet table can be constructed that will seat 140 persons. There is even a hat rack.

GATHERED AROUND preparing the iced tea for the Lions Club luncheon are, left to right, Mrs. J. F. Merrill, Mrs. J. B. Wells, and Mrs. H. E. Cavenar. The ladies are preparing the food in the spacious kitchen of the county clubhouse here in Slaton.

signed to hold 100 hats, not to mention clean rest rooms and a piano which was added just two years ago. People are sometimes harsh in their criticism of the recreational facilities of a small town, but no town that we know of, not even a town the size of Lubbock, can boast a clubhouse with the facilities ours has for the people's use—without charge.

**THANKS ELBERT**

Tribute should be paid to Elbert Wilson for the interest he has shown in trying to improve Slaton's Fire Department. Recently, Wilson returned from a fire-fighter's school at Texas A&M. Though he went with his expenses paid, he spent five, eight-hour days in actual training in ways and means of fighting fires.

The thing that hasn't come out and should be brought to the attention of the citizens of Slaton, is that Wilson was not required to attend the school. He took it upon himself to take one week of his vacation so that he might attend, and that Slaton might benefit.

His job is not finished even though the school is over. Now he must teach the other firemen here the new practices he learned at the school.

Did you know, that because he was willing to go, the insurance key rate in Slaton will receive a 3% reduction?

The training that he so unselfishly gave his time for, may someday be needed here in Slaton—the fire may be at your house.

We believe that a vote of thanks should go to Elbert Wilson—don't you?

**SPAIN'S MASTERPIECE**

This is a great year for Spain. All through 1955 the nation is celebrating the 350th anniversary of the publication of its greatest book, Miguel de Cervantes' "Don Quixote". In all European literature only Goethe's "Faust" and Dante's "Divine Comedy" have been compared to this in greatness.

Cervantes was a former soldier who spent five years in captivity among the Moors. He wrote "Don Quixote" to satirize the romances of knights which were as popular then in Spain as detective stories are with us now. The Don was a long, lantern-jawed country gentleman whose head had been turned by these romances. He fancied himself a knight and went about the country in search of adventures, but achieved only beatings and humiliations. His squire, Sancho Panza, a roly-poly peasant with a peasant's shrewdness, sets him off admirably. The Don grows on the reader gradually, and changes from a comic character into a great gentleman who is wise on every subject except knighthood.

Cervantes wrote books, but "Don Quixote" has made him immortal.

**NECESSITY FOR WISDOM**

President Eisenhower's speech opening the Geneva conference contained an important idea. He said:

"The problems that concern us are not inherently insoluble. They are difficult; but their solution is not beyond the wisdom of man..."

These two sentences explain why there are conferences among disagreeing nations. They are to try to solve these solvable problems. When he called upon the "wisdom of man" for this task, President Eisenhower was describing the attempt of this modern age to defeat the notion that might is right. He has said that within man's wisdom solutions can be found, but not from within the arms of his armies.

President Eisenhower has put the emphasis where it belongs. In this century of scientific advances man's mind, his mental explorations, his intellectual daring have created a spurt upward on the chart of progress. It has therefore become increasingly necessary that the same sort of reasoning imagination and energy be brought to bear in the field of human relations.

It is time to abandon the ideas of primitive tribes about social relationships. It is time to realize that war solves nothing, gains nothing. It merely makes life harder for those who survive.

The world and its peoples present complicated problems which cannot be solved by simple means, by a show of physical strength, or by a display of emotionalism. Man has reached a point in his history where his ingenuity and intelligence in ferreting out the secrets of the universe around him, both the beneficial and the explosive, have brought him to the necessity for wisdom.

Said Solomon: "Wisdom is the principal thing; therefore get wisdom: and with all thy getting, get understanding."

**Reverence In Prayer**

The Master taught his disciples to pray "Our Father which is in heaven, Hallowed be thy name." One of the first essentials of prayer is that it must be made in the spirit of reverence and humility. We are in the presence of the King of Kings, Lord of Lords, Creator of the universe, and the Sovereign Ruler of mankind. His name is hallowed, revered, and sacred.

God is jealous of His name. He commanded that it be kept sacred, that it not be taken in vain. Souls will be lost just as quickly for breaking the third commandment as they will for breaking any of the ten. Since God does not permit the irreverent use of His name, then it behooves us as Christians to come humbly and reverent to Him in prayer.

Reverence in prayer demands self-examination as we pray. If we approach the throne and enter

into the Holy of Holies, we must first make sure that we come not as rebellious children, having allowed sin to separate us from fellowship and communion with Him. "If we confess our sins, He is faithful and just to forgive our sins and cleanse from all unrighteousness (1 John 1:9)." This forgiveness, this cleansing, must precede effectual prayer. Every prayer may well begin with self-examination, clear the channels, tune the heart, keep the commandments, abide in Him, let His words

abide in you, and you may expect power before God in prayer.

One great Chinese general always set aside one hour each day for prayer in his private chamber. No matter how busy he was he never failed to find time to pray. It was also a custom that he put on his cleanest, and finest clothing for the occasion; on being asked why he dressed this way he answered, "It is the way I would dress if I were going to appear before an earthly king and since I am going before the King of Kings why not be at my best?"

Chiang Kai-shek. He set the example of Christian reverence and humility in prayer and God has taken care of him. How about you?

**Mystery Farm Owned By Wolf**

Last week's "mystery farm" is owned and operated by Mr. and Mrs. Art E. Wolf. The farm is located four miles south west of Slaton.

The Wolf family has owned the farm since February when they bought it from R. J. Bednarz, although they have farmed it for nine years.

Mr. and Mrs. Bednarz bought the land in 1920 when they moved to Slaton from Fayette County. The Bednarzes cleared the land, which was then prairie land, and were the first to plow and plant on it.

Cotton, as it is with most of the area farms, is the main crop on the 160 acre farm, though they plant some grain. The Wolfs have a few chickens and seven cows also on the farm.

The Wolfs were married in 1946. She is the former Lidwina Bednarz. There are four children in the Wolf family, three girls and one boy. They are; Maryilyn, 8; Frank, 6; Elaine, 4; and Janice, 2.

The Wolf family belong to St. Joseph's Catholic Church of Slaton. He is a member of the Knights of Columbus and she is affiliated with the Catholic Daughters.

Mrs. Wolf likes to spend her time keeping house and sewing.

AUSTIN, TEX.—A luncheon didn't happen in the Governor's Mansion on Monday had wide repercussions. It could set the fate of Texas' Democratic delegates at the presidential convention next summer.

Democratic National Chairman Butler completed a six-day speaking tour of Texas at Houston. It was billed as an effort to restore harmony between the liberal and conservative Texas Democrats.

Hilda Weiner of Seguin, state national committeewoman, and in inviting Butler to Texas, she boycotted his numerous quiet meetings because, she said, the loyalist Democratic Advisory Council's chairman, Judge Sewell of Corsicana, took over, and froze out contacts with the conservatives.

Gov. Allan Shivers invited Chairman Butler to a luncheon with state officials at the Mansion, to be held June 20. Butler replied that his schedule was "too tight" and he'd be glad to see Governor Shivers in any city where he was led to appear.

That angered liberalist John Helvey of Electra, who had arranged the reconciliation conference of Shivers and Butler in Washington in May. He resigned from the Democratic Advisory Council.

Austin politicians were studying the effect of Butler's speaking tour. Some of them thought there had been considerable "double talk," as Butler's statements could be interpreted to suit any view.

At Waco late last week, Butler abandoned the "open door" theme, trying to lure back Democrats who had voted Republican in 1952. He invited the Democratic Advisory Council, his host on the tour, to "organize" the 6,000 Texas prospects with loyal leaders, for next year's showdown.

A significant feature of Butler's tour was that four prospective candidates for governor on the liberal side basked in the photographer's flash-bulb limelight.

At Dallas, Supreme Court Associate Justice Will Wilson appeared in his former home city as master of ceremonies at the Butler rally of over 1,000 liberalists.

John C. White, commissioner of agriculture, sat at the head table. Ralph Yarborough of Austin, long rumored as ready for a third try as the governor candidate of the liberals, started out with Butler at Lubbock and showed up nearly all his meetings.

And Senator Jimmy Phillips of Angleton showed up at a Waco rally for Butler.

Present also were several other senators who aren't prospective candidates for governor — and all a dozen House members.

Butler's Houston appearance was before the state convention of the Young Democratic Clubs. Virtually all the potential candidates for governor on the liberal ticket showed up there too. White delivered the keynote address at the opening business session and Yar-

borough also spoke.

**Land Office Flaws**  
A 95-page audit documenting investigations of irregularities in the Veterans Land Board has been released by State Auditor C. H. Cavness.

Cavness emphasized throughout his report the need for additional field supervisors and investigators who can check continually to prevent irregularities in the \$100,000,000 loan program.

The audit covered the period from Sept. 1, 1951 to Jan. 4, 1955 (the last day Bascom Giles was commissioner of the General Land

Office and chairman of the Veterans Land Board).

**Land Inquiry Shifts**  
After winding up its sixth week of investigation before Justice of the Peace Travis Blakeslee in Austin, the court of inquiry into overall operations of the General Land Office moved to Corpus Christi.

Twenty land office geophysical inspectors stationed in Corpus Christi will be questioned there this week.

**Rains Boosts Crops**  
Unusually favorable moisture conditions throughout Texas have brightened the crop outlook con-

siderably, says the U. S. Department of Agriculture.

Feed crops have made good development, according to USDA reports. Corn prospects are especially promising. Cotton prospects are "very promising".

Rains in scattered areas of central, eastern and northern Texas interrupted the harvesting of commercial vegetables, tomatoes in Central Texas, onions in North Texas.

Crops larger than last year are predicted for cantaloupes, onions, potatoes and watermelons.

**Defense Alert**  
William L. McGill, director of

the state's civil defense organization, reports Texas' 1955 "alert" successful and highly realistic.

Had it been the real thing, Civil Defense Co-ordinator R. E. Dysart, said there would have been no casualties in Ft. Worth, but more than one-fourth of Houston's population would have been wiped out. Lubbock would have been a victim. El Paso would have been saved. Also Bergstrom Air Force Base near Austin.

High praise was given Nederland and its 5,000 citizens for moving "successfully and smoothly" in a

mass evacuation.

**Turnpike Bonds**  
Biggest issue of "municipal" bonds in Texas history, was sold in Austin at an interest rate fractionally above 1.9 per cent.

Several investment groups joined in buying the \$58,500,000 revenue issue of the Texas Turnpike Authority—first of its kind in Texas—and re-offering them to the public.

The money will build Texas' first toll road, between Dallas and Ft. Worth.

Visiting Mr. and Mrs. Walter Smith over the week end were Mrs. Smith's sister Mrs. Alice Blythe of Houston and Mrs. Blythe's daughter, Mrs. Rex Howell, Mr. Howell, Randy and Terry of Olney.

Travis Hendrix has been in Albuquerque, N. M. for the past week receiving a check-up in the Santa Fe Hospital.

Mrs. Steve Sadowski and twins of Midland left Monday after visiting for several days with her sister, Mrs. H. J. Hawkins, and family.

GINNA LYNN of San Angelo spent last week visiting her aunt and uncle, Mr. and Mrs. H. T. Hord. Mrs. Hord's brother, Raymond Lynn, and Mrs. Lynn of San Angelo visited with them last week and then went to New Mexico to do some fishing. Ginna left Tuesday of this week to go to Clovis.

Mrs. Francis Perry left Saturday to take her sister, Mrs. H. W. Cooper, back to her home in Arlington. She also took Mr. Perry's niece, Shirley Perry, who had been visiting here for a week, to Dublin. Mrs. Perry will visit this week with her sister.

President Eisenhower is meeting in Geneva, Switzerland with the heads of state of Great Britain, France and Russia to discuss world affairs and the possibilities of world peace. This is the so-called "meeting at the summit." It is to be hoped that some good will come from this conference. So long as discussions are going on instead of physical combat, there is always the possibility of an honorable peaceful settlement of the differences between nations. However, in this meeting we must always remember with whom we are dealing. It is yet to be proven that we can depend on agreements of the Russian leaders or the heads of any other Communist country. Even the present apparent change in the attitude of Russia toward the United States and the other free countries of the world should not cause our leaders in foreign policy to let their guards down in the slightest degree. Too many times we have seen their solemn agreements violated, and a study of their thinking tells us that to accomplish a purpose they would not hesitate to guarantee almost anything. That is a characteristic of atheistic Communism which demands that we require adequate means to enforce any agreements which may be made.

#### Foreign Aid

Our recent foreign aid bill will amount to borrowing several billion dollars to give to foreign governments, some of which are operating on a balanced budget while we are still piling up a greater national debt. I believe in cooperation with our allies and in military aid when necessary, but I could not vote again for the general foreign economic aid contained in this bill at the expense of our children and grandchildren. With a national debt larger than the combined total of the debts of all the other countries in the world and a budget which remains out of balance and therefore requires further deficit spending and the payment of more interest, there is no reason to continue to give away our hard-earned dollars to other countries. If it must be done, it should be financed on a "pay as you go" basis—and not on borrowed money.

If further economic aid is necessary all these years after it was due to terminate, why not send surplus commodities for relief to undernourished peoples in Europe, Asia and the rest of the world, so long as the world market in these products is not disturbed? In this way we would help our farmers and our own government, which has accumulated many surplus products under the farm price support programs. Legislation to expand the program of shipping surplus foods to countries which cannot produce enough for themselves is pending now in the Senate.

fantry. He is now a captain in the 36th Division of the Texas National Guard and won battle-old promotions to the rank of first lieutenant during the war. This distinguished young man was awarded every medal for valor in actual combat with the enemy authorized by the United States Government in winning the Congressional Medal of Honor. Murphy alone stood off five tanks, and after the completion of the action there were counted 50 dead Nazi soldiers.

More recently Audie Murphy has won for himself a fine record as an actor. He has starred in several pictures, the most recent being the story of his life entitled, "To Hell and Back," which is to be previewed in Texas soon. Members of the Texas delegation saw an advance private showing with him last week. It was a pleasure to visit with this young man who has done so much for his country in his brief span of years. He is a shy, self-effacing youth whose appearance would belie the fact that he was a tough and experienced combat fighter. He is also fighting in time of peace for better education and law enforcement for our young people. He has made a two-year study of the narcotics traffic in Los Angeles in hopes of making a picture to help combat this terrible crime. He was an excellent witness before our Senate Narcotics Committee while in Washington.

Mrs. Nora Harper and Sandra Wells will be visiting for the next two weeks with Mrs. Harper's daughter, Mrs. J. B. Butts, and family in Wichita Falls.

Mr. and Mrs. Everett Hodge spent last week in the mountains near Alamosa, Colo. fishing. They reported a good catch.

## Newest thing in Room with a View

It's the 4-Door Riviera—the stunning new hit of America's Hardtops

WHEN Buick introduced America's first hardtop—the Riviera—folks went for it in a big way, and fast.

They liked the Convertible look of this 2-door beauty—long, low and rakish. They liked the added security of the steel roof overhead. And they certainly liked the absence of center posts in the side window areas—which gave a completely unbroken view left and right.

People liked it all so well that, over the past six years, they made the Riviera the biggest-selling hardtop in the world, bar none. And it still is.

Now Buick has come up with another great advance in hardtops—the 4-Door Riviera—and it's a sensational hit.

It has everything the original 2-Door Riviera has—plus separate doors for rear-seat passengers, and a whole of a lot more room for them.

Rock-solid half-pillars on either side are what latch the front doors and hinge the rear ones. So there's no center post above the door line—and a completely open sweep of view to both sides.

And the roominess provided by this gorgeous new hardtop is really something—over 9 inches more hiproom and 5 inches more legroom in the rear.

Why don't you come see this brand-new kind of automobile that's heading up the parade of the hottest-selling line of Buicks in history?

That way you can also try what else is to be had here—Buick comfort, Buick power, Buick ride and handling and roadability—plus the electrifying action of Buick's Variable Pitch Dynaflo.\*

Do it this week—tomorrow would be fine—and you'll see what record volume really means in the way of record-high trade-in deals.

\*Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on ROADMASTER, optional at modest extra cost on other Series.

### Rotary Magazine Is Topic At Meeting Thursday

Rev. Henry Triptow spoke to the Slaton Rotary Club Thursday noon on the Rotary magazine. The stories of interest of the past edition was pointed out.

"You can gain a lot by reading your magazine about what Rotary is doing and about what Rotary really stands for," said Bro. Triptow.

The speaker was introduced by O. Z. Ball, who was in charge of the program for the day.

Others who spoke were Rev. Dean Brookshire of Richardson, Texas. "I have made many friends in the Rotary clubs of Slaton, Plainview and now at Richardson," he said. Abe Kessel of Dallas made a short talk that was of much interest. "I have been a Rotarian since 1927. Since I have missed only two or three meetings and this was when I was sick," said Mr. Kessel. "I really enjoy being a Rotarian," he continued.

President Sherrill Boyd announced that the club was 16th in attendance out of the 38 clubs in the district for last year with an average of 94.5. The district average was 92.14. The Slaton club had nine 100% meetings last year, he said.

President Boyd stated that District Governor Rigdon Edwards of Sweetwater would be here on August 24th for his official visit.

### Pep Squad Meets Chose Club Mom

Members of the Slaton High School Pep Squad met at the Clubhouse July 29 and elected Mrs. Leonard Foster as the club mother. Uniforms were decided on at the meeting.

Uniforms and dues must be paid before the first game according to Mrs. Foster. Members can pay their dues to Carol Mann.

The club will meet in the home of Mrs. Foster for a Confetti Party August 5 at 7:30 p.m.

### Slaton Fire Truck Gets Paint Job

One of Slaton's fire trucks was in the process of being re-painted this week at Hoyt's Body and Radiator shop here in Slaton.

It was painted a shiny red and trimmed in gold. With the addition of new lettering on the sides, the truck looks almost as good as a new one.

The only Longhorn Cattle left in Texas are in the zoo at San Antonio.

Dandelion is a French word meaning "lion's tooth."

Mrs. John Edward Hogue (PHOTO BY KERTAN)

## Pruitt-Hogue Vows Exchanged Sat.

The First Baptist Church was the scene of the wedding of Miss Wanda Marie Pruitt and John Edward Hogue on Saturday, July 23, at 7 p.m.

Parents of the couple are Mr. and Mrs. Linton Pruitt and Mr. and Mrs. C. E. Hogue.

The double ring ceremony was read by the Rev. J. T. Bolding before an archway of emerald ferns and white tapers in candelabra flanked by baskets of white mastic daisies completed the background.

Mrs. L. B. Hagerman, organist, and Miss Jan Bagby, pianist, offered traditional wedding music and the organist accompanied Ronald Smith as he sang "I Love You Truly" and "Because."

**Bride's Gown**

The bride, who was given in marriage by her father, wore a Chantilly-type lace and nylon tulle gown over satin. The gown was designed with a high neckline framed by an upstanding collar of lace. The fitted bodice featured appliques of lace outlining the neckline and long sleeves ending in points over the hands. Made of shirred tulle, the skirt was fashioned with alternating bands of scalloped lace and with a wide ruffle of tulle outlining the bottom edge. From a tiara-type cap of seed pearls depended her veil of silk illusion. She carried an arrangement of carnations cascading with chalaenopsis.

**Attendants**

Attending the bride as maid of honor was Miss Pat Wells. The bridesmaids were Miss Norma Corey, Miss Nancy Clifton, Mrs. Grady Smith of Plains and junior bridesmaid was Miss Linda Hogue, sister of the groom.

The candlelighters were Miss Patsy Hogue, sister of the groom, and Miss Patti Cooper, cousin of the bride.

The attendants wore ballerina-length gowns in pastel shades with matching jackets. They wore matching headpieces of tulle trimmed in sequins and carried bouquets of multi-colored daisies with long streamers of ribbon matching their gowns.

Serving the groom as best man was Grady Smith of Plains and the ushers were Glen Akin, Jerry Hogue, brother of the groom, and Weldon Pruitt, brother of the bride.

**Reception Held**

Immediately following the ceremony a reception was held in Fellowship Hall at the church. The table was laid with a white Madeira cutwork cloth was centered with the bride's bouquet and decorated with the bridesmaid's nosegays. Pink poppers in crystal holders were used. The three-tiered wedding cake was cut by Miss Ruby Jo Lamb and Dorothy Gravell. The punch bowl was presided over by Misses Rebecca Bolding and Pat Stansell. Mrs. E. H. Johnson and Mrs. Winston Lester were at the bride's book.

Others in the house party were Mesdames T. E. McClanahan, N. R. Boyce, C. F. Austin, G. A. Taylor, Oma Fay Brown, Edd Caldwell, J. R. Richey, J. C. Smith Jr., J. J.

**Out-Of-Town Guests**

Among the out-of-town guests attending the wedding were Mr. and Mrs. R. L. Rogers of Valley Mills, Texas, Mr. and Mrs. Homer Jones and family of Wellmon, Mr. and Mrs. Lawrence Taylor of New Home, Mr. and Mrs. J. M. Robinson, Lewis J. Welter and Mrs. Dahliah Trammell all of Lubbock.

**DORCAS SS CLASS ICE CREAM FETE HELD AT CHURCH**

Nine guests and 12 members were present at an ice cream supper held Thursday evening in Fellowship Hall by the Dorcas Sunday School Class of the First Baptist Church.

Mrs. C. W. Jennings presided at the meeting and the opening prayer was led by Mrs. E. R. Burns. Mrs. R. L. Smith brought the devotion on "Repentance" reading from 2 Cor. 6 and also Psalms 32.

Several songs were sung by the group. Roy Parks led the closing prayer.

Guests present were the Rev. and Mrs. J. T. Bolding, Mrs. Fannie Patterson, Mrs. E. R. Burns, Mrs. E. E. Culver, Mrs. Joe Teague Jr., Mrs. Kate Fancher, Roy Parks and L. O. Lemon. Members present were Mesdames Dudley Berry, Smith, Joe Nielson, Roy Parks, Boyd Meeks, Henry Jarman, R. C. Hall, Conroy Bain, Birdie Myers, Jennings, W. E. Pohl and the teacher, Mrs. L. O. Lemon.

**ANNOUNCE ENGAGEMENT**

Mr. and Mrs. M. W. Reynolds of Slaton announce the engagement and approaching marriage of their daughter, Annie Jo, to William Henry Holden, son of Mrs. Pearl Holden, 3216 33rd Street, Lubbock. The vows will be exchanged on Aug. 20.

**WEDDING DATE SET**

Mr. and Mrs. L. S. Turner announce the wedding date of their daughter, Patsy, to W. L. Polk. The ceremony will be read on Sunday evening, Aug. 7, and will be at the First Baptist Church following the evening service.

Mr. and Mrs. Curtis Dowell and Paulette and Mrs. Thomas L. Hodges of Altus, Okla. returned recently from a trip to California.

Others in the house party were Mesdames T. E. McClanahan, N. R. Boyce, C. F. Austin, G. A. Taylor, Oma Fay Brown, Edd Caldwell, J. R. Richey, J. C. Smith Jr., J. J.

## BARBARA McCOY MODELS GOWN IN 'FOUR SEASON' REVIEW

Miss Barbara McCoy of Slaton was featured in "Four Season Cottons," a style review presented by South Plains cotton producers in Lubbock on July 20 before an audience of 1,500 persons.

Miss McCoy, who is the daughter of Mr. and Mrs. C. E. McCoy of Golfcourse Road, wore a white brocade cotton formal designed with an elongated bodice with shirring around the waistline and sprinkled with rhinestones on the entire dress. She was a representative of the Farmer's Co-Op Gin of Slaton. Other models appearing were also representing other Co-Op Gins.

Cotton fashions for all occasions were included in the review. Particular emphasis was placed on the new "winter cottons," fabrics loomed to more than match wool for cold weather wear.

The wardrobe show was designed for the Maid of Cotton, and was furnished by the National Cotton Council.

Mrs. Dean Gilliland spent last week in Snyder visiting her husband, who is working there.

## Slaton Women Give Their Favorite Tested Recipes

(SLATONITE STAFF PHOTO)

**GETTING THE CHILDREN'S** undivided attention is no problem when mother sits down with a story book as Mrs. LeRoy Holt is shown doing. Rebecca is four years old and Phillip is two. They always enjoy a story.

Mrs. LeRoy Holt gives this recipe for Lime Cream Salad and says it is one of her family's favorites as they enjoy salads a great deal.

**Lime Cream Salad**

1 pkg. lime Jello  
1 cup boiling water  
1 bottle 7-Up  
1 small pkg. cream cheese  
1/2 cup chopped pecans  
1/2 pint whipping cream  
1 small can crushed pineapple

Method: Dissolve the Jello in the boiling water and add the 7-Up. Place in refrigerator until thickened. Dissolve the cream cheese in a small amount of warm water and add the pineapple and pecans to the cheese. Fold the cheese mixture and stiffly beat the cream into the Jello mixture and chill.

This is an attractive and colorful salad according to Mrs. Holt and she says she is sure it will keep well although they never have any around long enough to find out as they enjoy it so much.

Mrs. Holt has resided in Slaton since her marriage in 1945. She was reared in Idalou where she finished high school. Her maiden name was Zeldia Eubank.

After receiving a degree in Business Administration from Texas Tech in 1943, Zeldia worked as a medical stenographer at the hospital at Lubbock Army Air Field (Reese Air Base now) and later held the same position at Thayer General Hospital in Nashville, Tenn. Zeldia says besides keeping house she likes this work more than any she has ever done.

The Holts met each other through a mutual friend in Lubbock. After their marriage she taught in Slaton Junior High for about three years. She also liked this work and says she thinks she would enjoy it more now since she has children of her own as she would understand the children better. LeRoy is associated with Slaton Pharmacy.

Zeldia and LeRoy have two children who are the most important members of the Holt household, as most children are. They are Rebecca, who is five years old and her mother's helper, and Phillip, who is two. He is so active, according to his mother, that he keeps the entire family busy and on the jump.

As for hobbies, Mrs. Holt loves to read and enjoys gardening as their yard shows. She and her husband work in the yard a great deal but she says they have been disappointed in their yard this summer as the hail did so much damage. She also enjoys keeping house.

She is a member of the Church of Christ and the Daughters of the

## Houston Church Is Scene of Baynes-Reynolds Vows

In a candlelight service in the Grace Lutheran Church in Houston, Miss Lora Anisse Baynes and Joe Jack Reynolds were united in marriage Friday, July 22, at 8 p.m.

The bride is the daughter of Mr. and Mrs. Baynes of Houston and the groom is the son of Mr. and Mrs. Edgar Reynolds of Rt. 2, Slaton, of the Roosevelt community.

Candelabra entwined with magnolia leaves formed the background for a double ring ceremony read by the Rev. David Conrad. The choir rail was decorated with simlax.

Miss Ann McDaniel was soloist, accompanied by Mrs. W. S. Rapp at the organ.

The bride, who was given in marriage by her father, wore a gown of fleur de bouquet Chantilly lace and nylon tulle. The oval neckline was formed by large applique and pearl and crystal clusters. Short shirred sleeves and matching mitts complimented the

## Texas and Natl. Farm Safety Week

COLLEGE STATION. — The week July 24-30 should be for every Texan on and off the farm a practice period in prevention of accidents. The period has been designated as Texas and National Farm Safety Week.

The Texas Farm and Ranch Safety Committee believes that accidents on farms do not occur because farmers and their families are more careless than other citizens. But with excess work and fatigue they often neglect necessary precautions in working with power equipment and edged tools, and in keeping in good repair articles which are used frequently.

Prevention of accidents has a deeper importance than merely keeping people fit to do their work. The waste of human lives, the pain and sometimes permanent crippling resulting from accidents, and the disruption to family life when a member is injured are of even greater consequence. The distressing thing, points out the committeemen, is that so large a part of accidents which are happening daily could be avoided by caution and common sense safeguards.

Hazards to life and limb in homes and farm buildings are many and obvious. A systematic check will reveal them, and knowledge of them is an urge to remove them. Falls cause more injuries in the home than any other type of accident. Looking before stepping could reduce such accidents, suggests the Safety Committee.

Finally, the Committee suggests that these seven days should take on special significance. It is that farmers and their families and toward making their industry as safe as any other in the nation. And as stated in the theme for Safety Week — "Your Safety is in Your Hands."

### Modern Science Finally Catches Up With Grandpa

I got put in my place the other night. Deserved it, too. My father-in-law said we were due for bad weather. "Birds are flying low," he reported. "That means a storm."

I started to josh with the old gentleman about being superstitious. Then my nephew Jim, on vacation from college, pipes up. "Grandad's right," he says.

"At least, that's what they say at school," Jim goes on. "The heavy air you get before a storm forces insects down low—so high-flying birds have to swoop along the ground if they want to eat."

Mr. and Mrs. Harold Tucker and children and Mr. and Mrs. J. B. Clark and children spent last week in the Rocky Mountain National Park and Estes Park, in Colorado. While they were there they saw Mr. and Mrs. Wayne Liles and Charlotte Sue, who are also visiting there.

Mr. and Mrs. Gordon Davis and children returned last week from the Conejos Ranch in Colorado where they had been for a week fishing and sight-seeing. They were met there by Mr. Davis' brother and sister-in-law, Mr. and Mrs. E. S. Davis, of McCombs, who had been vacationing in Canada.

Mr. and Mrs. Tom McCain left Thursday to go to California, where they will visit relatives and do some sight-seeing. They will be gone about 10 days.

Let the Fast Start Twins—  
**PURINA BABY PIG CHOW**  
and **PIG STARTENA**—  
help you Hurry Hogs  
to Market

MARKET RECORDS PROVE  
it pays to start pigs fast. And a fast  
start means hitting the early market  
with finished hogs—when prices are  
usually best.

**NEW BABY PIG CHOW**—  
Purina's new taste discovery—is so  
palatable that pigs take to it extra  
early. Contains Pura-Fat (selected  
fats) and Pura-Sweet (selected  
sweeteners). That's why pigs love it.  
Feed 1 bag (50 lbs.) per litter then  
switch to **PURINA PIG STARTENA**—  
the starter that helped more than  
5,000,000 pigs make whopping  
weights at weaning last year.

Put these Fast Start Twins  
to work in your feedlot.  
The results will amaze you.
